

## Cooke County takes stand against outside hazards

Janet Johnson, Virgil Hess and Evelyn Walterscheid announced their intentions to run for re-election in 1998 at a dinner in their honor Saturday evening. The Cooke County Democratic Party-sponsored event featured Pete Patterson, candidate for State Agriculture Commissioner (below, left) and U.S. Congressman Ralph Hall (below, right) as guest speakers. Dave Fette Photo

## 3 announce intentions to run for re-election in '98

by Janet Felderhoff  
An appreciation dinner was held Saturday, Oct. 25 in the Muenster VFW Hall by the Cooke County Democratic Party. The event was held in honor of three Democratic county officials, County Commissioner Virgil Hess, County Clerk Evelyn Walterscheid, and County Treasurer Janet Johnson. They used the occasion to officially announce their intentions to run for re-election in 1998.

Evelyn Walterscheid thanked her staff and credited them for their help in the efficient operation of the County Clerk's office.

Janet Johnson remarked that if the Democratic Party is wrong then it's their job to get the Party back on track, not to abandon the Party.

Virgil Hess thanked the people who helped organize and put on the evening's event including Barbara Pybas, the Smokehouse and Clyde Fisher.

U.S. Congressman Ralph Hall attended the event. He was introduced by Larry Claxton, chairman of the Cooke County Democratic Party. Hall expressed his affection for Cooke County and its people. He has an office in Gainesville and Marlene Hess and Marcia Shasteen are his office staff. He noted that the Democratic Party is pro family and pro jobs.

Hall remarked that he would like to see the Democratic Party pull back to the middle and become more like the old Party. He thanked all who had been so good to him.

Another special guest was Texas State Representative Pete Patterson, candidate for the Democratic nomination for Ag Commissioner. Mr. Patterson served 21 years on the State Ag Committee.

"Nothing is more important than feeding your people," remarked Patterson. "The producer has to make a profit. I am still involved in agriculture. If agriculture does poorly, the whole state economy does poorly."

Other special guests included Jack Kennedy, chairman of the Grayson County Democratic Party, Cooke County Judge Russell Duncan, and District Judge Jerry Woodlock.

Those attending dined on a barbecue dinner, were entertained by Dr. Mike Linder and the NCTC Pop singers and had the opportunity to sign up for door prizes and to have their faces painted.

Dinner and refreshments were provided by Jim and Tim Klement, John Schmitz, Rosy Harris and Clyde Fisher. Barbara Pybas and Susie McDonald were co-chairmen for decorations.

by Janet Felderhoff  
"It seems like Dallas has gotten our water, now they're going to stick this (FM radio tower) in, and we're talking in a minute about getting sludge dumped on us. I just don't want us to be a dumping ground for whatever somebody else wants to put in our county," said Cooke County Judge Russell Duncan as he voiced his concern at the Oct. 27 Commissioners Court meeting.

The Southwest Branch of the FAA notified Cooke County of the intent to build a 1920 foot tower in the southwest part of the county, near Greenwood. Airplanes flying at 3,000 feet could potentially be endangered by the tower. Sea level in this area is about 780 to 800 feet and the way airplane instruments are calculated to measure, they would be flying at 2,000 feet above ground.

Judge Duncan pointed out that the Gainesville Airport had spent a lot of money improving their runway so that jet traffic could land there. Also there is more and more private aviation coming out of Dallas that uses the Gainesville

Airport. "Now somebody is putting up a 3,000 foot obstacle," said Judge Duncan. "It's kind of dangerous to us. It's an FM tower for Dallas. If Dallas wants to have an FM tower they ought to stick to Dallas instead of sticking it here in Cooke County."

Commissioners Court unanimously adopted a resolution to oppose the tower. Judge Duncan will write a letter to the FAA registering the County's objection.

Some residents in the southwest part of Cooke County have approached members of Commissioners Court concerning another problem. Heavy truckloads of sludge are being trucked into the county and dumped on private property in Precinct #3 near Era.

Residents of the area complained that the odor from the sludge was unpleasant and at times obnoxious. One man said that the children refused to play outside because of the smell. At times it is so overpowering that a car left parked in the area will have the smell in its interior.

Virgil Hess, Precinct #4 Commissioner, noted that when he became aware of the situation he read the permit issued to the company for dumping the sludge. "It stated in that permit that if they plowed this into the soil, it had a day limit or a month limit," said Hess. "Say they planted wheat, it could not be used for human consumption within so many days after it had been plowed in. Well, who's going to monitor those things and whose to say the man's not going to combine that wheat and put it right in with the rest of everybody else's. There were a lot of things - you couldn't graze cattle and numerous different things. It says it's not toxic. I say it is. If it wasn't toxic then why would they put those restrictions?"

It was thought that the sludge is being trucked in from either Denton County or from the Fort Worth area. "Let them take care of their own and we'll take care of our own, but I don't want them dumping it on us," remarked Hess.

Permits to dump are issued by the state. The county does have the right to ask that they

be notified of any such permits issued.

John Pipes, environmental officer for Cooke County, noted that he had written a letter to the TNRC asking to be notified if anything is dumped in Cooke County or within one mile of the Cooke County line. Each time a load of sludge is dumped a sample is supposed to be taken and tested. Pipes requested that the county be sent these results so they know what is being put out.

Mr. Pipes also expressed concern about the area in which the sludge is being dumped in Cooke County. "About half of that is real rocky and there is no way to plow it in," he said. There is also concern about the sludge washing into nearby creeks and contaminating them. Commissioners asked Pipes to collect water samples now and after more rain when runoff begins.

Commissioners adopted a resolution voicing their objection to the dumping of the sludge and authorizing Judge Duncan to register the opposition with the state.

## Veterans Day celebration scheduled in Gainesville

The city of Gainesville is sponsoring a Veterans Day celebration at the Cooke County Veterans War Memorial on West California Street at the Leonard Park entrance on Tuesday, November 11, 1997, at 5:30 p.m. The public is invited to attend. There will be a fireworks display, fly over by the Confederate Air Force, patriotic music and the Gainesville V.F.W. Post #1922 will host a barbecue dinner after the celebration in the Leonard Park Pavilion.

## Muenster First Baptist Church holds revival

The First Baptist Church of Muenster will hold an old fashioned Revival meeting beginning Sunday, Nov. 2, 1997, at the 11 a.m. Service. Another Service will be held at 6:30 p.m. Sunday evening. Weekday services on Monday, Tuesday, and Wednesday will begin at 7 p.m. For more information call 759-2772.

## County experiments with county road speed limits

by Janet Felderhoff  
Several county roads in Precinct #1 are now guinea pigs of sorts. At the request of some residents, Commissioners Court voted to adopt speed limits on certain stretches of roads that are unsafe to travel at 55 miles per hour. These new speed limits will be posted and can be enforced. The decision was made at the Oct. 27 meeting of Commissioners Court.

Some reasons given for lower speed limits were narrow hilly roads, blind intersections, sharp curves, and a road being used as a drag strip.

Roads involved and their new speed limits on posted stretches are CR 107 - 45 mph; CR 119 - 35 mph; CR 136 west of Hwy. 678 to CR 139 - 45 mph; CR 136 east of Hwy. 678 to CR 109 - 45 mph; CR 123 between Hwy. 82 and Hwy. 678 - 35 mph; CR 153 end to end - 35 mph; and CR 150 beginning at the intersection of 678 and ending at the intersection of

CR 145. Commissioners aren't sure how well these limits will be adhered to and could not guarantee their enforcement. They feel it is to their advantage to try posting speed limits in the Precinct #1 area and to wait for some time before trying this in other areas of the county.

Parking for county employees is becoming a problem. Currently they use the parking lot behind the county library and behind the Aitchison building, but both are now full much of the time and the 75 to 80 county employees who work at the courthouse are finding it more difficult to find a space to park.

Downtown businesses are growing and some owners have complained that county employees park downtown and move their vehicles every two hours which takes up spaces that could be used by customers. Commuters who use downtown parking lots

were pointed to as using many spaces.

Commissioners agreed that something should be done to find more parking spaces for the employees. One possible solution would be to assign parking spaces or to issue permits for certain parking lots. A count will be made of courthouse employees and the number of parking spaces available so that a solution can be found.

Bids were opened steel beams, angle iron and sheet metal, for #1 and #2 crushed base rock, and for corrugated galvanized metal pipe. Bids accepted were Metal Sales and Flusche Enterprises, Inc. for steel beams, angle iron and sheet metal; Texas Steel Culverts for corrugated galvanized metal pipe; #1 crushed base rock to J.R. Thompson, Erlanson, and Meridian; and #2 crushed base rock to J.R. Thompson.

In other business conducted at the Oct. 27 meeting Commissioner Court:

- Agreed to request by County Treasurer Janet Johnson to keep five percent allowed for filing fee for basic civil legal services for indigents.

- Decided to have the Christmas tree put on the southeast corner of the courthouse lawn this year.

- Re-appointed CPA Tom Schalk for independent audit.

- Approved purchase of a 1981 Tempa Beal, double door, belly dump trailer at \$10,000 for Precinct #1.
- Voted 3-2 to have Sheriff Compton ask for bids locally on a half ton four wheel drive vehicle with extended cab to be used by the environmental officer and the Sheriff's Department when needed. Hess and Lewis opposed the added expense of four wheel drive which Sheriff Compton felt necessary for the type of work.

## Local schools host second session of Aim For Success

by Janet Felderhoff  
Aim for Success is a program that should prove educational for both adults and students in Muenster. There are two programs scheduled, one for parents and other interested adults on Tuesday, Nov. 4 at 7 p.m. and on Wednesday, Nov. 5 for students in Muenster ISD and Sacred Heart School.

Aim for Success is a nationally acclaimed educational organization that promotes sexual abstinence among young people. Marilyn Morris, president of the organization, will present the program to parents Tuesday evening. Her informative and interactive programs have helped many parents as they struggle to talk to the children about sex and the choices and consequences involved.

Marilyn Morris is the author of "ABSTINENCE: The New Sexual Revolution". For the last 10 years Marilyn has spoken to thousands of

teenagers challenging them to strive toward excellence by developing self-control, self-respect and self-discipline. Students are encouraged to develop a strong, responsible character they deal with the difficult issue of sexual pressure.

Marilyn and her husband Charles have been married for 27 years. They have two daughters and a grandchild.

The parent presentation includes a preview of the student program. Topics to be discussed include: pregnancy, sexually transmitted diseases, emotional scars, safe sex, and how far is too far. After this program parents will be better equipped to know why, when, and how to talk openly with their children about sex.

Parents, grandparents, and anyone else who cares about today's youth are invited and encouraged to attend Tuesday's program at 7 p.m. in the Muenster High Auditorium.

# William J. Fuhrmann dies

by Elfreda Fette  
 Mass of Christian Burial was held on Tuesday, Oct. 28, for William J. Fuhrmann, age 77, who died at his residence in Gainesville on Oct. 26, 1997. Father David Petraitis OSA, pastor, Father Reinhard Sternamann OSA, and Father Harry Fisher of Valley View officiated in St. Mary's Catholic Church at 10 a.m.

William J. Fuhrmann was born on May 19, 1920, in Vinita, Oklahoma, to Anthony and Lucy Johnson Fuhrmann.

He moved to Cooke County at an early age. On April 29, 1947, he married Imogene Bezner in St. Mary's Catholic Church. He was employed by Barnes Bros. Well Service for 30 years. Following his retirement, he was employed by Sacred Heart Parish in Muenster, brought here by Father Denis Soerries OSB. He was actively involved in general maintenance, and assisted Father Sebastian Beshoner OSB since both were quite knowledgeable in care of plants, shrubs, trees, flowers, and landscaping.

At Sacred Heart School he frequently "lent an extra hand" working in the gym, on the football field, in painting, and helping the Benedictine Sisters where needed. He enjoyed the students, especially the little children. He continued working in Sacred Heart Parish until illness forced his retirement in April, 1997.

Survivors are his wife, Imogene Fuhrmann of Gainesville; sons William Eugene Fuhrmann of Houston; Larry Fuhrmann of Gainesville; son and daughter-in-law Dennis and Deborah Fuhrmann of Gainesville; daughter Judy Reidy of Lindsay; daughters and sons-in-law Brenda and Anthony Price of Whitesboro; Linda and Joe Goodin of Jacksonville, Florida; Sandra and Carl Jones of Las Vegas, Nevada.

There are 19 grandchildren, six great-grandchildren. Also brother and sister-in-law

William J. Fuhrmann

Marcus and Catherine Fuhrmann, and sisters Mary Schilling and Lucy Hess all of Muenster.

He was preceded in death by his parents.

Participating in the special liturgy for the funeral Mass were the St. Mary's Church Choir and organist Pat Hennigan, Jr. who presented sacred music; Jerry Barnes and Glenn Hacker who gave the eulogy and "Remembering Willie"; and Eucharistic ministers Julian Smith, Jim Lemmings, and Hank Dieter.

A Rosary service was held Monday at 7 p.m. in Geo. J. Carroll and Son Funeral Chapel.

Burial in St. Peter's Cemetery of Lindsay was directed by Geo. J. Carroll and Son Funeral Home. Pallbearers were Mark Fuhrmann, Steve Fuhrmann, Ted Henscheid, Jerry Barnes, Mike Stoffels, and Sylvan Walterscheid.

The family has suggested memorials sent to Home Hospice of Cooke County, P.O. Box 936, Gainesville, Texas 76241

# CCRW receive awards at TFRW Convention

Cooke County Republican Women (CCRW) were honored at the Texas Federation of Republican Women's (TFRW) Convention in Lubbock Texas, Oct. 17-19 when they received the TFRW John Goodwin Tower Award of Excellence and the National Federation of Republican Women's Diamond Award for Outstanding Achievement. These awards were presented to CCRW for their outstanding work in Member education, campaign work, general political activity, club programs, and club and party promotion.

Delegates attending the TFRW Convention were Patricia Peale, chairman of the Cooke County Republican Party and LaVerna Nasche, president of Cooke County Republican Women. Also attending was Angelo Nasche. "Winds of Change" was the theme of the Convention.

Speakers talked about the political changes that have taken place by the growth of the Republican Party in Texas. Keynote speakers included Gov. Bush, First Lady Laura Bush and Sen. Kay Bailey Hutchison. Other speakers included Susan Weddington, chairman Republican Party of Texas, Tony Garza Secretary of State, Rick Perry, Texas Agriculture Commissioner. Justices of the Texas Supreme Court who spoke included: the Honorable James Baker, Greg Abbott, Craig Enoch, and John Cornyn. Judges of the Court of Criminal Appeals who spoke were: the Honorable Sue Holland, Paul Wommack, Lawrence Meyers, Sharon Keller and Steve Mansfield. Texas Railroad Commissioners who spoke were the Honorable Carole Keeton Rylander, Barry Williamson, and Charles Matthews.

Dr. Tom Currier flips pancakes during the Muenster Kiwanis Pancake Supper last Friday. Money raised will be donated to Muenster Public Library and the Muenster Chamber of Commerce. Attendance was down some from last year. Janie Hartman Photo

# Talent sought for Red River Arts Show

by Janet Felderhoff  
 Last year's Red River Arts Roundup was so well received that as requested the event will be two days instead of one. Dates are Nov. 15 and 16. It will again be held in the Community Center in Muenster.

The event is open to everyone. Media categories are Amateur Adults, Experienced Adults, Students (preschool to grade 12), and Craft Division categories are the same as media. Media includes oil, acrylic, watercolor, pencil, pastel, charcoal, pen and ink, tole/decorative painting, quilts, needlework, wearable art, jewelry, sculpture, woodworking, ceramics, photography, mixed media and miscellaneous.

Awards to be presented include Best of Show Adult, \$50, and Student, \$25. Judges' Choice and People's Choice ribbons will be awarded for first, second, third place and honorable mention.

There are entry fees. Adults pay \$2 each for the first three and \$1 for additional entry. Students Pre K through sixth grade pay fifty cents each

entry; seventh through twelfth grades pay seventy five cents each entry; group projects will be charged a quarter for each student in the group.

Sponsoring the event is the Muenster Chamber of Commerce. They request that all two dimensional adult work be framed and ready to hang. Two dimensional student work should be framed or matted. An entry label must be attached to each entry.

Those submitting entries will not be allowed to remove them before 2:30 p.m. on Sunday to allow the public to view all submitted work.

Registration times for entries are on Friday from 7 to 8 p.m. and on Saturday from 8 to 9:30 a.m. Judging takes place Saturday from 10 a.m. to noon. The Art Show is open to the public for viewing from noon to 4 p.m. Saturday and from 10 a.m. to 2 p.m. Sunday.

A bake sale sponsored by the Sacred Heart Home School Society will be in the Community Center meeting room from 10 a.m. to 3 p.m. Saturday. Sandwiches will be available Saturday and Sunday at the snack bar.

# City Council Agenda

The following is the agenda for the regular meeting of the Muenster City Council to be held at 7:30 p.m. in the City Hall meeting room on Monday, November 3, 1997.

1. Call meeting to order at 7:30 p.m.
2. Approve minutes of the October 6, 1997 meeting.
3. Recognize visitors and invite them to attend the entire Council meeting and to discuss their business.
4. Consider any other business to come before the Council.

### OLD BUSINESS:

1. Consider and act upon requiring snow cone stands to be moved from city viewing during non-seasonal periods.
2. Consider and act upon FY 97 and FY 98 paving projects, and whether West Sixth Street (Ash Street to R.E. Grewing Drive) should be added to FY 98 paving projects.
3. Receive a quarterly report on property clean-up throughout the city.
4. Consider and act upon whether a city ordinance should be written on banning wild animals within city limits.
5. Consider and act upon maturing certificates of deposit.

### NEW BUSINESS:

1. Consider and act upon doubling the traffic fine for drivers who damage newly paved streets.
2. Consider and act upon approving the following items associated with the Texas Community Development Program (TCDP) grants:
  - a. Time Phasing Schedule,
  - b. Initiation of professional services contract procurement for engineering services and for partial-administration of the TCDP grant.
  - c. Administration of the grant,
  - d. Requesting a waiver concerning possible conflict of interest, and
  - e. Appointment of positions to various grant duties.
3. Consider and act upon a resolution casting votes on the ballot for the Cooke County Appraisal District Board of Directors.
4. Consider and vote on recommending approval of the proposed amendment to add a reserve account for computer software to the FY98 Cooke County Appraisal District budget.
5. Consider and act upon appointing Kinley-Horn Associates, Inc. to prepare an engineering report to ask Texas Natural Resource Conservation Commission to waive the requirement to begin construction of additional wastewater facilities.
6. EXECUTIVE SESSION - The council may enter into closed or executive session to discuss the following: Texas Local Government Code 551.074 Personnel Matters. Item to be discussed is a raise for an employee recently certified as a water operator.
7. Return to open session. Act upon approving the proposed raise.
8. Consider and act upon amending the FY97 Water and Sewer Fund budget.
9. Review the October 1997 Budget Summary.
10. Review and act upon monthly bills.
11. Adjourn.

# Alvin Zimmerer dies at 66

by Elfreda Fette  
 Alvin H. "Butch" Zimmerer of Lindsay died in Gainesville Memorial Hospital on Oct. 25, 1997.

Mass of Christian Burial was held on Monday, October 27 at 10:00 a.m. in St. Peter's Catholic Church, officiated by Father Eugene Luke OSB, pastor.

Among relatives who participated in the special liturgy for the funeral Mass were Jerry Metzler as lector; Sr. Mary Rose Zimmerer, Sr. Herman Mary Zimmerer and Sr. Barbara James Zimmerer who presented Offertory gifts at the altar; Nancy Dobbs, Marie Zimmerer and Rudy Dieter as Eucharistic Ministers; and Jarrod Bayer, Natalie Dobbs and John Bayer as Altar servers.

Sacred songs were presented by the St. Peter's Church Choir, including; "Come, Follow Me," "Only A Shadow," "Irish Blessing," "When He Came" and "Ave Maria" (instrumental).

Wake Service, Rosary led by Father Eugene and Sacred Songs were held in St. Peter's Church on Sunday at 6:00 p.m.

Alvin H. Zimmerer was born on May 13, 1931 in Gainesville to Herman and Rose Kuhn Zimmerer. He was retired from Southland Paint Company. When time allowed, he enjoyed fishing; loved baseball games; and particularly enjoyed the World Series each year.

Survivors include five brothers; Bernard Zimmerer of

Alvin H. "Butch" Zimmerer

Amarillo, Frank Zimmerer of Muenster, Herman Zimmerer, Jr., Alvin Zimmerer and Billy Zimmerer all of Lindsay; and six sisters, Marie Zimmerer and Betty Hellman both of Lindsay, Agnes Betzen of Hereford, Sr. Mary Rose Zimmerer and Sr. Herman Mary Zimmerer both of Lawton, Oklahoma, and Sr. Barbara James Zimmerer of Midland.

Preceding him in death were his parents and a brother Clarence Zimmerer.

Burial in St. Peter's Cemetery was directed by Geo. J. Carroll & Son Funeral Home. Pallbearers were nephews, David Zimmerer, Michael Zimmerer, Greg Zimmerer, Chris Bayer, Jim Ott, and Jeff Hellman.

# Peveto elected to IBAT Board

Gainesville banker and civic leader Riley C. Peveto was recently elected to the board of directors of the Independent Bankers Association of Texas. The election of officers took place during the IBAT annual convention and business meeting. Peveto is chairman and chief executive officer of Guaranty National Bank in Gainesville.

"Community banks are the heart and soul of many towns and cities across our state and community bankers are always willing to step up to the plate and play an active role in civic activities," said Christopher L. Williston, IBAT president and chief executive officer. Riley Peveto is just such an individual and IBAT is fortunate to have him in a leadership role as we prepare for the new millennium."

Peveto has been active in the community banking industry for 30 years and is a director of Texas Independent Bank, the largest "Banker's bank" in the United States. Peveto's other activities include serving as director and officer of the Southwestern Diabetic Foundation and the North Texas Economic Foundation.

Peveto and his wife Betty have two children, Shannon and K. Clark.

IBAT, chartered in 1974, is the largest state community bankers association in the United States, exclusively representing more than 700 locally owned and operated independent banks in the state, with more than 1,500 banking offices located in small towns, rural areas, suburbs and cities across Texas representing more than \$61 billion in assets.

# Opinion/Editorial

## Letters to the Editor

To the Editor:  
On November 4, 1997, a special election will be held where we will be voting on 14 proposed Texas Constitutional Amendments. I have reviewed all 14 proposed amendments. Here is how I see them and how I plan to vote.

Proposition 1- Allows a person to hold the position of municipal judge in more than one municipality. This will only compound the problem of today's backlogged judicial dockets and really be in violation of Amendment VI of the U.S. constitution which calls for speedy public trials. I will vote no.

Proposition 2- Allows the Legislature to limit the maximum annual increase in homestead appraisals for each year since the most recent tax appraisal and transfer to a new residence if before law takes effect. Too vague with unfair loop holes for a select few. I will vote no.

Proposition 3- Allows the Legislature to authorize counties, cities, towns, and other local taxing entities to grant exemptions or other forms of ad valorem tax on property approved for water conservation implements. Too vague and too unfair loopholes for a certain few. I will vote no.

Proposition 4- Updates the Constitution by deleting duplicate numbering in its provisions and remove certain obsolete portions. Looks like a blank check to redo the Constitution without a Constitution Convention. I will vote no.

Proposition 5- Allows State Supreme Court to meet other than in Austin. I will vote yes.

Proposition 6- Repeal restrictions on investments of Texas Growth Fund in South Africa or Namibia. I will vote yes.

Proposition 7- Separate Texas Water Development Fund from one category to another. Too many hands in the pie. I will vote no.

Proposition 8- Authorize home equity lending. I will vote yes.

Proposition 9- For Harris County residents only. Proposition 10- Dedicate moneys from Texas Crime Victims Compensation Fund to be used only for assisting victims of crime. That is how it should be. I will vote yes.

Proposition 11- Authorize additional State debt payable from general fund for purposes other than payment of State debt. Texas is now more than \$9 billion in debt. I will vote no.

Proposition 12- If the Texas Supreme Court does not act in 180 days, motion is denied. Move it, Move it- I will vote yes.

Proposition 13- Allows Texas Tomorrow Trust Fund dedicated for tuition and fees at institutions of higher learning to exceed balance in any year using taxpayers general fund. Just another blank check to the Legislature. I will vote no.

Proposition 14- Allows Legislature to set qualifications for constables. Counties hire constables and should set the qualifications. I will vote no.

Edward 'Kit' Carson  
P.S. You do not have to agree with me, but please study each issue and know how you plan to vote before you pick up the ballot.

### "A+ Accounts" Will Help Give Parents More Control Over Their Children's Education

It used to be that parents would send their children off to school in the morning excited about what they were going to learn.

Now, millions of parents send their kids off with concern about what they might not learn, and fear for their safety. In many places, there is a good reason for these concerns and fears.

Today in our country, 40 percent of all 10-year olds can't meet basic literacy standards, and American 8th graders recently placed 28th in the world in science and math skills. And where students in most schools used to have to take part in regular fire drills, students in Los Angeles schools now have to take part in something called a "drop drill," where they duck under their desks and cover their heads in case of gunfire.

The key to solving problems such as these doesn't lie with creating a new federal program or requiring students to take another

standardized test. Rather, the key to improving education in America lies with giving parents more control over the education their children receive.

The House of Representatives took a step in this direction last week when it passed a bill that would let parents set up a tax-free savings accounts for their kids' education. They're called A+ Accounts, and they would let parents save up to \$2,500 dollars each year to help pay expenses related to sending their children to school, from kindergarten through the 12th grade.

Parents could use this money to buy a new computer for their kids' homework, or to help pay tuition at a private or parochial school. The important thing is it would be money in their pocket -- not Washington's -- and something that would give them more say over what their children are learning, and where they're going to school.

For more information on this or any other issue before Congress, please write Mac Thornberry at 412 Cannon Building, Washington, DC 20515.

HOUSE DISTRICT 62

### Supreme Court Deadline and Prepaid College Tuition

Early voting on constitutional amendments is at the Courthouse in Gainesville from October 20 - October 31. Three of the proposals you will vote on are:

#### AMENDMENT #12: Deadline for Supreme Court Action

ARGUMENTS FOR: This amendment would require the court to make a decision on a request within 180 days so that the parties do not have to wait endlessly for a decision. The deadline would not unduly interfere with the authority of the court, since most of their decisions are now made within 180 days.

ARGUMENTS AGAINST: The Supreme Court should have the discretion to take additional time on a particular case. Interference with the Supreme Court sets a dangerous precedent.

#### AMENDMENT #13: Support for prepaid college tuition

ARGUMENTS FOR: The Texas Tomorrow Fund is a prepaid higher education tuition program which allows parents to prepay college tuition at today's rates so that children may attend college in the future. This amendment puts the full faith and credit of the state behind the fund and requires money to be paid out of the general fund in the event of any shortfall.

ARGUMENTS AGAINST: The Texas Tomorrow Fund should continue only so long as it is a viable fund that is able to fund itself. Putting the full faith and credit of the state behind the fund would require the state to appropriate money from other important needs of the state.

#### AMENDMENT #14: Qualifications of Constables

ARGUMENTS FOR: The Constitution sets requirements for many public offices, but not for constables. Constables are peace officers and provide a variety of duties which will become more complicated over the years. This amendment authorizes the legislature to set minimum qualifications for the office of constable to insure that untrained and unqualified persons do not hold these positions.

ARGUMENTS AGAINST: The amendment is not necessary because court decisions indicate that the Legislature probably has the power to set the qualifications already.

#### Water Bonds and Home Equity Lending

This is the final Update summarizing the constitutional amendments to be voted on November 4 from 7:00 a.m. to 7:00 p.m. Call 668-5421 for information on voting locations.

#### AMENDMENT #7: Consolidating Water Board Authority

ARGUMENTS FOR: This amendment would allow the Board to put bond money in a single pot for water supply, water quality, flood control, and state participation in local projects, therefore reducing the need to amend the Constitution every time the state needs additional money for water supply or some specific water development project.

ARGUMENTS AGAINST: Bonding authority already approved by the voters for one purpose should not be used for a different purpose. The amendment may subject the Board to political pressure to fund special projects that served only a part of the state.

#### AMENDMENT #8: Home equity lending

ARGUMENTS FOR: Homeowners should be able to use their largest asset as collateral for loans. Texas is the only state which does not allow loans against a homestead. The interest on home equity loans will be deductible on federal income tax returns. The amendment does not change the homestead protection law except where a homeowner has voluntarily taken out a loan against the home. The bill has the following consumer protections:

- 1) A 12-day waiting period before the loan is closed;
- 2) The owner of the homestead or the spouse may rescind the loan within three days after it is made;
- 3) The closing must be in the office of a lender, an attorney or a title company;
- 4) Lenders cannot require borrowers to use equity loan proceeds to repay other debts to that lender except debts secured by the homestead;
- 5) Borrowers may not assign wages as security for the extension of credit;
- 6) Non-judicial foreclosure will not be allowed;
- 7) Loan closing fees and costs are limited to 3% of the loan;
- 8) The loan may not be used to secure credit cards.

ARGUMENTS AGAINST: This amendment eliminates protection which has been in the Texas Constitution for 150 years. Some lenders will engage in high pressure sales tactics. Elderly people who have paid off their homes will become a target for unscrupulous lending practices.

### Dear Editor,

I would like to congratulate Muenster ISD for once again earning an Exemplary rating. It is a remarkable achievement, especially since this is the fourth consecutive year in which Muenster ISD has been given the title. Receiving state recognition proves that the students, teachers, and parents are some of the best. They deserve all the recognition and more.

Public schools are an important part of our society. Many people cannot afford or meet the criteria for acceptance into a private school. I truly believe that the education and experiences that I have received at Muenster ISD have better prepared me for higher education and social interactions. I feel that I have received the best possible education that any school could offer.

Taxes are necessary for the school districts to be able to better educate the nation's future leaders. We live in an equal opportunity country, so why should we not help all students acquire the best possible education. When compared to private schools, taxpayers are often paying less to fund many students' education. The taxpayers are paying smaller amounts in some cases, to fund an education that is as good as if not better than a private education.

Being a very small town, we should all be proud of the achievements of the public school that we are fortunate to have in our town. Muenster ISD's accomplishments should prove that the taxpayers are getting their money's worth.

Holly Mullins  
Rt. 2, Box 38

### From My Side of the Fence

by Ed Cler

Dear Editor:

In your Oct. 24 issue, a letter written to the editor incorrectly represented this year's adopted tax rate for the Sivells Bend ISD as being \$1.2999. It should have read \$1.12999 - which is only a very slight increase over the \$1.11545 effective rate. In our case, this was prompted by a significant decrease in taxable property values (primarily minerals), as well as the inadequately funded state mandate for state salary schedule increases resulting from voter approval of the August 9 state referendum.

While I cannot speak for other Cooke County districts, after visiting with neighboring colleagues I am quite certain that the other districts have felt similar pressures compelling them to take compensating actions.

Sincerely,  
James Masters  
Sivells Bend Superintendent

There are many of us who watch the T.V. with some hope, as Clinton meets the press, and usually accompanied by a number of Senators and Congressmen, makes another announcement that he and the Conservatives have reached agreement, and the National Budget will be balanced, in this last case, by 2002.

Now people, I too have hopes, and I don't like to be a wet blanket, but look at the record.

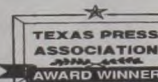

In 1978, Congress passed the Byrd law which simply stated that the Federal Government could not spend any more than it took in.

Well, we all know the outcome of that worthy intention, and of a number of re-commitments to that effect through the 80s and 90s as the deficit continued its relentless

climb. In '85 Congress passed the Balanced Budget and Emergency Deficit Control Act, later the Gramm Rudman Hollings Act which was followed by other good intentions as the years passed, but up to the present it seems that all that they accomplished was to put a terrific application of fertilizer on the deficit.

It has grown by leaps and bounds, and now we are becoming accustomed to the word, "trillions," 1,000,000,000,000.

The powers that be have run up a rather dismal record, and while I am still hopeful, I cannot help but wonder what future generations will have to contend with, and what their opinion of us older Americans will be.

## Voth, McCormick wed in Gainesville Oct. 25

by Elfreda Fette

Tracie Renee Voth and Keith Walker McCormick pledged marriage vows on Saturday, Oct. 25, 1997 in a formal double-ring ceremony at 2:00 p.m. in First Baptist Church of Gainesville, the church to which the bride belonged from fourth grade in her childhood to graduation from High School in 1992. Dr. Scott Corwin of Lakeside Baptist Church in Dallas officiated.

Daughter of Robert and Peggy Voth of Gainesville, the bride is also the granddaughter of Joe and Alvina Voth of Muenster and the late Lynzee and Ruth Branch.

The groom is the son of Terry and Marie McCormick of Amarillo. He is also the grandson of the late Rev. Keith and Hazel McCormick and Matt and Helen Walker.

The bride is a 1992 graduate of Gainesville High School and a 1996 graduate of Hardin-Simmons University in Abilene. She is employed in Customer Relations by The Annuity Board of the Southern Baptist Convention of Dallas.

A graduate in 1989 of Tascosa High School in Amarillo, the groom is also a graduate of Texas Tech University in 1993 with a Bachelor of Business Administration degree. He is a Compliance Specialist employed by The Annuity Board of SBC.

The bride was given in marriage by her parents, and presented at the altar by her father. She was wearing a sleeveless designer gown by

Bianchi, made of white Italian satin, with high neckline in front and deep V-shaped in back to the waist. The fitted bodice was accented with a beaded and pearl trim at the waist and neckline. The full skirt featured a chapel-length train. Her fingertip illusion veil with satin-trimmed edging was attached to a beaded headband.

She carried a nosegay of white lilies, pearl yellow mini-carnations, bridal white and pink roses, and white and pink alstroemeria entwined with a pearl rosary "borrowed" from her grandmother Alvina Voth. For tradition and sentiment she wore her late grandmother, Ruth Branch's wedding ring. "Something new" was a pearl bracelet and earrings set from Helen Walker, and a "blue" handkerchief from the late Hazel McCormick.

### ATTENDANTS

Robin Voth of Gainesville was her sister's maid of honor.

Beth James of Gainesville a lifelong friend, Mindy Logsdon of Nashville, Tennessee a college friend, Alison Raymond of Arlington a college friend were bridesmaids. They wore sleeveless cobalt blue dresses designed with empire waist and A-line satin skirt, velvet bodice with diamond cutouts in back accented with beads. Each carried an arrangement of Stargazer lilies, hot pink roses, yellow mini-carnations, pink and white alstroemeria and blue static.

James McCormick of Biloxi, Mississippi, brother of the groom was best man.

Daren Hathcock of Canyon,

Texas a lifelong friend, Randy Ralston of Los Angeles a lifelong friend, and Terry McCormick, groom's father were groomsmen.

Collin Harbor of Dallas, Steve Gerstung of Dallas, Rick Logsdon of Nashville, Tennessee and Alex McElreath of Denton, friends of the couple were ushers.

Colby Voth of Arlington, cousin of the bride, was candlelighter and greeter.

Wedding music was presented by Johnny Dill organist, Mark Skipper pianist, and soloists Brooke Hyden a college friend, and Meredith Eaton the bride's roommate. Selections included "Only One," "How Beautiful," "Jesu, Joy of Man's Desiring," the "Bridal Chorus Wedding March" and "Watermusic."

Church decorations included tulle draping on the altar, English ivy, arrangements of Stargazer lilies, Boston ferns, blue bows and three fresh arrangements of pink roses, yellow carnations, Gerber daisies, and blue static, and a center cascade of the same flowers. Incandescent candles marked both sides of the altar.

### RECEPTION

A reception, buffet of pick-up foods, wedding cake and punch and coffee followed in the Fellowship Hall of First Baptist Church of Gainesville. Background music was presented by Annetta Earle. Childhood photos were displayed, plus a surprise video of the couple.

Hosts for the 350 guests were the bride's parents, Robert and Peggy Voth.

Jeana Davidson of Dallas, Melissa Moore of Plano, and Heather Hadlock of Grand Prairie presided at the guest book.

The bride's table was covered with white lace, accented with cobalt blue bows and two lead crystal candleholders, and a blue vase with mixed fresh flowers.

The four-tiered Italian cream wedding cake was decorated with Stargazer lilies. The two-tiered chocolate groom's cake was decorated with chocolate-dipped strawberries. Both were made by Betty Rose Walterscheid.

Reception assistants were Laura Sears, Stephanie McElreath, Suzanne Schneider, Emily Brockelman, Karen Wade, Wanda Miller and Melinda Schmitz.

Decorations included large arrangements of fresh Stargazer lilies, roses, carnations in blue vases. Guest tables held fresh Stargazer lilies, with three votives, enhanced with cobalt blue ribbons and bows. Mini-bride-and-groom candies and cameras were placed on all guest tables. A special garden lunch was a unique park bench and trellis covered with fresh greenery surrounded by fresh mums.

The rehearsal dinner was hosted by the groom's parents on Friday, October 24 at 8:00 p.m. at The Wooden Spoon in Lindsay. Gifts were presented to the wedding party.

Upon return from a wedding trip to Lake Tahoe, Nevada, the couple will reside in Dallas.

Mrs. Keith Walker McCormick ... 'nee Tracie Renee Voth ...

## Baptisms

### Miller

Baptism for Derek Thomas Miller, son of Bert and Debi Miller of San Antonio, Texas, was held on Sunday, Oct. 26, 1997 at the 10 a.m. Mass in St. Brigid Catholic Church with Monsignor Thomas Flanagan officiating. His godparents are Uncle Sean and Aunt Gayle Burke of Coppell and Great-Aunt Betty Campbell of Houston. During the presentation of the gifts Aunt Gayle sang "Masterpiece." For the ceremony Miller wore the same christening robe as his brothers Ryan and Travis.

The Baptismal Mass was followed by a luncheon in the parents' home. Attending were Derek's grandparents Carl and Norma Anderson, of San

Antonio, and Herbert and Dolores Miller of Muenster. Also in attendance were Great-grandparents Willie and Mary Anna Simpson of Mico, Texas.

Attending from Muenster were Aunt Kathy Berres, and Uncle Glenn and Aunt Stacie, cousins Kristen, Lisa and Austin Miller, and cousin Amelia Burke from Coppell.

Attending from the San Antonio area were Great-Aunt Loretta Schlegel and family friends Sister Marilyn Malloy and Louise Fahey. Also Buck and Mary Rychman and children Katherine, Elizabeth and Emma, Kyle Walterscheid and Ernesto Elizondo from Assumption Seminary; and Great-Uncle Kris Campbell of Houston.

## New Arrivals

### Wisdom

Andi Jae Wisdom, age 5 of Thalia, Texas, is proud to announce the birth of a new baby sister, Mardi Marie Wisdom, born October 14, 1997, at 9:28 a.m. at Wichita General Hospital, Wichita Falls, Texas. Mardi weighed 7 lbs. and was 20" in length. Parents are Rocky and Gina Wisdom. The Grandparents are Mr. and Mrs. Jake Wisdom of Thalia, and Norma Clifton and Dennis Hofbauer of Muenster. The Great-grandparents are Mary Schilling and also Helen Hofbauer both of Muenster.

### Lamkin

Carol and Eddie Lamkin of Gainesville announce the birth of their first child, a daughter, Madison LeAnn Lamkin, in Gainesville Memorial Hospital on Oct. 9, 1997, at 8:12 p.m., weighing 7 lb. 2 oz. and measuring 20 inches long. Grandparents are Mary and Harvey Lamkin of Muenster and Linda and Ray Muller. Great-grandparents are Carolyn Muller of Gainesville, Jimmie Muller of Gainesville, Gen Pels of Muenster and the late Ed Pels, and Josephine and Allen Melius of Chambersburg, Pennsylvania.

## Computer books are now available at the Library

by Kay Broyles

We recently received a generous donation of books from the Cooke County Public Library. Many of these books are new text books, which we needed to help update our nonfiction collection. We are proud to have a collection of computer books on our shelves, and we have new computer books ordered. Other textbook subjects include Business and Management, Chemistry, Zoology, Math, and Algebra.

Some of the new fiction titles are: *Firebrand* by Marion Zimmer Bradley, *The General's*

Daughter by Nelson DeMille, *She's Come Undone* by Wally Lamb, *Texasville* by Larry McMurtrey, *For the Sake of Elena* by Elizabeth George, *Tygers of Wrath* by Phillip Rosenberg, and *The End of the Pier* by Martha Grimes.

We have a beautiful book about Muenster, Germany, which has a German text. This is a great book if you are looking for something to practice your German reading skills. It also has beautiful photos for those of us whose German is rusty, but our interest in Muenster is clear.

# Yosten, Cox exchange vows at St. Peter's

by Elfreda Fette

Christal Lea Yosten became the bride of Ricky Darrell Cox, Jr. in a Nuptial Mass with traditional double ring ceremony on Saturday, Oct. 25, 1997 at 5:00 p.m. in St. Peter's Catholic Church. Father Eugene Luke OSB, pastor, officiated.

The bride is the daughter of Thomas and Joyce Yosten of Denton and the granddaughter of Betty Yosten and the late Felix Yosten. She is a 1996 graduate of Billy Ryan High School of Denton and is employed by Sally Beauty Company, Denton.

The groom is the son of Kathleen and Ricky Cox, Sr. of Collinsville and Radonna and James Ford, Jr. of Corinth. He is a 1993 graduate of Lake Dallas High School and attended North Central Texas College. He is employed by Evans Pump Company.

Before the main altar, and Mary's and Joseph's side altars, all decorated with lighted candles and arrangements of white gladioli, larkspur, carnations, peonies and burgundy carnations, the bride was given in marriage by her father, Thomas Yosten.

She was wearing a white bridal satin Designer gown. The fitted bodice featured a sweetheart neckline, long lace sleeves puffed at the shoulder and slim fitted to the wrist. Rembrided Venice lace, embellished with pearls and sequins, adorned the entire gown. The full skirt, accented with a butterfly bow at the back waistline, flowed to a semi-cathedral length train. The hemline was tipped with a wide scalloped lace border. Lace motifs adorned the skirt. Her double-tiered illusion veil was held by a pearl-encrusted tiara-styled headpiece.

She carried a bridal cascade of Stargazer lilies, surrounded by white roses, mini-carnations, rosebuds, stephanotis and English ivy, accented with a white bow.

### ATTENDANTS

Emily Yosten of Denton, bride's sister was maid of honor.

Heather Briggs and Amber De Meulenaere, both of Denton were bridesmaids. Both are friends of the bride. They wore

navy blue floor-length gowns in princess-style, accented with brief above-the-waist length jackets of Venice lace. Each carried a bouquet of Stargazer lilies, white rosebuds, stephanotis, burgundy mini-carnations and English ivy.

Chris Smelser of Denton, cousin of the groom was best man. Mitch Black of Lake Dallas, uncle of the groom, and Joe Hopkins of Denton, friend of the groom were groomsmen.

Nathan Yosten of Denton, bride's brother and Ryan Cox of Corinth groom's brother were ushers.

Mass servers were Sam Hellinger and Christy Hess, both of Lindsay and cousins of the bride.

Mark Yosten was lector for the wedding liturgy. Offertory gifts were presented at the altar by the bride's godparents, Cyril and Angie Yosten. Eucharistic Ministers were the bride's aunt and uncle, Nelda and Bill Vicari and the bride's cousin, Greta Walker.

Wedding music presented by Ruth Felderhoff, organist and Christy Hesse, vocalist, included "The Rose" and "More" before Mass; "Parents Prayer" and Mother's Song; "Canon in D" organ solo for the entrance of the wedding party; Wagner's "Wedding March" for the bride's entrance; "Take My Hand" for the Unity Candle; "Household of Faith" at Communion; "Hail Mary Gentle Woman" at Mary's Altar; and "Jesu, Joy of Man's Desiring" for the recessional.

### RECEPTION

A reception, dinner and dance followed in the Lindsay Centennial Hall, hosted by the bride's parents.

Casey Smelser and Lisa Romero, groom's cousins secured guest signatures in the bride's book.

Cherub candleholders entwined with ivy held lighted burgundy candles on the bride's table.

Betty Rose Walterscheid baked, decorated and served the wedding cakes. The three-tiered white bride's cake was decorated in all-white with frosting ruffles, hearts and roses. Between tiers were fresh Stargazer lilies, burgundy carnations, white mums and greenery. The top keepsake

layer held a crystal ornament.

The groom is an avid deer hunter. His chocolate sheet cake made a clever reference to his favorite hobby. Icing decor depicted a humorous hunter, and the words: Ricky, your "dear" hunting days are over. The bride's aunt, Janice Yosten of Muenster cut the groom's cake. Other reception assistants were Matt Walker, Justin Walker, Cassie Hellinger and Elaine Hellinger.

The wedding table and guest tables held three-tiered

candleholders enhanced with burgundy ribbons, cradling bouquets of white Stargazer lilies, burgundy roses, and English ivy. Votive candles entwined with ivy and burgundy ribbon accented the centerpieces.

The rehearsal dinner was hosted by Radonna and James R. Ford, Jr. at The Smokehouse in Lindsay.

When the couple returns from a wedding trip to Branson, Missouri, they will reside in Denton.

Mrs. Ricky Darrell Cox

...nee Christal Lea Yosten...

Sgt. Sandy Dittfurth

## Sgt. Dittfurth graduates from Institute Oct. 24

Sgt. Sandy Dittfurth of the Sherman Police Department, daughter of Mr. and Mrs. Dick Dittfurth of Muenster, graduated on Oct. 24, 1997, from the Southwestern Law Enforcement Institute's School of Police Supervision. The Institute is one of the six centers within The Southwestern Legal Foundation, an international center for continuing education founded in 1947.

Ceremonies for the 42 new graduates were held at The Harvey Hotel in Plano, Texas with a luncheon address given by Inspector Brian Kingshott from the Devon and Cornwall Constabulary in England. Inspector Kingshott spoke to an audience that included police chiefs from around the region as he honored the class representing 26 departments/agencies from the states of Alaska, Colorado, Florida, Louisiana, Missouri, Oklahoma, and Texas.

This four week program of instruction not only helps first-line supervisors develop the skills which will serve them as members of the management team, but also represents an

important investment by police agencies in the career development of their officers.

The Southwestern Law Enforcement Institute holds two School of Police Supervision (June and October), an eight week Management College, and it sponsors some 20-25 other law enforcement programs during the year. Providing educational programs to law enforcement personnel from around the U.S. and abroad since 1957, the SLEI's purpose is to encourage the growing professionalism of law enforcement management as a career field and as a public administration specialty.

### Notice

Catholic Daughters of America will hold their November meeting with Memorial services on November 3, Monday, in the Knights of Columbus Hall at 7:30 p.m.

Mrs. Jerry Joseph Schumacher ... 'nee Sandra Jean Hess ...

# Oct. 18 ceremony unites couple in Lindsay

by Elfreda Fette  
The wedding of Sandra Jean Hess of Lindsay and Jerry Joseph Schumacher of Gainesville was held in St. Peter's Catholic Church of Lindsay on Oct. 18, 1997. Father Eugene Luke, OSB, pastor was celebrant of the Nuptial Mass and officiated their double-ring vows at 5:00 p.m.

The bride is the daughter of Mrs. Marcella Hess of Lindsay and the late John L. Hess. She is the granddaughter of John J. Hess and the late Edna Hess and the late William and Anna Sandmann.

She is a 1989 graduate of Lindsay High School and is P.O.S. Coordinator at Sack-N-Save Warehouse Food Stores of Gainesville.

The groom is the son of Mr. and Mrs. Melvin Schumacher of Gainesville. His grandparents were the late Henry and Elizabeth Schumacher and the late Ted and Katie Gremminger. He is a 1983 graduate of Gainesville High School and is employed by Schumacher Dairy.

Escorted down the aisle by her grandfather, John J. Hess, the bride was met by her mother, Marcella Hess, who gave her in marriage. For her wedding she chose a white bridal satin gown designed by Mary's. The fitted bodice featured a Queen Anne neckline and long, tapered sleeves. Satin embroidered lace, accented with pearls and sequins adorned the bodice, sleeves and skirt, with drapes of pearls on the bodice front. Three heart cut-outs were formed on the bodice back. A full skirt fell gracefully to a

semi-cathedral train. A large bow with pearls and sequins accented the center back waistline.

Her fingertip veil drifted from a beaded and sequined crown, with a pouf in back.

The bridal bouquet was an elegant cascade of soft white roses, freesia, larkspur, Casa Blanca lilies, mini-carnations and lyzanthus, pearl sprays, and satin ribbon.

For sentiment and tradition, she wore her late Grandmother Anna Sandmann's gold wedding band, and carried her mother's sterling and crystal rosary.

### ATTENDANTS

Janice Gilbreath of Gainesville, sister of the bride was matron of honor.

Debbie Bixby of Gainesville, bride's sister; Robin Hess, bride's sister-in-law, of Gainesville; Teresa Hess of Gainesville bride's sister-in-law; Tonya Hess of Lindsay, bride's sister-in-law; and Karen Privett, groom's sister of Gainesville were bridesmaids.

They wore floor length, plum velvet and satin gowns, designed by Alfred Angelo, featuring scoop necklines, short sleeves, and empire waistlines encircled with plum, beaded trim. Each carried a nosegay of Stargazer lilies, marsh berry, English ivy and fern.

Mandy Hess of Lindsay, bride's niece and Morgan Terrace of Gainesville, bride's great-niece were flower girls. Tyler Hess of Lindsay, godchild and nephew of the bride, and Shaun Schumacher of Gainesville, nephew of the groom, were ring bearers.

Gary Schumacher of Gainesville, groom's twin

brother was best man.

Groomsmen were Kenny Schumacher, and Dale Schumacher, all brothers of the groom, of Gainesville, Joe Bixby of Double Oak, Texas, friend of the groom and Danny Hess of Gainesville, bride's brother.

Ushers were Randy Hess of Gainesville and Stanley Hess of Lindsay, both bride's brothers, Sonny Privett of Gainesville, groom's brother-in-law and Richard Wehman of Pleasanton, groom's uncle.

Wedding music was presented by Ruth Felderhoff organist and Christy Hesse who sang "The Rose," "I Cross My Heart," "You Are The Wind Beneath My Wings," "Bridal Prayer," "Wherever You Go," "Let Us Be Bread," and "Beginning Today." Sister Yvonne Lerner OSB, aunt of the groom, sang "Hail Mary, Gentle Woman" when the bride placed a lighted candle and an ivory rose on Mary's altar in memory of her father. Organ solos were "Hymne" March, Wagner's "Bridal March" and Purcell's "Trumpet Volantare." Lectors in the wedding liturgy were Diana Schumacher, Ashlie Privett and Melanie Terrace.

Altar decorations included lighted candles in candelabra, and arrangements of lilies and roses. Ivory tulle bows with flowers and ribbons marked the center aisle pews.

### RECEPTION

A reception, catered buffet dinner and dance followed in the Lindsay Centennial Hall, hosted by parents of the couple,

for 400 guests. Music for dancing was provided by "The Entertainer."

Sonya Ford, Debbie Neu and Juline Brogdon were in charge of the guest book.

The bride's table was covered with ivory cloths and draped with ivory tulle, plum bows and greenery. A lattice background covered with tulle, held a white wreath, doves, ivory flowers and bows. Ficus trees held twinkling lights. Decorations included a heart-shaped centerpiece, flowers, greenery and lighted candles.

The bride's cake made by Betty Rose Walterscheid was all white, three tiered, and decorated with drape work and frosting roses. String pearls accented each drape. Casa Blanca lilies, loganberry, white roses and ivy rested between tiers. The top layer held a double-heart crystal keepsake ornament.

The groom's chocolate sheet cake made by Betty Rose was topped with a white frosted book, trimmed with loganberry and hunter's green. It held a miniature carriage with bridal couple figurines and the words: "And they lived happily ever after - Sandra and Jerry." The groom's cake was cut by the bride's aunt, Ann Hess.

Reception assistants were Betty Rose Walterscheid, Ann Hess, Heidi, Cassey and Kaileigh Hess, Sarah Reed, and Ashlie and Kaylee Privett.

The rehearsal dinner was hosted by the groom's parents in the KC Hall of Gainesville.

Since returning from a wedding trip to Las Vegas, the couple is residing at Rt. 1, Gainesville.

## MMH plans Christmas decorating, presents check

The October meeting of the MMH Auxiliary was opened with a prayer led by Betty Rose Walterscheid, president. Laura Pagel, treasurer, presented the financial report. The Auxiliary unanimously approved a motion to present Muenster Memorial Hospital with a check of \$20,000 to be used for new floor coverings. Jack Endres, administrator, accepted the check on behalf of MMH.

Nomination for new officers were accepted and voted on by auxiliary members at the meeting. The officers nominated for 1998 include: Kathy Bauer, President, Betty Miller, 1st Vice President, Mary K. Endres 2nd Vice President, Carol Klement, Treasurer, Denise Pagel, Secretary, and Betty Rose Walterscheid, Parliamentarian. Installation of these officers

will be held at the January meeting. The time and date of this meeting will be announced in January.

Tuesday, Dec. 2, was chosen as the date to decorate the hospital for Christmas. Decorating will begin at 5:30 p.m. Volunteers would be greatly appreciated.

If you are a member of the MMH Auxiliary and would like to become more involved, or are interested in joining the MMH Auxiliary, please contact Kathy Bauer at 759-2573 or Mary K. Endres at 759-4546.

Lauren Rohmer

## Lauren Rohmer turns three with Elmo!

Lauren Rohmer, daughter of Greg and Melody Rohmer, celebrated her third birthday on Oct. 19. Her actual birthday was October 22.

Guests were treated to a hamburger cookout at Lauren's home. The theme of the party was the Sesame Street Characters. Hamburgers, Elmo cake, ice cream and lemonade were served. Gifts were opened and pictures taken.

Guests included her parents; sister Adrien; grandparents Robert G. and Gloria Klement and Agnes Rohmer, Great-grandparents Frank and Lucille Zimmerman, and Ed and Rose Klement, and great uncle Ronnie Klement. Also

attending were uncles, aunts, and cousins Justin Klement, Shelley Klement, Scott Klement, and Chris, Leslie and Kalyn Dangelmayr.

On Lauren's actual birthday, she shared cupcakes with her friends at Tender Loving Care Daycare.

## Coat and Can Drive Nov. 2

Sacred Heart Life Teen is having their annual coat and can drive on Sunday, Nov. 2, from 7-8:30 p.m. Residents are asked to donate canned goods and spare coats, which will be going to local food banks and

shelters. They will be going door to door for your donations. If they miss you, you can bring your donations to the Sacred Heart Youth Office, located in the convent, on Monday, Nov. 3, before 4 p.m.

# Top 4-H honors go to Lydia Felderhoff

Lydia Felderhoff, granddaughter of Wilfred and Polly Reiter and Thomas and Barbara Felderhoff all of Muenster, was recently honored by the 4-H Youth Organization for receiving First Place in the 4-H State Record Book Competition.

Lydia completed a record book in the Conservation of Natural Resources project. Her book summarized her work in Natural Resources, highlighting her involvement with the National Beach Clean-Up program, establishing a neighborhood recycling program outside the city limits of College Station, establishing a youth Conservation of Natural Resources project group, and raising Bobwhite quail for a wildlife release project. Lydia also was selected to be Teen Leader at the 4-H State SpecTra Camp in Brownwood this past July, leading the Field and Stream program of the state camp.

Lydia was honored with an expenses paid trip to Dallas and the State Fair, where she was honored with the other 49 state winners at a banquet at the Dallas Grand Hotel. During the banquet, Lydia was awarded a \$500 scholarship for her work in the 4-H program. Only six scholarships were given through the state record book competition. Lydia also competed in the Range Identification Contest at the State Fair, where her team won Grand Champion Range Team.

Also, Lydia was honored in her county during the Brazos County 4-H Awards Banquet. She was awarded the prestigious 4-H Gold Star for 1997 of Brazos County. She also received the county's Community Service award for her work with natural resources, the Boys and Girls Club, Phoebe's Home (home for abused children), tutoring younger children after school, serving in her church as an altar server and Religious Education teacher, and serving the city's poor by delivering meals to the home bound. Only one such award is given to a 4-Her in the Brazos County.

Lydia Felderhoff is the daughter of Chris and Sandy Felderhoff of College Station, and she is a junior at A&M Consolidated high school in College Station.

Lydia Felderhoff

The Sacred Heart High School Class of 1987 celebrated their 10th-year reunion on Saturday, Oct. 11, and Sunday, Oct. 12; first at the Alumni Homecoming Dance, followed by breakfast served in the home of Kerry and Mike Dangelmayr on Saturday. On Sunday, they all met again, with their children for lunch at The Center Restaurant. Thoughts of another reunion, in possibly five years, ... maybe a cruise! ... were enticing. Shown in the photo are, from left, back row - David Halley, Sharon Hermes, Craig Voth, Kerry Dangelmayr, Todd Thorson, Terry Bartel and Mike Adair; middle row - Shari Flusche, Shana Haverkamp, Kelly Schilling, Beverly Luterkamp, Sally Stoffels, Amy Bonner, Frank Hastings and Steven Knabe; front row - Gail Killian, Dayna Lutkenhaus, Laura Fuhrmann and Kelley Waters. Not pictured: Stephen Becker, Richard Fuhrmann, Tracy Henschel, Casey Houtchens, Doug Aston and Gayle Knabe.

## Joint birthday celebration fetes mother, daughter

A joint birthday celebration was held Sunday, October 26, in the home of Arthur and Rachel Hennigan honoring Rachel, whose actual birth date is October 21, and their daughter, Donna, whose actual birth date is October 14.

A tropical fish theme was carried throughout. Colorful banners, balloons, and ornaments of various fish and sea creatures were in view. The cake was also decorated with the tropical theme and laid on a large vivid fish tray. Stuffed little sea creatures were on the table for Rachel to keep.

A pork chop dinner and refreshments of cake and ice cream were served to the guests. Videos and pictures were taken and gifts were opened.

Attending throughout the day were the children, Donna and new husband, Nick Nervo, of Arlington; Lisa and husband Darrell Hess, and children Jordan, Brandon and Brittany of Hurst; the two honorees' mother and grandmother, Odilia Lutkenhaus of Muenster; sister and aunt, Linda and husband, Robert Coursey of Gainesville; and brother and uncle James Lutkenhaus of Bedford.

When shopping for recycled products, don't be fooled by a recycling symbol with hollow "chasing arrows." This version is used to encourage the consumer to recycle the container. Remember, hollow arrows mean the product is recyclable.

## New Arrivals

### Morris

Randall and Alethea Morris of Muenster are parents of a son, Colton Lloyd Morris, born on Monday, Oct. 13, 1997, at 5:38 a.m. in Gainesville Memorial Hospital, weighing 7 lb. 8 oz. and measuring 20 inches long. He has one sibling, Wade Morris, age 8, of Ogden, Arkansas. Grandparents are Mary Ann Hess and Earl Hess of Muenster, Melvin and Linda Morris of Texarkana. Great-grandparents are Cecilia Hermes of Lindsay, Agnes Hess of Muenster, Gladys Morris of Welch, Texas, and Clara Spears of Pawnee, Oklahoma.

### Woods

Virgil and Amy Woods of Gainesville announce the birth of their first child, a son Virgil Stephen Woods in Muenster Memorial Hospital on Oct. 23, 1997, at 5:42 a.m., weighing 9 lb. 10.1 oz. and measuring 22 inches long. Grandparents are Virgil and Eleanor Woods of Mountain Springs and Jasper and Alice Roberts of Gainesville.

### Harrell

Jerry and Joye Harrell of Gainesville are parents of a daughter, their first child, Alexandria Paige Harrell, born in Muenster Memorial Hospital on Oct. 25, 1997, at 9:50 p.m., weighing 7 lb. 7.8 oz. and measuring 20.5 inches in length. Grandparents are Rickey and Tracey Barthold of Valley View, and Gene and Sandra Harrell of Gainesville.

### Bacon

Jerry and Amanda Bacon announce the birth of a daughter, Haileigh Brianna Bacon on Friday, Oct. 10, 1997, at 11:47 p.m. in Gainesville Memorial Hospital, weighing 7 lb. 1.5 oz. and measuring 20.5 inches long. She joins a brother, Austin Tyler Bacon, age 19 months. Grandparents are Debby and Jack Schoppa of Saint Jo, Jimmy and Jerry Bacon of Gainesville, Carolyn and Ed Vera of Lewisville and Don Rice of Sherman. Great-grandparents are Inez and Roy Sistrunk of Gainesville, Betty Hair of Whitesboro, Della and Denis Walterscheid of Muenster, Dorothy and Pete Rice of Greenville, and the late Dessie Skaggs of Gainesville. Great-great grandparents are Ida Mae Herr of Muenster and Marie Walterscheid of Muenster.

Solid arrows in the recycling symbol mean the product is made from recycled materials. You'll see this symbol on items such as stationery, greeting cards, plastic garbage bags and paper towels.

## Country Tidings

by Ruth Smith

The annual Harvest Supper at the Ross Point Community Center will be Saturday, Nov. 8, 1997. Serving will start at 4:30 p.m. and will continue to serve until 7:30 p.m. Everyone is invited to come and enjoy a good Thanksgiving meal.

Mrs. Gladys Balthrop, Mrs. Anna Kirk, David Wayne, and Becky met Mrs. Cranston Smith and new baby daughter Alexandra Nicole in Denton and they all had dinner together. The new baby is a first Great-granddaughter for Mrs. Gladys Balthrop. She has several great-grandsons.

Barry Christian of Lewisville visited his grandparents Mr. and Mrs. C.H. Christian Sunday.

Miss Lois Bewley and Mrs. Agnes Brandon were in Gainesville Thursday. Mrs. Ina King of Bowie visited Miss Lois Bewley Saturday afternoon.

Trey Payne and a group of his friends from Arlington camped out at his grandmother's Mrs. Juanita Greeneads' lake during the weekend.

Mrs. Pauline Sicking and Ruth Smith attended the singing convention at The Woman's Building in Decatur Saturday evening.

The Singing at the Forestburg United Methodist Church Sunday evening was well attended. Refreshments were served.

## Construction closes GMH north parking

Gainesville Memorial Hospital began construction on an addition to its Health Information Management Department Monday, Oct. 27.

Due to the construction, the O'Neal Street entrance of the hospital, along with the north parking area, will be closed. Parking will still be available on the east, west, and south sides of the facility. Project completion, excluding weather delays, is estimated at 120 days.

"We apologize for any inconvenience this might cause for our patients, families, and visitors. We hope to be able to open the parking area as soon as the foundation and framing work is complete," said GMH administrator William Abbott.

## SH Parish to host Thanksgiving Social

The annual Sacred Heart Parish Social preceding the Thanksgiving holiday will be held Nov. 23 in the Community Center. A bountiful meal will be served from 11:30 a.m. until 2 p.m. It will feature familiar favorites turkey, dressing, German sausage, potatoes, gravy, sauerkraut, corn, combination vegetable salad, fruit salad, cranberries, hot rolls, choice of desserts, coffee, tea. Meal tickets are \$6 for adults, \$3 for children. Dinner chairmen are Carrie Walterscheid and Virgilia Herr.

An Arts and Crafts Booth will open at 1 p.m. Co-chairman are Stacie Miller, Charlotte Dangelmayr, and Aileen Knabe, with assistants Tammy Wimmer, April Walterscheid, Harriet Scoggins, Sylvia Herr, Debbie Hess, Monica Hess, and Janie Taylor. A Sweet Shop will offer traditional baked items in a big variety. Charlotte Klement is chairwoman.

A cake from each family is requested for the cake walk, Monica LeBrasseur is chairman.

A pie from each family is requested for the dinner. Everyone is invited to come for a wonderful meal, enjoy an afternoon of hospitality relaxation, and see what's on for the Silent Auction.

## Hornets smash Savoy, 70-0

The Muenster Hornets had a free and easy contest last Friday night when the Savoy Cardinals drove into town. "Savoy got off the bus not ready to play," noted Hornet Coach Randy Tankersley. "I felt sorry for their coach. I didn't want to beat anyone like this. We played everyone we had." The Hornets pulverized their visitors 70-0.

"If you take a knee to keep from scoring, it's an embarrassment to your opponent. You're telling them they aren't worth playing," Tankersley explained. "It was a good win. I'm very proud of the boys coming back strong after a heart-breaking loss to Celeste. Everyone played and everyone did a good job."

Savoy took the opening kick, but after losing three yards, punted. A short kick and a 16 yard return by Scott Hermes sent the Hornets on the Savoy 33. Brian Fleitman gained 16 yards the first run with Bryan Miller scoring the next play from 17 yards out. Hermes added the extra point for a quick 7-0 score.

Savoy's next offensive attempt ended with a fumble, which Bryan Hudspeth picked up and carried 25 yards for another Muenster score. Hermes' kick gave the Hornets a 14-0 lead with 7:21 on the clock.

The Cardinals earned just one yard and punted, giving Muenster a midfield ball. Fleitman got in a 30 yard run and a 17 yard pass from Corey Anderle to get to the four yard line. Miller had the honor of finding the end zone and Hermes kicked for a 21-0 score with 4:55 remaining in the first half.

to get 10 yards, Savoy kicked again.

The Hornets mixed plays. Miller ran for 18, Walterscheid 6, and a pass to Fleitman was good for another eleven. Miller gained another 3, then Fleitman scored on a 6 yard run with 1:57 remaining till half, for a 42-0 game.

Again it was punted for the Cardinals. This time Shane Sparkman returned the punt 53 yards to score. Hermes kicked and Muenster took a 49-0 lead at the half-time break.

Muenster took the third quarter kick to the 39 yard line. Walterscheid, Fleitman and Miller took eight plays to score, a 5 yard run by Fleitman. Hermes kicked the extra point for a 56-0 lead with 7:29 on the clock.

Lucas Hartman covered a fumbled ball, so Muenster quickly regained possession. Runs from Darren Hennigan, Hudspeth, Cory Charles, and Sparkman moved the Hornets to the six yard line. Bryan Hudspeth ran in for 6 points. Hermes kicked for a 63-0 score with 1:46 left in the 3rd quarter.

Savoy carried the ball into the final period getting into Muenster territory before running out of downs. Under the direction of quarterback Jesse Luke, the Hornets pounded 13 plays at the Cardinals, including runs by Luke, Hennigan, Sparkman, Charles, and Eric Fisher. With 2:41 remaining in the game, Darren Hennigan scored on a 3 yard run. Nick Silmon kicked the extra point to give Muenster a 70-0 victory.

Sophomore Bryan Miller got over 1000 yards for the season Friday night, rushing for 110

Tankersley noted that Era's quarterback Bradley Stevens is the best in the district, along with Dustin Bookhout and Wayne Twiner in the backfield.

Muenster must win this Friday night by 16 points to earn a playoff spot. A victory alone will not be enough. So put on your Red and travel to Era this Halloween night and give your support to the Muenster Hornets.

## Warriors edge out Tigers, 20-13

"This was really a tough one to lose, especially since we played so hard," commented Sacred Heart Coach John Nasche on the Tigers 20-13 district loss to Lakehill Prep. "It was our best performance of the year, minus turnovers that gave Lakehill 14 points. We had our chances, but things didn't work out late in the game." The loss puts the Tigers 2-1 in conference play, but they are not out of the playoffs yet.

The Tigers took the opening kick, but fumbled on their third run, giving the Warriors possession on the Tiger 32 yard line. The next play Lakehill

scored on a pass play. The extra kick failed, giving Lakehill a 6-0 lead with 10:44 left on the clock.

The Tigers second drive was also shortened when the ball was fumbled, but five plays later, Jon Grewing recovered the ball for Sacred Heart on the 16 yard line.

Sacred Heart could not gain any ground and punted. It took Lakehill five plays to move the ball 44 yards and score. With the extra points, the Warriors extended their lead to 14-0 with 4:31 remaining in the first quarter.

The Tigers bounced right

yards and a Walterscheid run moved the ball to the 26. Two passes later, the Warriors picked off a pass at the 7 and ran out the remaining 1:17 off the clock.

Coach Nasche noted that the Tigers running defense was good against Lakehill, but needs more work, and besides one touchdown catch, the pass defense was excellent. Defensive standouts included Jeff Yosten, Josh Walterscheid, Lucien Gehrig and Aaron Hess.

"Our offense played well enough to win. The linemen did an excellent job of blocking and Jeff Yosten had a good game

The Sacred Heart defense contained and smashed Lakehill's runner on this series to force the Warriors to punt. The Tigers are John Grewing,

Russell Fette, Lucien Gehrig, Matt Muller, Matthew Nasche, Derek Fuhrmann, Waylon Hess and Jeff Hartman. Dave Fette Photo

Eric Fisher (83) picks up an 8-yard gain behind the blocking of Darren Hennigan (34), John Flusche (30), Jesse Luke (44), Angel Hernandez

(61) and Aaron Klement (11). The Junior Varsity Hornets got in plenty of playing time in last week's 70-0 district win over Savoy. Janie Hartman Photo

And Muenster wasn't near finished. Savoy fumbled their first play, which Jesse Luke covered on the Cardinal 23 yard line. Scott Hermes completed a pass for 14 yards, then two plays later, Jeremy Walterscheid found pay dirt on an 11 yard run. Hermes kicked another extra point for a 28-0 lead with 4:12 still on the clock.

Keeping on the ground, Savoy ran plays for minus 7, 6, and minus 8 yards, punting on 4th and 19.

Muenster carried the ball into the second quarter. Walterscheid iced the cake with a 4 yard scoring run. Hermes kicked and the Hornets increased their lead 35-0 one minute into the quarter.

The Cardinals got two first downs, assisted by a flag and two complete passes, one for 22 yards. But three consecutive incomplete passes turned the ball over to Muenster.

The Hornets went airborne. After two incomplete passes, Brian Fleitman, caught two for 18 and 17 yard gains. Then the drive ended when Savoy covered a fumbled ball. Unable

yards in eleven carries. Brian Fleitman added 83 in 7 attempts. "Everyone played well, but I was especially pleased the way Shane Sparkman came back from his injury," noted Coach Tankersley. "Also the way the young kids played, the JV linemen." The coach noted that everyone on defense had a great game, especially Barry Fleitman and Erik Walterscheid.

**Next Action - Era**  
It will be the battle of the Hornets this Friday night as Muenster and Era fight for a playoff berth.

"We are ready. We are focused on Era," said Tankersley. "They are young and hungry for a victory."

by Thompson Temple

## ... And the rut is on ...

I have within the last week watched bucks chasing does like crazy! This is good news for rifle hunters hunting this deer season opening. Bucks are on the move throwing caution to the wind. Many a wise old buck has fallen to the patient deer hunter during the height of the breeding season.

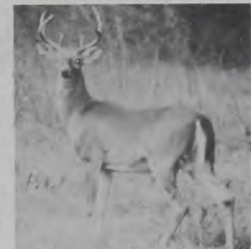

I have been a deer hunting guide for 20 years. What will I be doing when the season opens? I will be where I see a lot of does. Wherever there are does, there will be a good chance that a rutting buck will show up. I will sit where I can see activity. I will not be in thick cover. I plan to stay in the blind a long time. I will ask my hunter to be ready to decide in a hurry if they want to shoot or not. The buck probably will not be anywhere for very long. The buck will probably scoot in and scoot out.

One great advantage at the season's opening is the absence of gunfire. After the season has opened for a week or two, the bucks will be more skittish. For light complexions I recommend a camouflage head net. One should never turn their head quickly. Plan to survey your area of vision in one very slow movement. I also like the scent cover ups. The "earth odor" is one of my favorites.

One disadvantage we are facing is that the 1997 acorn crop is still on the ground. This will reduce the effectiveness of corn feeding. Also the deer will not have to travel far for a meal. The reduced movement decreases

the opportunity for sighting deer.

If you get a buck, then please send me a copy of your picture. Possibly we can print it. Send your photos to Thompson Temple P.O. Box 498 Ingram, Texas, 78025. Behave yourself and say your prayers. This could be your year!

From their 36, runs by Charlie Moster and Walterscheid and a Fuhrmann pass to Gehrig took the Tigers to Lakehill's 40 yard line. Another Gehrig pass for 9

back starting on their 33 yard line. Josh Walterscheid gained 12, then Jeff Yosten 14 to the Warrior 35. Two plays later, Yosten scored on a 35 yard run. Adam Barnhill added the extra point to close the score to 7-14 with 3 minutes still on the clock.

The Warriors got in five plays before Lucien Gehrig picked off a pass, then fumbled the ball, but Matt Muller saved the turnover by covering for the Tigers. From midfield, Yosten picked up 9 1/2 yards as the second quarter began. Matthew Fuhrmann then earned 8 to the Warrior 32. Yosten and Walterscheid gained 11 with 2 Yosten runs and Fuhrmann getting to the 10 yard line. Yosten gained another two, with Josh Walterscheid scoring on an 8 yard run. The extra kick was wide for a 13-14 score with 8 minutes remaining in the first half.

The teams exchanged possessions several times as time ticked off the second quarter clock.

Lakehill's offense took to the field as the 3rd quarter began. Their drive was shortened when Russell Fette covered a loose ball on the Tiger 25 yard line. Yosten and Walterscheid each got in two runs, with a Fuhrmann to Yosten pass adding 6, but 4 yards short, forcing the Tigers to punt.

Sacred Heart's defense held, getting the ball back after four plays on their 31 yard line. Runs by Walterscheid, Fuhrmann and Yosten moved the Tigers to the Warrior 37 as the final quarter began. The Tigers drove came up one yard short and Lakehill took over on their 30 yard line.

The Warrior offense steadily moved the ball down field, taking eleven runs to reach the 25 yard line. A pass play found Lakehill in the end zone. The extra point kick was blocked for a 13-20 score with five minutes remaining in the game.

From their 36, runs by Charlie Moster and Walterscheid and a Fuhrmann pass to Gehrig took the Tigers to Lakehill's 40 yard line. Another Gehrig pass for 9

running." Yosten led the Tigers ground game with 131 yards in 21 carries. Josh Walterscheid added 53 yards in 11 attempts.

"The offensive line did all we needed to do to win - turnovers made the difference," Nasche continued naming the "Hogs" Derek Fuhrmann, Jon Grewing, Waylon Hess, Russell Fette, Matthew Fuhrmann and Aaron Hess.

"The loss makes our last game against Winston a do or die," concluded Nasche. "A must win for the Tigers next week for a chance to the playoffs."

**Next Action - Balch Springs**  
The Tigers will host the Balch Springs Christian Academy Crusaders from TAPPS district 2-2A, this Friday, for a non-conference contest.

The Crusaders have two all state players on the squad, wide receiver Fernando Alvarez and kicker Eric Salazar and are undefeated this season.

Balch Springs is the fastest team we'll play all year. They're a small team with 18 players, but faster than Era and Lindsay," noted Nasche. "Our defense will be put to the test. If we give them an inch, they'll take a mile. They're a predictable team, but we must execute to stop them because of their speed."

Nasche also pointed out that the Tigers will be short handed due to the suspension of 6 starters due to drinking. "I feel that this is one of our biggest problems in this community and we need everybody's help in solving this problem," Nasche said. "Maybe this week out will make them hungry for next week."

Game time this Friday is 7:30 p.m.

### Health Notes

#### List your important data

The more that physicians know about a patient's medical history during emergency treatment, the better. If time permits, take your medical records and bottles of prescription drugs with you to the emergency room. Even if it seems irrelevant to the current emergency, it might be important.

The information can be used to avoid costly duplication of prescriptions, to provide faster and more accurate treatment, and to avert dangerous drug interactions.

People with diabetes, heart disease and other conditions often wear bracelets or carry identification to alert paramedics and physicians. People should keep in their wallets a list of the prescription drugs they take, their allergies and their medical problems in case there isn't opportunity to gather the information or tell the emergency department physician.

Fed. Land Bank Association

Sunday the Muenster Jaycees held the local Gatorade Punt, Pass & Kick Competition. Despite cold weather, there were 57 participants. Winners were chosen by totaling their scores from all three events. All first-place

Winners in the Boys' Division were, from left, front row, ages 10-11, 1st - Chase Cain, 2nd - Russell Endres, 3rd - Justin Wolf; ages 8-9, 1st - Noah Barnhill, 2nd - Zack Swirczynski, 3rd - Mark Fleitman; back row, ages 14-15, 1st - Nick Silmon, 2nd - Casey Walterscheid, 3rd - Lance Sparkman; ages 12-13, 1st - Luke Endres, 2nd - Kevin Walterscheid, 3rd - Johnathan Bayer.

finishers get the opportunity to represent Muenster at sectional competition at Fairington Field in Fort Worth on Nov. 15. Winners from this competition go on to compete at the Dec. 8 Dallas Cowboys' Monday Night Football Game against Carolina.

Winners in the Girls' Division were, from left, front row, ages 8-9 years, 1st - Hannah Hess, 2nd - Katie Endres, 3rd - Stevie Tankersley; ages 10-11, Karen Gehrig, Jayna Biffle, Nicole Bayer; back row, ages 12-13, 1st - Brooke Endres, 2nd - Robyn Hermes. Dave Fette Photo

## New winners in Week 8

With two weeks of regular season high school football remaining, week 8 gave the Enterprise contest some new winners.

Ted Heers took the week's first prize after missing 9 games. He can pick up his cash at Klement Ford of Muenster. Brian Herr was one of five contestants guessing 30 winners, and took second place after missing the Saint Jo tie-breaker score by only 3 points. Peachie Huchton was awarded third with a 5 point spread on the tie-breaker. Their prize money is waiting for them at Hennigan's Auto Parts (Brian) and The Smokehouse at Lindsay (Peachie).

Also guessing 30 and their tie-breaker points were Carol Grewing, 9; Mark Grewing, 15; and Randy Tankersley, 24.

Eight contestants missed 11 winners, including John Nasche, Mickey Haverkamp, Wilfred Bindel, Neil Hesse,

Edgar Dyer, John Sandmann, Nick Stoffels and Dave Reiter.

Every contestant was given the Gainesville State School vs. Giddings State School game because of a misunderstanding of which Giddings team Gainesville was playing. Please note that Sacred Heart is playing Balch Springs Christian Academy not any other Balch Springs school.

### Lightning strikes ... so beware!

No matter what their size, all thunderstorms are dangerous and can kill. The air near a lightning strike is heated to 50,000 degrees F - hotter than the surface of the sun! Lightning often strikes outside of heavy rain and may occur as far as ten miles away from any rainfall.

Remember: if you can hear thunder, you are close enough to be struck by lightning. Get away from boats, water, isolated

trees and small buildings. Do not bathe or shower, or use electrical appliances, including telephones. Move to a sturdy structure or car, making sure not to touch any metal. If caught outdoors, place your hands on your knees and squat low to the ground on the balls of your feet. In other words, make yourself the smallest target possible with as little contact with the ground.

# Knights slay Dragons - get first shutout, 70-0

It was a defensive battle Friday night in Lindsay as the Chico Dragons attempted to keep their district lead, but were knocked down into a four way tie after a 30-0 defeat by the Knights. After district 10AA finished last Friday's games, Lindsay, Chico, Valley View and Paradise are now 3-1 in standings, which makes the next two weeks of regular season very interesting.

80 yard romp to up the Knight lead 23-0 with 2:44 on the clock.

Again the Dragons were forced to punt after Lambert Hess caught the runner for a 7 yard loss.

Again it took only two Anderle runs, the second for 54 yards, and the Knights lit up the scoreboard again. Fuhrmann added the PAT and Lindsay had a 30-0 lead with

At left, Richie Alfrey can't quite grab the pass. Above, Jeff Bezner juggles the ball before gaining control for a completed pass. Janie Hartman Photo

Richie Alfrey (24), Isaac Zimmerer and Ryan Tabbert team up on a pass defense tackle. Janie Hartman Photo

The teams exchanged punts the first drives, with Lindsay getting a first down from Chico's penalties. The Dragons' second drive was shortened when Steven Tepera intercepted a pass on the Dragon 31 yard line. Runs by Adrian Anderle and Tepera and a 14 yard pass play to Jeff Bezner took the Knights to the six yard line. Tepera got in two yards with Corey Neu scoring on a 4 yard run. Zach Fuhrmann added the extra point to give Lindsay a 7-0 lead with 1:37 left in the first quarter.

Chico's next drive was slowed down by a Cody Secrest quarterback sack and they were forced to punt as the second quarter began.

The Knight offense was then forced to punt on 4th and 11. Bryan Covington booted the ball 52 yards to stick the Dragons on their 18 yard line. Short runs slowly moved Chico out to midfield, but the Knight defense held the Dragons punted. Richey Alfrey returned the kick 50 yards to the 31 yard line. Runs by Tepera and Neu took the Knights to the 16. But any chance to score was stopped when the Dragons picked off an inzone pass. Chico's offense played out the remaining time, leaving 8 seconds on the clock.

The second half soon turned in Lindsay's favor, when Dylan Newberry covered a fumbled ball after two Chico runs. From the 42, Secrest ran for 13 and Tepera 11 to the 18 yard line. Bezner gained another 4 and Tepera 1. Then on 4th and 5, the Knights kicked a 30 yard field goal for a 10-0 lead with 7:57 remaining on the clock.

Defensive tackles by Michael Mosman, Secrest and Jamie Baggs and two penalties forced a punt on 4th and 25.

From the 35, Jeff Bezner gained 6 on two runs, but a holding flag backed the Knights to the 39. A Tepera to Bezner pass then lit up the scoreboard. Fuhrmann added the point after and the Knights took a 17-0 lead with 5:12 still on the 3rd quarter clock.

Again, the Knight defense held the Dragons to no gain and took the punted ball on the 20 yard line. Two plays later, Steven Tepera broke free on an

46 seconds on the 3rd quarter clock.

Chico's next drive got them to the 3 yard line after 17 runs, but a fumbled ball, covered by Tepera stopped the drive and the Knights took charge at the nine.

Lindsay quickly got out of the hole with a 40 yard Secrest run. Short runs by Bezner, Keith Fuhrmann, and Anderle ran out the clock for a Lindsay district victory.

"Great job - great defense wins," Lindsay Coach Charlie Meurer told the Knights after game. Meurer noted that things opened up for Lindsay the second half that gave them three touchdowns. "It was a very good defensive game. It was our first shut-out. I was proud of the boys effort." The coach noted that Lindsay had to play defense, because Chico played defense the first half.

Michael Mosman and Chris Garner were the Knights' leading tackles, followed by Steven Tepera, Cody Secrest, Jamie Baggs and Blake Crutsinger.

On the offensive side of the ball, Steven Tepera was the game's leading rusher with 114 yards in 12 runs. Adrian Anderle added 66 yards, Cody Secrest 53, and 27 yards each from Jeff Bezner and Keith Fuhrmann.

**Next Action - Valley View**  
The Knights' next challenge will be the Valley View Eagles.

"Valley View has the best quarterback in the district," said Coach Meurer of Keith Alexander. Alexander missed half of last season with injuries, and still earned all-district honors. "And (Chance) Barthold at tackle. We have to control those two guys, or we're in trouble."

Action begins at 7:30 p.m. at Valley View.

**WITHOUT YOUR SUPPORT, THIS STORY MIGHT HAVE HAD A VERY DIFFERENT ENDING.**

Floods. Hurricanes. Tornadoes. Rescues at sea. International peacekeeping missions. Whenever there's a need, the National Guard and Reserve responds. But only with the selfless support of thousands of employers like you.

## Muenster boys and girls finish second at district, qualify for regionals

Monday afternoon the Muenster Hornet and Lady Hornet Cross Country teams traveled to Alvord for the District 7-A meet. When the dust settled, both the boys and the girls teams had qualified for regionals. "Both teams ran exceptionally well and worked hard to finish in the top two," said Coach Jeff Teague. The Lady Hornet team finished with a total of 75 points, a mere 9 points ahead of Era, the third place team. The coach said, "It was a close race throughout, just a couple of individuals here and there and we might have been third."

Although the top three all qualify for the regional meet, the Lady Hornets wanted to make sure they finished in the top two. "We were shooting for Alvord, to knock them off their throne, but we were sure not going to let Era beat us!" said Teague. The girls grabbed second behind the strong efforts of their number one runner Keri Felderhoff who took the individual district championship going away. "Keri did exactly what she had to do. I have had a lot of faith in Keri all year, but she ran better than I even expected,"

Teague said. How they finished: 1, Keri Felderhoff, 13:12; 9, Kelly Felderhoff, 14:07; 14, Stephanie Huchton, 14:42; 25, Kristie Lutkenhaus, 14:50; 26, Valerie Erwin, 14:51; 28, Kim Sturm, 14:51; 31, Kristin Grewing, 15:03. The boys also made an outstanding showing by nabbing 2nd place with a point total of 76 with Ponder just behind at 88. "The girls have been running well all year, so I fully expected what they accomplished, but I didn't know what to expect from the boys. Hey, what can I

say - they showed a lot of grit and determination," explained Teague. The Hornet team was able to secure the second spot in district behind their number one runner, Erik Walterscheid's best performance of the year, as he notched a fifth place finish. Teague said, "Erik is a great runner. It's nothing I've done, he has just gotten stronger and

more comfortable each week." How they finished: 5, Erik Walterscheid, 19:00; 11, Bryan Miller, 19:35; 12, Darren Hennigan, 19:36; 19, Jeff Klement 21:00; 30, Matt York, 21:57; 39, Shane Sparkman, 24:10. The Junior Varsity girls also ran at the District meet and came away with the District Championship. Their times: Mindy Endres,

15:16; Kacie Garcia, 15:34; Allison Endres, 15:40; Megan Hennigan, 16:07; Maggie Fisher, 16:12; Krystle Sparkman, 16:23; Heather Hess, 16:31. Boys JV Individual results: Jason Lutkenhaus, 21:37; John Flusche, 21:56; Brandon Klement, 23:05. Regionals will be Saturday, November 8 at Vandergriff Park in Arlington.

## Hobbies - discover the joy of life

"A hobby can stave off gloomy remembrances of happier days. Develop a hobby, or several hobbies and discover the joy of life, escape the dread monotony of a machine made civilization. Develop an interest in hobbies so that you need not be the easy victim of the stereotype and stale recreation that threatens those who are poverty stricken in ideas of what to do in leisure." From E.O. Hartbin's book, *The Fun Encyclopedia*. A good hobby is one that gives opportunity for expressing and

developing ones individual talents, that expands and enriches your personality, and that lures you on by ever-increasing richness as you grow in knowledge and skill. To develop a hobby, the rules are simple. Find a hobby that appeals to you read about it and work at it. Possible hobbies include: Collections - antiques, stamps, coins, books, postcards, etc.; creative art - drawings, paintings, wood, etc.; photography - snapshots, landscapes, movies, etc.;

handicrafts - beadwork, leather, weaving, quilting, etc.; drama; music; literature; nature lore- birds, insects, rocks, fossils, flowers, etc.; mechanical; pets; cooking and sports. Reading is a great hobby. It enhances one's knowledge, interest and skill is whatever subject one chooses. It exercises the mind, quickens the imagination and sharpens the intelligence. No matter what other hobby one may pursue, he should develop a taste for good books.

# TIME OUT FOR SAFETY Extension Cords

Follow safe work procedures when using electric tools and extension cords. Here are some guidelines:

-  Use extension cords listed by a recognized testing laboratory, such as Underwriters Laboratories, Inc.
-  Extension cords used outdoors should be UL-listed and made for outdoor use.
-  Extension cords used in a hazardous location must be approved for that type of location.
-  Inspect extension cords before you use them. Don't use cords with cracked or worn insulation, damaged ends, or a missing ground prong. Remove damaged cords from service right away.
-  Make sure the work area is dry. Water and dampness greatly increase the risk of electrical shock.
-  Unplug power cords by pulling on the plug. Do not pull the cord.

-  Do not plug in or unplug extension cords until you are certain the tool's power switch is off.
-  Protect cords if they cross pathways or driveways.
-  Do not drape extension cords over steam lines, space heaters, machinery, or other hot surfaces that may damage the cord's covering.
-  Do not run extension cords through standing water, on wet floors, or in wet areas.
-  Never overload an extension cord. If it is hot to the touch, have a qualified person check the cord and the tool to find the problem. The wire size may be too small for the cord length and amperage required.
-  Never use an extension cord as permanent wiring.
-  Do not splice extension cords.
-  Unplug extension cords that are not in use and store them neatly.
-  Only qualified electricians should make or repair extension cords. They must use UL-listed ends and cords.

# Knights slay Dragons - get first shutout, 70-0

It was a defensive battle Friday night in Lindsay as the Chico Dragons attempted to keep their district lead, but were knocked down into a four way tie after a 30-0 defeat by the Knights. After district 10AA finished last Friday's games, Lindsay, Chico, Valley View and Paradise are now 3-1 in standings, which makes the next two weeks of regular season very interesting.

80 yard romp to up the Knight lead 23-0 with 2:44 on the clock.

Again the Dragons were forced to punt after Lambert Hess caught the runner for a 7 yard loss.

Again it took only two Anderle runs, the second for 54 yards, and the Knights lit up the scoreboard again. Fuhrmann added the PAT and Lindsay had a 30-0 lead with

At left, Richie Alfrey can't quite grab the pass. Above, Jeff Bezner jiggles the ball before gaining control for a completed pass. Janie Hartman Photo

Richie Alfrey (24), Isaac Zimmerer and Ryan Tabbert team up on a pass defense tackle. Janie Hartman Photo

The teams exchanged punts the first drives, with Lindsay getting a first down from Chico's penalties. The Dragons' second drive was shortened when Steven Tepera intercepted a pass on the Dragon 31 yard line. Runs by Adrian Anderle and Tepera and a 14 yard pass play to Jeff Bezner took the Knights to the six yard line. Tepera got in two yards with Corey Neu scoring on a 4 yard run. Zach Fuhrmann added the extra point to give Lindsay a 7-0 lead with 1:37 left in the first quarter.

Chico's next drive was slowed down by a Cody Secrest quarterback sack and they were forced to punt as the second quarter began.

The Knight offense was then forced to punt on 4th and 11. Bryan Covington booted the ball 52 yards to stick the Dragons on their 18 yard line. Short runs slowly moved Chico out to midfield, but the Knight defense held and the Dragons punted. Richey Alfrey returned the kick 50 yards to the 31 yard line. Runs by Tepera and Neu took the Knights to the 16. But any chance to score was stopped when the Dragons picked off an inzone pass. Chico's offense played out the remaining time, leaving 8 seconds on the clock.

The second half soon turned in Lindsay's favor, when Dylan Newberry covered a fumbled ball after two Chico runs. From the 42, Secrest ran for 13 and Tepera 11 to the 18 yard line. Bezner gained another 4 and Tepera 1. Then on 4th and 5, the Knights kicked a 30 yard field goal for a 10-0 lead with 7:57 remaining on the clock.

Defensive tackles by Michael Mosman, Secrest and Jamie Baggs and two penalties forced a punt on 4th and 25.

From the 35, Jeff Bezner gained 6 on two runs, but a holding flag backed the Knights to the 39. A Tepera to Bezner pass then lit up the scoreboard. Fuhrmann added the point after and the Knights took a 17-0 lead with 5:12 still on the 3rd quarter clock.

Again, the Knight defense held the Dragons to no gain and took the punted ball on the 20 yard line. Two plays later, Steven Tepera broke free on an

46 seconds on the 3rd quarter clock.

Chico's next drive got them to the 3 yard line after 17 runs, but a fumbled ball, covered by Tepera stopped the drive and the Knights took charge at the nine.

Lindsay quickly got out of the hole with a 40 yard Secrest run. Short runs by Bezner, Keith Fuhrmann, and Anderle ran out the clock for a Lindsay district victory.

"Great job - great defense wins," Lindsay Coach Charlie Meurer told the Knights after game. Meurer noted that things opened up for Lindsay the second half that gave them three touchdowns. "It was a very good defensive game. It was our first shut-out. I was proud of the boys effort." The coach noted that Lindsay had to play defense, because Chico played defense the first half.

Michael Mosman and Chris Garner were the Knights' leading tackles, followed by Steven Tepera, Cody Secrest, Jamie Baggs and Blake Crutsinger.

On the offensive side of the ball, Steven Tepera was the game's leading rusher with 114 yards in 12 runs. Adrian Anderle added 66 yards, Cody Secrest 53, and 27 yards each from Jeff Bezner and Keith Fuhrmann.

**Next Action - Valley View**  
The Knights' next challenge will be the Valley View Eagles.

"Valley View has the best quarterback in the district," said Coach Meurer of Keith Alexander. Alexander missed half of last season with injuries, and still earned all-district honors. "And (Chance) Barthold at tailback. We have to control those two guys, or we're in trouble."

Action begins at 7:30 p.m. at Valley View.

-  Extension cords used outdoors should be UL-listed and made for outdoor use.
-  Extension cords used in a hazardous location must be approved for that type of location.
-  Inspect extension cords before you use them. Don't use cords with cracked or worn insulation, damaged ends, or a missing ground prong. Remove damaged cords from service right away.
-  Make sure the work area is dry. Water and dampness greatly increase the risk of electrical shock.
-  Unplug power cords by pulling on the plug. Do not pull the cord.

-  Do not plug in or unplug extension cords until you are certain the tool's power switch is off.
-  Protect cords if they cross pathways or driveways.
-  Do not drape extension cords over steam lines, space heaters, machinery, or other hot surfaces that may damage the cord's covering.
-  Do not run extension cords through standing water, on wet floors, or in wet areas.
-  Never overload an extension cord. If it is hot to the touch, have a qualified person check the cord and the tool to find the problem. The wire size may be too small for the cord length and amperage required.
-  Never use an extension cord as permanent wiring.
-  Do not splice extension cords.
-  Unplug extension cords that are not in use and store them neatly.
-  Only qualified electricians should make or repair extension cords. They must use UL-listed ends and cords.

# School News

## You drink, you drive, you walk.

Research by the Texas Commission on Alcohol and Drug Abuse shows that one out of four high school seniors has driven while intoxicated on at least one occasion during the past year, and 17 percent have driven while drunk several times during the past year.

That's why TCADA has developed a Zero Tolerance Quiz to help educate young Texans about the state's new zero tolerance alcohol law.

The new law, prohibits Texans under age 21 from having any amount of alcohol in their blood. Minors found violating Texas liquor laws run the risk of losing their drivers' licenses - whether the offense involves driving under the influence of alcohol, or consuming, possessing, purchasing, or attempting to purchase alcohol.

"This will not be a popular law among Texas youth. But it will save lives. We need to seize this opportunity to get the attention of our young people," said Dr. Richard Spence, TCADA's assistant deputy for drug and alcohol treatment and prevention programs.

State officials said that the

greatest declines in alcohol-related traffic deaths and injuries in states adopting zero tolerance laws have occurred when the new law was accompanied by public education and publicity campaigns. The TCADA quiz was devised to help increase public awareness of the law.

"This is an excellent opportunity for us to remind everyone that alcohol is a drug, and an illegal drug for minors, said Spence. "It is a dangerous drug that routinely causes death, disability, and reduced potential for many youngsters and adults who abuse it."

"Young people need to become more aware of the consequences and risks that accompany the use of this dangerous drug," Spence said. "So do their parents."

For the past five years, Texas has led the nation in the number of deadly wrecks involving minors and alcohol. Some 12 percent of drivers involved in fatal accidents in 1996 who were reported to be driving while intoxicated were minors.

And last year, the Lone Star state led the nation in the

number of people of all ages killed due to DWI incidents. At least one Texan dies every eight hours in an alcohol-related wreck.

Under the old Driving While Intoxicated law, individuals under the age 21 could be charged as legally drunk when driving with a blood alcohol content of 0.07 or more. The adult drunk level remains 0.10.

The new zero tolerance law created a new offense of driving under the influence of alcohol. (No level of alcohol in the blood will be tolerated. The penalty for first offense violation of the new law is 60 days suspension of the driver's license; with 120 days for a second offense; and 180 days for a third offense.)

The new law also cracks down on under-age drinking in general, attaching stiffer penalties to a number of violations of state liquor laws by person under age 21.

Spence said when substance abuse by minors is under discussion the focus tends to be "on illegal drugs such as marijuana, cocaine, and heroin. But the use of alcohol by

youngsters is more than twice as high as all these drugs put together."

"True, the use of alcohol among our young people has not increased in the way marijuana use has in recent years. But alcohol remains the most common illegal substance used by high school students," Spence said. "By the 10th grade, four out of five Texas youth have tried alcohol."

"By their senior year, alcohol is found at all or most of the parties they attend, 50 percent are regular drinkers and 40 percent are binge drinkers - downing five or more drinks at a time," Spence said.

In 1995, the National Highway Traffic Safety Administration reported that 227 Texas juveniles died in alcohol-related wrecks. In 1996, the figure was 220.

Texas also led the other 49 states in total alcohol-related fatalities last year, with 1,991 alcohol-related deaths out of a total of 3,741 traffic deaths. California was second place with 1,606, and Florida was third with 1,015, according to the National Highway Traffic Safety Administration.

Muenster ISD Talent Search students Janie Hartman Photo

## MISD adds 13 students to Duke TIPS Program

Duke University Talent Identification Program (TIPS) of Durham, North Carolina has announced that 13 Muenster ISD seventh grade students were named to their talent search.

Eligible students scored at the 97th percentile or above on the national norms of either the SAT or ACT test. These tests were originally designed for high school junior and seniors. The test, though difficult for the average

seventh grader, are helpful to discriminate the abilities of the students that already scored 97 or above the 97th percentile on other achievement tests.

Talent Search students from Muenster ISD are: Michael Endres, Richard Endres, Amanda Felderhoff, Lisa Felderhoff, Karl Fisher, Kelly Grewing, Justin Hess, Shann Jones, Layla Khalil, Kara Klement, Megan Lipp, Jonathan Sicking, and Tyler Walterscheid.

## Gina Yosten selected in Red Steagall Poetry Contest

Gina Yosten was selected as a finalist in the Red Steagall Cowboy and Cowgirl Poetry Contest held at the Fort Worth Stockyards October 25. There were approximately 1500 original entries, with 10 selected as finalists. Each finalist recited their poem from memory in front of the judges. All of the judges are prize-winning cowboy poets and/or western writers. Each of the finalists received a gift

certificate for a pair of Justin boots and a copy of Red Steagall's book, "Ride for the Brand." The first and 2nd place winners will receive a scholarship from the Cowboy Heritage Association through the Texas Tomorrow Fund Program. Gina was selected as the second place winner. Gina is a sophomore at Sacred Heart High School and is the daughter of Doug and Lynda Yosten of Muenster.

Gina Yosten and Red Steagall

## Preschool Parents Group plans coming activities

During their meeting on Monday, Oct. 27, 1997 at 7:00 p.m., members of the Preschool Parents Group continued plans and arrangements for the New Year's Eve dance. They shared committee folders, discussed the budget and theme for the dance.

Plans were also completed for the Halloween party on October 31, 9:45 a.m. - 11:15 a.m. Children may bring their costume to school in a bag. All parents are invited to attend the party.

Special attention should be noted that all day students will

be dismissed at 2:30 p.m. During the program for the meeting, Kelsey Pagel demonstrated the Pink Tower. Red Rods were shown by Derek Pagel. Amelia Haverkamp showed the Animal Cards front-and-back combination. Dillon Bayer did the Basket of Geometric Solids, Matt Hesse worked on the Triangle Box, and Alley Trubenbach did the Sound Cylinders.

The next meeting will be held on Monday, November 24 at 7:00 p.m. in the Preschool Building. Renate Pagel is club reporter.

### Health Notes

#### Orthodontic patients beware

Halloween and its parties can pose some unusual, even frightening risks for people with orthodontic work.

Anyone wearing a retainer or braces should avoid one tradition in particular: bobbing for apples. Bobbing while wearing a retainer can result in an expensive piece of dental equipment being left in an apple or the apple barrel, and braces can get pulled off or bent.

At parties where a large number of guests are orthodontic patients, hosts should be on the lookout for loose retainers that might accidentally get tossed into the trash after being wrapped in a napkin.

In general, orthodontist encourage anyone wearing braces or retainers to steer clear of chewy foods like caramel, gum or taffy, along with hard and crunchy items like nuts, popcorn and ice.

## Tiger Cubs are taken into the Den

The new Tiger Cubs had a great first den meeting which was held at the Muenster Fire Station on Oct. 14. After inspecting the fire trucks and introducing themselves and their parents, the Cubs played a game. They donned real firemen's coats and hats and put out a pretend fire. Since putting out a fire is a team effort, everyone was a winner.

all present emergency 911 stickers.

Ben then continued the meeting by explaining about Tiger Cub activities and reward beads, stickers, and iron-on patches. The main goal, however, is to have fun. The den learned a song, with the help of Kim Felderhoff, for the pack meeting to be held the following week.

The Cubs enjoyed cupcakes and goody bags served by Tiger Cub Brandon Bindel.

The eight Cubs present for the first den meeting were: Brandon Bindel, John Rohm, Paul Crabtree, Kirk Felderhoff, L.J. Kittrell, Seth Pierce, Alle Fette, and Mitchell Hesse. Tiger Cubs welcome all first grade boys to join.

## Life Teen raises money for ABBA

by Janie Fisher

On Sunday, Oct. 26, Life Teen braved the cold to have a car wash to raise money for the ABBA Women's Center in Gainesville. The car wash began at 9 a.m. with very cold winds and only one brave high schooler to help, thanks Nicholas Taylor.

That night we gathered at the community center for a Life Nite on Random Acts of Kindness. We watched a video that we had shot the weekend before of teens going around town doing random acts of kindness. We chatted about kindness, played a fun relay game which gave us a chance to commit kind acts right there and saw the impact kindness can have on others.

Jesus is kindness, we are called to be like Him, so go ahead, commit Random Acts of Kindness and get a feel of it yourself.

**Pointers For Parents**

**"Forget the ouch, Not the shot!"**

(NAPS)—Tetanus shots are one of the most important immunizations children and adults can obtain. They protect you from tetanus, or "lockjaw," a serious and often fatal disease of the nervous system. Tetanus is caused by a toxin, the spores of which are found in soil and animal feces. Symptoms of the disease include severe muscle spasms and convulsions as well as difficulty in swallowing, limb stiffness, fever, headache and sore throat.

Infants in this country receive the vaccination in conjunction with the diphtheria and pertussis vaccines, known as "DTP." But adults often forget that they need tetanus vaccinations as well, every 10 years. If it's been longer than 10 years since your last tetanus shot, call your doctor today to schedule an appointment. And don't forget, if the pain that accompanies the shot is worrisome, ask for EMLA: a prescription anesthetic cream that must be applied 1-3 hours before the shot. EMLA numbs the skin, reducing the pain and making your experience more comfortable. Your child can have EMLA as well.

## County Agent's Report

by Craig Rosenbaum

### HOW MUCH WEIGHT SHOULD A COW WEAN?

"If she doesn't wean 50% of her weight, cull her!" You've probably heard that. Is it a reasonable goal?

Like so many other questions in this business, the answer is IT DEPENDS. Weaning 50% of cow weight is fairly easy in a terminal cross with sires considerably larger in genetic size than cows. Or a heavy milking cow may get this done even if sires are not genetically larger. (Of course, depending on forage conditions, that heavy milker may not reproduce regularly without a lot of supplement.) Or you might not wean until 9 or 10 months, risking loss of cow body condition and poor rebreeding.

But what about a stabilized, moderate milking population, where replacement heifers are put back in the herd and you're trying to keep constant the mature weight of cows from one generation to the next? Here the picture is different. Research of growth curves in stable populations shows that heifers average weaning at about 40% of their mature weight, not 50%. This should be kept in mind when designing genetic programs.

### PLANT TREES PROPERLY

A tree is a long-term investment, so you want to plant it properly. Experts used to tell us to dig the hole twice as wide and twice as deep and backfill with peat moss or other potting soil-type mix. But Extension Horticulturist Dr. Doug Welsh says research shows the root system likes those conditions and won't expand outside the hole. He says you still need to dig the hole twice as wide, but not twice as deep. And use the dirt you dug out to fill it back up. He says you can create a berm around the edge of the hole to make watering easier. Covering the berm and the top soil with mulch will keep the soil moist and keep weeds out. Welsh recommends doing these things in the fall because the tree won't experience as much transplant shock and it will have all winter to establish itself.

### HAY SHOW ENTRIES DUE

We need your Hay Show entries by Monday, November 3, so a chemical analysis can be run. Call Craig Rosenbaum at 668-5412, or Doug Robison or T.J. Davidson at 668-7731, for information about the hay show.

### WHAT TO DO WITH LEAVES

After the leaves drop from your trees and you've raked them into a big pile, what do you do with them? The worst thing you can do is take them to the landfill which is already clogged with yard debris. However, most people don't want to bother composting them either.

There are other ways of benefiting from the nutrients in those fallen leaves. Simply mowing over them with a mulching mower so that they can deteriorate on the lawn will work. As the leaves decompose, they introduce nitrogen into the soil. Leaves also work well as mulch. If you don't want them in your flowerbed, try using them around hedges and in the garden.

## Development awarded

Texas dairy producers may soon be able to capitalize on the growing popularity of ethnic cheeses thanks to a U.S. Department of Agriculture Rural Development grant in the amount of \$54,000. The project, which will identify and create varieties of gourmet Hispanic cheeses.

"Plummeting milk prices have pushed Texas dairy farmers to their financial limits over the past year," said TFU President Wes Sims, a dairy producer from Sweetwater, "If Texas is to retain its dairy industry, producers must be able to retain a greater share of the consumer food dollar by forming processing and marketing cooperatives such as the one proposed by this project."

Once the specialty cheeses have been identified, consumer acceptance testing will be conducted. The project will culminate with a feasibility study and business plan, which is aimed at giving milk producers a head start in the formation of cheese processing cooperative.

"USDA Rural Development's approval of projects, such as this, is very important to the future of Texas dairy farmers," said Steven Carriker, USDA Rural Development state director for Texas.

## Domestic diseases of concern in swine

Two national swine disease eradication programs are underway - one for swine brucellosis, the other for pseudorabies.

Brucellosis in swine is caused by *Brucella suis* bacteria. (Cattle are usually infected by *Brucella abortus* bacteria.)

Historically in Texas, infected herd have been detected in wastefood feeding complexes, where management practices may permit the introduction of disease. Boars may be shared (they can pass the disease in service) and animals may be moved frequently between pens.

Like the cattle brucellosis program, the nation's goal is to reach "zero" infected swine herds by year's end 1998.

Pronounced Sue-Doe-Ray-bee, this disease has no connection to rabies. This virus causes a flu-like illness that was first identified in 1902 in Hungary and was called Aujeszky's Disease, after researcher Dr. Aladar Aujeszky.

Although pseudorabies does not affect humans, it can take a large toll on swine herds. If this swine herpes virus is introduced into a herd, young pigs could develop a high fever, respiratory ailments, vomiting and convulsions. Deaths may occur.

Infected sows may abort, and older swine either have no signs of illness, or display flu-like symptoms. Swine that survive the illness, however, like symptoms. Swine that survive the illness, however, can become carriers and later infect susceptible stock.

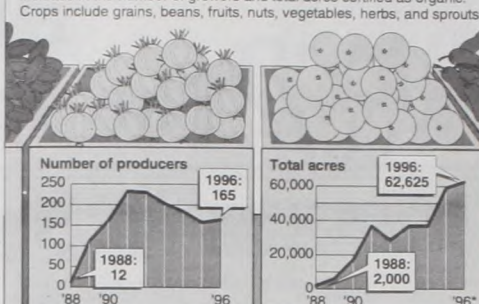

Texas has had few serious outbreaks of pseudorabies, and most of these have occurred when infected swine have been imported from states that experience a higher incidence of infection.

Of concern to Texas are feral, or wild swine. When feral swine have been tested at slaughter, about one in three are positive for the disease. Keeping feral swine away from domestic herds with secure pens, electric fences or other means, will protect against the introduction of disease.

## Keeping an eye on Texas

### Organic crops grow to meet demand

Consumers' demand for organic produce since 1988 has led to a swift increase in the number of growers and total acres certified as organic. Crops include grains, beans, fruits, nuts, vegetables, herbs, and sprouts.

## Slaughter cattle weights increase

Slaughter cattle weights have increased recently and the trend is expected to continue. Derrell Peel, Oklahoma State University Extension livestock marketing specialist, says there are two factors behind the increase in average dressed weights: year-over-year increases in slaughter steer, heifer and cow weights; and increased numbers of fed steers and heifers in the slaughter mix, combined with fewer cows.

weighed more than their respective year-earlier figures. "The year-over-year increase in dressed weight could be large throughout next summer," Peel says. "In fact, some analysts feel that 1998 will bring record-large dressed weights for cattle."

He says slaughter weights late this year and early in 1998 will depend in part on what happens to the corn market.

If corn prices rise significantly through the winter, there is less likelihood that slaughter weights will go as high or stay as long," Peel says. "On the other hand, lower corn prices usually result in slower turnover rates in the feedlot as feeders put additional pounds on each animal."

U.S. Department of Agriculture data show that the average dressed weight for slaughter cattle was 723 pounds as of Aug. 23, compared to 710 pounds for the same date last year. All classes of cattle being slaughtered

### You don't say!

Here are seven things you'll never hear a farmer say:

1. The weather couldn't be more perfect.
2. That was exactly the right time to sell. I got the highest price.
3. No thanks, I have enough caps.
4. Are you sure this bill is right? The labor charge looks a little low...
5. There's only a few acres left, guess I'll finish this field tomorrow.
6. I don't care how hungry they are. It's too cold and windy to work outside just to feed a bunch of dumb animals.
7. I'm bored. Let's go into town so you can try on shoes and dresses.

-Dan Anderson, Farm Journal, Sept. 1996

## TSCRA honors Rep. Finnell

Almost 400 supporters of State Rep. Charles Finnell attended the tradition of Finnell Fish Fry in support of his 1998 bid to serve in the district in the 76th Texas Legislature.

Finnell in his remarks immediately focused on education, promising to protect rural school districts and their funding in vital school finance legislation affecting the 31 ISDs of the 68th District. Rep. Finnell received instant applause when he stated that Texas teachers should be allowed to teach instead of spending so much time an effort on paperwork.

Receiving an award from the Texas and Southwestern Cattlemen's Association and the Raisers for successful passage of the landmark Finnell Ant-Horse Theft Bill, Rep. Finnell stated that his intention was to proceed with measure designed to discourage an help prevent all types of the

## Local SWCD sponsors seedling tree program

The Upper Elm-Red Soil and Water Conservation District (SWCD) is sponsoring its annual conservation seedling tree program for area land users. The purpose of the program is to encourage the planting of trees for conservation and wildlife benefits.

Hardwood and conifer tree are available. Adapted hardwood species include Green ash, Red oak, Bur oak, Russian olive and Arbutus sumac. Conifers available include Afghanistan pine, Red cedar, Austrian pine and Pinyon pine. Wildlife packets are also available to enhance wildlife habitat and provide food for quail, deer, turkey, and squirrels.

The cost of the seedlings is \$25 for a bundle of 50 hardwoods and \$1.95 to \$2.50 per tree for the conifers. The wildlife packets are \$49.50 for 100 trees.

In addition to trees, the district also sells grass and wildflower seed. For information on the tree program, contact SWCD in Gainesville at (940) 668-7794.
