NUMBER 48

Modern, misguided ideas on equality, whereby industrious people are required to hand over some of their earnings to welfare benefactors, seem to have opened brand new possibilities on sharing the wealth in a recent ruling of the California Supreme Court.

By a 6 to 1 ruling that court decided that the state's system of financing public schools is unconstitutional because it does not equalize expenditures, therefore does not assure equal protection of the laws under the 14th amendment. Again some people are twisting that controversial amendment to stir up more trouble. And the big question now is whether the US Supreme Court will go along with the California court's socialistic ideas.

The problem derives from varying amounts spent on school children. In a prosperous district the total expenditure may be \$1,200 a year per child but in a less affluent district it may be only \$800. That, the court ruled, is wrong. Expenditures must be equalized in the future so that kids of the poor districts will have all the benefits received by the more affluent kids.

It's the same old equalizing principle which already takes away from productive people and gives to those who can not or will not provide for themselves. It matters not that some folks try harder and sacrifice more in order to have more. They are not permitted to do these extra things for their children unless all others can have as much.

It goes without saying that this ruling can usher in a brand new concept of welfareism. Bleeding hearts public officials will go all out to see that the deprived children get the best, which, of course, will have to be paid by the taxpayers. That is, by the productive people who are able to pay. Socialism will have made another big step toward the communist objective of "from each according to his ability and to each according to his need." This is second only to the welfare system as a means of equalizing the people both financially and socially.

But that's only a beginning of what can develop if the US Supreme Court goes along with the California court. The equalizing process then becomes nation wide and droves of HEW bureaucrats will see that educational opportunity is equalized all over the country.

It will present more opportunity for federal snooperism than racism ever did. It will not only pile up the expense as do-gooders go all out to get the best for deprived kids, but it will practically put the local school boards out of business.

Everything about the local school program will have to be geared to the national standard, and representatives of the national bureaucracy will be around to see that the guideline is followed.

The end result, of course, is that no area in the future will be able to do things for itself. Its kids must not have more than any others. On the other hand the industrious and productive people who would wish to do more for their district will find that they are shelling out the tax required to elevate the standards of other districts.

Social and economic consequences of this new venture in socialism have enormous possibilities. We already have programs like welfareism, urban development, Social Security and Medicare which have the effect of re-distributing the wealth, and the process is to be extended in present proposals for family assistance and guaranteed annual wage. Next we'll have housing programs providing more comforts for the poor plus this ridiculous equalizer of school standards.

An old time argument against socialism is its tendency to destroy initiative, eventually inducing increasing numbers of people to change over from taxpayers to tax eaters. After all, why shouldn't they? They are tired of toiling and producing for those who do not provide for themselves. Why not quit the grind and get on the receiving end?

Reports indicate that the trend is headed that way. Welfare rolls increase constantly. The cost of supporting them gets bigger and there are fewer people to pay. It makes one wonder how near our country is to the breaking point. When will the rest of the people decide to quit pulling and climb

One of these students is the queen who will reign at Muenster High's homecoming festivity and the other six will be princesses in her court. In the front row are four queen candidates nominated by the senior class, one of whom has been elected queen by the football squad. They are Debbie Sicking, Cheryl Otto, Pam Walterscheid and Kris Stormer. In the top row are Dianne Klement, freshman, Janet Swirczynski, junior, and Dolly Bayer, sophomore.

Hornets Clobber Falcons 21-0 in District Opener

Muenster's jinx over the Lake Dallas Falcons was extended to the sixth in a row last Friday night when the Hornets triumphed 21-0 in the opener of the 12-A district race.

It was their best game of the season to date, combining a new high of sharpness and coordination on both offense and defense along with a new low in mistakes. The Hornets outgained the defending district champs by a ratio of more than two to one while scoring three touchdowns and barely missing another.

However, Muenster had trouble getting started even though it clearly had the edge on the Falcons. The first quarter was marked by two kicks on each side, an interception by the Falcons and a fumble recovery by the Hornets.

As the period was ending Muenster started putting its first drive together. Alan Miller sparked it by a return of about 50 yards on a punt. Although the gain was cut short by a clipping penalty it seemed to break the deadlock. Muenster continued from its own 45 and reached the goal in 11 plays. Fine teamwork by the line opened big holes for steady gains by Hank Trachta and Henry Knabe. Trachta made the last 8 on a pitchout from Jim Endres and Endres kicked an extra point. That was early in the second quarter.

The Falcons snapped back with their best drive of the night. They reached their 31 on kickoff and went 56 yards on eight plays, the principal gains being runs of 17 and 20 by Mike Flowers and a 15 yard penalty. That was on the 13 and the next four tries gained only a yard.

Then it was Muenster's turn again. Trachta and Knabe shared in ripping off yardage on the drive that went 88 yards in fifteen plays. One of the better gains was a pass from Jim Endres to Roy Klement for 12 yards. It reached the 9 as the clock showed 42 seconds. Then Trachta gained

Rainfall Measure For Week Is 2.93

Rain that was not needed or wanted fell on the community this week adding almost three inches to a moisture which was already more than adequate. Farmers of the area would have preferred a dry spell enabling them to get grain crops into the ground.

Aside from lost time, however, the rain still had its merits. It can pay off in additional hay and grazing and add to the abundant soil moisture supply for crops.

Most of the rain came Tuesday night while Dallas and Fort Worth were being flooded, and Wednesday's reading was 2.36 inches. Additional measures were .36 Monday and .21 Tuesday for a total of 2.93.

That brings the month's total to 6.05 and the year's total to 31.29.

3, a penalty cost 5, and Endres threw the touchdown pass to Ricky Swirczynski with 9 seconds remaining. Endres' kick upped the score to 14.

Hospital Benefit Halloween Party Dated October 30

Members of Muenster Hospital Auxiliary have completed plans for their benefit Halloween party for October 30 in the VFW Hall. Proceeds will go toward the purchase of another bed in the hospital recovery room.

Themed on Halloween celebrations of yester-year the party will feature old-fashioned games and contests, prizes and surprises, a song-fest and music, along with a buffet of finger foods. Admission is six dollars a couple.

While costuming is encouraged it is not required. However there will be prizes in several costume categories.

The sponsoring group is getting the word around that everybody is invited, even urged to attend. Starting time is 9 p.m.

Cowtown Powerhouse Crushes Spunky Tigers

On the basis of grit and tenacity the Sacred Heart Tigers gave a good account of themselves Saturday night even though the scoreboard showed them on the short end of a 44-0 count.

Their defeat was obvious before the game started as the visiting Fort Worth Day School Falcons took the field with a long advantage in size and reserve strength, and the loss was assured within the first two minutes of play.

Nevertheless the scrappy Tigers kept their spirits high to the very last, cranking up a late rally as if the game depended on it.

The game started with a bang as the visitors took the kickoff and went 62 yards to a touchdown in four plays. Kemble made the last 34 and Jennings kicked the extra point.

On second play following the next kickoff Kemble intercepted a Tiger pass and dashed 30 yards to the goal. Another kick was good and the Falcons had 14 in less than two minutes.

From that point until late in the second quarter Sacred Heart made little progress of its own but did a great job spoiling the Falcons' efforts. They intercepted once and recovered four Falcon fumbles. Meanwhile they lost the ball twice on fumbles, and made four first downs while the Falcons made 3.

Early in the second quarter Sacred Heart kicked from mid field and Day School

Tigers Will Meet Greenhill Hornets Friday in Dallas

The long, hard grind for Sacred Heart Tigers continues Friday night when they journey to Dallas for their annual TISC contest with Greenhill High. As coach Tom Joy sees it, the odds again will be stacked against his boys, but not as high as last week.

His only reports on the Greenhill record to date are a 22-14 win over Howe and a 13-12 loss to Cistercian Prep of Irving. Roughly that amounts to a rating as a good class B team whereas the Tigers' record entitles them to a weak B rating.

Still Joy is the perpetual optimist. Pointing with pride to the scrappy performance of his kids Saturday night against the Fort Worth Day School powerhouse he is still hoping that the Tigers will eventually spring an upset.

He reluctantly admits, however, that his already small team will be even smaller this week. Mark Schmitt received a back injury Saturday night which scratched him off the lineup for the rest of the season.

Starting time for the game is 8 p.m. In a preliminary starting at 6 Sacred Heart Cubs will take on the Greenhill juniors.

Meeting for Local Cub Scouts, Parents Set Monday, Oct. 25

Muenster Cub Scout Pack was re-organized with election of officers at a meeting Monday night and a meeting was planned for next Monday, Oct. 25, at which all boys interested in cub scouting, and their parents, are urged to be present.

Cubmaster Charles Bartush presided for the re-organizational meeting and introduced Gene Butler of Dallas, executive representative, who met with the group.

New officers are Fred Knabe, cubmaster; Dan Luke, assistant; Mrs. Jerry Wimmer, den mother. Mrs. Larry Hennigan continues as a den mother.

At next Monday night's meeting, 7:30 in the VFW Hall, all boys ages 8, 9 and 10, interested in cub scouting are invited. Parents must accompany their sons and complete registration forms, along with a fee of one dollar.

Crucial Contest Awaits Hornets For Homecoming

The second game of an all-tough 12-A schedule faces the Hornets Friday night when they take on the Bearcats of Pilot Point.

According to early ratings the Hornets were definite underdogs. Originally Pilot Point contended with Nocona for district favorite, but the season to date has slightly upped Muenster's rating and slightly lowered Pilot Point's. Muenster has a 5-0-1 record, Pilot Point a 2-2-2 record, but the Cats had a considerably tougher schedule. Whatever edge the Bearcats have should be offset by Muenster's home field advantage, plus the extra enthusiasm that may be generated by homecoming.

According to Coach Glenn Richardson a lot will depend on a great big if. The Hornets can do it if they can put together another game like they played at Lake Dallas. They had lots of spunk along with good timing and few mistakes.

At the same time he is very much aware of Pilot Point's potential. The Cats match the Hornets in size and are ahead in speed and quickness. The big question is, can Muenster contain their offense and can it crack their defense.

Physically the Hornets have two problems. Jim Endres will likely still be handicapped by a sore shoulder and Chuck Fisher is expected to sit this one out with a sprained wrist received last week.

Pancake Breakfast Set Sunday, Oct. 24

Sacred Heart Lettermen's Club will sponsor a benefit pancake breakfast Sunday, Oct. 24, in the Parish Hall and invite everyone to attend. Serving will start at 8 and continue until 10:30.

The menu will consist of juice, pancakes, sausage, doughnuts and coffee. Tickets for adults will be one dollar and for children fifty cents.

Homecoming Gala Awaits MHS Exes

Final preparations are under way this week on a glorious homecoming Friday night for former students of Muenster Public School and all others who would like to join in the festivities.

The program is headed by two big events, a crucial 12-A football game between Muenster's Hornets and the Pilot Point Bearcats, followed by a get-together and dance in the K of C hall.

Action begins at 7 o'clock with a downtown assembly and pep rally at the corner of First and Main. The queen candidates and princesses along with the band and pep squad will be there and everyone else will be welcome, the more the better, both at the rally and in the parade from there to the game. The parade will be timed for arrival at the football field about 7:45. The game is scheduled to start at 8.

Schoech Brothers Earn MA Degrees

Brothers, Father Frowin Schoech of Subiaco, Ark., and Melvin Schoech of Kingsville, sons of Mr. and Mrs. Andrew Schoech have received their Masters degrees.

Father Frowin earned his degree in Sociology from Southern Methodist University where he studied the past three summers. On return to Subiaco Academy he regained his previous position of Academy Chaplain of the student body. He also directs a band "The Phoenix Reflections" in which he plays the sousaphone.

Melvin Schoech received his MA degree from A&I University at Kingsville in mathematics and teaches math in high school at Bishop. His wife recently received her BA degree in education and teaches in Kingsville. They have six children, run a horse motel at Kings Ranch were they live.

Next on the program is the half time ceremony of crowning the homecoming queen. She will be one of four candidates from the senior class elected by members of the Hornet squad and her identity will not be revealed until the crowning. The other three candidates will be princesses in the queen's court. Other princesses will be representatives from the other three classes.

Queen candidates are Cheryl Otto, Debbie Sicking, Kris Stormer and Pam Walterscheid. Freshman, sophomore and junior princesses are Diane Klement, Dolly Bayer and Janet Swirczynski respectively. The royal ladies will be escorted by seven of last year's graduates: Tim Hennigan, Leon Klement, Gerry Cash, John Schneider, Glenn Felderhoff, Earl Koelzer and Ricky Walterscheid.

The queen will be crowned by last year's queen, Debbie Yosten, and will receive a bouquet of flowers from John Pagel, ex-student president. The six princesses will receive corsages from Dolphy Joe Hellman, vice president, and Mrs. Charles Pagel, secretary-treasurer of the exes, and also from the three senior class sponsors, Mrs. Roy Hartman, Miss Bettye Dodds and Robert McDaniel.

After the game the exes will gather in the K of C hall for a reunion and election of officers and a dance with music by Cherry & Rhone. Nominees for officers the coming two years are Mrs. James Walterscheid, president, Roy Monday, vice-president, and Kenny Fette, secretary-treasurer.

A general invitation is issued to all former students and any others who would like to attend. In addition special invitations were sent to graduates of 1951, and 1961, this year's honored exes.

Biennial Shakeup Of Sport Districts Revealed Monday

Re-classifications and re-assignments announced Monday by the state Interscholastic League make only two slight changes in the district which includes Muenster. It has a new number, 14-A instead of 12-A, and it has Callisburg as a new member replacing Lake Dallas. Members remaining in the loop are Muenster, Nocona, Sanger, Pilot Point and Frisco. Lake Dallas moved into the district south of 14-A, including Carroll, Aledo and other schools of that area.

Another school of this area, Whitesboro, has been promoted to Class AA. Similar upward moves were barely missed by Nocona, Sanger, Pilot Point and Frisco, which now have enrollments to qualify for AA but did not have a high enough average for the past two years. As it stands now Muenster and Callisburg are not far above the minimum count for Class A and the other four members are already over the maximum count.

Enrollment requirements for the five classifications are listed as follows. Class B, under 120; Class A, 120 to 229; Class AA, 230 to 499; Class AAA, 500 to 1099; Class AAAA, 1100 and over.

The most notable changes of classification in this area concerns the Class B schools. The present 9-B district includes Lindsay, Era, Valley View, Saint Jo, Windhorst and Callisburg. Callisburg was moved to 14-A and the remaining five were combined with six other schools to form District 7-B. Those other six are Alvord, Chico, Perrin, Masonic Home, Godley and Paradise.

It has not been specified whether the district will operate as two zones or a single unit. If as one unit, each team automatically has a full schedule of 10 district games and teams like Muenster and Sacred Heart will have to look elsewhere for some of their pre-district games. But if it is divided into two groups the local teams can still book games with neighboring teams. In a two-group system the loop title would be decided by a play-off of the two group winners.

Direct Distance Dialing was officially introduced to Muenster last Sunday when Mayor Arthur Felderhoff dialed directly to Congressman Graham Purcell in Washington D.C.

Direct Distance Dialing Opens New Era in Muenster Telephone Service

A new era in telephone service for the communities of Muenster, Myra, Forestburg and Rosston was officially introduced Sunday by Mayor Arthur Felderhoff when he made use of the Direct Distance Dialing service which became available to this area earlier in the day.

Sixty two years after the first telephone call here was completed across Main Street, Mayor Felderhoff dialed directly to Congressman Graham Purcell at his home in Washington D.C.

The call was recorded on video tape and was re-played Monday night on the local Channel 2 TV program conducted by Father Bede Mitchell. The new local phone service was the principal topic of the TV program. It explained how to use the Extended Direct Distance Dial-

ing, which includes person to person calls, collect calls, credit card calls, and charging calls to another number. Demonstrations included a call to Father Alcuin Kubis, former local pastor, now in Little Rock, Ark. The TV audience heard him extend regards to everyone in Muenster.

Sunday also marked the change-over to all-private-line service in the local phone system. Hereafter party lines will be phased out and all future installations will be on private lines only.

The change over accompanies replacement of most of the aerial lines by buried cable along with expansion in exchanges and construction of a new exchange at Rosston. About 200 miles of buried line are being installed and the job is about two thirds finished.

Veterans' Day

Veteran's Day will be observed this year in most states on October 25. This time of remembrance had its beginning as Armistice Day marking the end of World War I on November 11, more than 50 years ago. It is the day on which the nation honors all veterans of the Armed Forces. They should be doubly honored this year for the thankless task of "winding down" the Viet Nam war — a conflict in which many of them have participated.

Unlike veterans of previous periods of history, those returning from Viet Nam will find no brass bands awaiting them, but a nation preoccupied with dissension and confusion over economic and social troubles. These troubles would assume far more reasonable proportions if the respect for our

nation, which is implicit in Veteran's Day, could enjoy a rebirth. A part of that respect can be redeemed by observing Veteran's Day in the spirit in which it was conceived by patriotic Americans of over half a century ago. There was no question then of the greatness of our nation, its purposes nor the quality of its citizens.

We should realize that what was true then is true now. There is no greater nation than the United States. Those who have served in its military forces are symbolic of everything in which free men believe — the Christian ideals of personal liberty, the rule of law and the sanctity of the home and the individual. There is no better time to pay homage to all of these safeguards of human dignity and freedom and to the members of the Armed Forces who have helped to preserve them than on Veteran's Day.

Well, What Do You Know? fun, games and knowledge

by MARTHA GLAUBER SHAPP, Editor, The New Book of Knowledge

What do you know about starch?

Starch is a food material that is stored in plants — in seeds, roots, tubers (such as the potato), or stems. It supplies food for the plant and its seeds.

It is also an important food for people. It is a carbohydrate; that is, it is made up

of carbon, hydrogen, and oxygen. In the process of digestion it is changed into sugars the body needs for energy.

Starch is also used commercially. Laundry starch is one such use. It is used as well in dusting powder, in ointments and pastes, as a binder in tablets such as aspirin, and even in cleansers.

Do you know what social work is?

The chief aim of social work is to help people with problems that come up in their everyday living. The social worker is professionally trained to work with people facing difficulties they cannot handle alone. Social workers are employed by public and voluntary agencies, including family and child welfare

agencies, hospitals, youth groups, settlement houses, and schools.

Human problems are varied and complicated; they may be due to poverty, to physical or mental illness, or to family misunderstandings. Social workers can help a person understand his problems and plan ways of dealing with them.

Labor Leaders of Texas Determined To Defeat Nixon

Organized labor leaders of Texas have set as political priorities for 1972 the defeat of President Nixon and support of former U. S. Senator Ralph Yarborough for any office he seeks.

AFL-CIO State President Roy R. Evans announced the goals were adopted by his organization's executive board and the COPE administrative committee in a recent meeting here.

It is "quite possible," Evans said, the AFL-CIO will make no endorsements in next year's governor's race unless Yarborough is a candidate. He noted a two-thirds majority of delegate strength is necessary for endorsement in a COPE convention.

Lt. Gov. Ben Barnes and Dolph Briscoe or Uvalde are announced gubernatorial candidates.

Evans listed the lieutenant governor's race as the No. 3 priority of labor; the House speaker's race No. 4 and congressional, state Senate and House contests No. 5.

He unveiled a voter registration goal of six million by the 1972 general election.

In a September poll of AFL-CIO convention delegates, Evans reported 201 felt Yarborough should run for the U. S. Senate, while 120 preferred that he run for governor and 26 for neither office.

He said 298 labor delegates would prefer Yarborough to 33 for Barnes in a governor's race between the two, while 294 would pick Yarborough to 47 for Briscoe.

The labor delegates liked Sen. Hubert Humphrey for president, giving him 313 straw votes to two for Alabama Gov. George Wallace and none for President Richard Nixon. A random poll of rank and file union members showed 87 for Humphrey to 51 for Wallace and 38 for Nixon. AFL-CIO delegates gave Yarborough 350 votes for senator to three for Sen. John Tower, and the former senator 316 to 13 over Democratic senatorial hopeful Harold (Barefoot) Sanders of Dallas in the poll.

The Mass Guilt Complex

If you asked who killed Cock Robin in this modern world you'd have to jump out of the way or be crushed in the rush of those willing and anxious to claim guilt.

When a left-wing radical who once had abandoned the United States for the Soviet Union ended the life of John Kennedy, there were those who rushed to say we were all guilty. When a two-bit hoodlum and petty crook murdered Martin Luther King, the cry we were all guilty was sounded again. When a mentally-damaged Arab nationalist shot a bullet into the brain of Robert Kennedy, the same cry of mass guilt was sounded.

Lately it is Attica that has brought forth the cry we are all guilty. It is as if the fact that some revolutionary prisoners seized guard hostages had no role at all, the blame is on all of us.

But what needs to be emphasized is that concepts of mass guilt for individual acts is destructive nonsense. The masochistic delight some seem to take in attributing to the United States and its citizens as a whole guilt for what a handful of twisted individuals do is not only intellectually unsupportable, it is morally destructive of the real and justified pride we should take in a nation that is still the best hope of the world.

Frightening Facts

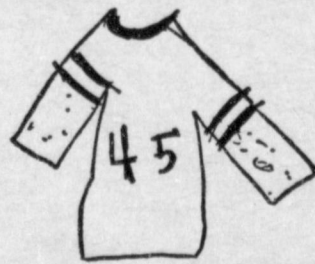

A warning on declining U. S. naval power is contained in the 1971-72 edition of Jane's Fighting Ships, an annual compendium on the world's navies published in London. The editor of this authoritative publication comments: "The situation for the U. S. Navy is serious." The American section of Jane's says, "The size and relative capabilities of the United States Navy continue to decline at what many authorities consider to be an alarming rate. . . ." Of Soviet sea power, the publication reports, "So prolific has the Soviet naval-shipbuilding effort been that the USSR is now able to maintain a standing naval force in the Mediterranean five times stronger than five years ago to counter the American Sixth Fleet. . . ."

The authoritative London publication reports that the Soviet fleet now exceeds the U. S. Navy in the numbers and capabilities of active surface ships and submarines. These are facts with which every American should be familiar — before it is too late.

Pixy Bluebirds Organize, Elect

Second Grade Bluebirds of Sacred Heart School with Mrs. Betty Ann Trubenbach as leader have organized and have chosen "Pixy" as the name of the group.

The six members each have an office which will be rotated each month. First officers are Jenny Felderhoff, president; Susie Felderhoff, vice presi-

dent; Tina Hesse, treasurer; Leslie Reiter, pledge leader; Rene Stelzer, magic wand waver, Donna Trubenbach, candle lighter.

The girls plan to keep a scrapbook and placed Susie Felderhoff in charge. Also meeting with the group Wednesday afternoon were Janet Pels and Joan Hesse, junior helpers, and Mrs. Joe Felderhoff, adult assistant. The VFW Auxiliary is sponsor.

HDC Members Hear Talk on Pollution

Members of Muenster Home Demonstration Club heard a talk on "Pollution" at their October meeting when Mrs. Henry Pick was hostess in her home and Mrs. Bernice Thurman was program speaker. She spoke on causes of pollution, what is being done and what can be done about it.

During the business session conducted by Mrs. Earl Robison, Mrs. Rudy Hellman gave the County Council report which included Christmas in November dated for November 3 and 4 at the Community Center Building in Gainesville. Muenster club women will be hostesses from 12 to 4 on Thursday, Nov. 4.

After adjournment Mrs. Pick served pumpkin pie and coffee to 18 members, and two guests, Mrs. Thurman and Mrs. Arthur Williams.

Cousins Honored On Confirmation

Cousins Robert Hartman and Daniel Walterscheid were honored Sunday evening on their confirmation day after services in Sacred Heart Church. Their parents Mr. and Mrs. Alvin Hartman and Mr. and Mrs. Sylvan Walterscheid were hosts for a party in the home of the boys' grandparents Mr. and Mrs. Tony Flederhoff.

Guests helped themselves to finger foods, punch and dessert from a pretty table centered with a decorated lamb cake flanked by confirmation statues, gifts for the honorees. Pictures were made.

Guests were confirmation godparents, Jerry Fleitman, sponsor for Robert, and Steve Felderhoff, sponsor for Daniel, and Mr. and Mrs. A. J. Felderhoff and family of Gainesville, Donna Zimmerer of Lindsay, Messrs. and Mmes. Victor Hartman, Bruno Fleitman, and Joe Felderhoff and daughters and Monica and Kenneth Hartman, Laurie and Greg Walterscheid.

SHH Names 3 for Merit's Who's Who 1971-72 Edition

Faculty of Sacred Heart High School has just released the names of students selected for recognition in the 1971-72 edition of Merit's Who's Who Among American High School Students.

Chosen for this honor are Phyllis Bindel, Teresa Hoedebeck and Margie Felderhoff, seniors.

Also named as deserving students are Christi Koesler and Myron Hess, juniors.

Selection was made by faculty members at their October meeting. Qualifications are that the students must be a junior or senior, must have demonstrated leadership in the fields of academics, athletics, extra-curricular activities or community service.

The students will represent their school in the edition of Merit's Who's Who by having their biography listed.

Sharon Tompkins Mike Fedor Plan February Wedding

Mrs. Edna Tompkins of Arlington has announced the engagement of her daughter Miss Sharon Tompkins to Mike Fedor. He is the son of Mr. and Mrs. Joseph Fedor of Grand Prairie.

The wedding is planned for 2 p.m. February 12 in St. Maria Goretti Church in Arlington.

The bride-elect is a graduate of Nolan High in Fort Worth and has been employed as a secretary for Miller Insurance Company in Fort Worth the past two years.

The future bridegroom is a graduate of Georgia Tech and is employed at LTV.

The engaged couple visited here Sunday with her grandparents Mr. and Mrs. Victor Hartman.

Mrs. Oscar Detten and Miss Lu Vogel spent Thursday in Fort Worth window shopping and visiting at the home of Mrs. Detten's daughter Mrs. Bill Farrer and family.

Kelly Hudspeth, 4 Birthday Honoree

Kelly Hudspeth, daughter of Mr. and Mrs. Daniel Hudspeth of Dallas, who was four years old Wednesday, Oct. 20, had an early birthday celebration Saturday afternoon here in the home of her grandparents Mr. and Mrs. Paul Walterscheid. Accompanying Kelly and her parents to Muenster was her little brother James.

Mrs. Walterscheid handed out balloons as party favors and served finger foods and lemonade, ice cream and birthday cake which she made for her granddaughter. Gifts were opened.

Cousins of the honoree and their mothers attended. Young guests were Jamie Walterscheid, Jeffrey Walterscheid, Deanna Bierschenk, Kimberly and Brian Hess, Francine and Allen Hudspeth.

Mothers of the children present were Mmes. James Walterscheid, Clyde Walterscheid, Kenneth Bierschenk, Dennis Hess and Clarence E. Hudspeth.

Gloria Yosten Is Wed in Palo Alto To W. N. Blanchard

Dr. and Mrs. William N. Blanchard have returned to California following their wedding trip to Maui, Hawaii and Sidney, Brisbane and Melbourne, Australia. They are making their home in Redondo Beach.

The bride is the former Miss Gloria Yosten, daughter of Mr. and Mrs. Felix Yosten. She plans to continue her stewardess duties with American Airlines.

Dr. Blanchard has just completed his Ph.D. in Aeronautical and Astronautical Engineering at Stanford University and is employed at Hughes Aircraft Co. as a staff researcher in the space and communication group. He is the son of Kenneth Blanchard of Healdsburg, Calif., and the late Mrs. Blanchard.

The Rev. John Duryea officiated for the vows in a Nuptial Mass in St. Ann's Chapel, Palo Alto, Calif., on Sept. 4.

Presented by her father, the bride wore a formal gown of off-white peau de soie with the Empire bodice and full, cuffed sleeves of Chantilly lace. The high Victorian-styled neckline was complemented with a Camelot style headpiece which held her tiered waist-length veil. Her sisters Linda and Bernadette and a friend Betty Vaughan made her bridal costume. With it she wore a gold chain and cross which her mother and grandmother had worn on their wedding days.

Her flowers were white sweetheart roses, carnations and stephanotis with lilies of the valley and pink, lavender, yellow, and gold velvet ribbons.

Miss Linda Yosten and Miss Bernadette Yosten, both of Mountain View, Calif., were maid of honor and bridesmaid, along with another sister, Miss Monica Yosten of Greenville and Miss Betty Vaughan of Buringame, Calif., bridesmaids.

Linda wore rust gold; Betty, yellow gold; Bernadette, deep lavender; and Monica, pale pink. The dresses of peau de soie had long A-line skirts with gathered chiffon at the back falling to soft trains. Velvet ribbons outlined the Empire waistline.

They wore cameo necklaces, gifts from the bride, and had fresh miniature mums in their hair. Each carried a nosegay of mums and carnations in the chosen colors with velvet streamers.

Ralph Kimball was best man and ushers and groomsmen were James Sansbury, Steve Spain, and Richard Miles, all of the Palo Alto area.

A reception was held in the gardens of Newman Center at Palo Alto where ushers served champagne and bridesmaids served the wedding cake. Miss Ruth Cronkite of Palo Alto registered guests.

Tom Yosten accompanied his parents and sister Monica to California for the ceremony.

Tigers

into the second half. On first series they blocked a Tiger kick and used two plays to score from the 3.

And on second play after the kickoff they recovered a Tiger fumble on the 29 and Garvey made the distance on the next play. Kicks following both of those scores were good for extra points and the count was 37-0.

From then until midway in the fourth quarter the Tigers kept their visitors in check and then put on their best drive of the evening. Runs by David Krahl and Dickie Mosier plus a pass to Melvin Luke were key plays in a 61 yard drive to the 19 in ten plays. However the next series fell short by less than a yard. The ball went over on the 10.

The next play was the big one of the game. Tatum got loose on a 90 yard scoring sprint and a kick added another point.

Still trying, the Tigers completed three passes in a row before time ran out.

Peggy Schumacher At State Fair 4-H Awards Banquet

Peggy Schumacher, senior at Gainesville High School, was one of 24 4-H'ers in the state honored at the 25th Annual Honor Award Dinner Oct. 15. The banquet at the Statler Hotel in Dallas is given by the State Fair of Texas and the Dallas Chamber of Commerce.

Miss Schumacher received a charm bracelet and charm signifying the award she achieved. She is the daughter of Mr. and Mrs. Richard Schumacher, Rt. 2, Gainesville, and the granddaughter of Mr. and Mrs. Alois Haverkamp, Muenster.

Dan C. Williams of the State Fair Board welcomed the youths, referring to them as solutions rather than problems in our country. Banquet address was given by Dr. Jack Williams, president of Texas A&M University, to over 100 parents, friends, state officials and honored guests. Robert B. Cullum, State Fair president, presented awards.

Bill Fuhrman and children Bobby, Tina and Kathy of Fort Worth visited Sunday with parents and grandparents Mr. and Mrs. H. J. Fuhrman. It was an early birthday visit for Mrs. Fuhrman whose birthday is Oct. 29.

Boys Club Meeting Scheduled Monday

Reorganization of the Muenster Boys Club for fall, winter and spring is the object of a meeting to be held next Monday night, the 25th in the club-room starting at 6 p.m.

Sponsors of the organization again this year will be the Jaycees, KCs, VFW, and Muenster Youth Council. Mike Stoffels is the club supervisor and boxing coach.

Members and prospective members are invited to the meeting and their parents are urged to be there also. Likewise other interested adults are invited, especially if they can help with the program, such as providing transportation to boxing tournaments or working at local tournaments.

Business at the meeting includes a schedule of activity and transportation to tournaments. Also boys will be expected to pay their dues of 25 cents a month and they will be able to buy jackets and T-shirts at \$8.00 and \$2.00 respectively.

Muenster Juniors Nipped 18-14 by Lake Dallas Kids

The Little Monsters of Muenster Public School were nudged out by a count of 18-14 in their game here last Thursday with the seventh and eighth graders of Lake Dallas.

Scoring started early when the visitors drove all the way on their first possession. Muenster responded promptly with a 60 yard drive ending in a 5 yard drive by Bobby Endres.

The second quarter was a repeat of the first. Lake Dallas kids went for their second score, then Muenster recovered a fumble on the Lake Dallas 40 and drove in from there. Mark Sicking scored from three yards out and Tim Wolf put the team ahead with his run for extra points.

Again in the third quarter Lake Dallas got to pay dirt and Muenster seemed on the way to its third TD. But the drive ran out of steam and Lake Dallas started back from the 15. The game ended with the visitors running out of time on Muenster's 20.

Muenster B Team Trimmed 22-0 by Lake Dallas Bees

Muenster High's B team made a fair start in their game with Lake Dallas last Thursday but could not hold up under the pressure. They managed to keep it scoreless through the first half and then allowed three touchdowns in the second. Final score was 22-0.

The young Falcons gave local fans a scare on their third play, going 55 yards for a TD on a pass. However a clip penalty nullified it. Another touchdown was scratched off by clipping early in the second half. It was 57 yard run.

MHS made a good start on its first possession, going 40 yards to the Falcon 33 before running out of steam. Shortly after that the Falcons went 52 and fumbled. However a short time later Muenster fumbled and Lake Dallas went 20 yards to the 8 before giving up possession on downs.

Starting from there Muenster got back to the Lake Dallas 31 before losing the ball on an interception.

The visitors took charge as the second half opened. Eleven plays, including a nullified TD went 69 yards for the first score that counted.

Muenster tried a comeback and moved 39 yards to the Falcon 21 then had to give up the ball. At that point a Falcon broke away for all of the 79 yards and also ran for bonus points.

And a short time later the visitors went 39 on a pass for the final TD, then ran over for extra points.

SH Seniors Visit Printing Company

Sacred Heart High Seniors and Father Leonard Wangler, student counselor, headed for Dallas on Oct. 14 with two purposes on the agenda.

Their first stop was at Taylor Publishing Company, the firm that prints SH Cordis, the school's annual. The group had a conducted tour of the plant and a complimentary lunch.

Next it was Jesuit Preparatory School where a College Day was in progress with colleges throughout the United States represented.

Schedule Listed On Teacher Hours For Consultation

A schedule announced this week by Principal Charles O. Cash of Muenster Public School reveals that each teacher has a scheduled time each week when he or she is available for consultation by parents.

The time for each is immediately after classes are dismissed, from 3:30 to 4 p.m., and the day each will be on duty is listed as follows.

In high school and junior high:

Monday; Mrs. Cash, Mrs. Trubenbach, Mrs. Sloan, Mr. Hayes.

Tuesday, Mr. Dyer, Mr. Fluker, Miss Dodds, Miss Morris.

Wednesday; Mr. Laird, Mrs. Sparkman, Mrs. Hartman, Mr. Hayes.

In the elementary grades:

Monday; Mrs. Robison, Mrs. Weinzapfel, Mrs. Walterscheid.

Tuesday; Mrs. English, Mrs. Selby.

Wednesday; Mrs. Dyer, Mrs. Christian.

Four other teachers, McDaniel, Chisam, Richardson and Moore have other duties at the scheduled consultation time. Meetings with them can be arranged by calling Mr. Cash.

BIRTHS

Mr. and Mrs. Guy Pels of Malvern, Ark., have announced the birth of a daughter, a sister for Anita, born Thursday, Oct. 14, 8:30 p.m. She weighed six pounds five and a half ounces. The baby's grandparents are Mr. and Mrs. W. F. Brown of Paris, Ark., and Mrs. Ed Pels.

Luncheon Honorees
Mrs. Joe Luke, librarian, and Mrs. Lee Toothaker, assistant, have been honored by personnel of Muenster Public Library in observance of their birthdays. In separate events, last Thursday for Mrs. Toothaker, and this Thursday for Mrs. Luke, library staffers provided covered dishes for noon lunches at the library.

Seeing Muenster for the first time this week and cousins for the first time in 42 years were Mr. and Mrs. Carl Plain of Waverly, Kansas. They drove in Monday and started back home Wednesday. They headquartered at the home of a cousin Frank Herr and Mr. and Mrs. Herr took them around to visit all the other cousins and to places of interest in and around Muenster.

Mr. and Mrs. Eddy Dunham and daughters Laurie, Marcie and Jeannine of Hurst visited during the weekend with her parents the Frank Herrs and in the afternoon they all visited with the Denis Walterscheid family. Back at home in the evening the Ronnie Herrs and children of Gainesville were visitors.

Council Demands Enforcement of Dog Ordinance

A policy to enforce strictly the ordinance pertaining to dogs and cats was adopted by the city council Monday night in response to recent complaints on dangerous, vicious and destructive animals in the city limits.

The discussion indicated that the city is far from solving its problem when it picks up stray dogs that have been a nuisance. The owner of such a dog can rescue it by buying a license and having it vaccinated. But the licensed dog, when turned loose, becomes a nuisance again, or perhaps a menace. Hereafter owners of such dogs will be held accountable.

The council referred specifically to Section VII of Ordinance 91, which reads as follows: "The peace officer or the designated person shall be and is hereby authorized to destroy any dog or cat found within the limits of the City of Muenster, whether licensed or not, if such dog or cat is found to be dangerous, vicious, or shows signs of having rabies, or when there is visual evidence that such dog and/or cat is attacking any person. The owners of all dogs and/or cats and those keeping same within the limits of the City of Muenster shall be deemed to be responsible for the conduct of any and all dogs and/or cats. This ordinance does not in itself restrict any such dog or cat to run at large, but, all owners and keepers must comply with this Ordinance and all owners and keepers are deemed under the law to be responsible for the conduct of any such dog or cat, and, upon sufficient and proper evidence the owners or keepers may be requested to restrain such dogs or cats from running at large, when the evidence is sufficient to indicate such dogs and/or cats are vicious, dangerous, or a nuisance to persons or property within the limits of the City of Muenster, and upon written complaints.

"Section VIII — Penalties . . . Any person violating the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding \$100.00, nor less than \$10.00, and each separate offense shall constitute a separate violation within the meaning of this ordinance."

Birthday Honors For Sicking Trio

With three in the Louis Sicking family having birthdays on October 14, there were two celebrations that day.

Wesley and Warren, twins, celebrated being six at the morning Kindergarten class. Mrs. Sicking provided birthday cake and ice cream, Mrs. Arthur Hennigan helped serve and Mr. Sicking was a special guest.

Mrs. Hollis Berry led her pupils in singing Happy Birthday and directed games.

That evening at the family home Rita Sicking celebrated her 11th birthday at a dinner party for family members.

Cubs Lose 24-6 to Fort Worth Kids

The Sacred Heart Cubs did a fine job in three quarters of their game with Fort Worth Day School's kids last Saturday night and then gave in to superior weight and numbers.

With a 6-6 tie at the end of the first quarter the teams struggled through the next two periods, mostly in mid field, and then the visitors scored a safety and two touchdowns in the last quarter. Final count was 24-6.

Starting the contest the Cowtown kids put on a 70 yard drive ending with a plunge for four yards on the scoring play.

Moments later Sacred Heart tied the count as Billy Krahl got loose for a beautiful 85 yard sprint to the goal.

The next two quarters were all defense but early in the fourth the visitors put on a sustained drive of about 50 yards before being stopped a foot short of the goal. However on the next play the Cubs were caught behind the line for a 2-pointer.

On next possession the visitors put on another drive which went all the way. And again in the closing minutes they scored on a 20 yard run against Cubs' reserves.

Joe Walters on Latin-American Good Will Tour

Mr. and Mrs. Joe Walter of Gainesville left Tuesday on a flying trip to Mexico City, the first lap of their good will mission to Latin American countries, and a visit with their son, Dr. John Walter, instructor at the University of Trujillo, Peru.

As "good will ambassadors" they plan stops in Peru, Guatemala, Panama, Colombia and Ecuador. Their visits have the sanction of Gainesville City Council and Gainesville Zoological Society.

The couple will convey appreciation to the country for their willingness to cooperate in contributing animals, trees and national flags for a proposed United Nations Section at Frank Buck Zoo in Leonard Park.

Special recognition will be given to Peru as the first country to contribute to the project. The national flag, trees and 14 animals are presently enroute from Lima to Gainesville by Peruvian airliner.

Highlight of the Walters' tour will be in Lima in attendance at a special ceremony at the Presidential Palace. They will be received by the President and will present him a certificate naming him an honorary citizen of Gainesville.

They will also be guests of the president and first lady at an official banquet and at the Lima City Council meeting and banquet. The Walters will present the mayor of Lima a certificate naming the City of Lima a Sister City of Gainesville. A similar ceremony will be held in Trujillo. Lone Star flags will also be presented to the mayors of both cities.

In addition to official ceremonies the Walters will tour industries, universities and museums and other points of interest during their Latin-American trip.

Post Office Will Close Next Monday

Veteran's Day will be observed by the U. S. Postal Service on Monday, October 25. Veterans' Day, formerly November 11, was changed to the fourth Monday in October by the Legislature in 1968 and will be observed on this date for the first time this year.

The only postal services provided on Veterans Day will be lock box delivery and special delivery. The service counter will not be open and rural delivery service will not be provided. A pick up will be made from the out-of-town collection box located outside the post office.

Usual services will be provided on Saturday.

one of the outstanding features of the game. In spite of a shoulder injury which kept him out of practice a week, and which was still a painful handicap in the game, he did a fine job at quarterback, carried for several gains, kicked the extra points, and played a stout defense as linebacker.

On first possession of the second half Muenster started from midfield, got the benefit of a 15 yard penalty and reached the 18 in six plays. But that was the end. A fouled up play lost 7 and three passes went incomplete. However the Hornets got back into business on a fumble recovery the next play on the 28.

After four yards on two tries a pass to Curtis Klement reached the 10. Trachta got to the 1 on a pitchout and went over on the next play.

The next kickoff was followed by an interception and nice return by Randy Wolf, then an exchange of kicks before the Hornets moved again. But this time they did not finish the job.

Three plays went 38 yards to the 3, and that's where the Falcons called a halt. The next four tries ended at the 1 foot line.

Then it was time for the Hornets to show their defense. The Falcons got to the 15 with a pass then a holding penalty and two losses set them back to the 2 before they kicked. For the rest of the game Muenster made two first downs and lost two fumbles. Lake Dallas made one first down and lost one fumble.

Drivers Cautioned To Avoid Tragedy On Halloween

What will it be this Halloween in Texas, trick-or-treat or tragedy?

If you're driving your car Oct. 31, the answer can be largely in your hands, says the Texas Insurance Advisory Association (TIAA).

Halloween is a popular holiday in the Lone Star State. Nearly all of the state's approximately 2,100,000 elementary school children will become trick-or-treaters for a few hours, romping through their neighborhoods with little on their minds but the next treat.

The TIAA reminds that while it can be a joyous time for kids, it is also potentially dangerous for them.

"At no one time in the year are more children wandering through the streets at night garbed in vision-impairing

masks and dark, difficult-to-see costumes," said the TIAA. "We urge all motorists to think fast and drive slowly — and carefully on All Hallows Eve. The kids are bent on fun. Don't put a morgue in their merrymaking."

The TIAA offered the following safety tips to motorists and parents of trick-or-treaters:

To motorists — Drive slowly and warily. Watch for children darting out between parked cars. Tap your horn occasionally on dimly-lighted residential streets. Be extremely cautious while backing out of driveways.

To parents — Escort your littlest ones. If your children are going as a group, give the oldest a flashlight. Dress the kids in bright clothing or stick reflective tape on their costumes or trick-or-treat bags. Use a scissors to widen the eye holes in their masks. Urge them to look up and down before crossing.

Adults who do their own merrymaking at Halloween parties are reminded that drinking and driving don't mix.

"Remember," the TIAA said, "that Halloween is a fun time for children. In all the excitement, they're not likely to be thinking of safety. You — the motorist — have to do their thinking for them."

"If children's Halloween antics remind you that you were a kid once yourself, drive in a manner to ensure that some child will grow old enough to say the same."

German Measles And Measles Are Distinct Diseases

Doctors are increasingly worried over what seems to be a general confusion among the public about measles and German measles. They are two distinct diseases caused by two different viruses. Measles, or rubeola, is perhaps the most underrated of all childhood diseases. Measles can kill or, more often leave a

lifelong legacy of brain damage or deafness. Since encephalitis occurs in a small but significant number of measles cases, and permanent disability occurs in a fair proportion of these, this year's upsurge will sentence several thousand children to some sort of brain damage. Rubeola most frequently strikes preschoolers. Until 1963, measles was virtually unstoppable. Today, one dose of measles vaccine given to children 12 months or older

offers almost 100 percent protection. It's the best odds a parent can find anywhere in child health care these days. German measles, or rubella, is less contagious and occurs more frequently among young adults. Women stricken with rubella during the first three months of pregnancy run a great risk of bearing retarded or handicapped children.

Sometimes called German measles (though it has no relation whatever to the other variety), rubella is one of the mildest infectious diseases of childhood. Many youngsters actually go through rubella without knowing they have it. But when the virus is transmitted to the pregnant mother the results can be devastating. Following the 1964-65 rubella epidemic, an estimated 20,000 babies were born with severe birth defects.

With another epidemic predicted for 1972 or 1973, the only way to prevent an equally large harvest of deaf, blind, and mentally retarded infants is immunization of children between 12 months of age and puberty. The epidemic is expected because rubella outbreaks historically run in cycles of seven to ten years.

Separate immunization shots are available for both rubeola and rubella. Unfortunately most mothers are unaware of this and assume that a single shot protects children against all types of measles. This misconception leaves the children open to infection by one or the other of the viruses.

NOTES FROM THE LIBRARY

By Bettie Luke

This is the procedure we follow to put a new book on our shelves.

Of utmost importance is the selection of the type of book to order. When the shipment arrives, books are checked and accessioned. Next it is cataloged and the required cards typed: shelf list, author, title and subject.

All books have to be stamped with the Library's name and stickers attached to the spine of the book. Finally the book is shelved in its category, fiction or non-fiction. Dear Readers, it is your library so please use its reading facilities.

Carla Lehnertz Has Head Start at LSU

Carla Lehnertz, a freshman at Louisiana State University at Shreveport, has a head start of 16 semester hours in her college work as a result of passing advanced standing examinations at the school, according to an announcement by the LSU academic dean.

Carla is the daughter of Mr. and Mrs. Earl Lehnertz of Bossier City, La., and a granddaughter of Mrs. Agnes Lehnertz of Muenster.

The standing exam program enables students of superior ability to receive advance credit in specified courses.

Carla also received automatic credit in English composition by scoring high on the American College Test.

Garden Club Has Program on Bulbs

Muenster Garden Club members, at their October meeting Monday night, heard an informative and interesting discussion on bulbs, with Mrs. Paul Endres program chairman.

She showed large colored pictures of many blooming varieties of bulbs as she told of their use in the garden and demonstrated correct planting of bulbs for indoor forcing. She explained ideal soil preparation and indoor care both before and after blooming. She had with her three books she used in researching her material and told where members could obtain copies for their own use. And she shared with members a large box of double day lily bulbs from her yard.

Miss Bettye Dodds distributed new yearbooks. Mrs. Arthur Endres, president, conducted the business session and reviewed activity during the summer when the club did not hold formal meetings. Standing committees however remained active. Mrs. Endres and Mrs. Steve Mosler reported on work done since the last meeting in May.

Plans for Fall Workshops and other activities were discussed.

In other business Mrs. Ernest Jaska was appointed chairman of a new standing committee for fund raising. And Mrs. Pat Stelzer was appointed co-delegate with Mrs. Arthur Endres to attend the District II meeting in Dallas on November 8-9.

Members met in the home of Mrs. R. N. Fette with Mrs. Joe Hofbauer as co-hostess. They served dessert and coffee to 18 members and one guest, Mrs. W. L. Eddy, as they arrived. The serving table was covered with a lace cloth and held a centerpiece of violets. Violets also decorated green and white napkins emphasizing the club flower and colors.

For the next meeting Nov. 8 Mrs. Oscar Detten and Mrs. Joe Sicking will be co-hostesses. Ken Kaden, Gainesville nurseryman, will be guest speaker on "Landscaping."

Local News BRIEFS

Mrs. Larry Joe Walterscheid of Moore, Okla., visited Saturday with "Grandpa Joe", J. C. Trachta, and made pop calls on friends.

Miss Sharon Tompkins of Fort Worth and her fiance Mike Fedor of Grand Prairie, accompanied by Miss Judy Tompkins and her roommate at TWU in Denton, visited Sunday with the Victor Hartmans and other relatives.

Mrs. Barbara Martin of Dallas, area consultant, visited Muenster Public Library last Thursday afternoon. It was her annual visit.

Mr. and Mrs. Ronnie McCorkle and son Lee of Irving were visitors Friday through Sunday with her parents, the Al Trubenbachs and celebrated Mrs. McCorkle's birthday at a noon dinner Sunday.

Save Cancelled Stamps
Sacred Heart Mission Club and moderator Sister Theresina are pleased with cooperation they are receiving in their cancelled stamp drive and again remind everyone to send all cancelled stamps and send them to school or to Mrs. John Felderhoff's or the Joe Swirczynski home. An unusually large collection of stamps including foreign stamps has been received from Miss Anna Hoenig, New York City. For all contributions the students and moderator are grateful.

Lindsay News

Mr. and Mrs. Paul Zimmerer have ended a visit here with his father I. A. Zimmerer and family members. They drove from Leonia, N. J., accompanied by a four-year-old nephew William Michael Clancy also of Leonia and Mrs. Zimmerer's brother Hubert Clancy of New York City. He returned home Sunday by air from Dallas. The Zimmerers and nephew started back to Leonia Thursday this week.

Mr. and Mrs. Tommy Zimmerer and daughter Tonia of Hurst visited his parents, the Bruno Zimmerers Sunday after visiting Saturday with her mother Mrs. Bill Neu at Gainesville.

Mr. and Mrs. Joe Bezner Jr., accompanied by his mother Mrs. Joe Bezner Sr., spent Sunday at Richardson with the couple's daughter and son-in-law the Roy Morisaks and returned their little son Gene Morisak to his home after a four day visit with his grandparents. Meeting them there to spend the day were the Bezners' daughter and family the Gene Taylors and Mike of Hurst.

Angela Ann Mays Michael R. Bezner Set Wedding Date

Mr. and Mrs. J. W. Mays of Gainesville have announced the engagement of their daughter Angela Ann and Michael R. Bezner, son of Mr. and Mrs. Joe Bezner Jr. of Lindsay.

The wedding is planned for December 18 in St. Peter Church at Lindsay with the pastor, Father Damian Wewers, and Dr. Harry Roark, pastor of First Baptist Church, Gainesville, officiating.

The bride-elect is a graduate of Gainesville High and the future bridegroom is a graduate of Lindsay High. Both attended Cooke County Junior College. She is employed by Home Marketing and he is employed by Bomber Bait Co.

Mrs. Tony Hermes Surprise Honoree

Early surprises greeted Mrs. Tony Hermes Sunday for her October 20 birthday when family members gathered in the Hermes home at Lindsay with covered dishes for dinner, gifts, and three decorated cakes. Pictures were made.

Attending with Mr. and Mrs. Hermes were Mr. and Mrs. Cecil Hermes, Joann and Douglas of Sherman, Mr. and Mrs. Mark Hermes, Shelly, Chris and Leah of Gainesville, Mr. and Mrs. Tommy Dankesreiter, David, Dana and Eric of Muenster, and Ralph, Francis and Randy of the home.

Back from St. Louis
Mrs. Fred Luebbert of Gainesville and Joe Sandmann of Lindsay returned Sunday from a ten-day flying trip to St. Louis where they visited relatives. Mrs. Luebbert lived in St. Louis about ten years in her younger days. One day relatives took them to Belleville, Ill., to visit Our Lady of the Snows Shrine and one day they visited a nephew about 80 miles from St. Louis where deer roamed the countryside.

How many of our welfare people and do-gooders and liberals have stopped to think where the country will go from there? When people have achieved the ultimate in socialism they are only a step from dictatorship. Thereafter they'll share the misery instead of the wealth.

FB Members At Employer Seminar

Two members of the Cooke County Farm Bureau attended an employers' seminar pertaining to unemployment compensation last Thursday morning at Grayson County Junior College. They were Mrs. Nita Faulkner, secretary of the county FB, and Mrs. Burney Almon.

Principal speaker at the event was W. S. Birdwell of the Texas Employment Commission. He explained that the 62nd Legislature made sweeping changes in the unemployment compensation act to conform with federal requirements, and the meeting's purpose is to familiarize employers with the act's new provisions.

Principal changes were to increase weekly benefits available to the unemployed, and in some cases to provide extended benefits. Funds for the increased benefits will be obtained by increasing the tax base from \$3000 to \$4200 and increasing the maximum tax to 4 per cent. Also the tax applies to all employers paying as much as \$1500 wages in any quarter of a year. Formerly it applied to those who regularly had four or more employees.

Mr. and Mrs. Johnny Streng spent the weekend in Corpus Christi visiting their son John Henry Streng who is in college and working there and Mrs. Streng's brother Father Sylvester Schad at Corpus Christi Benedictine Abbey.

Visiting Mr. and Mrs. Butch Fisher and children are her parents, Mr. and Mrs. John Ward of Conroe. They came last Thursday to get acquainted with their new granddaughter Janie Elizabeth. The baby and her mother were dismissed

from Muenster Hospital Friday. The Wards will spend about two weeks.
Harry Scoggins, working for AMPI in San Antonio, spent the weekend with his wife and family.
