VOLUME XXXIII

MUENSTER, COOKE COUNTY, TEXAS 76252 JANUARY 10, 1969

NUMBER 7

Congratulations are due to Governor Ronald Reagan of California for his courage and sound judgment in dealing with the new campus flare up at San Francisco State College. He said that those who want an education and those who want to teach should be protected in that at the point of a bayonet if necessary.

That's the kind of talk and action we like, the kind we hope to see applied at every future campus disturbance until all trouble making students and teachers are out of business. It's good to see the people in authority challenging the so called right of a hoodlum minority to violate the real rights of the other ninety percent.

We hope this will set the pattern of dealing with similar problems all over the country, also that the action will not be confined to mere restraint of the trouble makers. It should be backed up by prosecution to the full extent of school regulation and civil law.

Every student or teacher who defies the school's rule ought to be kicked out. Every one who destroys property or molests other students or teachers in their normal scholastic activity should be dealt with firmly by civil authority. After all, the schools have but one purpose — to provide an opportunity for education. Those who attend have a right to that opportunity and the law has a duty to protect it.

No less an authority than J. Edgar Hoover of the FBI has said that many if not all of the campus uprisings are communist inspired. The nation is paying dearly for a few decades of leniency along with an absurd concept of academic freedom. The end result is a hard core of trouble makers whose goal is the breakdown of our educational system. Some are phony students, some are phony teachers and all are dedicated to chaos rather than education. They are experts of subversion and, though relatively few in number, they have a strong influence on those who can be swayed by rabble rousing technique.

Procedure is essentially the same as in riot areas. Grievances are created and exploited until unthinking people become mobs. And all is part of a master plan to cause eventual national chaos out of which the big reds can emerge as bosses.

We wonder whether the dupes of campus and city have any idea what kind of program they are supporting. While parroting demands for rights proposed by their subversive leaders, do they have any idea of how few rights anyone will have if a communist take-over succeeds? The trend toward a crack-down by school and civil authorities is most welcome, but it is only a start. To get permanent results it must be accompanied by a reversal of the permissive attitude which has allowed radicalism to flourish. For instance, characters like Rap Brown and Stokely Carmichael should not be allowed on the lecture platform. Their vile and subversive tirades do not qualify as freedom of speech. And teachers with communist connections or communist sympathies do not deserve a place on any faculty. And students with similar leanings do not

Sicking and Cason Named on Class B All State Team

Clifford Sicking and Mike Cason of the bi-district champions Muenster High School Hornets have been named on the Texas Sports Writers Association Class B all state football teams.

The selections, determined by state wide vote of the sports writers, was announced Tuesday. Sicking is listed as running back on first team offense and Cason is listed as linebacker on first team defense.

Bill Lawler of Saint Jo is another District 9-B player selected for the dream team. He is listed as an end on first team offense.

The sports writers' list makes up four mythical teams: first team offense and defense and second team offense and defense.

Muenster is one of 35 schools represented on the teams and is also one of the five favored with two selections. They are Muenster, Montgomery, Calvert, Amherst and Jayton. Two schools, Chilton and Rising Star had three players each. The remaining 28 schools had one player each.

Conspicuous by its absence is Celina, which smeared Muenster for the regional title.

Muenster C of C To Elect Directors

The annual election of directors of the Muenster Chamber of Commerce is beginning to shape up. Secretary Ernest Jaska announced this week that the four directors with unexpired terms have been reminded of their function as a nominating committee to get the election under way.

Members of that committee are Urban Endres, president, Ray Wilde, vice president, J. M. Weinzapfel and Herbert Miller. Directors whose terms expired are Ernest Jaska and Al Felderhoff.

The committee will nominate 4 candidates for the ballot which will be mailed to members after January 25. The ballots, to be returned by mail, will be counted ten days later.

Muenster Cagers Begin Friday on District Schedule

The practice games are finished and playing for the record begins Friday night for the basketball teams of Muenster High. They will open their season with Alvord.

The district this year consists of eight teams, including Slidell, Krum and Forestburg, which have no football program and get an early start on their basketball practice, and which are favored to win the top three places in the district race. Others in the loop are Muenster, Lindsay, Era, Valley View and Alvord.

The season will consist of seven games — one with each district opponent — plus a tournament in Gainesville. The schedule is as follows:

- Jan. 10, Alvord, there
- Jan. 14, Slidell, here
- Jan. 17, Krum, here
- Jan. 21, Lindsay, here
- Jan. 24, Era, here
- Jan. 28, Forestburg, there
- Jan. 31, Valley View, there
- Feb. 13-15, Boys Tournament
- Feb. 20-22, Girls Tournament

Dimes March Here Again Sponsored By VFW Auxiliary

Members of Muenster VFW Auxiliary, at their January meeting Monday night, carried out the month's honor roll requirements by mapping plans for sponsoring the annual March of Dimes and by voting a donation to the Memorial Chapel in Austin. Members also subscribed to the Cancer Fund.

Mrs. Thomas Hesse is general chairman of the March of Dimes. Principal source of contributions will be a church door collection, that date to be announced.

With the contribution to the Memorial Chapel goes the privilege of inscribing the name of a deceased veteran. This year's contribution is given in memory of Joe Endres.

Mrs. Don Flusche, Auxiliary president, presided in the presence of 15 members. Mrs. Henry Pels Jr. won the door prize and Mrs. Jerry Hoenig won the cake.

Mrs. Al Walter and Mrs. Al Haverkamp were refreshment hostesses.

Gene Riggs' Son First 1969 Baby Wins Stork Derby

Muenster's first baby of the new year, a nine pound 14 ounce boy, arrived at Muenster Hospital Saturday, Jan. 4, 9:05 a.m. to win the local baby derby and claim title of Little Mr. Muenster 1969. Proud parents are Mr. and Mrs. Gene Riggs who have another son, 20-month-old Steve.

As the first baby born locally in 1969 Baby Boy Riggs and his parents received a shower of gifts and services contributed by Muenster merchants and business people and a \$25 savings bond from Muenster Hospital Auxiliary, sponsors of the stork derby.

Others welcoming the newcomer are his grandparents, Mr. and Mrs. Ernest Medders, foster grandparents, Mr. and Mrs. Hank Walterscheid, and great-grandmother Mrs. Joe Swinger.

Muenster's first baby last year also arrived on Jan. 4 when Carla Rose Fleitman, daughter of Mr. and Mrs. Tony Fleitman, won the stork derby and became Miss Muenster '68.

Cooke County's first baby of the new year made her debut on Friday, Jan. 3. Little Miss Cooke County 1969 is the ten pound three ounce daughter of Mr. and Mrs. Henry Kuhn Jr. of Gainesville. She checked in at Gainesville Hospital at 10:40 a.m.

Others welcoming her are a sister Donna, 11, and two brothers Brett, 9, and Kyle, 5, and grandparents Mr. and Mrs. Henry Kuhn Sr. and Mr. and Mrs. Frank Krebs Sr., all of Gainesville.

Joe B. Wilcox, 57

Joe Bailey Wilcox, 57, died Monday morning at his home in Marysville. He was a road worker in Cooke County Precinct 4.

Funeral services were held Wednesday at 3 p.m. in the Church of Christ at Nocona and burial followed in Nocona Cemetery. Scott Bros. Funeral Home was in charge of arrangements.

Joe Wilcox was born Feb. 24, 1911, in Vernon and was in the farm implement business at Nocona before moving to Muenster on a farm north of town in the Marysville community.

Survivors include his wife, Lena; his mother Mrs. M. M. Wilcox of Nocona; two daughters Mrs. Wanda Billings of Nocona and Mrs. Jessie Seay of Scottsdale, Ariz.; a son Joe B. Wilcox of Nocona, a stepson Billy Owens of Arlington, a brother Bud Wilcox of Lawton, Okla., seven sisters, Mrs. Cleo Wilson, Gainesville, Mrs. M. K. Price, Lawton, Mrs. Faye Jennings of Sherman, Mrs. Jack Broerman of Cincinnati, Ohio, Mrs. Bryan Reed of Spanish Fort, Mrs. Cecil Shope of Loxburg, Tex., and Mrs. Noel Hall of West Covina, Calif., and five grandchildren.

Arrangements have also been made for practice sessions for teams that wish to have them. Reservations are limited to three a night on dates when the school is not using the gym, and the cost is \$1.00 per team. Joe Felderhoff is in charge of the practice reservations.

Entries Invited For Local 1-Day Volley Tournament

A one-day volleyball tournament has been scheduled in Sacred Heart gym on Sunday, February 9 under sponsorship of Sacred Heart Alumni. It will have men's and ladies' divisions each competing for a champ and a runner-up trophy.

Charles Bayer is chairman in charge of the tourney and will accept entries until noon on Sunday, February 2. Brackets are to be drawn up that afternoon.

Arrangements have also been made for practice sessions for teams that wish to have them. Reservations are limited to three a night on dates when the school is not using the gym, and the cost is \$1.00 per team. Joe Felderhoff is in charge of the practice reservations.

Sacred Heart High Lists 18 on 1969 Who's Who Roster

Annual Who's Who at Sacred Heart High School has been revealed with 18 on the 1969 roster.

Highest honors that can come to a senior — titles of Miss and Mr. Sacred Heart High — were bestowed on Kaye Klement and Melvin Bayer. They were selected by the faculty as ideal SHH students.

Chosen by vote of the student body are the following: Most studious, Cynthia Bindel and J. D. Luttmir; most likely to succeed, Margaret Kralicke and Mike Endres; most dependable, Beverly Koelzer and Clifford Zimmerman; friendliest, Janice Grewing and Glen Schoech; best groomed, Darlene Hess and Melvin Schilling; most courteous, Dolores Pels and Jim Dangelmayr; wittiest, Doris Schilling and Don Schneider.

Most athletic, chosen by Coach Felderhoff, are Kaye Klement and Lee Roy Hess.

Class Favorites
Also chosen at the same time were class favorites. They are Doris Schmitt and Ronnie Hess, freshmen, Donna Rohmer and Fred Fuhrmann, sophomores; Darlene Hess and Melvin Schilling, juniors; Dolores Pels and Melvin Bayer, seniors.

Results of the elections were posted Monday and pictures were taken Tuesday including pictures of the seniors, drill team, cheer leaders, basketball and football teams, class officers and National Honor Society Members.

Garden Club Meeting
Muenster Civic League and Garden Club will have a program of slides on wildflowers and commentary by Miss Bettye Dodds at the January meeting next Monday, Jan. 13, at 8 p.m. Mrs. Joe W. Fisher will be hostess in her home.

A recent poll shows that 73 percent of the people are confused about foreign affairs. What's disturbing is that the poll was taken at the State Department.

Bill Stelzer, 77

William (Bill) Stelzer, 77, long time Muenster resident, died Monday at 6:30 p.m. in Muenster Hospital shortly after being admitted following a heart attack at his home. He had been in declining health several years.

Requiem Mass and funeral services were held in Sacred Heart Church Wednesday at 10:30 a.m., Father Placidus Eckart officiating, delivering the sermon and conducting graveside rites in Sacred Heart Cemetery. Nick Miller Funeral Home was in charge of arrangements.

Rosary was recited in the Miller Chapel at 4 p.m. Tuesday and a wake service was held there at 8 p.m.

Bearers were Don Christian, Pat Stelzer, Earl Fisher, Jimmy Lehnertz, Henry Luebbert, Douglas Martin, James Bradley and Billy Faecke.

Bill Stelzer was born Nov. 22, 1891, in Ohio and came to Muenster as a young man. He married Miss Kate Bradley here on Jan. 22, 1913, and they settled on a farm.

After quitting farm work he was a rural mail carrier on Star Route of Muenster. Later he served as custodian at Muenster Public School until failing health forced his retirement.

In addition to his wife he is survived by one sister, Mrs. Freda Sharp of Cassey, Ill., and a number of nephews and nieces.

Deposits Increase Loans Decrease At Muenster Bank

Deposits at the Muenster State Bank increased during the past year but decreased during the past quarter. On the other hand loans decreased for the year but increased in the last quarter.

Those facts were revealed during the past weekend when Texas banks responded to a quarterly call of statements from the state banking commission. Deposits as of December 31, 1968, were \$3,938,512.38, and loans were \$1,717,014.24. That's a gain of \$220,873.36 in deposits and a decline of \$163,673.79 in loans for the past year. However the bank dropped \$144,066.64 in deposits and gained \$7,725.83 in loans since the previous bank call as of October 30, 1968.

Other banks of the county gained in both deposits and loans for the past year with total deposits of the four banks reaching an all time high of \$29,183,391.42 and total loans reaching \$12,961,925.65.

The combined gain of deposits in the Muenster, Gainesville and Valley View banks was \$3,130,953 and the combined gain of their loans was \$825,006. During the past quarter the combined gains of deposits in the county banks were \$1,039,186 and the combined gains of loans were \$354,041.

SH Cagers Divide Pair of Contests With Peaster High

Sacred Heart's Tigers and Tigerettes broke even in their basketball twin bill at Peaster Tuesday night and the Tigers and Cubs dropped a pair to Fort Worth Day School here Friday night.

Both of the Peaster games were well matched and hotly contested. Though trailing all the way, SH girls crowded the home team in each quarter and were only 4 behind with 2 minutes to go. Then Peaster hit a hot streak for the 44-32 win. Sacred Heart scorers were Margaret Kralicke 15, Kaye Klement 14, Dolores Pels 3.

In the second game Sacred Heart was ahead and Peaster was crowding until the final score of 43-36. Ending the first quarter the Tigers were behind 11-9. Ending the next two they led 24-18 and 29-24, but scores were closer several times. Lee Roy Hess hit 14, Tim Endres 9, Ken Schmitz 8, Melvin Schilling 7 and Ken Stoffels 5.

Both the Tigers and the Cubs were outclassed by their visitors from Fort Worth Day School as the Junior High kids went down 32-16 and the Tigers were swamped 78-29.

Letters Asked Opposing State School Proposals

A plea for a letter writing campaign in behalf of small schools was sounded Tuesday night in a regular monthly meeting of Muenster Knights of Columbus.

L. B. Bruns, superintendent of Muenster Public School, and Urban Endres, president of the school board, discussed the recent report by the Governor's Committee on Education, especially the part recommending school districts with a minimum of 2600 students.

Endres described the proposal as less desirable to the parents and students concerned and economically disastrous to the areas concerned. He said it will cause an exodus from every small community followed by a decline in business and property values. Furthermore it will eliminate all small towns as prospects for future industrial or commercial growth.

Bruns said the proposed figure may possibly be lowered but it's doubtful that it will be reduced to this community's size, even if the schools here are merged. So our only hope is to appeal to the Legislature for the community's survival.

The report is due for consideration in the coming legislative session. He asked people to write to Senator Ralph Hall and Representative Walt Parker and also to Governor Preston Smith and Lt. Governor Ben Barnes.

Bruns also referred to the report's complaints on the lower school taxes paid in rural areas and the consequent higher allotments per child given by the state to rural schools. He said that state-wide tax equalization by state officials is the likely outcome of that complaint, whether or not the proposed minimum enrollment is adopted.

Farm Bureau Asks Removal of Federal Controls

Present government farm programs should be dismantled and replaced with devices to help successful farmers move gradually into a market-oriented economy free of federal controls and payments, Charles B. Shuman, president of the American Farm Bureau Federation said in an address before that organization's annual convention in Kansas City.

"The general public is financially beginning to recognize that a government-planned agriculture is a costly exercise in futility," he

said. But the present programs should not be dumped all at once. Instead, "transitional assistance or a reasonable assurance" against losses during an adjustment toward a free economy should be provided.

"This transitional assistance could take the form of substantial land retirement programs, indemnity or adjustment payment to compensate for the capitalized value of allotments, loans to facilitate orderly marketing, and protection against dumping of government-held stocks in the market to depress prices," Shuman stated.

One of President-elect Nixon's top farm advisers said the struggle between those who want more government in agriculture and those who want less resembles a football game in which time is running out.

Economist Don Paarlberg of Purdue University, said in a speech at the FB convention "We are at a new juncture in this football game between those who would extend the roll of government in agriculture; and those who would terminate that role," he said.

"The ball has just changed hands again. What kind of signal will now be called?" Paarlberg said that if existing farm programs were scrapped "this would be disastrous for farmers and politicians alike." And farmers have rejected in the past any further tightening of production controls.

Instead, he suggested, as the National Commission on Food and Fiber recommended last year, that the nation move gradually to a market-oriented agriculture where producers managed their own affairs. This basically is what Farm Bureau officials have urged.

Remember this one—Even a fish wouldn't get caught if it would keep its mouth shut.

30 Million Steaks

Scare stories have a way of catching people's attention and spreading with the speed of a prairie fire. A favorite outdoor activity has been threatened by just such a story.

An imaginative writer spotted a report by scientific investigators that charcoal-broiled meat contained a cancer-inducing substance. The story soon spread that it was dangerous to health to broil our hamburger and steaks over a charcoal grill. A lot of people thus crossed outdoor broiling off their list of summer pleasures. But, like most scare stories, this one was grossly exaggerated. A prominent medical columnist has pointed out that the amount of cancer-inducing substance in a charcoal-broiled steak is so minute that a person would have to eat close to 30 million steaks to consume an ounce of the allegedly dangerous chemical.

At the price of steaks, it is doubtful that there is much risk of anyone getting cancer from overeating these broiled delicacies. Sometimes scare stories can do irreparable harm. It is well to spread a few grains of salt on the works of writers and speakers whose stock in trade is to alarm rather than inform.

We are not worried about how to spend the money we have earned, but how to earn the money we have spent.

Coin Collection Offered for Sale To Aid Missions

Coin collectors interested in buying a collection of about 90 coins, as a whole or in part, may apply to Sister Theresina at Sacred Heart Convent.

The collection was donated by Brother Thomas Moster to Sacred Heart High's Catholic Students Mission Crusade. This is an active group this year.

The coins were collected by Brother Thomas on his extensive around the world travels.

George Bayers Are Hosts for Reunion

Mr. and Mrs. George Bayer had all their family with them during the recent holidays for reuniting.

Special guests were Sister Carmella of Jonesboro, Ark., and Sister Lucille of Little Rock.

Others at home were Miss Dorothy Bayer, a pharmacy student at the University of Houston, Miss Ruth Bayer of Dallas and Clarence Bayer of Arlington, along with Cletus and Cheryl Bayer of the home.

Dr. Kralicke Gives Program for FHA

Dr. Martin Kralicke was guest speaker at the January meeting of Muenster High Chapter Future Homemakers of America Monday night and illustrated his talk on venereal diseases with a film.

This program helped the chapter carry out the national program of "Good Health a Valuable Asset."

Forty-five members attended along with Mrs. Henry Weinzapfel, chapter adviser, and Mrs. Dan Hamric, a guest.

In a brief business session conducted by Jan Wilde, president, Sandra Fette volunteered to be chairman for next month's program planning.

Skits Stimulate SH Spanish Class

An assignment for Sacred Heart High Spanish II classes consisting of skits and short dialogues written and recited in Spanish by students was an interesting class period recently.

A holiday scene was enacted by Mary Bayer as the mother, Shirley Hacker as her little girl and Joan Rohmer as Santa.

A novel skit was presented by Nancy Endres and Denise Walterscheid, representing canines in a pet shop awaiting purchase. After self-appraisal they were disappointed when the purchaser bought a cat instead of a dog.

Peggy Endres and Darlene Walterscheid also presented a skit and Donna Rohmer who had just received a book of jokes tried them out on Karolyn Schoech who showed herself lacking any sense of humor and was accused of this by Donna. Then, in turn, Karolyn pulled a joke on Donna and it was her turn to show herself lacking a good humor.

SH Thanks Donors For Contributing Cancelled Stamps

At the beginning of a new year, students and faculty of Sacred Heart High extend thanks for loyalty and help in the school's effort to collect cancelled stamps for the benefit of poor and needy missions throughout the world.

The project is quite ecumenical with stamps coming from a distance as well as from local residents.

Exceptionally fine shipments have come from Gunther Goetz of Denton, Mrs. Tom Gallery of Encino, Calif., Christine Schad of Dallas, Mrs. Elmer Diddle of Gainesville, and the Ferd Yostens of Fort Worth, along with smaller donations from away as far as the Muenster Enterprise travels. It is always gratifying to the sponsors of the stamp drive to enlarge their circle of friends.

Mrs. John Felderhoff and Miss Elizabeth Koelzer are constantly aiding the project by trimming the stamps. A several pound shipment has just gone to the Mission Stamp Bureau in St. Louis, Mo.

With best wishes for a happy and blessed New Year, all connected with the stamp project again send out a reminder to save and turn in all cancelled stamps to Sacred Heart High.

Vogel Reunion Is First in 10 Years

The family circle was complete at the Lawrence Vogel home when their daughter Sister Gemma came in from Lake Arthur, La., for the holidays — Dec. 21 to Jan. 5. The family was together for Christmas reuniting the first time in ten years.

Reunion guests included Mr. and Mrs. Marvin Tischler of Whitesboro, Mr. and Mrs. Ivan Koelzer, Al Vogel, Miss Kathy Sicking, and Miss Linda Lubbers of Southmayd.

Similar gatherings were held at the Tischler, Koelzer and and Ray Vogel homes and Miss Lena Kleiss and Miss Lu Vogel entertained one day for Sister Gemma.

Sister Gemma left Monday to return to Lake Arthur, her brothers David and Larry taking her as far as Dallas where she boarded a bus for the trip. Going with her was Sister Jacinta who had spent the holidays with her parents, the Alfons Reiters.

Experiments Spark SHH Physics and Chemistry Classes

James Watt (1736-1819) a Scottish inventor, engineer and mechanic would have enjoyed a recent class in Sacred Heart High physics department.

While Watt experimented with draft horses to establish the unit of power known to this day as horse power, members of the class found out how much horse power they could develop.

The day set for the experiment was a cold one. Nevertheless, boys and a few courageous girls went to the football field while the remaining group performed the experiment in the gym.

The test consisted simply of running a measured distance in a definite time — the force was represented by the weight of the individual runner.

Results showed that on an average the girls put out 3.35 horse power while the boys generated exactly twice as much.

Highest powers were achieved by Melvin Bayer and Kenny Schmitz; lowest by Lynn Reiter. Students and class instructor Sister Theresina found the experiment exciting.

Not less interesting was another physics class. Using Father Andrew's hand made apparatus the class proved by very close margin the conservation of momentum, simulating a two-fragment explosion by releasing a compressed spring between two carts.

Father's vacuum pump, painted neatly by Frank Medders, performed excellently in several interesting experiments not only in the physics class but also in other science classes.

Chemistry

Good results were obtained in the chemistry laboratory at Sacred Heart High School in finding the atomic weight of magnesium, though results according to Sister Theresina did not quite come up to last year's experiment.

A demonstration of preparation and properties of chlorine, though classified as an instructor's experiment, was in part most successfully performed by Fred Fuhrmann and Shirley Hacker.

Two other students had volunteered to carry away equipment in a rush of time before class dismissed and students had barely left the science room when an explosive sound came from it. One of the students had put a match to the hydrogen generator. Fortunately no casualties resulted but the ire of the chemistry instructor was upon the daring students.

The preacher was describing Judgment Day: "Thunder will roar; flames will shoot from the heavens; floods, storms and earthquakes will devastate the world."

Wide-eyed the little boy turned to his mother, "Mom," he whispered, "will I get out of school?"

Gifts Go to First '69 Baby Born in Muenster Hospital

An array of useful gifts and services given by Muenster business people have been presented to Baby Boy Riggs and his parents, Mr. and Mrs. Gene Riggs.

The package, promoted by Muenster Hospital Auxiliary, was announced this week by Mrs. Ervin Hamric, president of the organization, which annually sponsors the stork derby to benefit the first New Year baby born in Muenster Memorial Hospital. This year's Little Mr. Muenster arrived on Jan. 4.

Gifts are as follows: a \$25 savings bond from the Hospital Auxiliary, three cases of baby food, one each from Fisher's, Pagel's and Hofbauer's, one dozen diapers from the Ben Franklin Store, \$5.00 gift certificate from Hamric's, \$5.00 gift certificate from The Charm Shop, \$5.00 cash from Muenster State Bank, ten gallons of gasoline each from Mobil Service Station and Denis' Texaco Station, \$5.00 cash from Growing Gulf Station.

Also 35 gallons of gasoline from Miller Humble Station, a dinner for the parents compliments Rohmer's Restaurant, a free dinner also from the Center Coffee Shop, a baby sweater from the Home of Fashion, a year's subscription from the Muenster Enterprise, hair cut, shampoo and set for mother from Evelyn's Styleroom, a walker from Hess Furniture Co. and a silver cup from Koessler Jewelry.

"I'm in a tough spot," the small boy said to his mother. "The teacher said I must write more legibly — and if I do she will find out I can't spell."

Marysville News

By Mrs. John Richey

MARYSVILLE, Jan. 7 — The Doughty boys were at the family home Sunday to check on their parents, the Joe Doughtys, who had been hospitalized and were glad to find them on the mend. The Douglas and Sheldon Doughtys came from Valley View, the Weldon Doughtys came from Euless and the Wayne Doughtys came from Grapevine. They brought their children with them.

Mr. and Mrs. John Richey were dinner guests in the John M. Barnes home at Hood for New Year dinner and brought Sonny Barnes back with them for a visit. On the way they stopped at Gainesville Hospital to visit their brother and grandfather Fred Richey of Sivells Band who was a patient. He has since been dismissed from hospital care.

Mr. and Mrs. Grady McElreath and niece Backy McElreath were among guests at the wedding of a friend, Miss Carol Ann Lampkin of Saint Jo and Walter Carter of Colorado at First Baptist Church in Saint Jo Saturday evening.

Mr. and Mrs. O. C. Ingram, Burns City, their daughter Mrs. Clyde Branch and children of Gainesville, spent Jan. 1 with the Grady McElreaths.

Mr. and Mrs. Charlie Winchester of Gainesville had Sunday dinner with her parents, the Nathan Whitts, and in the afternoon the four drove to Nocona to visit their aunt and sister, Mrs. Emmett Deering and husband.

Barbara Davidson missed school Friday on account of illness.

Mr. and Mrs. Bill Roe of Callisburg took her parents, the W. F. Davidsons, and an uncle and aunt the Samuel Bakers of Gainesville, to Dallas Saturday to spend the day with Mr. and Mrs. John Baker. John sustained a broken arm in a fall before Christmas. The Dallas couple was packing for a trip to Florida where they will spend the winter. The visitors took a prepared dinner with them for a surprise treat for the Bakers.

Mr. and Mrs. R. D. Morris visited at Spring Creek Saturday with her brother and wife the Rawdon Smiths.

Mr. and Mrs. John Richey spent Sunday at Ringgold with the Coy Fite family and Mrs. Iva Key. Mrs. Key, near 80, was dismissed from Nocona Hospital on Jan. 1 after medical care.

Jimmy Robison has returned to A&M after spending the holidays with his mother, Mrs. Earl Robison. On the way he took his nephew Mark Robison back to Spur. Mark had spent the holidays with his grandmother.

The Rafe McElreaths had Bro. Aubrey Spires for dinner after Sunday morning church services. In the evening the McElreaths were hosts for a fellowship meeting and served refreshments to the group.

Mary Dittlinger Charles Felderhoff Set Wedding Feb. 1

Mr. and Mrs. Lawrence A. Dittlinger of Houston have announced the engagement and approaching marriage of their daughter, Mary Cecilia, and Charles Francis Felderhoff, also of Houston, son of Mr. and Mrs. Tony Felderhoff of Muenster.

The wedding will be solemnized in St. Jude's Chapel in Dallas on Saturday, Feb. 1, at 1:30 p.m. The Most Rev. Augustine Dangelmayr will officiate at his nephew's wedding. A reception will follow in the Statler-Hilton's Embassy Garden Room.

The couple will live in Houston where both are employed.

Visiting Sisters Feted at Convent

Seven Benedictine Sisters, visiting with their families during the holidays, were honored at a dinner in Sacred Heart Convent by resident nuns.

Guests were Sister Gemma, Lake Arthur, La., daughter of the Lawrence Vogels; Sister Silvaria of Little Rock, Ark., daughter of the Raymond Zimmers; Sister Jacinta, Lake Arthur, daughter of the Alfons Reiters; Sister Carmella of Jonesboro and Sister Lucille of Little Rock, daughters of the George Bayers; Sister Collista, Little Rock, daughter of the Bob Swirczynskis; and Sister Monica of Pocahontas, Ark., daughter of the Herman Swirczynskis.

County FB Books 42 Party Jan. 16

The Cooke County Farm Bureau will be host next Thursday night, Jan. 16, at a 42 party for members and their guests. It will be in the Farm Bureau building beginning at 7:30 p.m.

All members are urged to come and bring non-member neighbors with them — also to bring cards or dominoes. There will be no admission charge. Refreshments will be served.

LOCAL STUDENTS ENROLLED in the modernized vocation program at Subiaco Abbey are Frank Luke, Glen Rohmer, David Fuhrmann, Robert Caplinger, Jerry Caplinger and Matt Yosten. Fuhrmann is from Lindsay, the other five from Muenster.

Local Students in Up-Dated Vocation Program

Six local students attending Subiaco Academy are among the twenty-one currently enrolled in Subiaco's new Vocational Program initiated for the 1968-69 school term to update training for the priesthood and brotherhood at New Subiaco Abbey.

Those enrolled are Matt Yosten, son of Mr. and Mrs. R. L. Yosten, Glenn Rohmer, son of Mr. and Mrs. Alois Rohmer, Frank Luke, son of Mr. and Mrs. Anthony Luke, Jerry and Robert Caplinger, sons of Mr. and Mrs. J. D. Caplinger, all of Muenster, and David Fuhrman, son of Mr. and Mrs. Raymond J. Fuhrman of Lindsay.

The new program, called the Benedictine Formation Program, replaces the traditional scholastic, or minor seminary, used for decades for training of potential members by Subiaco Abbey.

During its early history, Subiaco's education program was designed and established exclusively for candidates for the priesthood and religious life included high school, college, and theology departments. Rapid growth of the population in the local area however, soon demanded that the Subiaco Monks establish a school for the benefit of students interested in secular callings.

The seminary program was dropped entirely from Subiaco's high school program on the philosophy that students would and could continue their education in Subiaco's major seminary if they wished to join the Benedictine Com-

munity. In 1922 Subiaco Abbey adopted a more formalized training program for high school boys interested in the priesthood and religious life. After extensive study of the various programs throughout the country, the Scholasticate was formed, modeled upon the seminary program found at St. Benedict's Abbey in Atchison, Kansas. That program lasted until the present time, reaching its height in the late 50's when almost one fourth of Subiaco's students were minor seminarians under the direction of Father Finton Oldham, O.S.B.

During the early 60's seeds of discontent were beginning to spring up on the American Catholic scene concerning religious formation programs. There was a growing opinion that training of priests and religious should be characterized by spiritual formation rather than complete separation from adolescent life.

Last winter Subiaco felt that its own scholastic program was in need of restructuring. The Rev. Hugh Assenmacher, O.S.B., vice-president of the Little Rock diocesan vocation council and moderator of Subiaco's new program, was the person instrumental in working out the details for the changed program.

The program is based in post Vatican II thinking and along the guidelines of the American bishops committee for Priestly and Religious Formation. It consists of a 12 point program including stated

celebrations of the Eucharist; daily prayer in chapel; daily Biblical or meditative reading; weekly conferences by members of the Subiaco Community followed by a social hour; regular consultation with a spiritual director; special activities in the area of study and recreation; occasional worship with the Subiaco Monks; Apostolic work; and finally a well-rounded academic, athletic and social life.

The student in the new program is completely integrated in the regular Academy routine with opportunity to make his own way with of his own age group.

A student is accepted as a candidate for the program as a Freshman at the Academy. If he successfully completes one year in the program, he is accepted into regular membership for another year. After two years of formation work, the student passes to advanced membership with more detailed activities.

After graduation from Subiaco Academy, the candidate will enter the Subiaco House of Studies in St. Louis, for further studies at Subiaco's House of Studies located near St. Louis University, or will continue in the monastery or diocese of his choice with their own individual program.

Local News BRIEFS

Sister Olivia of Little Rock, Ark., spent a few days of holiday vacation with the Wilfred Reiters here and the Adolph Fuhrmanns at Lindsay. She is formerly of Lindsay.

Holidaying with Mr. and Mrs. Joe Horn have been their daughters and families including their five granddaughters. Together with the parents and grandparents were Mr. and Mrs. Paul Deltz, Terry and Carole of Houston, Mr. and Mrs. Jimmy Doughty, Jackie and Jeannie of Euless, and Mr. and Mrs. Jay Winslow and Sandra Leigh of Hurst.

Paul Luke of Dallas was back for a visit last Tuesday making pop calls on friends.

The home of Mr. and Mrs. John Rohmer was the scene of a holiday reunion with all the family together. Joining those from Muenster for the Sunday gathering were Mr. and Mrs. Joe Spaeth of Longview, their son Everett and daughter Linda of Lubbock, Miss Ida Rohmer of Fort Worth and Mr. and Mrs. Morton Wright and children of Irving.

Joe Trachta and Ludwig Kieninger were in Dallas on business Monday and joined friends for supper at The Thieves Den.

Michael Stoffels ended a two-week visit with his parents, Mr. and Mrs. Meinrad Stoffels and family, Saturday. Mike is a seminarian at the Benedictine House of Studies in St. Louis, Mo. His brother Doug Stoffels and Dwayne Hess took him and Father Frowin Schoech of Subiaco Abbey, also a visitor here during the holidays, to Subiaco by car. Mike went on from there to St. Louis.

Kenneth Wiesman of Austin was a weekend visitor with his parents, coming to check on his mother who had the flu and his dad who was hospitalized with a broken hip.

Motorists who put extra weight in the trunk of their car for winter driving do more harm than good, point out automotive experts at Sears Roebuck and Co. Extra weight disturbs the over-all stability of a car and tends to lift the front end off the road surface.

Computer Records on Motor Vehicles Will Speed License and Police Work

AUSTIN — Inmates of the Texas Department of Corrections at Huntsville this month are expected to complete the first phase of a sweeping modernization of Texas motor vehicle records.

The Corrections unit was "hired" by the Texas Highway Department to help with the computerization of millions of vehicle records. Inmates are learning new skills and the taxpayers are netting a substantial savings in the course of the work.

Involved in the project are the matching of approximately 6.5 million 1968 vehicle registration records with current certificates of title, and converting the combined records by a typing operation into a format suitable for electronic input into computer storage.

Conversion to data processing will increase the efficiency of vehicle registration. By late in 1969, owners of more than seven million vehicles in Texas will receive computer-printed registration renewal forms. One copy of the form will be validated by the local tax assessor-collector and returned to the Highway Department's Motor Vehicle Division. This copy will then be placed in a document scanner that "reads" the information and automatically updates registration data in computer storage. Another copy will serve as a receipt for the vehicle owner, and a third will be filed in the county tax office.

Also late in 1969, the Division and other authorized agencies will be able to retrieve any current registration or title record electronically in a matter of seconds. This capability particularly will be valuable to law enforcement personnel. While following a vehicle a patrolman will be able to identify the owner by means of his radio and the police teletype keyed to Motor Vehicle Division's computer storage. Ultimately, the system will be coordinated with similar equipment in other states in a nationwide network for clearing titles and tracing stolen cars.

However, the chief concern is to simplify the renewal of vehicle registrations and applications for title, or to provide more efficient service for vehicle owners in Texas.

More than 500 inmates at Huntsville are working on the records. They were selected on the basis of aptitude, and they received special instruction to prepare them for the work.

Spokesmen for the Motor Vehicle Division say the bulk of the 1968 records were converted ahead of schedule. What remains now is only miscellaneous "clean up" work.

Early in February, with receipt of the first 1969 registration data from county tax offices, work will begin to update the master records, using the 1969 data.

Vehicle owners should make certain their correct residence mail address appears in 1969 registration records. This will make renewal of registration for 1970 simple and virtually automatic.

'Sleeping' Fruits Wake Up Fresh

Apples, lettuce, strawberries and other produce are getting the "sleep" treatment through controlled atmosphere storage — a technical process that holds fresh fruits and vegetables in suspended animation while being stored or shipped to market.

The produce doesn't ripen or spoil because the oxygen content in a warehouse or truck is lowered and other gases are substituted.

Using natural gas to put the brakes on nature keeps apricots fresh six weeks instead of 10 days days. Sweet cherries last four weeks, not seven days.

Besides saving the produce industry millions of dollars a year in spoilage costs, controlled atmosphere storage can mean lower costs for the consumer because the produce isn't subject to the price changes of seasonal selling, and at the same time permits the consumer to buy fresh fruits out of season.

Local News BRIEFS

Miss Shirley Klement returned to Dallas Friday night after a three-day visit with her parents, the Norbert Klements, following Mrs. Klements' dismissal from Muenster Hospital where she was a flu patient.

Mrs. F. J. Wilder returned Saturday after a few days in Houston with relatives. She accompanied her daughter, Sister Madeleine back after her holiday visit in Muenster with her mother and aunt, Mrs. John Schilling.

Father Leo Koesler left Jan. 2 to return to St. Louis, Mo., after a three-day holiday visit with his mother, Mrs. Alfons Koesler Sr. and family. Also a three-day visitor was Sister Mary Linn Koesler of Denison. The rest of Mrs. Koesler's children and grandchildren joined in a reunion at the Koesler home. These included Sister Corrine Koesler and the Tony Hermes family of Lindsay and the Muenster relationship.

Mr. and Mrs. Tom Williams and son Peter John of Fort Worth were visitors Friday with her parents, Mr. and Mrs. Meinrad Hesse, enroute home after spending the holidays with his folks in Dayton, Ohio. Other holiday visitors in the Hesse home were daughters Eileen and Mary Hesse of Fort Worth and sons Paul and Richard Hesse of Dallas.

Dr. and Mrs. E. W. Laake of Dallas were Sunday visitors with his sister Angela Laake and niece Rosa Driever. It was the annual Christmas visit — belated — with an exchange of gifts saved for the occasion.

Mrs. Clovis Lewis of Jackson, Miss., who has been attending the bedside of her father, Wenzel Muck, has been the houseguest of Mrs. Oscar Detten and Mr. and Mrs. Tony Feldehoff.

Mrs. Oscar Detten's daughter Mrs. Bill Farrar of Fort Worth extended her Christmas visit a week on account of illness that turned into pneumonia. She was a bed patient at her mother's home. Small Steve Farrar also stayed with his grandmother while his mother was sick. The husband and father returned to his work in Fort Worth after a holiday visit.

Mr. and Mrs. Al Kleiss and daughters Ruth and Mary Ann of Subiaco, Ark., have been back for a holiday visit with their son and brother, Mike Kleiss, and other relatives.

Miss Linda Fisher of Sherman joined other family members at the home of her parents, the Paul Fishers, for the holidays.

Mr. and Mrs. Jim Fette and children of Dallas spent the 25th with his mother, Mrs. Isabel Fette.

Mr. and Mrs. Charlie Stelzer of Fort Worth spent Christmas Eve and the 25th with their aunt, Mrs. L. A. Bernauer and also visited other relatives.

Mr. and Mrs. Lou Wolf has as Christmas guests their son Mitchell of Houston and daughter Charlotte of Dallas. Holidays were made happier by hearing from their daughter Lou Rena and her husband, The C. W. Hammonds and son Stephen, reporting they left Beirut, Lebanon, before hostilities broke out and are located in New York City now.

Mr. and Mrs. Herbert Cunningham Jr. and children Brian, Kim, and Terry of Fort Worth divided their holidays between their parents, the Ludwig Kieningers and Herbert Cunninghams.

Sister Agnes Voth left here on New Year's day to return to Jonesboro, Ark., after a several week's visit with her mother, Mrs. Barney Voth, a patient at Muenster Hospital.

Mrs. Tony Gremminger went to Atlanta, Ga., to spend the Christmas holidays with her daughter and family, the Bobby Howells.

Family Reunions Are Highlights of Holiday Season

Holidaying at Springtown were Mr. and Mrs. Don C. Cooke who joined their son Harold Cooke and family of Fort Worth in Springtown at the home of a grandson, Don M. Cooke and family, for a gift exchange with Santa there in person to hand out presents to four generations in attendance. Don M. Cooke and children Dedie and Mark came for his grandparents and with Mrs. Don M. Cooke and Keith and the Harold Cookes returned them to Muenster. Others at the reunion included the Gene Alexanders, Dana and Nikki and her father W. M. Carroll of Fort Worth.

The Johnny Moster home was the scene of two family gatherings, one for Christmas with a turkey dinner, picture taking and a gift exchange. Guests included the hosts' daughter Gracie and husband, Mr. and Mrs. A. W. Eldred of Jacksboro and Sister Florentine Tempel. The group talked by phone with Anastasia and her family the Russell Herbs of Dallas. The other get-to-

gether was on Jan. 1 celebrating James Moster's New Year birthday. His aunt, Mrs. Luke Tempel was a special guest.

Mr. and Mrs. Joe Starke joined a family reunion celebrating Christmas at the home of their daughter and family, the Vincent Forresters at Saint Jo. Others present were the Henry Starkes of Muenster the Robert Grubers and daughters of Lindsay and Joe Starke Jr. of Wichita Falls.

The Adolph Walterscheids had their family of 25 together in their home on Christmas Eve for dinner and a gift exchange. Grandchildren sang carols with Beverly Walterscheid playing the electric organ and Danny Walterscheid playing the guitar.

Mr. and Mrs. John Grewing's home was the gathering place for the family's annual Christmas Day supper and gift exchange. The Steve Grewing family had joined in a reunion at the home of her mother, Mrs. Joe Fuhrmann at Lindsay for noon dinner and gift exchange.

Christmas Eve dinner guests at the Al Walter home included Mr. and Mrs. Tommy Corcoran and children and Miss Linda Corcoran of

Gainesville and Miss Dorothy Hartman and the Bernard Swirczynski family of Muenster. Mr. and Mrs. Claude Walter and children Amy and Alan came from Miami, Okla., to spend the weekend.

Mr. and Mrs. Hugo Lutkenhaus joined a reunion with dinner and a gift exchange at the home of their son Sheldon and family on Christmas. Others present included the

Jim Krahl's, Brooke, Shelly and Trent, Mr. and Mrs. Joe Krahl and the hosts' children Tammy and Todd, all of Gainesville.

Mr. and Mrs. Gilbert Yosten and children of Hereford had a Christmas visit with his parents, the Nick Yostens. Joining a family gathering were Mr. and Mrs. Albert Spiers and children of Gainesville.

Muenster Hi Teams Lose to Saint Jo And Lake Dallas

Muenster High basketball teams started the new year with four good games but as many losses. According to their coach, Charles Cash, they were nudged out by strong teams after giving a good account of themselves. The games were at Saint Jo last Thursday night and Lake Dallas Friday night.

The Hornets had a real sizzler at Saint Jo trailing by a single point ending each of three quarters and finally losing by 5. Several times they inched ahead for brief periods. Scorers were John Monday 15, Sam Sparkman and Dale Cash 11 each, John Felderhoff 7, Mike Hennigan 4, Tom Henscheid 3.

At Lake Dallas the Hornets had a miserable start and trailed 16-2 before they got into the action. After that they inched up for counts of 16-9 and 25-20 in the first two quarters and a 37-37 tie in the third. With less than three minutes left in the fourth they were 3 points ahead when John Monday fouled out — after which the Falcons gained 6 for their 50-47 win. Point makers for the Hornets were Monday 15, Sparkman 12, Dale Cash 10, Hennigan 4, Felderhoff and Henscheid each 2.

MHS girls rallied in the final quarter of their game at Saint Jo but not enough to overcome an 11 point deficit. The final score was 34-30 favoring Saint Jo. Ending the first quarter MHS led 7-6, then the home team gained for leads of 15-11 and 29-18 the next two periods. Muenster trimmed the margin by 7 points in the fourth. MHS scorers were Debbie Cain 18, Sue Flusche 8, Debbie Yosten 4.

At Lake Dallas the girls fell behind in the first two quarters for scores of 16-8 and 28-15 then gained in the third and fizzled in the fourth for counts of 34-24 and 43-30. The scorers were Cain 21, Flusche 7, Yosten 2.

S. H. Basketball---

head steadily for a 28-9 lead at the end of the third quarter but the Cubs gained in the last for the final count of 32-16. Cub scorers were Gary Endres 5, Melvin Luke 4, Kenny Hess 3, Alan Miller 2.

In the main event the Fort Worth fellows displayed lots of speed and skill for big gains in every quarter and the final score of 78-29. Tiger scorers were Lee Roy Hess 19, Tim Endres 7, Melvin Schilling 2, Andy Truelsenbach 1.

Next week's schedule for the parochial teams lists 3 games for the Tigers, 2 for the Tigerettes and one for Tiger B. Thursday night boys and girls go to Era. Friday night A and B boys play Dallas Christian here. Next Tuesday boys and girls meet Greenhill here.

Friske Family Has Holiday Reunion

Mr. and Mrs. Martin Friske had as holiday guests their son Jere Friske, his wife and their two small sons John and Albert of Anaheim, Calif., who were on a two-week vacation.

Others from a distance joining them for a reunion included daughters and their families, the Ray Luebs, Ricky and Darlene of Midwest City, Okla., and the Barney Sandmanns, Steve, Roger and Karon of Howe.

Muenster Juniors Lose 2 to Lindsay

Juniors of Muenster Public School lost both ends of a twin bill with Lindsay youngsters on the MHS court Monday night.

Lindsay girls were ahead all the way with scores of 16-6 at the half and 36-20 at the end. Doris Felderhoff hit 12 for Muenster and Jane Fuhrmann 16 for Lindsay.

In the boys' game Muenster was the poorer in two feeble efforts. After leading 8-5 at the half Muenster slumped worse in the second and Lindsay emerged as 18-12 winner. James Endres scored 8 for the hosts; James Neu and Bobby Hermes made 6 each for the visitors.

Ag Producers Are Big Sellers and Big Buyers

The Texas agricultural industry continues to be a very vital part of the state's economy. Despite the continuing decrease in the number of farms and the percent of the population actually engaged in agriculture, the total value of its raw products ranks second only to crude oil, reports John C. McHaney, Extension economist at Texas A&M University.

Texas agricultural producers, he explains, in 1967 spent more than \$1.6 billion for items used in current farm operating expenses. And such spending, he adds, kept a lot of cash registers ringing from cross-roads country stores to those on main street in major cities of the state and nation.

They spent \$772 million for feed, livestock, seed and fertilizers and lime, and most of these items were purchased locally, points out the economist. Another \$309 million went for repairs and operation of capital items, including repairs and maintenance of buildings, machinery and motor vehicles, and petroleum products used in the farm business. Here again local suppliers got most of this business, says McHaney.

And there's much more. Another \$327 million went for such items as interest on money borrowed for operating expenses, for pesticides, ginning, electricity, livestock marketing charges, irrigation, grazing, veterinary services and medicines, and many others.

Expenditures for hired labor totaled \$212 million, and much of this in turn was spent by the laborers for consumer goods and services along main street.

Other expenses included \$321 million for depreciation and other consumption of farm capital items; \$101 million for taxes on farm property, \$99 million for interest on farm mortgage debts and \$56 million to non-farm landlords for rent.

Every segment of the business world is involved and receives benefits from the spending of our agricultural producers, explains McHaney. Those who manufacture, transport, store, sell and service the needs of farmers are a part of the agribusiness complex of the industry. And never forget, emphasizes the economist, that much of the

deserve a place on any campus. We are aware, of course, that some of these ideas are contrary to high court decisions. The official attitude in this regard seems to be that rejecting such people because of their personal opinions is a violation of their rights.

That attitude, however, conflicts with another well known and generally accepted principle on rights — that no one has a right to violate the rights of others. "Free speech does not permit one to panic a crowd by yelling fire." Nor does free speech permit one to bring subversive and poisonous ideas into a classroom. We the public have a right to be protected from the kind of people and ideas which can mislead a student or harm an institution.

The same principle applies to criminals who are permitted to mingle in society. Too much solicitude for the rights of lawbreakers frequently results in acquittal on technicalities. Law enforcement people, who are on our side, are unable to secure convictions, and criminals remain free to violate still more rights.

pleads for a return to law and order. We have a feeling that more firmness is also coming in enforcement of civil laws. Next we're hoping for the kind of policies which will restore a better climate for law and order.
