

# MUENSTER ENTERPRISE

VOLUME XXXVI

MUENSTER, COOKE COUNTY, TEXAS 76252 JANUARY 21, 1972

NUMBER 9

**A weekly news release from the Texas Press Association tells about an interesting political poll taken at a meeting of directors of the Gulf Coast Press Association. Fourteen publishers were asked "Who do you think will win the 1972 governor's race in Texas." Seven said Ben Barnes, four said Dolph Briscoe and two said Preston Smith. Next question asked for their present preference. Eleven voted for Briscoe, two for Barnes and one for Smith.**

The incident points up an attitude which is quite widespread lately . . . that lots of people are getting tired of politics in Austin and would like to have a good solid business man take charge, but are resigned to the probability that politics will prevail, as usual.

However, it could make a difference that a group of people learned about their mutual preference along with their mutual assumption that his chance is slim. From all this they may realize that lots of others feel the same way and their favorite is actually a good prospect needing only their support. It could make quite a difference in Texas politics if the public were told that Briscoe does have a chance.

**And this leads up to another subject which deserves serious thought, that is, by almost half of the voting age people in Cooke County. Tax Assessor-Collector Jo Hillis said Tuesday that voter registration up to then was 6649, and that the number who should qualify for a vote is almost twice that many. She points out that the county's record for voter registration was 10,331 in 1968, the last presidential election year. But that did not include the 18-20 age group which became eligible to vote last year. There's little doubt that the former number plus all these new eligibles can top the 12,000 figure.**

**A few years ago we'd have been deeply concerned at being so far from the goal when the deadline was so near. But not any more. Another change of regulations allows a person to register any time prior to 30 days before an election. We're encouraged to register before the regular period ending January 31, but if we missed the opportunity we can still register any time we please. However we need to remember that the date of voting eligibility is 30 days after registration. People who lag should make sure not to over do it, or they may miss an early election, such as for the city or school district early in April.**

**Something else about the new registration law will appeal to practically all voters. It provides that a person who votes in either a primary or a general election automatically extends his registration for a three year period. In fact one must vote in a primary or general election to continue his eligibility. The person who fails to vote will be notified that his registration is cancelled and he will be required to re-register.**

From that it seems that most of us will not have to bother about registering again for a long time. If we'll show up for the primary and general elections our eligibility will go on and on. But the important thing now is to remember that we have to register this year. Not necessarily before the January 31 deadline, but at least 30 days before the first election date. That, incidentally, is early in April and a person has to register in early March, or before, to be eligible for it. That allows slightly over a month, which is not a lot, considering that almost four months of the registering period have already passed.

**In this respect we ought to bear in mind that this is a big voting year. Besides city, school district, and hospital district elections we'll have the primaries which decide most of the county and state offices and the general election for the senate and the presidency.**

Another thought along this line: The new leniency of registration laws makes it possible for political bosses and demagogues to control big blocks of votes. Hence it becomes more urgent for responsible voters to turn out in greater number. It's important to become a qualified voter, to become informed on candidates and issues, and to vote conscientiously. The nation's welfare depends on it.

## Muenster, Lawton Share Top Honors in Tournament

The second annual boxing tournament sponsored by the Muenster Boys Club during the past weekend has been hailed as a huge success by all who had a part in it.

Visiting clubs praised the orderly and speedy conduct of the affair, which was crowded with about 225 contestants. Fans who packed Sacred Heart gym each of the three nights got their money's worth seeing lots of good bouts. Contestants had lots of action and received over 80 trophies. The Boys Club made a nice profit which should be more than sufficient to finance its activity for the rest of the season.

Forty three proud boxers earned champ trophies in the tournament and almost as many received runner-up trophies. Reason for the difference in number of first and second place awards is that a few final bouts had to be scratched because one contender did not show up. The one who was there was declared winner by forfeit.

Top honors of the tournament were shared about equally by the Muenster and Lawton clubs. Muenster got fourteen trophies, 6 champ and 8 runner-up. But Lawton's eleven included 7 champ and 3 runner-up, plus the Leon Endres memorial trophy for sportsmanship, the top prize of the tourney.

Other trophy awards were as follows. CBC of Wichita Falls, 6 champ and 5 runner-

up; Ardmore 5 champ and 3 runner-up; Subiaco 4 champ and 5 runner-up; Arlington 4 champ and 5 runner-up, ESBC of Wichita Falls 4 champ and 2 runner-up; Duncan 4 champ and 2 runner-up; Comanche 2 champ and 5 runner-up; SEBC of Wichita Falls 1 champ and 2 runner-up; Waurika 3 runner-up.

Muenster's winners were as follows. In Junior Special Class: Pat Walterscheid 75, Curtis Pagel 80 and Tim Wolf 100, champions; Charles Switzer 70, Tracy Hulsey 72 and Zandall Carnutte 93, runners-up.

In Senior Special Class: Billy Phillips 60, Roger Haverkamp 80, champions; Jeff Hess 60 and Curtis Grewing 65, runners-up.

In the Novice Class: Jerry Caplinger 163, champion; David Fuhrman 132, runner-up.

In the Open Class: Andy Knabe 156 and Don Kissingier 170, runners-up.

Ernest "Bobo" Jaska, publicity director, addressed contestants and fans at the end of the tournament and was lavish in his praise to all who took part in it. He thanked participating teams for spirited competition along with commendable sportsmanship; also the hard working judges and officials, and the sponsors who kept the show going with the least possible delay. Their method had four contestants in the ring most of the time, two boys busy on their bout while the other two had a between-rounds rest. It eliminated most of the time that's lost between rounds.

Jaska related one incident which, he proudly said, was a perfect example of honesty, one of the several ideals which are the goals of the Boys Club.

Kenny Barcroft of the Arlington club came to the announcer's desk Friday night and showed an envelope containing \$25 that he found on the dressing room floor. No one saw him find the money and the envelope had nothing to identify the owner. He might have kept it, but instead he made the effort to find the owner. Moments after the find was announced a very happy and relieved owner identified the amount and the kind of container — and young Barcroft suddenly rated as the grand champion of the tournament.

Others credited as contributing to the tournament's grand success were Doctors Antonetti, Kralicke and Graham for medical and dental attention; the newspapers and radio and Channel 2 TV for splendid coverage; also Willie Walterscheid, tournament director, Dan Hamric, announcer; Earl Walterscheid, timekeeper; "Rosie" Rosenberg and H. H. Andrews of Gainesville, officials; Sacred Heart Alumni for refreshments and daily clean-up; the school for permitting use of its facilities; Father Frowin and his band who provided nightly entertainment; and any others who had a part in making the tournament a profitable and entertaining event.

## Tom Holmes of Granbury in Race For State Senate

A vigorous fight for the office of State Senator, 22nd District, was promised this week when Tom Holmes of Granbury paid his filing fee and announced his candidacy for the office now held by the incumbent, State Senator Tom Creighton, Mineral Wells.

Holmes has pursued parallel careers as a successful businessman and state officeholder, the latter since 1964 when he achieved a stunning upset victory over veteran State Representative James Cotten of Weatherford, who was reputed to be unbeatable. Holmes was 28 years old at that time.

The office of State Representative, 51st District, which comprises Erath, Wise, Hood and Parker counties, has been held by Holmes since his initial victory in 1964. He ran unopposed for a second term in 1966, and in 1968 handily beat two Democratic opponents in the primary, and a Republican in the general election. Again in 1970, he ran without opposition.

## Spacemobile Will Bring NASA Story To Local Students

Students and teachers of Muenster Public School will receive a closer and more personal look into the age of space on Wednesday, January 26. The occasion will be the arrival of the space science education project unit (Spacemobile) . . . an educational unit of the National Aeronautics and Space Administration.

This traveling unit is operated by experienced space science specialists who travel throughout the United States speaking to school and general public audiences. The lectures demonstrate basic scientific principles by using visual aids and performing experiments. They explain current and future scientific programs of NASA by using authentic scale models of rockets and spacecraft.

The lecturer traces the development of rocketing, propulsion and launch vehicles, requirements of spacecraft, and many of the problems encountered in space flight . . . both manned and unmanned.

This interesting and timely program is available on request as an educational service of NASA to schools and colleges throughout the United States.

## 1971 Was One Of the Best for Muenster Mutual

Another good year in the history of Muenster Mutual Fire Association was reported Monday at the 78th annual general meeting of the organization in the TP&L meeting room.

Ed Endres, secretary, told 35 representatives of five districts that the association's cost of insurance was only 12 cents per \$100 of insured valuation, which is believed to be the lowest ever in the mutual's history. The cost was 15.5 cents for 1970, 15 cents for '69, and 26 cents for 1968.

Endres also reported that the association grew in membership and total amount of insured valuation and in total resources. At this time it has 800 members with 1012 policies whereas a year ago it had 759 members with 965 policies. Total insurance on those policies is \$11,287,431, a gain of \$1,161,379 for the past year. Total resources in cash and investments now amount to \$220,393.83, which amounts to 2 per cent of the total insurance in force. This reserve is the amount recommended by the Texas Insurance Commission and has been the association's goal for the past several years. The year's gain in reserves was \$41,287.75.

Income of the past year on an assessment of 35 cents per \$100 of insured valuation was \$34,367.13. In addition it received \$7,665.66 from premiums and \$11,190.31 as interest on investments. The total income was \$53,223.10.

At the same time expense was only \$11,932.34 as the association enjoyed one of the better years in its losses. Claims for fires and lightning amounted to only \$3,688.52, and for storm losses to \$1,353.61. Salaries, commissions, mileage, postage, printing and other operating expense amounted to \$6,910.21.

Despite reaching their goal of a 2 per cent reserve, the delegates voted to continue their assessment of 35 cents per \$100 of valuation. Their intention is to have a more substantial reserve in case of heavy loss and also to increase income from investments.

Delegates at the meeting represented the districts of Muenster, Lindsay, Valley View, Windthorst and Electra. They voted for re-election of officers as follows: Al Hess, president; Ed Endres, secretary; Victor Hartman treasurer; J. A. Klement, director.

**Thanks To and From Jaycees**  
Muenster Jaycees this week received a letter from the Denton State School thanking them for a shower of Christmas gifts which was made possible by the door to door sale of light bulbs conducted by the Jaycees early in December. The Jaycees, in turn, extend their thanks to people of the community whose purchases provided the gifts.

## Council Approves Rate Increase for Water and Sewer

An increase of water and sewer rates was approved by the Muenster City Council at its meeting Monday night. The water rate will be upped 25 cents to a minimum charge of \$2.75 per month on 1000 gallons or less. And the sewer rate will be upped 20 cents to a minimum charge of \$1.50 per month.

The rate scale for water consumption exceeding the 1000 gallon minimum was discussed but no figures were definitely adopted. The same applies to sewer rates which are based on the volume of water used.

However, it was agreed that the city will continue basing its sewer charge on the volume of water used during the winter months. The reason is that most of the water consumed then is for household use and is discharged through the sewer. Water used for lawns and gardens do not affect the sewer charge.

The council decided to finish the job of adjusting charges at its next meeting. At that time it will also adopt an ordinance specifying the full scale of new rates for both water and sewer.

In other action the council approved the purchase of an oxygen analyzer for the sewer plant. Its purpose will be to determine when the sewage has the correct oxygen content for proper chemical reaction and allowing the air pump to stop running until needed again.

As explained by City Superintendent Steve Moster excessive oxygen causes some solids to float at the top and pass into lagoons instead of being digested. The analyzer is intended to stop needless operation of the pump and also avoid over-oxidation of the sewage. The city will derive a two way benefit from the unit — improved sewage treatment and less air pumping expense.

## Tourney Progress Reported to Club

Progress on the Junior High Basketball Tournament to be sponsored by SHH Lettermen's Club was reported at a meeting of the organization Tuesday.

Terry Hoedebeck and Linda Voth, chairmen, said the dates are Jan. 31, Monday; Feb. 3, Thursday; and Feb. 5, Saturday. Mark Schmitt will be in charge of the concession stand.

President Gary Endres presided. It was announced that the knit shirts have been received by the club and are on sale. They are red and white striped with SH and a Tiger in black.

Larry Bayer reported that an afternoon movie session is tentatively scheduled for Saturday, Jan. 29.

## Flu Absenteeism Nears 20 Per Cent at Schools

The flu bug appears to be on his way out after giving the community a rough time for more than a week, and especially this week. It's been the cause of absenteeism at both schools, a full house at the hospital, and long waiting lines at the clinic and the drug store made up of people who spend the rest of their time being miserable at home.

Sacred Heart was the hardest hit of the two schools. Sister Georgia, elementary principal, said 71 were absent Monday, 68 Tuesday and 60 Wednesday. In addition 7 were absent from high school Monday and Tuesday.

The public school, according to Principal Charles Cash had 60 absentees Monday and dropped to 48 on Wednesday. Teachers, too, have had it at both schools.

Likewise at the hospital, flu and other respiratory ailments have been the dominant sickness, accounting for

more than 50 per cent of the patients and filling the hospital to capacity on Sunday. David Bright, administrator, said the flu cases on the average are lasting four or five days. Assuming that the bug is on the retreat now, school attendance should be almost back to normal next week.

## NTSU Symphony Will Perform for County Students

Gainesville area students have a chance to see and hear a symphony orchestra Thursday and Friday (Jan. 20 and 21) and they won't even have to leave school to do it.

North Texas State University's 70-piece University Symphony, conducted by Dr. George Morey of the NTSU music faculty, will play six informal concerts before 6,000 students at Gainesville High School. The performances, some for high school and some for elementary students, are sponsored by STAGE (Something About Gainesville Exciting), a fine arts organization.

The concerts are designed to show the students every instrument of the orchestra, according to Dr. Morey. He will ask students which instruments they want to hear, and have the orchestra play music featuring those instruments.

Though this policy sometimes creates problems for the musicians — a student wanted to hear a bazooka at another Gainesville student concert — Dr. Morey said that students and musicians alike enjoy the informal approach. The harp is the young audiences' consistent favorite, he said, and for that reason, NTSU is furnishing no less than six harp soloists one for each concert.

Dr. Morey's choice of concert music reflects his interest in showing off the orchestral instruments. All concerts will feature Nicolai Rimsky-Korsakov's "Capriccio Espagnol," which includes a solo passage for each instrument. The remainder of the program will be chosen from six tuneful numbers.

County students from Era, Muenster, Valley View, Lindsay, Walnut Bend, Sivel's Bend, Callisburg and Rad Ware will hear the concerts, along with Gainesville State School students, Child Development Center students, and parochial school students from Gainesville and Muenster.

About 300 area bandmen from Whitesboro, Pilot Point, Saint Jo, Sanger and Marietta, Okla., will also attend.

## Plans Shape for First Aid Course Here in February

A Red Cross First Aid class is set up in Muenster with meetings scheduled for the four Wednesdays of February. The eight-hour course will be taught in four two-hour classes, either from 7:30 to 9:30 or from 8 to 10 p.m., the time still to be decided by those enrolled.

The Red Cross Multi-Media First Aid course will be taught by Dortha Pasqua of Cooke County Public Schools special projects division.

Men as well as women are invited to enroll and may call Mrs. Ed Schmitt or Mrs. Ervin Hamric.

Names must be submitted by the last week of January. Classes will be held in TP&L building.

Certificates will be awarded at the end of the course which qualifies for advancement to Advanced First Aid and then to instructors' courses.

## In Sanger Tournament

B teams of Muenster High are in a tournament of B teams in Sanger this weekend. Both will have their first games with Sanger, girls playing at 7:30 and boys at 8:45.

**Paper Pickup Saturday**  
SHH seniors will conduct a scrap paper drive Saturday, Jan. 22, beginning at 9 a.m. Persons with paper to give are asked to have it out at the curb boxed or corded for quick pick up. Rural residents may leave their papers at the west entrance of SH High School Saturday up to 11 a.m.

Kent Bellah Photo

## Open House Sunday Will Observe W. L. Scoggins' 50th Anniversary

An open house Sunday afternoon, Jan. 23, will honor Mr. and Mrs. W. L. Scoggins on their golden wedding anniversary. Friends and relatives are invited to call at the honorees' home in Myra between the hours of 2 and 4 p.m.

The couple's children, Mr. and Mrs. B. M. Rogers of Pampa, Mrs. Janell Barrier of Wichita Falls, Mr. and Mrs. Karl Hanza of Gotobo, Okla., and Mr. and Mrs. Harry Scoggins of Muenster will be hosts

for the reception to honor their parents.

Planning for this event, the couple recalled their wedding day January 24, 1922, in the courthouse at Breckenridge. Their best man was delayed and they secured a substitute. Now retired, Mr. Scoggins was a long-time employee of Phillips Petroleum Co. Since his retirement they live at Myra, moving from Muenster. They have 11 grandchildren and six great-grandchildren.

## The Meaning of "Peace Symbol"

A popular fad with young people is the "peace symbol." It is seen everywhere, but few people know its origin or meaning. One of the nation's most sophisticated magazines, the NEW YORKER, has some interesting things to say about it. It is most popular with protestors, draft card burners, and flower children. It is worn also by many thousands of unsuspecting youth. They wear the emblem as a necklace, stamp it on sweat-shirts, draw it on notebook covers, even carve it on trees and scrawl it on restroom walls. The NEW YORKER says the

emblem was adopted by various organizations on direct orders from the Communist Party. This, says the publication, is part of a long range propaganda campaign of the Communists to encourage youth to express contempt for adults, for authority, and for the ideals that built the United States.

The symbol is old, but it never has been associated with peace, according to the magazine. It actually is an ancient sign of evil known as the broken cross, sometimes called the "crucified cross." It is the Christian cross perverted, with the crossbars broken down to signify Satan's contempt for Christian principles.

So, young people, wear it if you must. Draw it, stitch it into your clothing. But be sure you know what it really means. Do not be so naive as to follow the crowd without thinking for yourself. . . . But the so-called "Peace Symbol" is an enemy flag of godless tradition cleverly foisted on the unsuspecting.

— First Baptist Wichita

Seventy percent of the people of the United States live in two percent of the total land area of the country.

HAMRIC'S

## The New Imperialism

During Fidel Castro's visit to Chile, a demonstrator shouted that "Chile is the second country after Cuba that is free of Yankee imperialism!" He, of course, failed to note that Cuba is now discovering the meaning of Soviet imperialism. Cuba has become economically dependent on the Soviet Union. Likewise, Chile's expropriation of Yankee properties will not make Chile an economically viable state. Bolivia's take over of the tin mines years ago did not solve her problems.

It is all too easy for Latin Americans to attribute all their national problems to "Yankee imperialism" and opt for economic nationalism, socialism or communism, only to discover too late that there is no imperialism like Soviet imperialism.

America's relations with Latin America present a dilemma. American government aid and private investment in Latin America are all too easily interpreted as "Yankee imperialism." On the other hand, the withdrawal of such aid would be met with charges of indifference to our neighbors below the Rio Grande.

Ultimately, none but the Latin Americans can solve Latin American problems. No amount of American aid can solve Latin American problems, unless these nations put their own houses in order. The successful solution to Latin problems must come from the Latins themselves, not from the Americans or Russians. The United States did not achieve its greatness by asking other nations to solve its problems. Latin America's future will be achieved in the same way. Its natural resources are equal to those of the United States. It is time that confidence in the human resourcefulness of the Latins be reinforced by the Latins themselves.

— U. S. Press Assn.

## Let's Quit the "Peace" Talks

The so-called peace talks in Paris between Hanoi, Washington and Saigon have been going on for nearly four years. They started in May, 1968.

They have provided a platform for North Vietnamese propaganda and for unending abuse of the United States, all designed by the practitioners of this deceit to convince nearly anybody in the world except the Americans and the South Vietnamese. The Communist spokesmen are not negotiating and have no intention of negotiating. They are engaged in psychological warfare and mental warfare, i.e., war by means other than the battlefield, since there they have been defeated by Allied forces that fought largely with one hand tied behind their back, and against targets of no importance.

The Americans are so unused to fighting no-win wars, Korea having been the only one ahead of Vietnam, that they won anyhow. The North Vietnamese are now fighting in Cambodia and Laos when they are fighting at all. Poor Senator George McGovern has not been told.

So the North Vietnamese have got to blow their stacks in Paris. President Nixon warned them more than six months ago that time was running out for them. Still, the Communists have not taken the hint. Now would be an ideal time for the United States and South Vietnam to pull the rug — end the talks for good; walk out without apology. Just say: "Four years is enough. You are out of time. Goodbye."

## Timely Tips

### Caution: Drive Smart In Winter

It's the season for road hazards, but smart drivers can learn to cope with the most common cold-weather problems. According to Ford Customer Service Division, the following tips can help you minimize winter driving troubles and avoid accidents:

**FROZEN LOCKS** — Just getting into the car can be a problem if the door lock is frozen. Heat the car key with

Heat key, and—presto!

a match to thaw out an icy lock. A lock lubricant will prevent future freeze-ups.

**COLD STARTS** — Fast cold-weather starts eliminate unnecessary wear-and-tear on the driver as well as the car battery. To position the automatic choke press the gas pedal slowly to the floor with the key in the "On" position. Then release the accelerator completely and turn the key to "Start." If the engine floods after several tries, hold the gas pedal to the floor while turning the key.

**STALLS** — Stalled cars with automatic transmissions cannot be started by pushing—a fact most motorists are unaware of. Hook-up with a booster battery is necessary. If jumper cables are used, be sure to connect the positive (+) terminals with one cable and the negative terminals with the second. Any other procedure will damage the charging system and could result in personal injury due to chemicals squirting from

battery vents. Vehicles with manual transmission can be pushed to get started provided their batteries aren't completely dead. If you need a shove from another driver, check for matching bumper heights first, then turn on the ignition, depress the clutch and place the transmission in third gear. With the gas pedal about half-way down release the clutch slowly as car speed reaches 10 miles-per-hour.

**SNOWBOUND** — If you bog down in soft snow, use second gear and attempt to crawl forward slowly. If tires spin, shift to "Drive" and concentrate on keeping the car in forward motion. "Rocking" the car may swing it off slippery spots, but maintain a rhythmic motion and don't over-accelerate. Letting several pounds of air pressure out of the rear tires may improve traction, but if the car remains stuck after several minutes of rocking, have it towed to avoid overheating and possible damage to the transmission.

**WINTER TRAFFIC** — Ice, snow or wet road surfaces are particularly hazardous, and stopping distances are unpredictable. Pumping the brake pedal rhythmically to obtain light brake applications without locking the wheels can reduce skidding and prevent loss of vehicle control on slick surfaces. With an automatic transmission motorists can avoid unnecessary braking (and skidding) in stop-and-go traffic by down-shifting to a lower gear as traffic slows down. This will slow the car without the need for heavy braking. After coming to a full stop shift back into drive for your take-off.

## Up to The Public

Governor Ronald Reagan of California has reported on the progress of California's efforts to curb growth of dependency on welfare. He says, ". . . I am very pleased to announce . . . that California's welfare rolls have now declined for the seventh month in a row — an accomplishment no other state can match. . . . Had we not pressed vigorously for welfare reform at the state level . . . our projections show that there would now be a third of a million more persons on welfare in California, or 13 percent more than there actually are. And, the increased federal, state and local taxes this would have imposed on the people of California during these seven months would have amounted to an additional \$80 million burden. . . . What we are accomplishing in California to bring welfare back under control constitutes a dramatic answer to those who claim that a massive and costly federally controlled program is the only solution to the welfare problem. Handing over the welfare dilemma to the federal government is not the answer. . . ."

Reportedly, other areas, notably New York, are working with a measure of success to prevent welfare from breaking the backs of the taxpayers and bankrupting states and the nation. The reversal in the welfare trend has been initiated by officials who have become acutely aware of the mounting resentment of rebellious taxpayers. It demonstrates that when the chips are down public opinion becomes the deciding factor in the choice of programs proposed by elected governmental leaders from the President on down. Thus, the public, if it wishes to do so, could make economy in government a highly popular political slogan — and one that no politician would dare to ignore.

— Industrial News Review

All bears, except the polar bear, have very poor eyesight. They depend on their ears and their nose for defense against intruders.

"Then there is the story of the spy who whote home. Poverty prevails in the USA. The girls and boys have no shoes and as for their mothers, they are wearing the garments of their little sons and daughters.' Now, it looks as if those torrid trousers . . . and mini skirts fooled him."

## Slow Me Down, Lord!

Slow me down, Lord. Ease the pounding of my heart by the quieting of my mind.

Steady my hurried pace with a vision of the eternal reach of time

Give me, amid the confusion of the day, the calmness of the everlasting hills.

Break the tensions of my nerves and muscles with the soothing music of the singing streams that live in my memory. Help me to know the magical, restoring power of sleep.

Teach me the art of taking minute vacations — of slowing down to look at a flower, to chat with a friend, to pat a dog, to read a few lines from a good book.

Slow me down, Lord, and inspire me to send my roots deep into the soil of life's enduring values that I may grow toward the stars of my greater destiny.

As we watch world problems, it might be well to remember that a child can ask a thousand questions a wise man cannot answer.

It pays to advertise with the Muenster Enterprise.

No key was needed with the American latchstring lock of pioneer days, that is still in use today. Pulling a string that had been threaded through a small door hole lifted the latch bar. Withdrawing the string locked the door from the inside.

**Mass, Reception For F. A. Wieses 50th Anniversary**

Mr. and Mrs. Frank A. Wieses have celebrated their golden wedding with an anniversary Mass and a reception in their home, 1109 Throckmorton St., Gainesville. Frank Wieses married Clara Schad Jan. 20, 1922, in St. Peter Church at Lindsay. They held the observance on Jan. 9. They are parents of four sons, Francis, Paul and Leonard Wieses of Gainesville and Robert (Bob) Wieses of Fort Worth.

Father James Gillespie was celebrant of the anniversary Mass in St. Mary's Church at 2 p.m. and heard renewal of the couple's vows. Mrs. Ted Hundt, Fort Worth, sister of the 50-year bride who was her attendant in 1922 served again. Her husband took the place of Mr. Wieses' brother the late Albert Wieses as best man.

The four sons carried the sacred vessels in the offertory procession.

Mrs. William Schmitz, Mrs. Wieses' sister Cecilia of Lindsay, played the organ.

Mrs. Wieses and her sister both wore blue dresses and orchid corsages. Grandsons were ushers, Hal Wieses of Miami, Okla., and Don Wieses of Gainesville.

The couple's eldest granddaughter Mary Ann, Mrs. Bobby Schneider helped her grandparents plan the affair. Yellow carnations in an heirloom cutglass bowl decorated the living room with pictures of the 12 grandchildren and childhood pictures of the four Wieses sons.

Natural lace over gold covered the serving table which held a crystal basket of fresh yellow rosebuds. Mrs. Schneider presided at the punch service and another granddaughter, Paula, assisted Mrs. Henry Spaeth serve the wedding cake. This had been made and decorated by Mrs. Spaeth with figurines representing the couple and their sons, and pink and

blue rosebuds for grandchildren and three great-grandchildren.

Yellow carnation corsages were worn by members of the houseparty. Janet Wieses registered guests and this table held a picture of the honored couple taken at their wedding, and a "now" picture made recently. Other granddaughters assisting in the houseparty were Susan and Teri Wieses of Fort Worth; Gina Wieses and Diane who is Mrs. Paul Hoedebeck, and Mrs. Hal Wieses of Miami, Okla. Other grandsons present were Bobby and Jimmy Wieses of Fort Worth, Jack Wieses and Bobby Schneider, Gainesville. The three great-grandchildren, Shelly Schneider, Laura Wieses and Jeff Hoedebeck, were also there. The entire family members and daughters-in-law attended with the exception of Soldier Paul Hoedebeck, who is in the Veterans Administration Hospital of Memphis, Tenn.

Brothers and sisters of the honor couple attending were Mrs. Jake Bezner and Mrs. Bill Schmitz, Lindsay, Mrs. Ted Hundt and Mrs. Vic Hall of Fort Worth, Joe Schad of Fort Worth and Bill Schad of Gainesville. A sister-in-law, Mrs. Vincent Wieses of Fort Worth was also present among the many relatives and friends from Cooke County.

Mr. Wieses retired in 1958 from serving at the Katy depot office as telegrapher for 27 years. Prior to that he worked for Katy Railroad from 1918 to 1929. His hobby during retirement is Swedish Massage work, some of which he has done during summers spent in Idaho Springs, Colo.

**Services Held for Mrs. Lon Blanton 91, at Gainesville**

Funeral services were held Monday morning at 10:30 in George J. Carroll & Son Funeral Home Chapel for Mrs. Lon Blanton, 91, who died of heart failure Saturday afternoon in Gainesville Hospital. Burial was in Fairview Cemetery beside her husband.

Mrs. Blanton, the former Ora Pryor, was born Nov. 23, 1880, at Woodbine and was married to Mr. Blanton in 1912. He operated a hardware store at Myra and she was bookkeeper-cashier for the business for many years. They had one child who died at birth. After the Myra cyclone destroyed their home they moved to Valley View. Both later were residents at Golden Acres Nursing Home. He died in June 1969.

She was active and alert in spite of her age and was not ill until Thursday when she was admitted to the hospital. She died at 4 p.m. Saturday.

The Rev. Bourdon Smith officiated at the funeral services and at graveside rites. Mrs. Blanton helped rear a niece, Marguerite Felty now Mrs. M. H. King. Surviving are two nephews and four nieces including Mrs. King of Muenster and Mrs. Joe Lewter of Hood.

**Bryan Rites for Kin of Countians**

Relatives here learned Saturday of the death that day of Miss Anna Clair Brink of Bryan who suffered a fatal heart attack. She was the daughter of Mr. and Mrs. G. S. Brink of Galveston and a niece of Andy O'Connor, Mrs. Will Sicking, Mrs. John Schmitz of Gainesville and Mrs. Matt Stelzer of Post.

Funeral services were held Wednesday in Bryan Catholic Church.

Miss Brink had for years been employed at the Catholic rectory in Bryan.

Her parents, one sister and one brother survive.

**HD Members Plan Arbor Day Plant**

Members of Muenster Home Demonstration Club have planned observance of Arbor Day, Jan. 21, by individual planting of a tree, each in her own yard.

This was decided at the group's January meeting when Mrs. Bruno Fleitman was hostess in her home Wednesday afternoon.

Mrs. Earl Robison, president, presided and read a letter from Mrs. Bert Martin of Valley View saying she will send seeds for tallow trees to members. These will be planted at a later date.

Members named Mrs. Robison as their choice to be included with one member of each county club from which a delegate will be chosen by the county council to attend the district HDC meeting in Corsicana.

Reports included Mrs. Albert Fleitman's and Mrs. Al Walter's on visits to local shut-ins. Mrs. John Wieler volunteered for this month.

Mrs. Rudy Hellman gave the county council report and Mrs. Arthur Endres told about Arbor Day plans made by the Council of Garden Clubs.

A note of thanks from Wichita State Hospital for Christmas gifts sent by the club was read.

It was announced that the next meeting will be with Mrs. Ray Klement as hostess and Mrs. Joe Hoenig giving the program on zipper installation. Members will answer roll call with a sewing hint.

The hostess served refreshments to 19 members and one guest, Mrs. John David Fleitman.

**March Reception Planned by CDA At January Meet**

Muenster court Catholic Daughters of America at their monthly meeting Feb. 13 made plans for reception of new members and set the tentative date either March 12 or March 26. Local members will host the joint reception ceremony with Denison CDA court.

Candidates are being accepted now and may turn in their names to Mrs. Tony Hess, regent, or to any member of the court.

In other business Mrs. Ed Schmitt reported on further plans for the organization of a First Aid class in Muenster — an adult education course requiring 12 members to enroll for classes that total eight hours of study.

Mrs. Joe Luke, librarian, gave the annual library report consisting of receipts and expenditures, new books shelved, and hours worked by the volunteer staff.

For the program Mrs. Norbert Felderhoff of Gainesville gave a book review, the comical story of a poodle dog — "Every Night with Josephine."

Mrs. Paul Fisher served coffee and homemade pumpkin nut bread to about 20 members. Mrs. John Mosman won the door prize.

Friday — Meat loaf, green beans, buttered corn, bread, butter, milk, pineapple slice.

**Local News BRIEFS**

"Having a good time, wish you were here" is the message from Curtis Brooks of Pete Briscoe's haberdashery to all his friends. Curtis and his wife are living it up this week in Hawaii.

Mr. and Mrs. Ray Evans drove to Princeton Wednesday with gifts to help their only grandchild, Murlin Ray Evans celebrate his first birthday at the home of his parents, Mr. and Mrs. Murlin Joe Evans.

Mr. and Mrs. Earl Walterscheid were in Dallas Monday and Tuesday stocking up with new appliances for Muenster Electric. In spite of being in the appliance business for less than a year, the firm has attained a preferred dealer status with the Motorola and Gibson distributor.

Mr. and Mrs. Paul Fisher and her brother, Frank Kathman of Gainesville, were in Chickasha, Okla., Tuesday to attend the funeral of their uncle, J. K. Stover. Meeting them there were Mrs. Fisher's sister and brother-in-law, Mr. and Mrs. Charlie Morris of Happy, Tex.

Visiting the J. M. Weinzapfels last Tuesday afternoon to Wednesday afternoon were Msgr. Thomas Weinzapfel of Dallas accompanied by Father Jose Vigar of Spain who is presently in Dallas studying. It was Father Jose's first visit in Muenster and the Weinzapfels showed him places of interest in and around the city. Tuesday evening the Weinzapfels and their guests were with the David Brights who were hosts for dinner in their home. Earlier in the afternoon Mr. and Mrs. Bright had as surprise visitors Retired Air Force Major Hank Bloomer and his son of Waco. The Brights and Bloomers were on assignment together in North Carolina.

**Tony Reuters Are Complimented on 40th Anniversary**

Mr. and Mrs. Tony Reiter of Gainesville celebrated their 40th wedding anniversary Tuesday night at a family reunion of their children and grandchildren and the Reiter and Luttmner relationship.

About 100 guests attended the event in the Gainesville KC Hall where a catered dinner was followed by dancing. The honor couple's children were hosts. They are Doug and Gene Reiter and Mrs. Odie (June Ann) Brown. Their families attended including the Reuters' eight grandchildren. All are of Gainesville.

Brothers and sisters of the couple presented a joint gift. A handsome anniversary cake centered the main table.

Mrs. Reiter is the former Rose Luttmner. The couple married in Gainesville in St. Mary's Church, Jan. 19, 1932, and with the exception of a short time when they lived at Krum, have lived on Route 4, Gainesville, on a farm.

**Kin, Friends at Mrs. Voth's Rites**

Among friends and relatives attending funeral services for Mrs. Mary Voth were Father Alcuin Kubis of Little Rock, Ark., who was celebrant of the Mass and delivered the sermon, Father Damian Wewers of Lindsay and the Rev. Mr. Jerry Mosman of Holy Trinity Seminary, Irving, present in the sanctuary, and Bishop A. Dangelmayr who conducted graveside rites.

Also Sister Agnes Voth of Wynne, Ark., Mr. and Mrs. Bob Dixon of San Diego, Calif., Mr. and Mrs. Mack Lawing and two sons of Iowa Park, Mr. and Mrs. Paul Kubis and son Toby of Beaumont, Mr. and Mrs. Buster Kubis of Broken Bow, Okla., and Mr. and Mrs. Albert Voth of Justin. Others attended from Cooke County.

Mr. and Mrs. Dixon remained for an extended visit.

**MHS Bs Win 2 From State School**

Muenster High B teams won both ends of a double header basketball program with Denton State School Monday night on the local court. Both games were very decisive, 42-12 for the girls and 57-20 for the boys.

Leading scorers in the first game were Mary Lou Fleitman 8 and Darlene Wolf 6. In the next one the leaders were Robert Johnson 19, Lyle Klement 18 and Joe Bright 10.

**NOTES FROM THE LIBRARY**

By Bettie Luke

Two interesting new books have been shelved at Muenster Public Library — "The Wonderful World of Automobiles," and "Parade of the Animal Kingdom."

The first, by Joseph J. Schroeder Jr., was donated by Mrs. Ben Seyler and is very interesting. It reminds the older people of the automobiles of yester-year as it pictures cars from 1895 to 1930. Young people will enjoy looking at the "funny looking" cars compared to today's improved models.

The animal book by Hegner also is very interesting with subjects and photographs of the very first animals, worms, mollusks, insects, fish, lizards, snakes, turtles and the different birds.

Come and read with us.

**Birthday Honoree**

Mr. and Mrs. Joe Hoenig were Sunday visitors in Lindsay where he was honored at a six o'clock birthday dinner in the home of their daughter Mrs. Richard Hermes and family. A decorated birthday cake and a joint gift from the guests were a part of the celebration. Others present were Mr. and Mrs. Jerry Hoenig of Muenster and Mr. and Mrs. Raymond Hoenig of Lindsay and the host family.

**On Subiaco Honor Roll**

David Voth, son of Mr. and Mrs. Theo Voth and a junior at Subiaco Academy, Arkansas, was among 62 students named on the school's Faculty list for the second grading period. Eligibility requirement is at least a B average and no grades below C.

**BIRTHS**

Mr. and Mrs. Gary Covington of Gainesville announce a son, six pounds eight and a half ounces, born at Muenster Hospital Saturday, Jan. 15, 12:53 p.m. Others welcoming him are maternal grandparents Mr. and Mrs. Andy Monday and great-grandparents Mr. and Mrs. Andy O'Connor of Muenster and paternal grandparents of Forestburg.

**Deductible Amount Upped by Medicare**

The Sherman Social Security District Office issued two important reminders today about Medicare. The first is that the deductible amount now payable to a hospital has been increased to \$68. This means that a hospitalized beneficiary must be responsible for the first \$68 of hospital charges. Also, the co-insurance amount chargeable after a beneficiary has been in a hospital more than 60 days or in an extended care facility more than 20 days is increased.

Some beneficiaries missed an earlier opportunity to enroll in the Supplementary Medical Insurance part of Medicare. They may now be eligible to enroll during the first three months of this year with entitlement date effective July 1. It is not necessary for those currently enrolled to re-enroll.

The Sherman social security office is located at 810 North Travis. The office is open from 8:30 a.m. to 4:45 p.m., Monday through Friday except national holidays. The telephone number is 893-4301.

A representative may be contacted in Gainesville each Tuesday and Thursday from 9:30 a.m. to 12:00 noon at the Federal Building.

**Eclipse of Moon Can Be Seen Early On Sunday, Jan. 30**

The Cooke County Junior College Astronomical Society calls attention to the upcoming total lunar eclipse early Sunday morning, January 30. According to Dr. Frank E. Stewart, faculty sponsor for the society, the moon will enter the earth's unbra at 3:12 a.m. Totality begins at 4:35

a.m., lasting until 5:12 a.m. The eclipse ends at 6:36 a.m., with the full moon being low in the western sky.

Observation of the eclipse will be the highlight of this month's activities of the CCJC Astronomical Society. Its first meeting of the Spring 1972 semester will be at 11:30 a.m., Tuesday, February 1, in the planetarium building. Anyone interested in Astronomy is welcome to attend this meeting.

**JETS Hear Speaker On Computer Use**

Junior Engineering Technical Society of Sacred Heart School, meeting Monday night in TP&L community room, had as their guest speaker Charles Smith, Cooke County Junior College counselor, who spoke on the use of computers. Cletus Bayer, president, presided and noted that six members had signed up for the JETS Aptitude Test to be given in February. Sacred Heart High will be the test center. He also announced March 17 as the date for the JETS' State Roundup at A&M University.  
 To conclude the meeting a film was shown on Textite II's mission.  
 Refreshments were served to members and Mr. and Mrs. Smith, Mrs. John Mosman, club adviser, Ernest Jaska, engineering adviser and Mrs. Jaska.

**Muenster Teams Split Games with Frisco and Nocona**

Muenster High teams broke even on their basketball activity of the past week. Each has a win and a loss.  
 At Frisco last Friday night the boys survived a tough one 58-56 after the girls had dropped their game 32-28. And hosting Nocona Tuesday night the girls won 42-41 whereas the boys were blasted 74-50.  
 The girls were ice cold for their game with Frisco, and so was the home team. After a 7-7 first quarter tie Muenster led 15-13 at the half and 22-21 at the third quarter. In the last period they continued their poor shooting while Frisco improved just slightly, but enough to get in front by 4. Doris Felderhoff made 22 of the 28 points.  
 The Hornets did better, taking a 20-12 first quarter lead and gained slightly for leads of 33-24 and 49-37 the next two periods, then went into a fourth period slump. They managed to hold out for a two point margin at the end. Scorers were Jim Endres 21, Mark Lippe 16, Tom Otto 12, Randy Wolf 7, Claude Klement 2.

The girls game with Nocona was very similar. After a 12-11 deficit the first quarter, MHS gained to leads of 28-20 and 37-30 and then turned cold. Doris Felderhoff made 1 of 8 free throws in the fourth quarter and only two field goals out of many tries. Meanwhile Nocona scored 11 to tie the count in the last minute. Felderhoff broke the tie with a free shot seconds before the buzzer sounded. Despite her cold streak she made all of her team's 42 points.  
 The boys game started as a thriller, Nocona leading 17-14 the first period. MHS got a point ahead near the half but dropped behind 31-30 as the period ended. The next period was a catastrophe as the Hornets hit only 5 while the Indians got 22. The final period was slightly better but the Hornets were still outscored 21-15. The final count was 74-50.

Flu has been a big factor in the Hornets' 12-A season to date. In the first two games three players were below par. In the next two, Ronnie Felderhoff, normally a starter, has been absent.  
 Hornet scorers Tuesday were Jim Endres 20, Tom Otto 15, Randy Wolf 10, Mark Lippe 2, Claude Klement 2, Ricky Swirczynski 1  
 Next action for MHS will be with Lake Dallas on the local court. It will be a 3-game program starting with a boys B game at 5:30, then the two district games.

One American farmer supplies the food needs of 40 persons.

### IT HAPPENED 35 YEARS AGO

Jan. 15, 1937

Winter strikes Muenster with sleet and cold; telephone and electric lines break; thermometer stand at 10 degrees. Tony Burger's Sumacs defeat Era to retain lead position in county round robin basketball tourney. Girls tie for second place with Callisburg in volleyball race, Valley View leads with perfect score. Lucy Fuhrmann and Ed Hess marry. Muenster plant ships 29,000 pounds of cheese in past two weeks. Bank deposits double here in four years. The Oscar Schotte family leaves here to make home in Ballinger.

### 30 YEARS AGO

Jan. 16, 1941

Stephen Geray dies at Lindsay after four years illness. FMA members re-elect C. J. Wimmer president; Bill Becker

vice president; Victor Hartman secretary; board of directors includes Emil Vogel, Albert Henscheid, J. B. Klement, and Barney Voth. Garden Club turns to Red Cross and defense activities. Another drive for waste paper is begun. CDA sponsors benefit to buy bond for new church fund. Ed Walterscheid and Ann Wilde marry at LaSara. Lena Mae Schmitz and Martin Trubenbach say wedding vows at Lindsay. Charles, infant son of the Frank Sandmanns, dies at Lindsay. Mrs. John Fette breaks right arm in fall on ice. The Johnny Ottos move to Gainesville. The Joe Horns announce arrival of Marilyn.

### 25 YEARS AGO

Jan. 17, 1947

Impressive ritual admits Randy Bayer, Larry Hoffbauer and Damian Hellman as Tenderfoot Scouts. Bob Lutz, 48, is found dead on oil lease early Wednesday. Community awaits effect of freeze on small grain crops. Thieves steal bath tub from T. P. Frost's new home. Holy Name Society admits 15 new members. Ted Noggler sustains broken right leg in fall during snowball fight. Josephine Hirsch and Joe Gehring marry in Dallas. Marcus Fuhrmann and Catherine Lueb marry here. Della Mae Moore and Joe Cason marry at Bulcher. Marie Schmitt of Lindsay marries George Rohleder in Fort Worth. Mildred Fleitman of Lindsay is Cooke County's 4-H Gold Star girl.

### 20 YEARS AGO

Jan. 18, 1952

FMA annual report reveals plant made 1,375,190 pounds of cheese in 1951. Water is plentiful at new city well. Polio benefit show nets \$94; collections will be taken Sunday at church doors. Local fire department re-elects Pat Hennigan as chief. Less than half of county poll taxes are paid to date. Harry Sicking will enter Harris Hospital in Fort Worth this week for surgery to insert a silver plate in his forehead to replace bones crushed in an oil field accident. Urban Rohmer is on a ten-day overseas leave. Paul Fisher is elected president of County ABA Association. J. W. Hess gets award for outstanding record as Elm-Red District supervisor.

### 15 YEARS AGO

Jan. 18, 1957

Tony Gremminger, 58, dies suddenly following a stroke. George Mollenkopf, 55, dies of heart attack. Community will vote to select Muenster's top citizen of 1956. Lt. and Mrs. Gerald Gorrie (Joyce Williams) and daughter born in Germany are back after foreign duty for three years with Air Force. Sister Leonard breaks left wrist in fall. M. F. Milner is a patient at Baylor Hospital since suffering a fractured elbow that required surgery. Brownie troops elect Mary Wimmer and Karen Lindsay as presidents. New arrivals: daughters for Messrs. and Mmes. Arthur Hess and Leo Felderhoff.

### 10 YEARS AGO

Jan. 19, 1962

Rugged weather delays blessing of Sisters' convent. Crops are damaged by hard freeze. Old convent will be auctioned Feb. 1. Contract is signed for

construction of phone lines. Meeting on control of screw worms is set. Former resident, Joe Klement, 75, dies in Spokane, Wash. Family of ten, die in fire that destroys their relatives of Father Christopher, home. Muenster Mutual sets record low insurance. Boring tests will give final data for hospital plan. Mr. and Mrs. Ed Hess celebrate 25th anniversary. Willie Walterscheid is again owner-manager of Mobil Station as Carl Walterscheid joins J&L Supply Co. Rosemary Hermes is installed chairman of Cooke County 4-H Council.

### 5 YEARS AGO

Jan. 20, 1967

Muenster loses three long-time residents: Mrs. G. H. Hellman, 82, Mrs. Frank Bindel, 66, and Mrs. Christine Wilde, 83. Gene Roberts, resident deputy, resigns. Scholastic census starts this week. Mrs. John Schilling breaks hip in fall at home. Shaping and sodding is in progress at Hornet field. Betty Haverkamp and Robert Blessing marry at Lindsay. Sacred Heart High lists Who's Who. FHA Chapter presents fashion show for PTA program. David Haverkamp advances to Spec. 5 in Vietnam. Clyde Fleeman is civilian again after serving in Vietnam. Tim Mosman advances to Spec. 5 in Panama. Muenster Library report shows staffers checked out 8,767 books to readers and put in 2,603 hours of volunteer work during 1966. New arrival: a boy for the Pete Hellingers Jr.

### 4-H Club News

#### 5th and 6th Grades

Sacred Heart fifth and sixth grade girls had a program of slides on pollution and drugs at their January meeting. Peggy Schumacher of Gainesville was in charge. Mary Grewing presided in the presence of 14 members.

#### Community Club

Muenster Community Club had 18 members, one adult leader, and extension agents Craig Rosenbaum and Marlea Thompson present at the January meeting in TP&L community room. The program was presented by Peggy Schumacher who brought a film the State 4-H Council had made. Mary Lou Fleitman, president, presided. Beverly Trubenbach reported on the food group meeting and Mike Davidson reported on Share-the-Fun.

### Signup for ASCS Will Start Feb. 3

Signup in the cotton, feed grain, and wheat programs will begin on Thursday, February 3, and end on Friday, March 10, at the Cooke County ASCS Office in Gainesville. Intentions may be accepted earlier provided the producer AGREES IN WRITING to be subject to any additional terms and conditions which may be implemented prior to February 3, 1972. Earlier announcements stated that the signup would be held from January 17 through February 25.

### Farm Income of County to Reach \$25 Million in '76

Cash income to farmers and ranchers in Cooke County should be more than \$25 million by the end of 1976, according to Neil Tibbets, county agricultural agent. This will be an increase of more than \$7 million from 1968-69 figures, with Beef Cattle and Dairy contributing a large part of the gain. The projections are based on studies of the Texas Agricultural Extension Service and are part of the "3.76 in '76" program, a state-wide project to increase Texas agricultural cash receipts by more than \$1 billion. Total cash receipts from all agricultural enterprises in Cooke County are presently about \$24 million, says Tibbets. The most important ones are beef, dairy, and wheat. They are expected to account for about 75 percent of the project 1976 totals. The county will be aided in its production efforts by the County Program Building Committee. Extension specialists will hold conferences in Cooke County during February to discuss improved production of Cooke County crops. "Cooke County producers will have access to production information and techniques that can help spell success for the Texas goal of \$3.76 billion in 1976," says Tibbets.

Wearing sunglasses may be considered very "in" today, but the Chinese wore tinted lens 14 centuries ago to protect their eyes from the bright sun.

**A Light That Shines Through**

The making of x-ray films has come a long way since the drawing made around the turn of the century which depicts a physician hand-cranking a generator to obtain the necessary power to make an image of the patient's hand. At right is one of the newest examples of sophisticated x-ray equipment from General Electric — a complete diagnostic x-ray system, run by remote control, which allows the patient to stay in one position while an x-ray examination takes place.

"Is it light?"  
"I'm not sure."  
"Is it electricity?"  
"Not in any known form."  
"What is it?"  
"I don't know."

Wilhelm Konrad Roentgen was not trying to make life difficult for the reporter who came to his lab in 1895 to interview him about the mysterious "x-ray" the German physicist had recently discovered. Roentgen really did not know just how and why this "wonder ray" could produce a visible image after penetrating flesh, cloth, wood or metal.

Appropriately, he included in his name for the phenomenon the mathematical term "X" - the unknown quantity.

Roentgen's rays were initially viewed with great skepticism by both the public and scientific communities, but he lived to see the application of x-ray in diagnostic medicine and disease therapy.

A new kind of physician became necessary to study and interpret x-ray films - the radiologist. A radiologist receives 13 years of training beyond high school before he has the necessary qualifications to translate the film images into a diagnosis that greatly aids the personal physician in treatment of illness or injury. He is aided by a technologist, a person skilled in the taking of x-ray films.

Each year shortly after Thanksgiving, the Radiological Society of North America convenes in Chicago for its annual meeting. There, radiologists exchange ideas and view the latest developments in the evolving science of x-ray application.

Among equipment on view, this year will be the General Electric Company's new system for aiding in the detection of breast cancer. The unit is capable of obtaining accurately and completely the various necessary views of a patient's breasts in a shorter time than previously required.

By harnessing Roentgen's "wonder ray," radiologists over the years have contributed immeasurably to lessening the sufferings of mankind.

**Local News BRIEFS**

The Rev. Mr. Jerry Mosman returned to Holy Trinity Seminary, Irving, Saturday after being here with his parents, the John Mosmans since before Christmas for a long recess from study.

Visiting Mrs. Joe Luke Saturday afternoon were cousins, Mr. and Mrs. Dick Badney and family of Munday. They met and visited with their son Robert Badney, a member of the Subiaco boxing team who was here with the Subiaco group.

Mr. and Mrs. John Mosman and Mr. and Mrs. W. J. Hopper saw their children, Mr. and Mrs. Bill Hopper off Saturday for the young couple's home in Ulysses, Kansas, where he returned to the job he had with Columbia Carbon Co. before entering the Army. Since their return from Panama where he was on duty until being separated from the service the couple visited here with her parents and at Gainesville with his parents.

It's back at home for Mr. and Mrs. John Aytes and children Desiree, Gregg and Shayne, returned from Johannesburg, Africa, and to be relocated in Dallas where John's

new assignment will take him Feb. 1. Meanwhile they are occupying a mobile home in Sylvan's Trailer Park. Their oldest daughter Ramona will continue in high school at Longview where she is living with relatives since the term opened.

Weekending with the Clyde Fisher family were Mrs. Fisher's parents, Mr. and Mrs. R. J. Grill of Eureka Springs, Ark. The visitors were showing off their new camper. They were enroute to the Rio Grande Valley and Old Mexico for an indefinite time vacationing.

Visiting over the weekend with their parents were the Larry Gobbles of Irving, guests of the Clive Gobbles and Clarence Hellmans. Other visitors at the Gobble home Saturday evening were Mrs. Gobble's sisters and husbands, the W. L. Eddys and the J. W. Patterson's brother-in-law and sister Mr. and Mrs. O. B. Beard of Dallas. The Beards spent the weekend with the Pattersons.

Mr. and Mrs. Billy Joe Dangelmayr and children Tommy and Janet, joined by Mr. and Mrs. Leroy Sandmann and son Chad of Lindsay, spent Sunday in Windthorst and Wichita Falls. At Windthorst they visited the Tommy Berends and at Wichita Falls they visited the Bob Walter-scheids.

COMPLETE FUNERAL SERVICE

**Nick Miller Funeral Home**

**THE INFORMED CONSUMER**

By Crawford C. Martin  
Attorney General of Texas

"Nearly new nationally-advertised brand ziz-zag sewing machine for \$14.95."

"Complete brake job for \$15.00."

"Four rooms of furniture for \$199.95."

Do the above "eye catchers" sound familiar? Most consumers at one time or another have responded to such advertisements, often hurrying to get there so they can take advantage of the tremendous offer before the merchant's supply of the product is exhausted.

Many times these consumers are met with a constant belittling of the advertised product and are purposely switched to another more costly product by a smooth talking salesman.

Other times they are told the item is sold out even though the ad says the sale is good for three days and the store has only been open for ten minutes on the first day. They just happen to have a similar item, however, at a higher price. What a disappointing experience for the consumers who alertly see through the sales gimmick, and how tragic for those consumers who do not!

"Bait and Switch" advertising is prohibited by both Federal and State law. "Bait and Switch" is a practice whereby an offer is made not in order to sell the advertised product at the advertised price, but rather to draw consumers to the store to sell them another similar product which is more profitable to the advertiser. The merchant

is even unwilling at times to sell his "bait" item to the customer. It is not unusual for a merchant who engages in such tactics to actually fine his salesman if the advertised merchandise is sold.

Remember that merchants are operating their businesses to make a profit, and they cannot afford to give away their merchandise. Certainly not all merchants engage in the "Bait and Switch" form of advertising. There are numerous specials and other sales run each day that are bona fide, and they do not fall within the "Bait and Switch" practice. However, when an ad is just too eye catching to be true, you should carefully analyze it and then scrutinize the salesman's presentation. Don't be victimized by the "Bait and Switch" salesman; be an Informed Consumer!

Whenever you discover a business which engages in "Bait and Switch" advertising, be sure to notify Attorney General Crawford C. Martin, Attorney General of Texas, P. O. Box 12548, Capitol Station, Austin, Texas 78711. By doing so you will help us protect others who are unaware of this advertising gimmick.

The human brain is like a freight car — guaranteed to have a certain capacity, but often running empty.

### Lindsay News

Johnny Kasperek was a patient at Gainesville Hospital from Saturday to Monday for treatment of burns on his hands and body. He had built a fire in his camp house where a can with gasoline exploded. Johnny is the son of Mr. and Mrs. D. D. Kasperek.

Mrs. Damon Fuhrmann has a broken arm, result of a fall on ice.

Mr. and Mrs. Norbert Zimmerman have been honored at a housewarming party in their new home. About 70 relatives and friends attended and presented a shower of gifts. Father Damian Wewers was there and officiated at the new house blessing.

Mr. and Mrs. Leroy Sandmann and son Chad were in Windthorst Sunday visiting his sister and husband the Tommy Berends. They made the trip with the Billy Joe Dangelmayrs and children of Muenster who were with them at the Berends and the two families stopped in Wichita Falls to visit the Bob Walterscheids. Mrs. Dangelmayr's sister and brother-in-law, before returning home.

Members of Lindsay Community 4-H Club, at their January meeting, made plans for their annual Achievement Day to be held in connection

with their February meeting. Barbara Rohmer presided in the presence of 35 members.

Mr. and Mrs. Joe Bezner Jr. were in Richardson during the weekend helping their son-in-law and daughter Mr. and Mrs. Roy Morisak and son Gene move into a new home they bought. Their new address in Richardson is 1222 Danville.

### Marcus Fuhrmanns Feted to Observe 25th Anniversary

Relatives and friends joined Mr. and Mrs. Marcus Fuhrmann Saturday in celebrating their silver wedding anniversary at Mass in St. Peter Church and at a dinner-dance in the school cafeteria at Lindsay.

Father Damian Wewers officiated at the church at 6 p.m. and the honor couple's children were hosts for the social observance.

The 25-year bride is the former Catherine Lueb. The couple married in Muenster on Jan. 14, 1947. Attendants at that time were her sister Louise, Mrs. Bob Metcalf, and her cousin Damon Fuhrmann. They served again.

Sons Mark and Michael were Mass servers and presented the gifts at the offertory.

The couple lived in Muenster on the A. A. Otto farm for a short time after their marriage then moved to Wolf Ridge where they still reside.

They are parents of nine children, Mrs. Johnny Anderle and Mrs. Willie Wimmer of Muenster and Mark, Mike, Steven, Becky, Pam, Pat and Kenny of the home. And they have three grandchildren, Johnny and Kevin Anderle and Shayne Wimmer.

Others attending were Mrs. H. A. Lueb of Midwest City, Okla., and Tony Fuhrmann of Lindsay, parents of the honorees, and Messrs. and Meses. Ray Lueb, Bob Metcalf and sons Tim and Bobby, Odie Minick and son Mike, all of Midwest City, Okla., Mr. and Mrs. C. W. Monaghan, their daughter Barbara and her husband Tommy, of Wylie and Frank Lueb and son Billy of Seguin.

Also the Al Flusches of Decatur, the A. C. Flusches and H. S. Fuhrmanns of Lindsay, Mrs. Alfons Koesler Sr., Alfons Koesler Jr., Messrs. and Meses. Ed Hess and Mike Schilling, Bernard Wolf and Tony Wimmer, all of Muenster.

Anniversary gifts were displayed and Doug Martin and his band played for dancing after the catered meal.

Miss Peggy Fuhrmann, a cousin, and the honorees' daughter Pam registered 90 guests. Becky and Pam Fuhrmann served their parents anniversary cake.

Visitors from Canada First time visitors in Muenster are Mr. and Mrs. Raymond Fuhrman who arrived Tuesday from Netherhill, Saskatchewan, Canada, to spend several days with his uncles and families the Adolph and H. J. Fuhrmans. The couple are traveling in their camper and will go on to Old Mexico. While here they are being entertained at family dinner parties to see most of the relationship.

### Mark Metzler Is Named Optimist Boy of the Month

Mark Metzler, son of Mr. and Mrs. Gerald Metzler of Lindsay, has been selected by the Breakfast Optimist Club of Gainesville as "Optimist Boy of the Month." He is a senior at Lindsay High School where he has an "A" average. He received the school's Chemistry Award his junior year, has participated in football four years, earning three letters, was captain of squad this year, and has lettered in basketball for four years.

Mark is the Cooke County Farm Bureau Speech champion and won first place in the district in informative speaking his freshman and sophomore years. He won a first place in the district in persuasive speaking, first in regional and was a state finalist.

He was a member of the cast of the school's one-act play which won first in district and he won the Best Actor award in the district, was third in regional, and was in the all-star cast.

He was class president for two years and a member of the student council three years.

He now will be entered by the club for zone honors in the Young Texan program.

Mark is the grandson of Mr. and Mrs. Henry Henscheid of Muenster.

Be careful about calling yourself an expert. An "ex" is a has-been, and a "spurt" is a drip under pressure.

Truth is like a cat — no matter how one twists it around, it will always land back on its feet.

### Lindsay Classes Elect Favorites

Students of Lindsay High School have chosen their class favorites. Also selected are nominees for Mr. and Miss Lindsay High School, and nominees for other titles.

Freshman class favorites are Cindy Felderhoff and Steven Hundt. Mr. and Miss LHS nominees are Johnny Metzler and JoAnn Bezner. The two likewise are nominees for most popular freshmen.

Sophomore favorites are Ron Felderhoff and Carol Zimmerer with John Gossett and Donna Zimmerer candidates for most popular and Jerry Metzler and Carol Zimmerer nominees for Mr. and Miss LHS.

Selected by juniors as class favorites are Judy Beyer and Don Metzler. Nominees for most popular are Carol Felderhoff and Roger Luttmir; and for Mr. and Miss LHS, Larry Zimmerer and Elaine Krahl.

Paula Owen and Robert Hundt are senior class favorites; Brenda Beyer and Glenn Bayer, most popular nominees; Mark Metzler and Brenda Beyer, Mr. and Miss LHS nominees.

### At Kin's Wedding In Miami, Florida

Mr. and Mrs. Ray Evans, accompanied by her sister-in-law Mrs. Ruby Dickerson and daughter Mary Evelyn, Mrs. Johnny Antoon, both of Oklahoma City, returned Monday from a weekend visit at Miami Beach, Florida, where Saturday they attended the wedding of Mrs. Dickerson's son Scotty Dickerson and Miss Michelle Rancliff. Ray Evans helped give the bride in marriage.

### Family Joins with Albert Kubises on 40th Anniversary

Three anniversaries were observed in one ceremony at Lindsay Saturday by the Kubis family.

Honored were Mr. and Mrs. Albert Kubis whose 40th wedding anniversary was Jan. 19, his brother Father Alcuin Kubis who will observe his 40th anniversary of ordination to the priesthood in May, and Mr. and Mrs. Buster Kubis whose sixth wedding anniversary was Jan. 15.

Father Alcuin celebrated the anniversary Mass in St. Peter Church at 4 p.m. Mr. and Mrs. Albert Kubis presented the sacred vessels at the offertory. Their grandchildren Miss Carol Felderhoff played the organ, Ronnie Felderhoff was lector and Tim Wolf was acolyte.

Mrs. Kubis is the former Catherine Voth of Muenster where the couple married.

A family reunion with supper in the A. J. Felderhoff home afterward gave the relationship an opportunity to visit with Father Alcuin who was on a short visit from Little Rock, Ark.

There were three appropriately decorated cakes for the honorees and gifts for them. The Kubis children were hosts for the meal. They are Mrs. A. J. Felderhoff, Mrs. Kenneth Thurman, and Gilbert Kubis of Gainesville, Mrs. Adam Wolf of Muenster, Alcuin Paul Kubis of Beaumont and Buster Kubis of Broken Bow, Okla. They attended with their

Mrs. David Huchton and infant son Tracy Ray have been dismissed from Muenster Hospital and are at their home.

families making 23 grandchildren present. Special guests were Sister Florence Marie Kubis of San

Antonio and Mr. and Mrs. Albert Till of Corpus Christi. Others attending made 55 present.
