

Independent Beef Producers of America, a recently organized association with a purpose of seeking a solution to the present meat crisis, was disappointed to hear that Secretary of State Kissinger does not approve of sending canned meat to the world's needy because it would be too expensive.

The organization had earlier suggested the give-away as a means of disposing of some of this country's surplus. The plan, it appears, was for our government to buy enough of the canned meat to get the market back in order, then give it to the hungry.

Obviously, that is a solution, but it's also rather obvious that it would take a lot of money to get that much meat off the market. Kissinger is right. It would be expensive, and there is a way to make the charity dollar go farther. This brings up a subject that is frequently discussed relative to world hunger. We can spread the benefits much farther by giving grain rather than meat. The point is that a pound of meat provides less nutrition to the hungry than the quantity of grain used to produce a pound of meat.

On the other side of this issue we have the claim that 70 per cent of the grain sent to the backward countries does not get to the poor because it is eaten or contaminated by rats or lost by spoilage or mis-handling. So, from that angle it appears that the aid per person helped costs us about as much one way as the other.

Up to here this seems to bring the two methods to a standstill, but it should not. As regards the grain, the first step toward getting full use out of what we give is to find a way of preventing losses to rats, spoilage, etc. This column wonders why the grain cannot be packaged for adequate protection.

It's disgusting to hear that millions of bushels of the grain is wasted. Surely some of the people involved in the deal ought to think of something that will work. How about metal containers limited to about 2 bushels so they can be handled easily and used in a relatively short time after opening?

We're stunned by the cost of so many containers, but we have to admit that millions of them can be provided for what is lost nowadays. This doesn't mean that grain shipping out would have to be in thousands of containers. Rather shipping should be in bulk and the containers filled at port of destination. Furthermore the containers ought to remain closed until they reach the retailer, or-sometimes even the customer. Our guess is that this method would save us a lot of money and let a lot of lives. Better still, let the receiving countries be responsible for getting the containers to port and seeing that they are properly sealed and stored.

Principal reason behind the beef surplus is the import of huge quantities of canned beef, which according to some misinformed people is not competitive with the meat produced by US farmers. It seems someone got the idea that the import beef comes from tough range cattle whereas our meat comes from feedlot cattle. But that someone apparently did not know or did not remember that 15 to 30 per cent of US cattle are the canner type animals such as aging cows and bulls, poor calf producers, poor gainers, etc. Also included are the annual culls from dairy herds. All of these cattle, it seems, give us an abundant and constant supply of canned beef of our own. We don't need the imports.

A natural question deriving from this fact is, why do we have the meat shipped in? We suspect it's a matter of having to accept this to get the orders for some things we want to sell. Well, if that's the case why don't we try to arrange another deal to sell those things? We are spinning our wheels when we have to create one surplus in order to dispose of another.

So, now the cattlemen ask our government to relieve the strain by giving some of the canned meat to hungry people. And Kissinger very properly suggests that we ought to make our charity dollar provide the most possible nourishment. That can be done by

## Davenport Plans Area Program of Rural Progress

A program for assisting rural people of this area in community development was the purpose of a trip last week to Temple and Austin by Gene Davenport, member and community service manager of Cooke County Electric Cooperative Association.

At Temple he discussed such programs as water and sewer projects and housing and industrial development with the Farm Home Administration.

And in Austin he visited the Governor's Office to discuss the state's plans regarding rural and community development. While there he arranged educational programs which will be held throughout the co-op's service area in the spring of 1975. Other places visited were Texas Industrial Commission, Texas Tourist Commission and the Rural Development Commission.

The Member and Community Service Department of the Electric Co-op is now working with thirteen organized communities, incorporated cities, industrial foundations, and other organized groups of the area to improve the people's economic base and lifestyle.

## Extension Service To Show TV Series On 'Do It Yourself'

Cooke County "do-it-yourselfers" will have "their own" television series with the start of a new program on KXII-TV, Channel 11, at 10:00 a.m. Saturday, January 11.

According to Mrs. Evelyn Yeatts, Cooke County Extension Agent, the new series, "You Can Do It!" is a 13-part, educational series on home care and repairs and will be shown each Saturday for 13 weeks.

"It is designed to teach viewers simple, money-saving care and maintenance techniques," she said.

Locally, the half-hour programs each Saturday will be sponsored by Cooke County Family Living Committee and KXII-TV.

Created and produced by home economics specialists with the Texas Agricultural Extension Service, through a special USDA grant, "You Can Do It!" is being aired statewide on an alternating basis.

During the 13-week series, hostess Cindy Kidwell will teach lessons on how to repair leaky faucets, how to caulk and weatherstrip, and how to paint interiors and exteriors, Mrs. Yeatts said.

"On the first program, viewers will learn how to do simple electrical repairs.

"Other lessons will teach viewers how to make toilet repairs and adjustments, how to repair walls, and how to care for wood finishes and carpets.

"The series also will include a lesson on care and maintenance of ranges and refrigerators and a lesson on how to make storage space, Mrs. Yeatts added.

Extension bulletins have been prepared in a meaningful easy to follow manner giving complete instructions on all the "You Can Do It" hints shown on the programs.

In order to receive the free bulletins you can enroll in the series by calling the Cooke County Extension Office at 665-4931 and ask that your name be put on the list. You will receive the bulletins as programs are shown beginning in January.

Mr. and Mrs. John Mosman have as holiday guests their daughter and husband, Mr. and Mrs. Bill Hopper of Saint Louis, Mo. Joining them on Dec. 25 were Father Jerry Mosman of Fort Worth and Mr. and Mrs. Tom Mosman of Garland. Carol and Bill told about their new home. They've just moved and are settled.

**Paper Drive Saturday**  
SHH seniors will conduct a scrap paper drive Saturday Dec. 28, beginning at 9 a.m. Persons with paper to give are asked to have it boxed or corded and out at the curb for quick pickup. Those who are unable to get their paper out may call 759-2940.

## 2 Receive Degrees From East Texas

John A. Dangelmayr and Jerome T. Fleitman were among 702 students receiving degrees at East Texas State University during commencement exercises last Friday night. Both received Bachelor of Science degrees.

The graduates are sons of Mr. and Mrs. Albert Dangelmayr and Mr. and Mrs. Bruno Fleitman.

Attending the graduation and bringing the boys home with them were their parents and Jim and Dick Dangelmayr and Mrs. Tom Flusche.

## New Year Dance Sponsored by KCs

Muenster Knights of Columbus again this year are sponsoring a dance and party bringing in the New Year.

It will be in the KC hall beginning at 9 o'clock and dancing will continue until 1 p.m. to the rhythm of Music Unlimited.

Grand Knight Dan Hamric said tables are set up for 36 couples and just a few reservations are still available. The admission price of \$15 per couple includes set-ups and ice plus a breakfast at 12:15 o'clock.

## Format of Sales At FW Stockyards Changes January 6

Livestock marketing at the Fort Worth Stockyards will change with the new year. The schedule of actions will still be maintained at 9 a.m. Monday, Tuesday, Wednesday and Thursday. The change, however, will be aimed at making better use of the full-time market on Wednesday and Thursday.

The change will be brought about by assigning a number of drafts of cattle which each of the 9 commission firms at the Fort Worth Stockyards may sell on each of the four days of sales. The allotment of drafts will be based on each firm's daily volume of sales and will allow for about 9 to 10 hours of selling per day.

Each day's sale will begin with groups of three head or more for the benefit of the buyer who wants quantity and the shippers with truckload lots. After the groups for the day have been through the auction ring, the odd lots will begin selling.

Traditionally, the Fort Worth market has received about half its week's receipts by noon on Monday. With the proposed change, the salesmen for the commission firms hope to be able to advise their customers accurately when their cattle will sell.

"With the hectic marketing conditions that have recently developed, both packer buyers and order buyers for stockers and feeders have indicated that they are ready for this change and would encourage a more orderly flow of cattle on this centrally located market," said Elmo Klingenberg, general manager of the Fort Worth Stockyards.

The formal change is scheduled for the first sale of the New Year, January 6. However, Klingenberg expects a gradual transition between now and then as more shippers, with the help and advice of commission firms, begin to work for a more orderly flow onto the market to make better use of the buyers' time and more effective use of the facilities on Wednesdays and Thursdays.

Selling time for commission firms will become more uniform, with each firm allowed to sell up to, but not more than one-half its daily drafts in each of the three regular rounds of groups of three head or more. Odd lots will sell at the finish of the available groups.

"Shippers will benefit in many ways," Klingenberg said. "They will have a much better idea when their cattle will sell, which is now sometimes difficult to tell, and more important, the commission firms will have more time and space for sorting, feeding and watering cattle by spreading the sales out. Commission firms will have the opportunity to feature load lots of stockers, feeders and packer cattle."

Shippers should find it easier to obtain trucks to ship to the market and buyers will be able to obtain trucks to ship off the market by this program of orderly marketing.

## Phone Co. Given OK to Continue Muenster CATV

Muenster Telephone Corporation has been officially notified by FCC of Washington that it is permitted to continue its Cable Television operation.

The communication advises the owners, Alvin Fuhrman and W. J. Miller, that they are granted a permanent waiver of the rule precluding affiliation of telephone and CATV operation in the same area.

The rule derives from a decision by Federal Communications Commission in 1970 that affiliation of the two in the same area is not in the public interest. The objection was to alleged abuses of cross ownership between telephone common carrier and CATV operations.

Muenster Telephone Corp. was one of 34 independent companies requesting a waiver. FCC action on the requests came on Dec. 5 in a decision that the rule is not in the public interest, convenience and necessity in areas where CATV would not continue except by the phone company. Muenster was one of 24 companies granted permanent waivers on that basis. The phone company at Rocksprings was the only other in Texas seeking and receiving the waiver.

Fuhrman and Miller said they are grateful to Congressman Omar Burlison and Senators John Tower and Lloyd Bentsen for help in the favorable ruling, and also to Richard Stark for preparing the formal request.

With the problem resolved, Fuhrman said, the popular weather dials and probably also the calendar of events will return to Channel 2 as soon as arrangements can be made.

He also referred to two other problems still hanging over CATV. One is a 2 per cent copyright fee to be paid by the subscriber. It amounts to 10 cents a month now but, like taxes and postal rates, it can be expected to go up. The other is the blackout of pro football within 75 miles of home games. This offsets Muenster CATV only to the effect that reception from Wichita Falls is not as good as from Dallas.

People objecting to these bills are urged to write their congressman.

## Football Foes for MHS Unchanged On '75 Schedule

Muenster High's football schedule for 1975 is almost a carbon copy of this year's, the difference being that games are at opposite locations and Archer City becomes the first district opponent instead of the last. Names on the list are identically the same, and so is the sequence except the change in district games. Also like this year, all games are at 8 p.m. during Daylight Saving time and at 7:30 in Standard time.

The list probably involves the most travel ever for the Hornets and their supporters. Games away will be at Whitesboro, Frisco, Wichita Falls, Archer City and Windthorst.

Coach Don Neal announces the schedule as follows:  
Sept. 5, Lindsay, here  
Sept. 12, Whitesboro, there  
Sept. 19, Pilot Point, here  
Sept. 26, Valley View, here  
Oct. 3, Frisco, there  
Oct. 10, Notre Dame, there  
Oct. 17, Archer City, there  
Oct. 24, Open  
Oct. 31, Callisburg, here  
Nov. 7, Windthorst, there  
Nov. 14, Holliday, here

**Michelle Pelzel Injured**  
Christmas was spoiled for the Gene Pelzel family of Lindsay by a hit and run driver who struck Michelle Pelzel, 13, on the evening of Monday, Dec. 23. She had gotten on her bike to view Christmas lights at the family home and was riding on the shoulder of Hwy 82 in the west bound lane. An ambulance took her to Gainesville Hospital and she was later transferred to Westgate Hospital in Denton. She reportedly received a compound fracture of the right leg.

Marine Pvt. Melvin R. Luke, son of Mr. and Mrs. Tony Luke, is assigned to Camp Lejeune, N. C., since recent graduation from recruit training at San Diego.

The training emphasizes physical condition, discipline and teamwork. Classes include close order drill, Marine Corps history, first aid, uniform regulations, military customs and courtesies.

Luke was on leave here for three weeks before reporting to Camp Lejeune.

## Two from Muenster Get RN Degrees

Cooke County College has been notified that twenty-two graduates of the first nursing class have passed the state license examination and now are Registered Nurses.

Included in the group are Mary Ann Hess and Gloria Stoffels of Muenster and Molly Gieb of Lindsay.

The exam is the same as that given in all the states and the District of Columbia, as well as in some territories and provinces of Canada, hence candidates passing it can get licenses in other states without difficulty.

The examination consists of five parts: medical nursing, surgical nursing, obstetric nursing, pediatric nursing and psychiatric nursing. Each candidate has to pass all five to receive a passing score.

## Power Companies Get OK from AEC On Nuclear Plant

The Atomic Energy Commission has issued a permit to Texas Utilities Generating Company (TUGCO) to construct a nuclear generating plant near Glen Rose in Somervell County, about 60 miles southwest of Dallas.

To be named Comanche Peak Steam Electric Station, the plant will be owned by Texas Power & Light Company, Dallas Power & Light Company and Texas Electric Service Company. It will consist of two 1,150,000-kilowatt generating units.

The first unit is scheduled for operation in 1980 and the second in 1982.

Application for the construction permit was first made to the Atomic Energy Commission in 1973. Since then, the AEC has conducted numerous public hearings and thoroughly researched the environmental and safety aspects of the plant.

Recently, the AEC issued a limited work authorization which allowed TUGCO to begin non-nuclear related site work, such as grading and excavation.

The final approval, which was announced Thursday, gives TUGCO a green light on the total construction project. After the plant is built, the AEC must then issue an operating license before any commercial electricity can be generated.

General contractor for the project is Brown & Root Incorporated, of Houston.

In addition to the plant, a 3,200-acre cooling lake will be built, part of which will extend into Hood County.

An average of 800-1,000 construction workers will be needed to build the plant and lake.

A nuclear plant produces electricity the same way a conventional plant does. The heat source is the only difference since nuclear fission produces the heat which turns water into steam. The steam spins the turbine, which in turn spins the generator, to produce electricity.

## Lindsay Man Is Fatally Injured In Car Accident

Services for Donald Joe Cox, 23, of Lindsay were held Saturday at 4 p.m. in Grand Avenue Baptist Church at Gainesville. The Rev. Leroy Martin officiated with burial in Rest Haven Memorial Park directed by Vernie Keel Funeral Home.

Cox died Thursday night in a one-car accident about four miles west of Lindsay on Hwy. 82, 8:15 p.m. He was heading east. The car turned over several times and was completely destroyed. Cox was thrown from the car. He was pronounced dead on arrival at Gainesville Hospital.

Son of Mr. and Mrs. J. C. Cox of Gainesville, he was married to Marilyn Hundt, daughter of Mr. and Mrs. Gregory Hundt of Lindsay on Oct. 26, 1970. He was born in Pampa, April 8, 1951, and came to Cooke County in 1968. He was employed by Freewood Products Corp.

He is survived by his wife; his parents; one brother Bailey Cox of Gainesville; two sisters, Mmes. Jerriam Kygar of Vici, Okla., and Cynthia Roberts of Whitesboro; and his grandmother Mrs. Dee Beavers of Bentonville, Ark.

## Cooke County Is No. 5 in State in Oats Production

Cooke County was the state's fifth-leading oat producing county for the 1973-74 growing season, according to Agriculture Commissioner John C. White.

Cooke County accounted for 325,000 of the states' total of 8,100,000 bushels of oats.

Citing the 1974 Texas Grains Statistics, recently published by the Texas Crop and Livestock Reporting Service, White pointed out that despite the county's high standing in state totals, production figures were at their lowest level in many years.

Nationally, Texas ranked 14th in oat production, 20th in barley, 12th in wheat, 12th in rye and fourth in flax for the '73-74 season. But White also pointed out that production figures were lower across the board, with the exception of flax.

Copies of the 1974 Texas Grains Statistics are now available by writing, John C. White, Commissioner, Texas Department of Agriculture, Box 12847, Austin, Texas 78711.

Mrs. Earl Robison had as Christmas Eve guests for supper and gift exchanging her children and grandchildren the Jimmy Robisons and Lisa of Saint Jo and the Douglas Robisons, Mark and Jan of Gainesville. On Christmas Mrs. Earl Robison was a guest for dinner in the Ernest Robison home at Saint Jo.

## Final Total Is \$514

## Alvin Hartman Will Be Publisher Of the Enterprise

Alvin Hartman, who has been on the Muenster Enterprise staff since 1946, will become publisher of the Enterprise on January 1, 1975. He will operate under an agreement whereby he leases the business, building and equipment from R. N. Fette, owner of the Enterprise since it was founded in 1936.

Hartman succeeds Leonard Endres, who was publisher under a similar arrangement for the past two years.

Fette will remain with the Enterprise on a part time basis.

Others who will be on the Enterprise staff are Herbert Fette and Mrs. Allen Reiter as full time employees and Mmes. Alvin Hartman and R. N. Fette as part timers.

Rosa Driever, who has been with the paper since 1938, will retire after the 1st.

## W. J. Miller Is No. 1 in Christmas Lighting Contest

W. J. Miller was first place winner of this year's "Keep Christ in Christmas" contest sponsored by the Muenster Knights of Columbus. The contest applied to exterior home decorations and called for displays emphasizing scenes which are related to the original Christmas — such as the nativity, angels, shepherds, and maji.

Second and third place winners were Herbert Miller and J. M. Weinzapfel. Prizes for the first three were \$25, \$15 and \$10. All had displays featuring the Nativity.

Judges were Dutch Schneider, Sport Mowell and Mrs. Curtis Gilliland, all of Gainesville.

## Steele Announces Football Schedule For Sacred Heart

The 1975 football schedule for Sacred Heart's Tigers will be almost exactly the same as this year's. Coach Bob Steele said this week that the list of opponents is identical except there will be only one game with Lindsay and Notre Dame has been added.

The Tigers and Notre Dame Knights are the only two members of the Texas Catholic League in this district and will be playing for the district title. It will be the final game of the season.

Otherwise the list of opponents is identical, even for the two practice scrimmages before the season opens.

Two of the games are booked for Saturday: Windthorst on Sept. 27 to avoid conflict with a MHS game and Saint Jo on Oct. 18 for homecoming. Kickoff time for all will be 8 p.m. except homecoming and the last two, after return of standard time. They will be at 7:30.

Scrimmages are both here starting at 7 p.m., Pottsboro on Aug. 22 and Alvord on Aug. 29. And the schedule is as follows:

Sept. 5, Era, there  
Sept. 12, S&S, here  
Sept. 19, Lindsay, there  
Sept. 27, Windthorst, here  
Oct. 3, Open  
Oct. 10, Callisburg, there  
Oct. 18, Saint Jo, here  
Oct. 24, Cistercian, there  
Oct. 31, Anna, here  
Nov. 7, Valley View, there  
Nov. 14, Notre Dame, here

Spending Christmas Day with the John Wieters were their daughter and family, the Mike Newbills of Fort Worth and his sister Mrs. Anna Shelton of Denton.

The Harold Lukes of Arlington, the Bernard Lukes of Irving and the David Fettes of Belton joined Muenster members of the Ben Luke family in a Christmas reunion at the Luke home.

Christmas Day ended at Hillcrest Manor with a visit from Father Placidus Eckart who went from room to room at the nursing home greeting and giving his priestly blessing. Then he took those able to accompany him on a drive to see decorations in Sacred Heart Church and Christmas lighting at homes. O. D. Garland went with them.

**Christmas Party Treats Hillcrest Manor Residents**

Residents of Hillcrest Manor Nursing Home were treated to their annual Christmas party on the evening of Dec. 17 and were joined by relatives and friends for the occasion.

Santa Claus arrived to distribute gifts that formed a small mountain under the decorated illuminated tree. The Home's lobby and halls were decked with Yule decor and each resident's room had a decoration on the door. Father Bede Mitchel read the Christmas story.

Music was provided by Tommy Hogan, piano and Wendel Black and Barney Reid of Myra, guitars. Also playing the piano for group singing were Father Bede Mitchel and Mrs. Norbert Walterscheid.

Mr. and Mrs. O. D. Garland and their staff members served punch and homemade cookies. Mrs. Pearl Rosson, activity director, was in charge of the evening's program.

**Youngsters Treat Oldsters**

Sacred Heart second graders accompanied by Sister Genevieve entertained and gifted at Hillcrest Manor on the morning of Dec. 20. They performed a square dance and song routine and presented their Christmas gifts of 30 dozen homemade cookies.

**Muenster Hi Girls Win Consolation Trophy at Krum**

Muenster High girls returned with a consolation trophy from their tournament at Krum during the past weekend. The boys likewise got into the consolation final but had more competition than they could handle.

Both teams lost their openers to the always potent Krum teams. Next, in the consolation semifinal, the Hornets rolled over Sanger and the Hornets blasted Aubrey. Then in the finals MHS girls beat Little Elm and the boys lost to Whitesboro.

Muenster girls in their opener with the host team trailed 17-11 and 22-18 in the first two quarters and tied the score at 22 each early in the third. But from there on Krum gained steadily for the 43-30 win.

MHS scorers were Tracey Klement, 11, Deb Schneider 10 and Sandy Dittfurth 9.

The game with Sanger was Sacred Heart's all the way for leads of 17-2, 39-14, 53-23 and 72-34 ending the four periods. Deb Schneider poured 35 big points through the net while Becky Fields and Tracey Klement each added 12 and Sandy Dittfurth 10.

Then in the consolation final the Hornets made a strong 25-11 first quarter start and slipped slightly in the second period as Little Elm cut its deficit to 38-32. After that MHS gradually pulled away to leads of 55-46 and 71-54 in the last two periods. Tracey Klement and Deb Schneider scorched the net for 36 and 27 points. Becky Fields added 5 and Sandy Dittfurth 3. Guards for the series of games were Kim Klement, Mary Lou Fleitman, Gina Felderhoff and Lisa Mollenkopf.

Muenster boys lost their preliminary game to Krum in the first half, and particularly the first quarter when they trailed 19-3. By half time they were behind 31-11 but trimmed the margin slightly in the last quarters, which ended 37-23 and 48-32. Hornet scorers were Randy Wolf 13, Danny Endres 9, Terry Walterscheid 6, Tim Felderhoff 2, Mark Stoffels 2.

The game with Aubrey started with a first quarter tie of 12-12, then MHS pulled away to leads of 33-21, 47-27 and 60-34. Point makers were Randy Wolf 21, Danny Endres 19, Tim Felderhoff 11, Kirk Johnson 6, Bobby Endres 3.

A bad first quarter tells most of the story of the consolation final with the smooth operating Whitesboro boys. After a Bearcat lead of 22-10 ending the first, the teams rocked along about even as Whitesboro led 39-25, 52-41 and 71-57 in the other periods. Randy Wolf led his team with 22. Tim Felderhoff added 14, Danny Endres 11, Terry Walterscheid 8 and Bobby Endres 2.

### Christmas Program Presented Sunday At Rosston Church

Rosston Church was the scene of a Christmas program Sunday night attended by a large number of area residents. The Christmas Story was portrayed in dialogue, song and action and included Mary and Joseph, angels, shepherds and the three Wise Men. Mrs. Billy Dee Bell arranged the original play and gave the readings. Assisting in staging was Mrs. Willie Ray Richardson. The cast included Falcia and Patricia Bell, Nick Muller, Carol Ann Maughan, Stanley

and Beverly Brandon, Sue and Debra Balthrop, David Kirk, Steve Raney, Don Richardson, Randall and Robert Thompson. Mrs. Andy Stowe and Mrs. G. A. Maughan led the caroling. Another skit was "The Shoemaker," with most of the same children in the cast of characters. The Rev. Andy Stowe brought Santa Claus in and all the little ones had their turn to sit on his lap and talk. That special treat also went to a senior citizen Gladys Balthrop. Santa handed out sacks of fruit, nuts and candy and a gift exchange took place.

### Rosston Youths On Caroling Trip

Eight young carolers from Rosston joined voices in singing Christmas songs at Hillcrest Manor Nursing Home, Muenster Hospital and homes of senior citizens in the Rosston area.

Accompanied by Mmes. Billy Dee Bell, Johnny Muller, J. Y. Brandon and G. A. Maughan the group started at the nursing home at 4 p.m. They sang in the lobby around the Christmas tree, then went from room to room to sing for those who are not ambulatory.

At the hospital they sang in the rooms of Mrs. Charles Cook, Leo Sicking and Mrs. T. Vogel, all patients with broken bones.

And finally they caroled at the homes of Rosston area senior citizens.

Carolers were Falcia and Patricia Bell, Nick Muller, Carol Ann Maughan, Stanley and Beverly Brandon, Sue and Debra Balthrop.

### Birthday Dinner Honors Miss Luke

For the third time in a week Miss Theresa Luke was honored last Wednesday in observance of her 90th birthday. The occasion was a dinner in the home of Mr. and Mrs. Ben Luke and other guests were the Martin Friskes and Nick Block of Lindsay and her brother Alphonse Luke.

Earlier observances were at the CDA anniversary on the 14th and an open house at Val Fuhrmann home on the 15th.

Mr. and Mrs. Larry Vogel have named their infant daughter Amber Leigh. She was baptized by Father Stephen Eckart in Sacred Heart Church assisted by Miss Paula Sicking and Gene Vogel as godparents for their niece. Mr. and Mrs. Paul Sicking hosted the christening dinner in their home for their granddaughter. Guests included the other grandparents Mr. and Mrs. Lawrence Vogel.

(Held over from last week)

Visitors in the home of Mr. and Mrs. W. T. Reynolds Dec. 8 were Messrs. and Mmes. Tom Cox and Don Rector and children all of Dallas.

Mr. and Mrs. T. L. Carter of Euless and Embus Carter of Denton visited with the Jack Carter family Dec. 14.

Mrs. Montana Hardin who resides at 305 Orchard St. in Bowie celebrated her 80th birthday in her home Dec. 7. Mrs. Hardin grew up in this area and is a sister of the late Lee Foster and the late Mrs. John Huddleston. She has seven children and all were there except one son Ray of Lubbock who couldn't make it. Children there were Monroe Hardin and the Silvester Hardins all of Amarillo, the Herschel Hardins of Plainview, the Earl Hardins and family of Arlington, the Ernest Hardins of Duncanville and Mrs. Vida Lee Holt of Lubbock. Grandchildren present were Wesley Hardin of Irving, Mrs. Janice Ritzbaby and Mr. and Mrs. Gary Holt and two chil-

dren all of Lubbock. Mrs. Hardin's grandson Roy of Atlanta, Ga., and a granddaughter Mrs. Joan Womack of Illinois called her to wish her a happy birthday.

Mr. and Mrs. Tony Van and son Toby of Montague were weekend guests of Mrs. Van's mother Eula Belle Boyd, Dewey, the weekend of Dec. 7-8.

On Dec. 13 Mr. and Mrs. Tim Nations and son Shane of Roanoke picked up Mrs. Nations' grandmother Mrs. Decie Elzey and they all headed for Arlington to attend the wedding of Mrs. Nation's sister, Judie Boelter. Judie is the daughter of the Jerry Boelters of Arlington. At 3 p.m. on Sat., Dec. 14 Judie was united in marriage to Ken Wooten of Dallas. The wedding took place in the Panteigo Church in Arlington with Rev. Tom Woods officiating. The young couple will make their home in Dallas after they return from a wedding trip to Colorado.

Recent visitors in the home of Mrs. Linnie Bell were the Hoyt Wintons of Bowie and the Woodrow Sirmans of the burg.

Mrs. Dorothy Foster and Mrs. Billie Walker and children were in Denton recently visiting with the Chuckie Scotts and children.

Myrtle McMillion, Dewey, jumped into her little Hornet Dec. 13 and headed out for Bowie. She ended up in the home of her aunt Rachel Reynolds. Other guests there were another aunt of Myrtle's, Mrs. Etta Lanford and a cousin Albert Curnutt of Clovis, N. M. Myrtle returned home Sat. p.m.

On Dec. 15 Myrtle entertained J. R. Griffin and his wife of Sunset in her home with a good dinner.

The Jack C. Dill home was the setting for a wedding shower honoring Mr. and Mrs. Ronnie Sessum on Thursday, Dec. 12 at 7 p.m. The young couple received many nice gifts. Hostesses were Mmes. Jewell Dill, Laura Belle Jackson, Cheryl Brogdon, Becky Scott, Marjorie Orrell, and Cookie Hennigan. The guests were served very good refreshments.

The 4-H county food show was held at the Forestburg Community Center Dec. 14 from 1 p.m. to 4 p.m. There were 13 entries from Nocona and Forestburg. Even three boys entered the food show — two from Forestburg and one from Nocona. The two from Forestburg were Robert Ponder and Billy Fulcher. Robert will be going to the district 4-H food show in Dallas. Cleo Lanier says that all three boys won blue ribbons on the food they entered. Watch out girls! Guests were served coffee and punch — they all went around and sampled the food entered in the show.

On Friday night Laura Belle and Ted Jackson made their monthly trek to Greenwood to attend the regular meeting of the Eastern Star.

Our Junior High boys and girls played basketball over in Montague Monday night, Dec. 16. The girls won and the boys lost.

On Monday night, Dec. 23 at 7 p.m. the first six grades of our local school presented a Christmas program at the school.

My husband and I would like to take this opportunity to wish all of you a Happy, Healthy and Prosperous New Year.

## Reducing plan for energy users

### Plan F How to save when using electric heating

1. Keep heating equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
2. Set thermostat at 68° and leave it. Lower to 50°-60° if you'll be away several days.
3. Weatherstrip doors and windows; caulk cracks to prevent drafts and warm air loss.
4. Check the filter every 30 days on forced-air systems. If filter is permanent, clean it by manufacturer's directions; if it's disposable, replace if dirty.
5. Thorough home insulation keeps the warmth in. Can cut energy use 20% or more. Can pay for itself by lowering heating (and cooling) costs.
6. When fireplace is not in use, keep damper closed.
7. On sunny days open draperies, blinds to let in warmth of sun.
8. Open outside doors as little as possible.
9. Keep furniture, draperies away from air outlets and returns so air will flow easily. Clean annually.

Conserve electricity and you help conserve one or more of the fuels needed to produce it: natural gas, coal and oil. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.

If you would like additional information on conserving electricity, call or see the Customer Service Representative in the TP&L Office.

### Milk Plant Treats Employees, Spouses To Christmas Party

Muenster's AMPI milk plant's annual Christmas party was held in the KC Hall for employees, spouses and guests with about 100 attending.

A catered meal was followed by dancing with music by Corky and the Del Rays.

V. L. Sparkman, local plant manager, presented service pins to 13 employees for service from five to 25 years.

Special guests were Buster Irving and Russell Edwards of the Sulphur Springs plant, Jerry Sobczek of the San Antonio office, Howard Klement, Bill Hamilton and son Lee of the Arlington office and sales department.

### SCS Directors Say Thanks for a Good Conservation Year

Approaching the end of 1974, directors of the Upper Elm-Red Soil and Water Conservation District extend thanks and good wishes to the many people on their "conservation team."

They regard the year among the most successful in the district's 33 year history, as reflected in local and regional recognition for work done. As a result the district program now includes completion of 163 floodwater retarding structures which served their purpose very well in recent heavy rainfall. Only ten structures in all of the district filled to the emergency spillway level. Combined they held back thousands of acre feet of floodwater and released it in an orderly manner.

The message also referred to the face lifting job being done in Montague County by the Great Plains Conservation Program, and also the big job done through RECP and REAP programs administered by the ASCS county committees. Two years' allocation of funds during one calendar year plus the hard work of SCS technicians has meant a lot of conservation on the land.

### KCs Visit Hillcrest

Muenster Knights of Columbus sponsored a Santa visit at Hillcrest Manor Nursing Home on Dec. 18. Accompanying the jolly old gent in red were KC members and wives who went from room to room helping Santa hand out cellophane bags of fruit and candy.

Mrs. William Frazier of Joliet, Ill., is spending the holidays with her daughter and family, the Joe Felder-hoffs.

### Lindsay News

LINDSAY — Father Francis Zimmerer has a new assignment. He left here to go to Fort Worth, assigned to St. Patrick's Parish by Bishop John Cassata.

Relatives and friends surprised Mrs. Henry Luttmr with a birthday party at the home of Mr. and Mrs. Frank Krebs Jr., waiting there to greet her when she arrived with another daughter and family, the Freddie Neus. The buffet supper included a decorated cake.

Paul Bauer is spending some time with the Arendt relationship in Cooke County while headquartering with an aunt and family, the Earl Walterscheids in Muenster. He has received his discharge from the Air Force after serving four years. His parents are Mr. and Mrs. Albert Bauer of La-Feria.

Mrs. Nina Mae Bardsley and daughter Delores Laux have returned to Sylmar, Calif., after a visit with Cooke County relatives while houseguests in the home of their son and brother Kenny Laux at Gainesville. They got acquainted with a new grandchild and niece, Bobbie Deann Alexander, daughter of Mr. and Mrs. Bobby Alexander of Gainesville. Mrs. Alexander is the former Barbara Laux. This is the couple's first child.

New church wardens elected by parishioners of St. Peter's Parish are Michael G. Fuhrmann, Ted Noggler and Milton Krebs. They will serve with Pete Hellinger Jr., Kenneth Zwinggi and Ray Fuhrmann, senior wardens. Retiring wardens are Vincent Zimmerer, Rudy Dieter, Gerald Metzler. Three new wardens are elected each year for two-year terms.

Mrs. Rufus Bezner was the honoree at a grandmother-to-be shower at Lindsay school. It was a surprise planned by other teachers. A decorated cake was served with coffee and she was presented a shower of gifts for her future grandchild. Mrs. Bezner will be the first teacher now teaching at Lindsay to become a grandmother. The young mother-to-be is her daughter Carol, Mrs. Paul Malone.

Mr. and Mrs. John Hoberer Sr. were surprised recently when children, grandchildren, brothers and sisters arrived to help them celebrate. The observance was planned by their children who presented a new color TV as a 40th anniversary gift. A buffet supper with a tiered cake was served to ten of their eleven children and other guests. They have 19 grandchildren. Those present were from Houston, Fort Worth, Dallas, Gainesville, Lindsay and Muenster. John Hoberer, son of the late Mr. and Mrs. John Hoberer, and Elizabeth Arendt, daughter of the late Mr. and Mrs. Paul Arendt Sr., were married in Dallas on Dec. 8, 1934. They farmed in the Hood community before moving to Lindsay several years ago.

**Lens-View**

This is the final Lens-View to be published in the Enterprise. We want to thank all the people who contributed to the success of the paper over the past two years. First, the advertisers without whom there would be no paper. You made it possible for us to publish ten or twelve page papers regularly. Most of you told us that your ads did bring in customers so our association was mutually successful.

We are grateful to the subscribers and readers. A paper needs circulation to attract advertisers and nearly all have kept getting the paper, also each year we've had many new subscribers.

To keep a paper interesting, there must be local news items. Our thanks to those of you who furnished us news and also those who wrote "Letters to the Editor."

The efforts of our staff, who many times worked nights, Saturday afternoons and Sundays so the paper would get out on schedule were truly appreciated. We are grateful to Myrt Denham, our Forestburg correspondent, who so regularly sent in news from her area. She is responsible for a large number of readers in that vicinity.

The past two years have been interesting and educational. The most pleasant part was the frequent personal contact with so many nice people. If we did offend anyone, it was not intentional and we apologize.

Our sincere wish to everyone is that you have a happy and prosperous New Year.

**SOIL CONSERVATION DISTRICT NEWS**

**OUR SOIL ★ OUR STRENGTH**

A new farm pond is being planned and staked on the Ted Henscheid farm west of Muenster. The pond will be located in a 70 acre native grass pasture and will be the main source of livestock water in this grazing area.

The 1974 fiscal year was good in so far as conservation accomplishments in Texas are concerned. Recent summaries have been released which show some remarkable "on the land" accomplishments. For example 270,822 new farm ponds built, 1576 floodwater retarding structures on the land, over 13 million acres of improved pastures established and over 11 million acres being properly managed, over 322,000 miles of field terraces, over 6 million acres of range seeding and many more items. This shows that Texas land users are doing a good job in taking care of their land and in protecting it for future generations.

Conservation is referred to as protection and wise land use. Land can and does wear out. Ignorance, carelessness, economic pressure and greed has resulted in poor land use and may have wrecked a large part of our national land heritage. Erosion has ruined or badly damaged millions of acres of cropland and grazing land. Millions of acres more have been partially eroded. On the other hand there is land in this country that has been cultivated and grazed continuously for nearly 300 years and is still productive. This land has been wisely used and kept within its capabilities.

With the right to own goes the duty to conserve. Scientific land use is conservation. Technicians from the Soil Conservation Service are assisting Al Walter in planning a diversion terrace to protect a lower field and in running some parallel terraces in a cropland field. A local dirt moving contractor will do this construction work. This farm is located one mile south of Myra.

It may be a little early to start thinking about a spring garden but it is not too early to start planning. A recent USDA bulletin says we can build a better garden with mulches. These mulches keep the soil moist and cool, reduce soil erosion, add organic matter to the soil, retard weed growth and furnish food for earthworms that loosen and aerate the soil. Leaves, sawdust, straw, compost, cotton burs, etc., all make good mulches and are easy to apply. If you have leaves on the ground now they can be made into compost or worked into the garden soils for additional organic matter. Plan now for a good spring garden.

The reason some people don't recognize opportunity is because it usually comes disguised as hard work.

**Third Order Sees Holy Land Slides**

Members of the Third Order of St. Francis, Sacred Heart Parish, made a tour of the Holy Land by colored slides projected by Sister Barbara Bernauer Sunday afternoon in the new Community Center.

Sister Barbara is on a holiday visit with her mother Mrs. Joe Bernauer and brother Frank. She flew from San Juan Bautista, Calif. Before her holidays are over she will visit in Albuquerque with her brother L. J. Bernauer and fly back to California from there. She is a teacher, also puts in one day a week teaching at Hollister, Calif., where she sees Sister Agnes Endres, stationed there.

**Laurie Endres, 10 Birthday Honoree**

Laurie Endres who was born on Christmas Day in 1964 celebrated her tenth birthday Sunday, Dec. 22, at a party hosted by her parents Mr. and Mrs. Ed Endres in their home. Assisting with party plans and helping serve birthday cake and other refreshments were Mrs. Brian Bezner of Lindsay and Mrs. Clinton Endres.

Twenty girl friends were guests. They presented gifts to the honoree and played games with prizes.

**SH Teams Lose in Consolation Finals Of Era Tournament**

Sacred Heart teams got close to consolation trophies in the Era tournament last weekend, but missed by close margins both times. Saint Jo teams were winners of both, the girls by 30 to 25 and the boys 72-65.

Getting into the consolation bracket, the teams lost their openers to Callisburg, the girls 29-21 and the boys 66-42. Next they eliminated Masonic Home teams in the semifinals before going into the finals. SH girls took that one 46-36 and SH boys 62-46.

The girls first game was close for three quarters as Callisburg led the Tigerettes by scores of 4-3, 15-11 and 21-17. But then Callisburg poured in 18 points while holding Sacred Heart to 4.

Tigerette scorers were Gloria Hess 8, Laura Kralicke 6, Mary Hess 6, Sharlene Pagel 1. The second game was won mostly in the first quarter when SH led Masonic home 13-10. After that SH held its lead by counts of 29-24, 41-30 and 46-36.

Gloria Hess hit 20 points for the Tigerettes, Laura Kralicke 12, Mary Hess 9 and Sharlene Pagel 5.

Playing Saint Jo the teams were even, 8-8, at the first

quarter after which Saint Jo inched ahead 14-10 and 24-17 and held out for the 30-25 final count.

Top scorer was Gloria Hess 12, then Laura Kralicke 6, Sharlene Pagel 4, Mary Hess 3.

Guard duty for the three contests was handled by Janet Bayer, Elizabeth Kralicke, Linda Miller, Cindy Bartush, Diane Kralicke and Sharon Rohmer.

Sacred Heart boys lost from the start in their game with Callisburg. The Wildcats took an early lead and kept gaining until their 66-42 win.

Scorers for the Tigers are Roger Endres 20, Ricky Walterscheid 7, Pat Endres 6, Mark Hess 5, Joe Hoedebeck 2, John Henscheid 2.

The second game went the other way with the Tigers going out in front 14-8 the first quarter and holding the lead with scores of 34-23, 48-39 and 62-46 ending the other quarters.

Roger Endres and Ricky Walterscheid led the scoring with 19 and 18. Mark Hess added 11, Pat Endres 9, Glenn Walterscheid 4, John Henscheid 1.

In the final game the Panthers got off to a 25-19 first quarter lead and gained one more point in the other three quarters as the Tigers pushed and pushed but could not catch up. Counts for the other

three quarters were 38-34, 52-49 and 72-65.

Roger Endres hit a big 29, Ricky Walterscheid got 18, Mark Hess 10, Pat Endres 5, Glenn Walterscheid 3.

Miss Linda Rohmer of Fort Worth and Mr. and Mrs. Olon McClendon of Irving were Christmas guests of their parents, the Arnold Rohmers, also visited their grandmother Mrs. Mary E. Felderhoff.

**BIRTHS**

Mr. and Mrs. Larry Hoberer of Gainesville are parents of their first child, a seven pound 11 ounce son born at Gainesville Hospital Saturday, Dec. 21, 9 a.m. He has been named Brady Joe. Mrs. Hoberer is the former Connie Rosson. The grandparents are Mr. and Mrs. John Hoberer of Lindsay and Mr. and Mrs. Guy Rosson of Gainesville. Mrs. W. G. Dozier of Gainesville is the maternal great-grandmother.

Mr. and Mrs. Gilbert Knabe proudly announce Brian Joseph, seven pounds five and a fourth ounces, born at Muenster Hospital Monday, Dec. 23, 3:43 p.m. Others welcoming him are his brother Ronnie and grandparents Mr. and Mrs. Gene Hoedebeck and Joe Knabe.

giving grain instead of meat. As it looks from here, the preferred solution to the beef problem is to reduce or eliminate the imports, rather than create and give away a surplus. And the preferred solution for the hungry is to give the most food possible for the dollar, and that's in the form of grain. But the merit of that idea depends on seeing that our gift of grain will not be devoured by rats. Really, isn't it possible to avoid the waste of food that is intended for poor people?

**Early Christmas At Wimmer Home**

Early Christmas reunion with dinner and supper was held Sunday at the home of Mr. and Mrs. Lawrence Wimmer who had all their children and grandchildren with them for the day.

Annual Christmas gift exchange was held around a decorated tree.

With the parents were Mr. and Mrs. Tommy Gressett and family of Carrollton, Mr. and Mrs. Ray Wimmer and children of Hurst, Miss Laurie Wimmer of Dallas, Mr. and Mrs. Tim Wimmer and children of Lindsay and Messrs. and Mmes. Willie Wimmer and Frankie Hess and their children of Muenster.
