Hwy. 82 head-on collision kills Blossom woman, injures man

By Janet Felderhoff
Stella Anderson, age 58, died Friday, Sept. 3 as the result of injuries sustained in a head-on traffic accident. Her husband Mickey Anderson, age 51, was critically injured. It took the Muenster Volunteer Fire Department and Cooke County EMS an hour to extract him from the mangled vehicle.

According to Muenster Police Chief Bob Stovall, the accident occurred about 10:20 a.m. when Marion Weiss, age 68, of Shreveport, Louisiana reportedly fell asleep while driving. She was driving a 2004 Lexus SUV eastbound on U.S. Hwy. 82 and fell asleep as she approached the 400 block of Division Street in Muenster. Her vehicle veered to the left and hit the 1994 Nissan Sentra being driven in the far right westbound lane by Mickey Anderson of Blossom, Texas. A passenger, Stella Anderson, was extracted from the car and taken by Cooke County EMS to Muenster Memorial Hospital where she was pronounced dead. The couple had been on their way to a family reunion.

CareFlite landed in the parking lot of the Lucky Leprechaun and took Mr.

Anderson from the accident scene to John Peter Smith Hospital. Police Chief Stovall said that as of Tuesday he was listed in critical condition.

Donald Weiss, age 70, was a passenger in the car driven by his wife. The couple in the Lexus received no serious injuries. Their Labrador retriever was with them and was not hurt either. They were returning from a vacation trip to Colorado.

Stovall said that the driver recalled coming into Muenster, going through the red light, but said she fell asleep. She had slept the night before, had not been on the road for a long period of driving, and was drinking coffee.

According to Stovall, neither of the drivers braked, and he didn't think there was any excess speed.

"Two vehicles traveling at 35 mph hit at an impact of 70 mph," he said. "The Lexus received about a third as much damage as the Nissan."

Stovall plans to turn all the evidence over to the District Attorney's office where it will be decided if any charges will be pressed against the driver of the Lexus.

Muenster Firemen and EMS responders work diligently to free the driver of the demolished car. It took an hour with the use of the

jaws of life to finally free Mr. Blossom who was transported to John Peter Smith Hospital. Photo by Deborah Wood

Vehicle rollover injures man on FM 373 north

By Janet Felderhoff
The Labor Day weekend began and ended with bad vehicle accidents in or near Muenster. At an as yet undetermined time before dawn Tuesday, Andrew Neal, age 27, of Gainesville was critically injured in a one vehicle rollover on FM 373 about 2.7 miles north of Muenster.

According to Sgt. Ray Sappington of the Texas Department of Safety, the accident occurred when Neal's pickup went off the road and he overcorrected causing it to roll. He was wearing his seatbelt and was not ejected.

Muenster Volunteer Fire Department responded to the call to assist at 6:51

a.m. There were 11 volunteer firemen on the scene for about an hour. Muenster Fire Chief Herbie Knabe said that they had to cut the pickup to get Neal out. He said the vehicle was banged up pretty badly. According to Knabe, the driver had been there at least a couple of hours before anyone discovered him.

Cooke County EMS also responded. Neal was taken from the scene by CareFlite to Harris Hospital in Fort Worth. As of Wednesday afternoon, Sgt. Sappington said he was listed in critical condition.

Trooper Mark Tackett was the investigating officer from the Texas DPS.

Cooke County honored its dispatchers at the Sept. 3 meeting of Commissioners Court. Sheriff Mike Compton congratulates Dispatcher Linda Jones, left, and Supervisor Wendy Goesser, right. Janet Felderhoff photo

Resolution honors 9-1-1 dispatchers

By Janet Felderhoff
"These ladies do a job that very few people could do," remarked Cooke County Sheriff Mike Compton at the Friday, Sept. 3 Cooke County Commissioners Court meeting. "They handle the nerve center of any emergency. To do what they do you have to be able to do three or four things all at the same time. There's probably not one of the policemen in a thousand who could do what they do. I'm as proud of them as I can be."

Representing the dispatchers at Commissioners Court were Supervisor Wendy Goesser and Dispatcher Linda Jones. They were there to be honored by the County with a special resolution. Sheriff Compton thanked the two as representatives of the other dispatchers and he added, "It's not

uncommon when a storm comes into this County for dispatchers to show up uncalled to assist."

Judge Freeman also thanked them on behalf of the Commissioners Court. He noted, "It's one of those jobs where you have to be there even if you're not feeling good or whatever. We appreciate your work with the new CAD system. I know that's tough."

In an interview after the meeting, Sheriff Compton said that the dispatchers do the work that they do because they care about people. He said it's a job where they take the work home with them. "Sometimes they would like to reach through the phone line to help," he stated.

Other Cooke County dispatchers are Pam Rogers, Linda Ford, Karri Holder, Pam Holder, Wendy Pope, and Shelli Bengfort.

The resolution sets aside Sept. 11, 2004 to recognize the efforts of the Public Safety Dispatchers and Telecommunications Support personnel throughout the Cooke County Sheriff's Department who provide dramatic life-saving services by making difficult decisions using limited information to save lives or reduce property damage on a daily basis.

Peggy Shelley, 9-1-1 Program Coordinator for Texoma Council of Governments (TCOG), introduced this resolution. She said it was in 1968 that 9-1-1 was designated the universal emergency number for North America. Then in 1987, President Ronald Reagan issued a proclamation for the date to become 9-1-1 emergency day number, and called upon

Commissioner Young protests County Budget

By Janet Felderhoff
Despite the protests of Precinct #1 Commissioner Phil Young, the County budget for 2004-05 passed with a 4-1 vote. Young expressed displeasure with the way the Road & Bridge fund is divided up. Currently it is an equal split among the four County Precincts. Young feels that Precincts #1 and #2 should have a greater portion than Precincts #3 and #4.

"I noticed that the money that goes to the road precincts has been cut by 3.72 cents. I never heard about it. Nobody asked me about it and we never talked about it," said Young. Judge Freeman responded, "It was in the other budget." Young asked what the reason was for cutting it. Judge Freeman explained, "The fund balance was high enough it reduced the fund and allowed us to put money back out of that and into our main operation fund." Last year's Road & Bridge was 12.72¢ compared to the 7¢ proposed in the 2004-05 budget.

Young said that he and Bill (Cox) were in need of more money. Freeman reminded Young that he had reduced his budget this year, so why did he need more money. Young said, "I reduced my budget because we didn't need to carry it over. The reason I'm talking about right here is we have to pull it out of the fund balance now to make up the difference."

Commissioner Virgil Hess told Young that he had been pulling out of the fund balance every year. Young said it was because they needed more money over there. "I'd like to know what makes it fair," Young said of the split of Road & Bridge money. "This is my last round up here and I'd really like to know what makes it

fair. You guys got a comment on that?" Hess and Commissioner Jerry Lewis said they thought it was fair.

A discussion then ensued over Precincts #3 and #4 hauling rock for Precincts #1 and #2 to make the budget more fair and if that was being done. "Anyway, the way you put this money up is not fair to the County," Young continued. "You've got an overflow of population on one side that offsets the balance. It has been deliberated over and over and you get a deaf ear turned to it every time. Sooner or later it is going to have to change, whether I'm in here or not."

The final budget was then approved with a 4-1 vote. Commissioners approved the .5042 cents per \$100 valuation tax rate. That rate includes the Interest and Sinking for the new jail. That vote was unanimous, 5-0.

Commissioners Court unanimously approved the FY 2004-05 elected officials' salaries as posted. They will receive the same raise as all County employees.

At the beginning of the meeting Judge Freeman said that he had a public participation form that had been filed by Wayne Dodson to address the final budget. "We've already taken our public testimony at a public hearing on the vote so we will move on," said County Judge Bill Freeman.

Dodson asked to make a brief statement and then asked his commissioner (Phil Young) to make that statement. Young requested that Dodson be allowed a

brief statement and the Judge conceded.

Dodson said that he had written a letter on Aug. 31 asking the Court to reconsider approving the budget that day. He claimed that the proposed budget filed in the County Clerk's office was not complete and factual. In the letter he also objected because he said that there had been three different budget summary totals - \$16,924,686 on Aug. 9, which was corrected by County Auditor Gloria Parris on Aug. 20 to \$16,913,436, and on Aug. 24 the amount shown was \$16,915,404. "The public will have only seven working days to view the latest changes in the proposed budget prior to your vote," Dodson wrote. His third written request was that a list of all transfers from Fund Balances be listed so as to show what funds these are taken from and where these will go in the new budget year.

Dodson appealed to Commissioners Jerry Lewis and Young, and Auditor Parrish whose last budget this would be. "This is the final budget that you people are going to vote on to pass on to a new administration. I have studied the GASBY. There are a lot of things and a lot of work that should be done that you should do to pass on to a new administration. I'm asking to delay the vote on this (budget) to give you time between now and Sept. 30... Things are not correct.

They deserve to have a model from you people. You've done a lot of work." Dodson said that there is a 95-page report detailing what needs to be done. There is confusion about it. Dodson said that the County thinks it has until 2006 to comply, but since the County's revenue was more than \$10 million it should comply this year and the 2006 date is for the infrastructure.

Lindsay seeks affiliation to Keep Texas Beautiful

The community of Lindsay has taken its first step toward becoming an affiliate of Keep Texas Beautiful. A group of interested citizens led by Mayor Steve Zwinggi met recently at City Hall to hear a presentation by MaryLee Alford on how to form a Keep Lindsay Beautiful chapter. Alford currently serves on the Board of

Directors of Keep Texas Beautiful and is active in the Muenster chapter of KTB.

Those attending the gathering included Mayor Zwinggi, councilmen Robin Rose and Paul Sandmann, city secretary Betsy Fleitman, Pat Zimmerer, Margie Huchton, Sonya Block, Charlotte Winter,

See LINDSAY pg. 2

The Cooke County Antique Tractor and Farm Machinery Club held their 19th annual show in Lindsay last weekend. The event is enjoyed by "farmers" of all ages, who come to see the old equipment at work. See page 11 for more show pictures. Janie Hartman photo

Letter To The Editor

DAYS GONE BY.....

by Elfreda Fette

Dear Editor:
I am writing in response to an article that was published in *The Dallas Morning News*. (The Dallas Morning News, Wednesday, August 25, 2004; "Whose School Rules?") The article was about the top 10 best school rivalries in North Texas. It named the competition in U.I.L. Academics between Muenster, Lindsay, and Valley View as one of the 10.

Through participation in U.I.L. Academic Competitions students are given the chance to shine in ways that normally would not be recognized. It gives the math or science whiz, the future writer, or aspiring actor, a chance not only to compete with peers, it helps strengthen confidence and instill pride. (The scholarship offers do not hurt either.)

It has been more than 20 years since I attended Muenster High School. The proudest moments of my lifetime have come from my participation in U.I.L. One Act Play and Prose Interpretation contests. I was a cast member of one of the first One Act Plays to advance past the district level. I also competed at the state level in Prose Interpretation. Think for a moment the difference this made in the life of a young man growing up in Muenster, Texas who could not throw a football or jump a hurdle.

I went on to college to major in drama. I also competed at both the Junior and Senior college levels. I earned several citations including The Irene Ryan Excellence in Acting Award and The American College Theatre Festival Regional Design Award.

I have since been blessed to have been able to make a career in design. All this was realized because of the small seed that was planted from my participation in U.I.L. Academic Competitions.

So to finally get to the point of this letter: If you have a son or daughter who excels in math, science, music, sports, or the arts, encourage them to participate in what ever programs are offered to them. You never know where the next fashion designer, artist, quarterback, or chef will be from. They might just as well be from Muenster.

Sincerely,
Lyle Huchton

The Farm-To-Market Road north of Muenster will get a 5 mile extension to Valley Creek, Commissioner John B. Klement announces. Men In Service: Marine PFC Jerry Hoenig and Murlin Joe Evans are on board ship to Korea; Pvt. Gilbert Bindel is transferred to Fort Lee, Virginia; Cpl. Roy Baumhardt will go to Labrador; Overseas tours

for Tommy Knabe in Korea and for Melvin Schumacher in Okinawa are completed; Pvt. Larry Walterscheid is at Fort Bliss. Wedding: Ruth Lee Fisher to Max R. Rumelhart; Vickie Kuntz to Hubert Bezner; Ida Fisher to Clem Fladung. Mr. and Mrs. Lou Wolf and daughters, LuRena and Charlotte are on 6,000 mile tour of U.S. and Canada. New Arrivals: a daughter, June, to Mr. and Mrs. Herman Stoffels; a son to Mr. and Mrs. Leon Krebs.

25 YEARS AGO
September 7, 1979
Jeff Hess, age 18, is car crash victim. Mr. and Mrs. Hubert Felderhoff observe 60th wedding anniversary. Matt Muller is honored on 86th birthday. Abbot Alfred Hoenig will lead pilgrimage overseas. Birth: Dana to Richard and Nanci Lautenslager. Eugene J. Walter is named manager of support systems engineering on the Fast Flux Test Facility by Westinghouse Hanford in Hanford, Washington. Mrs. Kate Wilson and daughter, Debbie Hess return from vacation in San Diego, California after visiting Anna Grace and Bill Tilger.

Dispatch Supervisor Wendy Goesser answers calls on the complicated new system that Cooke County dispatchers are now using. Dispatchers must often multi-task, as they are responsible for all of the 9-1-1 calls in the county - volunteer fire, sheriff, and EMS. Things are quite chaotic during emergency situations such as the accident in Muenster last Friday. Information on Goesser's screen includes that emergency call, which had just been completed. Besides the calls, dispatchers type and file warrants and check jury roster names. Janet Felderhoff photo

Dispatchers
the people of the United States to observe the day with ceremonies and activities.

Shelley said that through the years this has been done with activities ranging from appreciation dinners to award ceremonies to open house events hosted by dispatch centers to educate the public about 9-1-1. "On Sept. 11, 2001 these celebrations and

observations around the nation were all interrupted as we watched our own homeland come under attack," said Shelley. "In 2002 President George W. Bush issued the Patriot Day proclamation on Sept. 11 as a remembrance of those events." Last year Congress designated Sept. 11 each year as Patriot Day.

Shelley said that despite all that has occurred, we all need to undertake a campaign to focus on the dispatchers on that day. "They are always ready to take the next call reporting any type of emergency," she continued. "Their motto could certainly be described with the words, you called,

cont. from page 1
we answered.

"These men and women do not embark on this career path for the money. It has nothing to do with the hours because their shifts never end. They are always there working 24 hours a day, 365 days a year...They don't hear from callers on happy occasions.

They're calling during the worst events of a lifetime. Why are they there for all of this then? Because they care about people. Please take this opportunity to recognize and honor each of you. 9-1-1 telecommunicators as the dedicated and hardworking professionals that they are."

Oil and gas report

Georgia Bayer Norvell 1940-2004

By Elfreda Fette

Georgia Bayer Norvell died on Thursday, Sept. 2, 2004 at age 64 in an Arlington Hospital, suffering from ALS (Lou Gehrig's Disease).

She is the daughter of Anna and the late George Bayer and was born in Muenster on April 5, 1940. She attended Sacred Heart Catholic School and graduated from the 8th grade in 1954. The same year, 1954, she entered the convent of the Olivetan Benedictine Sisters at Holy Angels Convent in Jonesboro, Arkansas. She professed her final religious vows there in 1962. She served as a nurse at St. Bernard's Hospital in Jonesboro.

In 1970 she left the convent, continued her nursing, first at John Sealy Hospital in Galveston, then moved to Seton Hospital in Austin, where she was night supervisor for 13 years, and completed her career as night supervisor at St. Paul's Hospital in Dallas, nursing for more than 40 years. She respected life as a nursing professional and worked hard to make sure her patients had the best.

Georgia Bayer Norvell's career ended when she was stricken by ALS. During the three years that she battled ALS, she was supported by her family, her grade school classmates, her nursing friends, her neighbors, and her caregivers. While sick, she researched ALS extensively, and shared her expertise with others who suffered for the illness, helping them to maintain their quality of life.

She enjoyed visiting her family and friends in Muenster, coming home for family reunions and parish picnics. She never gave up hope that she might enjoy a retirement filled with travel, animals, good food, and fellowship with friends and family.

Survivors are her mother,

Anna Bayer; her sisters, Sister Jeanette Bayer OSB, Dorothy Bayer, Ruth Bayer Schwab and husband Jim, Cheryl Bayer Russell and husband Bill; her brothers Clarence Bayer and wife Frieda, and Cletus Bayer and wife Cynthia; and stepchildren Morris J. Norvell and wife Julia, and Lou Mayberry. Also four step-grandchildren, three nieces, eight nephews, and several great-nieces and nephews.

Preceding her in death were her husband, Morris Norvell, to whom she had been married only 14 months when he died suddenly; and her father, George Bayer.

A Rosary Service was held in St. Maria Goretti Catholic Church in Arlington on Sept. 3.

Mass of Christian Burial was held at St. Maria Goretti Church on Sept. 4 at 10 a.m., officiated by Father James.

Participating in the liturgy of the Mass, with Father James were Mark Tompkins, giving the First Reading; Ben Bayer with the Second Reading; A.J. Schwab III with the intercessions; Anna, Trey, Cheryl, and Bill Russell who presented Offertory gifts; and Travis Bayer, Belinda Tompkins, Mary Beth Cottingham as Eucharistic Ministers. Cletus Bayer sang "On Eagles Wings" for the recessional.

The eulogy and remarks of remembrance were given by Emily Rowland and David Tompkins.

In the eulogy Emily recalled ... I remember learning there was Mass at 7:30 on Sunday mornings... the time we spent together talking, sharing meals, working in her yard, and going for walks... It was her honesty, integrity, and forthrightness that made her who she was... Aunt Georgia made all of our lives richer in ways that truly matter."

Andy Stelzer 1926-2004

Emmett "Andy" Stelzer, a native of Muenster and long-time resident of Post, Texas died at age 78 on Friday, Sept. 3, 2004 at Golden Plains Care Center. Born in Muenster on June 26, 1926, he was the son of Mr. and Mrs. Matt Stelzer. He attended Muenster Public Schools.

On Sept. 26, 1950 he married Rosemary Dieter in Lindsay. She preceded him in death on March 30, 2000. When they left Muenster to reside in Post, Emmett and Julius Stelzer went into the sandblasting business and in following years were involved in the oil business.

Emmett was a veteran of W.W.II and a member of Veterans of Foreign Wars, and was State Commander of the VFW in 1983-84. Until his retirement he worked in the oil industry. He was a 4th Degree member of the Knights of Columbus.

Survivors include a son David Stelzer of Post; two daughters Linda Baker and Mary Ann Stelzer, both of Post; three brothers Julius

C. Stelzer of Post, Gerald A. Stelzer of Buena Park, California, and Maurice Stelzer of Hobbs, New Mexico; and two grandchildren.

The evening before the day of the funeral, on Sunday at 7 p.m., a Rosary Service was held at Hudman Funeral Home.

Mass of Christian Burial was held on Monday at Holy Cross Catholic Church in Post, officiated by Father Paul Karieakatt, pastor, and Father Lawrence Hemp who delivered the homily.

Burial with full military honors was held in Terrace Cemetery, directed by Hudman Funeral Home. Jeff Dieter of Lindsay was one of the pallbearers.

Among local relatives attending the funeral were Pat and Sis Stelzer, Arnold Muller, Josephine "Jake" Schilling, Juanita Knabe, Herbie Knabe, Billy Joe Miller, Gloria Becker, and Emmett Walterscheid, all of Muenster, Elvira Flusche and her granddaughter of Lindsay, Clyde Muller of Bedford, and Ted Miller of Sherman.

William Bailey English 1924-2004

William Bailey English of Rosston died on Sept. 1, 2004 at North Texas Medical Center of Gainesville at age 79. He was born in Tioga, Texas on Nov. 17, 1924 to W.C. and Myrtle English. He attended schools in Hood and Rosston, and graduated in 1942 from Era High School as valedictorian of his class. He was a veteran of W.W.II, serving in the U.S. Army. On March 19, 1948 he married Margaret Ford in Floresville, Texas.

Survivors are his sisters, Ann Knight of Era and Kay Aldridge of Rosston, and several nieces and nephews.

Preceding him in death were his wife, Margaret English, who died on Dec. 11, 2001, and his parents.

Visitation was held on Friday, Sept. 3 from 6 to 8 p.m. at the W.B. English home.

Funeral services were held in Rosston United Methodist Church on Saturday, Sept. 4 at 2 p.m.

Burial in Rosston Cemetery was directed by Geo. J. Carroll & Son Funeral Home. Pallbearers were Kevin Knight, Keith Knight, Michael Crowder, Jonathan Klein, Avery Spraggins, and Chris Aldridge.

JULY PERMITS TO DRILL

The Commission issued a total of 1,228 original drilling permits in July 2004 compared to 1,115 in July 2003. The July total included 982 permits to drill new oil and gas wells, 39 to re-enter existing well bores, and 207 for re-completions. Permits issued in July 2004 included 278 oil, 409 gas, 529 oil and gas, seven injection, zero service and 14 other permits.

JUNE CRUDE OIL PRODUCTION

Texas preliminary June 2004 crude oil production averaged 914,949 barrels daily, down from the 938,410 barrels daily average of June 2003.

The preliminary Texas crude oil production figure for June 2004 is 27,528,836 barrels, a decrease from 28,183,273 barrels reported during June 2003.

JULY OIL AND GAS COMPLETIONS

In July 2004, operators reported 290 oil, 830 gas, 27 injection and two other completions compared to 342 oil, 696 gas, 28 injection, and five other during July 2003.

Total well completions for 2004 year to date are 6,329, up from 5,832 recorded during the same period in 2003.

Operators reported 670 holes plugged and 46 dry holes in July 2004 compared to 634 holes plugged and 91 dry holes in July 2003.

JUNE NATURAL GAS PRODUCTION

Texas oil and gas wells produced 449,484,135 Mcf (thousand cubic feet) of gas based upon preliminary production figures for June 2004, up from the June 2003 preliminary gas production total of 436,352,785 Mcf.

Texas production in June 2004 came from 139,013 oil and 64,939 gas wells.

Melanie Brown and Scott Hanson wed in Denton ceremony

Melanie Elizabeth Brown of Gainesville and Scott Douglas Hanson of Abilene were married at 6:30 p.m. July 24, 2004 at the Wildwood Inn in Denton.

The bride is the daughter of Charles and Cindy Brown of Gainesville; and the granddaughter of the late Glenn Bishop and Faye Bishop and the late George W. Brown, Jr. and Mary Elizabeth Brown. She is a 2001 graduate of Lindsay High School and is attending Abilene Christian University, where she will be a senior this fall, majoring in Early Childhood Education.

The groom is the son of John and Donna Hanson of Abilene; and the grandson of Joe and Ruth Betts and the late John and Rita Hanson. He is a 2000 graduate of Abilene High School and is attending Abilene Christian University, where he is employed, and is majoring in Electronic Digital Media.

Mr. Ray Hilliard, minister of the Broadway Church of Christ in Gainesville, officiated at the ceremony, which took place on the

garden terrace of the inn. White wicker baskets of deep pink azaleas marked the walkway to the wrought iron archway, where the vows were exchanged. The archway was covered in a garland of greenery and fresh flowers in shades of pink and lavender.

Musical selections included "The Rose", "Time in a Bottle", Pachelbel's Canon in D, and "L-O-V-E".

Presented in marriage by her father, the bride wore a white, strapless A-line gown. The bodice was heavily beaded with pearls and crystal beading in a floral pattern. The embroidered tulle skirt flowed into a chapel length train, which was accented with crystal and pearl beading. Her elbow length veil was attached to a headpiece of fresh white dendrobium orchids and was finished with a rolled satin corded edge. The bride carried a hand tied bouquet of roses, lisianthus, freesia, bouvardia, and wax flowers in shades of pink and lavender, wrapped and tied with a bow of sheer pink ribbon. She wore the

wedding band of her late maternal great-grandmother and carried a white embroidered handkerchief which belonged to her late paternal great-grandmother.

The maid of honor was Courtney Miller of Denton, friend of the bride. Bridesmaids were Shawna Prebish of The Woodlands, friend of the bride, and Melissa Carpenter of Lindsay, friend of the bride. The attendants wore two piece, strapless dresses, featuring white tops with periwinkle blue embroidered floral accents with crystal beading, and periwinkle blue tea length skirts with sheer organza overlays. They carried bouquets similar to that of the bride, but smaller in size. Each attendant wore a necklace and earrings of Austrian crystal, a gift from the bride.

The flower girl was Kate Jones of Gainesville, friend of the bride. She was attired in a spaghetti strap dress with a full skirt of layers of periwinkle blue tulle, and wore small pink and blue flowers braided into her

hair. Ring bearers were Cale and Conner Kennedy of Gainesville, friends of the bride.

The best man was John D. Hanson of Lubbock, brother of the groom. Groomsmen were Timothy Paden of Abilene, friend of the groom, and Bill Blake of Abilene, friend of the groom. Ushers were Dave Brown of Denton, brother of the bride, and Joshua Goldsmith of Gainesville, friend of the bride.

The guest book attendant was Tonnie Black of Valley View, friend of the bride.

The reception was held in the dining area of the Wildwood Inn. Guests were served a buffet, wedding cake, and punch. The bride's cake was a three tiered, white chocolate cake with strawberry filling, topped with fresh flowers in shades of pink. The groom's cake was chocolate, decorated with chocolate covered strawberries and frosted grapes.

Following a wedding trip to Cozumel, Mexico, the couple will reside in Abilene, Texas.

Mrs. Scott Douglas Hanson
...nee Melanie Brown...

Visitors from Germany attend Theresa Hesse 100th birthday

Josef Hesse and his daughter, Margit Schafer of Engelskirchen, Germany were recent visitors to Muenster and Dallas. They came especially to attend the 100th birthday celebration of Theresa Hesse and to meet and visit with relatives. Josef's late grandfather, Gerhard Hesse, was a brother of the late Franz Hesse of Muenster.

On arrival in Dallas, they spent a few days with relatives there and enjoyed seeing the Gaylord Texas Resort and the Reunion Tower, as well as other places of interest.

During their visit in Muenster, they spent time with Regina Pels, a relative, and enjoyed a road view of area cattle, homes (especially the former Franz Hesse home), and other sites. They noted and were delighted with the German script on area billboards and they enjoyed the Glockenspiel at Fischer's

Meat Market, as well as the German-style exterior décor of other area businesses.

They visited with Theresa Hesse at Pecan Tree Manor and again at her celebration in the Sacred Heart Community Center on Sunday, Aug. 22. They enjoyed a visit and dinner with the Bert Hesse family, as well as visiting with numerous relatives in the Muenster area. Also, they enjoyed a visit with Christel and Leonard Vogel.

A special request was delivered (via Josef Hesse) from the mayor in Engelskirchen asking to communicate with the mayor of Muenster, Henry Weinzapfel. Mr. Weinzapfel has graciously accepted the request and said that he would be honored to do so.

Josef and Margit look forward to coming again to the USA and Muenster in the future. On their departure, their comments were "Alles Gut and Danke Schoen! Auf Wiedersehen!"

New Arrivals

Martie Avery McCoy

McCoy
Jacob and Kristin McCoy of Corinth, Texas are proud to announce the arrival of their daughter, Martie Avery McCoy. She was born July 8, 2004 at Harris Methodist Hospital in Fort Worth. Martie weighed 8 lb. and 2 oz. and was 21 inches long. She was welcomed home by her big brother Bailey McCoy. Her proud grandparents are Kelly Hess of Muenster, Donnie and Debbie Grewing of Saint Jo, Monica and Karl Koesler of Muenster, and the late Don McCoy. Great-grandparents are Edna Klement of Muenster and the late Martin W. Klement, Theresa Grewing of Myra and the late Joe Grewing, Betty Yosten of Muenster and the late Felix Yosten, and Yvonne McCoy of Irving and the late Ray McCoy.

Serna

Jeff and Rhonda Serna of Aubrey are pleased to announce the birth of their daughter Cadence Nicole Serna. She was born on Aug. 28, 2004, weighing 7 lb. 7 oz. and was 18 inches long. Welcoming her home are her sister Cori and brother Cody. Proud grandparents are Randy and Phyllis Serna of Sanger, Beverly and Alan Clark of Denton, and David Young of Aubrey.

Cadence Nicole Serna

Kelly Lamkin honored

The Directors of The Heritage Registry of Who's Who™ take pleasure in announcing the inclusion of Ms. Kelly L. Lamkin of Home Hospice Cooke County in the forthcoming 2004-05 Edition. The accomplishments and achievements attained by Ms. Kelly Lamkin in the field of Social Services and Bereavement Counseling with Home Hospice Cooke

County warrants inclusion in The Heritage Registry of Who's Who™.

The Registry is a New York based biographical publication that selects and distinguishes individuals throughout North America, who have attained a recognizable degree of success in their field of endeavor and thereby contribution to the growth of their industry.

Petrolia plans party

Plans are underway for the Petrolia Centennial Celebration to be held on Saturday, Sept. 25 beginning at 10 a.m. and ending at 5 p.m. with a \$7 a plate barbecue meal. There will be food and cold drinks available all day, and many interesting exhibits.

In 1901 Clay County farmer J.W. Lochridge was drilling for water and struck

oil. This was the beginning of the North Texas oil patch, where a crude town of tents sprang up. When the Wichita Valley Railroad was extended from Wichita Falls, it ran north of Oil City and over to Byers. In September 1904 the town moved up to the railroad and the name was changed to Petrolia, the home of Lone Star Gas Company.

Family celebrates Hazel Flusche's 90th

Hazel Flusche was honored on her 90th birthday with a come and go party held at Sacred Heart Community Center in Muenster. The party was held on Aug. 15 and was hosted by her children.

Flusche, all of Muenster. All her children were in attendance at the event, along with many of her grandchildren.

Visiting and reminiscing was enjoyed by the guests. Photo scrapbooks of Hazel's life were available for viewing. Cake and punch was served to about 150 friends and relatives.

Hazel's daughters and sons-in-law are Clara and Julius Hermes and Marge and Earl Clement of Lindsay, and Sue and Herbie Fisher of Muenster. Her sons and daughters-in-law are Don and Betty Flusche, Dave and Wanda Flusche, Harold and Jeannine Flusche, Tom and Judy Flusche, Jack and Linda Flusche, and Bill

Hazel Flusche

Glenn and Coralyn Dillard of Plainview announce the engagement and approaching marriage of their daughter Mary "Elizabeth" Dillard of Plainview to Bryan Lee Hudspeth of Conroe. He is the son of Clarence "Dink" and Rose Hudspeth of Myra. Grandparents are Bill and Sue Dillard of Abilene and Helen James of Plainview, Frances Hudspeth of Gainesville and the late Clarence Hudspeth, and the late Ray and Theresa Vogel. Miss Dillard graduated from Plainview High School in 1999 and Texas Tech University in 2004 with a degree in Retailing. She is employed as an executive team leader with Target in Tomball. Mr. Hudspeth graduated from Muenster High School in 1998 and from Texas Tech University in 2002 with a Bachelor of Science degree in Construction Engineering Technology. He is employed by Bartlett-Cocke General Contractors in Houston as an assistant superintendent. The couple plans to wed at 6 p.m. Oct. 2, 2004 at the First Baptist Church in Plainview. After their marriage they will reside in Montgomery by Lake Conroe.

Chris Hackler to entertain at Forestburg Baptist Church

Christian saxophonist, Cliff Hackler, will present a concert Sunday, Sept. 19 at Forestburg Baptist Church, 17065 FM 455 in Forestburg at 11:00 a.m.

Aiming straight for the heart of the listener, Hackler shares more than notes from his horns. He shares stories from his own life; some serious, others downright hilarious, but all with a strong message of the good news of God's love.

Like many, Cliff started playing the saxophone in sixth grade band. "It was the most expensive investment my parents had ever made in me, to that point in my life. In fact, I remember my mother saying all the way home from school, after committing fifteen dollars per month to pay for my whimsical pre-teen desire, 'You had better learn to play that thing.' None of us ever dreamed it would pay my way through college or that I would actually earn a living with it."

In churches around the country, many refer to Cliff as a "Christian Kenny G." Not wishing to comment on the comparison, he offers, "I don't really consider myself a performer. For me the saxophone is really just a tool to express what is on my heart and mind."

Of playing his music for a living, Cliff says there are many ups and downs. "Initially I found it difficult to lay out for a group of listeners something that was so personal between God and me. For one thing, it opens the door for criticism, and I wasn't really certain how I would handle it. After four years in full-time concert ministry,

though, I've come to realize that I really play for an audience of One—God. Pleading Him is what matters most to me. Of course I hope the listeners enjoy the songs and stories, but for me the real focus is on God."

With five CDs to his credit, there is a vast diversity in what he plays. From the same horns flow classic hymns and gospel tunes as well as current chart-topping praise and worship songs. Each melody conveys a message - each song a statement. "I could hear the words coming out of his saxophone," said one member of his audience.

Cliff lives in Midlothian, Texas, a suburb of Dallas, with his wife of 13 years and their five-year-old son. He travels all across the country playing anywhere he has an opportunity to share his ministry. His recordings have received air time on eight radio stations around the country and two overseas. To learn more about his ministry and listen to samples of his music, visit his website at www.cliffhackler.com. For more information about the concert, call the church at 940-964-2470.

Tornado safety

Overpasses offer little protection from tornadoes and should not be used as shelters. If caught in the open, take cover in a ditch or low spot. Remember, though, that this will not provide the same protection as a solid building.

National Weather Service

Andrea Bonin selected as Gates Millennium scholar

Andrea Bonin, 2004 graduate of Sacred Heart School, was one of 1,000 students nationwide selected by the Bill & Melinda Gates Foundation to receive a scholarship to attend the college of her choice. Andrea is now in her second semester at The University of Texas in Austin. Her scholarship also includes an all expense paid trip to Los Angeles, California, to attend a leadership conference sponsored by The Bill & Melinda Gates Foundation. There she will meet and spend time with the other 999 selected students.

The Gates Millennium Scholars (GMS), funded by a grant from the Bill & Melinda Gates Foundation, was established in 1999 to provide outstanding African American, American Indian/Alaska Natives, Asian Pacific Islander Americans, and Hispanic American students with an opportunity to complete an undergraduate college education in any discipline

Andrea Bonin

area and a graduate education for those students pursuing studies in mathematics, science, engineering, education, or library science. The goal of GMS is to promote academic excellence and to provide an opportunity for thousands of outstanding students with significant financial need to reach their fullest potential.

Boys Scouts attend a Sporting Clay Shoot

Twelve Scouts and adult leaders attended a Sporting Clay Shoot on Saturday, Aug. 21 and in total agreement stated "We had an awesome time!!" With signed permission slips, they departed from the KC Hall at 6:50 a.m. in a dense fog and arrived at the Northwest Texas Field and Stream Gun Club in Wichita Falls about 8:25 a.m., just in time for a moment of prayer, rehearse safety rules, prepare gear, and start the course first.

They were treated like "royalty" and enjoyed a special benefactor from the club who gave them a \$100 gift, reducing their cost to only \$6.00 each. This included all the shooting clays, protective glasses, professional level NRA course, and a lunch.

They had two groups to run the course of five stations, 10 shots per station, a total of 50 rounds plus some extras. The shooting stations offered high speed teal, high fier dove, flushing quail, high speed passing birds, going

away dove, and "running rabbits". The Scouts did well, were an honor to their troop, the Knights of Columbus, the City of Muenster, and Boy Scouts of America, in their manners and actions.

Unsolicted, Troop 664 went out to clean up spent shells and trash, then shared a bountiful buffet lunch in the club house, and plenty of ice cream for dessert.

The final event was a raffle, where luck and benefactors loaded them up with outdoor and shooting sports loot!!!

A great day was completed with a safe trip home, to arrive at the KC Hall about 3 p.m.

Scouts attending were Michael Valliere, Chris Valliere, Steven Valliere, Evan Koessler, Tyler Pagel, Matt Bain, Spencer Nielsen, and a guest Andrew Koessler.

Adult leaders were Tom Valliere, Fred Koessler, Adam Bayer, and Jim Nielsen.

Scouts at clay shoot.

TWU to host MTV's "Rock the Vote" tour

Texas Woman's University students will enjoy some tunes while receiving an important message about their responsibility as voters on Sept. 24 when MTV's "Rock The Vote" bus tour visits campus. The Rock The Vote concert will take place from noon to 6 p.m. at Pioneer Circle, located off Oakland Street.

The goal of the Rock the Vote bus tour is to increase

youth voter turnout through information, entertainment, and the availability to register to vote. Rising pop bands entertain throughout the afternoon while students have an opportunity to learn more about this year's campaign issues. More information about the bus tour is available at www.rockthevote.com/bustour/.

Muenster ISD to celebrate Homecoming

The Muenster Hornets' 2004 Homecoming celebration is Sept. 17. Hornet alumni, friends, and fans are invited to join the festivities as this year's Hornet team battles Gunter at 7:30 p.m. Sept. 17 in Hornet Stadium. Come and cheer the Hornets on to victory and visit with former classmates. Former queens from 1954, 1964, 1974, 1984, and 1994 will receive special recognition during pre-game festivities.

The pre-game program will begin at 7 p.m. with the presentation of the Homecoming Queen Candidates and Princesses along with their parents. Fathers of the Queen Candidates and ex-students from the class of 2004 will escort the Homecoming Royalty during the halftime coronation. The former students include John Sturm, Daniel Russell, Kyle Endres, Jared Ledbetter, and Kirk Hartman. Alisha Walterscheid, the 2003

Homecoming Queen, will crown the new queen and present her with a dozen red roses from the MHS Student Council.

Queen candidates include JoAnna Felderhoff, daughter of David and Barbie Felderhoff; Whitney Watson, daughter of Chris and Robbi Watson; Stevie Klement, daughter of Doyle and Carla Klement; and Shannon Grewing, daughter of James and Diane Grewing. Class princesses include junior Megan Dangelmayr, daughter of Richard and Missy Dangelmayr; sophomore Sandy Endres, daughter of Phil and Marlene Endres; and freshman Paige Winters, daughter of Jeff and Michelle Winters.

Mellow Monday will start Homecoming week with Pajama Day. Tubular Tuesday follows as Retro/Hippie Day. Wacky Wednesday is mix-match day. Thank your Teacher Thursday will have

students dressing as their favorite teachers. Fanatic Friday wraps up the week as All Red, Black, and White day.

Friday, Sept. 17 at 3 p.m., the Hornet varsity and junior high cheerleaders will lead a school-wide pep rally at the Hornet Stadium (weather permitting). Student Council members and senior football players will present Homecoming mums to each queen candidate and princess. Hornet fans are encouraged to attend this Homecoming pep rally as well as the Liturgy on Wednesday, Sept. 15, in Sacred Heart Church at 6:30 p.m.

A dance in the school's old gymnasium for MISD students in grades 9-12 will take place immediately following the game. The school and Student Council are providing music until midnight by Big Dog. Refreshments and pizza will also be served. Admission is free to MISD students.

Olympics course studied by class

The Second Grade Class from Muenster Elementary School recently concluded a Social Studies Unit on Ancient and Modern Olympics taught by Second Grade teachers Kim Budish and Lisa Pagel. The unit began with the students watching a segment of the 2004 Summer Olympic Opening Ceremonies.

Each student was assigned a country to research during the two-week long study. The students designed a replica of each country's flag. The computer labs were utilized to assist the students in learning many facts about their country. The students enjoyed sharing these facts. J.T. Smith and Kinzie Hess explained, "In China when a

child loses a tooth, they don't put it under a pillow for the tooth fairy. If it is a lower tooth, the child's parents plant it in the ground so their new tooth will grow strong and straight."

Zach Pollard stated, "The country of Germany is slightly smaller than the state of Montana."

The following week, various Internet websites were used to compare and contrast the Ancient Olympics with the Modern Olympic Games. A Venn Diagram was created to illustrate the students' findings. Computer teacher Kay Hickey led the students in developing an Olympic Word Wall on the computer demonstrating the students'

newly gained knowledge of the Olympic Games.

A favorite part of the unit was the Closing Ceremonies, which were held on Aug. 31. Each student stood upon the podium to receive an Olympic medal hung from red, white, and blue ribbon. Second Grade parent Lisa McAden created these medals. Each medal proudly displayed a positive character trait that the student possesses or would like to improve upon. The students then marched to the official Olympic Fanfare down the hall to the Pre-Kindergarten through First Grade classrooms to share their flags and facts about their countries.

tossed salad, bread stick.

Thurs. - Pepperoni pizza or cheese pizza, corn, tossed salad, strawberry applesauce, sugar cookie.

Fri. - Hamburger, sliced cheese, trimmings, potato wedges, ice cream.

Grandparents Day gift

On National Grandparents Day, Sept. 12, encourage your child to give a gift a grandparent will treasure - a handwritten letter.

Many grandparents today grew up in an era where important communication was accomplished through handwriting. In today's

world that is no longer true, yet most grandparents still appreciate handwritten letters.

On this Grandparents Day, your child can handwrite a letter or poem to tell his or her grandparents how appreciated they are.

Muenster 7th graders named for Duke University search

The Duke University Talent Identification Program has been a national leader in identifying academically talented students and providing innovative programs to support the development of their optimal educational potential.

For Texas 7th grade students the invitation to participate in the program is mainly based on the scores from the Texas Assessment of Knowledge and Skills (TAKS). The students must have scored in the 95th percentile or higher to participate.

This year 54% of Muenster ISD 7th graders are eligible and invited to participate in the 2004-2005 Seventh Grade Talent Search. Benefits of participating in the program are gaining the knowledge and experience

of taking an above-level test like the SAT or ACT, receiving resources that provide guidance in test-taking skills, strategies on working with schools and information about the college process. Students also will be informed about summer and academic year programs across the United States.

Congratulations to this year's qualifiers: Jodi Abner, T.J. Acuna, Matthew Bain, Amanda Dangelmayr, Karissa Downes, Toby Dyess, Erin Endres, Shaina Felderhoff, Lia Heers, Eric Hellman, Jackie Klement, Jacob Klement, Andrew Koesler, Jeremy Lutkenhaus, Ryan Neal, Tyler Pagel, Derek Schmidtkofer, Corey Sicking, Levi Trubenbach, Christopher Valliere, Steven Valliere, and Sara Walterscheid.

Sports

Sacred Heart takes run-away

The Sacred Heart Tigers had a final quarter run-away Friday night to defeat the Colleyville Covenant Cougars 52-18.

"The Tigers played a great game, offensively and defensively," said Tiger Coach Charles Boles. "We knew they had a great passing game and our defense stopped it. We did what we needed to do offensively and they never slowed us down."

The Cougars started the first drive of the game on their 20 yard line, taking a dozen plays to score the first touchdown. After an unsuccessful extra run, the Cougars led 6-0 with 7:38 on the clock.

The Tigers' first drive began on the 42 yard line after Chris Hoedebeck returned the kick 27 yards. A Paul Bartush to Hoedebeck pass put Sacred Heart onto the Cougar side of the field. Bartush then gained 27 yards to the 4 yard line before scoring on a keeper with 5:57 remaining in the 1st period. Bartush also kicked the extra point for a 7-6 Tiger lead.

The Cougars got in 7 yards before a fumbled ball was covered by Andy Davis on the Covenant 34 yard line. Aaron Krahl picked up 20 yards in two runs, with a Bartush to Hoedebeck pass getting the ball to the 4 yard line. With no time on the clock, a Bartush to Theo Otto pass gave the Tigers 6 points. Bartush's PAT was good for a score of 14-6.

The Cougars got in 11 plays, then gave Sacred Heart possession on the Tiger 32. Unable to get 10 yards, the Tigers punted. Covenant also failed to get the needed yards, punting to the Tiger 34. A Hoedebeck run moved the ball to the Cougar 28, but a flag backed the ball 10 yards. Krahl ran for 9 yards, then a Bartush to Hoedebeck pass found the end zone. Bartush hit the

extra point kick and the Tigers had a 21-6 lead with 2:07 remaining in the 1st half.

Three incomplete passes and a holding flag were followed by a 60 yard touchdown play by the Cougars. The PAT run failed and with 1:29 on the clock, the score read 21-12. The Tiger offense played out the remaining 2nd quarter before the halftime break.

The teams exchanged punts the 1st half of the 3rd quarter with the Tigers' second drive beginning on the Covenant 45 yard line. Three straight runs by Krahl moved the ball to the 32 yard line. A Bartush to Otto pass gained 7, followed by a Bartush touchdown run. The extra points failed and the Tigers took a 27-12 lead with 4:54 on the clock.

Covenant kept the ball for five plays, then fumbled. Bartush covered on the Cougar 40 yard line. A Bartush to Otto pass moved the line to the 26, with Hoedebeck getting the ball to the 15 yard line. Bartush picked up 2 more yards as the 3rd quarter ended. A flag delayed the Tigers, but a Krahl and an Otto run took the ball to the 3 yard line. With just 58 seconds off the clock, Bartush scored. The PAT failed for a 33-12 score.

A quarterback sack by Andrew Davis was followed by an interception by Hoedebeck and returned for a touchdown. The play was declined by an interference flag, giving the Cougars possession for three more unsuccessful plays. After the punt, the Tigers began a drive at their own 37 yard line. Runs by Hoedebeck and Bartush quickly moved the ball to the Cougar 32. Three plays later, Hoedebeck scored on a 32 yard run. The PAT kick failed for a 39-12 score with 6:43 still on the clock.

It was three incomplete passes and punt for

Colleyville. Hoedebeck took the punt and returned it 62 yards for 6 points. Bartush booted the extra point for a 46-12 score with 6 minutes remaining in the game. Covenant got in one good run, then again punted. A run by Bartush quickly moved the Tigers onto Colleyville's side of the field. Hoedebeck then scored on a 47 yard run. The PAT failed and the Tigers had a 52-12 lead with 3:11 remaining in the game.

Covenant, starting on their 30 yard line, moved the ball for six plays, scoring on a 16 yard run with 22 seconds on the clock. The extra run failed for a final 52-18 score.

It takes a host of Hornets to bring down Nocona's "big guy." David Duncan is pulled down by Zach Swirczynski (45), Jordan Walterscheid (1), and Sean Fuhrmann. Janie Hartman photo

Hornets fall to Indians

Fumbles and missed tackles gave the Nocona Indians their first victory since 2002 Friday night as they defeated the Muenster Hornets 23-14.

"They beat us fair and square," said Coach Monte Endres. "No excuses."

The Hornet offense had six turnovers to Nocona's one, while the defense struggled to contain the Indian backfield, allowing 366 yards.

Muenster took the opening kick, with Justin Ferguson returning it 30 yards to the Hornet 36 yard line. Short runs by Clint Miller, Zach Swirczynski, and three Sean Fuhrmann to Ferguson passes for 46 yards moved the Hornets to the 8 yard line. A fumble by Muenster lost the ball on the 3 yard line. Luck was with the Hornets. The next play, Cole Harrison striped the ball from the Indian runner and Derek Felderhoff recovered the ball on the 1 yard line. Two plays later, Fuhrmann scored on a keeper with 6:59 on the clock. The extra point kick by Felderhoff gave the Hornets an early 7-0 lead.

Nocona got in eight plays, then lost the ball on downs. Miller got in a 15 yard run before Muenster was forced to punt on 4th and 15. The Indians' big man David Duncan picked up a quick 41 yards as Nocona carried

the ball into the 2nd quarter. An Indian 19 yard pass play with 11:16 on the clock put 6 points on the score board. The PAT failed.

The Hornets' next drive began on their 13 yard line. Miller ran for 15 yards, followed by short gains by Ferguson and Swirczynski, and another Fuhrmann to Ferguson pass to the 46 yard line. Miller got the ball into Indian territory, with a short pass to Derek Endres adding 4 yards, and a 30 yard completion to Jordan Walterscheid to the 7 yard line. Miller then carried the ball into the end zone. Felderhoff added the point after for a 14-6 score halfway into the 2nd period.

The Indians got in one good run, then punted. The Hornets also got in a good run, 20 yards by Ferguson, and a 12 yard pass from Fuhrmann to Walterscheid, but on 4th and 1, a motion flag forced a Hornet punt. Nocona struggled on their next attempted drive, as two quarterback sacks by Fuhrmann dropped the Indians for losses of 12 and 19 yards, punting on 4th and 29. Two plays later, a fumbled ball set up the Indians' next score. Three consecutive pass plays picked up 40 yards to the 2 yard line. With 38 seconds on the clock, the Indians closed the score to 14-12.

The 2nd half belonged to Nocona. Tackles by Swirczynski, Matthew Yosten, Felderhoff, and Justin Wolf gave the Indians losses, but they gained more, taking eight plays to find the end zone.

The extra point run gave Nocona a 20-14 lead with 8:44 remaining in the 3rd quarter.

The Hornets' next drive ended on the 3rd play with a fumble, recovered by Nocona at midfield. The Indians got in six plays and punted. The Hornet offense struggled and punted the ball back after three plays. Nocona carried the ball into the final quarter, but was stopped at the Muenster 20 yard line.

Swirczynski ran for 21 yards then 32 more before

another fumbled ball was covered by Nocona. The Indians' drive got to the 8 yard line and ended with a 24 yard field goal. With 8:07 remaining in the game, the Indians had a 23-14 lead.

Ferguson returned Nocona's kickoff 40 yards, but two plays later, another fumble. The Indians controlled the ball for 10 plays before punting, the ball rolling to the Hornet 7 yard line. Passes to Ferguson and Miller gained 18 yards, with Swirczynski running for 11, but on 4th and 9, an incomplete pass turned the ball over to Nocona, who took a knee and ran out the clock.

Next Action
 The Hornets travel to Sadler to challenge the S&S Rams this Friday night. "We have to bounce back, fix our problems against Nocona, and play better," said Coach Endres.

The Rams have taken beatings from Valley View (46-15) and Lindsay (42-7) so far this season, so this contest will be a test for the Hornets to see how they measure up with district opponents.

The game begins at 7:30 p.m. at Sadler.

Lindsay brings home a victory after Friday night game at S&S

The Lindsay Knights charged 412 total yards against the S&S Rams last Friday on their way to a 42-7 victory.

"We played better than the week before," commented Coach John Erwin. "Our offense is still putting up lots of yards and this week it showed on the scoreboard." Coach noted that they were pleased with the improvements in defense, but still have a way to go.

The Knights took the opening kick at the Lindsay 25 yard line. Three straight runs by Alan Trammell gained 20 yards. Derick Murray picked up 8 and Trammell 7 to move to the Ram 40. A quarterback keeper by Bradley Anderle found pay dirt with 8:37 on the clock. Gary Anderle added the extra point for a 7-0 score.

The Rams moved the ball steadily down field, moving from their 24 to the Knight 39 in 10 plays. A 4th and 3 attempt was halted by Trinity Otto and the Knights took the ball on their 45 yard line. An Anderle to Otto pass picked up a quick 22 yards. Runs by Anderle, Trammell, and Adam Kasperek took the ball to the 12 yard line. B. Anderle had the honor again of getting into the end zone. The PAT by G. Anderle was good for a 14-0 score with 1:25 on the clock.

The Knight defense held the Rams to 7 yards, forcing a punt. The attempt was blocked by Levi Hermes and covered by Cody Anderle on the 14 yard line. Otto, Trammell, and Kasperek each carried the ball. A one yard touchdown run by Otto put the Knights in the lead 20-0.

S&S got in a few good yards, getting within 20

yards of the end zone, but on 4th and 6, Gary Anderle caused a fumble and the Rams lost 11 yards and the ball to the Knights.

The Knight offense struggled and the teams exchanged punts. Lindsay again threatened to score, but a fumbled play and an interception allowed the Rams to play out the remainder of the half.

S&S took the 3rd quarter kick. A 48 yard pass play quickly took them inside the Knight 30 yard line. Four runs later, the Rams scored on an 18 yard run. The extra kick made the score 20-7 with 9:35 on the clock.

Lindsay bounced right back, taking seven plays to score with a 30 yard run by Trammell. Anderle ran in the extra points and the Knights took a 28-7 lead with 7:03 remaining in the 3rd quarter.

The Rams lost yards, with Kasperek, Jacob Geray, Hermes, and Blake Beadles getting tackles for losses and making S&S punt on 4th and 17. The next play, Trammell scored again with a 35 yard run. With 4:51 still remaining in the quarter, Jonathan Rohmer added the extra point for a 35-7 score.

The Rams then tried their air attack, three incomplete passes and a quarterback sack attack by Garrett Jones, G. Anderle, C. Anderle, and Hermes forced another punt.

From the Ram 38, mixed runs by Anderle and Trammell moved the line to the 4 yard line in seven plays. Murray got 2 more yards, with Trammell punching in the last 2 yards. Rohmer added the extra point for a 42-7 score to begin the final quarter.

The Rams got in two good passes, but flags and the

Knight defense, led by Otto, C. Anderle, Beadles, and Dustin Hughes forced another punt.

The Knights' next drive ended with a fumble, with the Rams following with a punt. Lindsay got in a dozen plays, then allowed S&S to get in two plays before the time clicked off the clock.

S H Cubs defeat Mustangs in opener

The Sacred Heart Cubs started the season with a 28-0 victory over Saint Mary's last Thursday at Tiger Field.

The first play of the game was an 83 yard touchdown run by Chris Marshall. A Rich Sweeney to Matt Flusche pass added the extra points for an 8-0 score early in the game. The Mustangs got in five plays, then attempted to punt. A high snap gave the Cubs the ball 8 yards from pay dirt. Two plays later a Sweeney to Flusche pass put 6 more points on the board. The PAT failed for a 14-0 score with 4:21 on the clock.

The teams exchanged possessions several times with Nathan Berend and Matt Flusche each covering fumbles. With 4:33 left in the 1st half, Marshall broke two tackles and scored on a 27 yard run. The extra run failed for a 20-0 score.

The Mustangs got in two runs, then threw an interception to Marshall. The Cubs ran seven plays, getting to the 6 yard line before the 2nd quarter ended.

Saint Mary's took the 3rd quarter kick, moving the ball to the 5 yard line. A fumbled ball was picked up by Matt Flusche and returned 90 yards for a touchdown. Marshall ran in the extra points for a 28-0 score with 2:33 on the clock.

The Mustangs carried the ball into the final quarter, getting inside the 25 yard line, but an intercepted pass by Berend stopped the drive on the 8 yard line.

Unable to get the needed yards, the Cubs kicked after three plays, putting the Mustangs on the 30 yard line. The game ended when Joe Hesse put pressure on the quarterback, causing an interception by Marshall.

Defensive standouts for the Cubs were Dylan Flusche, Mitch Hesse, Matt Hesse, Joe Hesse, Matt Flusche, Tommy Torcellini, and Michael Whitecotton.

Mountain bike races scheduled in local area

Dallas Off Road Bicycle Association (DORBA) presents the Bicycles Inc./Richardson Bike Mart 13th DFW Mountain Bike Championship Series. Open to beginner, sport, expert, and single-speed racers, the DFW Mountain Bike Championship Series includes three race dates: Sept. 12 at L.B. Houston, Dallas; Sept. 26 at Erwin Park, McKinney; and Oct.

17 at Johnson Branch, Valley View.

A free Kid's Race (12 and under) is also scheduled for each race date. Registration opens 7 a.m. on the race day. Cost for registration is \$20 per race for DORBA members, \$25 per race for non-DORBA members.

A race flyer can be found at http://www.dorba.org/racing/dorba04/race_flyer.html.

BUSINESS M&S B SHOWCASE

A PIZZA A DAY KEEPS THE DOCTOR AWAY

I recently discovered an article about the top ten foods Americans should incorporate into their diet, if not daily, certainly weekly to prevent a vast array of illnesses: cancer, heart disease, memory loss being of utmost importance. The following is the list with the vitamins each food contains and why we need it in our daily lives:

- Tomatoes** - Lycopene, Beta-Carotene - for prostate and digestive cancers.
- Spinach** - Iron, Folate, B-vitamins - for muscular degeneration, heart disease and blindness.
- Red Wine** - Resveratrol - boosts HDL (good cholesterol) and prevents hardening of the arteries.
- Nuts** - Ellagic Acid and Vitamin E - causes cancer cells to kill themselves and prevents heart disease and cancer.
- Broccoli** - A fist full of Phytochemicals - detoxifies cancer causing substances, especially estrogen associated with breast cancer into a benign form. Also reduces risk of colon and stomach cancer.
- Oats** - Beta - Glucan - mops up bad cholesterol in the blood, lowers blood pressure.
- Salmon** - Omega 3 Fatty Acids - prevents blood platelets from clumping together, rheumatoid arthritis and lupus and alzheimers.
- Garlic** - Allyl Sulfides - protects the heart, antibacterial and antifungal powers; stops tumor growth.
- Green Tea** - Polyphenols - prevents cancers by depriving tumors of nourishment, controls skin cancer.
- Blueberries** - contain more antioxidants than any other fruit or vegetables - heart disease, cancer, promotes brain power.
- Potatoes** - Calcium, Iron, Miacin, Vitamin C - "A diet of milk and potatoes provides all the nutrients the human body needs the textbooks say".

So why is the TOWER PIZZERIA promoting TOP TEN FOODS? because most of these ingredients are available on many of our pizzas. Red wine and iced green tea are also available. Tomatoes and garlic are two of our most important ingredients. We have spinach salad, Broccoli, grilled salmon and spinach make a WONDERFUL tasting pizza topped off with skim milk mozzarella. Nuts are complementary in the bar. To top off the meal we have a FABULOUS blueberry desert pizza which is now on the menu.

As you know, we have been promoting our popular brushetta pizza made with tomatoes, bell pepper, onion balsamic vinegar, (red wine vinegar aged), garlic and olive oil.

Basically, if you eat your oatmeal for breakfast and eat dinner at the TOWER..... You should be the healthiest person in town!!!!!!

W STANDS FOR WINNER

Bid Notice

The Muenster Water District (MWD) is requesting sealed bids from qualified, responsible bidders to construct PHASE II of Site MP 19, Elm Fork Watershed. This is a multi-purpose water supply, recreation and floodwater detention dam. This is a REBID of Invitation for Bids (IFB) No. MWD-EF19II-2004-01 (5/17/04). Structure site is located on Brushy Elm Creek which flows into the Elm Fork of the Trinity River and is approximately 1.7 miles northwest of the City of Muenster, Cooke County, Texas. The PHASE II major items of work are (quantities are approximate):

BASE BID: 18.4 Acres Clearing and Grubbing; 35 Acres Sprigging; 257,806 C.Y. Excavation, Unclassified; 894,400 C.Y. Earthfill, 18,887 C.Y. Drainfill; 55,635 S.Y. Topsoiling; 708.8 C.Y. Concrete; 70,886 Lbs. Reinforcing Steel; 982 Feet Concrete Pressure Pipe; 1,205 L.F. PVC 6 inch plastic pipe; 528 Ton Rock Riprap; 400 S.Y. Geotextile; Structure Removal, Pollution Control, Removal of Water, Diversions; Water Control Gates, Fencing, Contractor Quality Control and Construction Surveys. The solicitation will also include OPTION BID ITEMS (quantities are approximate): 6002 C.Y. Concrete, 9,071 Lbs. Reinforcing Steel; 1 Job CSP Drain; 24,272 Ton Rock Riprap; 23,600 S.Y. Geotextile; 3 Ea. Water Control Gates 3' x 3'; 1 Job Catwalk; Metalwork and Barbed Wire Fencing.

One award for the aggregate for all bid items (Base Bid plus selected Option Bid Items) will be made. Performance time for the Base Bid is 499 calendar days. Additional performance time for Option Bid Items will be stated in the IFB. MWD has the right to accept or reject any and all bids. A 5-percent bid guarantee is required. The successful bidder will be required to furnish performance and payment bonds.

IFB No. MWD-EF19II-2004-02 documents will be available beginning August 30, 2004, and may be requested from Muenster City Hall, 400 North Main Street, Muenster, Texas 76252 (Attn: Micallee Matson) or may be picked up at this address (phone 940-759-2236; FAX 940-759-2250). There is no charge for these documents to prospective bidders. Others may purchase a copy by contacting Micallee Matson at the address above or establish a time to view the documents at the same location.

Bids will be received at the above address until 10:00 a.m. local time, Tuesday, September 21, 2004. A pre-bid conference and site showing will be held at 9:00 a.m. local time on Thursday, September 9, 2004 beginning at the Muenster City Hall.

BANKING

A New You

Usually when you start a business you begin by doing everything yourself. As the business grows you begin replacing yourself by hiring people to share some of the workload. This process continues until one day you're able to take vacations or time off with the knowledge that the business will function in your absence.

This same procedure of replacing your efforts can be accomplished by making your money work for you. You work an eight-hour day and you see to it that your money works a 24-hour day. The more money you put to work, the more you replace yourself in the job of securing your financial future.

Come in and see us and we'll help you replace yourself with some hard-working money.

Attend Your County
Convention Sept. 13, 2004
Dear Farm Bureau Members,
The Cooke County Farm Bureau invites you to attend the Annual County Convention on **Monday, September 13, 2004** starting at 7:00 P.M. at the **Roadhouse Restaurant in Lindsay, Texas.**
All Cooke County Farm Bureau members are invited to attend this meeting.
Due to limited seating availability, you are asked to contact either the Gainesville office at **940-665-1763** or the Muenster office at **940-759-4052** prior to Noon on **Friday, September 10th** to confirm that you will be attending.
Cooke County Farm Bureau Board of Directors

Farm & Ranch

Working your herd this Fall? Consider cattle health issues

Whether you're sorting calves for sale, moving the herd to fresh pasture, or deciding which cows to keep, working cattle in cooler weather makes sense. It's also a good time to address important herd health issues that can affect Texas' ability to trade and move cattle freely.

"The U.S. Department of Agriculture (USDA) has extended funding for the cattle tuberculosis (TB) testing program until the end of 2004, so ranchers still can take advantage of a free TB test for their seed stock, or purebred cattle," commented Dr. Bob Hillman, Texas' state veterinarian and head of the Texas Animal Health Commission (TAHC), the state's livestock and poultry regulatory agency. "Increased TB surveillance must be accomplished, in order for Texas' TB-free status, downgraded two years ago, to be reinstated. TB-free status will enhance the marketability of Texas cattle, because breeding animals could move across state lines without TB testing requirements or restrictions."

Texas, New Mexico, California, and Michigan are the only states not cattle TB-free. Each of these states is following a specially tailored plan to regain TB status, explained Dr. Hillman. "Texas must not be the only state that doesn't fulfill its disease surveillance obligation."

Dr. Hillman urged Texas producers to contact either the TAHC at 1-800-550-8242, or their private veterinary practitioner to arrange for a TB herd test. More than 550 Texas private veterinarians are certified to conduct TB herd tests and are reimbursed by the TAHC, through cooperative agreement funds from the USDA.

"More than 750 of the state's 807 dairies have been tested for TB since last fall, and only one - in Hamilton County - has been found to be infected. This herd is being depopulated, with an indemnity paid by the USDA," commented Dr. Hillman. "The Texas cattle industry's plan also called for testing of 2,400 purebred, or beef breeding herds. As of early September, however, only about 300 herds have been tested, far short of the goal. Time and money are running short; please support the Texas cattle industry and get your herd tested while the costs can be offset with federal funds."

"Producers also may be able to arrange for a free herd test for cattle brucellosis, or Bangs if their cattle had potential exposure to the bacterial disease, or if the herd exhibits signs of the disease, such as abortions, weak calves of lowered milk production. Dr. Hillman noted "In late August, a brucellosis-infected beef herd was detected in Leon

County, the first in the state since late 2003. Was this Texas' final infected herd? Only time and continued disease surveillance at livestock markets, tests prior to private sale, slaughter surveillance, and selective herd tests will give us that answer."

States may be classified "free" of brucellosis after 12 months without an infected herd and a USDA-mandated review. Texas and Wyoming are the only states without the free status.

"When you handle your cattle, inspect them carefully for unusual ticks, or for blistering around the animal's mouth, nose, teats, or hooves. Watch for cattle that stagger or fall," urged Dr. Hillman. "Seven ranches outside the permanent fever tick zone in Kinney and Zapata Counties have been found infested with the dangerous fever tick, capable of transmitting Texas Fever, which can be deadly to cattle," said Dr. Hillman. "The TAHC and USDA Tick Force are tracing, inspecting, dipping, or spraying cattle that were moved from the pastures prior to the detection of the ticks. All cattle inspected to date have been free of the fever tick."

Tick and maggot submission kits should be a staple, on every producer's shelf, noted Dr. Hillman. The kits may be obtained from the TAHC area offices, some private veterinary practitioners, or the TAHC headquarters at 1-800-550-8242. Unusual ticks or maggots should be submitted for identification to the State-Federal Laboratory. There is no charge for this service.

This summer's vesicular stomatitis (VS) outbreak may be nearly over in Texas. Only three premises in Kerr County and one in Dimmit County, remain under quarantine because of

the blistering disease that can affect a wide variety of livestock. "If your livestock exhibits lesions, blisters, or sloughing skin in or around the mouth, nose, teats or hooves, don't pass it off as VS," warned Dr. Hillman. "Call your private veterinary practitioner or the TAHC, so laboratory tests can be run on a blood sample and snippet of skin from the affected animal. The blisters and lesions could be due to VS, the result of ingesting a toxic plant, or what we dread most, an introduction of foot-and-mouth disease."

Finally, Dr. Hillman urged producers to call the TAHC to report downer cattle, so brain tissue samples may be collected and tested for BSE, or bovine spongiform encephalopathy. "Downer, or non-ambulatory, cattle are no longer accepted at livestock markets or slaughter plants, as they are considered at high-risk for the brain-wasting disease," he pointed out. "Call us, and we can assist with tissue collection from the animal. The USDA in June launched an intensive national BSE testing program, aiming to collect and test samples from more than 200,000 head of cattle by late December 2005, to determine if BSE is present in the U.S., and if so, at what level. As of early September, all of the 48,000 samples tested so far were negative. Of those, more than 2,600 have been from Texas-origin cattle."

"It can be frightening to look for disease," admitted Dr. Hillman. "But if we don't, disease can gain a foothold in Texas, and eradication will be extremely costly, and the industry's market share and reputation could be damaged. If you see something unusual, call your veterinarian, or call the TAHC. Don't wait till it's too late."

Above Randy Lewis and Robert Baldwin, both of Gainesville, enjoy "driving" an old John Deere at the Antique Tractor Show last weekend. Below, the "ranch hand" pitches hay into the baler, which is powered by a steam tractor. Janie Hartman photo

2nd Harvest Food Drive set

Americans are blessed to live in a country where food is plentiful, safe, and comparatively inexpensive. Agricultural producers can be proud of the major role that we play in feeding this nation. Unfortunately, even in a country as prosperous as ours, there are people who do not have enough to eat each day and find it difficult to feed their families.

In light of this, the Cooke County Farm Bureau is committed to fight hunger in Texas. This is why their members and the Texas Farm Bureau are teaming up with America's Second Harvest food drive. They

want to do their part to make sure that every Texan can enjoy the bounty produced on Texas farms and ranches.

The Texas Farm Bureau is asking all members to bring food items to the Cooke County Farm Bureau Office. Some food item examples are peanut butter, cereal, tuna, macaroni and cheese, chili, rice, beans, canned stew and soups, canned meats, full meals in a can/box, and "Pop Top" food items. Items must be non-perishable and cannot be packaged in glass containers.

Agriculture and hungry relief programs are

connecting for the good of the nation. Donating food and bringing this problem to the forefront should be our national goal. Lending a helping hand to those who need, shows a compassion for your fellow man and a concern for the welfare of others.

Please bring your food items to the Gainesville office located at 1212 W Hwy 82 Gainesville. The Muenster office is located at 213 N Main St Suite 103 Muenster. Food donations will be accepted through Nov. 21. If you have any questions call Amy Trammell at 940-665-1763.

County Agent's Report Wayne Becker CEA - AG/NR

Roundup Resistant Weeds Emerging

Two years ago, Horseweed was found to be resistant to glyphosate. Now, two years later, indications point toward the emergence of resistant ragweed. Common ragweed in a 22-acre patch of north-central Arkansas dryland, no-till soybeans,

has survived heavy and repeated shots of Roundup. Lab work is incomplete, but Extension researchers agree all indications point to resistance.

Bob Scott, Arkansas Extension weed specialist, says that it is not confined yet but it is highly suspicious. Ragweed is very similar to marehail, which is a confirmed glyphosate-resistant weed. If proven to exist, resistant ragweed won't change agriculture profoundly. Ragweed isn't a huge problem in any major crop and there are herbicides besides Roundup to control it.

IT'S A STAT!

CATTLE ON FEED

Cattle and calves on feed for slaughter market in Texas feedlots with capacity of 1,000 head or more totaled 2.67 million head on Aug. 1, down 1 percent from a year ago. Producers placed 395,000 head in commercial feedlots during July, down 17 percent from a year ago, and down 13 percent from the June 2004 total.
