

# MUENSTER ENTERPRISE

VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 AUGUST 16, 1974

NUMBER 39

No matter how much a person is disappointed by the resignation of Richard Nixon, the plain fact is that it was best for the nation's good. As he said, his political base with Congress had deteriorated so far that he could no longer be effective as a leader. Another consideration is that impeachment proceedings, which had become certain unless headed off by resignation, would have taken still more time away from the vital national issues that Congress had already neglected too long.

Without doubt, the country gains from the fact that President Ford presents an untainted and much more popular image of the chief executive, as well as from a more cooperative attitude in Congress. But we still have cause for concern in demands for continued prosecution of Richard Nixon. It would not only waste time but also prolong the ill feeling that has already gone too far. And, as regards justice, it seems the man is already sufficiently punished.

Looking back at the affair, one is amazed by the array of boners by which the President so completely painted himself into a corner. The first was the decision to side-track the experienced professional politicians of the Republican National Committee and allow a group of amateurs to manage his re-election campaign. The next mistake was the attempted cover-up after the amateurs were caught burglarizing the opposition's office. He guessed wrong in assuming that this matter could be hushed as other matters had been hushed in Washington. He failed to consider the strength of the opposition, which included the unfriendly media with visions of revenge, along with the Labor-Liberal coalition with visions of wrecking their political foes.

The whole thing could have blown over briefly if the President had washed his hands of the affair at the beginning. He was not involved and he should have let the bungling burglars take the consequence. But a twisted sense of loyalty urged him to stick with the men. The rest is easily understandable. False testimony has a way of getting more involved and less factual. Still another factor was the attitude of the media, which was determined to harass the president to the bitter end.

Even so, it was left to the president himself to provide the most damaging evidence. Some observers think that the impeachment resolution could not have been passed by the Judiciary Committee without the evidence taken from the White House tapes. It makes a person wonder why the tapes were not destroyed at the very beginning of the Watergate hassle.

Nevertheless, the tapes were demanded, and after repeated controversy they were submitted, apparently in violation of a basic principle in American justice — that no person should be required to testify against himself. Known criminal.

## National VP Will Address Jaycees

Muenster's Jaycee chapter will be specially distinguished Thursday night when John Thompson will head their program as guest speaker at the Area II-A visitation in the KC hall at 8 o'clock.

Thompson is past state president of the Texas Jaycees and a present vice president of the US Jaycees. Considering his crowded schedule Muenster members feel privileged in having him come here.

All local and area Jaycees are invited to attend. Also on the program are door prizes, travel trophies and refreshments.

## Muenster PTO to Open Year Aug. 19

Muenster Parent-Teacher Organization will officially open its new year next Monday, August 19, at 8 p.m. with its first meeting of the school term.

Highlighting the agenda will be introducing new faculty members, welcoming all teachers and parents, and a social period, with refreshments served by the hospitality committee.

During a brief business session members will discuss adopting a new constitution for their organization.

## Schools Enroll 745 27 Under Last Year

Scholastic population has taken another tumble in the two Muenster schools. Registrations to date in grades kindergarten through 12 add to 745, a drop of 27 from last year's 772, and the smallest enrollment in more than ten years.

To get a correct picture of the count one must remember that kindergarten was not included until last year. So, eliminating 53 from 1973 and 49 from 1974 the totals in 12 grades for those years are 719 and 696. The present figure is lower than any other for the past twelve years and is 101 under the all time high of 797 in 1968.

Totals of those 12 years show a steady climb to '68 followed by a sharp drop since then, especially the past three years. Those figures are 703 in '62, 713 in '63, 723 in '64, 758 in '65, 762 in '66, 749 in '67, 797 in '68, 786 in '69, 761 in '70, 767 in '71, 743 in '72, 719 in '73 and 696 in '74.

Out of the 27 losses only 3 can be explained by the difference in finishers and starters. There were 52 twelfth graders last year, and 49 in kindergarten this year. The remaining net loss of 24 is the result of transfers into and out of the schools.

Most of the loss occurred at

the public school which fell from a total of 396 to 371. Meanwhile Sacred Heart dropped from 376 to 374.

Another comparison shows that the greater part of the decline was in the elementary department, which dropped from 522 to 501. In that department Sacred Heart gained 3, from 257 to 260, whereas the public school lost 24, from 265 to 241.

Likewise the high school count fell from 250 to 244. Sacred Heart lost 5, from 119 to 114, and the public school lost 1, from 131 to 130.

Enrollment by grades in Sacred Heart and Public School and the combined count of both is as follows.

	Elementary & Junior High		Total
	SHS	PS	
Kindergarten		49	49
Gr. 1	37	23	60
Gr. 2	23	17	40
Gr. 3	34	14	48
Gr. 4	40	26	66
Gr. 5	25	19	44
Gr. 6	37	24	61
Gr. 7	37	30	67
Gr. 8	27	39	66
	260	241	501
<b>High School</b>			
Gr. 9	30	34	64
Gr. 10	36	31	67
Gr. 11	22	34	56
Gr. 12	26	31	57
	114	130	244
Totals	374	371	745

## C of C Meeting Centers Interest On Signs, Brochure

Interest of the Muenster Chamber of Commerce at their Tuesday meeting focused on two signs and a brochure promoting the community.

Henry Weinzapfel said the brochure material is ready for printing except the front page copy and suggested that the message be identical to the signs planned beside the highway leading into town from both sides. Directors have approved the signs and the Texas Highway Department has given its OK provided that they are identified as official Chamber of Commerce structures. Dimensions of each will be 8x32 feet.

Suggested message reads "Muenster, Texas, Traditional German Hospitality. A Good Place to Live and Grow." That is in three lines and an area beside them reads "A Real Family Community." Members discussed a scale sketch and favored consultation with advertising pros on arrangements and possible deletions or additions.

Also at the meeting Vernon Sparkman AMPI manager, announced that the association plans to start on an expansion program which will triple the milk plant's capacity.

And Karl Buck, a visitor from West Germany, entertained briefly with comments on his trip and customs of his homeland.

## Three SH 4-Hers Win in District On Record Books

Three members of Sacred Heart 4-H Clubs won district honors on their record books which now enter state competition September 4-6.

Chris Felderhoff compiled the winning record in Citizenship; Sandy Reiter was tops in Consumer Education; and Paul Reiter won first in Field Crops.

Two other Cooke County 4-H clubbers won in district and advanced to state. They are Grace Pybas in the Breads category and John Schumacher in the Santa Fe Achievement.

Also competing in the district at Renner were Barbie Davidson, Mike Davidson, Nancy Hickman, Helen Sicking, Denise Martin, Tammy Hickman, Kathy Hobbs, David Nortman and Mary Lou Fleitman.

In the Junior Division, blue ribbon winners include Rose Felderhoff Photography; Lloyd Reiter, Achievement; Kelly Fuhrmann, Beef; Larry Fleitman, Santa Fe Achievement.

Winning red ribbons were Monica Gehrig, Food & Nutrition; Cindy Hudspeth, Achievement; Jack Martin, Safety; Sharon Voth, Dress Revue; Paula Hickman, Clothing.

## Final Rites Held Here Tuesday for G. Jetzelsberger

Funeral services with Mass were held Tuesday at 9:30 a.m. in Sacred Heart Church for George Jetzelsberger, 64, who died unexpectedly at his home early Sunday morning.

Father Placidus Eckart officiated in church and at graveside services in Sacred Heart Cemetery. Nick Miller Funeral Home was in charge of arrangements.

A rosary service was held in the Miller Chapel at 4 p.m. and a wake service was held at 8 p.m.

Bearers were Ed Kenneth and Walter Hacker, Jimmy Prescher, Raymond Prescher and Joe Tempel. A native of Germany, George Jetzelsberger was born there Dec. 30, 1909, and had lived in Muenster 54 years. He was an oil field worker.

Survivors include his wife, the former Hattie Sicking; two sons, Charles of Fort Worth and Larry of Gainesville, one daughter Mrs. C. M. (Helen) Harrington of Fort Worth; and seven grandchildren.

## August 27 Booked As Next Date for Bloodmobile Visit

Muenster people will make the next deposit in their blood bank on Tuesday, August 27, when the bloodmobile from the Red Cross blood center of Wichita Falls will be here to accept blood donations.

Facilities for the collection will be set up in the K of C Hall from 2 to 7 p.m. The center's technicians will make collections and will be assisted by local nurses and the hospital auxiliary.

The community's quota is 80 pints of blood, based on the average requirement here during a half year. However the center has indicated that local use is increasing lately and additional blood will be very welcome.

Efforts are under way now to beat the quota, hopefully to top the last record when 109 pints were given. A big reason for that achievement was the big response of local high school students whose blood was accepted for the first time.

David Bright, hospital administrator, said that the two sponsoring organizations, VFW and KC, along with the hospital auxiliary, again are booking appointments as a way to level off rush and slack periods and also to determine in advance about how many to expect.

Anyone willing to donate is asked to contact one of those organizations or the hospital — or to come in without an appointment.

## County Fair Will Show Next Week

The annual Cooke County Fair, to be held all next week on the county fairgrounds at Gainesville, will have the usual array of exhibits plus the full week of entertainment features.

Exhibits will include livestock, poultry, field and garden crops, canned goods, clothing, etc., with prize money offered for the outstanding entries.

Again featured on the midway is the Bill Hames show presenting a number of old time favorite carnival attractions plus some new ones. It continues through the full six days of the fair.

First of the special shows is the tractor pull, which will be held Monday through Wednesday nights in five weight classes of open, modified, stock and super stock, plus a powder puff class for the ladies.

Big attraction of the last three days is the fair's annual rodeo opening with a parade Thursday night.

Also on the program are the county's annual horse show on Friday and the county quarterhorse show on Saturday. Starting time both days is 10 a.m.

Price of admission to the fair grounds \$1.00 for an adult, 50 cents for a child under 12 and no charge for a child under 5.

## New Milk Plant Will Triple AMPI Capacity

A new milk processing plant in Muenster, which will triple the production capacity of the present factory, will be built soon by Associated Milk Producers, Inc.

The announcement was made Tuesday at a meeting of the Chamber of Commerce by Vernon Sparkman, manager of the AMPI. He said the building will be located across Elm Street from the present location, that is, directly west. He also said that preparation of the site will begin within 30 days and that construction will begin very shortly after that. The intention is to have the facility ready for operation by April or May 1975.

Plans specify a structure measuring 272x100 feet, with a second floor over part of it. Total floor space is to be about 30,000 square feet. The upper level will be occupied principally by office and laboratory.

Some of the operation will be automated, hence the local work force of about 30 full time employees will not be tripled. However the number is expected to be 40 to 50 in normal conditions and increase to about 75 in rush times.

Sparkman said the plant will have capacity to process

60,000 pounds of milk an hour into cheese while also processing an equal amount of liquid into powdered milk or condensed whey. In an 18 hour day that amounts to 1,080,000 pounds of milk for cheese plus an equal quantity of liquid for either of the other two products. The present capacity is about 300,000 pounds of milk for the cheese and as much liquid for the powdered milk or condensed whey.

The variation of the second product is explained by the fact that the same unit is used for making the powder or condense. If powder is made it means that over a million pounds of milk are going into cheese and a million more into powder. In that case over 900,000 pounds of whey would need to be hauled away. But if condense were being made the whey would be routed through the condenser.

The condenser, incidentally will not be included in the new building across Elm street. It will be added to the

## AMPI Expansion Includes Solution To Sewer Problems

With the expansion program just announced by AMPI this community will receive the bonus benefit of relief from a sewer problem that has been hanging on here for many years.

Industrial waste from the milk plant, which is more difficult to treat than average domestic waste, occasionally overloads the city's sewer plant capacity and causes pungent odors that are especially noticeable in town when breeze is from the south.

AMPI's building plan has a solution to this problem. Its project includes a sewage pre-treatment plant which will break down the commercial waste to a biological level comparable to domestic waste, thereby enabling the city's plant to finish the purifying job.

The program was explained Monday night in a meeting of the city council with representatives of AMPI.

## Fish Fry Changes To Chicken Fry, Will Be on Sept. 1

The twelfth annual fish fry sponsored by the Muenster Jaycees has been changed to a chicken fry, and members are working now on the event which will be held Sunday night, September 1, in the city park.

As in previous years it's a benefit affair to raise funds for the organization's park improvement program.

Along with the chicken, the menu will offer slaw, baked beans, potato salad, bread, butter, tea and coffee. Beer and soft drinks will also be available and there will be a few carnival features.

## Moisture Measure Was 1.18 Inches

While rainfall of the past week came abundantly to most of North Texas and torrentially to some areas, Muenster got only a few teasing showers for the grand total of 1.18 inch. The best of them was Saturday's slow soaker measuring .85 inch on Steve Mosler's weather bureau gauge.

Though welcome, the rain brings little relief to the drought that has been hanging on for more than eight months. Total for the period, starting with last December, is 12.68 inches. By contrast, the ten year average for the first six months is 18.17. The measure for April was 4.96 inches. The other seven months averaged barely over one inch.

Handing his client the thick contract, the attorney explained, "Education is what you get from reading the small print. Experience is what you get from not reading it."

west side of the present plant. To supply the raw material for its expanded operation, AMPI will have almost four times its present storage space. In the main facility west of Elm will be three 50,000 gallon storage tanks, each capable of holding ten tank trucks of milk. Their combined capacity is 1,275,000 pounds, as compared with the present 350,000 pounds.

The plant's receiving area will have accommodations for three trucks each unloading at the rate of 2000 pounds — more than 325 gallons — a minute. With generous allowance for moving time, the plant will be able to unload more than six trucks per hour. Trucks will be weighed by a scale which is read remotely inside the plant.

Sparkman said that the entire facility will be good looking, inside and outside. Muenster is fortunate in doing its building when the company does not have equipment elsewhere to be moved here. So, everything will be new. The only units to continue in use are the present warehouse and the boiler room. Steam will be piped across the street to the new building.

Another part of the new factory is a sewage pre-treatment plant. This facility currently is required of all large plants whose commercial sewage places an abnormal load on a city sewer plant.

Plans for the expansion were completed during the weekend with assistance of Paul Walter director of manufacturing plant operations, and Jerry Sobczek, staff engineer, both from AMPI headquarters at San Antonio. Sobczek will be here to direct the construction.

## 40 Boys Report For First Workout In Tiger Football

Sacred Heart High's Tigers, with strong determination to improve on last year's 9-1-1 record, reported forty-strong to Coaches Bob Steele and Tom Stalik Monday night for their first session of '74 football practice. To most of them the supervised activity had been preceded by a few weeks of previous workouts on their own.

They are having long evening sessions this week and coaches will decide whether to have one or two practices daily after school starts next week. Observing the UIL rule, the boys are working in shorts four nights and will be in full gear Friday.

Following the loss of twelve players by graduation, the Tigers will have about half of their previous starters back as the nucleus of their team. There will be four on offense and five on defense plus two who will play both ways. In addition there are about as many former reserves and several boys who are moving up from last year's junior varsity. Their experience along with a year of growth will give the Tigers the makings of another potent team.

Heading the team are the seven senior lettermen, Guy Bindel, Pat Endres, Chris Felderhoff, Scott Felderhoff, J. T. Pagel, Chris Sicking and Rickey Walterscheid. And there are seven junior lettermen: Leon Bayer, Roger Endres, Bruce Fuhrmann, John Henscheid, Mark Hess, Darrell Walterscheid and Jim Luke, along with four more juniors: Melvin Hess, Paul Reiter, Bob Schmitz and Arnold Yosten.

The nine sophomores are Benny Bindel, Billy Felderhoff, Bob Grewing, Steve Henscheid, Mike Hofbauer, George Luke, Craig Sangster, Chris Schilling and Tim Sicking.

The thirteen freshmen are Kenny Felderhoff, Bernie Fette, Robert Hartman, Joe Hoedebeck, Fred Koehler, Lloyd Reiter, Gary Rohmer, Billy Rohmer, Joe Sicking, Chris Stoffels, Danny Walterscheid, Glenn Walterscheid and Gene Yosten.

## Mrs. Joe Vogel Is Surprised Honoree

Mrs. Joe Vogel was a surprised honoree Saturday night when her children and grandchildren gathered at the home of Mr. and Mrs. Wilfred Walterscheid for an early celebration of her birthday.

A fried chicken dinner was served, with a handsome cake as the table centerpiece. The cake depicted the face of a mother and was ornamented with eight girl and four boy figurines representing Mrs. Vogel's 12 children. Eleven of them were at the party.

Present were Mr. and Mrs. Earl Wayne Keys, Jeff, Paula, Joe and Jim of Little Rock, Ark., Wilbert Vogel of Lon-

don, England, Mr. and Mrs. Don Vogel and Leonard Vogel of Dallas, Mr. and Mrs. Ken Sherrell, Kenny and Greg of Euless, Mr. and Mrs. Danny Hoenig and Ryan of Denton, Mr. and Mrs. Clifford Otto and Sue of Gainesville, Mrs. Robert Beyer, Brenda and Carol of Lindsay, Mr. and Mrs. Leo Hess, Brian and Sherri, Mr. and Mrs. Weldon Vogel, Dale, Kari and Michael, Mr. and Mrs. Wilfred Walterscheid, all of Muenster. Only one missing was Mrs. Don Muller and family of Lubbock.

Other guests included the honoree's sister Mrs. Felix Becker, her brother and sister-in-law Mr. and Mrs. Victor Hartman, neighbors and friends.

## Local News BRIEFS

Announcement has been made of the approaching wedding Saturday, Aug. 17, of Miss Carol Diane Atkins and Dr. John P. Walter, both of Houston. They will be married at Puerto Vallarta, Mexico. Parents of the couple are Mr. and Mrs. Mabry Atkins of Baytown and Mr. and Mrs. Joe B. Walter of Gainesville. The prospective groom received a BS from Benedictine College, MBA and MA from North Texas State University and Ph.D. from the University of Notre Dame. He is employed in Houston as an economist with Shell Oil Co.

Christening service for infant Kenneth Michael Walterscheid was held Sunday at 2:30 p.m. in Sacred Heart Church with Father Placidus Eckart officiating and grandparents Mr. and Mrs. Earl Walterscheid attending as godparents. Others present were the parents Mr. and Mrs. Kenneth Walterscheid, daughter Jeannine, grandparents the Tony Klements and great-grandmother Mrs. Rosie Walterscheid.

Visitors last week Sunday to Wednesday with grandparents, uncles, aunts and cousins of the Victor Hartman family were Mary Beth Tompkins and her sister Mrs. Mike Fedor of Arlington. Another sister Miss Judy Tompkins of Dallas spent Tuesday and Wednesday with the relationship and returned Mary Beth to her home. Mrs. Fedor left Thursday.

Sister Imelda Pels is teaching at St. Michael's School in West Memphis, Ark., this year after being at Blytheville, Ark., several years.

Phil Mullins was honored on his 30th birthday Friday night at the home of Mr. and Mrs. Charles Switzer and family. They had a steak supper and afterward birthday cake and ice cream for a group of guests.

Miss Ann Sicking of Fort Worth was vacationing last week with her parents and family, the Joe Sicking.

Mrs. Ludwig Kieninger returned Friday night from a flying trip to Bavaria where she spent three weeks with her parents and family and her husband's relatives.

Sister Mildred Felderhoff left Monday morning by bus to return to Brinkley, Ark., after a week's vacation with her brothers Hubert and Tony Felderhoff and their families and with other relatives.

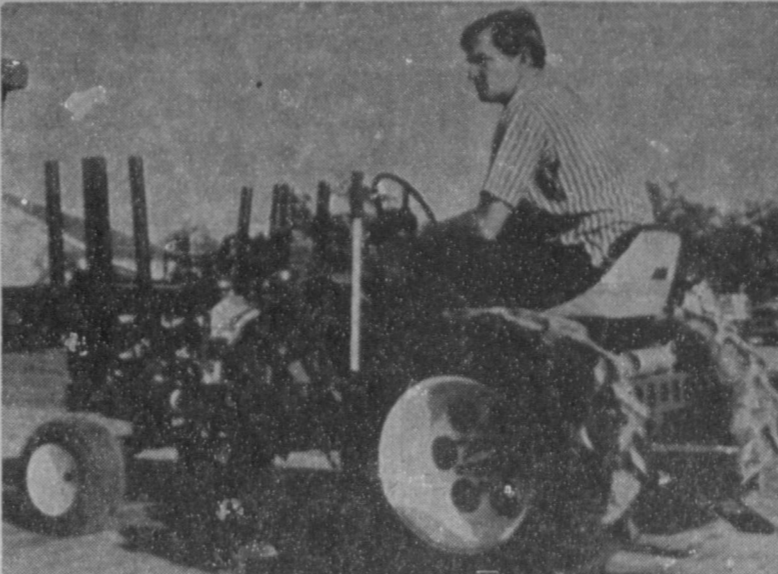

Mr. and Mrs. John Durbin and children Chris Mary and Randy of Kenner La., spent four days last week with her relatives of the Yosten families. The couple were houseguests of her brother and wife, the Felix Yostens and the children stayed overnight with their uncle and family, the Henry Yostens. The Durbins were enroute home after vacationing in Chicago with her sister and family, the Nick Mayers.

Mr. and Mrs. Cyril Yosten and four children of Greenville spent a week of their vacation here with parents and grandparents Messrs. and Mmes. Felix Yostens and Albert Hess.

Charles Switzer and son Charley and Phil Mullins went to Colorado Springs, Colo., to get Mr. and Mrs. Danny Arispe and children Joey and Vanessa and moved them back to Texas. They're at home in Denton. The Muenster trio made it a rush trip because the Switzer's son Kevin was a patient at Muenster Hospital. Mrs. Arispe is Charles Switzer's daughter Paula.

Mrs. Bill Kathman spent August 4 through 6 in Grand Prairie with her daughter and family, the Stan Wylies. They came for her and brought her back home.

Mr. and Mrs. Arlin Naegeli had as guests last week her parents Mr. and Mrs. Earl Landua and her sister and husband the Herbert Rusts and son Brent, all of Brenham.

A "little horse — big power" demonstration to be given by Kay Williams of Denton is one of the features of the tractor pull at the Cooke County Fair August 19-21. The "garden tractor" will pull a special sled, one that is modeled after the SWTPA sled which larger tractors pull.

## 4-H Club News

Active members of the 4-H Consumer Education group — Sharon Sicking, Rose Mary and Susie Felderhoff, Bernadette Knabe and Sherrie Felderhoff, led by Sandy Reiter, 4-H junior leader, have completed Unit II of their project Clothing Knowledge.

They toured Muenster's Jr. Elite factory, two outlet stores and watched shoes being made at Linda Jo Shoe Company at Gainesville, then summed up their notes into a neat comparison of different clothes.

Earlier the group had completed Unit I, Food Value.

Aim of the project is to become more aware of the consumer's world and to be better consumers, buying wisely.

## Changes Made in Indemnity Program For Brucellosis

Several changes have been made in the indemnity program for brucellosis reactors recently approved by the U. S. Department of Agriculture, notes Neil Tibbets, County Agent for the Texas Agricultural Extension Service.

The indemnity payment program has been expanded to allow federal authorities to pay on reactors found at auction markets. When the program was first announced, payment was only authorized on reactors found in official herd tests.

However, indemnity payments have been lowered, points out Tibbets. The indemnity is now \$40 on grade cows (down from \$50) and \$80 on registered cows and bulls (down from \$100). No indemnity is allowed for grade bulls, steers, or spayed heifers, as previously announced.

It is important that producers have their herds tested in order to rid the nation of the disease. Only about one per cent of the nation's cattle is infected with the disease, but that is enough to threaten the entire livestock industry. Many of the infected herds are in southern and southwestern states, points out Tibbets.

Animals found to be reactors will be branded with the letter "B" on the left jaw and will be tagged in the left ear. They must go directly to slaughter.

Wong used by at least 150,000,000 Chinese, is the world's most common family name.

## Oil-Gas Royalty Pays \$4.8 Million In County in '73

Current higher prices for crude oil and natural gas produced in Cooke County point to a significant jump in 1974 income for county land and royalty owners who last year received \$4.8 million as their share of the county's output, according to a study by Texas Mid-Continent Oil & Gas Association.

"With the average price of Texas crude oil now at about \$6.70 a barrel, compared with the 1973 average of \$3.84 a barrel, and with some newly discovered natural gas selling intrastate for more than \$1 per thousand cubic feet, the outlook for the economy of producing communities is encouraging if prices hold up," according to Sherman Hunt, Dallas, Association president.

"Should price rollback schemes and other tax-and-control proposals now underway in Congress be successful, current economic gains will evaporate," Hunt said.

The Association's study shows that crude oil and natural gas produced last year in Cooke County was valued at \$38.4 million, ranking the county 47th in the state. Crude oil production of 9.9 million barrels was valued at \$37.8 million and 3.1 billion cubic feet of natural gas at \$580,921.

Statewide, crude oil prices for 1974 are estimated to be some 74 percent higher than 1973. This expectation has stimulated a revival of drilling in Texas, with well completions the first five months of 1974 at 4,013, a 19 percent jump over the same 1973 period.

From the country's 1973 output, the State of Texas collected \$1.7 million in oil production taxes and \$43,569 from natural gas.

Also adding to the dollar flow in the county last year were these factors: —Drilling activities, on which producers spent \$726,798 in drilling 39 wells, \$278,896 of which was lost in 16 dry holes. Successful completions amounted to 23 oil wells.

—Payrolls, which amounted to \$3.7 million paid to 564 workers, according to Texas Employment Commission figures.

—Operation of other oil and gas facilities, including two natural gasoline processing plants with 31.9 million cubic feet per day capacity.

## Jaycee Wives Want Scrapbook Items

Muenster Jaycee wives are compiling a scrapbook of Jaycee activities and achievements and are soliciting newspaper stories, pictures and other memorabilia concerning the organization during the 12 years of its existence.

Persons who have scrapbook material are asked to take to Mrs. Robert Miller's home or call her. She is in charge.

**Any Age Person Can Get SS Card**

How old must a person be to obtain a social security card? This is a question often asked, according to Gus Jones, District Manager of the Sherman Social Security Office. The answer, states Jones, is that there is no minimum age. Parents often obtain numbers for their children before the children can even write.

Social security numbers are required by the Internal Revenue Service for savings accounts, and many schools use these numbers for identification of students. For these reasons, it is often necessary that people obtain social security cards at an early age. Jones relates that the social security number consists of nine numeric characters, divided into three parts and separated by hyphens: 000-00-0000. The three parts are referred to as the area, group, and serial numbers. The first three digits — the area number — indicate the state where the card is issued. For example, Texas group numbers include 449-467; Oklahoma group numbers include

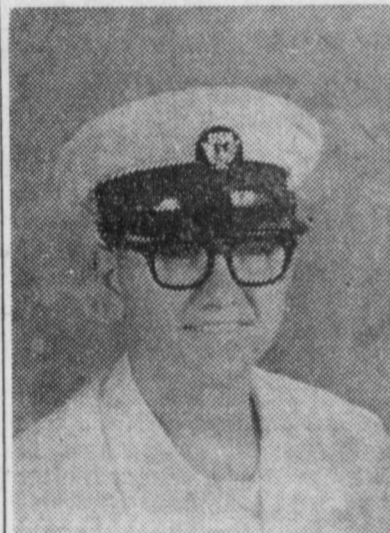

440-448; and New Mexico group numbers include 525-585. The next two digits — the group number — have no special geographic or data significance but serve to break the number into blocks of convenient size. The last four characters — the serial number — represent a straight numerical series of numbers from 0001-9999 within each group.

Jones reminds people that it usually takes about 5 weeks to obtain a social security number as they are issued from only one point — Baltimore, Maryland. Therefore, those people starting to work or anyone else who needs a social security number should apply early.

**Four Young Men in Navy Training at Great Lakes, Ill.**

TIMOTHY J. BINDEL, son of Mr. and Mrs. Wilfred Bindel, finished recruit training at the Naval Training Center, San Diego, Calif., and is in specialized training at Great Lakes, Ill., enrolled in boiler technician classes in the engineering school. His address: Timothy J. Bindel, FR 462-94-3380; Propulsion Engineering School; Bks. 630, 3-6A305-3; SSC, Great Lakes, Ill. 60088.

KEVIN J. HACKER, son of Mr. and Mrs. Paul Hacker, finished recruit training at the Naval Training Center, San Diego, and is taking specialty training in mechanics at Great Lakes.

MICHAEL J. HOGAN, son of Mr. and Mrs. Jack Hogan, finished recruit training at the Naval Training Center, Great Lakes, and is continuing there in Fire Control Technician "A" School, Service School Command. His address: Michael J. Hogan, FTG-A School, SSC, N.T.C., Great Lakes, Ill. 60088.

### Hillcrest Manor News

A new resident has been welcomed — Reeve Cooke of Marysville. His daughter Lunell and her husband, the C. W. Millers of Hurst, helped him move in and get settled.

New staff members also have been welcomed. They include Christine Deckard, R. N., of Gainesville; Sara (Mrs. E. W.) Frazier and Connie (Mrs. Elgie) Hudson, both of Saint Jo and Catherine Rollman, aides; and Elsie Willett of Bowie and Joalene Keith of Gainesville, LVNs.

Staffer LVN Kathleen

Lynch of Bowie entered Muenster Hospital Tuesday for hand surgery. Staffer LVN Mary Ruth Allsup of Bowie is recovering from back surgery performed in Wichita Falls.

Visiting Mrs. ANNA NEWSUM Sunday afternoon were her son and daughter-in-law Mr. and Mrs. David Newsum of Forestburg. They brought fresh tomatoes from their garden. Mrs. David Newsum — Nell — is a former aide at the Home. She's now operating a cafe and pool hall at Forestburg.

Mr. and Mrs. Lynton Mitchell of Gainesville visited his sister, staffer Tommy Hogan, Sunday.

Hillcrest Church of Christ of Gainesville is conducting Sunday afternoon services at the Home during August.

Visiting Mrs. MINNIE KINNMAN have been her daughter and husband the Earl Brannons of Fort Worth and her son and wife, the Wesley Kinnmans of Seymour. The latter couple remained overnight with his cousins Mr. and Mrs. O. D. Garland.

Father Stephen Eckart was at the Home for First Friday evening Mass and anointing. Residents' relatives from Lindsay and Muenster were among those attending Mass.

Mrs. A. T. (Ruth) Dickerson has been back at aide duties a few times substituting for sick or vacationing aides.

Sunday visitors with WILHELM FUHRMANN were his wife and the Billy Fuhrmann family of Lindsay. Other visitors on different days have included the Joe Paul Fuhrmanns of Lindsay, the Gerald Wachamanns and daughter Judy of Wichita Falls and son Randy of Austin and daughters and grandchildren from Muenster.

Mrs. ENA MITCHELL entered Muenster Hospital Friday for X-rays and medical care.

Visitors Saturday with Mrs. MARY E. FELDERHOFF were Sister Mildred Felderhoff of Brinkley, Ark., Mr. and Mrs. Hubert Felderhoff and Tony Felderhoff.

Hillcrest Auxiliary members Mmes. Joe Hoenig, T. Voth, John Wieler and Joe Fisher conducted the July 31 bingo party. There was no game session the following Wednesday. It was crafts afternoon conducted by Mrs. Pearl Rossen.

ED EBERHART left the Home Monday to reside at Hillhaven Nursing Home in Gainesville. His daughters Mmes. Bill Flusche of Lindsay, Ray Sicking of Myra and Eddie Krahl and a daughter-in-law Mrs. Walter Eberhart of Gainesville helped him get transferred.

Sister Benedict Zimmerer of Lindsay and two companion nuns from San Antonio, visiting at Lindsay, were visitors Sunday afternoon with the former's aunt JENNY SCHILLING and with ANGELA LAAKE.

Visitors making room rounds to cheer residents include Mmes. Tony Gremminger, R. R. Endres, Herb McDaniel, Bruno Fleitman and Jerry Fleitman. Also Mmes. Clive Gobble and Willie Eddy who are frequent visitors with their uncle ERNEST LEWIS.

John Deering of Myra is an almost daily visitor with his wife NELLIE DEERING and Harry Sullivan and Gene Lancaster are frequent visitors with their wife and mother AMBER SULLIVAN.

Visitors with NORA THOMPSON and her brother ROBERT MONTGOMERY last Wednesday were nieces Mrs. Lillie Buckhanon of Leon, Okla., Mrs. Velma Reed of Burneyville, Okla., Mr. and Mrs. Rastus Flatt of Fort Worth, Mrs. Faber Melson and grandchildren Cindy and DeWayne of Osceola near Cleburne. The four sisters and family members also visited relatives at Myra and Saint Jo.

### Mona Voth Bride Of Stan Ford in Denton Ceremony

Miss Mona Voth became the bride of Stan Ford in nuptial services Saturday August 3, in Cindy Nichols Chapel of First Baptist Church in Denton. Officiating minister was Dr. George Saltau of Richardson.

Parents of the couple are Mr. and Mrs. Ray Voth of Muenster and Mr. and Mrs. Nelson Ford Sr. of San Antonio.

For her wedding the bride wore a white double knit gown she designed. It featured a gathered skirt with three ruffles, U neckline and short puffed sleeves. Pink, green, and blue braid accented the neckline, banded the sleeves and edged the ruffles and hemline. A small cap held her veil and she carried a cascade of pink, blue, and white carnations on top of a small Bible belonging to her maid of honor Miss Cass Thompson of Denton.

Bride's other attendants were her sister Mrs. Mark Fuhrmann of Muenster and Miss Laraine Crampton of Madison, Wis.

They wore empire gowns with butterfly sleeves and U necklines of double knit crepe solids of pink, green, and blue respectively. Trim on their dresses matched that on the bride's gown. They wore matching picture hats and carried nosegays of pink and blue carnations and greenery.

Chris Kane of Denton was best man with Nelson Ford Jr., brother of the groom, of Houston and Jim Reynolds of Denton as groomsmen. David Pugh of Denton, Randy Cole of Dallas and Mark Fuhrmann were ushers.

Reception was held in the yard at the home of Dr. and Mrs. Roger Nunn in Denton. Members of the houseparty included Craig Voth, Misses Jeannene and Sharon Voth, brother and sisters of the bride. Another sister, Miss Brenda Voth and the groom's sister Miss Virginia Ford of San Antonio, registered guests.

The newlyweds honeymooned at Lake Travis, outside Austin, at a lake house belonging to the groom's family. They are now at home at 623 Woodland in Denton.

A graduate of Muenster Public High School and North Texas State University, the bride taught last year in Locksburg, Ark., and will be a kindergarten teacher at First Baptist Church in Denton this fall.

The groom graduated from high school in San Antonio and is attending North Texas State University.

Rehearsal dinner was held at the home of Dr. and Mrs. Dave Seiler at Denton with parents of the groom as hosts.

**Out of Town Guests**  
Out of town wedding guests included the bride's parents and family, Messrs. and Mmes. Albert Herr, Jim Biffle and family, Ted Voth and family, Earl Walterscheid and Arthur Bayer.

Also Messrs. and Mmes. Marcus Fuhrmann, Vincent Zimmerer, Paul Arendt Jr. and Andy Arendt from Lindsay and friends of the couple from Dallas, Fort Worth, Nolanville, Richardson, Irving, Arkadelphia, Ark., and Norman, Okla.

### Trish Yosten and Tommy Baker Say Vows in Ft. Worth

Miss Trish Yosten, daughter of Mr. and Mrs. Paul Yosten of Fort Worth, formerly of Muenster, was married Saturday to Tommy Baker, son of Mr. and Mrs. J. S. Baker of Fort Worth, in services at St. Paul's Catholic Church. Father Robert Litteken, pastor officiated at Mass and the ring ceremony.

Presented by her father, the bride wore a gown of white Chantilly lace, the bodice featuring a transparent yoke, high scalloped neckline, and long tapered sleeves with ruffled cuffs. Tiny satin bows accented the empire waist and adorned the cuffs and neckline. The flaring skirt had a deep ruffle at the hemline and a beruffled godet chapel train. A headpiece of lace roses held her veil. She carried a bouquet of white roses, feathered carnations, baby's breath and greenery. And for sentiment carried a silver rosary belonging to her mother.

Bride's attendants were Miss Pam Koehler, maid of honor, Mrs. Mike Yosten, a sister-in-law, and Miss Sherry Raines, bridesmaids. They wore gowns of gingham check voile in shades of green, pink, and yellow respectively.

Paulette Yosten, sister of the bride, was flower girl in a lavender gown made like the bride's attendants.

They wore white picture hats with matching ribbon and carried bouquets of matching colors.

Gary Cooper was best man. Mike Yosten and Ricky Stone were groomsmen.

Wedding reception was held in St. Paul's cafeteria where 125 guests were served cake and punch.

The couple's wedding trip took them to Galveston and they will make their home in Fort Worth where both are employed.

Special wedding guests were the bride's grandmother Mrs. Bob Yosten and grandfather Theo Miller. Others attending from Muenster were Messrs. and Mmes. W. J. Miller, Herb Miller and Gayle, Ervin Henscheid, Tom Felderhoff and Margie, Buddy Yosten and Karla, Leonard Yosten and Diane, David Berres, Robert Miller, and Mrs. Rosalee Hoffman, Alan Miller, Darlene Wolf and Lanie Yosten.

Also Mrs. Curtis Holland, Curtis Jr. and Loretta of Cleburne, the Randy Bayers, Cheryl, Diane and Leigh of Grapevine and the Ted Millers, Brian, Darrell and Amy of Plano.

### Safety and More Safety

The drop in highway fatalities which began last November when the gasoline shortage brought about less driving and a reduction in speed limits has increased efforts to make our highways safer.

It is estimated that there were 3,700 fewer fatalities during the period from November through March compared to the previous year. In a report of the National Highway Traffic Safety Administration, Dr. James B. Gregory, highway safety administrator said: "I want to applaud the motoring public for their cooperation and the States for enforcing the lower speed limits. March marked the first month that all 50 states were observing a 55 m.p.h. speed limit, and the impact on highway safety is clear — more than a thousand lives saved in one month."

"I have said before that no

one is happy with the problems brought about by the energy shortage, but the highway safety benefits accompanying the gasoline conservation efforts are obvious."

It is gratifying to observe that the lower speed limits are being maintained. Little can be gained by erecting signs announcing "Speed Kills" and then raising the speed limits until death lurks every second you drive. By keeping speed down and waging war on drunken driving, we can continue to reduce the traffic accident rate.

It is also a welcome sign that attention is being directed to the problems that develop with the increased use of smaller cars and bicycles.

The country's highways were not built for race tracks. City streets should be safe for everyone to use. Let's work to keep safety uppermost in our minds while we are on the move.

**Couples Are Hosts For Patio Party**

Four couples, Messrs. and Mmes. Dickie Cain of Denton, Wendell Richey of Gainesville, Wayne Trachta of Norman, Okla., and Chris Cain were hosts at the country home of their mother, Mrs. Dick Cain, Saturday for their annual get-together for area cattlemen, auctioneers, their wives, relatives and friends.

Tables and chairs were set up on the patio and lawn that were strung with colored lights. Hawaiian punch, finger foods, chips and dips were served.

The Cherry Rhones of Wichita Falls furnished music with Jack Hogan playing lead on the violin.

A beautiful surprise birthday cake, baked and decorated by Sandra Christian was brought out and Chris Cain was honored with everyone singing the happy birthday song. Dickie Cain took over the microphone and announced it also was the master of ceremonies, Steve Rhone's birthday, calling for another version of the happy birthday song by the crowd.

Special guests from out of town were an uncle and aunt of the young couples, Mr. and Mrs. R. P. Cain of Garland, formerly of Muenster. He was associated in the Muenster Livestock Auction company with the late Dick Cain.

To close the fun evening Chris Cain sang the auctioneer's chant and received a round of applause from the group.

Mrs. Dick Cain was a guest of the Wayne Trachtas in Norman last week. She was accompanied home by her daughter Debbie and children DeAnn and Cody. Wayne drove over later to spend the weekend. They divided time between the Cains and Dick Trachtas.

The extended right arm of the Statue of Liberty is forty-two feet long.

What you hesitate to say is precisely what somebody else gets well paid for saying.

**Unleaded Gas Is Plentiful in Texas**

Reports from refiners indicate the supply of unleaded gasoline in the southwest region of the nation should be adequate during August, it was reported today by Delbert M. Fowler of Dallas, regional administrator for the Federal Energy Administration.

Based on reports from refiners supplying the five-state region, nearly five percent of the total gasoline available will be unleaded, Fowler said. The five states include Texas, Oklahoma, New Mexico, Arkansas and Louisiana.

Under regulations of the Environmental Protection Agency, every retail gasoline outlet which sells more than 200,000 gallons of gasoline per year must market unleaded gasoline. In specified rural areas, stations selling 150,000 gallons per year must stock the unleaded product.

Many stations across the nation have sold unleaded gasoline for years. In fact, Amoco has been selling an unleaded product since 1915.

However, to meet the new EPA regulations, virtually all automobiles manufactured in 1975 must have catalytic converters to reduce air pollution. The catalytic converter, which filters exhaust fumes through chemicals to remove air pollutants, requires the use of unleaded gasoline. Otherwise, the converter, which costs about \$150, will be ruined and must be replaced.

The retail pumps for unleaded gasoline have smaller hose nozzles and the 1975 automobiles will have smaller gasoline tank openings, which will not accommodate the hose nozzles for regular or premium gasoline.

The FEA has been charged with the responsibility of allocating unleaded gasoline, so that all areas will have sufficient supply for the new model automobiles.

If you think driving recklessly is funny, you may die laughing.

**Patsy Spaeth and Eddy Henry Say Wedding Promises**

Miss Patricia Ann Spaeth, daughter of Mr. and Mrs. Henry Spaeth, and Mart Edward (Eddy) Henry, son of Mr. and Mrs. Lawrence Henry, all of Gainesville, were married there in St. Mary's Church on the evening of Friday, August 2. Father James Gillespie officiated at the Nuptial Mass and ring ceremony at 6:30.

Presented by her father, the bride wore the gown her mother had designed, made and worn at her wedding 27 years ago. Of ivory slipper satin, it was fashioned with a fitted bodice, sweetheart neckline, and full hooped skirt that swept into a chapel train. Beaded re-embroidered lace enhanced the bodice, fitted sleeves and hemline with appliques extending up the front of the skirt.

A satin and lace headpiece with pearlized orange blossoms, also worn by her mother, held the bridal veil. Her flowers were a cascade of yellow sweetheart roses and white gladioli centered with a white orchid. Entwined in her bouquet was a silver and crystal rosary she carried at her first communion. For added sentiment she wore a diamond and pearl lavalier worn by her mother and also her

grandmother, Mrs. Hubert Felderhoff. The necklace was given to her grandmother by her grandfather when he returned from France after World War I. She also had her birthdate penny in her shoe.

Bride's attendants were her cousin Miss Margie Felderhoff, maid of honor, and Miss CeeCee Haliburton, Mrs. Jim West and Mrs. David Spaeth, her sister-in-law, as bridesmaids. They wore identical gowns of sheer flowered material over blue and carried white gladioli.

Mike Henry was his brother's best man with Mike Milton of Tulsa, Jim West and David Spaeth, brother of the bride, groomsmen. George Spaeth, nephew and godchild of the bride, was ring bearer.

Ushers were David Wardell and Bill Murry of Dallas, David Bibby and Bruce Schneider. Cousins Billy Felderhoff, L. W. Voth and Carl Sicking were acolytes.

Wedding music selections "The Wedding Song" and "I Won't Last a Day Without You" were sung with guitar accompaniment by Helen Marshall, Becky Valentine and David Wright. Pam Bell played the organ for David Taylor's solo "Ave Maria."

Wedding reception was held in the KC Hall where guests registered at a table holding the bride's book, bridal portrait, and memory candle made by the bride's aunt Mrs. Henry Voth.

The four-tiered bride's cake, made by the bride's mother, held the figurine that topped the wedding cake of her parents and a miniature duplicate of the bride's bouquet. It was served by Mrs. Henry Voth and cousins Misses Lucy Spaeth of San Antonio and Sharon Voth. Misses Brenda Shaw and Lisa Borden served the groom's horseshoe-shaped cake.

For their wedding trip to South Texas the bride wore a beige and yellow knit pantsuit with matching accessories and the orchid from her bouquet. A teacher in Pilot Point, the bride is a graduate of St.

Mary's in Gainesville, Incarnate Word High School in San Antonio and North Texas State University where she received her BS degree. Her husband is a graduate of Gainesville High and Cooke County College. He is a senior at NTSU and is employed as a patrolman with the Gainesville Police Department. They are at home in Gainesville.

Special guests at the wedding were grandparents of the couple, Mr. and Mrs. Hubert Felderhoff of Muenster and Mrs. Ethel Henry of Longview and Mrs. Lillie Green of Whitesboro.

Other guests attended from Muenster, Gainesville, Denison, Lewisville, Sanger, Van Alstyne, Dallas, San Antonio, Pilot Point, Carrollton, Valley View, Longview, Granville, Commerce, Whitesboro, Irving, Houston, Garland, Fort Worth, Austin, Era, Denton and Sherman, New Orleans, La., Kansas City, Kansas, and Tulsa, Okla.

NO. 10075  
ESTATE OF FLOYD W. RUDOLPH, DECEASED.  
IN THE COUNTY COURT OF COOKE COUNTY, TEXAS

**IT HAPPENED  
35 YEARS AGO**

August 11, 1939

Work begins next week on building for FMA, store business will be suspended for about six weeks. Farmers beat city men in softball game for cemetery benefit. County beer election is postponed until August 19. City's new water well is good for 60 gallons a minute. Paul and Urban Endres entertain members of the motorcycle Club with a chicken fry. More than 1000 persons attended a good will program given here on the softball field Friday night by Gainesville Chamber of Commerce and Young Men's Civic League; Muenster's Mayor Ben Seyler

is one of the speakers asking visitors for good will vote to help legalize beer. Joe Haverkamp loses barn and contents in fire. Mrs. Clem Hofbauer is recovering from surgery.

**30 YEARS AGO  
August 11, 1944**

Funeral services are held Monday for Mrs. Henry Trachta. Cpl. Cecil Cole, 32, is reported missing in action in France. Mrs. Mary Albers dies at Lindsay. Ralph Schumacher and Billy Seyler are seriously injured in car accident Tuesday afternoon. S.Sgt. Leo J. Haverkamp, writing from France, tells about shooting down several German planes with his AA guns. Mr. and Mrs. Harry Otto announce the arrival of a daughter. Mary Walterscheid and Mike Schilling exchange nuptial vows. Grain and hay valued at \$1500

was lost in a fire that destroyed the barn on the Andrews farm north of Muenster Sunday morning. Pat Hennigan, Maurice Pagel and Lambert Bezner are in the service in Hawaii.

**25 YEARS AGO  
August 12, 1949**

Sudden death Wednesday claims John Walterscheid, pioneer Muenster resident. Plans progress for construction of FM road south of town. City Council appeals for bus stop here. Anthony Luke is attending night music classes in Dallas this week. Paul Luke of Lone Oak spent the weekend here. Leo Becker is at home on leave before going to Japan. The Henry Huchtons have returned to Muenster after living in Waureka, Okla. The Earl Fisher family returns from a vacation visit in Can-

yon with her parents. Haverkamp Well Service truck and machinery is damaged by fire. The Bruno Zimmerers announce the birth of a son.

**20 YEARS AGO  
August 13, 1954**

Rev. Joseph Fuhrmann is named principal at Laneri High School in Fort Worth. Infant son of the Weldon Bezners dies shortly after birth. New homes for Ed Hess and Leo Sicking are under construction. Two gunmen invade Lawrence Sicking home and demand meal. The Leo Schmitt family moves to Bonners Ferry, Idaho, to make their home. Engagement of Vickie Kuntz and Hubert Bezner is announced. Four former Muenster girls will observe jubilee at Jonesboro; the 25-year nuns are Sisters Imelda Pels, Frowina Hacker, Thomasina Wal-

terscheid and Aloysia Kleiss. Dickie Cain has emergency operation for appendicitis. Mr. and Mrs. Marty Klement announce arrival of Karl.

**15 YEARS AGO  
August 14, 1959**

Muenster's local option election on legalizing beer, wine and liquor will be held Saturday, Sept. 5. Muenster schools set August 26 for opening date. Sam Richey of Marysville dies at age 88. Football practice begins Monday at Sacred Heart School. Opening date for dress factory is advanced to mid-September. Joseph Mosser, 73, formerly of Lindsay dies in Durant, Okla. School starts at Lindsay on Aug. 31. LaVerna Hess and Angelo Nasche marry. The Arnold Rohmers and family have returned from a trip to Arkansas. Mrs. Frank Swan Jr. and children of California are visiting in Cooke County. Muenster swim pool shows \$80 profit in July. Local Firemen will sponsor Labor Day picnic as a benefit. Mr. and Mrs. Joe Schmidkofer return from 6-state 2300 mile trip.

**10 YEARS AGO  
August 14, 1964**

Death ends illness of Sam Tuggle, 73. Heat wave is eased by mild norther... still no rain. Dr. Hejduk will begin practice here Saturday. New grandstand nears completion at Muenster High. New homes are started for the H.J. Fuhrmans and the Henry Grewings Jr. Work on the Joe Bernauers' new home is finished outside. 12-teacher staff is complete for Lindsay school. Miss Layuna Hicks returns from world tour. Tim Mosman ends overseas leave and is headed for Africa. Gloria Yosten begins training as hostess for American Airlines. Laquita Sandmann and Leon Neu marry. New arrival: a daughter for the John Kelleys.

**5 YEARS AGO  
August 15, 1969**

Muenster Public School board adopts \$234,671 budget. Garbage disposal opinion survey brings 35 replies... two to one for voluntary system. Faculty is complete at Muenster High... Juanita Bright will teach music and band. Father Vincent Orth, 81, dies. Heart attack is fatal to Mrs. J. H. Payne, former resident. Football practice begins Friday for Tigers; Monday for Hornets. Hospital Auxiliary finishes X-ray project. Jackie Wimmer and Bobby Joe Hanna marry in Dallas. Maureen Evans and Richard Gross marry at Pilot Point. VFW Post earns three certificates for service the past year. Forestburg greets 200 at Homecoming. Earline Otto and Danny

As you freeze in the dark, remember that this energy crisis comes to you from the same people who: Delayed the Alaska pipeline for years; Picketed nuclear power plants; Stopped clean hydro dams; Blocked offshore drilling in the Atlantic and Pacific; Banned building refineries and petroleum docks; Imposed unrealistic and arbitrary air quality regulations; Priced natural gas so low that people stopped exploring for it; Insisted on automobile emission devices which drastically slash gas mileage. (You may have trouble finding them to express your gratitude — they don't seem to be coming around much anymore.)

Dennington say wedding vows. Nita Walterscheid is bride of James Fleitman. Brother Thomas Moster and James Moster make flying trip to Europe. New Arrivals: boys for the August Fleitmans, John Henry Strengs and Donald Hennigans.

**Stephen Schmitt  
Birthday Honoree**

Stephen Schmitt celebrated his seventh birthday August 1 at an afternoon party at the home of his parents, Mr. and Mrs. Harvey Schmitt. A Snoopy theme was stressed for the party and birthday cake which was served with ice cream and Cokes. Party favors and balloons were handed out and pictures were taken.

Sharing in the celebration was the honoree's cousin Maria Hartman of San Antonio, visiting in Muenster. Her seventh birthday will be August 20.

Others present in addition to the parents and Stephen's sisters Vickie and Debbie were grandparents Mr. and Mrs. Victor Hartman and Mrs. Al Schmitt, Mrs. John Yosten and Paula, Leo Hartman of George West and Tom Hartman of San Antonio.

Final birthday fling for Stephen was a night at the Saint Jo Rodeo along with his family, cousin Paula Yosten and Grandma Schmitt.

### Miss Pat Arendt Becomes Bride of Steve Zimmerer

Miss Pat Arendt and Steve Zimmerer who were married July 27 are at home in Lindsay since returning from their honeymoon trip.

Father Damian Wewers celebrated the Nuptial Mass and performed the double ring ceremony in St. Peter's Church at 5 p.m. White gladioli and orchid pompon mums adorned the main altar, ivy and votive lights were on the communion rail, and votive candles with orchid ribbons marked the pews.

Parents of the couple are

Mr. and Mrs. Paul Arendt Jr. and Mr. and Mrs. Norbert Zimmerer.

Given in marriage by her father, the bride wore a gown of French organza and Alencon lace with Elizabethan neckline, empire waist, sheer bishop sleeves cuffed with lace, and a chapel train. Her lace-edged veil fell in tiers from a crown of lace and seed pearls.

Her flowers were a cascade of stephanotis, baby's breath and mums centered with a white orchid. For sentiment she wore a 75-year-old gold wedding ring which had belonged to her great-grandmother Mrs. William Schroeder.

Mrs. Earl Cunningham was her sister's matron of honor with Mrs. Ronnie Zimmerer, sister-in-law of the groom, Mrs. Louis Gieb and Mrs. Bobby Zimmerer, bridesmaids.

They wore gowns of brocade sheer in shades of orchid with green and yellow over taffeta designed with empire waists, and bishop sleeves. Orchid bows held their short matching veils and they carried colonial bouquets of orchid mums and baby's breath with purple streamers.

Gina Arendt, sister of the bride, was flower girl, her gown duplicating that of the bridesmaids. Her brother Adam Arendt was ring bearer.

Danny Eberhart was best man and Ronnie Zimmerer, Louis Gieb and Arnold Zimmerer were groomsmen. Earl Cunningham, Randy Stoffels, Darrel Wolf, cousins of the couple, and Anthony Felderhoff were ushers.

Joey Bengfort, Stanley Stoffels, and Sammy Hess of Muenster, cousins of the groom, were Mass servers.

### Lindsay News

**LINDSAY** — Sister Elise Bengfort is in Alexandria, La., to do missionary work in St. James Parish. She had spent several weeks with her mother Mrs. Joe Bengfort and family.

Mr. and Mrs. Gerald Wachsmann and daughter Judy of Wichita Falls and son Randy of Austin were recent visitors with their mother Mrs. Willie Fuhrmann here and Mr. Fuhrmann at Hillcrest Manor in Muenster.

Mr. and Mrs. Buddy Spaeth, Lulu and Nancy of San Antonio and Mr. and Mrs. Lucky Spaeth of Houston were recent visitors with area relatives. They came especially for the wedding of their niece Patsy Spaeth and Eddy Henry.

Dana Weber of Pilot Point has had a vacation visit with her cousin Michelle Pelzel.

Newlyweds Mr. and Mrs. Michael Reino of Iselin, N. J., visited relatives here on their wedding trip. They were guests of his grandparents, the Mike Dieters. He is the son of Adeline and Sonny Reino of Iselin. The bride is the former Donna Ciulla. They were married July 27 in St. Cecilia's Church and were on a flying honeymoon. Family members met them at Dallas-Fort Worth Airport on arrival and saw them off again from there.

Mr. and Mrs. Jake Bezner took their daughter Sister Anna Rose back to San Antonio after a visit at home. They were accompanied by a nephew, Walter Bezner of Dallas. In San Antonio they visited Jake's sister, Sister Alban. Returning, they stopped at West and had dinner with another daughter Sister Ra-

mona. She will be teaching in West again.

Sister Catherine Henry Fuhrmann is back in Iota, La., for the school term after vacationing with her parents, the H. S. Fuhrmanns. Brother Louis of Subiaco, Ark., also visited at home during the time. There were a number of family gatherings including one at the new home of Mr. and Mrs. Ray Hess in Muenster where there was a house warming.

Mr. and Mrs. Rudy Dieter and children had a three-day vacation seeing people, places and things in San Antonio. On the way back they visited the Johnson Ranch. While they were away, baby Ronald stayed with the Ted Noggens.

Over 100 relatives gathered Sunday, Aug. 4, at Lindsay Park for the 23rd annual Bierschenk reunion. They attended from Weatherford, Dallas, Arlington, Oklahoma City, Muenster, Valley View, Paradise, Grapevine, Itasca, Gainesville, Lindsay, and Irving.

Mr. and Mrs. Rufus Bezner and daughter Mary Kay spent several days with their daughter Carol and husband, the Paul Malones in Fayetteville, Ark.

Members of St. Anne's Society, at their August meeting, made plans for a party for themselves and their husbands. They'll have a salad supper followed by table games on Sunday, Aug. 18. In other business members checked prices on a new banner for church, heard a report on Catholic State League held in San Antonio, on the Youth Choir outing and acolytes' treat. Mrs. Joe Paul Fuhrmann welcomed new members. Mrs. Winston Fangman won the door prize and Mmes. Ray Hermes and Joe B. Hermes served refreshments to 28 present.

Listed at Texas Women's

University for high scholastic honors during the spring semester are Betty Rose Fuhrmann, Patricia Metzler, Mrs. Hank (Virginia) Arendt, Mary J. Schad and Mrs. Sam (Connie) Bezner.

### Sister Barbara Makes First Vows

**LINDSAY** — Sister Barbara Fuhrmann, daughter of Mr. and Mrs. Erwin Fuhrmann, made her first vows as a member of the Sisters of Divine Providence in ceremonies at St. Louis Church in Castrovilla August 3.

Family members and nuns of the order participated in the liturgy, planned by Sister Barbara. An aunt, Sister Michael Marie Fuhrmann of Schulenburg and Sister Carlene of West gave scripture readings. Sister Ann Michelle delivered the homily. Sister Carlene, mother superior, presented Sister Barbara her black veil, constitution, wood-

en cross and chain.

Father Larry Stubben celebrated Mass. Guitar and flute music was furnished by friends and Sister Anna Rose Bezner led the singing.

Offertory petitions were presented by an aunt, Sister Henry Ann Fuhrmann of Waco. Offertory gifts were carried to the altar by parents of the young nun, her brother Alex and her sister Laura.

A reception and refreshments followed at Moye.

Attending from Lindsay were Sister Barbara's family, the Erwin Fuhrmanns, Joan, Martha, Karens, Alex, Laura and Ted. Others there included the John Fuhrmanns and Rosie of New Braunfels, religious from San Antonio including Sisters Imelda Gonzales, Alban Bezner and Alma Sophie Schad and others from Houston.

The real price of everything is the toil and trouble of acquiring it. — Adam Smith

### Community Lumber Co.

Jerome Pagel & Rody Klement

Centering the main table was the three-tier wedding cake with a miniature bride and groom on steps at the base. On the wall behind the table was a large hand-painted portrait of the bride a gift from her uncle, Air Force Sergeant Johnny Wolf when he was stationed in Korea.

Members of the houseparty included cousins of the couple, Sharla Hermes, Dianna Wolf, Kathy Stoffels and Kelly Wolf.

Both bride and groom are graduates of Lindsay High and attended Cooke County College. She is employed at Gainesville's First State Bank and he is employed with Norbert Zimmerer Construction Company.

#### Wedding Guests

Out of town wedding guests included Sister Elise Bengfort of San Antonio, the Mickey Tylers of McKinney, Will Bezner and the Willard Zimmerers of Dallas, the Bill Schroeders of Windthorst Glenn Beyer and Stanley Eberhart of Fort Sill, the Brian Bezners of Denton, the Buddy Spaeths, Lulu and Nancy of San Antonio and the Lucky Spaeths of Houston.

The rehearsal dinner was hosted by the groom's parents. Members of the wedding party, immediate members of both families and Father Damian attended the lawn party at the Zimmerer home.

# HARD FACTS ABOUT OUR DODGE BOYS' 1974 MODEL CLEARANCE.

## DODGE PICKUP CLEARANCE!

**FACT 1: DODGE PICKUPS HAVE FEATURES YOU CAN'T GET FROM COMPETITION. CHECK 'EM OUT!**

Any way you want to compare our Dodge D100 against Ford's F100 and Chevy's C10—you'll find out you're a winner when you choose Dodge! For example: Only Dodge offers you Electronic Ignition (standard on all models), a greater standard payload, more pickup models, the smallest six-cylinder engines (as well as the efficient Dodge 318 V8), the largest standard fuel capacity—and much more.

**FACT 2: OUR DODGE 318 V8 CAN GET SLIGHTLY BETTER GAS MILEAGE THAN A FORD OR CHEVY SIX-CYLINDER PICKUP!**

In an actual road test from LaVerne to Blythe, California (a distance of 381 miles), at an average speed of 54 mph, USAC put six competitive pickups through the test: a Six and V8 each, Dodge, Ford, and Chevrolet. All pickups were purchased by USAC through normal retail channels. All had standard manual transmissions and rear axle ratios, as well as nominal eight-foot cargo boxes.

The Dodge 318 got slightly better mileage than the other two V8s, as well as the Ford and Chevrolet six-cylinder engines! Our 318 V8 got 18.78 mpg. Our 225 Slant Six did even better—19.05 mpg. Of course, the mileage you get depends on many factors, including how and where you drive, and the condition of your vehicle.

Sanctioned and results certified by United States Auto Club.

# Forestburg News

By Myrt Denham

FORESTBURG — Mr. and Mrs. Virg Greenwood are very proud great-grandparents to Miss Jennifer Deann Magee who was born August 6 — weighing in at 6 lbs. 8 1/2 ozs. Her parents are Mr. and Mrs. Donald Magee of Rush Springs Okla. Her grandmothers are Mrs. Wanda Magee and Mrs. Owana Bones both of Lawton, Okla.

Mmes. Marge Boyd and Naomi Shears were in New Mexico this past week visiting

with friends and relatives. Marge's daughter Lisa visited her sister and husband, Mr. and Mrs. Philip Ray of Fort Worth.

Mr. and Mrs. Wassie Reynolds and Wesley attended the rodeo in Kaufman August 2-3-4 where he was the announcer.

Myrtle McMillion, Dewey, Della Sigmon, Rachel Reynolds of Bowie and Mrs. Clara Armstrong of Paradise headed for Texarkana Monday, August 5 to visit with Messrs. and Mmes. H. L. Fulmer and Jack Sims. Myrtle says they did alot of sightseeing and hunted arrowheads. The four ladies returned home Thursday.

Grandsons of the Clifford Hudspeths spent last week with them — they were Kip Woods, Pat and Tim O'Brien and Chad Hudspeth. Their guests August 4 were Mrs. Gerald O'Brien and boys, Tayna, Amanda, Kip Woods and Paula Hudspeth all of Wichita Falls. They all attended a family get together along with

Mrs. Doyle Lynch and girls at the Gainesville Park.

Steve and Willie Sandusky and Vatonj Dill attended the Methodist camp at Bridgeport last week.

Visitors of Mrs. Vera Mae McGee and Nell Gilliland this past week were Stacey McGee of Amarillo, Denice McGee and Christi McGee.

The United Methodist Women met in the home of Mrs. Decie Ellzey at 2 p.m. August 5. Those present were Mmes. Lucille Littell, Letha Roberts, Edith Seif, Vera Mae McGee and Marion Sockwell. After the program and business meeting the ladies enjoyed homemade ice cream, cake and punch.

On August 4 guests of Mr. and Mrs. G. D. Wylie were her parents Mr. and Mrs. Ollie Tipton and two of their sons and families all of Sanger. Other guests were Mrs. Ida Wylie and daughter Thelma Jo and Robert Ensey.

Mrs. Dude (Bula Mae) Berry says she and Dude visited her sister Mrs. J. C. Sampler August 3. Mrs. Sampler is a patient in the Decatur hospital.

Bula Mae also reports a rash of company at their home August 4. Visitors were the Gary Perryman and son, Doe Moseley and Wayne, the Jake Monroes, Walter Berry of Hood and two of his grandsons from Wichita Falls.

Max Brogdon and his sister Becky Scott motored to Cleburne one day to visit their sister Mrs. Janie Sledge and family. Max is sporting a new pickup these days after getting his old one stolen. At this writing there still is no trace of it.

Mr. and Mrs. A. C. Taylor and daughter Verna Mae and Roxie McDonald attended the Williams family reunion on Sunday, August 4 in the Farm Bureau Building in Montague. On Wednesday found these folks over in Gainesville visiting Mrs. LaRue Elrod and her parents the J. B. Gibsons.

Jerry Ellzey and his family of Odessa visited with his mother Decie Ellzey one day.

Guests of the Elmo Brewers August 7 were the John Hollands of Saint Jo, Mrs. Lucille Hogan and granddaughters LeAnn and Lori Jones of Lubbock, Mrs. Tina Brewer of Sunset and Mrs. Rhoda Greenwood of Alvord.

The weekly 42 party was at Veda and Barney Brogdon's home August 8. Present were Messrs. and Mmes. Jack Gresham, J. M. Dunn, and Bill Forrester, also Tom English, Velma Freeman, Frances Brewer and Decie Ellzey.

Mrs. Ella Mae Edwards and boys of Saint Louis, Mo., visited with the Wylie Edwards of Dewey August 9.

Mr. and Mrs. Charles Fenoglio of Graham were guests of her parents the L. C. McMillions of Dewey August 9.

Visiting the Mickey Landers Friday were Mr. and Mrs. Homer Bell, Jr. and family of Fort Worth.

The Ray (Ted) Jacksons and Decie Ellzey made it to Greenwood Friday night to attend the Eastern Star meeting.

Mr. and Mrs. A. B. McMillion attended the Fillpot family reunion in Childress August 11.

Forestburg had a nice rain move in Saturday morning. It was a slow rain — not much thunder, lightning or wind. Most all areas reported about one inch. However, Robert Ensey says he had 1.4 inches. Seems he always gets a little more rain than the rest of us. I do believe he puts his rain gauge under a drip somewhere.

Charles Cook, Rosston way, is back home from a stint in a Denton hospital and Charlie Sessums is home after a stay in the Muenster hospital. Woodie Galmor is still in the VA Hospital in Dallas. His brother Forrest told us Woodie would be there for awhile yet.

There is another Homecoming looming on the horizon — this one is the Uz community homecoming. It will be held Saturday, August 31. Meal time is 2:30 and all are invited.

News is somewhat on the lean side this week, folks. Sorry about that — but you need to let me know about your activities, etc. Know you are busy but so is everyone else.

Generals Lee and Grant fought on the same side in the Mexican war.

## Mrs. Frank Weske Former Resident Dies in Arizona

Funeral services were held Tuesday morning, Aug. 6, in Phoenix, Arizona, in St. Agnes Catholic Church for a former Muenster resident, Mrs. Frank Weske, 90, who died August 2. She was the former Elizabeth Steuter and is remembered by old timers as a resident here in the early 1900s. The Weskes left Muenster in 1911 and lived in Nebraska and Colorado before going to Phoenix in 1956. While they lived here they farmed the place now occupied by L. F. Dankesreiter.

Survivors include five daughters and one son Henry Weske of Phoenix. He is married to the former Esther Pels. Frank Weske died in May 1964.

## Vacation Week Is Visit in Georgia

Mrs. Bob Swirczynski and daughter Sonja flew to Georgia for a week's vacation visit with their daughter and sister Jill and her husband, the Steve Kralickes of Decatur, who met them at Atlanta and took them sight-seeing there each day.

They went through Emory Dental College where Steve is studying and Georgia State College where Jill attended.

They toured Underground Atlanta, a historic city beneath the streets born a century ago and now restored. They also toured the beautiful Regency Atlanta Hotel, a small city itself. A popular attraction inside the lobby is the column of five glass elevators from which one can see all the sights as the elevators go up and down. The lobby floor resembles a European street.

They viewed the spectacular Cyclorama, the largest painting in the world, of the battle of Atlanta. It's a three dimensional panorama with narration sound effects.

They saw Georgia's Stone Mountain with memorial carvings of Confederate Jefferson Davis and Generals Robert E. Lee and Stonewall Jackson carved from the world's largest granite mountain and called the eighth wonder of the world.

They also visited Martin Luther King's Memorial, the Ante Bellum Plantation which still has its original buildings, the Governor's Mansion which revives memories of the movie "Gone With the Wind," and the Memorial Arts Center, and went shopping in the huge Cumberland Mall.

## MENU

Muenster Public School August 19 thru August 23

Monday — Cornie dogs, pin-to beans, cheese sticks, cabbage slaw, bread, butter, milk, cookies.

Tuesday — Fried chicken, buttered rice, green beans, pickled beets, hot bread, butter, milk, peach half.

Wednesday — Meat loaf, creamed potatoes, buttered corn, bread, butter, milk, pudding.

Thursday — Barbequed roast, peas and carrots, hot bread, butter, milk, pineapple slice.

Friday — Sloppy Joes, buns, onions, pickles, mustard, milk, cake.

## BIRTHDAY HONOREE

An early birthday surprise greeted Mrs. Tony Wiesman of Gainesville when her family gathered at the Bill Terry's lake cabin for the evening party. A decorated birthday cake and gifts were included. Present with Mr. and Mrs. Wiesman were all their children and grandchildren including a grandson Bobby Wiesman before he left for the Army. He is now in basic training at Fort Polk, La. His parents are Mr. and Mrs. Louis Wiesman of Kermit. Their daughter Karen, in nursing school at Lubbock, also was with the group. The others attended from Fort Worth and Gainesville. The Terry's son Tim, member of Gainesville Boys' Club recently competed in a swimming contest at Wichita Falls and came home with a gold medal for winning the breast stroke, a silver medal for the butterfly swim and a blue ribbon.

## Group at Annual Mary Kay Seminar; Some Win Awards

Mary Kay Cosmetics held its 11th annual seminar at the Dallas Convention Center August 1 through 3 with the theme this year "Stand Up and Cheer!"

Over 7000 Mary Kay beauty consultants, directors and area directors attended from all over the nation including Hawaii, Guam and Australia.

Attending from this area were Karen (Mrs. Dan) Wilde, Caroline (Mrs. Gary) Hess, Marcy (Mrs. Ray) Wilde, Jan (Mrs. Chris Cain, Eula Grace (Mrs. Dick) Cain, Kathy (Mrs. Wayne) Tate, Miss Kathy Selby, all of Muenster, Joni (Mrs. Mike) Sturm of Gainesville and Miss Linda Fisher of Dallas.

Starting the excitement Wednesday night Karen Wilde and Jan Cain attended the Area Roadrunner meeting. This is an elite group that accomplishes several steps in achievement. Awards were given to the top ten. Jan placed fifth out of the 700 roadrunner consultants. For this she won a marble roadrunner desk trophy and a special certificate for outstanding achievement. Kathy Tate is also included in this group but was unable to attend this meeting.

Husbands and dates attended the Unit Social Thursday night and were guests for a catered dinner. Ray Wilde, Dan Wilde, Wayne Tate, Chris Cain and Larry Joe Eberhart shared in the fun. They saw Jan being crowned Unit Queen of the McCollum Unit. This was in recognition of Jan's production this year topping that of all other unit members. She won a Blossom Pendant which features eight Mary Kay pink zircon gem petals with a cluster of diamonds in the center. She also won a trophy for her first place honor. In addition she was runner-up in recruiting for which she received a trophy and a gold lattice ring topped with seven opal stones.

"Husband of the Year" award went to Chris Cain for helping his wife Jan in the business.

Those attending Seminar for the first time attended

several classes on charm and poise, a beauty forum, and made a bus tour the company's offices and warehouse.

On Friday at the Future Directors Class, Jan handed her "Letter of Intent" to Mary Kay. If accepted she will attend a week of training the end of this month for all Directors in Qualifications. After three months of qualifications she will then debut as a Director of the company.

That evening the company's Awards Banquet was attended by all the Golden Goblet Winners. Karen Wilde, Linda Fisher and Jan Cain were lucky enough to attend and to cheer their Unit Director LaQueta Cain McCollum (Mrs. Bill) of Dallas on winning her second pink Cadillac. This year Mary Kay gave sixty-six 1975 pink Cadillacs to directors and eight area directors for tops in sales this year. Saturday concluded the

three-day seminar with every-one meeting Mary Kay, her staff, and taking pictures — ending a fabulous event for Mary Kay beauty consultants.

"Will there be enough electric power to meet my needs next month? Next year?"

Shortages and predicted shortages of electricity in various parts of the country are causing many people to wonder, "Will there be enough electric power to meet my needs next month? Next year?"

Texas Power & Light wants its customers to know what it has done, and is doing, to maintain adequate and dependable electric service.

TP&L surmounted a critical situation in November and December of 1972 when unusually cold weather caused an abnormally high demand for energy for heating. Two natural gas suppliers curtailed deliveries to the Company to the extent that nearly 10 million gallons of fuel oil were required to operate power plants.

During 1973, in anticipation of possible further gas curtailments, the Company increased its oil storage capacity to some 42 million gallons at its generating plants. An additional 42 million gallons of storage capacity is now under construction.

Because of the sharply rising costs and uncertain future supplies of gas and oil, TP&L and other electric utility companies in the Southwest are shifting to lignite — a form of soft coal — as a power plant fuel. TP&L has acquired major deposits of lignite in East and Northeast Texas. Two lignite-fueled units are already supplying electricity to TP&L customers, seven other units are now under construction and an eighth unit will be started soon.

However, even all the new lignite-fueled plants the Company can build will not be sufficient to meet anticipated future electric needs. TP&L, Dallas Power & Light and Texas Electric Service have announced plans to build two nuclear-fueled units, the first to be in operation in 1980, the second in 1982.

Planning and building generating plants, keeping plants supplied with fuel and doing the hundreds of other things necessary to produce and supply electric power is a complex and costly job. You can be confident that Texas Power & Light will continue doing what must be done to assure you a dependable supply of electricity in the years ahead.

TEXAS POWER & LIGHT COMPANY  
A tax-paying, investor-owned electric utility

### Lens-View

A traveler who recently visited Europe and Russia wrote about her interesting trip. Two paragraphs which drew our attention were:

For me, the impact of what it means to be an American was perhaps the ongoing significance of the tour. I awakened to some uncomfortable

"Get ready for school"

It's back-to-school — and time to review insurance for the fall season. Fire insurance, hunting equipment, health-accident coverage, adequate family liability protection. The FMW Insurance Agency offers a free survey of your risks and related insurance protection.

**FMW**  
INSURANCE AGENCY  
OLD LINE STOCK COMPANIES  
MUNSTER STATE BANK BLDG.  
PH. 759-2257

realities such as the relative careless and even slothful nature of many Americans. Neither junk cars nor discarded gum wrappers are to be found in Holland, Switzerland or Russia, except as the "ugly American" leaves a trail. In Holland and Switzerland cleanliness and neatness are a fetish, involving ritualistic Friday window washing. Potted flowers are seen even on construction sites.

It came as no surprise to me that U.S. technology and engineering are eminently superior and safer — yet I felt much safer on the streets at night in Europe and in Russia than I would anywhere in the U.S. We need to do a better job instilling a sense of respect for and responsibility toward one another.

One afternoon last week, while she was alone in the Sisters' residence in Houston, Sister Irma heard a loud noise. Investigating she found a man had shot himself in their car port. He had put the shotgun barrel in his mouth thereby blowing off the top of his head. She had to call the police and was busy the next hour keeping the children away while the police cleaned up the mess.

Gasoline, at retail, was one of the first items to go up starting the price spiral on other items. Since it's high, gasoline has gone down 7 to 8 cents per gallon and experts predict further declines. This could mean that prices of other necessities may soon start their downward trend.

Adolescence is when you think you'll last forever; middle age is when you wonder how you ever lasted this long.

A dime is not entirely worthless. It makes a fairly good screwdriver.

If a man's wife wants to learn to drive, don't let him stand in her way.

### Letters to the Editor

#### TO WHOME IT MAY CONCERN:

The issue of the Muenster Enterprise, dated 8-9-74, carries an article at top of front page second column "Council asks for Kid's underpass" U.S. 82 at Maple. First, I am informed that the City Council did not pass any resolution requesting such "Kid's Underpass", only the subject came up for discussion and was not on the agenda of this meeting. It is wonderful that the divided four lane U.S. highway 82, from Brushy-Elm creek to west about five miles, toward Saint Jo, is ready for paving. Now the question to destroy the present over pass and lower U.S. 82 down to level of Maple Street. First; very few citizens, still alive, remember that this structure was built because, in 1929 a mother and daughter were killed by an Eastbound passenger train, crossing Division at Maple Streets. This traffic hazard was recognized and about 1932 the present structure at a cost of near \$400,000.00, 600 feet over twenty six feet high. This over-pass can serve the Eastbound traffic on U.S. 82. It is suggested that this structure remain which would cost today over One Million Dollars. With an overpass eighty feet across Maple St. about 16 feet high would take care of the West-bound Traffic on this highway. Maple street can be lowered some two feet to reduce the height of this new structure.

THE IMPORTANCE OF Maple Street through traffic from FMR No. 373 on the North of the City down to the South side thru the underpass is not known by many to serve the U.S. Highway and Maple Street traffic.

MAPLE STREET has many businesses: The Muenster Memorial Hospital with a quarter Million Dollar annual pay-roll, Dr. Marvin Knight's Office, The Medical Center serving Two Doctors, Dentist, Pharmacy, the Bavarian Wood carving Studio, Clyde Fisher's Brick-warehouse and the Community Gardens on the west side of Maple. Then on the East side, Dolores Floral Shop, The Muenster Public School Tax Office, Carol's Beauty Salon and many residences on both sides of the street.

The increased use of Maple Street, avoids the traffic jam on Main Street and it's crossing U.S. 82 at the traffic lights.

The City can open up Eddy Street and improve same to direct east bound US 82 traffic during construction and use for citizens on the Southeast part of the City to avoid their use of US 82 to the west part of Main St. Most of the Citizens wishing to go to the swimming pool, recreation area in the City Park need the under pass on Maple and the U.S. Hwy.

The tremendous traffic expected on U.S. 82 shall not be slowed down, create a danger hazard to our citizens. My hope and determination,

is that we keep the present overpass, add "the lower short overpass on Maple Street, a difference of over ten feet lower than the present overpass.

We must look to the future and preserve the rights of our citizens and protect the children of our community and avoid the highway crossing, improve the flow of traffic through our City.

Other important matters, like the opening and the bridge on Ash Street, the sewer problems, future water supply, the facts should be reported to our citizens, competently represented at our City Council meetings by reporters, I and others appreciate the service of the Muenster Enterprise, as the faithful servant of our community. Sincerely, J. M. Weinzapfel

### BIRTHS

Mr. and Mrs. Henry Popp, Rt. 2, Gainesville are happy parents of a son born Wednesday, Aug. 7, 11:50 p.m. in Gainesville Hospital. Others welcoming the eight pound four ounce boy are his brother Frank and sisters Debbie, Peggy, Patty and Paula, grandmother Mrs. Andrew Zimmer and great-grandmother Mrs. Katie Zimmerer, both of Lindsay.

### The Men In Service

#### Assigned In Germany

Sgt. and Mrs. Fred T. Marr and daughter Michelle of Junction City, Kans., came to Muenster last Friday to visit her mother Mrs. John Herr before Sgt. Marr left for duty in Germany. The Marrs accompanied friends, the Raymond Smiths and daughter Polly. Saturday they visited Six Flags. Sunday there was a reunion of Mrs. Herr's family and the Leonard Bengfort family at the Bengfort home in Lindsay. Sgt. Marr has gone to Germany and will be joined by his wife and daughter as soon as he finds living accommodations. They were stationed in Germany on a previous assignment about four years ago.

### Hospital Notes

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, Aug. 6: Wilfred Koelzer, Kevin Switzer, Mrs. Martin Trubebach and Mrs. Clifford Trubebach, Muenster; Barbara Rohmer and Edgar Hernandez, Gainesville.

Wednesday, Aug. 7: Wayne Reed, Gainesville; John Maughan, Forestburg.

Friday, Aug. 9: Mrs. Eugene Klement, Muenster; Mrs. John Roye and Mrs. Leroy Sandmann, Gainesville; Charles Sessums, Forestburg.

Saturday, Aug. 10: Earl Walterscheid, Muenster; Donna Miller, Saint Jo; North S. Travelstead, Gainesville; Mrs. Ena Sexton, Nocona.

Sunday, Aug. 11: Robert Alexander and Mrs. Norma Jo Leverette, Gainesville; Jack O'Harrow, Saint Jo.

Monday, Aug. 12: Debra Schneider and Mrs. Leo Hess, Muenster, Mrs. Gary Leach and baby boy, Whitesboro.

One hundred and twenty men accompanied Columbus when he discovered America.

### German Visitor Hosted Two Weeks By Endres Family

Karl Buck, an elementary teacher from Hanover, West Germany, will leave here Saturday to return home after five weeks of the American way of living.

Presently he is completing two weeks as guest of Mr. and Mrs. Urban Endres under the American Host Program. With the Endres home as headquarters, he has been seeing much of North Texas and sampling activity in sports, business, agriculture, oil production, social life, etc. Prior to that he enjoyed two weeks on the same plan in Arizona. The remaining week of his time was spent on several short stops.

Karl said that 600 European teachers are visiting United States this summer in the Host program. There were 230 in the group in which he came.

He said that schools over there are very different from those in the U.S. After the first six years the students are divided according to aptitude. Some are trained in manual skills. Another group continues in elementary a while longer then takes up clerical and business training. The others continue through our equivalent of high school and become eligible for college. About 20 per cent are included in that group.

Colleges are state supported. There is no tuition charge, and in addition the students receive subsidies according to need.

Sports are sponsored by local clubs rather than the schools and generally draw less interest than over here. The leading sport is soccer. There is slight interest in basketball and rugby, none in football or baseball.

A special feature of German income tax permits one to designate his favorite religious denomination, which then receives 10 per cent of the payment for support of social and charitable programs.

### Benefit Activities Planned to Finance KC Improvements

The first of a series of fund raising activities for the Muenster KC Council was announced this week by Grand Knight Dan Hamric. It will be an informal dance Saturday night, August 24 in the KC hall open to adult Muenster residents and their guests. Music will be Doug Martin and the Rustlers, admission charge will be \$4.00 per couple.

Purpose of the fund raising is to generally improve the top floor of the hall. On the want list are a new set of curtains and paint, also improvements in rest rooms and the band area.

A league is about three miles.

### Confetti - - -

inals may refuse to reveal anything against themselves, but the president did not receive equal consideration. Another principle of basic justice, that a person is considered innocent until proven guilty, was violated in this case. The media's presentation assumed the man's guilt from the start. A similar situation in a criminal case would have led to dismissal on grounds that a fair trial is impossible.

There's still a howl from certain quarters demanding indictment of Nixon on criminal charges. If that should happen, does it mean that his case too can be thrown out on grounds that the public has been prejudiced against him?

An opinion poll reported Monday that President Nixon's popularity rating is down to an all time low of 29 per cent, but the same poll gives Congress the identical rating of 29 per cent. Perhaps there's some significance in the fact that the man to whom the finger has been pointed these many months rates as high as his accusers. It could mean that Watergate repercussions are coming at election time.

Despite the shabby aspects of the Watergate inquisition we can take some comfort from the fact that it demonstrates the stability of our government. In many countries the top man is removed by military force and bloodshed. Here it all went quietly and smoothly by simple resignation of one man and promotion of another. Though we use elections to put people in office we have shown that our constitution has wise provisions for making changes in emergency.

Success is when you have your name in everything except the telephone directory.

### SH Faculty Fills Last 2 Vacancies

Just in time to beat the starting bell, Sacred Heart has filled the final two vacancies on its faculty. The new teachers are Mrs. Freddie Neal, who will teach art, and Ed Schad, who will teach math and science.

Mrs. Neal is the wife of the new coach and athletic director at Muenster High. She has had 18 years of experience including assignments with high schools and junior colleges and special city and federal programs.

Mr. Schad, a native of Lindsay, has an MS degree from NTSU and two years of experience in the Peace Corps.

Many men aim at nothing and hit with remarkable precision.

### DO YOU LIKE DUSTY PAINT TOOLS?

WHEN YOU USE COLONY, THIS TENDS TO HAPPEN. Paints that last as long as these, indoors or out, are liable to let your painting equipment set pretty long between jobs. Hope you don't mind.

If you like your painting projects to be finished fast and easy — but last a long time, next time why not try Colony Paints.

... you'll like the difference!
