Debra Dangelmayr, daughter of Pam and Joe Dangelmayr, was named Sacred Heart High School Homecoming Queen in pre-game ceremonies on Friday, Oct. 8. A senior, she was escorted by a fellow senior, Matthew Nasche. Debra received her crown from Betty Revino, the 1998 SHHS Homecoming Queen. Photo by Dave Fette

## Commissioners approve more beds for tri-county juvenile boot camp

by Janet Felderhoff

Plans to expand the Cooke, Fannin, Grayson County Juvenile Detention Center and Boot Camp won support from Cooke County Commissioners Court at the Oct. 11 regular meeting. Currently the facility has 21 beds. Plans are to add nine more, and if a government grant is approved, that number will be upped to 13.

Bill Bristow, executive director of the Juvenile Detention Center, reported that Cooke County's use of the facility grew from 1997 to 1998, but decreased slightly during 1999. Bristow noted that the next three months are always very volatile and he expects usage to increase. Usage is measured by bed days.

Averaging the usage over the years, Grayson's is 50 percent, contracted use 19 percent, Fannin County 17 percent, and Cooke 14 percent. Bristow noted that Cooke County's average remained 14 because of low usage in earlier years even though its usage is up now. The counties of Archer, Clay and Montague all contract use of the facility for youths from those areas.

At times there are 29 kids in a facility designed for 21. "Just imagine 29 kids in your garage or having a party in your

house," said Bristow. "That many teenagers and having to double bunk gets a little disturbing."

Projections from architects for an additional nine beds is between \$200,000 and \$220,000. Built in 1984, the current facility was designed so that space for more beds could be added as needed. Five beds were added in 1991. He asked for \$44,000 over a two year period from Cooke County. June 2000 is the projected start date for construction. It's anticipated that the additional bed space should be sufficient for the next six to eight years.

"You're not going to find three counties that work so closely together to help kids anywhere in the state of Texas," Bristow remarked.

Commissioner Virgil Hess who, along with Commissioner Jerry Lewis, serve as Cooke County's representatives on the juvenile facility's board of directors said, "If there was a way to do it, the best deterrent would be to make every kid when they're 11 years old spend one day over there. I'd make them think a little bit."

Commissioners Court was unanimous in its support to authorize funds for the proposed expansion project.

Those who have money

coming from the county for jury duty can now choose to donate that money to Cooke County Child Welfare. The option to donate to Cooke County Friends of the Family has existed for some time. Commissioners voted 5-0 in favor of the option.

Allied Towers were granted permission from the Court to place two communications towers in Cooke County. One will be located in Precinct #1 north of the TV tower located along East Hwy. 82 and near CR 172. The second tower will be placed on the north side of CR 300 south west of Muenster in Precinct #3.

A second hearing has been set for the closing of a portion (about 1392 feet) of Jack Gray Road in Precinct #2. County Judge Bill Harris said it was being redone due to a defect in the first petition. Monday, Nov. 22 at 10 a.m. was set as the time of the new hearing.

Funds were approved for the County's part of the financial costs of purchasing property to expand the right of way along FM 371 from US Hwy. 82 to FM 2896. Precinct #1 Commissioner Phil Young remarked that 44 wrecks occurred along that stretch last year. The additional right of way will vary anywhere from

10 to 15 feet. Some houses are built close to the road and the Texas Department of Transportation will work around such situations. Money for the project will come from the FM and Lateral Fund for the county's portion.

Other business conducted during the meeting included:

- Tabled tax abatement for Saturn Housing to Shult Operating Company amendment.

- Approved completion of the south and north ends of the courthouse.

- Amended resolution to include Jane Alexander's signature on TexPool list of authorized signatures.

- Tabled consideration of 35 mph speed zone for CR 151 due to typo.

- Set a 35 mph speed zone on CR 154, from the intersection of FM 371 to the intersection of CR 131.

- Approved Southwestern Bell's burial of cable from Hwy. 82 to CR 195.

- Approved proposal by Sprint/United Telephone Company of Texas to install buried communications cable along the right of way of CR 435 in Precinct #4. It must be buried at least 36 inches.

- Approved public official bonds for Sheriff's Department.

## Smithson apologizes to county for CCAD error

by Janet Felderhoff

Several Cooke County taxing entities, including Cooke County, will be impacted by a clerical error within the Cooke County Appraisal District (CCAD). The error resulted in a \$11,226,838.00 loss in value to the combined entities. Besides the county entities affected include Gainesville SD, City of Gainesville, Gainesville Memorial Hospital, and North Central Texas College.

CCAD Chief Appraiser Doug Smithson informed the County that the certified taxable value of \$1,193,186,478.00 was corrected to \$1,181,965,640.00, a difference of .00365. The amount of revenue loss due to the error is \$46,030.00.

"I am extremely distressed that we had such a substantial error, and I apologize for the inconvenience and due burden placed on you," wrote Smithson in his letter of apology. "It was

a clerical mistake made by one of our staff, and having identified the problem we have enacted several checks and balances for the future which will hopefully eliminate this problem. An appraisal notice was sent out on this account and we could have identified the error at that time, however, the property owner thought it was a joke and threw it out and did not notify the appraisal district." Smithson told the County that he felt that some of the lost value could be recouped through some new construction to be supplemented to the 1999 roll.

Commissioners seemed to agree that Smithson and the CCAD were doing a good job under the circumstances. The County didn't feel that there was a need to change tax rates and let things stand as they were before the error was discovered.

## Early voting begins Oct. 18

Early voting for the proposed Texas State Constitutional changes and the Muenster Water District's proposal on inclusion of newly annexed areas for taxation purposes begins on October 18 and ends on October 29. People who want to vote early on the Texas State Constitutional changes need to vote at the County Courthouse on California

Street in Gainesville between 8:00 a.m. - 5 p.m. People who want to vote early on the Muenster Water District proposition should stop by City Hall, 400 North Main Street in Muenster from 8:00 a.m. - 11:45 a.m. and 1:00 p.m. - 4:45 p.m.

Voting day is Tuesday, November 2.

## Don't Forget Jaycee Rodeo

Sat & Sun, Oct 16 & 17

Events include wild cow milking, double mugging, team roping and much more. Concessions will be available.

## Muenster and Lindsay Schools earn honors from Texas Education Agency

In September, 363 public school districts and campuses in North Texas were given the outstanding accountability ratings of "Recognized" and "Exemplary" from the Texas Education Agency - representing an increase in the number of schools earning such high status last year. On Thursday, September 23, Education Service Center Region XI honored these schools and districts at a special reception and program at the new Birdville ISD Fine Arts/Athletics Complex.

Muenster and Lindsay Independent School Districts were two of the outstanding districts to earn exemplary status from the Texas Education Agency this year. ESC Region XI staff presented a certificate of achievement to personnel from each campus and district in attendance at the reception.

In order to achieve the exemplary rating, a district or campus must meet rigorous criteria in the areas of TAAS, attendance, and dropout rates. TAAS scores must be at the "90 percent of students pass" rate for all students and each applicable student group in reading, writing, and mathematics. A 94 percent attendance rate must be met, and the dropout rate must be 1 percent or less for all students and each applicable student group.

Accepting Muenster ISD's Exemplary Awards were, from left, Lee Hale, Lisa Hettler, Gwen Trubenbach, James Hopper, and Joni Sturm. At right - Dr. Randall Douglas, ESC Region XI Director of Technology and Media, presents a certificate to Lindsay ISD Counselor Tom Fluker and a plaque for the school district to Principal Gary Hamilton. ## County dispatch noise troubles firefighters

by Janet Felderhoff

Six Cooke County Fire Chiefs and the secretary of the Cooke County Firefighters Association expressed concern to Commissioners Court. Their complaint was the background noise coming across dispatches times. Muenster Fire Chief Terbie Knabe served as spokesman for the group.

"At times there is quite a bit of background noise in there," explained Knabe. "You've got so dispatchers in there and here's traffic through that area of the dispatch room. You get feed over the radio from people passing through there and talking to one another. At times you'll get quite a bit of noise coming from the jail. When the dispatcher keys the

mike you get a lot of background noise."

According to Knabe the Sheriff's deputies are also having problems hearing. He said at times when things are busy they have to request that things be repeated several times. "A lot of times there's valuable time lost getting a message over there," Knabe said. "It's really a concern. When ever you get that noise and along with that a unit is trying to call the dispatcher - the dispatcher's got enough problems with all the radios that they've got sitting there - and then trying to pick up a message that the incalling unit is trying to give you and they can't get through. The dispatcher can't pick it up

because of all the traffic and stuff in that area. It really creates problems. There are times when it has been a serious problem. It's something that definitely needs to be addressed."

EMS Director Bob Harbin said that the EMS also had similar problems. Sheriff Mike Compton remarked that since the jail opened in 1980 he's watched the responsibility of dispatch grow and the space become more confined. Several times over the years efforts have been made to isolate dispatch, but it never works due to the construction of the building and everything being located in that area it's impossible to isolate that area.

Some of the noise is caused

by the noise of a printer which Compton hopes to have replaced with something quieter. He said that the noise problem and lack of space is growing worse. He would like to move the dispatch to another room where it can be isolated from the constant flow of traffic and accompanying noise. Officers must come into the dispatch area to operate the jail board which opens the door allowing people to enter and leave the jail.

Judge Harris appointed a committee to study and resolve the problem. He appointed Commissioners Bill Cox Phil Young, Mike Selby of the Firefighters, and representative from the Sheriff's Office and EMS.

## Clarification of Local Laws Getting Tougher, article

by Steve Broyles

Last week's article on *Local Laws Getting Tougher*, about the city council meeting needs some clarification. It stated that vehicles parked on a public street become junked vehicles after 72 hours instead of the previous 45 day time frame.

It is important to know that this change applies only to a part of the definition of a junked vehicle as defined by state law. The first part of the definition is that it (the vehicle) is inoperative and, etc. Thus,

only if a vehicle is inoperative and parked on a public street after 72 hours or on private property more than 30 days does it become a junked vehicle.

It is also important to realize that the proposed change is being made in order to update the City Code so that it is in compliance with the changes made in state law by the 1999 Texas State Legislature.

This change does NOT affect people who are visiting for more than 72 hours and park their car on a public street, etc.

# AUSTIN UPDATE

TEXAS HOUSE OF REPRESENTATIVES

**RON CLARK**

HOUSE DISTRICT 62

## Summary of Constitutional Amendments, Part 2

This Austin Update is the second in a series in which selected propositions are summarized. More information is available at [www.lrl.state.tx.us](http://www.lrl.state.tx.us). Early voting begins October 18 through October 29. November 2 is election day. Call your County Clerk if you need information on where to vote.

**PROPOSITION #6 INCREASING SIZE OF HOMESTEAD TO 10 ACRES** - Homestead protections from creditors now extend to one acre and house in an urban area. This amendment would allow a person to claim a homestead in a city on up to 10 acres of land.

**Proponents Say:** Many people live within cities on tracts of land that exceed one acre in size. Under current law, they generally are not able to obtain a home equity loan, which is available to most other home owning Texans, because their legal homestead may represent only a portion of their home property. Proposition 6 would allow urban homeowners to obtain a home equity loan on homesteads of up to 10 acres. The amendment would also clarify the law, making it easier to refinance by allowing a lien to apply to only part of the homestead which is now forbidden as overburdening.

**Opponents Say:** Increasing the homestead size may lead to more abuse of bankruptcy laws. Making home equity loans easier to get will lead to overborrowing and foreclosures in economic downturns.

**PROPOSITION #9. CREATION OF A JUDICIAL COMPENSATION COMMISSION** - Judges' salaries are now set by the legislature. Proposition 9 would establish a commission to recommend judicial salaries which will become law if neither the House nor the Senate rejects them.

**Proponents Say:** Currently, judicial salaries in Texas lag behind those in other states. The amendment would take some political pressure off the legislature. The proposed independent commission could consider judicial salaries in other states as well as the compensation packages for private-sector attorneys and public officials.

**Opponents Say:** The Legislature is elected to make difficult decisions that often may involve political considerations. Elected officials, not commission members appointed by the Governor, should determine judicial salaries, which are paid from taxpayer dollars.

## NCTC hosts art show

View some of the area's best professional and amateur artwork during the Gainesville Area Visual Art (G.A.V.A.) League's Membership Show on October 14 - 17 in the North Central Texas College Lyceum.

G.A.V.A. President Earl Deaver of Gainesville said each member was invited to exhibit three artistic creations. He emphasized that the event is not a competitive forum.

The public will be allowed to view artwork from 10 a.m. to 6 p.m. on October 14, 15 and 16; then from 2 p.m. to 5 p.m. on October 17, Deaver noted. No entry fee will be charged to view the show. Some items, he said, will be available for sale at the event.

## Letters To The Editor

Dear Editor:

As you probably already know, one out of every eight American women will develop breast cancer in her lifetime. At the Family Health Clinic we are trying to ensure that all breast cancers are found at a very early stage when they are more likely to be curable. Mammograms are not 100% accurate in finding breast lumps or masses. No test is 100% accurate, that is why we (and the American Cancer Society) strongly recommend a clinical breast exam be performed prior to your mammogram.

During your appointment a brief health history will be obtained to assess any risk factors that may increase your chance of developing breast cancer. A clinical breast exam is performed to check for any

lumps, nodules, or skin changes that may need closer attention during the mammogram. Teaching will be included on the proper method of performing breast self exams.

Breast cancer, like all cancer, respond best to treatment when found at an early stage. We encourage you to improve your chances of finding any breast changes by performing a monthly breast self-exam, and always have a clinical breast exam performed before your scheduled mammogram.

If you have any questions or concerns, please do not hesitate to call us. We will be happy to help any way we can.

Sincerely,  
MMH Family Health Clinic

## From My Side of the Fence

By Ed Clser

A story told to me by my son, Tony, struck me as being so funny that I would like to share it. It is a true tale.

About ten years ago just after Tony had arrived for work at Weber Aircraft, he observed his leadman smiling broadly, and chuckling occasionally.

"What's so funny?" he asked. "Well," the leadman said, "I'll tell you a story you probably won't believe." And he proceeded to relate the story of what happened over at the home of one of his neighbors, earlier that day.

It seems the neighbor had traded his car in on a new one, a bright and shiny sedan that he was very proud of. It was the apple of his eye, and he kept it in his carport for all to see.

Each day he would get up and look his pride and joy over, and if there was any dust on it, he would clean it off.

After a few days he noticed that a cat had walked over the length of the car, leaving dirty foot prints on the shining finish. This happened night after night till the owner

became so angry he was obsessed with the idea of getting rid of the animal, one way or another.

A few days later he spied the offending cat standing on the hood of the car, licking itself, and seeming quite at home.

He grabbed the first gun in the cabinet, a high-powered deer rifle, pumped a heavily loaded soft-nosed shell into the chamber, took dead aim at the cat, and fired.

Well the cat simply disappeared, but then he noticed a great hole in the shattered windshield, and also, the rear window was blown out.

Even then, his obsession with getting rid of the animal made him worry only about the whereabouts of the cat.

Then the realization of just what he had done to his car, caused him to look inside the vehicle, and there was his prey. Splattered and scattered all over the elegantly upholstered interior, were bits of flesh and blood and bones, and small tuft of fur, attesting to the accuracy of his marksmanship.

## Special election called

A special election was called to adopt or reject the Proposed Constitutional Amendment as submitted by the 76th Legislature, Regular Session, of the State of Texas. The election will be Tuesday, Nov. 2 from 7 a.m. to 7 p.m.

County Clerk Evelyn Walterscheid announced that early voting by personal appearance will be conducted each weekday at the Cooke County Clerk's Office, Cooke

County Courthouse in Gainesville between the hours of 8:00 a.m. to 5:00 p.m., beginning Monday, Oct. 18 and ending Friday, Oct. 29. Applications for ballot by mail should be mailed to: Evelyn Walterscheid, County Clerk, Cooke County Courthouse, Gainesville, Texas 76240.

Applications for ballot by mail must be received no later than the close of business on Tuesday, Oct. 26.

## WAY TO GO!

Muenster State Bank salutes and supports the community improvement efforts of the various civic and social organizations of Muenster.

One such example is the KIWANIS CLUB's 14th Annual Pancake Supper to be held this week. All proceeds will go to the New Library Building Fund and the Historical Commission's Muenster Museum project.

Muenster State Bank has been an active participant in civic projects since 1923 and will continue to support all such endeavors.

The KIWANIS PANCAKE SUPPER is Friday, Oct. 22, from 5 to 7:30 p.m., just before the Muenster/Saint Jo and Sacred Heart/Rockwall Christian games.

Come out and support your town and teams!

**YOU KNOW US - WE KNOW YOU**

Your Locally Owned Bank that has continuously served and supported the individuals, organizations, schools and businesses of Muenster and the surrounding area since 1923. "Where others have their branches, we have our roots."

# Are you in an abusive relationship?

Approximately 600,000 women are abused annually in Texas. One third of all women murdered in Texas were killed by their intimate partner. Violence will occur at least once in two-thirds of all marriages. 15%-25% of pregnant women are battered. Physical violence is prevalent in 20%-35% of dating relationships.

Domestic violence occurs among all races, religions, and economic groups. It occurs in our state, county, and communities. Domestic violence consists of not only physical abuse, but also emotional, verbal, and sexual abuse between intimate partners. As the statistics show, domestic violence occurs among married and dating couples. Although 90% of the domestic violence incidents involve the woman being

battered, men also fall victim to domestic violence. Are you afraid of your partner? Does he or she embarrass you in front of others? Do they belittle your accomplishments in life? Does your partner hit you in places not visible to others? Do they threaten suicide? Does he or she pressure you for sex until you comply?

If you answered yes to any of these questions, you may be in an abusive relationship. Abusive relationships are based on the abuser's need for power and control over his/her partner. These relationships exhibit a pattern described as the cycle of violence. This cycle involves three phases: tension-building phase, battering phase, and the honeymoon phase. The first phase begins with anger and blaming, which

is followed by the battering incident. This incident may include physical violence: pushing, punching, slapping; verbal threats or abuse; or sexual abuse. The final phase, the "honeymoon" phase usually includes an apology, promises it will never happen again, or gifts. Typically, the abuser may also minimize the abuse and deny responsibility.

If this describes your relationship, help is available. It's not your fault! Friends of the Family offers free and confidential services to victims of abuse. These services include counseling and support, safety planning, and assistance with protective orders. If you need someone to talk to or need help getting out of an abusive relationship, call the 24-hour hotline, 940-665-2873 or toll-free, 1-877-846-4757.

Melvin Herr, center, joins the members of the Myra Volunteer Fire Department to dedicate the department's new defibrillator. Members pictured include, from left, seated - Sammy Smith, Carrie Barnes, C. A. Sherrill, Robert Powell, Ronnie Bayer; second row - Rocky Barnes, Kenneth Sicking, Jerome Fuhrmann, Leon Fuhrmann, Herr, Gene Sicking, Ed York, James Whitt; third row - Kim McClain and Chad Bayer.

Photo by Dave Fette

## Myra VFD gets heart help

The Myra Volunteer Fire Department was honored Monday, October 4 by The Prudential Insurance Company of America for acquiring a portable cardiac defibrillator through The Prudential Helping Hearts Program. The rescue squad received a \$1,000 grant from Prudential to help defray the cost of the defibrillator unit. The presentation took place at the Myra Fire Station. The Prudential Helping Hearts Program is a grant-making initiative designed to help speed the acquisition of portable cardiac defibrillation units by volunteer rescue squads and fire departments. Defibrillators, which administer jolts of electricity to reset the heart's natural

rhythm, have been called one of the most important lifesaving inventions of the 20th century.

Melvin Herr, a Representative for Prudential Insurance in Denton, addressed squad members to praise them for their initiative. "Prudential commends you for your tireless efforts to help the residents of your communities," he told squad members. "We applaud your selfless volunteerism and are pleased to be able to help you acquire this life-saving machine."

Each year, approximately 250,000 Americans suffer sudden cardiac failure and die before reaching a hospital, according to the American Heart Association. Studies

have shown that on-site defibrillation more than doubles a victim's chances of survival.

Kicked off in New Jersey on February 14, 1994, the Helping Hearts program has been providing defibrillator grants to volunteer EMS squads for the past five years. At the end of 1998, nearly 1,900 squads nationwide have qualified for \$4 million in grants, and many lives have been saved with machines purchased through the Helping Hearts program.

Prudential, headquartered in Newark, New Jersey, donates millions of dollars and thousands of employee volunteer hours to support non-profit programs throughout the state and across the country.

## Minimal moisture hurting area

Muenster has had no significant rains since June. Some areas outside of Muenster have received more showers than Muenster's recorded amount. Others have had even less. Everyone in the Muenster area is hurting for rain. Planting is on hold. Grass and vegetation are suffering. Along with the lack of moisture comes unusually warm temperatures for this time of year.

The totals for this year have been officially recorded by Janette Hess at her home in Muenster.

# Lifestyle

## Dinner and style show are social events of fall season

On Saturday evening, October 2, Muenster Historical Commission sponsored a dinner-style show, and hosted one of the social events of the fall season. Held in the Community Center, it began with happy hour at 6:30 p.m. that included a cheese assortment from Fischer's Market, crackers and wine, and punch prepared and served by Betty Kralicke. A Mexican buffet dinner, catered by Rohmer's Restaurant was served to 220 guests.

Following dinner, the Muenster Historical Commission presented a delightful style show featuring Inner/Outer Wear garments manufactured in Muenster by Frybrant, Inc. located at 120 Sycamore. Most of the Frybrant employees live in Muenster or in the surrounding areas. The beautiful models (and handsome models) are also local citizens, friends and neighbors.

During breaks in the style show, drawings were held for baskets full of gifts donated by Frybrant. Mary Callahan and Ray Voth were the winners of the two baskets.

Ed and Louise Knauf won a complete collection of skin care toiletries in a drawing from the collected admission tickets.

Model Ed York receives a "tip" from Joe Pagel as Terry Walterscheid enjoys the Muenster Historical Commission's Style Show sponsored by Frybrant, Inc. on Oct. 2. At right, husband and wife team Shannon and Amber Hammer model matching bathrobes. Dave Fette photos

Models were Charlene Brittain, Mindy Endres, Peggy and Larry Gobble, Brenda Green, Amber and Shannon Hammer, Kyla Henscheid, Shanna Jones, Pam Roberts, Kerri and Paula Reiter, Michelle Sicking, Bronya Vogel, April Walterscheid, and Ed and Margie York.

Muenster Historical Commission President, Celine Dittfurth, expressed the grateful sentiments of all the

commission members to Stan Frederick, Bernice Sicking, Frybrant employees, and all who attended the Dinner-Style Show, or in any way contribute to refurbishing the Seyler house and preserving Muenster's historical artifacts.

She also issued an invitation to anyone interested in the work of the commission to come to meetings on the second Thursday of each month, or to volunteer ideas, elbow grease, and/or financial assistance. With continued support of the community, the commission anticipates celebrating the Grand Opening of the new Muenster Museum in Memory of Ben and Aggie Seyler on December 8, 1999, the 110th anniversary of the founding of Muenster.

Michelle Sicking, front, and Kerrie Reiter, back.

Watch for more Style Show photos next week

MaryLee Alford won the door prize, a beautiful gown and robe set, in a drawing of numbers concealed in favors for each guest. These prizes and favors were also gifts from Frybrant, Inc.

The quilt, donated by Dorothy Fisher and quilted by the S.N.A.P. Quilters, was on display during the evening.

Also, small gift items from Frybrant and body care toiletries were available for

purchase with proceeds going to the Historical Commission.

Dan Hamric was master of ceremony. Kathy Sicking Vogel narrated the style show, and Ruth Felderhoff provided appropriate piano background music.

Bernice Sicking, manager of the Frybrant operations in Muenster, masterminded all

aspects of the style show. Her family and the company employees arranged the stage and run-way decorations and "staffed the back stage" activities. Assisting were Diane Jones, Phyllis Dittfurth, Alice Walterscheid, Bobbie Hale, Glenda Cler, and Anna Marie Skinner. The run-way was constructed by Ernie Martin

Kyla Henscheid

### Six Flags has \$\$\$ fright fest

Six Flags Over Texas' new, multi-million dollar Fright Fest, the largest Halloween party in the Metroplex, takes the popular Halloween event to a whole new dimension this fall with an expanded and all-new event, packed with frightening fun for the whole family.

"This is the most dynamic and best Fright Fest, Six Flags Over Texas has ever hosted," said Steve Calloway, Vice President and General Manager of the Arlington theme park. "The multi-million dollar investment translates to a brand new look throughout the entire park and an entertainment package that no one else in the Metroplex can offer."

Haunted Highlights of Fright Fest, which began October 2 and runs weekends throughout October include:

- Three new haunted houses.
- Six brand new attractions.
- Six new shows.
- An expansion of Six Flags' famed "Zombie Zone."

There are surprises throughout the theme park and frightful fun for every member of the family enjoy during weekends in October. Of course most of the park's rides are in operation during Fright Fest.

# Directors meet for Cooke County ACS

The first Board of Directors meeting for the Cooke County Unit of the American Cancer Society was held on Monday, October 4 at the Muenster Memorial Hospital Meeting Room. Officers for 1999-2000 include: Cheryl Pollard, president; Mary K. Endres, vice-president; and Rita Bayer and Christine Weinzapfel, Relay for Life 2000 Co-Chairmen. Secretary/treasurer is vacant at this time.

ACS Committee Chairmen include Audrey Morrill, Cancer Control; Janie Weinzapfel, Comprehensive School Health; Charla Taylor, Volunteer Involvement; Melissa Trubenbach, Breast Health Awareness; Christine Weinzapfel, Income Development; Mary K. Endres, Communications. Committee vacancies include Patient Services, Tobacco Control, and Prostate Cancer Awareness.

Kelly Lamkin, will receive training in November as a facilitator for DIALOGUE, a cancer support group for cancer patients and their families. Although this is not a new service for Cooke County, it

has been several years since the DIALOGUE support group has met due to the lack of a trained facilitator. The American Cancer Society is excited to be able to resume this much-needed service again in Cooke County.

Cheryl Pollard reported that the ACS participated in the Muenster Memorial Hospital Health Fair on September 25. Also in September a Reach to Recovery Training was held at the Gainesville Memorial Hospital. Two new volunteers were trained to provide support, education, and gift items to women in Cooke County undergoing a mastectomy. Audrey Morrill, Cancer Control Chairman reported that skin and breast cancer screening was available at the MMH Health Fair, as well as a variety of educational materials regarding nutrition. Christine Weinzapfel reported the final results of the 1999 Cooke County Relay for Life. Gross income was \$100,886.02 which included \$9,193.84 from underwriting and sponsorships. The net

income was \$91,692.18, with less than 10% of funds used for expenses. This ranks the 1999 Cooke County Relay for Life as 5th out of 102 relays throughout the state of Texas. Those leading Cooke County included relays from Houston, Austin, Baytown, and Big Springs. Mrs. Weinzapfel also reported that the Road to Recovery program is in need of drivers to be trained. The need for transportation for patients to get to cancer treatments has increased recently and more trained volunteers are needed to serve patients in Cooke County.

Comprehensive School Health Chairman, Janie Weinzapfel, reported that she has established a contact person at each school throughout Cooke County. She will send educational materials and order forms to each school contact for various health topics throughout the year, encouraging schools to participate in activities promoting healthy living among school age children.

Charla Taylor, Volunteer Involvement Chairman, is developing a plan to recognize

ACS volunteers for all of the service they provide Cooke County. During the month of October the Tell A Friend Friday campaign is in full swing. October is National Breast Health Awareness month and this telephone campaign is to encourage women to obtain a mammogram. This year's goal is to contact 200 women regarding breast health and mammograms.

The 1998-1999 fiscal year report was presented by Diane Robbins, ACS Cancer Control Director for Region 4. Services provided by the Cooke County Unit included 279 patients receiving patient services, 5173 receiving educational materials and programs, 181 individuals contacted the national call center, and 38% of the total funds were sent for research. These services directly benefiting Cooke County amounted to \$84,360.

The next meeting of the Cooke County ACS Board of Directors is scheduled for Monday, November 1 at 5 p.m. at the Muenster Memorial Hospital Meeting Room.

Brandi Maria Grewing and Darren Joseph Voth will be married on Nov. 6, 1999 at 7:00 p.m. in Sacred Heart Catholic Church. Their engagement and approaching wedding have been announced by her parents, Mr. and Mrs. Herman Grewing. Parents of the future-groom are Mr. and Mrs. James Voth, all of Muenster. Father Thomas Craig will officiate the Nuptial Mass. The bride-elect is a 1994 graduate of Muenster High School and a 1997 honor graduate of North Central Texas College, with an Associate Degree in Nursing, and is employed at Denton Regional Medical Center as a registered nurse. Mr. Voth is a 1986 graduate of Sacred Heart High and has attended classes at North Central Texas College and Grayson County College. He is president and co-owner of Universal Machining Service, Inc. in Gainesville. Attendants in the wedding are Amber Parson, matron of honor; Amy Dangelmayr, Jessica Selby, and Shari Flusche. Also Chris Klement, best man; Jeff Parson, Ronnie Walterscheid, and Shawn Flusche. The couple plans to reside in Gainesville.

## Depression glass is topic of third session at Morton Museum

The third session in the Morton Museum of Cooke County's Fall Series - "Depression Glass" - will take place at the museum in Gainesville at noon on Monday, October 18.

The theme for the Fall Series of programs this year is "Characters & Memories From the Past." Turning to the memory part of that theme, this session will carry participants back in time to the difficult days of the Depression when economics affected everything and people made do, often turning to inexpensive substitutes for more expensive items they could no longer afford. In the midst of that, Depression glass was born and became quite popular with a variety of patterns and colors. Eventually, a more elegant Depression glass also appeared. Today, as a result of the popularity of Depression glass, reproduction Depression glass is also being produced.

Doris Parsons, who has been a dealer of Depression glass for over nine years, will present this program. She will discuss the origins of Depression glass, the different styles, colors to look for, and how to tell the difference between original and reproduction Depression glass. Mrs. Parsons also will have a variety of pieces on display from her collection for

participants to view. Handouts will be provided. Refreshments will be served.

Seating is limited. For members of the Cooke County Heritage Society the cost to attend is \$3 and for non-members the cost is \$4. To reserve a seat or for more information, please call the museum at 940-668-8900.

### Valley View News

#### Riding Club

The Valley View Riding Club will hold a Little Mr. and Miss contest October 16 at 9:30 a.m. At 1:30 p.m. a stick horse rodeo will be held. Other events will be a boot hunt, bucking horse, barrel racing and poles, held next to Sloans Grocery. Next meeting is November 4.

**Chamber of Commerce**  
The Valley View Area Chamber of Commerce will be hosting two booths at the Valley View Fall Festival this Saturday. The duck pond and ring toss will be active from 10 a.m. to 3 p.m.

On Nov. 11, the Chamber will host a salute to the veterans on the town square at 10 a.m.

Next meeting will be November 2 at the Senior Citizen Center.

## New Arrivals

### Endres

Gary and Mary Endres of Muenster joyfully announce the birth of a son, Roy Edward Endres, on Oct. 6, 1999 at 2:21 p.m. in Muenster Memorial Hospital, weighing 7 lb. 3.5 oz. and measuring 20 inches long. He joins a brother, Luke, age 15, and six sisters Nicole age 21, Shauna age 19, Lisa age 13, Natalie age 9, Victoria age 7, and Alana age 22 months. Grandparents are Clara Endres of Muenster and the late Ed Endres, and Gary and Caroline Hess of Muenster. The new baby was born on his dad's birthday.

### West

Angie and Audie West of Nocona are parents of a

daughter, Haley Savannah Coker West, born in Muenster Memorial Hospital on Oct. 9, 1999 at 11:43 a.m., weighing 7 lb. 10 oz. and measuring 21 inches in length. Grandparents are Jack and Margaret West of Bowie and Annie Coker of Nocona.

### Meek

Jayne Anderson and Stephen Meek of Forestburg are parents of a son, Stephen Allen Meek, born in Muenster Memorial Hospital on Oct. 10, 1999 at 3:55 p.m. weighing 6 lb. 13 oz. and measuring 20 1/4 inches long. Grandparents are Brenda Anderson of Decatur, David Houston of Port Springs, Texas and Kathy Meek and Dale Meek of Forestburg.

## Make A Difference Day is October 23

AtWork Services of Mental Health Mental Retardation Services of Texoma is joining millions of Americans across the country for the 9th annual "Make A Difference Day," Saturday, October 23. Volunteers will be improving their communities and helping neighbors in need. The day is the largest community service effort in the nation, rallying corporations, government leaders, charitable organizations, and everyday Americans into action on one day.

AtWork Services is sponsoring a food drive that will benefit the Grayson County Shelter. An on-site drive will be held 9:00 a.m. to 6:00 p.m. at the AtWork

Services, 510 South Mirick, Denison. Donations will be accepted anytime before October 23. Each Cooke, Fannin, and Grayson facility of MHRST will have a drop site. Other local drop sites are Wal-Mart (Bonham, Denison, and Sherman); Scivally's Gainesville; Tom Thumb, Gainesville; Team Bonner, Denison; and Texoma Hyundai, Sherman.

For more information about "Make A Difference Day," please call "Make A Difference Day" Hot Line at 1-800-416-3824. More information and a national data bank of local project plans is available at the [www.makeadifferenceday.com](http://www.makeadifferenceday.com).

## Diabetes support group to meet at Muenster Memorial Hospital

The Cooke County Diabetes Support Group begins its fall session of meetings at Muenster Memorial Hospital Tuesday, October 19 at 7 p.m. Joan Walterscheid, RN, CDE, will discuss foot care and the complication neuropathy.

Walterscheid, certified diabetes educator, and program facilitator encourages all persons with diabetes, family members, and anyone interested in learning more about diabetes to attend these monthly meetings. In-put is needed on suggestions for future programs.

The Diabetes Support Group

helps disseminate information about diabetes through handouts, videos, presentations by physicians, dietitians, pharmacists, educators and by various other presenters. The main benefit of the group is the dialog between the members, the sharing of common experiences related to diabetes, and the support of each other. The meetings are open to all interested persons and are held on the third Tuesday of each month at 7 p.m. in the Hospital Conference Room. For more information, call Joan Walterscheid at MMH, 940-759-2271.

## Kristen Marie is three

Kristen Marie Reiter turned three on September 7. To honor her birthday, a party was held at her home on September 5 by her father, Randy Reiter.

A "Little Mermaid" theme was used to decorate. Everyone sang Happy Birthday and enjoyed the snacks and the "Little Mermaid" cake. After eating, Kristen opened her presents. All of Kristen's friends enjoyed playing with her new toys, especially her new trampoline given to her by Randy and Jill Reiter.

Helping her celebrate her birthday were Randy, Jill, and Jeff Reiter; Grandma Wanda Reiter; Grandpa Leonard Reiter; Felicia, Taylor, Kendall, Peyton Reiter; Kameron and Karime Klement; Danny, Nick, and Tanner Silmon; Fran Admire; David Reiter and Gail Smith; Mark, June, and

Miranda Baker; J'Lynn and Rachel Hare; Crystal Klement and Gary Muller.

Kristen Marie Reiter

# Theatre Guild plans gala event

Centerstage Circle, Butterfield Stage's patrons' guild, has plans underway for their 1999 Fall gala event. Entitled, *As Time Goes By*, this spectacular evening of dining and dancing will be designed to celebrate the theatre's 20th anniversary season. Featured during the event will be an elegant meal, anniversary toast, and music by David Tanner's ProSession Band.

CSC Chairmen and committee members are excitedly preparing for this year's event and feel it will be one of the theatre's most exquisite gala affairs. A picturesque avenue of theatre memorabilia will provide the backdrop for the evening and will allow patrons to share and celebrate the theatre's twenty year history. Scheduled for October 23 from 7 p.m. to 11 p.m. at Saint Peter's Centennial Hall in Lindsay, the night's activities will offer hors d'oeuvres at 7 p.m., dinner at 7:45 p.m., and a celebratory champagne toast at 9:30 p.m.

Centerstage Circle, developed to promote the interest and growth of Butterfield's extensive artistic and educational programming, has become a dynamic force for the theatre in the areas of fundraising and volunteer service. Since its inception in 1995, donations to the theatre have increased from \$5,400.00 to over \$23,000.00 and new volunteer participation has steadily increased.

Each year, in their effort to

assist the theatre, Centerstage Circle committee members conduct their annual membership drive, inviting individuals from throughout the area to join this very special volunteer guild. Along with the chance to support and volunteer with the theatre, CSC membership offers patrons the opportunity to participate in two unique events during the theatre season, each imaginatively styled by the current year's Centerstage Circle committee. Following the guild's forthcoming Fall event, CSC members will celebrate the delights of Spring next April with an evening of champagne and candlelight at the elegant home of Joe and Patti Wallace.

Leading and developing guild activities this year are Circle Chairmen Nancy Moore, Mary Polk, Clara Lemming, and Boogie Cullum. Assisting them are fellow committee members Margaret Jo Stark, Karla Metzler, Judy Knight, Mitzie Underwood, Donna Hertel, Barbara Koval, Evelyn DeLassus, Harriett Dickson, Betty Gaertner, Joanne Dorsch, Monica Hess, Karl Hutcherson, and Inez Freeman.

Individual tickets to the upcoming event, *As Time Goes By*, or Centerstage Circle memberships are presently available. To obtain tickets or more information about guild membership, please call the theatre at 665-8152.

Something new for the Sacred Heart Parish Picnic this year will be quilt auction. Already 13 large quilts and several small quilts have been donated. The quilt auction will be a separate auction held during the afternoon on Sunday before the live auction begins. Watch for a article on the auction in upcoming issues of the *Münster Enterprise*. For more information, or to donate a quilt, call Regina Pelt at 759-2851. Photo by Janie Hartman

Christine Manns of Miles City, Montana and Keith Klement of Miles City, Montana have chosen October 22, 1999 for their wedding day.

Their engagement and approaching marriage have been announced by her parents, Paul and Joyce Manns of Dayton, Pennsylvania and his parents, Dale and Charlotte Klement of Münster. The wedding will be held at the residence of Ron and Ruth Blake in Laramie, Wyoming, with an outdoor Mass celebrated by Father Carl Gallinger at 2:00 p.m.

The bride-elect is a graduate of Pennsylvania State University with a Bachelor of Science degree in Environmental Research Management and is currently studying toward her Master's degree. She is employed as a Soil Biologist for the NRSC Service of Montana.

Mr. Klement is a 1989 graduate of MISD and a graduate of Texas Tech University with a Bachelor of Science degree in Range Management, and of the University of Wyoming with a Masters in Land Ecology and Watershed Management. He is employed as a Range Technician at Fort Koehg Research and Livestock Station in Montana.

## Cub Scouts of Den 4 learn about rocks

Mr. Cassel Ferguson of Texhoma Rockhounds of Denison treated Cub Scouts of Den 4 to an interesting exhibit of rocks, minerals, and fossils Wednesday, October 8. Mr. Ferguson talked with the Scouts and other guests about his collection of unusual rocks and how he started rock collecting. He also showed some fluorescent rocks and marbles. Mr. Ferguson makes jewelry from polished rocks and each mother attending the meeting received a brooch or pin as a gift.

The Scouts showed Mr. Ferguson their rock collections and received help in identifying

their rocks. Scouts who attended the meeting were Ashton Barrett, Gerry Brundage, Toby Dyess, Zachary Moritz, John Nystrom, and Dustin Pumphrey.

### News of the Sick

Mike Stoffels is a patient at Community Medical Center of Sherman. Cards to cheer him may be sent to him there, addressed to 1111 Gallagher Road, Room 110, Sherman, TX 75090. Phone 903-870-7000.

## NCTC Happenings

### Free Planetarium Show

A special presentation of "Fall Constellations" will be conducted at 7 p.m. on October 20 at the North Central Texas College Planetarium.

Hosted by Planetarium Director Dr. Ron Bost, the locally-produced show will feature the night sky from dusk to dawn. Bost said, "During narration of this 45-minute show, I will point out the major constellations and the major stars and discuss some of the mythology surrounding them."

Seating for the event is limited to 62, so early registration is recommended.

Bost will also conduct a show just prior to Christmas and another during the spring months. Special shows may be arranged for public school children by calling 940-668-4242.

### Just A Thought

We may give without loving, but we can't love without giving.

We don't remember days; we remember moments.

Give thanks for each day. You'll never get to live it over again.

## Myra announces dinner

A meeting on Tuesday, Sept. 28 by the Myra Community Improvement Club finalized plans for their annual fundraising dinner which is set for Sunday, Oct. 24 at the old Myra school building. Serving time will be from 11:00 a.m. to 1:30 p.m. The menu includes

turkey and dressing, sausage and all the trimming including home-made desserts. The price is \$6.00 for adult and \$3.00 for children over six years. Under six years are free. Funds raised will be used for improvements to the building.

## Donate to Goodwill

Join Goodwill Industries in participating the *Make a Difference Day* on October 23. Goodwill offers local citizens an easy way to get involved - just clean out your closet and donate reusable items to Goodwill Industries.

Your donation of clothing and household items help fund Goodwill's job training and employment services. Reusable items accepted include clothing, shoes, sheets, blankets, books, dishes, sports equipment, household items, toys, furniture, small and large working appliances and even

motor vehicles, boats, trailers and RV's. Please no item needing major repairs or restoration. Take your donations to the Goodwill Retail Store in Gainsville on Hwy. 82 East or to other nearby Goodwill stores.

### Take Note

Flu and Pneumonia shot will be available at S.N.A.P. on Wednesday, October 20 at 11:00 a.m. Must bring Medicare card along.

The Ladies of the  
*Angelic Acappella Choir*  
express their heartfelt appreciation to all who attended their concert and to those who donated so generously towards their New York trip.

## Homecoming week at Muenster [SD set for October 18-22

The Muenster Hornets' 1999 Homecoming Week is October 18-22. Hornet alumni, friends, and fans are invited to join the activities as this year's Homecoming game battles Saint Jo at 7:30 p.m. On October 22 in Hornet Stadium. Come and cheer the Hornets on to victory and visit with former classmates as Muenster ISD alumni and the graduating class of 1999 receives special recognition. The Homecoming Queen candidates and Princesses will be presented by their parents during the pre-game program, which begins at 7:00. Extentives from the class of 1999 will escort the Homecoming Queen during the half-time coronation. These former Hornets include Chad Felderhoff, Eric Fisher, Kevin Johnson, Aaron Klement, Jesse Duke, Brent Sicking, and Matt York. Amy McCourey, the 1998 Homecoming Queen will crown the new queen and present her with a dozen red roses from the MHS Student Council.

sophomore Kimberly Klement, the daughter of Roy and Carol Klement; freshman Lisa Felderhoff, the daughter of Tim and Ramona Felderhoff. MHS students elected this Royal Court in class elections earlier this school year.

Homecoming week will begin Saturday, October 16, with a school-wide decorating contest. Monday, October 18 will be twin day; Tuesday, career day; Wednesday, crazy hair day; Thursday, sports day; Friday, red and white day. At 1:30, Friday afternoon, the Hornet varsity and junior high cheerleaders will lead a school-wide pep rally in the new Hornet Gym. Student Council officers and senior members will present Homecoming mums to each queen candidate and princess. Hornet fans are encouraged to attend this Homecoming pep rally as well as the Liturgy on Wednesday, October 20, at Sacred Heart Church at 6:30 p.m. which will be followed by a pep rally at approximately 8:15 p.m. in Hornet Stadium, weather permitting.

A dance in the school's old gym for Muenster ISD students from grades 9-12 concludes this year's Homecoming festivities. The school and Student Council are providing music until midnight by The Entertainer. Soft drinks and pizza will also be served. Admission is free to Muenster ISD students.

Queen candidates include Holly Anna Fette, the daughter of Steve and Marla Fette; Allison Endres, the daughter of Jim and Shirley Endres; Cristin Grewing, the daughter of Kellye Hess, and Donnie and Lorie Grewing; Jackie Henschel, the daughter of John and Rose Henschel. Class princesses include junior Cristin Smith, the daughter of Karen and T.J. Thomas;

## Muenster High students participate in landscaping class

Landscape design, construction, and maintenance is one of the semester Agricultural Science and Technology courses for the students in grades 10-12 at Muenster Public School. It is a technical course designed to prepare students to design, construct, and maintain planted areas and devices for the beautification of the home grounds and other areas of human habitation and recreation. The course also includes career opportunities, leadership activities, and record keeping practices related to landscape design, construction, and maintenance. This year's landscaping class

will be designing a landscape plan for the home Mr. and Mrs. Jerry Eckart. Members of the landscaping class include Amber Baugh, Adam Bayer, Eric Bayer, Chisam Cain, Mitchell Endres, Brad Felderhoff, Blake Garrison, Brittany Haverkamp, Tracy Hess, Justin Kimberling, Chris Luttmer, Matt Parsons, Toby Walterscheid.

## Paw Prints

First grade is busy as bees by Jessica Berres

The beginning of school is a busy time for everyone. Everyone is getting acquainted with their new classmates and new teachers. The first grade has been doing just that in their first floor classroom.

The first grade teacher is Mrs. Anne Poole. She has been helping the class to get to know each other and their two new classmates: Jesse Brundage and Rebekah Hesse. This year's first grade theme is "smiles". They will be drawing and displaying different happy faces throughout the year in their classroom. The children have made friendship necklaces. They made this piece of jewelry out of fruit loops and gave it to a good friend. The class has a rabbit. They have been learning about rabbits like where they live and what they eat.

The first grade has been busy as bees getting used to the new year.

## School Lunch Menus

### WEEK OF OCT. 18-22 SACRED HEART S.N.A.P. MENUS

Mon. - Taco soup, ham sandwiches, fruit.

## Hornets take 4th quarter win

The Muenster Hornets began their 17A action last Friday in Collinsville, bringing home a 28-8 victory from a flag-ringing, turnover, time-delayed game. "I was very pleased to come out of Collinsville with a win," noted Muenster Coach Gordon Martin. "Anytime you play at Collinsville, you can expect a tough game. I was not pleased with the turnovers and penalties."

The two teams lost nine turnovers and were flagged for a combined total of 165 yards. Muenster's offense struggled, gaining 11 yards and two fumbles in their first three possessions. Given the ball in good field position, Collinsville scored with 1:54 remaining in the first quarter for an 8-0 lead.

A penalty gave the Hornets their first down, then two runs by Darren Hennigan gained

passes to move into the Pirate side of the field. But a 15 yard penalty forced a punt on 4th and 27.

Collinsville's offense went nowhere and punted. A penalty and two short runs were followed by a Pirate interception. Four plays later, Muenster regained control when Darren Hennigan covered a loose ball on the Hornet 34 yard line.

Three Hennigan runs and a pass to Jason Lutkenhaus put the Hornets at midfield. But the first play of the final quarter saw Collinsville pick off another Muenster pass.

The Hornet defense dropped the Pirate quarterback for a 15 yard loss, forcing the punt. Then the Hornets took charge of the ball game, to sink the Pirates ship.

Hennigan ran 4 plays for 24 yards and caught a pass for another 17 to set the Hornets

Time was unknown - with a burned out score board, the time was kept by the officials the last 6 minutes of the game.

Things continued to go in favor of the Hornets. After a motion call, the Pirates threw an interception to Josh Luke, who returned the ball 45 yards for another Hornet touchdown. The PAT failed and Muenster had a 28-8 lead.

The Pirates were held to minus yards by Muenster's defense and punted away their last possession. The Hornet offense ran out the remaining time.

"We took command the fourth quarter and put it away," Coach Martin commented, "But we should have done it earlier."

Offensive standouts included Darren Hennigan, Jason Lutkenhaus, and Casey Walterscheid. Defensively, the team got good playing from

The Tiger defensive line really came through on this play to force a fumble and recover the ball. Charging in are Stephen Hofbauer (66), Adam Klement (55), and Kenny Grewing (78). Photo by Dave Fette

Muenster's goal line defense, including Darren Hennigan (34), John Flusche (53), and Blake Garrison (73) holds Collinsville's quarterback (10) inches from the goal line. Photo by Janie Hartman

another 11 as the second quarter began. Muenster was then forced to punt after a quarterback sack and two flags at the Hornets in a 4th and 22 yard situation.

Muenster's defense attempted to hold the Pirates, but a flag kept the drive going for a few more plays before Collinsville punted.

From their 40 yard line, runs by Casey Walterscheid, Hennigan, and Josh Luke took the ball into Pirate territory where the Hornets were forced to punt on 4th and 15, putting Collinsville on their 9 yard line. Two plays later, Jeff Klement picked off a Pirate pass. A 15 yard penalty backed the ball to the 30 yard line. Hennigan gained 3 and a Walterscheid to Luke pass put the Hornets on the 15. Hennigan ran for 3, a flag took away 10, then with 30 seconds on the clock, Casey Walterscheid found pay dirt. He extra point pass from Walterscheid to Luke was good and the game was tied 8-8 at the half-time break.

Muenster took the second half kick, mixing runs and

on the 12 yard line. Casey Walterscheid took the ball into the end zone to give the Hornets the lead. Nick Silmon booted the extra point and with 6:44 on the clock, Muenster led 15-8.

Silmon's kick put the Pirates in the hole and three plays later, John Flusche intercepted a pass on the Collinsville 4 yard line. Darren Hennigan ran the ball into the end zone, Silmon kicked the extra point and Muenster had a 22-8 lead.

John Flusche, Jeff Klement, and Josh Luke.

**Next Action - Valley View**

Muenster will travel to Valley View this Friday to take on the high-flying Eagles. Valley View opened the district last week with a 55-12 stomping of Savoy.

"Valley View is a very talented team. Their skilled positions are fast and they have good passing," noted Coach Martin. "We have to correct our mistakes to win. The game will come down to the team with the fewer mistakes will be the team that will win."

Valley View started the season against some tough competition, losing their first matches, 42-0, 42-2, before upsetting Paradise 20-14, then falling to Lindsay.

Action begins at 7:30 p.m. at Eagle Field.

**DISTRICT 17-A STANDINGS**

Muenster	Season	District

Valley View	4-2	1-0
Saint Jo	3-3	1-0
Collinsville	3-3	0-1
Savoy	2-4	0-1

## Stars shine at Sacred Heart homecoming

It was homecoming on Tiger Field last Friday, but all the preparation and extra spirit that goes with the festivities, couldn't pull out a Sacred Heart win over American Heritage Academy of Carrollton.

"We tried hard, but were just out-manned," noted Tiger Coach Kris Hogan. "Heritage has transferred 5A athletes, that made them bigger, faster and stronger. I'm proud of our boys - they gave a good effort."

The teams kicked the ball up and down the field, with Sacred Heart getting a 13 yard run from Matthew Nasche before the Stars scored on a 62 yard run. The extra points counted for an 8-0 score with 4:14 on the clock.

Charlie Moster returned Heritage's kick 23 yards, but the offense made no gain and punted again. The Stars moved the ball into the second quarter, but the drive was halted when Kenny Grewing covered a fumbled ball.

Moster ran for 14 yards, then gained another 6 on two runs before the Stars shut down the Tigers and forced a punt.

The teams again booted the ball back and forth with American Heritage scoring at the end of a 5 play drive. The PAT kick gave the Stars a 15-0 lead with four minutes remaining in the 2nd quarter.

The Tigers gave the Stars their next touchdown when they fumbled the ball on their 21 yard line. It took two runs by the quarterback and a PAT kick to give Heritage a 22-0 lead.

Lee Skinner covered an on-

side kick near midfield and the Tiger offense played out the remaining two minutes before the half-time break.

Sacred Heart began the first drive of the 3rd quarter on their 17 yard line. Runs by Chris Smith, Moster, Josh Walterscheid, and Keith Felderhoff moved the line to the Tiger 43, but the next two plays lost ten yards. So a quick kick on third down put Heritage on their 18. Four plays later, the Stars scored again, for a 29-0 lead after the PAT kick.

The teams again exchanged punts as the final quarter of play put the Tigers on their 27. Runs by Walterscheid and Moster gained ten, but a fumble in the backfield gave the Stars excellent field position on the 20. The next play, a pass completion upped Heritage's lead to 35-0 with 9:24 remaining in the game.

Luke Endres returned the Stars kick 20 yards to the Tiger 30. Four Moster runs moved the Tigers to the 49 yard line before Sacred Heart ran out of downs and punted.

The Stars were on the move until Endres covered a loose ball, giving Sacred Heart possession on their 40 yard line.

The Tigers attempt on a drive ended with a fumbled snap, giving Heritage the ball 20 yards from the end zone. Sacred Heart's defense held with Jeff Hartman covering a fumbled ball as time ticked off the clock.

**Next Action - Balch Springs**

Sacred Heart will host the Balch Springs Christian Crusaders this Friday night. "This will be a more competitive contest. Balch Springs won't have the athletes like American Heritage," noted Coach Hogan. "This is always a good match. We will come out, try our best, and play hard Friday night."

The Crusaders come off a 32-16 loss to Rockwall Christian last week and a 42-12 defeat the previous week. Balch Springs had pre-district wins over Rising Star, the Oakridge JV, and Ambassador.

Game time is 7:30 p.m.

# JV Hornets sink Pirates

The Hornet junior varsity sent the Pirates of Collinsville home last Thursday after sinking their ship to a score of 24-6.

Muenster's defense, led by Nathan Hess and Shawn Hess, slowed down the Pirate's offense, but the drive was stopped when Tyler Walterscheid intercepted a pass on the Hornet 5 yard line.

Cody Mack ran the ball out to the 28 before Muenster was stopped and punted.

Again the Hornet defense, Chris York, Hess, Hess, Brad Felderhoff, and Chisam Cain forced a punt, but a flag gave Collinsville another play. To Muenster's advantage, a fumbled pitch-back was picked up by Chris York, who ran to the Pirate 25 yard line.

Two York runs put the Hornets inside the 10. Then to begin the second quarter, Cody Mack found the end zone to give Muenster a 6-0 lead with 9:48 on the clock.

Collinsville drove to midfield before a quarterback sack by Paul Fleitman and Shawn Hess, and a backfield tackle by York forced a Collinsville punt, that rolled to the Hornet 25 yard line.

Runs by York and Mack, and a pass interference call put Muenster inside the Collinsville 25. Mack moved the ball inside the 10, with York moving to the 5 yard line before fumbling the ball. Collinsville covered inside the 5 yard line. The Pirates held onto the ball two plays, then time ran out for the half-time break.

An on-side kick by the Pirates put the Hornets on their 47 yard line to begin the 3rd quarter. Two plays later, Chris York ran up the middle for a 51 yard touchdown run. The points after failed for a 12-0 Muenster lead with 8:58 remaining in the 3rd period.

Collinsville got in 7 runs, but were stopped by Cain on a 4th down run. From the Hornet 40, York broke tackles and ran to the 5 yard line. On first and goal, Muenster fumbled, and Collinsville covered the ball inside the 5.

The Hornets held the Pirates, who punted from the end zone, the ball rolling to the Muenster 46. Two good runs by York ended the 3rd quarter on the Pirate 35. York picked up another 1st down, before lost yards gave the ball to Collinsville on the Muenster 25.

The Pirates went to the air with Chisam Cain defending on several attempts. A quarterback sack by York and Adam Bayer, a fumbled play and incomplete pass delayed the Pirate drive. With 2:50 on the clock, Collinsville scored on a screen pass for a 12-6 game.

A short Pirate kick was covered by Bobby Fisher on the Hornet 38. York ran into Collinsville territory, with York and Mack pounding the Pirate defense for short gains down field. York then scored to give the Hornets a 18-6 lead with 23 seconds remaining in the game.

Collinsville went to the air, with two incomplete passes. On 3rd down, Cody Mack stripped the ball from the quarterback on the Hornet 23 yard line. Chris York picked it up and ran into the end zone as time expired for a 24-6 Hornet victory.

## Golf Tournament sponsored to fund scholarships for students

Lambda Epsilon Chi, the criminal justice society at North Central Texas College, will sponsor an October 30 Golf Tournament at Texas Women's University.

The cost of the tournament is \$50.00 per person. Four person teams will observe a 10 a.m. tee time.

A variety of prizes will be awarded during the event. Proceeds from the fund-raiser will be utilized for student scholarships.

Registration for the tournament will be limited to the first 20 teams. For information, call 940-381-1142.

# Muenster Junior High battles Collinsville

Due to lack of players for both Muenster and Collinsville, the junior high played five quarters last Thursday on Hornet Field. The seventh graders played a full quarter, ending with a deadlock 0-0 score. The junior high teams then had a regular game, which the Pirates of Collinsville won 24-6.

Justin Wolf began the seventh grade Stingers play with a kick to the 20 yard line. Returned to the 44, the Stinger defense led by Chase Cain, Justin Wolf, A.J. Fleitman, and a quarterback sack by Justin Barnhill and Wolf held Collinsville to no gain.

Clint Miller gained a few yards, but a quarterback sack and fumble, covered by the SeaDogs turned the ball over to Collinsville. Two plays later Sean Fuhrmann covered a fumbled ball on the Stinger 44.

Miller ran for 9, then after losing 8 yards, Cain ran to the 25 yard line. Three plays later, Collinsville covered another fumble.

A Barnhill sack and Craig Hopper tackle forced a Pirate punt. The short punt rolled to the Collinsville 36. Two plays later, with 20 seconds on the clock, the SeaDogs picked off a Stinger pass. A fumbled pitch ended the quarter 0-0.

The junior high Stingers then took to the field for a game with the young Pirates.

Collinsville returned the opening kick to the end zone, but a flag brought the play

back to the Pirate 26 yard line. After tackles by Justin Barnhill, Kirk Hartman, Joseph Dangelmayr, and Dustin Felderhoff, the Pirates opted to kick on 3rd down.

From midfield, Clint Miller and Jared Ledbetter exchanged runs to the Pirate 15. Ledbetter got the ball to the 11 as the 1st quarter ended. On 4th down, an incomplete pass gave the Pirates possession.

The Stinger defense, led by Cameron Walterscheid, held Collinsville, and they punted. Muenster gained no ground, turning the ball over on downs. Two plays later, Collinsville scored on a 56 yard quarterback keeper. The extra run was stopped for a 0-6 score with 3:30 on the clock.

Daniel Russell returned Collinsville's kick to the Stinger 35. Three runs by Kyle Endres moved Muenster to the Pirate 43.

Three incomplete passes turned the ball over on downs. Five plays later, Collinsville scored again, on a 45 yard run, taking a 0-12 lead with 13.7 seconds till half-time.

Collinsville's short kick to begin the 3rd quarter was grabbed by Ledbetter on the Hornet 47. Unable to get 10 yards, Muenster punted. The Pirates completed a pass, then fumbled, with Kyle Endres and John Fredrick in place to cover for Muenster.

From the Collinsville 44, a fumble and two Endres runs moved the Stingers to the Pirate 24. An Endres to Russell pass set Muenster on the one yard line. Kyle Endres then

# Cubs shine over Stars

The Sacred Heart Cubs added another notch to their win column Friday evening with a 28-14 victory over American Heritage. The Cubs were up 20 points before allowing the Stars to score.

Sacred Heart's first score came in their first offensive possession. A 32 yard run by Chris Hoedebeck quickly put the Cubs on the Star 11 yard line. Hoedebeck then ran for 8 more yards, with Kevin Walterscheid going in from the 3 for the touchdown.

Hoedebeck added the extra run for a 8-0 score with 4:33 on the clock.

The young Tigers soon got the ball back when Frank Klement covered a loose ball on the Star 27. Paul Bartush picked up a few yards, then Hoedebeck carried the Cubs to the 13. The next play, Bartush found the end zone for a 14-0 score, after the PAT failed.

Heritage fumbled the kick return. Casey Coker covered on the Star 41. A Bartush to Wes Wimmer pass picked up 10 yards, but a flag brought the play back. Hoedebeck ran for 14 and on 2nd down a Bartush to Hoedebeck pass put the Cubs on the 13 yard line. The Cubs got to the 8, then ran out of downs, giving the ball to Heritage.

The Sacred Heart defense held, forcing a punt. From the 36 yard line, Wimmer ran into the end zone and the Cubs took a 20-0 lead with 4:15 remaining in the second quarter.

The Stars came right back and returned the kick 80 yards for a 20-6 score.

The Cubs next drive moved steadily down field with runs by Walterscheid, Hoedebeck and Bartush moving 51 yards to the 17 yard line. There the Cubs were stopped and Heritage took over. The first half ended when the Cubs covered a fumbled ball.

Sacred Heart took the 3rd quarter kick and went nowhere, punting. Two plays later the Stars scored on an 89 yard run. The extra run closed the score to 20-14 with 5:34 on the clock.

The Cub offense controlled the remaining 3rd quarter, pounding away at the Heritage defense, to score on a 2 yard Walterscheid run early in the final quarter. Hoedebeck ran in the extra points for a 28-14 score.

The teams exchanged possessions with the Star offense on the field when time ran out.

The victory keeps the Sacred Heart Cubs undefeated for the season.

took the ball in for 6 points. The extra run failed for a 6-12 score with 1:37 remaining in the 3rd quarter.

The Pirates came back on the kick return with a 70 yard touchdown run and a 6-18 lead.

From the Hornet 20, Miller got in a good run, but a flag put the ball just inside the 10. Justin Wolf gained 6 yards, then Endres, after breaking several tackles took the Stingers to midfield as the final period began.

Wolf picked up another 7 yards, then Miller got a 1st down on the 37, then another to the 19. Wolf gained another 6 before a fumbled ball gave the Pirates possession on the 11. Nine plays later, Collinsville scored again on a 55 yard run. Hartman stopped the extra point attempt for a 6-24 score.

Miller and Ledbetter each got a good run before time ran out.

# Knights fall in district opener

The Lindsay Knights hosted the Jacksboro Tigers, last year's Division II Regional Semi-finalist, last Friday and were handed a 20-7 defeat.

The Knights were out three starters, but "we still had a chance to win," noted Lindsay Coach Charlie Meurer. "We drove down three times, but failed to score. This has hurt us all year."

Lindsay got off to a good start. Adrian Anderle took the opening kick-off 39 yards. Then three plays later, Ryan Tabbert scored on a 50 yard run. Jonathon Klement kicked the extra point and the Knights had a 7-0 lead a minute and a half into the ball game.

The Tigers didn't lay down, and drove 67 yards in 5 plays to tie the game 7-7 with 8:05 still on the clock.

Lindsay mixed runs by Anderle, Tabbert, and Skyler Shauf to get to midfield, but an interception stopped the drive. A quarterback sack by Jonathan Bengfort set the Tigers back 10 yards, but the next play, Jacksboro scored on a 63 yard run. The PAT kick gave the Tigers a 7-14 lead with 4 minutes on the clock.

The Knights gained eight yards and punted. Jacksboro's offense used up the remaining time driving to midfield as the 2nd quarter began. The Tiger offense slowly pounded at the Knight defense, getting to the Lindsay 26 yard line before a holding call forced a 4th down punt.

Again, the Knights couldn't get the needed 10 yards and punted the ball back to Jacksboro. A successful pass play kept the Tiger drive going, but a quarterback sack by Matt Baugh compelled the Tigers to punt.

Runs by Nicholas Fuhrmann and Anderle gained 13 yards before three unsuccessful plays led to another Lindsay punt.

A 47 yard run quickly took the Tigers to the Knight 22 yard line, but tackles on 4 plays by Tabbert, Tommy Arendt, Blake Crutsinger, Cody Secrest, Travis Alfrey, and Randy Sikes stopped Jacksboro on the Knight 13 yard line.

Secrest picked up 8 and Shauf broke free for a 31 yard run to midfield, but a fumble gave the ball back to the Tigers. Jacksboro took the ball to the Knight 22 yard line as time was ticking off the clock. The Tigers attempted 39 yard field goal failed for a 7-14 half-time score.

Jacksboro's first 3rd quarter drive took the ball inside the Knight 30. A quarterback sack by Bengfort was followed by a short punt to the 20.

Adrian Anderle quickly brought the ball into Tiger territory with a 47 yard run. Fumbled plays and a sack forced a Lindsay punt on 4th and 15.

From their 9 yard line, it took only 4 plays, the last a 78 yard run, for Jacksboro to find the end zone. The extra point kick was blocked to give the Tigers a 7-20 lead with 5:21 remaining in the third quarter.

Anderle returned Jacksboro's kick 50 yards to the 40 yard line, but three plays later, the Tigers picked off a pass.

Secrest and Crutsinger and two incomplete passes forced a Tiger punt.

Beginning on their 20 yard line, short runs by Anderle, Fuhrmann, and Secrest took the Knights to the 39 yard line

as the final period of play began. A holding flag put the Knights back 10; but a good run by Anderle got Lindsay to the 23 yard line. Another flag, then a 13 yard run by Secrest to the 15 was followed by a fumbled play, which Jacksboro covered on the 14.

Tackles by Baugh, Crutsinger, Secrest, and Tabbert finally paid off when Matt Baugh covered a fumble near midfield.

Runs by Shauf and Anderle took the Knights to the 30, but an incomplete pass, a fumbled play, saved by Josh Goldsmith, penalties and a quarterback sack put Lindsay back at midfield with a 4th and 29. Jacksboro took over and played out the remaining time, moving to the Knight 12 yard line before running out of time.

**Individual Stats:**  
RUSHERS: L, Adrian Anderle, 19/148; Ryan Tabbert, 5/55; J, Gabe McAnear, 18/120; Myron Lewis, 6/101. TACKLERS: Tommy Arendt, Blake Crutsinger, Cody Secrest, Ryan Tabbert. TURNOVERS: Matt Baugh.

**Next Action - Boyd**  
Lindsay travels to Boyd this Friday to take on the undefeated district leader Yellowjackets. Boyd has a school enrollment of 336 compared to Lindsay's 172 students.

"They are big, strong, and tough," said Coach Meurer, "with lots of returns from last year, including a super, all-state receiver." The Yellowjackets were last year's AA Division I, quarter-finalist. Game time is 7:30 at Boyd.

Muenster Telephone Corporation of Texas is the recipient of Federal financial assistance from the Rural Electrification Administration, an agency of the U.S. Department of Agriculture, and is subject to the provisions of Title VI of the Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1975, as amended, and the rules and regulations of the U.S. Department of Agriculture which provide that no person in the United States on the basis of race, color, national origin, age or handicap shall be excluded from participation in, admission or access to, denied the benefits of, or otherwise be subjected to discrimination under any of this organization's programs or activities.

The person responsible for coordination of the organization's nondiscrimination compliance efforts is Alvin M. Fuhrman, Manager. Any individual, or specific class of individuals, who feels that this organization has subjected them to discrimination may obtain further information about the statutes and regulations listed above, from and/or file a written complaint with this organization; or the Secretary, U.S. Department of Agriculture, Washington, D.C. 20250; or the Administrator, Rural Electrification Administration, Washington, D.C. 20250. Complaints must be filed within 180 days after the alleged discrimination. Confidentiality will be maintained to the extent possible.

### CONTRACTOR'S NOTICE OF TEXAS HIGHWAY MAINTENANCE WORK

Sealed proposals for Routine Street Sweeping in various counties, covered by Project Numbers RMC 6049-58-001 and RMC 6049-63-001, will be received at the Texas Department of Transportation, 1601 Southwest Parkway, Wichita Falls, TX 76302-4906. On November 16, 1999 bids will be opened in sequence and read at 10:00 a.m. and 10:30 a.m.

A list reflecting the highways and limits along with applicable specifications relative to the Contract is available for inspection at the office of:  
Brady Woolsey, District Maintenance Supervisor  
1601 Southwest Parkway  
Wichita Falls, TX 76302-4906

and at the Texas Department of Transportation, Austin, Texas. Bidding proposals are to be requested from the Construction Division, Riverside Annex, 200 East Riverside Drive, Austin, TX 78704 (512) 416-2496.

The estimated cost for this project are \$227,063.60 and \$132,537.80 respectively.

Only a Cashier's Check, Money Order or Teller's Check on a State or National Bank, on a State or National Savings and Loan Association or a State or Federally Chartered Credit Union for \$8,000.00 and \$2,700.00 each are considered acceptable. The Proposal Guaranty must be in the amount stated and may be payable at or through the institution issuing the instrument or may be drawn on a non-bank and payable at or through a bank. The Department will not accept personal checks, certified checks, other types of money orders and bid bonds.

Usual rights reserved.

**STATEMENT OF NONDISCRIMINATION**  
Muenster Telephone Corporation of Texas is the recipient of Federal financial assistance from the Rural Electrification Administration, an agency of the U.S. Department of Agriculture, and is subject to the provisions of Title VI of the Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1975, as amended, and the rules and regulations of the U.S. Department of Agriculture which provide that no person in the United States on the basis of race, color, national origin, age or handicap shall be excluded from participation in, admission or access to, denied the benefits of, or otherwise be subjected to discrimination under any of this organization's programs or activities.

The person responsible for coordination of the organization's nondiscrimination compliance efforts is Alvin M. Fuhrman, Manager. Any individual, or specific class of individuals, who feels that this organization has subjected them to discrimination may obtain further information about the statutes and regulations listed above, from and/or file a written complaint with this organization; or the Secretary, U.S. Department of Agriculture, Washington, D.C. 20250; or the Administrator, Rural Electrification Administration, Washington, D.C. 20250. Complaints must be filed within 180 days after the alleged discrimination. Confidentiality will be maintained to the extent possible.

### CONTRACTOR'S NOTICE OF TEXAS HIGHWAY MAINTENANCE WORK

Sealed proposals for Routine Street Sweeping in various counties, covered by Project Numbers RMC 6049-58-001 and RMC 6049-63-001, will be received at the Texas Department of Transportation, 1601 Southwest Parkway, Wichita Falls, TX 76302-4906. On November 16, 1999 bids will be opened in sequence and read at 10:00 a.m. and 10:30 a.m.

A list reflecting the highways and limits along with applicable specifications relative to the Contract is available for inspection at the office of:  
Brady Woolsey, District Maintenance Supervisor  
1601 Southwest Parkway  
Wichita Falls, TX 76302-4906

and at the Texas Department of Transportation, Austin, Texas. Bidding proposals are to be requested from the Construction Division, Riverside Annex, 200 East Riverside Drive, Austin, TX 78704 (512) 416-2496.

The estimated cost for this project are \$227,063.60 and \$132,537.80 respectively.

Only a Cashier's Check, Money Order or Teller's Check on a State or National Bank, on a State or National Savings and Loan Association or a State or Federally Chartered Credit Union for \$8,000.00 and \$2,700.00 each are considered acceptable. The Proposal Guaranty must be in the amount stated and may be payable at or through the institution issuing the instrument or may be drawn on a non-bank and payable at or through a bank. The Department will not accept personal checks, certified checks, other types of money orders and bid bonds.

Usual rights reserved.

### Legal Notices

**NOTICE TO CREDITORS**  
Notice is hereby given that original Letters of Guardianship in the Guardianship of Montella Rae Thompson, a Minor, were issued on October 1, 1999, in Cause No. G-99-50, pending in the County Court of Cooke County, Texas, to: BETTY HAM.

All persons having claims against this Estate which is currently being administered are required to present them within the time and in the manner prescribed by law to the following:  
c/o: **H. MACK BARNHART**

## DDT ban could force malaria comeback

Malaria, a disease once close to eradication, is making a strong comeback - particularly in developing nations in the southern hemisphere.

Every year the disease, which is carried by mosquitoes, kills 7 million people and leaves another 500 million chronically ill.

The most cost-effective weapon against the disease is the pesticide DDT. Yet, United Nations environmental program delegates will be meeting in Geneva on whether to ban DDT worldwide.

In Africa, environmentalists have put so much pressure on chemical manufacturers that they have been reluctant to make or sell DDT. The result is that the pesticide is unavailable in developing countries such as Tanzania and Botswana.

Most South American countries have also stopped using the pesticide.

According to a report for the Institute of Economic Affairs by South African economist Richard Tren, malaria may cost South African countries more than \$1 billion a year or 4 percent of their combined total economy. Malaria rates in South Africa are up 500 percent in recent years and the disease kills more people than AIDS.

## State funds fire ant control

The major urban areas of the state are learning what farmers have known for a long time: the red imported fire ant is costing residents of the state big bucks.

A recent study by Texas A&M shows the fire ant has done more than \$580 million in damage to the five major urban areas of the state (Austin, Dallas, Fort Worth, Houston, San Antonio). This doesn't even account for the damage in rural areas and other cities and towns across Texas.

The problem has become so widespread that the Texas Legislature, through the Texas Fire Ant Management Plan, allocated funds again in the

In Ecuador, DDT use has increased since 1993 and the country has seen a 60 percent decline in new malaria cases. By contrast, Bolivia, Paraguay and Peru, which stopped DDT spraying altogether in 1993, have seen new cases rise by more than 90 percent.

DDT has been banned in the United States since 1973.

## Comparing cost of fencing

Fencing is a major expense for Ag producers. Actual cost of building a fence depends on materials, labor, yearly maintenance and repairs.

A publication, *Estimated Cost for Livestock Fencing*, breaks down construction and maintenance cost for different types of fencing commonly used on cattle operations. A labor cost of \$11.40 per hour was used on a 1,320 foot fence.

last legislative session to fight the pest. The funding is for two more years.

"Fire ants are a major burden to both farmers and ranchers," and our urban neighbors," said Cooke County Farm Bureau President Edwin Knight. "The Texas Fire Ant Management Plan is a concerted effort statewide to deal with the ants more effectively."

Edwin acknowledged the state will probably never be rid of the imported ants. "However, we can use better management techniques to reduce damage from the pest," he said.

## New booklet covers small grain forages

A new booklet on how to choose and manage small-grain forages to suit production conditions and the types of animals fed is available free.

*Matching the Feed to the Need: A Guide to Cereal Forage for Profitable Dairy Management* is from Resource Seeds, Inc., Gilroy, California.

It identifies crop variety and harvest maturity as key factors in cereal forage production and use. It points out that some varieties are best for harvest at one maturity stage; others are better for another.

"We feel there are great opportunities for forage growers and dairymen to take fuller advantage of the diversity and versatility of cereal forages," says Gene Aksland, a Resource Seeds agronomist. "That's why we published this management guide."

Write: Resource Seeds, 2280 Hecker Pass Hwy., Gilroy, California 95020. Phone 408-847-1051. Fax 408-847-0604.

# County Agent's Report

by Craig Rosenbaum

## WASP SEASON IS UPON US

Late summer and fall are the time of abundance for wasps. All summer, the social wasps of various species have been busy founding nests and building modest colonies. By late summer, the fruits of their labor are evident as colony sizes expand greatly in preparation for producing the large numbers of queen wasps prior to the coming of winter.

This time of year is also when stinging incidents become more common. Larger colonies mean more wasps, thus more contacts with people. Also, as colonies get larger they seem to become less tolerant of humans who stumble into their nesting territories.

Many different kinds of wasps are active this time of year. Wasps seen around the home garden may be merely looking for prey or feeding on honeydew or plant nectar. If you see wasps returning to the same place each evening, or if you've recently received a sting, a nest may be nearby.

The two most common stinging wasps are paperwasps (larger wasps, 1 1/2 inches long, striped in various colors of yellow, red and brown) and yellowjackets (smaller 1/2 inch long yellow and black striped wasps with little hair).

Paper wasps make a small paper nest which they hang in any convenient place. They are sometimes called umbrella wasps because their nest hangs like an upside-down umbrella. The queen and worker wasps are seen clinging to the underside of the exposed nest, where they are tending their young. In the backyard garden paper wasps commonly nest inside bird boxes, under fence rails, above doorways, or under bird baths, etc. Kill by drenching with a pesticide that can be sprayed from several yards away. Some products are sold specifically for this use, often under the name "Wasp and Hornet Spray", or something similar. Some of these sprays also carry a refrigerant that immediately immobilizes the wasps, though this is not critical for paper wasps.

Dr. Mike Merchant, Extension entomologist tells us there is a new

## Bacterium may fight toxin in corn

Farmers may soon plant corn seed that will protect it from a fungal toxin.

So says Charles Bacon, the USDA-ARS microbiologist who discovered that the bacterium, *bacillus subtilis*, can live naturally and harmlessly in corn while protecting it from fumonisin toxin. The toxin can potentially threaten the safety of food and feed made with corn and other grains. Gustafson LLC, Plano, Texas, is testing a seed treatment using the bacterium.

"organic" spray for paperwasps, called Victor Poison-Free Wasp and Hornet Killer. It contains mint oil and is reported to be effective.

Yellow jackets are trickier to deal with. Yellowjackets usually nest underground or in hollow walls, wherever there is a convenient void. There are many more yellowjackets in a nest, sometimes thousands. They are more likely to sting. Most of the serious stinging reports each fall are due to yellowjackets.

The best options for control are (1) avoid the area until frost when they die out naturally; or (2) apply a dust or aerosol insecticide to the nest entrance. Ignoring the nest is practical only when the nest is in an out-of-the-way place, where people are unlikely to tread. A sign or tape posted 10 feet from the nest, should provide adequate breathing space for the wasps, and prevent stings.

Controlling a yellowjacket nest by applying insecticide to the nest entrance is easier said than done. Sevin dust can be applied using a bulb-type duster to the nest entrance. It is best to do this at night when the wasps are in the nest and less likely to emerge. If you are allergic to bee or wasp stings, DON'T try this. Leave it to a professional. If you cannot get close enough to the nest entrance to treat, it is probably best to call a professional. Liquid insecticide sprays applied to the outside of nest entrance may kill a few wasps, but are unlikely to eliminate a colony. Wasp traps, as commonly seen in stores, provide similarly disappointing results.

## Clinton vetoes farmers tax relief package

Bill Clinton did what he said he would do and vetoed the \$792 billion tax relief package that (mostly) Republicans have supported and which Al Gore said would be "DOA at the White House."

In a rose garden ceremony, Clinton officially shot down the proposal, asking Congress to come up with an affordable package before the end of the year.

This would likely be impossible, with too little time left. "With this veto of a host of producer tax benefits, the president continues to pass up the opportunity to help rural Americans," noted Larry Combest, house ag committee chairman.

## New winter wheat resists scab

A new wheat variety resistant to fusarium head blight, or head scab, has been introduced by Pioneer Hi-Bred International.

Pioneer 25R18, the company's first scab-resistant soft red winter wheat variety, will be available for fall planting.
