NUMBER 47

All of us have heard of court cases in which conclusive evidence of a criminal's guilt is rejected because of technical violation of the law by the officer who secured the evidence. For instance, the confession of a murder cannot be admitted as evidence if the suspect was not warned that his statements could be used against him.

Our laws and our courts are being mocked with monotonous frequency by criminals and their slyster lawyers who take advantage of those technicalities. The judicial loophole is known as the Exclusionary Rule, providing that any error or infraction in gathering evidence nullifies the admissibility of that evidence in court. No matter how serious the crime or how trifling the error, the law tells us that the rule must be observed.

Like the rest of us, Senator Lloyd Bentsen thinks it is high time to do something about such an absurd regulation. So, he is introducing legislation to amend the Exclusionary Rule, providing courts the opportunity to weigh the seriousness of the offense charged to the person on trial against the nature and circumstance of the offense committed in gathering the evidence.

Under that condition we can imagine how the judge would rule if officers without a search warrant nabbed a few robbers with their loot. On the other hand he would likely rule for the defense if evidence in a minor offense were obtained by physical coercion.

We think the senator is on the right track there, but he might have offered a better recommendation. To our way of thinking, this issue concerns two separate kinds of law breaking. First there's the criminal who robbed or killed or something. And there's the officer who violated the rights of the accused.

Justice, it seems, should demand that each be punished according to his offense. The criminal is no less guilty or less deserving of punishment because evidence was improperly obtained. If it is factual it should be admissible against him. The person who violated the criminal's rights should not even be considered in the case. His is a different offense which should be judged separately. If it's true that he broke the law he should be punished accordingly.

Even so, we think that an officer who obtains conclusive evidence while violating the criminal's rights ought to receive lenient treatment. Allowance should be made for his getting out of line in dealing with a public enemy. Likewise he should be judged more rigidly when he leans on innocent people.

A fault in the Exclusionary Rule, as pointed out by Bentsen, is that it doesn't punish a wrong doing official and it releases a wrong doing defendant. It protects the person against whom incriminating evidence is discovered but it does nothing to protect an innocent person who is a victim of illegal and fruitless search.

But it's hard to see how clear cut justice can be achieved by Bentsen's proposal. This seems to expect a judge to choose the lesser of two evils, and perhaps excuse both offenders as they are excused now. And that, in effect, is judging that one wrong, offsets the other, or two wrongs can make a right. Society will get a better break if each wrong is treated as a separate offense.

As the UN prepares to go into session again the whole world wonders what will be done about the two Chinas. We Americans are wondering apprehensively what will be our country's official position on this issue. It appears that the US is not only thinking about admitting Red China but is also inclined to support the ouster of Nationalist China from the Security Council and giving the seat to Peking. But even that is not enough to appease the Reds. They have said that they will join only if the Taiwan government is kicked out.

Considering the many red inspired outrages tolerated by the UN in recent years and our own country's participation in shady dealings, we are forced to wonder whether this takeover will go according to Red plan. If so this is the beginning of the end of the UN. And unless US gets right in a

Bill Pratt Gets Local KCs' Good Neighbor Award

Bill Pratt, sheriff of Cooke County, was this year's selection by Muenster K of C officers for their annual Good Neighbor award, which is presented to someone of another faith in the ecumenical spirit of promoting harmony and understanding among the creeds.

Grand Knight Dan Luke made the presentation saying that Pratt had endeared himself to the community as a local peace officer, received the community's highest vote ever in his race for sheriff, and has maintained a high standard of guidance and law enforcement in Muenster since his election.

The presentation followed a special Mass for KCs and their ladies Saturday night at 7 o'clock in Sacred Heart Church. It was the first of four events in the local observance of Columbus Day, feast of the order's patron.

The second event was a picnic Sunday in the city park sponsored by the council for children of the members.

Third event was the appearance of Dan Luke, grand knight Marty Klement, faithful navigator of the 4th degree assembly, and Ernest Jaska, substituting for District Deputy Gene Hoedebeck, with Father Bede Michel on a Channel 2 TV program presenting objectives and achievements of the order.

Still another event was attendance of Muenster 4th degree officers at installation service in Wichita Falls for the Muenster, Wichita Falls and Windthorst assemblies.

Final event of Columbus Day observance is a social gala to be held Saturday night in the K of C hall. It's going to be a Western party with barbecue for the dinner, ranch style decorations including an assortment of Western paintings by Alexander Lutkenhaus, and Country and Western music by The Sundowners for the dance. Western wear is suggested but not required.

The event is sponsored by the Knights and open to all, at \$3.00 per person. The evening's program is listed as a happy hour at 6:30, supper at 7:30 and dance at 9:00.

A bright eye indicates curiosity; a black eye, too much.

Tigers Trampled 47-0 By Lindsay Hi Knights

Sacred Heart Tigers were smothered 47-0 Friday night in their tussle with the upcoming Lindsay Knights.

In spite of the one sided score Coach Tom Joy was pleased with his boys. Considering that the Knights are the strongest and quickest team they have faced he thinks that the Tigers gave a good account of themselves.

That applied particularly to the second half when Lindsay reserves saw a lot of action on offense and the teams were better matched. However first stringers continued on Lindsay defense holding the Tigers to a few scattered gains.

Sacred Heart's only scoring threat came late in the game and ended suddenly on one of the team's four fumbles.

Lindsay got on the score board within three minutes on a five yard scoop by Eddie Fuhrmann ending a 50 yard drive. Glenn Beyer went over for two more points.

A short time later Steve Felderhoff intercepted and returned some 40 yards to pay dirt. Still in the first quarter Eddie Fuhrmann went over for the 3 yard line.

In the second quarter David

60 Are Candidates For Confirmation

A class of 60 is awaiting confirmation in services to be held Sunday at the 7 p.m. Mass in Sacred Heart Church.

The Most Rev. John J. Cassata, bishop of the Fort Worth Diocese, will confer the sacrament.

Candidates for confirmation and their sponsors will line up on the sidewalk between the church and rectory at 6:45, the weather permitting, for procession into church.

Welcome Extended For New Members In Cub Scout Pack

Next Tuesday, October 19, is the date for Cub Scout recruiting in Muenster. Charles Bartush, local Cubmaster announced this week that a meeting for that purpose will be held on that date at the VFW Hall, beginning at 8 p.m.

Actually, he said, it's a meeting for parents rather than for the boys, because it concerns enrolling, planning, etc.

Bartush urges all interested parents to be there. It is their opportunity to work out a program that will be pleasant and constructive for the youngsters helping toward the development of citizens who will be a credit to their families and their country.

Area Invited to 3 Short Courses At County College

Cooke County Junior College extends a special invitation to all beef producers, young farmers, young homemakers, and persons in community organizations to attend a series of three short courses to be held at Cooke County Junior College this semester.

The first program to be presented will be entitled "Beef-A-Rama" and will be held on Tuesday, November 2, at 7:00 p.m. in the women's gym at the college. This program will include articles in production, selection, processing, distribution, merchandizing, and preparing of beef. Speakers for the event will be Mr. Frank Brooks, Ted Langford, and Doris Greenhaw, all from the Texas Department of Agriculture in Austin, Texas.

Since beef cattle production is of major importance to Cooke County farmers and ranchers, we feel this program will prove to be interesting and informative. Door prizes will be given away after the meeting.

The other two programs that will be offered in the series include Farm Management on November 16 and Income Tax on December 14. These are being held in joint cooperation with the Cooke County Junior College agriculture department and the County Agricultural Extension Service.

For further information contact Mr. T. J. Davidson, agriculture instructor at Cooke County Junior College, or Mr. Neil Tibbets, county agent.

Muenster B Team Loses Opener to Whitesboro 24-14

A B team at Muenster High, abandoned for lack of manpower before it really got started, was reactivated lately after addition of a few more players to the squad. With the count up to 35 Coach Glenn Richardson referred back to the original B schedule and asked for re-matches.

One of those was Whitesboro, the game being played there last Friday night. Others on schedule are Lake Dallas here Thursday night, Callisburg here next week Thursday night and Nocona there on Nov. 11. Possible but not definite are games with Frisco and Sanger.

Members of the B team are Neil Huchton, Steve Klement, Tom Bright, Terry Walterscheid, Timmy Felderhoff, Glenn Henscheid, Jimmy Grewing, Mark Stoffels, Ludwig Kieninger, David Wimmer, Louis Koelzer, Dan Sicking, Terry Huchton, Lynn Huchton and Eddie Knabe.

Their contest at Whitesboro ended in a 24-14 loss for Muenster.

Tiger Cubs Lose 8-0 to Callisburg

A big play won for Callisburg Tuesday night in its football game with Sacred Heart Cubs on the Tiger field. Near the end of the third quarter one of the visiting kids got loose and raced about 70 yards for the game's only score. A completed pass added 2 points giving Callisburg the 8-0 victory.

Except for that the game was mostly a head bumping contest in midfield. Frequent fumbles along with stubborn defenses consistently kept both teams from getting their drives on the way.

However there were two exceptions. One was the break-away touchdown gallop. Another was a Cub drive early in the second half. They were 40 yards away after recovering a fumble, gained to the 10 in 4 plays, were penalized back to the 25, and then fumbled away their best opportunity of the evening.

Hornets, Falcons Resume Hostility There Friday at 8

The high point of the football season for Muenster High's Hornets arrives Friday night at 8 o'clock when they take on the extra tough Lake Dallas Falcons at Lake Dallas.

It's the beginning of the district schedule, and that's important for both teams. And it's also the annual big show down in a keen rivalry that has developed in recent years between the two schools.

It all started four years ago when Lake Dallas broke a long losing streak by walloping the Hornets. Since then the Hornets apparently have had a jinx on the Falcons, beating them five times in three seasons.

In 1968 and 69 the teams had early season games and Muenster won both. In both seasons the teams won their Class B district titles, then played each other for bi-district. Muenster won both of those.

Last year the teams went into Class A, both in the same district. Lake Dallas ended as co-champ with only one loss on its district record, inflicted by Muenster.

It's an understatement to say this thing has frazzled nerves in Lake Dallas. This game is at the very top of their want list. It's the talk of the school and the town, the community's No. 1 project.

Meanwhile a similar spirit prevails at Muenster. After all the heat generated in the past several years the Hornets and their supporters are just as eager as the Falcons and theirs.

That's the background for a contest that has the makings of a traditional titanic struggle. Both teams want to make a good start in the district race. Both want this game more than any other. And both are going into the game with a good pre season record. It's 4-0-1 for Muenster and 4-1-0 for Lake Dallas.

Also both have husky teams with the weight advantage favoring the Falcons by an average of about 10 pounds.

Plans Shape for SH Homecoming Set November 6

Preparations have begun for a gala program for Sacred Heart High Homecoming 1971 on November 6.

Sponsored by Sacred Heart Alumni, the program is being planned by committees in charge of various activities.

Invitations are being mailed to ex-students with this year's honor graduates being those of 1941, 1951 and 1961. Return cards included with the invitations are requested to be returned no later than Oct. 30 so the refreshment committee will know how many to prepare for.

Miss Sylvia Hofbauer is in charge of invitations and Mrs. Tommy Herr is in charge of the social after the homecoming football game in which the Tigers will host the Cistercian Hawks of Irving.

Other highlights of the evening include a pre-game pep rally, queen's crowning at half-time and a post-game dance.

Honor graduates will receive tickets to all events.

Queen candidates will be elected later this month and the queen's identity will be kept secret until the coronation ceremony.

Former Rec Room Remodeled for Use By Modern Floors

Modern Floors, owned and operated by Mr. and Mrs. Roy Monday, will move about November 1 to the location formerly occupied by the Rec Room. And Western Auto, owned and operated by Al and Dennis Hess, will expand to occupy the area vacated by Modern Floors.

The two moves were announced this week as remodeling was in progress at the Rec Room. About half of the room has been partitioned off for a front office and display floor with wall paneling, acoustical ceiling and carpet floor. The rest of the building is for storage.

Hornets Run Over Era In 62-0 Scoring Spree

Rebounding from their fizzle of the week before, the Muenster Hornets went on a scoring spree last Friday night. Their victims, by a count of 62-0 were the undersized and undermanned Hornets of Era.

By coincidence, the score reversed that of ten years ago, Glenn Richardson's first year with MHS, when he had barely enough players to get a full team on the field. Era won that one 62-0.

It was a depressing evening for the hosts who had to play without the services of their quarterback and outstanding player, Jimmy Kirchenbauer. He had a hand injury and got in only as a punter.

On first possession MHS went 23 yards to the 15, was set back to the 40 on a penalty and a couple of fouled up plays and had to kick. Era's receiver fumbled and Alan Miller recovered on the 5. Jimmy Knabe crashed over and Jim Endres booted for an extra point.

The second score came moments later following an interception and nice run back by Ricky Swirczynski to the 17. Knabe plowed to the 3. Hank Trachta scored. Endres added another point.

Ending Era's next series, the pass from center sailed over the punter's head. He dashed back and got the ball but Claude Klement got him in the end zone for a safety. The score was 16-0.

A number of exchanges followed that. On second series Muenster was short on a fourth down play and lost possession. Next Swirczynski got his second interception, then Era recovered a Muenster fumble and Miller recovered Era's fumble. Muenster kicked to end the next series, the receiver fumbled, Claude Klement recovered on the 8.

An offside penalty moved the ball back 5 yards, then Jim Endres went over on a keeper play. After a bad kick the count was 22-0.

The next several series ended in exchanges. A punt by Era, an interception for Era by Peyrot, a punt by Era, a punt by Muenster and loss on a fourth down try by Era.

EDDD Phone Service Starts Here Sunday

Modern and sophisticated telephone service is coming to Muenster Sunday, Oct. 17. Connections will be completed at 1:01 a.m. on that date enabling customers of the Muenster and Myra exchanges to dial directly to most points of the Continental United States and Canada. Similar service will be introduced in the Forestburg and Rosston exchanges two weeks later.

The service is identified as Extended Direct Distance Dialing, an improvement on Direct Distance Dialing which has been in use for some time over a large area of the country. DDD permits a person to dial directly to a phone of another exchange and another area code.

EDDD expands this service making it possible to dial a person-to-person call, a col-

Supper and Dance Planned by VFW For Veterans Day

Plans are in the making for a supper and dance at the Muenster VFW club in observance of Veterans Day, a legal holiday on the last Monday of October.

Commander Don Wilson said that the event will be held the preceding Saturday, October 23, for the convenience of members, also that it will be a cookout beginning at 6 p.m. followed by a dance with rhythm by the Music Makers. Members and their guests are invited.

Paper Pickup Saturday

SHH seniors will conduct a scrap paper drive Saturday, Oct. 16, beginning at 9 a.m. Persons with paper to give are asked to have it out at the curb boxed or corded for quick pickup.

Tigers Will Host F W Day School Saturday at 7:30

The Tigers of Sacred Heart, with one conference game behind them, will start this week on the remainder of their Texas Independent Schools schedule. And the opponent is Fort Worth Country Day School, whose only TISC encounter to date is a 33-12 win over Fort Worth Christian.

That win, says Coach Tom Joy, is a clear sign that Sacred Heart faces another uphill assignment. Other signs are three losses to teams playing a AAA brand of football. Day School itself probably rates as a strong A team whereas Sacred Heart would have a weak B rating.

The game is booked for the Sacred Heart field Saturday night, starting at 7:30 o'clock. It will be preceded by a junior high game of the two schools beginning at 5:30.

With the odds obviously stacked, Coach Joy has one cheerful note in his outlook. He still has no injuries other than expected soreness and bruises. The season has been good to the Tigers to date. So, the boys will be at full strength for the game.

138 Register for Youth Day Hosted Sunday at SHHS

Last Sunday, October 10, was Youth Day at Sacred Heart High School. It was a tremendous success hosting 138 young people and nuns registered from Fort Worth, Pilot Point, Gainesville, Lindsay, Muenster, and Wichita Falls.

After registration at 2:30, liturgy practice was held. Then everyone watched two religious films that dealt with a Christlike figure in today's society and discussed the movies.

Mass in the library was celebrated by Father Leonard Wangler, O.S.B., and special songs were relevant to the theme of the day — "Meet someone halfway; to communicate is the beginning of understanding."

A barbeque lunch followed Mass and was followed by a skit contest presented by the Gainesville, Lindsay, and Muenster CYOs. Skits were judged by those present on originality and content. Muenster CYO won a trophy for its entry entitled "The Twelve Days of School."

A hootenay ended the Youth Day activities. Afterward, there was a dance with music by Southtown.

"It's the way you show up at the showdown that counts."

lect call, a credit card call, or to have the call charged to a third number. To dial DDD a person begins by dialing "Access Code 1." To dial EDDD one begins by dialing "Access Code O." The dialing is done completely by the person making the call and the Access Code O signals an operator to assist with additional service. DDD calls, which can be automatically completed without the help of an operator, have recently been substantially reduced. At the same time operator assisted calls were increased in price. The purpose was to encourage more extensive use of direct dialing.

People of the Muenster, Myra, Forestburg and Rosston telephone exchanges are due to receive instruction folders on their new service in the mail this week. They are urged to read it carefully and keep it in their phone books for future reference. The folder also includes a list of phones on the new Rosston exchange which will go into use on October 31.

Along with EDDD new and improved local service is being introduced at Muenster, Myra, Forestburg and Rosston, which are served by Muenster Telephone Corp. Underground cable has been installed throughout the area to assure trouble free service and storm immunity. Party lines are being phased out so that eventually all can have private line service.

Dishonest Reporting

On September 22 The New York Times ran a picture across the top of its front page, four columns wide, showing some militants parading in front of the UN with pictures of Mao Tse-tung. Below that picture was one three columns wide showing part of a group demonstrating in favor of China.

The three column head ran: "Chinese Groups in Confrontation Here." Read the first paragraph: "Several thousand pro-Peking and pro-Taiwan Chinese staged demonstrations five blocks apart at the United Nations yesterday. . ."

What really happened? Five thousand Chinese in exile from

Red China gathered outside the UN from a score of cities across the country in order to demonstrate against the admission of Peking. Between 100 and 200 demonstrators, very few of them Chinese, gathered a few blocks away to parade in favor of Mao Tse-tung.

The dishonest reporting of the nation's wealthiest paper was once more eloquently established, proving that no newspaper is more honest than its editors.

Mr. Herman Dinsmore, the former editor of the international edition of The Times, recently testified that once outstanding paper has "an uncontrollable desire to lose the war." It also seems hell-bent on helping Mao and hurting Free China.

To Become Russia's Equal

Station WKRC in Cincinnati handed us the following facts in a recent editorial: "Suppose you woke up one morning, and overnight, the following things had happened in the United States: All paychecks slashed 75 per cent. Forty million TV sets destroyed. Fourteen out of every 15 miles of paved road torn up. Sixty million Americans transferred back to farms.

Sixty per cent of our steel-making capacity abandoned, along with two-thirds of our petroleum industry. Nineteen out of every 20 cars junked. Two out of every three miles of railroad track torn up.

Nine out of every 10 telephones ripped out; and seven out of every 10 houses torn down. By doing all this, the United States could become the equal of Soviet Russia.

We think it shows that we must be doing something right in America."

Let's Build the Alaska Pipeline

The proposed Alaska Pipeline, 789 miles long, from Prudhoe Bay on the Arctic Ocean to Valdez, on the Gulf of Alaska, almost due south, has been delayed long enough. In the past year sufficient studies have been made to assure conservationists and ecologists that the environment will not be damaged by the pipeline.

For instance, a simulated pipeline, 2 miles in length, has been built to test the reactions of the caribou, which are supposed to be endangered by the oil line. The animals are said to go under and over the simulated line without hesitation. Also, the caribou seemed to prefer to be near the camps, where road-building and pipe-laying equipment worth many millions of dollars lies idle.

The "environmental" obstacles to the line become completely baffling in the face of the fact that another pipeline, more than 500 miles long, from Haines to Fairbanks, has been in service since the middle 1950's. That line covers about half of the identical territory through which the "Alaska" line will run. Incidentally, the Alaska Pipeline will cover 15 square miles of the 586,400 in

the State, which is nearly one-sixth of the total gross area of the United States (3,628,150 square miles).

The oil fields on the North Slope of Alaska were discovered at a cost of tens of millions of dollars. Seven oil companies have set up the Alyeska Pipeline Service Company to build and operate the line. The project entails about \$3 billion. In these days of recession and freeze, it seems an ideal way to prime the pump at no cost to the taxpayers. Let's get the pipeline moving.

Recreation for Criminals

A news release from Austin comments that jails in North Texas seem to be lacking completely in recreational facilities. That statement causes us to ponder. What are jails for? A survey revealed that 12 jails had no recreational facilities, 11 no educational facilities, 8 had no medical facilities and 6 no visiting facilities. Now this Editor does not favor cruel and inhuman treatment. Neither does he favor turning a jail into a place so delightful and entertaining the inmate never wants to leave. Jails were never meant to be pleasant places of abode. Certainly medical treatment should be available to prisoners and also provisions made for visits by relatives. Perhaps some efforts toward education would be helpful. But recreation? The bleeding hearts are taking us too far on that one. — Nocona News

On Keeping It Clean

Everyone is more aware these days about ecology and the problem of litter. However visitors are still pulling the same old stunts in Texas' state parks, according to a recent report from the Parks and Wildlife Department.

Those in charge of maintenance in the parks are still picking up loads of cans and bottles along the roads in camping areas. An increasing problem is the tabs from beverage cans. Some people who would never drop a beverage can on the ground feel no guilt about dropping the small tabs.

Another problem is filter tips from cigarettes which have accumulated for many years. Because most are made from artificial fibers, the filters will not deteriorate, and they are so small and numerous that it is practically impossible for the limited parks staffs to pick them all up.

Somehow beverage tabs and filter tips don't seem to be litter to many people as they carelessly drop them on the ground. — Santa Anna News

According to the Finast Record, published by First National Stores, Inc., "Walking, a fine over-all body conditioner, brings nearly every muscle into use and helps to maintain better posture and a trimmer figure. Walking is also an excellent way to relieve nervous tension. A long walk can be the perfect time for meditating, planning, or enjoying your surroundings. Undertake walking gradually, starting with short walks before attempting long hikes. Check with your physician for advice on an exercise program suited to your age and physical condition. Learning to walk properly may sound like child's play, but there are rules to follow. Hold your head squarely above the shoulders, your abdomen flat, and your back straight. Keep toes pointed straight ahead and take long, easy strides. Protect your feet with shoes that give good support, fit properly, and allow ample room for socks or stockings."

What do you know about allergies?

A normally harmless thing like dust or pollen can make some people weep, wheeze, sneeze, or itch. This is because they are sensitive to the substance.

stance and their bodies react to it in an unusual way. A sensitivity of this kind is called an allergy. Substances that are breathed in, foods, and things that touch the skin can all cause allergic reactions.

Do you know what makes dyes fade?

Dyes fade because they lose their power to absorb light. Every color has its own particular wavelength of light. A dye has color because it absorbs some wavelengths and reflects the rest. A red necktie looks red because its dye absorbs all wavelengths of

light except red, which it reflects. (A dye that does not absorb any of the visible wavelengths of light looks white.) The particular wavelengths a dye can absorb depends on the way the atoms in the dye's molecule are arranged. A change in position of even one can cause the dye to stop absorbing light, and so we say it fades.

Do you know the difference between bison and buffalo?

Bison and buffalo are big, strong animals. Both have horns on their heads, two hooves on each foot, and they eat only plants.

Bison, the wild cattle that ran in huge herds across the North American plains before the land was settled, are dark, shaggy animals with thick manes, beards, and short, curved horns. They have never been successfully tamed to serve man. The bison is often incorrectly described as a buffalo.

Real buffalo, on the other hand, live in Asia and Africa. They range from the small pygmy buffalo to the water buffalo that is used to pull plows, carts, and to do other heavy work in India and Southeast Asia.

Preparation Can Avoid Majority of Tragedies by Fire

The great majority of the 12,200 lives taken by fires in rural and city homes last year were needlessly lost because families failed to plan and rehearse escape measures, according to the National Fire Protection Association.

John D. Cunningham, Farmers Home Administration County Supervisor in Gainesville, Texas, urges all families to prepare a home life safety plan and rehearse the plan to make certain that everyone, especially children, knows exactly what to do.

"The first rule of safety from fire is to escape," Cunningham says, "Get everybody out at the very first sign of fire. But unless you have done some thinking and planning, you may not be able to get out safely."

Here are some pointers to help you:

1. Plan for at least two

routes to the outside from every room in the house, especially bedrooms. Allow for blocking of stairways and halls by fire.

2. Keeping doors closed will allow extra escape time because closed doors will hold back flames and smoke.

3. For upper floor escape, a window may be your only alternate route. Use any available roof — porch, shed or garage — as ways down to safety. If necessary, install a ladder. Locate children in bedrooms with easy rooftop access.

4. Pick an outside assembly point where the family will meet for "roll call," and be sure everyone understands that the house must not be re-entered for any purpose.

5. Establish ways to call the fire department from an outside or a neighbor's phone, and do this as quickly as the house is clear of people.

Picks Host Party For Granddaughter

Mr. and Mrs. Henry Pick were hosts Sunday in their home, entertaining for their granddaughter, Janet Schwartz, on her second birthday.

Coming from Fort Worth with the little honoree were her parents, Mr. and Mrs. Jim Schwartz, and her brothers, Jimmy, Phillip and Greg. Other guests were Mr. and Mrs. Edward Pick.

Centerpiece for the dinner table was a doll cake made by Mrs. Schwartz. Gifts were presented and opened and pictures were made.

Joe Horns Return From 19 Day Tour

Mr. and Mrs. Joe Horn are back from a vacation trip — a New England Fall Foliage Tour in a Continental bus with 35 other vacationers. They traveled 4,800 miles in 19 days, visiting 21 states, the District of Columbia, and Ontario, Canada.

Among highlights of the scenic tour were Niagara Falls at Ontario, New York City with a three-hour boat excursion around Manhattan Island, the Statue of Liberty, Yankee Stadium and a show in Radio City Music Hall.

Also a three-hour bus tour of Boston and extensive sight-seeing in Washington, D. C., including the White House, listening in on Congress and the Senate in session in the Capitol, Arlington Cemetery, President Kennedy's grave, change of the guards at the Unknown Soldier Tomb and the Smithsonian Museum where they viewed Moon Rock, the Hope Diamond, Lindy's Spirit of St. Louis airplane and many other interesting exhibits.

New Employees at Wilde Chevrolet

Wilde Chevrolet Company has increased its service personnel and has added a paint room to its shop department.

New in the parts department is Jimmy Montgomery joining his brother Bobby Montgomery. New maintenance man is Jimmy Beverage succeeding Earl Ralston, retired.

Charles Hamilton is a new addition to the shop department. Lee Sullivan is back as a car salesman and Mrs. J. D. Wagner is new in the book-keeping department succeeding Mrs. Winton Woods. The Woods family moved to Nona.

Three Share Honors At Birthday Fete

Three honorees shared in a birthday celebration Sunday when family members were together in Denton at the home of Mr. and Mrs. Dickie Cain who were hosts for her mother Mrs. Norbert Klement, her sister Mrs. J. E. Marr and her brother-in-law James Otto.

Mrs. Klement's birthday was Oct. 8, Mrs. Marr's was Oct. 11 and Mr. Otto's is Oct. 15. Mr. and Mrs. Klement attended from Muenster, Mrs. Marr and sons Jimmy and Pat attended from Fort Worth and Mr. and Mrs. Otto attended from Garland. Also present were the hosts' children Tami, Troy, Scott and Shawna.

Birthday cakes and gifts were included in the celebration.

Wenzel Muck, 86 Birthday Honoree

Wenzel Muck, 86 Saturday, was "king for the day" celebrating at Yes-Ter-Year Nursing Home in Saint Jo and at the home of a niece and nephew, the Tony Felderhoffs, in Muenster.

Highlighting the day for the honoree was the presence of his daughter and son-in-law, Mr. and Mrs. Clovis Lewis of Jackson, Miss., who drove in early and left late.

They and the Felderhoffs joined in a party at the Nursing Home in the afternoon. The dining hall was filled with other residents of the home and the employees. All had cake and ice cream and watermelon.

Mrs. Lewis brought a decorated cake from Jackson and Mrs. Alvin Hartman baked and decorated a cake for her grand-uncle.

Gifts were opened and kodak snaps and moving pictures were made. The group sang Happy Birthday.

The Lewises and Mr. Muck were dinner and supper guests at the Felderhoff home.

Wilfred Reiters Get Surprises on 30th Anniversary

Mr. and Mrs. Wilfred Reiter who were married Oct. 14, 1941, were surprised honorees when family members joined Saturday evening to help them celebrate their 30th anniversary.

The observance was held in the KC Hall where some 60 guests helped themselves at a buffet of pickup foods and danced to the rhythm of Buddy and the Playboys.

Mrs. Reiter is the former Miss Polly Spaeth of Lindsay where the couple married. They live north of Muenster on a farm where they set up house-keeping after their wedding.

They are parents of ten children, all present except one at the celebration along with their one grandchild. Other guests included sisters and brothers of the honorees.

The children are Mrs. Paul Kubis (Louann) who attended with her husband and their son Toby of Beaumont; Mrs. Jim Drozd (Cheryl) who came from San Antonio with her husband; Miss Peggy Reiter of Houston accompanied by her fiancé Charles DiStefano of Houston; Miss Lynn Reiter of Denton and Roger, Kim, Sandy, Paul and Lloyd of the home. Wayne Reiter of Dallas was unable to attend.

Other guests from a distance included Steve Montgomery of Denton, Miss Frances Spaeth of Denison, Mrs. Georgia Barry and son James of Dallas, and Mr. and Mrs. Charlie Berend of Hereford.

The couple's attendants in 1941 were her sister Evelyn, Mrs. Arthur Felderhoff, and Ed Endres. They were among guests registered by Miss Sandy Reiter.

The registration table held a memory candle, a wedding picture of the couple and a family album. The handsome anniversary cake, made by Mrs. Henry Spaeth, was topped with an ornamental 30 and was decorated with small figurines representing the honorees' children and a rosebud signifying the grandchild.

Telephoned congratulations came Sunday from the Charles Reiters of Kerrville and the Mark Kutas of Norwich, N. Y., who were unable to attend.

In addition to his farm work Mr. Reiter works with the local soil conservation unit. Mrs. Reiter is active as a 4-H Club leader.

Final Rites Held At Saint Jo for Mrs. J. R. Blakely

Services were conducted Sunday at 3 p.m. in Scott Chapel at Saint Jo for Mrs. Jesse R. Blakely, 71, of Route 1, Muenster. She died Saturday 6:55 a.m. in Muenster Hospital.

The Rev. Charles Milburn of Nocona and the Rev. Roy L. Cook of Saint Jo were officiating ministers. Burial was in Coker Cemetery in Bulcher.

Bearers were W. B. Blakeley, Jerral Don Goff, Daile Mitchell, and Walter, R. D., Ruel, William and Johnny Cannon.

Mrs. Blakeley, the former Minnie Cannon, was born in the Starkey community Nov. 4, 1899. She married Mr. Blakeley in 1919. He died in 1950.

Surviving are one daughter, two sons including Alvin Blakeley of Rt. 1, Muenster, two sisters Mrs. J. L. Ivins of Saint Jo and Mrs. Pearl Samples of Gainesville, and four brothers, Olen and Calip Cannon of Saint Jo, Alec and Claude Cannon of Rt. 1, Muenster, and 11 grandchildren.

At Kin's Funeral In Oklahoma City

A group from Muenster was in Oklahoma City Monday to attend the funeral of Wilfred Swirczynski, 63, who died in the VA Hospital there Saturday morning after an extended illness. He was a veteran of World War II and a son of the late Sadie Huchton and John Swirczynski.

Funeral Mass was held at 10 a.m. in St. Francis Church. His son Dwayne of Oklahoma City delivered the eulogy.

Those at the services included an aunt, Mrs. C. J. Fette and cousins Messrs. and Mmes. Herman Hartman, Tim Stormer, Bob Swirczynski and Herman Swirczynski. Brother Gerald of Oklahoma City, son of the Herman Swirczynskis, joined the Muenster group.

Survivors include one son, one daughter and four granddaughters. He was a nephew of Joe Swirczynski and Mrs. Bob Yosten of Muenster.

Mr. and Mrs. Buddy Yosten and children and his mother Mrs. Bob Yosten were guests of the Bill Terry family at their lake cabin Sunday for a cookout. Also there were Mr. and Mrs. Tony Wiesman of Gainesville.

Golden Years Club Luncheon Oct. 20

Golden Years Club will be re-activated next Wednesday, Oct. 20, at a covered dish luncheon 12 noon in Muenster's Hillcrest Manor, Mrs. Dick Cain announced this week.

All former members are invited and new ones are welcome.

Heading the menu, as usual, will be old fashioned chicken and dumplings and homemade hot rolls supplied by Mrs. Cain. Others attending may take anything of their choice.

Muenster Entries Get Two Trophies In District PP&K

Four of the eighteen youngsters who qualified for first advancement in the local PP&K competition, placed in the contest at Wichita Falls, but failed to advance to the next stage. Only first places qualified the entries to keep going. Muenster's four had two seconds, who received trophies, and also two thirds. The second place winners were Bobby Endres, son of Mr. and Mrs. Donald Endres, and Kenny Felderhoff, son of Mr. and Mrs. Alphonse Felderhoff. Third place winners were Chris Jaska, son of the Ernest Jaskas, and Timmy Wolf, son of the Adam Wolfs.

Farm Bureau Name Delegates to State Meet in Amarillo

This is the year of two million members in Farm Bureau. That's the goal of the American Farm Bureau Federation for 1971. And Cooke County Farm Bureau can boast 817 of that number.

Farm Bureau is unique in that it tries to involve as many people as possible in deciding what they stand for. This freedom was evident in the Cooke County Farm Bureau convention this month when policies were presented and voted on.

Approximately 100 were present for the business meeting and barbecue.

Delegates elected to the state convention in Amarillo Nov. 14-17 are Messrs. and Mrs. Burney Almon, Martin Bayer, J. T. Cole, Raymond Davidson and Lawrence Zimmerman.

In other business members voted to increase yearly dues from ten to fifteen dollars in connection with the expanded program.

Mr. Feaster summarized the new lighting and brake requirements for all commercial vehicles including farm trailers effective Jan. 1, 1972.

At the directors' October meeting Ray Lynch and George Berry tied as winners of the ten dollar prize for perfect attendance and each received five dollars.

Lloyd Young of Marysville was introduced as a new director. Charlie Kammerdiener's name was drawn for the door prize.

Officers for the new year are Burney Almon, president; Martin Bayer, vice president; George Berry, secretary and policy execution; Charlie Kammerdiener, treasurer; J. T. Cole, membership; Martin Krahl, policy development.

Committees appointed are Mrs. Lawrence Zimmerman, recreation and refreshments chairman with Mrs. Gus Lutkenhaus and Mrs. George Berry; and Queen's Contest, Mrs. J. T. Cole, Raymond Davidson, E. V. Fox and Lloyd Young.

Mrs. Al Schmitt is a new employee at Rohmer's Restaurant and Mrs. George Mollenkopf Sr., is a part-time employee at The Center.

What do you know about the Colossus of Rhodes?

This bronze statue of the sun god Helios towered above the harbor of Rhodes, an island in the Aegean Sea. It stood over 100 feet high on a stone base that was itself higher than most statues. It was built by a Greek crafts-

man named Chares of Lindos in 280 B.C. Twenty times as tall as a man, the Colossus stood at the harbor entrance for only 56 years. In 224 B.C. it was thrown to the ground by an earthquake. The huge bronze plates lay there for centuries until, in the 7th cen-

Third Order Hears Sermon on Prayer

The Third Order of St. Francis, at its October meeting Sunday, had 17 present for the fraternity's prayer service led by Mrs. Leo Henschel, prefect, and for a talk on Prayer by Father Placidus Eckart, spiritual director.

In a short business session Miss Lu Vogel, presented minutes of the previous meeting and Mrs. Joe Fisher gave the treasurer's report. The

prefect urged members to visit the aged in nursing homes and the sick and shut-ins.

A letter from New York headquarters where the fraternity sends its monthly donation for its adopted family in India, said the recent contribution had been received but due to mailing and processing it would be at least six weeks before word could come direct for the family.

The meeting closed with recitation of the rosary for peace and religious vocation.

Marysville News

By Mrs. John Richey

MARYSVILLE, Oct. 12 — Mr. and Mrs. Sam Sparkman have been back and forth visiting their nephew Robby Ramsey, 14 year old son of the Melton Ramseys of Whitesboro, who is a surgical patient at Wilson N. Jones Hospital in Sherman. Robby was injured in football scrimmage last week Tuesday, sustaining a ruptured spleen. He is recovering satisfactorily. The Sparkmans had his younger brother Redgie with them over the weekend and returned him to his home after visiting at the hospital. From there they went to Sanger to visit Mr. Sparkman's mother, Mrs. John Sparkman at Manor Nursing Home.

Visiting Mr. and Mrs. Travis Whitt Sunday and having dinner with them were his brother and wife Mr. and Mrs. R. L. Whitt of Fort Worth. Other visitors in the afternoon were Mr. and Mrs. Ernest Robison, their son and family, the Alton Browns and Cindy of Breaux Bridge, La., and their daughter and husband the Bob Hutchensons of Gainesville, and Mrs. Whitt's brother and sister-in-law Mr. and Mrs. Lloyd Huggins and daughter Debbie of Hurst. The Louisiana kin are vacationing with relatives.

Mr. and Mrs. H. B. Snow of Wills Point were here for a weekend visit with her parents, the W. F. Davidsons.

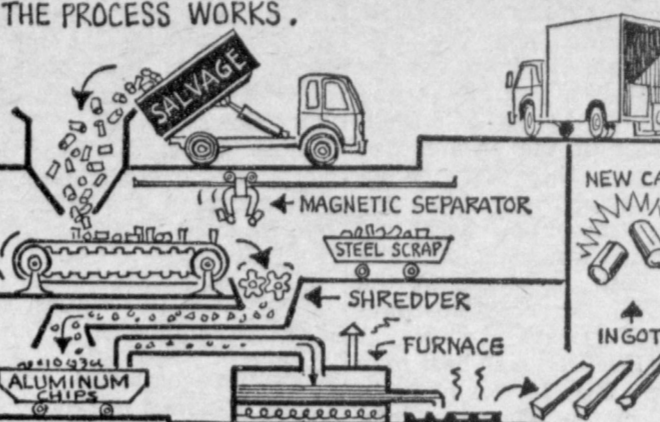

Mr. and Mrs. Howard Houtchens were recent visitors in Dallas with their son Dwaine and family and had as guests at their home Thursday his brother and wife Mr. and Mrs. Bryan Houtchens of Electra.

Mr. and Mrs. Grady McElreath and son Brent have been making regular trips to Wilson N. Jones Hospital in Sherman to cheer Robby Ramsey with bedside visits.

Mrs. Earl Robison and Mr. and Mrs. R. D. Morris attended funeral services for Clavorne Chism, 84, of Valley View at Gainesville Tuesday.

Mrs. Lloyd Young has been making frequent visits to Peter Smith Hospital in Fort Worth to be with her grandson, the 18-month old son of Mr. and Mrs. Earl Minor of Euless. The toddler received a broken leg above the knee during play. Visiting at the Young home Sunday were her sister and family, the James Pattersons of Gainesville.

The Consumer Wants to Know
RECYCLING-HOW DOES IT WORK?
ALUMINUM CANS

ONE ANSWER TO THE PROBLEM OF CLEANING UP AMERICA LIES IN THE RECYCLING OF SOLID WASTE MATERIALS SUCH AS ALUMINUM CANS. HERE'S HOW THE PROCESS WORKS.

ALUMINUM HAS A HIGH RECLAMATION VALUE OF \$200 PER TON (10¢ A LB.). A LEADING COMPANY, ARMOUR-DIAL, ESTIMATES IT TAKES 13,000,000 LBS. OF ALUMINUM TO PACKAGE MORE THAN 250,000,000 CANS OF ITS MEAT ANNUALLY. IF ALL THIS ALUMINUM WAS RETURNED, IT WOULD BE WORTH \$1.3 MILLION.

THIS RECYCLING SYMBOL HAS BEEN DEVELOPED BY THE ALUMINUM ASSOCIATION. THE TWO SEMI-CIRCULAR ARROWS REPRESENT THE CONTINUOUS NATURE OF THE RECYCLING PROCESS.

TO ASSIST CONSUMERS IN IDENTIFYING ITS RECYCLABLE ALUMINUM CANS ARMOUR-DIAL IS INCLUDING THE NEW SYMBOL ON ITS CANNED MEATS. THE ADDITIONAL EXPOSURE FOR THE SYMBOL IS EXPECTED TO INCREASE PUBLIC AWARENESS THAT RECYCLING HELPS CONTROL LITTER AND CONSERVES AN IMPORTANT NATURAL RESOURCE.

New Law Brings Changes in Texas Voter Registration

A new year-round voter registration law went into effect for Texans on October 1. Predictions are that it will make significant changes in the political structure of the state. New rules governing the operation of political party conventions also will begin operating next year. These major provisions in the new voter registration act are noted:

- * Voters can register at any time (except for a temporary cut off 31 days before each election). Registration is good for three years, and is automatically renewed by participation in an election during that period. The old registration period, one of the shortest in the nation, was October 1-January 31.
- * Eighteen- to-21-year-olds may register and are eligible to vote in local, state and federal elections under a new U. S. constitutional amendment.
- * Roving or resident registration deputies may sign up voters anywhere — apartments, union halls, club rooms, dormitories, industrial plants, office buildings, supermarkets or private residences. The law provides that "no voter registrar shall refuse to deputize a person." This is expected to

increase sharply the use of deputies to round up voters. Predictions range upwards of five million total eligible voters in 1972, an increase of a million over 1970. Voters must have resided in the state a year and in a county for six months to qualify for local election participation. Those who have lived in Texas more than 30 days but less than a year before the November 1972 general election can vote for presidential and vice presidential candidates under special residency registration with county clerks.

kid stuff needs an all-electric laundry

Sky-high piles of kids' dirty clothes disappear fast when you have an all-electric laundry to do your wash-and-dry work for you. Just toss their grimy "grubbies" into

your modern, electric washer. It gets tough with a long playday's dirt. And with an electric dryer, you can hide that iron away! Today's permanent press and double knit fabrics pop

out wrinkle-free—soft and full of shape. An electric laundry treats delicate fabrics with

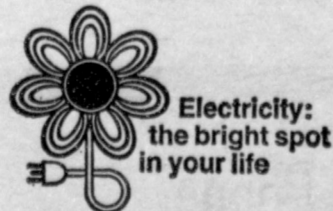

special care, too. Washes and dries all your fragile things gently and safely. And when the kids' stuff can't wait for a sunny washday, don't worry. With an electric laundry, the weather doesn't

matter, because you never go outdoors. Electric washers and dryers are perfect companions. TP&L suggests that you talk

with your electric appliance dealer soon about a modern, electric laundry for your home.

Mr. and Mrs. Bruno Zimmerer, Janie and Sammy, were in Hurst Sunday guests in the home of Mr. and Mrs. Tommy Zimmerer who entertained with a dinner for their daughter Tonya on her third birthday. The Zimmerers were accompanied by Mrs. Bill Neu of Gainesville, other grandmother of the honoree. In the afternoon Mr. and Mrs. George Taylor and son Mike joined the group to share Tonya's birthday cake and ice cream.

Father Francis Zimmerer is on a new assignment. He's chaplain at St. Joseph's Hospital in Chippewa Falls, Wis., going there from parish work in Blenker, Wis. His address: St. Joseph's Hospital, 912 Pearl St., Chippewa Falls, Wis. 54729.

Mr. and Mrs. Bob Bezner of Richardson visited Wednesday with his mother Mrs. Joe Bezner Sr. and made pop calls on other relatives.

Mr. and Mrs. Gus Berend and children of Windthorst spent the weekend with her parents Mr. and Mrs. Henry Hess and family. They were among wedding guests at the marriage of her sister Clara Hess and James Hellinger.

Mrs. Katie Wilder of Muenster visited during the weekend with her daughter, Sister Benedict Zimmerer, at the local convent and Sunday joined her and other Lindsay nuns in going to Valley View where Lindsay Sisters teach religion. At noon Sister Benedict and her mother had dinner with Mr. and Mrs. Johnny Zimmerer. Also there for dinner and the afternoon were Mr. and Mrs. Lawrence Zimmerer.

Tim Goebel of Tysdale, Florida, is here for an extended visit with his parents, the Tom Goebels.

Mr. and Mrs. James Geray are vacationing in Hudson, Ontario, Canada. They are headquartered at Northland Lodge for hunting and sight-seeing.

Lindsay High Science Club has organized with election of officers as follows: Glenn Beyer, president; Don Metzler, vice president; Carol Zimmerer, secretary. At the meeting, Tom Fluker, counselor at Lindsay, showed and explained his collection of model airplanes. He has won first, second and third place trophies on his entries in statewide contests.

Lindsay basketball girls have started full workouts under Coach Nick Petro. Twenty are on the team with six who lettered last year. Lettergirls are Brenda Beyer, Charlotte Stoffels, Paula Owen, seniors, and Carol Felderhoff, Judy Beyer, and Elaine Krahl, juniors.

Brenda Beyer Is Lindsay's Queen At Homecoming

Homecoming 1971 was perfect for Lindsay with the Knight's win over Sacred Heart Tigers and ideal weather for pre-game crowning ceremonies and after-game social events.

Miss Brenda Beyer won the queen's crown on vote of the entire student body. She was chosen from four candidates. The other three were princesses in the royal court. They are Patsy Arendt, Paula Owen and Carol Felderhoff.

Others participating in the coronation included Janie Zimmerer, 1970, queen, and the Pep Club. Queen Brenda, a senior, is the daughter of Mrs. Robert Beyer.

Graduates of the classes of 1938 and 1962 were honored guests.

After the game Lindsay Athletic Association sponsored a barbecue supper and the student council sponsored a dance.

Miss Clara Hess James Hellinger Marry at Lindsay

Miss Clara Hess and James Hellinger pledged wedding vows at 5 p.m. in a double ring ceremony at Nuptial Mass Saturday in St. Peter Church at Lindsay. Father Damian Wewers, pastor, officiated.

Parents of the couple are Mr. and Mrs. Henry Hess Sr. and Mr. and Mrs. Pete Hellinger Sr., all of Lindsay.

Mrs. William Schmitz, organist, and members of the church choir furnished wedding music for the Mass and afterward when the couple went to the Blessed Virgin's shrine where the new Mrs. Hellinger presented a bouquet of white gladioli on the altar.

Given in marriage by her father, the bride wore a gown of white satin designed with a high-rise bodice and yoke of silk organza adorned with lace motifs sprinkled with seed

pearls and sequins. Scalloped lace panels adorned the front of the A-line skirt and lace circled the hemline. The train was chapel length. Lace was repeated at the cuffs of the bishop sleeves and at the high collar. Her veil was elbow length and her flowers were a cascade of gardenias, gladioli, frenched mums and ivy.

Mrs. David Huchton was her sister's matron of honor and Mrs. Steve Yosten of Muenster, sister of the groom, was bridesmaid. They wore identical gowns of royal blue crepe with velvet ribbon accenting the Empire waist and forming a bow with streamers at the back. They carried nosegays of gladioli florets.

David Huchton was best man and Steve Yosten was groomsman. Winston Fangman and Pete Hellinger Jr. were ushers. Wedding reception and dinner were held in the Lindsay Cafeterium for about 325

guests. They were registered by Miss Joyce Hellinger, sister of the groom, and Miss Lynn Fuhrmann. Mrs. Henry Voht Jr. served the wedding cake.

When the newlyweds left on their honeymoon she was wearing a brown plaid pantsuit with matching accessories.

They will be at home on Rt. 2, Gainesville. He is employed at Southland Paint Company and she is employed at Jr. Elite dress factory.

Both are graduates of Lindsay High School and he spent two years in the Army with one year of overseas duty in Vietnam.

points was also good.

After that Lindsay's youngsters were permitted to run the offense and Sacred Heart was equal to the job. They put a stop to Lindsay's scoring. However the Knights apparently were aiming for a shut-out, so they kept their full defensive strength in the game. The net result is that Sacred Heart's deepest penetration was the 24 yard line, where the best opportunity was blasted by a fumble.

hurry it is also the beginning of the end for us. Permitting Communism to dominate the organization gives it a good start toward dominating the world.

The great tragedy is that Red China's admission is taken for granted by so many, as if its right to membership is generally admitted, when everyone knows that its record of aggression and treachery and mass murder disqualifies it for admission. Then there is the simple fact that Nationalist China, on the Security Council, can veto the

motion for its expulsion. Maybe Peking demands by-passing that rule as a method of entry.

Regardless of legal trickery, the fact is that Red China is not worthy or qualified for a UN seat. But our government supports it. Why? Have our principles deteriorated that much? Or our security? Whatever the answer we have cause to be worried.
