## Nocona man indicted in Hess hit-and-run accident

by Janet Felderhoff

Weeks of investigation by the Muenster Police Department and her law enforcement agencies paid off this week. The Cooke County Grand Jury returned an indictment Wednesday afternoon against Benjamin A. Womack, 20, Nocona Hills. He is an employee of the Prairie Valley ISD.

Cooke County District Attorney Nelle Haverkamp announced late Wednesday that Womack had been indicted for a felony offense, failure to stop and render assistance.

District Judge Jerry Woodlock set a \$50,000 bond.

The indictment was for an accident that occurred on the evening of August 26. Heather Hess, 13, was riding her bicycle on

Asb Street in Muenster when at about 9:30 p.m. she was struck by a vehicle reportedly being driven without lights. The driver left the accident scene leaving Heather lying injured in the street.

Appeals from Muenster Police Officers Bill Bivin and Bob Stovall for leads in the case brought a flood of information that had to be checked out. "We had an overwhelming response from law enforcement agencies and citizens," noted Muenster Police Sergeant Bob Stovall. Leads were investigated in Cooke and Montague counties and areas of the Metroplex.

Samples of white paint from Heather's clothing and bicycle were collected and sent to forensics in

Austin. A light spectrum run on the paint samples can determine the make and model of the vehicle involved.

One of the tips to the Muenster Police Department finally led to the discovery and seizure of a 1992 Chevrolet Geo on Sept. 22, said Stovall. It was impounded by the Muenster PD and is currently being held as evidence in the case.

This type of felony can be punished in several ways according to Ms. Haverkamp. If convicted, a person can be confined to a penitentiary for a period not to exceed five years; or can be confined in jail, not to exceed one year; or can be fined not to exceed \$5,000; or by a combination of a fine and imprisonment.

## City offers new emergency service

by City Administrator Stephen D. Broyles

Emergency service for water and sewer problems during the workweek is handled by calling City Hall, 759-2236. They dispatch city employees to fix the problems. This is the normal procedure for problems occurring between 8 a.m. and 5 p.m., Monday through Friday.

Previously, after these work hours, people had to call Chris Yosten or Dave Dittfurth at home. Sometimes they would reach the person who was not on call that weekend. Residents then had to call a second number and explain the problem again. In addition, during their on-call shifts of duty, Chris and Dave had to stay close to a phone so that people could contact them.

Faster water and sewer emergency service is now available to Muenster residents and businesses. The city employee on call now has a cellular phone which people with water and sewer emergencies should call after 5 p.m. and on weekends and holidays. People needing these emergency services should dial 736-6276 and explain the problem to the on-call person. The cellular phone also frees up the on-call person to run errands, work outside, or go to a community event while still being readily available if someone needs him.

Please write this phone number, 736-6276, on the inside cover of your phone book for easy reference should you require the services of an on-call person.

## Sheriff Nichols rejects re-election bid

by Janet Felderhoff

Joe Nichols began his term as sheriff of Cooke County in January of 1993. Sheriff Nichols describes his term as sheriff as very enjoyable and a learning experience. Even so, Sheriff Nichols has announced that he will not seek re-election in 1996.

"Although I won't seek re-election, I have accomplished all 11 goals that I said I would if elected sheriff," reflected Nichols. "The one I'm really proud of is that Cooke County has had 24 hour deputy coverage since January of 1993. They (county deputies) were never at their 24 hours a day before."

Prior to 1993 there were about six hours of a day in which no deputy was patrolling, he said. If one was needed they had to be called from home.

Sheriff Nichols also pointed out that it wasn't any longer feasible to not have 24 hour coverage. Family violence and other crimes have escalated. In January of 1993 the Cooke County Sheriff's Department as answering an average of 250 calls a month. Now the average is 300 a month. "It is getting exceedingly hard to cover all 900 square miles of the county," Nichols added. "Things have changed a lot in the last three years. We need more deputies to protect the county. The county government needs to

SHERIFF JOE NICHOLS

take a deeper and more concerned look. Cooke County is very accessible and very vulnerable."

The increasing work load had no impact on Nichols' decision not to run for another term of office, he said. Many of his friends have been aware for a good while that he was planning to retire from law enforcement.

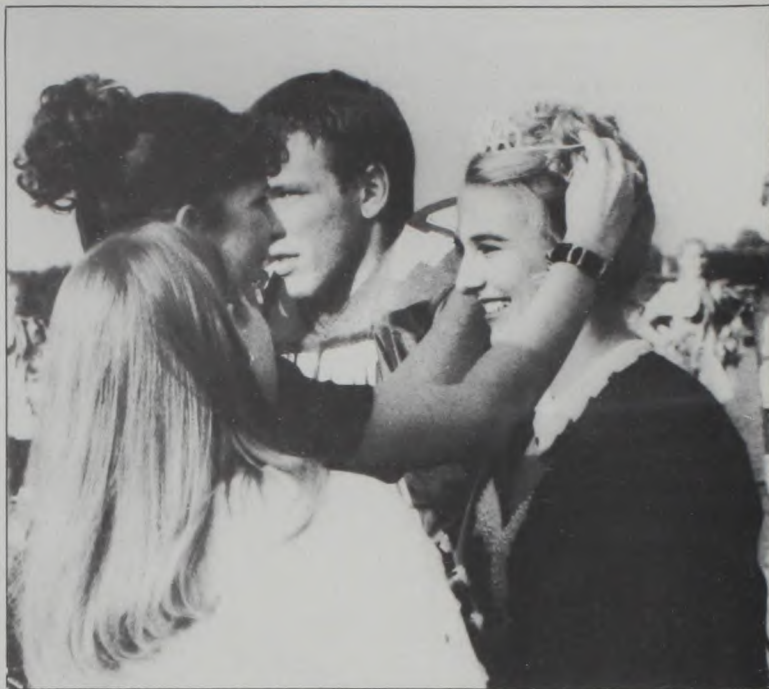

"There comes a time when one needs to slow down and move over for someone younger," commented

Nichols. "I want to spend quality time with my wife, mother, and other family members." He has cousins in the Muenster area. He also plans to pursue some retirement goals that include working with elderly citizens and participating with Texas Baptist men in church building.

Joe Nichols' career in law enforcement has spanned 33 years. Besides his term as sheriff, Nichols worked as a federal agent for 24 years and as a Department of Public Safety Trooper for five years.

"To make the best better" was the theme of the 1995 Cooke County 4-H Achievement Banquet held Monday, Oct. 2 at the Civic Center in Gainesville. Each year the banquet is held to honor high achievers in the 4-H organization.

This year's top honor, the Gold Star Award, went to Michael Becker of Muenster and Amanda

KARRI ENDRES was named 1995 Sacred Heart Homecoming Queen during pregame ceremonies Saturday. She was crowned by former Queen Stephanie Grewing. Senior running back Scott Frost was her escort on the field. Dave Fette Photo

## Progress against sanitation problems noted by Council

by Dave Fette

City Administrator Stephen Broyles reported to the City Council Monday night that letters and personal notices have gone out to Muenster residences with clutter or sanitation problems on their property. "Most have been cooperative," he said, "and started to correct the problems." A few will receive certified letters this week to pursue cleanup and those could be followed by legal notice of violation of a city ordinance.

Broyles said he was pleased with the progress being made. Sanitation Commissioner Stan Endres said he had looked around the city frequently and problem areas are not as bad as suggested by recent publicity. Even so, Mayor Weinzapfel said he wanted another progress report at November's meeting.

Council members confirmed the Muenster Museum annual budget of \$1,200,000 plus lease of the

Museum house for another year after hearing Bertha Hamric's report from the Historical Society. She said the group's current project involves placing historical plaques on noteworthy buildings in Muenster. On this Dec. 8, bronze plaques will be presented to Sacred Heart Elementary School and the old Gehrig house which now houses Fischerhaus Bed and Breakfast.

Other items of interest included: - The submersible pump will be set in the new city water well this week.

- Hot mix asphalt resurfacing work on Oak and Walnut Streets should begin on Oct. 16.

- The deed was signed, selling 175 feet of alleyway in block 37 to Fischer's Meat Market.

- The city and Muenster Memorial Hospital agreed on money-saving measures for connection of a 6-inch water main at the hospital to satisfy health

department requirements. The city will not require a water meter; a savings of approximately \$3,000.00 since the main is restricted to fire sprinkler use only. Also the city will donate any city labor used in the connection process.

- The council rejected all bids submitted for purchase of the 102-acre farm land owned by the city. Waste Management, Inc. will be contacted to see if they might be interested in the land for a landfill site.

- The low bid of \$5,095.50 by Monday Backhoe was accepted to dig the new water line trench for the new water well including fill sand.

- The city will immediately begin collection procedures on about \$33,000.00 in delinquent taxes on the books. Those not responding could have their names published and become a target for legal action. The council was

See COUNCIL, Page 2

## Michael Becker captures Gold Star

Hitt of Gainesville. Cooke County Judge Paul Hesse made the award presentations.

Michael, 17, is a senior at Sacred Heart High School and is the son of Werner and Linda Becker. He has held numerous club offices, including president of the Muenster 4-H Club and council first chairman. Michael's main 4-H

projects have been in the dairy field. He has done projects in archery and woodworking.

As a member of a Dairy Judging team Michael has taken first place team in district dairy judging and second place at the state level. He has also received recognition as being high point individual at both state and district. Michael is a

member of the National Honor Society, Student Council and the Tiger football team at Sacred Heart.

Amanda Hitt, 16, is the daughter of Linn and Patricia Hitt. She attends Gainesville High School. Her 4-H projects included food and nutrition, drama, clothing, and arts and crafts.

Amanda serves on the Youth and Development Committee and has been her Red River 4-H Club's president for two years and was first vice-president for one year. She has devoted her time to helping with Depot Days and visiting nursing homes. Amanda has also been on the County Development Council for two years.

Two other high achievement awards, the "I Dare You" and the "Farm Bureau Leadership" awards were presented. Tammi Montgomery of North Texas Bank & Trust made the "I Dare You" presentation to Emily Felderhoff and Yvonne Martin, both of Muenster.

Farm Bureau Leadership winners, Diane Bouldin of Red River 4-H and Bonnie Brooks of Woodbine, were recognized by Danny Hines of Cooke County Farm Bureau.

Kevin Lutkenhaus and Mark Lutkenhaus of Lindsay were recognized as outstanding Junior and Intermediate 4-H'ers by District Judge Jerry Woodlock. Scholarships of \$300 each were presented to Rachel Cravens of Silver Cedar 4-H, Jeanie Mosman of Lindsay and Michael Becker. Nancy Carter of the Cooke County Family and Community Education Council announced the scholarship awards.

Allen Fleitman of First State Bank in Gainesville presented the Gold Star Picture Recognition

See GOLD STAR, Page 3

## What? A charge for garbage bags?

by City Administrator Stephen D. Broyles

A review of the current sanitation fees for residents and businesses compared with the associated expenses of providing free garbage bags and paying for the sanitation contract showed that the city was losing over \$20,000 each year. This problem was identified during the budget workshop conducted last month. As a result, the City Council considered how to best handle the situation.

There were several options that could have been selected. One option included keep providing free garbage bags to residents and businesses as the city has been doing, but increase monthly fees accordingly. This would have resulted in an increase in the resident fee of \$10 per month to a monthly fee of \$13 per month. Council members believed that a 30 percent increase to pay for garbage bags would have been unacceptable to most people.

A check with Gainesville and Saint Jo indicated that neither provides free garbage bags to their customers. Thus, Muenster has been unique in providing this service in the past. Unfortunately, with the large increase in paper prices, garbage bags cost the city over \$20,000 a year. Faced with the option of either increasing all resident fees 30 percent, or else maintaining the current resident fee of \$10 per month by no longer providing free garbage bags to residents or businesses, the City Council chose to retain the current resident fee and discontinue providing free garbage bags. Residents and businesses now have the option of purchasing their garbage bags elsewhere, or they may purchase garbage bags at City Hall for \$18.50 a bundle, while the supply lasts.

The sanitation rates for dumpsters for businesses is still under review. Currently, the city is losing funds each month. Thus, a restructuring of fees is being considered and will be acted on in the near future.

COOKE COUNTY GOLD STAR AWARD winners Amanda Hitt and Michael Becker were honored at the 4-H Awards Banquet on Monday, Oct. 2. Alvin Hartman Photo

## From My Side of the Fence

by Ed Cler

In November of '66, after attending our son Gary's wedding in Spokane, WA, the four of us, Aileen and myself, and Leon and Sandy Fuhrmann, decided we did not wish to drive through any more snow and ice covered roads in the mountains of Wyoming. On the advice of Bill Scully, Gary's father-in-law, and our host while in Spokane, we chose to follow Hwy. 101 down the west coast of Oregon and California, then follow I-10 to El Paso, and then on home.

We will always be grateful to Bill for suggesting this route, as 101, also known as the Coastal or Redwood Hwy., winds its way through some of the most beautiful country and scenery one can find.

The Redwoods can be seen from southern Oregon to central California, but are seldom found more than 50 miles inland.

They thrive best in the damp climate on the sides of the mountains facing the Pacific. These majestic trees commonly grow to a height of 200 feet to 250 feet, with many towering above 300 feet.

The tallest known Redwood stands in California's Bull Creek Flat, and is almost 360 feet tall.

Redwoods with trunks 8 feet to 12 feet in diameter are not a rare sight.

This last August, after visiting relatives in Medford, Oregon,

Aileen and myself, accompanied by our son Jim and a granddaughter, Julie Wyatt, who had never had the opportunity to see these giant trees, again drove 101 for many miles until we found the "Avenue of the Giants" that runs through the heart of the Redwoods.

This is the same road we had taken in '66 when we found the "Chandelier Tree," a 315 feet tall Redwood that is 21 feet in diameter at its base.

This tree is so named for its unusual structure. Its lowest limbs are about 100 feet above ground and measure from 4 feet to 8 feet in diameter, as large as many mature trees.

The Chandelier Tree is probably the best known and most remembered tree in the Redwoods since it is the "Drive Through Tree," that we and most other visitors drove our cars through.

This tree has an opening hewn out of its trunk large enough for the family sedan with side mirrors to safely pass through.

As one walks about on the forest floor, where the light is dim and the air cool, for little sunshine finds its way through the tops of the closely growing trees, it is awesome to look up at the giant shafts that reach straight up, seemingly to the heavens.

All this from a seed less than 1/16" long, one of approximately 123,000 it takes to weigh a pound.

MUESTER'S RECYCLING BIN containing glass, aluminum, tin cans and plastic items is nearly full. The two local bins were opened for use in mid-July.

## Increased recycling urged for local residents

by Janet Felderhoff

Recycling bins have been in place in Muenster since mid-July. They are being used, but not by as many people as was hoped. Local people have yet to completely fill a bin.

One bin is for newspaper only. That bin is covered with a tarp to keep the papers dry and protected from wind. Newspapers should be bundled with twine or placed in paper sacks. Glossy print such as magazines and some ad circulars cannot be used. Telephone directories, magazines, and books should not be included.

A second bin holds all other accepted recyclables such as aluminum, plastic, glass, tin cans, etc. Some of the items that can be included in this bin might surprise many. Aerosol cans, paint cans and lids and juice or milk cartons are all acceptable if they are properly prepared before being placed in the recycling bin.

Recycling is a three step process. All three segments must be accomplished if recycling is to succeed.

First consumers must be willing to collect items for recycling and take them to their collection center. In Muenster this is simple. The city has the bins supplied by Texas Waste Management fenced in on city property at Main and Ninth Street. The gates are open from 8 a.m. to 5 p.m. and from 8 a.m. to noon on Saturdays.

Second, manufacturers must make new products from the recycled materials. RMI in Muenster is one example of using recycled materials. The plant manufactures rubber boards, edging and other items from old tires and plastics.

Third, consumers must buy items made from recycled materials and, if suitable, put them back into recycling collection programs. Without consumers making an effort to buy products that are made of recycled materials, the recycling loop is not completed.

Codes on products indicate that a product is either recyclable or made from recycled materials.

Did you know?

• One soft drink packaged in recycled aluminum saves enough energy to run your TV set for three hours

• Newspapers printed on recycled paper prevent the cutting of more than 25 million trees a year

• Re-refining used motor oil saves two-thirds the energy required to refine from crude oil (and re-refined oil lubricates just as well)

• Plastics can be used to make everything from flower pots to lumber

**How to prepare recyclables**  
Aluminum cans -- empty them  
Tin cans -- rinse clean

Glass -- Rinse clean and avoid breaking; take off caps and rings (Only beverage and food containers, please)

Drink boxes -- when empty, remove straw and recycle

Milk, juice and other beverage carton -- lightly rinse half-gallon, quart and pint-sized cartons to remove any remaining milk or juice

Paint cans -- paint cans must be empty and dry. A thin skin of paint on the bottom and sides is okay as long as it is dry. Leave lid off of can, but place lid in recycling bin.

Aerosol cans -- Empty through normal use, remove plastic lid unless it is part of the can. Don't remove spray nozzle.

The easy access to a recycling bin and the little effort required to ready products for recycling should encourage everyone to think of the future and recycle. As consumers more actively seek and buy products made from recyclables, there should be such products available.

Making a decision to begin recycling will have special rewards for some. November 15 has been declared Texas Recycles Day. Every Texan who pledges to start recycling or to enhance a recycling program as part of Texas Recycles Day has a chance to win prizes donated by businesses that care about the environment. Major prizes include: 1995 Jeep Wrangler donated by the Steel Recycling Institute; \$3,000 gift certificate to The Home Depot; \$2,000 vacation certificate donated by Balcones Recycling; Travelmate 4000 laptop computer for schools from Texas Instruments; Five \$500 shopping sprees from H.E. Butt Grocery Company.

To find out how to send in recycling pledges or coordinate a recycling event, call the TNRC at 1-800-64-TEXAS.

## 4-H...More than You Ever Imagined

### 10 Reasons Youth JOIN 4-H!

4-H is the largest non-formal youth education organization in the United States. 4-H reaches over 5.6 million youth every year through its mission, "to create supportive environments for culturally diverse youth to reach their fullest potential."

#### The Top 10 Reasons to JOIN 4-H:

1. Develop skills to succeed in the workplace.
2. Improve goal-setting and decision-making skills.
3. Become a community leader.
4. Go to 4-H "Citizen Washington Focus" or National 4-H Conference.
5. Learn to care for and make decisions about the environment.
6. Meet kids from across the country.
7. Participate in a Workforce Preparation Apprenticeship program.
8. Learn about citizenship and how it works.
9. Teach a 4-H Drug Education lesson.
10. Have lots of FUN in 4-H!!!

All of this and more is possible in 4-H if you are between the ages of 5 and 19. Each individual uses his or her own talents to create unique experiences through the 4-H program. Young people participate in 4-H through clubs, special interest groups, after school programs, camps, and in many other ways.

Youth involved with 4-H have the opportunity to develop and strengthen life skills. This includes workforce, decision-making and leadership skills, which are crucial to succeeding in today's society. Youth are able to develop these skills through their commitment to community, whether through a recycling project or a committee that tackles critical societal issues. Ultimately, young people gain beneficial lifetime experiences through 4-H.

For more information, contact your local county Cooperative Extension office, listed under the county government section of your telephone directory.

4-H participates in the Combined Federal Campaign (CFC) as a member of Children's Charities of America federation.

For more information, contact your local county Cooperative Extension office, listed under the county government section of your telephone directory.

**Good News!**  
He giveth power to the faint; and to them that have no might he increaseth strength.  
ISAIAH 40:29

## Oct. 24 deadline set for bidding on forfeited state land

A catalogue listing 239 tracts of forfeited state land reserved exclusively for bids from Texas veterans is now available from the Texas Veterans Land Board (VLB). Bids will be opened on Oct. 24, 1995 at 1 p.m.

The catalogue, which contains bidding instructions and a detailed description of each tract, can be ordered by calling 1-800-252-VETS.

Located in 96 counties, the tracts range in size from five to 82 acres. The tracts, known as Type 1 tracts, can be purchased with no down payment. Bids are restricted to eligible Texas veterans.

The VLB will finance the entire loan amount of all winning bids. There is no limit on the amount loaned or on the number of tracts that an individual can bid on. However, eligible Texas veterans are limited to one land purchase in the sale.

Texas veterans will receive a 7.64 percent interest rate with a 30-year assumable fixed-rate loan. A \$25 non-refundable fee for each bid is required.

The sale will be by sealed bid only, with a minimum bid set by the board. All bids must be received by Oct. 24 at 1 p.m. Bidders need not be present at the bid opening.

Details of the sale can be obtained by calling 1-800-252-VETS.

## August Oil Report

The Commission issued a total of 1,047 original drilling permits in August for a total of 770 permits to drill new oil and gas tests, 45 to re-enter existing well bores, and 232 for re-completions.

So far in 1995, there have been 7,589 drilling permits issued, a 3.5 percent increase from the 7,325 granted during the same period of 1994.

Permits issued in August included 443 oil, 206 gas, 333 oil and gas, 48 injection, and sixteen other permits.

In August operators reported 431 oil, 312 gas, and 42 injection and other completions.

Total well completions for 1995 year-to-date is 5,722, a seven percent increase from 1994.

Operators reported 972 holes plugged and 153 dry holes in August.

## COUNCIL

Continued from Page 1

adamant that they would not tolerate this failure to pay.

- Bills totaling \$123,247.40 were approved for payment.

- See accompanying stories in this issue by Stephen Broyles concerning garbage sacks and on-call phone access during non-business hours.

## 63 pints netted in Blood Drive

Out of 75 potential donors to the Texoma Regional Blood Drive held Thursday, Sept. 26 in Muenster, 63 pints were collected. Twelve donors were deferred.

Each donor was given a special tee-shirt. Gallon donors will be announced in the future. Since donations to the American Red Cross collections couldn't be carried over, the pints will be counted beginning with the first Texoma Regional Blood Drive in Muenster.

Muenster Hospital Auxiliary sponsors the blood drive. Chairman Marlene Endres expressed gratitude to the donors and to the Knights of Columbus for the use of the KC Hall. The next drive is set for Thursday, Jan. 18, 1996.

## Jordan Edward Pybas dies Sept. 30 at age 31

Jordan Edward (Ed) Pybas of Sivells Bend and Austin, Texas died at age 31 on Saturday afternoon, Sept. 30, 1995 at Integrated Health Services in Sherman.

He was born on May 9, 1964 in Muenster to J.E. and Barbara Davis Pybas. He was a member of Sivells Bend Methodist Church and distinguished himself as a 4-H Gold Star Recipient in Cooke County; he graduated from Texas A&M University in 1987. He worked in glass sculpture and glass art work and was a sales representative for Frito Lay Company.

Surviving Jordan Edward Pybas are his parents, J.E. and Barbara

Pybas of Sivells Bend; five sisters Margaret Lopez of LaFeria, TX; Pat Priest of Dallas; Lou Ann Hughes of Dell City, Oklahoma; Jama Freeman of Spring Hill, Arkansas; Grace Pybas of San Antonio. There are also eleven nieces and nephews.

Funeral for Mr. Pybas was held Monday, Oct. 2 at 2 p.m. in Sivells Bend Methodist Church, officiated by Rev. Keith Boone of Whaley United Methodist Church of Gainesville. Burial in Bearhead Cemetery in Sivells Bend was directed by Clement-Keel Funeral Home of Gainesville.

Pallbearers were brothers-in-law Juan Lopez, John Priest, Kim Hughes, Ken Freeman and nephews Brian Hughes and Russell Lopez.

The family has suggested memorials to Home Hospice of Cooke County, 1001 E. Broadway, Gainesville or to Sivells Bend Methodist Church.

## A PROCLAMATION

by the County Judge of Cooke County to all to whom these presents shall come:

I, Paul Hesse, County Judge of Cooke County, do hereby declare the week of October 8-14, 1995 as FIRE PREVENTION WEEK in Cooke County for the following reasons:

WHEREAS, Fire Prevention Week commemorates the great Chicago Fire of October 9, 1871 which killed 250 people, injured countless numbers, left 100,000 homeless, and destroyed more than 17,430 buildings; and

WHEREAS, more than 4,000 people die from smoke inhalation and fire each year in the United States; and

WHEREAS, some 78% of the U.S. fire deaths occur in our homes, every home should have smoke detectors and an escape plan; and

WHEREAS, escape plans at home, at work and at school should be practiced, including knowing two ways out, and having a pre-planned meeting place outside, crawling low under smoke holding the head 12-24 inches off the floor when necessary; and

WHEREAS, everyone should know that once they are safely outside, they must not re-enter the burning building; and

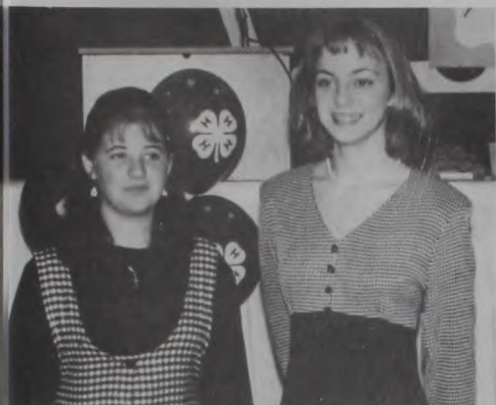

WHEREAS, the fire service(s) of Cooke County are dedicated to the safety of life and property from the devastating effects of fire, and the members are joined by other concerned citizens of this county, as well as businesses, schools, service clubs and organizations in their fire safety efforts; and

WHEREAS, the local efforts of the fire service are supported by the activities of many local, state, national and international organizations;

I call upon the people of Cooke County to participate in fire prevention activities at home, work and school, and to heed the message: "Watch what you heat! Prevent home fires!" as the 1995 Fire Prevention Week theme suggests.

In witness hereof, I hereunto set my hand this 21st day of September, the year of our Lord, nineteen hundred and ninety-five.

/s/ Paul F. Hesse, County Judge

VONNE MARTIN, left, and Emily Felderhoff received the "I Dare You" awards at the 1995 Cooke County 4-H Achievement Banquet.

## GOLD STAR Continued from Page 1

otos to last year's Gold Star winners.

Shirley Burks recognized Club managers and Honor Award Clubs including last year's Muenster 4-H Club managers Linda Becker andcky Felderhoff.

More than 80 medals were presented to 4-H'ers. Making the award presentations were Cooke County commissioners Virgil Hess, Currell Harrison, and Richard own. They were assisted by 1994 Gold Star winner Rebecca Miller.

Achievement winners from Muenster included Michael Becker, Matthew York, Sarah Hess, Tara Abbott, Jacqueline Bartush, Pamela Lutkenhaus, Laura Drachenberg, Emily Felderhoff, Cindy Hartman, Amberly Hess, Diana Felderhoff, Vonne Martin, Dana Miller, Kristie Lutkenhaus, Kristen Creed, Emily Fetsch, Christopher York, Anna Biffle, Cloy Baldwin, Jack Biffle, and Danny Felderhoff.

Lindsay winners included Philip Fleitman, Russell Fleitman, Robert Lutkenhaus, Rachel Lively, Hannah Trammell, DeeAnn Fuhrmann,

Kimberly Hermes, Melissa Fuhrmann, Stacie Gieb, Lisa Mosman, Genevieve Knauf, Emmy Trammell, Leah Hermes, Kevin Lutkenhaus, Jeanie Mosman, Mark Lutkenhaus, Dominic Fuhrmann, and Brandon Schroeder.

As the youths were presented their awards, they faced the audience and announced the names of the parents, who honored their child by standing up and being recognized as the 4-H'er received their award.

Wayne Mitchell, director and vice-president of Cooke County Electric Cooperative welcomed the 4-H members and their parents and guests to the banquet. Guest speaker Karon Sullivant, president of the Gainesville Chamber of Commerce, spoke to the 4-H'ers on the importance of cleanliness, hard work, love of others, and going to church. She said that these four things were important for them to strive to do or to be.

Catering the meal were the Hermes Sisters. Cooke County Electric Cooperative sponsored the event.

## Valley View to host Fall Festival for City Park

Valley View will host its 4th Annual Fall Festival to raise funds for their city park. Kay Neu is Chairman of the event.

Activities on Friday begin at 6 p.m. on the square. Food booths will offer barbecue, hot dogs, sausage on a stick, locally made jerky, funnel cakes, caramel apples, nachos and more. All are invited to bring lawn chairs to sit back and listen to the Blue Grass music. Smokers Cook Off also begins on Friday.

Saturday the King and Queen contest begins at 10 a.m. There is an entry fee of \$5 each. A parade kicks off at 11:30 a.m. Texas Ranger baseball pitcher Danny Darwin will serve as the Grand Marshall. To enter call (817)726-3251.

Following the parade visitors can view quilts, play games on the midway, visit craft booths, sample foods, or enjoy the music and other entertainment. At 1 p.m. volleyball and horseshoe tournaments begin. Raffle winners and smoker awards will be announced at 5 p.m.

Blue Grass music and other entertainment will take place on the east side on the square during the day.

For more information or entry banks, call the Valley View City Hall, (817)726-3740.

## Crisis Center to hold rummage sale

The Crisis Center, a shelter for battered women and their children, services for victims of sexual assault/abuse, and services to help the violent spouse unlearn violence, needs community support for their upcoming event.

A Rummage Sale will be held October 7 at Designers Market, 5470 Texoma Parkway in Sherman. Please bring good usable appliances, furniture, tools, jewelry, any items that are in good condition and salable to the Designers Market which is open seven days a week. This sale will help services continue for victims. Your support will be appreciated.

For information contact the Crisis Center at 903-893-3909 or Jaymie Reed at 903-463-6800. Thanks for your support.

## Life Chain:

### A community and family affair

by Eric Gray  
On Sunday afternoon, October 1, seventy-five people of Muenster and surrounding communities gathered at the First Baptist Church in Muenster to pray and to publicly proclaim their support of life, in defense of the unborn. From 2 until 3:30, through communal prayer and silent demonstration, the assembled stood up for those who cannot stand up for themselves. Life Chains were also held in Lindsay and Gainesville with 115 and 50 participants, respectively.

The afternoon was opened with a prayer by Eric Gray. Fr. Joe Weinzapfel then read a portion of Psalm 139 and spoke of the sanctity of life and God's call to us even before we were knit in the womb. Rev. Bill Ledbetter shared his insights on Leviticus 18, the five abominations which, if in a land, will cause the people to lose the land. Among these five (which are all prevalent in the United States today) is the killing of the young, so abortion. The message of letting the children come to Jesus, found in Luke 18, was read and expounded upon by Eric Gray. We are all called to meet Jesus in

this world, then be with Him in the next, and abortion denies that of these children.

Bill Ledbetter then opened the floor for spontaneous prayer. Many people prayed for the various aspects of the crime of abortion, including asking for forgiveness for us as a people for such a thing to happen in our midst. Christi Klement and Diane Grewing sang Phil Keaggy's song, "Little Ones," to conclude the prayer session.

After some guidelines on what to do and not do on the highway, given by Kenneth Bierschenk, the group hit the road, posters in hand. Five different messages were seen by people as they went up or down U.S. 82, like "Abortion kills children," "Abortion hurts women," "Jesus heals and forgives." For forty-five minutes, they stood out in the beautiful sunshine of the day in mute testimony to all passers-by of the harsh realities of abortion and the hope and healing of Jesus and adoption.

All this while, the cemetery of the innocent (which had been standing on the grounds of Sacred Heart Church all last week, but

had been moved for the occasion of the Life Chain) stood next to the highway on the lawn of the First Baptist Church to remind us all of the eighty-one children killed to abortion in Cooke County in 1994.

In closing, the assembled said a prayer of thanks, praise, forgiveness, and trust to God, prayed the Lord's Prayer, sang the eight-fold "Alleluia," and gave their "Amen."

Thanks goes to all those who came to show their support for the unborn, to all those who could not come but prayed for the endeavor, to all those who sponsored a cross in the cemetery of the innocent, to Rev. Bill Ledbetter for the use of the sanctuary of the First Baptist Church for the prayer services, to Eric Gray, Bill Ledbetter, and Kenneth and Marilyn Bierschenk for the organizing of the Life Chain, to all those mentioned above who helped with the Life Chain celebration, and to all the businesses of Muenster who agreed to let the Life Chain happen on their property. If anyone was omitted, thank you, too. Amen.

LIFE CHAIN volunteers hold a prayerful vigil Sunday afternoon along Highway 82. Dave Fette Photo

## Bake Sale set for Oct. 13

The Muenster Ladies Auxiliary to VFW Post 6205 will sponsor their annual bake sale on Friday, Oct. 13 at Fisher's Market from 8 a.m. to 4 p.m. It will feature lots of mouth-watering baked goodies, especially delicious homemade rolls and breads, assorted cakes and pies and lots of other goodies. All Auxiliary members are asked to bring two items or donate \$8.00 by 9 a.m. Proceeds from the bake sale will benefit Cancer Aid and Research and the local Relief Fund. The Auxiliary invites everyone to "come and do your Christmas baking the easy way."

## Cooke County Home Hospice to sponsor RSVP

Home Hospice Cooke County will sponsor a program given by RSVP on Oct. 11. The meeting will begin at noon at First Christian Church, 401 N. Dixon, Gainesville and will be a brown bag lunch.

RSVP stands for Retired and Senior Volunteer Program. It is a national organization dedicated to enhancing volunteerism for persons 60 years of age and older. There are several benefits of belonging to RSVP including free insurance and opportunities to participate in recognition events.

Each volunteer chooses where he or she will volunteer, as well as how much time they will contribute. Volunteers may choose between working at short-term assignments or making longer commitments to local organizations.

If you are 60 years of age or older, are currently volunteering your services or are considering doing so, you are invited to attend this meeting to hear more about the benefits of RSVP. For more information about the meeting call Dianne Boone at Home Hospice at 665-9891.

## Turkey Bucks collected by NCTC

"Do grocery stores give you turkey coupons, but you don't use them?" asked Lee Switzer, North Central Texas College Community Relations committee member.

The NCTC Community Relations Committee has established several collection points for turkey coupons on campus. Turkey bucks from Tom Thumb and Scivallys can be placed in designated containers located in the library, administration and the business and computer science building. Coupons will be collected through Wednesday, November 15.

Past projects of the committee have included providing volunteers for Depot Days, choral singing and refreshments for the Stanford House, Head Start Christmas party, Littlest Angel collections, presents to Home Hospice clients and many other activities in the community.

## Millions of monarchs descend on Texas

Tens of millions of monarch butterflies, now located in southern Kansas and Oklahoma, are poised to enter Texas on their yearly cross-country trek to Mexico. They will begin to pass through Texas in large numbers when the next cold front carries them into the state.

More than 10,000 butterflies have been tagged by Monarch Watch volunteers to learn more about the factors that influence the yearly Monarch migrations to central Mexico.

Scientists need your help catching tagged butterflies and reporting information from the tags to the Monarch Watch Hot-Line. Once the information has been recorded, butterflies are released to continue their journey southward.

Each fall, Monarchs leave their breeding grounds in the central and eastern states and Canada and embark upon their yearly fall migration. Their destination is small overwintering areas in the high forests of central Mexico.

Monarchs funnel through Texas in two principal flyways during the fall. One is through the center of the state stretching about 200 miles wide from Wichita Falls to Eagle Pass. Monarchs enter this portion of Texas from the last days of September until the third week of October. The second flyway is situated on the coast. Monarchs fly along the Texas coast, roughly from the third week of October to the beginning of November.

Call ahead to parks in the area to see if the Monarchs have arrived. If they are there, you must

move quickly. They will stay in an area in hot, moist weather, but leave immediately with a passing front.

If you would like to participate in the Texas Monarch Watch or receive a biannual newsletter about the Texas Monarch migration, contact the Texas Monarch Watch Hot-Line at 1-800-468-9719, or 512-326-2231.

## NOTICE!

Don't forget! This Sunday, October 8, from 2 to 5 p.m., all you 7th and 8th graders come on to the main hall of the Community Center for a J.E.L.L.Y. afternoon of Choose Prayer. Guys, bring a treat to share, please. Gals, bring a soft drink to share, please. See ya there!

## Openings available in SH Church small groups

Sacred Heart Church has several small group sessions for adults beginning the first or second week of October. Several have been filled, but others have openings.

More members are needed for the following groups:

Documents of Vatican II meets Monday evenings at 7:30 p.m. with Fr. Joe Weinzapfel as leader.

Morality and Forgiveness is an updated look at morality with videos and discussion. They will meet Monday evenings at 7:30 p.m. with Barbara Fuhrmann as leader.

Stories in Scripture and Tradition is a lecture and discussion session which meets on Wednesdays at 6 p.m. with Fr. Frowin as leader.

Parenting is a video series from 7-8 p.m. on Wednesdays during religious education classes. Fr. David is the leader.

Old Testament Survey and discussions will be held on Thursdays at 1:30 p.m. with Fr. David.

If you are interested in joining one of these small groups, contact the group leader or Barbara Fuhrmann at 759-2511, Ext. 37.

## Sacred Heart Catechists receive blessings Sept. 17

"Imagine God's Mercy" based on the gospel reading of the prodigal son from Luke was the theme of the catechetical Sunday, September 17. Instead of the usual blessing for catechists at the Sunday Mass, there was a blessing at the 8 a.m. Mass on Friday, Sept. 22 for all Sacred Heart religion teachers.

These include Pam Dangelmayr, preschool; Sr. Genevieve McConnell, kindergarten and second grade; Anne Poole, first grade; Cecilia Ashley, third grade; Matti Bayer, fourth grade; Jennifer Uhrmann, fifth grade; Bernadette Moritz, sixth grade; Sr. Mary John Seyler, seventh grade; Dorothy Bengfort, eighth grade; Fr. Frowin Schoech and Eric Gray, ninth grade; Fr. Cabrini Arami, tenth grade; John Pasche, eleventh grade; and Pamette, twelfth grade.

Teachers and aides for the religious education classes for the

public school children received a blessing at the 8 p.m. Mass on Wednesday, Sept. 27.

They include: Susie Fleitman, Denise Landers, and Mary Ann Hill -- kindergarten; Judy Hobbs and Jill Swirczynski -- first; Debbie Hartman, Linda Knabe, Sandra Hennigan, and Connie McAden -- second; Judy Flusche -- third; Tina Weinzapfel and Danny Endres -- fourth; Tommy Felderhoff -- fifth; Janie Hennigan and Margie York -- sixth; Sr. Mary John Seyler and Marlene Fisher -- seventh; Bryan Sicking and Eric Gray -- eighth; Becky Felderhoff -- ninth; Bill Bivin, Rose Henscheid, and Shirley Knabe -- tenth; Phil Endres -- eleventh; and Fr. Frowin Schoech -- twelfth.

All of the teachers received a certificate and special prayer for the coming year.

## 4-H'ers stretch their young imaginations

National 4-H Week celebrates the accomplishments of 4-H youth during the week of October 1-7. The theme for 1995, "4-H... More Than You Ever Imagined," reflects the variety of 4-H programming and the diversity of the lives and backgrounds of 4-H youth throughout our nation.

Diverse groups of youth from across our country participate in 4-H activities. Young people between ages 5 and 19 develop leadership, citizenship, interpersonal, and workforce skills in a wide variety of 4-H programs. Of the total number of youth in 4-H, 26 percent are from minority racial-ethnic groups. These diverse groups of youth participate in 4-H projects that fall within 4 major academic disciplines: biological sciences, social sciences, arts and humanities, physical sciences. Our greatest number of young participants are active in the biological sciences.

4-H creates supportive environments for culturally diverse youth and adults to reach their fullest potential. 4-H's innovative programs meet the evolving needs of our nation's diverse suburban and urban youth while continuing to fulfill the

needs of young people in rural America. Over 5.6 million youth participate each year in 4-H's "hands-on" self-determined learning activities. 4-H is part of the Youth Development program of the Cooperative Extension System.

For more information about 4-H, contact your local county Cooperative Extension office, listed under the county government section of your telephone directory.

4-H participates in the Combined Federal Campaign (CFC) as a member of Children's Charities of America federation.

### Senior Life Expo Oct. 6-7 in Denton

Golden Triangle Mall and Denton Regional Medical Center will host the first Senior Life Expo on October 6-7, 10 a.m. to 4 p.m. The event will include two days of entertainment, prize give-aways and free health screens courtesy of Denton Regional Medical Center.

For more information, call 817-566-6023.

MUENSTER HORNET CHEERLEADERS DaLana Endres Stephanie Huchton (on top), Brandi Lutkenhaus, Jennifer Sicking, Kimberly Sturm, Dee Dee Walterscheid, Laurel Green and Melinda Fanning (and Head Cheerleader Misty Klement just outside of this picture) perform at the Aubrey game at halftime. Dave Fette Photo

## DIALOGUE meeting scheduled

DIALOGUE, a support group for cancer patients, their families and friends, will meet at 7:30 p.m. on Tuesday, October 10, at the Muenster Memorial Hospital. This support group established by the American Cancer Society is for anyone in Cooke and surrounding counties.

DIALOGUE is a support group organized to help cancer patients deal with the many challenges that they face on a day-to-day basis. It gives cancer patients and their families the opportunity to share common experiences, problems and solutions.

DIALOGUE may be the first opportunity for a cancer patient to learn about his disease and how to live with it. New members come to the group with many fears which at times seem overwhelming. The group offers an opportunity to discuss their fears. This can be the first step in

gaining control over their situation.

New members usually leave their first DIALOGUE meeting feeling that something can be done. They can be understood by those in the same situation. Cancer patients, their families and friends who attend meetings are at varying stages of adaptation to and coping with the disease, its treatment and other situational factors. Various members will have experienced similar problems in the past and are examples that the problem can be dealt with. Inspiration grows from this awareness of hope.

New members are always welcome. DIALOGUE meets at 7:30 p.m. on the second Tuesday of each month at the Muenster Memorial Hospital. Assistance with transportation to and from the meetings can also be arranged. For more information you may call Mary Endres at 817-759-2271.

## Luke receives Master's degree from UNT

Ray Luke, son of Mr. and Mrs. Dan Luke of Gainesville, and the late Dolores Hensler Luke, has recently received a Master of Business Administration degree with concentration in Statistics from the University of North Texas. Ray and his wife Tawni and their three children Preston 8, Parker 4 and Peyton 20 months live in Lewisville where he is employed by Texas Instruments as a supervisor for software quality

engineering in missile systems group.

He is a graduate of Muenster High School and graduated from the U.S. Naval Academy in Annapolis in 1979. He was designated a Naval Aviator in 1981 and remained on active duty until 1986, serving in Norfolk, Virginia; Corpus Christi, and Dallas as a helicopter pilot. He remains in the reserves in NAS in Dallas.

## Two celebrate September birthdays

Ida Neu and Magdalene Zimmerer observed their birthdays on Sunday, Sept. 13, in advance of their September 30 birthdays.

After dinner, the party moved to the home of Lawrence and Marie Zimmerer. Joining the group were Marie Vogel, Ida Neu and Charles and Mary Neu; Anna Henscheid, Rufus Henscheid; Regina Flusche, Viola Schmidtkofer. Also Urban and Eugene Flusche and Mrs. Marie Flusche all of Dallas; Msgr. Hubert J. Neu of Ft. Worth and Ray and Ida Zimmerer of Iowa Park.

Mrs. Lawrence Zimmerer served birthday cake and ice cream in the afternoon.

## New Arrivals

### Knabe

Renee and Donny Knabe of Saint Jo are parents of their first child, a daughter, Madison Renee Knabe, born in Gainesville Memorial Hospital on Oct. 1, 1995 at 4:52 a.m., weighing 7 lb. 8 oz. and measuring 20 inches in length. Her grandparents are Pat and Ruth Klement of Muenster, Barbara Knabe of Saint Jo and Augie Knabe. The great-grandparents are Albert and Frances Knabe, Mrs. Margie Reed, Tony and Sis Klement and Mrs. Helen Yosten.

### Binder

Amy Otto and Cy Binder announce the birth of their son, Mason Edward Binder on Sept. 29, 1995 at 6:26 p.m. at Denton Regional Medical Center, weighing 9 lb. 7 oz. and measuring 21 inches in length. The grandparents are Ed and Darlene Otto of Muenster and

Tom and Jackie Binder of Sandersville, Georgia. The great-grandparents are Tony and Sis Klement and Mrs. Tillie Otto all of Muenster, and the late Johnny Otto, Gene and Martha Cowles of Denton and Carl and Deb Binder of Rockwall, Texas.

## Railroad Festival Oct. 7-8 in Wichita Falls

The 8th Annual Zephyr Days Railroad Festival in Wichita Falls will be this weekend, Oct. 7 and 8 at the downtown activities center, 10th and Indiana.

# Country Tidings

by Ruth Smith

The Perryman Cemetery Association met Monday evening October 2, 1995 at 7:00 p.m. at the Forestburg Community Center. New officers were elected: President, Mrs. Helen Steadman; Vice President, Charles Cook; Treasurer, Mrs. Virginia Lynch; Secretary, Mrs. Veda Brodgon. At the meeting it was decided to have a benefit supper for the Cemetery, Saturday October 14, 1995. Serving will start at 6:30 p.m. The Cemetery Association will furnish the bread, meat and drinks. Each person is asked to bring a vegetable, salad or dessert. Plates will be \$5.00. Everyone is welcome to come and have supper.

The area singing sponsored by the local churches will be held at the Rosston Baptist Church Sunday October 29, 1995. Everyone is invited to come and enjoy good singing.

The Forestburg School was presented a check for \$5,000.00 from the Community Center Service Club. This was mostly made from the Watermelon Festival. The school and the Community Service Club would like to thank all who helped in any way to make the Watermelon Festival a success.

Mrs. Odessa Berry entered the hospital in Denton on Sunday. She was scheduled to have surgery on the carotid artery Monday Oct. 2. She is recovering satisfactorily and expects to be dismissed soon. Fay and Lee McKown of Dallas are house guests of Odessa and Jack Berry.

Lois and Clyde Bewley visited Gene and Cindy Ferguson in Gainesville Friday. Gene Ferguson is seriously ill.

Mrs. Easter McKinney lives in Forestburg now. She moved a new double wide mobile home in and lives on F.M. 455. She works for the Home Health Care Service. She would like to have some more Home Health Care patients to care for.

The children and grandchildren of Mrs. Jewel Freeman of Bowie gave her a birthday party Saturday September 30 at the Forestburg Community Center. Troy and Tommy Griffin rendered singing and guitar music. Singing her favorite songs and answering requests from the audience, the family and friends recalled and remembered interesting stories with Mrs. Freeman in the past years. Some of the highlights of the "past" were when Mrs. Freeman's

granddaughter Lodema came to visit her and found her grandmother digging potatoes in her garden. She asked her grandmother what she was doing. Mrs. Freeman explained she was digging potatoes. Lodema goes over and digs under tomato vines. Her grandmother asked her what she was doing. Lodema replied, "I am digging for tomatoes." There was one other highlight of the "past" stories. Lodema saw her grandmother's chicken hen with little chickens and she asked where little chickens come from. Lodema said she "had planted feathers but never got any chickens." Jackie Holly, a neighbor, remembered her mother and sisters visiting Mrs. Freeman and getting to play on her pump organ, that was the biggest organ she had ever seen. Refreshments were served, consisting of a pretty birthday cake and two other cakes and punch. A large group of relatives and friends attended and all wished Mrs. Freeman a happy 90th birthday.

Mrs. Louise Shults of Forestburg, Mrs. Alice Burchard and Mrs. Artie Webber of Greenwood attended the birthday party for Mrs. Jewel Freeman of Bowie at the Forestburg Community Center Saturday Sept. 30, 1995. It was Mrs. Freeman's 90th birthday.

Jon Richard Penton of Whitesboro visited his grandparents Ruth and Jim Penton Thursday and Friday. Jon returned home for a soccer game at the football field. His grandparents enjoyed seeing him play.

There was a field day and annual Pecan Producers Inc. meeting held at the Clear Creek Pecan Orchard Saturday September 30, 1995. The program was designed to develop friendship among pecan orchard owners and to share information and to learn more about orchard management, marketing and equipment. People attending were divided in groups and taken on tours and demonstrations. A barbecue dinner was catered and served by Rhome & Hass Mable Fungicides. Approximately 100 people attended. The Clear Creek Pecan Orchard is owned by Dr. Zack Dameron of Dallas, and is operated by Kenneth Hutson.

Mrs. Mozelle Hutson visited her mother Mrs. Jewel Gaston in the nursing center in Saint Jo.

Mr. and Mrs. Clifford Hudspeth had as their guests for Sunday dinner and spending the day Carolyn and Raymond Wood of Wichita Falls, Mrs. Amanda James, Blayne and Kacey of Justin, Mrs. Linda Hudspeth and Leah.

Bill Christian of Stephenville visited his parents Mr. and Mrs. C.H. Christian Monday on Wednesday.

Keith Brewer of Denton visited Mr. and Mrs. Ted Jackson Saturday afternoon.

## David and JoAnn Klement visit relatives in Muenster

The family of Ollie Klement and the late J.A. Klement gathered on Sept. 17 to welcome the visit of David and JoAnn Klement of Bradenton, Florida. A noon meal was served in the home of Harold and Sug Bindel.

Attending were Ollie Klement; Debbie and Tim Endres, Krystal and Cassie Hale; Darla, Kevin and Tyler Anderle; Darren Bindel; Karri Endres; and Eva Jo Otto all of Muenster; Joan and Dick Schleicher of Fort Worth; Susan, Thomas, Angela and Meredith Birchfield of Weatherford; Jerry and Carole Klement of Temple, and the honored guests David and JoAnn Klement of Bradenton, Florida.

## Lindsay Scouts meet at Lindsay Police Station

Den #4 of Pack 1167 met on September 26 at the Lindsay Police Station. Jodie Henry, the Lindsay Police Chief talked to the boys about the important things they need to know when they have to make a 911 call. The most important thing to know is the exact directions to your home. Mr. Henry suggested that each scout return home and write down this information and place it by the phone so if it is ever needed the exact information will be ready. Mr. Henry showed the boys the Lindsay police car and the equipment. Head Denner for the meeting was Pete Russell. Refreshment Denner was Danny Kendall and Treasurer Denner was Caleb McLaughlin. Other scouts attending the meeting were Jacob Fuhrmann, Jacob Geray, Jeffrey Zimmerer, Scott Neu, Rameez Anwar, T.J. Krebs, Ross Rippy, and Mark Richeson.

## Jeff Flusche named commended student

Jeff Flusche has been named a Commended Student in the 1996 National Merit Scholarship Program announced Muenster High School Principal Bob Chisam. A Letter of Commendation from the school and National Merit Scholarship Corporation, which conducts the

program, will be presented by the principal to this scholastically talented senior.

About 35,000 Commended Students throughout the nation are being honored for their exceptional academic promise. They placed among the top five percent of more than a million students who entered the 1996 Merit Program by taking the 1994 Preliminary SAT/National Merit Scholarship Qualifying Test. Although the qualifying test scores of Commended Students are outstanding, they are slightly below the level required to continue in the competition for Merit Scholarship awards to be offered in 1996.

A Merit Program spokesperson commented, "Recognition of academically promising students and of the key role played by schools in their development is essential to the pursuit of educational excellence in our nation. Our hope is that this recognition will encourage these able young people to develop their abilities to the fullest and also, will enhance their opportunities and stimulate support for their higher education."

JEFF FLUSCHE

## October abounds with SH Preschool activities

Parents of Sacred Heart Preschool children met on Monday, Sept. 25 at 7 p.m. in the Preschool building. Discussions included plans for the New Year's Eve Dance, a financial report of BINGO and the treasurer's report by Duane Knabe.

October will be a busy month for the Sacred Heart Preschool students. Several field trips have been planned. On October 9 Muenster Fire Chief Herbie Knabe will conduct a tour of the Muenster Volunteer Fire Station for the preschool students.

A trip to Aubrey with a tour of the "Pumpkin Patch" and a sack lunch picnic is scheduled for October 30. Each child will select a

pumpkin to take home. The S.H. kindergarten class will also be on the field trip.

Frank and Lola Rust have invited the class to their farm in Era on October 23. They are hosting a fifth birthday celebration for their daughter, Julia. Pony rides are among the planned activities.

Beginning in October, parents are asked to come to Preschool to observe their children at work.

Kim Felderhoff, president, conducted the meeting and led the opening prayer. There were 15 members, two teachers, and Principal Jack Murdock present for the meeting. The next meeting date is Oct. 23 at 7 p.m. Stacie Miller reported on the meeting.

## Corridor celebrations at Muenster Elementary

As you walk the corridors of Muenster Elementary, you see students successfully celebrating learning. Teachers have taken the tried and true basic curriculum of past years, curriculum that we all experienced in our elementary years, and added meaningful activities that make learning a real celebration.

During the kindergarten study of nursery rhymes, students memorized favorite nursery rhymes, and used nursery rhymes to practice sequencing skills. Kindergarten students, natural born actors, gave their interpretation of "Humpty Dumpty," "Hickory Dickory Dock" and "I'm a Little Teapot," for seniors at the Snap Center.

Theresa Walterscheid's fourth grade students finished reading and watched the video of Sarah, Plain and Tall, completed their study of important rivers in the United States, and wrote narratives emphasizing expanded sentences to make their writing more colorful and interesting.

Second grade students in Lisa Hettler's class completed a unit of study about friends. They wrote stories about their friends and made a book telling about friends.

Thursday they wrapped up the unit on friends by watching the Fox and the Hound.

Melinda Fuhrmann's second grade students learned about the two most dangerous spiders in North Texas, the black widow and the brown recluse.

Third grade students in Amy Popp's class completed a unit on "How Communities Are Different." Third graders compared rural communities, towns, suburbs and cities.

Animal Antics in Kristi Schneider's fourth grade science lab gave the students an opportunity to extend math and science skills. Students were instructed to predict how many points their sample of 35 animal pictures was worth. Students organized the cards into vertebrates; mammals, reptiles, amphibians, birds, and fish, and invertebrates; arthropods, mollusks, annelids, and echinoderms.

They counted each group and multiplied by a weighted number to determine their total score. Fourth grade scientists used a line graph to compare their prediction and the actual point value of their cards.

MUESTER HIGH SCHOOL recently elected their Queen's Court for the Oct. 20 Homecoming activities. The court includes, l to r, back row - Kristin Chisam, Misty Klement, Brandi Lutkenhaus, Hollie Jo Fuhrmann; front - Julia Fleitman, Carrie Hess and Mindy Endres. Janie Hartman Photo

## MISD Honor Rolls

### MUESTER ELEMENTARY HONOR ROLL

#### First Six Weeks "A" HONOR ROLL

**1st Grade** (Mrs. Jones) Matthew Abney, Alyssa Allen, Brad Endres, Chad Endres, Jessica Hartman, Evan Koesler, Amanda Rohmer, Jayna Rohmer, Kalyn Rohmer, Stevie Tankersley, Michael Valliere. (Mrs. Lile) Renee Dittfurth, Sandy Endres, Megan Felderhoff, C.B. Hennigan, Meredith Hennigan, Emily Smith, Sarah Stoffels, Zachary Swirczynski, Roman Vogel, Bret Walterscheid, Collin Walterscheid, Krystal Wolf.

**2nd Grade** (Mrs. Fuhrmann) Derek Endres, Kelly Endres, Jenna Felderhoff, Ryan Fuhrmann, Patrick Lutkenhaus, Keith Walterscheid. (Ms. Hettler) Michael Eckart, Katie Endres, Brianna Fleitman, Ryan Hennigan, Dustin Wimmer, Aaron Yosten.

**3rd Grade** (Mrs. Popp) Eric Endres, Gage Gilliland, Tara Swirczynski, Whitney Watson. (Mrs. Scott) Lana Fisher, Sean Fuhrmann, Clint Miller.

**4th Grade** (Mrs. Schneider) Joseph Dangelmayr, Kyle Endres, Chelsea Felderhoff, Robyn Hermes, Martha Knabe, Larry Males, John Sturm, Cameron Walterscheid. (Mrs. Walterscheid) Kristi McAden, Daniel Russel, Melinda Walterscheid.

**5th Grade** (Mrs. Alsop) Karl Fisher, Justin Josselet, Kami Klement, Cindy Tempel. (Mrs. Hale) Michael Endres, Megan Lippe.

#### "B" HONOR ROLL

**1st Grade** (Mrs. Jones) Calvin Coughenour, William Haverkamp, Tiffany Jewkes. (Mrs. Lile) Jordan Ledbetter, Chad Tempel.

**2nd Grade** (Mrs. Fuhrmann) Noah Barnhill, Jennifer Endres, Heather Fette, Keaton Haverkamp. (Ms. Hettler) Lacey Cecil, Megan Dangelmayr, Jacé Koelzer, Casey McAden, Jordan Walterscheid.

**3rd Grade** (Mrs. Popp) Torin Brook, Donald Dickerson, James Fanning, A.J. Fleitman, Kallie Gertsberger, Carrie Grewing, Shannon Grewing, Shelbi Jollif, Stevie Klement, Tiffany Rains. (Mrs. Scott) Chase Cain, Russell Endres, Joanna Felderhoff, Laura Hellman, Candice McCrary, Justin Wolf.

**4th Grade** (Mrs. Schneider) Jared Britain, Diana Felderhoff, Bridgette Klement, Ubaldo Maldonado, Matthew Yosten. (Mrs. Walterscheid) Shelton Coughenour, Deann Dangelmayr, Kirk Hartman, Kristian Koesler, Jared Ledbetter, Nathan Sicking, Justin Thweatt, Alisha Walterscheid.

**5th Grade** (Mrs. Alsop) Layla Khalil, Chris Rains, Tyler Walterscheid. (Mrs. Hale) Ricky Endres, Dustin Hiser, Shanna Jones.

### MUESTER ISD ACADEMIC HONOR ROLL

**6th Grade** - Mitchell Endres, Krystal Hale, Grant Hartman, Ashley Klement, Pamela Lutkenhaus, Christopher York.

**7th Grade** - Lauren Dangelmayr, Kacie Garcia, Megan Hennigan, Kristie Lutkenhaus, Mary Skinner, Terri Wimmer.

**8th Grade** - Allison Endres, Kelly Felderhoff, Darren Hennigan, Jackie Henschel, Jeffrey Klement, Raegan Koesler, Casey Walterscheid.

**9th Grade** - Stephanie Bierschenk, Dolle Patel. **10th Grade** - Kristen Dickerson, Keisha Dill, Valerie Erwin, Joyce Hacker, Kristine Hartman, Lucas Hartman, Bryan Hudspeth, Leigh Reiter, Kimberly Sturm.

**11th Grade** - Greg Flusche.

**12th Grade** - Melissa Biffle, Matt Chisam, DaLana Endres, Julia Fleitman, Jeff Flusche, Hollie Fuhrmann, Carrie Hess, Andrea Klement, Mary Knabe.

#### HONOR ROLL

**6th Grade** - Lacy Endres, Paul Fleitman, Stephanie Hellman, Kimberly Klement, Crystal Lutkenhaus, Christopher Lutzel, Shanell Spakes.

**7th Grade** - Misty Barnhill, Diane Britain, Malony Gieb, Brandy Gilbreath, Ami Graham, Chris Grewing, Jennifer Jewkes, William Scoggins, Bronya Vogel.

**8th Grade** - Karen Cler, Justin Fleitman, John Flusche, Kristin Grewing, Randy Grewing, Douglas Knabe, Bryan Miller, Jonna Schneider, Krystle Sparkman, Jim Stoffels.

**9th Grade** - Chad Felderhoff, Aaron Klement, Jesse Luke, Brent Sicking, Dara Walterscheid, Matthew York.

**10th Grade** - Michael Boydston, Bradley Escobedo, Brian Fleitman, Michael Grewing, Scott Hermes, Stephanie Huchton, Cody Perryman, Telisha Reid, Aaron Sicking, Jerry Stoffels.

**11th Grade** - Andrea Goodwin, Laurel Green, Jacob Luke, Brandi Lutkenhaus, Eric Miller, Jonathan Otto, Steven Reiter, Jennifer Sicking.

**12th Grade** - Fernando Arakaki, James Klement, Misty Klement, Toni Trubenbach.

## Lunch Menus

### WEEK OF OCT. 2-13 LINDSAY ISD

Mon. - Sloppy Joes, baked beans, chips, broccoli rice casserole, fruit, cobbler, milk.

Tues. - Spaghetti and Meat, cole slaw, fried okra, fruit, bread, milk.

Fri. - Submarine Sandwich, trimmings, potato chips, pickle spears, ice cream, milk.

## HEALTH NOTES

### Women targeted in Pap smear campaign

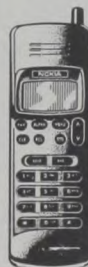

For American women, one in 10 Pap smears finds abnormalities that could signal cancer or a pre cancerous condition of the cervix.

That is why Dr. Stephen Heartwell, associate professor of obstetrics and gynecology and family practice and community medicine, stresses that a Pap smear test should be part of every woman's yearly medical check-up.

A Pap smear collects the cells needed for laboratory analysis. Hundreds of thousands of cells are scanned in the search for as few as one or two abnormalities.

"Each year we are amazed at the number of women in whom we are able to detect a problem early enough for successful intervention," he says. "We really are saving lives."

## 100 EXTRA MINUTES and a FREE MONTH of MR. RESCUE

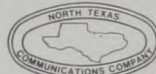

Mr. Rescue is an exclusive 24-hour emergency roadside service - offering service locally throughout the nation.

These are limited time offers. \$0.02 interconnect applied for each minute of use. Requires new activation with 1 to 3 year service agreement. Security 1 and Basic Plans excluded. Mr. Rescue road services provided by ROAD RESCUE, Inc. Following free month, Mr. Rescue will be charged at \$2.00 per month.

## Tigers squeeze past Panthers by 12-6

It was Homecoming for Sacred Heart Saturday evening and the Panthers of Saint Jo made every attempt to ruin the festivities, but the Tigers pulled out a 12-6 victory. Senior Karri Endres was crowned the '95 Homecoming Queen during the pregame celebration.

"Our offense had trouble moving the ball against Saint Jo's 10 man line," Coach John Nasche commented about the Tigers. "If conditions were different we would have thrown more, but the wind and rain interfered. When we passed before the rain, our offense worked. Saint Jo put everything they had to stop our running game."

Heavy rain and lightning delayed the beginning of the fourth quarter for approximately 15 minutes.

Sacred Heart's offense took to the field after the kickoff, but fumbled the ball away after 3 plays. Jeff Pittman covered for the Panthers on the Tigers 40 yard line. Saint Jo took only 5 plays to get on the scoreboard with a 25 yard pass play from Todd Sampson to Steve Hamilton. The Tigers blocked the extra point for a 6-0 score with 8:20 on the clock.

Scott Frost took the kick on the 11 yard line and returned the ball 89 yards for a Sacred Heart touchdown. Michael Becker's kick went wide left and the game was tied 6-6 with 4 minutes used off the clock.

The Panthers fought their way to midfield before two quarterback sacks by Brandon Bayer and good defense by Joel Schilling and John Bartush were followed by an intercepted ball by John Klement on the Tigers 37. Three plays later Sacred Heart fumbled the ball back to Saint Jo. The Panthers carried the ball with ease into the 2nd quarter when a Bayer sack was followed by another fumbled ball. Becker covered for the Tigers.

The teams exchanged punts several times with the Tigers getting a good drive started at midfield, including a good run by Frost and two good gainers by Schilling to the 10 yard line. A holding flag set the Tigers back and on 4th and goal, a Matt Fuhrmann pass to Jake McCoy was short and Saint Jo took control, playing out the first half.

The Panthers took the 3rd quarter kick and punted it away on 4th down to the Tigers 25 yard line. On the Tigers 1st offensive play of the 2nd half, quarterback Paul Swirczynski completed a pass to Jake McCoy for a 75 yard touchdown play. The PAT failed and Sacred Heart took a 12-6 lead with 9:30 left on the clock.

Again the teams exchanged punts, with the Panthers gaining yards in Tiger territory before punting. The short, high kick was fumbled by Sacred Heart and Saint Jo regained possession, continuing their drive, using up the clock, into the 4th quarter.

The Panthers moved to the Tigers 8 yard line, but on 4th and 2, the ball carrier slipped and the Tigers took over on their 10.

After punting the ball away, Sacred Heart's defense held the Panthers and took over on their 36. A Swirczynski pass to Klement gained 30 yards and 3 plays later Frost took the ball to the 15. Any threat of scoring ended when a fumbled pitch was covered by the Panthers.

Saint Jo slowly moved the ball down field, working 5 minutes off the clock. The last plays of the game, the Panthers went to the air. Two incomplete passes were followed with an interception by John Klement on the 5 yard line with 14 seconds in the game, to end the Panthers scoring threat.

"Saint Jo came prepared to play and we were unfocused," Coach Nasche said. "We need to work on our blocking assignments and have to learn to pick up the blitz, which hurt us all evening."

Defensive standouts included John Klement with two interceptions, Jake McCoy for pressuring the quarterback and Scott Frost, the Tigers leading tackler.

Tigers	Panthers

### Next Action - Liberty Christian

There will be a battle of the TAPPS defending state champions Friday night in Denton, as the Tigers will take on the Liberty Christian Warriors, 1994 TAPPS class 2-A champions.

Denton Liberty lost 16 lettermen to graduation last school year and have only 3-3 starters returning from last year's team, but have around 50 players on the field.

"They are as good or better than Lindsay. They have speed and an excellent quarterback with a strong arm and fast legs," pointed out Nasche as he continued. "If we play a good game, a break either way will make it a victory or a loss."

Liberty runs a 5-2 defense, but Nasche believes the Tigers can run against it if they execute their blocking on the ground, but still need to pass "to keep them honest."

Action begins at 7:30 at Denton.

PANTHER DEFENDERS Ben Botello (33) and Johnny Wilkins (85) break up a Tiger pass intended for Jake McCoy in the end zone. McCoy scored the winning TD, catching a long pass later in the game.

Dave Fette Photo

SCOTT HERMES keeps the ball to drive for 2 yards with blocking by Jason Sicking (75) and other Hornets.

## Hornets fall in tough match to Aubrey 21-7

It was Parents' Night at Hornet Stadium last Friday, but the celebration ended when Muenster lost to the Class 2A Aubrey Chaparrals 21-7.

"We played hard, but got physically beat up by Aubrey," commented Muenster Coach Randy Tankersley. "We weren't in focus and had a few breakdowns."

Muenster and Aubrey exchanged possessions to begin the game, then they exchanged fumbles. Jake Luke covered a loose ball, but the next play the Hornets fumbled it back. The Chaparrals got down to Muenster's 11 yard line before running out of downs.

The Hornets gained 20 yards in 6 runs before punting the ball away. Defensive standoffs forced an exchange of punts before Aubrey got in several good runs and scored from the 5. The PAT kick was good for a 7-0 score 3 minutes into the 2nd quarter.

Again the Hornets offense struggled, punting after gaining only 7 yards. Aubrey's next drive was shortened when Stephen Reiter covered a loose ball. Muenster's next drive was lengthened by a roughing the kicker call, but then ended when Aubrey covered a fumble. Two plays later, the Chaps scored again on a 45 yard run. The extra kick extended Aubrey's lead 14-0 with 3:41 on the 1st half clock.

Once again the Hornets could not pick up 10 yards and punted, and again Aubrey moved down field, threatening to score, but on 1st and goal on the one yard line, Matt Chisam covered a fumble. Muenster ran out the clock to the halftime break.

The Hornets took the opening 2nd half kick, beginning on their 20 yard line. Cody Sicking ran 10 plays, gaining 32 yards, then ran out of steam punting on 4th down. Muenster's defense held Aubrey to 4 yards forcing a punt. Muenster's second drive again began on the 20 where Sicking, Scott Hermes and Chad Roller exchanged runs for 23 yards before fumbling the ball away near midfield. Four plays later, the Chaparrals were in the end zone after a 30 yard run. The PAT began the final quarter with a 21-0 score.

Again the teams exchanged punts, with Muenster ending up on the Aubrey 46. Three Sicking runs earned a first down to the 34. A James Klement pass took the Hornets to the 21 with Sicking gaining another 15 to the 5. On 1st

and goal, Sicking pushed his way into the end zone, and Muenster was on the scoreboard. Matt Chisam added the extra point for a 21-7 game with 6:40 remaining in the game.

Muenster's offense dominated most of the remaining time in the game, but had trouble moving the ball with several incomplete passes and quarterback sacks keeping most of the action around midfield. On the positive side, Jake Luke covered his second fumble to keep the Hornets offense on the field.

"We adjusted the 2nd half and played better, but missed a few assignments," Coach Tankersley stated. "The defensive effort was good but the tackling was poor." Defensive standouts were Darrell Charles who forced 3 fumbles and leading tackler Jason Sicking.

Cody Sicking was the offensive standout running hard with 40 carries.

Hornets	Chaparrals
15	13
49/191	35/229
38	14

### Next Action - Valley View

Muenster will take on Valley View Friday night in the new Eagle's Nest Stadium. After a tough night against Celina last week, Valley View should be an even match up with the Hornets.

"We're going to line up and get after them," said Tank. "We want the team to improve and have a good physical game to get ready for district."

The Eagles, members of district 10-2A, are bouncing back from a 3-7 team last season that lost 8 lettermen.

This year Valley View won over Era and Gunter, but lost to Celina and Jacksboro. Muenster also has a 2-2 record with wins over Nocona and Blue Ridge and losses to Henrietta and Aubrey.

Action begins at 7:30 at Valley View.

## Outdoorswoman workshop to be held in October

The Texas state 4-H complex in Brownwood will play host to an upcoming Becoming an Outdoors-Woman workshop designed for women and anyone 18 years or older who want to learn outdoors skills.

The cost of the workshop, scheduled for Oct. 27-29, is \$160 and enrollment is limited to the first 125.

Dozens of classes will address such outdoors topics as first aid, canoeing and kayaking basics, plant identification, firearm safety, outdoor cooking, outdoor photography, hunting and fishing techniques, backpacking, bird watching and how to clean a fish, said Debbie Bunch, outdoor and special projects coordinator for Texas Parks and Wildlife's Education Branch.

## American Cancer Society announces Relay For Life this Friday

Walkers and runners will go around the clock in the battle against cancer during the American Cancer Society's Relay For Life.

Teams of walking and running enthusiasts from all walks of life will gather at the University of North Texas, Fouts Field in Denton for a 12-hour relay against cancer. The event is scheduled to begin Friday, October 6 at 7:00 p.m. and end Saturday, October 7 at 7:00 a.m. Relay For Life is the American Cancer Society's version of a relay but with a new twist. Relay For Life is a family-oriented team event where participants can walk or run around a track relay style for 12 hours. Participants camp out around the track and when they aren't taking their turn on the track, take part in family fun activities. Those who have participated in the Relay For Life compare the experience to that of a spiritual retreat.

Anyone interested in witnessing this event in person is invited to call Cheryl Pollard 759-2871 or Mary K. Endres 759-4546. A carpool is forming to attend part of the Relay for Life on Friday evening.

# Hornet Cross Country teams travel to Ponder

The Muenster Hornet Cross Country Teams traveled to Ponder on Saturday morning and came back in shining fashion. The Varsity Boys showed a tremendous amount of improvement from the first meet as Bradley Fisher finished 51st with a great time of 18:55. Ryan Klement did a super job with a time of 20:48. Greg Fisher had a four minute improvement on his time with a 22:47. Brad Escobedo ran well as he bettered his time tremendously finishing the race in 23:51.

The Varsity Girls ran really well and came back home with a third place finish behind Lake Dallas and Bowie. "The girls were a little disappointed in their times, but I felt that they put forth a tremendous effort as we continue to build for the district meet on October 23," commented Coach Kent Josselet. Julia Fleitman finished third with a time of 13:54. Valerie Erwin finished fifth with a time of 14:04. Misty Klement did a great job of finishing the race as she moved up two positions and finished eighteenth with a time of 14:28. Hollie Fuhrmann finished thirty-third with a time of 14:49 and Kristen Chisam, who continues to improve, finished with a time of 15:55. Great job ladies!

"The Junior High teams did a fabulous job in this meet and show a lot of promise for the future," Coach Josselet said. The Junior High Girls, who have a great competitive spirit, finished with the following times: Megan Hennigan 15:33, Allison Endres 16:12, Misty Barnhill 16:23, Kelly Felderhoff 16:45, Kristen Grewing 17:06, Krystal Sparkman 17:46, Kristi Lutkenhaus 19:35, and Lauren Dangelmayr 22:35. The Junior High Boys competed against a large field of runners finishing in the following fashion: John Flusche 14:02, Jeff Klement 14:17, Brian Miller 14:26, Darren Hennigan 14:27, Jason Lutkenhaus 15:20, Brandon Klement 15:21, and Casey Walterscheid 15:58.

## Collinsville horseshoe tourney

The Collinsville Sportsman Club has rescheduled their 2nd annual horseshoe tournament for October 28. The tournament will be held at the football field with sign-ups starting at 11:00 a.m. and tournament play to begin at 12:00 p.m. Fee is \$20 per team. T-shirts will be awarded for 1st-3rd place in men's and women's brackets.

## Sports Briefs

### Asthmatics can exercise

Exercise-induced asthma doesn't have to be a barrier to sports participation, said Dr. Dan K. Sellheimer, an associate professor of pediatrics at Baylor College of Medicine in Houston. To minimize such an asthma attack:  
 \* Avoid "high asthmogenic" sports such as long-distance running, bicycling, basketball, soccer, rugby, ice hockey, ice skating and cross-country skiing.  
 \* Try indoor water sports, outdoor water sports in humid climates, tennis, handball, racquetball, gymnastics, karate, wrestling, golf, football and baseball.  
 \* Switch to indoor physical activities during high-pollen seasons.  
 \* Ask a physician for medications that help prevent asthma attacks, and keep an inhaler close by during exercise in case an asthma attack occurs.

## ET deer seminar Oct. 14

An intensive one-day program featuring some of the most knowledgeable white-tailed deer authorities in the country will be held at Stephen F. Austin University on Saturday, Oct. 14. Some 800 participants are expected for the East Texas White-tailed Deer Management and Hunting Shortcourse, which will be held in the Grand Ballroom of the SFA University Center on campus. Seating will be limited for the program with only a \$10 registration fee (if paid before Oct. 7), early registration is urged by calling (409) 468-2004. Sessions begin at 8:30 a.m. and continue until 5 p.m. Highlighting the workshop will be a display of some of Texas' biggest trophy whitetails, and seminars by renowned deer experts Dr. James Kroll and Ben Koerth.

# Junior High/Junior Varsity Action

**Muenster 20 Aubrey 0**  
The junior high Hornet Stingers took on a larger Class 2A team and brought home a 22-0 victory last week Thursday.

The Stingers started the game with a reverse play by Bryan Miller, which turned into a 52 yard run that set up Muenster's first touchdown. A 2 yard run by Darren Hennigan gave the Stingers a 6-0 lead. The PAT was no good.

Muenster scored again in the 3rd quarter with a Bryan Miller 10 yard touchdown run. John Flusche ran in the extra point for a 14-0 lead.

In the 4th quarter on 4th down and 8, Darren Hennigan kept the drive alive, setting up a short scoring run by Bryan Miller. A Casey Walterscheid pass to Darren Hennigan added the extra points and a 22-0 winning score.

Defensive standouts included Jon Reed and Josh Luke, who also each intercepted passes. Next action was Valley View.

**Muenster 46 Aubrey 0**

The Hornets took to the road last Thursday night and came back with an impressive 46-0 win over the Aubrey Chaparrals. The Hornets started on defense but it didn't take them long to score with Jesse Luke picking off a Chaps pass and taking it in for a score. "This play helped set the tone for the night and our kids carried that

same intensity throughout the game," commented Coach Kent Josselet who credits the offensive line (Ryan Klement, Cody Perryman, Cory Charles, Jeremy Walterscheid, Lucas Hartman, Barry Fleitman, Aaron Klement, and Tony Hacker) for doing a great job of making holes for the backs. "We were really pleased to see our wingbacks (Shane Sparkman and Jesse Luke) run the ball with a lot of fire and maneuverability," the coach continued. "The kids did a nice job of executing the swinging gate. We had practiced this play several times and felt that we could utilize this play sometime during the game. We had a super offensive game but we still need to work for better execution on the little things that get to the level we desire to play at," Josselet said.

"Our kicking game showed a lot of progress as our kickers (John Roller and Cory Anderle) did a super job all night long. The best bit of the night came on a kickoff when Jeremy Walterscheid came screaming down the field and delivered a crunching blow on the ball carrier. We need to continue to work with our players on fielding the ball so that we may enhance our chances of a run back," the Muenster coach continued to brag.

"The defense did a great job in this game. Our linebacking crew

of Eric Walterscheid, John Tuggle, and Jeremy Walterscheid did an outstanding job of reading their keys and plugging the holes. We felt that McKenzie Molsbee, Matt York, and Eric Fisher did a good job in the secondary and showed a tremendous amount of improvement," Josselet continued.

**Sacred Heart 0 Saint Jo 24**

The junior high Cubs had an unsuccessful night last week Thursday at Saint Jo falling 24-0 on the football field.

Fumbles did fall into the Cubs' hands several times, but two long runs by the Panther Cubs gave Saint Jo the edge on the scoreboard.

Sacred Heart controlled the first quarter, with the Saint Jo offense touching the ball twice and fumbling it both times. Matt Bayer and Kenneth Grewing recovered the balls for the Cubs.

The Panthers started the second quarter and on the 3rd play, ran 70 yards for a touchdown. The PAT made an 8-0 score half way into the quarter.

The Tiger Cubs fumbled a pitch on their first play the next drive and Saint Jo regained possession. Sacred Heart got in 4 plays before halftime.

Saint Jo opened the 3rd quarter with a bang returning the opening kick 75 yards for another 6 points. The extra points ran the score to

16-0. Sacred Heart was unable to gain any yards and turned the ball over on 4th down. Two plays later Saint Jo scored again for a 24-0 score with 5 minutes remaining in the 3rd quarter.

No one was able to score for the remainder of the game.

Leading rushers for the Cubs were Josh Walterscheid with 45 yards and Matthew Nasche.

Defensive standouts were Steven Hofbauer, Lee Skinner, Chris Smith, Keith Felderhoff, and Jonathan Yosten. Yosten also had a good kick return game.

**Lindsay 7th 6 Chico 0**

The 7th grade Squires hosted the Chico Dragon Puffs last week Thursday, edging out a one touchdown game.

The only score came in the first half on a 40 yard run by Nick Fuhrmann.

"Our defense is improving," commented Coach Linus Fuhrmann. "They held Chico on several 4th down situations." Leading the defense were Cole Tabbert and Jonathan Klement.

**Lindsay 8th 0 Chico 20**

The Squires had a defensive battle last Thursday as the Puffs of Chico burned Lindsay 20-0. "We did not play well," said Coach Linus Fuhrmann of his Squire team. "Adrian Anderle did run the

ball hard."

Lindsay's Junior High teams hosted the Saint Mary's Mustangs of Gainesville Thursday with action beginning at 5:00 p.m. at Knight Field.

**Lindsay JV 6 Chico 0**

In a defensive battle against the junior varsity Chico Dragons, the young Knights took a victory when they scored with 7 minutes remaining in the game.

John Bezner completed a good pass to help set up the 20 yard touchdown run by Corey Neu. The extra point run failed, for a 6-0 score.

"Overall the defense played hard, aggressive and enthusiastic," said Coach Linus Fuhrmann, naming Brian Neu, Michael Mosman, Ritchy Alfrey and T.J. Goldsmith as standouts along with Chris Garner who intercepted a pass.

Offensive leaders included Corey Neu, Jeff Bezner and the linemen Jeremy Rinner, Joey Wilson, Michael Mosman and Zack Fuhrmann.

The junior varsity did not have a game this Thursday.

## Matthew Fuhrmann local Power Point winner

Sacred Heart Tiger quarterback Matthew Fuhrmann won the local Power Points football contest for a \$10.00 cash prize. Fuhrmann's score of 107 outdid everyone else in town. Upsets of last week kept scores low all over the state.

Winning the \$1,000 weekly grand prize in Texas was Jeff Steele, a 24-year-old from Farmersville. Steele scored a 118 out of a possible 136.

Reminder: When turning in your Power Point entries, be sure you place the form in the correct box at The Muenster Enterprise office. Two entries were left out of last week's competition because they were put in the wrong contest box.

## Fourth week's contest easy on contestants

As the Enterprise Football Contest went into the fourth week of competition, contestants improved their scores in what appeared to be a fairly easy week of choosing.

High scorer for the week was Jake McCoy, with 28. Jake missed the Era over Nocona and Navy over Duke games. He can pick up his \$15.00 at the Muenster Farm Bureau office.

Mark Grewing and Paul Swirczynski each had 26 games correct, but Mark took 2nd place with a 9 point spread on the tie breaker game. Paul was off 43 points and settled for 3rd place. They picked up their cash prizes at Walterscheid Oil and AMPI.

Missing 5 games were John Klement, Peachie Huchton, John Nasche and Mike Stoffels while Edna Hermes and Neil Huchton missed 6. Nine contestants guessed 23 while 14 missed 8.

Everyone correctly picked Lindsay over Chico and Texas over SMU. Also, all were given the LSU/South Carolina and Rice/Army games that ended with tied scores.

Only one contestant missed picking Sacred Heart, Masonic Home, Lakehill and Central Marlow to win, while 2 missed Tennessee and Gainesville.

The most missed game was Navy's 30-9 win over Duke, 38 entries had that game picked wrong. Thirty-five contestants picked Muenster, while 33 missed Pine High's win over Dallas Temple Christian, and 32 missed Era.

A total of 44 entered the contest last week.

Notice: Remember to check each ad on the contest for games. Again this week several games were not marked. There are 30 games each week.

#### CONTEST RULES:

1. Only one entry per person per week. Persons entering must be 12 years old or older.
2. This page of schedules, results, predictions, pictures and the contest itself is supported by advertisers appearing here. Each ad contains a scheduled high school, college or pro game for Friday, Saturday or Sunday of the week of publication. Read each ad and circle the winner. Entries on forms other than original newspaper page will not be accepted.
3. In order to determine the prize winners in case of ties, you must predict the score for the tiebreaker game listed in the featured ad above.
4. Print your name, address and phone number clearly in the space provided.
5. Deliver the full contest entry to The Muenster Enterprise BEFORE

- 6 P.M., FRIDAY, the week of publication. Mailed entries will be accepted only if postmarked before Friday 5 P.M. Address for mailing entries is P.O. Box 190, Muenster, Texas 76252. Entries received late because of postal delay will be counted for the grand prize, but will not be eligible for the weekly prize.
6. The featured ad is picked at random each week. It contains the tie-breaker listing and is one of the winner/loser picks. Winner will pick up their prizes at that business each week on or after Tuesday of that week.
7. To be the grand prize winner, a contestant must enter every week. Contest will continue as long as either Muenster team remains in play. Winner of the \$100.00 grand prize will be determined by the best winning percentage throughout the contest after the lowest score is thrown out.

## Duck harvests up in '94-95

Duck harvest and hunting effort by Texas waterfowlers jumped substantially in 1994-95, according to preliminary results from the federal waterfowl harvest survey.

Compared to 1993-94, waterfowl hunter numbers were stable (67,000), days hunted for waterfowl increased 14 percent (642,000), goose harvest declined 2 percent (257,000), and duck harvest during the regular season increased a whopping 53 percent (607,000).

Light geese (snow, blue and Ross) were the most abundant geese in hunters' bags, followed by white-fronted geese and Canada geese. Compared to last year, the light goose harvest declined 17 percent, the white-fronted goose harvest climbed 1 percent and the Canada goose harvest jumped 52 percent. The greatest number of ducks harvested were green-winged teal, followed by gadwalls, mallards, widgeon and shovelers.

Texas held its major ranking as a waterfowl hunting state on the national scale, said Brian Sullivan, the Texas Parks and Wildlife Department's waterfowl program leader. Texas ranked first in goose harvest, third in the number of waterfowl hunters (after Minnesota and Wisconsin), fourth in days hunted for waterfowl (after Minnesota, Louisiana and Wisconsin), and fourth in duck harvest (after Louisiana, California and Minnesota).

"These figures are encouraging," Sullivan said. "Last year, our hunters had better news about duck populations and enjoyed an increase in the bag limit for the first time in many years. We had lots more ducks in Texas than in previous years; our hunters were more successful and responded by increasing their hunting effort. With all the good reports on both ducks and geese this year, we expect this trend to continue."

### Special Thanks

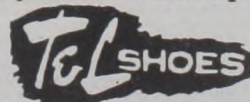

The kindergarten class of Muenster Elementary would like to say a very special thanks to Endres Motor Company and especially to John Yosten. As a highlight to our transportation unit, Endres Motor Co. gave us a tour of their facilities and let us see their parts department; but the highlight was seeing the Explorer put up on the lift and being able to walk under it! They even let us eat lunch in their showroom. We appreciate their help and concern in teaching our children.

# Knights conquer Chico

The Lindsay Knights added another win to the season when they shut out the Chico Dragons last Friday 27-0. The then 5th ranked Class A Texas team improved their record to 4-0, with a total season points of 93 while holding their opponents to only 20.

"We played good enough to win," Charlie Meurer, the Knights head coach commented. "We even played a little better than the week before."

Lindsay took the opening kick and got in 6 runs by Jeff Hale and Levi Seed before coming up one yard short. The Dragons got in several good runs, but their first drive was halted when Robert Sharp picked off a Chico pass on the Knights 39 yard line. Kenny Jones got in a 21 yard run followed by a 15 yard gainer by Hank Huchton. Hale picked up another 12 on two attempts helping Lindsay to the 13. A loose ball, and Chico had possession on the 11.

Big defensive plays by Clint Gallagher, Greg Dulock, Brian Covington, and Robert Sharp forced a Dragon punt. A fumbled snap and pressure by Lindsay allowed only a one yard punt, as the 2nd quarter began.

From the 17, the Knights were soon in a 4th and 8 predicament, but a Garret Hellingner to Zack Bowman pass gave Lindsay a 1st and goal on the one. The next play, Hellingner scored on a quarterback keeper. Aaron Krebs added the point after and Lindsay had a 7-0 lead with 7:52 remaining in the first half.

It was 3 plays and punt for Chico with Lindsay sitting good at the 44. A quarterback sack pushed the ball back 13 yards. The next

play Hellingner connected with Hale for a 25 yard gain followed by a Hale 12 yard run to the 20. Two flags on the Dragons helped move the ball to the 4, but on 1st and goal a fumbled ball was covered by Chico, temporarily stopping any scoring threat. Two plays later Garret Hellingner recovered the ball on the 13.

A pass interference flag moved the Knights to the 7, then on the 2nd Hale run, Jeff Hale found the end zone for another 6 points. Krebs kicked the extra point and Lindsay took a 14-0 lead with 27 seconds on the clock.

Both teams punted away their first 2nd half possessions before Chico got a good drive going, including a 29 yard run. Their high was taken away when Brian Covington covered a loose ball and Lindsay had the ball on their 30 yard line.

Three consecutive Hale runs gained 32 yards and with the assistance of the yellow flags, the Knights were soon on the 26. A Hellingner pass to Covington went to the 12 where Hale carried it to the one, then into the end zone. Krebs booted another PAT and the Knights had a 21-0 lead with 2:13 on the 3rd quarter clock.

The Dragons took the ball into the final quarter, then lost a fumbled ball that Zack Bowman covered near midfield. Runs by Hale, Huchton and Hellingner moved the Knights to the 9 yard line. Jeff Hale again had the honor of carrying the ball in for the final touchdown. The extra point failed and with 8 minutes remaining in the game, the Knights had a 27-0 lead.

Chico again miscued the kick return, starting their next drive on the 15 yard line. Tackles by

Dulock, Gallagher, Isaac Zimmerer and Covington forced a punt after 5 plays.

Lindsay's last drive was led by runs by Seeds, Shawn Hanks, Huchton, and quarterback Zack Bowman for 48 yards before the time ticked off the clock.

"The fumbles the first half were a disappointment, but the boys played better the 2nd half," Coach Meurer stated. "The defense did a good job and got another shutout."

Meurer also said that the Knights passing game improved with all throws completed except one, and Chico was flagged for pass interference on that one.

### TEAM STATS

Lindsay	Chico
22 First downs	6
53/250 Rushes/yds.	29/96
48 Passing yds.	29
5/60 Comp./att./int.	1/7/1

**Next Action - Fannindel**  
Friday night Lindsay travels to Ladonia to challenge the Fannindel Falcons. Last season the Knights easily handled the Falcons 21-6 and should have a repeat performance this season.

LEADING THE BLOCKING for Jeff Hale (35), Levi Seed (33), Chris Escobedo (78) and Garret Hellingner. Jamie Hartman Photo

Lindsay Coach Meurer commented that Fannindel has some quick players returning from last season, but they have a big weakness too - they are young and small. The Falcons defense will be led by David Fisk, a two-way starter. Game time is 8:00 at Ladonia.

## Knights 3rd on AP poll

The Associated Press released this week's high school football polls Monday, placing the undefeated Lindsay Knights in the number 3 spot behind Thorndale and Iola High Schools in Class A. Last year the Knights had a come from behind season that ended with a quarter finalist title.

136 TOTAL POINTS

Name \_\_\_\_\_  
Address \_\_\_\_\_  
City, State (zip) \_\_\_\_\_  
Day Phone ( ) \_\_\_\_\_  
Night Phone ( ) \_\_\_\_\_

**HOW TO PLAY**

Select a winner from each of the week's games, listed below. Select in descending order of your CONFIDENCE in your choices. Win points at left for each correct selection toward possible total of 136 points. See complete rules below. You must be at least 8 (eight) years old to enter. To enter, clip along dotted line, then place game entry in POWER POINTS container at co-sponsor's retail outlet(s). Entrants must list name, address and phone number below.

**LIMIT:** You may enter only one coupon statewide per week.

**DEADLINE:** 3 P.M. FRIDAY

**TIEBREAKER 1**  Total points scored (both teams) in OILERS game.

**TIEBREAKER 2**  Total offensive yards (both teams) in this game.

**THIS WEEK'S GAMES**

Arizona at N.Y. Giants	Seattle at Oakland
Carolina at Chicago	Washington at Philadelphia
Cincinnati at Tampa Bay	Denver at New England
Cleveland at Detroit	Pittsburgh at Jacksonville
Green Bay at Dallas	San Diego at Kansas City
Houston at Minnesota	Texas A&M at Texas Tech
Indianapolis at Miami	Rice at Texas
N.Y. Jets at Buffalo	UTEP at Air Force

**Deposit Your Entries at the Muenster Enterprise**

**POWER POINTS OFFICIAL RULES**

- Object of the game is to amass as many of the 136 possible points as you can. Simply review the week's schedule of games, listed on entry form, and decide which game you are surest of picking a winner in. Write the name of your projected winner on the 16-point line. If that team wins its game that week, you win 16 points. Write the name of your second-surest winner on the 15-point line, and so on down to the 1-point line, which game you figure to be a loss-up. Next, fill in Tiebreaker 1, the total points scored by both teams in the week's Cowboys or Oilers game. If this step fails to produce a winner, the judges will apply Tiebreaker 2, total offensive yardage from scrimmage in this game. If a winner still doesn't emerge, a drawing will be held among those contestants still tied. Decisions of the judges are final.
- Employees of this newspaper and their immediate families are ineligible to participate.
- No purchase necessary. Facsimile game entry forms will be accepted and are available at all outlets of participating co-sponsors. Enter contest by dropping entry form into POWER POINTS container at participating co-sponsors.
- Weekly deadline for entry will be 2 p.m. Fridays except when noted otherwise on weekly entry form.
- Neither this newspaper nor any co-sponsor will be responsible for illegible entry forms or those lost, stolen or damaged in any way.
- Limit: one entry per person per week. Each entry must represent the original work of one entrant; "group" entries, "systems" or other attempts to enter multiple entries will be disqualified. Filing out extra forms and putting your friends' and relatives' names on them violates this rule. Any such entries are destroyed prior to grading.
- Contestants must have reached the age of eight (8) years by the Sunday of any week's play.

## TDA to provide weekly pesticide applicator licensing testing

The Texas Department of Agriculture's regional offices will provide weekly testing during October for licensed pesticide applicators as a Dec. 31 deadline to renew training approaches for about 150,000 private pesticide applicators statewide.

Private pesticide applicators, such as farmers who use restricted or state-limited use pesticides, must renew their certification every five years. Private pesticide applicators who were certified before Jan. 10, 1989 have two options available for renewal. Before Dec. 31 they must renew their certification by taking 15 continuing education units or apply for a \$50 license from TDA.

Those choosing to apply for a license, must first obtain private applicator training from local Texas Agricultural Extension Service county agents, and then take a private applicator exam. Those obtaining licenses will automatically receive the required 15 continuing education units to bring their certificate up to date. However, this is a one-time only provision for certificate renewal.

Licensed private pesticide applicators may supervise others who use restricted or state-limited use pesticides on crops. Certificate holders may not supervise others using these types of chemicals.

County agents statewide will provide training, while TDA will conduct license testing. If necessary, testing may continue weekly through the end of the year at TDA's regional offices.

For more information on training contact your local county extension agent. For information on testing contact TDA's Regional Office in Dallas at 214-631-0265.

COOKE COUNTY FARM BUREAU held their annual county convention Monday, Oct. 2, at The Center Restaurant in Muenster. Newly-elected officers are, 1 to r, Jeff Hellman, secretary-treasurer; Tim Hartman, president; Robert Klement, past president; Mike Bartush, 2nd vice-president; and Edwin Knight, 1st vice-president.

## Food stamp block grants would affect cattlemen

Proposals to cut food stamp funding and to convert the federal food stamp program into cash block grants that would be administered by the states could reduce U.S. spending on food by the \$21 billion to \$43 billion over the next five years, USDA recently announced.

That could reduce U.S. gross farm income by \$5 billion to \$10 billion over the same period. Beef producers would feel the biggest drop in gross farm income, approximately \$3 billion, followed by losses of \$1 billion each for vegetable, dairy and pork producers, USDA said.

## Brucellosis: The incubation period Fourth in a series

She's a producer's nightmare — a cow that tested brucellosis-negative at the sale barn and Banged out a month after being added to the herd. It happens because blood tests can't always detect an animal incubating brucellosis. This hidden brucellosis causes problems for producers.

Incubation is the time from exposure to a disease until signs appear. Unlike other cattle diseases, brucellosis doesn't always cause visible signs. So brucellosis incubation is the time from exposure until either outward signs or a positive blood test. The two don't always happen at the same time. A cow may have no signs of disease yet show positive on the blood test. Or she may abort (the most obvious sign of Bang's) and show negative on the blood test. Usually infected cows test positive within 2 weeks after abortion.

Many animal diseases have a short incubation period — 2 to 3 weeks. Brucellosis incubation in cows ranges from as few as 10 days to as many as 280 days. In heifers either born to a reactor cow or raised in an infected herd, incubation may be as long as 2 years. This is known as latent infection or heifer syndrome.

**Exposure Dose**  
Animals exposed to a lot of brucellosis germs have short incubation periods. Herds with massive exposure — abortions and close confinement — have many infected animals that complete incubation quickly. The opposite is true also. The smaller the dose, the longer the incubation. When the dose is extremely small, many animals avoid infection completely.

**Resistance**  
Some cattle have more natural resistance to Bang's than others, apparently because of genetic makeup. Other animals gain resistance through brucellosis vaccination.

**What can you do?**  
If you purchase cattle, realize that they may be incubating brucellosis. Isolate them from the main herd and retest them 60 to 120 days after purchase.

Vaccinate heifer calves to provide increased resistance to Bang's.

## Cattle feeding breakevens increase for fall '95 season

by Donald Stotts

Estimated cattle feeding breakeven sale prices are on the rise for the first time since April, according to Livestock Marketing Information Center data.

The estimated breakeven price based on feeding a 725-pound steer for October was about \$63.20 per hundredweight, up from about \$61.05 for September.

"The major factor contributing for the breakeven price increase was higher 700- to 800-pound feeder steer prices," said Derrell Peel, Oklahoma Cooperative Extension Service livestock marketing specialist.

In the Southern Plains, 700- to 800-pound steers averaged \$64.77 in May and increased to \$67.26 in June. Still, feeder cattle prices remained \$8 to \$9 per hundredweight below the June 1994 level.

Peel said another factor contributing to higher fed cattle breakevens was feedgrain cost. Between May and June, corn prices increased more than 20 cents per bushel.

## House estate tax bill means family relief

By introducing legislation that targets estate-tax relief to family businesses, the House has increased momentum for serious and much needed reform, according to the National Cattlemen's Association (NCA).

The Family Business Protection Act of 1995 was introduced in the House by Reps. Jim McCrery (R-La.), Bill Brewster (D-Okla.), Jennifer Dunn (R-Wash.), Wally Herger (R-Calif.) and more than 40 other cosponsors. The Senate version, S. 1086, was introduced earlier. "Last year Congressman Brewster and others proposed legislation to provide estate-tax relief to family businesses. We have not had serious estate-tax reform for 14 years. Family businesses can wait no longer," said NCA President Bob Drake, Davis, Okla.

To complete action on the issue this year, the House and Senate versions will likely be included in their respective budget reconciliation legislation due to be passed by late October.

## County Agent's Report by Craig Rosenbaum

### COUNTY FORAGE TOUR

On Oct. 12, we will hold a County Forage Tour to view various forage activities and demonstrations. The tour will begin at 3 p.m. at the Pasture Herbicide Demonstration located on the Hellman Farm near the intersection of FM 1630 and 373 south of Muenster. At this location, we have plots of the newly labeled pasture herbicide Amber. Also there are various plots looking at Grazon P+D, Weedmaster, 24D, and combinations of the various products along with fertilizer applications.

The second stop at 3:45 p.m. will be at the Cool Season Perennial Pastures on the Hugh Porter Farm near the intersection of FM 1630 and 3108 south of Lindsay. Porter has established Jose Wheatgrass and Fungus-Free Fescue Pasture. We will also discuss last winter's cattle gains on this pasture.

The final stop will be at 5 p.m. at the North Central Texas College Farm located on County Road 147, 2.3 miles south of Highway 82 East. The college has implemented a cell grazing system on their pastures this year. The results have been very good and we will view the set up and use.

We will also be offering two Continuing Education Units for private applicators during the tour.

### COOKE COUNTY HAY SHOW

The Cooke County Hay Show will be held at 7 p.m., Thursday, Oct. 12, at the Cooke County Fairgrounds. Don Dorsett, Extension Forage Specialist, will be here and discuss various Warm Season Perennial and Annual Grasses and the Management. Also results of the County Sudan Trials will be discussed.

During the evening's activities, an Election of Directors for the Upper Elm-Red Soil and Water Conservation District will be held.

County fairs will be on exhibit and information concerning feed quality and nutritional values will be available.

One Continuing Education Unit will be offered toward Pesticide Recertification for private applicators.

### FALL PESTICIDE SHORTCOURSE

Producers needing additional Continuing Education Units toward their private applicator's pesticide license or commercial or non-commercial licenses through Texas Department of Agriculture have an opportunity to receive three hours each night October 10 and 11. This shortcourse will be held from 6 to 9 p.m. each night in the Lyle Theatre at North Central Texas College. If you need additional information, contact the County Extension Office 668-5412.

In addition, if you do not currently hold a license and need to complete requirements to get a license, this training will be offered at the County Extension Office in Fri., Oct. 6, at 1 p.m., or Mon., Oct. 9, at 8 a.m. or 5 p.m.

Following the training, you can take the Test at 5 p.m. on Oct. 10 at North Central Texas College.

To sign up, or for more information, call the County Extension Office 668-5412.

## Ag Briefs

• Preliminary USDA figures indicate U.S. farmers will withdraw 651,342 acres from the Conservation Reserve Program under the "early out" option offered earlier this year. Texas farmers are estimated to withdraw only 38,000 acres. USDA had estimated that farmers could withdraw 4 to 5 million acres. — Knight-Ridder Financial News

U.S. farmers: the cream of the crop. American farmers are among the most efficient in the world, producing 50 percent of soybeans, 40 percent of the corn, 25 percent of the beef, and 15 percent of the cotton in the world, all with only 3 percent of the world's labor force.
