MUENSTER, COOKE COUNTY, TEXAS 76252 NOVEMBER 5, 1971

NUMBER 50

The US Senate had the right idea last week, but it went too far in turning down a \$2.9 billion bill to extend foreign aid. The more proper course, it seems, would be to list the countries which voted against us in expelling Nationalist China and then scratch every one of them as well as the UN itself. And next, it might have considered whether all of our loans to friendly nations are really necessary, and scratched those that are not.

We imagine that there are a number of programs and beneficiaries among the friendly countries that deserve our support and that the senate ought to revise its former action accordingly. As for the others, let them seek their help from the clique of countries which did the hatchet job on the Chinese Nationalists.

To us it seems like the height of gall and presumption for many of those countries, who have been on the receiving end of our generosity for years, and went into cahoots with the Reds in defeating us, and then added insult to injury by publicly gloating over our humiliation, to turn cry-baby when we finally proclaim we have had a belly full of their ingratitude. Defeat of the aid program is especially appropriate in relation to UN's insulting procedure of a few days before, but it was also proper for lots of other reasons. Lots of countries do not deserve continued help because of their behavior even before the UN session.

India, for instance, has received billions in aid but has been much too chummy with the Soviets lately. Pakistan has a similar record. It acts more and more like a satellite of Red China after we sent billions to help its starving millions. Chile has accepted a billion and a half in aid and showed its gratitude by confiscating American investments which supported the economy for many years.

Likewise the European countries like France and England and the Baltic countries, which got US help to rebuild after the war and belly ached lately because our new economic policy includes a long overdue turn to our own interests. Reason tells us the senate's decision was fully justified by previous considerations and it was demanded by last week's display of international ingratitude, rudeness, injustice and total lack of integrity.

The administration says that the cut-off of funds is regrettable. It mentions projects that, it thinks, really ought to be continued. But it is out of line when it asks us to bear UN insults and goof off money on unworthy projects. Let it, instead, revise the bill in support of the deserving nations and projects and present that to the Senate.

Let it, furthermore, start talking seriously with free nations all over the world in an effort to develop an alliance and stop helping their enemies, the reds. History of the past three decades records dozens of crises in which reds survived solely on the help of this country. Undoubtedly more crises will come. But let's hope we'll never again be in the position of helping the people who seek our destruction. Who knows but what this is still the way to win the global struggle. A system as corrupt as communism can't survive on its own merits. We doubt whether it can survive from now on if it can't lean on us for help.

Halloween in Muenster is a day loaded with tradition. Through the years there have been hundreds of pranks and practical jokes, including a number of classics like hoisting farm machinery to the roof of a business building. People marveled at the originality and persistence that went into the horse play. The result was an achievement worth a laugh. They also appreciated the sportsmanship of the Halloween engineers who frequently pitched in to get things back in shape.

The thought of the old spirit makes a person deplore what goes on nowadays. Halloween isn't funny any more. Just sad and revolting. It is more correctly described as vandalism, nuisance and ecological outrage. Those who impose it on the community ought to be fined for disturbance then also required to clean up the mess and pay for the damage.

During the three-night madness just passed we have had a variety of imbecility. Dozens (Continued on page 8)

HOMECOMING ROYALTY. Queen candidates and princesses for the royal court have been announced at Sacred Heart High for festivities at homecoming Saturday, Nov. 6. Chosen by the Tiger squad, queen candidates are Seniors (top, left to right) Carla Schilling, Yvonne Gehrig, Margie Felderhoff, Ann Bartush. Queen's identity will not be revealed until half-time coronation ceremonies. The other three will be princesses. Also princesses will be (left to right) Beverly Walterscheid, junior; Nanci Fuhrmann, sophomore; Laura Kralicke, freshman.

H & W Meat Co. Holds Open House Sunday

H & W Meat Company which has been in business since October 4, will show its plant to the public at an open house Sunday afternoon from 1 to 5 p.m.

Along with the formal opening it will have door prizes for three lucky registrants. The first is 50 pounds of beef, the second 25 pounds and the third is \$15 in trade.

Hosts for the event will be the owners Don Hess and Sylvan Walterscheid and their wives. They will be assisted by the plant's five employees, Don Wilson, Gilbert Boydston, Bob Hess, Cozell Morris and Carl Hess.

H & W Meat Company is a combined slaughter house and meat processing plant selling meat wholesale and retail. Besides regular retail sale across the counter it has a custom processing service for food freezers and wholesale sales which are delivered in a refrigerated truck. For custom processing the firm will use the customer's animal or furnish its own.

The H & W plant is brand new completed a month ago, and conforms with USDA regulations for slaughtering and processing. It is equipped for handling 25 to 30 cattle a day. Total space, exclusive of the outside holding pen is 3400 square feet.

In conformity with state regulation, a state inspector examines each animal before and after killing if the meat is to be sold. The law does not apply to animals which are

Potent Dallas Chargers Win 31-0 Over SH Tigers

The power packed Chargers of Dallas Christian did as expected Saturday night in an easy one sided victory over Sacred Heart's Tigers. They ran up 18 points in the first six minutes and added two more TDs in the second and third periods for a final count of 31-0.

Nevertheless the outclassed Tigers kept going at full steam, spoiling some of the Christian drives and putting on a nice drive of their own late in the game.

With Charger reserves on the job Sacred Heart went 85 yards to the Charger 9 and blew its best scoring opportunity with a fumble.

Following the kickoff Charger defense applied the pressure and pushed back the Tigers 12 yards for a safety on the first series.

On their first possession Mullins added another 6 points with a 34 yard pass to Morgan and a kick upped the score to 9-0.

The next touchdown came promptly after the Tigers were stopped cold on their first series. A screen pass advanced 19 yards to the 30 and Mullins' pass to Atkinson was

brought in by the customer for custom processing. However if an animal is not inspected it must be kept separate from other meats.

After killing and dressing in the slaughter room half carcasses are hung on rails and sent to the chill room for cooling to 32 degrees. From there they go to the holding room where they remain at 32 to 35 degrees until cut into the desired pieces for wholesale or retail sales or for customer freezers. When custom processed the meats are quick frozen to 15 below zero for delivery.

Auxiliary to VFW Plans Memorial Rites November 11

Members of Muenster VFW Auxiliary, at their meeting Monday night, planned their annual memorial service for November 11 following the 9:30 a.m. Mass. The short memorial ritual in the service men's section of Sacred Heart Cemetery consists of prayers and presentation of floral tributes. Everyone is invited to attend.

Mrs. Don Flusche, president, conducted the meeting and gave a report on an officers' meeting she attended in McKinney.

After adjournment Mmes. Thomas Hesse and Quintin Hess served a cold buffet to 18 members and Mrs. Wilfred Bindel won the door prize.

Tisdale Sponsors Film for Dairymen

Dairymen and any other interested people are invited to a color movie entitled "Modern Mastitis Management" Wednesday night November 10, at 8 o'clock in the FFA room at Muenster High.

Dr. Larry Tisdale, program sponsor, said it is a new film produced by The Upjohn Company with narrative by Chef Huntley and deals with newest methods in prevention and control of mastitis. Dairymen, their families and employees are specially invited and any others are welcome.

After the film Dr. Tisdale will conduct a question and answer period. And following that coffee, cold drinks and donuts will be served.

Mass, Reception Observe Starkes' 50th Anniversary

An anniversary Mass in Sacred Heart Church and a reception with dinner in the Parish Hall Saturday observed the golden wedding of Mr. and Mrs. Joe Starke who set up housekeeping in Muenster after their marriage on Oct. 26, 1921, and have been continuous residents since. She is the former Miss Anna Schettler of Sterling, Okla., where the couple married 50 years ago. They are parents of 11 children, ten living.

A nephew, Father Charles Schettler, chancellor of the diocese of Oklahoma City, assisted by Father Placidus Eckart, pastor, celebrated the Mass at 11 a.m. and heard renewal of the couple's vows.

Grandsons David and Dale Pfaff were altar boys and Mrs. David Bayer was organist.

Grandchildren Virgil and Michael Forrester and Annette and Alice Gruber presented the sacred vessels at the offertory.

The 50-year bride wore a floor-length gown of royal blue velvet topped by a knit coat with velvet trim. She made the ensemble. Sewing is her hobby. She completed her costume with a yellow orchid (Continued on page 8)

C.J. Wimmers Are Honored on Their 65th Anniversary

Sixty-five years of married life were observed Saturday by Mr. and Mrs. C. J. Wimmer, long-time residents of Muenster who were married Oct. 30, 1906.

In the evening the family attended 7:30 Mass in Sacred Heart Church after which the Wimmer children honored their parents at a covered dish supper in the home of a daughter, Mrs. Leo J. Haverkamp.

Mr. and Mrs. Wimmer have one hundred direct descendants — ten children, 44 grandchildren and 46 great-grandchildren.

With them at the anniversary observance were their six sons and four daughters: Joe, Tony, Charlie, Lawrence, John and Andy Wimmer, Mrs. Leo J. Haverkamp and Mrs. Ray Otto, all of Muenster, Mrs. Charles Berend of Hereford and Mrs. Paul Luke of Dallas, and their spouses.

The couple well remember their wedding day in Tours 65 years ago. They drove in a buggy to St. Martin's Church for the nuptial ceremony, celebrated in the traditional manner and the next day were out in the fields gathering corn because the crop had to be harvested.

They lived in Tours seven years, then in Durant, Okla., until 1918 when they moved to Muenster. They retired from farming in 1947 and live in town and still enjoy doing their household chores. Both were born in Tours in 1887.

Cistercian Hawks Will Play Tigers At Homecoming

Coach Tom Joy and his Sacred Heart Tigers have no illusions about their homecoming game Saturday night at 7:30. The Cistercian Hawks of Irving are on a par with Dallas Christian, Fort Worth Day School, Greenhill and those other TISC teams that have been winning big over the Tigers. Joy feels that a loss can be taken for granted, but he's also counting on the kind of scrappy performance that made his little fellows look good even in defeat.

The Hawks will come here fresh from a 17-8 win over Trinity Valley, which ran over Sacred Heart early in the season. They also have a 5-2 loss to Dallas Christian and a 13-12 loss to FW Day School. Though not a strong record it's much better than the Tigers' 0-8 count, including some lop sided scores.

Physically and mentally the Sacred Heart boys are fine. They got through their last game without an injury and their spirit is still high.

Their game will be preceded by a clash of the Cubs with Cistercian's seventh and eighth graders starting at 5 o'clock.

Audio-Visual Equipment to Be Shown at Library

Muenster Public Library, striving to better serve the needs of the community has arranged special programs on Tuesday, Nov. 9 and Thursday, Nov. 11 for the purpose of showing audio visual equipment that is on loan from the County School Superintendent's office. Everybody is invited to see the demonstration of this equipment, which is being considered for expanding the library's facilities.

Pilot slides, records, tapes and strips will be high interest rather than technical in nature. Mrs. Dorothy Pasqua will be in the library Tuesday and Thursday afternoons to demonstrate and assist those interested in using the new equipment.

Additional volunteers will be needed those two days. Persons willing to help may contact Mrs. Bettye Luke or Ernest Jaska.

Hornets Nip Coons 23-20 In Tussle for 12-A Lead

Several hundred Muenster fans who followed the Hornets to Frisco Friday night came home limp but happy. The game was the kind that makes nervous wrecks of the spectators, however the fiercely con-

Hornets, Indians Meet Here Friday In Crucial Game

Football will continue to be rugged for the MHS Hornets this week, when they tangle with Sanger's Indians on the Muenster field starting at 8 o'clock Friday night.

After two losses Sanger is out of the District 12-A race, but it served notice last week by an 18-6 win over Pilot Point that it is still a tough foe. As Coach Glenn Richardson sees the situation, this is what the Indians needed to lift their spirit after previous losses. They can be expected to be in top form.

That, says Richardson, will require the top effort of the Hornets. Sanger has a good team, and, with its ace pass snatcher Brad Cole in operation, will be dangerous all the time. It's capable of spoiling the fine Hornet record.

With that in mind Richardson is telling his boys that their better record doesn't mean a thing. They'll have to hustle every minute to keep their title hopes alive.

Physical condition of the Hornets again will be below par. Dickie Fisher, out with a dislocated shoulder last week, is still doubtful. Henry Knebe, Ricky Swirczynski and Danny Fette will be handicapped and possibly benched by leg injuries.

Gala Program Ready For SH Homecoming

Everything is ready at Sacred Heart High School for a spirited program, and a warm welcome awaits ex-students at the annual homecoming celebration Saturday night. Program headliners start at 6:15 with a parade from the corner of Main and First

City Council Calls For Crackdown on Halloween Vandals

Sheriff's deputies stationed in Muenster were assured Monday night that they have the cooperation of the city council in investigation and prosecution of vandalism connected with the local observance of Halloween. A number of those activities clearly come under the heading of misdemeanors, the council agreed, and guilty persons should be subject to the legal penalties.

In other action the council approved payment of \$1000 to the city library as the first installment of the year's 2,000 appropriation.

The council also discussed Christmas lighting with Ernest Jaska who recommended a change of arrangement for the 22 strings of lights stretched across Main Street and the highway in recent years, along with the addition of blinkers. They also considered an elevated display at some prominent spot, such as the water tower.

Street to Tiger Stadium. Participants will include the homecoming court, cheer leaders and drill team. On reaching the football field, queen candidates and princesses, escorted by their fathers, will be introduced.

Kickoff — Tigers vs Cistercian Hawks — is 7:30. At half-time the homecoming queen will be crowned. Escorting the royal party will be Tiger squad members.

Contenders for the crown are four seniors: Carla Schilling, Yvonne Gehrig, Margie Felderhoff and Ann Bartush, chosen by the football squad. Identity of the queen, kept secret, will not be revealed until coronation time. The other three will be princesses in the royal court along with one favorite from each of the three other grades: Beverly Walterscheid, junior; Nanci Fuhrmann, sophomore, and Laura Kralicke, freshman.

Immediately after the game Sacred Heart Alumni Association will host a social and program for Exes honoring graduates of 1941, 1951 and 1961. Sylvan Walterscheid, Alumni president, will be master of ceremonies. This program will be in the Parish Hall.

Also immediately after the football game, "The Shelter" a band from Denton will be making music for the homecoming dance in the K of C Hall. Everyone is invited to the dance.

Allen Fleitman Is 4-H Gold Star Boy

Outstanding 4-H Club boys and girls of Cooke County were honored Monday night at the annual awards banquet when some 300 people gathered at CCJ for the program. Highest awards, those of Gold Star Boy and Girl went to Allen Fleitman of Muenster and Lou Ann Pybas of Sivelles Bend while Mrs. George Gehrig of Muenster was honored as the outstanding county 4-H adult worker and received the 4-H Alumni Award.

Gold Star is the highest Extension Service award a 4-H member can receive on the county level. Winners are selected on the basis of leadership, personal development and projects.

Allen, a senior at Muenster High School is the son of Mr. and Mrs. Eddie Fleitman. He has been active in 4-H for seven years, has carried projects in horse, beef, dairy and safety, has been president and council delegate for his club, served as vice president and reporter for the County 4-H Horse Club, attended State 4-H Roundup last year and is active in sports at MHS.

Miss Pybas, whose various interests range from project work to leadership in her club, attended State Roundup in 1970-71, is active in school and community affairs, and this year was honored by being a delegate to the National 4-H Citizenship Short Course in Washington, D.C.

More than 100 other 4-H Clubbers received awards for various phases of club work. Miss Peggy Endres and Tommy Felderhoff of Sacred Heart Club, last year's Gold Star winners, were program (Continued on page 5)

Modern Floors Moves Monday to New Location

Since the beginning of this week Modern Floors, owned and operated by Roy and Jane Monday, is in its new location at 206 North Main.

The building, which was formerly occupied by the Rec Room has been specially remodeled and refinished to accommodate the new business. Slightly more than a third of the main room was partitioned off for office and sales floor then finished in wall paneling acoustical tile and carpet. The rest of the building serves for storage.

The Mondays started their business on January 1 this year taking over the floor covering department of Hess Furniture Co. Remodeling there in June, before Hess added the Western Auto line, included addition of one room for Modern Floors. That space now is taken over by the Western Auto Store.

As a starter in its new location Modern Floors has a sale through November 13 on three separate kinds of carpeting. Personnel of the store are Mr. and Mrs. Monday and Mike Frost.

Hornet-Dads' Night

Friday night is Dads' Night at the Hornet football game. Prior to their game with the Sanger Indians the squad members will be introduced with their fathers on the field.

Let UN Go Its Way Without US Funds Purcell Proposes

Congressman Purcell today called upon the Administration and the Congress to "re-examine our financial support and membership in the United Nations" as a result of the vote yesterday to expel Taiwan from the United Nations and seat Communist China.

Purcell pointed out that he and over 335 other Members of Congress had signed a petition to the President, prior to yesterday's UN vote, letting their strong opposition to the exclusion of Nationalist China be known.

"Kicking the Nationalist Chinese's fourteen million people out of the UN, while keeping in such countries as Malta, with 318 thousand, and Mauritius, with 800 thousand people, demonstrates to me that the majority of the Membership of the United Nations has no interest in keeping that body truly representative of all the people of the world," Purcell said.

"Half the Membership of the United Nations has the same or a smaller size population as Taiwan. Not only have we had our strongest supporter on the Security Council replaced by Communist China,

the Membership of the United Nations took a further misguided step — they expelled a nation which helped write the United Nations' Charter in 1945. This action is historically indefensible and it may well be in our own best interests to let the United Nations go its own way — but without American funding.

Ireland's "Religious War"

Reporting on violence in Northern Ireland leaves much to be desired. The fighting between Belfast's Catholic minority and Protestant majority is interpreted as if it were one of the religious wars which characterized the period of the Reformation.

John A. Greaves, in a London dispatch, affirms that "The British press and television generally have made the Catholics and the Irish Republican Army (IRA) appear to be the villains in the violent conflict in Northern Ireland." He continues: "Catholics are generally equated in the popular press with the outlawed IRA, and the IRA in turn is generally reported as the organizers of the terrorism, burning and shooting in that British province."

Little attempt is made to publicize the grievances of the Catholic minority, who are severely discriminated against in jobs, housing and voting. Most Catholics do not possess the right to vote because they lack sufficient property to qualify for a voting right. Nevertheless, most American reporting on national TV networks implies that this is a purely religious conflict.

The interpretation of this conflict offends both Protestant and Catholic Irishmen. It expresses the contempt of secularists for all religions, which they regard as the last vestige of superstition and authoritarianism. Anti-Christian elements are becoming increasingly outspoken in the media, even though they posture as the protagonists of tolerance, freedom and liberalism.

A Dangerous Age

Figures released by the National Transportation Safety Board, covering a study of 15-to-24-year-old auto drivers, are enough to make parents regret that cars were ever invented. Among 17,700 youth fatalities in 1969, there were 7,400 more youthful driver deaths than would have occurred if their fatality rate had been the same as that of drivers 25-years of age and older. The disproportionate loss involves "predominantly the young male". The Board finds that, "Driving and riding with other young drivers constitute the greatest hazard to survival which American youth must pass successfully to reach adulthood." No one knows the loss of life inflicted upon other age groups as a result of the suicidal carelessness of the 15- to 24-year-old drivers.

The National Transportation

Safety Board makes a number of recommendations aimed at young drivers. These include: licensing, driver education and improvement, alcohol safety action and vehicle inspection. Those who wonder about the high insurance rate on youthful drivers can find their answer in the carnage youth commits everyday on the nation's highways.

Bedeveling the Honest Citizen

Judging by recent figures concerning the killing of policemen, sweeping gun control laws, aimed at depriving the law abiding of the right of gun ownership, would be about as effective as outlawing the rising of the sun. These figures show that of the arrested killers of policemen, 71 percent had been arrested previously and 57 percent had been convicted, mostly of crimes of violence. This means that it was already illegal for most of them to have guns under federal law and many states or local laws. Between 15 and 20 percent of the policemen murdered with handguns were killed with their own handguns, which their assailants snatched away from them. This could be the consequence of "Don't Shoot" orders given police in some cities. In the past three years, Black Panthers have murdered nine law officers and wounded 56 more with gunshots. Most of the guns traced to them were found to have been acquired by theft.

The simple fact, as pointed out in "The American Rifleman", is that, "Most police killings are committed by criminals with illegal guns. Rather than passing another law for them to ignore and break, the solution is to put them in jail. There are enough laws now under which that can be done without bedeviling the millions of honest citizens who own guns."

The right of gun ownership is one of the most fundamental and traditional of American freedoms. A gun is a companion of ranchers, farmers, trappers, woodsmen and sportsmen. Those who would strike down the right of gun ownership for these millions of responsible citizens in the name of curbing crime are committing the greatest disservice to the basic principles of our American philosophy of individual freedom.

The seven stages of ambition:

- 1—To be like dad.
- 2—To be an engineer.
- 3—To pilot an airplane.
- 4—To be famous.
- 5—To become a millionaire.
- 6—To make enough to make both ends meet.
- 7— To hang on long enough to draw a pension.

Consolation for Conservatives

Although the media desperately attempts to convince everyone that conservatism is unpopular and a perspective of the past, two recent reports contradict them.

According to the Gallup Poll taken after President Nixon's economic announcement, the President is ahead of his three leading Democratic Party rivals as the public's choice for the presidency in 1972. In a similar poll last June, Nixon trailed Sen. Edmund Muskie and barely edged Sen. Edward Kennedy and Sen. Hubert Humphrey. In the latest poll, Nixon led all three by at least 5 percent.

The second report indicates that Nixon is not conservative enough. The Young Americans for Freedom, a conservative youth group claiming 70,000 members, voted overwhelmingly to suspend its support of President Nixon, and in a mock presidential nomination picked Vice President Spiro T. Agnew for 1972.

The media's efforts to discredit conservatism are possibly counter-productive. The fact that the majority of Americans today favor a conservative candidate indicates the concerted efforts of the media to brainwash the public have failed. It is a healthy sign that most Americans can recognize propaganda when they meet it. Conservatism is far more popular among the American people than our media would lead us to believe.

Donna Janicki and Capt. Tackaberry To Marry Dec. 30

Warrant Officer and Mrs. John P. Janicki of San Antonio announce the engagement and approaching marriage of their daughter Donna Marie and Captain Burt Stewart Tackaberry, son of Brigadier General and Mrs. Thomas H. Tackaberry of Fairfax, Va.

The bride-to-be is the granddaughter of Mr. and Mrs. Jacob Pagel. She was graduated from school in Nuremberg, Germany, and is employed at the Alamo Area Exchange Service at Fort Sam Houston. Captain Tackaberry is a graduate of the University of South Florida and is attending flight school (Rotary Wings) at Fort Rucker, Alabama.

A December 30 wedding is planned in the Gift Chapel at Fort Sam Houston, San Antonio.

JETS Club Tours New Dental Clinic

Members of Sacred Heart JETS Club were given a tour of Muenster's new dental clinic by Dr. Gerald Graham as the preliminary of their meeting Monday night.

Doctor Graham explained procedure and equipment used in his office and demonstrated the use and effect of medicated air — "laughing gas" — on Cletus Bayer.

The business meeting was held in TP&L Community room where President Cletus Bayer presided. Margie Felderhoff gave a report on Career Day at A&M University Oct. 2, attended by senior members of JETS, Ernest Jaska, engineering adviser, Mrs. John Mosman, club sponsor and her husband.

Refreshments were served to 16 members, Mr. and Mrs. Jaska, Mr. and Mrs. Mosman and Dr. and Mrs. Graham.

Starke and Miller Wedding Plans Are Made for December

Mr. and Mrs. Joe Starke Sr. have announced the approaching marriage of their daughter, Mildred, and Robert Miller, son of Mr. and Mrs. John Miller of Highland, Calif.

Miss Starke has been a resident of San Bernardino, Calif., for eight years, following her graduation from Sacred Heart High School. She attended San Bernardino Valley College for one year and received her training in Inhalation Therapy at St. Bernardine's Hospital there. She is currently employed as a certified inhalation therapy technician and is a trainee EKG technician at Parkview Community Hospital in nearby Arlington, Calif.

The future bridegroom is a 1965 graduate of Pacific High School in San Bernardino, has served in the Navy as a hospital corpsman and has seen duty in Vietnam. He is presently employed at San Bernardino County General Hospital and is attending San Bernardino Valley College.

The couple has planned a small wedding in late December. They will live in San Bernardino.

Hillcrest Manor's Open House Party Re-activates Club

Muenster's Golden Years Club was reactivated Wednesday, Oct. 20, during an open house at Hillcrest Manor where Mrs. Dick Cain was hostess for noon luncheon for former members and prospective members. Others were visitors during the afternoon. They came from Muenster, Myra, Lindsay and Gainesville. Residents and staff of the home joined them.

Mrs. John (Mathilda) Wimmer at 88 was the oldest woman present and was especially recognized.

Father Bede Mitchel, chaplain for Hillcrest Manor and a frequent visitor, entertained with piano selections. Guests also enjoyed table games.

Next meeting for Golden Years Club will be held Nov. 17, 12 noon. Former members are welcome and new members are invited to join.

Mrs. Joe Pelzel Sr. Birthday Honoree

Mrs. Joe Pelzel Sr. of Pilot Point was honored Sunday on her birthday when her son and daughter-in-law the Alois Pelzels and their sons Gregory and Glen were hosts in their Pilot Point home.

The honoree's children and their families attended taking covered dishes for dinner and supper. They also presented gifts and birthday cakes.

Spending the day were the Joe Pelzels Jr. of Denton, the Carl Pelzels of Ennis and the Leo Felderhoffs of Gainesville.

Mr. and Mrs. Frank Schilling, their daughter and son-in-law, the Leroy Sandmanns and son Chad of Lindsay "crashed" the party. Not knowing of the celebration, they drove to Pilot Point to say greetings to Frank's sister and accepted an invitation to join in the festivities.

Party Entertains Pixy Bluebirds

Pixy Bluebirds of Sacred Heart second grade had a Halloween and birthday party at their regular meeting last Wednesday.

Bluebird Donna Trubenbach was the honoree celebrating her eighth birthday. Her mother Mrs. Betty Ann Trubenbach, Bluebird leader, provided party refreshments and led the group in Halloween games and songs, assisted by junior helpers Joan Hesse and Janet Pels.

Michelle Grewing Birthday Honoree

Michelle Grewing, four years old Sunday, celebrated at a party hosted by her mother Mrs. Anthony Grewing at the family home Friday afternoon.

Twenty-five youngsters were guests for games, birthday cake and other refreshments. Gifts were displayed.

The honoree's grandmother Mrs. J. B. Grimes and a sister-in-law Mrs. Joe Grewing, assisted with party activity.

Hornets - - -

The Coons led 7-3. That's how it remained until intermission. It was a frustrating quarter for the Hornets whose efforts were spoiled by three interceptions and two fumbles. However Muenster also stopped Frisco, intercepting twice and forcing two punts.

First Muenster fumbled, then regained possession the next play on Swirczynski's interception on the Hornet 10. Two short runs, a pass to Alan Miller and a penalty reached midfield, then the Coons intercepted.

After Frisco's kick on the next series Swirczynski went 24 to the Coon 36 — then another fumble. Again Frisco kicked on fourth down, and an interception two plays later stopped the Hornets again.

That seemed to spark a Frisco drive which went 49 yards to the 8 in seven plays. Two more runs reached the 4. Then the threat ended suddenly when Swirczynski intercepted and ran back to the 16.

From there Muenster moved to midfield on passes to Swirczynski and Alan Miller, and was stopped again by an interception.

With 18 seconds on the clock the Coons moved 16 yards to the 21 on a pass, then tried for a field goal and missed.

The kickoff of the second half indicated that the Hornets were still in the game, and more so than before. Swirczynski returned to the 22 and a penalty advanced the ball to the 11. But they lacked the goal-line punch. Four tries reached only to the 6.

A booming kick on third down set the Hornets back all the way to their 36. It was one of the average kicks by Barton whose professional like punting is a big defensive asset to the Coons.

With 64 yards to go the Hornets started their first touchdown drive. Two passes to Miller went to the 4, and after three dives into the line the ball was still 1 foot away. Then Endres went over on a quarterback sneak and the

team went ahead 9-7. A kick for extra point missed. Frisco kicked to end the next series, another long one setting the Hornets back to their 11. Seven plays from there, including a fantastic catch by Swirczynski and two by Miller, reached the 13. Next a penalty set them back to the 20, a pass to Curtis Klement got to the 19 and Swirczynski scored on a pitchout to the left. A kick by Endres made it 16-7 for Muenster.

With 2:28 remaining in the quarter Frisco started a

Trachta Leads in Rushing, Scoring For MHS Hornets

Hank Trachta is the leading rusher and the leading scorer for the MHS Hornets. Ricky Swirczynski is the leading pass receiver and Claude Klement is the top defensive man. Those records were shown in statistics announced Wednesday by Coach Glenn Richardson and apply through last week's game with Frisco.

Trachta has gained 759 yards on 172 carries; Henry Knabe gained 499 on 105 carries; Ricky Swirczynski 342 on 64 carries and Jim Endres 192 on 46 carries.

Trachta has scored 72 points on 11 touchdowns and 3 PAT runs. Endres has 55 points on 6 touchdowns 1 field goal and 16 PAT kicks. Swirczynski has 38 points on 6 touchdowns and 1 PAT run. Knabe has 36 points on 6 touchdowns.

Total scoring for the season to date is 237 while allowing 81 to the opponents. Average scoring per game was 29½ to 10½.

Ricky Swirczynski has caught 19 passes for 380 yards. Alan Miller caught 15 for 311 yards, Roy Klement caught 5 for 64 and Henry Knabe caught 4 for 48. Their average gain on passes was slightly under 19 yards. As a passer Jim Endres has 52 completions out of 112 tries for a total of 903 yards.

On defense Claude Klement has 151 tackles, Jerry Eckart has 133, Jim Endres has 107, Danny Fette has 101 and Dickie Fisher has 72.

quickie drive from 59 yards away. Five plays and 15 free yards on a penalty made the distance. Nichols went over from the 1 and a kick for PAT was good. Muenster led 18-14 seventeen seconds before the period ended.

Then another quick one for Frisco. After an interception the Coons had 25 to go. Nichols made that in one sweep around right end. Miller blocked the kick for bonus point. Frisco was back in front 20-16.

Muenster started again with runs of 13 and 15 by Swirczynski and Trachta but a major penalty fouled up the next series and the Hornets kicked.

The Coons, on their own 40, made three yards in three downs and had to kick. The Muenster line blitzed and a swarm of Hornets came bearing down on Barton. James Eckart blocked the kick. Jim Endres picked it up on first bounce and dashed about 30 yards for a TD. A kick added a point and the Hornets led again, with a score of 23-20 as the clock read 7:45.

The rest of the game was a standoff. The Coons made a first down and were stopped by Miller's interception. Muenster made a first down and had to kick on the second series. Frisco failed to move in four tries and the Hornets ran out the clock.

Statistics in the first half belonged to the Coons. They led 7-5 in first downs and 163 to 137 in total gains. Also they had two turnovers and the Hornets five. But Muenster led the second half with 8-5 in first downs and 213 to 115 in yardage. Each had one interception.

Parish Gives \$513 to Cemetery Fund

People of Sacred Heart Parish gave \$513 in the annual cemetery maintenance collection conducted by Muenster Civic League and Garden Club on All Saints Day, Nov. 1.

This collection, like the one in 1970, was the only collection of the year and fell short of last year's which amounted to \$683. The customary Memorial Day collection was omitted in May.

Mrs. Steve Moser, cemetery chairman, thanks all who contributed, and reminds those who forgot that they may leave their donation with her or at Muenster State Bank.

The fund is used for water, labor, replacement of shrubbery and flowers, and this year a new mower.

Bees Score 4 TDs In Final Quarter Beat Frisco 34-0

For a full half Muenster Bees made lots of gains but could not get across the goal in their game last Thursday night with Frisco second stringers. They had control of the ball fully two thirds of the time, led 9-2 in first downs and 125 to 51 in total yardage but lost possession four times on fumbles and interceptions. Meanwhile Frisco lost only twice on turnovers.

That changed, however, the second time the Bees got possession in the second half. Starting from their 37 they went to the air for the big gains of their drive. Four of

them made most of the 63 yards plus a 15 yard penalty and the scorer, from Louis Koelzer to Terry Huchton went for 14 yards. Steve Klement ran for bonus points.

Early in the final period they got another one going after a Frisco fumble on its 28. Six plays did it. Eddie Knabe made the last yard.

After that scores came easy. On the first play after kickoff Louis Koelzer intercepted and ran forty odd yards for a score.

Following the next kickoff the Bees recovered a fumble on the first play and marched 31 yards to the score. Steve Klement made the TD and Eddie Knabe added 2 points. And less than two minutes

before the end Muenster went 32 yards in four plays for the last score. Gains were Knabe 14, Klement 16, Koelzer 32 and Klement 20.

The final count was 34-0 favoring the Bees.

During the second half Muenster led 10-2 in first downs and 241 to 34 in yardage.

Mr. and Mrs. Leonard Endres of Oklahoma City were here Saturday through Monday as guests of Mr. and Mrs. Arthur Endres.

Mr. and Mrs. Charlie Stelzer of Fort Worth spent Sunday with their aunt, Mrs. L. A. Bernauer and visited Sacred Heart Cemetery on All Saints Day.

### Schroeder Sisters Visit Relatives

Sister Tarcisia Schroeder and Sister Anacletus Schroeder came together from Paris, Texas, and Dermott, Ark., respectively to visit relatives in Windthorst and Tuesday were in Muenster to spend the day with their sister Mrs. Bob Knabe. After dinner, the rest of the Knabe family stopped in for visits.

The two nuns came from Windthorst with a sister-in-law Mrs. Bill Schroeder who went on to Gainesville to visit her parents, the Henry Schumachers. She was joined by Mrs. Adam Wolf Sr. of Gainesville, a sister of the nuns, who accompanied them to Windthorst to visit there with them.

Workers in private industry today not only have themselves and their families to support, they must also earn enough to support one other person. According to the Chamber of Commerce of the United States, an average job holder in the private sector

through his taxes supports almost one fourth of a government employee, one fourth of a welfare recipient, and one half of a person on social security.

It pays to advertise with the Muenster Enterprise.

Survivors include his wife Edythe.

**Halloween Party For Kiddies Draws Large Attendance**

Annual Halloween Carnival sponsored by Sacred Heart Home-School Society for youngsters of grade one through four was termed a huge success with a "hall full" of enthusiastic youngsters.

Most of the children came in costumes and participated in a contest with prizes. Judges said they had a hard time selecting three winners in each of three categories. There were many prize worthy costumes.

Winners in the TV character division were, in the order named, Leslie Reiter as Junior Samples, Elaine Walterscheid as Carol Burnett and Rhonda and Monte Endres as Ruth Buzzie and the Dirty Old Man.

In the story book division winners were Keith Bayer as the Owl and Pussycat, Donna Trubenbach as a clown and Jenny and Jo Eil Hellman as Raggedy Ann and Andy.

Winners in the historical costume division were Mark Miller as Benjamin Franklin, Benji Luke as George Washington and Shelly Zimmerman as an Indian.

During the party hours from 7 to 9 the youngsters played games and had refreshments. The parish hall was decorated in the Halloween theme with decor the children made.

**County FB Sends Group to Dallas For Policy Meeting**

Policy development leaders, membership chairmen and several other Farm Bureau members, along with their wives, were in Dallas Saturday evening for a district policy development meeting.

District Director Pusperjowsky reminded the group that the national and state organizations depend upon the good backing from their members back home in the counties.

He also said that the state Farm Bureau, with a large and active membership, is prepared to work harder at promoting government programs that interfere less with the farmers' interests. He stated that security comes from sound business practice rather than government, and that the government can't give anything it does not take from the people.

Counties represented were Cooke, Collin, Denton, Grayson, Fannin, Dallas, Hunt, Hill and Johnson. Their representatives gave membership reports and read the policies approved at their conventions for presentation at the state convention at Amarillo in November. Cooke County reported 852 members.

Cooke County members attending were E. V. Fox, J. T. Cole and Burney Almon and their wives.

**SOIL CONSERVATION DISTRICT NEWS**

Does your present terrace system fit your needs with the equipment you are operating?

If your answer is no, you may be looking for some way to change it to make the terraces serve more than one main purpose.

Parallel terraces can eliminate many odd areas and point rows thus eliminating several trips over the area with equipment. Each time you eliminate these odd areas you are decreasing the time required to plant and harvest a crop. With the profit margin in farming being what it is, these trips you save may be your profit.

Farmers who have parallel terraces are well pleased because it has cut down on their operating expense. Construction is very similar to that of conventional terraces. Some extra cutting and filling is required to keep point rows at a minimum and to be sure the terrace still functions properly.

Anyone desiring information or interested in installing a parallel terrace system can receive this information from their local Soil Conservation Service Office.

**COOKE COUNTY BEGINS PURCHASE OF FM HIGHWAY 1200**  
Cooke County has received the deeds and Right of Way map for FM Highway 1200 from the Highway Department and will begin purchasing immediately for the Right of Way needed for the construction of this Highway by the Highway Department. This particular section of FM Highway 1200 is a continuation of the present Highway 1200 which begins in the area of the Gainesville Municipal Airport and runs Northwest to a point near the Hubert Moss Lake. This particular section of construction will be 3.4 miles long. It begins at the present end of FM 1200 and the Henry Kuhn property and runs Northwest toward Moss Lake and ends at the Claude A. Beck property. The road follows generally along the present County Road and does not require the moving of anyone from his home. This Right of Way will be purchased by Commissioner Robert Bayer, Commissioner from Muenster, Texas. Mr. Bayer will purchase fifteen (15) parcels of land for this particular Highway segment.

The State Highway Department will furnish RELOCATION ADVISORY ASSISTANCE to all owners from which land is purchased. RELOCATION ADVISORY ASSISTANCE brochures can be picked up at the County Judge's office in Gainesville, or at the Texas Highway Department's Resident Engineer's office on I-35, North of Gainesville. Also Commissioner Bayer will have extra RELOCATION ADVISORY ASSISTANCE brochures.

The RELOCATION ADVISORY brochure has been mailed to each owner and/or will be given to each owner when Commissioner Bayer makes an offer to purchase the property. Since there are no people displaced on this project, the owners will be eligible to receive reimbursement for expenses incurred in conveying the property to the State of Texas. Commissioner Bayer and the owners are advised that the brochure contains the details of these expenses and if any owner has a question concerning these expenses, he may contact the address given on the brochure and the Highway Department will be in touch with that owner.

**Denton Will Host VFW Convention November 6 and 7**

District One Veterans of Foreign Wars and Ladies Auxiliary meet this weekend with Denton Post 2205 hosting the two-day meeting, November 6 and 7.

Key speaker at the banquet Sunday will be Dan Reyna of Raymondville, senior vice commander of the Department of Texas.

Activity gets underway Saturday with registrations from 1 to 5 p.m. and a hospitality hour from 3 to 5 followed by a dance at 8:30 in the Post Home.

Breakfast Sunday at 9 a.m. for veterans will be in Holiday Inn and for the ladies in Candlelight Inn.

Convention banquet at 12 noon will be held in the Post Home. Closed meetings for the two groups will be held at 2:30, and a 5 p.m. buffet will conclude the convention.

W. H. Herr of Muenster VFW Post is district commander.

**Tigers - - -**

the end zone where it was recovered by Dallas Christian for the game's second safety.

That was the end of the scoring for a while. Favored by a penalty the Tigers stopped the Chargers a foot short on the next series then, helped again by penalties, they moved 42 yards to the Charger 20. Their drive was stopped abruptly three plays later by an interception on the one foot line.

The Chargers took charge at that point. Five plays plus a 15 yard penalty went 91 yards to the 8. But the drive was spoiled on the next play when Melvin Luke intercepted across the goal line.

A few minutes later the Big D boys cranked up another drive. Seven plays gobbled 59 yards and the pay off was a 2 yard dive and a kick for the extra point.

A partly blocked kick ending Sacred Heart's next series gave the Chargers good position on the 20 but time ran out after one play. The half ended 25-0.

Sacred Heart's fumble on its first possession of the second half set up the Chargers' last TD. A pass to Prosser scored from the 30. A pass for extra points was incomplete leaving the count at 31-0.

The rest of the quarter and about half of the fourth consisted of a few scattered first downs plus exchanges on four fumbles, three kicks and three failures on fourth down attempts.

The last of those fourth down tries was stopped on the 6 yard line and the Tigers finally got a drive going from there. It went 84 yards in nine plays and a 15 yard penalty. Best gains were two for 12 each by Kevin Pels, 21 yards by Gary Endres and a pass from Gary Endres to Melvin Luke for 18. However, the drive ended there with a fumble less than two minutes from the end.

Statistics	SH	DC
First downs	12	16
Yards rushing	90	244
Yards passing	38	132
Passes completed	4-13	5-9

**Meeting Date Changed**  
Muenster Community 4-H has a change of date for its November meeting. It will be held Tuesday, Nov. 16, 7:30 p.m. in TP&L community room instead of Thursday, Nov. 11, due to conflicting activity.

**Golden Wedding -**

Wedding attendants in 1921 were the late Clara Schettler and Henry Starke, sister and brother of the couple. They were unattended at the anniversary.

Relatives from five states attended including nine of the Starkes' ten children and 11 of their 15 grandchildren.

The children honored their parents at the reception and dinner. The honor couple's table held a handsome anniversary cake. The board was covered with a white linen cloth over 85 years old, formerly belonging to her mother, and gold banded napkins the couple received as a wedding gift in 1921.

Mr. and Mrs. Starke recalled their honeymoon from Oklahoma to Texas. They boarded a train at Marlow and due to a traveling crowd were widely separated all the way, unable to secure seats together.

Mr. Starke was born in Germany and came to Muenster with his parents in 1908 when he was 16 years old. Mrs. Starke was born in Iowa but at an early age moved to Oklahoma with her parents.

During their first six years in Muenster they farmed five miles southeast of the city, then moved eight miles north-west of town continuing farming until 1968 when they retired and moved into a new home in the city.

Their children, present at the anniversary celebration, are Joe Jr. of Wichita Falls, Mrs. Leonard Pfaff (LaVerna) of Evergreen, Colo., Mrs. Vincent Taylor (Ella Dell) of Lakewood, Colo., Mrs. Belden Snyder (Joann) of San Jose,

Calif., Miss Mildred Starke of San Bernardino, Calif., Mrs. Robert Gruber (Marian) of Lindsay, Mrs. Vincent Forrester (Irma) of Forestburg, Henry and Ed Starke of Muenster. Dan Starke on a out of state trucking job was unable to attend.

Others joining in the celebration included Mrs. Joe Starke Jr. of Wichita Falls, Vincent Taylor and son Michael of Lakewood, Colo., David Dale, Cynthia and Gregory Pfaff of Evergreen, Colo., Robert Gruber and daughters Annette and Alice of Lindsay, Vincent Forrester and children Virgil, Michael, Mona and Mark of Forestburg.

Also Mr. and Mrs. Herman Schettler of St. Paul, Kansas, Mr. and Mrs. Albert Schettler, Sterling, Okla., their daughter Mrs. Bernice Sinor and daughter of Elgin, Okla., Mr. and Mrs. Ed Starke of Nocona, Mrs. Lawrence Schettler of Oklahoma City, Sister Karen Schettler of Tulsa and Mr. and Mrs. William Schettler of Sterling, Okla.

**Confetti - - -**

ens of dozens of eggs smashed against cars and buildings. Tons of hedge apples scattered over the streets. Outhouses, old tires, toilet paper and various kinds of trash and junk stacked or scattered. Also piles of hay ablaze in the streets. It was a revolution against community pride and regard for other people's property.

Needless to say Muenster resents the whole affair. Lots of people think it was inexcusable . . . and that this kind of misguided humor deserves a severity of punishment that will inspire respect in future Halloween observances.

**Tiger Cubs Trim Dallas Kids 14-0**

The Tiger Cubs were the winners Saturday night in the junior division of Sacred Heart's football double header with Dallas Christian. The score was 14-0 after a fourth quarter rally which finally broke the game's deadlock.

The first three quarters were all defensive with neither team being able to get a drive started. Eventually an interception by Bruce Fuhrman in midfield provided the needed spark. A pass play from Roger Endres to Carl Koesler gained 30 yards and a run by Mark Hess covered the rest of the distance. Endres got across for bonus points in spite of a busted play.

Their next one also started in midfield and required only two plays. Bob Schmitz carried on both. The try for extra points failed leaving the score at 14-0.

Model WU835GSA  
Handsome Early American credenza is fashioned from fine birch veneers and select hardwood solids, with Brushed Glaze Maple finish.

Get these Quasar II Color TV good-viewing features, too!

- ★ Insta-Matic, Color Tuning. Push one button and presto. Hue, intensity, contrast and brightness are automatically balanced instantly . . . even activates the Automatic Fine Tuning!
- ★ Long-Life, Solid-State Components on plug-in, mini-circuit panels, replace all but 4 chassis tubes. Designed to work without burning out like tubes often do, they help keep Quasar II color "new set" fresh and vivid.
- ★ "Works in a Drawer" Color TV. If a plug-in mini-circuit panel ever needs service, a service technician can usually replace it in minutes in your own home!
- ★ Bright Color Tube. Motorola's bright color tube delivers sharp, crisp color, right out to the edges.
