

GOP wins Texas, incumbents carry county

by Janet Felderhoff
It was a Republican victory in Texas for state offices when all votes were tallied from the Nov. 3 General Election. Gov. George W. Bush was elected to another four year term in office. He carried Texas with a staggering 68.7 percent of the vote. His opponent Democrat Garry Mauro claimed 30.8 percent.

A majority of those who cast ballots in Cooke County were in agreement. Of the 9,475 citizens who voted in Cooke County, 7,550 voted for Bush. The other voters were 1,751 for Mauro and 34 for Lester Turlington, Jr. of the Libertarian Party. In all of the top state offices and open seats on the Supreme Court and Court of Criminal Appeals, a majority of the local voters picked the Republican candidates.

U. S. Congressman Ralph Hall held tight to his seat in the House of Representatives. He carried Cooke County despite local campaigning by his Republican opponent Jim Lohmeyer. Hall's votes in the county numbered 5,395 to Lohmeyer's 3,463.

Phil King was easily the favored candidate in Cooke County for State Representative, District 61.

King snagged 3,000 Cooke county votes compared to his Democratic opponent Brenda Rotramble's 1,339 votes. Muenster was strongly in favor of King giving him 168 to Rotramble's 22 in Precinct #17 and 574 to Rotramble's 104 in Precinct #18.

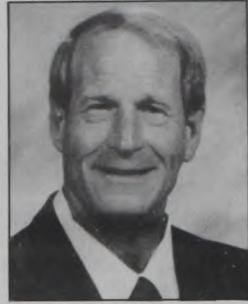

"I want to thank the Muenster community for welcoming us with open arms a year ago when we started campaigning," remarked King. "My wife and children and I are so grateful for the support. I know the Muenster community really carried us in Cooke County." He added that he is thrilled to be elected.

Local voters seem to approve of the jobs being done by their elected officials running for office this year. All incumbents were returned to office, including Muenster resident Virgil Hess who holds the Precinct #4 Commissioner's position. In Muenster's Precinct #18 Hess captured 74.67 percent of the votes while his Republican opposition Taylor Vestal had 23.25 percent. Hess garnered 62.42 percent of the votes in north Lindsay's Precinct #21 and Vestal took 35.45 percent.

Hess noted that the votes were close in early voting. Early returns on Tuesday evening showed a closer margin also, until the Muenster and Lindsay boxes came in and were counted. Other voting precincts showed a closer race. In Precinct #2 Vestal had 77 votes to Hess' 108; Precinct #33 Vestal 46, Hess 64; Precinct #34 Vestal 12, Hess 70; and Precinct #35 Vestal 59, Hess 67. Precincts #2, #34 and #35 are in Gainesville and Precinct #33 is the Sivells Bend area.

Bill Harris

Virgil Hess

"I'm tickled that it came out the way it did," said Hess of the election. While campaigning Hess got enough positive feedback to feel that

he would probably win and said early voting was in his favor. Election night showed a tighter race until the boxes from the western half of his precinct were counted. Hess expressed gratitude to the people who supported him. "It's like a vote of confidence," he said. "Kind of like a thank-

you vote. It's nice to know that you've got home town people and the majority of the precinct behind you." Hess noted that he will continue to be conservative and pointed out that it is his goal to always be conservative.

In the future Hess plans to continue paving roads and working towards improving all the roads in his precinct. Bridge improvements are also figured into the future plans.

Bill Cox will replace Richard Brown as the Precinct #2 commissioner. Cox defeated the incumbent Brown to win the Republican nomination last March. He scored an overwhelming victory over his Democratic opponent Royce Martin of Valley View. Cox claimed 1989 votes to Martin's 956. Cox carried his home Precinct #22 in the Lake Kiowa area, 554 to 123. Martin was supported by 67.73 percent of the voters in Valley View's Precinct #11. The vote

in Precinct #11 was Cox 144 and Martin 317.

Commissioners Court will be under new leadership. Democrat Bill Harris will take the reigns from County Judge Russell Duncan of Jan. 1, 1999. Duncan was appointed County Judge in June of 1997 after the death of Paul Hesse. Duncan chose not to seek election to the position.

Harris and Republican Byron Berry ran a close race for the position. Harris finished with 4,737 (51.30 percent) votes to Berry's 4,496 (48.69 percent). The majority of Muenster's voters supported Berry who is a native of Rosston. Other incumbents returning to office in the county are District Clerk Pat Payne, and Justices of the Peace John Roane and Dorothy Lewis. Evelyn Walterscheid was not opposed for the County Clerk position and Delbert West was

Schools named exemplary

MUENSTER ISD

Last month 325 public school districts and campuses in north Texas were given the outstanding accountability ratings of "Recognized" or "Exemplary" from the Texas Education Agency — representing a 13 percent increase in the number of schools earning such high status last year. On Thursday, Oct. 8, Education Service Center Region XI honored these schools and districts at a special reception and program at Fossil Ridge High School.

Muenster High School, Middle School, and Elementary School were among the outstanding campuses/districts to earn Exemplary status from the Texas Education Agency this year. ESC Region XI staff presented a certificate of achievement to each school and district in attendance at the reception.

In order to achieve the exemplary rating, a district or campus must meet rigorous criteria in the areas of TAAS, attendance, and dropout rates. TAAS scores must be at the "90 percent of students pass" rate for all students and each applicable student group in reading, writing, and mathematics. A 94 percent attendance rate must be met, and the dropout rate must be one percent or less for all students in each applicable student group.

In order to receive the Exemplary rating, Muenster ISD had to meet rigorous criteria in the areas of TAAS testing, attendance, and low dropout rate. TAAS scores must be at the "80 percent of students pass" for a; students and each applicable student group in reading, writing, and mathematics. A 94 percent attendance standard must be met, and the dropout rate must be 3.5 percent or lower for all students and each applicable student group.

LINDSAY ISD

Lindsay ISD Superintendent Travis Winn and Principal Gary Hamilton attended a reception on Thursday, Oct. 8 honoring the schools of North Central Texas that achieved the Recognized or Exemplary status as defined by the Texas Education Agency.

There are 80 school districts in the Region IX Service Center area. Lindsay was one of nine school districts in the region to achieve the Exemplary status. The state education agency rates all Texas school districts each year and assigns their accreditation status, which ranges from unacceptable, accredited, recognized, and exemplary. Exemplary is the highest rating.

In order to receive the Exemplary rating, Lindsay ISD had to meet rigorous criteria in the areas of TAAS testing, attendance, and low dropout rate. TAAS scores must be at the "90 percent of students pass" rate for all students and each applicable student group in reading, writing, and mathematics. A 94 percent attendance rate must be met, and the dropout rate must be one percent or less for all students in each applicable student group.

There are 1122 school districts in the state of Texas. Of all school districts, only 120, including Lindsay, reached the Exemplary stage.

Superintendent Winn credited the outstanding teaching staff and parent involvement for Lindsay's achievement of the Exemplary rating. Winn said, "The Lindsay community and Lindsay ISD are very unique. The combination of high standards, staff effort, parent involvement, and a tradition of excellence enable the school to have high achievement. The teachers instill this philosophy in the students and the parents reinforce it at home. It is a perfect partnership that insures student success."

Construction work on Hwy. 82 continues between Muenster and Gainesville. Workers are extending 27 culverts, most on the north side of the westbound lane. The improved culverts will allow a freer flow of runoff water under the highway. Work also includes cleaning brush, debris and dirt away from inside the water drains.

Weekend rich in arts CHORALE SINGS BEETHOVEN

With great anticipation, the Cooke County Chorale, with orchestra, will perform the *Beethoven Mass in C Major* on Sunday afternoon, November 8, at 3:00 at Sacred Heart Church in Muenster.

Written in 1807, the *Mass in C* is one of the finest of Beethoven's choral writings and more recently regarded as an important piece in choral repertory.

Ludwig van Beethoven (1770-1827), who has been called a genius of the German

Enlightenment Era, was one of the founders of musical romanticism. He believed himself to be a chosen instrument for the betterment of mankind and to produce music to surpass the ages. Among his many works of symphonies, concertos, and an opera, he wrote two Masses. The *Mass* was a channel he felt worthy to express the human and spiritual issues. He wrote it in a way to reach out and encompass a Universal God.

MISD teachers attend meeting, seniors rank high

Three MISD teachers attended a recent meeting at the Region 11 Education Service Center in Fort Worth. They were Dianne Endres, Amy Popp, and Dana Hess. These teachers were representing Muenster ISD's exemplary schools for 97-98. Muenster ISD's elementary, middle, and high schools were again named exemplary by the Texas Education Agency for the 5th year in a row. The exemplary ranking is the highest academic honor TEA uses to rate its schools. This rating, as always, reflects much parent support, hard work by teachers, and student effort.

Pictured left to right are Dr. Randal Douglass, representing Region 11 Educational Service Center, and Muenster teachers Dianne Endres, Dana Hess and Amy Popp.

In a related matter but a different kind of test, MISD received information last week on SAT scores as recorded in a state publication for the 96-97 school year. This publication is called Results of College Admission Testing in Texas for Graduating Seniors. SAT and ACT scores in each district in the state are listed and can be used for a basis of comparison.

The average score for MISD students was 1082 - this is an outstanding score in light of the fact that 82.4% of the seniors took the test. A rule of

thumb in this type of testing is the greater the number taking the test usually will result in a lower average score. In comparing county schools the one with the 2nd highest percentage of students taking the test with a percentage of 65.2 had an average score of 1066. State wide averages are 49.0% tested with an average score of 995. National averages are 42.0% tested with an average score of 1016.

Muenster ISD's seniors traditionally have some of the highest SAT scores in the state as they consistently beat state and national averages. Muenster ISD's seniors with a score of 1082 with 82.4% taking the test will also rank nationwide. This is, once again, indicative of the quality of instruction Muenster ISD students receive.

MONEY TALK

BY DENNIS HESS

The Roth IRA

The new Roth IRA has opened the door for more individuals to invest in an IRA. The Roth is quite different from the traditional IRA that allows contributions to be deducted from income and then grow tax deferred.

Roth IRA contributions are made with after-tax dollars. There are no tax deductions. However, all Roth earnings are tax free, provided required conditions are met. When you withdraw money from your Roth IRA, you will pay no taxes if you are age 59-1/2 or older and have been participating in the Roth IRA for at least 5 years.

Most people will be able to participate in a Roth IRA even if they, or their spouse, are in a tax-qualified retirement plan at work due to much higher income limits (\$150,000 Adjusted Gross Income for a married couple filing jointly).

You can also withdraw money tax free from the Roth IRA prior to age 59-1/2 for college education expense for yourself, spouse, children or grandchildren.

There are other features of the Roth IRA and beneficial changes to tax laws that affect the traditional IRA that are too numerous to mention here. Give me a call and I'll be glad to give you more information.

Participants in the 1997 Relay For Life celebrate closing lap. Janet Felderhoff Photo

Relay For Life Rally is planned for Nov. 16

Monday, November 16 marks the date of the first Relay For Life Rally to be held in Cooke County. Plan now to be a part of this unique event.

The Rally will be held at the North Central Texas College Library Lyceum beginning at 5:30 p.m. on Monday, Nov. 16. Relay Rally is for anyone interested in participating in the 1999 Relay For Life. Team Captains or potential team representatives along with sponsors, volunteers and survivors, are invited to join us for an hour of exciting information on the 1999 event. Guest speakers for the evening include Cooke County Judge Russell Duncan and Annette Walterscheid of Guaranty National Bank. A light meal will be served and door prizes will be given.

- Topics for the evening will be:
- Report on 1998 Statistics
 - A survivors story and how Relay For Life celebrates the fighters and winners of this terrible disease
 - How to get a team together and what it takes to become a team captain
 - New and exciting ideas for team campsite themes

- The new 1998 Texas Relay For Life video
- TEAM FUNDRAISING IDEAS!

Relay For Life is the signature event of the American Cancer Society. During this event walkers and runners go around the clock and around the track in the battle against cancer. Relay For Life has been an annual event in Cooke County since 1996. The C.C. RFL raised over \$65,000 in 1998 in the fight against cancer. The RFL Rally is your opportunity to participate in this exciting event.

"We want the teams to have every advantage for raising money, and we have lots of exciting new ideas from other Relays across the United States," stated Mary K. Endres & Cheryl R. Pollard, Relay For Life Co-Chairman. Many of these ideas could start now and use the upcoming holidays to the team's advantage.

So plan on joining us for the exciting Relay Rally at 5:30 p.m. on Monday, Nov. 16 at the NCTC Library Lyceum. Space is limited so call now to reserve your place at 759-2271 ext. 36.

Hannah Hamilton 1922 - 1998

Hannah Celeste (Stanley) Hamilton of Saint Jo died at age 76 in Nocona Nursing Center on Oct. 21, 1998 at 5:35 p.m.

Survivors include her husband William Lloyd Hamilton of Saint Jo, five sons and daughters-in-law, Jim and Kay Hamilton of Spearman, Texas, Dale and Margaret Hamilton of Callisburg, Charles and Katie Hamilton of Myra, Randy and Pinky Hamilton of Prairie Point, and Gary and Tammy Hamilton of Saint Jo. Also 15 grandchildren and several great-grandchildren. Also two sisters, Jewel Comer and Reba King of Gainesville.

Preceding her in death were her parents; four sisters Opal, Rhoda, Tonita and Loverda; and four brothers Wayne, Eldon, J.D., and C.D. Stanley.

Hannah Hamilton was born on Aug. 1, 1922 in Cooke County to Claude Hamilton Stanley and Sylvia Mae Miller

Stanley. On Sept. 2, 1939 she was married to William Lloyd Hamilton in Collinsville. She was a member of Central Baptist Church in Gainesville; lived in the Saint Jo area since 1962; devoted her life to her family and home; was a dedicated homemaker, and enjoyed drawing, painting and writing.

Services were held on Saturday, Oct. 24, 1998 at the First United Methodist Church of Saint Jo, officiated by Bro. Charles Wylie and Rev. Mel Caraway. Burial in Mountain Creek Cemetery was directed by McCoy Funeral Home of Saint Jo. Pallbearers were Mark Hamilton, Bobby Hamilton, Jimmy Dale Hamilton, Justin Hamilton, Steve Hamilton, and Jerry Paul Hamilton. Honorary pallbearers were Brandon Hamilton, Billy Hamilton, Jamie Hamilton and Nathan Hamilton.

Emma Lee Steadham 1905 - 1998

Emma Lee (Brown) Steadham of Forestburg died at age 93 on Oct. 25, 1998 at 6:40 p.m. at Bellmire Nursing Home of Bowie.

She was born March 19, 1905 in Montague County to George and Mary Alice Brown. She married Eulen Steadham and was a member of the Church of the Nazarene in Prairie Point. A homemaker, she lived in the Forestburg area all her life except for 19 years in Irving. Very devoted to her family, she loved going to church, cooking, and tending to her gardens and flowers.

Survivors are one son, Jimmy Steadham of Forestburg, eight grandchildren, and twelve great-grandchildren; and one sister, Estelle Kelly of Gainesville.

Preceding her in death were

her husband who died in February, 1956; one son Don Steadham; one daughter Ila Dean Cunningham; her parents; one great-granddaughter Brittany Dill; four sisters Pearl Scott, Hazel Barclay, Iva Ford, and Murrell Rosson; and five brothers Joe, Buford, Raymond, Bill, and Cloyce Brown.

City Council hears police chief's report

by Daryl Ferber

Muenster Police Chief Bob Stoval explained the activities of the Police Department to the city council at their meeting Monday.

Stoval stressed the need to stay with the Drug Task Force, at this time of yearly renewal. He answered complaints of speeding around school zones with some constant attention and has written 18 speeding violations. Another problem of speeding, especially of large trucks on Highway 82 is also being monitored. Smaller offenses, as the dog leash laws, are more easily handled.

Criminal investigations have been another time-consuming activity involving extra long hours, he said. All training requirements for the officers have been met for another year, reported Stoval.

The second reading of proposed amendment Ordinance #233 to update the City of Muenster City Code was passed - which prohibits commercial vehicles (26,000 lbs. gross volume weight) from parking overnight or extended periods of time on residential streets (unless making a delivery, such as moving vans).

Other ordinances and resolutions passed were:

- The Flood Damage Prevention Ordinance for the City of Muenster.

- Approved Juanita Bright as Muenster's representative for Cooke County Sesquicentennial planning committee.

- Re-zoning of NW corner of Block 90 to B-2 general business.

- Donating the 1961 fire truck to Muenster Volunteer Fire Department.

- Accepting bid of \$19,799 for 1999 Ford Crown Victoria police car from Klement Ford.

Tabled was an agreement with Phoenix First to lease telecommunication satellite on new water tank.

Steve Broyles praised the "Muenster Proud" Trash and Treasure clean-up project on October 17 and said it seemed to have affected the whole city as everything looked good on his last drive-through inspection.

The sewer problem at Sacred Heart School involved a long discussion and will take some time and study to resolve.

The council voted to continue to support the Texas Air Quality Coalition and renew their membership with dues of \$416.

Broyles reported the tax statement from the county were late in arriving but should be mailed to city residents this week.

Monthly bills approved amounted to \$92,836.92.

From My Side of the Fence

by Ed Cler

A previous article told of my younger brother's fear of the dark, so now I will relate the story of how he overcame this problem without any aid from the rest of the family.

Dad didn't enjoy Wern's problem, and sometimes he would try to bribe him into going out in the dark alone. Several times he offered the boy coins, a dime, a quarter, or both, to try and get him to go out to the fruit house to fetch a jar of Mom's peaches, or to turn off the windmill, or just to close a door, but to no avail.

But then there came a time one late evening when supper was about finished and Dad again tried offering Wern coins to fetch a jar of fruit.

Well, hal-le-lu-jah, the kid took the coins, stepped out on the porch and disappeared into the night and soon returned, grinning from ear to ear, with the fruit.

The rest of us marveled at his change of attitude and, needless to say, we were all pleased, yet Wern kept his secret.

Weeks later the lad still went out into the night for one reason or another without fear.

Several weeks later he asked me if I knew why he no longer feared the dark, and when I said I had no idea, he told me he simply stepped out of the lighted room onto the porch, said, "Come Polar," to our big black dog, and the two went out together.

Some local tax rebates lag compared to state

A total of \$173.6 million in monthly sales tax payments were sent to 1,093 Texas cities and 118 counties, a 7.1 percent increase over the \$162 million allocated in October 1997.

October's rebates include local sales taxes collected on August sales and reported to the Comptroller in September by businesses filing monthly tax returns.

"Consumer confidence is still up across the state as spending in Texas shows no signs of slowing down," said State Comptroller John Sharp. "Year-to-date, sales tax rebates to cities and counties are up 10.4 percent over last year."

Monthly sales tax rebates totaling \$159.3 million were sent to Texas cities, 7.8 percent higher than last October's payments of \$147.7 million. Rebates of \$14.3 million to Texas counties were virtually unchanged from county allocations in October 1997. Another \$5 million went to special purpose districts around the state.

Muenster and Oak Ridge both appear to be averaging better than the other towns in Cooke County, but both have increased their sales tax from 1.00 percent to 1.50 percent. Muenster made the increase in October 1997 and Oak Ridge increased on July 1 of this year. Muenster's October rebate of \$17,167.51 is up 71.39 percent of October 1997. Payments to date in 1998, \$184,805.77, shows an improvement of 61.74 percent from this time last year.

Lindsay's October rebate of \$5,372.18 is up 2.05 percent from October 1997. To date Lindsay's payments total \$53,257.86. That is a change of 5.30 percent from a year ago.

Oak Ridge noted an improvement of 54.14 percent

with an October rebate of \$5,974.19. To date Oak Ridge has received in 1998 sales tax rebates totaling \$42,534.71. That is up 22.20 percent from this time in 1997.

Gainesville accepted a rebate check for \$214,887.64 this October. That is a drop of 15.31 percent from the amount received in October 1998. To date Gainesville's payments total \$2,690,008.25. That is 2.09 percent more than at this time in 1997.

Valley View's October rebate was \$1,523.82, a drop of 34.85 percent from last October. Payments to date total \$31,954.31, an increase of 9.99 percent from October 1997.

Cooke County received a check for \$95,437.89 this October. That was 1.57 percent less than the amount received in October 1997. To date Cooke County received \$1,023,454.22 this year. This is an improvement of 0.87 percent from this time last year.

THANK YOU, MUENSTER!

I'd like to express my sincere appreciation for the overwhelming support shown to me in Tuesday's election. You'll never know how much your encouragement during the last year has meant to Terry, our children, and me.

I look forward to serving you in Austin as your new State Representative.

Golden anniversary observed by J.D. and Miriam Caplinger

by **Elfreda Fette**

Observance of 50 years of being together, 50 years with family, friends and relatives, 50 years in thanksgiving to God, 50 years of service to their fellowmen, and 50 years earning the community's respect, have culminated in a celebration of their golden wedding anniversary by J.D. and Miriam Caplinger on Sunday, November 1, 1998.

J.D. Caplinger and the former Miriam Koesler were married on November 11, 1948 in Sacred Heart Church by Msgr. Edward McCullough of St. Mary's Church in Sherman, who came especially since he was their good friend. Miriam was the daughter of the late Alfons and Mary (Fuhrmann) Koesler and J.D. was the son of the late Sylvester and Serena Caplinger.

Their wedding Mass was held at 8:30 a.m. on a Tuesday as was the tradition. Father Herman Laux, Pastor, officiated at Sacramental Benediction after Mass. The Sacred Heart Men's Choir sang the Latin High Mass with Anthony Luke at the organ. Following breakfast at the home of the bride's parents, a noon meal was served for relatives of both families. The day included an afternoon and evening reception at the home of the bride's parents.

The bride wore a white slipper satin wedding gown,

designed with fitted bodice, lace yoke, long petal-point sleeves, full skirt and formal long train. Her tiered, fingertip veil was held by a heart-shaped beaded crown. She carried white gardenias atop a white prayerbook, with white stephanotis, a gift from the Sisters at St. Vincent's Hospital. She wore her mother's wedding day gold cross and chain.

Both the bride and groom were employed at St. Vincent's Hospital of Sherman, operated by nuns of the Daughters of Charity. J.D. had served with the medical corps for 5 years in North Africa and Italy during WWII. In 1964 they moved to Muenster upon the opening of Muenster Memorial Hospital. Miriam was the manager of the Business Office and J.D. was a hospital orderly and Operating Room Technician. They each completed 50 years of hospital service before retirement.

They are parents of three sons Paul, Robert and Jerome, and two daughters, Mary Kay and Diann.

The Caplingers' Mass of Thanksgiving in Sacred Heart Church on November 1 was celebrated by Father Tom Craig, Pastor, and attended by family, relatives and a host of friends.

Family members participated in the special liturgy. Altar servers were

grandchildren, Stephen Zimmerman, Eric Endres and Jennifer Endres. Jerome Caplinger, a son, gave the First Reading. Cyle Caplinger, a grandson, gave the Second Reading. Diann Zimmerman, a daughter, read Offertory petitions. Mary Kay Endres, a daughter, narrated the Offertory procession. Grandchildren brought up special mementos: Cyle Caplinger, a family portrait; Emily Endres, medical supplies and cards; Scott Endres, a beagle figurine; David Zimmerman, a toy tractor; Lydia Zimmerman, a Rosary; Natalie Zimmerman, a basket holding a jar of homemade jelly and brownies. The three sons Paul, Robert and Jerome brought Offertory gifts of bread and wine to the altar.

Music Ministers were Emily Klement, Christy Hesse, Dave and Pam Fette, Ruth Felderhoff and Philip Flusche. Sacred music included "We Are The Light Of The World," "Hear Us Now," "On This Day," "The Greatest Gift," and "Holy God, We Praise Thy Name."

RECEPTION

A dinner followed in Sacred Heart Community Center, catered by Rohmer's Restaurant and attended by 85 guests.

Open House from 2:00 to 4:00 was held in the Community Center. Hosting

both events were children, spouses and grandchildren: Paul and Susan Caplinger and Cyle; Jerome and Cynthia Caplinger; Robert and Ann Caplinger and Patti and Bob; Mary Kay and Jack Endres and Eric, Jennifer, Emily and Scott; Diann and Gary Zimmerman and Stephen, Natalie, David and Lydia.

At the honorees' table were seated Alfons Koesler, best man, and his wife Mary Ann; Lucille (Fuhrmann) Hess, maid of honor; Sister Mary Lin Koesler, CDP and an R.N. and Sister Mary Elizabeth, CDP of Our Lady of the Lake Convent of San Antonio; and Father Tom Craig, Pastor.

Mary Kay Endres read a life history during the dinner, delighting the guests with numerous anecdotes.

The anniversary white two-tiered cake was decorated with the original wedding figurine, a gold "50" and gold leaves. The groom's chocolate cake held a gold "50" decoration. Both cakes were made by Imogene Zimmerman.

The honorees' table was decorated with tapered burgundy candles, burgundy magnolias, angels and ivy. A wall decoration was made by white pillars, burgundy and lace curtains, ficus trees and greenery. All decorations were made by daughter, Diann Zimmerman.

Guest tables were decorated

J.D. and Miriam Caplinger

with white cloths, burgundy napkins, floral arrangements in burgundy, blue and white with small candelabra, all on a mirrored background.

The gift table displayed the wedding gown and white prayerbook and a photo of Msgr. McCullough.

A table of pictures carried through their early years. Each frame was appropriately decorated.

During Open House guests were served homemade goodies, cookies, candies, and punch. A wine fountain provided the table centerpiece.

Reminiscing was joyful among guests from far and wide.

Special guests included Sister M. Elizabeth of San Antonio, niece of Msgr. McCullough; and J.W. and Dorothy Caplinger of Bonham; Kenneth Caplinger of Savoy; Charles and Mollie Richardson of Dallas; Gretchen Kostyniak of Arlington; and numerous friends and relatives from surrounding areas.

Both J.D. and Miriam have recovered from illnesses in past years, and a multitude of friends wished them Godspeed and good health.

Cousins celebrate birthdays

Cousins, Stephen Brett Marion and Darrin Springs observed birthdays in October. Stephen celebrated his fourth birthday twice. On October 7, his actual birthday, and on October 11, with family and friends.

Attending were his parents Brett and Jan Marion, his grandparents Paula Fleitman and Larry and Linda Marion. Also his aunts Melinda, Kerry, Kristen and Alice Fleitman; his uncle Randy Fleitman and cousins Ashley Fleitman and Darrin Springs. The birthday cake was decorated in a sports theme with a football,

basketball, soccer ball and baseball and served on October 7. A batman cake was served on October 11. Gifts were opened and pictures taken.

On October 22, Darrin Springs, son of Randy and Alice Fleitman, turned five years old. On October 24 Darrin celebrated his birthday at Ronald McDonald's with family and friends attending, including his grandparents Larry and Linda Springs and August and Paula Fleitman; his aunts Rachel Springs, Jan Marion, Melinda, Kerry, Kristen Fleitman; his uncle Larry Springs, Jr. and Brett

Marion. Games were played, gifts opened and displayed, and "Happy Meals" were served to the children, followed by ice cream and birthday cake.

Take Note

There will be a hearing on MISO's 97-98 AEIS Indicator Report from the state.

This hearing will be at the next regular board meeting on November 12 at 7:30 p.m. in the MISO New Administration Building.

degrees from TWU in Houston. Employed by Grayson County Professionals, Inc. he is a Licensed Physical Therapist.

Presented at the altar by Eddie Hernandez of Round Rock, the bride was wearing an original floor length wedding gown of ivory satin brocade, designed straight line to slipper length, with sheer, high-necked yoke and long slim sleeves of silk organza. Tiny seed pearls were embroidered into the front of the bodice. The waistline was dropped. She had tiny pearls entwined in her hair. Her bridal flowers were arranged in a colorful bouquet of apricot lilies, peach roses and wildflowers.

For "something borrowed," the bride wore pearl earrings belonging to the groom's mother. For "something blue," the names of the bride and groom were stitched into the hem of her gown.

ATTENDANTS

Rebecca Wylie of Columbus, Kansas was maid of honor.

Mr. and Mrs. Ryan David Klement ... nee Sarah Blake Troxell ...

Mary Hill of Silsbee and Yvette Kittrell of Austin were bridesmaids. Jessica Hernandez of Round Rock was junior bridesmaid. They wore straight line ankle-length, sleeveless, high-necked dresses of cobalt blue moire taffeta. They carried arm-bouquets of wildflowers tied with white satin ribbons.

Jenna Hernandez of Round Rock was flower girl, wearing a cobalt blue dress with white satin top. Justin Marsh of Denison was ring bearer.

Cory Klement of Muenster, groom's brother, stood with him as best man.

Curtis Klement of New Orleans and Stuart Hess of Denton were groomsmen. Griffin Klement of New Orleans was junior groomsman.

Chad Miller of Waco, Darren Walterscheid of Muenster and Jared Hernandez of Round Rock were ushers.

Magen Reilly of Ontario, Canada and Sage Klement of New Orleans presented

wedding programs to guests as they arrived at the church.

For the service, the couple knelt on a white satin-covered wedding prie dieu. The church altars held lighted candles, the Unity candle, and ascending candelabra holding lighted votives.

Wedding music was presented by Shirley Myers friend of the bride, and included "Ave Maria" and "Grow Old With Me."

RECEPTION

A reception and dance followed in the Municipal Ballroom, hosted by the bride's mother. The three tiered ivory wedding cake was decorated with fresh flowers. The round chocolate groom's cake was decorated with a mound of chocolate-dipped strawberries.

The rehearsal dinner, hosted by the groom's mother, was held at Kelly's Restaurant on October 16.

Since returning from their wedding trip, the couple is residing in Sherman.

Sell-O-Rama ready for two days of fun

Holiday decorations, toys, clothing, home decorations, and gifts of all types are in store for those attending the Annual Arts and Crafts Sell-O-Rama sponsored by the Cooke County Family and Community Education Clubs.

The sale to be held this year in Gainesville's Civic Center will open on Fri., Nov. 13, at 10 A.M. It will remain open for sales until 8 P.M. and reopen on Sat. morning, Nov. 14, at 10 A.M. Shoppers can take advantage of another full day until closing time at 6 P.M.

The Civic Center allows many area artisans to display their hand-crafted items. This year more than 120 tables will be filled with arts of all types.

Items to be sold by area artisans include a wide variety such as wood crafts, jewelry, toys, dolls, paintings, hand painted china and soft sculptures. There will also be needlework and Christmas ornaments, plus a variety of miscellaneous items.

The Sell-O-Rama will offer an excellent way for people to Christmas shop or buy those home-made items which they don't have the time or talent to make themselves.

Door prizes will be provided by each exhibitor with a drawing held every hour.

The Family and Community Education Council and 4-H Clubs will

also have a Bake Sale of homemade goodies just in time for your holiday entertaining.

The club women will have a Concession Stand open so viewers will be able to shop over lunch or enjoy a snack break.

The Bake Sale benefits the 4-H Scholarship Fund as well as other service projects.

The Civic Center in Gainesville is located at the corner of Fair Park Boulevard and South Weaver Street.

For any questions concerning the crafts sale, call Mrs. Evelyn Yeatts, County Extension Agent, at 940-668-5412.

Everyone is invited to come to the Arts and Crafts Sell-O-Rama and join in the fun.

Area Happenings

The Red River Chapter, Texas Woman's University Alumnae Association will meet at 7 p.m., Tuesday, November 10 in the Parish House of St. Paul's Episcopal Church, California at Jefferson in Gainesville. All TWU ex-students and their guests are invited.

Evelyn Yeatts, Cooke County Extension Agent for Family and Consumer Science will present "Christmas, 1998," a program of ideas for your Christmas -- especially table settings, handsome nutritious foods, and decorations.

St. William's hosts Enchilada Dinner Nov. 8

The Hispanic community of St. William's Parish in Montague is hosting an Enchilada Dinner on Sunday, Nov. 8 in the Parish Hall from 11 a.m. to 2 p.m. Included in the meal are chicken enchiladas, Mexican rice, beans, salad, chips and salsa, and for dessert, Mexican cookies.

Tickets are adults \$5 in advance and \$5.50 at the door; children \$2.50 in advance and \$3.00 at the door.

Handmade With Love - Bazaar featured on Nov. 14

Saint Jo's First United Methodist Church will host a bazaar on Nov. 14 from 9 a.m. to 5 p.m. at the church's Fellowship Hall. Included is a luncheon prepared by the women of the church and a style show by Gerhardt's and Kathy's Keepsakes of Nocona. A wide variety of arts and crafts will be available, plus some antique and vintage items and some white elephant treasures.

Church members are selling tickets for the raffle of a ceramic nativity. The silent auction will include special lamps, a gourmet dinner prepared and served by Rev. Mel Caraway, and a weekend of baby sitting. A bake sale with pies, cakes, cookies, and candy also includes frozen casseroles, sauces, desserts, canned foods, pickles, jellies, and jams.

Tickets for the luncheon and style show are available by calling Robin Caraway, 995-2146, or Sharon Coleman, 995-2439. Contact Bonnie McKee, 995-2349, for raffle tickets.

Holly Mullins accepts GMH scholarship

Gainesville Memorial Hospital Foundation, Inc. and the Soroptomist International of Gainesville have awarded their Endowed Scholarship to Holly M. Mullins.

Holly is a resident of Muenster and a 1997 graduate of Muenster High School. She currently attends North Central Texas College, majoring in Pre-med. The Soroptomist International of Gainesville selection committee was impressed with Holly's dedication to her education, her community, and

her willingness to give to others.

Presentation of the scholarship was made by Evelyn Yeatts, Soroptomist representative, and Susan Metzler from GMH Foundation. After receiving the scholarship, Holly told the Club of her future plans. Holly expressed her appreciation of having the opportunity to continue her education with the help of the scholarship. Holly also added that she plans to return to Cooke County to help others after she completes her studies.

Letter from New Mexico reaches Muenster by balloon

There will be a surprised little girl in Dora, New Mexico, when she learns that the red balloon and letter she sent aloft reached Muenster, Texas on Wednesday morning, November 4. As Sue Fisher was driving towards town, she found the balloon and letter caught on a farm fence on

Fisher Road. The letter read: "Hi! My name is Amber. I just wanted someone to get this letter. It is for "Drug Free Week." Please write to me. My address is PO Box 294, Dora, NM 88115." Sue will send her a Muenster brochure and this newspaper clipping.

You are invited to an Open House honoring Earle and Jewel Otto in celebration of their 50th wedding anniversary Sunday, Nov. 15, 1998 from 2 - 4 P.M. Sacred Heart Community Center

Handmade quilt is Hoenig family treasure

A tradition of the Alois and Anna Elizabeth Hoenig Reunion is the raffle of a handmade quilt by the hosting family. The late Marie Hoenig Vogel began the tradition of handcrafting a quilted item at the 1992 Reunion. Eleanor Pelzel, daughter of Joe Hoenig made and won a fan quilt in 1994. Aileen Hoenig made a sunbonnet quilt in 1996 which was won by Tom Vogel. The 1998 Hoenig Reunion quilt was designed and quilted by Jeanne Parker, youngest daughter of Marie Vogel, and won by Clara Stanley.

Jeanne designed a scrapbook quilt depicting the family tree of the Hoenig family. Ten trees depict the ten Hoenig children, Joseph Alois, Marie Frances, Alphonse Joseph, Leo Joseph, Anna Marie, Emma Marie, Mathilda Marie, Clara Marie, and Edward Joseph. Each descendant had a different fabric for their tree trunk and also bordering their picture in the center of the quilt. Rose sewing fabrics were used for the women and dark blue fabrics for the men. Father Alfred's blue fabric included gold crosses and green ivy. Following the European tradition of calling the youngest family member "the baby," a baby pink rose fabric was selected for Clara. Names and birthdates of the 38 grandchildren (19 boys and 19 girls) are handwritten on the quilted pink and blue leaves.

Family photographs and memorabilia were transferred and sewn into the fabric. They include the wedding picture of Alois and Anna Elizabeth taken 95 years ago on Feb. 18, 1903 along with wedding pictures of the seven children who married and adult pictures of Father Alfred and Anna Marie. Other pictures include one of Alois as a young man in 1893 (taken in Germany) and one of Anna Elizabeth at age nine (with her parents) and at age sixteen. Memorabilia includes a picture of the Hoenig Brothers General Store, Alphonse's 1919 report card

with Alois's signature, a letter addressed to Alois from his hometown in Germany and prayer cards of Alois and Anna Elizabeth in both German and English. A nostalgic addition was a tightly stippled stitched outline of the State of Texas that Marie Vogel had used in her quilting.

A small strip of each of the ten siblings tree trunks and a strip of the front border completed the backing. Large strips of Marie's tree trunk fabric were used with a blue seashell fabric to depict Father Alfred's years in Corpus Christi. A mistake was made reversing Anton and Alphonse's blue fabric, but in the Amish tradition of leaving in a mistake, this error was left in place. Jeanne's signature label included the poem "Families are like quilts, Lives pieced together, Stitched with smiles and tears, And bound by Love."

102 family members attended the 1998 Hoenig Reunion on October 3, 1998.

Alois Hoenig was born on Sept. 21, 1863 in Siegfriedswalde, East Prussia, Germany. Anna Elizabeth Koelzer Hoenig was born on Feb. 18, 1885. They married in Muenster, Texas on Feb. 18, 1903.

HARDENING OF THE ARTERIES

Atherosclerosis, commonly known as hardening of the arteries, is a disease that affects the arteries in your body. It causes the arteries to become narrow or blocked. Atherosclerosis often affects the arteries that supply oxygen-rich blood to your heart, brain and lower legs. The symptoms of atherosclerosis are the result of reduced oxygen delivery. If your heart is affected, you may experience chest pain while exercising or performing physical activity.

Atherosclerosis of the arteries that supply your brain can cause a stroke, which may be fatal. Muscle weakness on one side of the body is common symptom of a stroke. Brief attacks of unusual symptoms - known as transient ischemic attacks (TIAs) - could occur. These attacks may be followed by a stroke.

Atherosclerosis of the arteries in your lower legs can cause pains, aches, cramps and numbness during even mild exercise, such as walking.

If you have high cholesterol, high blood pressure, diabetes, smoke cigarettes and a lack of exercise you are at risk of developing atherosclerosis. Talk to your health care provider about what you can do to reduce your risks and improve your health.

CLAYTON'S SCARY BIRTHDAYS

Clayton Aaron Rohmer has turned 4 years old. He is the son of Lisa and Terry Rohmer. Clayton had three parties in his honor, the first was held at Sacred Heart Preschool on Tuesday with a Celebration of Life. His mom showed the class pictures and told about his life. Afterwards Clayton and his mom served monster cupcakes, that he and his sister helped decorate, to all his friends. He also completed the "WHO" Program. Special guests were his grandmothers, Marjorie Rohmer and Virginia Hess.

Clayton's second party was held on Friday at Wanda's TLC Daycare where he had more monster cupcakes to share with his afternoon pals.

His third spooky party was Saturday, October 24 (his actual birthday). It was held at

home with a costume party for him and his cousins. His Frankenstein cake made by his mom added chills to the spine. They played, sang Happy Birthday, and opened gifts. His special guests were Great-grandma Zimmerman (Frances), grandparents Wilfred and Virginia Hess and Tony and Marjorie Rohmer; Sharon, David, Anthony, and Amy Reed; Ricky, Donna, Cody, and Kayla Hess; Ashley Zimmerman; Steve, Kim, Nicole, and Michelle Rohmer; Kenny, Cindy, Jayna, Kaly, and Holly Rohmer; Bill, Laurie, Daniel and Amanda Rohmer; Jeff and Tony Schneiderjan. Sending special wishes were Adam and Renee Schneiderjan.

Brandon Hess turns five!

Brandon Hess

Two parties celebrated the fifth birthday of Brandon Wayne Hess, son of Darrell and Lisa Hess of Watauga. On October 7, his pre-K classmates celebrated with him. Homemade cupcakes and party favors were brought by his parents. Brandon got to be "Birthday King" for the day.

Another party with dinner and birthday cake that evening was hosted by his grandmother Cathy Hess. A dinosaur theme was used throughout. Gifts, videos and pictures added to the fun. Also attending were Brandon's brother Jordan, age 6 and sister Brittany age 3. Their grandparents are Cathy Hess of Lewisville and Arthur and Rachel Hennigan of Muenster. Great-grandparents are Gary and Caroline Hess and Odilia Lutkenhaus of Muenster.

The Columbian Squires recently presented checks of \$125 each to Jeanne Greathouse (above) of the ABBA Women's Center and (at right) to Rick Walterscheid, representing the Muenster Jaycees. Teens invited to experience virtual reality baby

Baby Think It Over is a program that provides an opportunity for teenage girls to learn real life facts and experience a virtual reality centered around a computer programmed "baby". Girls will learn that having a baby as a teenager is similar to being grounded for 18 years.

This unique program will be presented in Muenster on Nov. 21 and is open to girls in grades seventh through twelfth only. It lasts from 8:30 a.m. until 3:30 p.m. at the Muenster Memorial Hospital. Program sponsors are the Cross Timbers Girl Scout Council and Muenster

Memorial Hospital. Deadline to pre-register for the program is Nov. 13. All girls must be pre-registered to attend. To pre-register parents should call Cross Timbers Council, Barbara Reynolds at (940)995-2081.

As part of their service project Muenster Senior Girl Scout Troop 2003 is collecting infant carriers with handles. They will be used for the Baby Think It Over Program which should be presented many times in different areas. Anyone willing to donate an infant carrier should call Kim Felderhoff, 759-4455 or Jeannine Flusche, 759-4497.

Health Notes

Read labels on sunglasses

Look beyond price and style to see what sunglasses are really worth. A good pair can protect eyes from cataracts, macular degeneration and other disorders.

Dr. H. Dwight Cavanagh, vice chairman of ophthalmology at UT Southwestern Medical Center suggests buying sunglasses with labels indicating they block 75 percent to 90 percent of visible light and at least 99 percent of ultraviolet (UV) rays.

Large lenses are better, Cavanagh said, because small lenses allow light in around the eyes. He also recommends sunglasses that contain polycarbonate, a shatter-proofing agent, and gray lenses because they are less likely to distort traffic signal colors.

"An expensive price tag is no guarantee of quality," said Cavanagh. "Instead, look for the American Optometric Seal of Acceptance, which indicates the lenses meet these guidelines."

Check dry dog food for tainted products

Doane Products Company announced this week a recall of dry dog food produced between July 1 and Aug. 31, 1998, at its Temple plant. The recall includes several brands Doane manufactures for other companies and follows reports of illness or death of several dogs in a small area of central Texas, primarily around New Braunfels.

The brands in the recall are those manufactured at the Temple plant only, and are designated as follows: SELL BY JUL 01 99 E and all dates inclusive through SELL BY AUG 31 99 E. The E is the designator of the Temple

plant. The date code will be on the back of the bag, or below the bag closure. It is believed that essentially all of the recalled product is in Texas or the Shreveport, Louisiana area only.

Anyone presently feeding a product with the listed date codes should immediately stop and return the unused portion to their retailer in the bag in which it was purchased. Those consumers who have questions may call a toll-free number, 1-800-752-8057 for assistance, 24 hours a day.

Included in the list of products possibly affected are O' Roy and Remarkable.

We would like to express our deepest appreciation for all the prayers, flowers, food, cards and offers of help at the loss of our loved one. Special thanks to Father Eugene Luke and Father Harry Fisher and the St. Cecilia's Choir of St. Peter's Catholic Church for the lovely Mass and the ladies who provided the meal, and also to Geo. J. Miller, Sicking go over 1,000 yards ...

Muenster moves forward

The Muenster Hornets continue to prepare for the final district contest - the Battle of the Hornets - with Era, but not before taking care of prior business. Friday night, the Hornets got their 6th straight victory with a commanding 54-14 win over Savoy.

"I've never coached a team that's been so balanced," noted Muenster Coach Randy Tankersley. "And to have two go over 1000 the same time!" Senior Brent Sicking and junior Bryan Miller both went over the 1000 yard rushing mark Friday night. Miller now stands at 1138 yards and Sicking 1052. "It was an unbelievable game for the boys. We let them get their 1000 before pulling them out of the game."

Savoy's kick began the game, putting Muenster on their 21 yard line. Four plays later, Brent Sicking took off down field for a 66 yard touchdown run. Nick Silmon added the extra point to give the Hornets an early lead.

From their 21, a Luke to Walterscheid pass picked up 20 yards. Miller ran for another 30. Two short runs by Miller and Sicking and an Aaron Klement pass took the Hornets to the 14. Sicking gained another 7, but the next play, Savoy picked off the ball and returned to midfield.

Three successful passes quickly put Savoy on the 5 yard line, but Muenster's goal line defense held, taking over on the 10.

Miller and Sicking mixed runs and a pass to get to the 47 yard line, where Miller took off down the field and scored. The PAT failed for a 40-0 score with 1:40 on the clock.

Savoy got in a few runs, but ended the first half getting sacked by Angel Hernandez for a 12 yard loss.

Savoy started the second half getting sacked by Craig Hartman, then punting the ball to the Hornets.

Beginning at the 11, a Luke to Klement pass gained 10, Luke ran for 8, then passes to

we're in the playoffs!" Tankersley told the Hornets and fans after the game. "Tonight our main focus was to make sure the varsity is clicking on all six. We played as many younger boys as possible."

Tankersley was proud how the Hornets came out and played with a lot of intensity and focus, not only looking ahead to Era. "I was really pleased with the effort I got from the younger boys - they came out the 2nd half, showing lots of promise for the future."

Standouts included Sicking and Miller, who together ran for 459 yards - and five touchdowns, behind some good blocks from the line. "This team is real selfless. They play as a team - they do things together," Tankersley concluded.

The two teams exchanged punts, then Bryan Miller covered a loose ball to set up Muenster's next score. From the 27, Sicking quickly found the end zone. Silmon's kick gave Muenster a 14-0 lead with 6:28 on the clock.

An on-side kick was covered by Justin Fleitman. A Jesse Luke to Darren Hennigan pass moved Muenster to the 19 yard line, where Bryan Miller went in for the score. The PAT failed and with 6:07 on the clock Muenster had a 20-0 lead.

Three incomplete passes and punt was the extent of the Cardinals next drive. From their 37, Luke picked up 14, then Bryan Miller scored on a 49 yard run. The PAT failed, giving the Hornets a 26-0 score with 5 minutes still remaining in the first quarter.

The Cardinals got in one good play, but on 4th and 10, a fumbled snap was recovered by Miller on the Savoy 37.

Sicking ran for 12, Miller 8, and Casey Walterscheid 7 before Sicking took the ball in from the 11. Luke ran in the extra points for a 34-0 score, still in the first quarter.

Savoy punted the ball as the 2nd period began. Muenster fumbled, then got the ball back when Eric Fisher intercepted a pass.

Klement, Sicking, Klement, and Walterscheid picked up 10, 17, 28 and 8 yards to the 16 yard line. An intercepted pass stopped the drive.

Again Savoy's offense had to punt the ball away. The next play Brent Sicking carried the pigskin 70 yards for a touchdown. Silmon's kick extended the Hornet lead to 47 points with 4:33 on the clock.

After two runs, Savoy fumbled the ball, Craig Hartman covered. The next play, Muenster fumbled it back on the Cardinal 32. A dozen plays later Savoy was knocking on Muenster's door, scoring on a 6 yard run. The extra run failed for a 47-6 score.

The next play, Sicking scored on a 54 yard run to extend the score to 54-6 with 8:24 after Silmon's extra point kick.

The Cardinals moved the ball slowly down field against the Hornet Junior Varsity, taking 8 plays to get to the 3 yard line, then scoring with 2:08 remaining in the game. The extra run made the score 54-14.

Eric Knabe got in two runs, Tommy Herrin one, and a 20 yard pass to Randy Grewing before time ticked off the clock. "That's six in a row. Now

Next Action - Era
The Battle of the Hornets - the night that will determine the district 17-A championship - is Friday night at Era.

Era is ranked the #3 class A team in the state. They have a strong offensive line led by all-state qualifying linemen, have one of the 5 best running backs, got a second string quarterback that led them to 7 victories and now have their starting quarterback playing again.

"This game's going to be a lot of fun. It's going to be a struggle to stop all of their weapons, but we have a few of our own," Coach Tankersley noted. "Their special teams are really good, but ours can match up. Whichever team makes the fewest mistakes will win. This game will show just how good we are going into the play-offs."

If Muenster wins, they will play the winner of the Celeste-Blue Ridge game. If Era comes out on top, Muenster will play Detroit in the first round of the playoffs.

Warriors whip Tigers

The Sacred Heart Tigers finished their district play last Friday when they hosted the Dallas Lakehill Warriors, taking a 35-7 loss. "We played a good ball team," commented Tiger Coach Tommy Frazier. "They have the best running team. Ken Scruggs is tough - he's good - he's better than any of the local running backs."

It was four downs and out for the Tigers, with Lakehill taking over at their 48. Eight plays later, the Warriors scored on a 17 yard pass play. With 6:28 on the clock, the PAT kick gave the visitors a 7-0 lead.

Sacred Heart drove the ball into Lakehill territory on their second offensive plays. Two runs by Duncan Campbell picked up 24 yards. Matthew Nasche added 6 yards, then the Tigers were forced to punt. It took only three plays, one a 77 yard run, for the Warriors to score again. The PAT made the score 14-0 with 1:20 on the clock.

Beginning on their 29, Nasche ran for 11, then Campbell for 7 as the 2nd quarter began. On 4th and one, Campbell gained 4 yards, but incomplete passes turned the ball over on downs. Six plays later, 22-0.

A low kick started the Tigers next drive on their 34. Short runs and a 40 yard pass play from Keith Felderhoff to Jonathan Yosten took the Tigers to the 23. Campbell picked up 9 and on 4th down a quarterback keeper got a first down on the 11. Campbell moved the ball to the 8, but an intercepted pass stopped the drive on the 4 yard line. Ten Warrior plays took Lakehill to the Tiger 21, where Jonathan Yosten stepped in and picked off a pass to end the first half of play.

The Warriors came out the 3rd quarter and quickly increased their lead to 29-0. The Tigers fumbled two plays then threw an interception to set up another Lakehill score. After 6 plays, 35-0.

Campbell got in a few good runs before Adam Barnhill booted the punted ball to the

16 yard line. The Warriors carried the ball into the final period then punted.

Campbell runs and a Yosten pass completion moved the Tigers 10 yards before punting. Lakehill's offense couldn't click and the Tigers took over on the Warrior 21. An interference flag moved Sacred Heart to the 10 yard line where Felderhoff found Yosten open for a touchdown. After Barnhill's kick, the Tigers had 7 points on the scoreboard with four minutes left in the game.

An on-side kick gave Lakehill the ball at midfield. The Warriors ran out the remaining time to take a 7-35 win.

"There were positive things about this game," noted Frazier. "On defense, three sophomores each had over a dozen tackles," noting Tigers Charlie Moser, Jeff Hartman, and Travis Fuhrmann. The Coach also pointed out that Keith Felderhoff threw his best game of the season, though the stats don't show it. "The receivers dropped the ball - other catches should have been caught."

"The 4th quarter the young kids went in as linemen and played great," Frazier continued, noting Duncan Campbell ran good when he had open space. "We're not scoring in the red zone. We scored only 1 out of 3 times

from inside the 20," the Coach concluded.

Next Action - All Saints
Sacred Heart will host a non-conference game with the independent (no-district) Fort Worth All Saints Episcopal Saints this Friday night. "It's going to be tough. If we get beat, we'll keep our heads up and look for the positive," said Coach Frazier. "I want the young boys to come out and play so they can continue to step-up and improve. Our next football season starts November 7. We've had fixable mistakes. We just have to work them over during the off season. We have a hill to climb." Jeff Hartman will not suit out for the Saints game because of an injury he sustained in the Lakehill game. Action with the Saints begins at 7:30 p.m. at Tiger Field.

CCYC Football League

The Red River Cycle Trails 5th and 6th grade football team stands at 5-0 after defeating The Movie Store 6-0 last Saturday. The game before, they won 6-0 over C&L Machine.

With 1:09 left in the second quarter, Chase Cain scored on a two yard run.

Derrick Felderhoff led Red River's offense with 45 yards on 6 carries. Cain and Justin Wolf both gained 17 yards in the passing game. Wolf threw four passes to Felderhoff for 37 yards.

Leading the defense from Muenster were Clint Miller,

Sean Fuhrmann, Clayton Truebenbach, and Paul Bartush. Felderhoff also covered a fumble.

Red River also had a game Tuesday, and another scheduled for November 7 to get ready to play in the Super Bowl on November 14.

Stingers fall to Savoy

The trip back from Savoy was a long one for Muenster's Junior High Hornets last Thursday after they allowed the young Cardinals to score 28 points, while the Stingers never got into the end zone.

Muenster's first drive began on their 45. Cody Cory quickly picked up 17. Then with the help of John Sturm and Dustin Walterscheid, the three Stingers moved the ball to the 5 yard line before two plays lost yards and Savoy got the ball on downs on the 10 yard line as the 2nd quarter began. The Peepers took 11 plays and scored on a 32 yard pass play. Nathan Hess, Tyler Walterscheid, and Cory stopped the extra point for a 6-0 game with 4:16 on the clock.

Muenster took the ball on their 40 yard line after the kick. Three plays later a fumbled ball was covered by Savoy at midfield. Seven plays later, the Peepers scored again. With 46 seconds remaining in the first half, they took a 14-0 lead.

Muenster had no drive their next possession, throwing an interception which Savoy returned to the Hornet 25. Three plays later, with 7 seconds on the clock, the Peepers had a 22 point half-time lead.

Cody Cory picked up the third quarter kick inside the 5 and returned it to the 17.

Unable to get the needed ten yards, the Stingers kicked. After a return to the 25, Savoy quickly scored. Hess and Mitch Felderhoff defended on the extra point incomplete pass for a 28-0 Peeper lead.

Cory took Savoy's kick to the 41. Two Kyle Endres runs and a pitch back to Dustin Walterscheid got a first down. The drive continued with K. Endres and Cory moving into the final period and Savoy territory. But two dropped plays gave the Peepers possession at midfield.

Tackles by Nathan Hess, Cody Cory, Jared Ledbetter, Kirk Hartman, John Sturm and Daniel Russell kept Savoy out of the end zone and gave the ball back to Muenster.

Two fumbled plays led to a punt deep in Hornet territory. A bad snap saw the ball roll into the end zone, but Dustin Walterscheid saved the play by attempting a pass. Savoy took over on the 19.

Threatening to score, Stinger defense led by Hess and Hartman allowed only small gains. Swarms of Hornets held the Peepers the final two plays at the one yard line as time ticked off the clock.

Coach Gordon Martin told the Stingers after the game that they weren't mentally ready to play. "Monday we get ready for Era!"

Warriors club Cubs

The Sacred Heart junior high football squad hosted Lakehill last Friday afternoon, and were handed a 20-50 loss.

Lakehill found the end zone with 5:37 on the game clock, but a flag brought it back. After the next hike, they scored. Thirty seconds later Lakehill had a 6-0 lead.

The Cubs fumbled the punt return and 50 seconds later Lakehill was leading 14-0.

Kevin Walterscheid picked up 8 yards and a flag gave Sacred Heart a first down before the Cubs were halted and punted.

The Young Warriors ran the ball into the second quarter, taking a dozen plays to find pay dirt and a 20 point lead.

Sacred Heart had a good drive going with runs by Jack Biffle and Walterscheid, and a Clint Fuhrmann to Marty Farrell pass taking the Cubs to the 20 yard line. But three plays later, Lakehill intercepted a pass. The next play the Warriors ran 73 yards to the end zone, but a flag brought the ball back. Then Michael Voth picked off a pass, only to have Lakehill intercept two plays later as the half-time break approached.

The Warriors took the 3rd quarter kick, again quickly finding the end zone, only to have a penalty bring it back. The drive ended when the Cubs covered a loose ball.

Four Kevin Walterscheid runs picked up 47 yards for Sacred Heart, then the offense sputtered and Lakehill took over. Two plays later Jack Biffle intercepted and the Cubs took the ball on the Lakehill 29. Walterscheid gained 8, then Biffle took it to the 9. But a loose ball was covered by a Warrior on the 5 yard line. One play later, 28 to 0.

The Cubs began the final period with a Fuhrmann to Voth 61 yard touchdown pass. The two paired up again for the extra point, but an extra player made an extra attempt that failed with a 6-28 score.

An on-side kick was picked up by Lakehill and returned 55 yards, 36-6.

Zach Barnhill returned the kick to the Lakehill 40. Two Walterscheid runs gained 16, while a Fuhrmann to Voth pass play moved the ball to the 7 yard line. On 2nd down, Biffle scored on a 5 yard run. With 6 minutes remaining in the game the score read 12-36.

The Warriors came back, scored, then intercepted and scored again for a 50-12 game with 2 1/2 minutes left in the game.

Biffle got a good return and the Cubs held onto the ball to score on a Fuhrmann to Voth pass. Biffle ran the extra points for the 20-50 score with 1:11 on the clock.

JV girls, junior high boys champions ... Lady Knights win district

The Lindsay Lady Knights cross country team brought home the district championship trophy last Saturday after finishing first in the District 10AA meet held at Paradise.

Lindsay's Ladies took the championship, defeating 2nd place Jacksboro by 26 points, 31-57. Paradise was 3rd with 68, then Callisburg at 98 and Boyd with 110.

Stephanie Fleitman was Lindsay's leader, finishing the course in 5th place with a time of 13:10. Meagan Ward followed in 7th at 13:27; Abby Trammell, 9th at 13:32; 10th, Ellen Bezner, 13:36; 11th, Sarah Trammell, 13:38; 13th, Leah Hermes, 13:50; and 14th, Jacque Bezner with a 13:59 finish.

The junior varsity girls also took 1st place, led by Deanna Meurer at 14:06, Melame Brown 14:26, Hannah Trammell 14:27, Taren Hall 14:50, and Alex Haayen 15:11. Also finishing were Laura English, Dalana Cunningham, and Kelley Bayer.

The varsity Knights settled for fourth place with 108 points behind Paradise 20, Jacksboro 56, and Nocona 89. Peaster followed with 119.

Leading the Knights were Clint Metzler 19:53, Michael Kendall 20:27, Russell Fleitman 22:10, Ali Rahman 22:41, and Rusty Schmitz

24:14. Rounding out the team were Jonathan Klement and Bobby Rohmer.

The junior high boys took the top three places to win the championship with 23 points. Jacksboro followed with 41 and Paradise at 63.

Rhett Rimmer won the gold with a 12:49 finish. Brandon Kiesel was 2nd at 13:10, and Mitch Creed 3rd at 13:21. Mitchell Ward came in 7th with a time of 13:39. Kyle Endres was 11th and Cody Hess 16th.

The Lady Squires had 20 runners at district. The top 5 finished in third place overall. Jacksboro won the meet with 23, Boyd followed with 60, Lindsay at 64 and Paradise with 81.

Leading the junior high squad were: 11th, Emmy Trammell, 15:09; 13th, Katie Hoberer, 15:20; 15th, Whitney Neu, 15:25; 19th, Krystal Jankiewicz, 15:37; and Alex Helligner at 15:46.

Other team members and order of finish were Alex Shauf, Lindsay Williams, Jessica Mosman, Stacy Yosten, Katie Schneider, Stephanie English, Genevieve Knauf, Rene Sandman, Stephanie Jankiewicz, Melissa Fuhrmann, Mary Eberhart, Megan Metzler, Sara Luttmier, Kim Hermes and MaKenzie Spruiell.

Tigerettes look to repeat basketball championship

The Sacred Heart Tigerettes 60-41 State Championship win over Saint Paul last season has set the stage for high expectations for the 1998-1999 edition of the Tigerettes.

"I hope our success will carry over and we will continue to improve with each practice and game," said Coach Jon LeBrasseur. "I feel real good about this team. We lost one player and we return a total of nine letterwinners and an outstanding freshman class. In addition, this team has a cohesiveness about it that could make it a very good team."

Juniors Kayla Felderhoff and Sarah Hess helped lead the Tigerettes offensive charge last season and are expected to be major contributors again this year. Felderhoff, at 22 ppg, scored 773 points and moved past the 1,000 point mark for her career and was also named to the TAPPS All State Team. Hess a 5' 9" forward led the team in offensive rebounds, blocked shots, and was second in free throw percentage and also earned a slot on the State Tournament Team.

Returning at the other forward is 5' 8" junior Jennifer Hess. She scored 202 points last season and was second in rebounding. Helping Felderhoff at the controls of the Tigerettes will be 5' 6" junior Joanna Gehrig. Leah Rigler, described by LeBrasseur as one of the more athletic players, scored 160 points last season and was the team's fourth leading rebounder. Anne Flusche, a 5' 8" junior, is having an outstanding preseason, according to LeBrasseur. She will be expected to pick up some of the outside fire power. "I really think the key to this season is how well the bench plays," LeBrasseur said. "If our bench can outperform the other team's bench we will be a very competitive basketball team." Helping LeBrasseur's crew off the bench will be Andrea Bartush and Holly

Hartman. "Andrea and Holly both gained some experience this summer and I am hopeful they will step in, along with Deann Felderhoff, and give us a lift."

Freshmen include Audrey Barnhill, Andrea Bauer, Matti Sicking, Sara Sepanski, Elizabeth Fette, Kristen Yosten, and Kristen Zimmerer. "Our freshmen are very athletic and they will help to bolster our squad," LeBrasseur said.

The strength of the Tigerettes will be tested quickly as they will scrimmage AAAA Liberty Christian next Tuesday and then open up with AAAA Dallas Lutheran. The Tigerettes will compete in the Saint Jo Tournament, the Red River Shoot-Out and the KGAF Classic. In late December the Tigerettes will travel to Era to play the state ranked Era Hornets.

"Then the real fun begins ... the District portion of the schedule. The District 2 is really going to be a race!" exclaimed LeBrasseur. "With our new realignment, we pick up Lake Hill who is loaded with athletes and Ambassador who moves up to AA after a Final Four appearance last season."

"Our team gained a lot of confidence toward the end of last season. We were predicted to finish fourth and finished in the runner-up slot and with some luck we won it all. With our strong finish we are expected to finish on top of the district and we are ranked #10 in the preseason poll. Everyone will be shooting for us."

"Out goals remain the same ... as we want to improve each time we practice and play. We started to become a very good road team last season and with the experience this year hopefully we will continue to improve on that." The Tigerettes will begin the road to Waco Thursday, Nov. 12 in the Tiger Den with JV tip-off set for 5 p.m. and the varsity to follow.

Football Contest close race as regular season nears end

As area schools go into the final week of regular season football, the Enterprise contest continues to be a close season race.

Mike Stoffels continues to lead, two games over Dave Reiter, 251 to 249, followed by Ted Heers at 242. A four-way tie for 4th place at 238 includes Kelly Bayer, Edgar Dyer, Charles Edwards, and John Sandman.

In week nine, everyone missed the Longhorns victory over Nebraska, while everyone picked Muenster, Era and Boyd. Only one contestant picked Nocona, while four went for Sacred Heart and five for Saint Jo.

Mark Grewing and Mike Stoffels tied for first, both

missing eight games. Grewing took first prize with a 14 point difference on the tie-breaker, while Stoffels missed the score by 21. There was a 4 way tie for third at 31. Dave Reiter won it missing the Sacred Heart score by 6 points. Barbie Barnhill missed the tie-breaker by 7, David Hesse by 14 and Edna Hermes by 16.

Missing 10 games were John Bartush, Kelly Bayer, Charles Edwards, Carol Grewing, Wayne Klement, and Randy Tankersley. Low score for the week was 23.

Winners picked up their weekly cash prizes at: 1st, Dankesreiter Garage; 2nd, Christi's; 3rd, Red River Cut Rate Liquor.

MHS Stock Market Team have strong start

After two weeks of competition in the Cal State Hayward Investment Challenge, Muenster seniors are ranking high and within striking of the Top Three spots. The Cal-State contest is the "Cadillac" of Stock Market games, with close to 700 teams.

Each team begins with \$100,000 in "computer money" and trade stocks over a 10 week period. The teams with the largest portfolio values (based on real world prices) receive recognition at the end of the simulation. The top three student teams, along with their teachers and parents, are invited to a tour of the Pacific Stock Exchange and a luncheon in San Francisco as guests of the *San Francisco Chronicle*.

After three week's Muenster's best team is #75058, Brent Sicking, Chad Felderhoff, and Matt York, in 4th place. This team has focused on oil drillers and low cost high tech companies.

Team #75063, Kinzie Gerstberger, Stephanie Bierschenk, and Dee Dee Walterscheid are ranked 23rd. This team has concentrated on buying "fallen angels", NYSE companies that are down more than 70 percent from their yearly high.

Of the seven MHS teams, four rank in the top 50 and all are in the top half of the standings. December 16 is when the contest ends.

Participation in a stock market simulation is a requirement of the Economics Class at Muenster High School. Sponsors are Mr. Jeff Teague and Mr. Joe Caserta.

Other students participating include: Jaclyn Bell, Christy Drachenberg, Melinda Fanning, Janet Fetsch, Eric Fisher, Kerry Fleitman, Maggie Fisher, Mendy Gieb, Aaron Klement, Jesse Luke, Justin Klement, Kevin Johnson, Shawn Jones, Amie McCoury, and Dolly Patel.

Screening scheduled for children with handicaps

On November 13, from 8:30 to 11:30, an early childhood screening will be held at the Early Childhood Intervention of Texoma office, located at 1207 East Broadway, to identify children who may have handicapping conditions or might have low potential for success in school.

A child who needs to be screened is one who does not appear to act, see, hear, speak, understand or learn as others of his age.

Children who are handicapped are eligible to attend school from age 3, from birth if visually or hearing impaired. If you have a child who is suspected of having a handicapping condition and is

three (3) years old, please call the special education office at 665-0773 for an appointment. If your child is younger than three and you feel testing is necessary, call ECI Texoma at 665-1464. The tests include vision and hearing and motor ability procedures, as well as some learning tasks.

Before screening, each child must have a permission slip, signed by a parent, giving consent for screening. Forms are available at the Special Education office located at 1420 Rice Avenue. Baby-sitter may bring child to be screened, but the form signed by a parent is a necessity.

If your child is enrolled at Headstart, there is no need to attend this screening.

All Hallow's Eve Fun

Last Saturday, the annual J.E.L.L.Y. All Hallow's Eve Carnival for 6th graders and below took place in the Community Center Main Hall. Billy and Brad Felderhoff helped out in the kitchen, offering hot-dogs to those who came, young and old alike. Christina Weinzapfel and helpers put on a great cookie decorating booth, which was well-liked. Laura Taylor hosted "Pass the Package," a real ripper of game, always ending in candy for the victor. Adam Taylor had the dart booth. Ashley Walterscheid set up and ran the basketball toss. Kim Hess had fun with the "Candy Walk." Lisa Endres held several contests of "Guess the Pumpkin's Weight" and "Guess the Number of Candies." Darrell Henscheid had the Fish Pond, and the fish certainly were sweet! Laura, Lisa, and Kim ran the All Saints Costume Contest, with first prize going to Joe Hess as Moses, second prize going to Ginger Bartush as St. Helen, and third prize going to Rebecca Hesse as Mother Teresa. Ernie Martin coordinated the whole affair. All who came enjoyed the festive atmosphere, lots of candy, abundant fun, yummy hot-dogs, and loads of laughs and excitement.

NET Team Coming For Freshmen and Sophomores
On December 5-6, the NET team will be in Muenster to hold the retreat for all

interested freshmen and sophomores. The retreat will be from 9 a.m. to 10 p.m. on Saturday and continue on Sunday from 8:30 a.m. to 3:30 p.m. at the KC Hall. Students will return to their own home overnight. Cost for the retreat is \$25, which includes lunch and supper and snacks on Saturday and lunch and snacks on Sunday. **Deadline for sign-up is November 23 at noon.** To sign up, a person needs to fill out a liability form as well as a permission slip, both available at the Sacred Heart Youth Ministry office in the convent. Those people who already have a liability form filled out for this school year for the youth ministry only need the permission form. **Again deadline for sign-up is November 23 at noon,** which means applications after that will most probably be turned down. **NOTE: LIABILITY FORM MUST BE NOTARIZED.**

Life Teen Again in KC Hall on 8th

On November 8, Life Teen will hold a Life Night about the "Fruits of the Spirit." As it will be held in the KC Hall, beginning at 7 p.m., all who attend must have a liability form on file with the youth ministry. **Parents,** these forms must be filled out and signed on both sides, as well as being notarized on the back side. **Teens,** be sure to get your form filled out by your parents and come join us on the 8th with the "Fruits of the Spirit."

Red-'N'-Motion

by Debra Voth

Practice, hard work, patience, sweat, conditioning, cheering, these are just a few of the pieces that put together the Sacred Heart Dance Team. Each year the girls attend camp where they learn five routines. The routines consist of a military, kick, novelty, jazz, and a prop dance. Each of these are performed throughout the football season. For the 1998-1999 school year there are 30 girls participating in dance team. This year's captain is senior, Debra Voth. Lieutenants are juniors Kristen Knauf and Sara Kelley. The dance team is excited to announce their new sponsor, Hayle Dangelmayr. All of these ladies together help lead the dance team to success.

During July, the girls attended camp at the Community Center where an instructor taught them the routines. After camp was over the girls began practicing a couple of times a week. Now that school has begun, the dance team practices the routine for that week over and over until it looks perfect every day after school.

The Other Side of the Story by Betty Treviño

"Line up, girls!" Remember, on the second eight count, pivot. "March in place!" Dance team, the highlight entertainers who give the extra school spirit at half-time is back again. On the field they look radiant in the flashy uniforms performing at Sacred Heart football games. But is the audience aware of what all

dance team goes through in order to get out on the field and perform?

One may think that dance team is just about putting on that uniform and dancing on the field. Well, it isn't. To begin with, the dance team members have to learn the dance either at the summer camp or from the leaders. It takes much time and practice in order to do this. Some members get the steps down easily and others have a harder time. But with the leaders, the task of learning the dances makes it less difficult.

Dance team requires participation, cooperation, and patience. Practices held in the afternoon can sometimes get frustrating and tiring because of a lack of these. Members not listening, leaders arguing with the members, or one leader trying to take over the other leaders are a few of the results the dance team ends up with because of the forgotten concept of teamwork. Then there's the itchy grass, the hot beating sun, and tan lines every where that don't help the dance team focus on how it's supposed to be.

The make-up, the uniforms, the hose, and the silver scrunchies are the typical requirements for the members, but then there's the responsibility and commitment that is asked of each one. Dance team is really all about teamwork and cooperation. Once all of these are put together and ready to go, dance team is again ready to go and ready to get out on that field to represent the school with rhythm and motion.

Sepanski is finalist in Cowboy Poetry Contest

Kathryn R. Sepanski, daughter of Bob and Linda Sepanski and seventh grade student at Sacred Heart School, was selected finalist in the Junior Division 8th Annual Red Steagall Cowboy Gathering Children's Poetry Contest. As a finalist, she was asked to present her poem from memory on Saturday, Oct. 24, 1998, in the Auction Arena in the Fort Worth Stockyard National Historic District, site of the annual three-day cowboy poetry and western swing festival.

Her entry began as a classroom assignment by her teacher, Mrs. Glenda Mitchell, and ended up being chosen as one of the top ten poems from more than 1500 poems submitted in the Junior Division. It took every member of the Fort Worth Historical Society over two weeks to read and reread these poems, along with another 1400 submitted in

the Senior Division, to decide on the finalists.

Kate recited her poem from memory before an audience of 600 people and a panel of five judges—all nationally known, award-winning cowboy poets and writers. As a finalist, Kate was awarded a certificate for a pair of Justin cowboy boots of her choosing and an autographed copy of a Red Steagall book. The award winning *Ride For The Brand*, published by the Texas Christian University Press, is a collection of poetry and songs, along with lead sheets, embracing the western lifestyle that Red loves and lives.

The 10 finalists from each division were recognized that evening during a special presentation held at the Stockyard Coliseum before a packed house attending the 12-

team Ranch rodeo. The first place winner in each division was awarded a one-year scholarship for tuition and fees to any four year Texas college or university. The second place winner received a similar scholarship to any two year Texas college.

Before each rehearsal and competition, Joyce Roach, Director - Young Writers Cowboy Poetry Contest and of the Cowboy Heritage Association, thanked the superintendent and principals who made it possible for children in their schools to enter the contest. She also thanked "the teachers who found a way to provide their students this opportunity for creative expression, somehow making the time in a mandated and extremely structured curriculum that provides very

little opportunity for the creative process."

Between the early morning briefing, rehearsals, the poetry competition in the afternoon, the award ceremony in the evening, Kate and her family enjoyed the day listening to America's best cowboy poets and Western swing bands, savoring the aromas, sights, and sounds of the chuck wagon camp competition, and attending the Ranch Rodeo in the evening.

The Red Steagall Gathering and Western Swing Festival was established in 1991, to promote Western heritage and the cowboy way of life. This is the third consecutive year that Sacred Heart Schools have had a finalist in one of the divisions of the contest.

Looking through Second Grades' window by Allison Bayer

Now at the end of the first quarter, Sacred Heart's Second Grade Class has made use of their time very well. The 21 students are under the direction of Mrs. Michelle Knauf. These children are some of the most productive students.

During the first quarter the students have studied butterflies and moths. They have studied the weather. They entered the Channel Five Weather Contest for Bus Stop Weather. Six students in the class had pictures shown on television. Along with studying weather, they have studied tornadoes and even tracked the latest hurricanes.

The Second Grade Class has been studying art history and artists. Among these artists are Vincent Van Gogh and Georgio O'Keefe. They are learning addition and subtraction facts.

At this point, Sacred Heart's 21 second graders are studying fire safety. They have begun preparing for the Christmas play. The class is taking the role of "The Rainbow of Angels".

Knights knock out Nocona 30-7

The Lindsay Knights handed the Nocona Indians a 30-7 defeat last Friday night, moving closer to a playoff spot as 3rd place finisher in district 10-AA.

Lindsay punted away their first possession after five runs, then regained possession two plays later when Chris Garner and Jeff Bezner caused an Indian fumble, which Corey Neu covered on Nocona's 30 yard line. A Bezner to Trent Endres pass gained a quick 13 yards. Neu moved to the 15 and Adrian Anderle to the 5. Anderle had the honor of carrying the ball into the end zone. With 8:02 on the first quarter clock, Michael Mosman's PAT kick gave Lindsay a 7-0 lead.

Nocona moved into Lindsay territory. Tackles by Brad Minnix and Blake Crutsinger, and an incomplete pass forced a punt on 4th and 19 at midfield.

From their 7, Lindsay's running game, led by four runs by Anderle, moved the Knights to midfield. Anderle, Neu and Bezner, and a Bezner to Neu pass continued the drive to the 28. Lindsay's offense then struggled, giving the Indians the ball on the 23 as the 2nd period began.

Nocona went nowhere and punted. From Nocona's 44, the Knights moved to the 17 after two Anderle and one Bezner run. After two incomplete passes, a Bezner to Richie Alfrey pass came up short and the Indian offense took over.

Tackles by Crutsinger, Cody Secrest and Daniel Hellinger and Bezner at pass defense forced Nocona to punt.

Beginning at the Indian 40, four Anderle runs moved the Knights to the 16 yard line. Bezner got the ball to the 9, but two unsuccessful plays followed, so on 4th and 5, Mosman attempted a 28 yard field goal. But the kick didn't make it through the uprights so Nocona took over on the 20.

Again Crutsinger, Hellinger and Garner held the Indians, forcing a punt. From the Knight 46, runs by Alfrey, Anderle and Secrest, made the first 10. A Bezner to Anderle pass quickly put Lindsay on the 18. Two unsuccessful passes were followed by a quarterback keeper by Jeff Bezner, good for 7 points. Mosman added the extra kick to give the Knights a 14-0 lead with 51.4 seconds on the clock. Secrest got a quarterback sack before the teams left the field for the half-time break.

It was three strikes and out for the Indians as the 2nd half began.

The Knights first possession of the 3rd quarter found pay dirt. Anderle and Bezner both ran twice for 29 and 7 yards. From the 10 yard line, Cody Secrest went into the end zone for the score. Mosman's kick gave Lindsay a 21-0 lead 3 minutes into play.

Nocona went airborne their next drive, moving 55 yards in 9 plays, assisted by a pass interference flag. The Indians scored on a 9 yard run. The PAT, with 3:24 on the clock made a 21-7 score.

The Knight offense moved the ball freely against Nocona for 4 plays going 61 yards to the 9 yard line from runs by Secrest, Anderle and Bezner. Then a holding flag delayed the drive and another field goal was attempted. A bad snap turned into a run by Endres, but he was stopped a yard short of the end zone.

Nocona controlled the ball going into the final quarter. Unable to cover any ground, a bad snap caught the Indians for a safety, and a 23-7 ball game.

The Knights punted away their next possession. Three plays later a quarterback sack by Secrest caused a fumble that Clint Gallagher covered on the 18 yard line for the Knights.

Secrest ran for two, then Anderle for 1 yard, lost 10 on then a 10 yard touchdown. With 5:47 on the clock, Lindsay had a 30-7 lead after Mosman added the PAT.

The Knight defense took the Indians for a 12 yard loss, led by Secrest, Neu and a sack by Minnix, forcing a punt.

Trent Endres picked up 8 yards, Adam Anderle 3 and Levi Seeds 5 before Lindsay punted.

Nocona's next drive gained 15 yards from a flag, lost 10 on another Minnix sack and ended when Bezner intercepted a pass to end the game.

"After the game I thought we played well," said Coach Charlie Meurer. "But after viewing the film, we have a lot of improving to do. We have to play better to go anywhere into the playoffs."

Next Action - Callisburg
The Knights travel to Callisburg to tangle with the Wildcats to finish the regular season of play.

The Knights are the favorites in this game, with Callisburg holding a 1-8 record this season and winless in district play. "We can't take them lightly. We have to go in there and play," said Meurer on the Knights must-win situation to get into the playoffs.

Even a win at Callisburg doesn't guarantee a playoff spot for the Knights. If Nocona beats Jacksboro by 19 points, there could be a three way tie then the decision goes to a point system.

The Knights - Wildcat contest begins at 7:30 at Callisburg.

I would like to thank all of those who said prayers, had Masses and lit votives for me during my illness. I could not have made it without all of your thoughtfulness and help. A special thanks to my family, who was constantly at my bedside while I was in the hospital. And their continued help during my recovery at home.

Thanks to all who made meals, visited, phoned and stayed with me while at home and in the hospital. Thanks also for the flowers, gifts and many, many cards.

God bless you all. Thanks again,

Livestock price reporting eyed

The U.S. Department of Agriculture plans to investigate how contracts that prohibit sellers from reporting the sales price of animals to a reporting service impact livestock markets. USDA is concerned that these contract requirements adversely affect the price discovery process.

Small producers raised the issue during public hearings held by the USDA Advisory Committee on Agricultural Concentration.

The Packers and Stockyards Act governs purchases and sales of livestock in interstate commerce. USDA and other public and private reporting entities collect and disseminate reported spot market transaction prices for cattle and other livestock.

Many sellers base decisions to sell on these price reports. Consequently, contracts that prohibit price reporting may generate incomplete reports and could pose an unfair trade practice.

Since 1991, the packers and Stockyards Administration has received complaints from cattle sellers that purchases by some buyers hinged on a commitment not to report the price to Market News Service.

When the highest prices are not submitted, the reported prices may not reflect the accurate market value for cattle. Too, conditioning the purchase or sale of livestock may give buyers a competitive advantage over sellers in the form of better market information.

The Grain Inspection, Packers and Stockyards Administration (GIPSA) is seeking information on how frequently contracts prohibit the reporting of livestock prices and how different segments of the industry are affected by this practice.

Comments must be submitted on or before Dec. 9, 1998.

TDA secures crisis exemption to control armyworms

The Texas Department of Agriculture has been granted approval by the U.S. Environmental Protection Agency to issue a crisis exemption to use Confim 2F Insecticide (tebufenozide) to control army worms on pastures and range lands in Texas.

Confirm 2F Insecticide, manufactured by the Rohm and Haas Company, may be applied on a maximum of 4 million acres of pastures and range lands statewide to control the beet army worm, fall army worm, Southern army worm and yellow-striped army worm.

All applicable directions, restrictions and precautions on the EPA registered product label must be followed as well as other restrictions.

TDA has submitted an emergency-specific exemption application to EPA so this crisis exemption remains in effect until EPA renders a decision on the specific exemption. For more information, contact your county Texas Agricultural Extension Office or TDA at (512) 463-7407. TDA's exemption notice can be found on the web page at www.agr.state.tx.us/pesticide/pasture.htm

Buffer strip benefits farms

The Natural Resource Conservation Service set a goal last year to encourage farmers and landowners to plant 2 million miles, or up to 7 million acres, of conservation

buffers by 2002. According to the National Arbor Day Foundation, 165,000 miles, or 595,000 acres, has already been planted.

These buffers are small areas planted in trees and other vegetation that intercepts excess farm chemicals. Properly planted buffers have been found to remove up to 50 percent or more nutrients and pesticides.

Planting trees can trap as much as 75 percent sediment that would otherwise be washed away. Buffer strips can also serve as snow fences, windbreaks, soil erosion stoppers and can increase your wildlife habitat.

Silage safety tips noted:

If you harvest silage for on-site feed, please follow these safety recommendations:

- Shut the harvester engine off and wait for all moving parts to stop rotating before attempting service, adjust, hand feed or unplug the harvester.
- Do not open doors or shields over augers, fans or cutter heads until the parts have stopped rotating.
- Check that no one is near the harvester discharge spout before starting the engine or engaging power. Never permit anyone behind or under the discharge spout while the harvester is operating.
- Check the swing clearance between the discharge spout and the wagon before field operation.

• Check that no one is near the harvester discharge spout before starting the engine or engaging power. Never permit anyone behind or under the discharge spout while the harvester is operating.

MAJOR STOCK SHOW ENTRIES

Attention! 4-H members who plan to enter market or breeding animals at the major livestock shows (Fort Worth, San Antonio, and Houston). There will be an Entry Meeting on Thursday, November 19, at 7 p.m., at the Cooke County Fairgrounds.

4-H members and parents need to attend to fill our entry cards and submit entry fees.

1999 YOUTH FAIR LIVESTOCK ENTRIES

All 4-H animal entries (except Steers) for the 1999 Cooke County Youth Fair are due at the County Extension Office on or before Wednesday, November 25.

Entry forms and rules are available at the Extension Office in the Basement of the Courthouse Monday through Friday 8 a.m. to 12 noon and 1 p.m. to 5 p.m.

If you have any questions, call the County Extension Office at 668-5412.

Drilling into sealed frames can result in gas explosion

Recently, the National Institute for Occupational Safety and Health (NIOSH), received two separate reports of farm workers who were injured while attempting to drill holes into sealed plow frames in order to mount a hitch or a "slow-moving vehicle" sign. These workers received serious skin burns and other injuries when the drill bits penetrated the frames releasing and igniting flammable gases. Hydrogen and methane gas may be produced within sealed frames that are filled during manufacture with scrap metal ballast. The uncleaned, assorted machine shop metal scrap apparently reacts electrochemically with water and emulsion-type cutting oils

to liberate flammable gases. Although the reported ignitions involved plows from the same manufacturer, the use of scrap metal fill may not be unique to plows or to that manufacturer. The potential for such ignitions exists in any equipment with similar ballast in sealed compartments during drilling, cutting, welding, or other operations that both release the gases and provide an ignition source.

Safety Practice: Do not drill, cut, weld, or otherwise penetrate sealed frames of agricultural equipment. Attach signs or other objects to frames using clamps or devices that will secure them to the frames without penetration of these frame members.

Agriculture ...

Protection of "agricultural areas" ruled unconstitutional. An Iowa state law giving some farmers protection from lawsuits over nuisances such as manure odor is "flagrantly unconstitutional," the Iowa Supreme Court ruled recently.

The court said the law allowing property to be designated as an "agricultural area" to give it broad protection from lawsuits strips neighbors of their right to sue, resulting in a "commandeering of valuable property rights without compensating the owner." The 1993 law was the Iowa Legislature's first struggle with the rise of giant hog feedlots, where thousands of animals are raised under a single roof and produce millions of gallons of manure stored in open pits.

"Agriculture is in a recession," confirms Paul Prentice, president of Farm Sector Economics Inc. in Colorado Springs, Colo. The U.S. Department of Agriculture said it expects plunging commodity prices to lower net farm and ranch income 15.8 percent this year to a total of \$42 billion.

Officials said the Asian currency crisis is killing the appetite of our biggest foreign

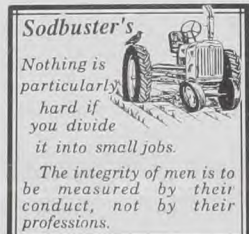

customers. As a result, prices of many commodities have now sunk to break-even levels or lower, for many producers, and a glut of everything from chickens to steers is also depressing livestock prices. Most U.S. farmers and ranchers are so specialized nowadays that they have a hard time reducing production even when prices are low. Prentice says "the problems could last two or three years."

Decatur Farm Toy Show on Nov. 7

Decatur's first Farm Toy and Antique Tractor and Truck show and sale has been scheduled for November 7 at the Wise County Sheriff's Posse Fair Grounds on Highway 51, three miles south of U.S. 81/287.

The event will feature collectible new and antique farm toys including tractors, farm implements, literature and other memorabilia.

In the event of rain, the displays of new and antique equipment and vehicles will be moved indoors. Admission will be \$1. For further information call (940) 627-2198
