Fun events planned for street rod visit

by Janet Felderhoff

It's street rod time again. The Top Tin Street Rod Show is coming to Muenster on Saturday, Nov. 10 from 11 a.m. to 4 p.m. This year the Muenster Chamber of Commerce has a number of activities scheduled to provide entertainment during the club's visit.

Arts and crafts will be offered on Main Street north of the old Klement Ford building. There will be a variety of games including a pie throwing contest, dart throw, duck pond, toilet toss, and the opportunity to make your own craft. Other entertainment includes clowns, face painting, and balloon sculpture.

Hess Furniture is sponsoring a Flow Blue display, Dining With Flow

Blue, from 9:30 a.m. to 3 p.m. There will be complete place settings, serving pieces, tea service, and dessert service in the Scinde pattern. Flow Blue was potted in England from 1835 to 1860 for Americans who couldn't afford china. It was used as everyday dinnerware. The Flow blue will also be on display on Monday, Nov. 12 from 9:30 a.m. to 5:30 p.m.

Bill Hogan is entertaining from noon until 1:30 p.m. Sacred Heart High has a Robotics exhibition planned for 1:30 p.m. and 2:30 p.m. It will be in the high school science lab.

Campfire Girls Trailblazer Group has a bake sale from 11 a.m. until 4 p.m. that day at Fischer's Market.

Ag business workshop offers rural tourism business opportunities

by Janet Felderhoff

Muenster's Economic Development Board sponsored a workshop on how to take the area's existing agricultural business and possibly do some conversions into some higher profitability enterprises and how to take advantage of tourism in the city as an economic advantage to businesses. It was titled "Community, Business Finance and Tourism."

Dr. Sherry Dragoo, director of marketing and economic development for North Texas led the workshop. "Marketing, finance and agri-business talks about the various components of our agency

and what we do," said Dr. Dragoo. "Our ultimate goal is to market Texas agricultural products and some of the by products of that are supporting ranchers, farmers, supporting rural communities because they support farmers and ranchers; they are the hubs for those folks."

Dragoo told of the Go Texan logo campaign that identifies products made in Texas. It was initiated by Susan Coombs, Texas Agriculture Commissioner, and is used on products marketed both in the US and overseas.

Some of the goals of the Finance and Agribusiness Development area included

Dr. Sherry Dragoo speaks on benefits of various agricultural related businesses. Photo by Dave Fette

promote and encourage job creation and or business growth, said Dragoo. She said she feels that some of the monies would go to rural communities to promote businesses. She described grant and loan possibilities.

Kathy Keeler of the North Central Texas College Small Business Development Center said they provide a service to entrepreneurs who are looking to start a business. She said if you have a business idea and want to do something about, some to them and they would talk with and help those interested. "A very important part of your business is actually putting your ideas and thoughts down on paper," remarked Keeler. "Anytime that you start a business if you don't know where you're going or where you want to be, it's like a road map on how you get there."

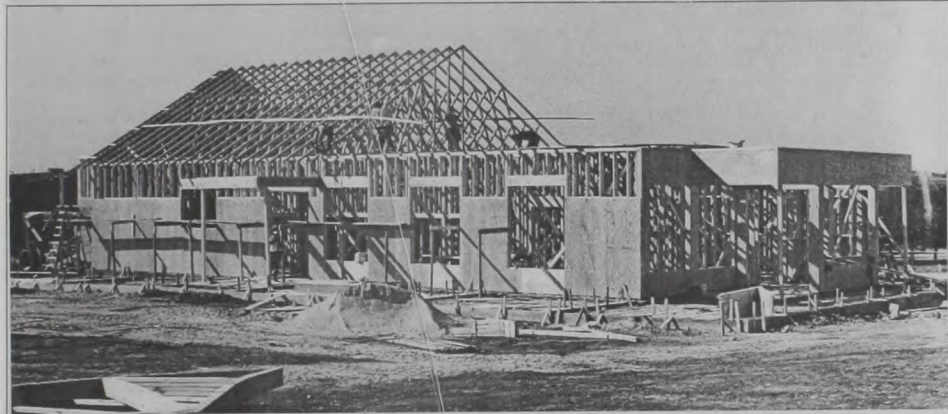

"We can provide technical assistance, help you research your idea. We have a lot of resources."

Jim Dillard of Texas Parks and Wildlife spoke on tourism possibilities. "Nature based tourism tends to define responsible travel to natural areas which preserves the environment and improves the welfare of local people,"

said Dillard. "It is tourism based on the natural attractions of the area. It may be hunting, fishing, wildlife, parks, many other things. These tourists are interested in the diversity of natural and cultural resources. They want what is real and they want to be immersed in the rich natural, cultural, and historical experience."

Dillard said that interest in nature tourism is growing in Texas and people should look for ways to diversify. "As a state that's 97% privately owned, the wildlife resources of Texas are entrusted to the stewardship of private landowners," noted Dillard. He added that they try to provide information and technical assistance to empower landowners in Texas to manage wildlife for the public good, as well as for individually private gain. That might be leasing fishing and hunting or other recreation.

According to Dillard, in 1996 a survey of hunting, fishing, and wildlife associated recreation showed that fishing contributed 2.9 billion dollars to the state's economy while hunting contributed 1.4 billion and wildlife watching

Reiter reflects on New York tragedy

by Janet Felderhoff

"The heartaches out there are just overwhelming, one after another," said Paula Reiter of her recent experience on a business trip to New York.

Reiter of Era was asked earlier in the year to go to New York City in September by her employer, Dr. Neil Nedley of Ardmore. He had lectured there earlier on Preparing for Anxiety and Stress and was scheduled to speak there again on Sept. 13 and 14. Paula was asked to go a week earlier and visit with office managers and others to make them aware of the seminar and what it was about. Dr. Nedley made this request because he felt the people there were so overwhelmed with materials that they didn't have time to read about it.

This made Paula anxious. She'd never been to New York and didn't know where to start. He told her to visit the Trade Towers and other places in the area.

As the time for the trip neared she still didn't feel comfortable with going. She would have left Sept. 9. On Aug. 21 they decided to cancel the trip. Dr. John Anderson of New York asked them if they would come at another time. She agreed, but didn't set a specific time.

When the Sept. 11 tragedy occurred in New

Paula Reiter, at left pauses to study memorial in New York set up for those missing in the September 11. Courtesy photo

York Dr. Nedley asked her to contact Dr. Anderson to see if he was all right. He was but asked if Dr. Nedley would come to New York to help the people who were affected by the tragedy.

"Then I had no longer a fear to go even though the airlines were having all the troubles," remarked Paula. "I just fretted about going before, but when it was actually time to go I had total peace of mind. I needed to go and that was it. I didn't feel scared on the plane." She went out with a

team of six, which included her daughter Kerri, a college student. Paula went to Wall Street and to businesses in the Ground Zero area that were still open. Other volunteers visited FEMA, Red Cross, etc. to invite them to attend the Grief seminar Dr. Nedley was going to present. "We went out there to try to help one person from each business so that those people could go back and help their fellow employees," said Paula.

While in New York City

Paula and the other volunteers heard many stories and experienced a little bit of what the residents and workers in the Ground Zero area were dealing with.

The trip took place a month after the Sept. 11 tragedy. Smoke and the acrid smell of burning paraphernalia from the Twin Towers permeated the air. "As we were walking along the streets there we noticed how the powdery cement type stuff collected

on our shoes and on our clothing," Paula noted. "We'd always look kind of dusty. It collected in our mucous areas, our eyes, our nose, our throat. You couldn't clear our throat enough to swallow hardly. The smell of burnt rubber, motors, wire, I don't know. It's a real strong odor that burned around your nostrils. When you'd go at night to take your shower and wash our hair you'd have that smell again. Those people are living with

that daily." Communication was done with cell phones since all phone lines in lower Manhattan were down.

Paula said that as they walked downtown little pellets of something would hit them in the face, especially on windy days. "You'd just be pelted in your face and have to cover your eyes until you adjusted to the wind blowing on you," she recalled.

Paula recalled being

Keep Muenster Beautiful hosting tree sale Saturday

Beautifuling the community with quality trees will help Muenster win another \$65,000.00 for additional community beautification projects. To help the community with tree planting, Keep Muenster Beautiful is hosting a tree sale this Saturday from 9:00 AM until 1:30 PM, as long as the trees last. Desirable, container-grown 6-gallon Paper Shell Pecan trees will be sold at the Keep Muenster Beautiful Park on Main Street across from Sacred Heart Catholic Church. The trees will be sold for \$19.00, which is only \$3.00 above wholesale price. The \$3.00

profit becomes a donation toward other Keep Muenster Beautiful beautification projects planned this spring.

When purchasing your tree, you'll have the opportunity to meet and ask questions of tree specialist Stick Lamar. Stick is the newest Keep Muenster Beautiful member and serves on the KMB Beautification Committee. He has volunteered to serve as the local Forester for Keep Muenster Beautiful and the City of Muenster.

This is the best time of the year to plant trees. Keep Muenster Beautiful is encouraging tree planting to beautify Muenster. Evergreen

trees that grow to the ground can be used to build "tree walls" that cover up unsightly areas. Planted along fence lines, they can hide junk yards, implements, dirt and gravel piles and other eyesores from public view and make the community much more attractive. Keep Muenster Beautiful must report the number of trees planted and submit photos of beautification projects when applying for the \$65,000.00 next April. You may contact Keep Muenster Beautiful to report your project and tree plantings at 759-2368 or write KMB at P.O. Box 327, Muenster, TX 76252.

Ag business workshop

Continued from Page 1

contributed 1.2 billion. Activities such as bird-watching, backpacking, photography, horseback riding, hiking, wildlife viewing, and canoeing are increasingly popular. "As nature tourism becomes an important part of the local economy, communities have additional incentives to conserve their remaining natural resource areas for wildlife and wildlife enthusiasts," Dillard remarked.

Texas Parks and Wildlife has a website for those who are interested in nature tourism. It is www.tpwd.state.tx.us.

Dr. Dragoo gave examples of a number of businesses that were ag related. One was a flower farm with greenhouse and or field production. On one such farm every single flower produced is bought by Central Market. It was noted that Central Market was opening in Fort Worth that very day. "It would be great to have local sources and not just specialty flowers, but wildflowers that are sold through your local florists and potentially supermarkets," said Dragoo. "Basically there is a huge market. Susan Coombs will get on her soapbox about our cut flower industry. The fact that 98% of our product comes from out of state in the floral industry. We have a huge market that we

Charles Henson tells how to make a living out of non-traditional agricultural businesses. Photo by Dave Fette

could really work on producing for."

Other suggestion included selling organic eggs and vegetables, wildflower seeds, rustic handmade furniture and fixtures, offering wild hog hunts.

Charles Henson, marketing specialist with Department of Agriculture, told of a couple who had several acres that they covered with irises. There are about 1400 different varieties and when they're in bloom for about two weeks they open it for tours.

"They have in excess of \$35,000.00 a year gross

charge to pick fruit and then go into the kitchen and watch the process of making preserves and extracting honey from honeycombs. The preserves and honey are offered for sale. He said that schools often call his office seeking a place to take children from the city and get them in touch with agriculture.

Henson said that if anyone is interested in any of the ag related business, to contact his office and they would suggest places to visit.

Dr. Dragoo remarked, "There are lots of opportunities out there. Ultimately whether you go not for profit or for profit in terms of what you're doing, all of it ultimately benefits your flora and fauna of the area, agricultural wildlife which is do you want this place to look like it is 50 years other than a little bit more growth, do you want the land to look good. That's kind of the goal."

Dragoo offered these keys to success: understanding our markets, know who the product needs to be marketed to, make sure there is a demand there; create a strong relationship with your customer and diversify your income streams wherever possible.

In conclusion Dragoo noted, "Obviously it does take a community working together, pooling resources, working through the Chamber and Economic Development group, and the bankers. It is a team thing."

Reduce your home's heating and cooling bills

The Low Income Home Weatherization Assistance Program is designed to help reduce home heating and cooling bills. Depending on the need of the structure, the installation of weather stripping, caulking, insulation, doors, storm windows, repairing and or replacing of heating and cooling equipment are possible at no cost.

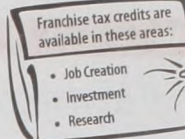

Elderly, handicapped, and families with small children who reside in Cooke County and meet eligibility income guidelines are encouraged to

apply. Please be advised that funds are now available for assistance for residents who are current customers of Cooke County Electric Co-Op and have been determined to be eligible. To receive an application or should you have any questions regarding the above information, please contact Zenaida Pineda at Texoma Council of Governments, Community Development Department, 1117 Gallagher Drive, Sherman, Texas 75090, (800) 677-8264, ext. 536, or (903) 813-3526.

Keeping an Eye on Texas

Tax Breaks

In 1999, the Texas Legislature created three franchise tax credits for economic development. This year, businesses in 224 Texas counties can apply to receive hundreds of millions of dollars in tax breaks.

For more information on franchise tax credits, visit the Comptroller's Web site at: http://www.taxinfo.taxpubs.tx96.686/tx96_686.html. Source: Carole Keeton Rylander, Texas Comptroller (www.window.state.tx.us).

REITER

about a block and a half from Ground Zero. They were near a gate that allowed trucks hauling out debris and other rescue vehicles in and out. As the vehicles would exit they were washed off with pressurized hoses and a foamy substance. A guard would clear people from the road. Paula and Kerri wore badges that read "The Essentials of Grief and Recovery Series". Noticing this the guard asked about it. After hearing their story he asked them to come back and talk to some of the people who came every day to stand and stare at the debris and cry and grieve.

At a town hall meeting the group was invited to they learned more about the frustrations of the residents. It was attended by more than 2,000 people, many of whom were looking for help. There were

apartments and cleaned, but even then it wasn't felt that it was safe for residents to return home. The apartments were turned upside down and Paula said people were devastated when they saw the disarray left after the cleaning. A man in the audience asked if they would take their 10-month-old baby into one of the homes that they were being told was clean. There was no reply and he said, "That's what I thought."

"They don't know what to do themselves," Paula said of the residents. "they're fearful of moving back into their homes, yet they would like to move back into their homes. They would like for the City to help them relocate somewhere. Many businesses were relocating."

Paula told of a lady whose wedding anniversary was Sept. 12. She asked her

good because you go from shock to anger to depression. She told him at least he was in the second stage. He said he was angry because he lost his friends and had watched the building fall in on them. I said he wanted to sit down and cry his heart and couldn't because they had to work 14 days straight with no time to be off to grieve.

People would be upset when they heard sirens and when they heard planes.

"We heard over and over out there people say, 'We could have cared less about each other before,'" Paula said. On a subway ride that members of the Nedley group took and expressed concern over several people one man thanked them and said that he'd never seen people care like them.

Due to time and space constraints this article will be concluded in next week's edition

What's new at the Parish Homecoming Picnic this year?

submitted by Debbie Hess

Well, we are on our last stretch. The Parish Picnic is descending on us very quickly. We hope all of you are planning to come and spend the day, filling your tummies, do lots of laughing and chatting with friends and maybe make some new ones.

Some of the new things planned for the day are entertainment by the Sacred Heart Acappella Choir, Bill Bayer says he is working on a good skit. The Progressive Raffle has some neat items on it - a 35mm camera with film and batteries, a Sony Walkman, a gift basket and lots more. This raffle lets you choose which items you want to take a chance on.

The Nagelschlagen contest is going to be a lot of fun. We are still needing contestants - the winner gets \$250.00. You have to hit a nail with a funny-shaped hammer into a stump of wood. Now does that sound hard? So, sign up with Billie Fleitman at 759-4565 or Debbie Hess at 759-2890.

LaVerna and Angelo Nasche are doing their famous Italian meal again for 6 to 8, includes dessert and drinks. Maria Trevino is doing her Mexican meal for 6 and some of us just ate her food at the St. Williams Parish Picnic and it was great!

Newcomers to town Karl and Charla Haubold (they bought Ray and Kaye Wimmer's house) are giving a day of riding, fishing and fun, followed by a barbecue dinner for 6 couples. This one ought to be a lot of fun. We hear their farm is really beautiful.

I think John and Joe are giving their famous steak meal - I say think because I can't find their card, but I am pretty sure John gave me one. He has given me a lot of cards lately. Mary Callahan is donating a weekday lunch for 8 at your home or office. Maybe some of you could get your bosses to spring for this one. She is also donating a dessert a month for a year. Lenny and Christel Vogel are giving a really neat thing -

how about a weekend of camping and fishing at the Vogel Lake? Special fishing guide included at no extra charge and a steak dinner with all the trimmings for 12 is going to be served at the lake or up at the house. Sounds like the Sweeneys ought to buy this one and invite their friends!

For all you hunters and fishermen, do we have a lot for you! So, do your deer hunting early and get to the auction or you will miss out on the fun items. The funniest, or at the least the craziest, will be a one-day hog hunt on the Bartush Land along the Red River for 4 people. It is promised to be a fun day. Who knows how many hogs you may leave with? There is also a guided buck hunt - 3 tries, morning, afternoon and morning, Nov. 5 through the 22nd, 2002. You will get the best guide in Cooke County - just ask John Bartush. There is a doe hunt with 2 tries on BLC between Dec. 1 and Jan. 27 -

See PICNIC, Page 4

Clean up goes on in early October at Ground Zero. Troops stand guard to keep the curious from getting too close to the danger area. Courtesy photo

dignitaries from organizations such as FEMA and Red Cross scheduled to speak. As they were being introduced the crowd began to shout angrily that they didn't care who the people were they just wanted to know what was going to be done to help them. They wanted to know things like when their roads would be opened, when they could go back to their homes. The meeting moderator told them to look on the web page where the information was listed. They said they didn't have access to the Internet, or even have homes they could go to.

"This was a month later," said Paula. "The people still had not been allowed back in their homes and the reason was that their windows were open. The debris had floated in. There was a lot of metal and asbestos floating in the air. It floated in their homes and was layered on their furniture, carpets, everywhere. They didn't want the people back in there because of the fear of that asbestos, plus the smoky smell had absorbed into their homes as well."

People in special equipment and protective gear went into the

husband to switch shifts with someone so they could do something on their anniversary. He was killed. Paula said that she is dealing with the grief and with feeling guilty for being selfish and thinking he wouldn't have gotten killed if she hadn't asked him to switch shifts.

Some people they dealt with were grieving because they were alive. They felt guilty because someone else died and they lived. Paula told of a lady who was on a ferry and rode the subway. She was very close to the scene, but didn't get killed. "She said she throws up constantly," reflected Paula. "She can't ride the ferry. She can no longer ride the bus. She tried the subway, all she can do is throw up when she's on those things." She is going to get disability and was relieved from her job because she couldn't do anything but throw up.

Paula and the volunteers visited various fire stations. The firemen would ask them to stay and talk to them longer. "They wanted to tell their experiences so bad and that's all we did was simply be there and be a friend for them," said Paula.

One police officer told them he was just so angry. Paula told him that was

In the kids' department, there are lots of fun games and they are talking about doing a little silent auction for them.

The Silent Auction and the Live Auction are getting lots of neat items. Several meals have been donated. We are going to have a progressive dinner again, but they are working on getting one more house. Hopefully, we can tell you about that next week. Betty Rose and Jerry Walterscheid are giving the Thanksgiving Dinner. Yes, it will be served at noon on Turkey Day with all the trimmings for 25 people anywhere in Cooke County. What a deal!

Terry Miller dies at 50

Terry Miller, native of Muenster, died at age 50 on Tuesday, Nov. 6, 2001, at 2 PM in Lewisville Medical Center. Arrangements are incomplete at press time and will be included in next week's *Muenster Enterprise*. Visitation will be held at Cantrell Funeral Home in Frisco Thursday evening, 7-9 PM. The following directions are given by relatives for people coming on either Thursday evening or Friday afternoon, when services will be held at First Baptist Church in

Frisco at 2 PM. Take I-35 S, exit on Exit #471, towards FM 1173/Krum - Loop 288/Denton. Turn left on E. University Drive; University Drive becomes US 380 East; merge onto Texas 289, turn right onto Spur 33. Take a sharp right onto East Main Street in Frisco; go one mile on Main Street to Cantrell Funeral Home on the right. The First Baptist Church is one mile past the funeral home on the left.

From My Side of the Fence by Ed Cler

As our family grew up, it became my lot to teach the kids to drive, especially the pickup, which for some years was equipped with a standard three-speed stick shift. The boys seemed to pick up on it easily and the older girls learned to use a stick shift nicely because we didn't have any other at that time.

But by the time our youngest daughter Christa was learning, she took Driver's Education at school. I have always felt that kids should be taught to drive a standard shift car, because anyone who has mastered the standard shift transmission would have no trouble at all with an automatic.

Well, Chris did very well with our car, equipped with an automatic transmission, but sometimes it became necessary for her to drive the pickup with its standard shift.

Trying to teach her how to coordinate her pressure on the accelerator with her release of the clutch became more and more frustrating, especially after a couple of the boys had hopped into the pickup box and were laughing

and hooting as we leapt-frogged across the pasture. Eventually, I gave it up for a bad job and decided that Chris was strictly an automatic.

Years later, Aileen and I were visiting Chris and Gerry Cash, who were married for some time and were living in El Paso, Texas. We were crossing the mountains just out of El Paso when I realized Chris was driving a standard shift auto and shifting up and down as smooth as silk.

Well, they say desire and necessity are the mother of invention, and I came to the conclusion that when Chris found it necessary to master a standard, she did.

An open house/ribbon cutting ceremony was held for the new Multi-Medical, Inc. building at 2313 8th Avenue in Fort Worth by owner Doug Hartman. Courtesy photo

Multi-Medical, Inc. holds grand opening/ribbon cutting ceremony

On Oct. 29, Doug Hartman, owner of Multi-Medical, Inc. held a grand opening/ribbon cutting ceremony at his new Fort Worth facility. Doug is the son of Gene and Judy Hartman of Denton. The ceremony was immediately followed by a barbecue lunch for all those in attendance. Multi-Medical, Inc. also has an office in Gainesville to insure fast and efficient service to the North Texas area. Mr. Brad Wolf is in charge of the Gainesville office.

Multi-Medical, Inc. is a full service home medical equipment company that provides those in need with added independence. Their new Fort Worth showroom has a variety of electric and manual wheelchairs on display. It also displays an assortment of scooters,

hospital beds, lift-out chairs, stair lifts, car lifts, diabetic shoes, and a variety of bathroom aids. The company does free in home assessments of your medical needs as well as provides counseling - free of charge - on Medicare, Medicaid, and private insurance benefits.

They also staff Licensed Therapists and Certified Rehab Technicians in order to insure that an individual's needs are properly met. Whether a person possesses the need for an electric wheelchair or a simple cane... one can be confident that they are provided with the best piece of equipment for their personal needs. Upon a physician's referral for equipment, Multi-Medical, Inc. vows to deliver the equipment free of charge within a 24 hour period.

Those in need of equipment or advice can reach the Gainesville office at 940-665-3205 or call toll free 1-877-886-8584.

Relatives attending the grand opening were: Gene and Judy Hartman of Denton; Mrs. Dick Cain, Alvin and Joanie Hartman, Della Schmitt, and Pat Yosten, all of Muenster; Georgia Wolf of Gainesville; Sandy Cain of Fort Worth; La Queta McCollum of Dallas; Tracy Nichols and daughter of McKinney; and Carol Hartman of Killen.

Also attending was Terry Halbert of Paris, Texas, who is in charge of Multi-Medical's Paris office. Terry is the son-in-law of Walter and Georgia Wolf.

Later all enjoyed a tour of Doug's new home at Haslet.

City will update siren

by Dave Fette
On Monday night, the City Council approved solicitation of bids for a new emergency siren system. The proposed system will have five sirens, one in the middle of town and one each on the four corners of town. The single existing siren will be used, but mounted on a 30-foot pole. Then the old water tower will be removed. The new system

is projected to cost about \$25,000.00.

The Council listened to comments from City employee David Dittfurth, who talked about the advantages of buying some equipment so the City could do more of their own street repair and paving.

Other items included the introduction of Muenster's new police officer, Gary

Whitaker. He has 14 years of law enforcement experience and was recently the officer in Saint Jo.

Leon Klement received the City's vote for membership on the Cooke County Appraisal District Board of Directors.

Monthly bills totaling \$71,349.83 were approved for payment. The regular meeting was adjourned and the Council stayed to meet in closed session.

PROCLAMATION

WHEREAS, November 15 has been designated as Texas Recycles Day and the 2001 Theme is Care for the Air... Recycle; and

WHEREAS, research shows that recycling reduces toxic air emissions, reduces energy consumption and results in more products and less pollution; and

WHEREAS, participating in Texas Recycles Day is one way the citizens of this state can help accomplish the goal of improving air quality in Texas; and

WHEREAS, Keep Texas Beautiful and the Texas Natural Resource Conservation Commission are co-sponsoring the 2001 and encourage state and community leaders to spread the word about programs that involve citizens in environmentally conscience behaviors; and

NOW, THEREFORE, BE IT RESOLVED BY THAT November 15, 2001, is hereby proclaimed as:

TEXAS RECYCLES DAY

And all citizens are encouraged to Care for the Air and recycle in events and activities scheduled in our community and across the state.

IN WITNESS THEREOF, I have set my hand and this document and affixed the seal of the city this 23rd day of October, 2001.

Mayor Henry Weinzapfel

Sacred Heart Picnic

from pg. 3
this one is given by Mike Bartush. For the fishermen, the Bartush Brothers are doing one afternoon and night of fishing on the Red River. Food and drinks are provided for up to 6 people.

We also just received for the auction a 23-foot Mobile Scout camper trailer, tandem axle, twin propane tanks, frig/freezer, shower, commode, stove/oven, water heater, propane and electric heat, double sink, "new" roll-out canopy (cost was about \$600), license good through March 2002. Can be viewed at Klement Ford before the day of the picnic.

We are still accepting more so, if anyone can come up with a meal or anything, we will gladly accept it.

If some of you are planning a wedding or having a reception, the Picket Fence Bed & Breakfast is giving a 2-night stay for 2 people. There are lots more items: cattle, gift certificates and lots more we will talk. See PICNIC, Page 15

Veterans Day in Valley View

Hosted and sponsored by the Valley View Area Chamber of Commerce, a special Veterans Day ceremony and program will be held at the Valley View First Baptist Church on Monday, Nov. 12, at 1:00 PM. Appearing will be the Muenster VFW Color Guard, the SH Angelic A'Cappella

Choir, with several readings by Sacred Heart High School students.

The program will honor all veterans from Valley View, Cooke County and the United States. Stars are available at Valley View churches, the Senior Center and the Valley View Restaurant to list names of veterans.

Grahams host outdoor ceremony for couple

by **Elfreda Fette**

The wedding of Lori Diane Graham and Michael Shane Kislack was held on Sept. 22, 2001 with a traditional ceremony at the home of the bride's parents. Rev. Terry Haralson of Bowie officiated for their vows in double ring rites at 6:00 p.m. at the gazebo on the lawn of the home.

The bride is the daughter of Donna and Dr. Gerald Graham DDS of Muenster. She is a 1998 graduate of the University of North Texas with a Bachelor of Science degree in Biology. And a 2001 graduate of Baylor University with a Bachelor of Science degree in Dental Hygiene and is employed in Dallas as a Dental Hygienist.

The groom is the son of Donna Kislack of Dallas and Michael Kislack of Farmersville, Texas. He is a 1998 graduate of the University of North Texas with a Bachelor of Arts degree in Radio, T V and

Film. He is employed by Verizon as a Subject Matter Expert.

Presented for marriage by her father, Gerald Graham, the bride was wearing a silk candlelight formal wedding gown designed sleeveless, with narrow straps, with a fitted, reembroidered bodice enhanced with a sprinkling of brilliants; and a slim flared skirt accented with a center front panel of lace, and an elegant circular overskirt of lace attached at the waist, to swing to the center front, meet and then to drift into a chapel train, which was completely encircled with scalloped lace edging. Her brief illusion veil was lace edged and was held by a tiara of delicate flowers. She carried a bridal bouquet of full blown pink, yellow and tangerine roses.

Attendants

Maid of Honor was the bride's sister, Dr. Mindy Graham, DDS of Muenster. Bridesmaid was Marlene

Hess of Washington, D. C. a friend of the bride. They were attired in navy blue silk gowns, designed sleeveless, with narrow straps. Bodices had silver threads running through the fabric. They carried bouquets that were smaller versions of the bride's flowers.

David Cooper of Phoenix, Arizona and Sam Acosta of Fort Worth, friends of the groom, stood with him as his best men.

Prelude wedding music was presented by Katie Cox and Barbara Brady, including romantic standards of the forties, and "The Way You Look Tonight", "Always" "Our Love Is Here To Stay."

The gazebo was decorated by Faye Hamric, Michelle Sandman, and Janie Monday.

Reception

An outdoor, poolside reception followed the ceremony hosted by the bride's parents. A

sumptuous buffet was catered by Roger Dieter. Guests were seated around tables covered with white cloths and centered with flowers.

The three tiered white wedding cake was decorated with a circle of fresh white rosebuds nestled close to each tier. The tiered chocolate groom's cake held a mound of chocolate dipped strawberries on top and was draped with a small cascade of strawberries.

Music for dancing was provided by "Eleven Hundred Springs" of Dallas, favorites of the bride and groom.

Since returning from a wedding trip to Las Vegas, the couple is residing in Dallas.

Among relatives and friends attending the wedding who came from a distance included those from Denver, Colorado, Tulsa, Oklahoma, Oklahoma City, Fort Worth, Shreveport, Louisiana and Mexico City.

Mr. and Mrs. Michael Shane Kislack
...nee Lori Diane Graham ...

Garrett celebrates first

Garrett John Bindel celebrated his first birthday on Saturday, Sept. 29, 2001 at the home of his parents, Darren and Karri Bindel. His actual birthday is Sept. 28. Garrett had a construction zone party theme. Guests enjoyed hamburgers, hot dogs, birthday cake and goodie bags.

Helping Garrett celebrate his birthday were his parents; grandparents Harold and Sug Bindel and Clinton and Debbie Endres; Great-grandma Clara Endres; uncles, aunts, cousins and

friends Tim and Debbie Endres, Cassie Hale, Jared Endres and Samantha Wimmer; Kevin, Darla, Tyler and Trey Anderle; and Blake Grewing; James, Angela and Morgan Hennigan; Jason and Dianne Endres; Trisha Endres; Brandon, Mikey and Tori Jeffcoat.

On Sunday, Garrett helped celebrate his mom's birthday (Sept. 29) and Aunts Debbie Endres (Sept. 28) and Darla Anderle (Sept. 27) birthdays at Grandpa Harold and Grandma Sug's house.

Garrett John Bindel

Annual holiday program scheduled

The holiday season will soon be here. Preparation has already been started by many.

To give people ideas - a special program, Sharing The Holidays, is scheduled for Monday, Nov. 19.

The first program will be from 9 to 11 a.m. A shorter version will be held at noon to allow working women to attend on their lunch hour. The third program will be presented from 6:30 to 8:30 p.m. All programs will be in the First Christian Church, 401 North Dixon Street, Gainesville.

Sharing The Holidays will be presented by Evelyn Yeatts, County Extension

Agent-Family and Consumer Sciences and members of the Texas Cooperative Extension Family and Consumer Sciences Committee.

Ideas will be given for holiday food for family and friends. Other ideas will be shown for holiday decorating. Another part of the program will be simple food and decorating ideas for children.

Also, there will be a tasting of some of the foods at the program close, and a recipe and directions for crafts booklet will be given.

There will be a \$5 admission charge to cover expenses for the program.

To register for the program stop by the Extension Office in the Courthouse Basement B-12, or call (940) 668-5412. You may also register by mailing a check to: Evelyn Yeatts, CEA-FCS, 100 South Dixon Street, Courthouse B-12, Gainesville, Texas 76240-4786. Make the check payable to F.C.S. Committee.

Individuals with disabilities who require an auxiliary aid, service, or accommodations in order to participate in this program are encouraged to call (940) 668-5412 for assistance.

Submitted by Evelyn Yeatts

Samantha turns one

Samantha Rae McCoy, daughter of Josh and Kelly McCoy of Corinth, celebrated her first birthday with family and friends at her home on Oct. 20. Guests were served a fried chicken dinner with all the trimmings as well as birthday cake and ice cream. Samantha's #1 birthday bear cake was decorated by her grandma, Pam Dangelmayr.

The birthday girl was the center of attention as the birthday song was sung and she opened all her presents with her mom's help. Each of the children received a goodie bag.

Special guests at Samantha's party were grandma Monica and Karl Koesler; grandparents Joe and Pam Dangelmayr; great-grandpa Herman Stoffels; godfather and uncle Jake McCoy; cousin Bailey McCoy; godmother and aunt Debra Dangelmayr; uncles Glen and Adam Dangelmayr; Kristin Grewing and Dee Dee Walterscheid, and other relatives and friends.

Samantha celebrated her actual birthday Oct. 17 with her special playmate Ava Rheams during the day and with a special dinner with her family.

Samantha Rae McCoy

New Arrival

Cleveland

Adila Elena Cleveland announces the birth of a daughter, Katelyn Alexandra Cleveland in Muenster Memorial Hospital on Oct. 29, 2001 at 4:23 PM, weighing 6 lb. 7.1 oz. and measuring 19-1/2 inches long. Her grandparents are Ben and Lorena Simmons of Gainesville and George and Jane Cleveland of Livingston, Texas.

Devon Hacker

Devon blasts off to 4th!

Devon Hacker, son of Jimmy and LeAnn Hacker, turned four on Oct. 3. He celebrated his birthday on Sunday, Sept. 30, with the theme "Spaceships and Rockets." Those attending were his parents, grandparents Steve and Dianna Klement and Jim and Lynda Hacker; great-grandparents Sis and Tony Klement; aunts, uncles, cousins and friends Jeff, Joyce and Jayden Walterscheid; Sherry Hacker; Shelby Hess; Diane Rigler; and Brittany Pagel.

Everyone enjoyed lasagna, cake and ice cream. Afterwards, Devon opened his gifts.

Unable to attend were his aunt and uncles, Lori and Rex Huchton and James Klement, all of California; great-grandparents Anna and Richard Herr and Anna Margaret Tempel, all of Muenster, and Joyce and Lewis Rigler of Gainesville. Also Patti Mercer, Charlotte

Murrell and Jan Brazelton, all of Gainesville.

On his actual birthday, he brought cupcakes for all of his friends at day care. Afterwards, he and his parents went to Chucky Cheese. Other highlights were phone calls from family and friends.

Texas Boys Choir to perform at St. Peter's

The world-renowned Texas Boys Choir will perform a concert at St. Peter's Catholic Church in Lindsay on Nov. 14 at 8 PM. The Texas Boys Choir will be performing a wide variety of music, including works by Antonio Vivaldi, Paul Basler and Robert Shaw.

This year, The Texas Boys Choir has chosen to highlight works from great American composers representing diverse world cultures. Music included comes from Irving Berlin, gospel, Irish, Scottish, French, Spanish and, of course, American folk songs. Patriotic music will also be included.

What surprises many people when they first hear The Texas Boys Choir is the presence of the tenor and bass singers. In 1997, Artistic Director Jerry Bierschenk led the choir to add one grade per year until grades four through twelve are now included. This addition has brought a rich depth to the sound of the choir and a tremendous expansion in repertory. Selections cover the entire palette of musical colors and tastes from renaissance, classic and romantic to Broadway and contemporary arrangements.

The choir was founded in Denton in 1946 as the Denton Civic Boys Choir. In 1956, the choir changed its name to The Texas Boys Choir and moved its headquarters to Fort Worth. In 1988, the choir built a rehearsal/concert hall and educational facility. In 1991, The Texas Boys Choir began

their own fully-accredited school, with a beautiful facility, exceptional academic training and a focus on in-depth musical instruction and performance. Members of The Texas Boys Choir now attend The Fort Worth Academy of Fine Arts, which opened its doors in January 2001. The boys and girls of the Academy receive exceptional academic training and in-depth music study.

The Texas Boys Choir has over 35 recordings to its credit, two of which have won Grammy Awards. The choir has performed throughout Europe, Japan and Australia, and gives concerts across the United States each season during its annual national tour. The Choir has appeared on all major television networks, as well as on international airways around the world. The Texas Boys Choir received a Bronze Award from the International Film and Television Festival of New York. The Choir's recording of *The Star-Spangled Banner* welcomes tourists to the National Visitors' Center in Washington, D.C. The Choir has performed at the Kennedy Center, The George Bush Jr. Inaugural Gala, the World Cup opening ceremonies and the groundbreaking and opening performances for the Nancy Lee and Perry R. Bass Performance Hall in Fort Worth.

There is no admission charge. A free-will donation will be accepted at intermission.

Singing Men of Texas in concert

Take Note

First Baptist Church of Gainesville is pleased to announce that the North Central Chapter of The Singing Men of Texas will be in concert on Thursday, Nov. 15, at 7 PM at the church, which is located at 308 E. Broadway in Gainesville.

The Singing Men of Texas is composed of men from all across the state, who serve in various music-related capacities in Texas Baptist churches and institutions. The group is divided into six regional groups, which present concerts of classic and contemporary gospel music in the church of one of its members each month, and Lee Deeds, Minister of Music at First Baptist Church, is excited about hosting the

group. "It is a tremendous thrill to be a part of this choral group. The North Central Chapter is comprised of over 100 men from all over the area, and is one of the finest men's choruses in the country."

The concert program in Gainesville will include selections by the choral group, its handbell and instrumental ensembles and a combined choral selection with the Choirs of First Baptist Church Gainesville, Calvary Baptist Church Gainesville, Temple Baptist Gainesville, First Baptist Church Sanger and Calvary Baptist Church Pilot Point.

Don Blackley, Minister of Music at First Baptist Church in Richardson is director of

the North Central group of Singing Men and quotes from Psalm 9, as he describes the ministry of this group... "I'm thanking You, God, from a full heart, I'm writing the book on Your wonders. I'm whistling, laughing and jumping for joy; I'm singing Your song, High God."

Everyone is invited to this free concert at First Baptist Church in Gainesville. To accommodate all families, a nursery will be provided for children through 3 years old. For more information, please call 940.665.4347.

If we used gardens to work out life's kinks, we'd never need to visit shrinks.

Sponsors of the Saint Jo Opry announce that their next scheduled performance is set for Saturday, Nov. 10. The show will begin at 7 PM and will be held in the Saint Jo School Auditorium.

The Country Cut Ups, who have sponsored the show for 14 years, invite you to come and enjoy an evening of country music. They announce that their "special guests scheduled for the November show will include a young Saint Jo High School student Russell Payne who will be performing some tunes on the classical guitar. The Country Cut Ups will be performing on the show with others.

Museum to host annual Christmas Open House

The Morton Museum of Cooke County's sixth annual Christmas Open House will be held on Thursday, Nov. 15, from 5:00 until 7:00 PM in Gainesville.

The museum will be decorated for the holidays and will continue the tradition of selling a limited edition Christmas ornament bell. Open Houses will also be held at the following stores on the same evening from 6:00 to 9:00 PM: Barron's, Bella Matiz, The Body Garden, Carousel Antique Mall, Dustin Office Products, Kinne's Jewelers, Lindsay House/Powell Fine Art, Radcliff Antique Mall, Shady Oak Gallery, Vines & Branches and Wiese's Clock & Watch. A certain percentage of what is sold at those stores

during the evening will go to the Morton Museum.

Refreshments will be served at the museum and the event is free and open to the public. For more information, please call the Morton Museum of Cooke County at 940-668-8900.

The "Saints came marching in" Wednesday, Oct. 31, at the Vigil Mass for All Saints Day. The children processed in, dressed as their favorite saints and angels. Father John Ohner told the "cute and wiggly saints" that we want to "join in that number" and be part of the communion of saints. After Mass, the children had pictures taken with Father John and each saint received a special goodie bag. Courtesy Photo

Retired school personnel barbecue Nov. 10 in Bowie

The Montague County Retired School Personnel Annual Barbecue and Bake Sale is Saturday, Nov. 10, at the Bowie Junior High cafeteria from 5 to 7 PM. The menu consists of barbecued brisket, potato salad, cole slaw with all the trimmings plus drinks.

Adults may eat for \$6,

children 6-12 for \$3 and children under 6 free. Profits from the dinner will be used to send two delegates to the Retired Teachers of Texas State Convention and provide a \$500 scholarship for a Montague County graduate in 2002 who plans to major in Education.

Garrison Roller

Garrison celebrates 2 with Blue!

Garrison Howard Roller, son of Greg and Cindy Roller, celebrated his second birthday with a Blue's Clues theme on Sunday, Oct. 28, 2001. Garrison's actual birthday was Tuesday, Oct. 23. His party was given by his parents and his older brother, Alex, and held at their home in Muenster. Garrison's Blue's Clues cake was made and decorated by his uncle and godfather, John Roller. A barbecue dinner from Dieter Brothers Restaurant was served at 6 PM.

Attending his birthday celebration were his parents; brother Alex, great-grandparents, Lloyd and Juanita Roller, Dan and Wilma Richardson and Sally Hoedl; grandparents, Grady and Linda Roller, Johnny and Jeanette Reiter and Tony and Karyn Smith; uncles, Chad Roller, John Roller and Aaryn Smith; aunt Leigh Ann Reiter; friends Matt Arth and Shanelle Spakes.

Machinators thank supporters!

The Machinators were touched that their supporters were concerned about the color of their T-shirts. It just so happened that they had ordered the T-shirts after the September 11th attack. At that time red or white shirts were not available. Only black T-shirts were available. Since America needed our school colors, they were, and are constrained to carry their support in black and white. Thank you for your attention and support.

The Machinators would also like to recognize Patrick Knapp and Joseph Davis, who raised the necessary funds for the journey to the National Competition. Way to go!

"Of course we are also grateful to our new sponsors: Community Lumber, North Texas Dental Specialist, Muenster Drilling, Graham DDS, Hess Furniture, Nortex Communication, Klement Ford, Knabe Tire and Battery, J.S.B. Insurance, and Muenster Building Center. Other sponsors include: Vicki's Cut-N-Up, Muenster Livestock Auction Commission, Rohmer's, Cooke County Appliance, Gehrig Hardware, Bayer's, Margie Starke, Muenster Farm Mutual Fire, Ins., Duane Knabe, CPA, and Mike's Auto Works," said Ange Smith.

The Machinators would also like to thank Wade

Walterscheid for coaching the team. He taught them how to work their way through the engineering process as a team. Ms. Smith added, "And, we must also thank Darell Walterscheid for allowing the team to use the tools at JAW Construction. And we would like to thank their families for allowing them to spend so much time away from their home."

The Machinators are participating in the Top Tin Street Rod Show. Exhibitions will take place in Jim's Home Lab (science room in Sacred Heart School) at 1:30 p.m. and 2:30 p.m., Saturday, Nov. 10. Come and see Jim!

SH 8th grade girls visit at Holy Angels

Girls from the Sacred Heart School 8th grade class were invited to Holy Angels Convent in Jonesboro, Arkansas Oct. 27-29 for Vocation Awareness Weekend. Holy Angels Convent is home of the Olivetan Benedictine Sisters.

Sister Judith Dalesandra, Vocation coordinator, Prioress Sister Eileen Schneider, as well as other Sisters welcomed the girls. The girls enjoyed touring the convent and the grounds. They had an opportunity to listen as the Sisters talked about their journey in faith and their call to become a sister. Sister Henrietta Hockle gave an informative slide presentation on the history of the Olivetan Benedictine

Sisters, from their coming to this country from Switzerland in 1874 to present day.

The girls visited with each Sister, and went to Chapel for prayer and Mass with them. Sunday night ended with a marshmallow roast and hot chocolate. The Sisters send greetings and well wishes to all family and friends in Muenster.

Girls attending were Nicole Bayer, Angela Cantrell, Jacqueline Flusche, Shannon Hartman, Diana Knabe, Chelsie Switzer, Sarah Whitecotton, Whitney Wimmer, Debra Yosten and Nina Zanchetta. Mothers attending were Annette Bayer, Susan Yosten and Mary Lin Knabe.

Installation banquet held by MISD Honor Society

The National Honor Society of Muenster High School held their Installation Banquet on Monday, Oct. 15, in the SNAP meeting room at 6:30 p.m. The theme for the banquet was Patriotic and the tables were decorated with flags, red, white, and blue carnations, confetti and stars.

Members presiding over the ceremony were: Pamela Lutkenhaus, Laura Drachenberg, Grant

Hartman, Chris Jackson, Ashley Hess, and Ashley Klement. Newly installed members receiving their pin and membership card were: Mitch Endres, Krystal Hale, Kami Klement, Kristi McAden, and Melinda Walterscheid.

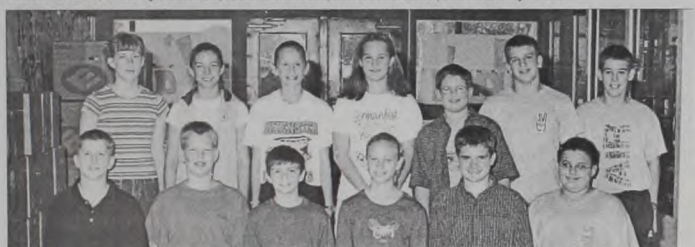

The NHS of Muenster High School plans to participate in many service projects this year. Sponsors for the NHS are Mary Dangelmayr and Rhonda Walterscheid.

Sacred Heart Machinator Coach Wade Walterscheid.

2001-2002 National Honor Society members, from left, seated - Mitch Endres, Chris Jackson, Grant Hartman; standing - Pamela Lutkenhaus, Laura Drachenberg, Krystal Hale, Melinda Walterscheid, Ashley Klement, Kami Klement, Kristi McAden, and Ashley Hess.

The Duke University Talent Identification Program has been a national leader in identifying academically talented students and providing innovative programs to support the development of their optimal educational potential. For Texas 7th grade students, the invitation to participate in the program is based on TAAS scores. Students must have scored at the 95th percentile or higher to participate. These Muenster ISD students have the honor of being invited to take part in the 2001-2002 7th grade talent search: pictured from left, bottom row - Collin Walterscheid, Evan Koessler, Matthew Abney, Jessica Walderscheid, Roman Vogel and Kyle Cauldwell; top - Amber Fuhrmann, Jennifer Neel, Megan Felderhoff, Krystal Wolf, Michael Valliere, Zachary Swirczynski, Brad Endres. Public hearing Nov. 14 on academic excellence

The Muenster Independent School District will hold a Public Hearing during the Board's regular scheduled monthly meeting to discuss the 2000-2001 AEIS Report Wednesday, Nov. 14, 7:30 PM in the Administration Building. All parents and community

members are cordially invited to attend. The AEIS Report is disseminated annually by the Texas Education Agency and provides information related to student testing, finances, staff and programs.

Tony and Sis Klement recently presented a framed poster featuring all of Texas' courthouses to the Muenster ISD Library. Mr. Klement crafted the ash frame personally to complete the couple's gift that is shown with the district's librarian, Gerri Eckart. Courtesy Photo

Tigers dominate Ambassadors

The Sacred Heart Tigers ended regular conference play last Friday in Fort Worth, defeating the Ambassadors of Christ Eagles' eleven players 49-0, finishing as district runner-up and earning a spot in the playoffs.

"The Ambassadors played a very uninspired game, I guess because they were already eliminated from the playoff," noted Tiger Coach Kris Hogan. "It was a game where everybody got a chance to play and we came out of it with no serious injuries."

The Tigers took the opening kick and on the fourth play of the drive, scored on a 43 yard pass play from Paul Bartush to Chris Fuhrmann. John Knabe's kick gave the Tigers an early 7-0 lead.

Ambassadors couldn't get the needed 10 yards, giving Sacred Heart possession 39 yards from paydirt. Bartush ran for 14, Jonny Krahl picked up 10, then 14 more to the one yard line. A quarterback "sneak" by Bartush put another six points on the board for the Tigers. With 7:54 on the clock, Sacred Heart had a 13-0 lead.

The Eagles next drive got in several good plays, until Clint Fuhrmann picked off a pass at mid field. The Tigers gained only a yard and Ambassadors took over. Two quarterback sacks by Matt Donohue dropped the Eagles for a 12 yard loss.

The Tigers carried the ball into the 2nd quarter,

but a fumbled ball on the 10 yard line gave the Eagles possession. Defensive plays by Adam Krahl, Jack Biffle, Chris Hoedebeck and Clayton Truebenbach forced a punt. Two plays later, J. Krahl scored on a 32 yard run for a 19-0 score.

The Eagles got in 14 plays, moving from their 26 yard line to the Tiger 17 yard line. Tackles by Thomas Whitecotton and Donohue dropped the Eagles for a 13 yard loss as the first half ended.

The 3rd quarter kick placed Ambassadors on their 8 yard line. Two plays later, Hoedebeck picked-off a pass and returned it for a touchdown. Knabe's kick extended the Tigers lead to 26-0.

Two tackles by Kevin Walterscheid forced another Eagle punt. It took just 3 plays to go the needed 21 yards to score, a 10 yard Whitecotton run and a Knabe kick put the Tigers ahead 33-0.

The Eagles fumbled on the first play of their next drive, Truebenbach covering the ball on the Ambassador 30 yard line. A Bartush to Clint Fuhrmann pass was good for the touchdown. Bartush then passed to Hoedebeck for a score of 41-0 with 3:59 remaining in the 3rd quarter.

Again the Tigers defense stopped the Eagles with tackles by Biffle and Truebenbach as the final period began.

Time ticked off the clock quickly the fourth quarter.

Two holding calls delayed the final touchdown, but with 7:05 on the clock, a Bartush to Hoedebeck pass found the end zone followed by a Bartush to Clint Fuhrmann pass for two points and a 49-0 score.

The Eagle lost yards and punted. The Tigers threw and interception, then Ambassadors again lost yards in 4 plays, giving the Tigers the final possession as the game ended.

Trojans trample Hornets

There wasn't much of a contest last Friday night in Windthorst, as the Hornets of Muenster lost their sting in a 6-54 run away by the Trojans.

"I'm disappointed in the loss, but can't fault the kids on their effort. Windthorst is a very good team," noted Hornet Coach Gordon Martin. "We did not do what we needed to do to win."

Cody Cory took the opening kick, returning it 20 yards, but the Hornets offense couldn't get 10 yards, and punted. The Trojans first play was a 68 yard scoring pass play. The PAT gave the Trojans a 0-7 lead with 9:29 remaining on the clock.

Muenster again punted after gaining only 2 yards. The Trojans again scored, after taking 8 plays to travel 68 yards. The extra kick made the score 0-14.

The Hornets third offensive attempt lost 7 yards, ending with a punt. This time, Muenster's defense, with tackles by Cory, Grant Hartman, Kirk Hartman and Nathan Hess, helped hold the ground plays, but the Trojans passing game could not be contained. Less than two minutes into the final quarter, Windthorst scored again, 6-48.

The third play into the Hornets next drive, an interception was thrown, placing Windthorst on the Hornet 12 yard line. The Trojans got to the 5, but tackles by Felderhoff and Daniel Rohmer gave the ball back to Muenster on their 9 yard line.

Beginning on their 45 yard line, the Trojans ran short gains, stopped by K. Hartman, Jake Freeman and Cory, before a pass play moved Windthorst to the 14. The next play, the Trojans had a 0-21 lead.

Muenster's next drive began on their 21 yard line, Endres picked up 14 yards, then Cory gained 16. Endres then scored on a 49 yard run. Cain's kick was no good for a 6-21 score.

Windthorst's next drive reached the end zone in 10 plays for a 6-28 score with 47 seconds remaining in the first half.

Muenster's second play was picked off, but 3 plays later, Colby Newton intercepted a pass to end the first half.

Muenster booted the third quarter kick and Windthorst returned it 48 yards. Two plays later - 6-35.

The Hornets got in a few good plays. Endres ran for 23 and 11 and threw a pass to Tyler Walterscheid for another 17 to the 5 yard line. Three unsuccessful plays placed the Hornets in a 4th and goal at the 12 yard line. An attempted field goal failed and the Trojans took over on the 20. A quick gain of 43 yards was followed by several runs before Hess and Brad Felderhoff sacked the quarterback. Three plays later - 6-42.

Muenster's offense again struggled getting one first down from two Cody Cory runs, before losing the ball on downs. Tackles by Shawn Hess, Felderhoff and Endres helped hold the ground plays, but the Trojans passing game could not be contained. Less than two minutes into the final quarter, Windthorst scored again, 6-48.

The third play into the Hornets next drive, an interception was thrown, placing Windthorst on the Hornet 12 yard line. The Trojans got to the 5, but tackles by Felderhoff and Daniel Rohmer gave the ball back to Muenster on their 9 yard line.

Two Cory runs quickly moved the Hornets to the Trojan 40, then the drive stopped. Windthorst then took 6 plays to go 51 yards and score on last touchdown. With 2:04 on the board, the Trojans had a 6-54 lead.

The Hornets got in five plays before time ran out.

Next Action
The Hornets will host the Hornets of Era this Friday night. It will be the season final; for both teams.

"Era has some good team speed. They make big plays ... they are a scary team to play against," Coach Martin said.

Game time is 7:30pm. Parents night activities are scheduled before the game.

DISTRICT 14-A STANDINGS

Tigers are playoff bound!

The Sacred Heart Tigers are officially in the TAPPS 2A state football championship playoffs after defeating Ambassadors last Friday night.

The Tigers will play the Waco Texas Christian Stars this Friday, November 9, at Dragon Stadium in Southlake. Action begins at 7:30 PM.

"Waco is a good football team. Offensively they really keep you guessing by lining up in multiple formations, and from what I've seen on film, they throw and run with equal effectiveness. I believe the strength of their team is defense. They play very disciplined and rarely is a defender caught out of position, noted Tiger Coach Kris Hogan. "We will

definitely need to play a solid game and execute the fundamentals in order to have success on either side of the ball."

The Stars, district 2-2A third place finishers have a 6-4 season record and 3-2 in conference play. The Stars lost to district champions Hallettsville Sacred Heart and runner-up Shiner Saint Paul. District champions, Hallettsville and Rockwall get a first round bye as the second and third place teams battle to stay in the running.

Advance tickets were sold in the office at Sacred Heart School through Thursday. All tickets at the stadium will be \$8.00 per person, child, student and adult.

Directions to the game
To Dragon Stadium in

Southlake: Take I-35 south toward Fort Worth. Exit Hwy 114 (at the Texas Motor Speedway) and take 114 left (east) all the way to Southlake. From 114 take a right on Kimball (just past the Super Wal-Mart). Stay on Kimball across FM 1709 and you will come to a T in the road, where you will turn left onto Continental. From Continental you will take a right on Nolan and from Nolan, a right on Silicon, which will run you directly to the Stadium.

Golf scramble this Sunday!

The Muenster Golf Association is sponsoring a Sunday Afternoon Scramble this weekend at Turtle Hill Golf Course. A shotgun start at 1 PM begins competition Sunday. Call Turtle Hill at 759-4896 to sign up. Deadline is 5 PM Saturday.

MHS Lady Hornets are state bound!

The MHS Lady Hornets took 3rd place overall, competing against 22 teams in the Region II Cross Country Meet held last Saturday at Vandergriff Park in Arlington.

Leading the Lady Hornets was freshman JoAnna Felderhoff, who earned individual honors by placing 7th overall with a time of 12:41. Kallie Gerstberger finished 14th, running 13:04 with her sister Jami clocking in at 13:40 to finish 35th. Roby Hermes (13:51) and Amanda Felderhoff (13:59) finished 40th and 45th, respectively. Rounding out the team were Stevie Klement (14:06) finishing 50th and Lisa Felderhoff (13:59) who placed 67th in a

field of 166 runners. The Lady Hornets will compete Saturday at 11:40 in the State Cross Country Championship in Round Rock against 11 other 1A teams.

TEAM POINT STANDINGS

JV Trojans defeat Hornets

The junior varsity teams from Muenster and Windthorst met at Hornet Stadium last Thursday night in a contest that ended in defeat for Muenster, 8-20.

The Hornets took the opening kick, a penalty the first play set Muenster on their 5 yard line. Another flag gained 5, then Justin Wolf picked up 3. A Sean Fuhrmann to Ricky Endres pass, then a Fuhrmann to Wolf pass gave Muenster a first down on their 25 yard line. Another pass, this one to Brady Howell, picked up another 10 yards, then Wolf ran for another ten yard to the 46. Wolf and Fuhrmann each ran twice getting to the Trojan 42. Three plays later, a sack on fourth down gave the Trojans their first possession with 2:08 remaining in the first period of play.

The Trojans steadily moved down field with Chase Cain getting a sack to end the first quarter. The next play, a 22 yard pass play put 6 points on the board. A fake kick was no good, stopped by Fuhrmann.

Daniel Russell returned the next kick to the 36 yard line, but only 3 yards of gain forced a punt by Cameron Walterscheid. A good Trojan return was nullified by a flag, setting the ball on the 15 yard line.

Todd Hess stopped one play for no gain, then Karl Fisher ran a long run out of bounds. Two plays later, Windthorst scored on a 62 yard run. The PAT pass put the Trojans ahead 0-14 with 5:08 remaining in the first half.

A fumbled play and two incomplete passes forced a quick punt. Tackles by Russell, Walterscheid, Nathan Sicking and Jared

Ledbetter made Windthorst punt on 4th and 9.

A Fuhrmann to Wolf pass picked up 17 yards, but with 50 seconds on the clock, a pass was intercepted as time ran off the clock.

Walterscheid's 3rd quarter kick rolled to the 8 yard line. Endres, Sicking, Russell and Ledbetter allowed only 7 yards and the Trojans punted.

Wolf got in 4 runs and Fuhrmann one before a fumbled hand off gave the Trojans the ball on their own 20 yard line. Cain caused a fumble in the back field, but Windthorst recovered, Walterscheid made the tackle for a 4 yard loss. A holding flag pushed the Trojans back another 10 yards. A pass rush by Ledbetter and Hess forced a punt. Todd Hess blocked the attempted punt, that Windthorst covered in the end zone for a touchback and a 2-14 score with 2:54 on the clock.

Windthorst punted from their 20 yard line, with Russell returning the ball to the 40. Fuhrmann ran for 13, then Wolf and Ledbetter picked up another 7 to the one yard line. Fuhrmann ran the ball in for 6 points. The points after pass was picked off for a 8-14 score with 35.2 seconds on the clock.

Walterscheid's kick rolled to the 26 yard line where Russell kept the Trojans from making a return.

Tackles by Sicking, Walterscheid, and Ledbetter forced a punt. Muenster's offense gained 3 yards then punted the ball back. Fisher stopped Windthorst for a short return.

Again Muenster's defense held the Trojans, with tackles by Sicking, Wolf, Ledbetter and Russell. The punt took a Trojan roll to the 40 yard line.

The Hornets could gain only 9 yards and the 4th down run failed at the Hornet 17. Four plays later, the Trojans took a 8-20 lead.

With less than a minute to play, Muenster moved from their 28 to the Trojan 34 before time ran out.

8th grade Stingers battle Trojans

The 8th grade Hornets were challenged by the Trojans of Windthorst last Thursday ending the game 6-14.

Windthorst took the opening kick to the 42 yard line, then took eight plays to score 6 points. Michael Eckart, Nathan Privett and Ryan Hennigan teamed-up to stop the extra run.

The Trojans booted an onside kick, recovering the ball on the Hornet 48. Three plays later, Privett caused a fumble and Hennigan covered the ball on the 33 yard line.

Derek Endres picked up 7 yards on Muenster's first offensive play, forcing a punt. Windthorst carried the ball into the 2nd quarter, scoring on a 3 yard run. A fake extra punt gave the Trojans a 0-14 lead. Two short Endres runs were assisted by a flag for a first down, but then the Hornets were shut down and punted.

Malcom Martin read a reverse play and dropped Windthorst for a 7 yard loss. A fake punt on fourth, gave the Trojans a first down. Tackles by Privett, Ryan Fuhrmann, Hennigan,

Patrick Lutkenhaus and Keaton Haverkamp slowed the drive, but defensive plays by Hennigan, Travis Felderhoff, Endres, Privett and Lutkenhaus stopped the drive. Two plays later, Windthorst intercepted a pass with 34.7 seconds before the half-time break.

Endres got a few good runs to start the 2nd half, then fumbled with Windthorst covering the ball. The Trojans moved inside the Hornet 20 yard line, but tackles by Martin, Chris Steelman, Privett, Noah Barnhill and a fumbled play put Windthorst in a 4th and 14 situation. Martin then caught the Trojans in the back field for a 5 yard loss and the Hornets took over.

A run by Privett, a face mask call and a pass from Jordan Walterscheid to Privett put Muenster on the Trojan 36 as the final quarter began. A run by Endres picked up 14 yards, with Greg Price gaining 2 and Privett another 3 yards before two more plays gave Windthorst possession on their 17 yard line.

Windthorst struggled with several flags preventing any progress. On fourth down, a fumbled punt play was covered by Felderhoff on the Trojan 8 yard line.

Endres gained 6 yards on two runs, then Walterscheid ran wide right to find the end zone. The extra point failed for a 6-14 score with 1:39 remaining in game.

An onside kick attempt failed and the Trojans took over near mid-field. Tackles by Lutkenhaus, Eckart, Walterscheid, Kit Morrill, Martin, Privett and Hennigan held Windthorst to one line, but a completed pass on 4th down quickly moved the Trojans to the 6 yard line with 29.5 seconds on the clock. Windthorst took a knee and the game ended.

Brady Howell completes a pass for a 10-yard gain. Janie Hartman Photo

Devils burn Knights

The Lindsay Knights were in a must win situation Friday to have any hopes of making the playoffs, but Celeste Blue Devils stopped that dream when they defeated the Knights 14-28.

"We played about as well as we could and hung in there a long time," Coach Charlie Meurer said. "We knew we were in for a battle. We made a couple of errors and they got up on us."

Celeste took the opening kick moving to the 5 yard line before Trinity Otto stopped the drive at the one with an interception. Runs by Keith Dieter and Adam Anderle and a Tommy Arendt pass to Dieter took the Knights to the 33 yard line before running out of downs and punting. Two incomplete passes and a quarterback sack by Dustin Dieter forced a punt on 4th and 18.

The teams continued to exchange punts going into the 2nd quarter. Defensive plays by Arendt, Sam Hellinger, D. Dieter and Nathan Bruce allowed only short gains. From the 12 yard line, two flags, 3 incomplete passes and a short run gave the Knights possession on the 17 yard line.

Lindsay lost yards in 3 plays and punted again. Six plays later, the Devils found pay dirt on a 14 yard pass play. The PAT kick was good for a 0-7 score with 3:34 remaining in the first quarter.

Three plays after the kick, the Knights found the end zone, but a flag called the play back. Runs by Arendt and Anderle got the Knights to the one yard line where Arendt scored with 1:25 on the clock. Anderle kicked the extra point for a 7-7 tie.

Both teams got in plays before time ran out.

Lindsay took the 3rd quarter kick. Ten mixed runs by Dieter, Anderle and Arendt moved the ball to the 12 yard line. Anderle carried the last dozen yards to give Lindsay the lead. Anderle's kick made the score 14-7 with 7:01 on the clock.

Celeste also scored on their first drive of the second half, going 65 yards in 7 plays to tie the game 14-14 with 3:20 remaining in the period.

An interception two plays later set up another Devil touchdown. Moving into the final quarter, Celeste scored on a 40 yard touchdown pass play. The PAT gave the Devils a 14-21 lead.

Runs by Anderle and Arendt gained 37 yards before Lindsay ran out of downs on the Devils 30 yard line. Celeste then controlled the game for 13 plays, finding the end zone with 1:28 remaining in the game. The extra kick made the score 14-28.

The Knights attempt to score failed as time ran out for Lindsay.

Next Action
The Knights will conclude their season this Friday, traveling to Quinlan Boles Home.

"Boles runs a very strange offense," Coach Meurer commented. "It's a challenge to get ready for something never seen before."

Boles has struggled this season, getting only one victory, defeating Savoy in district play. Game begins at 7:30 pm.

Windthorst de-stings Muenster's 7th grade

Muenster's 7th grade Stingers fell to Windthorst 0-26 last Thursday evening. The game started with the Trojans returning the opening kick 85 yards for a touchdown.

Five runs by Zach Swirczynski picked up 12 yards in Muenster's first drive, but it soon ended with a punt by Bill Haverkamp. The Trojans carried the ball into the 2nd quarter with Swirczynski making most of the tackles. With 3:58 on the clock, Windthorst scored again for a 0-14 lead.

Chad Temple returned the Trojans kick to the 35 yard line for the Stingers second attempted drive. Swirczynski got in a 15 yard run, but a fumble the next play gave the ball to

Windthorst. Two plays later, 0-20.

An inside kick was covered by Haverkamp at the Muenster 45. Two Swirczynski runs and an incomplete pass were followed by a Haverkamp punt with 15.6 seconds on the clock.

The young Hornets offense took the field to begin the 2nd half. Swirczynski returned the kick 30 yards. Two plays later, Swirczynski broke tackles in the back field and dodged Trojans to get to the 6 yard line. Jonathan Bayer gained 2 yards, and a face mask against Windthorst took the ball to the 2. Another flag put the Stingers on the one yard line. Two runs gained no ground, and a motion flag backed the ball back to the six. A fourth down pass fell incomplete in the end zone, turning the ball over to the Trojans.

It took only 4 plays and Windthorst scored on the 87-yard run for a 0-26 lead with 2 seconds remaining in the third quarter.

From the Hornet 29, a run by Temple and one by Swirczynski gained 7 yards, but a quarterback sack lost 9 and Muenster punted. Haverkamp's kick rolled to the 30, was touched by a Trojan and recovered by Swirczynski on the Windthorst 26 yard line.

Swirczynski ran the ball to the 11 yard line, but the Stingers could only get to the nine, running out of downs with 19.7 seconds on the clock. The Trojans took a knee and ended the game.

Farm & Ranch

Texas crop and weather report

Scattered rainfall has caused hay yields to vary across Texas as producers are winding up their season, Texas Cooperative Extension reports.

"In good rainfall areas of the state we had rain in the spring and fall (which produced) good cuttings," said Dr. David Bade, Extension forage specialist. "In the western part (of the state) and where rainfall has been limited, yields were low."

Bade said all of the hay yields across the state are less than average. "Rainfall was limited during the summer months, but adequate in the spring and fall," Bade said.

Grasshoppers also caused problems for hay producers, he said.

"Bermudagrasses and sorghum type hay had the best yields because they have a high drought tolerance," Bade said. "Bermudagrass is the most prevalent hay produced in Texas followed by haygrazer hay."

Bade said haygrazer is a sorghum type hay that is usually a cross between sudangrass and forage sorghum.

"The eastern part of the state, east of Interstate 35, produces the most hay due to its climate conditions," Bade said. "Rainfall is the main reason for more hay (being produced) east of I-35."

The harvesting of hay usually ends at the first frost, he said.

"Bermudagrass is a perennial plant and will be there in the winter although it stays dormant," Bade said. "Most hay land is not planted in the winter."

In the Brazos County area, most hay producers were able to get two to three cuttings off of their land, Bade said.

Randy Upshaw, North Texas Extension director in Dallas, said several producers are still cutting hay and many are mowing and baling it. As it looks, this will be the last cutting this year, he said. Hay supplies seem to be adequate for now. Upshaw said due to excess hay, winter pasture is down and rainfall will be needed soon.

Lin Wilson, Coastal Bend Extension director in Corpus Christi, said hay producers are baling the

last cutting of the season.

Supplemental feeding continues at a relaxed rate, Upshaw said. Cattle still remain in good condition.

Extension directors in Amarillo, Vernon, Dallas, San Angelo, Weslaco, Fort Stockton and Stephenville also reported supplemental feeding of cattle.

Charles Neeb, Far West Extension director in Fort Stockton, said the last cuts of alfalfa have been done in 60 percent of the fields. Some farmers are still irrigating to push for the remaining cut that may be possible in November.

CENTRAL TEXAS: soil moisture is short. Producers are beginning to supplement feed cow herd. Small grain strands are stressed due to low moisture conditions. Pecan crop not looking good; most area pecan growers indicate a low crop. Wheat planting continues.

Don't forget to re-register your brand by Feb. 28!

Brand re-registration is under way in Texas and will continue through Feb. 28, 2002.

It is illegal to use a brand without first recording it, and re-recording is required every 10 years by Texas law. Brands that are not re-recorded by Feb. 28, 2002, will become available for other persons to use.

A brand can be registered by more than one person in each county, if it will be used in a different place on the animal. Some ranchers

prefer to register their brands in all locations to prevent others from using them.

Brands must be registered with the county clerk in every county where you intend to use them; therefore, if you run cattle in four counties, you must register your brands with each of those county clerks. Each county charges a small registration fee, ranging from \$8 to \$17.

For more information, contact your county clerk.

Nov. 29 is CCYF deadline

4-H members remember that all other market animal, breeding animal and horse entries (except steers) are due in the Extension Office on November 29, 2001. All entries must be made on an Official Entry Card. (One entry per card.) All must be complete (filled out, dated, signed and entry fee money must accompany the Entry Card/Cards before an entry will be accepted. The entry fee of \$5 per animal is due when you turn in your entry card(s).

Extension programs serve people of all ages regardless of socioeconomic level, race, color, sex, religion, disability or national origin. The Texas A&M University System, U.S. Department of Agriculture, and County Commissioners Courts of Texas Cooperating. Individuals with disabilities who require an auxiliary aid, service, or accommodations in order to participate in this program are encouraged to call (940) 668-5412 for assistance.

County Agent's Report by Craig Rosenbaum

Continued next week ...

Each year we get questions about legumes adapted for our area of the state.

Dr. Gerald Evers, Texas A&M University Agricultural Research and Extension Center, Overton, Texas offers the following information on several legumes including their

Arrowleaf Clover: Arrowleaf clover is one of the major annual clover species grown in the southeastern U.S.A. It is native to the Mediterranean region, Balkan Peninsula, and areas west and north of the Black Sea. It has large white flowers with a pinkish cast and can grow over 4 ft. tall if not grazed or cut. Arrowleaf clover is more sensitive to soil pH than some of the other legumes. It is best adapted to loam and sandy soils with a pH of 6 to 7 but does not grow well on clay or poorly drained soils. Seeding emergence is delayed on soils with a pH below 6 and can be affected by iron chlorosis on soils with a pH above 7. Seeding growth is poor with seedlings staying in a rosette stage until late February. This results in very little forage production until early March. Arrowleaf clover is the latest maturing, and therefore the highest yielding, annual clover with growth continuing through June and early July if moisture is adequate.

Arrowleaf clover seed are small with 400,000 seed/lb. Because up to ninety percent of the seed are hard only scarified seed should be planted at 8 to 10 lb/acre. Fall planting should be delayed until night temperatures drop to the low 60's for the best seed germination. Arrowleaf clover is an excellent reseeded but the volunteer stand may be poor the first autumn because of the high hard seed percentage. Planting an additional 4-5 lb/acre of scarified seed the first reseeding year will ensure that an adequate amount of soft seed is present to obtain a good stand.

Viruses diseases have become a major problem with arrowleaf clover. Leaves of affected plants will be crinkled, have a light and dark green mosaic pattern, and a chlorotic appearance. Root rots have also been a problem. Early symptoms are poor stands in the autumn because of seedling loss. Surviving plants will do poorly during the winter because of root damage and may die when grazing begins. Leaves of arrowleaf clover may turn red because of stress due to disease, low temperatures, or other environmental factors. Plant breeding efforts at the Texas A&M University Agricultural

Research and Extension Center at Overton have resulted in new germplasm that has tolerance to bean yellow mosaic virus. Arrowleaf clover seed coated with a fungicide has provided some protection against the root diseases. Early planting from mid-September to mid-October has also improved seeding survival against these diseases.

Crimson Clover: Crimson clover is native to Europe and is the most widely adapted annual clover species grown in the southeastern United States. It has scarlet or deep red flowers and is used extensively for roadside stabilization and beautification through the southeastern United States. Crimson clover grows on soils ranging from sands to well-drained clay soils with a pH of 5 to 7. Best growth occurs at a pH of 6 to 7. Iron chlorosis has been a problem on calcareous soils at a pH of 7.3 or higher. Recommended seeding rate is 16 to 20 lbs/acre. Crimson clover seed is one of the larger seeded annual clovers with 150,000 seed/lb and has excellent seeding vigor. If planted early, it can produce a substantial amount of forage in the autumn and has earlier forage production than the other clover species. However, winter temperatures about 15°F or lower have caused some top kill that will reduce early spring growth.

Crimson clover is the earliest maturing annual clover. The combination of good seeding vigor and early maturity makes it ideal for overseeding warm-season perennial grasses. Crimson clover is considered a poor reseeded because of hard seed levels of only ten percent. Most soft seed germinate with the first rain after seed maturation. Range in maturity of present varieties is about 12 days. Columbus crimson, which is not available at this time, is about four weeks later. Early forage production of Columbus is probably lower than the other varieties. Another variety is being developed at the Texas A&M University Agricultural Research and Extension Center at Overton for growing with annual ryegrass and managed as an annual reseeded pasture. It will flower about two weeks later than available varieties and the same time as TAM 90 annual ryegrass. Hard seed percentage will be from sixty to eighty percent, which should provide excellent reseeding.

Meeting Notices

AG MARKETING CLUB

The Ag Marketing Club will begin its 2001-2002 club year on Tuesday, November 13 at 7:00 PM at the Cooke County Farm Bureau Building located on Hwy 82 in Gainesville. The Marketing Club offers educational sessions for livestock and crop producers on agricultural marketing alternatives, commodity outlook, and producer input on current market strategies. This first session will feature Dr. Blake Bennett, TAEX Economist. Blake will present a program on "Developing Your Own Personal Marketing Plan" utilizing Cooke County commodity budgets, financial objectives, historical benchmark prices, marketing objectives, and price targets.

Mark your calendars and plan to attend. If you have questions, call the County Extension Office at (940) 668-5412.

MAJOR SWINE SHOW VALIDATION

Thursday, Nov. 15 3:30 p.m. to 5:00 p.m. If you plan to show swine at the major livestock shows (Ft. Worth, San Antonio or Houston), you MUST validate barrows from 3:30 p.m. to 5:00 p.m. on Thursday, Nov. 15 at the Valley View Project Center. This will be the ONLY validation. If you have any questions, call Bob Andrews at (940) 726-3522.

MAJOR LIVESTOCK SHOW ENTRIES DUE

4-Hers planning to enter the major livestock shows (Ft. Worth, San Antonio, Houston, etc.) will need to enter and pay entry fees on Tuesday, Nov. 20. An entry meeting will be held that evening at the Gainesville Chamber of Commerce beginning at 6:00 p.m. 4-Hers and their parents MUST be present to sign all entry forms. If you have any questions call the Extension Office at (940) 668-5412. Don't forget 1099's if you plan on entering the Houston Show.
