## Commissioners Court supports President Bush

by Janet Felderhoff  
At the Sept. 24 meeting Commissioners Court passed a resolution concerning the terrorist attacks on Washington, D.C. and New York. Judge Bill Harris noted, "It is a resolution supporting the President and his efforts in fighting this problem as well as our position on discriminatory action or vigilante action against peace loving Arabs as well as peace loving Muslims. We recommend that people not take vigilante action against the Arab or Muslim population in this country which we shouldn't have to do."

The resolution reads, "Whereas America continues to mourn the incomprehensible loss that the nation suffered on Sept. 11<sup>th</sup>, but we must be sure

not to let our anger, fear, and sorrow surface as violence; and whereas America as a nation must strive to provide a safe and welcoming environment for all of its citizens, including the millions of Arab and Muslim Americans who are part of America's national community; and whereas citizens must show patriotism and compassion by accepting all fellow Americans, and as a nation stand together, united against terrorism; and whereas, countries, keeping with the long held tradition of caring for America, must continue to pray for the victims, provide aid and compassion to the survivors, the families of the victims, the brave relief workers, their families and all who have been touched by this tragedy, while always remaining cognizant of the

terrible toll terrorism has taken on our society; and now, therefore, be it resolved that the County Commissioners Court of Cooke County, Texas ardently condemns cowardly and pointless acts of hate crimes, and; be it further resolved, that the County Commissioners Court of Cooke County, Texas encourages citizens to be vigilant in their efforts to help and heal, but not vigilantes; be it further resolved, the governing board of Cooke County condemns all acts of lawlessness and supports the President of the United States, as he works to defend the United States of America against terrorism."

The resolution was signed by Judge Bill Harris and Commissioners Bill Cox, Virgil Hess, Jerry Lewis, and Phil Young.

## Sign up for America!

"Community Pride. Texoma Proud. American Through and Through." That's the message on a large "postcard" at the Muenster Chamber of Commerce. Area residents are encouraged to sign one of 20 cards in the area that

will be sent to our senators in Washington D.C., with copies to the White House, as a show of support from the people of Texoma.

The postcards measure 2 by 4 feet and were distributed by KKAJ radio

station and will be on display for at least 30 days.

Anyone interested is welcomed to stop in and sign their name. Cards are also at the Gainesville and Nocona Chambers of Commerce.

## Commissioners approve county redistricting lines

by Janet Felderhoff

Following the census report done every decade, election precincts and voting districts are scrutinized and redrawn to reflect changes in the population. In Cooke County there are four Commissioner Precincts. It was determined that to be evenly divided each of the four precincts should have about 9091 people in it. The total population in 2000 was counted at 36363 for Cooke County.

Allison, Bass and Associates, LLP was hired to counsel Cooke County on how the best way to redistrict taking care not to relocate elected officials outside their precincts. After prior meetings with Cooke County officials, the firm came up with a redistricting plan. It was approved at the Sept. 24 Commissioners Court meeting.

In the new plan the population is divided as follows Precinct #1 - 9,171; Precinct #2 - 8,878; Precinct #3 - 9,144; Precinct #4 - 9,170. Precinct #2 is growing the fastest at this time so a lower population was placed in that precinct to allow for the growth factor.

The redistricting lines also impact Justice of the Peace/Constable precincts.

John Roane, justice of the peace for Precinct #4, remarked that he had lost some rural population with the redistricting. "They at one time requested the possibility of picking up another precinct at least to more or less even up the numbers in the JP precinct," said Judge Roane. He wondered if that had

been discussed this time. It was decided that the numbers had been worked out in the new plan. After looking at the map and numbers Judge Roane decided it didn't look too badly out of proportion.

Allison, Bass and Associates will now prepare and submit the approved plan to the United States Department of Justice seeking pre-clearance of all Cooke County election boundaries, voting places, and procedures relating to the redistricting of the County.

Precinct #2 Commissioner Bill Cox expressed concern, "My great concern about Lake Kiowa, 22 and 8, is Lake Kiowa is private and the people out on 8 if they're assigned to 22, they don't like to go inside there and vote and the 22 don't like for them to go inside and vote." Judge Bill Harris remarked that locating the polling place outside of Lake Kiowa could eliminate the problem. All agreed that was a good solution.

A portion of County Road 316 located in Precincts #3 and #4 were officially closed by the County. Closing that portion of CR 316 will become necessary due to its location to the future lake being built northwest of Muenster.

Precinct #4 Commissioner Virgil Hess brought the four petitions that were posted near the proposed closings (two from Precinct #3 and two from Precinct #4). Hess said that they were posted on Aug. 31 and picked up Friday, Sept. 21 at 3:00 p.m. There were no signatures opposing the closing. Also nobody protested at the meeting.

Precinct #3 Commissioner Jerry Lewis asked Muenster's attorney Chuck Bartush when the City was planning to make the turn around areas and place barricades across the road. Bartush said the barricades could be put up almost immediately. Temporary turn around areas would work until the cul-de-sacs could be built, Lewis said.

County Clerk Evelyn Walterscheid reported that apparently some of the people listed as election judges hadn't been contacted before being named and did not wish to serve. Frank Rust, Cooke County Republican party chairman, submitted a revised list for approval. Jack W. Ollie was named alternate judge for Precinct #2.

Changes included in Precinct #3 Jim Goldsworthy replaced by Jim Stewart; Precinct #5 Margie Powell is replaced by Patti Land; #6 Darren Baucum is replaced by Robert Henderson; #18 Angelo Nasche is replaced by Mary Endres; #20 Juree Case by Trisha Williford; #21 Laura Neusch by Sherry Ann Hess; Angelo Nasche will preside over early voting.

The suggested changes were approved by Commissioners Court.

EMS Director Bob Harbin suggested that they advertise in newspapers for bids for monitors and defibrillators for the EMS department. This is instead of writing specifications since there are only two companies who make this equipment. The technology between the two companies See COMMISSIONERS, Pg. 2

The Texoma Regional Blood Bank conducted a blood drive in the Lindsay ISD Ag building Tuesday. Officials said response was higher than usual in part due to a desire to help after recent terrorist attacks in Washington and New York, though this blood stays in the local area. Melissa Carpenter, right, donated a pint and a big smile like most other donors. Officials said shelf life of whole blood is short (about 42 days, max), so they urge donors to keep it up as the holidays draw near. Dave Fette Photo

## Body Works in business on North Grand Avenue

by Janet Felderhoff

Muenster resident Steven Knabe, Lindsay residents Brian Rains and Randy Atkins, and Ryan Green of Gainesville are co-owners of Body Works Collision Specialist, Inc. Services offered include collision repair, glass installation, hail damage repair, free computerized estimates, express claims handling of major insurance companies, auto detailing, and free pick up and delivery service. There is a lifetime warranty on all repairs.

Body Works Collision Specialist, Inc. has a total of

11 employees. All body repair technicians have I-CAR training certification. Paint technicians have earned Dupont training certification. "The shop is striving towards industry recognized I-CAR Gold Class status," Knabe noted.

The facility has three frame and alignment bays and two spray booths. Dupont products are used in the repair work.

Originally the business opened in 1994 at 3109 East Highway 82 in Gainesville as Rasure Paint & Body, Inc. under the ownership of Randy Atkins and his

partner. In April of 2000 Ryan Green bought out Atkins' partner. Then in October of 2000 Steven Knabe and Brian Rains bought into the business. It was at that time that they relocated the business to 1115 North Grand in Gainesville.

On July 1 of this year the name was changed from Rasure Paint & Body to Body Works Collision Specialist, Inc.

Shop hours are from 8:00 a.m. to 6:00 p.m. Monday through Friday and Saturday from 8:00 a.m. until noon. Their phone number is 668-6857.

## Saint Jo celebrates October 8

Coming on Oct. 8 the Saint Jo Chamber of Commerce will present, along with Deer Creek Ranch, a Concert on the Square and Barbecue Dinner, featuring Nashville entertainer, singer-songwriter Thom Shephard and his band "The Twang Thang". Thom is the songwriter of David Ball's current radio single, "Riding With Private Malone", currently making a splash across the USA on radio stations everywhere. Thom was chosen as the featured entertainer, as he is a friend and musical collaborator with Ms. Carpenter of Deer Creek Ranch. The concert is set to begin at 4:00 P.M., with the Chuckwagon

# Letters to the Editor

## To the Editor,

I was in Mrs. Mosman's Physical Science class sitting on the corner of the front lab table when George Petrus, our principal, came into the room and announced that President Kennedy had been shot. I was at Lake Texoma on a hot summer Sunday in 1969 when the crackling voices of the first men on the moon came across the radio. I was at a Friday night football game when Willie Walterscheid announced over the loudspeaker that Jessica McClure had been safely rescued from the well shaft in which she had spent days. I had just finished the morning dairy chores when the shuttle went down with seven great Americans aboard. These headline stories are embedded in my memory and I'm sure the generation before has Pearl Harbor as well.

11, 2001! We were busy casing mail in the Denton Post Office when the postmaster took us aside - 6 at a time - and told us the news. We really had no idea what was happening until we hit the streets. By then the colleges were dismissed, Federal buildings were closed with police guard, F.E.M.A. was at full alert, and the planeless skies were silent. With school out, there was no partying - only TV's and radios. I had no idea of the ordeal until I got home and turned on my own TV.

As the days passed the flags came out of the woodwork. I could tell that some were brand new, like our country was in the 1700's. Some were tattered, some had rips, some were stained, some on radio antennas were shredded - just as our country has been throughout the years. Some were small, some large, just like the states in our great

America. I was really impressed with the bonding of the entire American people.

When a tragedy such as this occurs, where do we turn? You guessed it - we hit our knees and turned to God! We always feel a safeness with God, and we desperately needed some kind of security! The entire nation was asking for help from God! It's kind of ironic - it's the same nation that took prayer out of our schools, and passed Roe vs. Wade, legalizing abortions. That's the beauty of it - we can go against Him - yet He's always there when we need Him. The blood drives, the volunteers, the flags, the prayer meetings, the help for victims, the millions of dollars pouring in for aid, and the American unity is what makes us all proud of our country! - We'll need God in the near future, but let's not let Him down when all of this is done!

## Dear Editor,

I am so proud to be an American. Our country has shown that we are united and will stand together and help one another at any cost. The support that has been shown through the tragic events of September 11 is just unbelievable. I cannot put into words how proud I am to have been born and raised in America. This brings about a subject that I feel should be addressed. I have seen our flag being proudly hailed, but sometimes with no respect whatsoever. I saw a car on the highway that had the flag attached to the trunk lid. On the news the other night at a baseball game, people were encouraged to wear red, white & blue. Someone was actually wearing an

American flag! It's okay to wear a flag print, but to actually drape a flag across your body is just disgraceful. The only time a flag should be draped across a body is when that body is in a casket. People have died for our flag, we should treat it with respect. I will proudly display the American flag and hope that everyone else will do so, but please remember it is not a decoration; it is a symbol of peace and prosperity, held up in battles and raised in honor of the men who have died for this country. God Bless America!!!

Sincerely,

In other business Commissioners Court:

- Approved a 90% four-year tax abatement for Silva Movie Theater.
- Approved indigent burial for Troy Ward.
- Approved public official bonds for deputy constable Tony O. Weir.
- Approved Lake Ray Roberts Planning and Zoning Board minutes for September meeting.
- Discussed at length preliminary plat for Eagle Cove Subdivision in Precinct #2, including roads and water wells. Tabled decision until October meeting.

varies so much that in writing specifications you would have to lean to one or the other.

"Also in my humble opinion, I think this equipment is entirely too expensive and the way I've written this proposal this does not have to be new equipment," noted Harbin. "It can be demo equipment or even refurbished equipment as long as they will give us the one year EMS warranty on the equipment. There is some demo equipment out there that is available at a considerable savings. The price on this equipment new is 70 to 90 thousand dollars depending on which company for the four units."

Harbin was authorized to advertise for bids as he requested.

## TFU President offers opinion on beef origin

Have you ever stopped to wonder why we know exactly what country our T-shirts are from, but we have absolutely no idea what country our T-bones are from? We, as consumers, deserve to know the country of origin of the food we feed our families.

While we buy clothes, cars, toys, and many other manufactured goods that bear country-of-origin labels, there is no requirement for the food we feed to our families. There are several opportunities currently available for food consumers and producers to let our national lawmakers know that we want more honest and complete food labeling.

The Food Safety and Inspection Service (FSIS) is accepting public comments until Oct. 9 concerning a new proposed ruling to define U.S. cattle and fresh beef products for labeling purposes. Current FSIS regulations allow voluntary labeling of fresh beef products using terms such as "U.S. Beef," and "Fresh American Beef." FSIS interprets these terms to mean that products are derived from cattle born, raised, slaughtered and processed in the United States.

However, there is a movement to change the rule by allowing beef products from imported cattle that are then fed a minimum of 100 days and processed in the United States to be labeled "Beef: Made in the USA." This rule change would be misleading to consumers and damaging to the integrity of our U.S. livestock industry.

U.S. beef producers spend significant time, money, resources and energy in order to produce top quality livestock. Cattle and beef products that were born and partially raised in another country should not be labeled as a product of the United States.

Consumers and producers should write in support of the current definition of U.S. cattle and beef products for labeling purposes as "born, raised, slaughtered and processed in the United States."

One original and two copies of written comments should be sent by Oct. 9, to: FSIS Docket Clerk, Docket #00-036A, Department of Agriculture, Food Safety and Inspection Service, Room 102 Cotton Annex Building, 300 12th St. SW, Washington, DC 20250-3700. A sample letter is available on Texas Farmers Union's website, www.texasfarmersunion.org.

While this rule would take care of voluntary beef labels, there is currently national legislation to require mandatory food labels on all meats as well as fruits and vegetables. All consumers and producers should urge their national legislators to pass S.280, known as the "Consumer Right to Know Act," and H.R. 1121, or the "Country-of-Origin Meat Labeling Act." Both would make country-of-origin food labeling mandatory.

Collectively, we can make a difference in getting truthful and meaningful labeling regulations on the food that we choose for our families. Let's all contact our leaders today!

Texas Farmers Union

## Sidney Frank Huchton 1919 - 2001

by Elfreda Fette

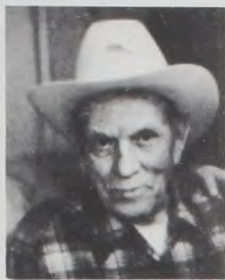

Mass of Christian Burial was offered for Sidney Frank "Sid" Huchton on Friday, Sept. 21, 2001 in Sacred Heart Church of Muenster at 10:30 a.m. by Father John Ohner OSA, pastor.

Sid Huchton, a native of Muenster, died at his home in San Angelo on Sept. 17, 2001 at 10:50 p.m., at age 82.

Survivors are three sons, Donald F. Huchton of Iowa park, Joseph M. Huchton of San Angelo, and Kenneth A. Huchton of Tyler. There are six grandchildren and nine great-grandchildren. Also two sisters, Ernie Hellman of Muenster and Laura Trachta of Muenster; and one brother Walter Huchton of Bedford.

Preceding him in death were his parents; his wife Eva Marie who died May 27, 1999; two sisters, Ann Walterscheid and Cecilia "Tootsie" Huchton; three brothers John Huchton, Henry Huchton, and A.J. Huchton.

Sid Huchton was born July 4, 1919 in Muenster to Otto Joseph Huchton and Katherine Herr Huchton.

Sidney F. Huchton

On June 17, 1946 he married Eva Marie Murphy in Denison, Texas. They resided in Cooke County until moving to San Angelo in the early 1950s. From 1940 to 1945 he served in the U.S. Army where he was combat assigned in W.W.II in Europe. He received several medals for his service to his country. He was an oil driller for several different oil companies, both on and off-shore. He was a member of Holy Angels Catholic Church in San Angelo.

Rosary Service was held on Thursday at 4:00 p.m. led by James Fleitman, and

## CCRW schedules candidate forum for Senate District 30 race

The Cooke County Republican Women will hold their monthly meeting Thursday, Oct. 4 at 7:00 p.m. at the Gainesville Chamber of Commerce.

It will be a candidates forum featuring those candidates running for Senate District 30 which will be a special election that will be held Tuesday, Nov. 6. This election is being held to fill the unexpired term of Senator Tom Haywood. Those who have filed at this time are: Craig Estes from Wichita Falls, Dave Jefferies from Vernon, Henry Reynolds from Sherman, and Kirk Wilson from Denton. They will be running in the old District

30 lines. In March there will be a primary where candidates will be filing in the new State Senate 30 lines. Senator Haywood represented this district well and now it is important to be informed before you cast your vote in November.

Propositions will also be on the Nov. 6 ballot. Handouts on the propositions will be available.

After the program and business meeting refreshments will be served, and there will be an opportunity to talk to these speakers. The public is welcomed and encouraged to come and participate and be informed.

## Firefighters hold annual poster contest

The Cooke County Fire Fighters Association held their 3rd Annual Fire Prevention Poster Contest Awards Dinner, Monday, Sept. 24 at the Gainesville Civic Center.

The event honored 97 Cooke students out of the 2400 entries in grades K-5th and 500 parents, guest, and grandparents.

The Civic Center was decorated in yellow, black and red to symbolize the black boots, yellow bunker gear and red hat of your firemen of Cooke County. The program followed a sausage and hot dog dinner cooked by Scott Selby of Era.

Michael Selby, Era Chief welcomed guests. Pledge was led by Herbie Knabe, Muenster Chief. Invocation was offered by Selby. Door prizes were presented by Ken (Callisburg Fire Department) and Denise (Association Secretary) Pearse, Charles Martindale, Moss Lake Chief, Jerry Proffer, Oak Ridge Chief,

and Gainesville Fire Department.

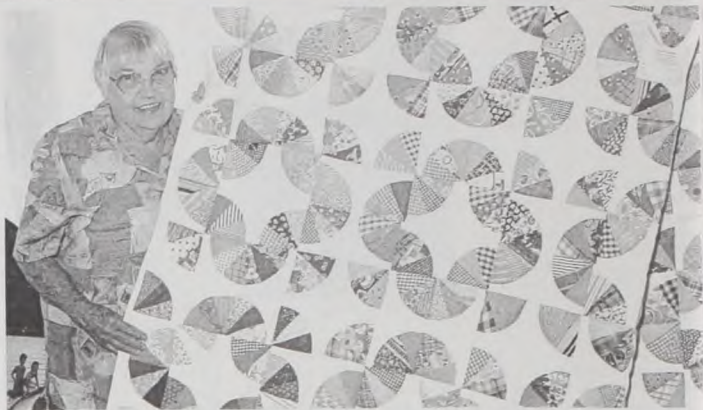

The group also enjoyed a fire prevention program presentation by the Gainesville Fire Department.

Assisting with this event where every entry received a prize and the 97 winners received a goody bag, ribbon, and treat were State Farm Insurance, First State Bank, Martindale Feed Mill, and Gainesville Housing Authority.

Making award presentations were Sheriff Mike Compton, Deleanna Covington of Callisburg Medical Office, Steve Boone, Gainesville Chief, Herbie Knabe, Brad Mitchell, Moss Lake Assistant Chief, David Wissan, Gainesville Police Department, Mike Corcoran, Lindsay Chief, Pat Payne, District Clerk, Luke Myers of Era, John Roane, J.P. of Pct. 2, and Jody Henry, Fire Marshall.

Local winning students are as follows:

**Kindergarten** - Reserve, Mikayla Fleitman, Sacred Heart; 2nd, Jace Fredrick, Muenster; 6th, Elizabeth Zwinggi, Lindsay; Honorable Mention (HM), Jalyn Anderle, Anna Rose Rohmer, Shea Garner, all of Lindsay. **First - Grand**, Amber Walterscheid, Sacred Heart; 6th, Michelle Sicking, Muenster; HM, Mikaela Bartush and Stacie Wimmer both of Sacred Heart. **Second - Grand**, Lucinda Krahl, Lindsay; 1st Demi Koelzer, Muenster; 2nd, Austin Miller, Sacred Heart; 4th, Andi Felderhoff, Muenster; 7th, Amelia Haverkamp, Lindsay. **Third - 8th**, Madison Parkhill, Lindsay; HM, Matt Hesse and Rebekah Hesse, both of Sacred Heart. **Fourth - 4th**, Mary Cochran, Sacred Heart; 10th Jacob Klement, Muenster; HM, Ginger Bartush, Rashae Dangelmayr, Rochelle Gleason all of Sacred Heart; HM Wesley Daubenspeck, Sivils Bend.

## The Dorothy Quilt - the story behind it

Every quilt has a story, whether it's an heirloom from Grandma or put together yesterday. Why were those colors chosen? Why those particular fabrics? Why that pattern? For whom or what room was it made? Who helped quilt it? Perhaps the older quilts have the more interesting story, if only because the answers to many of those questions are unknown. Not so, with this quilt!

Frances Bergman Kathman, who was born in Bow Valley, Nebraska on Sept. 2, 1887 pieced the top of this Raffle quilt. Her parents were among the early settlers in the Muenster Community as Frances' niece, inherited the parents of her husband, Joe Kathman

whom she married in 1916. As a young lady, Frances apprenticed as a tailor in Chicago and used the skills she learned there to become a perfectionist seamstress. In addition to making garments for herself and others, she made quilts. She was very frugal, using flour sacks and the scraps of fabric from garments she had sewn. She fashioned beautiful quilts, which she

gave away generously. On close examination one can see even small pieces of fabrics of different designs combined to create one small section of the pattern. Dorothy Kathman Fisher, Frances' niece, inherited and generously donated her aunt's quilt top to help the

Muenster Historical Commission raise much-needed funds. No one seems to know the name of the pattern so we are calling it "The Dorothy Quilt." Dorothy Fisher donated the quilt top; Dorothy Hartman donated the batting and added Betty Kralicke's backing to put the quilt together; Dorothy Yosten and Dorothy Zimmerer were faithful quilters from beginning to end. Others who helped quilt were Florence Fisher, Florence Williams, Rose Hofbauer, Loretta Wimmer, and Marcie Wilde.

Frances Kathman died on March 12, 1974 and her quilt lives on to be cherished and treasured by the lucky winner.

## Meeting Notice

The Cooke County A&M Club luncheon will be held at 12:00 noon on Friday, Oct. 5 at the Smokehouse in Gainesville.

The Bereaved Parent/Grandparent Support Group will meet Monday, Oct. 1 at 7:00 p.m. at the Home Hospice office, 1001 East Broadway, Gainesville. Call Kelly at 940-665-9891 for more info.

## GMH offers fall weight loss/exercise program

There is still time to register for Gainesville Memorial Hospital's popular "Weigh Less For Winter" weight loss and exercise program.

"Weigh Less" is a four-week program, which features four workout sessions in GMH's first-class cardiac and pulmonary rehabilitation center, four healthy meals, four nutrition classes, four weeks of menus and 40 recipes.

Classes begin Thursday, Oct. 4, and continue each Thursday through Oct. 25. Cost of the four-session course, meals and manual included, is \$50 per person; with discounts applicable to couples and multi family member households. Reservations and a physician waiver are required. Payment is due by Oct. 1 and is non-refundable. Space is limited and will be accepted on a first-come, first-serve basis. Call 940-612-8340 or 940-612-8389.

## Ladies Auxiliary VFW meet, remember victims

Ladies Auxiliary VFW Post 6205 held a short prayer service before their meeting Sept. 17, remembering the POW (Prisoners of War) and MIA (Missing in Action) men and women. Also a prayer was said for the victims of the attack on New York and the Pentagon. All the ladies held lighted candles during the service. Several special readings were also presented.

Frances Bayer, president, called the meeting to order. Roll call and minutes were read by Ida Bindel, secretary. Treasurer, pro tem, Agnes Hesse gave the treasurer's report. Ethel Hesse, rehab chairman,

reported some clothing items were purchased to be taken to the Bonham VA Hospital.

Members were reminded the flags in town would be flown until Sept. 22 from Sept. 13, because of the terrorist attack in New York and Washington D.C.

Linda Knabe had 300 copies of "Tribute to the United States" made and is passing them out to everyone wanting one.

The annual Bake Sale will be Friday, Oct. 19 at Fischer's from 8 a.m. until 5 p.m. Members are also reminded to pay their dues.

Sandra Hennigan served lunch to nine members. Eleanor Felderhoff won the door prize.

## Gainesville Santa Fe Depot unveiling Oct. 6

The Gainesville Santa Fe Depot celebration will be held on Saturday, Oct. 6 from 11:30 to 12:30 p.m. The completed restoration of the depot will be celebrated with an unveiling and opening to the public. It is anticipated the exhibits of the Coca Cola and Circus memorabilia will be in place for public viewing.

Congressman Ralph Hall has been invited to be the main speaker along with local dignitaries. Ceremonies will be held in front of the depot at Elm Street. Through the efforts of a number of individuals, the building restoration has been completed to operate

as a multi-modal station with exhibits on transportation and the Frankie Schmitz Circus and Coca Cola collections.

The north part of the building will serve as a waiting room for Amtrak, Greyhound and TAPS (Texoma Area Paratransit System). The second floor will contain an exhibit of a room designed to show the living quarters of a Harvey Girl. In addition the Gainesville Police substation and the Main Street Program Manager will have offices upstairs. For further information please contact Carlos Vigil at 940-668-4504.

## Lee and Mary Haverkamp reunion held in Oklahoma

The second annual reunion of the late Lee and Mary Haverkamp family was held on Labor Day weekend at Grand Lake of the Cherokees in Oklahoma.

The reunion was hosted by Daryl and Suzie Wiesman, Bryan and Sally Wiesman, and Dolores and Leroy Wiesman at the lake house of Bob and Deona Short, parents of Suzie and Sally Wiesman. Present were members of the Richard Schumachers, the Leroy Wiesmans, the David Forgeys, Travis Wickliffes, and the Joyce Bydstun families. About 70 people

attended.

Visiting and reminiscing were the highlights of the weekend. They also enjoyed swimming, fishing, skiing, tubing, and see-doing. Paddle boats and canoes were enjoyed by the children. Games of 42 were also enjoyed. Games were held for the young and old with lots of prizes. Olivia Forgy led the rosary and a prayer service on Sunday morning. Dana O'Connor brought along lots of old photos to share. A good time was had and everyone is looking forward to next year.

## New Arrival

Patrick and Carla McCage of Gainesville announce the birth of their second daughter, Madyson Tate McCage in Muenster Memorial Hospital on Sept. 23, 2001 at 9:40 a.m. weighing 8 lb. 9 oz. and measuring 21 inches in length. She joins a sister, Sydney McCage, age three years. Their grandparents are Earlyne McCage of Gainesville and Don and Isabel Lindsay of Gainesville. Great grandparents are Gertrude Kline and Margaret Lindsay both of Gainesville.

## Auditions set for BSP holiday comedy

Butterfield Stage will hold auditions for the holiday comedy, *My Three Angels*, on Tuesday, Oct. 2 at 7 p.m. at the theatre, located at 201 S. Denton in Gainesville. Needed for the production are seven men and three women, ages 15 to 70 years. The play, a joint production between Denton Community Theatre and

Butterfield Stage will be open Nov. 30 at the State Theatre in Gainesville and conclude its December performance schedule at the Campus Theatre in Denton. Directing the production will be Bill Kirkle.

*My Three Angels* is set in French Guiana, a region where on Christmas day the temperature graciously

drops to 104 degrees. It is there that three convicts, escapees from Devil's Island, appear offering their services as roofers to the Ducotel's, a family of three who are anxiously awaiting the arrival of a rather disagreeable cousin, Henri Touchard. It is Touchard's plan to oust Felix Ducotel, from his business and see that his cold-hearted nephew jilts the young Marie Louise for an heiress.

*My Three Angels* performances are slated for Nov. 30, Dec. 1, 7, and 8 at 7:30 p.m. in Gainesville and Dec. 20, 21, and 22 at 7:30 p.m. in Denton. Auditions are open, and any wishing to serve as production personnel are also encouraged to attend auditions. For more information, contact Butterfield Stage at 940-665-8152 or bsp@nortextinfo.net.

## Prostate Cancer Facts

Prostate cancer is the second most common type of cancer found in American men, after skin cancer. The American Cancer Society estimates approximately 198,100 new cases of prostate cancer will be diagnosed during 2001 with another 31,500 men dying of the disease this year.

## Dye Mound Association sets cleanup for Sept. 29

The cleanup and repair of the Dye Mound Community Association's building and grounds will be Saturday, Sept. 29 at 9:00 a.m. The cleanup is preparation for the annual homecoming and meeting Sunday, Oct. 7. All residents and former residents of the Dye Mound area or anyone interested are invited to help. Bring tools and cleaning materials. All are invited to attend the annual meeting and homecoming which also includes a covered dish lunch.

## Lindsay Student Council names homecoming court and activities

On Wednesday, Sept. 5, the Lindsay High School Student Council announced the selection of the 2001 Homecoming Court. Selected as Princesses this year are Jessica Bezner, freshman, Whitney Neu, sophomore, and Stacie Yosten, Junior. Jessica is the daughter of Susie and Andy Bezner; Whitney is the daughter of Becky and Ronnie Neu; and Stacie is the daughter of JoAnn Richards and Melvin Yosten. Queen nominees are Alex Haayen, daughter of Patty and Dick Haayen; Taren Hall, daughter of Janae and Tad Hall; Hannah Trammell daughter of Jili and Alan Trammell; and Megan Ward daughter of Marianne and Milton Ward. The Queen will be crowned at Lindsay's Homecoming game against Paradise Oct. 5. Pre-game activities will begin at 7 p.m.

Lindsay Student Council is planning a week of fun activities culminating with a Homecoming Dance for the students on Saturday, Oct. 6 from eight until midnight in Conrad Hall. In

addition to the game and dance, the Student Council is planning activities and games all week. Points amassed during the week will determine the Most Spirited Class.

The highlight of the class competition will be a Powder Puff Football Game Wednesday, Oct. 3 beginning at 7:30 p.m. Senior and sophomore girls will try to retain their championship over Junior and freshman girls in the flag football game. Boys will make up the pep club, cheerleaders and drill team.

The "Drill Team" will perform at half-time. Play-by-play announcers will keep the audience entertained with their description of the game. Admission will be \$1 per person. Everyone pays regardless of age or position or participation, as this is a fund-raiser for the Student Council. A limited concession stand will also be available. The Student Council is working hard to make Homecoming Week 2001 interesting and fun. They invite everyone to join them for the celebration.

## Collection nets \$2122 for relief effort

Lindsay High School Student Council members wanted to help the victims and survivors of the terrorist attack on Sept. 11. They decided to try to raise money for the Red Cross Disaster Relief Fund. Letters were sent home with all students K-8 and announcements were made in the high school that money would be collected for the cause on Tuesday, Sept. 18, one week after the disaster.

The students and staff of Lindsay ISD surpassed the expectations of the Council members donating \$2122.00 to the Red Cross Disaster Relief Fund. Student Council president Tommy Arendt and council members Taren Hall, Alex Haayen, Adam Anderle, Ben

Hundt and Pat Zimmerer presented the money to Kathi Kirby in the Red Cross office on Thursday, Sept. 20. Ms. Kirby told the students that the Cooke County Red Cross had raised \$14,000 for the relief effort. She told the students that their contribution would be put to work helping people in New York and Washington affected by the terrorist attack.

## Presnall leverages technology

Jeff Presnall of Muenster and the Muenster School District became a Master Teacher (MT) this summer as part of the Intel® Teach to the Future program with support from Microsoft -- a worldwide initiative to help teachers effectively integrate the use of computer technology into classroom curriculum to improve student learning and achievement. Using the "train-the-trainer" model, these teachers were trained this summer and will in turn train 40 of their colleagues on the program over the next few years.

Presnall commented, "The Intel® Teach to the Future Master Teacher Training and the Bill & Melinda Gates Teacher Leadership Seminar were wonderful opportunities that I was fortunate to be a part of. I learned not only how to become a better teacher, but also how to help my fellow teachers become more informed and comfortable with integrating technology into the everyday classroom. Our students and teachers

are very fortunate to have such a tremendous amount of access to modern technology, as well as an administration and school board that are committed to keeping MISD prepared for the twenty-first century! It is our job as teachers to put these amazing technological tools to work and improve and expand the learning opportunities for our students!"

The program has a goal of reaching 400,000 teachers around the world by the end of 2002. The professional development program consists of forty hours of hands-on instruction delivered by a means of ten curricular modules tailored to country and district standards.

"This is the second year of the Intel Teach to the Future program," said Cynthia Reed, Intel program manager. "At the end of the program we will have helped more than 800 Master Teachers and 40,000 Participant Teachers in Texas become comfortable using technology as a tool to

enhance their teaching skills." During the program, teachers learn how to incorporate the Internet, Web page design, multimedia software, and Microsoft Office Professional software into their lesson plans. The teachers also learn how to integrate technology into the fabric of day-to-day teaching to enhance higher-order thinking, creativity and problem-solving skills in today's students.

Two Texas Regional Training Agencies administer the training in the state. These are Texas A&M University and the University of North Texas. On June 1, 2001 the Texas Telecommunications Infrastructure Fund donated \$4 million to double the size of the program in Texas.

Intel, Microsoft and other industry leaders are supporting the Intel Teach to the Future program with donations of equipment, software and cash.

The Sacred Heart High School Freshman Geography Class collected blankets for Christian refugees in the Southern Sudan who are victims of religious and political turmoil in Northeast Africa. The "Blankets of Love" are part of the relief projects of the Voice of the Martyrs in Bartlesville, Oklahoma. The blankets will be sent to refugees who have nothing and will provide warmth and covering during the cool and rainy season. In order to pay for shipping costs, the class held a bake sale. As a follow-up in the spring, the students will organize school packets to be sent to the Sudan for makeshift classrooms in the Bush. The class sponsor is Joe Caserta. Janie Hartman Photo

## Hornets spoil Wildcat Homecoming

The Muenster Hornets were needing a victory, after last week's loss to Millsap, and Callisburg was their next opponent to beat. It was homecoming night at Wildcat Stadium, but that didn't seem to bother the Hornets, who took home a 13-3 victory.

"I thought the team did a tremendous job. They were focused and played with relentless abandon," commented Hornet Coach Gordon Martin. "I'm proud of the fact we had no penalties. That's the kind of football we strive to play."

The Hornets could not move during their first possession, which put them in a 4th and 4 position on their own 27 yard line, forcing them to punt.

Callisburg moved the ball for several plays, then punted the ball back to Muenster. Two plays later, Callisburg covered a fumbled ball on the Hornet 30 yard line.

The Wildcats lost a yard and punted, giving the Hornets the ball on their 19 yard line. The teams exchanged punts with Paul Fleitman getting a 7 yard loss sack.

Muenster still couldn't get 10 yards, and punted again. Several plays later Chisam Cain picked off a Cat pass giving the Hornets possession on their 3 yard line.

A 13 yard run by Jake Freeman earned a first down, but it was followed by a punt on 4th and 11. The Hornet defense held the Cats. A short punt put Muenster on the 29. Four runs by Cody Cory moved the ball to the 15. A Mitch Endres pass to Cory picked up 6 more yards. Then two plays later, Cory scampered to the promised land on a 2 yard run. A successful extra point by Cain gave Muenster a 7-0 lead.

Callisburg got in a good run before time ticked away for the half-time break. The Wildcat offense moved the ball for several plays, but three penalties hampered their gains and they booted a field goal on 4th and 15 for a 7-3 score.

It was three plays and punt for Muenster. The Cats threatened with a 16 yard run, but a fumbled ball, covered by Colby Newton, returned the ball to Muenster. The Hornets then lost the pigskin for the second time. Callisburg carried the ball into the final quarter, then punted.

Muenster's offense continued to struggle, gaining only 2 yards. The Cats ran seven plays, then ran out of downs. From midfield the Hornets put together a sustained drive of 51 yards on six plays, capped by a 15 yard touchdown run by Cory. The

extra kick was blocked for 13-3 score.

Callisburg threatened to score, but a fumbled ball was covered by Nathan Hess on the Hornet 25. The Hornets ran several plays, highlighted by a 55 yard run by Cory, as the clock ticked away.

The Hornets will host Collinsville this Friday night. The Pirates will be wanting a victory after last week's 20-13 defeat by Whitewright. "Collinsville is very fast and probably the best team on our schedule," Coach Martin commented.

Hornet Mitch Felderhoff will be side-lined this Friday night with a sprained wrist.

Game time is 7:30 p.m. at Hornet Stadium.

## Tigers lose in double OT

The Canyon Creek Cougars of Richardson came to town last week in an attempt to take control of the Tiger Jungle. Sacred Heart kept their visitors under control the first half, but allowed them to tie the game, then win it 14-17 in double overtime.

"In the first half we moved the ball well, just as we expected to, and our defense completely shut them down. So at half-time we felt we were in control of the game, and the score reflected that," Tiger Coach Kris Hogan commented. "It was a situation where we played football for the first two quarters and rolled up our tent for the last two quarters. I told our team Saturday morning that if we can't play for four quarters, we do not deserve to win, and they agreed. It was something that I did not expect our team to do, and we are definitely not where we need to be mentally to accomplish our goals for the season. Obviously I need to do a better job preparing us to play for four quarters. We plan on being back where we're supposed to be next week," Hogan concluded.

Thomas Whitecotton took the opening kick to the Tiger 28 yard line. The first play from the line of scrimmage saw Johnny Krahl go down field and find the end zone. The play was called back by a clipping penalty. The Tigers then struggled and Luke Endres punted the ball to the Crusader 16 yard line. Tackles by Endres and Adam Krahl, forced a Canyon Creek punt.

From the 42, Sacred Heart began their first scoring drive. J. Krahl got to midfield, then a quarterback keeper by Paul Bartush took the Tigers to the 29. Runs

by Krahl, Whitecotton, and Bartush set the ball on the one yard line. A Bartush keeper put the Tigers on the board. John Knabe's extra point kick made the score 7-0 with 3:18 on the clock.

Again the Cougar offense struggled, punting after three plays. The Tigers booted the ball back, then ended Canyon Creek's drive when Luke Endres intercepted a pass, putting the Tigers 24 yards from pay dirt. Runs by Krahl and Whitecotton got the Tigers to the 4, but the ball was fumbled away. Three plays later, Johnny Krahl recovered a loose ball on the one yard line. Two runs, the second by Whitecotton, were good for 6 points. Knabe added the extra boot for a 14-0 Tiger lead with 7:14 remaining in the first half.

Flags forced the next Cougar punt. A Bartush to Michael Voth pass covered 33 yards to the 19 yard line. The Tigers couldn't get 10 yards and Canyon Creek took over on the 13, getting in a few plays and their first 1st down before punting. Sacred Heart ran out the clock with two plays.

The teams exchanged punts before the Cougars got a drive going, ending it with a 30 yard quarterback touchdown run. The PAT put Canyon Creek on the board 14-7 with 6:54 on the clock.

A 15 yard penalty forced a Tiger punt, but Clint Fuhrmann covered a loose ball to regain possession. Sacred Heart once more could not get 10 yards, but three plays later Kevin Walterscheid covered another Cougar fumble. Again the Tigers didn't gain the needed yards and kicked to end the 3rd quarter.

Canyon Creek controlled the next seven and a half minutes of the game, getting six first downs, moving from their 6 yard line to the end zone in 16 plays. The PAT tied the game 14-14 with 4:25 remaining in the contest.

The Cougar kick rolled to the one yard line. Two runs by Bartush moved the ball to the 23. Whitecotton, Krahl, and Bartush moved to midfield. A personal foul assisted in keeping the drive going. On 4th down and seconds on the clock, an attempted field goal went wide and the game moved into overtime.

The Tiger offense was first in overtime, starting on the 25 yard line. Bartush was dropped for a loss the first play, then Whitecotton ran twice for 6 and 2 yards.

On 4th and 2, the Tiger came up short.

From the 25, the Cougars were held for three plays with tackles by A. Krahl and K. Walterscheid. A yard flag assisted in the attempted field goal that flew wide left. The score remained tied.

The Cougar offense again lined up at the 25. A pass interference call quickly put them on the 10 yard line. Two incomplete passes are a stop by Fuhrmann and Krahl placed Canyon Creek in a 4th down situation. The field goal was good and the Cougars took a 17-14 lead.

The Tigers had one more chance, but a sack on the quarterback and three incomplete passes gave the Cougars the victory.

Sacred Heart will host Houston Cypress this Friday evening for their 2001 Homecoming Celebration. Cypress is a 2 school with a 2-2 record thus far, with losses to larger schools. "Cypress is well coached. Offensively they are a power running team," noted Coach Hogar. "They have a quick, scrappy defense." Game time is 7:30 p.m.

## Cubs clobber Argyle

Last Thursday evening the Sacred Heart Cubs traveled to Argyle, shooting down the young Eagles 28-0.

On the first offensive possession of the game, Sacred Heart's defense held the Eagles to a 6 yard loss, then fumbled the punt return. Holding the Eagles for no gain, this time the punt was returned 53 yards by Aaron Krahl for a Cub touchdown. Krahl ran in the extra points for a 8-0 lead with 1:08 remaining in the first quarter of play.

Argyle moved the ball into the 2nd period, punted, recovered a fumble on the punt, then were dropped for a 16 yard loss and punted again.

Krahl made two good runs for 37 yards to the 19 yard line. Two plays later Jon Ambrose scored with 3 seconds on the clock. The PAT failed for a 14-0 Sacred Heart half-time lead.

The Cubs took the 3rd quarter kick to the 33 yard line. Two Krahl runs picked up 11 yards. Nolan Hartman added a yard, then Krahl ran to the Argyle 39. Krahl then took the ball into the end zone. The extra pass was intercepted for a 20-0 Sacred Heart lead with 3:28 on the clock.

Sacred Heart's defense got the ball back on the Argyle 30 yard line, as the final quarter got started. Krahl ran for a quick 11 yards, then two Hartman runs took the Cubs to the 4 yard line. A reverse run by Ambrose scored six points. Hartman ran in the extra points for a 28-0 lead.

Again the defense dominated the drive with tackles by Mark Fleitman, A. Krahl, and a sack by Micah Flusche turning the ball over to the Cubs. Hartman ran three plays for 22 yards as time ran out.

# Knights battle Bearcats

The Lindsay Knights, plagued with quarterback injuries, took on the Pilot Point Bearcats last Friday night, finishing the game with a 22-13 loss. Lindsay had a 13-7 half-time lead, but the inexperience of a "fourth string" freshman quarterback, after the injury of Rhett Rimmer, allowed Pilot Point to capitalize on the Knights' mistakes.

"We played very well against a top 10 ranked 2A team," Lindsay Coach Charlie Meurer commented. "Our offense executed well, making blocks. We had no trouble moving the ball, till we lost our quarterback." Meurer noted that the Knights continued to move the ball, but not as well with the JV quarterback, who "did a good job."

Nathan Bruce took the opening kick to the 25 yard line. Runs by Adam Anderle, Rhett Rimmer, and a short pass to Keith Dieter took the Knights to the Cat 35 before punting on fourth down.

Pilot Point picked up one first down, then tackles by Josh Goldsmith, Brandon Ferguson, and Dieter forced a punt.

From their own 29, Rimmer and Anderle exchanged four runs for gains of 6, 16, 5, and 9 yards. Dieter got another 2, then Anderle put the icing on the cake with a 33 yard touchdown run. Anderle booted the extra point for a Lindsay 7-0 lead with 1:36 on the clock.

The Bearcats clawed their way down field, taking 13 plays to move 64 yards, scoring on a 9 yard pass play. The PAT tied the game 7-7 with 7:59 remaining in the second quarter.

Nathan Bruce returned the Cats' kick 41 yards to set up Lindsay's next score. A short run by Anderle, then Rimmer, was followed by a 30 yard scoring run by Anderle. The kick was blocked and the Knights regained the lead, 13-7 with 6:36 left on the first half clock.

Defensive tackles by Chris Horner, Ryan Kasperek, Mitch Creed, Matt Baugh, and Goldsmith allowed only 4 yards, forcing a Pilot Point punt.

From midfield, a face mask flag, two Anderle runs, and a short run by Dieter had the Knights knocking on the Cats' door at the 20. A fumbled ball ended any threat.

Again the Knight defense, led by Anderle, Baugh, and Dieter, held the Bearcats who punted. The Knights didn't have time to get a drive going as the first half ended.

Pilot Point took the second half kick, but a flag and two incomplete passes forced a punt.

Anderle, Dieter and quarterback Bradley Dieter ran 7 plays for 31 yards before the Knights fumbled the ball to the Cats. The next play Pilot Point, heading for a touchdown, fumbled the ball into the end zone for a touchback.

The Knights got the ball on the 20 yard line. Lindsay ran eight plays moving to midfield before fumbling again. Two plays later Bruce recovered a loose ball and the Knights regained possession, moving into the final quarter. A bobbed punt gave the Cats the ball at the 27 yard line. Four plays later, a 23 yard touchdown pass tied the game. The extra point kick put Pilot Point ahead 13-14 with 9:39 remaining in the game.

An on-side kick was covered by Joey Arendt on the 43 yard line. The Knights, assisted by a flag, moved into Cat territory before another fumbled ball set up another Bearcat touchdown, a 47 yard run. The extra run gave Pilot Point the 22-13 lead with 5:54 still on the clock.

Lindsay went airborne, with passes to Dominic Fuhrmann and A. Anderle for gains of 21 yards. But the drive ended when the Cats picked off a Knight pass.

Two plays later, Matt Baugh covered a fumble, only to have it thrown away several plays later with an interception. Pilot Point ran out the remaining time to take the victory.

"The kids showed a lot of character," Coach Meurer stated as the Knights played against the Bearcats' full house Homecoming crowd.

**Next Action**  
 The Knights are on the road again this Friday night taking on Valley View. Last week the Eagles defeated Tom Bean 34-28, lost the previous week to Paradise, and defeated Alford.

Coach Meurer plans to start Sam Hellinger as quarterback. Hellinger was injured in a scrimmage and is about 85% recovered. The Knights also have 4 of their 5 defensive backs sidelined. "Valley View is a team that throws the ball. This is a big concern," said Meurer, who is struggling with different positions.

Game time is 7:30 at Valley View.

## Finding bass in the wrong places

There's an old saying that bass are where you find them, meaning that they may not be in the best looking areas. Some of my very best days fishing have come as a result of fishing some unattractive bit of shoreline. Places like this don't receive much fishing pressure. Consequently these bass aren't as lousy, are less spooky, and are much easier to approach.

Try fishing around a busy marina or boat ramp for instance. Almost no one bothers to do this and the bass there are used to all the activity and usually eager to bite.

## Muenster CC teams do well at Ponder

Muenster High School, Junior High School, and Elementary were all represented this past week at the Ponder High School Invitational Cross Country Meet.

The Varsity Girls ran well this week. Although coming up short to rank among the top four teams, times improved as runners made their way down a muddy course. The Lady Hornets were led by Freshman, JoAnna Felderhoff's, (12:57)

3rd place finish. Robyn Hermes (14:20), Jami Gerstberger (14:33) and Kallie Gerstberger (14:33) placed 24th, 27th, and 29th respectively. Chelsea Felderhoff (14:43) and Stevie Klement (16:08) placed 36th and 44th.

The JV Lady Hornets followed the beat of Lisa Felderhoff who placed 1st with a time of 14:45. Amanda Felderhoff (15:40) medaled with an 8th place finish. Whitney Watson

(16:08) and Kami Klemen (16:27) placed 12th and 15th respectively.

In the Junior High Boy Division, Muenster, Malcon Martin (13:33) placed 7th with Chris Steelman (13:50) and Nathan Privett (14:00) placing 10th and 12th respectively. Dustin Wimmer (16:37) and Michael Eckart (16:57) placed 59th and 61st.

The Junior High Girls also made a strong showing with three girls medaling. Jenni Felderhoff's time of 14:37 gave her a 5th place finish. Placing 17th and 19th were Jace Koelzer (15:23) and Megan Felderhoff (15:34). Also running for the JH girls team were Megar Dangelmayr (17:31) 41st, Kelly Endres (17:44) 44th, Sandy Endres (18:36) 56th and Jessica Walterschei (18:37) 57th.

The Muenster Elementary students also participated in a one mile fun run. Colton Steelman placed first overall with a time of 7:09. Laura Heers was the first girl in with a time of 8:17. Emily Hellman (8:50), Jaci Steelman (8:51), Eric Hellman (9:10), Lia Heers (10:12), Lana Heers (10:47) and Jordanne Hellman (11:35) also participated in the grueling race. All participants received a medal for their tremendous efforts.

## Sacred Heart teams compete in Ponder meet

Sacred Heart had nineteen varsity and junior high runners compete in the Ponder Cross Country Meet.

The junior high girls placed 2nd as a team, led by Diana Knabe, finishing first place with a time of 14:02.

Whitney Wimmer followed in 12th at 14:54, then 20th Hannah Hess 15:47, 23rd Stephanie Kraewitz 16:23, and 27th Charlotte Bartush 16:46. Rounding out the team and their times were: Kara Felderhoff 17:40, Debra Yosten 18:10; Anna Nieto 23:19, Jessica Schilling 23:21, Nina Zanchetta 23:39.

Marcos Nieto was the lone Cub runner, coming in 13th with a time of 14:06.

The Tigerettes had five girls running in varsity. Their places and times are as follows: Kate Sepanski, 31st, 14:33; Catherine Bartush, 33rd, 14:38; Rose Bartush, 34th, 14:39; Karen Gehrig, 42nd, 15:29; Sara Sepanski, 62nd, 16:38.

The Tiger Varsity had three compete, finishing 65th, 66th, and 67th in the race. Zach Barnhill ended the race at 25:42, Tony Koelsler 26:26, and Jeremy Yosten 26:45.

## Lindsay places well at cross country meet in Decatur

The Lindsay varsity cross country teams participated in the Decatur race last weekend. Both the Knights and Lady Knights finished in third place, behind Decatur and Springtown.

Individual places and times were as follows: **Lady Knights** - 6th, Megan Ward, 12:22; 13th, Jessica Bezner, 12:59; 15th, Jacque Bezner, 13:08; 25th, Joni Erwin, 13:33; 31st, Melissa Fuhrmann, 13:55; 34th, Kelsey Tucker, 14:01; 37th, Whitney Neu, 14:08; 38th, Katie Hoberer, 14:09; 46th, Genevieve Knauf, 14:38; 50th, Stephanie Jankiewicz, 15:29.

**Knights** - 12th, Dustin Dieter, 18:13; 19th, Pat Zimmerer, 18:52; 21st, Kyle Endres, 18:53; 24th, Mitchell Ward, 19:02; 34th, Jarrod Schroeder, 20:05; 45th, Nathan Hermes, 20:47; 48th, Josey Kyle, 20:52; 67th, Danny Kendall, 26:51.

## Barnhill wins again!

Barbie Barnhill continues to outscore all her opponents in the Enterprise football contest, winning for the third consecutive week. Barbie missed five games, as last week's scoring was the poorest so far this season. The low score of the week was 7.

Finishing in second place was Joseph Davis, missing six contest games. Scoring 13 were Wayne Klement, Wayne Muller, Noah Barnhill, Michael Voth, Ted Heers, Sammy Sparkman, and Dave Reiter. Seven contestants missed 8, three missed 9, and three missed half the games.

The most missed game of the 28 entries was Muenster's win over Callisburg. Only three picked the Hornets to win. Sacred Heart's loss to Canyon Creek had 23 pick the Tigers, while 15 correctly picked Era and Petrolia, and eight picked Gainesville.

Only one missed Lindsay's 13-22 loss to Pilot Point, with Deann Muller guessing the closest score, 14-21.

This week's door prize winner was Mark Grewing. Hennigan Auto Parts donated the give-away in week three of the contest.

# County Agent's Report by Craig Rosenbaum

## Broadcast seeding and fertilizing

Mixing ryegrass seed with fertilizer and broadcasting with spreader equipment is becoming more popular. Many producers in east Texas and on into the Southeast U.S. have been doing this for years. This method offers easy planting, especially if you have limited planting equipment. It will also speed up the planting process on large acreages, since it reduces the number of trips over the land. When using this planting method, you must control several factors to get satisfactory results. The folks at Mississippi State offer the following suggestions:

• Seeds must be thoroughly blended with fertilizer.

• Seeds should be planted the same day they are blended, especially where high rates of nitrogen fertilizer are used.

• Spreading patterns must be narrow (spread one-half of seed at normal spreading width, then spread other one-half by splitting original tracks).

• Freshly inoculated legume seed should not be mixed with fertilizer because fertilizer can damage inoculant and seed distribution is often unsatisfactory.

• Seeding can begin in early October. Seeding rate varies with the crop. Use twenty-five (25) pounds of ryegrass alone or thirty (30) pounds of ryegrass plus ninety (90) pounds of small grain if you are seeding on a prepared seedbed. Tests have indicated higher seeding rates of ryegrass will increase forage yield. Broadcast the seed and culpack or harrow following seeding. Ryegrass seeding rates can be reduced if a grain drill is

used to plant seed. In dry weather, winter grazing planted with a grain drill usually provides earlier grazing than broadcast seedings.

## Fall recertification shortcourse

A two-night Fall Recertification Shortcourse for Pesticide Applicators will be held Wednesday and Thursday, Oct. 10th and 11th from 6 to 9 p.m. in the Little Theater at North Central Texas College.

Each night producers will be offered three (3) Continuing Education Units toward recertification of their pesticide license. This will give producers an opportunity to get a total of six (6) CEU's if they attend both nights.

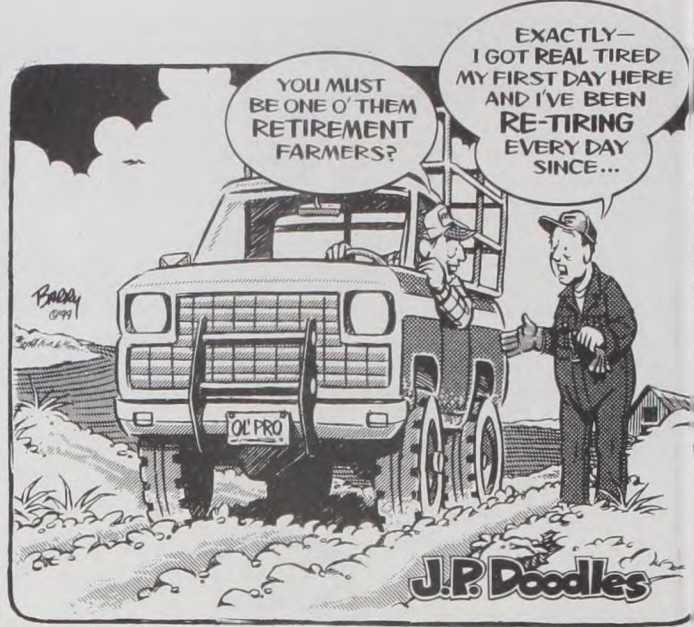

A variety of topics will be covered including Beneficial Insects, IPM, Result Demonstration Work,

Pasture Management and Herbicides, Laws and Regulations, and Right to Know.

## Need a pesticide applicator license?

Agriculture producers who currently need the training and testing for a Private Applicators License through the Texas Department of Agriculture will have the opportunity to complete the required training on Monday, October 8, or on Wednesday, October 10. The training will be held at the County Extension Office at 5 p.m. October 8, or 9:00 a.m. October 10.

The test will be given by Jerry Smith, with the Texas Department of Agriculture, at 5 p.m. on Oct. 10 at North Central Texas College. Contact the County Extension Office at 940-668-5412 to enroll in the training and testing session.

## Ag Briefs

U.S. ag exports for 2002 are forecast at \$57 billion, up \$3.5 billion from fiscal 2001. If realized, fiscal 2002 exports would represent three years of sustained agricultural export growth. Wheat and corn exports are projected to make up most of the increase. Imports are projected to remain relatively flat at \$39 billion, boosting the ag trade surplus to \$18 billion.

An edible foot-and-mouth disease vaccine is being developed by Argentine scientists. The researchers are developing a plant that carries some of the proteins of the highly contagious virus. When an animal eats the plant, antibodies are created that protect the animal against the virus. The study is focusing on alfalfa because it is a major food source for Argentine cattle. The researchers say the alfalfa-based vaccine is

working well on rats, and they are optimistic that using it with more complex proteins will work with cattle. Since an outbreak of FMD in March, Argentina has lost nearly all export markets for its famed, grass-fed beef. Industry watchers expect exports to fall by more than half this year from the \$600 million worth of meat shipped in 2000.

Characteristics of a good herd health plan include the following practices:  
 \* Work with a veterinarian to develop a

- herd health program.
- \* Follow good feeding practices that meet to nutritional needs of the animals.
  - \* Keep good records.
  - \* Vaccinate at the correct time, following all label directions.
  - \* Follow proper procedures for handling and storing vaccines.
  - \* Control parasites.
  - \* Follow good reproductive management procedures.
  - \* Observe the animals to detect signs of disease and other conditions.

## All Texas brands must be re-registered

Brand re-registration is underway in Texas and will continue through Feb. 28, 2002. It is illegal to use a brand without first recording it, and re-recording is required every 10 years by Texas law. Brands that are not re-recorded by Feb. 28, 2002, will become available for other persons to use.

Brands must be registered with the county clerk in every county where you intend to use them; therefore, if you run cattle in four counties, you must register your brands with each of those county clerks. Each county charges a small registration fee, ranging

from \$8 to \$17. For more information, contact your county clerk. The phone number for the Cooke County clerk is 668-5421.

### EGG

August egg production in Texas totaled 389 million eggs, up 7 percent from August 2000, and down 1 percent from July 2001.

The number of layers during August averaged 18.6 million, an increase of 9 percent from last year, and an increase of 1 percent from July 2001. Egg production per 100 layers averaged 2,097 eggs, down 2 percent from last year and down 2 percent from last month.
