From My Side of the Fence by Ed

There was a time when our elected Senators and Congressmen who went to Washington and, strange as it may seem, voted their conscience. While there are still some representatives that put integrity ahead of a dollar, I would say they are in the minority.

Anyone who has taken note of the ten Democrats on the Judiciary Committee, when they vote on one of the President's nominees for a judicial post - which is rather seldom - will soon know all ten are liberals who can't wait to say "NO!" even when the nominee's qualifications are top notch.

Too many of our representatives in Washington operate on the "You scratch my back, I'll scratch yours" basis. "You vote for my bill, and I'll vote for yours, even if I don't like it."

Thank God there are still

promised a few votes on down the line.

Now we have the homosexuals wanting special rights, and with the trading of votes, and some of our representatives lack of integrity, they may succeed.

The business of lobbying, in my mind, is wrong. Too many representatives will swap their vote for the promise of some funds for re-election or the vote they need to put a certain bill across.

will Rogers was right a lot of the time, but he hit the nail on the head when he said, "We have the best politicians money can buy."

Even the murderous practice of killing fully developed and viable babies, just before the head clears the birth canal, is upheld by those that want to be re-elected at any cost. This, I believe is going to end.

Hardly a day passes that we are not bombarded by requests for "cash" to do this or that in the Senate or Congress.

I still believe that Senators and Congressmen are elected to do the will of the people that elected them, but it seems as if we want something done, we will pay twice.

The Lindsay High School Student Council is planning a Veteran's Day assembly. The assembly will be Nov. 11 at 3:00 p.m. in the Lindsay school gymnasium. They will honor veterans at this assembly for their contribution to our country and to our freedom. Local veterans present at the assembly will be recognized during the program.

Guest speaker will be retired United States Air Force Colonel James A. Watkins. Colonel Watkins held key positions in Air Task Groups for all nuclear tests conducted from 1951-1955. He was first commander of 4926th Test Squadron, the only Air Force Atomic Cloud Sampling Unit. He trained pilots and helped develop equipment and techniques. Colonel Watkins holds the Distinguished Service Cross (second only to the Congressional Medal of Honor), and also holds two Silver Stars. In addition, he flew the World War If fighter Acc-P38 that shot down 12 Japanese planes, and flew 135 combat missions in the Southwest Pacific. His speech will relate 9/11 to patriotism.

Also the Student Council, in conjunction with the FCCLA members, is planning a reception for veterans and their guests after the Veteran's Day Program. Contact Glenna Metzler or Brenda Fuhrmann at Lindsay High School (668-8474) if you plan to attend. robotics competition.

The Machinators placed third in the BEST competition, advancing to the nationwide Texas BEST competition at Texas A & M University this November. "We're happy to continue the trend of excellence at Sacred Heart," said Machinators' coach Angela Smith. Facing 25 opposing teams from area high schools, the Machinators have never placed less than third in three years of participation in DC BEST. "The greatest thing about the BEST competition is the people having fun and the fellowship the students exhibit," commented DC BEST coordinator Michael Fogerty. "We're very proud

Machinators are phenomenal."

DC BEST spokesperson Ryan Lantz agreed. "It's great to see young folks working on this stuff together." Mr. Lantz is a physicist employed by the Nuclear Regulatory Commission.

More than 400 teams nationwide compete in the BEST competition each year. Only the top sixty advance to the national level. The Machinators have competed at the national level both of the past two years, placing in the top 12% of robotics teams nationwide.

"We're proud to represent North Texas again this year," said Machinator Travis Forshee. "This competition requires lots of dedication and hard work."

The Machinators will compete in the 2002 nationwide Texas BEST competition on Saturday, Nov. 23 at Texas A&M University's Reed Arena. Supporters are encouraged to attend the event.

Kyra Mann receives honor

Mrs. Kyra Mann was selected by Muenster ISD teachers to represent the district in the prestigious Jack Harvey Academy of Exemplary Teachers. The criteria for an exemplary teacher is one that is worthy of imitation - a model; one that is typical or representative - an example, ideal, admirable, commendable, and praiseworthy. Other teachers nominated included; Mrs. DaLana Chism, Mrs. Deb Klement, and Mrs. Martha Koesler.

The Jack Harvey Exemplary Teacher Academy was named after one of Weatherford College's most respected Professors, Jack Harvey. He was a man who enjoyed a huge following of Weatherford College students and faculty during a teaching career that spanned 23 years at the college. His colleagues described him as a true teacher - a mentor. With his

retirement his friends and colleagues bestowed on him the title Professor Emeritus
- an honor never before extended to any other instructor. He was characterized as a master teacher who was dedicated to his profession.

As a tribute to his memory, the Jack Harvey Academy of Exemplary Teachers has been established at Weatherford College to recognize exemplary teachers in the College's partner schools and throughout the north Texas area. Highlights of the academy include:

• During the fall semester, teacher honorees from the districts are invited to the College campus for a one-day professional growth experience.

• At an evening banquet held in their honor, they are the recipients of medallions and plaques. Local media publishes pictures of the Amath and Contact Market.

Muenster Elementary focuses on bus safety

Muenster Elementary School celebrated National Bus Safety Week by practicing emergency bus evacuation with students from Pre-Kindergarten through sixth grade. Susie Fleitman, director of transportation, and Barbie Barnhill, bus driver, had the assistance of classroom teachers. Every child went through the emergency steps for the evacuation procedure. Students from grades 2 through 6 and Life Skills assumed the responsibilities of evacuating the buses. This training is recommended by MISD's insurance carrier and sponsored by the National PTA.

The school's transportation department sponsored a coloring contest for students from Pre-K through the 2nd grade plus Life Skills. Staff judged the contest, and prizes were awarded. Winners are: Pre-K: Best of Show - Roman Bayer; 1st Place - Kimber Walterscheid and Bailee Nance. Kindergarten: Best of Show - Morgan Flusche; 1st Place - Mikinzie Hess and Chance Herr; 1st Grade: Best of Show - Sydney Huchton; 1st Place-Destin Fleitman and Kylie Hess; 2nd Grade: Best of Show - Stoney - Trevor Hess; 1st Place - Sean Chism and Payton Sanders. The theme for this year's program: BE COOL.

FOLLOW THE RULES reminds all students that school bus safety begins with the student, every morning and every afternoon. Rules to remember include: 1) Be on time. 2) Never run to or from the bus. 3) Stand back from the curb. 4) Don't push or shove. 5) Stay in your seat. 6) Don't yell or shout. 7) Always obey the driver. 8) Wait for the driver's signal before crossing. 9) Always cross at least 10 feet in front of the bus. 10) Never crawl under a school bus. This promotion of National Bus Safety serves as a reminder for all drivers to exercise more caution when near a school bus.

the Tigers were handed a very disappointing loss, 10-6.

"This game was a devastating loss for our team. We played like a team with no desire to succeed. At this point, we need to circle the wagons and get refocused on the goals we have set from the very beginning." Tiger Coach Kris Hogan commented. "Usually the biggest thing that accompanies a loss like this, is that the kids get bombarded with negativity from outside the team. We don't have time for that kind of junk. It's time to stick together, believe in each other, and work harder than we ever have."

Covenant's offense took to the field first, but the Tiger defense, led by Adam Krahl and Matt Donohue forced a punt. Sacred Heart's first drive began on their 45 yard line and ended with a touchdown. Runs by Thomas Whitecotton, Chris Hoedebeck, and Paul Bartush moved the Tigers steadily down field. From the 24, four consecutive runs by Hoedebeck concluded in the end zone for 6 points. The extra points pass play failed and the Tigers led 6-0 with 6:20 remaining in the first quarter.

It was three plays and punt for both teams with the Tigers holding the Cougars to no gain in six plays, with tackles by A. Krahl, Donohue, Hoedebeck, and Clint Fuhrmann.

The Tigers' second possession began with a Bartush pass to Hoedebeck for 32 yards. The drive then ended after four unsuccessful plays. Again the Tiger defense, with tackles by Chris Fuhrmann, Kevin Walterscheid, and Daniel Bartush handed the Cougars negative runs.

Sacred Heart struggled the next drive, getting in five plays before punting. Tackles by Andy Davis and Whitecotton, and pass defense from Chris Fuhrmann made the Cougars punt the ball.

From the 13, two runs by Whitecotton, and a pass from Bartush to Whitecotton took the Tigers to their 32 yard line. An interception with a 35 yard return put Covenant 17 yards from paydirt. With time ticking off the clock, the Cougars bouted a 33 yard field goal to end the first half and close the score to 6-3.

Whitecotton added 6 yards, and a keeper by Bartush moved the Tigers to the 15. Another flag backed the ball 10 yards. Whitecotton gained 18 yards on three runs, but on fourth down, the Tigers came up short at the 8 yard line.

The Crusaders carried the ball into the final period, taking 11 plays to find paydirt with a 22 yard run. The extra kick gave Covenant a 10-6 lead with 8:06 remaining in the game. Cubs outrun Mustangs 18-8

A rainy evening at Tiger Field last Thursday night had the Sacred Heart Cubs hosting the Mustangs of Saint Mary's. After four quarters of play in the water and mud, the Cubs added another victory to the record with a 18-8 final score.

The Cubs received the opening kick, but fumbled on the return. Saint Mary's got in 8 plays to the 16 yard line. The Mustangs came back two plays later, finding the end zone on a 56 yard pass play, but a penalty brought the ball back to the Cub 45 yard line. A fumble on 4th and 9 gave Sacred Heart possession at midfield. The

Next Action

Muenster travels to Collinsville this Friday night with hopes of working toward their goal of making the playoffs.

"Collinsville will be a very tough game at their place. We'll have to stop their passing game," commented Coach Endres. "We still have a chance for the playoffs." Coach Endres stressed that Muenster needs a big crowd to travel to Collinsville to show the Hornets some support.

In district action, the Pirates defeated Era Jast week (38-7) and Lindsay (7-6), but lost to Saint Jo (24-14). Collinsville took wins from Callisburg (21-0), Valley View (16-13), and Alvord (34-12) in predistrict play.

Game time is 7:30 at the Pirates new stadium, located east of the old field.

Stingers hold Petrolia to 6-6 tie

Heavy showers Thursday afternoon water-logged an already muddy Hornet field for the junior high contest with Petrolia. The battle ended in a 6-6 tie.

Action began with the teams exchanging possessions before a turnover returned the ball to the Stingers on their 25 yard line. Runs by Zach Swirczynski got the ball to midfield. Bill Haverkamp and Swirczynski garried the ball to the Pirate 37 as the 2nd quarter of play began. Swirczynski picked up 9, and Haverkamp 3 on 4th down to the Petrolia 25, but a fumbled snap was covered by the Pirates.

Cole Harrison got a tackle for no gain, then Haverkamp recovered the ball after a fumbled pitch. The Stingers couldn't get 10 yards, then allowed a Petrolia runner to break tackles, cut inside, and run 79 yards for a Pirate touchdown. The extra point attempt ran into a wall of Hornets for a 6-0 score with 1:58 remaining in the first half.

Panthers claw Knights

Knight Field in Lindsay was where the Saint Jo Panthers took their latest victims Friday night. The Panthers held Lindsay to seven first downs, and picked off three passes on their way to a 16-0 victory. "Saint Jo has a good team. They desire to win. They are quick and really get after it," commented Coach John Erwin. "We didn't play very well. We did the same thing we've done all year - too many mistakes."

Lindsay could gain only 4 yards their first possession and punted. The Panthers, starting near midfield, took eight plays to get to the 19 yard line, then settled for a 36 yard field goal by Cris Harris to take a 3-0 lead with 6:23 on the clock.

The Knights struggled again offensively, losing 2 yards in three carries, and punted. The Panthers carried the ball into the 2nd quarter. Tackles by Sam Hellinger, Ryan Kasparek, Trinity Otto, Mark Schreiber, and Joey Arendt put the Panthers on the 29 yard line with a 4th and 14. A fake punt play failed when Rhett Rimmer caught the ball carrier in the backfield.

It was three runs and punt again for the Knights. From their 10 yard line, the Panthers took only seven plays to allow Kyle Brewer to score on a 2 yard run. The extra point kick by Harris gave Saint Jo a 10-0 lead with 6:46 remaining in the second quarter.

Lindsay gained no yards and punted, then tackles by Mitch Creed and Hellinger forced a Panther punt.

From the 31 yard line, Lindsay started a 12 play drive with Chris Horner,

Keith Dieter, Hellinger, and Bradley Anderle, moving the ball to the Saint Jo 31 yard line. A holding call left Lindsay with a 4th and 12 situation. The attempt for a first down failed and the Panthers used up the remaining seconds till the half-time break.

Saint Jo began the 3rd quarter on their 16 yard line. Seven plays later Justin Sutton scored on a 40 yard run. The PAT kick was blocked by Rhett Rimmer for a 16-0 score with 7:58 on the 3rd quarter clock.

A 22 yard pass from Sam Hellinger to Bradley Anderle kept the ball in the Knights hands, but an intercepted pass quickly ended the drive. The Panthers got in one good run before tackles by Dieter, Adam Schreiber, Hellinger, and Cody Anderle forced a Saint Jo punt. The next play, the Panthers regained control with another interception. Again the Knight defense held Saint Jo with Arendt, Creed, M. Schreiber, Dieter, and Garrett Jones all getting in on tackles. The punt put the Knights on their 19 yard line. An 18 yard run by Hellinger assisted in moving the ball into the final period of play, but again, the Panthers stepped in and picked off another pass.

Saint Jo got in one run, then were dropped for losses by the Knights, forcing a punt. From the 20, Hellinger picked up 10 yards, then Horner 33. Two Hellinger runs gained another 11 yards to the 26 yard line. The Knights then came up short a few yards and Saint Jo took over on the 22.

Hornet JV falls to Petrolia

The junior varsity Petrolia Pirates came to Muenster last Thursday night to take on the Hornets on a wet and muddy field. The fumbling game ended with a 22-0 defeat for the Hornets.

Petrolia's opening kick was short, with Derek Felderhoff fielding the ball on the Muenster 37 yard line. On the third offensive play of the game, Muenster fumbled.

Muenster's defense sacked the quarterback on the Pirates' first snap. Nathan Privett and Patrick Lutkenhaus got in the backfield. After a short gain, Matthew Yosten covered a

Tackles by Derek Endres, Keaton Haverkamp, Hennigan, Felderhoff, Privett, and Noah Barnhill kept Petrolia out of the end zone for five plays. On fourth and 1, Petrolia scored on a 2 yard run. Michael Eckart and Privett caught the runner in the backfield to stop the PAT for a 6-0

score 5 seconds into the 2nd quarter.
Endres got a 16 yard kick return. After the first hike, the Pirates intercepted a Muenster pass to set up another touchdown. Two plays later, with 6:52 on the clock, Petrolia had a 14-0 lead.

The Hornets gained 7 yards, then punted after three runs. A fourth down fumbled punt snap was booted away by Haverkamp. The grounder kick touched a Pirate and Hennigan recovered the ball for the Hornets.

Again Muenster couldn't get 10 yards and the ball went to the Pirates on downs. Tackles by Haverkamp, and a sack by Hennigan and Privett caused a fumble, covered by Matthew Yosten, but the time ticked off for the half-time break.

Petrolia took the 3rd quarter kick. Keith Walterscheid, Hennigan, Yosten, Haverkamp, and Privett stopped the Pirates, forcing a punt.

Two quick flags stuck the Hornets in a 1st and 30 predicament. Unable to score, Haverkamp punted.
Two plays later, Petrolia scored with 2:02 on the

clock. The extra run was good for a 22-0 score.

Endres returned the kick 19 yards. Runs by Endres and Jordan Walterscheid got the ball to the Pirate end of the field, moving the ball into the fourth quarter. More runs by Endres and a keeper by J. Walterscheid got the Hornets to the 13 yard line, but a fumbled ball, covered by Petrolia, ended the drive.

A 63 yard run by the Pirates quickly moved Petrolia inside Muenster's 20 yard line. Tackles by Haverkamp, Yosten, Barnhill, and Privett held the advancement to the 8 yard line, with less than a minute to go. Petrolia took a knee to kill the clock and claim a 22-0 victory.
