Bush carries election, Kerry concedes with class

Bush carries 78% of Cooke County voters

By Janet Felderhoff
Wednesday was a victorious day for President George W. Bush and the Republican Party. He will serve another four-year term. After an evening that at times seemed to have the two Presidential candidates running neck in neck, Wednesday's numbers showed President Bush with a lead.

Senator John Kerry called the President around noon Wednesday and conceded the election. With the electoral votes of Iowa and New Mexico not in, President Bush claimed 274 electoral votes and Senator Kerry 252. Of the popular vote Bush has 59,026,014 to Kerry's 55,443,808 or 51% to 48%.

Republicans gained four

seats in the House. There will be 231 Republicans, 200 Democrats, and one Independent. There were also four seats gained in the Senate. Those numbers will be 55 Republicans, 44 Democrats, and one Independent.

The top Democrat, Tom Daschle lost his Senate seat to John Thune. Thune had 197,814 (51%) votes to Daschle's 193,279 (49%) votes.

There were 15,174 Cooke County voters who cast ballots in the Nov. 2 General Election. There are 24,971 voters registered in the County. That means 9,797 didn't exercise their right to vote.

President George W. Bush took the County by storm. He garnered 11,897 votes to

the Democratic candidate John Kerry's 3,136 votes and Libertarian candidate Michael Badnarik's 46 votes. Bush carried 78.40% of the County vote.

The Republican Party has a strong hold in Cooke County. There were 6,884 people who voted a straight Republican ballot. Voting straight Democratic ballot were 1,826 and there were 47 who voted straight Libertarian.

County Clerk Rebecca Lawson was thrilled with the way the election process went in the County. She ordered enough ballots to cover a 90% voter turnout. Lawson said the ballot counting went off without a glitch. There were very few

See ELECTION pg. 3

Local candidates celebrate their victories

By Janet Felderhoff
It was smooth sailing for Cooke County's local candidates during the past nine months. All running were Republicans without a Democratic opponent. Most of them were at a Poll Watch Party hosted by the Republican Party at the Roadhouse in Lindsay Tuesday evening.

Janelle Haverkamp, the current district attorney, will be stepping into the position of District Judge, 235th Judicial District. She is replacing Judge Jerry Woodlock who is retiring as of Jan. 1, 2005.

Judge-elect Haverkamp remarked, "I'm grateful. I'm happy. I'm looking forward to taking over as judge. I'm going to be visiting with other judges and talking to them about their pre-trial orders and other things. There is a new judges school the first week in December and I'll be going to that and visiting with Judge Woodlock and just getting prepared."

Local attorney Cindy Stormer will be Cooke County's new district attorney for the 235th Judicial District. She won the Republican nomination over Roger White and Nancy Manning.

District Attorney-elect Stormer commented, "It is refreshing to see so many

people voting and such strong voter turnout. This insures integrity in public office. We should all do everything we can to continue to encourage even more voter turnout. I would like to personally thank all those voters who went to the polls and cast ballots even though many of the local races were uncontested. I look forward to serving as the best possible District Attorney that I can be when I take office on Jan. 1. The best way that citizens can show their love for this great country is to vote."

Continuing to serve the County in their positions are County Attorney Tanya Davis, Sheriff Mike Compton, and County Tax Assessor-Collector Billie

Jean Knight.

After many years of serving as Precinct #3 Commissioner, Jerry Lewis is retiring as of Jan. 1. Taking over for Lewis will be Al Smith. Smith is currently employed by Precinct #3 and therefore is familiar with the road situation. Smith said that he accompanied Lewis to Austin where he was introduced to many of the people involved with Texas Association of Counties (TAC) and the Jail Standards Board.

Commissioner-elect Smith said he definitely has some plans. "Precinct #3 has been represented by a very conservative commissioner, Jerry Lewis, and I'm

Clyde Steelman resigns as MUSD Superintendent

By Janet Felderhoff
Muenster ISD Superintendent Clyde W. Steelman, Jr. tendered his resignation at a special called meeting of the Muenster ISD Board of Trustees Monday, Nov. 1. It is effective Jan. 2, 2005.

Steelman has accepted the position of deputy executive director for Administrative & Business Services at the Region XI Education Service Center (ESC) in Fort Worth. The ESC provides consulting services to 78 North Texas school districts and 24 charter schools in 10 counties, with a student population of approximately 400,000 and is served by 56,000 educators.

Steelman remarked, "It was a very hard decision for me and my family to make. I had some other opportunities in the past that I decided not to pursue. When this came up, we thought it was too good an opportunity." Steelman feels that he will be able to have a greater impact on the education system through

Clyde Steelman

his new position with the Education Service Center.

According to Mr. Steelman, some of his responsibilities are to include providing leadership to school districts to assist in administrative functions, work with district administrators to improve

student performance and administrative operations, assist the executive director in managing the operations of the center serving as the budget officer and facilitator, providing leadership and direction to all administrative and business services departments, and coordinate facility planning, additions, and renovations.

The Steelman family plans to remain residents of the Muenster community. "That we get to stay in Muenster had a little to do with the decision," Steelman noted. Their children will continue as students at Muenster ISD.

The next regular Board meeting is scheduled for Nov. 10. Steelman's resignation will officially be considered at that meeting. At that time they can begin the search for his replacement. Steelman plans to continue his duties as superintendent until his departure date.

"All we can say is we hate

Muenster City Council votes to open up Second Street

By Scott Wood
The Muenster City Council is currently looking into the feasibility of extending Second Street between Maple and Ash.

A measure approving opening the street passed by a four to one margin with Jack Flusche casting the lone dissenting vote. The motion stipulated that opening the street would be subject to

obtaining acceptable conditions from the Upper Elm-Red Soil Conservation District.

The issue has come up in the past with problems centering around the location of Weinzapfel Lake's dam and cost.

Bob and Kathy Bauer and Juanita Bright requested the Council's opinion on opening the street if issues

surrounding Weinzapfel Lake could be cleared through the Soil Conservation District.

"There have been some issues that have been raised (in the past) that we feel that perhaps we can find a way to overcome the issues..." said Bob Bauer. "...We wanted to make sure that the benefits that the City would derive would be in line with where the City Council is willing to

go along with us if we can overcome these issues."

Bauer indicated that opening Second Street would provide access to property totaling at least 14 acres that could be used for development.

"This would allow us to develop our six acres should we wish, which we intend to do," continued Bauer. "There is another eight acres above us and there is a few acres to the east of us that can all be developed for the benefit of Muenster should Second Street go in which is a dedicated street."

Mayor Henry Weinzapfel indicated that he had property that would be affected by opening Second Street. Due to the conflict, Councilman Johnny Pagel was required to act as Mayor ProTem.

Pagel indicated that the City must look at the project in terms of both what it costs and what benefit the residents gain.

"The City's going to look at what is the cost-benefit ratio," said Pagel. "What are we going to gain out of it and what is it going to cost to do it."

Juanita Bright indicated that she felt taxes from development would offset the cost of putting the street in. Additionally, she indicated that there would be the added benefit of improving traffic flow in the area.

The majority of the discussion that followed centered on the location of

current utilities, the responsibilities of the City as far as building a road and what form that road would take as well as easements held by the Soil and Conservation District.

Other questions include just how much development could take place due to flood plane and Soil Conservation Service easements.

Many on the Council expressed support for projects that could lead to development with reservations centering mainly on cost.

In the end, much of what finally happens may be determined by the Soil Conservation District's response to the proposed street.

"We did contact the Soil Conservation a little over two years ago...and they said if we did anything to mess with the berm on the spillway at the back they would give the City the responsibility of doing everything on the dam," said City Manager Stan Endres. "We would have 100% maintenance after that. We don't want that."

Memories about the exact response from the Soil Conservation District differ among Council members. Management and times change. A meeting scheduled for today (Friday) with the Soil Conservation District management should shed some light on the future of Second Street.

In other action, the Council voted to:

- Extend the no parking zone

on Hwy. 82 from Mesquite approximately 260 feet to the East just past the Walterschied Appliance location.

- Approve a project in conjunction with Keep Muenster Beautiful to paint the pavilion and park tables. The project is expected to cost approximately \$5,000 for the pavilion only. KMB will donate \$1,000, the Kiwanis Club will donate \$250 and the City will pay the balance. The Jaycees will pay to have their letters repainted on the building. Additionally, KMB will donate paint and the Kiwanis Club will donate labor to paint the picnic tables. It has been 18 years since the pavilion was painted.

- Approve a grant application to the Office of Rural Community Affairs. The grant application requests assistance in diverting flood waters from the area on Mesquite Street near the trailer park. If received, the \$125,000 grant would allow the City to move the water to the east side of Mesquite away from the trailer park. The City's contribution would be around \$25,000.

- Revise the permit fees and inspections relating to food service businesses in the City. The old schedule was based from gross business revenue, which was difficult to track. The new schedule will include slightly higher fees and be based on the size of the business.

- Approve the payment of \$93,005.30 in monthly bills.

A ribbon cutting ceremony was held at Elm Creek Manor Bed and Breakfast on Friday, October 29, 2004. Bradford and Marsha Scarbrough owners of the luxury bed and breakfast also reside at the residence. Those present at the ceremony are L-r, Kirk Klement, Troy Sicking, Ben Bindel, Gracie & Alvin Fuhrman, Brad & Marsha Scarbrough, Robert & Christine Weinzapfel, Lora Hennigan, Mary Lee Alford, Joey Anderson, Carl Alford and Cathy Otto. Localcont. from page 1

conservative also. My plans are to continue to represent the Precinct in a conservative fashion, as well as try to represent the County in a conservative fashion.

"We've got a lot of forces working on our County right now and there are a lot of areas that we need to be very wise about how we spend our funds, from the jail to pressures of rapid growth. There is more and more pressure of people wanting chip and seal roads, asphalt roads instead of gravel roads. Fortunately Jerry was real good about giving us a good infrastructure in relationship to bridges and that kind of thing, which leaves us in a good spot to move forward with chip and seal programs. We're going to continue to try to improve the roads, particularly on the road bases." He noted that most people in Precinct #3 are concerned about the roads.

"I have a whole other contingency in Gainesville," said Smith. "A great deal of Gainesville is in Precinct #3, all the historical area. They are concerned about jobs, what kind of employment we're going to have for themselves and their children, and what we can do to help economic development in the County. I'm going to do everything I can to help those who are already working on the problem to have a positive kind of infrastructure where we can bring business into the County. There's a lot to do."

Smith said he wasn't worried at the moment, but was feeling good about being elected. He quipped, "They say this is our most popular time. We are very popular on election night, but come tomorrow we'll have some dissenters." Smith noted that the most important thing he had to do between now and January was to listen to both the incumbent and the people of the Precinct, and give full measure to the kinds of priorities that they're feeling need to be acted on. "My top priority right now is to be a good listener, and learn and study what it is we're going

to be doing," Smith said. Referring to the retiring commissioner Smith remarked, "He's been a tremendous asset to the County. It is very evident when you get to Austin. You can see the kind of impact, a very positive impact, that he's had for Cooke County. He's done a tremendous amount of work on the employees' health insurance programs for the County." Smith said that coming out of the private sector where he was CEO of a company, he could look at the County's insurance package with the knowledge of what it costs and what could be gotten. "The County's done an excellent, excellent job of getting great coverage and a good bang for the buck," he

said. Smith noted by what he's read in the papers, it appears that the County is not all in agreement in regard to how the County's allocated money should be spent. He said, "We should have reserves; we should not have reserves. All these issues are going to have to be aired out. We're going to have to listen to our constituents and also do what our experience tells us is good business sense."

Smith said he's had a great deal of support during the election from the people in Muenster, as well as Precinct #4 Commissioner Virgil Hess.

To see how people in the local voting precincts voted, please see chart on page 3.

NCTC cosmetology students announce fund-raising project

It takes more than just a creative flair with hair for many students to make it through the cosmetology program at North Central Texas College, but help is expected from a new fund-raising project announced recently.

Members of the Cosmetology Student Association (CSA), project sponsors, plan to use some of the proceeds to help the college acquire needed equipment, and supplies for the department.

"Our primary focus, of course, is on students who may need a financial help for personal expenses after covering the cost of their training, books, equipment and so on," said Shirley Meek, cosmetology program coordinator.

To raise money for the CSA treasury, Meek said, students will be offering brand name hair care and grooming products for sale to their shop patrons on campus and to any members of the general public who may wish to support the NCTC cosmetology program and its students.

According to Lea Hodge, CSA president from Bowie, the Redken, and Matrix brand products will be sold at normal retail prices and will be available for

purchase Monday through Friday during normal business hours at the cosmetology shop in the 1500 Building on campus. Hodge said CSA officers have voted to award cash scholarships from the sales proceeds to deserving students each semester. Awards of \$25, \$50, and \$75 will be given, according to a student's classification, from freshman on up.

Students will be asked to apply for the awards and will be required to meet certain qualifying criteria, Hodge said.

"We believe this is a good cause," said Hodge, "and it will certainly help both our students and the cosmetology program. We'll be very grateful to all those who lend their support by purchasing these products."

Other officers of CSA at NCTC this year include: Adriel Sims of Lewisville, secretary; Brandi King of Pilot Point, freshman advisor; Da'Jon Williams of Denton, senior advisor; and Jennifer Melugin of Pilot Point, treasurer.

For details about the specific types of products available or to obtain information about NCTC's cosmetology program, contact any of the CSA officers at 940-668-4210.

Water Board holds special meeting

Muenster Water District Board of Directors held a special meeting on Wednesday, October 27, 2004. The board met with representatives of R & J Contract Services and representatives of Tri Dal Excavation to hold a pre construction conference. Photo by Deborah Wood

SWCD offers tree and seed programs

The Upper Elm-Red Soil and Water Conservation District (SWCD) is sponsoring its annual seedling tree program for area land users. The purpose of the program is to encourage the planting of trees for conservation and wildlife benefits.

National Radiologic Technology Week

National Radiologic Technology Week (NRTW) is observed the week of Nov. 2 - 6. The first discovery of X-rays was on Nov. 8, 1895 by Wilhelm Konrad Roentgen. The purpose of this week is to increase public awareness of the radiologic technologist and to reassure the public that they are receiving the maximum diagnostic and therapeutic benefits, with minimal radiation exposure.

NRTW is an annual celebration that began in 1979 and is sponsored by the American Society of Radiologic Technologists. This week is celebrated nationally by individual practitioners, medical facilities, and by educational institutions.

Hardwood and conifer trees are available. Adapted hardwood species include Red oak, Redbud, Green ash, and Aromatic and Smooth sumac. Conifers available include Afghanistan pine, Red cedar, and Italian stone pine. Wildlife packets are also available to enhance wildlife habitat and provide food and cover for quail, deer, turkey, and squirrels.

The cost of the seedlings is \$25 for a bundle of 50 bare root hardwoods, or \$50 for a bundle of 100. The conifers range from \$1.75 to \$2.50 per tree depending on the number ordered. The

wildlife packets are \$50 for 100 trees. The last day to order trees is Feb. 11, 2005. The trees will be delivered on Feb. 25, 2005.

In addition to the trees, the SWCD also sells a wide variety of grass and wildflower seed.

The USDA Natural Resources Conservation Service (NRCS) is the technical agency that assists the Upper Elm-Red SWCD in carrying out its programs. For information on the tree and/or seed programs, contact the SWCD or the NRCS Gainesville office at 940-668-7794, ext. 3.

Steelmancont. from page 1

to see him go," said Board President Jim Endres. "He's been an asset to our school district. We wish him the best of luck. This is a great opportunity for him!"

In other action at the Nov. 1 meeting the Board voted to rescind the motion made at the Oct. 22 meeting to

move the Board meeting from Nov. 17 to Nov. 15. After that they set the date for the next regular Board meeting for Nov. 10 at 7:30 p.m.

Duties and evaluation of school personnel were discussed during an Executive Session.

Tree planting tip

Time of year - the best time to plant trees is during the dormant season, in the fall after leaf-drop or early spring before bud-break. Weather conditions are cool and allow plants to establish roots in the new location before spring rains and summer heat stimulate new top growth. International Society of Arboriculture

2004 Keep America Beautiful litter index conducted in Muenster

Muenster is a Keep America Beautiful (KAB) certified city. To maintain the annual certification, KAB certified cities are required to conduct an annual litter index study. Keep Muenster Beautiful (KMB), an affiliate of Keep Texas Beautiful (KTB) and Keep America Beautiful, conducted the annual study.

A color-coded map of Muenster with Muenster broken into 11 areas is used for the study. Each person scoring an area will give the area a rating of 1, 2, 3, or 4. KMB volunteers who conduct the study first receive training with a video and example photographs of what an area would look like with each of the ratings provided by KAB. Volunteers conducting this year's study were Steve and Kay Broyles, Abby Endres, Imelda Rohmer, and Kristi Schneider. KMB conducts the annual study prior to the fall "Make a Difference Day" community wide cleanup in hope of finding the community in its worst condition. Each of the 11 areas studied receive individual scores that are averaged for the overall community score.

A score of 1 means no

Area:	Description of area:	Avg. Scores 2003:	Avg. Scores 2004
1	1 st 2 miles of Hwy. 373 - south	1.88	2.3
2	1 st 2 miles of Hwy. 82 - east	2.13	2.4
3	2 nd 2 miles of Hwy. 82 - east	1.63	1.8
4	Central-east Muenster	1.43	1.1
5	Northeast Muenster	1.90	1.3
6	1 st 2 miles of Hwy. 373 - north	1.95	2.0
7	Northwest Muenster	1.23	1.2
8	Central-west Muenster	1.13	1.0
9	1 st 2 miles of Hwy. 82 - west	1.55	2.0
10	Southwest Muenster	1.25	1.1
11	Southeast Muenster	1.38	1.4
Total	Over all Muenster community score	1.59	1.6

litter, 2 is slightly littered, 3 is littered and 4 is extremely littered. This study provides proof that Muenster is one of the cleanest cities in America however there is room for improvement.

The volunteers are required to make "notable conditions" such as graffiti, illegal dumpsites, broken windows, unkempt vegetation, and other eyesores. Some yards and empty lots were overgrown in violation of city mowing ordinances. A toilet was found discarded on Ash Street. One block in central/west Muenster was identified as being particularly bad and two blocks in the south/west area were identified as "eye sores". A home in south/east Muenster continues to

offend the neighborhood with a tremendous amount of junk in the yard and carport.

These "notable conditions" from all the scores will be consolidated onto one report and sent to Muenster City Hall with a request that the City require that offenders of City Ordinances come into compliance.

Littering is not only illegal, it's shameful and an insult to the Lone Star State. Those who litter can be fined up to \$1,000 for littering. Please help keep Texas Beautiful. Anyone interested in Keep Texas Beautiful and its affiliates may call 1-800-CLEAN TX or visit www.ktb.org. Learn more about Keep America Beautiful and the litter index study at www.kab.org.

Trick & Treat? Alvin and Joanie Hartman got a treat when they came home from the Machinators meet last week and found their grandchildren in their kitchen decorating pumpkins for Halloween. "Our grandchildren have so much fun decorating the pumpkins every year for our Halloween display," said Joanie. The trick came when they noticed the missing pumpkins on Halloween. "Our yard display is put out for our family enjoyment as well as for the whole community and we know the persons who took our painted pumpkins won't enjoy them as much as we did, our family is sad," stated Joanie. There were several around town who's pumpkins disappeared out of their yards and may have met their fate smashed on Main Street. Deborah Wood photo

Electioncont. from page 1

ballots to resolve, which she said indicated that the election judges did a good job with the pencils. There were several voting precincts that ran out of ballots that had to be restocked. The two Lindsay precincts, one in Muenster, and one at Lake Kiowa were the precincts that were restocked.

"We worked hard," said Lawson. "We worked a lot of overtime. The girls came in early in the mornings and because we couldn't get office work done because we

were doing election work. It was really trying. Everybody's tired. We're glad that it is over with." Lawson said that this is the first time that she reported election results online. She had to take training and a test to learn how to do this correctly. She said it was successful and she likes the quicker method.

To see results of how Muenster, Myra, and Lindsay precincts voted, see chart on page 3.

County breaks its early voting record

By Janet Felderhoff set in the 2000 Presidential Election. There were 3,072 early votes cast in that election. There are 24,971 registered voters in the County this year. According to County Clerk Rebecca Lawson, the early. Early voting ended Friday at 5 p.m. The 2004 Election broke the record long.

Tree planting tip

ISA tree planting tips include: loosen the soil around the planting hole to give tree roots ample room to grow; straighten the tree in the hole before refilling with soil; fill the hole gently but firmly; and mulch the base of the tree. After planting, keep the soil moist but not soaked; check soil moisture once a week (more often in hot weather); and prune sparingly and only when necessary. If in doubt about your tree's health, contact a Certified Arborist in your area for help.

It's for the birds

Remember that the key to attracting birds to your yard and motivating them to return again and again is no different than making company feel comfortable in your own home. Make their stay pleasant and enjoyable, and they are more likely to want to visit again.

DAYS GONE BY.....

by Elfreda Fette

65 YEARS AGO
November 3, 1939
 Building boom in Muenster continues at lively pace. Miss Gertrude Voth wins queen contest by wide margin. Weather is cooler, but misses first freeze by single point. Home of the John "Mutt" Corcoran family burns; they lose all personal belongings. New Arrivals: David William to Mr. and Mrs. Oscar Walter; Mary Elizabeth to Mr. and Mrs. J.M. Weinzapfel; David Anthony to Mr. and Mrs. J.P. Flusche. Tony Wimmer and Mr. and Mrs. Bernard Wolf visit in Tishomingo, Oklahoma on Sunday.

50 YEARS AGO
November 5, 1954
 Men In The Service: Pfc. Roger Wolf and Pfc. Larry Walterscheid transferred to Fort Hood; Seabee Floyd Lehnertz transferred to Japan; Lt. Virgil Walter at Fort Devens, Massachusetts writes about participating in a Living Rosary, when 1000 men took part; Pfc. Maurus Rohmer and Pfc. Raymond Hesse serve in same anti-aircraft battery; Gilbert Yosten discharged from Army after duty in Korea; Pfc. Murlin Joe Evans is in Korea. The Albert Hoehns of Fort Worth visit with the Ed Clers. Wedding: Maurice Stelzer and Anne Pierce. Mr. and Mrs. C.J. Wimmer

celebrate 48th anniversary. New Arrivals: Identical twin girls, Joyce and Janet, to Mr. and Mrs. Richard Swirczynski; Susan to Mr. and Mrs. Roy Endres, Jr.; Rebecca to Mr. and Mrs. Charles Davidson; Giles to Mr. and Mrs. Alfons Walterscheid, a daughter to Mr. and Mrs. Walter Haverkamp. The Joe Lukes enjoy three-week trip, with Caribbean cruise and visits in Cuba, Puerto Barrias, and Guatemala City.

25 YEARS AGO
November 2, 1979
 Lou Dyer reigns at MHS Homecoming. Bart Henscheid is selected for March of Dimes Poster Child. Bill and Terese Miller and son, Mark attend Tiger-Tyler Gorman game, then drive to Shreveport to visit the John O'Dowds. Clyde and Sharon Walterscheid return from week-long Caribbean cruise. Lois Sicking, Frances Hess, and Connie Colisi return from European tour and a visit with Lois's sister, Mrs. Hank Arendt in London. Betty Rose Walterscheid is grand prize winner in Gainesville Daily Register recipe contest. Other local winners were Imogene Zimmerer, Stella Hess, and Mary Jean McElreath, all of Muenster, and Catherine Stoffels of Lindsay.

Veterans Day

Veterans honored by MISD Students Council
 The honorable veterans of Muenster will be celebrated on Thursday, Nov. 11 at 10 a.m. in a ceremony at the Muenster High School gym.

Veteran Randy Zamzow will be the featured guest speaker. Mr. Zamzow enlisted in 1990 post Desert Storm. For five years he served as a Cryptologic Technician Interpretive in the United States Navy Security Group Activity and now resides in Muenster as a teacher and coach at Muenster High School. The Student Councils at Muenster ISD are sponsoring the ceremony. All community members are encouraged to attend.

Veterans' Day assembly planned by Lindsay High School
 The Lindsay High School Student Council is planning a Veterans' Day assembly on Nov. 11 at 2 p.m. in the Lindsay School gymnasium. Local veterans will be recognized during the program. Guest speaker will be Lindsay High School alumnus, Eddie Hughes, staff sergeant of the National Guard.

Following the veteran's program, the Lindsay Student Council, in conjunction with the FCCLA, is planning a reception for veterans and their guests. For further information, contact Glenna Metzler at 668-8474, ext. 213, or Brenda Fuhrmann at ext. 113.

Local VFW Auxiliary announces Veterans Day observances

On Monday, Nov. 8, a Veterans Musical Salute is being presented by the Sacred Heart Youth Choir. The presentation will begin at 7:15 p.m. in the VFW Hall. The public is invited to attend.

On Thursday, Nov. 11 at 8:45 a.m. there will be a Veterans Day Service at Sacred Heart Cemetery. The VFW Ladies Auxiliary #6205 invites all to attend.

Obituaries

Walter H. Schmitz 1926-2004

By Elfreda Fette
 Mass of Christian Burial was held for Walter Homer Schmitz of Muenster on Monday, Nov. 1 in Sacred Heart Church, officiated by Father John Ohner OSA, pastor. Mr. Schmitz died at age 77 at 12:40 p.m. on Oct. 28, 2004. He was born on Nov. 30, 1926 in Gainesville to Joseph J. and Anna Loerwald Schmitz.

Raised in Lindsay, he attended school there, and had been living in Muenster since 1982. In his youth he joined the Merchant Marines and served there for two years. He served in the U.S. Air Force for 22 years, during the Korean War and the Cuban Missile Crisis. He was a retired Air Force Master Sergeant and was the recipient of several service medals and accommodations, and was a longtime member of the VFW in Muenster. He owned and operated Walt's Bait and Tackle Shop in Muenster for approximately 10 years.

One of his favorite pastimes was a daily morning coffee break with close friends at the coffee shop. He always had a smile and always brought along a happy thought or a joke, and always expected his friends to come prepared with a joke. He loved his family, his Air Force, and his friends, who agreed at his funeral that if there was a report card among them they would all have given him a "straight A!!!"

Survivors include a daughter, Laura and her husband Tom Holton of Jacksonville, Florida; and a son, Steven Schmitz of Denver, Colorado; one grandson; one great-grandson. Preceding him in death were his parents, two brothers William and Richard, and three sisters Agnes Stewart, Stella Claybrook, and Lena Mae Trubenbach.

Sunday evening, preceding the day of the funeral, a Rosary Service was held at McCoy Chapel, led by Maxine Sandmann, Judy Crabtree, and Patty Hubik, nieces. Family Rosary Monday morning in McCoy Chapel was led by James Fleitman, a friend.

Participating in the liturgy of the Mass of Christian Burial with Father John were altar servers Butch Fisher, Alvin Hartman, and Sylvan Walterscheid. The First and Second Readings from the Old and New Testament were given

by Brenda Becker, a great-niece. Father John read the Gospel and gave the Homily.

Offertory gifts were presented at the altar by Michele Green, Bert Walterscheid, and Justin Camp, great-niece and great-nephews.

Eucharistic ministers were Herbie and Dolores Miller, Carol Grewing, Frances Bayer, and Ethel Bayer.

Music ministers were Ruth Felderhoff and Christy Hesse. Sacred songs included "Amazing Grace", "The Lord Is My Light and My Salvation", "Let Not Your Hearts Be Troubled", "Come To Me", and "How Great Thou Art".

The Eulogy was read by Jimmy Schmitz, a nephew. Burial in Sacred Heart Cemetery was directed by McCoy Funeral Home of Muenster. Pallbearers were Mike Trubenbach, Trent

Walter Schmitz

Trubenbach, Justin Walterscheid, Jimmy Schmitz, Bill Schmitz, and Mike Frost.

The VFW Post of Muenster provided a Color Guard.

A family meal was served in the Knights of Columbus Hall.

Frank Joseph Lindemann 1955-2004

Frank Joseph Lindemann, age 48 of Windthorst, died Oct. 21, 2004 in a Fort Worth hospital.

Mass of Christian Burial was celebrated on Monday, Oct. 25 at St. Mary's Catholic Church in Windthorst. Rev. Jerome Ward of Fort Worth officiated. A vigil and rosary service was held Sunday evening at St. Mary's, with David Kraeger, T.O.R., pastor, officiating. Interment was in St. Mary's Cemetery under the direction of Aulds Funeral Home of Archer City.

During the funeral Mass sacred songs were: "How Great Thou Art", "Psalm of the Good Shepherd", "Be Not Afraid", "On Eagles Wings" and "One Bread, One Body". Offertory gifts were presented by Bill and Patti Hemmi.

Born Dec. 1, 1955 to Ray and Mildred Lindemann in Archer City, he was a graduate of Windthorst High School. He worked in the Dairy Industry most of life. He was employed by Hoffland Dairy in Windthorst for the past 20 years. Frank was a member of St. Mary's Catholic Church. He enjoyed the

outdoors and loved to go fishing. A quiet man, he was loved by his family and will be deeply missed by all who knew him.

Survivors are: his parents Ray and Mildred Lindemann of Windthorst; three sisters Barbara

Frank Lindemann

Hanson and husband Kent of Wichita Falls, Sally George of Hart, Texas, and Kathy Riley and husband Tony of Rockwall; three nieces; one nephew.

Preceding him death were his grandparents Reinhold and Josephine Lindemann and William and Lena Fleitmann; and his brother-in-law Kerry George.

Pallbearers were Mark Hoff, Tom Hoff, Tim Humpert, Roger Krahl, Charles Veitenheimer, and James Veitenheimer.

For those who have asked the family has suggested memorials to Windthorst Volunteer Fire Dept. P.O. Box 162, Windthorst, TX 76389, Scotland Volunteer Fire Department, P.O. Box 103, Scotland, TX 76379, or to St. Mary's Improvement Fund, P.O. Box 230, Windthorst, TX 76389.

PRAY FOR OUR TROOPS!

From My Side of the Fence

by Ed Cler

People who would like to sow their wheat and oats, probably barley, will just have to sit back and wait. Some would like to re-work some land to let it lie fallow over the winter to be planted in the spring.

A lot of rain has fallen through last spring and early summer and the present time.

It has been an unusual summer. Everything stayed green, livestock are sleek and fat. I can't remember a summer when the grass and other forage didn't turn brown and we would always be on the lookout for smoke, or worse, fire.

Everyone seemed to enjoy having a summer with less heat than usual.

Crops were generally good, and producers seemed to be well pleased. There was always enough moisture so the land worked good. Corn and maize crops were above average.

The evening of Oct. 31, 2 1/2 inches of rain fell at our house and last night another 3 inches.

It would be nice if the rain held up for a few weeks so the farmers could get their work done.

So far we are being blessed with a good crop of pecans. With the good moisture they enjoyed all summer, the nuts are well filled out.

Bob and Eileen Vogel have a good crop of thinshells and are quite busy with their crop. They

have all the equipment to crack and shell any amount of pecans - improved, or native, and are ready to do yours.

We had a few last fall and were more than pleased with their work. It certainly is a labor saver.

Cash, Barnes exchange vows in Georgia

By Elfreda Fette
The wedding of Mindy Michele Loree Cash and Timothy Allen Barnes was held in Kennesaw Mountain Gardens of Kennesaw, Georgia in a traditional double-ring ceremony at 6 p.m. on Sept. 4, 2004.

The bride is the daughter of Gerald and Christa Cash of Kennesaw, and the granddaughter of Ed and Aileen Cler of Muenster, and the late Charles O. Cash and the late Loretha Cash Bringle. She is a 2000 graduate of Harrison High School of Kennesaw, and is a full time student at Mercer University. She is also employed full time at Marietta City Schools as their Free & Reduce Clerk.

The groom is the son of Jerry and Peggy Barnes of Powder Springs, Georgia. His grandparents are deceased. He graduated from McEachern High School in 1997. He is general manager of Chuck E. Cheese at Merchants Walk in Marietta, Georgia.

The wedding ceremony was outdoors, under an arch, decorated with white veil and flowers on top of the arch, and to the side, including purple delphinium, lisianthus, roses, stephanotis, greenery, and white stock with a single butterfly. The butterfly was in memory of the bride's grandmother, Loretha Cash Bringle, who passed away in July 2004.

Presented for marriage by her parents, the bride was wearing an elegant formal white wedding gown of matte satin. The strapless bodice was enhanced with two-toned beaded schiffli lace, extending throughout the skirt. The A-line skirt featured an asymmetrical drape with a sweep back train. She carried a cascading bridal bouquet of Dendrobium orchids, gardenias, roses, calla lilies, lisianthus, and stephanotis.

For sentiment and for "something old" she carried her Great-grandmother Hoehn's prayer book, and she wore a gold bracelet of open hearts, a gift on her

18th birthday from her mother. "Something borrowed" was a pair of her mother's pearl earrings. "Something blue" was a blue sapphire ring, a gift from the groom at Christmas.

ATTENDANTS
The bride's maids of honor were her cousins, Karen Cler of Arlington and Michelle Fuhrmann of Canyon, Texas wearing formal gowns, plum colored matte satin, strapless and A-line, and carrying bouquets of white roses and stephanotis.

Michelle Gay, a friend of the bride, was honorary bridesmaid. Flower girl was Shelbi Reese, groom's niece, dressed similar to the bride, and carrying a basket of white rose petals.

Standing with the groom was best man, Duane Barnes of Douglasville, Georgia, brother of the groom. Groomsman was Billy Reese of Dallas, Georgia, brother-in-law of the groom.

Ushers were Jeremy Cash of Kennesaw, bride's brother, and Michael Barnes of Douglasville, groom's nephew.

Mothers of the couple were candlelighters.

Officiating clergyman was Rev. Mary Sheryl Staudt Huiner, friend of the groom.

Wedding music was presented by organist Brenda Brent, and vocalist Michael Brent, friends of the bride and her parents. The prelude and solo just before the processional was Scott Wesley Brown's "This Is The Day". The processional was Pachelbel's "Canon In D", followed by Wagner's "Bridal Chorus". At the lighting of the Unity Candle was Stephen Curtis Chapman's "I Will Be Here". The recessional was "Arrival of the Queen of Sheba" by Handel.

RECEPTION
A reception, dinner, and dance followed, hosted by the bride's parents, in the ballroom at Kennesaw Mountain Gardens, attended by more than 150 family members and

friends. Hors d'oeuvres, full bar, and dinner were served.

Brittney Barnes of Douglasville, groom's niece, presided at the guest book. The bride's table, covered in white, held an arrangement of purple delphinium, lisianthus, roses, stephanotis, greenery, white stock, and plum color tea candles.

The wedding cake of three tiers was a cream cheese pound cake, with ivory buttercream icing, and small plum flowers, topped with a Mickey and Minnie Mouse bride and groom figurine. The groom's chocolate cake was decorated with chocolate icing, with a purple dragon on top.

Guest tables, covered in white, held hurricane and tea candles in plum color, with circles of greenery. Chairs were draped in white, with transparent lilac bows tied in back.

Guests of honor at the parents' table were Ed and Aileen Cler, grandparents of the bride, Doyle and Pam Rogers, Godparents of the

bride, and Michelle Gay, honorary bridesmaid and friend of the bride.

The bride and groom had planned a trip to Florida, but the hurricane changed all that, so they spent a week in Gatlinburg, Tennessee. They are now at home in Marietta.

The rehearsal dinner was held outdoors at the Bar B Q Rib Ranch, hosted by the groom's parents. Decorations were done by Peggy Reese, groom's sister.

Guests attending the wedding from a distance included Ed and Aileen Cler of Muenster, Gary and Mary Cler of Snohomish, Washington, Leon and Sandra Fuhrmann of Myra, Eric and Debbie Randolph of Thackerville, Oklahoma, Mark and Ruth Cler of Muenster, Doug Cler of Illinois, Bobby, Julie, and Caleb Orsburn of Thackerville, Doyle and Pam Rogers of Gainesville, Jim, Tammy, Bryant, and Mitch Case of Gainesville, and Victor Bringle of Garland.

Mr. and Mrs. Timothy Barnes ...nee Michele Loree Cash

School bus statistics:
• 23 million children are transported every day on school buses in the United States.

New Arrival

Wenzel

Tara and Jeff Wenzel joyfully announce the birth of their son Jacob Michael Wenzel. Jacob was born Thursday, Oct. 28, 2004 at 11:05 p.m., weighing 7 lb. 8 oz. and measuring 21 inches in length. Welcoming him home is his sister Carolyn Grace, age 2. Grandparents are Doug and Lynda Yosten of Muenster, and Hugo Wenzel of Dallas and the late Carolyn Wenzel. Great-grandparents are Henry Yosten of Muenster and the late Mildred Yosten, and Claire Klement of Muenster and the late Eugene Klement. Jacob is also welcomed by his aunt Gina Yosten.

Theresa Hermes celebrates 93

Theresa M. Hermes of Lindsay was honored with a celebration of her 93rd birthday on Sunday, Oct. 24.

Family members attended the 10 a.m. Mass with Theresa at St. Peter's Catholic Church in Lindsay and then proceeded to her home for a noon buffet. Children provided a brisket/chicken meal with varied side dishes, desserts, and drinks. A beautiful day allowed tables to be set outside on the deck and patio. A large table inside held a bouquet of 12 long-stem red roses and a large white cake decorated with orchid roses and inscribed "Happy 93rd Birthday, Mother".

After the noon meal, family members enjoyed visiting and reminiscing

about the fun times the family enjoyed together. Many pictures were taken. Everyone enjoyed singing "Happy Birthday" before Theresa opened gifts.

Family members attending were Cyril Hermes of Lake Dallas, Mark Hermes of Woodbine, Tom and Rosemary Dankesreiter of Muenster, Ralph and Debbie Hermes of Lindsay, Francis Hermes of Houston, Cecil Hermes of Sherman visited earlier in the week.

Grandchildren and great-grandchildren attending included: Dana and John Walterscheid, Anne, Sara, Abby, and Lora of Muenster; Eric and Cheramie Dankesreiter, Benjamin, Kathryn, and Matthew, of

Lewisville; Tommy Joe and Sarah Dankesreiter, and Alyson of Lubbock; Jennifer Hermes of Burns City, with Quintin McKinney of Oak Ridge; Loren and Weldon Bayer, Emily, Corbin, and Owen of Muenster.

Unable to attend but sending birthday wishes were Gina and Glenn Robinson of Dallas, Amy and Zak Struxness of Parker, Colorado, Jessica Hermes of Gainesville, and Jason Hermes of Dallas.

Theresa Hermes remains active. She attends daily Mass and leads the morning rosary. She continues the missionary work for the Secular Franciscans, enjoys singing with others at the Convalescent Centers, and visiting at Lindsay's Senior Citizen Day.

Thanksgiving Picnic Sunday - Nov 21

The Muenster Historic Commission is preparing for their annual Crèche Exhibit at the Ben & Aggie Seyler Muenster Museum. Nativity sets, old and new, any size, are requested to be loaned for the display starting Nov. 16 through Dec. 12. Bring the Nativities to the Museum on Thursdays, Fridays or Sundays, from 1 to 4 p.m. Janie Hartman photo

25 years celebrated by local NSDAR chapter

Members of the Era Francis Lightfoot Lee Chapter of the Daughters of the National Society American Revolution (DAR) celebrated the organization's 25th anniversary on Saturday, Oct. 16. This DAR chapter was formed on Oct. 13, 1979.

Mary Katherine Davis Smith and Aline Lee Fischer served as the organizing regent and organizing vice-regent, respectively. Both were long-time DAR members. It took two years to gather the 15 organizing members.

Bette Gunter Cheaney is the current regent. She welcomed the following honored guests: Lynn Forney Young, Texas state vice regent, NSDAR; Doris Gibson, Texas state chaplain, NSDAR; Lila Beth Davis, regent of Rebecca Crockett Chapter, NSDAR, Gainesville; Sally Pegues, regent of John B. Denton Chapter NSDAR of Sanger; and VFW Post 1922 color guard.

Five of the original charter members remain with the chapter. They are Carolyn Ann Davis, Bette Anne Gunter Cheaney, Rebecca Ann Balentine Jones, Linda Diane Lucas Reiter, and Mary Katharine Davis Smith.

Regent Cheaney remarked, "We are the keepers of patriotism. It is

Jay Schniederjan

our purpose and our pleasure to promote love of our country, respect for its flag, reverence for and pride in our armed forces and its members, and ourselves a means of passing on not only history of our country, but our own loving experiences and pride in being Americans."

Current members and associate members are Susanne Griggs Barnett, Dorothy Weber Bryan, Bette Gunter Cheaney, Carolyn Ann Davis, Mary Edith Yetter Eldridge, Mary Lemons Gill, Virginia Hodge, Rita Balentine Hogan, Peggy Wilson Holt, Rebecca Balentine Jones, Della Maberry, Cloma Ellis Mitchell, Linda Lucas Reiter, Jay Anne Lucas Schniederjan, Jorie Anne Schniederjan, Mary Katharine Smith, Karen Shobe Westbrook, Billie Monroe Williams, Dollie Wilson, Susanne Boothe Wilson, Susan Bishop Block, Marjorie Gauntt.

Classes offered to help people with diabetes

For people with diabetes, maintaining healthy blood glucose levels is a matter of life and death. One way for people to better control their glucose levels is to eat healthful meals and snacks at regular times each day.

To help local residents learn how to plan and prepare meals that can be enjoyed by people with and without diabetes, Texas Cooperative Extension is planning a four-part series of cooking classes called Cooking Well with Diabetes. The classes will be held on Nov. 8, 15, and 22 from 10 a.m. to 12 p.m. at the Cooke County Electric Cooperative on Hwy. 82 in Muenster.

The series will include cooking demonstrations as well as discussions of research findings on diabetes. For instance, recent research has shown that people with diabetes can enjoy a wide range of foods * including sugars * in moderation. Years ago, the term "sugar diabetes" was in common usage because it was thought that eating too much sugar caused diabetes. In those days, people with diabetes were advised to avoid sugar

altogether.

Those days are gone, said Mary K. Bielomowicz, an Extension nutrition specialist. Research has shown that moderate consumption of sugars and fats can still be part of a healthful diet for people with diabetes, as long as they keep their blood glucose at healthy levels and keep their carbohydrate intake to about 60% of total daily calories. Carbohydrates are found in grains, pasta, cereals, dairy products and vegetables, particularly starchy vegetables such as beans, corn, peas, potatoes, and winter squash.

Protein foods such as meat, fish, and poultry do not contain carbohydrates, unless other ingredients such as breading are added to those dishes.

Many carbohydrate foods also contain fiber, which can help reduce blood cholesterol and blood glucose levels. Carbohydrate foods that contain high levels of dietary fiber include whole grains, fruits, and vegetables. Because the body quickly absorbs the

glucose from sugary and high-starch foods, eating large amounts of them can cause blood sugar levels to skyrocket.

People with diabetes should consume some starchy or sugary foods including breads, potatoes, desserts, and fruit juices only in moderation, experts say. Instead of abstaining from sugars and starches altogether, they should consume a balance of different kinds of carbohydrates, such as more whole grains, non starchy vegetables and whole fruits, and less starchy and sugary foods.

One way to keep a check on the amount of sugars in the foods you buy and eat is to read the nutrition labels on food packages carefully. Sugar is sometimes listed as sucrose, glucose, fructose, high fructose corn syrup, honey, lactose, maltose, dextrose, and sugar alcohols such as sorbitol or mannitol.

Another way to reduce your sugar intake is to modify your recipes, Bielomowicz said. For example:

* When baking, reduce

the amount of sugar by one-quarter to one-third.

* In cookies, bars, or cakes, replace one-quarter of the sugar with nonfat dry milk. This cuts calories while increasing the calcium and protein in the finished product.

* Add extra flavorings or spices.

* Use unsweetened frozen fruit juice or fruit canned in its own juice instead of fruit canned in syrup.

* Replace some of the sugar in a recipe with fruit juices or purees.

Bielomowicz added that because diabetes results from how the body uses carbohydrates, eating about the same amount of carbohydrates at each meal will help maintain blood glucose levels throughout the day.

For more information on cooking with diabetes or on the Cooking Well with Diabetes series, contact Angel Walls, County Extension Agent, Family & Consumer Sciences at (940) 668-5415 or come by the office located in the Cooke County Courthouse, Room B-12.

League of Women Voters hear director speak

To Celebrate National Business Women's Week Cooke County Business and Professional Women Declares National Business Women's Week Oct. 18-22.

Cooke County Business & Professional hosted a celebration Oct. 19 at the Wooden Spoon in Lindsay to celebrate National Business Women's Week. Janet Imhoff, Voter Service Director for the League of Women Voters of Texas, was the guest speaker. A retired teacher from McKinney, Imhoff spoke on women's suffrage and the events and challenges that occurred along the way.

She explained that in the 1840s-1860s, when the suffrage movement was just beginning, women in Texas actually had more rights than women in the East. She also explained that Western states were the first to pass the women's voting rights, and Texas was the ninth state to ratify the 19th Amendment.

Mary Huneycutt, a CPA with Schalk & Smith and CCBPW treasurer said, "It's important to hear our speaker to get us excited about voting, about exercising the right that we earned so long ago. We also need to pass that excitement along to other women to encourage them to vote. Statistics show that even women registered to vote do not exercise that right as often as we should, and a large percentage of women are not registered to vote."

Additionally, CCBPW announced that the annual National Business Women's Week (NBWW) was held Oct. 18-22. NBWW offers communities, companies,

Some of the local elected officials and VIPs attended the National Business Women's Week celebration. Pictured from left, Justice of the Peace Dorothy Lewis, North Texas Medical Center Board of Directors Member Diana Eichenberger, Incoming District Attorney Cindy Stormer, Gainesville League of Women Voters representative Nita Reiter, Voter Service Director for League of Women Voters of Texas Janet Imhoff, CCBPW President Kim Walterscheid, and Sheila Cox, representing County Commissioner Bill Cox. Courtesy photo

and organizations an opportunity to celebrate and acknowledge the contributions of working women. It also offers a chance for local BPW organizations across the country to recognize companies and individuals who have made strides toward improving working women's lives in their communities.

"National Business Women's Week is a terrific way to honor women in businesses in Gainesville," said CCBPW President Kim Walterscheid. "It is our mission to support working women, and any chance we get to celebrate and join together we try to make the most of."

For more information or to make reservations call Mary Huneycutt at 665-3702 (day) or 903-564-5326 (evening) or Kim Walterscheid at 668-0771 (day) or 668-1859 (evening).

Oooh! Do I have to touch it?

Trunk or Treat surpasses MMH Auxiliary expectations

It was a dark and stormy night. All the young trick or treaters were dressed in their best costumes. As the storm clouds darkened and night approached, it was obvious that this would be a wet night to be out and about. There was a warm, dry place filled with fun things to eat and even a game or two. Muenster Memorial Hospital Auxiliary was hosting a Trick or Trunk event on that Sunday Oct. 31 night. Anticipating bad weather, their event was moved from the parking lot into the MMH Administration building. An estimated crowd of 400 to 500 called to play games, receive candy and other treats, and to experience a boo or two. Auxiliary members were excited about the turnout. Since it was the first year, they had expected fewer participants. Many commented on how generous those in the community who were asked to help were with money, goods, and time.

Janet Felderhoff photos

Judy Lovelace welcomed Trunk or Treaters.

Stone turns 5 years old!

Stone Lamar, son of Stick and Angelika Lamar, turned five years old on Nov. 1. It's a tradition around the Lamar household to choose your meals for your special day. Stick enjoyed it as a child as now do his children.

Stone chose donuts from Bayer's Kolonialwaren, tacos from the D.I. One Stop, and pizza from the Tower. Needless to say, his mom got the day off from cooking. Stone has two sisters, Mikaela and Hanna.

Stone Lamar

Christian Women's Club has full slate for next meeting

The much anticipated November Christian Women's Club meeting is almost here. Jane Thacker of Grapevine, a songwriter, recording artist, and recipient of numerous music awards, will be singing and sharing at the luncheon buffet. Her theme, "Constant Change is Here to Stay", helps listeners find hope and encouragement for living in these ever-changing times. Because of the Thanksgiving holidays, the meeting will be held Thursday, Nov. 18 at 11:30 a.m. in the Roadhouse

Restaurant in Lindsay. Also at the luncheon will be a style show featuring the First Noel at Golden Triangle Mall in Denton. This beautiful store, located in the Dillard's wing of the Mall, features Christmas ornaments and decorations, gifts, clothing and jewelry. Several of the store's items will decorate the dining tables at the luncheon. The clothing being modeled will certainly bring the Christmas Spirit.

There are no dues or requirements to attend the luncheon, other than to make a reservation by calling Shirley at 665-6399. It's a great way to make new friends and enjoy a delicious buffet luncheon.

Said the spider to the fly!

Trunk or Treaters enjoy the coloring table

Meeting Notice

Diabetes Support Group
On Tuesday, Nov. 16 there will be a meeting of the Diabetes Support Group at 7 p.m. in North Texas Medical Center Classrooms. Dr. Khawaja Anwar will give a program on Diabetes and Your Heart.

Individuals with diabetes and family members are encouraged to attend this free program. Call 612-8377 for more information.

Area Happenings

Morton Museum "Cowboys"

The fifth program in the Morton Museum of Cooke County's Fall Series "A Legendary Figure: The American Cowboy" will be held at the Museum in Gainesville at noon on Monday, Nov. 8.

Seating is limited. To reserve a seat or for more information, call 940-668-8900.

Enchilada dinner to be hosted in Montague

The St. William Spanish Altar Society is hosting their annual Enchilada Dinner. It will be held Sunday, Nov. 7 at St. William Parish Hall in Montague from 11 a.m. to 2 p.m.

The meal consists of chicken enchiladas, Spanish rice, beans, salad, tortilla chips, hot sauce, and dessert. The cost is \$6.00 for adults and \$3.00 for ages 12 and under.

Sacred Heart students are recognized for achievements in and out of the classroom

Sacred Heart School's Paul T. Bartush and Stephanie Henscheid have been nominated for the coveted Wendy's High School Heisman Award. Awarded in conjunction with the collegiate Heisman recognition, this award honors the nation's top high school seniors who best exemplify a supreme "citizen-scholar-athlete."

"A committee nominated these two promising leaders for their academic aptitude, athletic talent, and tremendous display of commitment to their communities."

"We believe it's important to recognize our young people not just for what they do in the classroom or on the field, but their contributions to communities," said Principal Jon LeBrasseur. "The Wendy's High School Heisman is a great way to showcase their diverse achievements for all to see."

Celebrating more than 10 years of commitment to youth and education, this program was created through a partnership between Wendy's, the National Association of Secondary School Principals (NASSP), and the Heisman Memorial Trophy in 1994. Henscheid and Bartush

were nominated based on the following criteria: GPA, civic involvement, sports, awards, clubs, and positions held.

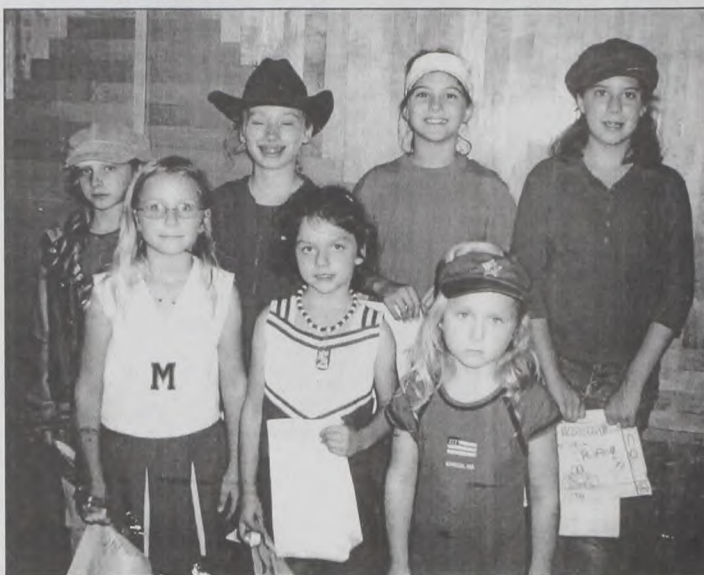

"These students are truly in a league of their own," says Archie Griffin, the only two-time winner of the prestigious Heisman Memorial Trophy and program spokesperson. "Each student nominated for the award has gone above and beyond expectations to help those in need, enhance their education, and pursue their dreams."

The Wendy's High School Heisman Program is comprised of five phases: Nomination, State Finalists, State Winners, National Finalists, and National Winners. Entries are initially evaluated by ACT Assessment during the State Finalist and State Winner phases and then passed on to a distinguished panel of judges.

Twelve National Finalists are invited for an all-expense paid trip to New York City on Dec. 10-12, to participate in the Heisman weekend festivities. ESPN2 will feature all 12 National Finalists during the Wendy's High School Heisman Awards Ceremony that will air on Dec. 12.

Stephanie Hess and Paul T. Bartush

The Muenster High School Student Council sponsors a Drug-Free poster contest each year during Red Ribbon Week. This year's winners are, from left, 3rd grade Amber Knabe, 2nd grade Morgan Flusche, 4th grade Brooke Walterscheid, 1st grade Reagan Weger, 5th grade Demi Koelzer, Kindergarten Katie Bell, and 6th grade Taylor Reiter. Machinators go to Texas BEST!

Next week the Sacred Heart Machinators travel to the Southern Methodist University (SMU) in Dallas for the Texas BEST competition! They are the proud winners of the Second Place BEST Award, in the North Texas BEST hub, which qualified them to move ahead. Friday, Nov. 12, the Robotics Class and Presentation Team will

travel to SMU to set up their booth, give a presentation to judges, and participate in various activities. Some exciting events the Machinators will be able to see are: various Mustang Assemblies (which include Robots with Brains, Skyscrapers; Design & Collapse, the Guildhall; Video Gaming, and Robots & Artificial Intelligence) and an ASIMO Demonstration.

ASIMO, created from the Honda Motor Co., is the world's most advanced humanoid robot. Advanced Step in Innovative Mobility (ASIMO) will make its debut at SMU during the BEST competition. ASIMO can walk forward and backward, turn smoothly without pausing, climb stairs, and remain in balance while walking on uneven slopes. The Honda Corporation is delighted to share their creation and help generate interest about humanoid robotics among high school students.

On Saturday, Nov. 13, the Machinators will travel back to SMU for another full day. The robotics competition will begin at 8:30 a.m. and will conclude at 6 p.m. Competitors from 11 states and 26 hubs, 12 of which are based in Texas, will participate in the activities and contests during the competition.

"It is the chance of a lifetime for us to experience and interact with some of the most advanced technologies at a high school level competition," stated sophomore and driver, Theo Otto. The Machinators continue to show their enthusiasm as the Texas BEST Robotics Competition draws closer.

Submitted by Christine Fetsch, president

Felderhoff siblings compete at convention in San Antonio

Chelsea and Justin Felderhoff participated and performed at the 90th annual Convention of the Texas Music Teachers Association in San Antonio June 11 - 13.

Chelsea and Justin performed as an invitation through the Conroe Music Teachers Association. They are both student affiliate members.

Chelsea performed "Holiday Waltz" on piano in coordination with 10 other students on baby grand pianos at the San Antonio Municipal Auditorium on June 12 in formal attire.

Chelsea has been studying piano for the last six years. She also participates in the Montgomery Junior High band, playing percussion, drums, bells, and snares.

Justin Felderhoff performed on the tuba in a

Small Ensembles group also June 11 - 13, performing at various times at the Municipal Auditorium. On Sunday, June 13 the group performed at the Historic Sheraton Gunter Hotel. They were critiqued, receiving a rating of a profession of music from the University of San Antonio.

Enjoying the convention with Justin and Chelsea were their parents Marcy and Floyd Felderhoff.

Justin and Chelsea also performed on June 8 at Montgomery College Auditorium in an "Honors Concert."

Justin has been performing on tuba since 6th grade. In junior high, Justin performed in the 7th and 8th grade Honor Band. He is performing also as a freshman in the Montgomery High School marching band.

VFW Ladies Auxiliary hosts District I president

The Ladies Auxiliary VFW Post #6205 held their regular meeting Monday, Oct. 18 in the Post Home. The highlight of the meeting was the visit of the District I president, May Carpenter of Pottsboro, member of the Lake Texoma Auxiliary #7873. She was pleased with her inspection.

The meeting was called to order, followed by the opening ritual, roll call, minutes, and treasurer's report. It was reported that the bake sale was a great

success. Proceeds of the sale benefit the cancer aide fund.

Members were reminded to vote on Nov. 2. Other upcoming events are a performance by SHS Junior High Choir on Monday, Nov. 8, and the Veterans Day service on Nov. 11 at 8:45 a.m. at the cemetery.

Mary Lee Hennigan served lunch to 15 members and one guest. She also won the door prize.

The next meeting will be Nov. 15 at 7:30 p.m.

Lunch Menus

Thurs. - Pepperoni pizza or cheese pizza, corn, tossed salad, strawberry applesauce, sugar cookies.

Fri. - Hamburger, sliced cheese, trimmings, potato wedges, ice cream.

Stroke Statistics

Approximately one-third of all stroke survivors will have another stroke within five years.

Getting ready for competition, Tom Otto, Lauren Krahl, David Walterscheid, and Mark Gehrig. Courtesy photo

Time saving tip

Use your commuting time wisely. If you are within bicycle or walking distance of your work, get out of your car and exercise your way to work. Use carpooling or public transportation instead of sitting in mind-numbing traffic with your hands gripping the steering wheel, using the time to read for pleasure, meditate to balance yourself, or organize your assignments so that your work day is more wisely spent.

Sports

Real Hornets wear red

The Muenster Hornets kept their playoff hopes alive last Friday night with a big 44-15 victory over the Hornets of Era. Era scored first and last, but otherwise it was all Muenster.

"We had a slow start, got it together, and played a good ball game," noted Muenster Coach Monte Endres. "I thought our offensive and defensive lines dominated the game."

Muenster took the opening kick. Unable to get 10 yards, the ball was punted to Era on their 39. Six plays later, assisted by a 15 yard penalty, Era was on the board with a 4 yard run by Corey Green. The extra kick by Scotty Johnson made the score 7-0 with 7:45 on the clock.

Muenster's offense struggled again. On 4th and 2, Muenster was dropped for a 7 yard loss and fumbled the ball, giving Era the ball on their 34. Four plays later, Era fumbled, Noah Barnhill covered the ball, and Muenster regained possession on the Era 45. A flag gave Muenster a 1st down. Clint Miller made a big 28 yard run. The drive was finished with a 1 yard run by Zach Swirczynski with 1:57 on the clock. Derek Felderhoff added the extra kick to tie the game 7-7.

Era carried the ball into the 2nd quarter, but tackles by Justin Wolf and Swirczynski, and an incomplete pass forced an Era punt.

From the 27, Justin Ferguson made a 22 yard run, followed by a 29 yard gain by Miller. Ferguson added another 2, then quarterback Sean Fuhrmann got a 20 yard pass to Zach Swirczynski for a touchdown. The PAT failed for a 13-7 score with 8:16 remaining in the 2nd quarter.

Muenster's defense held Era to 4 yards and a punt, putting Muenster on the Era 49. After Ferguson picked up 3 yards, Swirczynski broke away on a 40 yard run to the 6 yard line. Clint Miller then scored to give Muenster a 19-7 lead with 5:54 on the clock. The PAT pass failed.

After Era gained 26 yards on a pass, tackles by Swirczynski and Micah Flusche were followed by Swirczynski knocking the ball loose and Flusche covering it at midfield. Muenster could not get a 1st down. Michael Faries' punt went into the end zone, placing Era on their 20 yard line.

Tackles by Endres and Dustin Felderhoff forced a punt on 4th and nine, placing Muenster again at midfield. The Red Hornets went to the air with two incomplete passes and one Fuhrmann to John Fredrick pass for 9 yards. On 4th and 1, Miller picked up 6 yards, then 9 to the 25 yard line. Ferguson found the end zone with 22 seconds on the clock. The extra points run failed for a 25-7 score as the 1st half ended.

Era took the 3rd quarter kick but fumbled their first snap. Dustin Felderhoff covered on the Era 30. Swirczynski got to the 25, then Ferguson carried the ball in for the touchdown. The PAT kick failed and with 55 seconds off the clock, the Red Hornets took a 31-7 lead.

Era came back with a 28 yard run, but Muenster shut them down for a 4th and 12 punt. A 10 yard penalty put Muenster on their 5 yard line. A Sean Fuhrmann to Jordan Walterscheid pass turned into a 95 yard touchdown play. Again the PAT kick failed for a 37-7 score with 8:24 on the 3rd quarter clock.

Era returned Muenster's kick 50 yards, moving to the 21 yard line. On 4th and 2, Fuhrmann dropped Era for a 3 yard loss, and Muenster took over on their 24, moving to the 44 before running out of downs. The next play, Clint Miller covered a fumbled ball on the Muenster 40.

Muenster carried the ball into the final period, getting to the Era 18 before losing a fumbled ball. Three plays later, Cole Harrison got the ball back on the Era 29. Runs by Endres, Swirczynski, and Miller moved Muenster to the 5 yard line. Swirczynski scored and Faries added the extra kick for a 44-7 score with 3:53 remaining in the game.

Era's offense controlled the final minutes of the game, taking nine plays and a flag to get to the Muenster 25. With 7 seconds on the clock, a pass play from Green to Johnson put 6 points on the board for Era.

The extra run by Green was good for the 44-15 score.

Next Action

Regular District play concludes this Friday night as Muenster hosts the Petrolia Pirates.

"Petrolia is still a very talented team," said Coach Endres, despite the Pirates' loss record. "It depends on how hard they want to play."

Muenster not only must win this Friday night to make the playoffs, but Lindsay or Valley View have to lose. The Knights take on Era, while the Eagles travel to Collinsville.

Cow Patty golf tournament hosted by the SH Alumni

The Sacred Heart Alumni held its first Cow Patty Golf Tournament and Cow Patty Bingo on Saturday, Oct. 16 at the Gatewood Estates, south of Muenster. Several teams enjoyed the brisk morning air as they teed off in an unusual game of golf.

Each player had their choice of using two or three clubs, excluding the putter. Eighteen holes of golf were played, with Kenny Hartman and Roger Endres placing first. Kenny "Buckshot" Hess, Dale Vogel, and Kenny Hartman claimed cash awards for shooting closest to the pin.

Everyone commented on the amount of fun they had, as well as how challenging the course actually was. Along with walking, a multitude of vehicles were used to navigate the course, including 4-wheelers and mules.

The Cow Patty Bingo was deemed a success as Laura "Cootie" Harrison became the lucky winner when the cow "bingoed" on her square. It took 1 1/2 hours for the event to conclude, as many onlookers awaited the Bingo call.

The evening resumed with a hamburger supper and music provided by Billie Hogan and the Big Creek Band.

A Lapidus Blue Zulle ring was won by Debbie Hess via the card raffle.

Babe Schilling tees off on Number 2, par 5 hole.

A variety of "golf carts" used during the tournament, shown by, from left, Babe Schilling, Karl and Blake Haubold, Doyle Hess, and Rich Sweeney.

Biffle finishes strong to capture 1st annual Club Championship

On Oct. 23 and 24 Turtle Hill Golf Course held its first ever Club Championship. Jack Biffle shot rounds of 76 and 74 for a 36 hole total of 150 to capture the title. Biffle started Round 2 trailing the leader, Heath Lambert, by three shots, but as the leaders got to the back nine, the leader board started to bunch up. As the leaders got to the 10th hole Davis Cowling and Mark Hess shared the lead at 6 over par for the Championship; Heath Lambert and Robert Taylor, two strokes back at 8 over par; and Jason Hess, Rodney Baker, Jon LeBrasseur, and Jack Biffle, three back at 9 over par with nine holes to play.

The turning point in the tournament came on the difficult par-4 14th hole and the par-5 15th hole. Mark Hess stumbled at the 14th hole making a triple bogey. Cowling and Taylor then led after 14 holes, but both double bogeyed the #15 hole. Mark Hess bounced back with an eagle on #15. Biffle made birdie on #15, putting him and Mark Hess tied for the lead with three holes to play.

Biffle then took control of the tournament by birdying the next three holes, thus finishing the Championship by birdying his final four holes to capture the Championship. He was four

strokes over Mark Hess and Robert Taylor. The overall Net Champion was Randy Brown. Brown shot two consecutive 81s with a 14 handicap. His two day net score was a 10 under par total of 134.

Following is a list of all the flight winners:

Championship Flight

Gross - 1, Jack Biffle, 76/74 for 150; 2, Robert Taylor, 78/76 for 154; 3, Frank Hess, 81/76 for 157; 3, Jon LeBrasseur, 76/81 for 157.

Net - 1, Mark Hess, 76/78 for net score 146; 2, Rodney Baker, 78/81 for net score 151; 3, Brady Haynie, 81/78 for net score 153.

1st Flight

Gross - 1, Davis Cowling, 74/83 for 157; 2, Joe Hennigan, 84/76 for 160; 3, Pat Endres, 83/86 for 169.

Net - 1, Mike Walter, 82/79 for net score 147; 2, Roger Endres, 84/82 for net score 152; 3, Mike Hesse, 82/85 for net score 153.

2nd Flight

Gross - 1, Gene Davis, 75/82 for 157; 2, Tim Endres, 90/85 for 175; 3, Ronny Erwin, 93/89 for net score 182.

Net - 1, Heath Lambert, 73/85 for net score 142; 2, Chris Klement, 92/87 for net score 163; 3, Earl "Rotten" Hess, 95/102 for net score 179.

3rd Flight

Gross - 1, Randy Brown, 81/81 for 162; 2, Dan Hamric, 84/89 for 173; 3, Willie Wimmer, 85/98 for 183.

Net - 1, Tom Binder, 86/86 for net score 148; 2, Brent Hess, 81/92 for net score 151; 3, Reese Erwin, 101/101 for net score 160.

Cubs fall to Pirates

The Sacred Heart Cubs were handed their first loss of the season last Thursday in Collinsville.

Turnovers hurt the Cubs as they lost three fumbles and had the ball intercepted three times. Turnovers started on the first play when a fumbled ball gave the Pirates a touchdown, then an 8-0 lead with just 51 seconds off the clock.

The Cubs' second offensive attempt saw Chris Marshall run three consecutive plays for 20 yards. Joe Hesse got 5 yards, then Marshall broke tackles to get to the Pirate 37. Two penalties lost 15 and three plays put the Cubs in a 4th down punting situation. A fake punt came up short, giving Collinsville the ball on their 34 yard line. A pass the next play turned into a 76 yard Pirate touchdown. The extra run failed and the Pirates had a 14-0 lead with just one hike from scrimmage.

Marshall returned the kick 25 yards, but the next snap was another fumble and Collinsville took the ball on their 34 yard line. The Pirates got inside the Cub 20, then fumbled on the

10. Hesse covered for Sacred Heart. Runs by Matt Flusche and Marshall carried the ball into the 2nd quarter when the Cubs were forced to punt. Three plays later, 20-0.

A Rich Sweeney to Nathan Berend pass picked up 9 yards, then three runs by Marshall got the Cubs to the Pirate 24. The drive ended with an interception on the 5 yard line. Collinsville got to midfield, ending their drive with a sack by Ryan Bartush. Berend got in a good run as time ticked off the clock. The 3rd quarter was scoreless, with Sacred Heart ending two possessions with interceptions. Tackles by Zach Zanchetta, Kirk Felderhoff, Don Stalling, and Dylan Flusche kept the Pirates out of the end zone. One interception allowed the Pirates to carry the ball into the final quarter and with 6:02 on the clock,

scored their final touchdown for a 26-0 score.

On 1st down, the Cubs lost the ball on a fumble. Collinsville got in a few plays, then Joe Hesse picked off a pass on the 10 yard line. A run by M. Flusche and Marshall gained 10, then two plays lost 5. Two Marshall runs picked up 15 more yards as the game ended.

The Cubs finished the season with a 6-1 record. See score box below.

2004 Sacred Heart Cubs Season Record	
Cubs 28	Saint Mary's 0
Cubs 22	Saint Jo 0
Cubs 20	Lindsay 8
Cubs 44	Collinsville 6
Cubs 26	Saint Mary's 6
Cubs 34	Saint Mary's 6
Cubs 0	Collinsville 26

Muenster's 8th take win from Era

The Red Muenster Hornets defeated the fumbling Era Hornets 44-0 last Thursday night. Era fumbled nine times, losing six turnovers to Muenster. Offensively, Muenster earned a dozen 1st downs, half on touchdowns, with Era getting only two, both in the last minutes of play.

John Monday's opening kick started Era on the 10 yard line. The return to the 23 was stopped by Corey Reynolds. Era's first offensive attempt was a fumble, covered by Jeff Schmiederjan on the Era 19. Corey Reynolds took Muenster's first down up the middle and into the end zone. Reynolds then ran in the extra points for an 8-0 score with just 24 seconds off the clock.

Monday's kick was fumbled at the 25 yard line, but Era recovered it. Tackles by Reynolds, Monday, and Tanner Herr, and a deflected pass by Paul Crabtree forced an Era punt. The short high kick was downed on the Era 39.

Crabtree picked up 17 yards, then Taylor McGrew 3, on a fumbled play, to the 19. Reynolds then scored with 5:10 on the clock. The PAT failed for a 14-0 score.

Era got the ball on their 20 after Monday's kick went into the end zone. After losing 3 yards with a Monday tackle, a fumbled snap was covered by Jared Flusche on the 16 yard line.

A keeper by Herr gained 6 yards, then 9 by Reynolds to the 1 yard line. Herr carried again for 6 points. A Herr to McGrew pass added 2 more points for a score of 22-0 with 3:26 still left in the 1st quarter.

Era's next drive began on

their 30 yard line. Quarterback pressure by Brett Morris caused an incomplete pass. A fumbled play and a Brandon Bindel tackle gained only a yard. Another fumble on the punt resulted in a short kick that hit the mud with a plop on the Era 35.

Crabtree broke a tackle and gained 8. Herr picked up 3, Crabtree 6 more, and McGrew 8 to the 10 yard line, to end the 1st quarter. Tanner Herr then scored 6 seconds into the 2nd quarter. Extra effort on the extra point by Reynolds put the Muenster Hornets on top 30-0.

The 2nd quarter clock ticked non-stop. Era got in one run then fumbled again. Corey Reynolds covered on the Era 36. Herr picked up 3 yards, Crabtree 15, then Herr went up the middle, crossing the goal line standing up. Herr ran in the extra point for a 38-0 score. A minute and a half ticked off the clock to end the 1st half.

Era's offense started the 3rd quarter, but the first play was fumbled. Brandon Bindel covered on the Era 33. Runs by Herr and Crabtree picked up 17 yards. McGrew gained another 12 to the 4 yard line. Herr then scored with 3:45 on the continuously ticking clock. The PAT failed for a 44-0 score.

Two minutes and 45 seconds later, Monday's kick flew inside the 20. A tackle by Crabtree caused a fumble that Monday covered on the Era 20. The next snap of the ball started the 4th quarter. A holding flag and short runs made Muenster give the ball up on downs with less than five minutes

remaining in the game.

With under four minutes ticking off the clock, Era got their first 1st down of the game with a pass play, then earned another, getting to midfield. A quarterback sack by Crabtree lost 6 yards, then on 3rd down Crabtree caused another fumble at 45 seconds that Corey Reynolds covered. The remaining time then ticked off the clock for another Muenster shut-out.

Leading rushers for Muenster were: Paul Crabtree, 7/67; Tanner Herr, 9/49; Corey Reynolds, 3/47; Taylor McGrew, 6/20.

Fumble recoveries: Jeff Schmiederjan, Jared Flusche, Corey Reynolds, Brandon Bindel, John Monday.

Young Stingers fall to Era 8-0

Showers last Thursday afternoon made a very wet field at Hornet Stadium when the Muenster and Era 7th grade football teams battled to an 8-0 Era victory.

The opening kick was returned only 5 yards, where T.J. Acuna and Corey Sicking made the first tackle of the game. The Gold team made a 1st down, then tackles by Sicking, Jeremy Lutkenhaus, Levi Trubench, and Allan Fette, and a Fette quarterback rush for an incomplete pass forced a punt. Trubench returned the punt to the 43. The Red team couldn't get 10 yards, and punted the ball back as Era carried the ball into the 2nd quarter.

Muenster's defense, led by Chris Valliere, Fette, Acuna, Chad Henscheid, and Steven Valliere, gave the ball to Muenster at midfield on downs.

A face mask tackle gave Muenster a 1st down. Muenster ran the ball to the 22 yard line, but fumbled. Era picked up the loose ball and ran it back to the Muenster 32 before Acuna tackled the runner. The next play, Era scored with 4:02 on the clock. The extra run was good for an 8-0 score.

Trubench returned Era's kick 13 yards to the Muenster 35. Two Trubench runs gained 6,

but a fumbled pitch, recovered by Muenster lost 6. The 4th down punt by Eric Hellman was partially blocked, giving Era the ball at the Muenster 36. Three consecutive fumbled plays, all recovered by Era, ended the 1st half of play.

Muenster opened the 3rd quarter on their 44 yard line. Sicking pushed for 11 yards, but four unsuccessful plays, including two fumbled snaps, gave Era the ball on downs.

Tackles by Acuna, Lutkenhaus, and Matthew Bain held Era for two plays, but then an Era run carried the ball into the final quarter. Incomplete passes turned the ball over to Muenster on their 34 yard line.

Jacob Klement picked up 30 yards in two runs. A pitch to Trubench added 7 more yards, then Sicking broke away from a gang of Era defenders and got down to the 8 yard line. Trubench picked up 4, but a fumbled snap lost 3. With under a minute on the clock, Muenster was in a 4th and goal situation 7 yards from pay dirt. A run by Sicking picked up only 2 yards and Era got the ball on downs. Taking a knee, Era let the time tick off the clock for an 8-0 beating of Muenster.

Leading rushers for Muenster were Corey Sicking, Levi Trubench, and Jacob Klement.

Cooke County Soccer Association

R&R Pipe
Two Muenster girls' soccer teams had the opportunity to play against each other on Oct. 16. R&R Pipe's Little Hornets, coached by Randy Reiter, played Leroy Buddy's team in a game that was fun for all.

The Little Hornet girls played a great game both offensively and defensively. They were able to maneuver the ball down the field quickly and efficiently with Brianna Rohmer, Kristen Reiter, Tressa Jones, Morgan Flusche, Kassie Dangelmayr, Audrey Miller, and Tara Gunnels scoring

one goal each; Laurine McAden scoring two goals; and Makayla Moster scoring three goals.

Although Leroy Buddy's team played the entire game with one player absent, Jordan Buddy, Haleigh Brown, Cassie Horsman, Hope English, and Kimber Walterscheid played a spirited game and gave 100%.

This week's featured player is Laurine McAden. Laurine is a very athletic player whose favorite position is forward. Because of her quickness, she also does well as defense and goalie.

Texas deer season shaping up to be best in years!

With more than 83 million acres of available deer range, there is plenty of opportunity for Texas white-tailed deer to roam. And with so much of that country in ideal condition, Texas Parks and Wildlife Department biologists suggest hunters may have to cover more ground than they are accustomed to in order to be successful this fall. The good news is there are more than 4 million white-tailed deer in the Lone Star State and thanks to excellent range conditions, they should be in great shape with above-average antler development and high body weights. The white-tailed deer is arguably the number one game animal in Texas, attracting more than 500,000 hunters and more than \$2.5 billion annually.

Many small communities in the Hill Country and South Texas receive a good portion of their annual economic base from hunting. Llano County, for example, plays host to more than 15,000 hunters who contribute more than \$3.5 million to the area economy. The general deer season opens Nov. 6 statewide, except for a few counties in the Panhandle, marking the first time in many years that the North and South Zones share the opener. The North Zone closes Jan. 2, while the South Zone continues for two additional weeks, ending Jan. 16. Special Youth-Only seasons are set for Oct. 30-31 and Jan. 15-16 statewide. "This is the best year I've seen," said TPWD white-tailed deer program leader, Mitch Lockwood. "The last

couple of years we had good summer rainfall, which helped set the table for the fall, but this year we had an exceptional spring as well. Many ranchers are saying range conditions are the best in 20 years, and some of the old-timers I know also claim this is the best year they have ever seen." While favorable weather conditions have certainly helped Texas' deer herd, it may not have done any favors for hunters who rely heavily on supplemental feeding regimes, according to Lockwood. "I expect we'll have a good supply of cool-season forbs and the acorn crop is exceptional throughout most of the state, which means deer are going to be less likely to come to a feeder. You might have to get out of those blinds and do it the old-

fashioned way - rattling horns and stalking." Hunters on lands intensively managed for wildlife should see even greater rewards with improved antler growth and body weights. Lockwood noted, but will no doubt have to work that much harder to take their deer due to lush habitat conditions. "The successful hunter will be the one who gets out and hunts extensively," he stressed. Although few changes were made to this year's deer hunting regulations, those hunters on managed lands should welcome one alteration. The TPWD Commission has eliminated the need for "double tagging" on certain properties. According to the new rules now in effect, hunters who take deer on

properties holding deer permits that require permit tagging, such as Managed Lands Deer Permits, Landowner Assisted Management Permits, or on TPWD-drawn public hunts would not have to use a deer tag from their hunting license. What this means for affected hunters and landowners is less redundant paperwork and a simpler tagging system. It also means bonus deer tags are no longer needed. The new rule also means hunters who purchase their license by phone or online will not have to wait for the actual paper hunting license to be mailed to them before they can hunt deer on lands using deer permits. The authorization number given at the time of purchase will do until the actual license arrives in the mail.

Farm & Ranch

County Agent's Report

Wayne Becker
CEA - AG/NR

Landowners require license to conduct hunts

The Texas Parks and Wildlife Department would like to remind landowners that a hunting lease license is required for certain hunting operations. The owner of a hunting lease or the landowner's agent may not receive pay or anything of value from hunters unless the owner or agent has acquired a hunting lease license from the Department. This law applies to all hunting leases.

There are three types of lease licenses: (1) hunting lease license; (2) hunting cooperative; and (3) wildlife management association. The license is required to be displayed on the hunting lease property.

The fees for the first type, the hunting lease license, are as follows: (This license is for the total amount of property in a county owned by an individual, partnership, firm, or corporation).

- * less than 500 acres - \$75;
- * between 500- 1,000 acres - \$140;
- * 1,000 acres or more - \$240.

The second type of license listed above, the hunting cooperative lease license, means a cooperative enterprise in which participating landowners pool their acreage and lease it for hunting purposes under the authority of a hunting lease license and in which the leasing profits are distributed to the landowners, according to the landowners' participation.

MILC set to expire

Conferees of the Homeland Security appropriations bill removed a 2-year extension of the Milk Income Loss Contract program, which will expire at the end of the 2005 fiscal year. MILC provides funding to small dairy farmers when the price of milk falls below a certain specified level.

The amendment didn't survive, despite a kick-start from President Bush, who endorsed it on the campaign trail. The cost of the amendment would have been \$2.5 billion over 10 years, although some senators argued that the program did very little for larger dairy producers.

Oklahoma Farm Bureau

Ag Briefs

Heavy fall grazing weakens plants as they go into winter and causes them to grow less vigorously in the spring.

On warm season grass pastures, accumulate enough growth to conduct a control burn next spring to help control weeds.

15560 Hwy 82, West
940-759-2201
CATTLE AUCTION MEDIA REPORT
Sale Date: October 28, 2004
Stockers \$5 to \$7 HIGHER. Packer Cows & Bulls \$2 to \$4 CHEAPER.
Demand good on all classes.

STEERS
300-400 lb. \$140 to \$150;
400-500 lb. \$132 to \$140;
500-600 lb. \$125 to \$132;
600-700 lb. \$114 to \$124;
700-800 lb. \$107 to \$114.

HEIFERS
300-400 lb. \$130 to \$137;
400-500 lb. \$123 to \$130;
500-600 lb. \$115 to \$123;
600-700 lb. \$109 to \$115;
700-800 lb. \$100 to \$109.

PACKER COWS
Utility/Heifer: \$47 to \$52;
Canner/Cutter: \$48 to \$53;
Bulls: \$65 to \$71.

BRED COWS
Choice: \$975 to \$1050;

Medium-Poor: \$775 to \$850.

COW-CALF PAIRS
Choice: \$975 to \$1050;
Medium-Good: \$875 to \$950;
Medium-Poor: \$800 to \$850.

The fees for that license are as follows:

- * Less than 10,000 acres - \$60 + \$5 per participating landowner;
- * Between 10,000 and 50,000 acres - \$120 + \$5 per participating landowner;
- * More than 50,000 acres - \$240 + \$5 per participating landowner.

And the third type listed above is the wildlife management association area hunting lease license.

The Department may designate two or more contiguous or proximate (a tract of land within one-half mile of another member tract) tracts of land as a wildlife management association area if:

1. each owner of the land applies for the designation;
2. the land is inhabited by wildlife;
3. the Department determines that observing wildlife and collecting information about the wildlife will serve the purpose of wildlife management in the state; and
4. the landowners agree to provide the

Department with information regarding the wildlife under Section 81.302 of the Texas Parks and Wildlife Code.

The fees for licensing of this type of area are as follows:

- * Less than 10,000 acres - \$36 plus \$5 per participating landowner;
- * Between 10,000 and 50,000 acres - \$72 plus \$5 per participating landowner;
- * More than 50,000 acres - \$144 plus \$5 per participating landowner.

A hunting lease license is valid for the period from Sept. 1 through Aug. 31.

"A person who violates any provision of the hunting lease license requirements or who fails to comply with any provision of the hunting lease license requirements commits an offense that is a Class C Parks and Wildlife Code misdemeanor, which carries a fine of between \$25 and \$500," said David Sinclair, chief of Wildlife Enforcement at TPWD.

For more information, call (512) 389-4854.

Historic farm and ranch applications are due Nov. 15

The deadline for submitting an application for the 2004 Family Land Heritage Program is Nov. 15. The program recognizes farms and ranches that have been in continuous agriculture production by the same family for 100 years or more. Applications are also being taken for farms and ranches that have reached the 150 and 200-year milestones.

Since the Family Land Heritage Program began in 1974, almost 3,900 farms and ranches in 222 Texas counties have been honored. There is no cost to apply for the recognition, and no

purchases are required if the farm or ranch is accepted into the program. Acceptance into the Family Land Heritage Program does not put any restrictions on the land nor does it open it for the public.

Program applications and eligibility requirements are available through TDA, county judges, and on TDA's Web site at www.agr.state.tx.us. For more information, contact Family Land Heritage Coordinator Melissa Blair, Texas Department of Agriculture, P.O. Box 12847, Austin, TX 78711 or (512) 463-2631.

Cuban government in ag deals

The Cuban government plans to buy \$150 million in agricultural products, mainly corn, wheat, and cattle. A weeklong trade fair in Havana will showcase agricultural products from 125 U.S. companies. The new purchases will add to the \$704 million in U.S. ag

products purchased by Cuba through Sept. 1 of this year.

More than 200 Americans representing companies from 26 states and Puerto Rico will participate in the trade fair. Attendees from 45 countries have signed up to participate.

Announcing the 2005 Master Marketer program

In January 2005 the Master Marketer program is coming to Cooke County. This program has been the crown jewel of the Texas Cooperative Extension Agricultural Economics group for nearly 10 years now. It has won awards starting with Extension right up to USDA. This program has not been in our area since coming to Dallas in January 1999.

The Master Marketer program is designed for agricultural producers and agribusiness leaders experienced in marketing commodities and having some knowledge of futures and option markets. The course contains 64 hours of intensive marketing training, focusing on commodities that are predominant in the local area.

The course, offering a range of topics aimed at enhancing marketing skills, will be approached from a real-world standpoint using numerous case-study examples and simulated problems. Subjects will include:

- *Development and implementation of a marketing plan
- *Basic and advanced marketing strategies
- *Fundamental and technical analysis
- *Value added and alternative marketing mechanisms
- *Weather impact on market prices

Producers who are forward thinking and progressive will benefit most from this program. It is getting harder and harder to survive in production agriculture given today's environment. In fact, there is no distinction between agricultural production and

agribusiness. If agricultural producers want to survive in the future, they must view their operations as a business. This is especially true in the North Texas Region, given the large metropolitan population and skyrocketing land prices which create unique circumstances. Those looking to manage their cost of production, as well as gain income into how to improve their final selling price, should enroll in this course. As with past graduates, those who do enroll will be glad they did.

The Program will be in Gainesville on the following dates: Jan. 5-6; Jan 19-20; Feb 2-3; and Feb 16-17. Registration Fee is \$250.00. The deadline is Dec. 21, 2004.

Red River Regional Beef Replacement Sale

The beef cattle industry is the number one agricultural industry in Cooke County. Last year's estimations indicate that beef cattle contributed \$42.5 million dollars to the local economy in sales and value added categories alone. This does not account for the additional contribution of millions from the production and sale of forages, which are essential to producing beef. Cooke County is located in a logistically strategic area for the marketing of beef cattle. Two major highways divide it, Interstate 35, going north and south, and U.S. Highway 82, going east and west.

Cooke County has an abundance of producers that pride themselves on the quality of the animals they produce. Many local families have developed customers for their genetics

across the region. Recognizing the value of the commodity being produced, the Cooke County Beef Cattle Improvement Association was formed with the assistance of Texas Cooperative Extension. With the help of the board of directors from this association, a replacement cattle sale was organized, and will be implemented.

The goal desired by the establishment of this sale is to provide a local market for the quality cattle that are already here. Another goal of the sale is to increase the region's reputation for producing genetically superior cattle.

The first Red River Regional Replacement Sale will be Nov. 17, noon, at the Gainesville Livestock Market.

Dates to Remember
Nov. 9 - Marketing Club Meeting, 7p.m., Gainesville Farm Bureau Building.

Nov. 13 - Beef Cattle Field Day, 8:30 - 2 p.m., NCTC Activities Center.

Nov. 13 - Equine Field Day, 2-5p.m., NCTC Equine Facilities.

Nov. 17 - Red River Regional Select Beef Replacement Sale.

IT'S A STAT!

The number of acres of U.S. farmland devoted to organics has and continues to increase. As of 2002, 0.3 percent of U.S. crop and pastureland grows organic. Also for every dollar the food consumer spends, not quite 2 cents goes to organics.

Beef bans remain for S. Korea and Taiwan

U.S. officials meeting with South Korean government representatives have made no progress toward developing an agreement that would reopen South Korea to U.S. beef shipments.

The Taiwanese government is disputing reports that it has agreed to start accepting U.S. beef imports. One Taiwanese official said his government is not convinced that U.S. beef is free of bovine spongiform encephalopathy. The same spokesperson said inspectors from Taiwan would not be traveling to the United States on Nov. 10, as previously announced by the Agriculture Department.

BANKING

It's Your Business

The stability of your business could very well be determined by the kind of relationship you have with a bank. That's quite an ambitious statement for a bank to make, but it happens to be the truth.

With today's economic conditions it is essential for a business to take advantage of every opportunity to put its cash flow to work. Set-asides must be developed for those times when sales slump. A good banking relationship is as important to the success of a business as it is to have customers walking in the front door.

It's your business where you bank, but we'll promise you this: If you bank with us, we'll treat your business with the same degree of care as we would if it were our own.

Bank With Us
"Your Neighbors & Friends."
