NUMBER 46

At this time the supporters of Judge Clement Haynsworth claim that his nomination to the U.S. Supreme Court will be confirmed by the Senate. On the other side of the controversy are those who say that a number of previous backers are switching over to the opposition. The report is that they fear what public opinion back home will do to them in the next election if they defy leaders of labor unions and civil rights organizations.

From the alignment of pro and con forces in this hassle, it is quite obvious that the real issue is liberalism versus conservatism. Haynsworth is identified as a conservative who has had some of his lower court decisions reversed by the very liberal Supreme Court of the past several years. A lot of liberals in and out of the Congress do not want a man on the Court whose thinking is known to be very different from that of recent judges like Earl Warren and Abe Fortas.

They are afraid, with good reason, that ultra liberal decisions, based more on the Court's political philosophy than on the constitution, will become fewer or stop altogether. Actually they are afraid that the partiality they enjoyed will come to an end. They have been pampered by the Court for so long that they can't tolerate the possibility of opinions that will not favor them. So they resort to arm twisting, threatening reprisals against Senators who don't want to go along.

That seems to us like a rather empty threat. The facts suggest that denial rather than confirmation would be more risky for a Senator. All of us recall that the last general election was a strong victory for conservatism. Combined votes for Nixon and Wallace indicated clearly that the country had enough of liberalism.

Since that's the case it appears probable that the conservative majority of the electorate would rather have its senators support the nomination of the conservative Haynsworth for the Supreme Court. A senator who submits to liberal pressure in this matter might find that he's hurting rather than helping himself.

An encouraging sign in the civil rights movement is a reversal of demands for busing school children. U. S. News and World Report has an article this week revealing that the trend is changing, and many Negroes now think they can do more for their children by keeping them in their own neighborhoods and placing emphasis on education rather than integration. They are disappointed primarily with the slow-down of children's scholastic progress, but also with the hardship of busing, and racial tension caused by mandatory mixing.

The whole big blunder derives from an extreme interpretation of the Supreme Court's 1954 decree against segregation. The substance of that order was that no child could be denied admittance to a school of his choice because of race or creed. Schools gradually accepted the idea and all children were admitted wherever they wanted to go.

But eager integrationists were not satisfied. They put a new interpretation to the order, insisting that its real motive was to achieve integration rather than just stop segregation. Children were no longer allowed to go where they wished. They were forcibly transferred and mixed in order to overcome defacto segregation, which resulted from the simple fact that the neighborhoods concerned were predominantly white or black.

Protests followed immediately, especially by the whites, but they were over ruled by the integration idealists. The net result was both a boner in educational principle and a violation of the Supreme Court order allowing children to attend where they wish.

Well, the noble experiment has fizzled. Experience has shown that both races are unhappy with the scholastic farce and the inconveniences and the discipline problems resulting from the program. Let's hope that government officials will take a good look at facts revealed in the U. S. News and World Report survey. Perhaps it will help them realize that more progress as well as more racial harmony can be achieved by less meddling.

PP&K Contest Booked Saturday

Saturday is Punt, Pass and Kick day, and the contest will be held on Sacred Heart football field starting at 1 p.m. supervised by Muenster Jaycees and sponsored by Endres Motor Company.

The competition will be conducted in six age groups, 8 through 13 inclusive, and trophies will be awarded to the three top scorers of each group.

Boys wishing to enter may register at Endres Motor Company up to noon Saturday. To sign up a boy must be accompanied by a parent or guardian. The competition is free and each entry receives a booklet on punt, pass and kick tips featuring stories with advice from Don Meredith, Mike Clark and other NFL stars.

The local contest is part of the nationwide PP&K competition sponsored by Ford dealers and the National Football League. Winners here become eligible for the next stage of competition, which advances from local to zone, district, area, division and national, with prizes for each advancement.

NEWS OF THE SICK

Willie Walterscheid has recovered from a tonsillectomy performed at Muenster Hospital last Friday.

At the Clyde Fisher home there are two with broken arms. Chuckie, 15, broke his left arm at the wrist, both bones, in the Hornet B-Nocona football game Friday night. The day before his sister Kathie, 8, broke both bones in her left wrist in a fall from a tree. Both were treated and the breaks put in casts at Muenster Hospital and dismissed. They started back to school Monday.

Recovering satisfactorily from surgery at Muenster Hospital during the weekend are Mark Hennigan infant son of Mr. and Mrs. Donald Hennigan, Wilfred Koelzer and Joe Vogel.

Clive Goble was dismissed from Wilson N. Jones Hospital Sunday and is making normal progress in recovering from eye surgery performed the preceding Tuesday.

Mrs. Joe H. Walterscheid who underwent back surgery at St. Joseph's Hospital in Fort Worth on Oct. 3 and is continuing convalescence at the home of her mother, Mrs. Henry Koelzer in Fort Worth, expects to be back at her home here this weekend.

Garden Club Meeting

Muenster Civic League and Garden Club will meet Monday evening at 8 o'clock with Mrs. H. H. Houthcens and co-hostess Mrs. Arnold Rohmer. The program will feature Mrs. Alice Hellman narrating pictures made on her worldwide travels.

SH Homecoming Changed to Nov. 8

Homecoming Day for Sacred Heart Alumni will be a week later than originally planned. An announcement this week revealed that the date is Saturday, November 8 instead of November 1.

Headline attraction for the event will be the football game with Cistercian Prep of Irving. It will be a conference game, both schools being members of the Texas Independent Schools Conference. Plans are shaping for the homecoming party after the game.

Score Board and Concession Stand Are New at SHHS

Fans who attend the Sacred Heart-Anna game Friday night will find two major improvements on the field. There's a score board, just installed, and a concession stand which was finished in time for the previous home game. Both facilities are provided by the Sacred Heart Alumni with Charles Bayer as committee chairman.

The score board was acquired through the courtesy of the school board and quarterback club of Archer City. It was replaced there by a new one. The board gives the usual game information: score, down and yards to go, quarter and time.

The concession stand is a 12 x 16 metal structure with concrete floor. Framework is pipe and the siding and roof are heavy gauge sheet iron. Furnishings include gas and water connections, popcorn popper, range, sink and heater.

Tigers Will Meet Coyotes of Anna Here Friday Night

Things are looking somewhat better for the Sacred Heart Tigers this week. Coach Tom Joy thinks his boys have a chance to win this time. At least he does not expect them to run into the kind of power they have played lately.

Anna's Coyotes have a 2-2 record to date. They won over Lindsay and Sadler-Southmayd, lost to Princeton and Collinsville. As appraised by Joy, they are smaller than Fort Worth Day School and not as speedy as Era. Besides they have a few injury problems.

The Tigers too are handicapped by injuries. Bartush, hurt at Era, expects to play but he's not in top condition. Knabe is still limping from a leg injury received early last week. All other Tigers are OK.

The game will be on Tiger field starting at 8 o'clock.

Tigers Walloped By Era Hornets

Sacred Heart's Tigers had nothing but trouble at Era last Friday night. They were annihilated through the air and on the ground by a count of 47-0.

Chief engineer of that defeat was Quarterback Jerry Ford who did a fine job of directing the Hornets and threw the passes that accounted for more than half of the team's yardage. Other factors were injuries to Bill Bartush and Henry Knabe.

The hosting Era team gave an idea of what was to be expected in the opening minutes of play. They forced the Tigers to kick on the first series of downs and then went 65 yards for a touchdown in eight plays. Billy Nash went over from the 5 and kicked an extra point.

Sacred Heart bounced back with spirit and gained 20 to midfield before fumbling the ball away. That started another Era effort which was to be delayed a few times before scoring the second TD. The first stop was when Paul Bayer pounced on a fumble but the Hornets had it back two plays later on a Tiger fumble. Two more plays went 17 yards to the 6 but the next four failed to crack the Tiger defense. The ball went over on the 2. Four plays later the Tigers kicked and Era made another start from midfield. Ten plays later Nash scored again.

Score number 3 came as soon as Era got possession a (Continued on page 10)

Adults Invited to Enroll for Basic Education Course

Superintendent L. B. Bruns of the Muenster School District has announced plans for forming an Adult Basic Education Class for qualified interested adults in this area on Monday, Oct. 13, 7:30 p.m. in the public school.

The class is being financed through the Texas Education Agency and all materials, supplies and teachers will be furnished free of charge to all students who are 18 years or older and have not received a high school diploma.

The class itself will provide all levels of learning from the beginning student through the study program for the G.E.D. High School Equivalency diploma.

Subject improvement areas will include reading, math (including modern math), English, spelling, vocabulary, writing, science and social studies. It can also provide other areas of concentration in which students have an interest for improvement. Students who have participated in the program in the past have found that it qualified them for better jobs and this is the basic goal for the program.

The organizational meeting Monday will determine when those enrolled prefer to meet.

A minimum number of 15 is required for each class which is organized on a first come, first served basis.

The Men In Service

Settled In Utah

Army Pvt. Richard Schoech and his wife are settled in Salt Lake City, Utah, where he is on a new assignment at the induction center. Mrs. Schoech completed work this summer for her masters degree in sociology at NTSU, Denton, while her husband was in basic training at Fort Bliss, El Paso.

Completes Army Basic

Since completing basic Army training at Fort Bliss, El Paso, Henry F. Yosten is at Fort Huachuca, Ariz., taking advanced individual training in mechanics. His new address: Pvt. Henry F. Yosten, 462-94-3706; 3 Co B, 3 Bn., 1st Bde.; Class 13-70; Fort Huachuca, Arizona 85613.

Five Day Leave

Pfc. Doug Martin arrived Tuesday from Fort Huachuca, Ariz., on a five-day leave en route to Fort Sam Houston, San Antonio for four weeks of school in medical supplies. He was one of the top five in his class at Fort Huachuca to be selected for the specialized training. Doug is the son of Mr. and Mrs. Lawrence Martin.

Home on Leave

Seaman Mark Voth is home on a two weeks leave with his family, the Joe Voths. Mark is in the Navy serving aboard the tanker, Caliente, now in port at Long Beach, Calif. The Caliente has been serving U.S. ships in Asian waters.

On R&R From Korea

Warrant Officer Tom Mosman arrived Friday, flying in from Korea on rest and recreation leave. He will have almost a month to spend with his wife and their baby son Michael and his parents, Mr. and Mrs. John Mosman. Tom has applied for an eight-month extension of time in Korea, which added to six months of regular time will give him 14 more months in Korea, and his wife and son will be permitted to join him there after he returns and arranges living quarters. He's a helicopter pilot. Other visitors Sunday in the John Mosman home and having dinner together were Jerry Mosman of Dallas, Mrs. John McDonnell and three children and Miss Carol Mosman, all of Denton. Only one missing was Army Lieut. Tim Mosman of Fort Hood who was on weekend duty.

Trash Haul Saturday

Juniors of Muenster Public School will conduct a trash haul Saturday, Oct. 11, from 8 a.m. to 5 p.m. as a class benefit. Persons with trash to haul are asked to call 759-4365 or 759-4415.

MHS Homecoming Set for October 31

Exes of Muenster High School have plans in motion for their annual homecoming, to be held Friday night, October 31. Details are under direction of Jimmy Jack Biffle, Butch Fisher and Mrs. Johnny Pagel.

The main event is a football clash of Muenster Hornets and Valley View Eagles, both regarded as conference title contenders at this stage in the season.

The game will be followed by a dance, 9:30 to 1, in the VFW Hall, and the public is invited to join in. Admission price is \$1.50 per person. Exes will gather at intermission for a short meeting and election of officers.

Hornets Favored In Saturday Game With S&S Rams

MHS Hornets should be able to coast through their next game, that is, according to the record to date. S&S Rams have been swamped by all opponents so far whereas the Hornets have a 1-1 standing against three strong opponents.

All Muenster players except John Monday are in good condition for the game. Nevertheless the reserve lineup will be rather short. The B team, playing Whitesboro Thursday night, will not be eligible for this one.

The game will be played Saturday night, to avoid conflict with Friday night's game of Anna at Sacred Heart. Kickoff time is 8 o'clock.

Hornets Tie 12-12 With Collinsville

Muenster High's Hornets ran into more competition than expected at Collinsville last Friday night. By the time they were finished with the Pirates they were lucky to settle for a 12-12 tie on the scoreboard. They were behind 12-10 in first downs and 261-209 in total yardage.

On the other hand it might be said that the Hornets were unlucky not to win. One of their touchdowns was called back and scratched because of an offside ruling.

Starting the game Muenster scored in a hurry after getting two breaks in a row. The kickoff went deep forcing Collinsville to start on its 8. A quick kick on third play was intended to get the Pirates out of trouble but it was short. MHS was in business on the 19. Third play was a pass from Jim Endres to Bobby Bruns for a touchdown.

Endres, the Hornet reserve quarterback, played all of the game replacing John Monday who was out with a shoulder injury from the preceding week. Monday is expected to be out of action for one more game.

After the Hornet TD the Pirates came back promptly with a first down and then the defensive play started. Terry Miller intercepted on the Pirates' second series. Three series in a row ended in kicks and Jim Endres recovered a Pirate fumble. Next, kicks were exchanged after each team failed to move.

That was followed by one of Muenster's better drives, as the second quarter opened. The Hornets advanced 52 yards in eleven plays to a first down on the 8, and lost a fat opportunity by fumbling on the next play.

Moments later the Pirates had to kick and Muenster was 36 yards away. A pass to Bruns from there went all the way but was nullified by an offside ruling. Collinsville's catchup came late in the first half. The drive started from its 14, included a pass for 17 and an end run by Vannoy for 35 yards to the 16. From there it was three plays to a first down on the 5 and three more plays until Vannoy went over from the 3.

St. Mary's School Festival

Members of St. Mary's Parish, Gainesville, are extending a general invitation to everyone to attend their School Festival Sunday Oct. 12 on the school grounds beginning at 12 noon. Barbecue sandwiches, coffee, cold drinks and games are on the program.

\$91,596 Budget Okayed by City

A budget of \$91,596 has been adopted by the Muenster City Council for its next fiscal year. That is divided into \$45,596 for the general fund and \$46,000 for the water and sewer fund.

The general fund figure, as estimated by council members at their regular meeting Monday night, includes anticipated expenses of \$17,060 for streets, \$10,442 for administration, \$6,300 for police, \$2,683 for the fire department, \$5,110 for park and swimming pool, \$2,000 for the library and \$1,900 for health and sanitation.

Those items are to be financed out of a general fund revenue which is expected to be \$44,173. Principal sources of that income were detailed as follows. The 45 per cent of ad valorem tax which is allocated to the general fund is expected to be \$11,440, and

County Convention Of Farm Bureau Dated October 20

Directors of the Cooke County Farm Bureau have set their annual convention date as October 20, at 7:00 p.m. in the Community Center Building in Gainesville.

Planned for the convention will be a roast beef supper to be followed by the business session of the convention. Resolutions submitted by the members will be discussed and voted on by the delegates of the convention.

There will be a report on the membership drive for the year which ends October 31. Cooke County Farm Bureau received a trophy at last year's state convention for having ten years of continuous gain in membership. All members are urged to turn in any new memberships, or renewals, obtained by the October 31 date.

Tickets for the convention supper may be obtained from Martin Krahl in the Valley View area; or from the County Farm Bureau Office in Gainesville. Tickets will also be available at the door the night of the convention.

Area Gets Timely 1.06 Inch Soaker

More timely moisture fell on the community this week. It was just right for grain fields that had been seeded after the three inch soaker two weeks ago, and also fine for grazing lands.

The total was 1.06 inch, measuring 20 Monday and .86 Tuesday on Steve Moster's Weather Bureau gauge. That figure is the month's total to date. 32.41 is the year's total to date.

Charolais Selling High

A Charolais cow and two calves from the Gary Hess herd sold for \$5,250 at an auction sale sponsored by the BlueBonnet Charolais Association at the State Fair last Sunday. The cow and baby calf pair brought \$3,500 and a 10 month old heifer calf brought \$1,750. Several top animals at the sale sold for more than \$30,000 each.

City Council Asks For Dog Control

Cooperation in dog control was requested by the city council at its Monday night meeting.

Mayor Earl Fisher said the city has had several complaints lately of people being bitten or molested by dogs, and it asks the public's help in stopping the trouble.

First suggestion is that dog owners make an honest effort to keep their dogs under control, especially vicious or cantankerous dogs. Next, people are asked to report and help capture trouble making strays.

Father Bede Mitchell was a dinner guest of Mr. and Mrs. Frank A. Wiese in Gainesville Wednesday. It was the first time in 55 years that the two men saw each other — since Mr. Wiese was a student at Subiaco Academy, Ark., 1908-1914.

sales tax is expected to produce \$24,000. Other larger revenue items are \$4,200 franchise tax, \$2,100 swim pool revenue, \$1,000 county assistance to fire department, and \$1,500 income from fines.

The water and sewer fund budget estimates expenses of \$33,150 in the water department and \$12,850 in the sewer department. Revenue from monthly water and sewer bills was estimated at \$46,000.

This fund finances the regular operation of water and sewer departments and also retires the debt on revenue bonds in both departments, presently amounting to \$115,000.

Another debt fund was not included in the budget. It is the debt retired by tax revenue, specifically the 55 per cent which is set aside as property taxes are received. Total debt in that department is \$50,000 for street bonds, \$19,000 for water bonds and \$45,000 for sewer department warrants.

The year's debt service in that department is approximately \$5,000 on interest and \$8,000 on principal. Revenue from the fund's 55 per cent share of property taxes is estimated at about \$14,000.

Mayor Earl Fisher commented that the city is in good financial condition and the actual city operation should be very nearly as estimated. Most items are based on actual experience of the past year's business.

KCs Will Observe Feast of Patron With Gala Event

Religious and social events are on the program for the Muenster KC council's annual observance of Columbus Day, the feast of its patron, Christopher Columbus.

The event will begin with a Mass at 7 p.m. in the K of C hall with the council's chaplain, Father Placidus as the celebrant. All members are especially urged to attend that, and bring their ladies, whether or not they expect to remain for the social activities.

Following that is an intermission for cocktails about 8 to 8:30 in the basement while the upstairs is being prepared for the buffet dance.

Decoration theme there will be ancient Rome, emphasizing an abundance of foods. Dishes planned are shrimp, chicken, deviled eggs, ham sandwiches, cocktail sausage, sweet and dill pickles, pineapple chunks, olive and cheese tidbits, cream cheese pinwheels, crackers, bread, dips, chips, coffee.

Dance music will be provided by Corky and the Del Rays. Dan Luke and Herbert Walterscheid are in charge of the planning.

Member Schools In 30-B Basketball Some as Last Year

Muenster High basketball teams will compete for their district record against the same teams that they met last year.

Coach Charles Cash revealed this week the district is identified again as 30-B and its membership includes Muenster, Era, Lindsay, Valley View, Alvord, Forestburg, Krum and Slidell.

Hood Club Readies For Turkey Dinner

Members of Hood Community Club are organized and working for their annual big benefit, a turkey supper on Saturday night, November 8, and are reminding everyone that all are welcome to join them.

Serving will be from 6 to 8 p.m., adults \$1.50, children 75 cents.

Bake Sale Saturday

Sophomores of Sacred Heart High will sponsor a bake sale Saturday, Oct. 11, with homemade breads, rolls and pastries available at Fisher's, Hofbauer's and Pagels stores.

Information on Voter Registration For 1970 Elections

The registration period: The period for registering to vote in the 1970 elections begins on October 1, 1969 and ends on January 31, 1970. The voting year: The 1970 voting year begins on March 1, 1970, and ends on

February 28, 1971. This is the period for which the registration is effective.

Necessity for registration: The general rule is that no one can vote without having registered. A former exemption from registration for persons over 60 years old who did not live in a city of 10,000 or more inhabitants is no longer in effect. The only ma-

for exception to the general requirement for registration is for persons who are absent from their county of residence in active military service.

Qualifications for voting:

The required qualifications for voting are:

1. Citizen of the United States.
2. Over 21 years old on the day of election.
3. Resident of the State for at least one year immediately preceding election day.
4. Resident of the county for at least six months immediately preceding election day -- required for voting in local elections but not required for voting on statewide offices and issues. (Residence in the city for six months is required for voting in city elections.)

Persons convicted of a felony who have not had their right of suffrage restored and persons who are under an adjudgment of mental incompetency cannot vote.

Who is eligible to register during the October 1 - January 31 period:

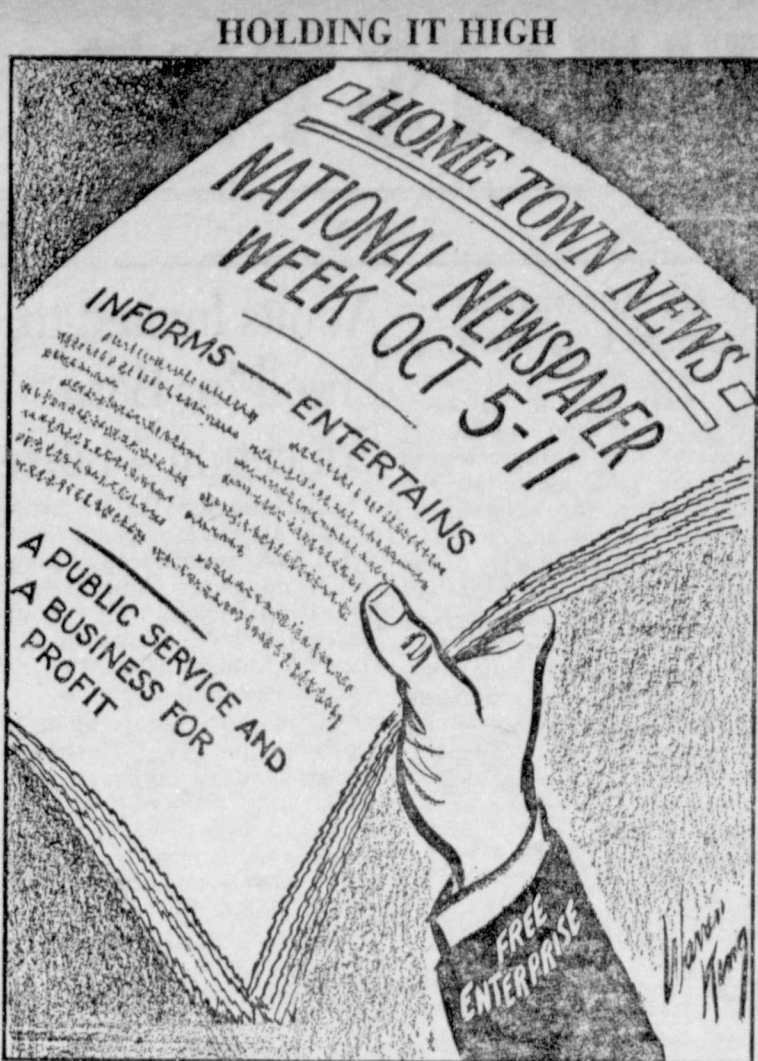

Any person who already fulfills the requirements stated above, or who will fulfill them before the end of the 1970 voting year on February 28, 1971, may register during the regular period. Persons registering before they meet the age or residence requirements cannot vote until the requirements are met. Their registration certificates will show the date on which they will become eligible to vote.

Who must register during the regular period:

All persons already meeting the requirements for voting listed above must register by January 31, 1970. They cannot register after that date.

Persons who will become 21 years old by January 31 must register by that date and cannot register later. (Persons becoming 21 after January 31 may register during the regular period, and may also register at any time afterward but must have been registered for 30 days before they can vote on the registration.)

Persons who were residents of Texas on October 1, 1969, must register by January 31, 1970, regardless of whether they will have met the one-year residence requirement by that date and regardless of whether they will have lived in the county of present residence for six months. (Persons moving into Texas after October 1, 1969, may register during the regular period, and may also register at any time afterward but must have been

registered for 30 days before they can vote on the registration.)

Where to register:

A person must register as a voter of the county and precinct where he has his permanent residence (domicile). He makes his application for registration to the county tax assessor-collector of that county. The application may be made either by mail, on a voter registration application form which can be obtained from the assessor-collector's office, or by personal appearance in the assessor-collector's office or before a deputy who has been authorized to serve at some other location. There is no charge for registration.

Application through an agent:

The husband, wife, father, mother, son, or daughter of a voter may act as the voter's agent in applying for registration if the relative is a

qualified voter in the same county. Except for these listed relatives, which do not include persons related by marriage (in-laws), no one may act as agent for the voter in applying for registration.

What Is an Average Man?

The average man is 69.1 inches tall and 161.9 pounds in weight.

In World War I the average adult male stood 67.7 inches tall and weighed 142 pounds.

During World War II he was 68.4 inches tall and weighed 155 pounds. Recent studies, according to the American Seating Company of Grand Rapids, Michigan, have shown that on the average sons are 1.3 inches taller and as much as 10 pounds heavier than their fathers at the same age.

WISDOM AND CHAMPAGNE BUBBLES

We recently came across an article by Bandleader Lawrence Welk in a newspaper called Christian Economics. The piece was entitled "Guaranteed Wage and Human Dignity" and presented the musician's views on the guaranteed annual income. This is the proposal that would dole out a fixed sum of money to every family in the United States whether they work or not.

Mr. Welk cited his own childhood as an example of poverty and how he learned the value and satisfaction of working for a living. He wrote: A human being is far too valuable to be paid off in money. A human being grows and prospers through the dignity of work." He further stated the alternative to the guaranteed annual income: "Rather than give a man money, simply because he exists... let us educate him to the glory that can be found in work... and then bend every effort towards helping him find and hold a job."

Unfortunately, space will not allow the reprinting of the piece at full length, but we would like to share a few paragraphs with you that we believe provide good reasons for opposing a guaranteed hand-out. Mr. Welk wrote: "To my way of thinking this is a negative approach which does not solve the basic problem. Instead of inspiring and helping a man fulfill his potential by working to support himself and his family, it actually encourages him to sit back and do nothing, secure in the knowledge that the government will take care of him. This destroys his initiative and his will to succeed. It robs him of his natural human dignity, and even the right to direct his own life."

"I am also concerned about the effect such a guaranteed wage plan would have on our children. A child raised in an atmosphere of defeat and apathy, and taught to expect that his every need will be taken care of whether he works or not, stands little chance of developing a strong character. His own natural eagerness to learn and to grow and to excel is cut off at the very be-

gining of his life, and he may never know the thrill of achievement on his own. A child who is encouraged early to earn extra pennies by shining shoes or selling newspapers or doing household tasks, stands a much better chance of achieving his goals than a child who is taught to do nothing." —US Press Assn.

POLITICALLY JUSTIFIED THEFT?

Michael Connor, a Wayne County assistant prosecutor, has set himself a precedent which is going to be hard to live with.

Connor refused to request warrants against nine adults who were arrested for taking groceries from a supermarket. The vehement supporters of the California grape boycott, went into the store, took groceries and walked out without paying. The groceries, said a spokesman for the group, were reparations for what farm workers term the breaking of the grape boycott by the Kroger Co. The nine were arrested on the sidewalk in front of the store by police who had been notified earlier. Police returned the groceries.

So much for the facts of the case. Now to the Connor precedent.

His reason for refusing to seek warrants, he said, was because "there was some doubt as to the intention to deprive the store permanently of the merchandise."

Since the primary intent of the robbers was to attract attention, Connor may well be right in saying he didn't know what the nine intended to do with the merchandise. But the fact remains they took the groceries and left the premises without paying.

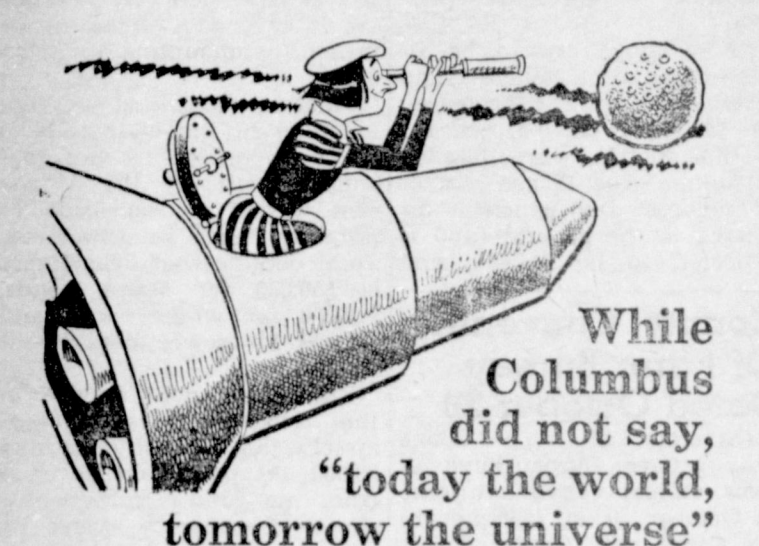

What they did was commit a theft.

The merits of the grape boycott have nothing to do with the case. The fact is nine adults willfully and feloniously stole from a store and the Wayne County Prosecutor's office says "forget it."

It is well known Detroit is a labor dominated city. Evidently Connor has political ambitions and used this perversion of law to obtain the good will of Detroit labor union leaders who are strong supporters of the grape industry boycott.

They're glad they modernized with Electric Heating

Let them tell you why

SHERMAN Mr. & Mrs. Joe A. Hunt and their daughter enjoy year-round electric heating and cooling and the advantages of other major and small electric appliances for an average monthly cost of \$27.52. Mr. Hunt says: "We are well pleased with electric heating."

Homeowners throughout TP&L territory have many reasons for switching to clean, quiet electric heating. When an old-fashioned system wears out or becomes troublesome, few people want to replace it with more of the same. Instead, they turn to the cleanest, quietest, most efficient and comfortable system available — electricity. Electric home heating systems can offer you warm floors, a snug, draft-free home, a constant temperature level throughout the house or individual room temperature controls! And it's surprisingly low in cost.

Marianne Yosten And Steve Fincher Say Nuptial Vows

Wedding vows of Miss Marianne Yosten, daughter of Mr. and Mrs. Larry Yosten of Muenster, and Steve Fincher of Gainesville, son of Mr. and Mrs. H. E. Guffee of Sadler were pledged in a double

ring ceremony during Nuptial Mass in St. Mary's Catholic Church at Gainesville on Friday, Oct. 3, at 7:30 p.m. The Rev. Robert Grant, pastor, officiated.

The bride, given in marriage by her father, wore a gown of white satin fashioned on empire lines with slightly scooped neckline edged with pearls, long sleeves, and chap-

el train. A lace and pearl crown held her waist-length veil and her flowers were white carnations.

Attending the couple were her brother-in-law and sister, Mr. and Mrs. Pat Klement. Mrs. Klement wore a yellow peau de soie dress with lace covering the empire bodice and a detachable panel. A matching bow was her headpiece and she carried a single long-stemmed carnation which she handed to the bride for presentation at the Blessed Virgin's altar after Mass.

Miss Janice Grewing of Muenster was at the organ and Jim Lawson of Gainesville was vocalist.

About 50 guests attended the wedding reception in the home of Mr. and Mrs. Pat Klement in Muenster.

The newlyweds will be at home in Gainesville. He is employed at Weber Aircraft and has completed a tour of Army duty with overseas service in Germany. He is a graduate of Gainesville High School and she is a graduate of Sacred Heart High.

Among wedding guests were Mrs. Bob Yosten and Mrs. Ruth Summers, grandmothers of the couple.

Miss Truebenbach Raymond Stewart Say Vows at Mass

Miss Laura Mae Truebenbach became the bride of Raymond A. Stewart III in a double ring ceremony at Nuptial Mass celebrated in Sacred Heart Church Saturday at 5 p.m. Father Andrew Wewer officiated.

Parents of the couple are Mr. and Mrs. Andrew Truebenbach and Mr. and Mrs. Tony Koesler.

Presented by her father, the bride wore a gown of white silk organza with empire bodice and circular chapel train enhanced with pearl- and sequined appliques. A petal headpiece held her bouffant veil and she carried an orchid and stephanotis. For something old, borrowed and blue she carried a rosary belonging to her paternal grandmother Mrs. Wenzil Truebenbach.

Miss Ann Stewart, sister of the bridegroom, was maid of honor and Mrs. Clifford Truebenbach and Mrs. Giles Truebenbach were bridesmaids. They wore floor length empire dresses of peacock blue velveteen and matching veiled headpieces and carried nosegays of pink roses.

Alfons Koesler Jr. was best man and Clifford and Giles Truebenbach, brothers of the bride, were groomsmen. Walter Bartel Roger Fleitman and John Yosten were ushers.

Sacred Heart Junior High girls' choir and Janice Grewing, organist, furnished Mass music. After the service they presented "Peace, Joy, and Happiness" when the newly married couple went to the Blessed Virgin's shrine where the bride placed a long-stemmed yellow rose on the altar

and the bridegroom lighted a taper.

Wedding reception and buffet dinner were held in the Parish Hall where Miss Donna Stoffels of Fort Worth and Miss Susie Yosten of Denton registered about 250 guests.

For her daughter's wedding Mrs. Truebenbach wore a gold knit suit with black and gold accessories. Mrs. Koesler, mother of the bridegroom, wore a yellow knit suit with black accessories. Both had corsages of bronze mums.

After a wedding dance in the VFW Hall the newlyweds left on a honeymoon trip. For traveling she wore an olive green ensemble with black accessories.

They will make their home in Muenster at 614 N. Oak. He is employed at Cooke County Electric Cooperative here and she is employed at Russell-Newman Mfg. Co. in Saint Jo. Both are graduates of Sacred Heart High School.

The rehearsal supper was hosted by Mr. and Mrs. Tony Koesler for 30 guests.

Choir Participates In Seventh Annual German Day Event

Thirty three Muenster people consisting mostly of Sacred Heart Choir members and their wives, will go to Dallas by chartered bus Saturday to participate in the seventh annual German Day in Texas. It will be held in the Marriott Motor Hotel starting at 6:30 p.m.

A related observance is German Day at the State Fair of Texas on Sunday, the 12th, which will also be attended by a number of Muenster people.

Both events commemorate the first settlement of Germans in America. That happened at Germantown, Pa., in 1683. Two hundred years later the German Day commemoration was held for the first time in Germantown.

Texas had its first German Day observance in 1889 and continued it until World War I. It was revived in 1963. Governor Smith's German Day proclamation this year states that it is intended to pay tribute to Germans of the state for their contributions in industry, culture, education, science and patriotism.

The main event is the Pion-

eer Ball Saturday night featuring a German supper, a concert and a dance with music by the Peppermint Polkas of Ennis. On the concert program are Sacred Heart Choir and Frohsinn Singers of Dallas in a joint appearance, a German Air Force choir training at Fort Bliss, Tex., and a combination of other German choirs.

The event at the Fair will center in the Frohsinn tent near the Grand Ave. entrance and will continue from 11 a.m. to closing time. Also on the program are selections by the Beethoven Band of San Antonio along with singing and folk dancing from 3:30 to 5 in front of the Hall of State. That program will end with a retreat ceremony and a salute to German music.

Senior 4-H Girls Organize for Year And Plan Activity

Sacred Heart Senior 4-H Club girl had Miss Dona Brewster, assistant county home demonstration agent, with them for their October meeting to organize for a new year and to discuss coming activity. Ann Bartush was welcomed as a new member.

Yvonne Gehrig reported on the county council meeting which included plans for a pecan pick-in as a money making project. One ton of pecans is the county's goal.

Miss Brewster announced that the annual Achievement Banquet is scheduled for Oct. 27 and that the combined Christmas party and Share-the-Fun contest will be held Dec. 1.

She showed colored slides of fall fashions for the program.

Before adjournment members separated the smaller 4-H girls into food groups which the senior girls will head as junior leaders.

Peggy Sicking led the pledge, Peggy Endres gave the inspiration, Dianne Sicking recalled the previous meeting with minutes and called roll. Mary Bayer is reporter.

Five Baby Girls Baptized in Joint Ceremony Sunday

Sacred Heart Church was the scene Sunday afternoon of the christening of five infant girls, with Father Bede Mitchell officiating at the 3 o'clock service. Godparents, parents and family members attended.

Baptized were Darla Jean Bindel, daughter of Mr. and Mrs. Harold Bindel; Danna Rae Hamric, daughter of Mr. and Mrs. Dan Hamric; Molly Dawn Koelzer, daughter of Mr. and Mrs. Earl Koelzer; Michelle Lynn Monday, daughter of Mr. and Mrs. Roy Monday; and Staci Diann Walterscheid, daughter of Mr. and Mrs. Carl Walterscheid.

Attending as godparents for Darla Jean Bindel were Mr. and Mrs. Arnold Wimmer; godparents for Danna Rae Hamric were her great uncle and aunt, Mr. and Mrs. John Wierler; Molly Dawn Koelzer's godparents were her brother and sister, Earl Koelzer Jr. and Mrs. Danny Yosten. Mr. and Mrs. Yosten came from Dallas for the christening.

Michelle Lynn Monday had as godparents an uncle and aunt, Alan Hess and Miss Joan Monday. She was baptized in a dress that's an heirloom in the Hess family as well as the Hundt family and is being worn now by a fourth generation. It was first worn by Michelle's great-grandmother, Mrs. Joseph Hundt.

Attending as Staci Diann Walterscheid's godparents were her cousins Miss Donna Kay Endres and Donald Schneider.

Flash cameras captured the scene for baby books.

Senior 4-H Boys See Film at Meet

Sacred Heart Senior 4-H boys, meeting for October had Waymon Moore, assistant county agent, as program leader presenting a film on Hereford cattle and the Flat Top Ranch.

Officers for the new term are Tommy Felderhoff, president; Ross Felderhoff, vice president; Tim Bindel, secretary.

Coming events announced included the Achievement Banquet on Oct. 27.

Mrs. Bruce Brown Seriously Injured In Car Accident

From Fort Rucker, Ala., has come word daily to relatives regarding the condition of Mrs. Bruce Brown, the former Margaret Ann Lawson. She was in a very serious car accident — a two car head-on collision — last Thursday, Oct. 2, and is in the base hospital at Fort Rucker where her soldier husband is stationed.

She sustained multiple fractures in the accident that threw her through the windshield — a broken jaw, collar bone, arm and leg, a punctured lung and other internal injuries and was in critical condition until Sunday when reports indicated she had passed the crisis, had regained consciousness, and is on a long, slow road to recovery, barring something unforeseen.

Her parents, Mr. and Mrs. Leo Lawson of Gainesville, left immediately flying to her bedside the night of the accident. He returned home Tuesday but Mrs. Lawson remained with her daughter.

The accident happened when Mrs. Brown and three other women school teachers were enroute to their homes. The three were not seriously injured and nothing was learned about injuries to occupants of the other car.

Margaret Ann is the granddaughter of Mrs. C. M. Walterscheid and Mrs. E. S. Lawson of Muenster. The Leo Lawson family is formerly of Muenster. She was married to Pfc. Brown on August 30 in Gainesville.

Bluebird Group Has First Meet

Bluebirds of Grade 3, Sacred Heart School, and their leader Mrs. Lloyd Trubenbach, had their first meeting of the school term Thursday after classes dismissed.

The group of 12 started last year as second graders and enrolled a new member, Alexa Jaska, this year.

A program for the year was discussed and first activity is collecting beads to decorate a doorway in their meeting room. The group sang before adjournment.

Local News BRIEFS

Mr. and Mrs. Bill Blythe and children Ann and Richard of Fort Worth spent the weekend with her parents the Al Trubenbachs and Mrs. Blythe and the children remained until Monday evening.

Mr. and Mrs. James Otto of Dallas visited during the weekend with her parents, the Norbert Klements, and joined his parents, and family, the John Ottos, for Sunday dinner.

Mr. and Mrs. Henry Luebbert of Fort Worth drove over Saturday to visit her mother, Mrs. Henry Stelzer at Muenster Hospital and took her to her home after she was dismissed. Before returning to Fort Worth the Luebberts visited her aunt, Mrs. Bill Stelzer.

Mrs. Rudy Hellman returned Tuesday from a six-week visit in Waukesha, Wis., with her daughter and family, the Richard Syversons. She was with the family while their youngest child, two and a half year old Tracy was hospitalized following surgery on her legs. She's back at home, out of the casts and is undergoing therapy.

Dividing a weekend visit with their families were Mr. and Mrs. Harvey Lamkin of Fort Worth, guests of Mrs. Ed Pels here and the W. M. Lamkins at Saint Jo.

Mr. and Mrs. Richard Zimmerer and sons of Grapevine visited his parents, the Raymond Zimmerers and her father, Bill Derichsweiler over the weekend.

Muenster visitors Saturday evening were Mr. and Mrs. Andrew Roewe of Pilot Point and their son Andy Roewe of Windthorst who visited them during the day and drove them over.

Sister Maureen of Sacred Heart School was in Dallas Sunday and Monday for attendance at a music workshop.

Juniors Win 54-30 In Scoring Spree At Callisburg

The Little Monsters of Muenster Elementary were the winners of a 54-30 scoring spree at Callisburg Tuesday night. Every one of the team's lineup, about 40 kids, got into the action. Three of Callisburg's touchdowns were scored against the reserves.

Tom Hennigan took scoring honors for the night with 22 points. He made touchdowns on runs of 4 yards, 8 yards and 40 yards and also went over twice for points after touchdown.

Joe Bright was slightly less productive but more sensational. He scored on reverse plays from 53 and 42 yards respectively and on a 50 yard run-back following interception.

Another TD was on a 25 yard gain by Steve Klement. Bonus point makers, besides Hennigan, were Steve Klement, Randy Wolf, Curtis Kle-

ment, Neil Huchton.

Terry Huchton sustained a broken arm.

This was the first win out of three tries for the Juniors. They will meet Callisburg again next Tuesday at 6:45 on the Hornet field.

BIRTHS

Proudly announcing a daughter are Mr. and Mrs. Jim Schwartz of Fort Worth. Now Mr. and Mrs. Henry Pick of Muenster have a granddaughter. She's a sister for Jimmy, Phil and Greg. The eight pound one ounce girl was born at Harris Hospital Monday, Oct. 6, 3 p.m. Mrs. Pick left Wednesday to visit her daughter and family until Sunday. The baby's paternal grandparents are Mr. and Mrs. John Schwartz of Grand Rapids, Minn.

It's a boy for Mr. and Mrs. Joe Galloway of Wichita Falls, formerly of Muenster. They became the proud parents of the eight pound 13 ounce lad Saturday, Oct. 4, when he was eight days old, and brought him to Muenster to see his grandparents, Mr. and Mrs. John Fisher. Now Jonann and Mary Ellen have a baby brother. The paternal grandmother, Mrs. Albert Galloway, lives in Hamlin.

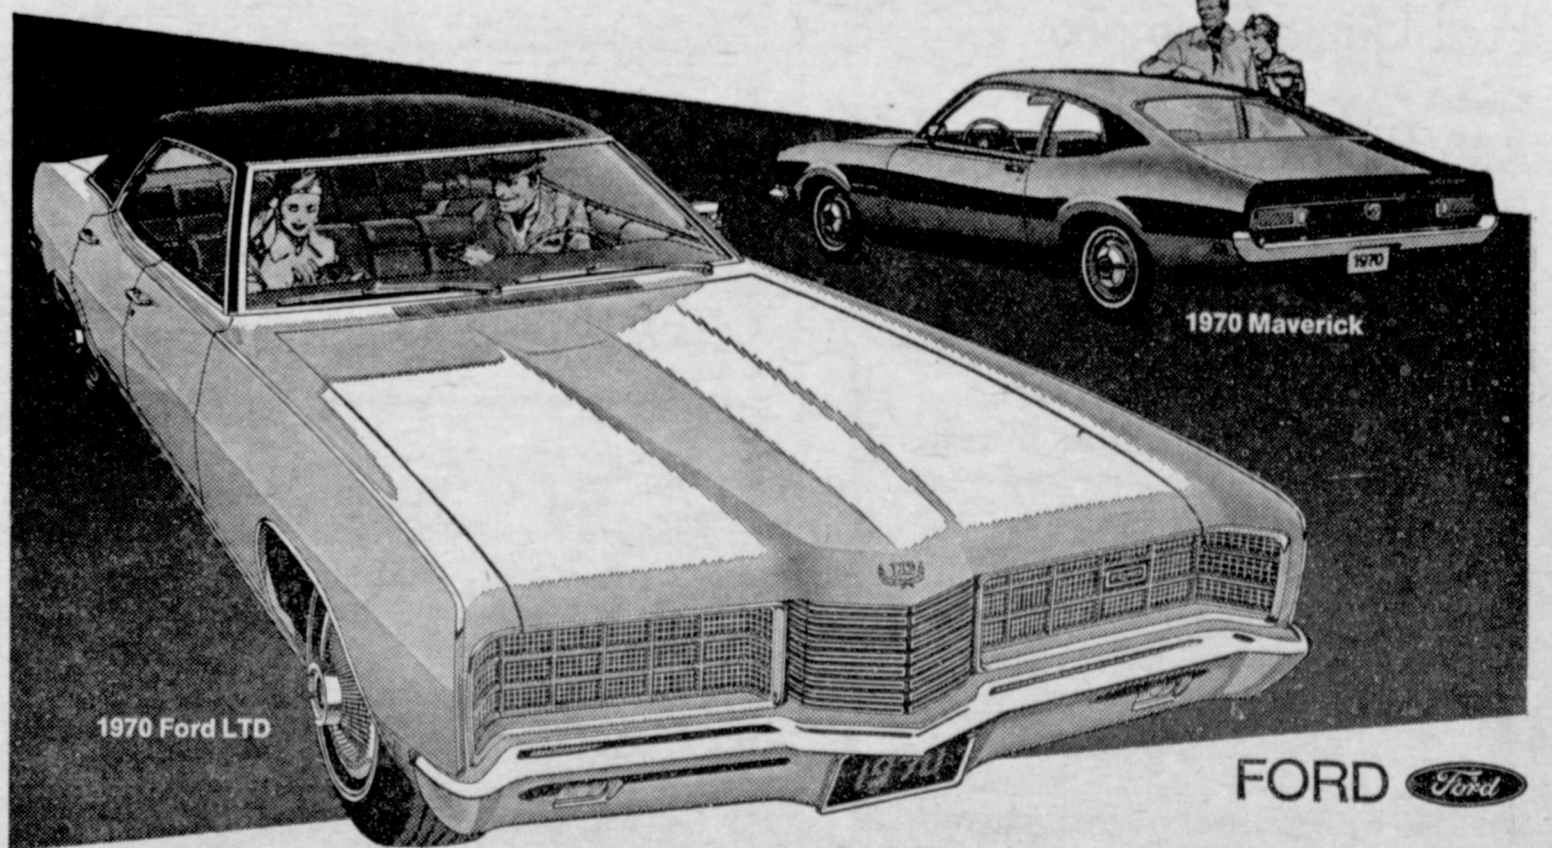

Proudly announcing a daughter are Mr. and Mrs. Alvin Fleitman of Gainesville. Welcoming a baby sister are Barry and Stephen. The little girl arrived at Gainesville Hospital Friday, Oct. 3, 4:05 a.m. weighing seven pounds 11 ounces. She's a granddaughter for Mr. and Mrs. John Fleitman of Muenster and Mr. and Mrs. Albert Dulock of Fort Worth.

Mr. and Mrs. Larry Sandmann of Lindsay proudly announce the birth of a son, their first child, at Gainesville Hospital Sunday, Oct. 5, 2:45 p.m. Weight seven pounds six and a half ounces. Happy grandparents for the first time are Mr. and Mrs. Martin Hacker of Valley View and Mr. and Mrs. Julius Sandmann of Lindsay. The great-grandparents are Mrs. Katie Zimmerer and Mr. and Mrs. Joe Prescher of Lindsay.

It's a fourth little girl for Mr. and Mrs. Edward Sandmann of Lindsay. Jacqueline Rose arrived at Gainesville Hospital Sept. 29, 5:55 p.m. weighing seven pounds 12 1/2 ounces. She's a sister for Susan, Brenda and Carol, a granddaughter for Mrs. Wm. J. Schmitz and Mr. and Mrs. William Sandmann. And there's a great-grandmother, Mrs. Joe Schmitz, all of Lindsay.

NOTES FROM THE LIBRARY

By Bettie Luke
 Muenster Public Library staffers are busy shelving new books. New volumes include an outstanding autobiography "No One Knows My History," the life of Joseph Smith, the great Mormon leader. An interesting biography is "The First Texas Ranger, Jack Hays," by Curtiss Bishop. It reveals how Texas Rangers kept law and order in the early days. The game of Shuffleboard which is always played on shipboard and is popular elsewhere is explained in "Secrets of Shuffleboard Strategy." "Come read with us," invited Mrs. Joe Luke, librarian.

Aubrey Tuggles Back from Tour Of Six Countries

Touring six foreign countries, flying 40,000 air miles, and including travel by car, bus and train, made an unforgettable 15 day vacation for Mr. and Mrs. Aubrey Tuggle and their daughter Miss Donna Tuggle.

The three visited England, Germany, Switzerland, Greece, Italy and France.

Among the many highlights of sight-seeing were London's Buckingham Palace, Westminster Abbey, Big Ben and House of Parliament in England, their first stop.

From there to Frankfurt, Germany and by bus tour to Heidelberg where Aubrey soldiered during World War II.

The Heidelberg Castle was an outstanding attraction and revived memories of Aubrey's war days. The area itself was hardly recognized due to building, restoring and modernizing. While there they visited by phone with Spec. 4 Larry Gobble, stationed at Bamberg. He was unable to join them because he was out on a field problem.

Next was a train tour to Zurich, Switzerland, where they found the scenery more beautiful than shown on picture post cards. They rode the cog rail cars to the top of 7000-foot Mt. Palatus — the steepest railway in the world. — and descended by cable lift.

Athens and Corinth provided ancient ruins of interest to tourists in Greece. In Italy it was Rome, with more sight-seeing than anywhere, touring the Vatican, attending Mass in St. Peter's and waiting in the Square, among thousands for the blessing of Pope Paul.

In France the highlight was Paris which the Tuggles found more Americanized than other countries they visited.

Throughout Europe small cars were prolific and Hobbies were everywhere, especially in London. Weather was perfect except cold in Paris, foreign food was good and language was no barrier. Most menus listed food in English along side the native language.

Mr. and Mrs. Tuggle began their trip with a car drive to Houston for an overnight visit with her brother Junior Bridges and family and returned there to start back home.

From Houston, going, they flew to San Francisco to join their daughter. On their overnight visit there Mr. Tuggle was a surprised honoree at a birthday dinner planned by his daughter at Rockaway Beach. The band played the happy birthday song for him and there was a decorated cake. Miss Tuggle is an employee of National Air Lines.

FHA Chapter Has Installation and Adds 20 Members

Members of Muenster High Future Homemakers of America at their meeting Monday night witnessed a candle lighting ceremony in which new officers were installed. Sandra Sloan, state degree holder, was installing officer.

Special guests were 24 candidates who were accepted for membership in the chapter.

During the business session committee chairmen were named and printed programs of the year's activities distributed to members.

This month's theme, to tie in with the national project is "Make Time Work for You." The program was a cake decorating demonstration conducted by Mrs. Charles Bayer and Mrs. Jerry Walterscheid. After adjournment the cake was served as refreshments to about 60 members and Mrs. Henry Weinzapfel, chapter adviser, Miss Juanell Turner, and Mrs. Charles Davidson.

Officers installed are Pam Stoffels, president; Karen Sicking, vice president; Elaine Otto, secretary; Janel Stoffels, treasurer; Gretchen Koessler, reporter; Donna Wimmer, parliamentarian; Joanie Wilde, historian; Cheryl Otto and Debbie Yosten, song leaders; Kristi Stormer, pianist.

Heading committees are Beverly Bruns, courtesy; Laurie Wimmer, refreshments; Sandra Sloan, degree.

Janet Klement and William D. Fisher To Marry Nov. 22

Mr. and Mrs. Anthony J. Klement have announced the approaching marriage of their daughter Janet Sue and William Dale Fisher, son of Mr. and Mrs. Paul Fisher.

The wedding is planned for Saturday, Nov. 22, in Sacred Heart Church, 5 p.m. The Rev. Harry Fisher of Fort Worth, uncle of the bridegroom, will officiate.

Sisters of the couple, Misses Alice and Joyce Klement and Linda Fisher will attend the bride. Herbie Fisher will be his brother's best man, another brother Donald Fisher and a cousin Francis Fisher will be groomsmen.

Mr. Fisher is an Army veteran with overseas service in Germany and Vietnam. He attended Subiaco Academy in Arkansas, St. John's in San Antonio and Cooke County Junior College. He is employed at Fisher's Market. Miss Klement is a graduate of Muenster High School and is employed at Jr. Elite Dress Manufacturing Co.

The manager of a large business house bought a number of those "Do It Now" signs and hung them up all over the place. They came down again abruptly after the cashier skipped out with \$20,000, the accountant eloped with the only efficient secretary, three clerks asked for a raise and the office boy joined the Navy.

Local News BRIEFS

In Muenster for the first time over the weekend visiting relatives of the Lutkenhaus family was 2nd Lieut. David Lutkenhaus who hails from Humphrey, Neb., and is presently stationed at Fort

Wolters, Mineral Wells. He divided time at the homes of Alex Lutkenhaus and Mrs. Al Felderhoff who together took him to see the rest of the relationship — get-acquainted visits — and also sight-seeing through the area.

A group of 20 Sacred Heart High students were in Dallas Saturday for an afternoon performance of MacBeth, Shakespeare's tragedy. Accompanying the young people were Sister Elizabeth, Mrs. Martin Kralicke, Mrs. Tom Joy and Mrs. Joe Felderhoff.

Sister Theresina was a surprised honoree Friday at a SHH pep rally in observance on her feast day and received a decorated cake from the students.

Visiting Muenster relatives Tuesday and Wednesday last week while the houseguest of Mrs. Joe Luke was her niece, Sister Emma Marie Herr of Bakersfield, Calif. She flew in after a visit in Hereford with her father Emil Herr. Local relatives gathered at Mrs. Luke's home to visit. Mrs. Luke and Mrs. Jerry Goodman and daughter Rhonda met her on arrival at Love Field and the Arthur Endreses saw her off from Dallas for return to California.

Weekending with Mr. and Mrs. George Jetzelsberger were their daughter Mrs. C. W. Harrington and daughters Vickie Lynn, Sandra and Elizabeth of Fort Worth. Saturday evening they all went to Valley View to attend a family gathering and buffet supper in the home of Mr. and Mrs. Leo Prescher and presented layette gifts to the hosts' daughter Donna, Mrs. Lendon Bauer. Sunday the Jetzelsbergers and their guests attended a family gathering and venison barbecue dinner at the home of Mr. and Mrs. Andy Hacker at Myra. Some 30 relatives attended and made a tour of the couple's new home. Kenneth Hacker of Fort Hood spent the weekend with his parents.

"YANKEE DOODLE DANDY," GEORGE MICHAEL COHAN, comes to life on the Dallas Music Hall stage for 20 performances, Oct. 3-19, during the State Fair of Texas in the great musical hit, "GEORGE M." Joel Grey impersonates that powerhouse of a man, who dominated Broadway with his songs ("Over There," "Give My Regards To Broadway," "I'm A Yankee Doodle Dandy," and "You're A Grand Old Flag"), his own singing and dancing talents, and his musical productions. It's a colorful and rousing recreation of this razzle-dazzle era of the American stage.

Auxiliary to VFW Adds 2 Members

Muenster VFW Auxiliary welcomed two new members, Mrs. Dave Walterscheid and Mrs. Pete Koelzer, at the October meeting Monday night.

Mrs. Clarence E. Hudspheth, president, presided for business and announced that framed pictures of six deceased local veterans have been erected in the post home, joining those of other departed veterans on display. The six added are pictures of Earl Hartz, Dick Case, Danny Wilson, Tom Sicking, Joe Endres and Dr. B. F. Hejduk. This is a joint project of the VFW Post and Auxiliary.

Honor roll requirement for the month, a contribution to the National VFW Home for Christmas cheer was carried out.

Mrs. Joe Hoinig and Mrs. Bill Haverkamp served refreshments after adjournment to 20 members and Mrs. Emil Rohmer won the door prize, a cake.

Miss Faye Black Shower Honoree

Miss Faye Black of Myra, bride-elect of Pfc. Doug Martin of Muenster, was honored at a miscellaneous gift shower Saturday in the Community Room of the First State Bank at Gainesville.

Mrs. David Black and Mrs. Lawrence Martin, mothers of the betrothed couple, assisted in receiving.

Mrs. Dean Shotwell and Mrs. W. C. Embry Sr. were hostesses and decorated with the chosen colors of white and blue. White stock and blue carnations were the floral complement on the lace covered table where Misses Pat Reid, Glenda Ramsey, Carolyn Mathews and Debbie Allen of Myra served refreshments. Miss Debbie Russell of Hood registered guests.

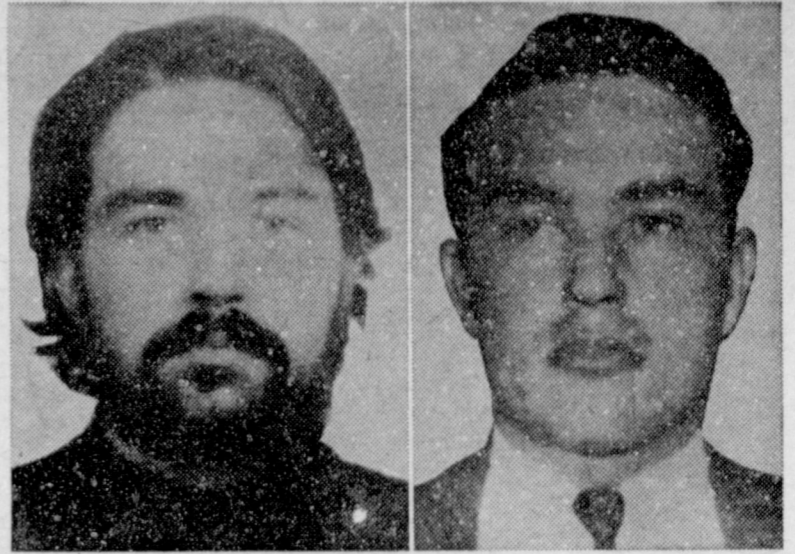

Misses Estelle Martin and Terry Black assisted the honoree in opening and displaying gifts.

WANTED BY THE FBI

CAMERON DAVID BISHOP

Cameron David Bishop, a violence-minded college revolutionary who is charged with the sabotage of war utilities in the dynamiting of Colorado power transmission towers, is on the FBI's list of "Ten Most Wanted Fugitives."

Between January 20 and 28, 1969, he allegedly was responsible for dynamiting four transmission line towers in Colorado supplying power to defense plants. Wreckage from one blast damaged property nearly a mile away and dozens of square miles near Golden, Colorado, were partially blacked out. A Federal warrant issued at Denver, Colorado, on February 14, 1969, charges Bishop with the destruction of war utilities.

Bishop, who is reputedly an active member of the Students for a Democratic Society, a loudly militant "New Left" group opposed to U.S. involvement in Vietnam and existing government policies, has reportedly voiced a desire to live in Cuba.

He is known to associates as a revolutionist or anarchist who believes in violence to secure social reforms and was given a discharge from the Army for unsuitability after being located, while a deserter, as a mental patient in a hospital. He reportedly has a violent temper, has reputedly bragged of using drugs, including LSD, and was convicted of assault and battery in Colorado in 1965. He has allegedly stated his willingness to kill a police officer and has reportedly possessed hand guns, including a .357 magnum, in addition to rifles and dynamite.

A white American, born at Pueblo, Colorado, on November 7, 1942, he is 5'8" to 5'9" tall, weighs 155 to 165 pounds, has brown eyes, dark brown hair, a stocky build and a medium complexion. He has worn a beard, long hair and long sideburns in the past. A tattoo of a skunk holding a mirror appears on his right forearm. He has worked as an assistant credit manager, auto parts manager, coffee house operator, laborer, mine worker and truck driver. Consider Bishop armed and extremely dangerous.

Should you receive any information concerning the whereabouts of Cameron David Bishop, you are requested to immediately notify the nearest office of the FBI, the telephone number of which may be found on the first page of local telephone directories.

The first section had to be restricted to local law enforcement officers. In future classes it is expected that persons not presently engaged in law enforcement work will be permitted to enroll.

The instructor for the class is Terry Hauck of the Dallas County Police Department. He has completed the requirements for an M. A. degree in sociology, with special emphasis on criminology, from Sam Houston State.

Classroom instruction deals with such things as public relations, courtesy and conduct, search and seizure procedures, traffic control and police force organization.

At present the following area law enforcement officers are enrolled in the course: J. P. Bailey, J. R. Barnett, J. R. Boone, R. L. Campbell, P. H. Dunnavent, M. Henderson, J. L. Johnson, J. P. Jones, W. E. Kerr, K. L. Partain, O. L. Rogers, M. Stacy, D. F. Westbrook, J. T. Westfall Jr., J. Wolf, B. J. Woods, K. M. Pitts, R. W. Kaylor, C. W. Williams, J. S. Aston, C. F. Rickert, L. G. DPS Recruits for Training Course Beginning Oct. 21

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, announced today that the DPS is actively recruiting men to train for the post of patrolman.

The State Legislature, in the recently passed appropriations bill, authorized the Department to increase the strength of the Highway Patrol from 1,222 to 1,259 men. Those selected to enter training will fill these vacancies plus others created by promotions to other DPS services.

Speir said the next training school will begin October 21 at the DPS Law Enforcement Academy in Austin. The course lasts 18 weeks, and includes some 800 hours of intensive classroom work and supervised study.

Student patrolmen live in the Academy and are paid \$525 monthly. Upon graduation, their pay increases to \$630 per month, with all uniforms and equipment furnished. Patrolmen also receive an allowance for meals and cleaning.

Prospective applicants must be between the ages of 20 and 35; must be high school graduates or equivalent; of good moral character; must be in excellent physical condition; and must have visual acuity no worse than 20/40, correctable to 20/20.

Speir said men interested should contact any DPS office or patrolman for an application. The completed applications should then be taken to the nearest regional, district, or sub-district DPS headquarters where the written examination will be given.

Applicants who qualify for further consideration will be given an agility test, and arrangements will be made for a physical examination. Those selected for the Academy will be notified prior to the date for classes to begin.

Landowners and operators thinking of terracing next year should check to see if they have the waterways needed for the safe disposal of this water.

These waterways should be located now, if necessary, and a good seedbed prepared. When the waterways are in a small grain field do not plant them to grain. By leaving them idle this fall they will be in excellent shape to soil next spring. Doing this will increase your chances of getting a good stand of grass and being able to terrace next year.

Fertilization, weed control and controlling competition also play an important part. Without the required follow-up or maintenance the time and money spent may all be lost, says Arlin Naegeli of the Soil Conservation Service at Muenster.

Waterways that were planted this spring and are not covered could be topdressed with 30 pounds of nitrogen now. This can make a big difference in the amount of grass you could have by frost. For assistance, contact your local Soil Conservation Service office.

CORRECTION

It was Miss Cheryl Reiter, not her sister Peggy Jo, who received a superior performance certificate and a special \$50 award for outstanding performance of duties as a summer office aid at Perrin AFB.

This SCS photo shows a typical flood prevention dam. More than 100 of these dams have been built in this area to prevent flooding. This dam will hold about 900 acre feet of water. The dams in Elm Fork are maintained in good operating condition by the county commissioners.

Reservoirs are Valuable

The economic benefits to the people of Cooke and Montague Counties from local flood prevention programs is enough to stagger the imagination, says Eual G. Davis of the Soil Conservation Service in Muenster. For example, the Clear Creek Watershed program is estimated to provide the people along its course with an annual benefit of about \$226,000. The Elm Fork Watershed program is estimated to give an annual benefit

of about \$120,000, and the Denton Creek Watershed program is expected to give an even greater benefit to the people in Montague and Wise Counties after its completion.

Most of the benefits to local people from these programs will be indirect. For example, loss of crops and livestock will be greatly reduced, fewer fences will be destroyed, and damage to roads and bridges from flood water will be almost eliminated. This means a big saving to local people as well as county commissioners and the money saved can be used in other ways to benefit local communities.

Through an agreement with local agriculture and watershed organizations, the coun-

ties of Cooke and Montague have to use some of the money saved by the watershed programs to maintain the flood prevention dams and assure their proper condition and function for years to come. For several years the county commissioners and the Clear Creek Watershed Authority have been spraying these dams for weed and brush control.

The Clear Creek Watershed Authority collects a maintenance tax which is used to maintain the dams in Clear Creek, Elm Fork and Denton Creeks do not have this tax so the county commissioners have agreed to do the maintenance work. Local commissioners who have been providing the maintenance work are Robert Bayer and Earl Taylor of Cooke County and Blake Freeman and Ed Cooksey, in Montague County. Davis feels that local people should encourage their commissioners to keep up the good work so that the benefits from these flood prevention dams and lakes can continue for many years.

Lindsay News

Mr. and Mrs. Edward Sandmann have named their new daughter Jacqueline Rose. She was baptized Saturday in St. Peter Church by Father Damian. Attending as godparents for Jackie were Raymond Sandmann and Miss Judy Schmitz of Dallas.

A birthday celebration honored Carol Bezner at the home of her parents, Mr. and Mrs. Rufus Bezner in observance of her 16th birthday. About 50 young people were guests for dancing to recordings and a buffet of pick-up foods. Carol's grandmother Mrs. Joe Wilde of Muenster baked and decorated a big birthday cake. Table centerpiece was an arrangement of red roses, a gift from the honoree's aunt and godmother, Mrs. James Bezner.

Mrs. Paul Arendt Sr. is back at home dismissed from Muenster Hospital after medical care.

Bobby Fuhrmann, Lindsay livestock farmer who cooperates with the Upper Elm-Red Soil & Water Conservation District, has planted about 20 acres of Austrian Winter Peas and 20 acres of vetch for winter cover, grazing and soil improvement. Fuhrmann has used vetch and Winter Peas in his rotation for a number of years and realizes a great deal of value out of these excellent crops.

Harold Nortman, whose land is located near Lindsay, is building a new pond to furnish a good livestock water supply for his Coastal Bermuda Grass pasture. Nortman does a good management job on his pasture and tries to keep the grass five to six inches high at all times. This new pond will be built with a bulldozer and he expects to receive cost-share assistance through the Cooke County A&S County Committee in this practice.

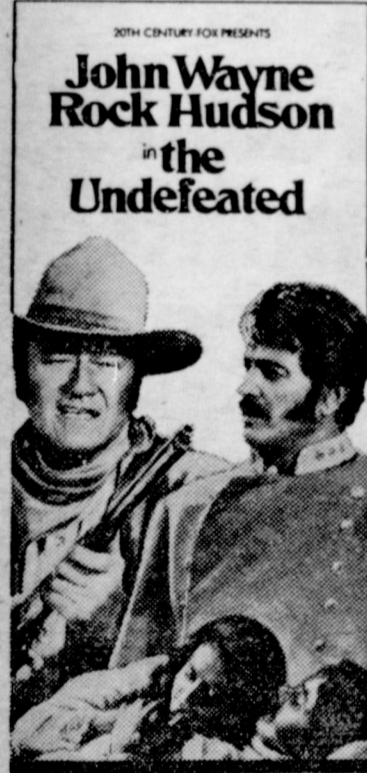

Lindsay Park was the scene Sunday of the benefit picnic-bazaar sponsored by the North Texas Chapter of Subiaco Alumni. Among those attending were Abbot Michael Lensing, Father Paul Hoedebeck and Father Ignatius Bodmayr all of Subiaco, Ark, and Father Cletus Post of Windthorst.

Mr. and Mrs. Richard Zimmerer and sons of Grapevine visited Saturday with his grandmother Mrs. Katie Zimmerer while they were week-ending with parents and other relatives in Muenster and at Hood.

the second half. After two first downs they kicked and Collinsville kicked four plays later. From 49 yards out they used five plays to score, the pay off being a heave to Bruns for 33.

The Pirates came back with authority and put together a 56 yard drive in 15 plays, overcoming a 15 yard penalty on the way. The touchdown was a 1 yard plunge by Randy Woody on the first play of the fourth quarter.

From there on it was a frantic struggle by both teams for the winning score with each defense being equal to the job. Pirates started with 36 yards of gains to the 34 before Endres stopped them with an interception. From then until the end each team got only one first down. Meanwhile each team lost possession twice on failure to make 10 yards and also broke even on two interceptions and two fumbles. Miller recovered for the Hornets and Bruns intercepted.

MHS Drops 18-14 B Game at Nocona

Muenster High Bees were overpowered 18-14 in their tussle with Nocona High's youngsters last Thursday night, and they had a casualty to boot. Chuck Fisher broke his arm.

It was an unusual game in which the Indians made 208 yards on rushing but nothing on passing. Actually two of their three attempts were intercepted.

On the other hand Muenster made 92 yards on 10 completions out of 17 passes while net yardage on the ground figured to only 5. Losses there almost equaled the gains.

Indians were first to score, going 77 yards in only four plays, including the 51 yard touchdown gallop.

Muenster came back with a drive that went 62 yards, mostly on passes from Glenn Felderhoff to John Schneider and Gerry Cash. Felderhoff sneaked from the 1 for the TD and passed to Cash for bonus points. The Bees led 8-6 at the half.

But Nocona lost no time in going ahead in the second half. After stopping Muenster it uncorked a 39 yard run to the 10 and scored three plays later on a sneak from the 1.

Directly after that they went 54 yards on 14 plays for their third TD.

Muenster's last score came after the Indians intercepted a long pass on the 4. Two plays later Allen Fleitman recovered a fumble and the Bees were only 5 yards away. Hank Trachta gained 3, a penalty lost 5 and a pass to Schneider was good for a TD.

Nocona led 11-7 in first downs and 208-97 in total gains but Muenster led 2-1 on interceptions and 3-0 in fumble recoveries.

Next action for the Bees is here Thursday night hosting Whitesboro.

Mrs. Joe Bengfort has been dismissed from Muenster Hospital after medical care.

Era FFA Teams Win Soil District Judging Contest

Era High FFA teams took the top honor at the grass judging contest held Tuesday at Cooke County Junior College.

The contest is an annual event sponsored by supervisors of the Upper Elm-Red Soil and Water Conservation District. It is open to FFA and 4-H teams from all schools of the area included in the district.

Entered this year were 15 teams made up of 58 members. Winners were determined for the first five places in both junior and senior divisions.

Four schools placed in both divisions: Era, Nocona, Prairie Valley and Muenster. Callisburg and Forestburg placed in one division each.

Team scores in the junior division are Callisburg 1233, Era, 1214, Nocona 1172, Prairie Valley 1150, Muenster 919. In the senior division the scores were Era 1398, Nocona 1370, Forestburg 1366, Prairie Valley 1235, Muenster 1040. The Prairie Valley team was made up of girls, the first girls team ever entered in the contest.

Individual high scorers were Harold Huddleston, Forestburg, 483; Mark Priddy, Nocona, 479; Jerry Ford, Era, 478; Gary Brewer, Forestburg, 469; Eddie Raney, Era, 467; Jim Kirchenbauer, Era, 458; Ike Stevens, Era, 453; Robert Winter, Prairie Valley, 452; Joe Kirby, Nocona, 450; Ricky Martin, Nocona, 441.

After the contest the district supervisors awarded trophies to the top three teams of each division and to the top three individual scorers. Supervisors also treated contestants and coaches to donuts and drinks.

Cubs to Play Era

The Tiger Cubs of Sacred Heart Elementary will try to make it three in a row next Tuesday night when they take on the Era grade schoolers on the Sacred Heart field. Kick-off time is 6:45.

gain. After Sacred Heart's kick ending the first series Ford connected with Mike Cook on a 30 yard touchdown pass.

Four minutes remained in the first half and three of them were enough for another score. After Tigers lost a fourth down gamble at mid-field, Era cranked up a drive that made 48 in 5 plays. A pass to Cook for 31 was the big gainer and Ford made the last 5 on a keeper play. A kick added 1 for the half time count of 26-0.

Third quarter opened with a bang as Nash returned the kickoff 75 yards for a TD and Kirchenbauer kicked an extra point.

A fumble on the Tiger 29 set up the sixth Era score. Three plays later Marty Bartlett went over from the 4.

After that one Era turned the job over to reserves who managed to get another TD and a safety before the quarter ended. W. C. Sikes went over from the 25 and Gary Endres was caught behind the goal a short time later as he was scrambling to pass.

In the final period the Tigers started by denying the Hornets another score and finally got the ball moving. They made three first downs in a row and lost yardage on the fourth series.

Era made 31 to the 19 on a pass but was a yard short on the next four plays. Sacred Heart took possession on it's 10 and put together its best drive of the night. Total gains were 82 and five first downs on fourteen plays, but they ran out of time on the 8.
