MUENSTER, COOKE COUNTY, TEXAS 76252 JULY 16, 1971

NUMBER 34

A subject that comes up with monotonous frequency nowadays is the expected diplomatic recognition of Red China by this country and its admission into the United Nations. It just seems to be taken for granted that both will happen even though there are so many reasons why principle and human decency and common sense tell us that they should not happen.

A Gallup poll report during the past weekend tells us that only 48 per cent of the country now approves of the way President Nixon is running the country. It is the poorest rating of all of the past five presidents at that stage of their terms. And doubtless it was caused partly by his fawning attitude toward the Reds at and since the ping pong incident.

This sort of stuff is baffling. Nixon alienated the affection of all the country's doves by a firm stand against Reds in Vietnam, then turned around and insulted his supporters by extending the hand of friendship toward Reds in China, who openly boast that they want nothing so much as our destruction. One wonders from all this whether, perhaps, he is trying to work out a way whereby a better relation with the Chinese can help us back out of the Vietnam mess.

If that's how it is, he deserves our sympathy. If the Vietnam situation is so desperate that he feels compelled to seek the help of scoundrels like the Chinese Reds, he must be in deep trouble.

Even so he ought to know that he's sticking out his neck, and ours, when he trusts people who have shown for twenty years that they can't be trusted. If Nixon has ideas of getting a better deal in Hanoi by going through Peking, he'd better figure strongly on possibilities of a double cross. When the showdown comes the odds are that the China Reds will pull the rug out from under us.

Assuming that Nixon is thinking of recognition and trade as a means of easing our Southeast Asia pressure, he still faces the hard fact that principle and practical considerations argue strongly against it. The Farm Bureau bulletin a few weeks ago enumerated some of the reasons why we should not trade with Peking.

The very first reason is that trade, once it is established, will be employed as a means toward their principal goal, which is to destroy capitalism everywhere — especially in this country. Once we make a deal with them we'll have to be constantly on guard against treachery. The situation will be like that of a lawman escorting a criminal. The moment he relaxes his alertness he's in trouble. Well, it just doesn't make sense to take on that kind of trade.

Another consideration is the increase of Chinese personnel over here following establishment of trade and diplomacy. As our sworn enemies the Reds can be expected to infiltrate spies and subversives, of which we already have lots more than we want. J. Edgar Hoover of the FBI says that Red China is already involved in the revolutionary movement over here.

Another good reason not to deal with the Reds is in retaliation for its illicit trade of narcotics to this country. The heroin trade isn't just a matter of profit to them. It's also a means of weakening our nation through addiction of our people. China smuggles the stuff to us and to our soldiers in Vietnam, but reveals its own attitude toward it by imposing the death penalty on convicted pushers over there.

Red China does not qualify for recognition by us or the UN because it is an international outlaw, officially branded as an aggressor by the UN and the murderer of some 50 million people in China itself and more millions in Tibet. The UN was established to preserve world peace and protect human rights, both of which purposes have been savagely violated by the Chinese Reds. No nation can deal with them and still make a claim of respecting the principles of civilization.

To a certain extent we already are victims of Red Chinese savagery. About 450 US prisoners from the Korean war are known to have been taken by the Chinese, and still are not released after twenty years. That one outrage is sufficient (Continued on Page 8)

Carl Bayer Will Receive Degree of Lone Star Farmer

Carl Bayer of the Muenster FFA Chapter will receive the Lone Star Farmer degree Thursday night at the annual convention of the Future Farmers of America, which is being held in Houston Wednesday, Thursday and Friday. He is a son of Mr. and Mrs. Robert Bayer and a senior at Muenster High School.

The title he will receive is the highest awarded by FFA on the state level. Qualities and achievements required for it are leadership ability, academic excellence and an outstanding supervised farming program.

Carl went to the convention with Edgar Dyer, chapter adviser and ag teacher, and Jim Endres and Lyle Klement, voting delegates who will represent the chapter at convention business and election of the state officers and the state sweetheart.

Some headlines on the program are Reagan Brown of the A & M Extension Service, Donald McDowell, director of the national FFA Foundation, Jim Beard, vice president of the FFA Southern Region, and John McCulley, national secretary of the FFA.

Bowie JCs Invite Muenster Boys to Baseball Tourney

Muenster Jaycees have been invited to sponsor teams in a boys little league baseball tournament in Bowie, and they are waiting now for kids to speak up if they want to enter.

William Fisher, chairman, said he has to give his answer next Monday morning, and he has to hear from the kids before then if they want to compete. He suggests that players of the local baseball program tell their managers if they want to play and the managers get in contact with him.

The tournament dates are July 26 through 31. Competition will be held in three age groups: 9 and 10, 11 and 12, and 13 through 15.

Baseball Winners To Meet All Stars Of Other Teams

The rest of the teams are going to gang up on the two champions for the final action in the local baseball leagues Friday night. In each division the season's winner will face an all-star array selected from the three other teams.

And after that the all stars of each division will clash with the stars of the two girls divisions. In those two games the boys will be under handicap. They have to play by girls rules.

Friday night's program will start with the junior game, Grewing facing the all stars. Selected for the stars are Nick and Neil Walterscheid, David Felderhoff and Joe Hoedebeck of Tuggle; Mike Richardson, Roger Haverkamp, Floyd Felderhoff and Danny Walterscheid of Wilde; Lenzy Dyer, Kim Walterscheid, Gary Walterscheid and Bert Walterscheid of the Bank.

Senior division boys selected to play the Mill are Terry Huchton, Chris Sicking, Mike Davidson and Glenn Henschel of the Co-op; Neil Huchton, Pat Endres, Don Sicking and Kenny Hess of Endres; Randy Wolf, Terry Hess, Curtis Klement and Roger Endres of the Center.

Grewing and Mill players will join the other all stars in the games with the girls. Selections for Grewing are Robert Hartman, Tim Wolf, Chris Stoffels and Gary Rohmer. For the Mill they are Terry Walterscheid, Robert Johnson, Joe Walterscheid and Robert Endres.

Auxiliary to VFW Sets July 27 for Benefit Auction

Muenster VFW Auxiliary, at the July meeting Monday night, made plans for a benefit auction sale they will sponsor July 27 beginning at 8:30 p.m. at the VFW Post Home.

Mrs. Don Flusche, president, presided. Mrs. Quintin Hess accepted chairmanship of the auction and Mrs. Wilfred Bindel was appointed publicity chairman. Anyone wishing to donate to the auction may call Mrs. Hess, 4487, for pick up, or may leave items at the VFW hall Monday and Tuesday, July 26-27. Baked goods are welcomed for delivery the night of the sale.

In other business Mrs. Flusche asked members to list community service they do and turn it in to Mrs. Leo Hesse, community service chairman. District I Commander Herbie Herr was a brief visitor during the meeting and reminded members to attend the next district meeting at Greenville July 31-Aug. 1.

Mrs. Flusche reported on the District I officers' meeting held here July 11. Mrs. Andy Phillips gave the treasurers report and Mrs. Bindel won the door prize.

After adjournment 24 members joined VFW Post members in a fried chicken supper.

The more truthful a man is himself, the more ready he is to believe others.

Final Rite Here For Charles Knauf Former Resident

Funeral services will be held here Friday at 9 a.m. in Sacred Heart Church for Charles Knauf, 71, of Colorado City, formerly of Muenster, who died Tuesday night in a Big Spring hospital where he had been a patient since July 1.

A wake service is scheduled for Thursday at 8 p.m. in the Nick Miller Chapel.

Charles Knauf was born in Muenster on Aug. 31, 1899. He married Miss Rose Reiter on Nov. 10, 1920. They celebrated their golden wedding last November at Bandera where the couple spent most of their married lives. He retired from the picture show business in April this year and moved to Colorado City.

On July 1 he sustained a broken hip and internal injuries in a fall while carrying a cooling unit at his home. Complications followed surgery.

He is survived by his wife; three sons, William of Phoenix, Ariz., James of Artesia, N.M., and Louis of Dell City, Okla. Two brothers, Ed and Joe Knauf of Muenster; three sisters, Mrs. Tony Walterscheid and Mrs. Herman Swirczynski of Muenster and Sister Agatha Knauf of Jonesboro, Ark., and nine grandchildren.

Girls' Softball

The regular season of girls softball ended Tuesday night in a pair of all star games in which selections from other teams took on the season winners. In the senior loop the Chickaboos trimmed the Scalawags and Nifty Nokers 15-5, whereas in the junior division the champ Stingers were licked 21-11 by the Rebels, Hustlers and Skag Hags.

More is coming, however, at least as far as the big girls are concerned. Next Tuesday night selections from their three teams will take on the all stars of the boys senior baseball teams. And the expected boys' advantage will be offset by the fact that girls rules will apply.

Chickaboos also have hopes of a game with Muenster Mill, senior boys champs. They have issued the challenge, expect to name a date for the game in a few days. If booked, the game will go by girls rules.

Final standings of the regular season for the two divisions are as follows.

JUNIOR STANDINGS		
Stingers	4	1
Hustlers	3	2
Skag Hags	3	2
Rebels	0	5
SENIOR STANDINGS		
Chickaboos	8	0

Roy Swirczynski telephoned for a long distance visit Monday from Bahrain, Arabia, to exchange news with his wife and children. For friends who have asked, his address is Roy F. Swirczynski, Rig 67, Santa Fe Drilling Co., (UK) Ltd., P. O. Box 591, Abu Dhabi, Arabian Gulf.

JCs Want All to Remember Fish Fry

Jaycees this week are asking the community to remember the fish fry, which is scheduled for Saturday night, July 31 in the city park.

Starting time is 7 o'clock and the plans include special arrangements for people who want to attend the 8 p.m. Saturday mass before coming. If serving is finished before their arrival it will be started again for them.

The event will be different this time in that Jaycees and their friends will put on the whole show. They do not have the help of a catering service.

The Men In Service

Mr. and Mrs. George Bayer were at Fort Benning, Ga., Friday, July 9, to see their son Clarence Bayer in graduation exercises from Officers Candidate School and being commissioned a second lieutenant. Accompanying them was his fiancée, Miss Frieda Forcht of Arlington. Clarence accompanied them back. He and Miss Forcht will be married Saturday, July 17. After their wedding trip they will live in Augusta, Ga. His new assignment will be at Fort Gordon with the signal corps.

At Son's Graduation

John Henry Streng, petty officer third class, U.S. Navy, telephoned his parents the Johnny Strengs from Hawaii Sunday when he reached there from Vietnam. He told them he is on the way home and will be separated from the service before he arrives. He served aboard the Kittyhawk, an aircraft carrier.

Weekend Visitor

Pvt. Doug Stoffels had his first weekend pass to visit at home during the July 4 holidays. He is the son of Mrs. Meinrad Stoffels and is in training at Fort Polk, La.

New Well Just in Time For Rising Water Use

Water consumption continues to soar in Muenster and the city's new water well was put into service just in time to avoid a shortage.

Joe Moster, water superintendent, said Wednesday that the total for the nine days following July 4 has been 5,294 million gallons, which figures to an average of 588,000 gallons for the nine days. That figure is barely under the previous peak consumption of 591,000 on August 1 last year, which was topped by a 663,000 reading last week Tuesday. Since the new record the city reached its second high of 636,000 on the 9th, 616,000 on the

12th and 598,000 on the 7th. The only reading below a half million was 462,000 on Sunday the 11th.

Completion of the city's No. 4 water well came just in time to meet the sharply increased demand. Moster said that the combined output of the three old wells is 547,000 gallons a day, which is considerably short of the volume now being used. However water from the new well, pumped into the mains through a fire hose, boosted the production to 734,000 gallons a day, a wide margin over the present peak as well as the current high average. At this time the city has no water problems — unless one of the wells fails while consumption is still high. Even then only moderate rationing would be needed to keep the lines from going dry.

Unless rain comes soon the city can expect its highest water revenue ever for the month of July. Total volume used through the 13th was 6,799 million gallons, which is by far the largest for any thirteen day period.

Six from County Go to District 4-H Horse Show

Six Cooke County 4-H members, four of them from Muenster clubs, will compete in the District IV 4-H Horse Show at the Rex Cauble Ranch north of Denton, Saturday, July 17.

They are Lenora Fleitman, Allen Fleitman, Gayle Sicking and Mary Lou Fleitman, and Mike and Janet Graves.

The six were high point individuals at the county 4-H Horse Show. Lenora Fleitman was also the county showmanship winner.

Some 200 4-H members from 19 counties will participate in the district show and winners earn the right to go to the state show in Fort Worth July 29-31.

Activity starts at the Cauble Ranch at 10 a.m. and all who are interested are welcome to attend.

If you spend all your time collecting money for fear of poverty, you are practicing poverty already.

Father Placidus Is Guest Speaker At CDA Meeting

Father Placidus Eckart was guest speaker at the July meeting of the Muenster CDA court Thursday night. He told the assemblage "Get familiar with the Gospels in order to remain stable in our faith," then elaborated on that theme.

During the business session Mrs. Tony Hess, regent, presided and presented a past regent's pin to Mrs. Ed Schmitt.

Members voted a ten dollar donation to the Anna Baxter Memorial Fund to which all courts are contributing in memory of the former supreme regent.

Members were again reminded of the Regional Institute to be held in Dallas Sept. 11 and 12, and to continue saving Betty Crocker coupons which will go toward the purchase of a kidney machine.

The benevolent committee reported having served two dinners on funeral days.

Refreshments were served after adjournment and Mrs. Harold Knabe won the door prize.

Boys' Baseball

In the senior division the final games were played just to finish the schedule. Team standings were decided a week ago when Muenster Mill took a crucial one from The Center, and they remained the same after Monday night when Center bumped Endres 13-6 Mill trampled Co-op 20-6.

A special season finale for the loop is booked for Friday night when the champ, Muenster Mill, will play a team selected from the other three. And if the Mill still wants more action it can accept a challenge thrown at them for a girls' rules game with the Chickaboos, senior girls champs. In addition an all star team of senior boys will play all stars of the senior girls next Tuesday night.

GREWING CHAMPS

By a slim margin of 8-7 Grewing's team took the championship in the final game of the junior baseball loop Wednesday. Going into the contest they led by a game and a win by Tuggle would have resulted in a tie for the title with a record of 8-2 each. As it turned out Grewing has undisputed claim to the top position.

Good first and second innings did it for the winners. That gave them a lead of 5-1 after which Tuggle outscored them 6-3. But that wasn't quite enough and Grewing nosed out for the important win in the season's most tense game.

The second game was another in a long string of disasters for Wilde. The Bank won it 17-14.

Final standings were as follows:

JUNIOR STANDING		
Grewing	8	1
Tuggle	6	3

Calves Gained 2.02 Pounds a Day on Renner Pasture System Local Project

Beef calves gained 2.02 pounds a day this spring at the Al Felderhoff farm at Muenster on one of several improved grasses being grown as a part of a year-round grazing system supervised by the Texas Research Foundation.

Forty-one calves grazing 20 acres of Ermelo lovegrass produced 248 pounds of beef per acre in 59 days grazing at the Felderhoff place. The total did not include the grazing cows. Cows and calves being used to evaluate grasses in the Renner Pasture System were weighed off the Ermelo on June 29, some 59 days after grazing had begun on May 1.

The Felderhoff farm is site of the project which includes Coastal and Midland Bermuda, Ermelo lovegrass and DeSoto grass in a 12-month plan developed and being applied to the local farm by technicians of Texas Research Foundation at Renner.

"The idea is to illustrate on a farm-size basis the concept of multi-forages for year-round pasture and hay production," said George Sultemeier, Renner agronomist who is working with Felderhoff. The beef man has today a greater number of adapted, high-producing grasses than ever before, he reminded.

The Muenster project consists of 20 acres of Ermelo lovegrass, 20 acres of DeSoto and 70 acres of bermuda grasses. Livestock were weighed and removed to Coastal Bermuda grass. Later in the summer they'll be shifted to DeSoto, a perennial summer forage sorghum.

The Ermelo was fertilized on Feb. 24 with 104 pounds of nitrogen at a cost of \$10.40 an acre. A complete plant food will be applied this fall.

The large-scale demonstra-

tion is being sponsored for six years, 1967-1972, by a group of Cooke County firms and individuals for the educational benefit of livestock raisers, and for the advancement of the beef cattle economy of the region.

Sultemeier listed among the newer species for pasture planting in North Texas as the new Renner lovegrass variety to be released in the spring of 1972, Kleingrass Selection 75, Kenwell Tall Fescue on creek and river bottom sites, and Pangburn Switchgrass. Use of all these grasses is on the increase in the Upper Elm-Red Conservation District.

The beef calves will be weighed as they are moved to the various pastures during 1971, Sultemeier said. The gain of 2.02 pounds daily is most acceptable for the calves, particularly considering the rate of two units to the acre, he indicated. Sultemeier complimented Mr. Felderhoff for his continuing aid and interest in applying the grassland system to his farm.

David L. Yosten On A Honor Roll

David Leonard Yosten, son of Mr. and Mrs. Leonard Yosten, was one of 118 students who qualified for the President's List at Southwestern State College, Weatherford, Oklahoma.

Eligibility for the top honor roll requires a perfect straight-A grade and enrollment in a minimum of 15 semester hours. David is a senior majoring in pharmacy. He will graduate in May 1972.

Muenster Hospital Will Join in CCJC Nursing Program

Muenster Memorial Hospital and Gainesville Memorial Hospital will cooperate in the registered nursing program which will begin in July 1972 at Cooke County Junior College.

In an earlier announcement by CCJC, Flow Memorial Hospital was mentioned as participating in the program. A revised statement this week names the Muenster and Gainesville hospitals as also participating, pending approval by the Board of Nurse Examiners.

Janie Knauf on St. Ed's Dean List

A report on honor students for the spring semester at St. Edward's University includes Janie Knauf on the dean's list. She is a daughter of Mr. and Mrs. Ed Knauf and graduated at St. Ed's in May.

To qualify for the dean's list a student must have a grade point average of at least 3.2, based on a four-point system, for no less than 12 semester hours.

6 Month Rain Measure Is 7.43 Dryest on Community's Record

There can be no doubt about it, the current drought is Muenster's worst since moisture records were started in 1946, and it is probably the very driest since the community was founded in 1889.

According to Steve Moster's US Weather Bureau records the rainfall total for the first six months was 7.43 inches. Readings were .41 in January, .97 in February, .36 in March, 1.45 in April, 3.25 in May and .99 in June. July has had .08 so far, so the year's total through the first half of July is 7.51.

Prior to this the dryest was in 1956, when the total through

June was 9.63 inches.

The present reading is just slightly more than one third of the average rainfall through June for the past five years. 16.33 in '70, 22.81 in '69, 27.55 in '68, 15.74 in '67 and 23.18 in '66. That made an average of 21.12 up to July 1 for the five years.

Likewise the record for the last three months of 1970 was exceptionally dry — though not a record breaker. The dryest recorded for those three months was .14 in 1950. Also 1955 had .55, and 1948 had 1.96 — and 1970 was next with 2.65. Hence the total for 9 months,

was 10.08 inches, also setting an all time local record for dryness for nine months. That is less than a third of a normal year's rainfall, which averaged 34.72 for the past ten years.

At the present rate an all time record for dryness in a twelve months period seems to be shaping up. The dryest year so far was 1956 with 19.06 inches. Unless the community receives 8.98 or more in the coming three months this will be the dryest 12 months period. And unless it receives 11.63 or more for the rest of 1971 this will be the dryest calendar year.

A Youth Leader Speaks Out

A senior at St. John's University in New York has come up with a refreshing comment on the "People's Peace Treaty" emanating out of North Vietnam. Every spring, said Dock-sai, the left seeks a new issue to serve as a base for demonstrations and radicalization of

American students. This year the issue was the People's Peace Treaty!

The treaty, explained Dock-sai, calls on America to withdraw its troops immediately and to "end the imposition of Thieu-Ky-Khiem on the people of South Vietnam." In exchange, the Communists promise to "enter discussions" regarding the release of our POW's, to guarantee the safety of our withdrawing troops, and to talk about the safety of those who have "collaborated" with the U.S. or the Saigon government. "Plainly," he said, "pledges to 'enter discussions' mean nothing. The discussions

in Paris have been going on since 1968. The U.S., by contrast, is to pledge itself to very specific actions by the treaty."

The Young Americans for Freedom, largest conservative youth organization in the country, is especially concerned about the safety of those who have "collaborated" in the defense of South Vietnam, said the youthful leader. Such Vietnamese in the various forces of the South, combined with their families, constitute nearly half the population.

"You can only look with scorn and sorrow," said Dock-sai, "on those who support a treaty to depose the duly elected government of South Vietnam and to replace it with the one-party dictatorship in the North." The government there is so repressive, he pointed out, "that it recently sentenced the leader of a pop music group to 15 years in jail for his group's 'melancholy, heart-rendering' beat." Yet the leftists in our country, he continued, "have no qualms about cooperating with that government, while denouncing those in the U.S. and South Vietnam as 'repressive.'"

Pledges made by North Vietnam are meaningless, said Dock-sai, when the past record of the Communists is considered. "The Communists have violated all 15 of the cease-fires they've agreed to," he continued. "They have also violated both Geneva agreements since the days they were made. The provisions of the 'People's Treaty' neglects to call for North Vietnamese withdrawal from Laos, Cambodia or South Vietnam. The 'People's Treaty' is in essence a surrender document that would mean complete totalitarian domination of Indochina," Dock-sai said. He urged individuals wanting more information on the treaty to write to Young Americans for Freedom, 1221 Massachusetts Ave. N.W., Washington, D.C. 20005.

It is encouraging to see such thoughtful and well-informed young leaders as Ron Dock-sai coming along. It is reassuring to know that the future of our country will be in such hands.

A Handout, Maybe

According to an Associated Press dispatch, "There's a fiscal and political time-bomb . . ." in the social security-welfare bill now before Congress. It provides for "An explosive 86 percent increase in the payroll tax over the next six years." The AP dispatch reports that the maximum social security tax being withheld from the pay of any employee this year is \$405.60. If the pending proposal becomes law, by 1977, the maximum would be \$754.80, and in all probability, more. The employer pays a matching tax. The dispatch says that, "For some low and moderate-income families the payroll tax by 1977 could be a burden comparable to, or even greater than, the income tax." There is little question but what a young person just entering the work force will contribute much of his life's effort to merely supporting a monstrous welfare bureaucracy. Unlike private savings, which can be invested for the benefit of himself and his family, the young person of today can expect to pay tens of thousands of dollars to government in the name of "social security". Forty or fifty years from now, the government will graciously give him a hand-out in his old age — depending upon the rules of the game at that time.

State Candidates Start Early for 1972 Campaigns

The 1972 political campaigns already are beginning to shape up — 11 months before primary election dates.

William P. Hobby, president and executive editor of the Houston Post, is the first announced candidate for lieutenant governor. State Sen. Ralph Hall of Rockwall is expected to enter the race soon.

Lt. Gov. Ben Barnes is seeking advice of supporters on how he should run his race for governor. Barnes announced last month he will be a candidate, and has been busy traveling most of the time since.

Uvalde rancher-banker Dolph Briscoe moved quietly ahead with plans for a gubernatorial campaign in spite of Barnes' early entry. Briscoe reportedly has a preliminary campaign event (a youth rally) scheduled for Uvalde July 23-24.

Gov. Preston Smith keeps hinting he may seek a third term, and a lot of folks are convinced he means it.

Former Sen. Ralph Yarborough says frankly he is considering running either for governor or the U. S. Senate. Republican Sen. John Tower has no hope of escaping Democratic opposition in a re-election campaign. Others mentioned as possible Democratic opponents for Tower include Land Commissioner Bob Armstrong, State Sen. Joe Christie of El Paso and Houston attorney John L. Hill.

Top Democrats cite the need for a strong united party effort, particularly for the November presidential campaign, convention nominations battles and the U. S. Senate race. That's why they are keeping a close eye on naming a successor to State Democratic Chairman Dr. Elmer C. Baum of Austin.

Baum denied a published report he already had resigned but didn't rule out the possibility he may step aside soon. Two aides to the Governor have been working on selection of a replacement chairman.

It pays to advertise with the Muenster Enterprise.

Remove the Wild Spenders

Congressional salary hikes voted to themselves by members of Congress, at a time when everyone else was supposed to have been holding the line against inflation, did not sit too well with voters and taxpayers. Now there are reports that plans are afoot to grant upper level government officials federal tax exemption for portions of their income. At the same time, news reports have just appeared telling of demands for a guaranteed annual income of \$6,500. It seems government officials have no wish to share in the rising tax burdens that are sure to result from the tightening grip of welfarism. Meanwhile, still another press release tells us that in 1971, the average taxpayer spent the first 129 days of the year working to pay his yearly federal, state and local taxes.

This sort of heads I win, tails you lose attitude of politicians toward taxpayers will eventually lead to the enslavement of productive citizens or to the breakdown of government. One other course is open — the removal from office of financially irresponsible public servants.

W. Parker Attends Ecology Meeting

AUSTIN — House Speaker Gus F. Mutscher announced today that State Representative Walt Parker of Denton will be one of two House Members participating in a July 12-16 Legislative In-Service Training Course on Environmental Pollution and Human Ecology. The five-day course, to be held in Carmel, Calif., will attract legislators and staff members from all parts of the nation. Representative Vernon Stewart of Wichita Falls will be the other Texas delegate.

The legislative training course will consider the problem of environmental pollution from the political, economic, medical and social points of view. It will provide participants with a historical perspective and an understanding of the chain reaction predictors of environmental

problems. Problem solving exercises in small group sessions will focus on environmental planning.

Representative Parker is vice chairman of the House

Standing Committee on Commerce and Manufacturing which has jurisdiction over legislation relating to industry and industrial development of the State.

FLIRTING WITH URBAN CHAOS

Congress Should Bridge the Gap

Should strikes and other work stoppages or disruptions by government employees be permitted to continue?

The answer to this question is an emphatic no! The recent disruptive tactics of some local government workers in New York City demonstrated how such employee unions, with irresponsible leadership, could cripple a city, with catastrophic results.

It was fortunate that extensive permanent damage to the millions of innocent bystanders was avoided, but at the same time it dramatized the fact that a well-coordinated public workers' strike could raise havoc in a community, threatening the safety, health and welfare of all.

While this example is fresh in the minds of our legislators, it might be well to open up the entire issue of labor law reform. There has been no major labor reform legislation in a dozen years (since Landrum-Griffin) and it is abundantly clear that there must be further changes in the rules, to correct the serious imbalance in labor-management relations — before it is too late!

VINTAGE YEAR FOR CHRYSLER-PLYMOUTH

ONE OF OUR BEST YEARS.
 It takes something special to come up with a Vintage Year. But that's what '71 has been for Chrysler-Plymouth. Our slogan "Coming Through" had a lot to do with it, because it's our pledge: To come through with the style, size, price and quality you can live with for years to come. Two good examples are Plymouth Fury and Chrysler Royal.

Pauline Fleitman Becomes Bride of Jimmy Prescher

Wedding vows were pledged Saturday in Sacred Heart Church by Miss Pauline Fleitman and Jimmy Prescher with Father Bede Mitchel celebrating the Nuptial Mass at 5 p.m. and performing the double ring ceremony.

Parents of the couple are Mr. and Mrs. Ben Fleitman of Muenster and Mr. and Mrs. Leo Prescher of Valley View.

Presented by her father, the bride wore an Empire gown of white nylon organza over acetate with long puffed sleeves of chiffon and an A-line skirt with a brush train. Lace ornamented the bodice and marked the high-rise waist. Her elbow-length veil in four tiers was caught to a petal headpiece of tulle and seed pearls. She carried a yellow-throated white orchid, sweetheart roses and stephanotis.

Bride's attendants were her sister, Miss Christine Fleitman, maid of honor, and another sister, Miss Elizabeth Fleitman, and the groom's sister Miss Jeanie Prescher, bridesmaids and Miss Karen Luttmmer, groom's cousin, junior bridesmaid.

They wore identical yellow floor length gowns of mystique with moss green velvet ribbon accenting the Empire bodices and had matching ribbon and bow headpieces. Their flowers were cascades of yellow, orange, and bronze daisies and pompon mums.

Ben Fleitman Jr. was best man, Kenny Fleitman, another brother and Glenn Hacker, groom's cousin, were groomsmen. Gus Fleitman, a brother, and David Prescher, a cousin, were ushers.

Anthony Luke, organist, and Mrs. Dave Walterscheid, vocalist, provided wedding music.

After Mass, Bobby Joe Prescher, young nephew of the groom, handed the bride a bouquet of white gladioli and the couple went to the Blessed Virgin's shrine where the bride placed the flowers on the altar.

C.J. Newmans Feted At Farewell Party

Mr. and Mrs. C. J. Newman and children Jill, Penny, Kellie, Duane and Greg started back to Kansas City, Mo., Sunday after a two-week vacation visit with her parents, the Clarence Hellmans and other relatives.

Saturday night the visitors were honored at a farewell party by her parents at their home. Some 50 relatives and

friends were guests. These included Mr. and Mrs. Larry Gobble of Irving, Mr. and Mrs. C. J. Hellman and daughters of Hurst, Mr. and Mrs. Jimmy Hellman and children of Gainesville.

Also Gus Hellman of Metairie, La., who returned home Wednesday after a month's visit with his brother and family, and Billy Ben and Tommy Boyles. The former is on vacation from Cairo, Egypt, the latter was here from Raceland, La.

Other visitors while the Newmans were here were her sister and family, the Joe Vicaris of Houston.

During their vacation the Newman family also visited his mother, a sister and brother in Dallas and a brother in Tulsa.

Jill Swirczynski And Steve Kralicke To Marry Aug. 14

Mr. and Mrs. Bob Swirczynski have announced the approaching marriage of their daughter, Jill, and Steve Kralicke, son of Dr. and Mrs. Martin Kralicke.

The wedding is planned for August 14 in Sacred Heart Church at 5 p.m. with the Rev. Kurt Buranich, OFM, of Stone Lake, Wis, formerly of Crowell, officiating.

The bride-to-be is a graduate of Muenster High School in 1967 and of the University of Houston 1971 with a BS degree in elementary education.

The future bridegroom is a graduate of Sacred Heart High, 1966, and of the University of Houston, 1970, with a BS degree in biology. He has been doing graduate work at UH and will attend Emory University School of Dentistry in Atlanta, Ga., when the fall term opens in September. She will teach in the Atlanta public school system.

Attendants chosen by Miss Swirczynski are her cousin Miss Alice Swirczynski of Dallas, maid of honor, Misses Mary Lou and Margaret Kralicke, sisters of the groom, and Mrs. Danny Hoening of Denton, bridesmaids.

Attending the bridegroom as best man will be Tom Schmitt of Houston with Mike Horsley and Johnny Johnson, also of Houston, and Kevin Swirczynski, bride's brother as groomsmen.

Andrea Gravelle of Duluth, Minn., groom's cousin, and Darrell Swirczynski, bride's nephew, will be flower girl and ring bearer.

Mrs. Walterscheid Is Shower Honoree

A come an go gift party honored Mrs. Kenneth Walterscheid Sunday afternoon in TP&L community room where a trio of hostesses, Mmes. Willie Fisher, Tom Bayer and Paul Dangelmayr entertained for 35 guests. The honoree opened and displayed a shower of layette gifts.

Blue, pink, and yellow were colors used in decorations and on the refreshment table. Punch, cake squares and nut cups also carried out the pastel theme.

Over 300 Attend Formal Opening of Muenster Electric

An attendance estimated at more than 300 persons visited with Mr. and Mrs. Earl Walterscheid and other personnel of Muenster Electric at the formal opening of their new building during the past weekend.

The new facility, located a mile and a half east of town on Highway 82, is a combined office, sales floor and service department measuring 30 x 60 feet with a front wall of brick and the others three walls and roof of sheet steel. The front third is used for office and sales floor, the other two thirds for storage and service. Both departments are insulated and paneled, the front has refrigerated cooling and the back evaporative cooling.

With the opening of the new building the firm introduced the Motorola line of TVs, radios and stereos, and the Gibson line of air conditioners, refrigerators, freezers, ranges, washers and dryers. It also has Toastmaster small appliances and Federal and Hunter electric heating. Also it continues with its former business of electric motors sales and service and residential and industrial wiring.

Among the guests was Mayor Russell Guffey of Gainesville, who drew for the attendance prizes. Winners were Mrs. Rosie Walterscheid, Donald Walterscheid, Hugo Lutkenhaus, Paul Caplinger, Debbie Felderhoff, Mrs. Adolph Fuhrmann.

Wife: "I want to do a lot of shopping tomorrow if it's a nice day. What's the weather forecast?"
Hobby: "Rain, hail, sleet, snow, thunder, lightning and high winds!"

BIRTHS

Proudly announcing a daughter, their second little girl, are Mr. and Mrs. Harold Flusche. Laura's baby sister arrived at midnight Thursday, July 8, in St. Paul's Hospital at Dallas checking in at six and a half pounds. Grandparents are Mrs. Andy Hofbauer and Mr. and Mrs. J. P. Flusche. Mrs. Tony Otto is great-grandmother again. Mother and baby are back at home since Saturday.

Margie Felderhoff 2nd Alternate in 4-H Dress Revue

Miss Margie Felderhoff, member of Sacred Heart 4-H Club and Cooke County representative in the 1971 District Dress Revue, was selected as second alternate in the judging.

Eighteen senior county winners from District IV tied for top honors in the Southern Palace at Six Flags.

Everything from hot pants to formals was displayed in an enthusiastic fashion as the girls rated each others garments. After the judging four girls, including Miss Felderhoff, were selected to represent the district at the State Dress Revue in October.

After the judging some 500 people viewed the look of '71 as 53 junior and senior contestants showed the outfits they had made. Other participants from Cooke County were Peggy Schumacher and Gayle Wolf of Gainesville.

Mechanical Peach Picking Project Under Way at Montague A&M Farm

MONTAGUE, Tex. — Mechanical harvesting of peaches for fresh markets.

Sounds like a lazy man's pipe dream or wishful thinking?

It may be a reality within the next few years — if engineers and horticulturists of Texas A&M University can work out the necessary cultural practices and develop the essential equipment.

A project entitled "Mechanical Harvesting of Peaches" has been approved as a cooperative effort by the Texas Agricultural Experiment Station and Texas A&M University, it was announced recently by officials at College Station. The Fruit Research-Demonstration Station at Montague will work with the Agricultural Engineering Department at A&M on the project.

Studies at the Station here, located 3 miles west of Montague, will center on tree spacing, pruning and cultural practices, according to Bobby D. Reeder, Station superintendent who will direct the work. The Station already has two acres of hedgerow plantings in Red-globe peaches. This peach shows some promise for use as a basic variety lending itself to mechanical harvesting, Reeder said.

Reeder will work closely with W. H. Aldred, A&M agricultural engineering professor, who heads the project and who will work primarily on the equipment phase of the study. Aldred made several trips to the Montague Station last year to observe trees and harvesting procedures.

Also included in the project will be a study to determine if existing orchards in Texas may be modified to facilitate

machine harvesting. The project will further seek to develop handling and transportation which will preserve the quality of fresh peaches as they move from orchard to consumer.

Machine harvesting may seem like a pipe dream, Reeder continued. But it's possible, and almost essential if Texas is to develop its full potential as a fruit-growing state. Harvesting labor is one of the big costs of fruit production here and one of the serious problems. It's almost economically impossible to get labor to pick peaches in North Texas, he noted.

Acrobat: "Where's the trap-eze?"

St. Peter: "You missed it son, you missed it."

"How do you do, my dear?" said the old lady to the little girl.

"Quite well, thank you," was the polite reply.

There was a pause and then the old lady asked, "Why don't you ask me how I am?"

"Because," said the child calmly, "I'm not interested."

CCJC Applies for 40% Funding of Fine Arts Center

The Cooke County Junior College Board of Trustees met Monday, July 12, 1971 with Chairman Paul Campbell presiding. Others attending were William Pulte, Boyd Ware, W. W. Weems, Sloan Fortenberry, Urban Endres, Jack O'Brien and President A. E. Shasteen. Dr. Shasteen informed the Board that the college is eligible to apply for a Title I grant to cover 40 percent funding of a Fine Arts Center. The Board authorized the administration to make application for these funds. If the grant is obtained, construction could begin in the Fall of '72 with occupancy in the Fall of '73. Two Vocational-Technical program proposals, one in aviation and the other in cosmetology, were presented to the board. The board approved development of these two programs which will be funded by the Texas Education Agency upon approval by them. A progress report was given to the board on four tennis courts planned for construction later this summer. Mike Rigler, local certified public accountant was employed as auditor for the college for fiscal year, 1971-72. In other business, the board authorized the president to advertise for bids on a 12 horsepower riding lawn mower.

Colorado Vacation

Vacation this year took Mr. and Mrs. Henry Starke to Colorado for sight-seeing and visiting relatives. They were gone eight days. In Denver they were guests of her sister and husband the Vincent Taylors, in nearby Evergreen they were guests of another sister Mrs. Leonard Pfaff and family who took them sight-seeing throughout the area including Denver Air Port where they toured a 747 jet. The Royal Gorge, Seven Falls and the Coors factory were among highlights. At Canon they visited an uncle and aunt, the Fred Sprengels.

In a crowded restaurant a diner beckoned to a waiter. "Say," he asked, "could you tell me if it's raining outside?" "Sorry," replied the waiter coldly, "this isn't my table."

FB Queen Contest Set July 24 Still Accepting Entries

Cooke County Farm Bureau's 1971 Queen and Princess Contest has been set for July 24 in CCJC Women's Gym, and there is still time for eligible girls to enter. Those already entered met Friday evening to discuss plans for the event and set July 15 for their next meeting.

Last year's queen, Miss Gayle Sicking of Muenster told about her experiences as county and district winner and about the state contest. Miss Maria Bledsoe, last year's princess, also attended the planning session.

In order to be eligible for the contest a girl must be the daughter or sister of a Farm Bureau member actively engaged in agricultural production, must be single, and between the ages of 16 and 22. The princess contest is for girls 12 through 15. District Queen's contest will be held August 13. Purpose of the contest is to give recognition to farm and ranch girls who are judged on appearance, poise and personality.

There is still time to enter and girls can do so by contacting Mes. J. T. Cole, Leighton Smith, Louis Hames, E. V. Fox or Jack Reeves.

Poise: The art of raising the eyebrows instead of the roof.

Third Order Hears Conference, Other Activity Reports

Members of the Third Order of St. Francis, Sacred Heart Parish, at their monthly meeting Sunday afternoon, heard a report on the three-fraternity conference held here July 7 and were brought up to date on other activity of the organization.

An excellent report on the conference was presented by Miss Lu Vogel, secretary. She told about the local tertiaryes being hosts for the meeting with Lindsay and Gainesville fraternities as guests and husbands of members as special guests. Fifty were present.

Father Elias Koppert, provincial from Chicago, was in charge of the program following a covered dish supper in the Parish Hall. He was accompanied by Brother Henry Willinbourg. The meeting was honored by the presence of Msgr. Thomas Weinzapfel of Dallas who attended with his parents.

Father Elias chose "Work" as his subject discussing many phases of labor and present-day labor conditions. He included mental activity as well as physical activity, encouraged prayer, and communication with today's youth.

Brother Henry, 21, told about his two years in the seminary.

In other reports at Sunday's meeting Mrs. Leo Henscheid, prefect, read a letter from the lay Franciscan family the local fraternity has adopted in India. The letter from the Devasseys was full of gratitude for twenty dollars which they said made a down payment on a house. Without it they would have been homeless.

The meeting began with recitation of the divine office and closed with recitation of the rosary.

On Dean's List Spring Semester

Miss Sharon Ann Denny has been placed on the Dean's Honor Roll of the College of Fine Arts of W. T. Austin in San Antonio for the spring semester 1971.

Victor de la Garza Jr., husband of the former Mary Nell Denny, has been placed on the Dean's Honor Roll of the College of Pharmacy of the University of Texas at Austin for the '71 spring semester.

They are the daughter and son-in-law of Mr. and Mrs. Charles Denny of San Antonio. Mr. and Mrs. Ben Luke of Muenster are the grandparents.

MHS Girls Go to Basketball Clinic

Mr. and Mrs. Charles Cash and four MHS girls, Doris Felderhof, Marilyn Felderhoff, and Janet and Joyce Swirczynski, will be in Brownwood this Thursday, Friday and Saturday attending the Texas High School Girls' Basketball Clinic.

Meetings with lectures and practice sessions in Brownwood Coliseum will be climaxed Saturday night by a North-South All-Star Girls basketball game by seniors from all over the state.

Don't worry if you get kicked from the rear as it simply means you are out in front.

There's always an argument when an unimpeachable source disagrees with an unquestioned authority.

One way to be sure that crime won't pay would be to let the government run it.

You can't expect a racketeer to be respectable so long as he has to do business with people who do business with a racketeer.

Surprise visitor over the weekend with Mrs. Joe Bezner Sr. was her son Hubert Bezner of Chatsworth, Calif., who was enroute home after a flying business trip to Houston. After his arrival in Dallas Thursday relatives from there got together with him to visit in the Bob Young home.

Mrs. Jake Kuhn and daughter Alta Louise had a vacation visit in Las Vegas, Nev., with their brother and uncle, Walter Loerwald and family. They traveled by plane. Mrs. Kuhn's mother, Mrs. Cecilia Loerwald of Gainesville, had gone to Las Vegas about ten days earlier, accompanying the Walter Loerwalds after their visit in this area.

Mr. and Mrs. Ray Sandmann and children Ronnie and Tammy have returned from a vacation visit in Colorado, spending four days in the Colorado Springs area for sight-seeing. On the way back they stopped in Hereford to visit an aunt, Mrs. Joe Loerwald.

Mrs. Leo Cutain and granddaughters Allison and Christine Blackburn and Mrs. Frank Benenate, all of Dallas, spent one day the past week with their mother and great-grandmother Mrs. Joe Bezner Sr.

Eddie Schad has gone to Ghana, Africa, to serve two years in the Peace Corps. He is the son of Mr. and Mrs. Ed Schad. Eddie spent a week in Philadelphia for programming, then left by chartered plane for Ghana with 150 other Peace Corps volunteers. The first ten weeks will be devoted to learning the language, then he will teach math in a technical high school. Friends and former classmates gathered at the Schad home for a farewell party for him before he left.

Mr. and Mrs. Robert Fuhrmann and Dr. and Mrs. M. P. Knight, physician for the Dallas Cowboys, attended the annual meeting and banquet of the Fort Worth Hereford Club in the Sheraton Motel, Fort Worth. Robert is president of the local branch, the North Texas Hereford Club, and Dr. Knight is vice president.

Kathleen Stoffels was honored with a surprise party in observance of her ninth birthday when her mother Mrs. Charles Stoffels was hostess for the Sunday event in the family home. Twenty-five classmates and cousins were guests for games, birthday cake and other refreshments. An aunt, Miss Dorothy Bengfort, baked and decorated the cake. Helping with serving were the honoree's sister Charlotte, aunts Mrs. Tony Hess of Muenster, Mrs. Norbert Zimmerer and Mrs. Pete Stoffels.

Mrs. William Fleitman and daughter Mrs. Maggie Reeves of Jacksboro have returned from a flying trip to Detroit where they visited their daughter and sister, Miss Clara Fleitman. It was Mrs. Fleitman's first air travel.

Lindsay Youths on Vacation Rescue 2 Boys from Lake

Three Lindsay youths, back from vacation, tell about an experience they had at Lake Pontchartrain, La., where they saved two lives.

The trio, Sam Bezner, Kenny Bezner and Steve Hoelker, were at the lake when four men in a boat outside the roped-off swimming area decided to jump in and go swimming. Only one of the men had a life preserver. The other three apparently found the undercurrent swifter than they had expected and began going under the water repeatedly.

Steve, on the beach, noticed the men were in trouble and yelled to Sam who was diving for shells nearby. Sam was wearing a face mask and swim fins which helped when he began diving for the men.

Steve then swam out and together they brought two of them in.

In the meantime Kenny ran to get the lifeguard for more help and the Coast Guard was notified. The other man who had gone under had not come up and although Sam dived repeatedly he could not find him.

A Coast Guard cutter, using grappling hooks, finally located the body but it slipped from the hooks. Sam dived in again and retrieved the body. The Lindsay youths learned later that the four men were members of a jazz band playing in the French Quarter in New Orleans. They now know who they saved but the jazz band members may never know to whom they owe their lives.

Sam is the son of the James Bezners, Kenny's parents are the Joe Bezners Jr., and Steve is the son of Albert Hoelker.

FB Secretary at State Conference

Nita Faulkner, office secretary for the Cooke County Farm Bureau, attended an area "discussion meeting" June 28 and June 29 at the Baker Hotel in Dallas.

The workshop-type conference was one of four held across the state by the Texas Farm Bureau. Purpose was to provide county secretaries and state Farm Bureau office personnel an opportunity to discuss ways and means of improving office procedures at both levels.

In addition, the office secretaries heard lectures and viewed a film on the history and purpose of Farm Bureau. Concluding speaker on the program was TFB Executive Director O. R. Long who reviewed the overall organization structure and outlined "opportunities for office secretaries."

SH Pastors Host Benedictine Day For Area Clergy

A Benedictine Day was held in Muenster Monday afternoon and evening, hosted by the local pastors. Benedictines of the North Texas area in parishes, going to school, or helping with summer pastoral work were invited. Thirteen joined the local clergy.

Some went fishing during the afternoon, others went golfing, some visited at the rectory and all were together for the evening meal.

The Rt. Rev. Michael Lensing, abbot of New Subiaco Abbey, who was to spend several days in the area came from Subiaco, Ark., bringing Father Daniel Geels with him. Father Maurus Gerke came from Fort Smith, Ark.

Others present were Father Damian Wewers of Lindsay, Fathers Matthew Wiederkehr, Eugene Luke, Anselm Sheehan, Frown Schoech and Malachy McNeerney all of Dallas, Fathers Meinrad Marbaugh and Andrew Wewer, Fort Worth, Father Nicholas Fuhrmann of Sherman, Father Bartholomew

Landwermeyer of Rhineland and Fathers Bede Mitchel, Placidus Eckart and Leonard Wangler and Brother Thomas Moster of Muenster

Abbot Michael was a guest Monday night on Father Bede's TV program, Channel 2, and in the course of his interview told about a monastic foundation, a Benedictine mission, that the abbey will open in British Honduras. He announced that Father Leo Koessler will be in charge of the 500-acre facility.

With him will be another of the abbey's priests who has not been named, and two brothers, Brother Michael Fuhrmann formerly of Lindsay and Brother Benedict Setra. They will leave for the South American post in September.

Abbot Michael is helping in St. Mary's Parish, Fort Worth, this week while the pastor Father John Walbe is on vacation. Father Bede will be there Saturday, Sunday and Monday.

Beginning July 19 Father Leo will conduct a European tour, three weeks of sight-seeing. Going with him from this area will be Alphonse Luke.
