

Interest drawn by Red River Arts Roundup

by Janet Felderhoff
"It's the first time we've having a show like this in Muenster and we really don't know what to expect," remarked Patti Bayer, Red River Arts Roundup co-chairman. "We are hoping that a lot of people come and enter their work, both crafters and artists. We're planning for anything. We have high expectations and are nervous, but excited."

Other co-chairmen are Cecilia Ashley, Mary Dangelmayr, and Sandra Fuhrmann. The event is set for this weekend. Viewing for the public will be from noon to 3 p.m. Saturday, Nov. 16. Mrs. Bayer indicated that more than 400 invitations had been sent out to area artists and it was hoped that many would enter their work or at least attend to see what the event was all about. This will

also be the first art show of the year for art students. Mrs. Bayer said that many of the students are excited about getting to pick out pieces that they wish to display. Entries should be registered at the Sacred Heart Community Center on Friday from 7-8 p.m. or on Saturday from 8-9:30 a.m. Judging takes place from 10 a.m. to noon. Mrs. Bayer said the judges are professionals who are

extensively talented and gifted in their field. There are two categories for adults — amateur and experienced. Experienced means that they have three or more years of experience in that media and have sold some of their work. Students from pre k through grade 12 make up another category. The art media compiles one division and crafts media the other division. Examples include oil,

acrylic, watercolor, pencil, pastel, charcoal, pen and ink, toile/decorative painting, quilts, needlework, wearable art, jewelry, sculpture, woodworking, ceramics, photography, mixed media, and more. Pieces entered in the show may be offered for sale by the artist or crafter, but the sale must be made by that person. Sponsors will not make sales nor take a commission from them. Sponsors hope for a wide variety of fine arts to be entered. Their goal is to make

the public aware of how many good artists there are in this area and to enable them to show their work periodically. Muenster Chamber of Commerce Secretary Margie Starke has received inquiries about the show from people in this area and many from Oklahoma. A bake sale sponsored by Sacred Heart Home School will provide those attending the opportunity to purchase home-baked goods. It is being held in the Community Center Meeting Room from 10 a.m. to 3 p.m.

THERE WAS TIME FOR REFLECTION as Jeanne Greathouse of Saint Jo was examined by Capt. Trey Rickert of the Cooke County EMS after she was involved in an accident shortly after 1 p.m. Wednesday. According to Texas DPS Trooper Ray Sappington, Mrs. Greathouse was driving a 1996 gold Ford Explorer traveling east in the left lane of Hwy. 82. She began to pass a 1994 silver Buick Century driven by A. T. Sutton, 77, of Vernon when Sutton attempted to change lanes when it was unsafe. To avoid a collision

Greathouse drove off into the center median. Her vehicle slid sideways up onto Hwy. 82 westbound, overturned left over right and came to rest on its top in the grassy ditch on the north side of Hwy. 82. She was taken to the Muenster hospital by ambulance and admitted for observation. Unaware of the situation, Sutton continued into Gainesville where he was stopped. Charges will be filed against him.

Veterans Day observed at Sacred Heart Cemetery

The Muenster Veterans of Foreign Wars Post 6205 and its Ladies Auxiliary held services on Monday, Nov. 11 in observance of Veterans Day. Services began in Sacred Heart Church with the 8 a.m. Mass being offered for all Veterans and was followed by the traditional ceremony in the Veterans' plot of Sacred Heart Cemetery.

District I Americanism Chairman Frances Bayer began the observances by explaining how Veterans Day came to be. Post Commander Paul Hesse greeted all the guests. Ladies Auxiliary President Dorothy Hesse placed a wreath in honor of the veterans who had made the supreme sacrifice for their country. Auxiliary Conductress Linda Knabe explained the

Colors of the memorial wreath. Father Frowin Schoech gave the benediction and blessing. In closing all sang a verse of "Amazing Grace." Patriotic Instructor Frances Bayer challenged all the youth present to "Go hug a Veteran today" to show their appreciation for all the sacrifices the veterans had made for their country.

Serving as color guards were Auxiliary Senior Vice President Mary Lee Hennigan, Auxiliary Banner Bearer Julia Cunningham, Auxiliary Flag Bearer Juanita Knabe, and Post Senior Vice Commander Johnny Rohmer. Also in attendance were Sacred Heart grades one through eight and their teachers.

SACRED HEART HIGH SCHOOL observed Veterans Day Monday morning at the Veterans Plot in Sacred Heart Cemetery. Student Council President Laura Klement led the ceremony, assisted by (to the right) Principal Jack Murdock, Father Frowin Schoech and Amanda Wimmer.

Street rod winners announced

by Janet Felderhoff
Members of the Top Tin Streetrods Club converged on Muenster last Saturday for their 1996 Goat Roast and an Bash. Muenster Chamber of Commerce Secretary Margie Starke reported that they all seemed to have fun and that local business owners seemed pleased with the weekend. People arrived from Oklahoma, the Tom Bean area and the German-Denison area just to look around and enjoy the colorful vehicles. Awards were presented to

vehicles selected as favorites by several people. Winners were as follows: Mayor's Choice selected by Ronnie Felderhoff, mayor pro tem — a 1940 deluxe Ford convertible in emerald green owned by Bruce and Janice McLaughlin of Balch Springs; Police Department Choice selected by Helen Tompkins, police chief — a red 1958 Chevrolet Impala owned by Jon Faun of North Richland Hills; Fire Department's Choice selected by Herbie Knabe, fire chief — a red 1936 Ford pickup owned by

Hugh and Vicki Jeffus, Jr. of Deport; Chamber of Commerce Choice selected by Chas Bayer — gray 1936 Chevrolet with greyhound owned by Monty Byrd of Denton; Sacred Heart Parish Choice selected by Eric Gray, youth minister — a pre 1949 Jeep station wagon with wood panel sides owned by James and Shirley Melton of Howe; Goat Roast Kitchen Staff Choice — vehicles owned by Hugh and Vicki Jeffus, Jr. and Luther Parvin; and Top Tin Streetrods Club Choice — vehicle owned by Ken and Judy Calvery of Boyd.

Good News!

Whatever you do, whether in speech or in action, do it in the name of the Lord Jesus. Give thanks to God the Father through Him.

COLOSSIANS 3:17

Christmas sparkle approved for courthouse

by Janet Felderhoff
After Thanksgiving the southwest corner of the historic Cooke County courthouse will portray a Christmas atmosphere. Commissioners Court gave its approval to allow the Gainesville Chamber of Commerce Christmas Decorations Committee to place a 20 foot decorated Christmas tree on the southwest lawn of the courthouse. They also voted to donate the requested \$250 towards the cost of the lights and ribbons for the tree. A large wreath will also be placed on the north side of the courthouse.

The southwest corner was requested by the committee because it would allow more room for choral groups to sing around the tree. Recent work on sewer lines has left the area wet and possible solutions were discussed by commissioners. The tree will be placed so that groups will be able to stand in dry areas around it.

Election returns for Cooke County from the Nov. 5 General Election were examined precinct by precinct. The number of ballots counted were compared to the number

of voters signing to vote at each precinct. The number of ballots sent to each precinct and how many were returned, and how many were spoiled was examined. After all were compared, examined if there were discrepancies, and reasons for them were found, the results were approved by all five members of Commissioners Court.

Precinct #4's call for bids for 1987 or later used excavator produced only one bid. It was from Simpson Equipment Company of Oklahoma City, Oklahoma for \$26,500 for a 1987 Gradeall Model G3WD which meets or exceeds minimum specification requested. The bid was accepted.

Three departments went slightly over the 1995-96 budget cycle. The County Clerk was over by \$721.70. This was attributed to microfilm expense. Justice of the Peace, Precinct #1, Place #1 Bill Freeman incurred \$125.04 in traveling expenses over the budgeted amount. Constable Precinct #4 was over by \$341.22. It was also travel expenses. Amendments to

these budgets were approved from the General Fund.

Two bids were opened for the Courthouse East Steps Repair Project. The first was for \$317,158.00 from J & M, Inc. of Denton. The second was from B. J. Construction of Gainesville for \$146,786.00 for a difference of \$170,372.00. Both proposals will be reviewed by the project architect to be sure that all requirements are met before he makes a recommendation.

In other business during the Nov. 12 regular meeting of Cooke County Commissioners Court:

- Of the five bids received for crushed rock base for the next 12 months three were accepted. Those were from J. R. Thompson of Gainesville, Erlandson Construction of Gainesville, and Meridian of Gordonville, Texas. It is up to each commissioner to determine which has the best buy for the area at which they need the crushed rock base.
- Accepted sole bid on corrugated, galvanized metal pipe from Texas Steel Culvert Co. of Arlington.
- Accepted both bids Metal

Letter to the editor

To the Neighbors and Friends of Muenster,

Yes, service to humanity was the best work of life. We, of course, are referring to our community benefit Halloween Dance. It was a Jaycees project, but we would consider it a community benefit because of the out-pouring of help, food, and financial donations. People showed up asking if they could help, food was dropped off with no names of the chefs, and the entire "community neighborhood" came out to have a great time for a great cause. It was a typical Muenster benefit helping one of its own and we couldn't have been prouder!! On behalf of the Muenster Jaycees, we would like to say- Thanks for a job well done!!

TWO MONUMENTS were dedicated to members of the U.S. Armed Forces in ceremonies held at Leonard Park in Gainesville on Monday evening, Nov. 11. One monument listed the names of Cooke County residents who died in battles of WWI, WWII, in the Korean War and in Vietnam, in memory of those who have given the ultimate sacrifice defending the United States of America. The other monument held the names and emblems of the branches of the Armed Forces and the letters "God Bless America." Several prominent speakers were featured, including U.S. Rep. Ralph Hall, County Judge Paul Hesse and Gainesville Mayor Jim J. Hatcher. **Dave Fette Photo**

From My Side of the Fence

by Ed Cler

Driving through the vast grasslands of Colorado, New Mexico, Wyoming, and other western states, it is not a rare sight to see flocks of sheep that number in the hundreds and over. Sheep ranchers everywhere, now and always, have a great problem with wild animals that prey on their flocks, especially the coyote.

In Wyoming a sign once read "Eat Wyoming lamb, 10,000 coyotes can't be wrong."

Well, the ranchers make every effort to keep the coyote numbers down, but no matter what they do, Mr. Coyote still manages to dine on lamb.

My dad ran sheep ever since I was a kid and it became one of my chores to occasionally butcher a wether lamb for table meat, so I can vouch for the fact that well prepared mutton is good eating.

I read articles from time to time about the efforts of Animal Rights Activists to make the destruction of coyotes and other predators illegal, and to educate the ranchers in ways to live and let live.

One of their solutions to this age old problem is to have the ranchers build coyote proof fences around their grazing land. Frankly, they don't know much about coyotes, or fencing.

Coyotes are natural burrowers, and often will hide their young in dens dug in the ground. So digging under a fence would be no challenge at all, nor would slipping between the wires be a problem.

Moreover, the cost of building varmint-proof fences would be prohibitive.

It all boils down to the statement I once heard a sheepman make, "The only good coyote is a dead coyote."

No one need fear that the coyote will become extinct. If one area becomes too hot for them, they will simply move to another, and adapt to whatever it has to offer.

Some have taken up residence in the big cities. They are known to thrive in Los Angeles, California, living almost side by side with man the being they fear most.

Margaret Bengfort, 87, dies

Mass of Christian Burial was held for Margaret M. Bengfort, age 87, of Lindsay, in St. Peter's Church, officiated by Father Eugene Luke OSB, pastor on Friday, Nov. 8. She died Nov. 6, 1996 in St. Richard's Villa in Muenster.

Margaret Bengfort was born on July 30, 1909 in Lindsay to John C. and Catherine Schieffer Bengfort. A homemaker, she was a member of St. Peter's Catholic Church.

Rosary Service was held on Thursday in Geo. J. Carroll Chapel at 4 p.m. and again at 7 p.m.

Survivors include her sisters, Frances Yosten of Muenster, Gene Huchton of Bedford, and Ann Hale of Dallas; and one brother Al Bengfort of Lindsay; one sister-in-law Louise Bengfort of Gainesville and a number of nieces and nephews.

Proceeding her in death were her brothers, Joseph Bengfort and Florenz Bengfort.

Burial in St. Peter's Cemetery was directed by Geo. J. Carroll & Son Funeral Home. Pallbearers were nephews, John Huchton, and Roger Huchton of New Mexico, Jerome Yosten and Chris Yosten of Muenster, Robert Leon Hale, Jr. of Dallas, and Robert Bengfort of Lindsay.

USPO exams offered

The Rural Carrier Associate examination will be open to the general public Nov. 18-22, 1996, for the Denton Area eligibility register.

Offices included in the Denton AER are Denton, Alvord, Aubrey, Argyle, Bellvue, Bowie, Collinsville, Decatur, Forestburg, Gainesville, Gordonville, Justin, Krum, Muenster, Nocona, Pilot Point, Ponder, Sadler, Saint Jo, Sanger,

Sunset, Valley View, and Whitesboro, Texas.

Individuals interested in applying to take the examination may complete one Application/Admission Card, at one of the postal locations listed above.

No applications will be accepted before or after the above dates.

Roy Atteberry dies at 84

Roy Atteberry, a former resident of Muenster and long-time resident of Nocona, died at age 84 on Nov. 6, 1996 in Nocona General Hospital.

He was born in Forestburg on Jan. 6, 1912 to H.O. and Viola Morris Atteberry. On Dec. 23, 1937 he married

Mildred Laseman in Montague. He was a member of the Farm Bureau and was of the Baptist Faith; and was a retired farmer and rancher.

Survivors include a brother, J.L. Atteberry of California and a sister Alta Mae Taylor of the Metroplex; several nieces and several nephews.

Proceeding him in death was his wife Mildred Atteberry on April 9, 1993.

Services for Roy Atteberry were held at Clement-Keel Funeral Home Chapel in Gainesville on Friday, Nov. 8 at 2 p.m., conducted by Rev. W.J. Idell, retired Nazarene Minister.

Burial in New Rest Haven Memorial Park of Gainesville was directed by Clement-Keel Funeral Home. Pallbearers were Roger Corbin, Wylie Lewis, Sr., Doyle Lewis, Michael Lewis, Charles Fleitman, Kenneth Fleitman, Terry Lewis, and Wylie Lewis, Jr.

Services held in Paris for Ruth Nelson

Ruth Billingsley Nelson, 76, of Paris, TX, died on Nov. 11, 1996, in St. Joseph's Hospital. Services were held Thursday Nov. 14 at 11 a.m. at graveside, in Terrace Cemetery.

She was born on May 21, 1920, in Roxton, TX, to John R. and Annie Barnes Billingsley. She married Clarence H. Nelson in 1947, and was a member of the Lutheran Faith and a retired school teacher.

Survivors include a sister, Mary Duke of Roxton, TX; and grandchildren Chris Gutzler of Illinois; Robb Gutzler of Detroit, Michigan; Jeff Gutzler of North Richland Hills, TX; Jay Gutzler of Muenster and Debbie Moore of Krum, TX; and several nieces and nephews.

NCTC may complete Fiber Optic Network a year ahead of schedule

Computers in all classroom buildings at North Central Texas College's (NCTC) Gainesville Campus soon will be linked to each other and to the world, thanks to recent Board of Trustees action which authorized completion — more than a year ahead of schedule — of a fiber optic network "backbone" begun earlier this fall.

Although they did not specifically include this project, pending receipt of more detailed cost estimates, NCTC trustees also voiced strong support for a proposal to further extend the fiber optic computer network into each of the rooms in the college dormitory.

Completion of the fiber optic network was only one of three major items included in a spending package authorized by the trustees immediately after approval of the college's 1995-96 amended budget. The figures showed the college closing out the books on August 31 with probably the most favorable year-end balance sheet in its history.

"What a tremendous opportunity this gives us to move this college forward," commented Dr. Milton Dickson, board chairman. "I'm particularly pleased by the progress we'll be making in regard to technology."

In addition to the expansion and completion of the fiber optic network backbone, trustees also authorized the purchase and installation of a CD-ROM server for the library which will enable students and community patrons to electronically access — from classrooms, dorm rooms, offices and homes — a significantly expanded collection of resources. Also authorized was purchase of two additional computer workstations for general patron use in the library.

The third major component of the budget amendment package approved by the trustees is the employment of a work force training specialist who will concentrate on further expanding the custom and contract training services provided by NCTC to business and industry along the I-35 corridor.

In addition to funding these items, the 1995-96 year-end

balance of \$503,474 will also allow NCTC trustees to build reserves to some \$1.9 million. This is only about \$200,000 short of a recently established target that was expected to take up to five years or more to reach.

For instance, revenues from tuition and fees, federal grants and other sources — including a higher percentage of tax collections — outpaced budgetary projections by more than \$181,000. On the expenditures side, Dr. Glasscock said, strict adherence to a "frozen funds" policy resulted in well over \$236,000 savings.

Dr. Glasscock gave a large amount of the credit for the large year-end fund balance to exceptional good budget administration by his deans, department directors and other professional staff.

Card of Thanks
 With deep gratitude, we wish to extend our thanks to everyone who has helped our father and our family through the years. There have been so many people who have helped, that we can not list everyone. We do not even know who all helped Dad, but God does. You will be blessed for your kindness. Please know we are grateful.
 The doctors, nurses, staff and visitors brought him comfort. Without a moment's hesitation, people guided us through the preparation for, and participated in, the funeral. The beautiful liturgy and music, the food, flowers and cards sent, and prayers offered, lifted our spirits. People babysat and came to be with us. The meal provided by the Catholic Daughters and KCs were food for the body and soul.
 Thank you,
 The Family of Dan Luke

Wedding vows exchanged in October 19 ceremony

by **Elfreda Fette**
Tiffany Hale of Dallas became the bride of Mark Hoenic, also of Dallas on Oct. 19, 1996 in a noon ceremony performed in Cordell First United Methodist Church. Rev. Monte Jones officiated for the double ring ceremony.

Daughter of David and Sherry Hale of Cordell, OK, the bride is a 1988 graduate of Cordell High School and a 1993 graduate of Southwestern Oklahoma State University. She is a pharmacist employed by Wal-Mart.

The groom is the son of Ray and Cecilia Hoenic of Rt. 4, Gainesville, TX. He is a 1989 graduate of Lindsay High School and a 1995 graduate of East Texas State University in Commerce and is the manager of Sporting Goods Hat Shop - LIDS.

Given in marriage by her parents, David and Sherry Hale, the bride was wearing a formal wedding gown designed in traditional white satin. The sheer neckline of the bodice gave the effect of an elegant pearl necklace above a V sweetheart neckline outlined in lace appliques which were embellished with sequins and pearls. The dropped waistline followed the same V design as the neckline and was adorned with lace scallops with sequins and pearls. Several lace appliques with sequins and pearls were scattered along the hem line with the same sheer cutout designs as the bodice. Fitted, puffed long sleeves were also embellished with lace cutouts. The V back neckline of the dress was edged in pearls, with pearl buttons closing the center back of the bodice. The dropped, back waistline was accented with a large white satin bow. A smaller bow appeared low on the full

chapel-length train. Lace, sequins and pearls edged the entire hem line.

She wore a shoulder length illusion veil held by a garland of white roses, sequins and pearls.

The bridal bouquet was a cascade of burgundy roses,

burgundy mini-carnations, Shades of Autumn cushion poms, navy static, and baby's breath with burgundy and navy ribbon.

Adding sentiment to tradition, she wore pearls from her sister as "something old" and earrings from a friend as

"something borrowed."

ATTENDANTS
Jacque Schatz, bride's sister of Muskogee, OK was the matron of honor. She wore a classic navy linen suit, the tea-length dress with fitted bodice and straight smooth lines was topped with a short bolero style jacket with the same elegant smooth line style as the dress.

Her flowers were in a cascade of burgundy mini-carnations, Shades of Autumn cushion poms, navy static, and baby's breath with burgundy and navy ribbon.

John Hoenic, groom's brother of College Station was best man.

Shelby Littlejohn and Kevin Papke of Arlington, cousins of the bride, and Cheryl Bayer, niece of the groom were escorts.

Wedding music was presented by Judy Lindsay, organist and Melanie Littlejohn, cousin of the bride, and Sherry Hale, mother of the bride. Selections were "God, A Woman And A Man," "Wind Beneath My Wings," "In This Life," and "The Lord's Prayer."

Church decorations included navy and burgundy bows marking the pews; baskets of burgundy glade, burgundy carnations, Shades of Autumn cushion poms, navy static, and baby's breath with burgundy and navy ribbon. A heart-shaped candelabra held lighted candles.

RECEPTION
A reception followed the wedding service, hosted by the bride's parents in the Cordell First United Methodist Church Fellowship Hall.

Nancy Owens was in charge of the bride's book, registering 150 guests.

The bride's table was trimmed with navy and burgundy ribbon and bows.

Floral arrangements held burgundy carnations, Shades of Autumn cushion poms, navy static, and baby's breath.

The bride's three-tiered cake was decorated with white lace icing, with flowers strewn on the stairway leading to a Precious Moments wedding figurine. The chocolate groom's cake was decorated with white icing playing cards.

A buffet of pick up foods was served.

Individual quartet tables held white cloths, candles, and navy and burgundy bows.

Reception assistants were Charline Ogle, Philis Macon, Cindy Stowers, Pauline Harper, Pat Barnes, Judy Lindsay, Jan Hurley, Rosemary Dick, Becky Snow, Brenda Bonham, Phyllis Boothe, Kristy Spalding, Diane

Igo, Rita Jones, Joanne Lor, Sharon Simmons, Vicki Dunlap, Jan Cannon, Tina Hawkins, and Teresa Bryant.

The rehearsal dinner was hosted by the groom's parents in the home of the bride's parents.

When the couple returned from a wedding trip to Las Vegas, they were honored with a reception in the Ray Hoenic home on Nov. 3, 1996. Guests were Mark's uncles, aunts, sisters, brothers, niece, nephew and grandpa. Coming from Oklahoma was David Hale, Tiffany's dad. A meal was served at noon with punch and a decorated cake for dessert. The couple opened their gifts and during the afternoon table games were played and pictures were taken.

MRS. MARK HOENIG
...nee Tiffany Hale...

AMY OTTO and CY BINDER have chosen Dec. 27, 1996 for their wedding day. Father Frowin Schoech OSB will officiate Sacred Heart Catholic Church at 6 p.m. The bride-elect is the daughter of Darlene Otto and Ed Otto and the granddaughter Tony and Sis Klement and Mrs. Tillie Otto. The future-groom the son of Tom and Jackie Binder of Matador, Texas and the grandson of Gene and Martha Cowles of Denton and Carl and Debbie Binder of Rockwall. Amy is a graduate of Muenster High School and is a student at North Central Texas College. She employed at First State Bank of Gainesville and part-time at The Center Restaurant. Binder is a graduate of Era High School and is employed at Andrew Corporation of Denton.

Arts and crafts booth gets bigger and better

Beautiful new items are constantly being added to the Arts and Crafts Booth for the Thanksgiving Social at Sacred Heart Community Center on November 24. The list of co-chairmen has grown with the addition of two more talented crafters: Imogene Zimmerman 665-9916 and Harriet Scoggins 759-4303.

They join Debbie Hess, 759-2890, Monica Hess 759-4254,

Aileen Knabe 759-2763, Connie Rohmer 759-4609, Charlotte Dangelmayr 759-2960, Janie Taylor 759-4252, Stacie Miller 759-4932 and Tammy Wimmer 759-4811.

Charlotte Klement is chairman of the Sweet Shop and Monica LeBrasseur is chairman of the Cake Walk.

Dinner co-chairman are Carrie Walterscheid 759-4246 and Virgilla Herr 759-4146.

Baptisms

Endres

Jared Raymond Endres, son of Tim and Debbie Endres, was baptized Saturday, Oct. 26 after the 7:00 p.m. Mass by Father David Bellinghausen OSB. Godparents were Laura Stoffels and an uncle, Darren Bindel.

After the Baptism, Jared's parents hosted a buffet supper in their home. Those attending were Jared's sisters, Cassie and Krystal; grandparents Elitha Endres, and Sug and Harold Bindel; and great-grandma Ollie Klement.

Others attending were Darren Bindel; Darla, Kevin and Tyler Anderle; Claudia and Dennis Taylor and Erin Newell; Susan and Mark Metzler; Pat, Janice, Kody, Kyle, and Travis Endres; Sally, Hannah, and Brett Ferguson; Ted Endres; Laura, Stephen and Jim Stoffels.

Birthday Celebrations

Rebecca is seven

Rebecca Grewing, daughter of Mark and Carol Grewing, turned seven on Oct. 26. She celebrated with her brother and several of her friends at McDonald's on Oct. 26. The girls at the party were entertained by the McDonald's staff. They enjoyed eating Happy Meals and birthday cake. Gifts were opened and presents taken.

On Oct. 25 Rebecca shared cakes with the first grade.

REBECCA GREWING

AMBER AND COLE WALTERSCHEID

Two birthdays celebrated Nov. 9

Amber Walterscheid and Cole Walterscheid, children of Mel and April Walterscheid, were birthday honorees when their parents hosted a family party on Nov. 9. Their dad made hamburgers and their mom made the birthday cakes - one decorated in a Dalmatian puppy theme and the other in a clown theme.

Games, picture taking and gift opening added to the fun.

Guests included their parents; their great-grandpa Carl Schilling; grandparents Raymond and Peggy Walterscheid, and Allen and Carla Truebenbach; and

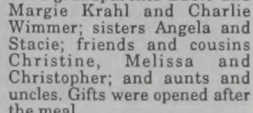

uncles, aunts and cousins Amy, Jana, and Clayton Truebenbach; Glenn and Jean Walterscheid (Amber's godparents) and Melinda and Collin Walterscheid; Tim and Ramona Felderhoff and Lisa, Derek and Travis; Carol Grewing and Blake and Hayden Schilling; and Vicki Eldridge (Cole's godmother).

Unable to attend were Cecilia Schilling; Curtis Eldridge (Cole's godfather); Kelly Felderhoff; Mark Grewing; and great-grandma Margaret Truebenbach.

Daniel turns six

Daniel Edward Wimmer, son of Randy and Linda Wimmer, celebrated his sixth birthday on Wednesday, Nov. 6 in his home. A dinner of fried chicken, ham, and trimmings was served. The birthday cake was a decorated green dragon cake.

Celebrating with Daniel were grandparents Eddie and Margie Krahl and Charlie Wimmer; sisters Angela and Stacie; friends and cousins Christine, Melissa and Christopher; and aunts and uncles. Gifts were opened after the meal.

DANIEL WIMMER

Crafts and nature offer seasonal alternatives

Whether searching for thoughtful hand-crafted gifts, adding seasonal accents, or selecting one-of-a-kind artistic furnishings for the home; folk art and crafts are in the hot seat this season! Inventive works encompass every medium imaginable with styles ranging from conservative and functional to wild and whimsical.

"Today's crafts come in a wide spectrum of forms including primitive, western, country, elegant, fanciful, and flamboyant," says Robbin Ramsey, founder of The Country Peddler Shows. She suggests that buyers visiting a store, gallery, or craft show begin with a glancing trip through the entire area, then returning to favored items for a more careful review and possible purchase.

This year's most prevalent theme, according to Ms. Ramsey, is the natural style. She quotes a recent industry source which reports that 60 million people enjoy nature and gardening related merchandise. Garden enthusiasts hail the beauty of their hobby in many ways. Holiday flowers, greenery, and pine fill pretty painted pots, buckets, baskets, and planters. Garden angels, bird houses, weathervanes, feeders, benches, and yard art decorate lawns and entrances. Barn wood, mesquite, pine, cedar, and oak offer appealing

texture. Some shoppers buy appliqued, embroidered or printed apparel, known as wearable art. Brightly painted furniture and accessories blooming with cactus, peppers, birds, ladybugs, and butterflies attract others. Dried flowers, vines, and herbs displayed as wreaths, swags, and garlands decorate homes for the season. Scented candles and potpourri are rich with the natural scents of cinnamon, bayberry, mulberry, citrus, and vanilla.

Folk art and crafts enthusiasts will find these and thousands of other imaginative decorating, fashion, and gift ideas at The Country Peddler Show, which returns to the Wichita Falls Multi Purpose Events Center on Nov. 15, 16, and 17. Celebrating its 12th year in Texas, the established attendance of 250,000 visitors each year confirms the popularity of the event. Long time fans attest that the show is new and different every time; changeable as the seasons, yet consistently high quality.

Country Peddler Show hours in Wichita Falls are Friday, Nov. 15, 1-9 p.m.; Saturday 9 a.m. to 6 p.m.; and Sunday 11 a.m. to 5 p.m. Admission is \$4 for adults, \$2 for senior citizens and children under 12 are admitted free of charge. The Wichita Falls Multi Purpose Center is located at 111 N. Burnett. Parking is free of charge for Country Peddler visitors.

Museum presents memorabilia

In commemoration of the centennial of the White House and the upcoming holiday season, a special program, Christmas in the White House, will be held at the Morton Museum of Cooke County on Monday, Nov. 18 at noon.

Participants will learn the true history of this house through stories about some of the fascinating characters that have resided there. Christmas traditions that have developed at the White House over the years will be examined. For example, which President had the first Christmas tree in the house? Who started the tradition of lighting a tree on the White House lawn? How teddy bears got their names? People will also learn

some poignant stories about the official Presidential Christmas cards. Favorite Christmas recipes of many of the Presidents and First Ladies will be discussed.

Participants also will see a teddy bear collection, a sampling of historic Christmas cards, ornaments, and toys. Handouts, including copies of many of the Presidential recipes, will be provided. Refreshments will be served.

For members of the Heritage Society, the cost to attend this session is \$3.00. For non-members of the Heritage Society, the cost to attend is \$4.00. There is limited seating, so to reserve a space, please call (817)668-8900.

Country Tidings

by Ruth Smith

Kelly Colwell of Keller visited Mr. and Mrs. Ted Jackson Tuesday. Kelly teaches school at Keller. He is the son of Gerri and Jerry Ekart. Other guests of Mr. and Mrs. Jackson were Jewel and Carroll Dill and Larry and Debra Dill. Todd McCandless of Kansas City visited Mr. and Mrs. Ted Jackson Wednesday and Thursday.

Mr. and Mrs. C.H. Christian attended graveside services for Miss Wilma Tinney at the Perryman Cemetery Sunday. Mr. and Mrs. C.H. Christian attended the Annual Harvest Supper at the Ross

Point Community Center Saturday evening.

Ms. Lois Bewley and Clyde visited Mrs. Ima King in Bowie Sunday afternoon. Rev. Marshall Stewart visited Lois and Clyde Wednesday afternoon.

Mrs. Gladys Balthrop, Mrs. Anna Kirk, David Wayne and Becky, and Mrs. Agnes Brandon were in Bowie Sunday.

Gary and Brenda Greanead of Burleson spent the weekend with Mrs. Juanita Greanead and Mrs. Jennifer Stapleton and Shadi.

"Holiday Delights" program

by Evelyn Yeatts, County Extension Agent - FCS

A special program, "Holiday Delights," will be presented on Monday, Nov. 18, in the Fellowship Hall of First Christian Church, located at 401 North Dixon Street. Enter the Fellowship Hall from the west side.

A 9:30 - 11:30 a.m. program will be presented and then repeated from 7 - 9 p.m.

A variety of Ideas for Holiday Decorating and Gifts will be shown by Evelyn Yeatts, County Extension Agent, Family and Consumer Science and members of the Extension Service Family and Consumer Sciences Committee.

Holiday Foods will also be included with a tasting of several foods at the close of the program. Recipes for foods and directions for the decorations will be provided.

To cover expenses, there will be a \$5 fee per person. Register by calling the County Extension Office at 668-5412 or stop by the Extension Office in the Courthouse Basement.

David,
We know you think we forgot your birthday...
It's just that you're so old you can't remember!

Mary K. Endres earns oncology recertification

Mary K. Endres has again successfully passed the Oncology Nursing Certification exam. Mary has been an Oncology Certified nurse since 1992 and took her recertification exam in September. Passage of this national exam signifies that the nurse possesses specialized knowledge about a variety of cancer issues to practice competently in a demanding field.

Today, proven competency is more important than ever to both employers and patients who want the best care possible. Certification in cancer nursing reflects a quality in practice, experience and education.

Mary is a graduate of Sacred Heart High School. She received her Associates Degree in Nursing from Cooke County College in Gainesville. After 14 years of nursing, Mary returned to school and graduated Magna Cum Laude with a Bachelor of Science Degree from Texas Woman's University in Denton. Currently, Mary is working on her Master's degree in the Family Nurse Practitioner program at Texas Woman's University in Dallas. As a family nurse practitioner, she will provide primary health care to children and adults during illness and health. The goal of the family nurse practitioner is to help people of all ages stay as healthy as possible. Mary will be practicing in Muenster and the surrounding areas.

In addition, Mary enjoys providing educational programs to groups and individuals about cancer and other health related topics. Mary is the Patient Services Representative for the American Cancer Society in Cooke County and facilitates

the cancer support group DIALOGUE that meets monthly at Muenster Memorial Hospital. She hopes to broaden her scope of practice to coordinating care for cancer patients in the area, as well as, assisting with the management of symptoms such as nausea, lack of appetite and pain.

Since returning to college, Mary has been listed on the National Dean's List for 1994-1996. She has been inducted into the Golden Key National Honor Society and Sigma Theta Tau International Honor Society of Nursing. She is a member of the National and Dallas Chapter of the Oncology Nursing Society and was nominated by the Dallas Chapter for the Pearl Moore Career Development Award in 1995. The center for Rural Health Initiatives has recognized Mary as Outstanding Rural Scholar each year since 1993. Mary credits her husband Jack, their children Eric, Jenni, Emily, and Scott and her family and friends for her achievements.

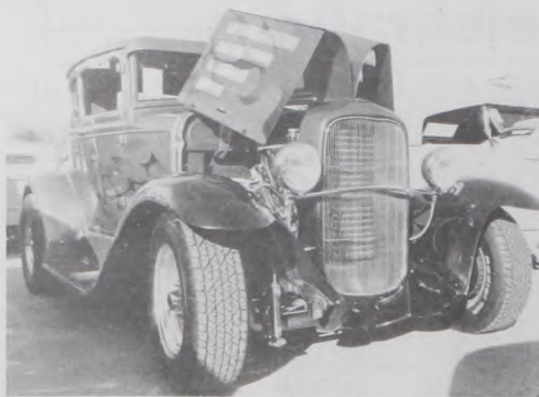

Schroeder graduates

Army Pvt. Ryan F. Schroeder has graduated from basic military training at Fort Sill, Lawton, OK.

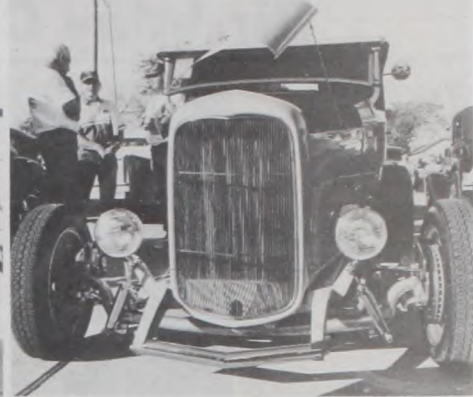

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Schroeder is the son of Alberta Badgett of 119 Seventh St., Lindsay.

The private is a 1996 graduate of Lindsay High School.

A UNIQUE VARIETY of colorful, custom classic cars were in Muenster last Saturday when the Top Tin StreetRods of Denton

met for their annual gathering. This is the fourth year that Muenster has the pleasure of hosting the event.

Photo by Janie Hartmo

St. Anne's Society holds business, social meeting

The St. Anne's Society held its monthly meeting in the Sacred Heart Community Center SNAP room on Sunday, Nov. 2 at 7 p.m.

Toni Hess presided and led the opening prayer.

Tillie Otto gave the treasurer's report. A thank-you letter from Sr. Henrietta Hockle of Holy Angels Convent for the Holy Mass that was said for Sr. Theresina Grob was also read.

Minutes of the last meeting were not read due to the secretary's absence. St. Anne's members voted to donate \$50 to the kitchen for the upcoming parish Thanksgiving dinner.

Bertha Knabe gave a report of the Catholic State League of Texas held in Fredricksburg on Sept. 7-8.

Tillie Otto gave a talk on rosary making for the missions. A sample was shown using spacers instead of knots and is quite easy.

Tillie also suggested calling other members who don't have a way or don't want to drive in the dark to come to meetings. Bonnie Hess suggested to have meetings at 3 p.m. during the winter months.

A "Get Well" card was signed by the 11 members present for Lucille Hess who fell and hurt herself.

Toni Hess suggested that card games or dominoes could be played after meetings.

Two poems, "Your Are Not There" and "Say a Little Prayer" were read by Tillie. Toni also read a poem composed by Tillie Otto's daughter Earlene. It was entitled "Send Your Angel to Mass".

The door prize was won by Toni Hess. A prayer for vocations ended the meeting. Seven members stayed to play dominoes. Brenda Flusche submitted meeting information.

Health Notes

Wheezing signals need to see doctor

Many people can alleviate their allergy and asthma discomfort with nonprescription medications. Wheezing, however, is a sign that you need to see a doctor.

Wheezing is characterized by a high-pitched sound that accompanies difficult breathing. Doctors warn that it is dangerous to self-medicate for wheezing.

Noisy breathing may indicate a buildup of fluid in the lungs, a severe asthma attack, or acute bronchitis. Consult your family physician immediately.

Folk life music Concert

Nov. 23 is the date set for a "Museum Jubilee" concert to benefit the North Montague County Historical Society and Museum. A variety of talented musicians and vocalists will perform at 7:30 p.m. at the Carpenter's Shop Senior Citizens Center in Neocoma. The fund-raiser will feature all types of music—gospel, country, western and the blues from area talent.

Tickets are now on sale for \$4 for adults and \$1 for children under 12. For ticket information, call 825-4831, 825-3716 or 966-3374, said Museum Jubilee Chairwoman Verna Ruth O'Neal.

Music has long been a part of the development of Montague County, and the artists who will present their talents Nov.

23 are a continuation of the expression of folk life.

Donations towards the construction of the North Montague County Museum will be accepted with appreciation. Concessions will also be available at the show.

A partial list of the artists scheduled to perform include Bill Adams, Max Ray Evans, Mark and Linda Graham and Joyce Henson, Jarro Middleton, Marlissa Hill, Dennis McBroom, Sonny and Dee Cole, Brenda Doshier, Be and Linda Kiker, T. Smoothies, Theresia Lemon, Carol Fuller, Gary O'Neal, Bethel Quartet and Bow Adams and Suzanne Larisc will emcee the event.

Pirates bushwhack Muenster 25-23

"It was a heartbreaker," said Coach Randy Tankersley on Muenster's near win last Friday night. "I'm real proud of this team, they played with lots of heart and effort. After the loss of six starters, they had to earn new positions and play very hard."

Muenster had high hopes for a playoff berth, which a win over Collinsville would have given them. Plagued with a shortage of starters, the Hornets struggled and fought in a see-saw scoring game which the Pirates took away in the last seconds of the game.

Collinsville took the opening kick and got in one good run before the Hornet defense, including a quarterback sack by Brent Sicking, forced a punt.

Muenster's first offensive drive began at the 49 yard line. Jeremy Walterscheid took the first play 7 yards. Then two Eric Miller runs were good for 3 yards to the Pirate 14 yard line. Walterscheid picked up another 2, then Brian Fleitman to the 8 yard line. An incomplete pass was followed by an 8 yard run by Fleitman on 4th and 4 for the score. Jake Sicking kicked the extra point for a 7-0 score with 8:15 on the clock.

The Pirates got in several good runs and a pass but ran out of downs on Muenster's 26 yard line. An attempted 41 yard field goal failed and the Hornets took over there.

With Eric Miller on the line, Sicking and Fleitman carried the ball for 5 yards, but Eric Miller punted after an incomplete pass.

Again the Pirates moved against Muenster's defense, keeping the ball on the ground the 8 yard line. There, the Hornet goal line defense caught the Pirates in the backfield twice for a 4 yard loss. On 3rd and goal from the 11, Collinsville went to the air, where Brian Fleitman picked up the pass in the end zone and ran it out to the 11.

After Muenster's third run, the game was delayed when Jeremy Walterscheid was injured. Then on 4th and one, Collinsville jumped offside and the Hornets carried the ball into the second quarter. Fleitman and Shane Sparkman ran for 20 yards, and a pass to Sparkman picked up another 10. But the next play, the Pirates took possession after recovering a loose ball on their 43 yard line.

A 29 yard run and a 21 yard pass play had the Pirates looking on Muenster's 5 yard line. Two runs later and the Pirates were on the board. A fake extra point kick gave Collinsville an 8-7 lead with 1:15 left in the first half.

Muenster came right back, a 14 yard Cory Anderle to Steven Reiter pass assisted several yards by Sicking and Sparkman to the 8 yard line. A quarterback keeper by Anderle gained 3, so on 4th and 5, Jake Sicking kicked a 22 yard field goal and the Hornets regained the lead 8-10 with 4:33 on the clock.

The Pirates fumbled the kick return and Aaron Sicking recovered the ball for the Hornets on the Collinsville 27. Sparkman completion was good for a first down, but a personal foul on the Hornets gave the ball back. The next play, the Pirates intercepted the ball on their 46 yard line.

Collinsville then got in three pass plays, for 15, 24 and 10 yards, the last being for a touchdown. The extra points gave the Pirates a 16-10 lead with 2:47 still on the clock.

Now Brian Fleitman was the star of the game with a blocked shoulder.

Brent Sicking returned the Pirates kick 42 yards, but the Hornet offense punted on 4th and 13. A quarterback sack by Sicking slowed the Pirate drive and they booted the ball away. Muenster got in one short run as the half time break arrived.

Muenster fumbled the second half kick giving the Pirates possession on the Hornet 37. Five plays later Shane Sparkman got the ball back for Muenster after an interception on the Hornet 22 yard line. Sicking got in an 18 yard run, then broke loose for a 60 yard touchdown run. Luke Sicking added the extra point and the Hornets led once more, 17-16 with three minutes off the clock.

The Pirates next drive began deep on their 19 yard line. In 16 plays, they were knocking at the door once more, but kicked a field goal on 4th and goal at the 3. The 21 yard kick gave Collinsville a 19-17 lead with 36 seconds on the 3rd quarter clock.

Muenster's next drive began with a 52 yard run by Brent Sicking to end the quarter. Four plays later, on fourth and 11, Anderle found Steven Reiter open in the end zone for a 21 yard touchdown pass. The extra points run was short for a 23-19 Muenster lead with 10:33 remaining in the game.

A quarterback sack by Reiter gave the Pirates a 14 yard loss and forced a punt their next drive.

Three Sicking runs picked up 12 yards, but a fumbled play then lost 11 and the Hornets had to punt.

A Barry Fleitman sack made the Pirates punt the ball back on 4th and 15. Then the Hornets punted again, putting the Pirates on their 20 yard line. Collinsville hit the air waves with completions of 10, 13, 15 and 12 yards to help get to Muenster's 8 yard line. Two quarterback runs moved the Pirates to the one yard line. After an incomplete pass, on which the intended receiver jumped, but wasn't flagged, Collinsville had one more play. On 4th and goal and 5 seconds on the clock, a quarterback keeper was called a touchdown and the Pirates took a 25-23 lead as the clock ticked down to all zeroes. The extra point wasn't attempted and the Pirates bushwhacked the Hornets from a playoff spot.

Muenster's offensive backfield of Shane Sparkman, Steven Reiter, Cory Anderle and Brent Sicking "all had a great game," said Coach Tankersley. "The offensive line played unbelievably well. They took it as a challenge after losing our backfield."

The Hornets had a lot of players out of position. "There was a great effort from our senior leaders," Tank continued speaking of Tony Hartman, Greg Flusche, Steven Reiter, Jake Luke, and Eric Miller in the second half.

"Overall I'm as proud of this team as if we won the state championship," Tankersley continued. "I hope the juniors and sophomores burn in their minds what it is like to lose and don't do it again."

Tigers win in 4th quarter comeback

"It's been a long time since the breaks went our way in the fourth quarter," commented Coach John Nasche. "A lot of those breaks were from our outstanding play."

The Sacred Heart Tigers ended their 1996 season Friday night with an exciting fourth quarter district victory. The Tigers won 36-20 over the Dallas Winston Eagles with two interceptions that were run back for touchdowns in the last minute and a half of the game.

John Bartush was the first

pass turned into a 42 yard touchdown. Swirczynski blocked the extra point kick and the game was tied 6-6 with 5 minutes on the clock.

Bartush returned the Eagle kick to the 50 yard line. The Tigers took the ball to the 38, but stalled there. A fake punt on 4th and 10 lost another 3 yards, giving Winston possession on their 40. Five plays later, the Eagles took a 13-6 lead with 1:32 remaining in the first half.

Glen Dangelmayr returned the kick to the Tiger 48. A face

Roller worked the ball to the 6. Duncan Campbell got the ball to the one where Joel Schilling went in for six points. The extra point was blocked for a 20-20 tie game with 5:33 remaining in the game.

The fired up Tigers put the Eagles on their 5 yard line. Several unsuccessful Winston plays later, the Eagles were caught in the end zone for a safety by John Bartush and Brad Schilling, giving Sacred Heart a 22-20 lead with 4:35 still on the clock.

THE TIGER OFFENSE MOVES as one as Paul Swirczynski hands off to Jeff Yosten. Photo by Dave Fette

Tiger to touch the ball as action began with a short kick to the Tiger 34. Three unsuccessful plays and the Tigers had to punt.

Winston moved the ball for 7 plays then punted. Paul Swirczynski returned the punt to the 48 with a penalty moving the ball to the Eagle 36. Swirczynski then gained another 11 yards, with Jeff Yosten getting 5 and Chad Roller 4. On 4th and 4 the Tigers were caught in the backfield for a loss. Winston took over on the 21.

Sacred Heart's defense, led by Joel Schilling, Matthew Fuhrmann, Swirczynski and a quarterback sack by Bartush forced a punt. Roller returned the kick 26 yards to the Tiger 13. Schilling ran for 8, Roller 4 and Jeff Yosten the final yard for a Tiger touchdown. The PAT failed for a 6-0 score with 2:23 remaining on the clock.

The Eagles carried the ball into the second quarter, assisted by Tiger penalties, but ran out of downs on the Tiger 20 yard line.

Joel Schilling got in 3 good runs and Swirczynski one, before a fumbled pitch and unsuccessful run forced a punt.

From midfield, Winston struggled for six plays before a

mask flag gave the Tigers the ball on Winston's 36. Two good runs by Schilling moved Sacred Heart to the 15. Roller, Schilling and Yosten combined to the five. Roller moved the line to the one, where Schilling went in around the left guard for the score. Swirczynski ran in the extra points to give the Tigers a 14-13 lead with 6 seconds on the clock.

Winston took the second half kick getting in nine plays before punting. It was three plays and kick for the Tigers. From the Tiger 46, the Eagles moved the ball into the end zone in 8 plays. The PAT kick returned the lead to Winston, 20-14, six minutes into the quarter.

Again the Tiger offense couldn't get the needed 10 yards and punted. This time, the Eagles took nine plays to go 45 yards to the 6 yard line. An attempted field goal was blocked by Swirczynski and the Tigers took over on their 20, as the final quarter began.

Yosten and Swirczynski shared five plays for 26 yards. Then Schilling ran two for another 10. Yosten gained another 6, then a roughing flag carried the Tigers to the Winston 23. Swirczynski and

Winston gave the Tigers the ball at midfield. Schilling picked up 12, then Yosten broke away to the 21 yard line. A personal foul moved Sacred Heart to the 10. Schilling moved to the 5. Yosten and Campbell each took a yard, but the 4th down attempt failed, giving Winston the ball on their eight yard line.

The next play, Paul Swirczynski intercepted an Eagle ball and returned it 20 yards for a touchdown. The PAT failed with the Tigers having a 28-20 lead with 1:28 remaining in the game.

Winston took the Tiger kick and it looked like they were going to score, but Campbell caught the runner on the Tiger 35. Two plays later, Joel Schilling picked off an Eagle pass and returned the ball 60 yards for another touchdown. Swirczynski ran in the extra points and the Tigers clinched a 36-20 victory with 58 seconds remaining in the game.

Paul (Swirczynski) and Joel (Schilling) iced the victory with their interceptions," Nasche noted. "The defense scored the last points, including the safety. The line put pressure on Winston's quarterback causing the interceptions."

"The offense took control of the game late in the second quarter," Nasche continued. "That last minute score gave us momentum going into the second half. Winston's best passing team we played all year. I'm looking ahead to next year - this should be a rematch of the district championship game," the coach concluded.

SENIORS
The Tigers had six seniors play their last game Friday: Paul Swirczynski, Glen Dangelmayr, Joel Schilling, John Bartush, Brad Schilling, and Jonathan Knabe.

"These seniors and their leadership will be missed. The attitude of the team the last couple of weeks has been good. Unfortunately the breaks didn't go our way, but the seniors did a great job."

Swirczynski and Joel Schilling were the Tigers' leading rushers. "Paul's the best rusher and the strongest player on the team," Nasche added. Bartush and Brad Schilling were two of the quickest linemen and best blockers with Dangelmayr being the fastest senior on the team who played really well for one season, according to the coach.

Injury side-lined Knabe early in the season. "He had the best hands on the team."

On the season, Joel Schilling leads the Tiger defense with 144 tackles and 6 turnovers. Swirczynski had 70 tackles, 4 turnovers and one sack. Bartush is credited with 33 tackles and 4 sacks, while Dangelmayr had 58 tackles and two interceptions, and Brad Schilling had 26 tackles, 3 sacks and one fumble recovery.

Offensively, Swirczynski rushed 82 carries for 644 yards and passed 72 times for 21 completions and 288 yards. Joel Schilling ran the ball 120 times for 845 yards and completed 15 passes for 116 yards.

Nasche is looking forward to next season. "We're excited about Chad Roller. With his speed in the back field, it should be a successful year."

Muenster places at regional

The Lady Hornets and Hornets varsity cross country runners competed at the regional meet held Nov. 2 at Vandergriff Park in Arlington. Muenster's girls finished 5th and the boys 9th.

Alvord led the girls competition with 42 points, followed by Sands with 75, Sterling City 102, Grady 164, then Muenster with 179.

"The girls did a great job at the meet! We had four young ladies run personal best on times. The competition was extremely tough," commented Coach Donny Vernon. "Next year we will have all the girls returning. I fully expect to be at state. Each of these young ladies made sacrifices this year to be in cross country and I am very appreciative of that. They did a super job this year," Vernon concluded.

LADY HORNETS

46 Jonna Schneider 13:58
55 Valerie Erwin 14:06
59 Allison Endres 14:12

68 Kristin Chisam 14:25
"The Hornets did an unbelievable job this year. Five of the seven runners also played football," Coach Vernon stated. "It is super tough to play football on Friday night, then run a three mile race Saturday morning. But these guys did it!"

Grafrod won the regional race with 56 points. North Hopkins came in 2nd with 78 and Trenton followed with 98. Muenster finished 9th with 265.

"The boys ran as well as could be expected. I believe with more time these young men could compete and go to state," Vernon continued.

Muenster will have their top four runners return next year with several junior varsity runners.

JV Tigers challenged by Celina

Sacred Heart's junior varsity traveled to Celina last week Thursday to tangle with the Freshman Bearcats. The quickly played game on a field without lights ended in defeat, 20-8 for the young Tigers.

The Tigers scored first, on their first drive. Beginning at their 40, runs by Josh Walterscheid, Duncan Campbell and Matthew Nasche took the ball to the Cat 35. A Lucien Gehrig pass added another 10 yards, then two Walterscheid runs took Sacred Heart to the nine yard line. Campbell edged to the six, then Walterscheid went in for the score. Walterscheid also ran in the extra points for an 8-0 lead.

The young Bearcats took to the air their next drive. Three passes took the Cats from their 24 to the Tiger 6. The next play, Celina scored. The extra point narrowed the score to 7-8.

The Tigers fumbled before they could get a drive going, giving the Cats possession on Sacred Heart's 24 yard line. Two plays later, Celina had a 8-14 lead at the half-time break.

The Tiger offense began 3rd quarter action. A Gehrig to Stephen Hofbauer pass and two Walterscheid runs moved the ball steadily until several penalties forced a Sacred Heart punt.

Celina carried the ball into

the final quarter, but lost it on downs. Sacred Heart got in 3 runs, then threw an interception. Celina took advantage of the good field position and scored five plays later to end the game 20-8.

Hornets begin basketball

The Muenster Boys basketball team tips off its season this Friday night at home against Tom Bean. Muenster tied for 2nd place last season, but finds itself in district play with only four teams with the new alignment. Ponder, the favorite with five starters returning, Collinsville, Era, and St. Jo comprise the new district.

"We will be in the hunt," said Coach Ted Heers. "The boys are hopefully willing to sacrifice for the good of the team. We'd definitely like to make the playoffs."

Seniors Eric Miller, Steven Reiter, and Jake Luke are back with two juniors, Scott Hermes and Corey Anderle. Their big wins last year came in the final three contests when they had to win all three to tie for runner-up. They defeated Era, Saint Jo, and Lindsay.

Rounding out the varsity lineup this year Muenster will look for several of the following to possibly contribute: Jesse Luke, Shane Sparkman, Bryan Hudspeth, Aaron Klement, Eric Walterscheid, Brent Sicking, Brian Miller, Darren Hennigan, Justin Klement, and Justin Fleitman.

"There are 30 boys out for the team, so we will probably look at about 15 varsity prospects and suit up 11 or 12. Our depth should help us press more effectively."

Muenster plays Tom Bean here this Friday at 8 p.m. They travel to Chico Tuesday and return home next Friday to play Lindsay.

"We will have some fun," said Heers, "and I promise we will be in shape."

Coach Blair Kellner will assist the boys program.

Sacred Heart 50 SAINT JO 20
The junior varsity Tigerettes hosted Saint Jo Tuesday night, making a big win in the season opening game. "I was pleased to how hard they played," said Coach Jon LeBrasseur. Sarah Hess and Anne Lusche were the leading scorers with 12 points each. Yann Felderhoff added 6, Courtney Grewing 5 and 4 pieces by Gina Yosten, Andrea Artush and Jana Coker. Betty Trevino put in 3.

Football Contest goes into playoff action

With Lindsay advancing into the playoffs, so does the Muenster Enterprise football contest, as a tie-breaker week. Steve Bevers took first place honors last week, correctly guessing 32 games, along with seven other contestants. Bevers was awarded first place because he had the only entry that correctly picked Collinsville over Muenster. Cory Knabe, also had 32, came in second with a 17 point difference in the tiebreaker. Finishing 3rd was Wilfred Bindel with 18 tiebreaker points. Others guessing 32 were Brian Herr, Charter Edwards, Bonnie Stoffels, Neil Huchton, and Mike Felderhoff. Winners picked up their cash prizes at 1. Kountry Korner 2. Beznor Insurance and 3. Walterscheid Oil.

Also only one was correct with Chico's win over Valley View. Everyone missed the Cardinals overtime win over the Redskins. Twenty-two entries missed Saint Jo's victory and 12 picked Lindsay. Everyone correctly picked Sacred Heart, Callisburg, Notre Dame, Nolan, Princeton, Celeste, Sanger, Detroit and Azle. Also all were given the Rockwall Christian vs. Temple Christian game because Temple canceled the contest.

For the season, the number one spot is now in a three way tie. John Nasche, Mike Stoffels and Nick Stoffels each have a percentage of 80.5. This week's contest hopefully will determine a winner. Doug Stoffels is closing in with an 80.2, followed by Mike Felderhoff at 79%. Barbie Barnhill, Mickey Haverkamp and Neil Huchton have a score of 78.6, while Peachie Huchton stands at 78%. Others above 75% are Dave Reiter, Wayne Klement, Brian Herr, Edgar Dyer, Edna Hermes, Jamie Hellman, and Benny Haverkamp.

Correctly guessing 31 games were Tim Bindel, Barbie Barnhill, and John Nasche. Missing ten games were Tony Fuhrmann, Benny Haverkamp, Mike Hacker, Ray Long, Doug Stoffels, and Dave Reiter. On the tie breaker game only one contestant picked the winner, with a 21-24 Pirate

Turnovers take title from Knights

"You don't win football games with turnovers," Lindsay coach Charlie Meurer commented about the Knights 25-13 district loss to Nocona last Friday. "We were lucky we didn't lose by more. It could have been a lot worse."

The Knights fumbled the ball seven times, losing four, and threw two interceptions. "All 25 of Nocona's points came from our turnovers. That was the game," Meurer noted.

Nocona began the game with an on-side kick, Lindsay covered the ball on the 43. The Knights first play went nowhere and their second was intercepted by Nocona. The Indians took over on Lindsay's 40 yard line. Nocona slowly and steadily moved the ball to the 3 yard line in eight plays. Lee Frost then scored on a quarterback keeper. Kellsey Ramsey added the point after for a 7-0 score with 7:21 on the clock.

Indians from the 16. The PAT run failed again for a 25-7 score with 9:25 remaining in the game.

Then something went right for the Knights. Shawn Hanks returned Nocona's kick 93 yards for a touchdown. The extra points run failed and with 9 minutes remaining in the game, Lindsay closed the score to 25-13.

Unable to move the ball on the ground and burdened with a penalty, Nocona's passing attempts also failed and they punted.

Lindsay's offensive attempt never developed when another fumbled ball was covered by Nocona.

The Indian offense came up one yard short and Lindsay regained possession after 4 runs.

Again the Knights struggled, punting on 4th and 23. Nocona took the kick on the 50, driving to the 13 yard line before time

LINDSAY LADY KNIGHTS - Class 2A Cross Country State Runners-up. Courtesy Photo

Lady Knights finish second at state

After defeating Hamilton High girls Nov. 2 at the Regional cross country meet, the Lindsay Lady Knights came up two points short, 102-104, and settled for state runner-up in class 2A cross country last weekend. Hawley followed at 107.

"I was real proud of the girls. We were a little disappointed, but glad to be second," commented Coach Larry Spruiell. "We ran real well, the experience was good."

The Lady Knights won regional two years ago and finished 6th at state with four of their present runners.

"The pressure was on us commented Spruiell. "We had a lot of ifs...several things could have happened. Hamilton just nipped us."

Hamilton won its fifth consecutive class 2A cross country title. The teams were even after four runners 75-7, but the Lady Dogs fifth runner finished 27th, four seconds ahead of Lindsay and 2 spots for the title.

LINDSAY DEFENSIVE END Bryan Covington and teammate Steven Tepera combine to stop Nocona runner, Victor Abendano. Photo by Dave Fetto

Lindsay's next drive was a repeat of the first, an unsuccessful run, followed by an interception at midfield. Penalties bounced the ball around the first 3 plays, then the Indians again hit the turf and moved to the eight yard line. The Knight defense led by Hank Huchton, Robert Sharp and Steven Tepera and two incomplete passes stopped Nocona on the 10 yard line.

Shawn Hanks pushed for five consecutive runs to the Indian 37 yard line. But three bad plays, including a fumble, forced Lindsay to punt as the second quarter began.

The Indian offense worked on the clock, running 7 plays for 40 yards before having to punt, punting the Knights deep in their own territory on the 3 yard line. Zach Bowman carried to the 6, then Hanks carried four times to the 30 yard line. The next play was fumbled and Nocona covered on the 21 yard line. Sharp and Bryan Covington held the Indians on two plays, but on 2nd and goal from the 6, a Frost pass to Ramsey was completed for a score. Bowman stopped the extra points run for a 13-0 score with 2:53 left in the 2nd quarter.

Bowman and Hanks got in a few plays before the half ended.

Nocona offense took the third quarter kick, but the Knight defense, led by Huchton, Bowman and David Fuhrmann held the Indians to only 4 yards, forcing a punt.

From their 42, quarterback Jeff Bezner and Hanks carried seven times to the 32. A Bezner to Brad Perrin pass gained another 14. Hanks, Huchton and Hanks moved the ball to the 8 yard line where Hanks scored on first and goal. Aaron Krebs added the extra point for a 13-7 game with 4:15 remaining in the 3rd quarter.

A good Krebs kick put the Indians on their 20 yard line. Tackles by Huchton and Jamie Baggs and pass defense by Tepera forced a Nocona punt.

The Knights could not get the needed ten yards and attempted to punt, but a bad snap gave the Indians the ball on the 10 yard line. Two plays later Victor Abendano scored. Fuhrmann and Tepera stopped the extra points attempt for a 19-7 game with 29.7 seconds on the clock.

The Knights first play of the final period was fumbled and Nocona covered on the 45. Six runs later Foster scored for the

ran out. "They are no better than you," Coach Meurer told the Knights after the game. "We just had lots of errors."

Game Statistics Submitted by Bridgett Anderle

Next Action - Holliday The Lindsay Knights take on the Holliday Eagles, district 9-2A champions, this Friday night at Memorial Stadium in Wichita Falls.

"We've played a lot of teams bigger and faster, but they are very aggressive," commented Meurer. "Holliday is a basic, everybody can play, football team. They have good players, no one outstanding, and have lots of tradition."

The Eagles were area finalists last season with a 9-3 season and 11 lettermen lost. This year they are currently 8-1-1 for the season and undefeated in district play. Holliday began their year with a loss to Boyd, then a scoreless tie with Childress before their winning streak began. In district play, the Eagles have outscored their opponents 213 to 54.

Of the 19 seniors on the team, there are two running backs that each have over 1000 yards this season.

Directions to the Game The first round of playoffs for the Knights will be at Memorial Stadium in Wichita Falls. From Hwy. 287 take the Archer City/Jacksboro exit, go south to Southwest Parkway, then several miles. The stadium is on the left.

WORD OF THANKS

wish to thank relatives and friends for visits, cards, and prayers during the illness and passing of our sister Margaret. I thank Dr. Antonetti for his concern and care of my mother. Thanks also to Father Eugene Luke & Father Henry for the lovely service. Also Thanks to the ladies who and to the ladies that prepared the meal for the family. All of you we say "Thank You" and God Bless You All.
 The sisters and brothers of Margaret Mary Bengfort 11.15-1P

Special thank-you to the staff of St. Richard's Villa for all the kindness bestowed on Marie Truelsenbach, thanks at Muenster Memorial Hospital who cared for her during her last hours. We are grateful for all of the expressions of sympathy, the food, Masses and other donations; the CDA who prepared and served the funeral meal and the efforts of Columbus for the use of their hall; to Fr. David Ghuysen and Fr. Frouin Schoech for the special services; to Ruth Felderhoff and Christy Hesse for the beautiful. Eleanore Truelsenbach and family 11.15-1

Thanks for the many prayers, flowers, cards, calls and food to our home and all the wonderful things I received following my recent surgery in St. Paul's Hospital. Special thanks to my husband Arthur and to our children. God Love you!
 Evie Felderhoff 11.15-1

Farm & Ranch

Nationwide feed grain production looks better than expected

"If there is not a hard freeze in the Midwest, we will probably see corn prices in the \$3 level for December ('96) futures because we will have a bigger crop than was expected." Those comments by Dr. Mark Waller, agriculture economist with the Texas Agricultural Extension Service in College Station, are a warning to Texas producers who are counting on cash prices in the \$3.20 bu. or higher level.

"If producers haven't done any preharvest pricing, they should consider using some put options or other measures for price protection," he adds.

Recent national crop estimates for corn and grain sorghum reflect higher-than-expected yields.

The 1996 U.S. corn crop was estimated at about 9 billion bushels this month. In August, it was 8.7 billion bushels. In Texas, production is estimated at 170-175 million bushels for 1996. Last year, state producers grew 216.6 million bushels.

Estimated yields for grain sorghum are up about 30 million bushels at about 765 million bushels nationwide. Good rainfall and growing conditions in the Texas Panhandle, Nebraska, Kansas and some parts of Oklahoma have boosted those numbers. Last year, the crop was 460 million bushels.

In Texas, yields for grain sorghum are 1.7 million bushels, up more than 500,000 bushels, over last year. These good yields are mostly from the northern part of the state -- southern producers were hard hit by the drought.

Texas corn production is in a similar pattern. Yields are much lower in drought-stricken southern regions, where there are bumper crops coming out of many High Plains fields.

Volatile Prices Even though a freeze should no longer be a factor on prices this year, there are still fairly tight grain supplies, so prices could be up and down. "Prices are still going to have the potential to be volatile as we move through the marketing year," says Waller. "But with higher wheat and feed grain production expected,

prices shouldn't be as volatile as last year.

"Unless there's some kind of surprise, it's unlikely that we'll see the kind of high prices that we saw earlier in the summer."

If producers have corn priced at a lower rate, Waller says they may consider using spring call options to protect against a rise in prices. With the '97 December futures price in the \$3 range, growers may want to price some of next year's crop now. "Even though it is extremely early, they need to think strongly about the price of their '97 crop," he says. "We have the potential to produce a huge crop next year."

Waller says that again, with the poor growing conditions seen in central and southern Texas, it's unfortunate that not all state producers can enjoy the still strong corn market. "In Texas, it would be better to have better yields statewide so we could capture some of the prices," he says.

He notes that while prices are down substantially from the spring and summer, these are still historically high prices.

"For a feed grain producer who saw \$5 corn last spring and in the early summer, \$3 doesn't look as good any more," he says. "But if good weather next year favors corn production across the Midwest, \$3 corn will likely be an attractive price for '97."

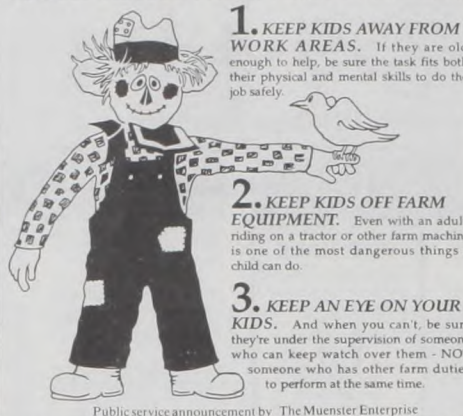

Even though the USDA's yield supply and demand estimates are sometimes scrutinized, they are still the most reliable estimates available, says Waller.

"The federal government is really the only entity that tries to go out and do scientifically based yield surveys," he says. "That's of importance to everyone in the marketplace because without it they really don't know what's out there."

Additionally, the supply and demand estimates give current information on what prices might be over the coming year and what is happening in other countries. "It gives people in this country a better idea of how crops are doing in Thailand or China and how that might impact our markets here," he says.

THREE SIMPLE RULES TO KEEP TRAGEDY AWAY FROM YOUR FARM

1. KEEP KIDS AWAY FROM WORK AREAS. If they are old enough to help, be sure the task fits both their physical and mental skills to do the job safely.

2. KEEP KIDS OFF FARM EQUIPMENT. Even with an adult, riding on a tractor or other farm machine is one of the most dangerous things a child can do.

3. KEEP AN EYE ON YOUR KIDS. And when you can't, be sure they're under the supervision of someone who can keep watch over them - NOT someone who has other farm duties to perform at the same time.

Public service announcement by The Muenster Enterprise

Texas A&M releases new wheat variety

AMARILLO - High Plains wheat growers will have another hard red winter wheat variety to consider for future production, according to Mark Lazar, wheat geneticist with the Texas Agricultural Experiment Station here.

A major benefit for TAM 110 is winter hardiness. The new variety also has resistance to a common wheat pest, the greenbug.

This new addition to the TAM variety series should adapt well in the entire High Plains winter wheat region from Texas north to western Nebraska or South Dakota, said Dr. E. A. Runge, head of Texas A&M's soil and crop sciences department at College Station.

By growing the new variety, insecticide use may be delayed or avoided entirely.

TAM 110 is available through

Sodbuster's Sentiment

No farmer ever plowed a field by turning it over in his mind.

Don't depend on a rabbit's foot for luck, remember, it didn't work well for the rabbit.

Mexican cattle raisers restart case against U.S. beef industry

Mexican cattle producers plan to restart an anti-dumping investigation into the U.S. beef industry, according to Reforma newspaper.

Early this year, Mexico's main livestock association, Confederacion Nacional Ganadera, agreed to drop a suit filed in May 1994 against the U.S. beef industry for allegedly dumping beef on the Mexican market. This was part of an agreement between the National Cattlemen's Association (now National Cattlemen's Beef Association) and CNG to work together to increase trade in beef and beef cattle between the United States and Mexico, establish consultation to avoid trade controversy and promote the exchange of information to strengthen both cattle industries.

NCA also encouraged the providing of \$125 million in U.S. Department of Agriculture

credit guarantees to cover a substantial portion of Mexican ranchers' import needs.

Mexican cattle industry sources now say that the U.S. beef industry continue to dump beef in Mexico, despite the agreement to promote cooperation between the two industries. According to Reforma newspaper, not all Mexican producers supported the pact between the two countries.

Texas and Southwest Cattle Raisers Association President Chauncey O. Thompson Jr. says, "I just don't believe that the United States has any exporters that are selling beef at less than cost in Mexico, and that's what 'dumping' is."

"We feel that trade is a two-way street, and if they're going to sell cattle to us, then we should be able to sell to them," he emphasizes. from: *TSCRA Update*

GAINESVILLE LIVESTOCK MARKET, INC.

10TH SEMI-ANNUAL REPLACEMENT FEMALE SALE

Wednesday • NOVEMBER 20, 1996 • 12:00 Noon

From sunrise to sunset, since 1938 our mission has never changed. Every day we have one goal in mind. To bring you the most reliable and lowest cost electric service possible. We're proud of the fact that our electric rates are among the very lowest in the state. And our service reliability is maintained at a superior level year after year. Still, we're not satisfied. That's why each and every day we're working hard to lower costs and eliminate power outages.

Cooke County Electric Cooperative's number one priority is you, the customer. From sunrise to sunset!
