

MUENSTER ENTERPRISE

VOLUME IX

MUENSTER, TEXAS, COOKE COUNTY, FRIDAY, NOVEMBER 9, 1945

NUMBER 51

In calling for teamwork between management and labor President Truman hit upon the only real solution to the labor problems. If both sides were willing to approach the matter in a spirit of fairness, labor being satisfied with a reasonable wage in return for an honest day's work and management being satisfied with a reasonable profit, the trouble could be eliminated once and for all in a few days.

But the trouble isn't all economic. To a great extent it is moral. Both sides have men who insist on more than their rightful share of industry's return. As long as that attitude prevails there will be strife and we can never have real prosperity. Prices and wages will continually spiral upward in a mad race to keep ahead of one another. Neither will the country get any relief from official efforts at reconciliation. Whatever arrangement is adopted as a solution to present problems will be nullified by a counter measure as soon as one faction or the other can figure it out.

Few will deny that we have a gigantic task in arriving at a fair adjustment of wage and price levels. However the secret of the solution is as simple as the hymn of Bethlehem, "Peace to men of good will." If that one fundamental were observed the varied and vexing complications would gradually take care of themselves. People aren't baffled by such things when they really wish to get along.

But facing the facts and admitting that the prospect of solving problems on a good will basis is not encouraging, we cannot help wondering why the factions do not at least agree on some expedient measure. Both know that prosperity is determined by the availability of consumer goods, not an abundance of money. The sensible thing to do is to go on producing while the controversy is under way with the agreement that the final decision will be retroactive.

Other problems will also grow out of this clamor for higher wages. Millions of people in this country, school teachers, office workers, public office holders and the like have traditionally lived on a fixed salary. Their purchasing power will be diminished by the inevitable rise in prices. Unless their salaries are proportionately increased they will suffer. Then there are the millions who depend on their savings for future security. All of them will discover their real wealth has shrunk, some so much that it is no longer adequate to their needs.

Our way of thinking this problem is being attacked from the wrong side. If, as the labor leaders claim, manufacturers can afford to pay higher wages they can also afford to sell their products for less. A decrease in consumer prices would have been far better for the general welfare of the nation. Besides serving just as well to equalize income and living costs it would have protected the value of savings.

While we consider the advantage of maintaining the purchasing value of the dollar we run into another snag. Almost 300 billion of the nation's savings is in the form of bonds, which can probably never be repaid except with cheap money. No matter how we look at it the man who saved is due to take a loss. Unless money is cheapened he stands to lose on the face value of his bonds. If it is cheapened the money he gets back will not have its original purchasing value. It's a bad situation when a nation drifts into an economy that penalizes thrift, but it's exactly what happened here.

An interesting article on national economy was that in the current issue of Reader Digest on the Swiss way of getting along. One of the poorest countries in national resources, Switzerland had a per capita wealth in 1929 more than a third greater than ours, and during the depression her unemployment in proportion was only a fourth of ours.

The reason is that Switzerland is a little more logical than this country in applying its principles of democracy. There every man is on his own. While he has the freedom to do as he pleases he also has the responsibility to take care of himself. Protective precautions such as unemployment insurance and old age pensions are encouraged but they are not compulsory. A person can assure his future security but he does not automatically become a candidate for public support. Farmers work hillside and other tracts that would be considered

(Continued on Page 6)

OUR BOYS WITH THE COLORS

Home On Furlough
Technical Sergeant Walter Huchtons is home on furlough after serving in the Pacific war zone. He has re-enlisted for further service with the army and after he leaves here will report to Fort Sam Houston for orders. His brother, Sidney, reached home a week earlier. He was in the ETO, held the rank of staff sergeant, and is now discharged. They are sons of Mrs. O.J. Huchtons.

Visiting Here
Lt. Tim Stormer and his wife, Agnes A. Stormer, YIC, are visiting this week with her parents, Mr. and Mrs. C. J. Fette and other relatives. Lt. Stormer served overseas as a navigator with the 99th Bombardment Group of the 15th AAF and wears the air medal in addition to other decorations. He will be honorably discharged from the service in the near future. Yeoman Stormer, member of the WAVES has been on duty at Norfolk, Va., and will also be released from duty soon.

Home With Discharge
Charles Everett, who served as a seaman first class aboard a transport in the Pacific for more than a year, is back here with a discharge. His wife is the former Miss Sylvia Walter, who with their three children, made her home here while he was overseas. The family will move back to Olney, Ill. where he was in business before he entered the navy, after a few weeks' stay in this city with relatives.

Now In China
Pfc. Louis Sicking has written his parents Mr. and Mrs. Gus Sicking that he is now in China, following a recent transfer from India. He serves as a truck driver with an army headquarters company.

Home Thanksgiving
"I'll be home for Thanksgiving" is the message Mr. and Mrs. Bob Yosten received this week from their son, Cpl. Larry Yosten from China. He added that he was flying home. He has been overseas for more than two years serving with the ground forces of the army air corps.

Three Day Pass
Pvt. Wilfred Bindel was here during the weekend for a visit with his parents, Mr. and Mrs. Frank Bindel. It was his first return home since entering the army on Sept. 20. He took basic training at Camp Chaffey, Ark., and reported back to that station.

ANNUAL GENERAL MEETING OF HORSE LOVERS ON NOV. 16

The annual general meeting of the Muenster Livestock Association (Horse Show Club) has been called for Friday, November 16, and everybody interested in belonging and helping to plan next year's big show is welcome, and urged to attend, it was announced Monday by the executive committee of the organization who invites membership in the club and has membership cards on hand.

Membership is only a dollar a year. It entitles each member to vote in the annual meeting, to have a voice in the election of officials and in planning the yearly show.

The present officials point out that the way to put on a show is to stage it the way most of the people want it, and for this reason membership is open to anyone interested in livestock.

Present officials are R.L. McNeely, president; Dr. T.S. Myrick vice president; Miss Loretta Hartman, secretary treasurer; and J. M. Weinzapfel, J.P. Flusche and Mrs. T.S. Myrick, on the board of directors.

Mrs. Buddy Fette has recovered from a tonsillotomy performed at the local clinic last Friday.

Saturday Is Cleanup Day In Muenster

Cooperation Of All Citizens Urged; Truck To Cover City Limits

Saturday, Nov. 10, is cleanup day in Muenster. The project sponsored by the Civic League and Garden Club, under the supervision of the association's sanitation committee, will be city-wide. The truck for hauling will begin making the rounds early in the morning. A minimum charge of 25 cents will be made at each stop.

Every citizen is expected to cooperate in this cleanup and have trash, cans and other junk ready to be picked up when the truck stops. If the drivers have to spend time in first gathering the trash, the charge will be considerably higher, it was pointed out.

The area covered will include the entire corporate city limits and to simplify the work citizens are asked to have their junk either boxed or sacked and set at the curbs, or in alleys that have been cleared for a through passage of the vehicle. Some alleys are littered with trash containing glass and other elements that play havoc with tires and the truck can not be expected to enter these places where driving is hazardous to tires.

NOVEMBER 21ST IS IMPORTANT DATE FOR WAR VETERANS

Veterans that have been discharged since May 12, 1945 must enlist or reenlist in the Regular Army prior to November 21, 1945, if they are to retain the grade that they had when discharged. The grade that a veteran had when discharged becomes his permanent grade when he enlists or reenlists in the Regular Army.

Veterans discharged since May 12, 1945, must enlist or reenlist prior to November 21, 1945 to be eligible for the reenlistment bonus which begins immediately upon enlistment or reenlistment. This furlough time runs as high as 90 days with pay.

Veterans must enlist or reenlist within 90 days from the date of discharge to be eligible for the enlistment bonus of \$50 for each year of service since last enlistment.

After November 21, 1945, all veterans must enlist or reenlist within 20 days after their date of discharge to be eligible for the grade they were discharged with and to be eligible for reenlistment furlough.

For more information, veterans may contact the Recruiting Officer in room 233 of the Post Office, Denison, any day of the week except Sunday or call 2296, also in the Gainesville and Denton Post Offices on Monday and Tuesday and in McKinney and Sherman Post Offices on Wednesday and Thursday.

GHOSTS AND GOBLINS PROWL HALLOWEEN; NO DAMAGE RESULTS

Muenster gave itself over to ghosts and goblins on Halloween when youthful phantoms held their annual assemblage. Parties with all the traditional apple-ducking were held all over the community by both youngsters and adults.

Errant goblins, following a local custom of long standing, did all the old tricks in the same old way. As usual a chick sales was left in front of the Muenster State Bank, old car and tractor tires were left dangling over almost every business house and all store windows and other plate glass along Main Street were either soaped or waxed. At Wilde's garage the goblins deposited the McNeely surrey, laboriously hauled six blocks draped with the new 1946 Chevrolet banner. It was all good, clean fun, local authorities conceded, and no property damage was reported.

Solicitors Named For War Chest

Local Chairman Looks Forward To Speedy Conclusion Of Drive

The 1945 War Chest financial campaign got underway here Monday when some thirty local district solicitors were appointed by Community Chairman J. W. Weinzapfel. These solicitors are asked to get to work at once, contact the persons in the districts assigned to them, keep a list of donations and turn contributions and list over to the chairman at the bank as soon as possible so that the campaign already closed in most places, can be concluded here.

The soliciting committee, with the exception of a few changes is the same as last year and each worker has been assigned specific blocks or districts. By this method it should require only a small amount of each solicitor's time.

Contributions are to be listed in The Enterprise at the conclusion of the drive.

Soliciting committees and their districts are as follows: Arthur Endres and Miss Anastasia Tempel, Block 40; Mrs. Carra Fagel, Block 37; Mrs. Andy Hofbauer, Blocks 21, 24 and 25; Mrs. C.J. Kaiser, Block 8; Jake Horn, Jr., Block 53; Mrs. John Wimmer, Block 9; Mrs. A. F. Gremmlinger, Block 10; Professor J.J. Hoffman, Public School; J.B. Klement, Blocks 19 and 20; F.J. Yosten, Blocks 26 and 27; Marie Swinger, all residents east of Syracuse street; Miss Olivia Stock, Block 32, 34, 35, 41, 42 and 43; Mrs. Al Walterscheid, Blocks 50 to 53 inclusive; Leo Henschel, south of the highway in town; F.J. Hess, north of the Parish hall on Main street; Mrs. Joe Parker, Seventh street; Miss Dorothy Trachta, west of Main Street, north of 2nd to 7th; J. W. Fisher and C.J. Kaiser, west Main street from Second to Highway.

Country solicitors for their respective areas are Harry Otto, Norbert Klement, Bruno Fleitman, Tony Trubenbach, Jr., Woody Chapman, Adolph Walterscheid, Mrs. Andy O'Connor, John Kleiss, and Walter Richter, while Ervin Hamric and Andy Hofbauer are named solicitors at large.

The committee last year did fine work and the chairman asks that work to obtain similar results be done this year. Chief use of the funds this year will be to bring servicemen back home. Other relief extends to war-torn countries.

It is also pointed out that donations may be left at the bank for persons who find this method more convenient.

USO CLOSSES WITH PROGRAM AND AWARDS FOR COUNTY WORKERS

Volunteer USO workers of Cooke county were honored with a party last Tuesday evening at the Fair Park USO given for the purpose of expressing appreciation on behalf of the USO clubs and citizens for cooperation during the past three years, and to mark the end of USO operations in Gainesville.

Roy Stamps, chairman of USO council, awarded each volunteer worker who had served over 500 hours a beautiful gold pin. Among the 13 recipients of the award was Miss Olivia Stock of this city.

Smaller pins and recognition certificates were presented to 99 workers who had served from 100 to 500 hours, and to 67 workers who had served from 50 to 100 hours. Some two dozen Muensterites received these awards.

Presentation of the pins constituted a part of an interesting program given during the evening. A number of addresses were given and a musical program presented. Refreshments were served at the close to a large assemblage.

Cooperative Hospital Association Planned For Muenster

Community Dinner Back On Program For Thanksgiving

Muenster will observe Thanksgiving this year on the traditional last Thursday and will again have its traditional program including a community turkey and fresh country sausage dinner at noon. This announcement came Monday from Mrs. Ben Seyler, president of Saint Anne's Society, which is again sponsoring the day's activities.

The community dinner, always an outstanding event, until 1941, when rationing and other factors prevented having it, will again headline the program of social activity for the day.

The usual bazaar attractions, concessions, lunches and refreshments and other entertainment features of an old-fashioned community picnic will begin after dinner and continue during the evening hours. The annual Thanksgiving dance will supplement the social beginning at 8:30. The parish hall will be headquarters for the celebration and everybody is invited to attend.

At a meeting of the sponsor group Sunday afternoon various committees were appointed in charge of the numerous details.

HORNETS PLAY WITH ST. MARY'S SUNDAY FOR SCORE OF 0-0

Monte Hellman, Sacred Heart High's bundle of aerial football dynamite, blasted Saint Mary's sky high Sunday when he intercepted a pass and gained 20 yards for the Hornets, preventing St. Mary's from making a touchdown when they were only 10 yards from their goal, and brought the game to an exciting end with a score 0-0.

The game was held at Gainesville's Leeper stadium and was cheered by hundred of enthusiastic fans from this community and Gainesville.

Coach Father John's Hornets, most of them on the grid iron for the first time this year, are playing like veterans.

The pep squad, headed by Mary Seyler, Jewel Hoffman, Barbara Miller and Rose Marie Becker, backed the Hornets throughout the game.

The lineup included: Gerald Bayer—L.E.; A. J. Felderhoff—L.T.; Rufus Henschel—L.G.; Thomas Felderhoff—Center; Julian Walterscheid—R.G.; Joe Weinzapfel—R.T.; Ted Gremmlinger—R.E.; Norbert Mages—Q.B.; Monte Hellman—L.H.; Bernard Swirczynski—R.H.; George Swirczynski—P.B.; Wilbert Vogel substituted for George Swirczynski when he was forced off the field on account of a leg injury.

DADS WITH THREE CHILDREN UNDER 18 ARE NOW EXEMPT

Induction of fathers with three or more children under 18 years of age was halted Monday. Selective Service put the ban into effect at the request of the Army and the Navy.

In practice the order affects only qualified registrants 18 through 25, since drafting of older men was discontinued when the war ended.

Draft boards have been under orders to give preference to fathers in granting deferments, but heretofore there have been no outright exemptions to younger men.

The Selective Service order applies to volunteers as well as non-volunteers.

Erection Of Hospital Is One Objective

Health And Medical Services And Facilities To Be Available At Lowest Possible Cost

Encouraging prospects for a local cooperative hospital association are noted in Muenster this week and application for a charter to grant authority for establishing such a cooperative has been forwarded to the Secretary of State.

The proposal has a number of staunch supporters and present enthusiasm points to an early move toward introducing the plan to the community.

It is proposed that this association shall be a non-profit organization, owned and operated by the members for the members. The main objective is to make hospital service with adequate facilities available to the community and to conduct a modern health and medical center at the lowest cost possible, yet conduct an efficient and progressive institution.

As explained by local supporters of the plan, a life membership of \$100 for each family or single independent person is proposed as primarily a contribution to accumulate funds for the hospital building. An estimated 1000 members would create a fund of \$100,000, sufficient to build substantial, modern quarters to fill the current needs under existing circumstances. Any ten membership contributions would entitle the dedication of a single room in the hospital to the memory of some chosen family name, to be designated with a plaque over the door of such room. Membership certificates would be transferable only on the books of the association.

To support the hospital, all members will pay room, board and general nursing care, also anesthetic-operating room fees. To support the physicians, specialists and technicians, annual dues will be assessed members desiring service who are accepted to membership by the board of directors.

The plans specify that physicians, surgeons, dentists and specialists will be on a salary. Funds derived from non-member business will benefit members by giving additional services and medical care by employing additional doctors.

As yet there are no officials or officers for the association but it is pointed out that the corporate powers, business and property of the association will be exercised and controlled by a board of directors, consisting of nine members, who must be members of the association.

The more members the association can accumulate will correspondingly lower the cost of services.

This project is not an experimental plan, the leaders emphasize. It has proven a success in other communities, and with Muenster already famous for its reputation of successful cooperative efforts, it should not only work out, but pay well and add another star to the crown of this community's cooperation, the leaders added.

NEW HEAT RECORDS SET FOR NOVEMBER

Citizens of Muenster are beginning to think that perhaps they better carry with them a complete change of clothing for both fall and summer wear, because after the records set Nov. 1 and again on Nov. 6, there's no telling what might happen.

Thermometers were sizzling at 88 degrees Thursday afternoon for the hottest November 1 ever recorded in this community. Like wise the mercury soared to 89 Tuesday afternoon for the most torrid November 6 ever experienced in this vicinity.

But Muenster was not alone, the Associated Press reported similar out of season heat waves all over the state.

LOCAL NEWS BRIEFS

Short Items of Interest About Folks You Know

Mrs. Lena Wiesman of Wichita Falls visited during the weekend with relatives here.

H.M. Schmitz left Monday to spend several weeks in Marlin for his health.

Mrs. August Friske is confined to her home on account of a leg ailment.

Mrs. Ted Gremminger spent the past weekend in Wichita Falls with relatives and friends.

Mrs. Frank Streng and children of Shiner are here for a visit with relatives and friends.

Mr. and Mrs. Stan Yosten of Fort Worth visited their parents here during the weekend.

Miss Dolly Lehnertz, student nurse at St. Joseph's hospital, Fort Worth, was home for a week

end visit with her parents.

Thomas Sicking spent several days of last week in Scotland visiting his sister, Mrs. Pete Fresher and family.

Henry Jacobi, SIC, of Electra on leave from sea duty, visited the Joe Starke family several days last week.

Miss Josephine Hirschy returned to Dallas Monday after a several days' visit with her mother, Mrs. Joe Hirschy, and sister, Miss Theresia.

Harry Fisher has gone to Houston to be employed and at present is making his home with his sister, Mrs. Leo Appel and family.

Adolph Walterscheid is recovering normally following a plow and tractor accident in which he sustained numerous bruises and

several fractured ribs.

Mr. and Mrs. Gene Loerwald and son Kenneth, of Herford, returned to their home Saturday after a visit with relatives here and at Lindsay.

Messrs. and Mmes D.H. Caruthers and A.L. Miller and family, all of Dallas, spent Friday night here as guests of the ladies' mother, Mrs. J.E. Lane.

Miss Betty Lue Buckley and her classmate, Miss Barbara Sterling both students at OLV Academy Fort Worth, spent the weekend with the former's parents, Mr. and Mrs. E.P. Buckley.

Mr. and Mrs. Bill Kathman and daughters, and Mr. and Mrs. Geo. Lutkenhaus and daughter, Pauline, spent Sunday at Valley View visiting Mr. and Mrs. Henry Sandmann.

Pvts. James Eckert and Herman Pette left Monday for Camp Bowie after spending a delay enroute here with their families. They took basic training at Camp Hood.

All members of the Sacred Heart PT-A are urged to attend a meeting in the parish hall on the evening of Thursday, Nov. 15 at 8 o'clock. Mrs. Rudy Hellman president, announced this week.

Mrs. M. Starke of Holiday is spending this week with her son Joe Starke and family. Mr. Starke and daughters, Miriam and Laverne, drove to Newport to meet here Monday.

The Baptist W.M.U. met at the church Monday for a regular weekly meeting and discussed a Christmas program and plans. The devotional, led by Mrs. J. E. Lane, was from John 6-15-20.

The Mission Sewing Circle will have a regular meeting on the afternoon of Thursday, Nov. 15, in the school basement and anyone interested in this work is invited to attend. Mrs. John Eberhart, president, stated.

The regular monthly meeting of the Catholic Daughters will be held this Friday evening in the K of C hall beginning at 7 o'clock. Members are reminded to note that the time is earlier for this session.

A social in the Parish Hall Sunday evening honored all those persons who worked for the success of the Subiaco Alumni benefit picnic on Oct. 28. Some 50 workers from Muenster, Lindsay and Gainesville enjoyed the affair.

Mr. and Mrs. Al Wiesman spent the weekend in Guthrie, Okla., as guests of Mr. and Mrs. Arthur Fisch. Accompanying them on

the trip was Mrs. Joe Sturm, who stopped off at Norman, to visit relatives and joined them again on the homeward drive.

Saint Anne's Society held its regular monthly social on Oct. 24 with Mrs. Clem Hofbauer as hostess. Games of 42 were enjoyed with prizes going to Mrs. Joe Hoenig for high score and to Mrs. Bernard Sicking for low. Refreshments were served to a large group.

A renewal subscription arrived for the Enterprise this week from Mr. and Mrs. John Furbach of Amarillo. Their son, Johnny is attending Price College this year and plays on the football team. Mrs. Furbach wrote. Best wishes to all Muenster friends were included.

Pvt. Marion Ray Hott has reported to a replacement center in Kansas following completion of a 10-day furlough spent with his parents, Mr. and Mrs. Ed Hott, who gave a farewell party in his honor before he left. He took basic training at Camp Fanning.

Mr. and Mrs. James D. Cook left Sunday on a two week vacation. They went to Wichita Falls to visit their daughter, Miss Edith Mae Rhodes and from there Mr. Cook went to visit relatives and friends in Missouri while Mrs. Cook remained with her daughter.

COSTUME PARTIES HOLD HALLOWEEN SPOTLIGHT

Among parties given to observe Halloween was a gala costume affair at the home of Mr. and Mrs. J.B. Wilde with their daughter, Miss Laura Lee, as hostess to a group of classmates and other friends. It was held on Oct. 31.

On Tuesday evening the Sacred Heart PT-A sponsored a costume party for the high school students in the parish hall. It was attended by a large number of pupils and parents.

On the same evening girls of the 8th grade Parochial school had their annual Halloween social, using the home of Mary Ann Felderhoff as headquarters.

Boys of the 7 and 8 grades S. H. School had their annual observance on Tuesday afternoon with their teacher, Sister Martina, directing games, contests and the serving of refreshments.

The entire student body of the public school enjoyed a party Wednesday evening at the school sponsored by the PT-A of that institution.

Hygiene authorities advise us not to moisten our fingers when counting our money. We're not worried. No germ could live on our salary.

Jesse James' wife was his first cousin, Zerelda Mimms.

FAMILY GATHERING SUNDAY AT WALTERSCHEID HOME

Honoring ex-sergeant Norbert Walterscheid, now home with a discharged from the army, his parents, Mr. and Mrs. John Walterscheid, entertained with a family gathering in their home Sunday evening. The honor guest spent 22 month in the ETO.

Personnel included Messrs and Mmes. Alphonse Walterscheid, James Eckert, J.J. Haverkamp, Aug. Walterscheid, and John Kathman and their families. Mr. and Mrs. Frank Hess, Frank Haverkamp of Lindsay, Ed Hacker, Raymond Hess, Alfred and Wilfred Luttmner, Vincent and Frank Felderhoff.

NOV. 21, 1945

AN IMPORTANT DATE FOR THOUSANDS OF ARMY VETERANS NOW IN CIVILIAN LIFE

Between now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because—men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held when discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD"

These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days furlough every year, education and training in any of nearly 200 skills or trades, and enable you to retire with a life income anytime after 20 years' service?

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men with 6 months' service.)
2. Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before Feb. 1, 1946. The same applies to men discharged between May 12 and Nov. 1, 1945, who reenlist before Nov. 21, 1945.
3. An increase in the reenlistment bonus to \$50 for each year of active service since the bonus was last paid, or since last entry into service.
4. 20% extra pay when overseas.
5. Paid furlough, up to 90 days, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist.
6. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
7. Option to retire at half pay for the rest of your life after 20 years' service—or three-quarters pay after 30 years. (Retirement income in grade of Master or First Sergeant up to \$155.25 per month for life.) All previous active federal military service counts toward retirement.
8. Benefits of GI Bill of Rights.
9. Family allowances for the term of enlistment for dependents of men who enlist or reenlist before July 1, 1946.
10. Choice of branch of service and overseas theater in Air, Ground or Service Forces on 3-year enlistments.

PAY PER MONTH—ENLISTED MEN

In Addition to Food, Lodging, Clothing and Medical Care	Starting Base Pay For Month	MONTHLY RETIREMENT INCOME AFTER: 20 Years' 30 Years' Service

MOSAICS

of Sacred Heart High

National Catholic Book Week & National Education Week Observed:

Students of Sacred Heart High are participating in the nation wide observance of Catholic Book Week from November 4 to 11. Although National Catholic Education Week is nationally observed from the 11 to 18, students of Sacred Heart are combining the two events.

For the past few weeks plans have been in progress for the occasions. Projects and posters have been made for exhibit and a very interesting and educational program has been prepared for the public. The program will be held in the parish hall Friday evening November 9, at eight o'clock. There will be an admission charge of 10 and 25c.

Honor Roll Announced:

Two seniors, Marjorie Endres and Jewel Marie Hoffman, lead the honor roll for the first six weeks period with an all A Report. Others meriting the honor roll are: Seniors — Margaret Zipper, Theresa Mae Pels, Thomas Felderhoff, Dorothy Vogel, Lillian Wimmer; Juniors — Philomena Felderhoff, Coralee Fuhrmann, Rosalee Muller; Sophomores — Rosalee Fuhrmann, Gladys Sicking, Evelyn Vogel; Freshmen — Agnes Felderhoff, Wilbert Vogel, Mary Evelyn Hofbauer, Celine Koelzer, and Florence Moster.

To merit the honor roll a student must earn twelve points in his studies with an A in conduct and no absences and tardies.

Halloween Party:

The high school students and their parents enjoyed the Halloween masked and costumed party Tuesday night sponsored by the P.T.A. Everyone present voted the entertainment 100 per cent success.

DR. R. O. BLAGG

Chiropractor Radiology
 Colotherapy
 X-Ray
 Calls Made Day or Night
 414 N. Dixon Phone 544

Hilarity and laughter rang through the hall as the masked figures— one more comical than the other—entered the hall. Prizes were awarded for the following costumes: Marilyn Gremminger, best masked ghost; Lillian Wimmer, loneliest; George Swirczynski and Dolores Henscheid, best dressed; Emma Lou Gehrig, ugliest; Herbert Yosten and Bernard Swirczynski best couple; Helen Walterscheid and Rose Marie Becker an outstanding couple.

Mrs. Victor Hartman, chairman of the social committee, assisted by members of the committee, planned a very entertaining evening of games and dances.

Refreshments consisted of ice cream, cold drinks candy and peanuts.

School Daze

MUESTER PUBLIC SCHOOL

To all of our friends, School Daze brings from the faculty and student body a hearty salute. We are moving smoothly ahead on our avowed purpose of having the best little school in North Texas. Each student will have the special help he or she needs to develop into a well-balanced, resourceful person. One of our first objectives this year is to learn to live in our school community with each other, to play and study together without prejudice and intolerance so that we will be better prepared to live in peace as world citizens.

We can not promise to have School Daze in the paper every week because we are very busy with class work, but we shall keep you informed from time to time of our progress.

Classes have been progressing rapidly. Mrs. Burchfiel is especially pleased with the work of the Modern European History Class. Six-weeks grades showed that the Freshmen made better grades than the Sophomores. An interesting wager has been made that this will be changed in another six-weeks.

Do you like our method of computing our Honor Roll? We feel

like the students of the lower grades deserve credit for good scholarship just as the higher grades. About this and any other school activity we invite your suggestions.

A HONOR ROLL

Anna Lee Mitchell, Rowena Fielder, Rosemary Fielder, Peggy Morrison, Jimmy Jack Biffle, Bonnie Nell Hammer, Stuart Nolan, Dorothy Beckman, Patricia Ezell, Alene Moore, Mary Alice Hollars, Maynard Williams, Mary Jo Williams, Millie Yeakley and Joan Roberg.

B HONOR ROLL

Jo Burchfiel, Billy Joe Nieball, Robert Hammer, Ronald Ayles, Pamela McEntire, Barbara Ann Walker, Patsy Moore, Vernell Martin, Bobbie Robertson, Jackie Robertson, Janie Marie Reeves, Junior Martin, Maurice Stelzer, Dale Martin, Harold Reeves, Jun-

ior Hammer, Dorothy Sicking, Ida Belle Travis.

You have probably heard the discussion about the requirements of all English classes to hand in written themes every Friday. We are not allowed any excuses, except infantile paralysis. An interesting, fiery debate on the subject; Resolve, that written compositions should be required of English classes. The Negative, upheld by Joan Roberg and Ida Belle Travis, defeated by a close vote the Affirmative, upheld by Millie Yeakley and Patricia Ezell. Both sides have been busily hunting new arguments in preparation for the debate before the PTA Friday.

We haven't neglected the social side of life either. The high school had a weiner roast on which they

had a very good time even though some of the students did earn the reputation of being "twitter-pated". Did you hear about "on-ion breath"?

The whole school had lots of fun at the Halloween party. Prizes for best costumes were won

by Rowena Fielder and Kenneth McCool, Bobbie and Jackie Robertson, Maurice Stelzer and Millie Yeakley. The party was financed by the PTA and the racket from the favors could be heard for blocks.

FIRST CALL FOR Winterproof
 The Seasonal Care All Cars Need

TROUBLE AHEAD
 if your car's not ready to fight **WINTER WEAR**

Don't wait until the last minute. Uncertainty of Southwestern weather demands application of protective service and safeguards now. Protect your car with WINTERPROOF SERVICE, the seasonal service your car

needs, including essential check-ups, lubrication and maintenance needs. It eliminates hazards left over from hot-weather driving... protects against excess wear and friction, saves repair bills, gasoline and trouble.

Come In, Everybody!

See the New 1946 CHEVROLET

NOW ON DISPLAY

Styled to lead in Beauty

Engineered to lead in Performance

Built to lead in Economy

Outstanding appearance features of the new 1946 Chevrolet include: new Beauty-Leader Styling; luxurious Body by Fisher; new Wide-Wing radiator grille; new hood ornamentation; new two-tone color harmonies; distinctive new instrument panel; and massive new "Car-Saver" bumpers both front and rear.

Notable engineering features include: Chevrolet's proved Valve-in-Head Thrift-Master Engine for performance with economy; the famous Unitized Knee-Action Ride for comfort; Extra-Easy Vacuum-Power Shift and Shockproof Steering for driving ease; and Positive-Action Hydraulic Brakes for smooth, safe, positive stops.

For years, Chevrolet has been the most economical of all largest-selling low-priced cars, from the all-round standpoint of gas, oil, tires and upkeep; and the new Chevrolet for 1946 is designed and built to maintain this reputation for highest quality at low cost. Be sure to see this beautiful new car at your Chevrolet dealer's.

TED HERRMANN OPENS TYPEWRITER SHOP IN GAINESVILLE

Ted Herrmann, agent for Royal al typewriters in Gainesville and Cooke County, is open for business on the second floor of the Pythian building above the Texas Power and Light company. Mr. Herrmann will have the new Royals for sale as soon as they are available, and is taking orders for future delivery. There will be one on display in his establishment Saturday.

In addition to the Royal agency Mr. Herrmann's business will include the sale and repair of all types of new and used musical instruments, and musical accessories.

His service department will house the latest equipment for typewriter and musical instrument repair work. It is one of the most complete departments of this type in north Texas.

Prior to opening his new establishment, Mr. Herrmann was associated with his father, A.E. Herrmann, at the Free Press job printing shop.

Disabled Trains Disabled

Maurice H. Pion (right) of Arlington, Va., member of first class of World War II disabled to graduate from Disabled American Veterans national service officer training course at American University, explains procedure of filing claims for government benefits to John A. Farrell of Bayonne, N. J., a member of the second class. Pion lost an arm in the Solomons, Farrell a leg at New Caledonia. The D.A.V. is training service-disabled veterans of this war for jobs as national service officers.

NEW LINE MAYTAG PRODUCTS AVAILABLE SOON AT GEO. GEHRIG

Addition of an automatic type washer, an automatic clothes drier, gas and electric, a gas range and an electric frozen food locker to the Maytag line of household appliances was revealed to George Gehrig Maytag dealer, at Muenster in a letter received from President Fred Maytag II. No date has been announced as to when the new products will be made available to the public, although President Maytag expressed an opinion that the gas range and the frozen food locker would be on the market about the first of the year. No date has been revealed when the automatic washers and driers will be ready for distribution.

Just A Little Better

"A Little Better" makes a big difference when it comes to FOODS. Just a little difference in taste stands between something you like and a food you won't eat.

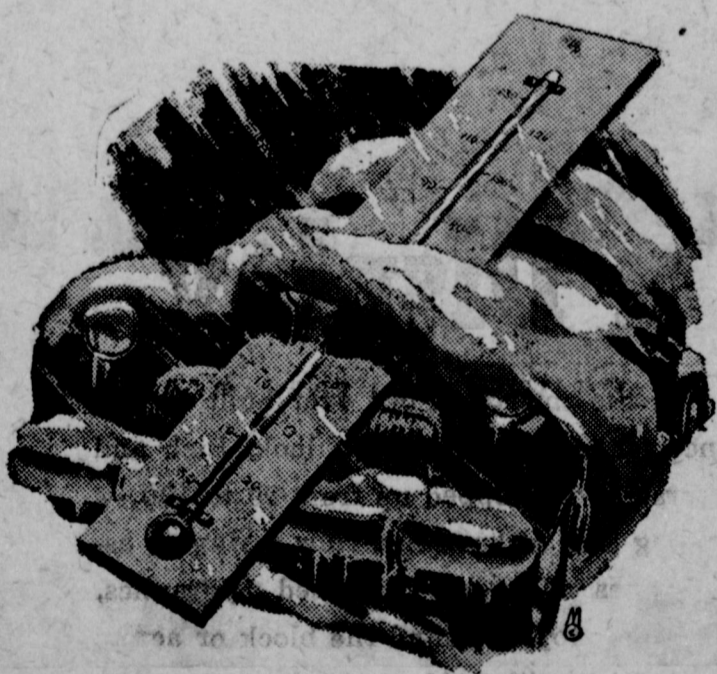

Just a little COURTESY and POLITENESS often makes the difference between a cheerful smile and hurt feelings.

So, to always be on the safe side, we see to it that our foods, are TOP QUALITY, and that our store is a cheerful place, where Courtesy is taken for granted.

DON'T FUSS — TRY US!

Gainesville, Texas

Family Affair

Throughout your home, light-conditioning is a factor which contributes immeasurably toward the pleasure and comfort of your entire family. The question of how much light is needed for proper seeing is not a matter of guess-work. Scientists have proved that you cannot go below certain definite amounts of light without serious danger of eye-strain and fatigue.

Light-conditioning means lighting of the proper quality and intensity for the various seeing tasks. Check the lighting in your home today to see that you are getting the full benefit of the lighting facilities you have. Light bulbs visible to the eye in overhead fixtures should be shielded to prevent glare, discomfort and eye-strain. Reflector bowls of portable study lamps should be kept free of dust. Inner reflecting surfaces of shades should be white and the shade wide enough at the bottom to allow light to cover the entire "seeing-task" without casting direct light into the eye. Proper size bulb should be used, which, for the average study lamp, is 150 watts.

See local dealers for such additional lighting equipment as you may need.

TEXAS POWER & LIGHT COMPANY

Lindsay News

Miss Marcella Schmitz formerly employed in a Dallas war plant is now on the office staff at A. Harris and Co. in that city.

Mr. and Mrs. Frank Krebs have returned to their home in Ardmore after a visit with Mr. and Mrs. Phillip Metzler.

Frank Beyer has been moved to the home of his mother, Mrs.

Adam Beyer and is recovering rapidly from an appendectomy performed at Gainesville Sanitarium on Oct. 25.

Paul Zimmerer, chief commissary steward aboard the U.S.S. Waldron, on duty in the Pacific, is home on a leave to visit his parents, Mr. and Mrs. I.A. Zimmerer.

The report last week that Seabee Hubo Bezner was back at home was erroneous. He was still on Okinawa when heard from by his parents, Mr. and Mrs. John Bezner, but he stated that he would be enroute home soon.

S. Sgt. Ray Kupper and T-5 Andrew Kupper, sons of Joe Kupper, are back at home as civilians having received discharges on the point system. Both served in the ETO, the former with the 137th Infantry and the latter with an engineer base photo-mapping co.

Seabee Lambert Bezner, storekeeper first class, is here to spend a thirty day leave with his parents, Mr. and Mrs. Jake Bezner. He served in the Pacific theatre for many months, making two trips across the ocean and will report to Dallas for a new assignment.

The Lindsay hall was the scene of a delightful party on Oct. 30 when Mr. and Mrs. Fred Bodvisky of Gainesville observed their 25th wedding anniversary with a gathering of relatives and friends. Supper was served buffet style and dancing followed. The honorees were presented with a large assortment of gifts from the more than 100 guests.

LINDSAY SODALITY PLANS DECEMBER 8 SERVICES

Members of the Young Ladies Sodality of Lindsay meeting last Wednesday evening, made plans for the observance of the feast day of their patron, the Immaculate Conception, on December 8. Plans call for the reception of new members and a Communion breakfast.

Miss Louise Hermes, president, presided and stated that religious pamphlets are being ordered for distribution among members. After the business session, the discussion club had its meeting.

LINDSAY SCHOOL TATLER

Did you hear the clapping and the cheering? Yes, we were holding class elections. Here are the results:

Seniors: President, Gertrude Bengfort; vice-president, Lucille Fuhrmann; secretary, Dorothy Beyer; treasurer, Weldon Bezner. Juniors: President, Bobbie Bezner; vice-president, Rosalie Beyer; secretary, Math Lee-Neu; treasurer, Evelyn Block.

The sport mostly recommended by the girls is volley ball. Our new captain, Dorothy Beyer, has urged us to do our best. If weather permits we will be able to play neighboring schools in the near future. We surely hope our kind trustees will soon be able to purchase for us some new balls.

We are very happy that Sister Adrienne, our principal, has returned after spending sometime in San Antonio. The Juniors and Seniors wish to express their appreciation to Sisters Marion Walter and Rose Frances for teaching them during Sr. Adrienne's absence.

At the regular S.C.A. Club meeting the freshies presented an interesting radio play called "St. Dorothy". The following took part: Joani Arendt, Julian Fuhrmann, Joan Geary, Margie Sandrann, Rita Block, Julius Metzler and Fred William Neu.

The faculty and students of Lindsay High wish to thank Father Conrad for his donation of the late and current issues of the Geographical Magazine.

Wondering: Why Jelly (Lu Ella) is forever in everyone's way on the volley ball court. After all she isn't that big.

What the excitement was between Lucille and Math Lee Friday. Couldn't be something about blondes since they are brunettes.

Where the Seniors got their talent for American Literature. Why the boys were so sore and stiff Tuesday and Wednesday. Couldn't be football, could it?

PICTURE OF DORIAN GRAY

This is a screen version of Oscar Wilde's story of a wealthy man who remains young while his portrait grows old. All the sins and misdeeds of his life are reflected in the picture, which grows more horrible with each of his sinful acts, tho he, himself does not age. After a lifetime in seeking pleasure he repents and dies with the "Confiteor" on his lips. As he prays the picture slowly changes to become handsome as the day it was painted. And on the floor is the body of an old man.

Hurd Hatfield plays the title role. Opposite him are Donna Reed and Angela Lansbury. Others in the cast are Peter Lawford, Geo. Sanders, Lowell Gilmore, Richard Frasier.

Confetti--

waste land here. It requires hard work but they get food for their homes plus a small cash crop. And they spend their spare time doing piece work for near by factories thereby increasing their cash income for the year. As a result of it all they live in comfort and security.

Thrift and hard work have much to do with Swiss success. And the incentive for thrift and hard work is the citizen's realization that he personally is responsible for his own welfare.

Dr. Einstein suggests that the way to insure world peace is to form a world state in which all present nations would become

members, and mentions the states in this nation as an example. The man seems to overlook an incident from 1861 to 1865. Binding states together does not necessarily keep them from fighting.

SEE THE NEW FORD

Now On Display

The new 1946 Ford is not only the smartest Ford ever built, but in every way the finest. Advancements everywhere you look. Rich and roomy two-tone interiors — horsepower stepped up from 90 to 100 — new performance and outstanding ease of handling. New springing assures a full-cushioned ride. Brakes are newly designed hydraulics, extra large for quick, smooth, quiet stops. Around the block or across the country, here's a car you'll drive with pride — and constant enjoyment. We cordially invite you to come in and see it!
