Reserve Sergeant Bobby Tharp, above, of Valley View prepares to begin his volunteer weekend shift last Saturday. He and his son, David Tharp, at left, of Gainesville are two of the nine-member Cooke County Sheriff's Reserve Program. David is always prepared to answer emergency calls at the Gainesville Fire Department where he is a lieutenant and Fire Safety Officer. He works 24 hour on-48 hour off shifts and volunteers 25-30 hours a month to the Sheriff's Reserve Program. *Janie Hartman Photos*

"We have the same responsibility and the same job line as a full-time deputy does," remarked Deputy David Tharp of the Cooke County Sheriff's Office Reserve Program. "The state of Texas sees us no differently than a regular officer, but I don't feel that I replace a regular officer. I come in to relieve an officer when the county is low on man power. They are working understaffed in this county as it is. We aid in that sense because we do not make any money, we volunteer our time. We take a burden off of the tax payers in the county in these positions where they can't afford to hire full-time officers. "We're pretty motivated because this is not a career for us," remarked David. "We enjoy doing it (law enforcement). Sometimes when you

get into a career you kind of hit a slump sometimes where you get stale. That's one thing that is very positive with us because that doesn't really happen with us because we're not working at it 40 or 60 hours a week. We come in and work 25 to 30 hours a month and it stays real new to us so we stay motivated and ready to go."

David Tharp holds a full-time job with the Gainesville Fire Department. He has earned the rank of lieutenant in the fire department and is also a fire safety educator. As fire safety educator he offers programs on fire prevention and safety in the five Gainesville elementary schools, does numerous PSA's on local radio stations and writes a column which is published every third Sunday in the Gainesville Daily Register.

Cooperation Agreement. Judge Ray Russell reported that County Attorney Augie Boto was very involved with another project and had not had the opportunity to review the document. No action was taken on this matter.

Cooke County Treasurer Janet Johnson informed the Commissioners Court that it had been recommended that the county amend the TextPool Resolution to include an authorized signature besides the county clerk's. As deputy treasurer Judy Hunter was approved as the second signature on the county's agreement with TextPool. It was resolved to check on bonding.

The vote to allow the state to return the right-of-way on FM-902 to property owners was unanimously approved with the request that any money involved with the return be paid to Cooke County since the county made the original purchase.

On the recommendation of Ethel Jernigan, Child Protective Services Supervisor II, Richard Schlaudroff of the Gainesville Police Department and Chuck Carter, a criminal justice teacher at NCTC, were appointed to fill two of four

vacancies on the Cooke County Child Welfare Board.

In the matter of what to do with the bids received on a Galion Roll-O-Matic steel wheel packer from Precinct 4, Judge Russell said that the county attorney advised that there was no set procedure for such a situation. The county received three bids. The high bids were identical. Both J.H. Bayer Sons, Inc and B.J. Co. Inc. bid \$1500.00. It was decided that both bidders should be notified and lots drawn with both present.

Commissioners Jerry Lewis and Virgil Hess presented their recommendation that Jim Robertson be hired by the county to act as attorney in a civil litigation. Three law firms requested consideration. With Judge Russell abstaining because of his judicial dealings with local attorneys, the vote was 4-0 to hire Robertson. Hess and Lewis said that terms between the county and the attorney would be worked out at a later date.

The incident involves an accident on April 25, 1993, involving a private auto and county squad car.

In other action the minutes from the last meeting and the monthly bill were approved.

1994-95 budget and tax rate explained by MISD superintendent

by Steve Cooper, MISD Superintendent
I mentioned several weeks ago that I would write an article, later, explaining the '94-95 budget and tax rate. MISD's Board met on Sept. 15, and set the '94-95 tax rate - they had approved the budget in the August board meeting but it was amended in the September meeting to reflect a change in revenue from the latest state information.

In the explanation that follows, I've rounded off all numbers and will touch on various reasons for the decisions that were made concerning this year's tax rate and budget.

The '94-95 M&O budget was set at \$1,700,000. This reflects about a 5% increase over the '93-94 budget. This year's budget was cut in every way possible without actually cutting any of our instructional programs - it is a bare-bones budget. Included in the figure is approximately \$20,000 that MISD will pay out of M&O for debt service. This is done to keep the tax rate down.

More than half of the percentage increase is new expense to start our Pre-K program for '94-95. Please keep in mind that 50% of this expense is reimbursed in a grant from the Texas Department of Human Services (TDHS). We could not have had the program this year without their grant. While the percentage increase mentioned above for Pre-K is an expense, MISD does get compensated for the qualifying students in the next school year. Money this program generates will more than cover the expense of the program, however, the catch is, once again, we do not get the money this year.

We're most fortunate to have a day care center in Muenster that we can lease space from for our Pre-K program because MISD does not have the space on any of its campuses. Actually, the grant stipulations prefer that the Pre-K programs they sponsor be held at a day care center. The Tender Loving Care Day Care Center has worked with MISD in every way imaginable to make the cost and the program viable. They have gone overboard to provide a service to the students in our community. The first chance you get, you need to thank Wanda Flusche for her conscientiousness and concern.

As it turns out, we are very fortunate to have these additional youngsters to count in our average daily attendance (ADA). MISD started out the year down 10 students from last year which translates into about a \$30,000 loss in state funds. We have gained some of this loss back but not all. To give our taxpayers, once again, the impact of students to our district, we can use our neighbors Lindsay and Era. Lindsay stayed about the same in number of students this year, but they have well over 450. Era started the year with 401 - this was a gain of 25-30 students from the previous year which translates into approximately \$75,000 to \$90,000 in additional state revenue. It doesn't take much to figure out that additional students do impact budget and tax rates.

In the meantime, MISD is doing all it can to maintain the status quo. Additional students always translate into more state money - more state money always impacts our vision for this district. MISD has been fortunate over the years to educate

our kids at a below-the-average expenditure per pupil - we are still doing that, but it will become more and more difficult to do so if enrollment stays the same. I would want all our taxpayers to realize that less state money means the local taxpayer makes up the difference. The structure of school finance is such that districts like Muenster, that are above average in wealth according to state definitions, will not receive as much money as those districts that are poorer in definition. Funding formulas are skewed to force higher tax rates in light of continuing state mandates.

The MISD School Board also set the tax rate at the meeting mentioned earlier. The M&O tax rate for '94-95 was set at the effective rate of \$1.08, the I&S rate (debt service) was set at \$.07 - this was a 2-cent increase. This is a six-cent increase in the total rate for '93-94. Since Muenster lost over \$3 million in value due to decrease in oil and gas and the district lost over \$10,000 in projected state aid for '94-95, the overall rate is actually a 2-cent increase because the M&O effective rate is the rate that will generate the same amount of revenue as last year, taking into account the loss of base and state funds.

Back again to what I said earlier. State formulas put additional burdens on taxpayers in a district that is above-average wealth. Once again, at the risk of being redundant, I would want all MISD taxpayers to be aware that state mandates drive our budget - one being required increases for our professional staff. That computes to about \$30,000 in increases each year. If we do not generate more

state revenue, by acquiring additional students, or if we don't cut programs (a reminder, we already educate our kids at a cost per pupil much less than state averages), then the money will have to come locally because of state limitations. I would be remiss in my responsibility as superintendent of MISD if I didn't make an effort to create an awareness in each taxpayer of our predicament because each community always makes the ultimate decision as to what and how much they are willing to support in their schools as evidenced by the taxes they are willing to pay.

MISD is very proud of the fact that the state recognized this district as an exemplary district this past year, one of only five in the entire state. I know some grow tired of hearing this, but MISD should not tire of saying it. It is a tribute to hard work and dedication and to the fact that a school can excel when people support dedicated efforts. And, beyond all that, it's always been my thinking that people certainly mind less paying for something that is bringing them meaningful results and you can't get much more meaningful results in a school than to be ranked in the top 5% in the state. Simply translated, this means people are getting more than their money's worth at MISD when compared to schools locally and the state.

But, our rewards transcend what the state says about us. Our rewards translate daily in the successes our students have that are benefiting them in the real world. This is indicative of a story I heard a short

Work on OB unit continues at MMH

Progress continues on the installation of the new Birthing Unit at Muenster Memorial Hospital, reported Administrator Jack R. Endres, Jenny Bezner, R.N.C., has been hired as the OB/Nursery Supervisor. Jenny is certified in neonatal nursing and resuscitation and has a total of eight years of nursing experience in labor and delivery and newborn intensive care. Jenny is currently working at Presbyterian Hospital of Dallas as a Charge Nurse on the Neonatal Intensive Care Unit.

As OB/Nursery Supervisor at MMH, Jenny will be educating the nursing staff in all levels of fetal monitoring and resuscitation. In addition to her own education and experience, Jenny will be incorporating the Essentials of Fetal Monitoring course developed by the Association of Women's Health, Obstetrics and Neonatal Nurses. The nursing staff is also attending courses to become familiar with the state of the art fetal monitors which have been ordered by the Hospital. Jesse York, R.N., and Shirley Endres, L.V.N., recently returned from one such fetal monitoring course in Oklahoma.

Remodeling plans for the Birthing Unit continue to develop.

A recent trip to the Hill-Rom plant in Batesville, Indiana enabled Jack Endres, Director of Nurses Joan Walterscheid, Central Supply Supervisor Linda Vogel, and OB/Nursery Supervisor Jenny Bezner the opportunity to see mock-ups of different birthing rooms and top of the line obstetrical furniture and equipment first hand.

The MMH Hospital Auxiliary is continuing its commitment to the fund raising goal with its Custom Swimming Pool Raffle. The Auxiliary is selling only 300 tickets at \$100 each for a chance to win a \$17,800 swimming pool and deck. In addition, a second place drawing will be held for a trip for two to Las Vegas donated by Mr. Frank Cromeens and many door prizes will also be given away. The drawing for the pool will be held on October 8, 1994 at an appreciation party for all ticket holders at the Frank and Bobby Cromeens Ranch.

With the support of Muenster and the surrounding communities, the Eagle's Fund has received cash and pledges of \$132,250 towards its \$300,000 goal. The Hospital would like to thank those people and organizations listed on page 6 that have already donated.

NCTC enrollment, reserve funds continue to grow, as reported to trustees

Enrollment continues a steady rise at North Central Texas College, according to a report given to the college's Board of Trustees at their regular monthly meeting Sept. 19. Dr. Eddie Hadlock, dean of students, reported that the headcount total of 4,282 at the end of late registration for the fall term is the highest in school history.

This compares to a total of 4,268 the previous fall semester, but Hadlock said the more significant figure to compare is the fall 1992 total of 4,202 - about two percent lower - because it was the previous "base year."

"The level of funding public community colleges like NCTC get from the state is set on a biennial basis," Hadlock explained. "This current fall term is another base year, and the fact that our enrollment is up is tremendously significant because it will drive our state appropriations for the next two years, 1995-96 and 1996-97."

Hadlock said that a number of other schools in the region have reported declines in enrollment this fall.

time ago. One of last year's students, because of extensive computer training in one of our classes, did not have to take a required computer course in college because that student already knew what the course taught. The student learned that at Muenster High School. To me, that speaks volumes as to teaching youngsters things that are relevant to college and to the work place and things they can use now. That is what MISD is all about.

NCTC Trustees also heard some good financial news from Dean of Financial Services Heidi Ellis who reported that "the books have now been closed" on the college's 1993-94 fiscal year.

"I'm happy to report that we have definitely finished up the year in the black," Ellis said. "With early retirement of some bonded indebtedness, investment interest, unexpended fund balances and other factors taken into account, we'll be able to add \$123,000 to board-designated reserves, bringing the college's current reserve balance up to \$1,516,410."

NCTC President Ronnie Glasscock said this total represents almost 13 percent of NCTC's \$11.7 million annual operating budget.

"It's not quite to the ideal level we'd eventually like to get to with our reserves," said Dr. Milton Dickson, board vice-chairman who conducted the meeting in the absence of Chairman Urban Endres. "It's getting very close, however, and it certainly represents some excellent progress toward that goal by Dr. Glasscock and Mrs. Ellis who, with the guidance and direction of the board, have managed college funds very wisely and efficiently."

NCTC Trustees passed unanimously Alan Richey's motion that the college decline "at this time" to become a participating member of the North Texas Educational Network (NTEEN). Board members expressed concern over uncertainties regarding the monthly cost of fiber optic cable line charges proposed by North Texas Communication Company - \$500 per month for one semester and rising to more than \$900 a month for the balance of a 42-month contract period.

Dr. Glasscock and Dr. Doug Crawford, dean of instruction, also said there remain unresolved questions about specific college-level courses NCTC would be able to offer by interactive video over network to students in the three rural area high schools currently participating.

"The courses in highest demand, principally English courses focused on writing skills, don't really lend themselves very well to the interactive video format, as do lecture-discussion courses like government, history, psychology, even introductory foreign languages," Crawford said. "However, these are not the kinds of courses being requested by the superintendents right now."

"Another course requested is calculus, but our college-level calculus is very different from what would be taught at the high school level. It is a very demanding course that requires several prerequisites and is probably beyond what most high school students are ready for."

The NCTC governing board indicated, however, that there is a continuing interest in the network, particularly in regard to the potential to be realized from an emerging instructional technology. They pledged to continue to track the development of interactive video as an instructional modality.

The resignation of longtime biology instructor Sharon Gaston, recently accepted into veterinary school at Texas A&M, was "accepted with regrets" by the board. In a letter, Mrs. Gaston, recognized as 1993 "Teacher of the Year" during NCTC commencement ceremonies in May, expressed her sadness in leaving the college but said this was an opportunity she could not pass up.

"My goal is to complete veterinary school and return to my true vocation - teaching," wrote Mrs. Gaston, an instructor at NCTC for the past 14 years. "I sincerely hope there is a place available for me here at the end of the four years required to complete the DVM."

Hired to take over Mrs. Gaston's classes for the balance of the semester was Dr. Sam Dunlap, a part-time NCTC instructor from Decatur.

In other business, Trustees approved a three-month contract extension to Mark Burroughes of Swako & Burroughes, L.L.P., for the collection of delinquent taxes. The college will issue a new request for proposals for this service at the end of the contract extension.

Trustees rejected two bids received on a "people carrier-type" vehicle, one at \$40,354 from Lasseter Bus Company, Inc. of Dallas and the other from Bridges-Hemphill Enterprises, Inc. of Denton at \$41,306. The bids were rejected because of questions about specifications, and the vehicle will be rebid.

Reunion planned for former National Supply employees

A reunion of former National Supply Company employees will be held on Saturday, Oct. 15, at 12 noon in the Lindsay Park. It will be potluck event and all attending are invited to bring a dish or two to share.

Ice tea, hot coffee, plates, cups, knives and forks will be provided.

Former employees are urged to come and visit with their NSCO friends again.

When you meet the reserve officers on the street you won't be aware of it since they wear uniforms identical to those of the full-time deputies. In the first year they had a uniform that distinguished them as Reserves. Many people, especially at Germanfest, questioned their authority, said Mr. Tharp. People mistakenly thought that the reserve deputies couldn't do anything to them.

"People get into trouble when they try to resist," commented David. "We are for real."

Those interested in becoming reserve officers must attend a police academy and earn a license as a peace officer from the Texas Commission on Law Enforcement and Education. They are fully qualified to work as full-time paid deputies. Reserve deputies fill out reports, work accidents, make arrests, and answer calls just like our full-time paid county deputies.

Each person pays for his own tuition to the academy. There are night classes so that the candidates can attend while holding their regular jobs. Most of the local men attend Texoma Regional Academy. Training takes about 440 hours. Each year after they are also required to have 20 hours of continuing education.

Bobby Tharp worked for seven years as a reserve with the Carrollton PD before moving to Cooke County. David estimated that it cost him around \$2,500.00 for school, gas, equipment and gear. He has been with the Cooke County Reserves for three years.

Being certified doesn't automatically mean acceptance into the reserve program. The Cooke County Reserve Program has a rule that brings potential members in as Reserve Ones. This means that they must always work with another officer in the reserve for a two year minimum. During this period they are evaluated by each of the Reserve members and their

performance is critiqued. A Reserve One can be dismissed if his performance is not up to the standards of the group.

"We run our organization tough, we run it hard on people," explained Sergeant Tharp. "We make them test. They have to ride with each one of us officers. We have a discussion on what they did wrong. We give them a written test and an oral test. Then we give them a final test where we go out and work 16 hours in the field with them to see how they conduct themselves. We don't do anything but sit back and watch. If they don't make it we let them go and they've put a lot of time and money into our organization."

These volunteer officers receive no compensation from the county. Until last year they paid for everything they needed to do the job from the clothing that they wear to the equipment needed such as gun, holster, handcuffs, flashlights, etc. Now Cooke County supplies the uniform pants and shirt, but the volunteer must supply the rest with money from his own pocket.

By working as security guards at the Muenster Germanfest this group earns money that goes toward the purchase of equipment. Recently the group was needing bullet-proof vests and since they don't receive pay to help buy new equipment, it was decided to approach some local businessmen for assistance. "They more than helped us," said David. "We were able to buy our vests with their help and we're very appreciative of it."

Donations are always welcomed and appreciated by this special group who are sometimes under equipped. Anyone interested in lending financial assistance can contact Captain Terry Gilbert through the Cooke County Sheriff's Department, (817) 665-3471.

It has been determined that the reserve officers save the county somewhere between 40 and 50

thousand dollars a year. Their total hours are around 3,000 a year which would equal two full-time officers. When workman's comp, insurance, and sick leave benefits are added to the regular salary it is a great savings.

One incident that David feels made a big difference and gained the Cooke County Sheriff's Reserve a good deal of respect was a couple of years ago when Lake Ray Roberts had experienced about 50 or 60 auto burglaries at a boat ramp around Pecan Creek. The Reserve unit set up as a task force in some vehicles at the location and apprehended three suspects that night. A lot of cases were cleared that night and to David's knowledge until one recent incident there hadn't been any burglaries there in over two years.

The Cooke County Reserves also work as a task force in other high crime areas or incidents. Alcohol and minors is another area that they concentrate on at times. They have gone into bars in plain clothes and make arrests for public intoxication and minors violations. David feels strongly about working alcohol enforcement.

"The reason that I feel so strongly about working alcohol is because in my full-time job as a fireman I've had to pull out several teenagers before that had lost their lives in car accidents," David revealed. "I've seen the impact of people losing their children at such an early age. Maybe by the Reserves working alcohol in the county they can prevent a needless death."

He also had a message for parents, "If you let your kids drink, you need to be there with your kids. If you are the legal guardian or the parent that kid can drink with you. If you are allowing your kids to drink you need to be with them so you can be responsible for them and make sure that they don't get out on the road and cause an accident killing themselves or other innocent

bystanders. If the parents have been drinking too they need to call someone. Don't drink and drive."

David married Deana Nortman, a Lindsay native. They have no children.

There are now nine Cooke County Sheriff's Reserve deputies. Besides the two Tharps and Captain Gilbert there are Bill Carver, Glen Fisk, Chuck Owen, Sonny Privett, Gary Hollowell and Joe Stout. Hollowell and Stout are the two newest and are classed as Reserve One since they have not been with the Cooke County Reserves for a full two years. Previously Hollowell served for five years as a reserve deputy with the Grayson County Department.

Bobby Tharp made the decision to become a reserve officer because he enjoys that type of work and because of the benefit it offers the community. Besides David, Bobby has another grown son, a nine year old daughter and a wife. He feels that by offering his service he can make the community a safer place for them to live in and save the tax payers money. "You can't change anything by sitting around and complaining," he reasons, "you've got to get out and get involved."

Being around a father who is involved in law enforcement spurred David's interest. "I always wanted to be a fireman as a profession, but law enforcement always intrigued me so I thought that the reserve program would be a good way to have both worlds."

BECAUSE I CARE...

...what the citizens of my District think about me, both personally and professionally, I feel constrained to publish an answer to my opponent's accusation that I am *shameful and disgraceful* and to answer his desperate and intended slurs and his attempts to use the names of other National figures in an effort to run against them and not against me and my record.

In part of his *shameful and disgraceful* allegations— he compares me with other Congressmen.

ALTHOUGH I RESPECT EVERY MAN AND WOMAN IN PUBLIC SERVICE—AT ALL LEVELS—I vote a very independent vote—and I hope, a vote that represents Texas and the Fourth District. My opponent asks you to believe otherwise—by using innuendos.

EXAMPLE:

My opponent uses the name of Congressman Barney Frank in his news release, obviously because he chooses to slur me. Congressman Frank is an acknowledged gay, one who was censored by the entire Congress. My opponent also threw in the name of Congressman Ron Dellums, probably because he is a liberal member from California.

FACTS:

Although I personally respect Congressman Dellums—they *both* signed a petition to take away my Space Committee Chairmanship because I voted against the Administration's badly flawed Budget Bill, which (with the BTU tax in it) would have immediately cost Texas over 50,000 jobs. It seems neither fair nor logical to use such members to draw any comparison my opponent wants to draw. I am not them and they are not me.

In another part of his *shameful and disgraceful* accusations— he complains about a poll I send out personally.

My opponent and his campaign manager said that a simple poll I mailed out in July was *shameful and disgraceful*. The campaign manager called it an "unwitted abuse of power". They say on the one hand that I am "out of touch" with my district (Note: I have missed seven weekends in fourteen years of coming home to listen to my constituents)—and on the other hand that I should not from time to time poll my district.

FACTS ON THE POLL—Facts that they knew and ignored:

The poll was not sent to the 650,000 homes that I represent—but only to those who are in my computer. They got there by giving me their ideas or their criticisms. This poll went to 80,000 residences. **THE SUGGESTION** was that I throw away taxpayers' money and abuse the "franking" privilege.

DO I ABUSE THE FRANKING PRIVILEGE? READ THE RECORDS.

I enclose an official report showing that I use approximately ONLY TEN PERCENT of the Franked Mail that I am allowed.

FACTS:

FROM FEDERAL RECORDS: Ed Craun in the Finance Office gave us the following figures on your franking budget.

1993	1994
Budget: \$169,923.00	Budget: \$169,923.00
Expenses: 17,218.96	Expenses (through June): 6,524.00
Balance: \$152,704.04	Balance: \$163,399.00

This record was graphically displayed in the Dallas Morning News Editorial (8/28/94) showing that I certainly do not *shamefully and disgracefully* abuse the Franking privilege. I answer mail I receive—and communicate through Press Releases that are not "political puff", but reports that the media of my District carry at no expense to taxpayers. The editorial, in part, is as follows:

So, I say to my friends—and particularly to the young people of District 4—examine carefully what desperate and badly trailing candidates say simply to get a little free publicity. I have no personal ill-will toward my young opponent—and I hope I never stoop to characterizing him as *shameful and disgraceful*. I do not intend to answer any more of his reckless and political allegations—either in print or to him personally. As a matter of fact—all of my political life I have tried to serve and live politically by a statement that goes into almost all of my advertising:

"I would rather lose a clean and respectable race than to reap a shallow victory through slander...."

Respectfully submitted,

Ralph M. Hall

Ralph M. Hall, M.C.
4th District of Texas

Congressman Ralph Hall and Mary Ellen in Washington D.C.

I am a co-sponsor of H.R. 3787, designed to curtail some of the abuses of Franking.

I do not consider it *shameful and disgraceful* that I am considered careful with taxpayer money. Although I have never contended that I am the absolutely most conservative and the only budget-cutting member of Congress—I am proud of the recognitions set out below, as printed in the Denison Herald (6/15/94):

Hall least spender in Congress

Special to The Herald

Ralph Hall was the least spender in Congress for the first four months of the year, according to a valuation of all roll call votes which had a monetary value. A list of Congress' biggest and least spenders was released by DNDI Publishing of Carbondale, Ill. Hall represents the Fourth District of Texas, of which Denison is a part.

Hall again receives the U.S. Chamber of Commerce Spirit of Enterprise Award, presented by Dr. Richard L. Leshler, President of the U.S. Chamber of Commerce.

Vows solemnized in Aug. 27 ceremony

MRS. PHILIP MARK WOLF
...nee Cynthia Gail Schneider...

The wedding of Cynthia Gail Schneider of Forestburg and Philip Mark Wolf was held in Sacred Heart Church on Aug. 27, 1994 at 3 p.m., with Father David Bellinghausen, OSB, officiating for the traditional double-ring ceremony.

The bride is the daughter of Bobby and Laura McQuinn of Decatur. She is a 1978 graduate of Decatur High School and is employed by Peterbilt Motors as an Assembly Specialist. The groom is the son of Adam and Alma Wolf of Muenster and is a 1980 graduate of Muenster High School. He is employed by Peterbilt Motors as an Assembly Specialist.

Baskets of mauve, blue and ivory roses, lilies and carnations, with ivory streamers decorated the altar space.

Presented at the altar by her brother-in-law, Billy Grantham, the bride was wearing an ivory lace floor-length wedding dress designed with V neckline, double capelet collar edged in heavy scalloped lace and long slim lace sleeves. The back was closed with tiny pearl buttons to the waist. Scalloped lace edged the hemline. She wore ankle-high lace boots and carried a bridal bouquet of mauve lilies, carnations, ivory roses and ivy with streamers of ivory lace.

ATTENDANTS

Brenda Grantham of Bridgeport, sister of the bride, was matron of honor. Bridesmaids were Shawna Grantham of Bridgeport, bride's niece, Teena Cummins of Gainesville and Jackie Irick of Slidell. They wore mauve tea-length shantung dresses designed with lace bodices and sweetheart necklines. Each had a pearl comb hairpiece, a heart-shaped necklace, gift from the

bride and groom, and each carried a bouquet of mauve lilies and ivory roses.

Crystal Wolf, niece of the groom, was flower girl and Justin Wolf, nephew of the groom, was ring bearer.

Kim Hale of Muenster was the best man. David Felderhoff of Muenster, Calvin Otto of Denton and Brad Hutson of Forestburg were groomsmen.

Ushers were Randy Wolf of Dallas and Tim Wolf of Prosper, both brothers of the groom, David Cummins of Gainesville and Ron Dangelmayr of Muenster, groom's brother-in-law.

Wedding music was presented by Ruth Felderhoff, organist, with traditional processional and recessional; and Christy Hesse, soloist, who sang "Let It Be Me," "How Great Thou Art" and "One Heart, One Hand" for the lighting of the Unity candle.

Randy Wolf, groom's brother, gave Scripture Readings chosen by the couple.

RECEPTION

A reception and dinner followed in the Sacred Heart Community Center, hosted by the groom's parents, Adam and Alma Wolf for 230 guests.

Cousins of the bride, Angie Chilton and Sherri Holt, secured guest signatures in the bride's book.

Mauve, blue and ivory flowers on white lace cloths decorated the bride's table. The three-tiered white wedding cake was served by Margie Klement and Darlene Miller, sisters of the groom, and Carol Wolf, groom's sister-in-law.

Guest tables held decoration carrying out the bride's chosen colors of mauve, blue and white

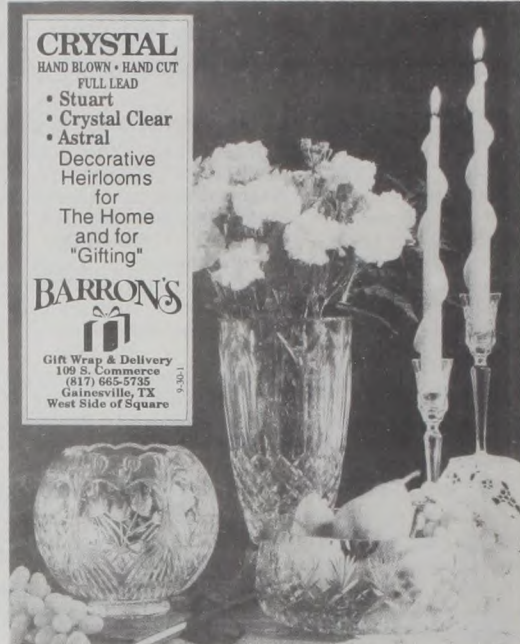

lace, with ivy and lighted candles.

The rehearsal dinner was followed by dancing to music by DJ Steve Ormond of Denton.

Since returning from a wedding trip to New Braunfels, the couple resides in Forestburg.

Out-of-town guests included

Margie Klement and Lance of Bokchito, Oklahoma; Paul and Lou Ann Kubis of Houston; Greg and Jan Arnold of Houston; Randy and Carol Wolf and Phillip and Page of Dallas.

Volunteer training conducted by Home Hospice in October

Home Hospice Cooke County will conduct its annual volunteer training in October.

Home Hospice is dedicated to the care and treatment of terminally ill persons and their families. One of the very special ways Hospice cares for families in this situation is through the use of volunteers. Volunteers are available to meet such needs as running errands,

sitting with patients while the caregiver gets a much-needed break, picking up medication or equipment for families or lending a listening ear.

Dates for the training are Oct. 6, 8, 11, 13, 18 and 20. With the exception of the Oct. 8 date, all sessions will be from 6:30 - 9:30 p.m. at the Hospice office. The meeting on Oct. 8 will be a full-day session in Sherman.

Home Hospice is looking for people who enjoy helping others and who derive satisfaction from making a difference in person's lives.

During the training volunteers will be instructed in ways that they can assist patients and their families who are dealing with a life-threatening illness. Areas to be covered include an overview of the Hospice concept, spiritual issues faced by patients and families, ways we deal with our own mortality, and ways to care for ourselves.

Home Hospice provides care for the terminally ill and their families regardless of their ability to pay. For more information on the training please call Dianne Boone at 665-9891.

Arendt is Commended Student in Merit Program

The principal of Lindsay High School, Will Steger, has announced that Greg Arendt has been named Commended Student in the 1995 National Merit Scholarship Program. A Letter of Commendation from National Merit Scholarship Corporation, which conducts the program, will be presented by the school to this scholastically-able senior. Greg is the son of David and Sharon Arendt of Lindsay.

About 35,000 Commended students throughout the nation are being honored for their exceptional academic promise. They placed among the top five percent of more than a million students who entered the 1995 Merit Program by taking the 1993 Preliminary SAT/National Merit Scholarship Qualifying Test. Although the qualifying test scores of Commended Students are outstanding, they are slightly below the level required to continue in the competition for Merit Scholarships to be awarded in 1995.

A Merit Program spokesperson commented, "It is important to acknowledge the attainments of

GREG ARENDT

academically talented students and to credit schools for the key role they play in their development. We hope the recognition received by the able young men and women who are commended in this rigorous, nationwide competition will encourage them to take advantage of their opportunities for higher education and to diligently pursue their professional goals. The nation will benefit from the full development of this precious intellectual resource."

Friends of the Family host Volunteer Orientation Oct. 5

Friends of the Family wants to buy your lunch! Join us Wednesday, Oct. 5, for our new Volunteer Orientation from noon to 1 p.m. at 114 N. Dixon, Gainesville. If you're interested, please call 665-2873 by Tuesday, Oct. 4.

Anyone attending the open-house and air-show, at Sheppard Air Force Base, near Wichita Falls, Saturday, 9-17-94, had a good opportunity to see, close-up, some of the equipment that helped earn the respect of some of our nation's enemies.

Also it was a first hand chance to see, and better understand, how some of our national debt was accumulated.

Visitors were allowed to see and enter a number of planes and helicopters, where servicemen explained their uses, and attempted to answer our questions.

Some of these planes are so huge, one is hard put to believe they could become airborne. One of these, the largest one there, a T5-Galaxy cargo carrier, can hold three Greyhound buses in a row, without use of the nose or tail sections, and has room for much other cargo on either side. This plane is capable of hauling a load of over 600,000 lbs. at high speed, over long distances.

Other aircraft open to our inspection were F-15 and F-16 fighters, a venerable old B-52, a C-141 troop carrier, an A-10 Warthog, and a B-1 Bomber which is to replace the B-52. We were also treated to a good look at a number of helicopters, bristling with armor,

and capable of carrying a number of troops and their equipment.

The Canadians and Germans also had a number of their fighting planes on display.

At 3:30 p.m. we were treated to a display of genuine precision flying by the "Thunderbirds" flying F-16 Falcons.

Many of their fetes were accomplished at speeds above 1000 mph. It took only a few seconds for them to leave a low altitude and, flying straight up, completely disappear from view, then come roaring back only to flatten out, too close to the ground for comfort, and fly away.

To put it mildly, it was one thrill after another.

Just before the Thunderbirds' exhibition, there were single fly-bys by a black F1-17 Stealth, and an F-40 Phantom, likely the noisiest plane there.

We didn't see a soul there that we knew, but sitting in the shade of a wing of an F-15, I thought the author of "The Pied Piper" would have had trouble describing all the people walking by.

I am glad Aileen and I accepted our son Jim's invitation to accompany him to Sheppard Air Base. We surely enjoyed the afternoon.

Louise Bayer hosts Sept. 14 Homemakers Club meeting

Louise Bayer was hostess to the Muenster Homemakers Club in her home on Wednesday, Sept. 14 at 2 p.m.

Dorothy Hesse, president, opened the meeting with the Pledge of Allegiance, followed by the Creed prayer. Members answered roll call by naming their favorite color. Business included the FCE Council report by Jackie Bilderback. Dorothy Hesse told about the upcoming auto-quilt show on Oct. 1 and Oct. 2 at the County Square in Gainesville. Anyone may enter a quilt, old or new.

The November Sell-O-Rama was discussed. Workers will be assigned at the October meeting.

Florence Williams gave the September program on "Closet

Organization" and showed many ways to save closet space.

The hostess, Louise Bayer, served cherry cheese cake, mints, nuts and coffee to 15 members and two guests, Adeline Sicking and Ida Hesse.

Armella Lutkenhaus will be hostess in her home for the October meeting and Evelyn Yeatts will present a program on "Window Treatments."

Bertha Pick, a 34-year member of the Muenster Homemakers Club, attended the meeting. In all the years, she rarely missed a meeting. Mrs. Pick brought a sample of her latest crocheting project to show. She died very suddenly exactly one week later, on Wednesday Sept. 21, 1994.

Tickets available to German Day Pioneer Ball

by Alvin Fuhrman
An exciting and pleasant time is awaiting guests in Dallas. The occasion is the 32nd Annual German Day in Texas. On October 8 for your dancing pleasure, the Musikantenland Band Express dance band from Kaiserslautern, Germany will play for the German Day Ball. This band was flown in especially from Germany.

The event will take place at the Grand Kempinski Hotel, located at 15201 Dallas Parkway and Beltline Road. On the program besides the band are the Dallas Frohsinn Singing Society and the Soldiers Choir of the German Air Force from El Paso, Texas.

Admission price this year is \$35 per person which includes a champagne reception starting at 6:30 p.m., a banquet at 7 p.m., and

dancing at 8 p.m. The admission price includes a drawing for a round-trip ticket to Germany for two on Lufthansa.

For banquet ticket information call Teddy Trept at (214)298-0033 or Alvin Fuhrman at (817)759-2251.

On October 9, the next day, German Day at the Fair starts at 3 p.m. and continues until 6:30 p.m. The tent will be located at entrance number 7 to the Cotton Bowl. The Musikantenland Express band will again play dance music, along with concerts by the Dallas Frohsinn and the Soldiers Choir of the German Air Force. Dallas Schuhplattler, formerly with the Dallas Frohsinn, will also perform.

On October 14 the Dallas Frohsinn is holding its annual Oktoberfest at the Soko Hall.

Muenster couple attend Volunteer Leaders meeting

Jerry and Evelyn Sicking of Muenster attended the Texas 4-H State Volunteer Leaders Association meeting on the weekend of Sept. 16-18 at the Texas 4-H Center on Lake Brownwood.

Workshops offered for the fall meeting were: Vet Science projects, Consumer Decision Contest, Developing New Project Leaders, 4-H Boer Goat Project and Fashion Design.

State 4-H Awards Program and Recognition Update was given by Dr. Nelson Jacobs of Texas A&M. He also presented the eagerly-awaited new Texas Record Book forms to those in attendance.

Dr. Lynn Thibodeaux of A&M presented an update on the Anticipated Changes Facing the Future of the Texas 4-H Program.

Donna Grotegut of Lubbock, a former 4-H'er, told of her experiences, showed slides and souvenirs including a piece of the wall while being in Germany for six months with the International Foreign Youth Exchange Program.

There was an informal period of idea sharing in which anyone could express their interest in future programs or tell specific things they do in their county or local 4-H program.

A committee meeting was held to plan the 20th anniversary to honor all past officers of the organization at the March meeting in 1996. Evelyn serves on that committee.

Sue Owen of Dallas, District IV, delivered the devotional on Sunday morning.

Evelyn serves as 2nd Vice President in charge of planning the agenda. Jerry is a voting delegate from District IV to the State.

Wedding Notes

We provide forms for wedding information. Please use these forms for clarity and accuracy. We take pride in the quality of our wedding stories and in the close attention we pay to details. Beginning August 1, 1994, there will be a basic charge of \$25 for wedding stories, because of the length of time that must be spent in writing and typesetting. We request that you pay special attention to correct spelling of names. Thank you and we look forward to continuing to serve our readers by providing the best in wedding coverage.

THIRTY OF THE FORTY FIVE BABIES born in Muenster Memorial Hospital last year accepted invitations to the kiddies' party in the lobby on February 3 in observance of the hospital's first anniversary. The three latest arrivals, still in the nursery, could not get on the picture. (Boyd and Breeding photo)

Remembering MMH through babies' eyes

by **Betty Rose Walterscheid, MMH Auxiliary President**
Remember when the nursery in our hospital was a busy place, and a special stop was the nursery window to take a look at the latest addition to our community.

Thirty years ago, it was busy! There were 45 babies born the first year at Muenster Memorial Hospital. To celebrate, the hospital had a party attended by 30 of the mothers and their offspring. Three were in the nursery at the time of the party.

We attempted to identify them in the accompanying picture. A few we didn't know, so maybe someone else will remember. Seated, first row, Ginny Schneider, Virgilla Herr, Theresa Grewing, unknown, Clara Endres, Theresa Mae Walterscheid, Imelda Rohmer; 2nd row, Louise Wimmer, Florence Grewing, Polly Fisher, Peggy Walterscheid, Carol Henscheid,

Joan Haverkamp; 3rd row, Marie Fuhrmann, Frances Sicking, Ethel Hesse, Tillie Otto, unknown, Marie Haverkamp, Phyllis Youngblood, Lucille Hesse, unknown, Elsie Hoedebeck; 4th row, Margie Voth, Mary Lou Hennigan, Helen Miller, Lucy Hoenig, Delephin Knabe, Carol Dyer, Marilyn Swirczynski and their children.

This is how we picture our hospital again! With our Eagle project and the Hospital Auxiliary fundraiser, we hope the funds will be there to get the nursery back in business.

We still have tickets to sell for our fall fundraiser. Remember, only 300 tickets will be sold. First prize is a 16'x32' finished swimming pool and deck. Second prize is a trip to Las Vegas. The drawing will be held on Oct. 8 at 8 p.m. at Frank and Bobbie Cromen's Ranch. You don't need to be present to win. The tickets are \$100 each and include the two prizes; also a

drawing will be held for approximately \$1,000 in door prizes, including earrings and button covers from Quicksilver, and 11x14 portrait from Gene's Photo, three candlesticks from Barron's in Gainesville, and a \$135 photograph from Lemons. Snacks and drinks will be served.

Andy Serna and Roger Endres will play for your entertainment. Each ticket admits two to the party. If you have not been contacted, please call Betty Rose Walterscheid, 759-4143, or Carol Henscheid, 759-4280, or call Muenster Hospital. We need your support to make this, our fall fundraiser, a success and with it be able to bring the babies back home to Muenster Memorial Hospital.

We, the Muenster Hospital Auxiliary, know that you as parents will want your children to have the same caring environment for your grandchildren as you had for that first generation of Muenster Hospital's babies.

Brandan celebrates fourth birthday

Brandan Joseph Bindel, son of Ben and Tina Bindel, celebrated his fourth birthday on Sunday, Aug. 14, with a birthday party at Chuck E. Cheese's Pizza Parlor in Lewisville. "Batman" was Brandan's chosen theme for his birthday celebration. The "caped crusader" appeared on the invitation, decorations and party favors. To celebrate his special day, the birthday boy wore a "Batman" short set, a gift from his parents.

Brandan and his guests enjoyed a lunch of pizza and root beer, the honoree's very favorite meal, with birthday cake for dessert. The chocolate sheet cake with white

icing depicted a "Gotham City" scene in bright colors with Brandan's name and age sprayed on the cake. To Brandan's delight, a toy Batman car and figurine, little gifts from his sisters, put the finishing touches on the "icing on the cake."

After Chuck E. Cheese and the gang sang "Happy Birthday" to Brandan, he was thrilled to open his presents. He thanked everyone for his great gifts and passed out tokens to his little guests. They all had a great time playing the arcade games and enjoying the shows and activities at the restaurant.

After an afternoon of fun,

Brandan presented Batman goody bags and helium balloons to his guests as they departed.

Helping Brandan celebrate were his sisters, Danielle and Briana; grandparents Benny Dan and Edna Garrett of Jacksboro; aunts, uncles and cousins Tricia and Benny Mack Garrett and Stacie and Courtney of Rowlette; Renée and Stephen Zwings and Stephanie of Lewisville; and Brian Bindel & Stephanie of Denton.

Unable to attend but sending birthday wishes and gifts were grandparents Wilfred and Ida Bindel; godparents Gary and Marlene Fisher; aunt, uncle and cousins Phyllis and Lionel Garcia and Laura, Diana and Alicia of Lewisville and special friend, Kristina Koelsch of Muenster. On Brandan's actual birthday, July 27, he and his family celebrated with a fun afternoon at Discovery Zone in Dallas with a birthday supper at CiCi's Pizza Parlor. He had a special visit that evening from his godparents Gary and Marlene Fisher.

Cooke County Heritage Society sponsors quilting demonstration

The Cooke County Heritage Society is pleased to announce that on Saturday, October 1, 1994 it will be sponsoring a quilting demonstration/display by members of the Common Thread Quilt Guild at the Morton Museum of Cooke County. Members of the guild will be quilting at the museum from 12:00 until 4:00 p.m. Quilts from the museum's collection also will be on exhibit.

Made up of 80 individuals, the guild just celebrated its first anniversary. Guild president is Tommy Johnston. Meetings are held on the second Monday of each month at 7:00 p.m. at Whaley Methodist Fellowship Hall.

The quilt demonstration/display is free and open to the public. For more information, please call the Morton Museum of Cooke County at 668-8900.

DIANE WALTERSCHEID of Muenster and David Muller of Muenster have chosen Oct. 22, 1994 for their wedding day. They will be married in Sacred Heart Church. The bride-elect is the daughter of Tony and Sis Klement of Muenster. The future-groom is the son of Arnold and Theresa Muller of Muenster. Diane is currently employed at Valenite and David is employed at Peterbilt in Denton. The couple plans to reside in Muenster.

Bertha Fisher Pick dies on Sept. 21

Mass of Christian Burial was offered for Bertha Ann Fisher Pick, 86, in Sacred Heart Church on Friday, Sept. 23, 1994 at 10:30 a.m., officiated by Father Frowin Schoech OSB. He was assisted by Father David Bellinghausen OSB, Father Joseph Weinzapfel and Father Harry Fisher.

Bertha Pick died at her home early Wednesday morning.

Participating in the Funeral Liturgy was Clara Fisher, a niece who gave an Old Testament Reading, Psalm 61:1-6 and a New Testament Reading, Revelations 21:1-5 and 6-7. Also Sister Mary John Seyler, a close friend who composed and read Prayers of the Faithful. Offertory gifts were presented at the altar by Bertha's four grandchildren: Jim, Phil, Greg and Janet Schwartz.

Sacred music was offered by Christi Klement, Diane Grewing, and Linda Flusche. Selections included "Fill My House", "The Lord Is My Shepherd", "Peace Prayer" and "Edelweiss".

Eucharistic ministers were Emma Fisher and Theresa Walterscheid. Mass servers were Nicholas Taylor, John Bartush and David Hesse.

Bertha Ann Fisher Pick was born on Dec. 26, 1908 to Muenster pioneers Joe Fisher and Emma Pulte Fisher. She attended local schools. On Dec. 26, 1933 she married Henry Pick. They lived on a farm four miles northeast of Muenster on Squirrel Creek. Survivors include two children: one daughter, Mary Schwartz and son-in-law James of Fort Worth and one son Edward Pick and daughter-in-law Leona of Muenster. There are four grandchildren.

Also one sister Lorena Taylor of Muenster; and four brothers Pat, Earl, and Paul Fisher of Muenster and Father Harry Fisher of Valley View.

She was preceded in death by her parents, her husband on March 28, 1975 and by three brothers, Joe, John and Charlie Fisher and by three sisters, Lillian Appel, Ida Fladung and an infant sister Leona Fisher.

Being the oldest daughter in a family of 12, Bertha carried much of the responsibility of helping with the housework, and after her mother's death Feb. 14, 1940, became the mother-figure of the household. She was well-known for her expertise in cooking and baking. In 1949 her angel food cake won first prize at the Texas State Fair in Dallas. She also won prizes for

BERTHA PICK

baked goods at county fairs. Her hobbies included crocheting, gardening, and games of "42" and "84".

She was a homemaker, a member of Sacred Heart Church, the Catholic Daughters of America, the Muenster Home Demonstration Club (Muenster Homemakers Club) and S.N.A.P.

A Rosary service was held in the McCoy Chapel on Thursday at 4 p.m. and a Vigil at 7 p.m. preceding the funeral.

Burial in Sacred Heart Cemetery was directed by McCoy Funeral Home of Muenster. Pallbearers were Steve Klement, Tim Endres, Steve Taylor, John Appel, Butch Fisher and Rita Fisher.

Among relatives and close friends attending the funeral from out-of-town were the following: Marcy Marr of Ft. Worth, Bob and Malise Maness, Bill and Mary Lou Jobs, Bob and Dee Klawiter, Larry and Judy Goins, Clara Fisher, Emma Fisher, Jo Ann Byrne, Nora Loughrey, and Patty Gallagher all of Ft. Worth.

Also Stephen Smith, Manhattan, Kansas; Jeanette Galloway, Wichita Falls; John and Fran Appel, Carrollton; Glenn Fisher, Keller; Rita Fisher, Denton; Rev. Harry Fisher, Valley View; Norma Kubicek, Valley View; Geneva Pennartz, Rhineland; Mildred Callow, Rhineland; and Darrell and Mary Adams, Midland.

Also Coralee Pulte, Theresa Schmitz, Judy Langley, Virginia Long, Dorothy Hurst, Stephanie and Janice Kinney, Jean Haverkamp, Ollie Kuhn, Mrs. Ray Hudson, Mrs. and Mrs. Tony Reiter and Johann Bezner all of Gainesville; Martha Tepera and Claramae Schmitt of Lindsay; and Mr. and Mrs. Adrian Parker, Saint Jo.

LINDSAY HOMECOMING QUEEN candidates are, l to r, Meredith Bowman, Amie Gordan, Stephanie Sandmann, Lori Hoberer and Allison Walterscheid. The 1994 Football Queen will be crowned during pre-game activities at Friday's game against Fannindel. *Janie Hartman Photo*

Hwy. 82
at Muenster Auto Parts

MUESTER LIFE CHAIN will provide a visual statement of solidarity by our local Christian community that abortion is wrong and we oppose this unmerciful killing of unborn children.

An estimated 1.5 million babies are killed annually in America (94,700 in Texas) by abortion.

In areas consistently standing in LIFE CHAINS, reported abortions have decreased, or even stopped.

ALL INVITED TO PEACEFULLY PARTICIPATE.

We will prayerfully hold signs that read:

"Jesus Heals and Forgives"
"Adoption, A Loving Option"
and "Abortion Kills Children"

Tigers rule in Cat contest - win 43-12

The Sacred Heart Tigers were alive and kicking Friday night in their matchup with the Saint Jo Panthers, as the Tigers scored their 3rd win of the season. It was total domination as the Tigers blew out the Panthers 43-12 in a game that saw Sacred Heart's running backs move at will.

"Our offensive line controlled the line of scrimmage and did an excellent job of line blocking," said Sacred Heart Coach John Nasche. "Our 503 yards of rushing couldn't have happened without their outstanding blocking."

Neil Berres led the Tigers' ground attack with 259 rushing yards in 19 carries with Scott Frost running 164. "Those two started to read downfield blocks, broke tackles and cut real well," continued Nasche.

Sacred Heart took the opening kick to their 34-yard line. Three runs by Scott Frost took the Tigers into Panther territory. A 29-yard Jason Hess pass to John Klement put the Tigers on the scoreboard with 10:39 on the clock. Michael Becker added the extra point for a 7-0 score.

The rugged Tiger defense held Saint Jo on their first drive, forcing a punt, giving Sacred Heart possession on their 32-yard line. Frost and Berres exchanged runs and a Hess pass to Jake McCoy moved the ball to the Panthers' 38. Frost and Berres each ran and Hess found Douglas Novak on the 15-yard line. The next play, Scott Frost ran to the left side into the end zone. The PAT failed and, with 6:05 remaining on the clock, the Tigers led 13-0.

The Panthers fought back on their 2nd offensive possession, fighting to the 15-yard line before running out of downs. The next play, though, a Tiger fumble was covered by Panther Chris Botello. From the 13, Jack Raymond's pass to Johnny Wilkins was good for 6 points. The run after was good, but a flag for too many men on the field made the Panthers try again. The PAT kick failed and, with 2:43 remaining in the 1st quarter, Saint Jo closed the scoring gap to 13-6.

An illegal block penalty halted Sacred Heart's next drive, forcing a punt as the Panthers carried the ball into the 2nd quarter. The teams exchanged punts, with the Panthers' short kick landing near midfield. Scott Frost broke through Saint Jo's line for a 52-yard touchdown sprint. Becker's extra point kick was good and the Tigers took a 20-6 lead with 6:11 on the clock.

The remaining 1st half saw the Panthers kick, Sacred Heart throw an interception to Chris Morris, then Jason Hess intercept it back. Neil Berres got in several big runs, including a 42-yard gain, only to have Steven Hamilton cover a fumbled ball on the 11-yard line, allowing Saint Jo to play out the final minutes.

Saint Jo's offense got in 5 plays before punting the ball away. The Tigers pounded at the Panthers' defensive line, getting 5 first downs in 5 plays. Long runs by Berres and Frost carried the ball to the 5-yard line. Two plays later, Frost crossed over from the 3 into paydirt. Becker kicked the point after for a 27-6 score with 7:33 on the clock.

The Panthers' fans rose to their feet when Chad Phippen returned the kick 88 yards for a Saint Jo touchdown. The extra point failed for a 27-12 score.

The Tigers, two plays later, returned the favor when Neil Berres cut up the middle on a 68-yard race for another touchdown. Becker's kick was good and the Tigers led 34-12.

Saint Jo got in a few good runs but, when Scott Poole blocked their attempted punt, the Tigers were sitting in good field position. Berres carried the ball to the 14, but a 10-yard penalty put the Tigers in a 4th and 4 situation. With 1:31 on the clock, Michael Becker booted a 23-yard field goal to extend the Tigers lead to 37-12.

The Panthers' offense struggled, but a roughing-the-kicker call gave Saint Jo the ball as the final period began.

The Panthers moved inside the Tigers' 10-yard line before Sacred Heart's defense shut them down on the 14. A pass play from Hess to Joseph McCoy took the Tigers into Panther territory, but a clipping call put them on their 46. Two plays later, Scott Frost took off down the field to find paydirt once more. The PAT failed and the scoreboard lit up a 43-12 score with 7:26 remaining in the game.

Saint Jo's next drive was shortened when Mike Schilling covered a loose ball. Then the Tigers' second team offense took to the field. Two runs by Paul Swirczynski picked up 31 yards before a loose ball was covered by Panther Bobby Martin on their 33-yard line. Saint Jo slowly moved the ball against Sacred Heart's 2nd defensive team to the 10-yard line, where the 1st team defense came on to prevent a touchdown. As the seconds ticked off the clock, the last play of the game came up less than a yard short of the end zone and Sacred Heart handed the Panthers their first season defeat, 43-12.

"We finally got everybody healthy which enabled us to rotate our players and keep us fresh," said Coach Nasche. "I'm real pleased with our offense, but on defense we still give up too many big plays." Michael Becker did a good job, but our special teams are still an area of concern," Nasche concluded.

Next Action - Liberty Christian
Sacred Heart will host the TAPPS Class 2A Liberty Christian Warriors of Denton Saturday, Oct. 1. "It's going to be a real battle," commented Coach Nasche. "They are a well-disciplined team, with team speed and excellent skilled people." The Warriors have a tall quarterback that can run and throw with two excellent running backs. Their defense runs a 4-3 with very aggressive linebackers. "Look for a close and exciting ball game," concluded Nasche.

The game will begin at 6 p.m., after the pregame activities that including the crowning of the 1994 Homecoming Queen.

EDITOR'S NOTE: Sacred Heart running back Neil Berres earned the Fort Worth Star-Telegram's Top Area Rusher for the 259 yards he gained in the Saint Jo game.

Contest continues to grow

Week 4 of The Muenster Enterprise Football Contest saw 56 entries competing for cash prizes. The pro games Sunday threw most contestants for a loop with several upsets. Everyone missed the LA Rams' win over Kansas City while 42 wrongly picked the NY Jets over the Chicago Bears and 27 missed Minnesota over Miami.

Locally, 44 entrants believed Muenster would win over Aubrey, while only one picked Sacred Heart to lose and 38 missed Lindsay's big win over Chico. Everyone correctly picked Celina over Valley View, except one contestant that didn't mark a winner and also forgot to fill in his name. All entries got the Texas A&M game correct.

Charles Edwards of Forestburg won last week's 1st place prize of \$15. He correctly guessed 25 games and was 16 points off in the tiebreaker game. Charles picked up

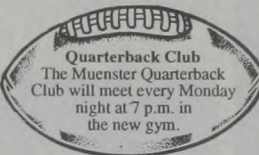

his prize at Dankesreiter Garage. Edna Hermes of Lindsay also guessed 25 games but missed the tiebreaker by 21 points. She was awarded \$10 for 2nd place. Third place went to Mike Stoffels, who correctly picked 24 games, winning \$5 with his 11-point difference in the tiebreaker game. They picked up their winnings at Community Lumber and AMPI. Also getting 24 correct winners were Donny Stoffels, missing the Sacred Heart score by 21 points. Also Ben Bindel and Mike Felderhoff got 24 correct, but both missed the tiebreaker game, incorrectly picking Muenster to win.

Missing 8 games were David Felderhoff, Tony Fuhrmann, Carol Grewing, Mike Hacker, Peachie Huchton, Wayne Klement, Sara Long and John Nasche.

World champs rope to raise scholarships at NCTC

The name of the event has changed, but spectators can expect the same exciting, world-class action at this year's fourth annual George Tyler Memorial Matched Calf Roping set for October 1 at 7:00 p.m. and October 2 at 1:00 p.m. at the North Central Texas College Equine Center Outdoor arena. The finals on Sunday will also feature open and youth class barrel racing, and proceeds go to a special equine student scholarship fund, also named in Tyler's memory.

All persons interested in seeing how it's done by some of the very best two-legged and four-legged athletes in the equine world are encouraged to attend. Gate admission each day of the two-day event at the NCTC Equine Center gate is \$4.00 for adults, \$2.00 for students and free for children 12 and under.

Headed by names like Bobby Lewis, nationally known trainer for Carol Rose Quarter Horses, and many-time world champion Robbie Schroeder of Gainesville, The lineup of competitors reads like a who's who of the country's finest trainers and exhibitors. In all, the field will include 16 of the very best ropers representing.

Prior to the roping on Saturday, there will be a ropers auction. Between roping runs, spectators can place silent bids on a wide variety of donated items ranging from custom tack and western art to gift certificates and even stallion service from several top sires, including AQHA World Champion Zans Showdown and NCHA Champion Doc Per who will be standing at NCTC next season. A special live auction will take place on Sunday.

Muenster suffers first season loss

The Hornets were handed their first loss last Friday night in Aubrey. Chaparral Jeremy Greenway baffled Muenster's defense all night, running all over the field for 229 yards rushing. The Hornets lost the contest 27-21.

Aubrey took the opening kick and used almost half of the first quarter clock in their first drive. Once inside the 20, Muenster's defense held and the Chaparrals attempted a field goal. The 42-yard kick went wide left. Muenster began their first drive on their 20-yard line. A quarterback sack and delay of the game forced a Hornet punt on 4th and 25. Aubrey also failed to get the needed yards and faked a punt, but Maurus Hacker stopped the runner and Muenster's offense took to the field. It was 3 plays and punt for the Hornets as the Chaparrals took the ball and the second quarter began.

The next play, Jeremy Greenway took the ball 76 yards for a touchdown. Chris Lair booted the extra point and Aubrey took a 7-0 lead.

Once again, the Hornets couldn't move the ball and punted it away. The Chaparrals' next drive again ended in a field goal attempt. The 43-yard kick was no good and the Hornets once more took over. A fumbled Hornet ball, covered by Tommy Dankesreiter, saved Muenster's drive, temporarily anyway, as they failed to make the next 1st down.

Aubrey got possession near midfield and, in 3 plays, were in the end zone once more. After the extra point, the Chaparrals took a 14-0 lead with 3 minutes remaining in the first half.

Two pass plays from Jason Huchton to Jerry Reed and Matt Cotter and a 13-yard Cotter run put the Hornets on the 10-yard line. Huchton again went to the air, finding Jerry Reed for 6 points. Reed kicked the PAT and, with 4 seconds left, Muenster closed the scoring gap to 14-7.

Muenster's first drive in the 3rd quarter was unproductive and ended with a blocked punt. An Aubrey penalty stopped any scoring threat. The Hornets got in 7 plays and punted with the Chaps kicking back after 5 plays. Muenster, starting deep on their 17, moved the action into the final quarter. Helped by a pass interference penalty, the Hornets otherwise couldn't move the ball and punted the ball away. Chris Lair returned the ball 58 yards for an Aubrey touchdown. The PAT counted for a 21-7 lead early in the quarter.

The Hornets bounced right back when Matt Cotter returned the kick 53 yards for a Muenster touchdown. Reed added the extra point for a 21-14 game.

It didn't take long for Aubrey to again light up the scoreboard. After Muenster's defense forced a punt, a fumbled attempted return was picked up by Rodney Cagel and carried into the end zone. The Chaps now had a 27-14 lead with 9 minutes remaining in the game.

The two teams exchanged punts before Muenster's offense kept control. Runs by Scott Debnam, Cotter and Huchton, a pass to Cotter and a roughing-the-passer penalty put the Hornets on the 16-yard line.

The air waves were used once more as Huchton connected with Reed for a 16-yard touchdown pass. The PAT failed and, again, Muenster closed the scoring to 27-21.

Greenway rushed for 7 consecutive plays to run out the clock, giving the Hornets their first

defeat of this season. Note: There are no comments from the Hornets coaching staff due to failure of communications.

Junior High/Junior Varsity Football

Sacred Heart JH 0, Saint Jo 44

The Sacred Heart Cubs couldn't hold on to the football Thursday night as Saint Jo's Panther Cubs' offense rushed the backfield all night.

The Cubs took the opening kick, but after covering their own fumble in their first play, they fumbled and lost the ball on the second. Four plays later, Saint Jo scored for an 8-0 lead.

On Sacred Heart's second possession, the first attempted play was fumbled. Three plays later, Saint Jo took a 14-0 lead.

The third Cub try was again fumbled on the 2nd play and, again, took only 3 plays and the young Panthers had a 22-0 lead.

Sacred Heart took the ball into the 2nd quarter, but 3 unsuccessful plays forced a punt on 4th and 16. The next play, Saint Jo found the end zone, but a flag brought the ball back. But, on the next play, they hit yard again for a 30-0 score.

The Cubs again held on to the ball, but punted after no gain on 3 plays. Saint Jo got the ball inside the 10-yard line as time ticked away for the halftime break.

Sacred Heart's offense had a minus 6 yards the first half.

Saint Jo came out strong the 2nd half, returning the opening kick 75 yards for a 38-0 lead.

The Cubs got in 2 runs before giving the ball on a fumble. Saint Jo

didn't score on their next drive, losing the ball on downs.

Again, Sacred Heart's offense struggled, losing 5 yards on 2 plays, then fumbling again as the 3rd quarter began. Three plays later, the young Panthers again scored for a 44-0 lead.

Duncan Campbell got in 2 runs before the Cubs fumbled the ball away again. Saint Jo played out the remaining time. Sacred Heart had a total of 11 yards rushing for the night.

Muenster JH 20, Aubrey 0
The Stingers hosted Aubrey last week and added another win to their record.

Muenster's 1st touchdown came in the first quarter with a 75-yard pass play from Jesse Luke to John Roller. Luke ran in the extra points on a sweep for an 8-0 score.

The 2nd quarter was a defensive battle with neither team able to get into the end zone. John Roller scored Muenster's 2nd touchdown in the 3rd quarter on a 75-yard run. Darren Hennigan caught the points after pass from Luke to give the young Hornets a 16-0 lead.

The final score of the game came in the final quarter. Bryan Miller took the ball in from 3 yards out. The points after failed for the 22-0 final score.

Outstanding offensive line performers were Justin Klement and Matthew York. Defensive standouts

were Jim Stoffels, Aaron Klement, Casey Walterscheid and Chad Felderhoff.

Muenster JV 16, Aubrey 12
Muenster's junior varsity defense scored the first points of the game, when Scott Hermes and Cory Anderle caught Aubrey in the end zone for 2 points. Later in the first half, Hermes connected with Cody Dill for a 45-yard touchdown pass play for 6 points. Hermes ran in the extra points for a 10-0 score. Aubrey scored a touchdown before intermission to close the gap to 10-6 at halftime.

The Hornets scored once more in the 3rd quarter with a 3-yard touchdown run by Bryan Hudspeth. The extra point failed for a 16-6 score. Aubrey put another 6 points on the board in the 4th quarter for the final 16-12 game.

The entire offensive line played well according to Coach Randy Tankersley which includes Cory Charles, C.J. Muller, Cody Perryman, Lucas Hartman and Greg Flusche.

Defensively, a big performance came from Greg Flusche, Cody Dill, Shane Sparkman and Steven Reiter.

JOHN ROLLER (22) looks in trouble here, but he escaped on this play and turned it into a touchdown.

Knights slay Dragons in first season victory

"We finally played a game without a lot of offensive mistakes," commented Lindsay Coach Charlie Meurer on his big 35-0 win over Chico last Friday. "Our defense shut out a good football team as we are starting to play better ball."

Offsides flags kept the Knights from gaining any ground their opening drive, punting the ball to midfield. The Dragons marched down to the 26-yard line in 5 plays before shortening their drive with a fumbled ball. Jeff Hale recovered for the Knights on the 24. Hale and Brown exchanged runs for 40 yards. Pat Hogan completed a 27-yard pass from Brown to the 21-yard line. Again, offsides jumps delayed Lindsay's progress when Pat Hogan found an opening for a 26-yard touchdown run. Tanner Neidhardt added the point after for a Lindsay lead, 7-0, with 3:39 on the clock.

Tackles by Brian Hermes, Greg Arendt, Chris Escobedo, George Lutkenhaus, Tommy Greener, Greg Dulock and T.J. Goldsmith together forced a Chico kick. Working from their 4, after 2 unsuccessful plays, Pat Hogan found the end zone on a 58-yard touchdown pass play from Chris Brown. The PAT run failed and the Knights had a 13-0 lead with 19.5 seconds remaining on the 1st quarter clock.

The game was delayed approximately 30 minutes, waiting for an injured George Lutkenhaus to be driven off the field. Lutkenhaus suffered a dislocated kneecap on the extra point attempt.

The Dragons got in one play as the quarter ended, and fumbled the ball away the next play. Brian Hermes covered the ball to begin the 2nd period.

In good field position, Lindsay ran 4 plays, but couldn't get the needed yardage. From their own 24, the Dragons slowly moved the ball to midfield. On 4th and 1, Chico used 252-pound tackle Jerry Hood in an attempt to get through the Knights' line, but Lindsay's defensive line, led by Arendt, Hermes and Dulock stopped the big guy for a loss.

From midfield, penalties again plagued Lindsay. A 30-yard run by Hogan was called back and an offsides started the Knights with a 1st and 23 and punting on 4th down. But luck struck for the Knights when Shawn Hanks covered the fumble return on the 18-yard line. Hale picked up 15 yards where Chris Brown went in from the 3 for another Knight touchdown. Brown added another 2 and the scoreboard read 21 with 5:01 on the clock.

Three incomplete passes were followed by a Dragon punt and Lindsay's offense was on the field again. From midfield, runs by Brown, Hogan and Hale took the Knights to the 1-yard line in 10 plays, where Chris Brown scored another 6 points. Neidhardt's kick was good and, with 2 seconds until intermission, the Knights now dominated the scoreboard 28-0.

The Dragons ate away 7-1/2 minutes off the clock controlling the ball for 14 plays before running out of downs. Lindsay got in 6 plays before Chico picked off a pass. The Dragons again worked on the clock, moving into the final quarter. A quarterback sack by Greg Arendt and Chico decided to attempt a 38-yard field goal. The attempt was no good and Lindsay regained the ball,

but once more couldn't get the needed yardage.

Starting at the 50, Chico again controlled the ball with a steady drive with 8 plays moving inside the 10-yard line. A Lindsay penalty assisted in moving the ball to the 3. Robert Lutkenhaus and Pat Hogan pushed the Dragons back to the 5, followed by an incomplete pass. On 4th and goal, the Knights' line held Chico at the 1.

Two plays later, Chris Brown took charge and hustled downfield 97 yards for a final touchdown. Neidhardt's kick put the icing on the cake for a 35-0 win with seconds left in the game.

"Our level of intensity was real good," stated Coach Meurer. "The offensive line improved over a big Chico defense." The line included Chris Escobedo, Robert Sharp, Greg Dulock, Greg Arendt, Zack Schumacher, Brian Hermes and Robert Lutkenhaus. Coach Meurer also credits the entire secondary of Pat Hogan, Chris Brown, Robert Sharp and Shawn Hanks for holding Chico to only 15 yards in the air. Brian Hermes was Lindsay's leading tackler with 23.

Senior George Lutkenhaus will be out of action 2-3 weeks due to his knee injury.

Next Action - Fannindel

Coach Charlie Meurer doesn't know a lot about the Fannindel Falcons. "They have good athletes, look good, talented, have speed with aggressive linemen, but they make mistakes and lose," said Meurer. "It's hard to plan when the films don't show a lot."

The Falcons are out of District 19-A to the east. They lost only 5 lettermen from an unsuccessful season in '93, with 15 lettermen returning. The game begins at 8 p.m. Friday.

Homecoming pre-game activities will begin at 7:30 p.m., which includes the crowning of the 1994 queen.

PAT HOGAN runs to the wide left to go untouched into the end zone. Greg Dulock and Greg Arendt watch for oncoming Dragons.

Lindsay Cross Country teams begin season

On Saturday, Sept. 17, the Lindsay varsity, junior varsity and junior high cross country runner participated at a meet at Nocona Hills. The Lindsay varsity girls finished 2nd behind Muenster. Individual's placings and times were: 6th, Molly Trammell, 13:19; 12th, Bonnie DeBorde, 13:36; 13th, Sadie Trammell, 13:40; 15th, Amanda Hellingner, 13:41; 20th, Christine Fuhrmann, 14:07.

The junior varsity girls took the top prize at Nocona. Team members and their placings were: 6th, Amber Taylor; 13th, Christy Smith; 14th, Andrea Fuhrmann; 18th, Jade Hale; 20th, Erin Eberhart.

The junior high girls also won their 2-mile race, taking top honors as a team and individually as follows: 1st, Sara Trammell, 13:33; 2nd, Abby Trammell, 14:32; 10th, Stephanie Fleitman; 11th, Dee Dee Dudenhoefter; 16th, Erica Fuhrmann.

In the boys' competition, George Lutkenhaus finished in 2nd place in a 3-mile race with a time of 17:07. Kyle Sandmann came in 7th, clocking in an 18:13 for the Knights. Junior high runner Shane Hare took the 1st place honors with a time of 11:58 in the 2-mile run.

Lindsay's varsity girls and boys competed last Saturday at a cross country meet in Farmersville. The Lady Knights finished in 1st place with 56 points. Celina was 2nd at 58. Lindsay runners and their places were: 3rd, Molly Trammell; 10th, Bonnie DeBorde; 16th, Amanda Hellingner; 17th, Sadie Trammell; and 24th, Stephanie Stoffels.

Kyle Sandmann ran in the boys' division and came in 3rd place in the 3-mile run at 18:29. Senior George Lutkenhaus will be out several weeks with a knee injury received in last Friday's football game.

Jr. Hi/JV Action

Lindsay 7th 0, Chico 34

After a 12-0 halftime score last week Thursday, Lindsay's 7th grade Squires fumbled the ball and the game away the 2nd half.

"We played better, it was by far our best game this season," commented Coach Linus Fuhrmann, "but second half fumbles determined the outcome of the game."

Good performances were given by Adrian Anderle, David Landy, Daniel Hellingner and Cody Secrest. Lindsay 8th 20, Chico 16

The Squires brought home the victory Thursday after a close, hard-fought contest. Lindsay scored first when Jeff Bezner found the end zone on a 5-yard run. The extra points gave the Squires an 8-0 lead. Chico came right back, returning the kick for a touchdown to tie the game 8-8.

In the second quarter, Levi Seeds caught a 10-yard touchdown pass from Jeff Bezner. The extra points attempt failed for a 14-8 Lindsay lead.

With 5 seconds remaining in the 1st half, the Squires scored once more, when Seeds completed a pass from Bezner for a 40-yard touchdown and a 20-8 halftime lead.

The second half was a defensive struggle with Chico getting another score with a minute left in the game for a 20-16 score. Levi Seeds covered an onside kick and Lindsay

ran out the clock for a win. "It was a tough game, by far the best opponent we've played," said Coach Linus Fuhrmann.

Dillion Newberry and Jeff Bezner both took interceptions from Chico. Defensive standouts for Lindsay included Cory New, Chris Garner and Michael Mosman.

Lindsay JV 20, Chico 0

The Lindsay Knights junior varsity game Thursday at Chico was highlighted by Jamie Baggs' 3 touchdown passes to 3 different receivers.

On Lindsay's first drive, Baggs connected with Brian Covington on a 15-yard touchdown pass play. The points after failed and the Knights had an early 6-0 lead.

The second touchdown came with a 9-yard pass to Brad Perrin from Baggs. Again, the points attempt after was no good and Lindsay took a 12-0 lead at halftime.

The final points were in the 4th quarter on a 40-yard touchdown pass play from Baggs to Greg Vogelsong. The points after gave Lindsay a 20-0 victory.

"Jeremy Reinder did an excellent job snapping the ball," commented Coach Linus Fuhrmann. "Issac Zimmerman ran the ball well." Keith Fuhrmann covered a fumble with good defensive performances by Jamie Baggs, Larry Evans, Aaron Krebs and Zack Fuhrmann.

Cattle, feeder numbers grow faster in 1994

After several years of 1 percent growth, U.S. cattle herd expansion is picking up speed.

"That means supplies will be larger in 1995," said James Mintert, Extension economist at Kansas State University. "So, next year's calf and feeder prices could be lower than this year's."

The U.S. Department of Agriculture's mid-year inventory estimates put total cattle inventory and 1994 calf crop estimates 2 percent above year-earlier levels.

"Beyond that, female cattle slaughter was 85 percent of steer slaughter during the first half of this year. Based on past male-to-female slaughter relationships, that also indicates herd growth rate will be more rapid than we've seen in recent years," Mintert said.

Last winter's quarterly price average for 700- to 800-pound feeder steers was close to \$83 per hundred-

weight (cwt.) in Dodge City. Spring's average dropped to near \$77, but then a late-summer fed cattle price recovery combined with falling corn prices to take summer prices into the \$79 to \$82 per cwt. range.

"Fall quarter prices should strengthen somewhat, as fed cattle prices continue to improve," the economist said. "The quarterly price average could be between \$80 and \$84."

Lightweight steers tend to trade in strong seasonal patterns.

Property rights group announced by TFB

A group of 29 farm, ranch and agricultural organizations announced the formation of a new property rights coalition -- "Farmers and Ranchers for Property Rights" (FRPR) -- to reaffirm the right of Texans to own and manage their own property. Their efforts will include activity in this year's elections and passage of legislation in next year's state legislative session.

Bob Stallman, President of the Texas Farm Bureau and spokesperson for the coalition, said, "The widening circle of state and federal regulation has put every landowner at risk, particularly those in the agriculture community who use their land to make a living. It is a constitutionally guaranteed right to own and manage private land. Our group intends to be center stage in the effort to reaffirm that right."

Recently, the Federal Fish and Wildlife Service, in its efforts to protect the endangered golden-cheeked warbler in 33 central Texas counties, has proposed mandates that will dramatically curtail what activities can take place on private property. These mandates could impose serious financial hardship with compliance and curtail activities such as brush control and construction of firebreaks for the purpose of home and land protection.

Tom Beard, President of the Texas and Southwestern Cattle Raisers Association, another spokesperson for the group, stated, "The inability to make range management decisions will adversely affect aquifer recharge and reduce the carrying capacity of land below economic viability. Even private homeowners could be affected if they chose to chop down a cedar tree or build a new fence in their own backyard."

Currently, state and federal governments make no provision to compensate property owners for lost income or property value resulting

from these government mandates. "This is an issue that is do or die on our community. We intend to lead the fight over private property rights and we encourage all Texans who own land to recognize that they too are at risk in the present political environment," Stallman closed.

Bullock lauds decision to abandon critical areas

Lt. Gov. Bob Bullock said Wednesday, Sept. 28, the U.S. Interior Department's decision to abandon designating areas of 33 Texas counties as critical habitat for the Golden Cheeked Warbler is a victory for Texas landowners.

"They finally got the message that Texans won't stand for regulatory overkill and bureaucratic dictates," Bullock said.

Bullock, who voiced strong opposition last summer to the critical habitat designation, said public opposition played a big role in the agency's reversal on the habitat.

"We didn't hear a word until the Secretary of Interior sent a message from Washington saying that they were dropping the idea. There were no hearings. There were no forums to express our concern, but they got the word anyway."

Bullock said he thought most Texans recognized the proposal as excessive and an unreasonable intrusion on farmers, rancher and property owners.

"This dispute had nothing to do with the bird per se, but it had everything to do with constitutional rights and due process," Bullock said. "I'm glad the federal government finally realized that they need to follow the law and the U.S. Constitution, too."

Cattle feeding profits ahead - for a while

Fed cattle price increases and feedgrain price declines may finally take some cattle feeders back into the black during this year's fourth quarter. But U.S. cattle herd expansion should bring larger beef supplies in 1995, renewing the pressure on both cattle prices and feeding returns.

This fall cash fed cattle prices are likely to average in the low mid \$70s per hundredweight (cwt.). Then next winter's prices may be in the high \$60s to low \$70s, said James Mintert, livestock marketing analyst for Kansas State University's Cooperative Extension Service.

"Cattle feeders lost about \$65 per head through 1994's second quarter, and heavy losses continued into summer. Given current price projections, however, cattle

returns could be a positive \$30 to \$50 a head in the fourth quarter," added KSU farm management economist Michael Langemeier.

Fall's fed cattle price averages mostly will depend on how fast average carcass weights decline and how far fed cattle marketings drop, Mintert said.

"Contrary to previous forecasts, dressed cattle weights have remained above year-earlier levels. They gradually are declining, but may not reach 1993 averages until October," the analyst said. "So, for awhile, beef production will remain larger than slaughter levels alone might indicate."

RYEGRASS FOR PASTURES

Ryegrass provides an excellent forage opportunity during the cool season in the North Texas area. Pastures throughout the area contain ryegrass. However, this native ryegrass has little forage potential except for the spring growing season. Newer varieties are available to producers. Some of these that are grown in our area include Marshall, TAM 90, and Gulf. In past years we have had ryegrass variety demonstrations to evaluate varieties and their production. All varieties produced well with the Gulf and TAM 90 showing a little extra production in the cooler months. The Marshall seemed to last a little longer into the Spring. But all produced well and had about the same total overall forage production.

Planting - Ryegrass can be planted in several ways. One of the older methods is to simply broadcast the seed on top of existing turf. This works fairly well but the denseness of this year's turf will prevent the ryegrass seed from getting in contact with the soil. Drilling ryegrass with a conventional grain drill works the best. This allows producers to accurately seed with a known seeding rate and the seed comes in contact with the soil. Ryegrass is a very small seed and therefore, does not need to be drilled deeply. Contact with the soil, a good rain and cool temperatures is all that is needed. When drilling, 20 pounds of seed is sufficient to get a good stand in a pasture. If you plan to

broadcast the seed, then increase your seeding rate by 5 to 10 pounds. Ryegrass also works well in a planted prepared seed bed. Remember, if you plant ryegrass in a field, plan to have it for years to come. Do not plant it in fields that you expect to plant in wheat or other small grains in the future.

Fertility - Like most cool season annuals, ryegrass will need nitrogen fertilizer. To avoid fertilizing competition from cool season pasture grasses, producers should wait until after the last killing frost in November to fertilize sodded seed ryegrass. A November application of 50 pounds of actual nitrogen will help grazing. Most of the forage produced will be produced in the spring. Therefore, an additional 50 pounds of actual nitrogen can be applied in February or March.

Considerations - The growth characteristics of ryegrass cause it to produce a tremendous amount of forage in the spring and into June. If you have a bermudagrass meadow that you harvest hay from, you may want to avoid ryegrass plantings. The ryegrass will compete for nutrients and hold back the bermuda growth somewhat. Again, don't plant ryegrass in fields that you plan to use for wheat, oats, or other small grains. Ryegrass offers an inexpensive alternative to producers wanting a cool season annual.
