Audit report paints MMH financial picture

by Janet Felderhoff
 "You've had a successful year holding your own," Michael Oatman, CPA told the Muenster Memorial Hospital Board of Directors at their Sept. 29 meeting. Oatman is an auditor with the firm Parrish, Moody and Fikes, CPA. He told the directors that the hospital's bottom line was about the same over the last three years. Many hospitals were experiencing significant effects to their bottom line due to the Balanced Budget Act of 1997. The hospital went from 500,000 in 1998 to negative 500,000 in 1999.

According to the audit report MMH brings in 40 percent of its revenue from inpatient activity, a little more than 40 percent is coming from outpatient operations. As with most facilities Parrish, Moody and Fikes work with, inpatient is a little over one third of their operations. "You think of your hospital as a place where people come lay in beds and get treated," Oatman remarked. "That's true, but that's sure not the predominate service that you have going on."

Using graphs as visuals, Oatman explained how MMH stacked up in comparison to other hospitals and how money was spent over the past two years. The graph also showed how the average self supporting hospital and the average governmental hospital did in the same period. MMH is a governmental hospital. "We make the distinction because most hospitals that have tax support spent their money in a different fashion than hospitals that are self supporting," Oatman noted.

The directors were told for the amount of patient revenue generated by MMH its tax support is about half of what the typical hospital has.

"From an auditor's perspective, our opinion was 'unqualified' which means that we read your financial statements, get a clear picture of what you own, what you owe and what you made," Oatman said.

In response to Board President Don Flusche's comment as to the hospital's financial status Oatman said, "You all are just kind of on the bubble. You've got a positive bottom line. When you get your tax revenues in you're able to meet your capital needs, you

didn't see the declines that people are seeing on average, and you've got money in the bank. But, you're not in a position to take continued shocks. If they really go back on this Balanced Budget Act, and I'm told that there's some relief coming, then your future looks a little brighter. If those cuts continue I think you're eventually going to see it severely affect your bottom line."

The directors reviewed the hospital's investment policies to be sure that they still

complied with all laws. No changes were made and the policies on how the hospital handles its excess funds were approved as they were enacted last year.

Another policy which was addressed by the Board was the Patient's Bill of Rights. Additional language dealing with the use of restraints on patients required that there be a mechanism for patient complaints to be handled. If a concern (complaint) is raised it must be brought to the director of nursing. A form must be

completed and that will be reviewed by the Board. Administrator Jack Endres noted that these things were already being done, but the new required wording was slightly different. The addition to the policy was approved unanimously.

Endres reported that \$50,000 TIFB internet grant awarded earlier in the year to the hospital is progressing. Wiring for the system is now being done. It will be two or three months until the equipment is in place.

Flusche gave a glowing report of the special open house that all of the MMH board members had been invited to attend for the new Denton Regional Hospital. He said that the hospital expressed appreciation for the patients that were being sent there from MMH. Attending were Endres, Flusche, Werner Becker Jr. and their spouses.

Board members not present were Duane Knabe and Werner Becker Jr.

Officials from Ford Motor Company came to Muenster Friday morning to formally break ground for the new dealership home for Klement Ford of Muenster. Pictured left to right are Ray Nichols of Guaranty National Bank, David Mason and Gary Byrd of Ford Credit, Riley Peveto of Guaranty National Bank, Ron Bettis of J. M. Construction, Mike Daley of Ford Southwest Region, Karl, Edna, and Kirk Klement of Klement Ford, and Rick Barnes of Ford Muenster on Highway 82. Kirk Klement said the planned 32,000 square foot facility will open in July of 2000. Photo by Dave Fette

Rabies in area

by Steve Broyles
 City Administrator

The Texas Department of Health has published a Rabies Notice for Cooke County. The most recent occurrence happened 10 miles north of Muenster on CR 414. On September 1, 1999, a skunk attacked a litter of kittens. Beginning on September 17, one of the surviving kittens became aggressive, then its hind legs became paralyzed, and then it started having convulsions. The owner suspected rabies. He shot and killed the kitten, being careful not to damage the head. It was put on ice to preserve it until it was taken to the veterinarian. The veterinarian removed the head, packed it on ice, and shipped it to Austin for rabies testing. Test results were see RABIES pg 2

Water Dist. vote, Nov. 2

by Steve Broyles
 City Administrator

The polling booths will be busy on November 2. The state ballot will have many proposed changes to the Texas constitution. In addition, the Muenster Water District will have a special election that day.

The purpose of the election is for voters to decide whether or not the areas annexed into the Muenster Water District in July 1999 should be taxed the same as the rest of the district. A "YES" vote means that everyone in the district will be taxed equally. A "NO" vote means that everyone except these two areas in the district would pay Muenster Water District taxes, while these two areas would be exempt from the district taxes. The areas involved are the Charles Dill property on South Ash Street and the Felderhoff Brothers Drilling Company on East Eddy Street.

Be sure to vote on November 2, and be sure to get a state ballot and a district ballot when voting.

Local laws are getting tougher

by Dave Fette

Muenster's City Council saw the first reading for changes to local ordinances Monday night. If approved, the changes will fall in line with existing state laws. Briefly they are:

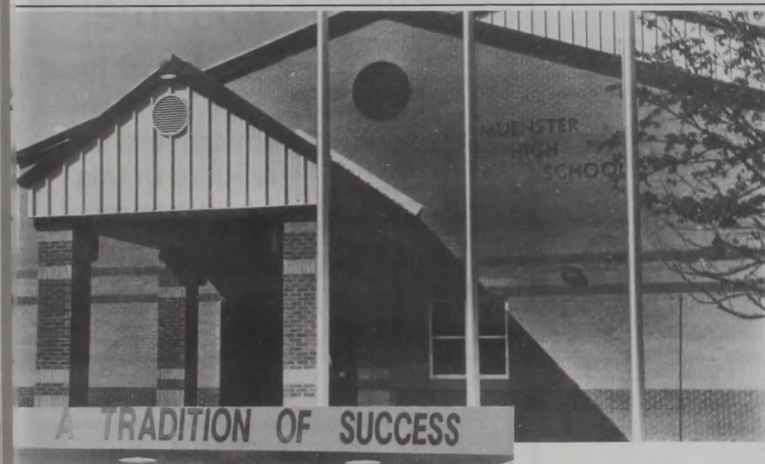

- A vehicle parked on a public street becomes a junked vehicle after 72 hours instead of the previous 45 day time frame.
- Pet owners of impounded animals will be charged for daily maintenance.
- Sewage draining onto public or private property must be stopped in seven days rather than 10.
- Mobile homes on undesignated lots must be moved if the property, lot, or home sells.

• Noise becomes a nuisance in residential areas at 10 p.m. Sunday - Thursday and 11 p.m. Friday and Saturday. In business areas the noise curfew is midnight Sunday -

Friday and 1 p.m. Saturday.

The second reading of these proposed changes comes at the November meeting. Other items handled by the Council during a short meeting included:

- The City litter control code was amended to allow trash containers to be out near the street from 5:00 p.m. the day before pickup to midnight the day of.
- The planning and zoning commission will have a meeting on Nov. 1, 1999 and a workshop on Nov. 16.
- The monthly budget summary revealed that approximately \$738,000.00 has been spent on Muenster water system upgrades. About \$194,000.00 of that came from Austin. The City is well within budget constraints.
- Monthly bills totaling \$90,718.70 were approved for payment.

New School

Muenster ISD hosted an open house Sunday afternoon to showcase the new high school facilities just opened to students. Jackie Henscheid and Ashley Klement received visitors to the guest book table at the doors of the state-of-the-art computer science room. Superintendent Steve Cooper and other administration staff guided visitors and answered questions from 2 p.m. to 5 p.m.

Dave Fette photos

A minor accident occurred Monday at 4:10 p.m. at the 100 block of Division Street. Glenn Debnam of Muenster attempted a left turn onto Hwy. 82 from South Main Street. A westbound pick-up, pulling an empty cattle trailer ran the red light and collided into Debnam's pick-up. The driver, Brad Allen Bland of Nocona, was cited for running a red light. Muenster Volunteer Fire Department and Cooke County EMS responded to the call. Photo by Janie Hartman

State Representative Phil King, center right, of District 61 conducted a town hall meeting last Tuesday, Sept. 28 at the Wooden Spoon Restaurant in Lindsay. He gave updates on some recent legislation and discussed concerns about local issues such as parental notification of intent to have an abortion, penalties for cutting field fences, school finance, and road and bridge funding. Questions also addressed home schooling standards, re-districting Justice of the Peace precincts, and drinking and driving laws. Photo by Dave Fette

Thornberry appointed chairman of for nuclear security oversight panel

U.S. Rep. Mac Thornberry (TX-13) recently was appointed Chairman of a special oversight panel to monitor the establishment and development of the National Nuclear Security Administration (NNSA).

The new panel - which will be called the Special Oversight Panel on Reorganization of the Department of Energy - will be part of the House Armed Services Committee. Thornberry serves on the Committee and is a principal architect of the plan which reorganized the Energy Department and established the NNSA. His appointment to the nuclear security oversight panel was made by Armed Services Committee Chairman Floyd Spence, who commended Thornberry for his work in this area.

In addition to serving as Chairman of the new nuclear oversight panel, Thornberry also serves as Vice Chairman of the Military Procurement Subcommittee. He has been pushing for management reforms at the Department of Energy for over four years. In 1996, he authored a reform plan that was approved as part of the FY 1997 Defense Authorization Act and resulted in the "120 Study" of the Department's management structure, which served as the basis for many of the reforms included in the current reorganization plan.

PROCLAMATION

BY THE MAYOR OF THE CITY OF MUENSTER

TO ALL TO WHOM THESE PRESENTS SHALL COME:

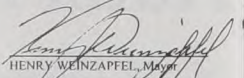

WHEREAS, it is a fundamental duty and privilege of every Texan eligible to vote to participate in the electoral process;

WHEREAS, the Texas Secretary of State's Office is actively promoting voter participation for the November 2, 1999, Constitutional Amendment Election;

WHEREAS, the Muenster Water District is also actively promoting voter participation for its special election on November 2, 1999,

NOW, THEREFORE, I, Mayor for the City of Muenster, do hereby proclaim October Voter Awareness Month and furthermore urge all registered citizens of the City of Muenster and the Muenster Water District to exercise their constitutional right by casting a ballot in the Constitutional Amendment Election and Muenster Water District Special Election either during the early voting period, or on Election Day, November 2nd, 1999.

IN TESTIMONY WHEREOF

HENRY WEINZAPFEL, Mayor

NOTICE OF MUENSTER WATER DISTRICT ELECTION

The Muenster Water District will hold a special election on the proposition shown below on November 2, 1999 from 7:00 a.m. to 7:00 p.m. The polling locations will be at Sacred Heart Community Center, 730 North Main Street, Muenster TX for District 18, and the VFW, 113 South Main Street, Muenster TX for District 17. Early voting will be from 8:00 a.m. - 11:45 a.m. and 1:00 p.m. to 4:45 p.m. on October 18, 1999 through October 29, 1999 in City Hall, 400 North Main Street, Muenster TX. The measure to be voted on is:

OFFICIAL BALLOT

An election where all the present citizens of the Muenster Water District decide whether landowners of the property that was annexed into the Muenster Water District on July 7, 1999, located on the southwest corner of the South Ash Street and West Eddy Street intersection, and on the south side of East Eddy Street east of South Hickory Street, in the City of Muenster, Texas shall be responsible for paying Muenster Water District tax supported bonds then outstanding, and ad valorem taxes for 2000 and all years thereafter on their annexed property.

Please place an "X" on the line beside the statements indicating the way you wish to vote:

- The entire district as enlarged shall assume any tax supported bonds then outstanding.
 - For (these annexed lands assuming any tax supported bonds)
 - Against (these annexed lands assuming any tax supported bonds)
- An ad valorem tax shall be levied upon all taxable property within the district as enlarged for the payment thereof.
 - For (these annexed lands paying ad valorem tax upon all available property within the district beginning in 2000 and thereafter)
 - Against (these annexed lands paying ad valorem tax upon all available property within the district beginning in 2000 and thereafter)

RABIES continued from Pg. 1

positive. Results: Four family members are taking post-exposure rabies treatment for scratches and saliva contact. Three unvaccinated adult cats and ten kittens were destroyed; a dog is receiving a series of rabies vaccinations and is being quarantined for 90 days. This is the seventh positive rabies case in Cooke County in 1999. Four occurred in Gainesville; one each in or near Lindsay, Valley View, and

Muenster. These cases involved four skunks, two cats, and one dog.

Please be careful if you see any of these animals being aggressive. Report the sighting to City Hall or the Police so that action can be taken promptly. If you are attacked by an aggressive animal, visit a doctor as soon as possible and explain the circumstances - you may need treatment for Rabies.

Cooke County participates in nationwide Life Chain effort

More than 100 people from across Cooke County held signs in defense of life during the annual Life Chain Sunday, a national crusade to protest abortion.

The Life Chain stretched along U.S. Hwy. 82 at the intersection of FM 1199 in Lindsay. Participants stood along the highway and in front of a series of approximately 400 white crosses planted in a lot adjacent to the event. The crosses are set out annually by Cooke County Pro Life organizers to represent the estimated 1.6 million babies, about one every 20 seconds, who are killed by abortion each year. A police escort provided security for the event. The Life Chain is a national event held each year on the first Sunday in October in more than 700 locations across the United States.

Following an opening prayer, life chain participants quietly

held signs for one hour, from 2 to 3 p.m., which included, "Abortion Kills Children," "Adoption, the Loving Option," and "Abortion Hurts Women." Also included were signs that quoted from the Declaration of Independence that "Life is the First Inalienable Right." Program organizers said the Life Chain also represents penance for our country and for our failure to protect the unborn, which was represented by those holding signs which stated "Lord, Forgive Us and our Nation."

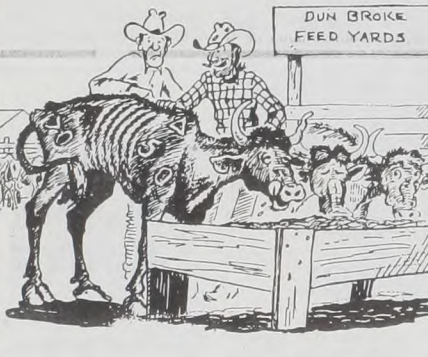

Several passersby honked their vehicle horns or gave a thumbs up to those who lined the highway in support of the effort. One life chain participant attended with her one-year-old baby sporting a sign, "Glad to Be Here." Jeanne Greathouse, one of the program organizers in Cooke County, was pleased with this year's turnout. "God is good," she

said. "I prayed that we would run out of signs, and we only had three left by the time everyone got here."

The first Life Chain, born through prayer, was built in 1987 by Please Let Me Live, a small but aggressive pro-life ministry in Yuba City, California. People of all ages and from all walks of life participate in Life Chain, according to organizers of the event. They reflect a diversity of religious, political, and ideological viewpoints. The common thread that ties these people together is a realization that we as a society and as a nation are doing far too little to uphold the most basic of human rights, the right to life. People come to Life Chain to affirm the truth that all human lives, including the lives of unborn children, possess an intrinsic value and a sanctity which merit everyone's respect and society's protection, said event organizers.

If someone you know is being abused...

Do you suspect that a family member, friend, or co-worker is being abused by their intimate partner? Those suspicions may be true. Domestic violence is an epidemic across the United States. Every nine seconds a woman is battered somewhere in the United States. Men also fall victim to domestic violence, which includes physical, verbal, and sexual abuse. However, in 90% of domestic violence cases, women are being abused.

Your support could be vital for that person. If you think it's not your business, think again. Not only is the person being abused suffering, but so are the children. In homes where domestic violence occurs, children are abused at a rate 1500% higher than the national average. Children living in abusive environments also suffer emotional trauma. Witnessing one parent abuse the other parent can have a devastating impact on the social development of a child. Just as children learn manners from their parents, they also learn how to solve their problems. Boys who grow up in abusive homes are more likely

to batter their female partners.

It may be hard to understand why he/she doesn't "just leave" the abuser. Are they afraid that leaving will put them or their children in more physical danger? These fears are warranted; statistics have shown that leaving is the most dangerous time. Domestic violence is based on power and control. Therefore, when a victim leaves, the abuser realizes that they are losing control over that person. They then become increasingly violent in order to regain their control.

Do they have somewhere else to live? It may take weeks, even months, before they could afford a place of their own. Do they have a support system, friends or family? Leaving will take emotional and physical strength. Educating yourself about domestic violence issues will help you understand why they stay. Friends of the Family can provide you that information.

As his/her friend, you have a responsibility to help them in their time of need. Helping them may require patience. Their problems won't be solved

overnight. Be supportive of them. Don't criticize them for their mistakes; criticizing them will only alienate them from you. Let them know it is not their fault! Help them get information about domestic violence. Free brochures are available at Cooke County Friends of the Family.

If you see a physical fight or suspect one is taking place, don't attempt to break it up. Although you have good intentions of protecting that person, you could be putting yourself in harm's way. Call 911 immediately. Once the police arrive, inform them of what you have seen or heard. Your statement could be beneficial to their investigation.

If you know someone who is being abused, reach out to him or her. You may be the only one who does. Listen to them and respect their decisions. Encourage them to get help. Inform them about Friends of the Family's free confidential services. For more information about how to help domestic violence victims, call CCFV at 665-2873.

Your trash, you're fined

by MaryLee Alford

You own and are responsible for your trash and litter until it is properly disposed of into an approved solid waste site, which is a legal landfill or a dumpster in which you have the legal right to dispose. It is illegal to put your trash into a private dumpster belonging to someone else. If your trash is found on the highway, within 300 feet of a public highway, on a right-of-way, on other public or private property (such as someone else's dumpster), or into inland or coastal water of the state, you are held responsible and may be fined and/or put in jail, even though you didn't put it there yourself. No intent must be proved.

A municipality or county may offer a reward of \$50 for reporting a violation of this section that results in a prosecution under Section

365.012 of the Health and Safety Code of Texas.

If the trash, litter or other solid waste weighs 15 pounds or less (example: one piece of trash) or has a volume of 13 gallons (example: a kitchen trash bag) or less, you may be fined. If the trash, litter or solid waste weighs more than 15 pounds or has a volume of more than 13 gallons, you may go to jail.

Employers must be aware that litter thrown from a commercial vehicle is considered commercial litter. It is recommended that all employers provide anti-litter education to employees. Too often, employees travel down highways in commercial vehicles throwing out beverage cans, cigarette butts, fast food wrappers and other forms of litter. In all cases, public and private, the vehicle used in a

third offense may be seized, even if the specific vehicle used in the third offense wasn't the same one used in the first and second. An employer may find him/herself forfeiting a commercial vehicle because of an employee breaking the litter laws.

We are fortunate in Cooke County to have one of the 23 Environmental Deputies in Texas. All police officers, not just our County Environmental Deputy, have the authority to enforce the penalties for offenses under the Texas Litter Abatement Act, Section 365.012. No one, not even their superiors, has the right to tell officers not to enforce the Texas Litter Abatement Act. If so, the directive should be put in writing and directed to Jim White, an Environmental Protection Officer located at Grayson County.

From My Side of the Fence

by Ed Cler

In the early thirties my Dad could feed out a number of acres each winter, then sell them in the spring.

Most cattle were either shipped by rail, or trucked to the Fort Worth Stockyards where they would be turned over to a Commission firm that could find the best deal they could, and sell them for a commission.

Some of these firms would buy harder than others to get their client the best price.

One winter, Dad had a fairly good bunch of feeders in the lot, and a visitor by the name of Jackson asked him to try the Breedlove Comm. Co. that he worked for.

Well, Dad decided to give

Breedlove a try, and he was well pleased and let them handle the rest of his herd.

As we boys grew up, we soon got the job of trucking cattle, and we were also pleased with the treatment, and prices the Breedlove firm were able to get for our stock, then as we came to have cattle of our own to sell, we used the firm exclusively.

Personally, I liked the senior Mr. Breedlove as a friend. He was an elderly gentleman and I looked forward to the times I could spend listening to him tell of the days he spent, not as a cowboy, but as a cow hand.

He told me of a time he spent working for a cow outfit, when all the hands went out, and ate

and slept with the cattle crew. Their food was prepared by a cook who traveled with the crew, and this particular cook was not a jewel.

He told of a morning when this cook served them bacon and eggs and homemade biscuits. Mr. Breedlove suspected the biscuits were made of flour and water because when baked they were as hard as rocks.

They were camped on the banks of a river and there were a number of ducks swimming about on the water.

One left-handed cow hand, after almost breaking his teeth trying to bite through one of the so-called biscuits, told Mr. Breedlove he believed if he could hit one the ducks with it, it would surely kill it.

Then he proceeded to throw it at one of the birds, and sure enough it sailed over the water in a long arc and struck one of the ducks just behind its head, killing it instantly.

Historic Texas cemeteries in grave danger

The Texas Historical Commission (THC) is serious about helping Texas' 50,000 historic cemeteries rest in peace. Cemeteries are a link to our past and can reveal important information about people, events, religion, lifestyles and genealogy. Many are threatened by deterioration, vandalism, theft or development.

The THC created the Official Historic Texas Cemetery Designation Program to address the destruction and illegal removal of cemeteries. The designation helps make future landowners aware of the resources on their property and encourages further preservation, but cannot restrict private landowners' use of the land.

Guidelines for cemetery preservation and applications for the Historic Texas Cemetery Designation can be found on the THC web site at www.thc.state.tx.us, or you can request an application by calling Ned Coleman at 512-463-6427.

Luke serves two weeks in Honduras

by **Elfreda Fette**
Tawni Luke, R.N. of Valley View spent two weeks in August serving on a medical-mission team in Honduras. She is the wife of Muenster native Ray Luke, and the mother of two sons Preston and Parker, and one daughter Peyton. Tawni is the daughter of Mr. and Mrs. J. Lynn Vowell of Valley View.

Tawni Luke, RN cleanses a wound and applies a dressing to a lady's leg at a mission in Santa Ana, Honduras on Aug. 24, 1999. Courtesy photo

Also on the 12-member team from Texas, on the "People That Care Honduras Mission," August 19-30, 1999, were two others from Cooke County, Bob and Loretta Moore of Gainesville. All three are members of Cross Timbers Church in Valley View. The other nine were, or had been, associated with the DeSoto Community Church of DeSoto, Texas. The medical director, an emergency room doctor (Dr. Brent Hambrick) had already moved to Honduras with his family for the upcoming year to attend Language School and to assist with medical mission brigades.

While serving in Honduras, the Texans assisted with the medical brigade clinics in eight different villages, or in helping to build a church in one village. The mission team stayed primarily at a mission guest

residents, and medical students from Honduras. The American team did medical brigades in the villages of Colonia Mateo, Eskimai, Los house in Tegucigalpa, the capital of Honduras. For the two weeks, the team joined forces with A.C.M.E.H. (Association Christian Medical in Honduras) which is made up of Christian doctors, medical

Pinos, Santa Ana, Ojojona, Las Mesitas, Villa San Francisco, and Bienvenidos. The Honduran Medical School assisted in Eskimai and Bienvenidos. Their clinics consisted of medical, dental, optometry, pharmacy and evangelistic areas. On weekends they were accompanied by residents/interns from the Honduras Medical School. Everywhere the people were very poor.

Cross Timbers Church in Valley View East is deeply involved in supporting and participating in mission outreach around the world. Six of the youth group members went on mission trips associated with "Teen Mania" this past summer. Each of them went to one of the

following countries; Bolivia, Peru, Nepal, Australia or Russia. Three adults, including Pastor Ray Hall of Valley View and one youth went to the Philippines in late spring of 1999. More information may be obtained from Pastor Raymond Hall 940-637-2414 or Tawni Luke 940-637-2177.

While Tawni was in Honduras, she sent frequent E-mail messages to her husband and their children, describing the area and events. In one message she described air turbulence as they neared Honduras; then landing at the capitol's airport, one of the world's worst to land at. She told of the bumpiness coming out of the mountain thunderstorms, dropping

quickly onto a short runway, and "brake fast and hard."

They stayed at World Gospel Mission guest-house, protected by high walls and barbed wire. They never went anywhere alone. One evening they were all guests for dinner with the niece of the ex-Honduran president.

In one E-mail message, Tawni described a very bumpy muddy trip to another village that took three hours to go 50 miles. They could see the destruction caused by "Hurricane Mitch."

The "People That Care Honduras Mission Team" returned home August 30, committed to a vision of reaching Jesus through medicine.

Viewing the foundation work that is being done for a church in the village of Eskimai, Honduras are, from left, Gina Urias of De Soto; "Patty", a Honduran medical student; Tawni Luke of Valley View; Bob Moore of Gainesville; and Dr. Brent Hambrick of De Soto, Texas, medical director. NCTC will host third annual "College Night"

North Central Texas College will host its third annual "College Night" from 6 p.m. to 8 p.m. November 1 at the Student Activity Center.

"The goal of the event," noted Director of Admissions Conner Parrent, "is to introduce high school juniors and seniors and their parents to NCTC and assist them with questions concerning financial aid." "The occasion might also be of interest to current NCTC students," said Parrent, "who are planning to transfer credit to a four-year school. Earlier in the day, from 12:30 p.m. to 2:00 p.m., they will be able to browse the activity center and speak with representatives from various colleges and universities who can field questions."

For prospective NCTC students, Director of Financial Aid Rick Renshaw, will conduct a pair of informational workshops - at 6 p.m. or 7 p.m. - in the Little Theater.

Visitors will also have access to catalogs, schedule brochures and a variety of promotional items. In addition, they will be able to speak with college faculty regarding specific fields of study. Many university representatives will still be on hand to answer questions about transfer.

AUSTIN UPDATE

TEXAS HOUSE OF REPRESENTATIVES

RON CLARK

HOUSE DISTRICT 62

Proposed Constitutional Amendments

This Austin Update will be the first in a series in which I will summarize certain propositions that will be on the November 2nd ballot. More information is available at www.capitol.state.tx.us

PROPOSITION #2: REVERSE MORTGAGES - A reverse mortgage loan allows a homeowner to receive monthly payments against a homestead. The amendment increases the homeowner's age from 55 to 62 years of age to be eligible for a reverse mortgage. When the owners die the lender takes the home. The amendment changes notice requirements before foreclosure and makes it clear that if the owners die, or move out for more than twelve months, the lender can take the property. If the owners commit fraud or allow the property to deteriorate, the lender can demand repayment.

Proponents Say: This amendment will increase the availability and lower the cost of reverse mortgages by clarifying the regulations for lenders. It gives older homeowners the opportunity to supplement their monthly income with equity they have built up in their homestead.

Opponents Say: When the voters authorized reverse mortgages there were strict limitations on the practices of lenders in order to protect the senior citizens of this state from unscrupulous lending practices. The fact that lenders have chosen not to participate in reverse mortgage lending in this state because of those strict limitations is not grounds to remove those protections. Increased borrowing is not good. People may not realize they will not be able to leave their house to their heirs after a reverse mortgage.

PROPOSITION #4: TAX EXEMPTION FOR CHARITABLE ORGANIZATIONS - The constitution currently prohibits an exemption for charitable organizations that conduct auxiliary activities. This amendment will allow the legislature to grant more tax exemptions to more types of charitable organizations that exist only partly for charitable purposes.

Proponents Say: This amendment would allow exemptions from ad valorem taxes for property held by some partly charitable organizations allowing them to help more people.

Opponents Say: This change allows broader exemptions even for groups which are only partly charities. Tax exemptions shift taxation to other taxpayers and inhibit the ability of local taxing units to raise the revenue needed to provide basic services.

Lifestyle

Summer Court of Honor held by Scouts

by Shirley Knabe
On Sunday, September 19, 1999, the annual Summer Court of Honor. The Court of Honor was held in the lights of Columbus Hall followed by a hamburger dinner enjoyed by scouts and their families. The opening flag ceremony included a procession of the units following the American flag and Troop Flags presented by Johnathan Bayer and Shawn Moore. Michael Th led the Pledge of Allegiance, with scouts and parents joining in. Scoutmaster Gary Fisher presented the following awards of merit badges: Jon Ambrose - canoeing, first aid, fish and wildlife, rowing, and snorkeling BSA, bowling, and summer camp patches; Daniel Bartush - backpacking, king and 50 miler and Philmont award and reached a rank; Adam Bayer - family, hiking, and 50 miler and Philmont award; Johnathan Bayer - backpacking, basketry, mity life, hiking, personal fitness, and 50 miler and Philmont awards and the Life rank; Jack Biffle - citizenship in the world, hiking, family life, and world conservation, 50

miler, and Philmont awards and life rank; Joseph Cowden - canoeing, swimming, fire'n chit and totin chip and summer camp patch. Also Joseph Dangelmayr - citizenship in the community, oceanography, and summer camp and bowl-a-thon patches; Eric Endres - canoeing, citizenship in the community, environmental science, first aid, motorboating, and summer camp patch, 2nd class and 1st class ranks; Chad Felderhoff - backpacking, hiking, 50 miler and Philmont awards; Dustin Felderhoff - citizenship in the community, first aid, lifesaving, personal fitness, rifle shooting, rowing, summer camp patch, scout, tenderfoot, 2nd class ranks and mile swim award; Keith Felderhoff - hiking, 50 miler and Philmont awards. Also Mitch Felderhoff - personal management, personal fitness and star rank; Eric Fisher - personal management, 50 miler and Philmont award; Karl Fisher - hiking, 50 miler, Philmont award, bowl-a-thon patch and star rank; Kirk Hartman - backpacking, citizenship in the community, oceanography, rowing, and summer camp

patch; Ryan Hennigan - citizenship in the community, swimming, fire'n chit, totin chip and summer camp patch; Aaron Klement - 50 miler and Philmont award; Eric Knabe - hiking, art, 50 miler and Philmont awards. Also Shawn Moore - personal fitness, fish and wildlife, forestry, geology, reading, reptile/amphibian, skating, weather and summer camp patch; Kit Morrill - canoeing, citizenship in the community, lifesaving, swimming, mile swim, totin chip, fire'n chit and summer camp patch; Daniel Rohmer - canoeing, citizenship in the community, citizenship in the world, environmental science, hiking, 50 miler, Philmont award and summer camp patch; Michael Voth - citizenship in the world, family life, hiking, 50 miler, Philmont award, world conservation award and life rank; Casey Walterscheid - bronze palm; Matthew York - 50 miler and Philmont awards. During the weekend of September 24-26, Shawn Moore attended the Catholic Scout Retreat held at Worth Ranch near Palo Pinto, Texas. The theme of the weekend was "Were You There" and

activities were centered on what would have been done during the time of Jesus. The boys also were able to experience a meal of fish bread, figs and nuts and fruit, which would have been the same as what Jesus would have eaten. The Catholic Scout Retreat completes one of the requirements for each of the Religious Awards a scout can earn. The retreat concluded with the celebration of Mass and a living Rosary. Also during the weekend Eric Knabe joined other members of the Okiciyipi Chapter of the Order of the Arrow for the Lodge Fall Fellowship held at Camp Constantine near Mineral Wells. The weekend included many fun activities including Capture the Flag that the boys won the championship trophy. Lodge Elections were held later in the evening and followed by the Vigil Callout. Kathy Bratcher of Okiciyipi chapter was called by Allowat Sakima to keep her vigil in the Order. Next event for the Okiciyipi Chapter of the Order of the Arrow will be a brotherhood callout and Ceremony on October 9, at Fort Washita.

Laura Marrs of Irving and Ronnie Dieter of Lewisville have chosen November 6, 1999 for their wedding day. Their engagement and approaching marriage have been announced by her parents, Kenneth and Christine Marrs of Irving. Parents of the future-groom are Rudy and Anna Belle Dieter of Lindsay. The wedding will be held in St. Peter's Catholic Church of Lindsay at 5:00 p.m. The bride-elect is a graduate of Texas Tech University with dual Bachelor of Arts degrees in Art History and English and is employed by Liberty Mutual Business Sales department. Mr. Dieter is a graduate of North Texas State University with a Bachelor of Science degree in Merchandising and Hospitality Management. He is employed as manager of Smokehouse Restaurant in Lewisville.

Awana Club leaders attend conference

On Saturday, October 2, the leaders of the Awana clubs of First Baptist Church attended a leadership conference at Lakeland Baptist Church in Lewisville, Texas along with approximately 1200 other area leaders. The leaders enjoyed a meal of praise and worship to Jesus and then attended many workshops throughout the day covering a wide range of topics. Those attending were Joey and Crista Anderson, Leigh Hale, Janette McCann, Mindy Southeron, Bill and Sharon Ledbetter, Tricia Mosier, Chris and Robbi Watson, LeAnn Currier, Leon and Eric Bayer, and Mark Mashburn. A highlight of the day was the announcement that Bro. Bill

Ledbetter received Awana's pastor of the year award for his leadership and involvement in Awana.

Announcements

COOKE COUNTY LIBRARY STORY HOUR
The Cooke County Library at 200 S. Weaver in Gainesville is the place for the special library story hour co-sponsored by Cooke County Friends of the Family. "Hitting Hurts" on October 14, from 10:00-11:00 a.m., will include puppet show, art work, play activities, reading and snacks for 3 to 6 year olds. There is space for 50.

New Arrivals

Murphy
Chad and Devon Murphey of Gainesville announce the birth of a daughter in Muenster Memorial Hospital on Oct. 3, 1999 at 3:20 p.m. weighing 10 lb. 1 oz. and measuring 20 inches in length. They have named her Haley Raye Murphey. Her grandparents are Ray Murphey, Kathy Hardin, Billy Richey, and Jan Galvan.

Jamie and Jennifer Ritchey, and Shelby Sloan. Grandparents are Jesus Puebla, Ann and Able Garcia, and Stella Manning, all of Gainesville.

Sloan
Don and Maria Sloan of Gainesville are parents of a daughter Emily Dawn Sloan, born in Muenster Memorial Hospital on Sept. 28, 1999, weighing 6 lb. 15 oz. and measuring 19 1/2 inches long. Siblings are Donovan Sloan, Francheska Leshay Adams,

Hacker
Gary and Michelle Hacker of Saint Jo announce the birth of a daughter, Mandy Nicole Hacker in Muenster Memorial Hospital on Oct. 1, 1999, weighing 6 lb. 10 oz. and measuring 20 1/2 inches in length. Grandparents are Kenneth and Wanda Hacker of Saint Jo and Mark and Ruth Cler of Muenster. Great-grandparents are Ed and Aileen Cler of Muenster, and Marie Ford of Rosston.

Cowling
Tanya Cowling of Gainesville announces the birth of a son, Ethan Andrew Jay Cowling, in Muenster Memorial Hospital on Oct. 2, 1999 at 3:21 p.m. weighing 7 lb. 10 1/2 oz. and measuring 20 inches in length. The grandparent is Fujiko Cowling.

Gene Autry featured on October 11 at Gainesville

The second session in the Morton Museum of Cooke County's Fall Series - "Gene Autry-The Singing Cowboy" - will take place at the Chamber of Commerce in Gainesville at noon on Monday, October 11. "That Silver-Haired Daddy of Mine," "Tumbling Tumbleweeds." Those song titles should bring to mind images of that "singing cowboys," Gene Autry. Autry is probably the most famous native of Cooke County, having had enormous success both in the music field and in motion pictures. The first part of the program will focus on Autry's life from his beginning in Cooke County to his rise to fame. We are very pleased that the second part of the program will feature Steve Mitchell, who entertains as "America's Singing Cowboy" performing gene songs made famous by Gene Autry. In fact, you will think that it is Autry doing the singing. Mitchell was recently inducted into the Gene Autry Hall of Fame at the Gene Autry Oklahoma Museum after performing for their film and music festival. Mitchell rode with the Bob Estes Wild West and Rodeo Shows for many years. He also has been featured on "Good Morning America" and "CBS The Morning Show." Handouts will be provided. Refreshments will be served. Seating is limited. For members of the Cooke County Heritage Society the cost to attend is \$3 and for non-members the cost is \$4. To reserve a seat or for more information, please call the museum at 940-668-8900.

Special healthcare women Deserve

Mammograms are \$50 for a limited time.*

There's never time to get everything done in a busy woman's life. However, one item on your checklist may save your life. A mammogram may detect breast cancer months before a lump can be felt.

Annual mammograms are the best method to find tumors in the early stages and should be an important part of your yearly physical if you're over 50. Women should have a baseline mammogram at age 35, then a mammogram every one or two years until the age of 50.

To recognize National Breast Cancer Awareness Month, Gainesville Memorial Hospital is offering mammograms for \$50 during the month of October. We know you're busy, but 20 minutes of your day just might save your life. Call (940) 612-8170 today for an appointment.

GMH
Gainesville Memorial Hospital
1016 Ritchey Street • Gainesville, Texas
* \$50 special is cash only - payment at time of service. Medicare and all other insurances will be filed at the usual and customary rate.

VFW Ladies Auxiliary has full agenda in September meeting

VFW #6205 Ladies Auxiliary had a special guest, District I Auxiliary President, Tina Causey from Farmersville Auxiliary #7426 at the September 20 meeting. The District President made her inspection of the Auxiliary and attended the POW-MIA Candlelight Service conducted by Chairman Frances Bayer prior to the business meeting. Linda Knabe, Auxiliary Conductress assisted with the program. Candles were lighted and held by those attending, while appropriate taped music was played. Poems were read and all joined in prayer for the families of all Prisoners of War and those Missing in Action. Other special guests were Past District I President Margarette Porter of Gainesville Auxiliary #1922 and Past District I President Ruth Carey of Farmersville Auxiliary #7426. Also present at the POW-MIA program were Arthur Bayer of Muenster FFW and Glenn Covington of Gainesville FFW.

At the Ladies business meeting a report was given by Program Participation Chairman Armella Cler that the hospital pledge was due. The Auxiliary complied with the suggested participation of 50¢ per member. Ethel Hesse, Community Service and Rehabilitation Chairman gave her report and made a motion that a service kit be contributed to a homeless veteran. She also reported on

the delivery of a food basket to a local favorite veteran. Frances Bayer gave a report on her attendance on Friday, September 17 at a POW-MIA Program at the Bonham VA Hospital Center.

Mrs. Bayer told of seeing Bo Pilgrim and Representative Ralph Hall as part of the program. President Bayer also reported that the Voice of Democracy program is at both of the local schools for the young adults participation. The theme of the audio-essay is "America's Role for the Next Century."

The Auxiliary also decided to participate in "Make a Difference Day" by having the Annual Cancer Aide and Research Bake Sale on Friday, October 22. They will also collect dues from members at that time.

Announcement was also made of State Auxiliary President Betty Odom of Garland, homecoming on October 1 and 2, and the State Commander Jimmy Cantrell's Homecoming at Lewisville VFW #9168 on October 16 and 17.

Frances Bayer, President conducted the meeting. Mary Lee Hennigan, Secretary read and recorded the minutes and Lucille Hesse, Treasurer gave her report.

After the meeting, about 20 members were served refreshments by Elinor Felderhoff, Patriotic Instructor.

VFW Auxiliary plans bake sale

As part of "Make a Difference Day," Friday, October 22 is the date selected by the Ladies Auxiliary to VFW #6205 to have the Annual Bake Sale Fund-Raiser. The proceeds are going toward the Cancer Aide and Research Fund, and the Auxiliary's local operating funds which are used for donations to local charitable programs. The baked goods will be available for purchase at Fischer's Market beginning at 8 a.m. until 5 p.m. on Friday, October 22.

All members are asked to

bake homemade items and or make a monetary donation. ALL donations will be gratefully accepted. The auxiliary does need everyone's help in trying to "make a difference" in the fight against cancer and other fund-raising needs of the community.

SHOT NOTICE

Flu and Pneumonia shots will be available at S.N.A.P. on Wednesday, October 20 at 11:00 a.m. Must bring Medicare card along.

BE FIRE SAFE

In observation of National Fire Prevention Week, Muenster Volunteer Firemen visited with local students to inform them about fire safety and prevention. At left, Ben Bindel and "Fireman Joe" Pagel visit Muenster Elementary. Below, Fire Chief Herb Knabe demonstrates a fire extinguisher to the students. Far left - Sacred Heart Kindergarten teacher Carmen Bonin and parent Donna Biffle seem to be having more fun than students Amanda Knabe, Michael Davis, and Joshua Biffle at the Muenster Fire station.

Photo by Janie Hartman

"Forever Plaid" to open 20th season for Butterfield Stage

Butterfield Stage will open its 20th anniversary season with the hit musical comedy, *Forever Plaid*. The production, which has played to sold-out audiences since its appearance on the theatrical scene in 1990, began its local performances on October 1. Featuring the nostalgic pop hits of the '50s, *Forever Plaid*, promises audiences an evening of mirth and cherished memories.

Delightfully innocent, the musical comedy celebrates the goofy reincarnation of four male singers, killed in a car crash on the way to their first big concert, and now miraculously revived for a plaid-fabulous time for audiences everywhere.

Remaining performances of *Forever Plaid* are slated for October 8, 9, 14, 15, and 16 at 7:30 p.m. and October 17 at 2:30 p.m. Reservations may be made by calling the theatre at 940-665-8152 or visiting the theatre at 201 S. Denton St., Gainesville. Box office hours are 10 a.m. - 1 p.m. and 2-4 p.m.

audiences laughing when they're not humming along to tunes such as "Catch A Falling Star," "Lady of Spain," "Love Is A Many Splendored Thing," "Shangri-La," and "Three Coins In A Fountain."

Cast in the upcoming production are Butterfield veteran performers Roger Dieter as the frightened and bashful Jinx; Jim Fuller as the impish scamp Sparky; Ker Roberts as Francis, the leader and caretaker of the group; and Ron DeDoos as the chronic worrier Smudge.

Dieter as the frightened and bashful Jinx; Jim Fuller as the impish scamp Sparky; Ker Roberts as Francis, the leader and caretaker of the group; and Ron DeDoos as the chronic worrier Smudge.

NCTC Music Department invites the public to first concert of semester

The public is invited to experience a free evening of enchanting entertainment courtesy of the North Central Texas College Department of Music.

The college band and choral group will both be featured at the event, performing their first formal concert of the year at 7:30 p.m. on October 14 in the Little Theater.

The NCTC Jazz Band, Wind Ensemble, and NCTC Singers, as well as faculty soloist

Regina Walter and Dr. Michael Linder are scheduled to provide selections during the 90 minute performance.

A reception will be held in the NCTC Student Activity Center following the concert.

Muenster ISD FHA holds installation of officers and new members

by Megan Hennigan, reporter

The Muenster FHA installation of its 1999-2000 officers and new members took place on Wednesday, September 29. The officers are: Raegan Koessler, president; Jackie Henschel, vice president; Casey Bell, treasurer; Craig Hartman, parliamentarian; Megan Hennigan, reporter; Ashley Klement, historian; Heather Hess and Justin Walterscheid, recreation leaders.

The installation ceremony was held in the Muenster Public School homemaking room. Each officer lit a candle representing one of the eight FHA purposes, while reciting his or her office duties. Then all of the members recited the FHA pledge, which was led by the officers. Each new member was then presented a FHA badge by Treasurer Casey Bell. The ceremony was followed by a meeting to discuss dues, FHA activities, and refreshments for all current members.

Muenster FHA officers, from left, back - Keri Felderhoff, Craig Hartman, Megan Hennigan, Heather Hess, Justin Walterscheid; Front - Raegan Koessler, Jackie Henschel, Casey Bell, and Ashley Klement. Photo by Janie Hartman

Tigers end pre-season with loss

The Sacred Heart Tigers traveled to Wichita Falls Friday night with hopes of getting their first season win with a victory over the Notre Dame Knights. The Tigers' dreams were shattered when Notre Dame was allowed to score three times in the second quarter to hand Sacred Heart a 26-16 loss.

"We outgained Norte Dame officially. We had more first downs and were in a good position to win offensively and defensively, but our mistakes cost us the game," noted Tiger Coach Kris Hogan.

Matthew Nasche's opening kick put the Knights on their 19 yard line to begin the game. Notre Dame moved the ball for a couple of plays, then a quarterback sack by Travis Fuhrmann was followed by a fumble recovery by Nasche on the Knight 35 yard line. Charlie Moster moved the ball to the 19 yard line, then on 4th down Moster took the ball in for a Tiger touchdown. Nasche ran in the extra points for a 8-0 score with 7:05 on the clock.

Notre Dame came right back, taking four runs and a pass to score 8-7 with 4:20 remaining in the first quarter.

Sacred Heart used up the remaining time to move the ball from their 22 yard line to the one. Eight runs by Moster and two by Nasche gave the Tigers a first and goal. A quarterback keeper up the middle and a Moster extra run gave the Tigers a 16-7 lead as the second quarter began.

Again the Knights fought back, taking just five plays to go 61 yards to the end zone. The extra kick closed the score to 14-16.

The Tigers next offensive drive went nowhere. A short punt set the Knights at midfield, and in three quick plays, Notre Dame took a 20-16 lead with eight minutes remaining in the first half.

Sacred Heart returned Notre Dame's kick 60 yards, but a flag on the play brought the ball back to the Tiger eight. Two plays later, Sacred Heart fumbled, setting up Notre Dame's next score. Two runs and a minute later, the Knights were up 26-16. The teams exchanged possessions as time ticked off the clock to the half-time break.

Josh Walterscheid took the third quarter kick to the Tiger 32 yard line. Nasche ran three times for 17 yards. Short runs by Walterscheid and Moster, and a spearing flag took the Tigers to the Knight 25 yard line. Nasche then moved the

line to the six, then to the two, then the one. A fumbled play and a motion flag put the Tigers in a 4th and goal situation on the six. The attempt to score failed and Notre Dame took over on their nine. The Tigers allowed the Knights to gain a little before shutting them down and forcing a punt.

From their 15, the Tigers got an 8 yard run before fumbling the ball at the 28. Notre Dame carried the ball into the final quarter, but unable to get the needed yards, the Tigers took over on their 27.

Sacred Heart gained only 9 yards and the Knights took over. Moving inside the Tiger 20 yard line, holding flags and Tiger tackles by Walterscheid, Stephen Hofbauer, and Keith Felderhoff gave the ball back to Sacred Heart. Two motion flags later, the Tigers threw an interception, giving Notre Dame the ball on the Tiger 22. Sacred Heart held the Knights, regaining the ball on the 19. Two incomplete passes were followed by a 15 yard gain by Moster to the 34 yard line before time ran out.

Coach Hogan noted that the biggest contributor to the loss was missed tackles, penalties and a couple of crucial mental mistakes. "We did block a little better, which is why we moved the ball better," coach added.

Next Action - Carrollton American Heritage

The Tigers will host the Stars of Carrollton American Heritage this Friday as District 1AA action begins. It will also be Sacred Heart's Homecoming, with a pre-game crowning of the queen.

American Heritage lost 11 lettermen from a 9-2 state finalist team in their first year of football.

"They are a good team, a team that is so talented that we can't afford turnovers and mental mistakes," said Hogan.

As the Tigers enter district play, Josh Walterscheid is "very questionable" to participate in Friday's game.

Game time is 7:30pm at Tiger Field.

Muenster quarterback Casey Walterscheid (10) relays the play to the Hornets. Pictured are Greg Johnson (44), Josh Luke (21), Jeff Klement (7), and Justin Lutkenhaus (85). Photo by Janie Hartman

Hornets defeat Trojans

It was homecoming in Trojan Land last Friday night when the Hornets swarmed into Windthorst and stung the Trojans 13-7. "Windthorst is the best team in their district. I was extremely pleased to come out of there with a win," said Muenster Coach Gordon Martin. "It was another outstanding defensive performance by the Hornets. I felt the offense did what it needed to do, especially late in the game, to ice the win."

The Trojans took the opening kick, getting in 6 plays before running out of downs and punting. Josh Luke returned the punt 21 yards, but the Hornet offense struggled and punted. Three plays later, Casey Walterscheid picked off a Trojan pass at the 40 yard line. Walterscheid then took the ball the distance for the game's first touchdown. Nick Silmon added the extra kick for a 7-0 score with 5:06 on the clock.

From the Hornet 23, runs by Hennigan, Luke, and Mitch Endres took Muenster in Trojan territory. A big penalty delayed the Hornets and the punted on 4th and 8.

Windthorst got in two runs then Grant Hartman covered loose ball on the Trojan 33. The Hornets could not take advantage of the turnover and punted on 4th and 18. The Trojans carried the ball in the final quarter, moving slowly to midfield before fumbling the ball. Josh Luke covered for Muenster. The teams exchanged punts, with Muenster then controlling the clock with runs by Endres and Hennigan, to end the game in 13-7 Muenster victory.

Named as playing outstanding on defense were Danny Felderhoff, Casey Walterscheid, Grant Hartman and John Flusche. The entire defense was named Brov Motor's defensive player of the week. Offensive standouts were Nick Silmon, Jim Stoffel, Casey Walterscheid, Darre Hennigan, and Josh Luke.

Individual Stats:
RUSHING: M, Darre Hennigan, 17/81; Casey Walterscheid, 7/68; Josh Luke 7/47. W, Jason Veitenheimer 14/81; Matt Lindemann, 20/6.
TURNOVERS: Grant Hartman, Josh Luke.

Next Action - Collinsville

Muenster will travel to Collinsville, as district action begins this Friday night. "They're a young team that improves by leaps and bounds every week," noted Coach Gordon. "I expect a tough contest. It will be a good first district test for our team."

Injuries forced Collinsville to play underclassmen last season. Returning from winless season last year, the Pirates are led by running back Ronnie O'Neal and defensive end Allen Pels.

Muenster senior Bryce Miller has not yet been released from the doctor as Casey Walterscheid questionable with a bruise on his hip. "Everyone else is in good shape," concluded Coach Martin.

Action begins at 7:30 p.m.

The Tigers' second touchdown goes into action in Friday's game against Notre Dame. Quarterback Matt Nasche crossed the goal easily behind blocking of his center, Lee Skinner. Backing Nasche are runners Josh Walterscheid and Charlie Moster who scored the first TD. Photo by Dave Fette

Young Hornets sting Trojans

Muenster's junior varsity defeated Windthorst Thursday evening 28-0. Windthorst took an opening kick, but four consecutive tackles by Shawn Sasse gave the ball to the Hornets.

Runs by Cody Mack, Chris York, and Brett Howell and a pass to Chisam Cain took the ball to the 10 yard line. A well to Cain pass found Muenster in the end zone. A quarterback keeper PAT failed a 6-0 score.

Windthorst's offense again was shut down by defensive plays by Paul Fleitman, Bobby Lamer, Adam Bayer, Daniel Lamer, Nathan Hess, and Chad Felderhoff. The Trojans finished as the 2nd quarter ran.

Chris York quickly moved Muenster down field with a 32 yard run. Runs by Mack, well and York continued the drive, which was completed when Mack, with extra effort through Trojan blockers, found the end zone. An extra point pass from Howell to Mack gave the Hornets a 14-0 lead with 11 on the clock.

Starting on their 40 yard line, the Trojans controlled the 11 remaining quarter. Adding the defense were

Fleitman, York and Felderhoff with quarterback sacks.

A motion flag, fumbled pitch and an incomplete pass forced Muenster to punt away their first possession of the 2nd half. Windthorst's first play was fumbled, Muenster covered, but again the Hornets couldn't get the needed yards. Windthorst took over on downs.

York, Rohmer, Fleitman and Cain held the Trojans and they punted. A fumbled snap and a 4 Hornet rush resulted in a very short kick. Three plays later, Chris York found a clear path to the end zone. The extra point failed for a 20-0 game.

The Trojans took the ball into the final period, punted, then regained control when Muenster couldn't return the kick.

From inside the Muenster 20, the Hornet defense again stopped the Trojans. Muenster punted after a few runs, then got the ball back when Adam Bayer covered a fumble.

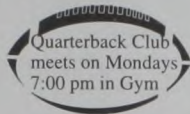

Five Chris York runs and the Hornets scored again. Dustin Walterscheid ran in the extra points for a 28-0 score.

Muenster's defense kept the game under control as time ticked off the clock.

Be careful driving to and from the games!

Cross Country Meet meeting

All assisting with the Cross Country Meet on October 16 are to attend a meeting on October 11 at Muenster ISD Gym at 6 p.m.

Cubs clobber Lancers

Notre Dame's junior high Lancers challenged the Sacred Heart Cubs last Thursday and were handed a 44-12 defeat.

Things went Sacred Heart's way early in the game when on Notre Dame's third play of the game, Paul Bartush covered a loose ball. On the Cubs' first offensive play, a pass from Bartush to Frank Klement was good for a 43 yard touchdown play. The PAT failed, and the Cubs led 6-0 with 5:15 on the clock.

Notre Dame got one run, then fumbled again, Wes Wimmer covered for the Cubs. Runs by Kevin Walterscheid, Chris Hoedebeck and a pass to Klement quickly moved the Cubs to the 9 yard line. On 4th and goal, Walterscheid carried the ball in from the 6 for the touchdown. Hoedebeck added the 2 extra points for a 14-0 game with 1:37 on the first quarter clock.

Tackles by James DeGarmo, Andy Davis, Wimmer, and Bartush forced a Lancer punt as the first period ended. From

the 50, it took five runs by Bartush, Hoedebeck, and Walterscheid to get to the eight yard line where Wes Wimmer took the ball in for another 6 points. A Bartush to Wimmer pass gave the Cubs a 22-0 lead with 4:20 on the first half clock. Again Sacred Heart's defense, led by Tony Koesler, Walterscheid, Clayton Truebenbach, and Zach Barnhill, held the Lancers, giving the Cubs possession on the Notre Dame 28. A Bartush to Klement pass quickly moved the ball to the 7. Walterscheid ran for 5, then a pass to Clayton Truebenbach gave Sacred Heart a 28-0 lead with 1:10 on the clock. The PAT run failed.

The Cubs got on the scoreboard again when Tony Koesler covered a fumble on the 38. A half-back pass from Chris Hoedebeck to quarterback Paul Bartush was good for the score. Sacred Heart led 36-0 after Hoedebeck's extra point run.

With less than a minute to play, Notre Dame returned the

kick 75 yards to get on the scoreboard, for a 36-6 half-time score.

The Cubs took the third quarter kick on their 20 yard line. A Bartush to Wimmer pass play quickly picked up 57 yards. Three Kevin Walterscheid runs, and the Cubs were in the end zone. Casey Coker ran in the extra points for 44-6 game with 5:24 on the clock.

Notre Dame got their first 1st down of the game, before the Cubs shut them down and took over on their 23. Unable to get 10 yards, Sacred Heart punted as the final quarter began. The next play Tony Koesler covered another fumble on the Lancer 34. Casey Coker ran six consecutive plays to get the ball inside the 20 before the Cubs ran out of downs.

Two plays later, the Lancers broke free and scored on a 80 yard run. With 2:36 remaining in the game, the Cubs held a 44-12 lead.

Sacred Heart's offense played out the remaining time on the clock.

Windthorst whips Stingers

Windthorst junior high took their time arriving in Muenster last Thursday, then behind the ever running of twin brothers Chad and Kyle Green, the young Trojans took a 33-0 victory.

Justin Barnhill booted the opening kick to the 25 yard line, where Chad Green ran the 117 yards for a Windthorst touchdown. The extra kick gave the Trojans a quick 7-0 lead.

Sean Fuhrmann returned Windthorst's kick to the 35 yard line. Runs by Brent Mercer, Jared Britain and John Sturm moved into Windthorst territory before the Stingers were forced to punt. Chad Ledbetter's kick went to the 15 yard line, where Kyle Green returned it for a touchdown. John Sturm blocked the extra point kick to give Windthorst a 13-0 lead with 4:54 on the clock.

Clint Miller returned the ball to the Hornet 32. Sturm picked up 4, then Mercer ran for 11 yards. From the 47, Mercer ran took the Stingers to the Windthorst 23. Sturm gained 20, but a quarterback sack and two incomplete passes gave the Trojans possession on the 22 yard line.

The Trojans carried the ball to the 2nd quarter, with Daniel Russell, Mercer, Cameron Walterscheid, Ledbetter, Kyle Endres and Kirk Hartman all getting tackles. Windthorst continued to move down field, scoring on a 18 yard run by Kyle Green. A fake extra-point kick was good to give Windthorst a 20-0 lead with six minutes till half. The Stinger offense went nowhere. A short punt put the Trojans on the Hornet 38. Three plays later, Kyle Green

lit up the score board again. The extra point kick was good for a 27-0 score.

Muenster's final drive of the first half went in reverse and ended with a fumble.

The Hornets took the 3rd quarter kick, and unable to get any yardage, punted. Two plays later, Kyle Green scored on a 42 yard run. Kyle Endres stopped the fake extra point kick for a 33-0 score with 3:43 on the clock.

Again the Stinger offense struggled and punted. Six plays later, Windthorst again found the end zone, but a holding flag brought the play back. On the 20 yard line, a quarterback sack by Justin Wolf and Craig Hopper and a tackle by Fuhrmann put Windthorst in a 4th down situation on the 31. Wolf and Chase Cain then stopped any scoring threat, as time ticked off the clock.

Muenster hosted Collinsville Thursday. Tests all week prevented the Stingers from participating in regular daily football practice.

Football contest sees higher scores

The fifth week of the football contest saw a drop in anticipation, but some higher scores. The better scores may be due to the mistakes made in the games picked, two which were not scheduled to be played. This week, and the Rockwall Christian game canceled due to lack of opposing players. These three games were "freebies" to all contestants.

This week everyone correctly picked Era, Gainesville, Akehill, and the Redskins, while only one picked Tech's upset over A&M. Eleven went for a Sacred Heart win, nine favored Saint Jo, while four wrongly picked Callisburg. Three contestants missed Muenster's victory and two

expected a win from the Cardinals.

Dave Reiter took the top weekly prize with only 6 missed games. Carol Grewing earned 2nd place, missing 7 and being 10 points from the tie-breaker score. Mike Stoffels finished in 3rd place, missing 7, but also missing the tie-breaker game.

Mark Grewing scored a 28, Charles Edwards and Barbie Barnhill a 27, and missing 10 games were Edna Hermes and Jon LeBrasseur.

Tie-breaker sponsors for the week were 1st place Muenster Auto Parts, 2nd Muenster Pharmacy, and 3rd H&W Meat Company.

Lady Hornets compete in cross country meet

Cross Country teams from Muenster continued to improve at the Alvord meet on October 2. There were 9 teams and 94 runners who completed the 2 mile course. Alvord won the meet with 35 points, followed by Keller, Lindsay, Jacksboro, Paradise, then Muenster in 6th place. Also running were Brewer, Petrolia, and Holliday.

Muenster individual results were: Keri Felderhoff, 30, 13:57; Brittany Haverkamp, 31, 13:58; Jamie Gerstberger, 37, 14:10; Allison Endres, 47, 14:26; Krystal Hale, 49, 14:31.

Also running were Megan Hennigan, Amanda Felderhoff, Kristie Lutkenhaus, Kacie Garcia, Lisa Felderhoff, Kami Klement.

There were seven teams and 80 runners in the JV 2 mile course. Muenster came in 6th place behind Keller, Alvord, Slidell, Jacksboro, and Brewer. JV results were: Kelly Felderhoff, 9, 14:15; Pamela Lutkenhaus, 38, 16:30; Megan Lippe, 40, 16:43; Ashley Klement, 43, 17:03; Ashley Hess, 49, 17:25; Lacy Endres, 51, 17:31.

The Junior High girls came on strong, finishing 2nd in the meet behind Decatur. They received a plaque for 2nd place and also had 4 medalists. They defeated Alvord, Jacksboro, Bridgeport, and Slidell. Results were: Chelsea Felderhoff, 3; Robyn Hermes, 4; Joanna Felderhoff, 5; Kallie Gerstberger, 11; Shannon Grewing, 39; Alisha Walterscheid, 47; Stevie Klement, 61; Melinda Walterscheid, 79.

The next cross country meet will be held in Muenster on October 16. District will be in Alvord on October 25.

Fun, run and walk scheduled for Saturday, October 23

Gainesville Memorial Hospital Foundation will host a 5K walk/run on Saturday, October 23. Runners from across North Texas and Southern Oklahoma are expected to compete in the 1999 GMH Halloween Hustle. Awards will be given to the top male and female finishers in each division. The first 500 people to register will receive a Halloween Hustle T-shirt and goodie bag. Runners and walkers may also win special prizes in a raffle immediately following the Hustle. Entry fee is \$15, if postmarked by October 15. After October 15, the entry fee will be \$18 and race day entries will be \$20. Student Teams of 10 or more,

entry fee will be \$10 each. Student Team registration forms must be submitted together to receive \$10 rate. Group Rate is \$2.00 off entry fee per person with 5 or more participants registering - prior to race day. Student teams are not eligible for group discount. Groups and Student Teams must be submitted together. Registration forms will be at the Gainesville Memorial Hospital Foundation office at 1207 B North Grand Avenue in Gainesville. Packet pick-up will be October 18 to October 22 at 1207 B North Grand Avenue. For more information or to request a registration form, please call 940-665-8619.

Muenster youth plays football in CCYC League

Muenster youth play in Cooke County Youth Center 5th and 6th grade football sponsored by WFW Well Service. They are coached by Jim Endres, Terry Walterscheid, and Bob Endres. WFW won their first game of the season against Gilbreath Tank Trucks. The score was 19-0. Greg Walterscheid scored

three touchdowns with good yardage running. Brad Endres intercepted a pass.

WFW lost the second game to C and L Machines with a score of 21-0. The first half was scoreless but WFW played well against a bigger team.

The third game found a loss to Lindsay 24-0, who used a precision passing attack to win the game.

Team members are Greg Walterscheid, Keith Walterscheid, Ryan Fuhrmann, Chad Tempel Brad Endres, Chad Endres, Evan Koesler, Jordan Walterscheid, Bret Walterscheid, Collin Walterscheid, Dustin Hesse, Chad Hess, Kyle Caldwell, Malcom Martin, Derek Endres, Zach Swirczynski, Michael Valliere, Travis Felderhoff, Matt Beaver, Nathan Privett, Casey McAden, Ryan Hennigan, and Bill Haverkamp.

Games are played at CCYC at the Gainesville football field on Saturday mornings.

Years Ago

50 YEARS AGO

October 14 and October 21, 1949
 Laneri High of Fort Worth runs wild in 26-0 defeat of Muenster Hornets, breaking the winning streak. Adding to their woes, the Hornets were trimmed by St. Xavier's of Denison, 19-6 in a fumble fiasco on Wednesday. Friday's game was between Hornet Reserves and Callisburg, won by Muenster, 20-7. Next Friday's game will be between St. Joseph's High and Muenster High. Ground is broken on October 10 for Diabetic Camp Sweeney near Gainesville on 403 acre tract. To clear up general confusion relative to the city's fire alarm signals, the city council asks a system by which previous minutes can be saved in case of fire, by announcing that the alarm will be sounded by remote control from the telephone central office. Heretofore, it was necessary for someone to go to the rear end of the cheese factory and operate the alarm whistle by hand.

50 YEARS AGO

October 28, 1949
 Alert, scrappy team from St. Joseph's Academy in Sherman, though outclassed, holds Muenster Hornets to a 19-7 score; St. Joseph's Academy shows grit and skill. Friday's game will be between Muenster

Student scholarship fund to be established

A scholarship fund is being established by the North Central Texas College Support Staff Association.

The Support Staff Association would like to fully endow this scholarship during the 1999 year in honor of the college's 75th anniversary.

To raise money for the scholarship a unique historical cookbook has been created and is being sold, with all profits from the sale going to the scholarship fund.

The cookbook is a colorful washable hardback three-ring binder containing over 560 recipes donated by faculty, staff, students, ex-students, and friends of the college. Sprinkled with historical photographs and bits of information on the development of the college it is a keepsake edition for the entire community.

Help the NCTC/Support Staff raise money for the student scholarship fund by purchasing one of the new 75th anniversary cookbooks.

By purchasing one of the cookbooks you will be contributing to the benefit of NCTC students for years to

Hornets and Pilot Point Bearcats. Weldon Cowan named superintendent of Muenster High School on October 19, promoted from principal. On October 12, fire destroys barn at Norbert Knabe farm. Kindergarten
 by Andrea Bartush
 Going to school in the "Big Red School", as some of the kindergartners call the Sacred Heart Elementary Building, is a very new experience. Most of the children have gone to preschool but for a few of them, kindergarten is their first experience of school. They have to learn how to work with other children their age and they have to get used to the uniforms.

The children enjoy going to school in the elementary building because it is so big and it's size makes them feel like a "big kid". This is what Bob Bartush said about going to the big red school. Another thing he said was "I like the uniforms because when people see me they know that I go to school." That is what many of the other children in kindergarten think they like when people think they are "grown up".

Most of the children enjoy going to school with other children their age. Before they started school most of the students did not have children who were their own age with which to play. One of the favorite activities of all of the children is recess. During

recess the children play together and become good friends. Recess also helps the children learn how to work together and a way to utilize their energy.

Kindergarten is a good learning experience for young children. They learn how to get along with other children. They get used to school and wearing the required uniform.

A picture is worth a thousand words
 by Sarah Hess

Each school year many things happen. New people come and go. Everyone gets older. Exciting games are played and races won. This is why the yearbook exists. A yearbook takes a whole school year and describes every event in it. Since a picture is worth a thousand words, there is nothing better than a yearbook to keep memories alive.

At Sacred Heart School in Muenster, Texas, the yearbook has a big place in school life. *The Cordis*, as it is called at Sacred Heart, could definitely be a part of the heart of the school. It effects everyone from preschool to the twelfth grade, and it even means something to the teachers. For the higher

grades, the yearbook provides even more memories through the autograph pages. Students are able to hold their friends' thoughts in one place, which can become a great asset in a small college dorm.

Another, usually unnoticed effect of the yearbook, is the effect it has on the staff who produce it. A group of about 10 students and one teacher work an entire school year on the year's book. They learn the ins and outs of journalism. They also learn the importance of working together to meet deadlines. Being a part of the annual yearbook staff helps people to be better prepared for a life of co-workers, bosses, and deadlines.

An entire school year bound between the covers of a book seems nearly impossible, but it is a very necessary accomplishment. Each printing produces many life-lessons and memories. A yearbook may be the only photo album from some students' school days that they will ever have. For these people and others, the yearbook holds memories which could never be described with words.

Thornberry votes for nearly \$9 billion in disaster relief for farmers and ranchers

Saying the relief is needed but larger problems also need to be addressed, U.S. Rep. Mac Thornberry (TX-13) voted recently for legislation which will provide farmers and ranchers with \$8.7 billion in emergency disaster relief payments.

The payments were included in the FY 2000 Agriculture Appropriations Act, which

passed the House of Representatives by a vote of 240-175.

"Most people agree that one of the main causes of the economic crisis in agriculture today is the collapse of the Asian economy," Thornberry stated. "The loss of this market and its impact on world commodity prices has been

severe. Last year, Congress provided over \$6 billion in emergency disaster payments to farmers and ranchers to help deal with this crisis. This year, we're on track to provide nearly \$9 billion more."

Thornberry noted that the House took a step to address the larger problems facing agriculture by approving a bill that will make crop insurance more accessible to producers. Among other things, this bill - which Thornberry cosponsored and voted for -- will reduce the insurance premiums producers have to pay, increase producers' insurable yields, and establish new risk management for livestock producers.

But beyond these disaster payments and the crop insurance bill, he noted, there are a number of critical things Washington must do.

"First," Thornberry stated, "we need to sell more of our products overseas. The Clinton Administration must begin taking advantage of the resources it has at hand to promote and encourage exports. At the same time, both Congress and the President must take a serious look and hopefully overhaul the current trade sanctions and embargo policy, which all too often punishes our farmers and ranchers more than it does a foreign government. We must also continue the push to reduce the high taxes and over-regulation which producers struggle with every day. Finally, we should reexamine the Farm Bill from top to bottom to see how it can work better in times of low prices."

Ag Fact

Agriculture generates about \$45 billion in the Texas economy.

Texas is one of the top ten states in poultry and egg production.

Texas ranks 4th in U.S. rice production.

They'll farm until the money runs out!

Commodity prices and drought have certainly taken their toll on America's farmers this year. For a group of Oklahoma cotton and alfalfa producers, an unexpected windfall is helping them weather the storm.

Twelve farmers who pool their money each week hold the winning ticket from the August 28 Texas lottery drawing. Their prize: \$23 million.

One of the farmers rolled pennies to participate in the lottery drawing.

"Nearly everybody on that list needs money," said Randy Mefford, one of the winning farmers.

Darrin Miranda, another producer, said he would use some of his winnings to pay off debt and continue farming.

"They always say it changes your life," said Miranda, who has been farming with his father for 12 years. "I don't really want to change my life."

County Agent's Report

GRASSHOPPER APPETITE

This summer has certainly been stressful on both plants and animals. Grasshoppers were one of our biggest problems this year to agriculture and landscapes. Grasshoppers tend to be more numerous during drought years. Research has shown that grasshopper populations tend to build for several years and then decline.

Recently there were in Nebraska and that state too is experiencing problems with rangeland grasshoppers. UNL entomologists report that a population of 20 grasshoppers per square yard has been reported to eat, or destroy, as much vegetation as a 1,000 pound steer will consume. Plant damage goes beyond just forage consumed. In feeding, grass blades and stems are cut that cause loss of both leaf tissue and seed stock. However, most of this assessment is complicated, and climate factors play an important part of the assessment. If moisture is available, plants will allow for regrowth of forage. During dry years damage is more evident, and outbreaks of grasshoppers are more likely.

FALL RECERTIFICATION SHORTCOURSE

A two-night Fall Recertification Shortcourse for Pesticide

Applicators will be held Wednesday and Thursday, Oct. 13 and 14 from 6 to 9 p.m. in the Lyceum by the Library at North Central Texas College.

Each night producers will be offered three Continuing Education Units toward recertification of their pesticide license. This will give producers an opportunity to get a total of six CEUs if they attend both nights.

A variety of topics will be covered including Beneficial Insects, IPM, Result Demonstration Work, Pasture Management and Herbicides, Laws and Regulations, and Right to Know.

AGRICULTURAL WASTE PESTICIDE COLLECTION PROGRAM

The scheduled collection site in this area will be on October 21, 1999, from 8:00 a.m. to 1:00 p.m. at Collin County Youth Park located one mile North of FM 1461 on CR 166, Northwest of McKinney.

In addition, Texas Country Cleanup also includes acceptance of the following recyclables: lead acid batteries, oil, oil filters, empty and rinsed plastic pesticide containers. Contact the Extension office at 940-668-5412 for more information.

TEXAS MASTER GARDENERS CLASS NOW FORMING

The Cooke County office of the Texas Agricultural Extension Service is not recruiting candidates for the 1999 Texas Master Gardener program. Candidates selected will receive 70 hours of classroom and field instruction in environmental and consumer horticulture and will, in return, provide 70 hours of service to Extension clientele through a variety of learning experiences.

Formal classroom and field instruction will be held the first three Wednesdays of each month, 9 a.m. until 4 p.m. during November and December of 1999, and January of 2000. Classes will be held at the Chamber of Commerce building in Gainesville. The Chamber building is located near the intersection of I-35 and California Street.

Texas master Gardeners are trained in all essential aspects of environmental and consumer horticulture. Most candidates have no formal training in horticulture but have a strong interest in gardening and want to learn more. Some are from out-of-state or ten out-of-the-country and, although experienced gardeners, find Texas gardening a little more than challenging. All are highly motivated individuals who like to share their knowledge and experience with others.

Master Gardeners serve in many different capacities. In addition to routine field or office work, Master Gardeners make presentations to civic groups, garden clubs, churches, schools and other requesting information or training. Master Gardeners also assist with community, public, and youth gardening projects, clinics, tours, shows and demonstration. Master Gardeners initiate their own projects, take leadership of projects initiated by Extension clientele and assist other Master Gardeners with projects already underway.

Consultations with Extension Agents for Cooke County and collaborations with other Texas Master Gardeners in the program provide limitless learning opportunities beyond the formal curriculum.

A \$75 registration fee will be charged to cover training materials. Each Texas Master Gardener receives a copy of the Texas Master Gardener Handbook with contents Extension recommendations on environmental and consumer horticulture in a concise and easily referenced format.

Call the Extension office at (940) 668-5412 to sign up for the Master Gardener School and an application to learn more about becoming a Master Gardener. This program is offered only once a year and class size is limited...SO DO IT EARLY!

NEED A PESTICIDE APPLICATOR LICENSE

Agriculture producers who currently need the training and testing for a Private Applicator License through the Texas Department of Agriculture will have the opportunity to complete the required training on Tuesday, October 12, or on Wednesday, October 13. The training will be held at the County Extension Office at 5 p.m. October 12 or 8:30 a.m. October 13.

The test will be given by Tyson Barnett, with the Texas Department of Agriculture at 5 p.m. on October 13 at North Central Texas College. Contact the County Extension Office at 940-668-5412 to enroll in the training and testing session.

TECHNICAL ANALYSIS SCHOOL
Agriculture producers can use futures contracts as a marketing tool to manage risk from potential price declines in commodity markets. The use of these tools to manage price risk is often referred to as hedging. Once the idea of using futures markets as a means of managing price risk is understood, the question turns to one of *when* is the best time to market the crop or livestock.

Over time, a chart of prices will show patterns as the price discovery process responds to actual perceived changes in supply and demand. *Technical Analysis* is the study of those chart patterns.

A six night Technical Analysis School will be offered by the Texas Agricultural Extension Service that will provide you with a way to analyze the futures market and make better decisions in managing price risk.

The six night Technical Analysis School will cover various aspects of technical analysis. Each instructor will concentrate on a different technical analysis tool that will be used to help manage price risk. Each session of the school will begin at 7:00 p.m. and end at 9:30 p.m.

The Technical Analysis School will be held at the Farm Bureau building in Gainesville, Texas. The Farm Bureau building is located on Highway 82 west of I-35. Date for the sessions are October 25 and 26, November 8, 9, 15 and 16. The school has a fee of \$25 to cover the costs of materials.

An orientation meeting is scheduled for Tuesday, October 12 at 7:00 p.m., at the Farm Bureau Building on Hwy. 82 in Gainesville. A hamburger supper will be served

Commodity prices and drought have certainly taken their toll on America's farmers this year. For a group of Oklahoma cotton and alfalfa producers, an unexpected windfall is helping them weather the storm.

Twelve farmers who pool their money each week hold the winning ticket from the August 28 Texas lottery drawing. Their prize: \$23 million.
