VOLUME 62 NUMBER 1

12 PAGES

NOVEMBER 28, 1997

Hey Kids!

Santa will be visiting with children and handing out candy Saturday, Nov. 29, from 12:30 to 2:30 p.m. in front of the old Hamric's and Charm Shop building, sponsored by the Muenster Jaycees. There will also be sleigh rides with Santa during the day!

And Moms ...

while you're downtown with the kids to see Santa, be sure to visit the stores during Christkindlmarkt Open House and take advantage of the great sales to kick off the holiday shopping season!

Christkindlmarkt activities include:

MHS Band Concert, Der Weihnachtsman, a Bake Sale, Star Struck Dancers, a Quilt Show and many more fun things to do in Muenster this weekend!

MMH performance approved by auditor for 1997-98 fiscal year

by Janet Felderhoff
Members of the Muenster Hospital Board learned during an audit report at their regular meeting held Nov. 19 that they were doing a lot of the right things to improve the hospital including provider access and improving the hospital's stability.

"The number one effect over the last five or six years that Jack's (Endres) been here, and even the last decade, is where your hospital's going," remarked Brandon Durbin, auditor for Durbin & Co. LLP to the board members. "That's probably the most key result that you can look at. The facility's grown, medical staff has grown, Home Health's

grown, there's an increase in OB, revenues have improved, also just the operating.

"I don't know how many of you have been here over the last decade, but there's a total new outlook from the board, too. When I was giving these numbers, it's not like it was back in 1989 and 1990 when it was kind of like, 'How many more years of cash do we have before we're out?'"

Board President Don Flusche then asked, "Where do we go from here?" Durbin responded, "More providers, hitting all markets that you can, more good family practitioners who are involved with this hospital, and that's what every hospital needs."

Durbin informed the board of

several new regulations which could possibly affect the hospital.

"One of the things that we need to let you know is the segregation of duties at your hospital," said Durbin. "This is a disclosure we make at everyone of our audits. Jack was just talking a few minutes ago that he has a lot of different duties. In the small hospitals everybody in the hospital has different duties. They wear several different hats. In an ideal world every function in the accounting system would be performed by a separate person.

Financially the hospital showed an operating income, including tax revenue, of

\$128,504 for the fiscal year 1996-97.

Hospital Administrator Jack Endres reported to the board that the hospital is \$224,716 to the better this year than it was last year at this time. The Net operating revenue for October 1997 is \$54,124. "It's been quite a good month operationally compared to last year," said Endres.

With all board members present there was a unanimous 9-0 vote to honor Chief Appraiser Will Presson's request to amend the CCAD budget by \$15,000. This is to purchase software that will allow them to make direct refund to the taxpayers. The hospital's projected share is \$241.39.

Commissioners Court hears request for 2nd assistant county attorney

by Janet Felderhoff

County Attorney Tanya Davis appealed to Cooke County Commissioners Court for permission to hire a second assistant county attorney. New laws have put an ever increasing case load on the County Attorney's office and now the assistant county attorney Holly Stark is scheduled for surgery which could keep her out of the office for as long as three months.

Mrs. Davis told Commissioners, "I'm going to have to have some help during those three months. The case loads have increased. The Legislature in this last meeting passed a No Possession of Tobacco by Minors laws which will increase our need to appear in the three JP Courts even more so. Right now we make appearances at least weekly on truancy cases. We cover CPS (Child Protective Services) cases in District Court and in County Court we do criminal, mental and juveniles. It's just gotten to the point where even Holly and I are having a hard time covering it."

The county attorney noted that she planned to request another assistant in June when the budget hearings are scheduled. The medical leave being taken by Ms. Stark was forcing her hand early, Davis said. Also hiring somebody on a temporary basis would be difficult and the training required would be wasted if they weren't kept on and then another person was hired later and another training period required.

It was suggested by Mrs. Davis that Ms. Stark be made first assistant county attorney and be given more responsibility. The suggested salary for the new assistant was \$30,000.

County Judge Russell Duncan agreed that the County Attorney's office was overburdened with cases and paperwork, some due to the new laws concerning juveniles.

"I understand all that and I hate to be a hard-head, but it seems like we're starting a trend," remarked Commissioner Virgil Hess. "We go through budget hearing and everybody's got all the time in

the world to think about these things. Here lately it seems like we're coming up with unbudgeted money and pretty soon we're broke. I know she's going to need some help and I'd like to see a part-time person."

Hess suggested the possibility of paying the assistant out of the hot check fund which the county attorney can use at her discretion for certain things. Mrs. Davis responded that she was already paying for additional support staff from that money.

Commissioner Richard Brown said that as he saw it there were two needs — a need for additional help for the County Attorney's office and a need for Commissioners Court to abide by the budget. He suggested that the hot check fund be looked at to see if some funds could be used from it to help pay an assistant.

County Auditor Gloria Parrish reminded the court that Ms. Stark had only a certain amount of sick leave and after that she wouldn't be receiving a salary while on sick leave. Then a temporary

A Thanksgiving Wish

How does a mere layman express gratitude with simple words, and not risk trite thoughts almost without meaning?

For these we are grateful

For Divine Providence; for a nurturing heritage; for relative health and safety; for family and friends always in evidence; for memories sometimes poignant ... tender ... sad ... glorious ... happy ... historical ... funny ...

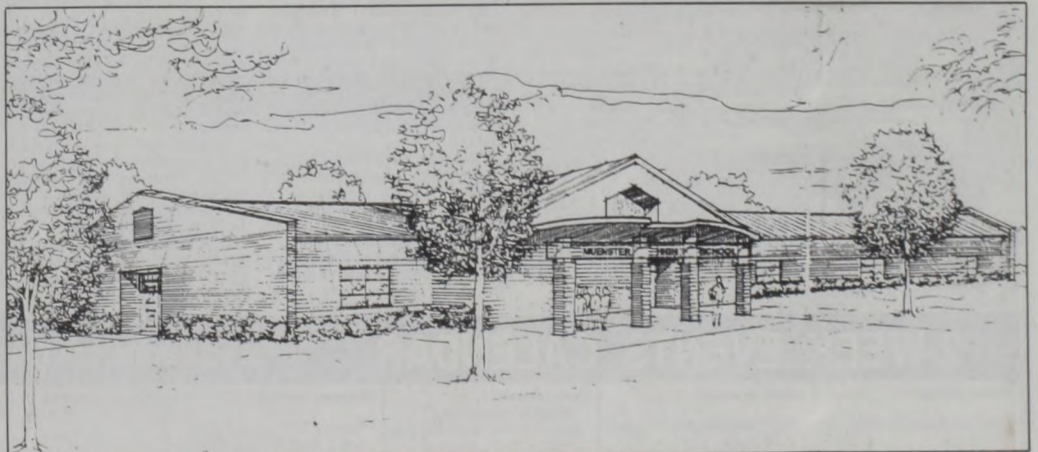

Just because these are memories that glow even brighter as we grow older ...

For these we are truly grateful

The Staff of The Muenster Enterprise wishes you a Happy Thanksgiving with your family

MISD approves floor plan for new high school

The Muenster ISD Board of Trustees, in their regular monthly meeting November 13, approved a floor plan for the new high school building. Option 5 was selected which includes revamping the existing administration building.

Plans include eight regular classrooms, a science lab, computer lab, and homemaking room. Also teacher's lounge, counselor's office, a room for the nurse, principal's office and

conference room, book closet, numerous storage rooms, secretary and reception area and restrooms.

In other business:
• The board tabled the discussion of rubber curbing around the outside of the track.
• Decided to give achievement test to all students, grades K-11, this school year.

• Dave Flusche, of Structures, Inc., gave the board different options and prices for

roofing the elementary building. No decision was made.

• Approved construction of a shell for Ag Shop. Work will be done by the shop students and volunteers.

• Approved legal adjustments in policy update 57 due to state legislature.

• Voted against the Cooke County Appraisal District's budget amendment, \$15,000 or \$1,500 for software to refund tax money.

• Discussed and approved what the district will be teaching students in computer, grades K-12.

• Approved the Academic Excellence Indicator System Report - the yearly Texas Education Agency's document that evaluates schools.

• Tabled the exemplary signs for the district, looking for the correct cost.

• Made changes in the budget for adjustment to tax level.

Muenster firemen seek funds to buy AED device

If you could help save someone's life wouldn't you do what you could? Muenster's Volunteer Fire Department has been operating as a first responder unit for some time now. That means that when an emergency 911 call is placed where medical assistance could be required, they respond and do as much as possible until Cooke County EMS arrives.

Sometimes the firemen provide first aid. Others times CPR is required. While CPR is sufficient to save a life in some cases, in others it is only a temporary link in the chain of survival. If the patient has gone into sudden cardiac arrest (SCA), more drastic measures are required to save that life.

A person who has gone into SCA will quickly collapse and lose consciousness. There are usually no symptoms and no warnings signs before SCA. If the person's normal heartbeat isn't restored within a few minutes they will die. Although CPR will temporarily prolong a SCA victim's life by supplying oxygen to the blood, but defibrillation is the only method for reversing the chaotic heartbeat and saving the person's life.

According to the American Heart Association (AHA), there is a four-step chain of survival for SCA victims. The links in the chain are: 1. Early access to emergency medical service, 2. Early CPR, 3. Early defibrillation, and 4. Early advanced cardiac care. Defibrillation is considered the key link in this chain.

In information released by Prudential it states, "During

sudden cardiac arrest, abnormal electrical signals can throw the normal heartbeat so far off that the main pumping chamber goes into spasmodic contractions called fibrillation. During fibrillation, plenty of electrical activity is present in the heart, but it's totally disorganized. Without organized rhythmic electrical signals, the heart can't pump blood. A victim of cardiac arrest has little chance of survival after six to eight minutes of fibrillation."

Survival rates from ventricle fibrillation can be remarkably high if defibrillation is administered within the first few minutes of SCA. For each minute that passes, chance of survival is decreased by 10 percent. After as little as 10 minutes, very few resuscitation attempts are successful. Response time for Cooke County EMS can be as much as 18 minutes. That is why the Muenster VFD is anxious to purchase an automatic external defibrillator (AED).

AEDs are devices that automatically analyze a heart rhythm and can deliver electrical currents to the heart in order to treat arrhythmias. They are very simple to use. When attached the unit gives step by step instructions. All that is required is a four hour training course given by an EMT. AED units are becoming popular in large cities where response time is often lengthy due to congested traffic. Patrol officers carry units in their cars in many of these cities.

First responders in rural counties also find they are

BACK UP the Muenster Volunteer Fire Department, which not only fights fires but also responds to emergency medical calls. Janie Hartman Photo

beneficial to people in their areas. According to Muenster Volunteer Fireman Bert Walterscheid, since Jan. 1, 1997 to last weekend, the Muenster Volunteer Fire Department responded to 86 calls. Broken down into categories, there were 29 fire calls and 57 medical calls. Of the medical calls, seven were heart related. "This is a high number of calls for heart related conditions for our community," said Walterscheid. "We can't stop the calls, but we can help these victims with better and more advanced equipment — and AED."

Donations will be used to purchase an AED unit and to train all local first responders on the use of the AED. "With

your help, you can help us save your life or the life of a loved one with an AED unit," Walterscheid noted. "There is no reason that anyone should have to lose the life of a loved one to SCA because we do not have an AED and had to wait for an ambulance to arrive from Gainesville — which takes at least 18 minutes. Sudden Cardiac Arrest victims DO NOT have 18 minutes."

Anyone wishing to help with the purchase of an AED unit should mail their donation to Muenster Volunteer Fire Dept., P. O. Box 112, Muenster, TX 76252. Donations for the unit can also be given to Herbie Knabe, Bert Walterscheid, or Jim Gehrig. Lives can be saved with your help.

ESA: has it saved species?

The Endangered Species Act (1973) has been in place for 14 years. Has it saved any species?

Note the following:

- Only 27 species have been removed from the list.
- Seven of them were delisted because of extinction.
- Nine were "data errors," according to the U.S. Fish & Wildlife Service (USFWS).

- The USFWS claims to have saved the remaining 11 species, but eight of them weren't in danger and should never have been listed.
- The other three were well on their way to being saved before the 1973 ESA passage, documents the Competitive Enterprise Institute, a Washington-based think tank.

ATTORNEY Continued from Page 1

assistant's salary could be taken out of the budget.

Judge Duncan suggested that Mrs. Davis try to pay additional salary from the hot check fund. He told her that she might hire someone on a temporary basis with the potential of a permanent position if they justify their salary. She was told she could come before the court at a later date to request salary assistance.

Sergeant Ray Sappington of the Cooke County Highway Patrol office requested that the county purchase an additional radar for the sergeant's car. Its cost is \$1,000. He said that it is a versatile hand-held unit that can also be mounted in a car and used while moving.

Sgt. Sappington noted that it would pay for itself with money generated by speeding tickets. He said that he has an unmarked car and according to the law he can't write tickets for speeding when in an unmarked vehicle. However he often clocks speeding vehicles and follows them while calling on one of two officers stationed in marked vehicles on off roads to make the stop and issue the ticket.

The Texas Highway Patrol has a 1,000 gallon fuel tank which it would donate to the county. Precinct #3 Commissioner Jerry Lewis said that the tank was well worth a \$1,000 to him. He offered transfer the money to purchase a new radar from his Road and Bridge fund to the General fund in exchange for the fuel tank. This was agreeable to all and Sgt. Sappington was told to proceed with the radar purchase.

Another request from the Highway Patrol Office located in the Cooke County Courthouse was for a new copy machine. Sgt. Sappington said that the unit that they were using broke down and would be very costly to repair. Also they were now in need of one that would sort and collate.

The need is due to an increase in copies that must be made in the Gainesville office. Sappington was recently promoted to sergeant and placed in charge of the Gainesville office. There will be

six highway patrolmen stationed in Gainesville and four in Sanger. The officers from Sanger work about 70 percent of the time in Cooke County, said Sappington. Each of these officers must be supplied with copies of paperwork from Austin.

Sappington presented proposals on two Xerox copiers. Johnny Leftwich of Dustin's also asked to have the opportunity to present a proposal.

Gloria Parrish reminded the Court that there were two copiers in the courthouse and that the county pays monthly for two copiers with a maximum of 20,000 copies allowed on each. She said that 20,000 copies aren't made on either machine and the county must pay for that number whether used or not. One is located in the County Agent's office and the other in the County Clerk's office.

Sappington said that the problem with using one of those machines was that often their office would have to be locked and unattended while the copies were made. A solution offered was moving the machine from the county agent's office to the highway patrol office. Commissioners agreed to have the Technology Committee study the situation and recommend a solution.

Bids were opened and read from four local auto dealerships for a new pickup truck for the Sheriff's Department. Klement Ford of Muenster won with the low bid of \$21,645.60 for a 1998 F150 supercab.

Other bids were Glenn Polk Auto Complex for a 1997 Dodge for \$23,727; Glenn Polk Ford for a 1997 F150 supercab for \$22,995; and Brown Motor Company for a 1998 Chevrolet for \$22,319.75.

Six truss bridges located in Precinct #3 were put out for bid. Lemons House Moving offered the highest bids of #1, \$556.50; #2, \$356.50; #3, \$556.60; #4, 356.50; #5, 556.50; and #6, \$556.50.

Commissioners discussed and approved minimum specifications for tractor with boom mower for Precincts #3 and #4.

Letters to the Editor

Dear Editor,

During this week of Thanksgiving, I would like to take this chance to thank the Muenster Volunteer Fire Department for their heroic effort to save Lois Cook's home last week. My grandmother's house would have been completely destroyed without their quick response to the 911 call on Wednesday morning. After seeing what a house fire can do, I have a lot more respect for the men who give up their free time to train and risk their own lives to the saving of others.

My dear grandmother passed away late on Thursday night, due to complications with open heart surgery. Therefore, all of the cleaning process on her home has been put on hold because of the funeral and the holidays. But, I would like to thank Mark Klement and Joe Pagel for organizing a clean up

day with the Muenster Jaycees. The high school faculty of Muenster ISD has also volunteered to scrub all of the smaller objects that will be treasured in our family. Needless to say, many other people came by to volunteer with the cleaning. It has not gone unnoticed!

Sometimes it takes a tragedy before one realizes what one has. I have realized what dear friends that I have in Muenster. So I hope this Thanksgiving every one can reflect on how nice we have it here in Muenster. It may be the friends you have, your job, or the organization you belong to; but one thing is for sure - they will always be there to help when you are in need.

Thank you,
Danna Hess

Muenster, TX 76252

From My Side of the Fence

by Ed Cler

Looking back over the years, one can recall a number of things, mostly weather extremes, that have occurred, and were unusual for the area, but not totally unheard of.

In the 30s the temperature dipped below zero on several occasions, destroying all fall planted grain crops, and some livestock.

We had several droughts that were troublesome, the most notable being in 1956.

I can recall an ice storm that played havoc with telephone and electric lines in the winter of 1949. We were without electric service for some 10 to 15 days.

Then there was the flood of '81 that dumped so much water on us, we were beginning to hope for a Noah and his Ark. Rainfall reports of 20 inches and up were common.

Gainesville's elephant, "Jerry," became known all over the globe for spending about

three days and nights under water, its front feet in a tree, and using its trunk for a snorkel tube to survive.

The winter of '83 brought us what many still refer to as the "deep freeze." Temperatures were very cold and we had considerable ice and more snow than we were used to. The freezing temps held on for about three weeks, allowing the frost to penetrate the ground for a foot or more. Water pipes were frozen up well below what was usually considered a safe depth for the area.

In all these years there were also a number of storms, some severe, yet most of us had not yet been told of "El Niño," so we simply felt that nature had dealt us a few low blows.

It sure is a comfort now, to have something to blame for any unusual weather occurrences.

City Council Agenda

The following is the agenda for the regular meeting of the Muenster City Council to be held at 7:30 p.m. in the City Hall meeting room on Monday, December 1, 1997.

1. Call meeting to order at 7:30 p.m.
 2. Approve minutes of the November 3, 1997 meeting.
 3. Recognize visitors and invite them to attend the entire Council meeting and to discuss their business.
 4. Consider any other business to come before the Council.
- OLD BUSINESS:
1. Consider and act upon approving a contract with Southwest Consultants to help administer the Texas Community Development Grant for the elevated water storage tank.
 2. Consider and act upon approving paving projects, and decide on whether to add Oak Street (7th Street to 8th Street) to the paving projects.
- NEW BUSINESS:
1. Consider and act upon a proposed 20' street easement extending West 8th Street.
 2. Read and review a proposed amendment to the 1993 City Ordinance (No. Number) on subdivisions that requires subdivision plats for lots on dedicated and open roads and which are opposite intersecting roads (Reading #1).
 3. Read and review a proposed amendment to City Ordinance #215, Water and Sewer Rates, Section IV, to increase the water deposit from \$10.00 to \$100.00. (Reading #1).
 4. Read and review a proposed city ordinance assessing paving and/or curbing costs for unpaid property owners on West Second Street and North Elm Street. (Reading #1).
 5. Receive a report on police activities in the community.
 6. Consider and act upon approving a proposed contract between the City of Muenster and the Friends of the Muenster Public Library.
 7. Consider and act upon approving a renewal contract between the City of Muenster and Jim A. Robertson authorizing him to act as the city's tax collection attorney for the period January 1998 - December 1999.
 8. Consider and act upon appointing additional duties required by the Texas Community Development Grant and receive a report on the November 24, 1997 visit from the Texas Department of Housing and Community Affairs representative.
 9. Consider and act upon authorizing issuance of certificates to city employees.
 10. Schedule a public hearing on paving and curbing Fourth Street (Eycamore Street to Maquette Street) and Sixth Street (Pecan to Hickory Street).
 11. Advise city council that a new Muenster Water District Board of Director's member is needed to replace Charlie Wimmer for the March 1998 - February 2000 time period.
 12. Review the October-November 1997 Budget Summary.
 13. Review and act upon monthly bills.
 14. EXECUTIVE SESSION - The council may enter into closed or executive session to discuss the following: Texas Social Government Code §§1, 274 - PERSONNEL MATTERS, Texas Government Code §§1, 274 - PERSONNEL MATTERS.
 15. RETURN TO OPEN SESSION. ACT UPON MATTER DISCUSSED.
 16. ADJOURN.

Josephine English dies

Dora Josephine (Josie) Kerr English of Gainesville died at St. Richard's Villa in Muenster on Nov. 19, 1997 at age 89.

Survivors are her husband, "Casey" English of Gainesville; sons and daughters-in-law Wallace and Barbara English, and Kenneth and Debbie English all of Rosston. Also grandchildren Daniel and Natalie (English) Truly of Beverly Hills, CA; Blake English of Houston; Lenae English of Denton; Mike and Angela (English) Thomas and their son Stephen of Van Alstyne; Nick English of Denton. There are several nieces and nephews, including Cynthia Lam, Ruby Belle Cheaney and Margaret Jo Stark all of Gainesville and many great-nieces and great-nephews.

Preceding her in death were her parents Earl and Lucy Kerr, her beloved sister Melena Hand, and her aunt Ruby Lynch who helped raise her.

Dora Josephine (Josie) Kerr English was born on June 16, 1908 in Woodbine to Earl G. and Lucy Lynch Kerr.

She graduated from Decatur Baptist College in June 1928, and began her lifelong career of educating future leaders of Cooke County. She married Seth Ward (Casey) English in Gainesville on Dec. 31, 1939. During her marriage, the English family lived in Gainesville, Coppell and Rosston. The union was blessed with two sons, Wallace and Kenneth.

Over the course of her career, Josephine English taught in Concorde, Callisburg,

Dora Josephine English

Hood, Myra, Era, Shady Grove and Muenster. After retiring as a public school teacher at Muenster Public School in 1973, she taught at Sacred Heart School for two more years, before health problems made it necessary for her to retire permanently.

Services for Josephine English were held Saturday, November 22, at 10:00 a.m. at Geo. J. Carroll & Son Funeral Chapel officiated by Rev. Jay Abernathy, pastor of Era Baptist Church.

Interment was in Rosston Cemetery, directed by Geo. J. Carroll & Son Funeral Home. Pallbearers were Mark Lam, Daye Griggs, David Hutcherson, George Jones, Parker Yarbrough, and Joe Yarbrough.

Memorials may be sent to any library or literary program.

Lois Cook dies at 78

Lois Ann Cook of Muenster, mother of Fay Hamric and Connie Gibson died at Dallas Medical City at age 78 on Nov. 21, 1997 at 1:42 a.m., following a lengthy illness.

She was born on Dec. 22, 1918 in New Orleans, LA to T.Q. and Cornelia Curley.

She was an executive secretary for El Paso Natural Gas, Triton Oil and Gas, and retired from Cooper Industries. Locally, she was an active member of Cooke County Home Hospice; and was active with Relay For Life Fund Raising Organization. She was a member and organist for the Nocona Hills Community Church. Generally very artistic, she loved music and painting with acrylics and oils.

Survivors are two daughters and sons-in-law Fay and Dan Hamric of Muenster, and Connie and James Gibson of Marble Falls. Also five grandchildren: Bob Hamric of Saint Jo, Danna Hess of Muenster, Lisa Dryg of Fort Worth, Orian Barry of Marble Falls and Leah Cavitt of Salt Lake City, Utah; and four great-grandchildren.

Preceding her in death were her parents, T.Q. and Cornelia Curley, two brothers Winston Curley and Donald Curley and one sister, Fay Bourquin.

Memorial service was held on Sunday, November 23 at

Lois Ann Cook

2:00 p.m. at Nocona Hills Community Church, officiated by Lee Lucas and directed by McCoy Funeral Home of Muenster.

The Nocona Hills Community Church Choir sang for the service. Soloist Ben Kiker sang Mrs. Cook's favorite, "Peace in the Valley." The choir sang "He can turn the tide" and "Climb Every Mountain."

In lieu of flowers, the family has suggested memorials sent to the Muenster Volunteer Fire Department or to Nocona Hills Community Church.

MONEY TALK

BY DENNIS HESS

Saving for College

Everyone wants the best for their children. Nationally, 65% of high school students plan to go to college.

Yet a 1996 survey shows that one-third of parents with children in high school still had not begun to save for their children's college. College costs continue to go up each year. In fact, according to the College Board, tuition increases at four-year colleges have averaged 7.4% over the past 10 years. If this trend continues, you could be looking at a four-year public college costing \$80,000 in 10 years. (Ouch!) And those 10 years go by awfully fast!

If you are in shock over those numbers, don't panic. A majority of students usually can get some help through some type of financial assistance such as loans, partial scholarships or financial aid.

So what are the numbers if you want to have \$50,000 saved up in 10 years. Well, at an assumed rate of return of 12%, you would need to invest about \$218.00 per month. If you are the ultra-conservative type who wants to save in an FDIC-insured account at say, 5%, you would need to put aside about \$325.00 per month. (You can also save through the Texas Tomorrow Fund, but the fund is basically designed to only cover tuition.) The numbers do get a little easier if you have more time, but then most families have more than one future college student, right?

If you are interested in college financial planning, please contact me or any other registered representative. Also, school counselors can be a big help in finding those partial scholarships and possible financial aid. Of course, the sooner you start a serious college savings plan, the better.

County tax assessor-collectors take part in A&M seminar

Some 240 tax assessor-collectors and their deputies from across the state came to College Station to participate in the 15th annual County Tax Assessor-Collectors' Continuing Education Seminar. The seminar was held at the College Station Hilton Conference Center, November 16-19, 1997 near the Texas A&M University Campus.

Taking part were Tax Assessor-Collector, Billie Jean Knight and deputy clerk, Lori Hendrickson.

The training was conducted as a program of the V.G. Young Institute of County Government of the Texas Agricultural Extension Service, the Texas A&M University System, in cooperation with the Tax Assessor-Collectors

Association of Texas and the Office of Continuing Education of Texas A&M University.

Tax Assessor-Collector Knight and Deputy Clerk Hendrickson will receive continuing education units from Texas A&M's Office of Continuing Education for participation at this conference.

Discussions covered a wide range of timely topics, including: "Ethics," "An Overview of Texas Revenue System," "Legislative Update on Property Taxes," "Management Practices in the Tax Office."

"Round Table" discussions were held also which provided an opportunity for Tax Assessor-Collectors to share a variety of information.

Hearing Notice

Muenster ISD will have a hearing for any interested constituents on the '96-97 AEIS Report. The hearing date is the regular board meeting on Dec. 11 at 7:30 p.m. in the administration office. This is the state accountability report dealing with academics, finances, staffing patterns, etc. for the last school year. This report has been published and distributed to each campus principal's office, to the school library, to the local newspaper and a copy can be found in the superintendent's office.

Thanks Aplenty!

We wish our good friends and customers an abundance of wonderful things - a Happy Thanksgiving and a bountiful year.

Double golden wedding celebrations held

Ed and Louise Schad and Elfrieda and Joe Hundt jointly celebrated their 50th wedding anniversary November 15 at the St. Peter's Centennial Hall in Lindsay.

Both couples were married Nov. 11, 1947 in a double ceremony at St. Peter's Catholic Church in Lindsay. Louise and Elfrieda are sisters.

The couples were honored by their children during a dinner attended by about 200 people. On display were the wedding dresses worn by the brides of 50 years ago. Alice Kendall, the Schad's daughter, made anniversary wedding cakes for

the couples. Photo and memorabilia displays were set up representing the past 50 years in the lives of both families.

Both couples are lifelong residents of Lindsay. Ed has been an electrician, farmer and raises cattle. He has also enjoyed raising pecans. Louise is a caterer, homemaker, and formerly worked as a telephone operator for then Bell Telephone and for Linda Jo Shoe Company.

Joe Hundt has been a farmer and associated with the Bottle Shop in Lindsay. Elfrieda caters with Louise, is a

homemaker, and formerly worked for the Gainesville Water Department and Linda Jo Shoe Company.

The Schads had eight children: E.J. Schad, Don Schad, Mary Jean Bayer, Alice Kendall, Phyllis Schad, Joan Wyrick, Daniel Schad, and Patrick Schad.

The Hundt family includes 11 children: Ellen Story, Michael Hundt, Margie Bendure, Richard Hundt, Robert Hundt, Joseph Hundt, Stephen Hundt, Jerome Hundt, Paul Hundt, John Hundt, and Marian Hundt.

Joe and Elfrieda Hundt and Ed and Louise Knaut

New Arrivals

Hess

Gary and Margo Hess proudly announce the birth of a son, John Alphonse Hess. He was born in Gainesville Memorial Hospital on Sunday, Nov. 16, 1997 at 2:45 p.m. weighing 7 lb. 2 oz. and measuring 20 and 1/2 inches in length. He is welcomed by three sisters Amanda, age 8, Ashley, age 6, and Amber age 3. Grandparents are Paul and Sis Hess of Lindsay, the late Shirley Hess, and Grady and Jean Mitchell of Gainesville. Great-grandparents are Margaret Schmitt and Paul and Dorothy Fisher of Muenster, and Margurite Van Zandt of Amarillo.

Chisum

The birth of Stormee Cheyenne Chisum on Thursday, Nov. 20, 1997 at 8:40 a.m. in Gainesville Memorial Hospital is announced by her parents LaVonda Duke and Robert Chisum of Gainesville. She weighed 5 lb. 15 oz and measured 18 inches in length. She joins a brother Jonathon, age 3. Grandparents Gail Smith of Muenster and the late Raymond Gibbs, Connie Manuel of Gainesville, and Donney Duke of Collinsville. Great-grandparents are Woodrow Mitchell of Collinsville, Pete Duke of Pottsboro, and Ruby Brackeen Gainesville.

Wimmer

Randy and Linda Wimmer announce the birth of a daughter, Maria Anne Wimmer, born on Nov. 22, 1997

at 12:13 a.m. in Columbia Medical Center of Sherman, weighing 5 lb. 7 1/2 oz. and measuring 18 inches long. She joins Daniel, Angela, and Stacie of the home. Grandparents are Margie and Eddie Krahl and Charles Wimmer, all of Muenster.

Maria Anne is very ill and is a patient in the Neo-Natal Unit and ICU of Columbia Medical Center of Plano, where she was carefitted soon after birth. Please pray for her.

Bayer

Allen and Christy Bayer of Lewisville are the proud, joyful parents of their fourth child, Roman Lawrence Bayer, born on Oct. 29, 1997 at 5:30 p.m. in Columbia Medical Center of Lewisville, weighing 7 lb. and measuring 21 inches in length. Roman joins siblings Robert 4, Rosalee 3, and Mary Helen 2 at home. Roman is the 50th grandchild for Helen and the late Roman "Larry" Yosten, and is his grandfather's namesake. Other grandparents and great-grandparents are Rosalee and the late Robert Bayer and Mmes. Elsie Fuhrman and Gertrude Bayer respectively, all of Muenster.

Notice!

Catholic Daughters of America will meet Monday, December 1 at 7:30 p.m. in the K.C. Hall for their regular meeting, and to prepare goody bags for shut-ins and the elderly.

Attendance great at Thanksgiving Social Nov. 23

Smiles were big Sunday as chairmen viewed a splendid turnout for the traditional Thanksgiving feast at the Sacred Heart Community Center. Committee chairmen reported that 1225 dinners were served, a substantial increase over last year's crowd.

Sales at the Sweet Shop and Cake Walk were brisk, and a steady stream passed through the Arts and Crafts Booth, and the Silent Auction. Raffle winners and their prizes were: Mr. and Mrs. Santa Claus, Annette Walterscheid; a Porcelain Church figurine, Ken Hesse; a pair of Wooden Angels, Carla Truebenbach; a Nativity Set, Kerri Acuna; a baby blanket, Helen Otto.

Christian Luke is two

Christian Luke

Christian Luke, son of Ben and Annette Luke, and grandson of the late Dan and Dolores Luke, and John and Linda Carroll was honored with a party for his October 26 second birthday on Saturday, November 1.

The party carried out a Winnie the Pooh theme. Hamburgers, chips, beans, fruit, Winnie the Pooh birthday cake and ice cream were served.

Attending were aunts and uncles, Cheryl and Dwayne Rohmer, Damian Luke, Andrea Weimer, Nanci Carroll, and Ray and Tawni Luke; cousins Preston, Parker and Peyton Luke, John and Christina Rohmer, Erinn Luke, and Blaise Weimer.

Gifts were opened and displayed. All the cousins enjoyed playing games together.

Energy Fact

Faucet and shower aerators mix air with water, making the flow seem stronger while using less water. To Save: Install aerators in the kitchen and bathroom. This will save the typical family of four up to 280 gallons per month or 3,300 gallons annually.

Saturday is last day to buy quilt raffle tickets

Saturday, Nov. 30 at 5 p.m. a drawing will be held in downtown Muenster to determine the winners in the Chamber of Commerce sponsored Quilt Raffle. First place prize is a Log Cabin Barn Raiser quilt, other prizes are a 12 inch Seraphim Angel special edition, a portable deer feeder, choice of men's or ladies' Fossil watch, and an RCA portable CD player.

Saturday will be your last opportunity to purchase chances which are \$1 each or six for \$5. They can be found at local retailers or with any Chamber member.

BSP presents best holiday story

One of the most beloved holiday stories, *The Best Christmas Pageant Ever*, comes to life at Butterfield Stage beginning December 4. Slated for 11 performance runs, the delightful tale combines the magic of the Christmas season with the manic mayhem of a classic comedy.

Adapted from the only story ever to run twice in *McCall's* magazine and having sold over 800,000 copies of the original story, *The Best Christmas*

Pageant Ever, has played in theatres across the country since 1982. Set in small town America, the play finds characters Bob and Grace Bradley struggling to produce their church's annual Christmas pageant. Even their best efforts seem doomed by the casting of the Herdman kids, probably the meanest, nastiest, and most inventively awful kids in history. What results amidst the frenzied chaos, is the best Christmas

pageant ever - an event that touches the hearts of all.

Performances of the holiday production are slated for December 4, 5, 6, 11, 12, 13, 18, 19, 20 at 7:30 p.m. and December 7 and 14 at 2:30 p.m. Tickets are \$9.00 for adults and \$6.00 for children and may be obtained by calling the theatre box office at 940-665-8152.

Winners of Cub Scout Turkey Shoot, from left, Ricky Grewing, Eric Endres, Michael Valliere and Paul Crabtree.

Cub Scouts hold Turkey Shoot

Cub Scout Pack #664 met Sunday, November 16, at the VFW Hall for a fun-filled afternoon. To add to the festivities, each scout was given an Indian headband to wear.

The meeting was brought to order by assistant cubmaster Kim Felderhoff. Acting as color guard were the Bears. Kim continued the meeting by distributing awards. The Tiger Cubs received iron-on tiger

patches #1 and #6 earned during their den meeting. Ricky Grewing, John Crabtree, and Kyle Caldwell received their Bobcat patch. The Bears received red beads. A song followed, led by the Wolves.

The big excitement of the day was the BB gun turkey shoot. In addition to learning about technique and safety, the boys had the thrill of competing for a turkey to bring home. While the boys waited to shoot, they

played a washer toss game and were treated to cookies and juice.

The winners of the turkey shoot were: Tiger Cub Paul Crabtree, Wolf Ricky Grewing, Bear Michael Valliere and Webelo Eric Endres. The winners of the washer toss were Tiger Cub Brandon Bindel, Wolf John Crabtree, Bear Kyle Caldwell, and Webelo Jon Ambrose.

— Years Ago —

50 YEARS AGO Sept. 12, 1947

Henry Trachta, community pioneer dies at 66. Charles J. Bernauer dies at 62. City Council hears report that new 105,000 gallon water tank is in place, but awaits cooler weather, when work may be done inside the tank to sandblast scale and dirt away, and paint interior. Moving the tank to its present location involved mounting it on house-moving trucks, digging a four-foot depression under the overpass to clear level, pulling it under the overpass, then north beyond the west residential limits and then east to its present location. Steve Fette's trucking company handled the job. Wedding: Evelyn Wiesman and Raymond Arthur Stewart Jr. are married in St. Benedict's Church of Subiaco, officiated by her uncle, Father Benedict Boergering OSB.

30 YEARS AGO Sept. 8, 1967

Finest rain since last spring came to the community this week, in four soaking drizzles spread over a period of four days. KCS plan two Columbus Day events: Communion and Brunch on October 8 and dinner-dance on October 12. Muenster Hospital Auxiliary and Muenster Jaycees consider sponsoring a Dale Carnegie course. Commissions realized will help pay the cardiac monitor donated to Muenster Hospital. Football: MHS Hornets and Lindsay Knights will play Friday night; SHH Tigers will open season against Saint Jo Friday night. New Arrivals: a son for Mr. and Mrs. Clyde Fleeman; a daughter for Mr. and Mrs. Augie Knabe.

50 YEARS AGO Sept. 19, 1947

James H. Cooke, 87, dies following brief illness. To bring lights to the football field, only electric wire and fuses are still needed. Poles are installed, lights, reflectors and switches are on hand. Wedding: Edna Haverkamp and Martin Klement are married in St. Mary's Catholic Church of Gainesville. Leonard Bengfort of Lindsay 4-H Club wins special District Award at State Fair of Texas 4-H and FFA Day.

Denton Holiday Lighting Celebration

On December 4, the Denton Holiday Lighting Ceremony will take place at 6:00 p.m. It will be followed with a special open-air Christmas concert by Denton's own Brave Combo at 8:00 p.m. This year the Christmas Concert will feature a Bucket Brigade, to help raise funds for the Denton Salvation Army's new homeless shelter. All of this will take place on the Denton Courthouse Square. For more information call Mike Cochran at 940-387-0995.

1997 Fantasy of Lights Parade in Bowie

Main Street's seventh annual Fantasy of Lights parade comes to Bowie on December 6th at 7 p.m. Last years parade brought over 6,000 spectators to Bowie's downtown to witness a record 34 entries.

This year's parade theme is Christmas Through a Song. Linda Fitzner, Bowie High School Theater Arts Director will be the Grand Marshal. She will perform a Christmas song to kick off the parade. Santa's Rooftop will be the final float in the parade. Santa and his Rooftop will be escorted to the corner of Tarrant and Mason, where he will greet children and hand out Christmas treats.

Santa to be Morton Museum

The Cooke County Heritage Society is happy to announce that the merry fellow from the North Pole - Santa Claus - will be at the Morton Museum of Cooke County. This year Santa has new hours. The morning hours are as follows: December 2-5 (Tuesday-Friday) 9:30-11:30 a.m. The afternoon hours are as follows: December 3 and 4 (Wednesday and Thursday) 1:30-2:30 p.m. ONLY.

Mrs. Santa Claus also will be making an appearance on

Tuesday and Wednesday morning and on Thursday afternoon. Each child coming to see Santa will receive a special token of his affection. There is no charge to bring your child to see Santa and parents are welcome to take photographs. For more information, please call the museum at 668-8900.

Public invited to Christmas Musical

All are welcome to start their Christmas season off right on December 7 at 7 p.m. with First Baptist Church of Gainesville's presentation "The Music of Christmas." The musical, presented by the Sanctuary Choir and full orchestra, will include many favorite songs of the season and several new songs.

The church is located at 308 E. Broadway and there is no charge for the concert. There will be a nursery for children 3 years old and younger. For more information please call 940-665-4347.

Joseph Weldon Bailey Tour

Follow in the footsteps of noted lawyer, Congressman, Senator, candidate for governor of Texas in a heated contest, and Gainesville's "favorite son" Joseph Weldon Bailey on this one-hour guided walking tour into the past.

Participants will hear all about this fascinating character, including the scandals and feuds he was accused of being a part of, as they visit sites in Gainesville frequented by and with a special connection to him.

The tour begins at the Morton Museum of Cooke County. It will be conducted every second Thursday of each month beginning in October from 10:00-11:00 a.m. The cost of the tour is \$1 per person. The tours are free for school groups. Groups may arrange to take the tour at a different time by calling 668-8900.

COG discount benefits Hornet Band

On Sunday, Nov. 30 from noon to 5 p.m., the Crafty Olde German Gift Shoppe and the Muenster Hornet Band are sponsoring a Shopping Spree Fund-raiser. When special coupons are presented at checkout the Crafty Olde German will donate 20 percent of all regular purchases to the Muenster High School Band

Booster organization. Information was incorrectly turned in last week. It stated that with the coupon one could receive 20 percent off any purchase in the store. It should have said that with a coupon 20 percent of any regular purchase would be donated to the Muenster Band Boosters.

Country Tidings

by Ruth Smith

John Hancock passed away Saturday, Nov. 15, 1997 at 11:30 p.m. at his home in the Hardy Community. Graveside services were held in the Hardy Cemetery at 11 a.m. Tuesday, November 18. Mr. Hancock is survived by his wife, two daughters and two sons. Dinner was served at Hardy after the funeral.

C.H. "Tip" Christian is feeling better, and has finished with his fifteen radiation treatments.

Jimmy Christian and grandchildren Hanna and Todd of Springtown visited Mr. and Mrs. C.H. Christian during the weekend.

Mr. and Mrs. Marvin Maberry of Daingerfield visited Miss Lois Bewley Wednesday evening.

Mrs. Winona Russell of Whitesboro visited Miss Bewley Sunday and spent the night.

Ran Greenead of Decatur visited his mother Mrs. Juanita

Greenead Saturday afternoon. James Penton of Sherman treated his dad Jim Penton to Thanksgiving breakfast at Denny's in Gainesville. Other relatives were in the group.

Mrs. Gladys Balthrop visited her grandchildren Jeff and Ann Balthrop and sons Dillon and Jeffery at Forestburg and watched Dillon and Jeffery play ball. The game was with Forestburg and Collinsville.

Holiday in the Park

Millions of twinkling lights, hundreds of festive decorations and a chorus of holiday music will fill the air throughout the Six Flags theme parks in Dallas/Fort Worth, San Antonio and Houston when Holiday In The Park opens in November.

Holiday In The Park at Six Flags Over Texas in Arlington will be filled with hundreds of festive decorations, holiday foods, a snow hill for sledding, plus a host of Christmas shows and musicals.

Holiday In The Park at Six Flags Over Texas will be open November 28-30, December 5-7, 12-14, 19-23, 26-31 and Jan. 1-4. Holiday In The Park is closed Christmas Eve and Christmas Day. Park hours will be 2-10 p.m. except Fridays Dec. 5, 12 and 19, when the park will be open from 5-11 p.m. From December 29 through January 4, the park will be open from 10 a.m. to 6 p.m.

School News

Lindsay School News

compiled by Knightly News Staff

The Lindsay High School Future Homemakers of America have been offering breakfast before school on Tuesdays as a chapter fundraiser that highlights good nutritional habits.

The group conducted a survey to see what breakfast items students would be interested in purchasing for a fundraising project before the start of school once a week.

In connection with the good nutrition theme, the FHA recently hosted guest speaker Lucy Krahl, a registered dietitian from the Gainesville Memorial Hospital. Krahl gave the students handouts and spoke about the importance of eating breakfast. "Eat your breakfast even if it's not too healthy. It's food for your brain," Mrs. Krahl said.

It's One Act Play time again, and it's obvious by the crowd of people standing around Craig Hertel's door to see if they made the final cast.

For the past few weeks, three auditions were held to help Hertel, director, decide who will be in the final cast. This year's play will be a drama, entitled *Find Me*. To some of the older students, this title may sound familiar, as it should. The cast four years ago performed *Find Me* and made it to regionals.

There were 25 to 30 students who tried out for parts, and Hertel thought the auditions went great. "The kids were wonderful to watch, and I was impressed by how well they

were prepared," Hertel said. He also said that those who auditioned did a nice job, and that it was hard to choose the cast.

Veterans of high school OAP competition include Carrie Hundt, Asad Rahman, Jamie Zwinggi, Amy Arendt, Erica Fuhrmann, Elizabeth Luttmmer, Suzette Smith, and James Thomason. New high school performers are Diana Schad, Clint Metzler, Brent Connert, Sara Krahl, and Rachel Lively.

Next summer, LHS Coach and English Teacher Carrie Spruiell will be traveling to Europe for the sixth time. The trip is open to any LHS students and their families. It will be structured and educational as well as fun. "Travel is the best education there is," said Mrs. Spruiell.

The European tour will be to London, England and Paris, France. It will last nine days and cost \$1470, which is relatively low in price, for all that the tour will offer, Mrs. Spruiell said. The tour features such attractions as Stonehenge, Salisbury, Windsor Palace, Versailles Palace and the Loire Valley. For more details contact Mrs. Spruiell.

Lindsay Homemakers have ordered 100 more "Feeding The Flock" cookbooks. The books are expected to arrive December 10. Price will be \$8. To reserve a copy, go by Toot's Cut N' Curl or call Brenda Block at 665-2969.

Joseph Dangelmayr works on his rock climbing skills during a Boy Scout training trip. Fifteen Muenster Scouts camped out overnight and spent Sunday enjoying beautiful weather and adventure on Camp Sid Richardson's climbing and rappelling tower. Photo by Shirley Knabe

The Bears glean information on electricity, trash, recycling

Den 1, "The Bears" of Pack 664 held its monthly meeting at the Tom Valliere home. The meeting was opened with the Pledge of Allegiance and the Cub Scout Promise. While the boys were enjoying snacks and drinks, provided by Shirley Endres, each sentence in the Cub Scout Promise was discussed and the boys in the group explained its meaning.

Two requirements of Achievement 6, "Take Care of Your Planet" were completed. The first requirement was achieved by taking a field trip to Cooke County Electric Co-op. Kathy Bauer and Nick Walterscheid were hosts. They discussed electricity and electrical safety. Mr.

Walterscheid demonstrated all the protective equipment used when working on power lines. Afterwards, the Den was given cookies, safety coloring books and pens for their enjoyment.

The second requirement was achieved by a field trip to City Hall where Ronnie Davis from Bell Group gave an interesting and informative talk on what happens to our trash after it is picked up and on recycling. Mr. Davis gave the boys and the leaders pens and special magnets that are used to test metal vs. aluminum.

Hats off to both Cooke County Electric Co-Op and Bell Group for making such an impact on these Cub Scouts, said the Bears' leaders.

WISHING YOU A WONDERFUL HOLIDAY SEASON
 Just like the Pilgrims and Indians, we've seen first-hand how the entire community benefits when everybody pulls together.
 We're proud to be a part of the team and want to thank all of those who have been pulling for us.

Sports

Lady Hornets start basketball

The Muenster Lady Hornets at their first three games of the season out of the way, with one win and two losses. Action began Tuesday, November 18 at Tom Bean. Muenster had a 14 point lead one time in the first half after 14-10 and 15-14 quarter scores. The Tom Cats came back the third quarter outscoring Muenster 21-15. Muenster was down only by 7 points with 2 minutes left in the game, so the game was closer than the score indicated. Kelly Felderhoff was the leading scorer with 15 points, Maggie Fisher added 9, with Andy Endres and Stephanie Huchton each scoring 8. Three players scored 3 points each; Keisha Dill, Allison Endres, and Heather Hess. Emily Felderhoff scored two.

Last Friday Muenster hosted Chico, taking a 50-45 victory. Defensively on the season we

are holding teams to an average of 48 points. Not bad, could be better, but we are only scoring 44 points per game," noted Coach Jeff Teague. Muenster's offensive is also struggling because of turnovers, which they average about 24 per game. "But we also average 17 steals," added Teague.

Chico took a 14-10 first quarter lead, then extended it to a 21-28 half time score. Muenster closed the gap to five points going into the final period. The Lady Hornets then outscored the Lady Dragons 16-6 for the final score 50-45 victory.

Nine Lady Hornets scored, led by Kelly Felderhoff's 15 points, Keisha Dill added 8, Mindy Endres and Heather Hess with 6 each, 5 for Stephanie Huchton, and four from Emily Felderhoff. Allison Endres, Maggie Fisher, and

Kristen Grewing each scored 2 points.

Monday night Muenster traveled to Notre Dame, losing 31-33.

The first and third quarters hurt the Lady Hornets, scoring only 6 points. After a 14-11 half time lead, Notre Dame outscored Muenster 4-11 to take a 4 point lead going into the final quarter. Muenster attempted to come back but fell short 13-11 in the fourth for a defeat.

"We couldn't throw a beach ball into the ocean," said Coach Teague. "Our defense was right where we needed it, but our offensive output was lacking."

Keisha Dill led the Hornets with 10 points. Kelly Felderhoff added 7, Stephanie Huchton 6 points, and Raegan Koesler 4. Heather Hess and Maggie Fisher each contributed 2 points.

Stephanie Huchton makes her move through the Chico defense to get off a clean shot. The Lady Hornets took a 50-45 victory over the Lady Dragons last Friday night. Dave Fette Photo

Going for the rebound, including Hornets Darren Hennigan, Corey Anderle (23) and Aaron Klement, against the Chico Dragons last Friday. The Hornets took a big 66-40 victory from the Forestburg Longhorns Tuesday night. Watch for story in next week's paper. Dave Fette Photo

Sacred Heart competes in Saint Jo Tourney

The Sacred Heart basketball teams competed in the Saint Jo Basketball Tournament last weekend.

Tigerettes 49 Saint Jo 54
"It was a good game by both squads," noted Coach Jon LeBrasseur. "We just didn't connect from the free throw line like we usually do. Five of 15 is not going to win a close game."

Kayla Felderhoff was the Tigerettes leading point maker with 26 points. Amanda Baldwin added 8, with Jennifer Hess and Leah Rigler each scoring 6. JoAnna Gehrig put in two and Crystal Klement one. Leading the Lady Panthers were Kelsi Todd with 14 points, Holly Harris and T.J. Cannon, 12 each and Ceason Talley with 10.

SH 18 10 6 15 49
SJ 8 11 19 16 54

Tigers 41 Petrolia 80
In game one for the Tigers, two practices and one game were all the preparation the boys had for the tournament. "Team defense and offense improved dramatically," stated Coach Nasche. "Our press breaker killed us." This weakness allowed Petrolia to score 27 points. "Execution of a good press breaker takes time."

Jon Grewing and Waylon Hess both hit the double digits with 18 and 11 points for the

Tigers. Matthew Fuhrmann and David Hesse each added 4 with 2 points apiece by Russell Fette and Duncan Campbell.

SH 8 12 6 15 41
P 19 19 27 15 80

Tigerettes 55 S&S 59
"Their inside game tore us up. We were down by 14 and climbed back to two, and just couldn't get the shot to fall," Coach LeBrasseur said. Kayla Felderhoff burned the boards with 30 points, 13 rebounds, 3 steals and was 8 of 8 from the free throw line. "Kayla had another outstanding game. Perhaps the best of her career," Jon noted.

Crystal Klement and Leah Rigler each put in 10 points, while JoAnna Gehrig added 3 and Amanda Baldwin 2.

SH 14 15 12 14 55
SS 21 17 14 7 59

Tigers 40 Prairie Valley 61
"We had our chances, we broke Prairie Valley's press for three quarters, but tired legs killed us in the 4th," said Nasche. "We missed a ton of lay-ups and fast break opportunities. I'm confident we can correct a lot of those mistakes once we have a few more practices."

Jon Grewing led all scorers with 20 points. Waylon Hess added 12. Others scoring for the Tigers were Duncan Campbell 4, Matt Fuhrmann 3

and Adam Barnhill one.

SH 12 7 16 5 40
PV 11 16 16 18 61

Tigerettes 58 Lake Worth 42
"It was a big win to step up and beat a UIL AAA school," Coach LeBrasseur stated. "Our defense was excellent." Kayla Felderhoff scored 24 points and Crystal Klement 14 for the Tigerettes. Also adding to the win was JoAnna Gehrig with 5, four apiece from Anne Flusche, Jennifer Hess and Amanda Baldwin and three points by Leah Rigler.

SH 11 16 15 16 58
LW 7 7 14 14 42

Tigers 39 Nocona JV 50
In game three of the tournament, Nocona's press and Sacred Heart's 32 turnovers made the difference in this game. "We gave them way too many opportunities," said Nasche. "Tired legs didn't help much either. This was our third game in three days."

Again Jon Grewing led the Tigers on the scoreboard with 22 points. Grewing also was the leading rebounder with 15 and is credited for 5 steals. Matthew Fuhrmann added 11 points, Aaron Hess 3, Matt Bayer 2 and Stephen Hofbauer one.

SH 8 9 12 10 39
N 8 8 21 13 50

Sacred Heart teams fall to Bellevue

Sacred Heart hosted the basketball squads from Bellevue Monday night and were handed two defeats. The Tigerettes let the game slip by 46-40 while the "lack of practice" Tigers fell 75-42.

"Bellevue controlled the tempo, a slow pace," noted Tigerette Coach Jon LeBrasseur. "We fought with them all the way. Their defense was outstanding."

Kayla Felderhoff led the Sacred Heart girls with 20 points, with Crystal Klement putting in 15 points. Jennifer Hess added 3, and Amanda Baldwin 2.

The Tigerettes had a slow first quarter with only 2 points while Bellevue put in 10. Sacred Heart closed the gap to 9-14 at half time. A 15-18 third quarter led to eight points. The Tigerettes closed

the score to 6 outscoring their opponents 14-16 the final period for the 46-40 final score.

Slowly showing some improvement, the Tigers still haven't "put it all together" said Nasche. "We still have trouble stopping our opponents."

Matthew Fuhrmann was the Tigers leading scorer with 18 points. Waylon Hess followed with 10 points and Jon Grewing 7. Also scoring were Duncan Campbell and Matt Bayer with 3 each and Aaron Hess with a free throw bucket.

"Out defense is our #1 concern. We have to improve defensively if we want to get on the winning track," Nasche concluded.

Bellevue jumped out to an early 16-8 first quarter lead, stretching it to 17-33 at half time. After a close 11-16 3rd

period, Bellevue offense hit 26 points in the final to the Tigers 14 for the 75-42 win.

Dragons slain by Knights, take on Italy in semi-finals

The Lindsay Knights traveled to Granbury Saturday night to take on the Dragons from Bangs High School for the Region II area playoffs.

"We had a huge crowd - very vocal and loud," noted Lindsay Coach Charlie Meurer. "We had four intense quarters of football and the people stayed with us."

The Lindsay fans support helped the Knights take a 19-15 victory. "It was exciting, even for me," Meurer continued. "The boys played and had fun. Another performance like that and we could beat anybody."

Action began sliding to Lindsay's side when on the fifth play of the game, Cody Secrest covered a loose ball on the Dragon 41 yard line. Three runs by Steven Tepera took the Knights to the 25. Adrian Anderle got a 24 yard gain to the one, where, with 7:57 on the clock, Tepera scored. The extra point failed, giving Lindsay a 6-0 lead.

The tides turned though, when the Knights let down their guard and allowed Jerry Morales to return Lindsay's kick 85 yards for a touchdown. The PAT gave Bangs a 6-7 edge with 7:40 still left in the first quarter.

The Knights didn't let up, controlling the ball, pounding out short runs. Tepera, Jeff Bezner, Anderle and Corey Neu took 13 plays to drive 40 yards. With 8 seconds on the clock, Anderle scored on a three yard run to return the lead to the Knights. The extra point pass was complete, but out of play, so Lindsay settled for a 12-7 lead.

Now it was the Dragon's turn to work on the clock. After nine runs, a fourth down play turned into a first with a flag against Lindsay. A quarterback sack by Blake Crutsinger and pass defense by Dylan Newberry held the Dragons for a short while - but seven plays later, a one yard run by Marcus McDowell topped off a 64 yard, 10 minute drive. The extra point run gave the Dragons a 12-15 lead with 1:53 left in the first half.

The Knights took the ball to midfield on the kick return. Two good runs by Tepera helped get Lindsay to the 15, but time ran out and the teams left the field for the half-time break.

It was four plays and punt for the Knights as the second half began. Michael Mosman and Chris Garner held the Dragon offense to a one yard gain, forcing a punt, but the return was fumbled and the Bangs offense moved from their 16 yard line to the 42.

Lindsay's defense held the Dragons again to short runs or no gains for 7 of 8 plays, stopping their drive on the 21. Then it was the Knights turn.

From the 21, eight runs by Tepera, Neu, and Anderle moved the Knights to the Dragon 29. A fumbled play was saved when Isaac Zimmerman covered for Lindsay. Short runs by Tepera, Anderle and Neu continued to move Lindsay closer to the end zone to begin the final quarter. Steven Tepera topped off the 16 play

drive with a scoring one yard run. Zach Fuhrmann kicked the point after to give the Knights a 19-15 lead with 8:31 remaining in the game.

Bangs got in 3 runs, then threw an interception to Richie Alfrey at midfield. Lindsay then punted on fourth and 4, and held the Dragons to a 4th and 10. The Knights then held on to the ball for six plays and ran out the clock.

"Great job guys. You can overcome anything," Coach Meurer told his boys after the game.

The contest was all rushing, as neither team made any gain from the air. Steven Tepera led Lindsay's ground game with 116 yards in 26 carries. Adrian Anderle added 46 in 9 attempts. Marcus McDowell led Bangs with 12 carries for 43 yards.

"The key to the game," said Meurer, "is we held their offense to 108 yards. A great defensive effort."

Michael Mosman and Jamie Baggs were the Knights leading tacklers. Also Cody Secrest, Dylan Newberry, Steven Tepera and Richie Alfrey.

"We made a couple of errors and they took advantage of them, otherwise they wouldn't have scored. We overcame the errors to win," Meurer concluded.

NEXT ACTION - REGION II SEMI-FINALS

Lindsay will take on district 14AA leaders, the Gladiators of Italy, this Friday at Irving Stadium. The 12-0 Gladiators return from an 11-2 regional semi-finalist season in 1996, and are ranked third in Texas class AA football.

"They are a very talented team, especially their skill people," Meurer noted. "They

have a very good linebacker, very fast, that could be a problem," Meurer said that Italy's offense and defense are much like Lindsay's.

Action begins at 7:30 p.m.

Directions to the Game
The game will be at Irving Schools Stadium. The easiest route will be to take I35E south to the Loop 12 exit. Go around Loop 12 past Texas Stadium and take the Irving Blvd. exit. Go west to 6th Street and watch for the stadium lights.

Richie Alfrey (24) gets instructions to carry on the field from Head Coach Charlie Meurer while Jeff Bezner (7) and Clay Gallagher (74) are ready to go in.

Junior Varsity

Sacred Heart 16 Bellevue 32
 "This was a fun game to watch. Our boys really played hard," noted Coach John Nasche. "We struggled due to lack of practice."

Eight of the nine Tigers scored, led by Chris Smith and Nathan Yosten with 4 points each. Lee Skinner and Patrick Miller had 2 apiece, with Stephen Hofbauer, Keith Elderhoff, Matthew Nasche and Adam Klement each adding a free throw.

Sacred Heart 18 Bellevue 26
 Monday night the Tigerettes had a good defensive battle in the Tigers Den. Andrea Bartush was high scorer with 6 points. Jana Coker and Holly Artman each scored 4, while Ielanie Bartush and Jessica Oesler added two points apiece. "It was a good effort by the junior varsity," noted Coach Jon LeBrasseur.

Muenster 10 Tom Bean 32
 The Muenster teams prevailed to Tom Bean last week

Has new winner ...

Lindsay keeps contest going

Of the 23 entries in the fifth week of the *Enterprise* contest, Adam Klement took the top weekly prize by correctly guessing 30 games, including Lindsay's area championship. Doug Stoffels, settled for second place with

Tuesday for their opening contest. Scoring for the young Lady Hornets were Megan Hennigan with 6 points, Jessica Anderson 2 and one each from Kristie Lutkenhaus and Polly Fette.

Muenster 15 Chico 39
 The junior varsity Lady Hornets continued to struggle in their second game. Jackie Henschel put in 6 points, Krystal Sparkman 4, Jessica Anderson 3 and one each from Kristi Lutkenhaus and Polly Fette.

Muenster 40 Notre Dame 9
 The Lady Hornets had eight players contribute to their big win over Notre Dame Monday night. Polly Fette was the game's leading scorer with 10 points. Kristie Lutkenhaus and Terri Sue Wimmer each added 6. Getting four points apiece were Megan Hennigan, Jessica Anderson and Ami Graham. Jackie Henschel and Dee Dee Walterscheid each got three.

Muenster 13 12 9 6 40
 ND 2 7 0 0 9

30, after missing the tiebreaker game. Coming in third was Ted Heers with 29, winning over Mickey Haverkamp by a 4-6 point spread on the tie breaker. This week's prizes can be picked up at: 1st, Schilling Fina; 2nd, Bezner Insurance; and 3rd, Michael Kendall CPA.

John Nasche finished in fifth place with 28. Carol Grewing scored 27, with Wayne Klement, Bonnie Stoffels, and Mike Stoffels each guessing 26. The low score of the week was 20.

Because of the Knights 19-15 victory, the contest continues. Only 9 contestants picked Lindsay to win.

Sacred Heart 53
 Sivells Bend 20

The Cubs got off to a good start with a big win. "These boys have a lot of potential and they showed it," stated Coach John Nasche.

Marty Farrell was the game's high scorer with 12 points. Jack Biffle and Luke Endres each scored 8 points with Matthew Grewing and Chris Fuhrmann each adding 6. Aaron Walterscheid put in 4, Clint Fuhrmann 3 and two each from Mikey Bayer, Michael Voth, and Jon Bayer.

Other team members include Jesse Coker, Jeremy Yosten, Mark Bayer, Jeff Reiter, John Knabe and Thomas Whitecotton.

Lindsay 7th 56 Nocona 9

It was a one-sided beating Monday, with three young Lady Squires scoring in the double digits at Nocona. Elaine Hess was the game's high scorer with 18 points. Emmy Trammell put in 12, Alex Hellinger 10 and Katie Schneider 8. Adding two points each were Carrie Crosby, Jessica Metzler, Renee Sandmann, and Sara Luttmere.

Sacred Heart 7th 30
 St. Mary's 18

The young Lady Cubs had their first game of the season Monday afternoon. "The girls did a nice job. They are very aggressive and that is the hardest thing to teach," noted Coach Jon LeBrasseur.

Leading Sacred Heart's scoring, with six points each, were Raney Bauer, Jana Truebenbach, and Mary Jane Callahan. Alicia Cochran and Lillian Nasche each scored 4, with Jennifer Hoedebeck and Catherine Bartush getting 2 apiece.

Sacred Heart 8th 49
 St. Mary's 21

"This group is a very good basketball team," said Coach Jon LeBrasseur. "But we need more floor time to improve our skills." Mattie Sicking was high scorer with 11 points. Tanya Hess and Ashley Hess each hit in 8. Audrey Barnhill, Elizabeth Fette and Andrea Bauer scored 6 points apiece. Getting 2 were Kristen Yosten and Lisa Rohmer.

SH 6 16 9 18 49
 SM 5 4 6 6 21

Sacred Heart 7th 31
 St. Mary's 6

"Our full court, man to man defense really put the crunch on Saint Mary's," said Coach John Nasche. "Our 7th grade boys have more potential in basketball than I've ever had. It's going to be an exciting year."

Chris Fuhrmann and Michael Voth were leading scorers with 8 points each. Clint Fuhrmann added 7, with Jeff Reiter and Thomas Whitecotton each scoring 4.

SH 14 11 0 6 31
 SM 0 2 4 0 6

Sacred Heart 8th 11
 St. Mary's 55

"We lost our composure in this one," stated Coach Nasche. "This is one we just need to forget." Jack Biffle scored 5 with Luke Endres, Matthew Grewing and John Knabe each hitting two.

Farm & Ranch

Spring-planted forecast shows top production

County Agent's Report

by Craig Rosenbaum

Late group soybean trial

Late group soybeans have worked fairly well for producers in Cooke County as a double crop. We recently harvested the plots on the Arnold Fuhrmann Farm north of Lindsay. Arnold has planted various varieties of group 6 and 7 soybeans for the past six years in a result demonstration. During that time we have experienced two low yield years, those being 1996 and 1997. Both years turned off very dry during the development stage of the beans causing reduced bean size and blooms to fall.

The late group beans work well in a double cropping situation following graze out small grain or haylage. There are several things to remember when planting these beans. One is that they are a determinate variety and tend to be shorter than our early group beans.

Ag Brief

One river barge moves the equivalent of 15 jumbo rail hopper cars or 60 large semitrucks. If the rail system had to transport the amount of grain and oilseeds that now move on the Mississippi River, it would require an additional 44,000 rail cars.

Climate treaty is bad news for farm income

A new report issued by J.B. Penn, senior vice president of the Sparks Companies, Inc., shows a 46% decrease in net arm income if the proposed United Nations Global Climate Change Treaty is signed by the president and is ratified by the senate.

Other information provided by the Sparks study and obtained by the American Corn Growers Association shows:

- A \$16.4 billion or 8.5% decrease in cost of production.
- A 3.6 billion or 6% decrease in exports.
- Thirty-three percent increase in gasoline costs.

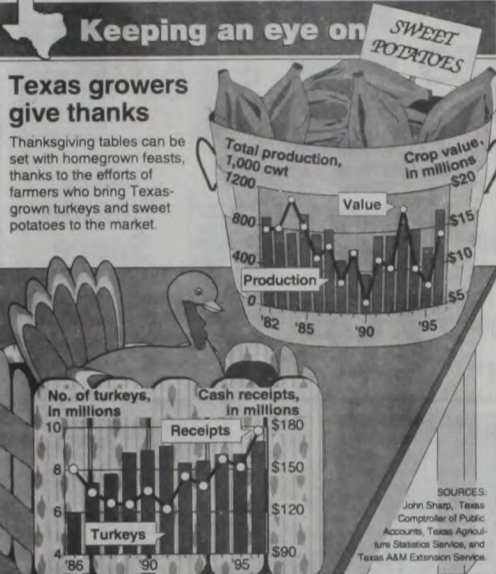

- One hundred thirty percent increase in natural gas costs.
- Five hundred percent increase in coal costs.
- A \$17.4 billion increase in consumers cost of food.

Under the proposed treaty, the United States would have to reduce greenhouse gas emissions to 1990 levels by the year 2010. For 1990 levels to be met today, U.S. industry would have to decrease its emissions by 8%. In 2010, it would take a 35% reduction in emissions to reach 1990 levels.

For many months now, the ACGA has shown the

agricultural community how dangerous the passage of the Global Warming Treaty would be to farmers and rural Americans. This detailed study by the Sparks Company substantiates the corn growers concerns," says Gary Goldberg, ACGA national president.

The ACGA has been the nation's leading commodity association in opposition to the Climate Change Treaty and will continue to provide information geared to educating production agriculture and the farm media about the repercussions of the passage of such a treaty.

Will you lose the family farm if you declare bankruptcy?

The Senate approved by unanimous consent a bill that would protect family farms from bankruptcy. The bill would make Chapter 12 of the U.S. bankruptcy code permanent.

The code, which was created in 1986 to give farmers the opportunity to keep their land after filing for bankruptcy, allows farmers to reorganize their debt with little interference from banks. This bill prohibits banks from foreclosing on a family-owned farm, as long as the farmer can continue to make payments on rental equipment. The bill now goes to the House where it might have a tougher time getting approved.

Record production of corn and peanuts is expected from the November 1 forecast of spring-planted crops released by the Texas Agricultural Statistics Service.

The 1997 Texas corn production is forecast at a record 248.4 million bushels, up 23% from last year and 15% above 1995. Based on November 1 condition, statewide yield is expected to average a record 138 bushels per acre, 26 bushels more than in 1996 and up three bushels from the October 1 forecast. Harvested acreage is expected to be 1.8 million, the same as last year.

Sorghum production is forecast at 104.1 million hundred-weight (cwt), 2% above last year, but down 3% from last month. Harvested acreage is estimated at 3.15 million acres, down 17% from last year, when sorghum replaced some lost cotton. Yield, at 3,304 pounds per acre, is expected to be 616 pounds more than last year.

The 1997 Texas soybean crop is forecast at 10 million bushels, an increase of 42% from last year's production. Harvested acreage is expected to increase 48%. Yield is expected to average 25 bushels per acre, compared with 26 last year.

United States corn production, at 9.36 billion bushels, is virtually unchanged from last year's crop. A yield of 126.4 bushels per acre is forecast, down 7 bushels from last year.

The sorghum crop is expected to decrease 18%, to 368.8 million cwt.

Soybean production is forecast at 2.7 billion bushels, 15% above last year.

Ag groups want EPA's new air quality standards changed

A device that kills bacteria on the surface of raw meat has been designed, built, tested and patented by scientists with USDA's Agricultural Research Service. In 25 milli-seconds, the machine kills 99.99 percent of bacteria by heating the meat surface with 290 degree Fahrenheit steam and cooling it in a vacuum. The meat retains its raw appearance. Adding the equipment at the slaughterhouse is expected to add no more than 1 cent per pound to processing costs.

TI has developed a new miniature sensor to test for E. coli bacteria and other biological and chemical substances in real time. Researchers at Texas Instruments say the electronic sensor, which is smaller than a matchbox, can be mounted on hand-held instruments that provide an immediate digital measurement. Potential applications include miniature sensor systems for water quality control, food processing control and diagnostic testing.

Agricultural groups and industry are pushing Congress to act on two bills that will change the new air quality standards established by the EPA last July.

If Congress doesn't act before the end of this session, agriculture and their suppliers will be subjected to some very costly regulations.

EPA Administrator, Carol Browner, has repeatedly said agricultural activities will not be targeted because they are not significant sources of air pollutants.

The Roth IRA can be important for your retirement planning.
