## JoAnn Pagel receives teaching honor ... to represent district

JoAnn Pagel was selected by the Muenster ISD teachers to represent the district in the prestigious Jack Harvey Academy of Exemplary Teachers. The criteria for an exemplary teacher is one that is worthy of imitation - a model; one that is typical or representative - an example, ideal, admirable, commendable and praiseworthy. Other teachers nominated included Dianne Endres, Lisa Hettler and Martha Koesler.

The Teacher Academy was named after one of Weatherford College's most respected professors, Jack Harvey. As a tribute to his memory, the college recognizes teachers throughout the north Texas area with this award. He was a man who enjoyed a huge following of Weatherford College students and faculty during a teaching career that spanned 23 years at the college. His colleagues described him as a true teacher - a mentor. With his retirement his friends and colleagues bestowed on him the title *Professor Emeritus* - an honor never before extended to any other instructor. He was characterized as a master teacher who was dedicated to his profession.

Highlights of the academy include:

- During the fall semester, teacher honorees from the districts are invited to the College campus for a one-day professional growth experience.

- At an evening banquet held in their honor, they are the recipients of medallions and plaques. Local media publishes pictures of the awardees and professional information.

- In the spring semester, the previous recipients will be invited to the WC Campus for professional development and information exchange.

- Jack Harvey Fellows, past and present, will have opportunities to serve as mentors for student teachers and first-year educators, provide job shadowing sites for secondary students, and serve as a promotional task force for the teaching profession.

It is an honor to have Mrs. Pagel represent Muenster ISD and show the quality of teachers at Muenster ISD. Congratulations to all nominees and a special congratulation to Mrs. Pagel for beginning the 2000 Jack Harvey Fellow.

## Cooke County Appraisal District tax statements soon to sport new look

by Janet Felderhoff  
At the Sept. 25 meeting of Cooke County Appraisal District (CCAD), Chief Appraiser Doug Smithson informed the Board that tax statements would be mailed out soon, printing should begin by end of this week. Smithson said he'd like to have them out by Monday. Statements will have a new look which should be easier for tax payers to read and interpret. These changes are due to the new computer system purchased this year by CCAD.

The information will be printed on an eight and a half by 11 inch form. Smithson said that this year an envelope with the CCAD address will be enclosed with the tax notice. "They can just tear off the bottom (of the tax notice) and keep the top portion," he explained. "The bottom portion they send back in. That may help with the mail traffic and getting it back in." He said he'd talked to the city (Gainesville) since that entity had started doing that. The response had been pretty good he learned. "Otherwise people wait thinking they'll drop it by," he commented.

Also for the taxpayer's convenience is a drive-up window so taxes can be paid without leaving the vehicle and there are drop boxes for after hours. This is being utilized more as more people learn where they are and what is available.

Previously each mineral account had a separate statement. This year people with more than one mineral account will have up to five listed on one statement.

Taxpayers who were 65 years of age or older, or

disabled on Jan. 1, 2000 and have filed an application for exemption may pay taxes on their homestead in four equal installments. The date each installment is due and the amount due is listed in a box on the new statement.

Employees of CCAD are not pleased with the service being given by the Unicare health insurance which was contracted with less than a year ago through David Hutcherson. Although the Board and employees thought that the original contract was for one year, after six months

Business Manager Beverly Medley remarked on the three main bids previously submitted, "Unicare was the lowest and the coverage looked comparable, but it turned out not to be. It was a misrepresentation. Then after seven months, we didn't get through a whole year before they jacked the rates up, lowered the coverage."

This request for change in coverage was approved by the Board 3-0 with the notation added by Leon Klement that it was what all the employees wanted.

okay because he felt like there were checks and balances between Debbie Schoppa and her. She (Mabry) basically didn't take in the money, all she did was deposits."

Knights responded, "After learning all of this I think \$7,000 could be saved. Two reasons I'm satisfied with that is 1) the audit was fairly recent and 2) the recommendation of the auditor that everything looks fine." The Board did not call for an audit.

With the retirement of Mabry, the Board approved a request to take her name off the list of those who may co-sign checks for the bank checking account. Shelley Richey was added in her place and Shirley Hock was added to sign on the Collections side.

Smithson reported that Appraisal Review Board (ARB) member Angelo Nasche's term will be ending in December. He has already served all three terms allowed by law. Brenda Mobley is serving as an alternate and has already completed the required training. Smithson suggested that she be considered as the replacement for Nasche. It will be discussed at the next meeting which is scheduled for Oct. 11 at 9:30 a.m.

Members present at the meeting were Knight, Klement, and Michael McHorse. Unable to attend were Don Hobbs and Monta Sewell.

At the meeting Smithson distributed copies of the 2000 combined tax rates. They are shown by school district with a total for those outside a city limit and a second including the taxpayers within a city limit. See rate chart on page six.

New tax statements will be easier to read and interpret, include an addressed return envelope and should arrive in taxpayers mail boxes next week.

Doug Smithson

the insurance company was making changes. The company said it had that option.

According to Smithson the premiums were increasing, the deductible was increased from \$500 to \$750 and with it the deductible has to be restarted, co-pays on doctor's visits was increased and the doctor visits limited to four per year depending on what's going on.

TML was the insurer for CCAD until premiums increased last year and after going out for bids and comparing policies the employees and Board agreed on Unicare. "I've talked to all of the employees and they voted unanimously to go back to TML and work with it, so that is our recommendation," Smithson said. "Some of them did have problems with TML, but it's like the lesser of two evils and we feel like the service is better with TML."

CCAD Board President Marvin Knight had suggested an audit of the collection activity after the retirement of key employee June Mabry as a business decision. Smithson said that the CCAD had just completed the audit for 1999 and it was a complete audit. After speaking with the auditor, Smithson reported that the auditor felt an audit wasn't necessary. Mabry had a job which was diversified among several people and she didn't collect the money, but made the deposits. The cost of an audit mid term is around \$7,000.

"My question was when we lose somebody like this it's a real good time (to audit)," said Knight. "It protects not only the one going out, but the one coming in. It's a business deal." Smithson stated, "From the auditor's point of view, he was

## County supports Ray Roberts Planning and Zoning decision

by Janet Felderhoff  
Commissioners Court heard a request from Terry Hilliard to allow the division of a 2.61 acre tract into two sections - a 1.30 acre tract and a 1.31 acre tract. The property in question is located off Blackjack Road in Precinct #2. Hilliard of Signature Company Realtors was speaking for the property owner and a potential buyer for the divided tract.

Hilliard pointed out that there were a number of adjacent properties with tracts of less than two acres. He said he thought it was turned down by the Lake Ray Roberts Planning and Zoning Board partly because of news of a 200 acre development wanting to put in one acre lots.

Judge Bill Harris asked if anyone had objected to the request at the hearing held by

Ray Roberts Board. Hilliard said that there were objections from some of the neighbors. "I didn't hear any compelling reason," he said.

Precinct #2 Commissioner Bill Cox stated that he had a problem with going against what the Lake Ray Roberts Board had decided. Also the property is wooded and Cox expressed doubts that it would adequately support two septic systems. "Lake Ray Roberts zoning studied this real carefully for two months," noted Cox.

Commissioners Virgil Hess and Jerry Lewis added comments on their reluctance to go against the Ray Roberts Board. Hess questioned when the smaller tracts were approved wondering if it was before the Lake Ray Roberts

Planning and Zoning was formed. Hilliard said he had researched and the lots were subdivided before there was Planning and Zoning at Ray Roberts.

Hess remarked, "If we go ahead and start doing this I think we're going to get into a bind. You look up here at these two acre tracts, if they decide to split that, what are we going to do when they come in here ... We're going to get into a bind when these were actually grandfathered in before we had Planning and Zoning. My personal feeling is if Ray Roberts Planning and Zoning turned them down I don't want to over ride them." The request was denied 5-0.

Cooke County Judge Bill Harris and Commissioners officially called the election for Nov. 7, 2000.

Commissioners unanimously approved a resolution authorizing the sale of property at 329 N. Morris in Gainesville for unpaid taxes.

In other business Commissioners Court:

- Approved the 2001 holiday schedule.
- Approved the Sheriff and Constable fees for 2001. Sheriff Compton noted the fees which are to be the same as this year seem to be in line.

- Gave approval to Bolivar Water to install a fresh water line across County Road 336, approximately 1200 feet west of County Road 247, in Precinct #3. Commissioner Jerry Lewis noted that the company has agreed to sleeve the pipe and to bore under the road.

# Dr. Moon visits Muenster

Dr. Henry Moon, president of Midwestern State University, spent the day in Muenster on Thursday, September 28.

Along with some key staff members, he visited with Dr. Jack Murdock, principal of Sacred Heart High School, before meeting with prospective students at Sacred Heart.

He then visited with students from Muenster High School following a meeting with Superintendent Clyde Steelman, Principal Phil Newton and Counselor Emily Klement.

He enjoyed lunch with Mayor Henry Weinzapfel and Ed York, chairman of economic development, at the Muenster Center.

Following lunch, the MSU contingent traveled to Lindsay and met with Travis Winn, superintendent, Jerry Metzler, principal of Lindsay High School, and Mr. Fluker, counselor, along with some of the Lindsay students.

A tour of Muenster Memorial Hospital was also scheduled with Jack Endres, administrator.

Moon assumed the position of president effective September 1. Prior to accepting the position, he was provost and vice president for undergraduate and graduate education at The University of Toledo in Toledo, Ohio.

His research and teaching

Dr. Henry Moon

interests include transportation, land use and economic development.

He has published articles in *Land Use Policy*, *Rural Development Perspectives*, *Transportation and The Professional Geographer*. He has also written all or parts of ten books, presented 47 papers at professional conferences, presented 28 other publications and received 38 research grants.

Moon is a three-time recipient of The University of Toledo's College of Arts and

Sciences Exceptional Merit Award, a two-time recipient of the college's Master Teacher Award and the 1995 recipient of the university's Buick Volunteer Spirit Award. In 1996, he was given the East Lakes Division of the AAG Distinguished Lifetime Service Award.

While in Ohio, he served as a trustee and member of several boards. He is a fellow of the Ohio Academy of Science and National Councilor of the Association of American Geographers.

The Virginia native earned his bachelor of arts degree from Virginia Tech, his master of science degree from the University of Alabama and his doctor of philosophy degree from the University of Kentucky.

He and his wife, Jodie, have four children, Bridget, Hank, Alex and Buddy.

# Debbie Pounds named new NCTC Vice President for Advancement

Debbie Pounds is the newest vice president at North Central Texas College, following action here Monday evening by the NCTC Board of Regents who approved her promotion from dean to vice president of institutional advancement.

A native of Muenster, Pounds joined the college's administrative staff as director of institutional advancement in 1996, assuming responsibility also as executive director of both the NCTC Foundation and the college's Ex-Students Association.

"Her impact was felt immediately," said Dr. Ronnie Glasscock who recommended her promotion to the college governing board. "The results of Debbie's energy, dedication and professionalism have been nothing short of astonishing."

"When it came to securing external grant funding for this college, Debbie hit the ground running, and she hasn't slowed down a bit. In fact, he said, she's continued to pick up the pace every year."

Dr. Glasscock said the level of external grant funding received by the college was about \$72,000 annually in 1996 when Pounds joined the administrative staff. One year after she was employed as director, the amount of income from grants had already grown to \$653,510. This past year, NCTC received grant funding totaling more than \$1.64 million.

The results of Pounds' administrative leadership have been no less impressive

Debbie Pounds

College goes far beyond what can be measured in dollars and cents. He pointed to her outstanding administrative ability, to her creativity and vision and to her extraordinary planning and organizational skills.

"Anybody who attended any of the wonderful activities and events we staged for last year's observance of NCTC's 75th anniversary saw the results of those skills," he said, "and they've been showcased also in the extremely successful NCTC Foundation Gala that Debbie has planned and organized and even decorated for over the past two years."

"Then there's the annual 'Donor-Scholar Breakfast' and so many other events and initiatives, such as the formulation of our strategic plan, that have been successful in large part because of Debbie's direct involvement and special touch."

A graduate of the University of North Texas where she earned both a bachelor's and master's degree in education, Pounds came to NCTC from Collin County Community College. There, she was serving as assistant director of resource development. Prior that, she was a management assistant for the Jeton Exclusive Collection, Johannesburg, South Africa.

From 1990 to 1991, Pounds taught at Sacred Heart School in Muenster, and for the seven years prior to that she was a county extension agent for the Texas Agricultural Extension Service.

in regard to the growth of NCTC Foundation assets. When she took over the executive directorship in 1996, the foundation's total assets were \$734,855, and it funded a total of 175 scholarships.

Today, the NCTC Foundation has assets of more than \$1.5 million and this past year awarded a total of \$65,800 worth of scholarships to 266 NCTC students-growth for which Pounds is quick to attribute most of the credit to the foundation's board of directors, its president Ed Wright and to many generous donors.

Dr. Glasscock said Pounds' value to North Central Texas

## Kim Wade Hale 1959 - 2000

Kim Wade Hale of Muenster died in Denton Community Hospital on Sept. 22, 2000 at 11:00 a.m. at age 41.

He was born March 23, 1959 in Wichita Falls to Kenneth Wayne Hale and Bobbie Jean (Addison) Hale. He lived most of his life in Muenster, although he lived for a while in Las Vegas before returning to Muenster.

Survivors are two daughters, Krystal Hale and Cassie Hale, both of Muenster. Also his parents, Kenneth and Bobbie Hale of Muenster; and three sisters, Kenya Endres and Kyla Henscheid both of Muenster, and Kellie Insel of Oklahoma City; and his paternal grandmother, Mollie Hale of Burkburnett.

Preceding him in death were his paternal grandfather, Charlie Hale, his maternal grandfather, Homer Addikson and maternal grandmother, Geneva Sides.

A Rosary service was held on Sunday in McCoy Chapel at 4:00 p.m. led by Mary Lin Knabe and Vigil at 7:00 p.m. led by Father Sebastian Beshoner.

Mass of Christian Burial was held in Sacred Heart Church on Monday, Sept. 25,

Kim Wade Hale

2000 at 10:00 a.m. officiated by Father John Ohner OSA and Father Sebastian Beshoner OSB. Altar servers were Brad Endres and Chad Endres.

Participating in the special funeral liturgy were Kim Felderhoff, Brenda Simpson, and Renate Pagel who gave Readings from the Old and New Testaments, and the

Responsorial Psalm, respectively. Father John gave the homily.

Music Ministers were David and Pam Fette, Emily Klement, and Ruth Felderhoff. Sacred music included "I Am The Resurrection," "The Lord Is Kind And Merciful," "Open Our Eyes, Lord," "You Are Near," "Song Of The Angels," and "In The Day Of The Lord."

Eucharistic Ministers were Dorothy Endres, Darla Anderle, Kim Felderhoff, Carol Grewing, and Janet Voth.

Todd Richey, a close friend gave Remarks of Remembrance, recalling that Kim Hale always had a quick smile. He lived his life to the fullest every day, never missing a moment. His hobbies included a love for Nascar Races. Dale Earnhart was his favorite Nascar driver. Kim enjoyed golfing, fishing, and deer hunting.

Burial in Sacred Heart Cemetery was directed by McCoy Funeral Home of Muenster. Pallbearers were Lenzy Dyer, John Hartman, David Felderhoff, Kim Walterscheid, Greg Knabe, Gregg Wilde, and Bob Hamric. Honorary pallbearers were Phil Wolf and Todd Richey.

## Herman Justin Hartman 1914 - 2000

Herman Justin Hartman

by Elfreda Fette  
Mass of Resurrection was held for Herman Justin Hartman, age 86 on Wednesday, Sept. 27, 2000 in Sacred Heart Church at 10:00 a.m. officiated by Father John Ohner OSA, pastor.

Herman Hartman died in Renaissance Care Center of Gainesville on Sept. 25, 2000 at 12:40 a.m. following a period of declining health and an illness of several years.

He was born Sept. 5, 1914 in Muenster to John Hartman and Helena (Hess) Hartman; and attended Sacred Heart Schools. On May 29, 1939 he married Della Ann Fette in Sacred Heart Church. A member of Sacred Heart Church, he lived his entire life in the Muenster area. A farmer and rancher, he was deeply dedicated to agriculture and worked hard and faithfully to improve his land.

He was employed at Farmer's Marketing Association a number of years. He served on the school bus board of directors in the early years. With his wife, Della, he was committed to the scholastic achievement of their four sons. He was extremely proud that all four and a grandson attained Eagle Rank in Boy Scouts and a granddaughter reached Gold Star rank in Girl Scouts of America.

A loving husband, father, and grandfather, he doted on his grandchildren, who returned his affection freely. He was very proud of the academic and sports accomplishments of all his grandchildren and loved hearing them talk to him.

He loved fishing and traveling, especially in his younger years, and took great delight in a good, competitive game of cards or dominoes.

Survivors are his sons and daughters-in-law Thomas J. and Debbie Hartman and children Tony and Craig; Roy C. and Irene Hartman and children, Ashley, Justin, Lucas, and Grant; Donald L. and Kathy Hartman and children, Jeff and Cindy, all of Muenster; and Joseph D. and Liz Hartman and son, Sam, of Austin.

Also two sisters Betty Dangelmayr and Dorothy Hartman and one brother and sister-in-law Leonard and Emily Hartman all of Muenster. And two sisters-in-law and one brother-in-law Agnes Stormer and Thelma and Tony Trubenbach of Muenster.

Preceding him in death were his beloved wife, Della on Jan. 24, 1997; one infant son, Charles; his parents; three sisters Marie Walter, Angeline Endres, and Loretta Mason.

Preceding the day of funeral, Rosary service was held in

McCoy Chapel on Tuesday at 4:00 p.m., led by Janie and Roger Taylor, and Vigil at 7:00 p.m., led by Fr. John Ohner, OSA.

Participating in the special funeral liturgy of the Mass of the Resurrection on Wednesday with Father John were altar servers Alvin Hartman and Butch Fisher.

Readings from the Old and New Testaments were given by granddaughters Ashley Hartman and Cindy Hartman. Father John Ohner OSA read the Gospel and delivered the Homily. He stated that Herman's four sons selected the Readings and the Gospel, because they thought those themes reflected their father's philosophy and life.

Offertory gifts of bread and wine were carried to the altar by a niece and nephew Sandra Corcoran and Claude Walter.

Eucharistic Ministers were Sam and Karen Endres, Judy Flusche, Roger and Janie Taylor, and Dorothy Hartman.

Music Ministers were Emily Klement, Ruth Felderhoff, and Pam and Dave Fette. Sacred music included "On Eagle's Wings," "The Lord Is My Light and My Salvation," "Softly and Tenderly," "Songs of the Angels," "How Great Thou Art," "Lord, You Are More Precious," "I Exalt Thee," and "Battle Hymn of the Republic."

Burial in Sacred Heart Cemetery was directed by McCoy Funeral Home of Muenster. Pallbearers were grandsons Justin Hartman, Tony Hartman, Lucas Hartman, Craig Hartman, Jeff Hartman, and Grant Hartman. Honorary pallbearers were Sam Hartman, Ashley Hartman, and Cindy Hartman.

## Jessie "DeWayne" York 1944 - 2000

Jessie "DeWayne" York of Nocona, died in Denton Community Hospital on Sept. 12, 2000 at 2:45 p.m. at age 55.

He was born in Saint Jo on Nov. 27, 1944 to Grady York and Hazel Maxine (Miller) York. He attended Prairie Valley High School.

Survivors are his father Grady York of Nocona; four children, a son, Lynn Kemp of Muenster; a daughter, Kristi Dangelmayr of Muenster; a son, Bret York of Denton; and a daughter, Toni Hellman of Gainesville. Also sisters, Millie Moening of Electra, Margaret Haugner of Nocona, and Pat Mitchell of Nocona; and a brother Ray York of Nocona. Also six grandchildren.

Preceding him in death was his mother who died Oct. 26, 1995.

During the Korean Conflict he served in the U.S. Army, for two years. In 1971 he married

Jessie "DeWayne" York

the late Jessie Lee Pruitt. He graduated from Cooke County

College in 1976. He was an independent welder and a pipefitter, a member of the Nocona VFW; and a member of Jean's Men's Bible Class in Nocona.

Funeral services were held on Thursday, Sept. 14, 2000 at 10:30 a.m. officiated by Buddy Lee of Jean's Men's Bible Class. Sacred music included "Amazing Grace" and "Take My Hand, Precious Lord." The eulogy was written by his daughter Kristi Dangelmayr and read by Buddy Lee. Burial in Nocona Cemetery was directed by Scott-Morris Funeral Home of Nocona, including a Military Salute. The U.S. Flag was presented to the family by VFW Post 8558.

Pallbearers were Jeff Hellman, Shawn Dangelmayr, Cody Moening, Ryan Rasche, Tony Barger, and Ray Bietendorf.

## Mike Jones 1948 - 2000

Michael Wayne "Mike" Jones died at his residence in Bonita on Friday, Sept. 22, 2000 at 8:50 p.m. at age 51.

He was born on Dec. 9, 1948 in Andrews, Texas to Eldon Arion Jones and Marglene (Watts) Jones. On Oct. 13, 1979 he married Dianne Carol Hebert in Manchester, New Hampshire. She is currently employed in the office of Frybrant, Inc. in Muenster.

When he was a student at Andrews High School, where he graduated in 1967, he was a prominent athlete. After high school, he was given two major choices; he was drafted by the Boston Red Sox; and he received a full scholarship to play football at Kansas State University. He decided on college.

He loved sports, the outdoors, hunting, fishing, camping, and boating. He made several trips to the Alaskan Frontier to work. A great cook, grilling or deep frying, he was known for cooking for a crowd. Some of his best times were swimming, storytelling, and playing dominoes. But most of all he loved his family. Even as late as last summer, with his health failing, Mike Jones still made it priority to spend time with his family at the lake.

In his lifetime he was employed as a welder; a Texas State Trooper; a long-haul truck driver; and on road construction with his father. Currently he was employed as

Michael Wayne Jones

a truck driver with Martin K. Eby Construction Company. But his favorite job was that of husband and father.

He touched the lives of many people in many different ways. His parents remember the all-star athlete under Friday-Night-Football lights. His wife remembers the loving husband and father, the love of her life, the family man. His children remember the father who taught them to smile even through tough times. He can count his friends into the hundreds.

Survivors are his wife, Diane Carol (Hebert) Jones; two sons Michael Wayne Jones, Jr. of Midland, and Mark Jason

Jones of Nocona; and two daughters, Shaylene Jannel Bekker of Austin and Shenna Christi Jones of Nocona, who is a student at Muenster High School. Also his parents Eldon and Marglene Jones and one brother Ronnie Jones of Anchorage, Alaska. And one grandchild Brittany Jones of Midland and many nieces and nephews.

Funeral services were held Monday, Sept. 25, 2000 at 2:00 p.m. in Shepherd of the Hills Baptist Church, officiated by Rev. Walter Haynie.

Prelude music included "How Great Thou Art," and "Amazing Grace."

Kathy Vogel, a family friend, read the obituary. Rev. Haynie read Scripture and prayer. Rodney and Rowley Patterson gave the eulogy and family memories. Ricky Wayne Jones sang "Buhlaland" and played the piano and led "Wings of a Dove."

Burial in Nocona Cemetery was directed by Scott-Morris Funeral Home of Nocona.

Pallbearers were Richard Hebert, Larry Vogel, Bobby Kraus, Larry Childress, A.L. Watts, and Terry Jones.

Many friends from the area; other towns in Texas; and from Manchester, New Hampshire and Seminole, Florida attended the funeral.

The Enterprise is indebted to Kathy Vogel who helped assemble much of this information.

## MIDWESTERN STATE UNIVERSITY Salutes MUENSTER, TEXAS

Since 1922, a countless number of individuals, families and businesses from Muenster have actively supported Midwestern State University. Because of that support, MSU has grown into a highly regarded, widely known university of quality.

Midwestern State University's new president, Dr. Henry Moon, is committed to strengthening the ties between MSU and the communities that support it. He and several key members of the university will spend the day in Muenster on September 28. They will tour a number of local institutions, meet with many individuals and groups, and learn as much as possible about Muenster.

All of us at Midwestern State University thank you for your years of strong support and look forward to an even greater future.

## Alert to Medicare recipients

Many Nylcare 65 enrollees may be putting their future supplemental insurance protection at risk. Some insurance agents are selling Medicare Supplement Insurance to persons currently on the Nylcare 65 HMO under Medicare before they have the Nylcare 65 official "pull-out" letter. That official "pull-out" letter will be sent out in early October 2000.

Those persons currently on Nylcare 65 who do not enroll in any Medicare Supplement Insurance prior to receiving that "pull-out" letter will not have the 63 day GUARANTEE of coverage under plans A, B, C, or F. Although an insurance company may take your application and your payment, they may exclude some coverage or reject your coverage within sixty days. As of that time, no insurer would have to provide supplemental insurance. Do not get caught in this bad situation. If you WAIT until you receive the

official October "pull out" letter from Nylcare 65, you are GUARANTEED coverage A, B, C, or F without any exclusions if you apply to any insurer providing those coverages in Texas.

Please report any insurance agents or companies who are selling to Nylcare 65 enrollees without providing them with this information to the Texas

Department of Insurance 1-800-252-3439. If you have questions regarding insurance protection or what coverages may be available, you are welcome to contact the Area Agency on Aging of Texas at 903-813-3574 or 800-677-8264, extension 574 for a free complete review of Medicare Supplement Insurance coverages.

## Treat athletic injuries with R.I.C.E.

Many minor athletic injuries can be handled at home with loving care and R.I.C.E. (rest, ice, compression, and elevation).

"Resting, which means not doing anything that hurts, gives the injury a chance to heal," said Dr. Joe Chorley, sports medicine specialist. "Ice reduces swelling and should be applied for a maximum of 20 minutes when your child is awake. Use an elastic bandage to apply gentle pressure to the injury. Ask your child's doctor or coach how to apply the bandage correctly. Remember to keep the injured arm or leg elevated to reduce swelling."

Call or take your child to the doctor if the pain or swelling does not improve within 24 hours, or if you suspect your child has a broken bone or a head, neck or back injury.

## Board and superintendent attend state convention

Muenster ISD Board Members, Clifford Sicking, Tim Felderhoff, Nick Walterscheid, and Superintendent Clyde W. Steelman, Jr. attended the 40th Annual Texas Association of School Administrators (TASA) and Texas Association of School Boards (TASB) State Convention held Sept. 22-25 in Houston.

Mr. Sicking (Muenster ISD Board President) represented Muenster ISD in the TASB delegate assembly. The delegate assembly is comprised of one school board member from each of the 1000+ public school districts in the state of Texas. Delegates vote on resolutions presented by public school districts throughout the year. Resolutions that pass the

assembly vote develop the legislative platform that TASB will use in discussing educational issues with state legislators and senators.

Information sessions attended by Muenster ISD attendees included School Finance, School Board Closed Meetings, Construction Methods, Successful School Board/Superintendent Team Building, Strategic Planning, Disruptive Technologies: Why Schools and School Boards Must Change, and a lecture by Texas Education Commissioner Jim Nelson. The first General Session included several speakers with a very inspiring speech by Olympic Gold Medalist, Mary Lou Retton.

## SMALL BUSINESS FOCUS

BY JACK FARIS

### Voters Can Kill the Death Tax

With the crisp air and chilly nights come two time-honored American traditions: elections and football.

And as I watched the season-openers, I couldn't help but see the similarity between football teams fighting to reach the goal line and this summer's battle in Washington, DC, to repeal the death tax... and the potential for the November 7th elections to be the final "play" in that game.

Small-business owners this year made a long, hard drive toward their goal of killing what they consider to be the most unfair tax on the books. After the Senate and House repealed the death tax with a strong bi-partisan majority, American small business felt like a team, first and goal, on the five-yard line, ready to score... and then President Clinton's veto was like a 15-yard sack.

But that doesn't mean we won't still score. You see, thanks to the November elections, we have three downs left.

The second down is re-electing a House of Representatives that understands how punishing the death tax is to America's family-owned businesses and farms. The third down is re-electing a Senate that also understands. And the fourth down is electing a president who will sign that bill.

A word to the wise candidate (congressional or presidential): if you are committed to repealing the death tax, you need to tell small-business owners now in order to secure their votes in November.

I cannot emphasize enough the importance of this issue to America's entrepreneurs. And I have faith that one sack will not keep them down. Because they've had enough, and this summer they got so close to the goal line, they could taste it.

Ask them. They will tell you that it is just plain wrong that the people who create the majority of new jobs in this country must spend countless hours and dollars preparing to face an enormous tax that is levied for the sole reason that a family member has died.

The death tax was established in 1916, the era of families like the Rockefeller, out of a fear that a few clans would amass a majority of the nation's wealth. It was not indexed to inflation, so it has gone the way of so many taxes aimed at the very-rich: the middle class must struggle to pay it... or, in this case, lose their businesses because of it.

President Clinton insists that this tax only affects 2 percent of Americans because only 2 percent pay the tax... but that statistic completely ignores the scores of businesses that spend so much of their valuable resources on lawyers and life insurance in an effort to keep the business in the family. Believe me, business owners would much rather spend that time and money creating jobs, expanding benefits for their employees and giving back to their communities.

If we succeed in these last three downs - and I believe we will - there will be no more stories like that of Mike Nobis, owner of a printing business in Quincy, Illinois, who was handed a tax bill of over \$300,000 last year because his parents were both killed in a tragic car accident.

And there will be no more stories like that of Norman Thomas, owner of Cumberland Paint & Wallpaper in Fayetteville, North Carolina, who is going to have to take out a loan this year to pay the \$100,000 - \$150,000 tax on his father's death.

Coming this close and losing was tough... but we will remember, in November, what that goal line looked like. And we will be rushing toward it as we enter the voting booth. The death tax has drawn its final breath.

*Jack Faris is president of the National Federation of Independent Business (NFIB), the nation's largest small-business advocacy group. A nonprofit, nonpartisan organization founded in 1943, NFIB represents the consensus views of its 600,000 members in Washington and all 50 state capitals. More information is available on-line at www.nfib.com.*

## FROM MY SIDE OF THE FENCE

by Ed Cler

Some of you will likely remember an old joke that made the rounds about the time the Mexicans began to enter our country in droves.

Someone opined that since we had bested them militarily, they had decided to come here in large enough numbers to out-vote us, and take us back.

Well, it's no longer much of a joke.

A small Texas town, El Cenizo, has passed an ordinance declaring that all city functions, meetings, etc. be conducted in Spanish only, and flies the Mexican flag inside.

The voters of Arizona enacted a law making English their official language, only to be overruled by the Arizona Supreme Court, and this was upheld by the U.S. Supreme Court.

New Mexico seats non-English speakers on juries, even though they do not understand the language spoken at the trial.

A university of New Mexico professor, Charles Truxillo, claims that the States of California, Arizona, New Mexico, Texas, and the southern part of Colorado will "inevitably" secede from the U.S. and with parts of Northern Mexico will form the "Republica del Norte" simply by political pressure.

Now we all know this is not likely to happen, but one can see the need for English to be the official language of all of the United States.

In traveling over much of the U.S. and some of Canada, even a bit of northern Mexico, we have found it a great pleasure to be able to converse in English most anywhere.

Necessity is often the greatest teacher as many early Muensterites found in coping with languages other than their own.

They, as many others, didn't have anyone to teach them English, but they picked up enough to get along.

Their children had a better deal. They were taught English in school by teachers who could speak German and helped the kids at first, but eventually the children were taught in English only and they were proud of it.

It has been found that Spanish parents also believe their children should learn the English language as soon as possible.

Teaching them in Spanish only perpetuates the problem, and causes much additional expense for the schools.

It's time a law is enacted making English the Official Language of the entire U.S. of A.

## Ron Clark presents proposals to aid volunteer firefighters

State Representative Ron Clark made a presentation recently to the House Rural Caucus to express difficulties and concerns facing volunteer fire departments regarding training.

"Our local volunteer firefighters make a big sacrifice to become certified and maintain their certification each year," Clark said. "Training is costly and currently requires extensive travel and time off from work."

There are currently more than 37,000 volunteer firefighters in Texas who serve 80 percent of the state.

Firefighters are required to undergo 468 hours of training to obtain their initial certification. Twenty hours of continuing education is required each year after initial certification. The only training center in Texas is located at Texas A&M University in College Station. It currently costs a volunteer \$400 in tuition to attend the training

at A&M, in addition to travel, room and boarding expenses.

Clark presented proposals that would lessen the burden on these volunteers and may encourage more people to become volunteer firefighters. One proposal was to create 3,500 additional tuition scholarship opportunities to attend the training at A&M. Another possible measure Clark presented was to hire eight additional extension instructors who would travel the state to provide training and continuing education at local sites. The state currently has seven extension instructors. Eight additional instructors would allow 12,000 more volunteers to be trained per year at local sites.

"These measures would help our volunteers tremendously," Representative Clark said. "A firefighter could participate in the training locally and avoid travel expenses and reduce time away from work."

## Newton opposes gun tax

Jon Newton, Republican candidate for U.S. Congress has announced his opposition to a bill before Congress that would tax the gun industry out of business. S.2099 is sponsored by Sen. Jack Reed (D-NV) and would impose a \$5 tax on each sale of a gun and an outrageous \$50 tax on the manufacture of a gun. It would also require the registration of all handguns.

"Many voters have contacted me with their concerns about this anti-gun bill. I share their fears. This latest bill is an assault on Second Amendment rights," said Newton, a Republican from Rockwall.

"It's gun control by another name. I oppose this bill and when elected to Congress will make sure it never passes."

Earlier in the campaign, Newton announced that on his first day in Congress he would sponsor the Gun Ownership Resolution, a bill that would protect Second Amendment rights.

"Law abiding citizens have the right to own a gun and I will make it a top priority in Congress to reaffirm that right," added Newton. "Liberals have been trying to abolish our right to own a gun. I will lead the charge to guarantee gun ownership."

## Cash in the bank ... \$1.454 billion more than expected

Texas Comptroller Carole Keeton Rylander has closed the books on fiscal year 2000, announcing that revenues

exceeded her revised revenue estimate released in July.

"I do not foresee giving a new revenue estimate until the session begins next year, but I do want Texans to know that we have exceeded the earlier very, very conservative estimate by \$45 million," she said.

In July, the Comptroller predicted revenues would be \$1.409 billion more than expected.

"As of Aug. 31, we have

\$1.454 billion more cash in the bank," Comptroller Rylander said.

"And there is more good news," she said. "Because of the additional revenues collected from natural gas severance taxes we are more than doubling the amount of money going to the state's Rainy Day Fund, and that will more than double the amount in the fund."

In July, it was estimated that an additional \$48 million

would go to the fund, but that has been increased to \$103 million.

"I'll repeat what I said a month and a half ago -- our Texas economy is strong, personal income is \$8 billion higher than projected for FY 2000 and the gross state product is \$25 billion higher than projected," Comptroller Rylander said.

The state ended the fiscal year with \$3.8 billion in the general fund.

## Bill and Charlotte Dangelmayr host guest from Münster, Germany

by **Elfreda Fette**  
 Barbara Heitkämper of Muenster (Münster), Germany has, for the past three weeks, been a guest of Bill and Charlotte Dangelmayr and their family. Barbara related that Münster is in northwestern Germany, rather near the Netherlands. In 1990 her sister, Astrid Heitkämper visited Bill and Charlotte.

Several years later, the Dangelmayrs, accompanied by Don and Betty Flusche, and Jim and Fran Voth, were guests of the Heitkämpers in Münster, who were their guides for hospitality and sightseeing over a wide area.

Now, on summer break from Munster University, Barbara was invited to come and see our Muenster. She is in her third year at the university, majoring in English studies, German studies, and Philosophy, and is pursuing a

master's degree. She speaks fluent English.

Charlotte and daughter-in-law Haley met their guest at DFW on Sept. 4. She has enjoyed "just looking around," walking up and down; she visited and was conducted over Nortex Communications, Muenster State Bank, Sacred Heart Church, Sacred Heart High School, saw football games and cheerleaders, made the rounds of the recent big city-wide garage sale, St. Peter's Church in Lindsay, went shopping in Denton and Sherman, visited the Fort Worth Stockyards and was impressed by the legendary Longhorn cattle.

On a visit to Marble Falls, Texas, where they visited Janet and Pat Bowman, Barbara spoke to Jessica's German class, answered their questions in German and was surprised how well they

quizzed her in German. In Marble Falls they had dinner at a site with an overview of the Colorado River.

They visited Fredericksburg and saw its German Museum also. In San Antonio they visited the Alamo. In another visit to Dallas they went shopping on Harry Hines Boulevard; they saw the West End, the Plaza, and the site of the Kennedy Assassination. Barbara related how she was filled with awe, being privileged to set foot on that most historic site.

Bill and Tom Dangelmayr took Barbara to a cattle auction at Muenster Livestock. She marveled at the speed of the auctioneer's speech.

Don and Betty Flusche took her to Rumberline, Inc. to see where recycling of automobile tires is handled. She also was taken to Weber Aircraft where airplane seats, etc. are

**Barbara Heitkämper** manufactured. At Muenster Memorial Hospital she toured the facility and was impressed by its elegant Birthing Center. Haley also took her along to a baby

shower for a relative. That was another first for Barbara. She had never been to a baby shower.

At the *Muenster Enterprise* she immediately spotted the Heidelberg Press, the Linotype, exhibits of formerly-used "hot-metal" type, and the current computerized typesetting equipment.

As she enjoyed walking about town, she expressed admiration for its clean, wide streets and friendly people. She mentioned repeatedly how much she appreciated the hospitality of her hosts and their friends. In Charlotte's kitchen she watched her hostess cook; and copied many recipes to take home. She arrived on Sept. 4 and was

preparing to depart on Sept. 24.

Still in her plans for her final weekend here was a horseback ride, (told here at the *Muenster Enterprise* that there was no better place for that, than with her hosts).

She said also that before she leaves Muenster, she will visit Sacred Heart Cemetery, visit our Museum, attend Sacred Heart Church another time, and speak to Dustin Hesse's sixth grade classmates and their teacher, Bernadette Moritz.

Barbara Heitkämper left DFW at 3:00 p.m. Sunday and phoned Charlotte Dangelmayr Monday morning, after a safe return home.

## Scouts of Pack 664 welcomed back

Monday, Sept. 18 was the first pack meeting for the year 2000-2001. All the scouts, leaders, and parents gathered for the pledge of allegiance.

Next was the welcoming of returning scouts and new scouts. New scouts for 2000-2001 are Corey Pumphrey, Justin Flusche, Richie Sweeney, Luke Crabtree, David Fleitman, Daniel Fleitman, Austin Miller, Josh Biffle, Caleb Winters, Quinn Sicking, Trevor Riley, Chad Walterscheid, Matt Hesse, Ryan Felderhoff, and Jordan Henschel.

Zachary Moritz received a round of applause for collecting cans with his dad this summer and donating the money to the Pack.

All the scouts brought in the new year by playing games. The scouts rotated from the balloon pop game, to an airplane throw, and a pick-up beans contest. Following the games, Ben Bindel reviewed a few upcoming events and

presented some awards sent over from the summer.

The committee for this year is as follows: Ben Bindel, Cubmaster; Kim Felderhoff, Assistant Cubmaster; Linda Vogel, Committee Chairman; Kim Pierce, Secretary; Angie Bartush, Treasurer; Laurie Valliere, Advancements; Cindi Voth, Journalist; Nancy Nystrom, Photographer.

One of the most important things scouting enforces is learning manners. Scouts are taught that helping one another, respect, sharing, patience, being polite, and accepting responsibility are the keys to a good scout. All these values are taught and practiced at scout activities while having fun. Any boys between 1st and 5th grades are welcome to join anytime. Contact someone on the committee to sign up your child.

The meeting was ended with the flag salute.

## Take Note

Don't forget: Saturday, Sept. 30 is "Walk-for-Life" at the Lindsay ISD Track from 9:00 a.m. to 11:00 a.m., benefiting ABBA Women's Center, Inc. "Life Chain" will be held in Lindsay, Hwy. 82 on Sunday, Oct. 1 from 1:45 p.m. to 3:00 p.m. It is a prayer vigil for an end to abortion. This is a nationwide prayer event.

## Twins celebrate fifth

Mikayla and Mikenzie Fleitman, daughters of Douglas and Vickie Fleitman, observed their fifth birthday on Aug. 24, 2000. On this day they enjoyed a "Celebration of Life" at Sacred Heart Preschool, with friends and family, and helped serve cupcakes to their classmates.

On Sunday, Aug. 27, they were honored with another party, at home, where the theme was "ocean creatures." Hot dogs and hamburgers were served, followed by birthday cake and ice cream. Gift opening and breaking open the piñata gave special fun.

Mikenzie and Mikayla Fleitman

Attending with their mom and dad, and brother Michael were grandparents Harvey and Della Schmitt, and John David and Patsy Fleitman; great-grandmother Bertha Fleitman; aunts, uncles and cousins Stephen, Michelle, Timothy, and Daniel Schmitt; Debbie and Karli Anderle; Sam and Jannet Fleitman; Pat Yosten; Christy and Katy Bezner. Also friends Amy and Lany Boyd; Ashley Scott; Mel April, Amber, Cole, and Ally Walterscheid; Will, Noelle, Devan, Brooke, and Ethan Henry; Molly, Shelby, and Kelsy Sicking; Warren, Shelly, Josh, Shane, and Travis Sicking; and Billy, Dianna, and Billy Jr. Felderhoff.

On Friday, Mikayla and Mikenzie went to Burger King with their preschool friends, with games and chattering. This group included Lauren Gibbs, Morgan Hesse, Brianna Rohmer, Destin Fleitman, Bailey Walterscheid, and Brooke Henry.

## New booklet may help sleepless Americans

It is estimated that a third to a half of all Americans suffer from some sort of sleep disorder. Statistics show that one of the highest causes of automobile accidents are related to sleepiness, lack of concentration, and falling asleep behind the wheel. Not getting a good night's rest also contributes to poor work production, accidents, and impacts on quality of life. It may also cost Americans 18 billion dollars in health care costs annually.

The Family Health Research Center has a new booklet, "Getting The Sleep You Need." The booklet gives information about sleep and suggestions on

what to do when you can't sleep.

"Many people have difficulty sleeping and it really affects their lives," says Tor Stave, at The Family Health Research Institute. "We've published a booklet that can help them live a healthier and happier life."

Consumers can receive a copy by sending \$5 to cover the cost of printing, postage and handling to: Regional Fulfillment Center, Sleep Booklet #143, P.O. Box 692634, Boston, MA 02269-2634. Consumers can also get this information from the Center's Internet web site: [www.familyhealthresearch.org](http://www.familyhealthresearch.org).

## Green Tips

**Fact:** Electric mowers are more energy-efficient. Studies have shown that consumers like electric mowers at least the same as gas mowers, if not better. Participants prefer the cordless electric mowers due to their safety, durability, convenience, user friendliness, starting ease, and handling. **Tip:** Buy a cordless electric mowers. You will find it is quiet, convenient, and demands almost no maintenance, yet the cost is similar to that for gas mowers.

When you enter the office of Cooke County's newest physician, you might just think you stepped on the set of the primetime NBC series "ER". But the face you see doesn't belong to the well-known Dr. Mark Green of the hit series, even though he does bear a resemblance. He is Dr. Mark Klein and he does not play a doctor on TV... he lives it.

The most recent addition to the McLeroy-Lewis Medical Clinic in Gainesville might have more in common with the television icon Dr. Green than his looks. He administers his practice in a laid-back, yet intimate, style. "I don't wear white coats I don't dress fancy, I don't talk fancy," Klein stated. His concern is the patient and their level of comfort. "Patients want to be heard - I would like to say that I do that."

Mark Klein was born in Pittsburgh, Pennsylvania in 1968, the youngest of three children, the only son among girls. His father was in the Air Force, and his career soon brought the family to the Wichita Falls area - Shepard Air Force Base.

Klein attended grade K through nine in the Henrietta school system. Being raised in a small town himself, he finds

his "fit" in Gainesville a comfortable one. "It's easier to treat people when you know where they're coming from," he said. He graduated from Wichita Falls High in 1987.

From high school he went on to attend Midwestern State University in Wichita Falls, where he earned a Bachelor of Science degree and completed one year of graduate training.

While a sophomore in college Klein decided to pursue medicine. His motivation came from the purest source. "I had a need to help people," Klein said. And time spent working in the radiology department and then as a transporter and orderly in the surgery department at Bethania Hospital in Wichita Falls seemed to cement the deal. "The Bethania experience was a great influence in my career choice," Klein stated.

The Midwestern years would not only bring him direction in his choice of profession. It would bring him his life partner as well.

Klein had met his wife-to-be, Amy, earlier in life. She was born in Wichita Falls and lived in Henrietta. She, coincidentally, spent some time in Gainesville with her grandparents in 1978-79 and then again in the '90s when

she attend school in Callisburg. She attended Wichita Falls Rider High School and was later a pre-med student at Midwestern.

Both Mark and Amy enrolled at the University of North Texas Health Science Center at Fort Worth Medical School. They were married in July of 1995.

Klein completed requirements for his doctor of Osteopathic Medicine degree in June of 1997. He performed his internship at John Peter Smith (JPS) Hospital in Fort Worth in 1997/1998 and completed his Family Practice residency at JPS this past June.

Klein was named the Family Practice Teaching Resident of the Year by the John Peter Smith Residency and Faculty Program.

Making the choice to specialize in family practice was an easy one for Klein. "I liked all the medical school rotations, therefore I liked the variety family practice provides," he said.

Klein and his wife looked at several communities keeping in mind that they wanted a town that was close to Fort Worth where Amy is completing her medical studies. She should complete

her training in obstetrics and gynecology in the summer of 2003. She has already committed to becoming a partner in the practice of Gainesville OB/GYN Roane McLaughlin, M.D.

Dr. Klein will be doing everything within the scope of family practice - geriatric care, obstetrics, pediatrics - as well as some minor surgeries, including endoscopy. Klein noted that a D.O. is training the same as and M.D. and the only difference according to Dr. Klein is that a D.O. is an M.D., physical therapist, and chiropractor in one.

A bonus that Klein will offer area patients is his unusual office hours. Klein will see patients, with or without appointments, Monday through Thursday from 1 to 9 p.m. and Saturday from 9 a.m. to noon. He hopes to meet the needs of Friday night gridiron warriors with his Saturday clinic. An accomplished athlete, Dr. Klein offers experience in sports medicine.

The McLeroy-Lewis Clinic is located at 1625 North Grand Avenue in Gainesville. Call (940)665-9863 for an appointment or more information.

# Yesterday's work of hands builds bridges today

By Stephen Bonin

More than a half century ago in Muenster a kind, talented woman named Eppie Fletcher tatted handkerchiefs and other linen items. These works of her hands became treasured wedding, baptism and other occasion gifts for many townspeople.

Today, some of your new neighbors in Muenster are enjoying her legacy; around town they are greeted with enthusiastic expressions such as, "I still have that precious linen kerchief tatted by Mrs. Fletcher."

The new neighbors we speak of are Eppie's son Jack Jr., his wife Rhea, their daughter Jennifer Sue, and another daughter Sara, who is married to Randy Bell. The Bells have two sons being homeschooled: Ricky, 12, who thoughtfully, with prize money, bought his grandparents some bicycles for their Muenster neighborhood riding pleasure, and Craig, 6.

Escaping the frenzied pace in Highland Village was a primary motive for this extended family to move. Wonderfully, in just a few months, the return to Jack Jr.'s boyhood home has brought joys abounding in terms of the small, yet progressive, town environment with many friendly people who remember his parents and their impact on the community.

One of those people with happy memories is Elfreda Fette, busy *Enterprise* writer, who as kindergarten teacher received splendid gifts of Mrs. Fletcher tatted from her students. In addition, Elfreda treasures a "His and Hers" sheet and pillow case crafted by Mrs. Fletcher and given as a wedding present.

Jack Jr. and Rhea are gregarious, having garnered success in a field that needs this type personality-real estate. For 30 years Rhea practiced the philosophy that "The customer is always right" as she exercised what she considers "God-given talents."

Ascending the ladder of responsibility provides memories of satisfaction. Elected to her local Board of Realtors twice, she served as president two years.

"We elected her because she was sick in the hospital!" Jack Jr. jokes. Obviously Rhea made the best of it. She went on to serve on state-level committees, becoming vice president of the Texas Association of Realtors and serving on 11 boards in Region IV, including the District Board of Realtors.

"I traveled, helped them with their problems. It was MY privilege to be part of the committee to locate the office for Texas Association of Realtors in Austin, southwest of the Capitol," she said, adding, "a very special, down-to-earth person, Marcy C. Gay, of Denton" was a Denton real estate leader "who encouraged me to aspire higher."

When thinking about another state real estate leader, Rhea and Jack Jr. revisit a delightful practical joke.

Anticipating the speech of a notoriously long-winded speaker, the Lewisville Board of Realtors hired a belly dancer to magnetize the attention as soon as he started. His droning on unnecessary facts and figures would not be tolerated this time!

Playing matters safely, Rhea asked the speaker in

the car after she and Jack Jr. picked him and his wife up at the airport. "Are you real broad minded?"

"Yes, he is!" his wife spoke for him.

And so it came to pass. When the monotonous speaker started pontificating that night, the bold, ethnic music signaled something surprising! Her wiggle-wiggle entrance was accompanied by Rhea's assertive "Sit down" to the upstaged speaker.

Laughing about that night once again, Rhea said, "It was the best thing that could have happened!" He took the joke well, and he did not try to follow the dance with his own parade of dryness.

Rhea has taught real estate courses 11 years. "I enjoy teaching continuing education and hope to continue here, perhaps with the college," the energetic grandma said. "My

real love is in teaching the course 'How to Pass Your Real Estate Exam'."

In 1975, Jack Jr., who has and is currently working in security in Denton, obtained his real estate brokers license, continuing with his wife until 1989. The couple were married on Easter Sunday, 1951, one day after his graduating from the Texas Department of Public Safety Academy. In 1957 they moved to Denton, where he worked as a state trooper.

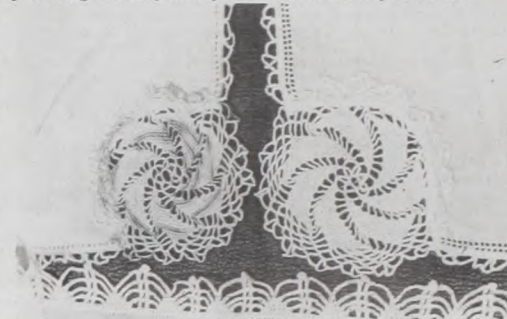

Jack Fletcher Sr. also holds a beloved spot in many Muensterite's hearts. Elfreda, for example, recalls how her father and Jack Fletcher did rural mail carrying together in Marysville, in Freemound, and in the Forestburg area.

When the Fletchers originally moved into Muenster in 1942, Jack Sr.'s mail route increased from 30

to 70 miles!

Besides these exciting connections, there's even one more. In 1978 Rhea was sent to a Muenster woman practicing dentistry at Baylor.

That woman is Elaine Schilling, with whom and whose husband Dale Rhea and Jack Jr. have become close. Ever since, Rhea has been treated by noone else.

## Muenster Junior High forms new student council

The 2000-2001 school year began at Muenster Junior High with a newly formed student council. Officers of the council include Sean Fuhrmann, president; Clint Miller, vice-president; JoAnna Felderhoff, treasurer; Ryan Fuhrmann, secretary; and Malcom Martin, parliamentarian. Student council representatives are the class officers and representatives include Malcom Martin, president; Derek Endres, vice-president; Chris Steelman, treasurer; and Jenna Felderhoff, secretary. Eighth grade class representatives and officers include Tara Swirczynski, president; Adam

Vinson, vice-president; Shelby Jolliff, treasurer; and Derek Felderhoff, secretary. The student council officers were elected at the closing of the last school year, and the representatives were elected at the beginning of this school year.

In August, Michael Hasseloff, a former Gainesville High School student council president and currently a senator at UT at Commerce, spent a Saturday morning training the members for future challenges and responsibilities of being student council members. Hasseloff concentrated on parliamentary procedure, constitutions, and suggested

projects. The student council has many projects planned for the year to promote spirit by sponsoring a door decorating contest, locker decorating, sidewalk decorating, face painting, and red and white Thursdays. A planned service project is to adopt a needy family of Muenster, at Christmas. Fund-raisers include the Fall Book Fair and cleaning up the Hornet Field after the football games.

The Muenster Junior High Student Council was created to encourage student leadership skills and to give MJH students an organized forum for problem solving.

## Fund-raising campaign held by Sacred Heart students

Sacred Heart students are participating in two fund-raising projects this fall and are appealing to parents, teachers and friends in the community to support their efforts with the Campbell's Labels for Education drive, and secondly in the General Mills Box Tops for Education drive.

Both programs are coordinated at Sacred Heart School by Michelle Knauf. She may be contacted at Sacred Heart School, 759-4121, or 759-2511, ext. 36, or by writing to P.O. Box 588, Muenster, TX 76252.

By collecting and redeeming Campbell's product labels, Sacred Heart School will earn educational and athletic

equipment, such as computers, audio/visual equipment, reference books, or even a minivan. Eligible for redemption are Campbell's Soups; Franco-American Spaghetti O's; Prego sauces; Swanson broths and poultry; Pace salsa and picante sauces; V8 and tomato juices; V8 Splash juice; Pepperidge Farm bread; Goldfish and Food Service products. All schools in the U.S. and U.S. military installations are eligible to participate.

Secondly, by collecting and redeeming General Mills Box Tops For Education, Sacred Heart students will raise money to purchase materials for the school, which gets 10 cents for each box top collected. The entire

community is encouraged to help by saving General Mills Box Tops For Education logos. The program is expanded to include Betty Crocker products. Box tops will be available on over 330 General Mills products, cereals, Betty Crocker fruit snacks, Betty Crocker desserts, main meals and side dishes, Yoplait Go-Gurt yogurt, and Lloyd's barbecue buckets.

Send or take box tops to the two above addresses given.

## Eight Sacred Heart School students visit Cameron University - music scholarships offered

Eight Sacred Heart students visited Cameron University in Lawton, Oklahoma on Thursday, Sept. 21. Cameron is a relatively small university of about 4500 students, 45 miles north of Wichita Falls. Among the programs of prominence are: Music, Army ROTC, Mass Media and Communications, and Nursing-Pre-Med. Participating in the campus visit were: Jon Yosten, Travis Fuhrmann, Mike Miller, Nick Taylor, Diane Becker, Ken Grewing, Elizabeth Fette, and Dana Miller. After a general information briefing on

admissions and financial aid, the students took a campus tour, and then were treated to lunch by the Student Recruitment Office.

Three of the students were invited to try out for Music Scholarships. Dana Miller, Elizabeth Fette, and Diane Becker were successful in their voice performances, and were offered scholarships to Cameron University if they majored or minored in Music, and performed with their nationally recognized choir. Accompanying the students was Mr. Joe Caserta.

## Tigers crush Crusaders

The Sacred Heart Tigers put another mark in the win column last Friday taking a conference win, 35-8 over the Balch Springs Christian Crusaders.

The defense played a good game again and the offense moved the ball well, but to continue winning, we have to get more consistent offensively," noted Coach Kris Hogan. "Thought we played a good game in our special teams."

Sacred Heart's offense began action on their 36 yard line. Two short runs and a pass from Luke Endres to Jared Zimmerer quickly moved the Tigers to the Crusader 20 yard line. Chris Smith carried the ball to the four, then the two yard line. Two plays later Endres got into the end zone, but a holding flag brought the ball out to the 14. An Endres to Zimmerer pass put the Tigers on the scoreboard with 8:19 on the clock. The extra kick failed for a 6-0 score.

Tackles by Thomas Whitecotton and Jeff Hartman and an incomplete pass forced a Balch Springs punt to the 50

The Tiger offense couldn't get out of the hole they were in and punted. Balch Springs got a drive going, moving into Tiger territory until tackles by Grewing, Keith Felderhoff, and Whitecotton, and an unsportsmanship flag gave the ball to Sacred Heart. Four plays later, the Tigers fumbled and Balch Springs ran out the remaining play time to the half-time break.

Whitecotton, Matt Donohue, and Hartman assisted in forcing a Crusader punt as the third quarter got underway. Beginning on the Crusader 25, runs by Smith and Felderhoff moved the line to the 8 yard line. Smith gained another 5, then on fourth and goal, Keith Felderhoff scored with 7:09 on the clock. The extra run failed for an 18-0 score.

The Crusaders first play after the kick was fumbled. Jeff Hartman covered. Four plays later Sacred Heart threw an interception, then held the Crusaders, forcing a punt.

From midfield, Luke Endres turned a fumbled play into a 10 yard run. The next play Chris Smith broke tackles and scored

gave a 32-8 score with 7:44 remaining in the game.

Keith Felderhoff then returned the kick 72 yards to the 4 yard line. Unable to find the end zone, the Tigers settled for an 18 yard field goal by John Knabe with 5:56 on the clock.

The Crusaders got in two plays, when the game was called with 5:08 remaining on the clock due to an injured Balch Springs player.

yard line. Smith ran for 9 with a late hit penalty quickly moving the ball to the Crusader 26. The Tigers again went airborne with Endres hitting Johnathan Yosten for a touchdown. The extra run failed for a 12-0 Tiger lead with 4:41 remaining in the first quarter.

Balch Springs fumbled on the kick return. Travis Fuhrmann covered on the 18 yard line. The next play, the Tigers lost control of the ball and the Crusaders recovered.

The teams exchanged possessions, with Balch Springs offense taking the ball into the second quarter. The Crusaders moved from their 18 yard line to the Tiger 6 in six plays. An incomplete pass, two penalties, a Kenneth Grewing tackle, and a 13 yard loss on a fumbled play forced a punt.

on a 40 yard run. John Knabe booted the extra point for a 25-0 Tiger lead with 2:27 still on the third quarter clock.

The Crusaders next drive began on their 15. Tackles by Felderhoff and Grewing forced a punt. Jeff Hartman blocked the attempt, then covered the ball in the end zone for 6 points. Knabe added the extra kick for a 32-0 score with 40 seconds remaining on the clock.

Again the Tiger defense held, taking over after four plays. Two plays later, Sacred Heart fumbled, then Thomas Whitecotton intercepted a pass, then the Tigers fumbled again.

Things didn't settle down. After holding the Crusaders for four plays, a Balch Springs runner stole the ball out of a Tiger's hands and ran around 66 yards for a touchdown. A pass play on the extra points

### Next Action

The Tigers travel to Lakehill for district game number two. Coach Hogan believes that Lakehill is just like Sacred Heart. "We have two teams with the same philosophy. They believe in stopping the run and then running the ball as we do. Something has to give," said Hogan. "This is one of the biggest games of the season, without a doubt. We really need to win to reach our goal to get in the playoffs." Coach concluded, "It should be an exciting game to watch. We're looking forward to the challenge to prove ourselves against this district rival."

Lakehill beat Fort Worth Ambassadors 34-13 last week for a season record of 3-1. Action begins at 7:30, following a junior high game which starts at 5 p.m.

## HORNET HOMECOMING ... continued from pg. 1

Royalty during the half-time coronation. These former Hornets include Danny Felderhoff, Justin Fleitman, John Flusche, Randy Grewing, Craig Hartman, Darren Hennigan, Angel Hernandez, Jeff Klement, Josh Luke, Jason Lutkenhaus, Bryan Miller, Jim Stoffels, Casey Walterscheid, and Justin Walterscheid. Jackie Henscheid, the 1999 Homecoming Queen will crown the new queen and present her with a dozen red roses from the MHS Student Council.

Queen candidates include Kacie Garcia, daughter of Sherrie and Andy Garcia, and granddaughter of Mary Lou and Leo Hess; Megan Hennigan, daughter of Mike and Janie Hennigan; Mary McCourry, daughter of Bill and Kathy McCourry; and Kristin Smith, daughter of T.J. and Karen Thomas. Class princesses include junior

Krystal Hale, daughter of Debbie Endres and the late Kim Hale; sophomore Kami Klement, daughter of Wayne and Tudor Klement; freshman Kristian Koesler, daughter of Rudy and Martha Koesler. MHS students elected this Royal Court in class elections earlier this school year.

Homecoming week will begin Saturday, Sept. 30 from 2:00 to 6:00 with a school-wide decorating contest. Monday, Oct. 2, will be Opposite Day in which football players, band members, cheerleaders, etc., dress up as something they ARE NOT; Tuesday, dress up as a Hornet and also decorating desserts with "Spirit"; Wednesday, Favorite football team dress up day. Each high school grade will perform a cheer and a chant at Wednesday night pep rally; Thursday, Spirited hair day and best decorated locker

contest; Friday, red and white day. Friday afternoon, the Hornet varsity and junior high cheerleaders will lead a school-wide pep rally in the new Hornet Gym. Senior football players will present Homecoming mums to each queen candidate and princess. Hornet fans are encouraged to attend this Homecoming pep rally as well as the Liturgy on Wednesday, Oct. 4, at Sacred Heart Church at 6:30 p.m. which will be followed by a pep rally at approximately 8:15 p.m. in Hornet Stadium, weather permitting.

A dance in the school's old gym for Muenster ISD students grades 9-12 concludes this year's Homecoming festivities. The school and Student Council are providing music until midnight by Sound Waves. Soft drinks and pizza will also be served. Admission is free to Muenster ISD students.

Hornet quarterback Mitch Endres keeps the ball and heads through the opening made available by the offensive line. The play was Muenster's lone touchdown against Callisburg. Blockers pictured include Derek Elliott (12) and Grant Hartman (55). Photo by Janie Hartman

## Callisburg hands Muenster third loss

The Muenster Hornets remain winless three weeks into the season, falling to the Callisburg Wildcats last Friday night. It was a defensive battle with too many mistakes, penalties, and turnovers, that ended in a 9-7 score.

"We fumbled away another win," commented Coach Gordon Martin. "The defense played good. I was very pleased with their effort."

The first quarter of action passed quickly, with Muenster getting only nine total offensive plays moving into the second quarter, where a fumbled ball gave Callisburg possession on the Hornet 39. After several flags and a few plays, the Cats attempted a field goal that fell short.

Muenster once more couldn't get 10 yards and punted. Holding Callisburg on 4th down, Muenster blocked the punt, but the play was nullified by another penalty. After the second chance punt, Muenster was placed deep in their territory on the 10. The Hornets gained only two yards and were forced to punt from the end zone. A short hike caught the punter's knee on the ground and gave Callisburg two points from a safety with 1:21 remaining in the first half.

The free kick return was fumbled by Callisburg and Elliot Klement covered for Muenster at midfield. Mitch Endres gained 14 yards, but three penalties and a 12 yard loss quickly put the Hornets in a 4th and 35, ending the first half of play.

A fumbled ball on the 3rd quarter kick was picked up by Callisburg and run into the end zone, but a flag brought the ball to the Hornet 20. The next play Kevin Miller waltzed into the end zone. Allan Barber kicked the extra point to give the Wildcats a 9-0 lead with just 27 seconds off the clock.

Muenster got a drive going with two runs apiece by Cody Cory and Endres, a pass completion to Chisam Cain and two flags to assist in moving from the Muenster 25 to the Callisburg 30. The drive ended when Muenster fumbled the ball.

The teams exchanged punts, then Callisburg got inside the Hornet 14. Muenster's defense held the Cats to minus yards, stopping the drive on 4th and 22, taking over on their own 16.

Two runs and a pass completion by Cory carried Muenster into the final quarter. Josh Freeman then picked up 8, Endres 7, and Derek Elliott 9 to the Callisburg 49. On 4th and one, Elliott got in a 14 yard run to the 32, but a penalty backed

them up to the 42. The Hornets came up 12 yards short, giving the ball to Callisburg on downs.

The Hornet defense again held the Cats, forcing a punt. From midfield, Cain caught a pass for 10 yards, then Endres broke away for a 42 yard touchdown run. Endres added the extra kick for a 9-7 score with 5:14 remaining in the game.

Muenster's attempts to get the ball back failed, as Callisburg killed the clock, pounding nine runs at the Hornets before taking a knee three times as the seconds ticked away.

The Hornets travel to Collinsville this week to take on the Pirates of District 16-A. Collinsville is bigger, faster, and stronger this season, with

victories over Frost, Aubrey 28-0, and Alvord 46-0, and a 0-27 loss to Whitewrite last Friday. "They are very quick with big linemen," noted Coach Martin. "Their overall quickness is amazing. We better generate lots of offense if we expect to beat them."

Action begins at 7:30 p.m. at Collinsville.

## Football Contest ends in tie

Week three's football contest ended in a tie with Mike Stoffels and Jon LeBrasseur each missing only one game. Mike picked Petrolia and Jon Collinsville. In the tie-breaker both missed the final score by 25 points, so the \$25 weekly prize will be shared by the two. Coming in with 5 wrong picks were Charles Edwards, Marty Farrell, and Carol Grewing. Guessing 14 were Joseph Davis, Mickey Haverkamp, Mark Grewing, and Barbie Barnhill. LeRoy Buddy and Ted Heers each missed seven. The low score for the week was 10.

There were 28 entries in last week's contest. Everyone correctly picked Saint Jo and Valley View. Twenty-six missed Era's loss, while 23 were right with Sacred Heart. Fifteen went with Gainesville, nine with Muenster, and four with Lindsay.

## Muenster JH runners finish strong at Saint Jo Invitational

The Muenster Junior High Girls, led by 8th grade sensation JoAnna Felderhoff, claimed the Runner-up plaque at the Saint Jo Invitational Cross Country Meet held on Saturday, September 9th.

Felderhoff completed the 2-mile course in 13:43, easily outdistancing all other runners for the individual championship. Kallie Gerstberger, with an outstanding time of 14:47 came in next for Muenster with a fourth place overall finish. She was followed by 7th grade teammates Jenna Felderhoff (14:50) and Jace Koezler (15:23), with fifth and twelfth place finishes respectively. 8th grader Stevie Klement completed the team scoring for the Lady Hornets.

Great performances from the rest of the junior high girls' team came from Jenni Endres, Danielle Bindel, Kelly Endres, Megan Dangelmayr, and Lanella Muller.

Muenster's Junior High Boys claimed 3rd place at Saint Jo and were led by Sean Fuhrmann's 8th place overall finish. Fuhrmann, clocked at 13:31 on the 2-mile course, was followed by teammates Chris Steelman (14:41) and Malcom Martin (15:31). Derek Felderhoff (15:33) and Clint Miller (15:47) also scored for MJHS. Dustin Wimmer and Travis Felderhoff were also members of the third place team from Muenster.

The Muenster Junior High Girls also had a super meet at Valley View this last Saturday. Team totals, however, were not available as of press time. JoAnna Felderhoff fresh off of her victory at Saint Jo on September 9, completed the 2.2-mile course in 14:47 for a Third place finish individually. This was no small feat as there were 226 girls competing in the race! Kallie Gerstberger finished second for Muenster and was followed by Jenna Felderhoff, Stevie Klement and Jenni Endres also scored for Muenster, finishing fourth and fifth for their team. Also running well for the Lady Hornets were Kelly Endres, Danielle Bindel, Megan Dangelmayr, and Lanella Muller.

Five junior high boys ran for Muenster and Sean Fuhrmann led the Hornets with a time of 15:25, good enough for 30th place overall. Clint Miller and Chris Steelman finished next followed by Malcom Martin and Dustin Wimmer.

## Muenster CC teams run well at Ponder

Muenster High School, Junior High School, and Elementary were all represented well this last Saturday at the Ponder High School Cross Country Meet.

The Varsity Girls finished in fourth place behind SA Coppell, 4A Lewisville Hebron, and 2A Krum. The Lady Hornets were led by Brittany Haverkamp's (14:21) 12th place finish and Keri Felderhoff's (14:24) 14th place finish. Robyn Hermes (14:46) and Chelsea Felderhoff (15:01) came in 23rd and 29th place respectively. Kristie Lutkenhaus (15:34), Amanda Felderhoff (16:13), and Lisa Felderhoff (16:33) also ran well for Muenster.

### TEAM SCORING - VARSITY GIRLS

Muenster Elementary School was very well represented in the "Fun Run" division of the Ponder Cross Country Meet. Colton Steelman, Laura Heers, Elizabeth Martin, Megan Felderhoff, and Jackie Klement all made an outstanding showing by placing in the top ten of a field that was composed of over 50 runners! Also winning medals were Shaina and

Andi Felderhoff, Lia and Lana Heers, and Jacy Steelman, who all turned in super efforts in attacking the 1-mile course on a very hot and windy day! Congratulations to our future Hornets and Lady Hornets!

## Cubs conquer Crusaders

The Sacred Heart Cubs ran all over the young Crusaders of Balch Springs last Friday evening with a crushing 49-0 victory.

Sacred Heart took a 13-0 lead in the first quarter and never snapped the ball except for extra point kicks. The Cubs ran only seven plays from the line of scrimmage in the entire game.

Balch Springs took the opening kick, but tackles by Chris Hoedebeck and Clayton Truebenbach forced a short punt. Hoedebeck returned the

ball 37 yards for a touchdown. Hoedebeck then kicked the extra point for a 7-0 score with 5:06 on the clock.

Again the Cub defense held the Crusaders, led by Andy Davis, Adam Dangelmayr, and Jacqueline Bauer. Punting on 4th down, Hoedebeck again returned the kick for a touchdown. The 46 yard run gave Sacred Heart a 13-0 lead after the PAT failed. Two minutes remained in the first period.

Again the Cub defense ruled the field, holding Balch Springs to a minus 13 yards. Paul Bartush and Bauer led the attack. As the second quarter began, the Cub offense finally took to the field. Aaron Krahl got a 30 yard run, but a penalty brought the ball back. Krahl got 10 yards back, then on 2nd and 5, Bartush completed a pass to Truebenbach for another 6 points. The 2-point conversion failed for a 19-0 score with 5:52 remaining on the clock.

The next play, Balch Springs fumbled. Andy Davis covered on the Crusader 22 yard line. With a single snap, Krahl scampered into the end zone. The PAT run by Hoedebeck extended the Cub lead to 27-0

Muenster's defense, led by T. Walterscheid, K Endres, D. Walterscheid, and Cameron Walterscheid forced a punt. Muenster fumbled the attempted return, allowing Callisburg to take over 32 yards from the end zone. T. Walterscheid, Freeman, C. Walterscheid, and Colby Newton held the Cats on two runs, but on third down, a wide open receiver completed a pass for 6 points. The PAT kick counted for a 19-0 score with 6:26 remaining in the 3rd period.

Hiser returned the Cats' kick to the Hornet 34, but Muenster couldn't get 10 yards. Ledbetter's boot rolled to the fourth yard line. Two plays later Newton covered a loose ball on the 19 yard line. Four incomplete passes gave the ball back to Callisburg, but a fumble in the backfield was covered by T. Walterscheid putting the Hornets in scoring distance on the 10.

Freeman picked up 3, but a quarterback sack lost that gain the next play. Two passes fell incomplete, and the Hornets turned the ball over on downs. C. Walterscheid, Hiser, and Kevin Gann's tackles were followed by M. Endres causing a fumble. C. Walterscheid covered and the Hornets took over on the Callisburg 30. Freeman ran twice for 9 yards to end the quarter. A Hiser run up the middle on 4th down took Muenster to the 12. Three plays later, Callisburg intercepted a pass on their 19 yard line. The Cats slowly moved the ball with Ricky Endres, Hiser, Felderhoff, Karl Fisher, and C. Walterscheid all getting tackles. Daniel Russell broke up a pass and Callisburg punted.

Muenster's offense couldn't move. A short punt put Callisburg on the Muenster 32. Russell saved a touchdown, stopping a break-away runner on the 14 yard line. Tackles by K. Endres, Nathan Sicking, M. Endres, Joseph Dangelmayr, and C. Walterscheid held the Wildcats to no gain. On 4th down, Callisburg just let the clock run out, handing Muenster their first loss, 19-0.

with just 30 seconds off the clock.

Again Balch Springs fumbled at the first snap, with David Walterscheid covering on the 11 yard line. Bartush carried the ball to the one yard line, then into the end zone for another touchdown. Bartush then added two more points. With 4:30 remaining in the first half, Sacred Heart had a commanding 35 point lead.

Both teams got in runs before the half-time break.

Chris Hoedebeck took the 3rd quarter kick, returning it 75 yards for a Sacred Heart touchdown. Hoedebeck kicked the extra point and the Cubs had a 42-0 lead with 5:41 on the clock.

Again the Cub defense, led by Truebenbach and Bauer, didn't allow a first down. Again the Crusaders punted, and again Sacred Heart returned the punt for a touchdown. Neil Bayer's 36 yard run and Hoedebeck's boot put Sacred Heart in a 49-0 lead with a minute remaining in the 3rd quarter.

Time ticked off the clock quickly the final period of play, with Balch Springs' offense getting in 8 runs before the game ended.

# Knights battle Bearcats

The Lindsay Knights faced a big challenge last Friday when the high-ranking Pilot Point Bearcats of District 12-AA invaded Knight Field.

The battle saw the Cats score first, then the Knights tie the score twice before taking a 17-14 half-time lead. Pilot Point then took advantage of a Lindsay fumble to regain the lead and topped their 28-17 victory with a 94 yard scoring run.

"We played very well," noted Lindsay Coach Charlie Meurer. "We made an error in the 3rd quarter that changed the outcome of the game. Our offense moved against a good team, but had trouble against one athlete."

Lindsay's offense began their first drive on their 19 yard line. Runs by Brad Minnix and Nicholas Fuhrmann, assisted by a few penalties, carried the Knights to the Bearcat 22, where Lindsay came up a couple yards short, losing the ball on downs.

Pilot Point's Scott Deckard ran 64 yards to the end zone, but was called back on a violation. Four plays later, the Cats found the end zone again. Brad Baca scored on a 1 yard run with Joe Calhoun adding the extra point for a 7-0 score with 5:47 on the clock.

Nathan Bruce returned the kick 23 yards to the 28 yard line, but Lindsay was forced to punt on 4th and 13. The next play Minnix forced a Cat fumble that Michael Kendall covered on the 46. Again Lindsay's offense struggled and punted. Tackles by Jonathan Bengfort and Minnix put Pilot Point in a 4th and 17 predicament, punting to the Fuhrmann, who returned the ball to the Bearcat 22 yard line.

and 10. A short tap put Lindsay on the Cats 32.

Fuhrmann, Shauf, and Minnix each gained 4 yards. From the 20, Minnix got another 2, then a Fuhrmann to Bengfort pass carried the Knights to the 7. Fuhrmann moved to the 2 and Minnix went in for the score. Minnix added the extra kick and with 30.5 seconds on the clock, Lindsay again tied the game.

Josh Goldsmith caused Pilot Point to fumble and then covered the ball giving Lindsay the ball on the 33 yard line. The Knight offense went to the air. The first pass was incomplete. The second, Fuhrmann hooked with Minnix to get the Knights to the 11 yard line. With no time on the clock, Brad Minnix kicked a 28 yard field goal to give Lindsay a 17-14 half-time lead.

As the third quarter began, the Knights had a hard time keeping hold of the ball. On the second play of the period a fumbled ball set up the Bearcats next score. Taking only three plays to move 37 yards, Rickey Jackson scored on a one yard run. The PAT failed for a 20-17 score with 10:21 remaining in the third quarter.

The Knights again lost control of the ball, throwing it away to a Bearcat defender. A penalty and an incomplete pass followed a 50 yard punt on the 4th and 19 for Pilot Point, dropping the Knights deep on their 5 yard line. Minnix and Shauf gained 11, then Minnix took off for a 37 yard gain. Three short runs came up short and the Knights punted. Four plays later Tommy Arendt covered a loose ball, but the Knight offense couldn't get a gain and punted again.

**TURNOVERS:** Michael Kendall, Josh Goldsmith, Tommy Arendt.

**Next Action**  
 The Knights will host the Valley View Eagles for their Homecoming game this Friday. Pre-game festivities will begin at 6:55 p.m.

Valley View has a winning streak coming to Lindsay, outscoring their first four opponents 150-38. The Eagles have won over Alvord, Anna, Paradise, and Tom Bean.

"Valley View is a very good football team. Solid all the way around," noted Meurer. Action begins at 7:30 p.m.

A Fuhrmann to Minnix pass gained 4 with Bruce adding 3, and the first period of play ended. Fuhrmann got a first down at the 6 yard line as the Knights edged their way closer to pay dirt with short runs by Skyler Shauf, Minnix, and Fuhrmann. On 4th and goal, Brad Minnix powered his way over the line for a Lindsay touchdown. Minnix added the point after to tie the game 7-7 with 9:52 on the scoreboard.

The Bearcats got in a few good runs before the Knight defense shut it down, forcing a punt. A mix-up on the punt return gave the ball back to Pilot Point on the 23 yard line. Two plays later Deckard scored on a 5 yard run. Calhoun kicked the extra point, giving the Cats a 14-7 lead with 5:49 remaining in the second quarter.

Lindsay couldn't make a gain. Fuhrmann's 54 yard punt landed the Cats on their 17 yard line. The Knight defense, led by Minnix and Fuhrmann made Pilot Point punt on 4th

On their 8 yard line, Bengfort dropped the Cats for a loss, but the next play, Baca raced down field 94 yards for a Cat touchdown. The extra run counted and Pilot Point took a 28-17 lead with 10:46 remaining in the game.

Lindsay punted on 4th and 7, then Pilot Point began to work on the clock, running a dozen plays before being stopped with 3:48 on the clock.

From their 18, the Knights moved down field with runs by Minnix, Shauf, and Fuhrmann, but when they reached midfield the drive ended with another fumble. Pilot Point killed the clock and took home the victory.

## Water a breeding ground for fire ants

The imported red fire ant is a hassle for many Texans. People who live near bodies of water, however, may face a bigger problem than an occasional infestation.

Fire ants need water to survive, but using pesticides around these areas poses dangers of water contamination. However, taking simple precautions when using insecticides around ponds, creeks and other water sources can reduce potential harm to fish and other aquatic organisms, according to the Texas Agricultural Extension Service.

The Extension Service promotes the two-step method for fire ant control. First use a broadcast bait throughout the entire lawn once in the fall and again in the spring. Then follow-up with individual mound treatments in high-traffic areas such as playgrounds and walkways.

Fire ant products contain extremely low amounts of chemicals and can be applied near, but not directly to, water. To scatter broadcast bait safely, use a hand-held spreader while keeping your back towards the water. This reduces the likelihood that you will broadcast material directly into the water.

When treating individual mounds near water, be careful in deciding which product to use. Use products containing acephate, which are low in toxicity to marine life.

Be careful when disposing of unused chemical and containers. When rising equipment, use the rinse water to treat additional mounds.

### Conserve energy

Energy Reducing tips for the household: Make sure doors fit snugly in the frame. To check for cracks, shine a flashlight at night around outside doors. If you see light, you need to weather strip.

**Legal Notices**  
REVISED  
NOTICE TO BIDDERS  
Project: Concrete/Masonry Work  
Saint Jo Independent School District  
Drawer I  
Saint Jo, Texas 76265  
Telephone: 940-995-2668

Sealed proposals will be received by the Saint Jo Independent School District for three (3) concrete/masonry projects on property owned by the Saint Jo Independent School District. Each project consists of furnishing all labor, materials, equipment, and building systems as required by plans and specifications. All sealed proposals will be received at the Superintendent's office until 4:00 p.m., C.D.S.T., Tuesday, October 10, 2000. Proposals will be publicly opened and read aloud at 4:10 p.m. Any proposal received after closing time shall be returned unopened.

Proposals will be accepted for each of the three (3) projects individually and/or for the three (3) projects under one (1) comprehensive bid. A Bid Package/Project Manual may be obtained by qualified contractors from the SJISD Superintendent's office. Projects are described as follows:

Project 1 - New Marquee Sign support and brick frame  
Project 2 - Old High School Sign support and brick frame  
Project 3 - Repairs to old rock walls on district property

No proposal may be withdrawn within thirty (30) days after the actual date of the opening thereof. The Saint Jo Independent School District reserves the right to reject any and/or all proposals and to waive all formalities in bidding.
