

MUENSTER ENTERPRISE

VOLUME XXXI

MUENSTER, COOKE COUNTY, TEXAS 76252 APRIL 26, 1968

NUMBER 23

Our national capital, confronted with millions of dollars worth of destruction and bitter memories of death and injury caused by its recent riots, now faces another disturbance of unknown potential. The Reverend Abernathy has indicated that he intends to carry out the poor people's protest march planned by Dr. Martin Luther King.

True to the policies of his deceased master, Abernathy claims this will be a non-violent demonstration, but the nation is worried. People recall that many of the "non-violent" affairs planned by Dr. King turned out to be violent. This march, apparently organized like the others, seems to have the same kind of possibilities.

If so, we can expect to hear the same kind of rationalizing in defense of Abernathy. The violence is not his fault, but rather the fault of extremist toughs who infiltrated the big show and turned it to their own use.

While the thing is shaping, we hope our administration leaders will serve notice that they will no longer accept the old plea of irresponsibility. Now is a good time to warn Abernathy that he will be held accountable for the behavior of his crowd. If he can't keep them under control he'd better not bring them to Washington.

Is this an unreasonable condition to impose on the leader? Well, what do you think? If he organizes the march knowing from previous experience that trouble makers have been taking advantage of such opportunities, it seems only logical to assume that he should expect trouble. Furthermore, by knowingly providing the occasion for trouble he seems to be making himself responsible. With signs as they are, it seems proper for federal authorities to warn Abernathy that he will be in trouble if the march develops into trouble.

Another point that bugs us is the purpose of the march. A person would think that recent passage of civil rights legislation makes this trip unnecessary. There has been talk, of course, of demands for a guaranteed annual wage and other expansion of the Great Society program, but Congress hasn't really had an opportunity to consider new proposals. So, coercion at this time seems premature, to say the least. Also, it seems like very poor gratitude for the other big favor so recently granted.

Even from the standpoint of civil rights leaders, one would think that the coming demonstration is very poorly timed. They should understand that lawmakers don't like the image of giving in to coercion and might choose this ill advised march as the occasion to adopt some other kind of reform in the civil rights movement. After all, it is time to do something for the other side, the people whose rights have been violated by commotion and crime.

The governor of Florida exposed himself to a deluge of criticism last week when he said that persons caught in the act of arson ought to be shot on the spot. Do-gooders were shocked, implying that the penalty is too drastic for the irresponsible youngsters who have been starting the fires. One can agree that the penalty is severe for past offenses, considering how little effort was made to convince the young hoodlums of the seriousness of their crimes. However the lenient attitude of the past does not change the fact arson is serious and justifies stern preventive measures.

The hoodlums need to be told that it will not be tolerated. In fact it is so serious that anyone caught in the act is liable to sudden death. When would-be arsonists know the possible consequence they will be less inclined to start the fires.

The same penalty might also help to stop some other crimes of rioting, such as looting or sniping at firemen who try to fight a fire. In disasters the warning has often been given that looters will be shot. Obviously the crime is no more excusable in riots. Nor is the crime of shooting at a fireman already risking his life to stop a fire.

Actually there is no point in debating whether any of those crimes is sufficiently grave in itself to justify being shot on the spot. The real consideration is that some measure must be taken to prevent them. Furthermore no one is wronged if warned in advance

(Continued on page 8)

Loyalty Day Proclamation

WHEREAS The progress, tranquility and worthy influence of our city depends in large measure upon the determination of its citizens to create and to maintain vigorously the loyalty practice of true American ideals, and...

WHEREAS It behooves us to periodically take stock of our achievements in such matters and to strengthen our stand against any influence, either foreign or domestic, which might threaten to disturb our preferred way of life, and...

WHEREAS There is in our nation evidence of some subverting forces endeavoring to undermine and destroy American unity, now...

THEREFORE I, Earl J. Fisher, Mayor of the City of Muenster, do hereby concur with our national and state leaders in praising the concept of LOYALTY DAY, celebrated on the first day of May; and in further support of that special occasion I do urge every citizen, school, church, organization, business establishment and home within my official jurisdiction to display the flag of our country proudly and to participate in public demonstrations and ceremonies sponsored by the Veterans of Foreign Wars of the United States, and others, on LOYALTY DAY, May the first, nineteen hundred and sixty-eight.

(Signed) Earl J. Fisher, Mayor

Three FFA Teams Qualify for State Judging Contests

Two of the three Muenster FFA teams competing in the Area 5 contests at East Texas State University last Saturday qualified to compete in state contests. All of the teams are coached by Edgar Dyer.

Muenster's land judging team took second place in a field of 19 teams and became one of the top five eligible for state land judging contests at Tarleton State College, Stephenville, next Thursday.

The dairy judging team scored sixth out of a field of about 50 and became one of the top ten eligible for state contests at A&M University on May 4 and 5.

The livestock judging team failed to get in the top ten and did not qualify for the state contest. It was 14th in a field of about 50 and, in spite of a good score was nosed out by keen competition. Team members were Steve Fette, Jerry Fleitman, Clinton Bayer and John Dangelmayr.

When the dairy team goes to A&M it will be accompanied by the dairy products team which won fourth in the area at a recent contest in Fort Worth. Don Hartman, Ken Yosten and Ken Swirczynski are members of that team.

Lynn Joe Klement of the dairy team won special honors for himself and the team with the highest individual score of the event. He made 458 out of a possible 500 points. His team mates were Henry Sicking and Leon Klement.

Other good scores for Muenster were earned by Glenn Felderhoff and Bobby Bruns in land judging. Feiderhoff was sixth high with 199 out of a possible 240. Bruns was tenth high with 187 out of a possible 240. Their teammate David Stormer added 162 for a total of 548 of the possible 720. Ernie Walterscheid was fourth member of the team but his score was not listed because only the three high are counted in the contest.

Library Week in Texas and Muenster Public Library announces another milestone — shelving its 3500th book.

In brief review: the library began in 1959 by the local Catholic Daughters of America under direction of Father Christopher Paladino. Members started with 12 books which they loaned to each other. Library birthday is kept on Sept. 23, it was on that day in 1959 that marked the first all-day opening for book lending. The City Council furnished a room rent-free in the City Hall. In 1962 the council added another room to the ever growing library.

In 1965 the library moved to its present location at 215 W. Fourth Street.

Library staffers are arranging new books for the Summer Reading Program in addition to shelving other volumes. Through the years many, many books came as donations including those from Subiaco Abbey in Arkansas, St. Alice Parish of Fort Worth, Library at Paris, and Muenster State Bank donated a new Encyclopedia Britannica. Many books have been gifted by individuals, and some have been given as memory books in the name of a loved one.

During Library Week, especially, adults are invited to visit the library and check out books. Mrs. Joe Luke, librarian, said, and teachers of both schools are invited to bring their pupils.

Joe Voth becomes U.S. Citizen at 88

Joe Voth, resident at Gold-Years Rest Home, became a citizen of the United States before the judge in federal court in Sherman Wednesday. Mr. Voth, 88 — he'll be 89 on May 5 — was there to receive his citizenship papers and was photographed with the judge.

A native of Germany, and a long-time Justin resident, Mr. Voth started citizenship proceedings in 1918, received his first papers, and believed that made it final. It wasn't until two years ago that he discovered he was not a citizen and renewed efforts to be naturalized.

Taking him to Sherman, spending the day with him, were his son and daughter-in-law, Mr. and Mrs. Albert Voth, of Justin.

\$55,000 Invested By Phone Company During Past Year

A new telephone directory for the Muenster, Myra, Forestburg area indicates a very slight increase in subscribers for the past year. Alvin Fuhrman, manager, said that Muenster lost 7, Forestburg gained 6 and Myra gained 7 for an over-all increase of 6.

Present listings show 781 in Muenster, 75 in Myra and 179 in Forestburg.

In other respects progress is more impressive, Fuhrman said. The company has invested about \$55,000 in improvements during 1967 including buried cable, aerial cable, poles, lines, new phones, office equipment and work equipment.

Another improvement is a direct dial service due to begin on May 1 between Myra and Gainesville. The toll charge which now applies to calls between those exchanges will be discontinued, however service charges at Myra will go up \$1.50 to \$2.00 per month to compensate for the added service.

Dialing direct between Myra and Gainesville will require use of the complete numbers, that is, all seven digits.

Fuhrman said that the three exchanges now have 1181 phones on 922 stations plus 22 mobile phones. They have 299.23 miles of line averaging 2.99 stations per mile. Last year they handled 1,827,451 local calls and 91,593 toll calls. Local calls increased 48,253 over the previous year but toll calls decreased 2,818.

Week's Rainfall Total is 3.43 in.

Sunny days are here again and very much appreciated after another siege of this year's typically wet weather. The past week added 3.43 more inches of moisture to the record which now stands as second wettest here since 1946.

Most of the rain came in short heavy downpours measuring 2 inches last Friday and .77 inch on Monday. Other readings on Steve Moser's gauge were .02, .62 and .02.

The month's total now stands at 4.33, and the year's record to date is 16.38, which is second only to 20.24 in 1957 when the April total was a near deluge of 12.43. Total rainfall that year was 51.80, the wettest ever here.

The abundant rainfall has its good and bad points. Grazing land is thriving as are several fields of fertilized grain. However, because of rain, other fields failed to get the fertilizer boost. Meanwhile most of the corn planting was prevented and much of the sorghum planting is still being delayed.

Pre Schoolers Graduate Tuesday

Graduation day for 62 preschool children at Muenster Public School will come next Tuesday. That's their last day of school and each will receive a special diploma indicating completion of the course.

Their teacher, Mrs. Hollis Berry, has invited all parents to attend the short ceremony and then join in a party at the city park.

Electric Co-op Will Have Annual Meeting Monday

A packed house is expected at the Muenster High School auditorium next Monday night for the 30th annual meeting of customers-owners of Cooke County Electric Cooperative Association.

Its purpose is to hear reports of the past year's business, elect three directors, consider any new business that is introduced and participate in the traditional big drawing of attendance prizes.

Registration of members is scheduled to begin at 6:45 p.m. and the business session will start at 8 o'clock with Jack Crownover, president, as chairman. From 7:30 to 8 and again before adjournment entertainment will be provided by the Gainesville State School Girls' Choir under direction of Dale Dennis.

Rev. Wm. D. Craig of Nocona will give the invocation. President Crownover will make introductions and Secretary J. A. Klement will read the notice of meeting, proof

Coronary Is Fatal to J. E. 'Earl' Robison

Funeral services were held Monday at 3 p.m. for J. E. (Earl) Robison, 65, Cooke County Commissioner of Precinct 4, who died suddenly Saturday at 6:10 p.m. of a heart attack.

Officiating ministers in Gainesville's First Baptist Church were the Rev. Gene Hawkins of Seminole, Aubrey Spiers, pastor of Marysville Baptist Church, and Dr. Harry M. Roark, pastor of the Gainesville church.

Burial was in Fairview Cemetery under direction of Vernie Keel Funeral Home. Bearers were employees of Precinct 4: Ernest Huggins, Joe Doughy, John Richey, Tillman Bridges, Travis Whitt and R. D. Morris.

Commissioner Robison had been admitted to Muenster Hospital Saturday morning after becoming ill at his home in Marysville. He was believed to be in satisfactory condition, then suffered the massive coronary which he failed to

survive. He was born June 20, 1902, in the Bulcher community, a son of the late Mr. and Mrs. D. O. Robison, pioneer settlers, and spent his entire life time in the area.

On Nov. 12, 1932, he married Miss Effie Davidson at Marietta, Okla., who survives.

Robison was a veteran commissioner of Precinct 4. He served 18 years and would have rounded out 20 years at the end of his present elective term.

He was first elected in 1942 and served eight years. He was elected again in 1959 and served continuously until his death.

He was a lifelong member of the Marysville Baptist Church, served as a deacon and former Sunday School superintendent for many years. He was a member of Fish Creek Masonic Lodge.

In addition to his wife he is survived by two sons, Douglas Robison of Spur and Jimmy Robison of the home; two grandchildren; two sisters, Mrs. J. Calvin Dennis of Dallas and Mrs. Otho Whaley of Fritch; and three brothers, Leslie and Willis Robison, both of Gainesville and Ernest Robison of Bulcher.

Firemen Provide Emergency Labels For Use on Phones

Emergency labels for all phones on the Muenster and Myra exchanges will be included in the next telephone bills sent out. The phone company is cooperating with Muenster firemen in their effort to get a label on every phone.

The labels, provided by the firemen, are of bright red luminous paper with numbers of the fire department and local police in bold numbers.

People are urged to stick the label on the cradle of the phone under the receiver, so it will be in perfect view when the receiver is picked up. Numbers are large and clear, a special consideration since people often do not have their glasses on when making an emergency call. It also saves the time of looking up numbers in the phone book.

One Act Play Cast Receives Two High Ratings in Region

Officially Gareld Payne and his one act play cast do not know how they rated in the regional one act play contest at Denton last week. However, they are satisfied with a news report in last Sunday's papers naming them in second place. Payne hopes to receive the same report officially.

An added satisfaction is individual honors for two of the cast. John Felderhoff was named best male supporting actor. Bobby Bruns received honorable mention for best male actor. Payne added that it was well deserved recognition for a very good performance by all of the cast.

Third in Regional

Carmen Wimmer was the only entry of Muenster High School who placed in the regional literary meet at Denton last Friday. She was judged third in poetry interpretation.

Other entries from here were Herbert Sicking in science and Roy Rennels in typewriting.

Two entries in regional track also failed to place. They were Herbert Sicking in shot put and Mike Hennigan in discus.

DST Will Start Sunday

The time is near for the national semi-annual change of clocks. Daylight Saving Time becomes effective at 2 a.m. next Sunday. To most people that means simply to go to bed by the old time and get up by the new time.

So Saturday night is the time to advance the clock one hour. That will put one in tune with the new time schedule, but an hour earlier according to the sun. It will get him to work while the morning is still young and leave lots of time after 5.

This schedule remains in effect for six months. Change back to the regular solar time is scheduled for October 27.

News of the Men in Service

Finishes Course

Ray Rumley, airman first class, was graduated Friday from school at McConnell AFB, Wichita, Kansas, and spent the weekend here with his mother, Mrs. Melba Kinsey and family. Ray finished classes in the communications field in F 105s and returned to his base for further assignment. With him on the trip to Muenster was a buddy, Gary Loukota A1c, who hails from Lake Andes, S.D., and was visiting in Texas for the first time.

At New Station

David Fisher telephoned his parents, the Paul Fishers, to tell them he has been transferred from Fort Polk, La., to Fort Sill, Okla., for further training. He expects to be there eight weeks. His address: Pvt. Donald J. Fisher, US 54 443 818; Btry. 8, 8th Tng. Bn., US ATC (FA); Cycle 41 A, 4; Fort Sill, Okla. 73507.

Gains Revealed In Bank Report

A substantial increase in deposits and a moderate increase in loans for the past year at Muenster State Bank were reported Tuesday in response to a quarterly call for reports by the state banking commission.

A report as of April 18 shows deposits of \$3,721,893.12 and loans of \$1,865,782.94. That is an increase of \$540,235.56 in deposits for the year and an increase of \$21,342.85 in loans. For the past quarter it represents an increase of \$4,254.10 in deposits and decrease of \$14,905.09 in loans.

Muenster's report was in tune with that of the banks of the county. Total deposits for all four were \$26,155,078.96 an increase of \$3,003,546.96 in the past year. And loans were \$12,135,473.95, an increase of \$417,182.13 for the year.

Deposits in other banks of the county were as follows: First State \$12,421,217.78; Gainesville National, \$8,813,419.91; Valley View National \$1,198,558.15. Loans were: First State \$5,238,968.26; Gainesville National, \$4,437,431.65; Valley View National, \$543,291.10.

EDGAR DYER, vocational agriculture teacher at Muenster High School, is this year's selection for outstanding conservation teacher in Region 5 in the annual Fort Worth Press contest. Also first choice for Region 5 is the Upper Elm-Red Soil and Water Conservation District. Dyer and the district will be honored May 18 at a banquet in Stephenville.

Russell, Hamric Will Manage Pool

Ronnie Russell will be manager and Dan Hamric will be his assistant at the Muenster swimming pool this summer. The appointments were made by the city council Monday.

Date for the pool opening was not set, however it is assumed to be sometime near June 1. Good news for the youngsters is the addition of two slides, a big one at the deep end and a small one at the shallow end.

Sam Dobbs Quits Local SCS Office

Sammy Dobbs, a member of the Muenster Work Unit of the Soil Conservation Service for the past 18 months, checked out last Friday to join the Farm Home Administration at Bonham.

The transfer locates him nearer his home town of Honey Grove and his farm near there. Sammy is a native of Honey Grove and a 1966 graduate of Abilene Christian College. After graduation he worked at the Gainesville SCS office until coming here.

V'Ball Tourney Is Half Finished

The volley ball tournament sponsored this week by Sacred Heart Alumni is in high gear and at its half way mark. All preliminaries and about a third of the eliminations games are finished.

As it got under way the 49 team tourney turned out to be a 43 team event. Six of those entered failed to report.

Elimination games will continue until 8 p.m. Saturday when the four finals get under way. The last eight eliminations will determine who receives trophies, and the four finals will decide who gets the first and second place trophies.

Eight prizes will be given at the end, to winner and runner up of the men's and ladies' camp brackets, also to winner and runner up of the two consolation brackets.

A TERRIBLE REWARD FOR PATRIOTISM

Out on patrol along the Cambodian border last week end was a decorated member of the United States Marine Corps. The mail arrived and a message brought him a letter from the United States Immigration Service. It stated that he was to be deported from the United States after he finished his tour of duty with the Marines.

It seems the youth came to the United States from one of the so-called "emerging nations" that are sinkpots for American taxpayers' cash. He had a student visa to study in this country.

He liked our way of life and enlisted in the Marines to do what he could for a cause he believed right. He went to Vietnam where he was wounded. Following his recovery he received the Purple Heart.

When the Immigration Service learned his whereabouts, it notified him that he was to be deported. The odd part of the thing is that he was expected to serve out his enlistment in the Marine Corps first.

When his buddies learned of what was taking place, it made them angry. They protested, but their protest seems to have fallen on the deaf ears of the immigration brass.

Our country is filled with the dirty, long-haired hippies, draft card burners, protestors,

trouble-makers and people who openly advocate the violent overthrow of the United States. They're blight on our society, but they claim American citizenship because they were lucky enough to be born here.

Liberty must be fought through personal sacrifice.

In our opinion that decorated Marine should be allowed to stay. If this country wants to deport someone, let it start with Stokely Carmichael and others of his ilk.
 —Granite Falls, Minn., Tribune

WALKING AROUND MONEY

So much drivel has been written about the rioting and looting in our cities that it is not easy to put the disturbances in perspective. Politicians, wiping tears with one hand while holding aloft a campaign banner with the other, chorus that billions of the taxpayers' dollars will have to be spent on the good things of life for these down-trodden looter-voters.

Before you accept that verdict, ponder the following Associated Press dispatch out of Chicago on April 10: "The warden of the Cook County (Chicago) jail said yesterday that he is amazed at the sum of money found on the approximately 1,800 persons arrested during the rioting in Chicago Friday and Saturday.

"Winston Moore, the warden, said \$85,000 was inventoried as taken from prisoners. One man arrested at the scene of looting had \$563 in his possession. Moore said the average adult who was arrested for looting had \$300 to \$400."

That's a lot of walking around money and rather more than our friends and neighbors carry in their pockets. Where did these adult looters and arsonists get that kind of money? Were they paid in advance, by someone, to loot and set fires? And if so, who paid them? Maybe the President's riot commission should be reconvened to review the matter of whether or not there is a conspiracy at the bottom of this. If the average adult looter had "\$300 to \$400," certainly they don't need any billions from Washington very badly.

As to the Washington riots, perhaps the following from U.S. News and World Report says all that needs to be said:

"Three blocks from the White House cars loaded with Negroes pulled up at a shoe store. Looters piled into the street, broke the windows and cleaned the place out. Police, looking on, did nothing to stop them.

"After loading up with hundreds of dollars' worth of shoes, the looters jumped back in their cars and started off—then they stopped at a red light. One witness yelled: 'They can loot all they want, but they're afraid of getting arrested for a traffic violation.'"

In other words, loot at leisure in the nation's capital, but don't run any red lights when you drive away.

And you can appreciate that it may cost a lot of federal money to keep such looters in a style which will dissuade them from looting in the future.

Among the English language's many puzzling words is "econom," which means the large size in soap flakes and the small size in automobiles.

State Considers Mammoth Plan to Tap Icecap Water

A plan for tapping the great icecap water wealth of the northwest to satisfy needs of Texas and 16 other southwestern and western states will be presented to the Texas Water Development Board at a hearing Friday (April 26).

Lewis G. Smith of Denver, a retired U. S. Bureau of Reclamation engineer, proposes to bring in water from Columbia, British Columbia and Youkon via the Rocky Mountain Trench to High Plains and Pecos River for diversion to West Texas and Eastern New Mexico. Plan also would divert water to the Rio Grande for South Texas and the Valley area.

Smith estimates that potential yield of icecap sources of British Columbia and Yukon are roughly 650,000,000 acre-feet a year, and 38,000,000 acre-feet would meet import needs of 17 states until 2070. Smith projects reuse of water four times before it finds its way to the sea and general curtailment of per capita consumptive use from 2.16 acre feet to .5 foot after 2200.

Costs of the enormous project would be paid by cities using the water made available.

"How's Henry getting along at school, Eph.?"

"Not so good, George. Tells me they're lernin' him to spell taters with a p."

Astroworld Has Biggest Recorded Tree Transplant

The largest tree ever to be transplanted — a 45-ton live oak tree — was set in the heart of Astroworld, the multimillion-dollar family amusement and entertainment center just south of the Astrodome.

The tree — rechristened the Astroworld tree — is a 35-foot high, perfectly proportioned tree which has two main stems forking off of a 24-inch trunk. It's costing several thousands of dollars.

Our research has failed to find where a larger tree ever has been moved and replanted anywhere in this country," Richard Warner, Astroworld's man in charge of landscaping, said.

The ricksha used in the Orient today was invented by Jonathan Goble, a U. S. Marine who visited Japan with Perry in 1854.

One fellow to another in line to receive unemployment checks. "It frightens me sometimes when I realize that this administration with its fiscal irresponsibility is my sole means of support."

INFLATION
 From the President's Council of Economic Advisers:
 In 1967 — last year — the after-tax average income for every man, woman and child in the U.S.A. was \$2,735 — a rise of \$151 over 1966.
 That figure, though, does not take into account the effect of inflation—rising prices. When the inflation factor is worked into the calculation, the actual per-person income gain sinks to \$74.

SCOFIELD
FOR
STATE REPRESENTATIVE

Secretary of Agriculture Freeman tells the following anecdote:
If I had any doubts that there is a restlessness among farmers and farm leaders, they were cleared up during a bout with the flu for a couple of days last week.

I was home in bed, snuffling and coughing, when my wife came in with a telegram from one of the country's leading farm organizations. It said: "Dear Mr. Secretary, Our board of directors wishes you a speedy recovery — by a vote of 8 to 7."

Cub Scouts to Have Pack Night Apr. 29

Münster Cub Scouts will have their first pack meeting next Monday, April 29, in the VFW Hall at 8 p.m. to show their parents, families and friends what they have accomplished upon completion of their first month of cub scouting. They'll also receive Bobcat badges.

They have planned a program of skits, games and songs.

Den mothers for the dens are Mrs. Denis Hofbauer, Glenn Richardson, Albert Zimmerman and Don Murch who have the eight and nine year olds.

Clyde Fisher is Webelos leader for the ten year old group and James Mollenkopf is assistant.

Leonard Reiter is cub master, Gerald Hess is assistant and Don Murch is committee chairman.

San Antonio Nuns Have Visit With Local Relatives

A trio of nuns returned to Our Lady of the Lake Convent in San Antonio Monday after a visit with Münster, Lindsay and Fort Worth relatives.

Sister Ann Theodore Wiesman and her companion Sister Paulette arrived in Fort Worth on Wednesday where they visited the former's sister and husband, the Henry Koelzers. Mrs. Joe Henry Walterscheid met them there Thursday and brought them to Münster. They made a pop call at the J. J. Haverkamp home, then went to the Al Fleitmans until Saturday afternoon, then they were houseguests of the J. J. Haverkamps.

Saturday evening Sister Miriam Dorothy Lueb came from Tulsa to join the group. She had attended a convention

there. Meeting her at Gainesville were the two nuns, Mrs. Walterscheid and Mrs. Haverkamp, and she stayed at the Haverkamp home.

Sunday the three nuns and the Haverkamps went to Lindsay to attend First Communion services. Linda Kupper was a member of the class. They all had breakfast at the home of Linda's parents, the Ray Kuppers afterward. Also there were Ray's sister and family, the Dick Bumps of Irving. Mrs. Bump is Linda's godmother.

Back at the Haverkamp home in the evening other visitors were the Tony Wiesmans of Gainesville and Ted Wiesman.

Monday morning the three nuns started back to San Antonio in a new Ford for the convent.

All marriages are happy; it's the living together after marriage that causes trouble.

Gloria Gieb and Thomas Fuhrmann Say Wedding Vows

Miss Gloria Jean Gieb and Thomas Allan Fuhrmann exchanged wedding vows in a double ring ceremony at Nuptial Mass Saturday at 5 p.m. in Sacred Heart Church with Father Alcuin Kubis officiating.

Parents of the couple are Mr. and Mrs. Gene Gieb and Mr. and Mrs. Val Fuhrmann.

Given in marriage by her father, the bride wore a formal gown of diamond white silk organza veiled over silk taffeta with accents of re-embroidered Alencon lace, seed pearls and crystals on the Empire bodice, A-line skirt and removable tube train which fell from a double Dior bow.

The bride's bouffant elbow-length veil cascaded from a petal point headpiece. Her flowers were a bouquet of white roses. For something old and borrowed she carried a prayer book which her aunt, Mrs. Bernard Gieb of Lindsay and her mother carried at their weddings. And she wore a diamond pendant, a gift from the bridegroom.

Her four attendants were Miss Debbie Fette of Denton, maid of honor, and Miss Margie Fuhrmann, bridegroom's sister, bridesmaid, in pale green, and Misses Nancy Fuhrmann and Glenda Gieb, sisters of the couple, bridesmaids in pale yellow.

Their dotted dacron floor-length dresses in Empire style were slim beneath a drift of the same material from the back neckline. They carried baskets of daisies and had fresh daisies and net combined for headpieces.

Sgt. James Fuhrmann of McGuire AFB, N. J., was his brother's best man. A cousin Chris Kupper of A&M at Bryan and brothers of the couple Gary Gieb and Fred Fuhrmann were groomsmen. Louis Gieb of Lindsay and Sam Endres of Denton, cousins of the couple, ushered.

Anthony Luke was organist for the Sacred Heart men's choir and also was accompanist for Mrs. Norbert Walterscheid, vocal soloist, who sang "On This Day" before the service and "Mother at Your Feet" after Mass when the couple went to the Blessed Virgin's shrine where the bride placed a bouquet of white gladioli on the altar.

Wedding reception and buffet, catered by Rohmer's, were held in the Parish Hall where Misses Janie Fleitman of Austin and Mary Ellen Endres registered about 400 guests.

For her daughter's wedding Mrs. Gieb wore a beige costume with matching accessories and Mrs. Fuhrmann, mother of the bridegroom, was in a pink costume with white accessories. Both had white gladioli corsages.

After a dance in the VFW Hall the newlyweds left on a flying trip to Old Mexico. They will make their home in Dallas. He's employed by Braniff Airlines as a mechanic and she's a secretary for Southern Union Gas Co. Both are graduates of Sacred Heart High School. He completed his tour of duty in the Navy as a petty officer third class serving aboard the Constellation and Forrestal as an airplane mechanic.

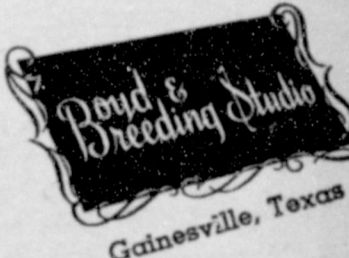

Wedding Guests
Among wedding guests were the bride's grandmother Mrs. H. L. Herron of Denison and the bridegroom's grandmother Mrs. Werner Endres.

Other guests, from a distance, included Mr. and Mrs. Ben Tubb and Linda, Patty and Michelle of Oklahoma City, Mr. and Mrs. Julius Gieb and son John of Victoria, Mr. and Mrs. John Fuhrmann and daughter of New Braunfels, Mr. and Mrs. Jerry Pels and family of Pilot Point.

Mr. and Mrs. Byron Black and children, Mrs. Dennis Hess, Mr. and Mrs. Olin Murrell, Miss Carol Henschel, all of Dallas, H. L. Herron of Denison, Mr. and Mrs. Bob Kupper and Eric of Marlin, Mr. and Mrs. James Walterscheid of Arlington, Mr. and Mrs. Randy Wimmer of Lewisville, Mr. and Mrs. John W. Turner of Richardson, Mr. and Mrs. C. B. Fallon and Jimmy of Sherman, Mr. and Mrs. Fred Bratton of Dallas, Mr. and Mrs. J. C. Davis of Arlington.

Rehearsal Party
Mr. and Mrs. Val Fuhrmann were hosts for the rehearsal party in their home Friday night. Thirty guests were present for a buffet of finger foods.

Kathleen Streg Walter Lutkenhaus Marry at Lindsay

Miss Kathleen Streg became the bride of Walter J. Lutkenhaus in nuptial services performed at 4 p.m. Saturday in St. Peter's Church at Lindsay.

Father Leon Flusche of Arlington, cousin of the bridegroom, directed the exchange of vows in a double ring ceremony and celebrated the Nuptial High Mass.

Parents of the couple are

NOTICE!

Sealed bids for asphalt paving on streets of Muenster, Texas, will be accepted by the mayor or city council of Muenster until 7:30 p.m., June 3, 1968.

To Whom It May Concern

Notice is hereby given that a budget hearing for the Muenster Hospital District for the fiscal year July 1, 1968, to June 30, 1969, will be held Monday, May 6, 1968, at 8 p.m. in the Community Room of TP&L Building, Muenster.

—Raymond Miller Photo

Mr. and Mrs. Lawrence Streg of Lindsay and Mr. and Mrs. August J. Lutkenhaus of Muenster.

Wedding music was provided by Mrs. William Schmitz, organist, and St. Cecilia's choir. Mrs. Ben Hermes, grand-aunt of the bride, and Mrs. Bruno Zimmerer were duet vocalists before Mass and again after the service when the bride placed a bouquet on the Blessed Virgin's altar.

For her wedding the bride chose a gown of white French lace designed with scalloped fitted bodice, scooped neckline and shirred lace scalloped sleeves sprinkled with sequins. The hemline and the detachable train were bordered with sequined scallops. Satin roses and lace petals held her veil, and her flowers were a bouquet of white roses and stephanitis. She carried a crystal rosary, a gift from her grand-uncle Ben Hermes, and wore a strand of pearls that her mother wore at her wedding. Her father gave her in marriage.

Miss LaVerna Streg was her sister's maid of honor and Miss Doris Lutkenhaus, sister of the bridegroom, was bridesmaid. They wore shrimp pink Empire style dresses of crepe and lace, the lace-covered bodices featuring shirred lace bell sleeves. A straight train

was attached with a crepe bow. They wore matching headpieces with circular veils and carried bouquets of white daisies.

Notice to Bidders of City's intention to let contracts for the construction of improvements and extensions to the city's sanitary sewer system and treatment plant, and of the city's intention to issue and deliver interest-bearing time warrants in payment of all or a portion of the cost thereof.

SEALED PROPOSALS addressed to the Mayor and City Council of the City of Muenster, Texas, will be received at the office of the City Secretary, City Hall, Muenster, Texas, until 7:30 o'clock P.M., on the 17th day of May, 1968, for the construction of improvements and extensions to the City's Sanitary Sewer System and treatment plant, at which time and place the proposals will be publicly opened and read aloud. Any bids received after closing will be returned unopened. The bids will be referred to the City Engineer for tabulation and checking with the final award of the contract proposed to be made on June 3, 1968, at which time and place the City Engineer will hereinafter-mentioned warrants will be authorized in payment of all or a portion of the contract price.

Plans and specifications and other contract documents, including minimum wage rates, may be examined without charge at the office of the City Secretary or in the office of the City Engineer, Paul D. Gregory & Associates, 629 Oakhurst Scenic Drive, Fort Worth, Texas, and may be procured from them upon a deposit of Twenty-Five Dollars (\$25.00) per each set as a guarantee of the safe return of the plans and specifications, within seven (7) days after the opening of bids. The full amount of the deposit will be turned upon submission of a bona fide bid on the work with such plans and specifications or returning the plans and specifications prior to the time set forth for receiving the bids and advising the Engineer that a bid will not be submitted; otherwise, the deposit shall be forfeited.

A cashier's check or acceptable bidder's bond, made payable to the City of Muenster, Texas, in an amount not less than ten per cent (10%) of the largest possible total for the bid submitted, including the consideration of additive alternates must accompany each bid as a guarantee that, if awarded the contract, the bidder will promptly enter into a contract and execute such bonds as are required.

Attention of bidders is directed to the provisions of the Labor Standards and the Wage Rate Determination of the U. S. Department of Labor as determined for this project and as contained in the Contract Documents. Attention is also directed to the provisions of Article 5159a, V.A.T.C.S., requiring that not less than the general prevailing rates of per diem wages for work of similar character in the locality where the work is performed shall be paid all laborers, workmen and mechanics in the construction of public works.

Bidders are expected to inspect the site of the work and to inform themselves of all local conditions. NO BID may be withdrawn after the scheduled closing time for receipt of bids for at least thirty (30) days.

NINTH GRADE

B Honor Roll: Gerry Cash, Charles Cler, Phyllis Dittfurth, Patty Felderhoff, Alan Fisher, Tim Hartman, Debbie Hermes, Thomas Hughes, Leon Klement, Earl Koelzer, Joan Monday, Annette Shelton, Debora Sicking, Janel Stoffels, JoEllen Trubench, Ernie Walterscheid.

TENTH GRADE A Honor Roll: Bobby Bruns, John Felderhoff, David Fette, Lynn Joe Klement, Gretchen Koesler, Elaine Otto, Joyce Sicking, Karen Sicking, Sandra Sloan, Pam Stoffels.

B Honor Roll: Dolores Eckart, Debby Felderhoff, Jerry Fleitman, Tommy Henscheld, Terry Miller, Janell Reiter, Roy Lee Rennels, Henry Sicking, Kathleen Sicking, Kenny Sicking, Joan Wilde.

ELEVENTH GRADE A Honor Roll: Jan Wilde, Susie Yosten.

B Honor Roll: Dale Cash, Shirley Dittfurth, Herbie Fette, Don Hartman, Becky McElreath, Clifford Sicking, Rose Ann Sicking, Doris Trubench, Carmen Wimmer.

TWELFTH GRADE A Honor Roll: Shirley Klement, Karen Vogel, Mona Voth, Glenda Wasson, Jackie Wimmer.

B Honor Roll: Debbie Cler, Rose Eckart, Faye Embry, Rita Fette, Paula Herr, Debbie Russell, Ann Sicking, Leon Walterscheid, Linda Wilson, Sharlene Wimmer.

Mrs. Joe Vogel joined her daughter Miss Lillian Vogel of Fort Worth on a weekend trip to Lubbock where they visited their daughter and sister, Mrs. Don Muller and family. Sunday all of them went to Hereford to visit Mrs. Vogel's sister Mrs. Carl Luke and family. In Lubbock they also visited the C. J. Hellmans.

Mr. and Mrs. John Fisher returned Monday from a five-day visit in Durham, N. C., with their daughter and family, Ledr. and Mrs. Max Rumelhart. They saw their grandson Matt Rumelhart make his First Communion and got acquainted with little granddaughter Betsy, six months old. The Rumelharts' other children are John and Annie. The Fishers traveled by jet.

Four Muenster young men left Sunday for Alaska where they will be employed. They are Weldon Vogel and Dickie Hesse who went in one car and Larry Wimmer and Lloyd Klement who went in another car. They're traveling together sight-seeing on the way in Colorado and will stop to visit the Lehnert brothers in Spokane, Wash.

Mrs. Melba Kinsey had her family for dinner Sunday while Ray Rumley was at home on weekend pass from McDonnell AFB, Wichita, Kansas. Guests included Ray's buddy Gary Loukota who was having his first visit in Texas, and James Steadham of Saint Jo, Mr. and Mrs. Richard Herr and daughters and J. D. Rumley. The two airmen were among guests at the Gieb-Fuhrmann wedding.

Honor Roll Listed At Public School

Scholastic Census shows 371 children of school age ... 43 above Muenster's total last year. Father Paul Hoedebeck will celebrate first Mass here June 15; the day will also include the district meeting of the Catholic State League. Holy Name Society is rehearsing minstrel show for May 3. Louise Schmitz leaves for duty with the WAAC. Report shows 4791 persons qualified to vote in Cooke County. Chris Fette is advanced to second lieutenant at Fort Knox, Ky. Pvt. Jack Fletcher of Hondo Base is visiting his parents. Steve Moser gets promotion to PFC at Camp Wolters.

Shape Of Things To Come

While only a tiny percentage of the cars sold in the United States this year will be equipped with safety-styled head restraints, things will look different next year when they become required on the front seats of every new car. A preview of the 1969 look is shown in this year's Volkswagen passenger cars which feature built-in head restraints as standard equipment. Also standard are convenient lap-and-shoulder safety belts which can be easily fastened with one hand.

Doris Sicking and Cecil Hermes marry. CDA court announces winners in annual poetry contest. Ted Kathman is on leave before going to Cuba.

**Science Equipment
Added at SH High**

Sacred Heart High School's science department has again become the beneficiary of Father Andrew's building skills. This time it's an optical bench designed for performing the various experiments which occur in most manuals of elementary physics. Students are showing skills too. Chris Walter, member of the physics class, made a zoid leaf electroscope designed to detect and measure small electrical charges.

Larry Bayer, Ernest Martin and Cletus Bayer, junior high students, constructed electric motors. In addition to the motor, Ernest who works at times in partnership with David Voth and Mark Schmitt, also made a switch, a fuse and an electric light bulb, the latter being quite primitive, yet illustrative enough to be useful.

Cletus also made a model catapult, an ancient military engine for throwing stones or other heavy missiles. Also added to the science department are a set of science brochures donated by John Luttmer and a rain gauge donated by Terry Grewing.

her husband, the Kenneth Ottos, and Mrs. Haverkamp visited her daughter and family, the Leroy Wiesmans.

Mr. and Mrs. Keith Tompkins and sons Brian, Mark and baby David of Arlington, were Sunday visitors with her parents, the Victor Hartmans, showing off David and getting him acquainted with the relationship on his first visit away from home. Their daughter Sharon is working at Six Flags this summer in El Chico Restaurant.

Renee Ann, infant daughter of Mr. and Mrs. Clyde Muller of Bedford, was baptized Sunday afternoon in St. John the Apostle Church at Richland Hills. Attending as godparents for their niece were Mr. and Mrs. Jim Strittmatter, Denton. They took their little daughter Jeanna Sue with them. Others there to get acquainted with the baby were another uncle and aunt, Mr. and Mrs. Donald Pelzel and Lisa of Pilot Point. The baby's grand parents, Mr. and Mrs. John Hacker, and daughter Shirley, had their get-acquainted visit Saturday.

Mr. and Mrs. Arthur Endres had as weekend guests her son and family, Mr. and Mrs. John Turner, John and Cathy of Richardson.

Over 15 Million Visitors Came to Texas Last Year

Texas Highway Department's new brochure on 15,100,000 out-of-state visitors who spent \$807,900,000 in Texas last year showed they stayed on an average of 5.9 days.

Average travel party had 2.9 members, spent \$8.89 each per day, drove 3,622 miles on complete trip. Half of them came on vacation, 28 per cent to visit family or friends and eight per cent on combination business-vacation trip. Bulk of visitors came from Louisiana, California and Oklahoma.

State Has Over 4 Million Voters

Total voter registration this year is a record 4,072,397 — nearly a million more than the last presidential year (1964) but still shy of predictions.

Figure compares with 3,014,597 in 1964 and 2,970,966 in 1966.

Five biggest counties of the state alone account for nearly 1,633,000 of the total eligible voters, and if all major metropolitan areas are counted, city voters overwhelm the rural area residents. That statistical fact figures strongly in campaign plans of gubernatorial candidates who are busily scouting the big cities during the windup weeks of their vote drives.

Last county to report to Secretary of State Roy R. Barrera on registration was Harris (Houston) with 583,721 voters. Dallas County has 466,925, Bexar (San Antonio) 237,359, Tarrant (Fort Worth) 242,693 and Travis (Austin) 102,264.

Marysville News
By Mrs. John Richey

MARYSVILLE, April 25 — Mrs. Sam Tuggle was visiting in Krum several days with her sister, Mrs. Harold Cochrell. Mrs. Jack Tuggle, accompanied by her daughter Mrs. Eddie Joe Reeves and son Michael of Saint Jo, took her to Krum and had a visit before returning home.

Mr. and Mrs. H. B. Snow of Tawakoni spent the weekend with her parents, the W. F. Davidsons and joined them and the Charles Davidson family in attending the Davidson reunion in community center building at Gainesville.

Visitors Saturday with the John Richeys were Mr. and Mrs. John Barnes and family of Era and Coy Fite of Ringgold.

Mr. and Mrs. W. F. Davidson and Mrs. Charles Davidson visited at Gainesville Hospital Monday with their daughter and sister-in-law, Mrs. Bill Roe of Callisburg, a patient for X-rays and treatment.

Brent McElreath spent Sunday night and Monday with his grandparents, Mr. and Mrs. O. C. Ingram at Burns City.

Visitors with the Joe Dough-tys Saturday afternoon were Mrs. Wayne Doughty and children of Gainesville, Mrs. Douglas Doughty and Mrs. Sheldon Doughty and their children of Valley View.

Recent visitors with Mr. and Mrs. Joe Wilcox were his sister, Mrs. Cleo Wilson of Gainesville, her guests a daughter and son-in-law, the Don Brewers, visitors from California, Mr. and Mrs. Jack Broerman, of Cincinnati, Ohio, Mr. and Mrs. M. K. Price of Lawton, Okla., and their mother Mrs. M. M. Wilcox of Nocona. The group also got together for a reunion in Mrs. Wilson's home.

Joe Wilcox has been killing rattle snakes out his way. Last Wednesday a rattler bit his stock dog and the dog died even though Mr. and Mrs. Wilcox worked to save the dog. Joe got that rattle snake and has dispatched two others — eight and nine rattle variety.

Mr. and Mrs. Douglas Robison and children Mark and Jan of Spur have been here attending the bedside and funeral of their father and grandfather, Earl Robison. Mrs. J. Calvin Dennis of Dallas and Mrs. Otho Whaley of Frich, were with the family and at the funeral of their brother.

Among those from Marysville at the funeral of Earl Robison Monday were Messrs. and Mrs. R. D. Morris, Raymond Davidson, Travis Whitt, Sam Sparkman, John Richey, Joe Doughy, Lawton Moon, Nathan Whitt, Jack Tuggle, Rafe McElreath, Grady McElreath, J. T. Cole, W. F. Davidson, Ernest Huggins, Tillman Bridges, and Don Cooke. Also Reeve Cooke, Becky McElreath, Carroll Bridges and Mrs. Charles Davidson.

Postmaster Tells Of Regulation to Stop Smut Mail

Mail patrons offended by pandering advertisements can now take steps to curb such mail. Postmaster Arthur Endres said today in announcing plans for administering a new law which gives each family the right to decide that an ad is "erotically arousing or sexually provocative."

When an advertisement sent through the mails is offensive on these grounds, a postal patron can now ask the post office to direct the mailer to send no more mail to him and to remove immediately the patron's name from all mailing lists he owns, controls, or rents.

To assist patrons, the Post Office Department has published a brief pamphlet — "How You Can Curb Pandering Advertisements" — which is now available at the Muenster post office. In addition to explaining how the law works, the pocket-size leaflet contains a form letter one can use when sending his complaint to the post office.

The pamphlet explains that when a patron receives an advertisement which is, in his opinion, pandering, he must send the ad, its envelope and the form letter, or one which includes its language, to his post office with the words, "Request for prohibitory order" on the face of the envelope.

Postmaster Endres said "This new law should give some protection to American families offended by advertisements they believe to be morally harmful, particularly to their children."

"Last year the Post Office Department received some 140,000 complaints from those offended by pandering advertisements. While in most cases the ads were not legally obscene and were therefore mailable, they are often offensive and are usually not the type of material one would want his children to read."

He added that "because the law gives a mail patron the sole right to decide what is offensive, and does not deny others the right to receive the same mail, the Congress felt it does not violate Constitutional guarantees of freedom of speech."

While the patron's complaint will only be directed to the sender, Postmaster Endres believes that one or two complaints will provide substantial protection because "the great bulk of this advertising comes from fewer than 20 so-called 'smut dealers' who are frequently swapping mailing lists."

If a mailer does not strike a complainant's name from this mailing list and the patron receives a second mailing 30 days after the firm has received the prohibitory order, he may bring the matter to the attention of the postmaster issuing the initial order by writing him and enclosing the second pandering ad with its envelope. If the mailer still fails to respect the order, the Postmaster General may ask the Attorney General to apply for a Federal Court Order directing compliance. Failure to observe the order may be punished by a fine or imprisonment.

Walt Parker Is Candidate for State Legislature

Walt Parker, candidate for State Representative and a Denton businessman, has served the city of Denton as chairman of their Parks and Recreation Department.

"My candidacy for State Representative is based upon a sincere desire to see our state prosper and grow," Mr. Parker stated. "I am not content, and I do not believe that the voters of this District are content with Texas being in the lower quartile of states, insofar as education is concerned. If we cannot be number 1, let us at least move into the first quartile, in this field where our future will be based."

As a former teacher and football coach, Mr. Parker became familiar with the job of educating our youth who will be our leaders of tomorrow.

Mr. Parker further stated, "Our three schools of higher learning in this district, North Texas State University, Texas Woman's University, and Cooke County Junior College, deserve the unremitting support of the voters of this District and the State Representative."

He has been very active in civic affairs during his twenty-one years in the city of Denton. Mr. Parker has served as chairman of the Parks and Recreation Department, Director of the Chamber of Commerce, Director of the American Red Cross, President of the Denton Rotary Club, and is presently serving as Director of the Denton Sports Association.

He attended North Texas State University and received his B.S. Degree in Business Administration. Mr. Parker later received his Master of Arts degree from Texas Christian University.

During World War 2 he served overseas with the 313th Bomb Wing of the Air Force being stationed in the South Pacific. He was recalled to active duty during the Korean War and served two years.

Mr. Parker has a consistent record of being able to get the job done regardless of the type of job. He owns and operates several farms, and as Mr. Parker stated, "I would be able to represent the farmer and rancher in Austin due to my twenty years of experience in this field."

He is a homebuilder in Denton having built numbers of homes and apartment houses in this area.

As a former member of the Denton School Board, he has had the experience of running a multi-million dollar business.

Mr. Parker is deeply concerned with the rising crime rate in our city, county, state, and nation and he states "a serious and long look should be taken by the Legislature in this field, in cooperation with all law enforcement agencies, prosecutors and the State Department of Corrections."

For the past eight years, he has served as an official in the American Professional Football League as an umpire. He officiated the All-Star game in Jacksonville, Florida this year. Mr. Parker is also a member of the Cotton Bowl Athletic Association.

He is a member of the First Methodist Church and is married to the former Mildred Brock of Joy, Texas who is presently teaching English in the Celina High School. His son, Walt Jr., is due to graduate from North Texas State University in June.

A native Texan, he has been a resident of Denton County for twenty-one years, and Mr. Parker states, "I deeply and sincerely solicit the vote and support of each and every voter in this District, and, if elected I pledge to you that it will be my constant endeavor to work for the betterment of Texas."

First and second place winners in Regional advance to the State Meet May 2-3

Tigers Drop 8-2 Contest to Big G

Tigers' luck did not improve when their series with Gainesville moved to the local field. They lost 8-2 Tuesday afternoon as their visitors got an effective grouping of hits, walks and errors.

Tigers got their 2 the same way. In the second Paul Hoedebeck doubled and 2 errors allowed him to score. In the fourth Lee Roy Hess singled and came in on a triple by Tom Hess. Those three were the Tigers' only hits.

Mearwhile Gainesville was working on 7 hits, 3 walks and about 6 errors. Lee Roy Hess pitched all the way and fanned 7 batters. The visiting pitcher fanned 10.

Games scheduled for the next week are Saint Jo Friday, there; Gainesville B Tuesday, here; Saint Jo Wednesday, here; Gainesville B Thursday, there.

Local News BRIEFS

Mr. and Mrs. Richard Herr treated his parents, Mr. and Mrs. John Herr to dinner on Friday in observance of their 40th wedding anniversary.

Mrs. Carl Mullins returned home Saturday after being in Lubbock three weeks at the bedside of her husband's mother, Mrs. A. E. Mullins at Methodist Hospital there. Mr. Mullins has been back and forth. His mother has been removed from the critical to the serious list. Mrs. Mullins will be going back later this week to again help nurse her mother-in-law.

Visitors over the weekend with Mr. and Mrs. Lawrence Wimmer were their son-in-law and daughter, Mr. and Mrs. Tommy Gressett and daughter Gayle of Dallas. Other guests Sunday were daughters and families, the Tim Wimmers, Brad and Jeff of Gainesville and Mr. and Mrs. Frankie Hess and Sondra. They helped Laurie Wimmer celebrate her birthday. She was 15 Monday.

Mrs. Dick Cain, accompanied by her daughter Mrs. Wendell Richey and children of Gainesville spent Monday in Lewisville with another daughter and family, the Jimmys Christians.

Mr. and Mrs. Felix Prescher started back to Bakersfield, Calif., Sunday after a week's visit with relatives including his parents, Mr. and Mrs. Joe Prescher at Lindsay and his sisters and brothers: the Tom Sickness and Joe Luttmers here, the Pete Preschers and the Leo Preschers, Martin and Tony Hackers at Valley View. Enroute home they stopped at Carlsbad, N.M., with a sister Mrs. Johnny Mayes and family.

Mr. and Mrs. Gene Schnitz and sons, Ken, Jerry, Bob and Jim spent Sunday in Archer City with her sister and family, the Bill Crows. They went to see Beverly Crow make her First Communion in St. Mary's Church at Windthorst at 7:30 a.m., then spent the day with the family at Archer City.

Mr. and Mrs. Ervin Hamrick spent Sunday in Dallas at market.

Confetti - - -

of the consequence. Anyone can avoid the consequence simply by avoiding the crime. Measures to deal with inciting a riot are also in order. A stiff penalty should be set impressing on trouble makers that they can avoid the consequence by avoiding the crime.

Regardless of sentimental babble about harsh penalties, the significant point is that none of them need to apply to anyone. All can be avoided by good behavior.
