

# MUENSTER ENTERPRISE

VOLUME X

MUENSTER, TEXAS, COOKE COUNTY, FRIDAY MARCH 22, 1946

NUMBER 17

They say good things come in bunches, and probably the same applies to bad things. Last week the staff of this paper discovered that the same is true of news suppression. There must have been a half dozen cases of people admitting that such and such is going on or is about to happen— "But don't mention it in the paper, at least not for a while."

They make a request like that even though the event or plan referred to is a matter of common knowledge up and down the street.

In nine cases out of ten they're just modest and don't want to appear to do a lot of crowing, which is quite commendable as an individual trait, but most inconvenient and sometimes even embarrassing to a paper staff. Imagine a paper, the principal function of which is to publish the news while it is news, coming along with a story two or three weeks after it had been a matter of common knowledge.

Can't you just hear people saying, "Why don't they get on the beam and find out what's happening?" or, "That's old stuff, I knew it a month ago."

Perhaps people are saying those things anyway. We realize, as they must, that it is impossible to discover every worth while item. But we'd rather not give quite so many occasions for these comments. Especially when a story is so obvious.

So how's about some help on that score? It will enable us to do our job better. Besides, a wee bit of constructive publicity isn't going to violate even the most modest person's sense of propriety. There is such a thing as deserved credit, you know.

The chain letter craze — or should we say the chain letter racket? — back again, and seems to be prospering in the community. Quite a few of this writer's acquaintances have received letters. Some have had the good judgment to ignore them, some have responded as per instructions, but so far there has been no report about an avalanche of hankies. The thing works just like it did about 10 or 15 years ago. The letter has a list of several names. Send some specified item to the top name then make five copies of the letter adding one own name to the bottom and forward to five other suckers.

Theoretically it's a wonderful scheme. Pay off items multiply faster than quinea pigs. Suppose the list has five names and the sender gets his or her name at the bottom of five lists. The next five each sends to five others, so the name is on 25 letters by the time it is in second place from the bottom.

By mathematical progression we can figure that when the name reaches the top it is on 3,125 letters, hence the person would get that many hankies — all for one hankie and five letters.

Anybody can see that's too much of something for nothing. There's got to be a catch, and here it is. For every extra item a person gets there has to be a loser. The vast majority of those who respond never get anything in return.

Most participants realize this too, but hope to hit the jack pot before the list of suckers runs out. Usually they discover in the end that they themselves were suckers.

Several years ago the craze got so bad that the post office department put up a complaint. Millions of letters were cluttering the mails before the general public wised up.

At that time the craze developed into a lovely racket. Schemers wrote letters by the hundreds, always with their own names heading the list and requesting one or five dollar bills instead of ten cent items.

Word has reached the column in a roundabout way that some of its comments of the past weeks have met with some disagreement and a few cases of disfavor.

As regards disagreement, we'll just press it off as inevitable. There never has been a person whose ideas or tastes agreed with everyone else's. What's more, the column is fully aware quite often that lots of people will disagree.

However it does not like to hear that the disagreement is on a subject on which someone else is sensitive. Whenever that occurs it's a matter of miscalculation, not deliberate offense. Accidents happen. Sometimes a person steps on another's toes without intending to do so.

And now it's the column's turn to complain. As mentioned before the report of dissatisfaction came in a round about way. That's disappointing. A reply by letter.

(Continued on Page 8)

## City Is Eligible For State Maintenance On Main Street If...

If and when this community gets its proposed farm to market road the city of Muenster will probably get a street paving job in the bargain. Mayor J.M. Weinzapfel disclosed this week after receiving a letter from J. M. Isbell of Wichita Falls, district engineer of the Highway Department.

Responding to Weinzapfel's inquiry of a short time ago Isbell stated that Muenster comes under the provisions of the Highway Act passed by Congress which "permits the improvement of Secondary or Farm to Market roads within cities that have a population of less than 5000 according to the last U. S. census."

Isbell continued, however, that the state highway department cannot assume maintenance of pavement within the city limits of Muenster until actual construction begins on the proposed road leading north out of town. The reason is that proposed farm highways have been conditionally designated and programmed with the understanding that maintenance will not be assured by the state until the project has been constructed.

The district engineer's statement comes as welcome news to the city council. Heretofore it was generally believed that incorporated cities, regardless of size were responsible for their own street maintenance.

With no definite date, nor even a definite assurance, regarding construction of the proposed secondary road, Muenster is still faced with the problem of what to do about Main street now. Repairs are urgently needed and can not be postponed for long.

## Woodie Chapman's Father, 70, Buried Tuesday At Bowie

Funeral services for George W. Chapman, 70, father of Woodie Chapman of this city, were held Tuesday afternoon in Bowie at First Methodist church. He died Monday in a Wichita Falls hospital.

The deceased was born in Tennessee and came to Texas in 1884 settling in Ellis county. He moved to Wichita county in 1912 and to Montague county in 1939, where he resided at the time of his death. He was well known locally from his regular attendance at the local auction on Saturday.

He is survived by his wife, the former Miss Lizzie Zeck, whom he married in 1892, seven children and 17 grandchildren.

He was a retired farmer and cattleman.

Mr. and Mrs. Chapman and sons attended the funeral services. Others attending were Mr. and Mrs. E. S. Lawson, Curtis Martin, Herman Pierce, John Bayer and Gus Stelzer.

## Rev. Francis Zimmerer Home On Terminal Leave Joins Local VFW Post

Highlighting a regular meeting of the local VFW post was the appearance of Captain Francis Zimmerer who gave a talk on his experiences while serving as a chaplain in the army. He returned to the states last week and arrived in Lindsay Monday for a visit with his parents, Mr. and Mrs. I. A. Zimmerer and family, while he is on terminal leave.

During the business session it was announced that the post has received its number and that its official name is now Muenster VFW Post No. 6205. The number was issued by National headquarters and the group was advised that it would receive its charter in the near future.

Other business was the signing up of several new members bringing the total membership to 50.

## Cheese Plant South Wall Sealed With Glass Brick

Somebody has made a big fibber out of this paper. The plate glass that was to be installed in the south wall of the cheese factory has turned out to be glass brick.

Just the same, two door openings have already been closed and window openings will be closed in another week or two. The job is in progress on Saturdays only, when the brick layer can be away from his other work.

The sealing off is a part of the plant's sanitary program to eliminate dust from the highway.

## REA Directors Let Building Contract For Line Extension

Meeting here on Thursday, March 14, directors of the Cooke County Electric Cooperative association awarded to J and J Construction company of Oklahoma City the contract for building 109 miles of line in the eastern part of the county.

A contract previous let for construction of this line was rejected by REA headquarters in Washington. R. L. McNeley, manager of the local co-op stated, and the contract just let is likewise subject to approval.

The project is part of a 308 mile expansion program which is expected to add about 750 member-consumers to the local system. McNeley stated. The other 199 miles will be constructed by the co-op's line crew within a radius of 15 miles of Muenster and toward the west end of the project.

Almost all the line will be built within the boundaries of the organization's present area, hence will provide more complete coverage rather than extend to new territory. When the project is completed every home within a radius of 15 miles from Muenster will be within convenient wiring distance, McNeley said.

At the present time construction is being delayed by a shortage of material, and although no definite assurance has been received, there is a fair possibility of sufficient quantities to permit beginning in about 60 days. It is estimated that at least 40 per cent of the total requirement should be on hand before work starts in order to minimize the chance of further delay later.

The two projects will bring the organization's membership to about 2000. At the present time it has 1297 members using an average of 84 kilowatt hours of current a month. The average monthly bill is \$4.25.

## MILK IMPROVEMENT URGED AT CONFAB OF CHEESE PLANT MEN

Cheese research men as well as state health departments are placing special emphasis nowadays on the drive to eliminate both dirt and disease germs from milk. Returning from a Kraft district meeting at Denison, Rudy Hellman stated that the greater part of the meeting was on milk improvement.

Careful investigation has disclosed, he said, that much disease now prevalent can be traced directly to contaminated milk. These diseases, the research men claim are usually spread within the herd by breeding. They urge artificial breeding as the best means to correct that trouble.

As regards cleanliness the research men disclosed results of an experiment in which men deliberately added dirt to milk and then tried to take it out. Weighing the quantity added and the sediment recovered they found that a large portion of the dirt remained in solution. Claiming that milk, once it is dirty, can not be cleaned they urged "Give us clean milk, not cleaned milk."

Cooperating with cheese factories in fly and bug control Kraft will send entomologists to all affiliated plants. These men will be experts in the use of DDT and other insecticides.

Also in connection with milk sanitation, the state health department will conduct a district meeting at Denton on Friday, March 22. Rudy Hellman and Herman Stoffels will be the cheese factory's representatives, there.

## Werner Koelzer, Former Navy Pilot Assumes Management of Airport

Returning after thirty months in the Navy, Werner Koelzer of Hereford is now in Muenster as manager of the local airport. He is a son of Mr. and Mrs. Mike Koelzer and a former resident of this city.

During his term in the Navy Koelzer was an ensign piloting carrier based fighters and dive bombers. He also spent some time as an instrument instructor.

As a civilian he has a commercial pilot's license.

Koelzer intends to be at the airport daily ready to give instructions of passenger hops or rent out the plane.

## BOUNTY FOR WOLVES

In an effort to rid the county of wolves, which are reported preying on livestock, the Cooke county commissioners court set a bounty of \$3 for grown wolves and \$1 each on pups. This action was taken at the court's meeting last week.

## Mrs. C. A. Vestal, 78, of Hays Dies Of Heart Attack

Had Been A Resident Of Community Since 1900; Funeral Service Sunday

Mrs. C. A. Vestal, 78, widow of the late C. A. Vestal of the Hays community, died Friday in Corpus Christi following a heart attack earlier in the week.

Funeral services were held Sunday afternoon at 2:30 at Liberty Baptist church with Rev. E. Pennington of Grand Prairie officiating assisted by Rev. C. M. Thomas of Gainesville. Geo. J. Carroll and Son Funeral home was in charge of burial services which took place in Hays cemetery.

Pallbearers were Curtis Martin, J. R. Winstead, Don Cooke, W. E. Germany, Jim Reese and Henry Lopez.

Mrs. Vestal, a native Texan, had resided in the Hays community since 1900. She was born in Whitewright in 1868 and since her marriage to Mr. Vestal had made her home at Hays.

She is survived by 7 children: W. R. Vestal, Muenster; Mrs. Estelle Barber, Memphis, Texas; Mrs. Eliza Karnes, Caddo, Okla.; Mrs. Letha Chapman, Grand Prairie; Mrs. Cornelia Allison, Portland, S. R. Vestal, Seagraves, and Bedford Vestal, Valley View and 19 grandchildren.

Also surviving are two sisters Mrs. Sallie Skaggs and Mrs. Frankie Cowart of Denton.

Mrs. Vestal was a member of Liberty Baptist church and was a highly respected citizen of the Hays community.

W. R. Vestal of this city and his brother, Bedford of Valley View, attended her bedside last week.

Out of town relatives at the funeral services were Mr. and Mrs. Earl Wiley and son, Dan; Mrs. Frankie Cowart and son, Lowell, Mr. and Mrs. Ancill Dunn, Miss Joe Skaggs, Mr. and Mrs. W. B. May, Mr. and Mrs. C. R. McGaughey, all of Denton; Mr. and Mrs. Newall Skaggs, Mrs. Charles Skaggs and Mrs. Jane Ball all of Whitewright; Mrs. Kate Skaggs, Sherman; Capt. and Mrs. Howard Skaggs and children, Dallas; Dave Vestal, Altus, Okla.; Mr. Denison, Seaman, C. M. Chapman and Mrs. Boyd Killingsworth Katherine Hawthorne, Abilene; Mr. and Mrs. John Ward, Aspermont; Miss Betty Vestal, Austin.

## TONEY BURGER GETS COACH POSITION AT JESUIT HI IN DALLAS

Toney Burger, principal and coach of Muenster High School from 1933 to 1937, and since then head basketball and baseball coach and assistant football coach at Austin High School, has been signed for a three year contract with Jesuit High of Dallas according to an announcement by that school's athletic committee. He will coach football, basketball and baseball.

Burger's contract at Austin lasts until July 1 but he will report to Dallas as soon as possible and will be there for a few weeks of spring football training at least.

Toney is well remembered here as the coach of the three county champion basketball teams and two champion baseball teams. At Austin he continued his record producing some of the best teams in the state and assisting the head grid coach turn out more contenders for state titles.

## Parish Observes Tradition Established By Pioneers

The feast of Saint Joseph was observed here Tuesday, March 19, as a holy day with special church services. This day has been observed in Sacred Heart parish in a special way for the past 50 years.

Pioneers of the community vowed to keep the day as a Sunday in the year 1896 as a petition to Saint Joseph for the protection of their crops against inclement weather and storms so frequent here in the early days. The first two Muenster churches were destroyed by cyclones.

## CAPPED IN CEREMONIES AT FT. WORTH WEDNESDAY

Cadet Nurse Thelma Kathman was one of 31 nurses to receive her cap in ceremonies at Saint Joseph's Hospital, Fort Worth, last Wednesday. She is the daughter of Mr. and Mrs. Frank Kathman.

Attending the ceremonies were Mrs. Frank Kathman, Miss Bernice Kathman, Mrs. Paul Fisher and children and Mrs. F. A. Kathman.

## Hospital Association Takes Steps Toward Instituting Services

### Green Bug Damage Appears Checked Since Last Week

Conditions during the past week have been either good for grain or bad for green bugs — or both, according to recent reports on the insects' depredations. Some farmers of the community who anticipated serious losses now have hopes of coming through the attack with slight damage.

The general opinion is that favorable growing weather is giving grain a chance to get ahead of the pests, and that once the plants become tough and hardy they either survive green bug attacks or the bugs do not bother them any more.

To the south and east where bugs were first discovered the usual report is that damaged spots are still evident but they are not spreading. A few such spots can be found north of town but there is little or no damage west.

Two men of the Lindsay community are said to have plowed their grain under.

## Kills a Lion With a Rock

Frank Sicking, now a resident of Seligman, Ariz., and remembered here as a son of Mr. and Mrs. Ben Sicking, is one of the few, if not the only person who can claim the distinction of killing a mountain lion with a rock.

It happened while Frank was riding the range on the ranch on which he works. Accompanied by his dog, he came upon two lions in a patch of oak brush. He had no gun along, so he started heaving rocks. Luckily one rock hit a vital spot on the big cat's head. It measured 5 feet, 1 inch.

Frank is aware that killing a lion with a rock puts him more or less in a class by himself, but he did not think there was anything remarkable about tackling a lion with such an inadequate weapon. The dog was helping him, he said.

Frank collects \$100 in bounty for killing the cat. Seventy-five from the county and ranchers association and another 25 from his employer.

## Pope Tells Sergeant Ray Wilde He Would Like To Visit Texas

Long, interesting, travel-talk letters from Sgt. Ray Wilde reached his parents, Mr. and Mrs. J. B. Wilde and friends here this week. Written from Bayreuth, Germany, the letters tell of Ray's recent furlough, spent in Switzerland and Rome, Italy.

The most memorable occasion, he wrote, was an audition with the Holy Father Pope Pius XII. Ray said he shook his hand and they conversed in English. When the Pope asked from which state he came and Ray replied "Texas" the Holy Father answered, "Oh, Texas. That is a wonderful state. I would like to go there sometime." His visit coincided favorably with that of the Consistory and he met some of the newly appointed Cardinals.

Every day brought something new and exciting including the opera, Italian movies, visits to all places of historic interest — the ancient city walls, the catacombs, castles and churches.

Two unforgettable sights, he said, are the Cathedral of Milan second largest in the world, and the original painting of the Last Supper.

Ray expects to be back to the states in the near future.

## GAS LINE INSTALLED SOUTH OF HIGHWAY

Lone Star Gas company is this week installing a gas line along the south side of the highway. It connects to the company line on Main street just west of the intersection of Main and the highway and extends east as far as the Arnold Swirczynski home. Business houses and residences along that part of the highway will have the convenience of natural gas for the first time.

### Elects Directors Who Will Submit Proposals For Operation Plans

Meeting Wednesday night, March 20, in the parish hall, members of the Muenster Cooperative Hospital Association elected their first board of directors and made plans to realize what benefits they can at the earliest possible date.

The present plan of the newly elected board is to draw up a constitution and by-laws as well as a suggested list of services that can be made available before the hospital is built and submit them for approval at another general meeting to be held soon.

It was pointed out that the association's hospital will be delayed for some time because of shortages in building material, however some of the anticipated services, especially those pertaining to medical care, can be put into effect immediately.

The directors are Dr. T. S. Myrick, J. M. Weinzapfel, J. W. Hess, Herbert Meurer, R. N. Fette, E. A. Felker, and Arthur Endres.

Summing up the progress made to date, Weinzapfel stated the organization now has 142 one hundred dollar memberships and 2 one thousand dollar memberships. Membership money, he stated becomes a part of the building fund and any services to be put into effect as well as administrative expenses are to be supported by dues. The rate of dues, as well as the services to be rendered, will be decided at a general meeting.

In some respects, Weinzapfel said, the organization will be comparable to the Blue Cross, a widespread hospitalization plan but being localized it will not be burdened with heavy administrative costs.

Looking forward to the possibilities of the organization he called attention to a venture at Amherst, Texas, where a similar cooperative now serves a wide area with a large hospital and more than thirty doctors, nurses and technicians. Comparing density of population at Amherst and Muenster he sees possibilities of a more successful venture here.

Dr. T. S. Myrick urged the group to consider their undertaking as the beginning of another permanent community institution. Future generations will continue to maintain and improve it and enjoy its usefulness.

## Kraft's New Package Of Raw Cheese Will Be Produced At Muenster

As a result of the Kraft Corporation's decision to put out a new package of raw cheese, changes are due soon at the Muenster cheese factory. Rudy Hellman, plant manager, disclosed Tuesday after returning from a Kraft district meeting at Denison.

Heretofore most of Muenster's cheese has been going in bulk to processing plants for conversion into fancy package products. When the change becomes effective it will be in small cellophane wrapped packages suitable for delivery to the consumer.

New press equipment, for the change-over, expected in 6 weeks or two months, will differ considerably from that now in use. Instead of a series of molds in line on a compressing rack the new machine will be a small unit molding each brick individually and operating somewhat on the principle of a hay press. Muenster will get the second unit to be distributed to Kraft's southwest division, Hellman said.

## Commissioners' Court OKs Bond Issue To Purchase Highway Right-of-way

The Cooke county commissioners court in regular session on March 11, authorized the issuance of bonds in the amount of \$85,000 for acquiring the necessary right of way to construct U. S. interregional highway 77 through the county.

The bonds are to be in denominations of \$1,000 each dated from Jan. 1, 1947, and are to be retired over a 12-year period. Interest will be 1 3/4 per cent, payable semi-annually, and the bonds are to be sold to local banks.

# LOCAL NEWS BRIEFS

Short Items of Interest About Folks You Know

Miss Olivia Stock was a Dallas Show visitor Monday.

The John Coursey home is being remodeled and redecorated.

Mrs. John Eberhart Sr. is confined to bed since Friday on account of illness.

Mr. and Mrs. Jake Tempel of Fort Worth spent the weekend as the guests of relatives.

Since Monday Mrs. Bob Swirczynski is on the staff at Clara's Cafe.

Mr. and Mrs. Al Swirczynski and daughter, Allene, of Dallas were here Sunday to visit relatives.

Mrs. Harold Walterscheid and daughter, Shirley Ann, spent Thursday in Gainesville as guests of Mrs. F. A. Wiese and family.

Mr. and Mrs. Alois Wiesman and son spent last Thursday in Fort Worth attending the Stock Show.

Matt Yosten left this week to return to his home in West Point Neb., after visiting relatives here for the past three months.

Miss Edith Mae Rhodes of Wichita Falls was the weekend guest of her parents, Mr. and Mrs. Jim Cook.

West Bullock and George Bayer were in Longview during the week end and brought back the Bullock children's shetland pony.

Mr. and Mrs. Joe Bergman have as their guests this week their nephew and niece, Mr. and Mrs. Billy Hartage of Gainesville.

Mrs. J.N. Shaw is recovering nicely at her home north of Muenster following a fall in which she broke her arm.

Mr. and Mrs. Arnold Swirczynski visited in Fort Worth Friday with his brother, Ed, who has been ill.

Misses Lucille and Billie Wimmer and Leo Haverkamp and Ray Otto spent Sunday in Fort Worth at the Stock Show.

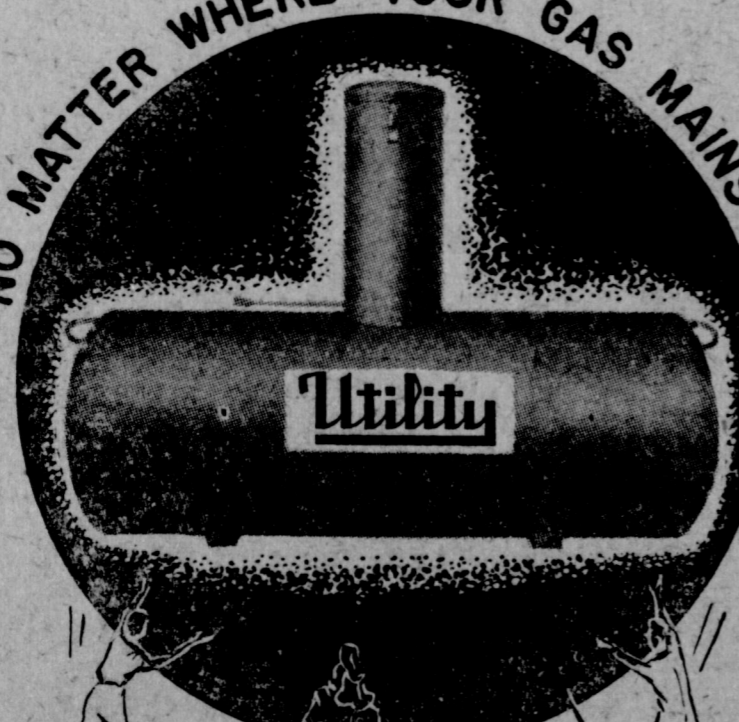

Mr. and Mrs. Ted Gremminger had as their guests Sunday John Lerner and son, Johnny, of

**Wichita Falls.**  
 Mr. and Mrs. W. L. Young and Mr. and Mrs. Jot Lewis of Tyler spent Sunday night as guests of Mr. and Mrs. B. G. Lyons, Rt. 3 Muenster.

Mr. and Mrs. Bill Snow, Joyce Waggoner and Gene Martin, all of Fort Worth spent Sunday with Mr. and Mrs. L. E. Snow, north of the city.

Mr. and Mrs. Bob Swirczynski and Mrs. Morris King spent Friday in Fort Worth on a business mission and also visited the Stock Show.

Misses LaRue Felderhoff, Mary Nell Hennigan and Florence Haverkamp spent Friday, Saturday and Sunday in Fort Worth visiting relatives and friends.

Mr. and Mrs. Joe Starke had as their guests last week her father Henry Schettler, and her brother and wife, Mr. and Mrs. Lawrence Schettler, all of Sterling, Okla.

Mrs. J. E. Lane and son Harry visited in Pilot Point during the weekend with the former's daughter, Mrs. Bud Razor and family.

Ben Seyler and Jim Lehnertz were in Mineral Wells Monday and Tuesday on business connected with a sale of surplus army goods at Camp Wolters.

Sam Duffey of Fort Worth, who suffered a stroke of paralysis 3 weeks ago while visiting in the Davison home north of Muenster is reported improving slowly.

Joe Horn is a patient at M &

S hospital in Gainesville since Wednesday. He underwent an operation and expects to be off duty at the chesee plant for about two weeks.

Charles "Red" Ordener of Archer City visited last week at the J. J. Haverkamp home. He and Leo were buddies in the army and spent more than a year together in the ETO.

Mrs. Melvin Morrison and son Jimmy, have returned from a two-week visit in Monroe, La., where they were guests of her parents, Mr. and Mrs. J. L. Cannon and family.

Mrs. John Wimmer is in Tyler for a visit with her daughter, Mrs. Alvin Nall and family. One of her grandsons is sick with chickenpox and another has a broken arm.

Rev. Thomas Weinzapfel of Texarkana, Texas, spent Monday night and Tuesday with his parents, Mr. and Mrs. J. M. Weinzapfel. He was accompanied to this city by Rev. Bolds and his father.

Mr. and Mrs. Sam McCool of Gainesville are the parents of a daughter, Linda Kay, born at the Muenster clinic on March 12. The McCools are formerly of this city.

It's Sergeant John A. Durbin now. The promotion was made at Camp Plauche, La., where he is on duty with a military police detachment. Mrs. Durbin is the former Miss Veronica Yosten of this city.

Bennie Wyatt and his mother, Mrs. Helen Wyatt, and Carl Martin, all of Grand Prairie visited relatives in the Marysville community last week. They were accompanied home by Mrs. Wyatt's sister, Mrs. Angie Moon.

Mrs. L. E. Snow entertained in her home in the Marysville community Saturday evening with a shower and party for her nephew and niece, Mr. and Mrs. L. E. Murrell of Gainesville who were married recently.

Pvt. Frank Hennigan has arrived at his overseas station and is in Greenland, he had written his parents, Mr. and Mrs. H. P. Hennigan. He made the trip by plane from Westover Field, Mass., in 12 hours.

Marine Joe Starke was recently promoted to private first class at Camp Lejeune, N. C., where he is on duty with a special service company of headquarters battalion. He is the son of Mr. and Mrs. Joe Starke.

Wesley Lane who left last week to join the armed forces was accepted for the air corps and expects to be stationed at Sheppard Field, he advised his mother, Mrs. J. E. Lane. At the time of writing he was still at Fort Sam Houston.

Mr. and Mrs. Alex Knauf and children spent Friday to Tuesday here visiting their parents, Mrs. John Knauf and Mr. and Mrs. Joe Swirczynski and other relatives. Their home is in Emporia, Kansas.

**TO: Alta F. Petre, GREETINGS:**  
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 22nd of April, A. D., 1946, at or before 10 o'clock A. M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 6th day of March, 1946.

The file number of said suit being No. 14625.

The names of the parties in said suit are: Charlie L. Petre as Plaintiff, and Alta F. Petre, as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce from the bonds of matrimony, plaintiff alleging cruel, harsh and abusive treatment on the part of the defendant as grounds therefor.

Issued this 6th day of March, 1946.

Given under my hand and seal of said Court, at office in Gainesville, Texas this 6th day of March A. D., 1946.

SEAL Martin G. Davis, Clerk District Court, Cooke, Co. Texas (16-7-8-9)

of issuance of this Citation, the same being Monday the 6th day of May, A. D., 1946, at or before 10 o'clock A.M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 19 day of March, 1946.

The file number of said suit being No. 14631.

The names of the parties in said suit are: Lela Hubble as Plaintiff, and E.T. Hubble as Defendant.

The nature of said suit being substantially as follows, to wit: A suit for divorce from the bonds of matrimony for the reason of harsh and cruel treatment on the part of defendant toward plaintiff and for change of the

name from Lela Hubble to Lela Atkinson, and for costs of suit and for general and special relief.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this the 19th day of March A. D., 1946.

Issued this the 19th day of Marh, 1946.

SEAL Martin G. Davis, Clerk District Court Cooke Co., Texas

**JOHN HARTMAN HONORED ON 61ST BIRTHDAY**

John Hartman's 61st birthday was the occasion of a family reunion and dinner Sunday given by his son-in-law and daughter Mr. and Mrs. Alois Walter in their home.

The honoree was presented with a shower of gifts and the dining table was centered with a decorated cake.

Personnel included Mr. and Mrs. Hartman and their family, Mr. and Mrs. Arthur Endres and daughters, Mr. and Mrs. Herman Hartman and son, Miss Anna Marie Klement and Messrs. and Mmes. Felix Becker, Joe Vogel, Victor Hartman and Frank Klement.

**69TH BIRTHDAY NOTED BY FRED HOEDEBECK**

The home of Mr. and Mrs. Fred Hoedebeck was the scene of a family gathering Sunday honoring Mr. Hoedebeck on his 69th birthday. All his children and grandchildren from this city and the following from out of town were present: Mr. and Mrs. Alfred Hoedebeck and son, Alvin, and Mr. and Mrs. Ray Hoedebeck and family of Denison, Mr. and Mrs. Cletus Hoedebeck of Howzeville, and Mr. and Mrs. Andrew Arendt of Lindsay.

A buffet lunch was served and informal diversion enjoyed.

Grandpa Shiflet and Grandma Davison of the Marysville community who have been ill for two weeks are recovering normally.

# LET'S WORK FOR INDUSTRIAL PEACE

**M**en want to work.

Management wants to produce.

The public wants to buy.

The country wants prosperity.

Yet good times have been held up by an agony of strikes.

Strikes breed bitterness . . . hunger . . . and economic stagnation.

For the sake of our country, let's change this! Change it fast. Time is running out!

Let's work out a way to get — and keep — industrial peace and prosperity.

**THE FIRST STEP**

Isn't a sound national labor policy . . . one that treats workers and management exactly alike and above all one that is fair to the public . . . the first step toward that peace?

Sincerely believing this to be so, we offer this program for peace and production and prosperity:

**1. Make employers and unions equal in responsibility under the law.**

**2. Let Congress set the rules for genuine collective bargaining, free from coercion and violence, and then let government enforce these rules with strict impartiality.**

**3. Provide safeguards for the public against strikes or boycotts arising from disputes between unions.**

**4. Insure against strikes until all orderly procedures for settling disputes have been exhausted.**

Your representatives in Congress have the power to establish this pattern for an enduring and a fair labor peace. Let them know how you feel about it. Urge them to act promptly on legislation to include these four points.

Time alone won't bring industrial peace. Doing nothing won't bring it. Positive action is the only way. For your own sake and for the future of our country, let your voice be heard!

**FREE!** A timely, authoritative booklet entitled "The Public and Industrial Peace," gives full details of this program, including specific suggestions for legislation. It is a useful handbook for every citizen, program chairman, or group leader. A postcard brings it. Address: National Association of Manufacturers, 14 West 49th Street, New York 20, N. Y.

**FEDERAL PAYROLL UP 30,368 IN ONE MONTH**

Federal civilian payrolls in the executive branch of the government increased by 30,368 names during last January alone, with a total cost to taxpayers of \$60,736,000 a year, according to Senator Byrd, Virginia Democrat. The January total of Federal civil employment inside the U. S. was 2,511,158, with an additional 435,789 employed outside the country. Senator Byrd and his Congressional committee recommend a cut to not more than one million employees.

**VISITORS FROM KANSAS ARE COMPLEMENTED**

Mr. and Mrs. Alex Knauf visiting here from Emporia, Kansas were honored with a family reunion and dinner party in the home of her parents, Mr. and Mrs. Joe Swirczynski Sunday. **In Days of Old**

Your grandfather walked when he went courting and probably carried his boots in his hands part of the way to save wear on the leather.

Those were economical days. Times have changed. Your grandfather had but little money and what little he had he carried with him or hid it in an old tin can in the cellar. We have passed the coonskin stage long ago. The modern way is to keep your funds in a bank and pay by check. Our bank is modern. The only exception is that we are old-fashionedly courteous and neighborly. In every other way we are up to the minute.

**LIGHT CONDITIONING**

Provides plenty of the right quality of light for easy seeing and at the same time adds beauty and charm to the home. Light Conditioning, with all its benefits, costs so little and adds so much to efficiency in the home and to the enjoyment of better living.

**LIGHTING THE Living Room**

Lighting the Living Room, the index to your home, is vitally important. From the largest floor lamp to the smallest wall bracket, the lighting should be designed for comfort and ease in seeing... and to lend new charm and beauty to the room.

In planning lighting for the Living Room, first consideration should be given to seeing needs. Supplementing general illumination, there should be floor lamps

and table lamps, designed for correct illumination, placed at points where studying, reading, sewing or other close seeing tasks are done. General illumination may be obtained from indirect or semi-indirect floor lamps, ceiling fixtures or wall brackets. Then, after lighting of proper quality and intensities for seeing has been provided, light sources for purely artistic or decorative effects should be considered.

New floor lamps, table lamps, fixtures and other home lighting equipment will soon be available again. So visit your electrical dealer's store and discuss with him your plans for Light Conditioning your Living Room.

A new rubber-covered potato basket produced by a rubber manufacturer cushions the potatoes against bruising when they are thrown into the receptacle.

**One Up On Them**

One youngster was watching another swimming about in a pool. The swimmer was wonderful and filled the onlooker with admiration.

"You swim like a fish," he said. "Better," answered the swimmer. "I can swim on my back."

**Lincoln Acquires A Friend**

Carl Sandburg relates that thousands of appeals for pardon came to Lincoln from soldiers in-

involved in military discipline. Each appeal was usually supported by letters from influential people.

One day a single sheet came before him, an appeal from a soldier without any supporting documents.

"What? Has this man no friends?" explained the President.

"No, sir, not one," replied the adjutant.

"Then I will be his friend", said Lincoln.

TO: Claude Boone, GREETINGS:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 15th day of April, A.D. 1946, at or before 10 o'clock A.M., before the Honorable District Court of Cooke County at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 19 day of January, 1946.

The file number of said suit being No. 14581.

The names of the parties in said suit are: Robert H. Boone as Plaintiff, and Claude Boone et al as Defendants.

The nature of said suit being substantially as follows, to wit: Plaintiff sues defendants for the partition of property, being all of lots 11 to 16 in Block No. 29 of the Montgomery Addition to the City of Gainesville, Texas and being the same property conveyed to B.H. Boone et al by deed from J. M. Biffle and wife shown of record in Vol. 137, page 332, Deed Records of Cooke County, Texas.

Plaintiff prays that said property be sold by a Receiver to be appointed by the Court and the proceeds of such sale be divided between the owners of said property, according to their respective interests therein, save and except each defendant's pro rata share of \$107.09, city and county taxes paid by plaintiff which he is entitled to recover, the plaintiff alleging that the said property is not susceptible of partition in kind.

Issued this the 28th day of February, 1946.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this the 28th day of February A. D. 1946.

### Washington Notes

By Congressman Ed Gossett

Washington, D.C., March 16 — Three of the 21 Representatives in Congress from Texas will not seek reelection this year. Fritz Lanham, who has represented the Fort Worth district for 28 years and Hatton Summers, who has represented the Dallas district for 34 years are both retiring because the work has grown too heavy. Sam Russell of Stephenville is retiring because he cannot live in the Washington climate.

A good many Members of Congress will not be opposed in this year's elections. This, too, perhaps because the job, simply as a job, is not nearly so attractive as it once was. The date for filing for Congress in Alabama has

just closed and four of the state's nine Representatives do not have any opposition for reelection.

On this point, in today's mail I find letters from wool, cotton, dairy, cattle and lumber people making strong complaints of existing conditions and demanding various forms of relief.

This week I had the pleasure of filling a request from America's leading golfer for Agriculture Yearbooks. This man, Byron Nelson, is a native of Denton County and owns a farm in that vicinity on which he likes to spend as much time as possible. Almost every man either owns or wishes to own land. There is something substantial and fundamental in the soil.

From another distinguished citizen of Denton County, Dean B. B. Harris of North Texas State Teachers College, I secured the following quotations which give testimony of the virility and validity of our first and greatest resource, Emerson once said, "The first farmer was the first man; and all historic nobility rests on possession and use of land." Cato testified, "The agricultural population produces the bravest men the most valiant soldiers, and a class of citizens the least given of all to evil designs." Thomas Jefferson wrote, "Wherever there is in any country uncultivated lands and unemployed poor, it is clear that the laws of prosperity have been so far extended as to violate natural rights. The earth is given as a common stock for men to labor on. The small land

### Primer of Prosperity

PERMANENT PROSPERITY DEPENDS UPON MORE EFFICIENT FARM PRODUCTION AND REDUCED FARM COSTS.

ESSENTIALS ARE (A) EFFICIENT ELECTRIFICATION, IMPROVED BUILDINGS, SOIL CONSERVATION AND REPLENISHMENT, AND LIGHTER TAX BURDENS. (B) REFORESTATION, SUPPLEMENTARY PART-TIME EMPLOYMENT WHERE NEEDED, IMPROVED ROADS, BETTER EDUCATION—MORE RURAL OPPORTUNITIES.

REVIVIFIED AGRICULTURE, WITH LOWERED PRODUCTION COSTS, REVERSING THE UPWARD SPIRAL OF ALL COSTS, CAN CREATE LASTING PROSPERITY.

Ideas, Facts and Statistics from The Harry Ferguson Plan. Copyright 1945 J.V. Clarke.

owners are the most precious part of the State."

Today's press carries the story that Sidney Hillman, head of the Political Action Committee of the CIO, is opening the fight of his organization on so-called "hostile Congressmen." If you have opposed or voted against the guaranteed full employment bill or the Fair Employment Practices Commission bill, or if you have voted for the Hobbs anti-racketeering or the Case bill or any bill seeking to implement the settlement of strikes, you are on their blacklist. My score on all of these items, from the PAC viewpoint, is zero.

While some notable strikes have been settled, a new threat appears on the horizon. If the coal miners should strike, as they may do within the next several months, the resulting coal shortage would stop and slow down many vital industries, thus seriously bottle-necking the entire reconversion program. The remarkable advance in the earnings of bituminous coal miners in recent years is indicated as follows:

Year	Wkly. Earnings	Hrly. Rate
1933	\$14.47	\$0.50
1936	22.71	0.79 1/2
1939	23.88	0.88 1/2
1942	35.02	1.06
1945 (Dec.)	58.20	1.28

Any business that cannot pay a

decent living wage of course does not deserve to survive. Every person is entitled to receive full value for the worth of his services. However, no person or corporation is entitled to get more than the value of its contribution in goods, services, or labor. Governments were first instituted to protect individuals from the cave man's club. Some one described this philosophy thus: "The good old rule, the ancient plan, that he should take who has the power and he should keep who can." Certainly we are not going back to the Stone Age in these matters.

**CARRY YOUR OWN CANOE**  
A sectional plastic 14 1-2 foot canoe which you can carry in two small zipper bags and assemble in 10 minutes when you reach the water is being turned out by an enterprising manufacturer, converting from wartime aviation devices.

Marion, Ind., to Sweetser, Ind., where they bought a home. It is near Marion and Harold is only six miles from his work. Regards were included to all their friends here.

Mrs. J. M. Weinzapfel had word this week that her sister, Mrs. Rose Moore of Scotland is seriously ill in a Wichita Falls hospital, the message adding that her condition was such as to ban visitors, but that when she recovered somewhat another message would follow and relatives and friends could visit her bedside.

R. M. Zipper was in Wichita Falls Monday to attend funeral services for Alton Blackwelder, who died Friday as the result of illness contracted while he was a member of the Lost Battalion. The Zipper and Blackwelder families are old friends. The funeral services with military rites were conducted from Sacred Heart church.

Little Claude Lehnertz, who suffered severe burns on his right hand four weeks ago, was back at classes for the first time this Wednesday since the accident which occurred while he was tending a trash fire at the home of his parents, Mr. and Mrs. Joe Lehnertz. The little finger and ring finger still cause discomfort but other burns of the hand have healed.

Mmes. J. M. Weinzapfel, M. J. Endres and Henry Fette spent Saturday and Sunday in Fort Worth with relatives and friends. Mrs. Weinzapfel was the guest of her daughter, Mrs. Hugh Jackson and family; Mrs. Fette was the guest of Mr. and Mrs. A. H. Richter and Mrs. Endres divided her time between her son, Leonard Endres, and her brother, Bert Fisch and their families. Sunday, joined by the Leonard Endres family, Mrs. Endres went to Dallas to visit her daughter, Sister Agnes. Mike Tarantola drove for the ladies, who went in the Endres car, and he spent

the weekend in Weatherford with relatives.

### SURPRISE PARTY GREETS JOE BERGMAN SUNDAY

Joe Bergman was honored with a surprise party in observance of his 61 birthday Sunday when his wife entertained in their home for the occasion.

Four tables were arranged for progressive 42 series and delicious refreshments were served.

In the games, high score awards were won by Wm. Bergman and Mrs. Joe Kathman, while consolation favors went to Mr. and Mrs. Charles Fisher. Mrs. Joe Kathman also won the galleping award, and Mrs. Wm. Bergman drew the door prize.

### SEPTEMBER 2 TO 7 SET FOR DATES OF COOKE COUNTY FAIR

The 1946 Cooke County Fair will open on Labor Day, September 2, and will run through Saturday, September 7. Claude Jones, secretary, has announced.

Mr. Jones contracted with the Bill H. Hames shows to furnish midway attractions, and in addition contracted Hub Whitman former world champion cowboy to produce the fair rodeo which will be given on Thursday, Friday and Saturday, September 5, 6 and 7. He also arranged for the Stamps Quartette of Dallas to appear on Monday night, Sept. 2.

The Gainesville Community Circus is tentatively scheduled to resume its activities since the wartime shutdown in 1941, with performances on Sept. 2, 3 and 4 but no definite arrangements can be made due to scarcity of canvas and rope for making of new tents. The circus disposed of its canvas, looking to the purchase of a larger, flame-proofed big top. Mr. Jones saw an excellent army exhibit at the Stock Show under supervision of Maj. Carl Hagman, former Camp Howze public relations officer and has contacted the War department in an effort to obtain the exhibit for this year's fair.

We've never been able to determine whether the Chaplain of the Senate prays for our Senators or after looking over the Senators prays for the Country.

We notice where 10,000 cases of bonded liquor have been shipped to Europe for medical purposes. Isn't that enough to make you sick?

Children's Bureau statisticians confirm the popular belief that the proportion of births of boy babies increase during wartime and immediately after.

THE STATE OF TEXAS  
TO: Edgar Randall Overstreet,  
GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 22 day of April, A.D. 1946, at or before 10 o'clock A.M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 4th day of March, 1946. The file number of said suit be-

ing No. 14624.

The names of the parties in said suit are: Billy Gean Overstreet, as Plaintiff, and Edgar Randall Overstreet as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce from the bonds of matrimony, plaintiff alleging cruel, harsh and tyrannical treatment on the part of the defendant as grounds therefor.

Issued this the 4th day of March, 1946.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this the 4th day of March, A.D. 1946.

SEAL: Martin G. Davis, Clerk District Court Cooke Co. Texas (15-6-7-8)

Time and Moneysaving

**FAIRBANKS-MORSE Hammer Mills**

You can get a Fairbanks-Morse Hammer Mill immediately.

Fairbanks-Morse Hammer Mills grind grain or roughage fast, and with low power cost.

Because of their large breaker plates and large screen area, most of the grain is ground first time around.

Large-diameter cylinders give the necessary hammer-tip speed at only 2400 r.p.m. This permits using a larger pulley for greater efficiency. One of three models will match your tractor perfectly, and combine lowest fuel consumption with greatest grinding capacity.

For low-cost feed grinding, see us...today.

**Parochial Seventh And Eighth Grade Pupils Present Playlet Monday**

Boys of the seventh and eighth grade parochial school, under the direction of their teacher, Sister Martina, presented an enjoyable playlet in the parish hall Monday afternoon at 3 o'clock.

The play, in three scenes, was entitled "The Donovans Make Good" and was unique in that all feminine roles were enacted by the boys. Creditable performances were given throughout.

The cast included Harold Knabe, Mitchell Wolf, Thomas Knabe, Rupert Hoernig, Emmet Walterscheid, Hugh Endres, Glenn Hellman, John Myrick, and Gilbert Yostin, playing the feminine roles, and Melvin Herr, Buddy Markham, Maurice Rohmer, Bernard Luke, Henry Weinzapfel, Ernest Wolf and Neal Fisher.

**IRIS IS SUBJECT FOR DISCUSSION AT NEXT GARDEN CLUB MEET**

The next meeting of the Civic League and Garden Club on April 12 will be an iris meeting, it was announced this week by Mrs. J. M. Weinzapfel, program chairman.

Members should come prepared to answer the following questions: How many iris plants do you have? How many varieties? How many new iris did you plant this year? and each member is asked to bring an iris arrangement for display in a contest. Prizes are to be awarded.

which could have been run as a response would have been ever so much better for everybody concerned. The person or persons with the outraged opinion could have had satisfaction and readers could have had a welcome change.

Confetti--

Comes to think of it, there are altogether too few lambasting letters. This column would like to have some no matter how effectively they prove it to be all wet. Con is willing to print them if the writers are willing to sign them. Readers enjoy them too. Seems as though everybody gets a kick out of a few verbal jabs at the editor.

Drifting off on a tangent, but still on the subject of letters — Con happened to come across an article a day or two ago giving a reason for the growing strength of Communism in this country. The point is that the Reds are organized to deluge Washington with letters concerning every subject vital to their plans. Numerically they aren't strong—but they have a way of applying the last ounce of their pressure.

We wonder how things would go if every person of Christian and democratic convictions made it a point to write his congressman more frequently. It would be a bother, of course. But it may be necessary in the long run just to give congress a better idea of how the nation thinks. From the letters it gets now it isn't really able to decide. Communists do not identify themselves as such. They make their demands as staunch defenders of democracy, but it happens that all their demands fit somehow in the general communistic pattern.

There's one of the reasons why our government is drifting ever closer to socialism, also why we have been appeasing Stalin in his high handed expansion program. If democracy here were as voiceiferous as Communism we'd have told the Reds where to get off long ago.

Progressive Farmer calls attention to a road sign near a small Western town: 4076 people died of gas last year. 29 inhaled it, 47 put a match to it, 4000 stepped on it.

And a quotation worth remembering: A penny will hide the biggest star in the universe if you hold it close enough to your eye — Samuel Grafton.
