## Muenster Chamber readies for Annual Christmas Parade

By Janet Felderhoff  
Santa Claus has confirmed it. He plans to be in Muenster on Saturday, Nov. 26 as usual for the annual Muenster Chamber of Commerce Christmas Parade. After the Parade, Santa will visit with children to hear their Christmas wishes.

The Parade is slated to start at 1 p.m. beginning at Seventh Street and Main. This year's theme, "A Storybook Christmas", promises to produce some colorful and interesting floats.

There is still time to enter. Deadline for submitting entries is 5 p.m. on Monday, Nov. 21. No entry fee is charged.

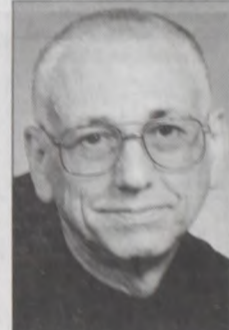

Parade entries must be lined up and ready to roll by 12:30 p.m. so that preliminary judging can be done. Participants are again warned not to toss any materials such as candy from their floats. This is for the safety of children who might dart into the street to retrieve the items.

Lineup numbers for the Parade will be available at the Muenster Chamber of Commerce between 10:30 a.m. and 12:15 p.m. on Saturday. A representative from each entry must come by the Chamber to get the number.

- These numbers must be taken to the Parade chairmen at Hornet Field so that they can give line-up directions. Serving as chairmen again this year are Rick Walterscheid and Leon Klement.
- Categories to be judged and awards are:
- Best Business - \$150 in Muenster Marks;
  - Best Theme - \$150 in Muenster Marks;
  - Best Religious - \$75 in Muenster Marks;
  - Most Creative - \$75 in Muenster Marks;
  - Best Marching Band - \$50 in Muenster Marks;
  - Best Drill Team - \$50 in Muenster Marks;
  - Best Equestrian Unit - \$50 in Muenster Marks.
- Muenster businesses are hosting their annual Holiday Open House and Tastes of Muenster that same weekend. Boxes and entry forms will be in all businesses during the days beginning Saturday, Nov. 19. Already over a \$1,000 has been donated for a drawing to be held after the parade. As always, winners must be present when their name is drawn to collect their prize. Amounts will be announced next week. Only one prize per person will be allowed this year!

## 50th Jubilee to be celebrated by Brother Thomas Moster, O.S.B.

Brother Thomas Moster, O.S.B. will celebrate his 50th Jubilee in the service of the Roman Catholic Benedictine Order on Sunday, Nov. 20 at Sacred Heart Church in Muenster. There, he will renew his monastic vows at the 10:30 a.m. Mass, followed by a reception at the Sacred Heart Community Center. This reception is being held in conjunction with the Church's Thanksgiving Homecoming Picnic.

Brother Thomas Moster, O.S.B.

Brother Thomas joined the Order of Saint Benedict in 1957 and served at Sacred Heart Church and School in his hometown of Muenster in a number of capacities during his tenure of 21 1/2 years. Various duties included church sacristan, altar server instructor, church decorator, master teacher of English I-IV, teacher of Journalism, and also Speech & Drama.

He was responsible as producer for the many memorable musical productions over these years, as well as acting as editor of the school newspaper, *The Mosaics*, and editor of the school yearbook, *The Cordis*. But most importantly, Brother Thomas served as mentor for more than 500 young men and women while preparing them for adult life and responsibilities.

## Divorce gets more expensive on Jan. 1

By Janet Felderhoff  
After Jan. 1, 2006, filing for divorce in Cooke County will cost an additional \$30. This is due to a State mandated fee that will be divided equally between the State and the County and placed in designated funds.

According to District Clerk Pat Payne, two years ago the State allowed counties to decide whether or not to adopt a fee. "The other time it was a may, this time we shall adopt a fee," she noted. Some counties were so angry because they were told to collect a fee, half of which will go to the state, that they adopted a fee of \$1, Payne said. The amount can range anywhere up to \$30.

Previously Cooke County voted to adopt a \$15 fee and it was divided between CASA and Friends of the Family. It was discontinued after some uproar statewide led some to believe that all collected money might have to be refunded.

Any fees collected by the Family Protection Fee, SB6, 79th Legislature for the 235th District Court will be divided equally with the State. The State's portion is designated for the Child Abuse and Trust Fund Account to be overseen by the State Comptroller's Office.

Commissioners Court adopted the \$30 amount. Where Cooke County's share will go will be decided at a later time. It must go to establish a program or aid non-profit organizations that provide family protection services. Local eligible agencies will be invited to seek a portion of the County's \$15 of the \$30 that will be added to all divorce fees in Cooke County as of Jan. 1, 2006.

County Auditor Kent Lashley brought amendments to Commissioners Court to close out FY 2004-05. He said that most departments did not overspend their entire budget. If they overspent in some line items, they underspent in others to make up the shortfall.

Juvenile probation and the detention system, which involves the partnership with Grayson and Fannin Counties, was overspent. "Their billings were more than what

we had expected," said Lashley. "We overspent there by \$15,000."

Another area with major overspending was in the Sheriff's Department. Lashley noted, "We are spending a lot more on prisoner housing than we had budgeted. The amount overspent was \$326,834 for housing prisoners." He said that some items related to that, such as returning prisoners \$14,868 and prisoner medical expenses \$74,070.

Extra help and overtime in the Sheriff's Department was also overspent. Judge Freeman noted that the line item was 50% over the budgeted amount. He called on Sheriff Mike Compton to explain his reason for overspending by that much. Sheriff Compton said he didn't feel there was much that could be done about it. If somebody gets overtime and we have them take that off within the 30 day period, it throws us short on help. He said that with 12 men, he is understaffed on the patrol side. He didn't feel that overtime was being abused since a program has been instituted to check on time logged.

"We still have to answer the calls when they come up. If there's not somebody there to work, we've got to call somebody in to take care of it. This is law enforcement. That's what people expect. Our situation is not one that we can let it wait until tomorrow. This is a safety issue," said the Sheriff.

Commissioners Court approved taking \$122,560.23 from the General Fund to close out the 2004-05 budget.

Commissioners approved the Regional Juvenile Detention Facility Agreement between Cooke, Grayson, and Fannin Counties. Bill Bristow, director of the tri-county juvenile facility, explained that concern over the

current governing board having authority to make decisions, high cost of insurance in case of a lawsuit, and the possibility of a lawsuit were some reasons that changes had to be made.

It was decided that the current governing board would become an advisory board. Cooke County Commissioners Virgil Hess and Gary Hollowell serve on that board and are expected to continue in that capacity. Cooke County had some concern that they would no longer have any "teeth" in situations. Bristow said that the three counties have operated for 20 years with no problem and he anticipates none in the future.

Commissioner Hollowell said that he prefers the change from administrative to advisory board because he won't have to worry about the liability. He doesn't feel that Cooke County will have any less influence on the decisions made. A majority of the board could outvote any county anyway.

The Juvenile Detention

steps were being taken to do that.

Commissioner Al Smith said that if a half million dollars is overspent in any department, the County has to come up with a "magic bullet" to bring in that money to cover the additional expenditures.

"The overtime is only \$40,000 in a half million dollar problem," Smith remarked. "The rest of it is we're building a new jail to try to take care of it. If we blow the budget a half million dollars in this coming budget we will have trouble."

Smith told the board, "Because of prison and everything else, the activity in your area drove the budget \$472,000 more than we thought it would be at the beginning of last year." He explained that money overspent in any area has to be taken from another area to make up the difference. Commissioner Smith concluded, "Do the best that you can with the \$4 million that you have."

Commissioners Court approved taking \$122,560.23 from the General Fund to close out the 2004-05 budget.

Commissioners approved the Regional Juvenile Detention Facility Agreement between Cooke, Grayson, and Fannin Counties. Bill Bristow, director of the tri-county juvenile facility, explained that concern over the

Meal to benefit Leaha Smith to be held Tuesday before ballgame

The Muenster Lady Hornets are sponsoring a benefit dinner for Leaha Smith, who was injured in a rodeo accident. A chicken spaghetti meal, which includes salad, bread, tea, and dessert will be served on Tuesday, Nov. 22 at the Muenster ISD cafeteria. Serving time will be 5-7 p.m., before the Muenster vs. Bellevue basketball game.

The donated cost is \$6 for adults and \$3 for children 10 and under. All proceeds will go to the family to help cover medical costs.

## Muenster Kiwanis distributes Pancake Supper proceeds

The Muenster Kiwanis Club distributed the proceeds from its annual Pancake Supper to local organizations Wednesday. This year's donations totaled over \$1,500. "We appreciate what each of these organizations does for our community," said Kiwanis President Shane Wiley (pictured far left). "We feel really fortunate to be able to support them." Pictured are (from left to right) Wiley, Kay Kieck accepting for Keep Muenster Beautiful, Celine Ditzforth for the Muenster Historical Society, Ronnie Weinzapfel for the Cub Scouts, Melanie Hesse for ABBA, Adelia Wilson of MMH, and Bill Ledbetter accepting for Social Concerns.

# DAYS GONE BY.....

by Elfreda Fette

**65 YEARS AGO**  
**November 15, 1940**  
 Fine rain during the weekend is followed by a wintry blast. Dense fog Saturday night is the cause of two separate car accidents. Cupid Runs Amuck; four couples are united this week - Dorothy Davidson and Ralph Esker, Marie Walter and Paul Endres, Marie Arendt and Emmet Fette, Rita Rohmer and Werner Becker. P.J. Rollman, John Meurer, Frank Hess, and John Bayer were in Vinita, Oklahoma on business Sunday and Monday.

**50 YEARS AGO**  
**November 18, 1955**  
 Mr. and Mrs. Henry Fette and Mr. and Mrs. G.H. Hellman observe golden anniversaries at double celebration. Originally it had been a triple wedding, but the third couple, Mr. and Mrs. William Hellman have since passed away. Obituaries: Herman E. Schmitz, 79; Albert Bezner, 83. A fire of undetermined origin destroyed a barn and its contents, a sheet metal building, a late model tractor, two trailers, and 500 bales of hay at the Tim Stormer farm about three miles north of town. Wedding: Alice Koelzer and Joseph Hermes. A surprise observance of their 45th wedding anniversary honored Mr. and Mrs. Alfons Koesler. New Arrivals: Beverly to Julian and Carrie Walterscheid; Kenny to Ray and Lucille Hess; Janet to Arnold and Gerrie Wimmer; David to Eddie and Margie Krahl; a daughter to Mr. and

Mrs. C.A. Brown; Christopher to Freddie and Betty Neu; Ronald to A.J. and Mary "Girly" Felderhoff.  
**25 YEARS AGO**  
**November 14, 1980**  
 Cooke County Tax Appraisal District takes shape. This is the organization destined soon to do all of the tax assessing and collecting for the 13 taxing entities of the county. Nov. 15 is the beginning of deer season. Obituaries: Herbert Fette, 52; Albert "Pep" Schilling, 73. Wedding: Marilyn Neu and Leslie Sandmann. Sam Hartman, son of Mr. and Mrs. Joe Hartman of Austin, has been chosen as Austin's March of Dimes Poster Child. He has been visually impaired since birth.

**County**  
 Facility is where Cooke, Grayson, and Fannin send their juvenile offenders while awaiting a hearing or to the boot camp, if that is the punishment assessed by a judge. It would be too expensive for Cooke to maintain its own facility. The tri-county is unique and was the first of its kind in the state.  
 Zwings Engineering/Planning, LLC was hired for engineering services during the construction of the Precinct #4 County barn and EMS Substations 1, 2, and 3. They agreed to charge only for his time spent and that cost would be \$85 per hour. Commissioners Hess and Hollowell said it was a very good price.  
 Each member of Commissioners Court scored the two companies submitting sealed bids for the construction of Cooke county EMS Substations 1, 2, and 3. B.J. Construction got the highest score and will be the first to meet with the Court. Sedalco was the second.  
 Bids were opened for a 2005 or newer full size car for the Cooke County District Attorney's Office. Klement Ford submitted a bid of \$19,164 with a trade in allowance of \$2,500 for a bid price of \$16,664. Glen Polk bid \$24,653 with a trade in allowance of \$2,000 for a bid of \$22,653. Klement's bid was approved.  
 Bids were opened for three passenger vehicles and one SUV for the Sheriff's Department. Klement Ford of Muenster was the only bidder on the passenger cars. The bid was \$21,164 each or \$63,492 for all three less the trade in of \$8,500 for three old vehicles for a total of \$54,992. This was approved.  
 On the SUV, Klement bid

**Ella Frances Roe**  
**1921 - 2005**  
 Funeral services for Ella Frances Roe, 84, were held Nov. 11 at First United Methodist Church in Whitesboro with Dr. Roy Spore and Rev. Tom Peel officiating. Interment followed in Oakwood Cemetery.  
 Mrs. Roe passed away Tuesday, Nov. 8, 2005 at Pecan Tree Manor in Gainesville.  
 She was born Feb. 23, 1921 in the Hayes Community to William Foister and Sophronia M. (Baker) Davidson. She married William Franklin "Bill" Roe on Nov. 20, 1943 in Marysville. She was a homemaker and a member of the First United Methodist Church.  
 Survivors include her hus-

band William of Callisburg; daughter Ann Dunnam and husband Bill of Whitesboro, and daughter Reba Swanner of Callisburg; a sister Amma Belle Snow of Callisburg; and a brother Charles Davidson and wife Alice of Muenster; four grandchildren and five great-grandchildren.  
 She was preceded in death by her parents.  
 Pallbearers were Mark Pike, Billy Mangrum, John Yeargan, Dee Welch, Ken Biggers, Jerry Johnson, H.B. Haynes, and Harold Achimon.  
 Donations may be made to the First United Methodist Church Whitesboro Building Fund, 122 S. Union, Whitesboro, TX 76273.

**Elvin Eli Dennis**  
**1918 - 2005**  
 Services for Elvin Eli Dennis, 87, of Gainesville, were held Nov. 16 at the Landmark Missionary Baptist Church in Saint Jo with Rev. Todd Gray and Rev. Ricky Kerr officiating. Burial followed at Mountain Park Cemetery in Saint Jo.  
 Mr. Dennis died, Nov. 13 at the Renaissance Care Center in Gainesville.  
 Elvin was born Sept. 1, 1918 in Bulcher, to Andrew Jackson and Olivia Freels Dennis. He married Mattie Inez Hale on Oct. 11, 1938. He served in the European Theater during WWII and was active in combat at the Battle of the Bulge in 1944.

Elvin was a retired oilfield pumper/driller, bulldozer operator, and cattleman.  
 Survivors include: wife Mattie of Gainesville; daughters Frances Poyner of Saint Jo and Pat Jones of Fort Worth; sons Richard Dennis of Pilot Point and Arnold Dennis of Saint Jo; 14 grandchildren, 12 great-grandchildren and five great-great-grandchildren, and numerous nieces, nephews, and cousins.  
 He was preceded in death by son Elvin Eli Dennis, Jr.; granddaughter, Kay Poyner Tompkins; great-granddaughter, Jessica Leigh Tompkins; three sisters and six brothers.

LETTERS TO THE EDITOR

Letter to the Editor:

As most of Muenster already knows, another one of our local precious youth, Leaha Smith, was traumatically injured a few weeks ago in a rodeo accident. Leaha is making remarkable strides and improvement daily, due mainly to the excellent treatment she has received at

Children's Medical Center and Our Children's House at Baylor. However, the cost of her extended stay in these world-class facilities is obviously very expensive. Her parents, Tim and Denise, would never ask for help, but would be the first to give to others in a time of need. So I and the Lady Hornets

are asking you and your family to help Leaha and her family by attending a fundraising dinner on Tuesday (Nov. 22) before the Bellevue basketball games at the MISD cafeteria. I consider this exceptional young student athlete as one of the daughters (as I do all my Lady Hornets) that Cheryl and I never had.

Leaha, I am sure, is also very special to many of you that have been blessed with her unending respect, work ethic, and beautiful smile. So I again encourage you to come out and enjoy a good meal and help benefit a remarkable young lady and a fine family. Coach Jeff Frennall Muenster Lady Hornets

The Muenster Enterprise will be closed Thurs. & Fri., Nov. 24, 25 for the Thanksgiving holiday.

Submission deadlines for next week's edition will be 5PM Monday, Nov. 21.

Papers will be available Wednesday.

Happy Thanksgiving!!!

## Lingner and Hess exchange vows in St. Mary's Catholic Church

**By Elfreda Fette**  
 Jessica Diane Lingner of Muenster became the bride of Darrin Paul Hess of Muenster on July 23, 2005, with the double ring ceremony and Nuptial Mass officiated at 5:30 p.m. in St. Mary's Church by Fr. Don Brennan.

Presented at the altar by her fathers, the bride was wearing a formal white wedding gown, with cathedral train, halter top with v-neck, open back, with four vertical straps across the back, and a shoulder-length veil.

For tradition, sentiment and something "old", she had a 1902 silver dollar and "The Golden Rule Marble", and "borrowed" 20 pesos, also blue.

**ATTENDANTS**  
 Maid of honor was Jill Hess of Muenster, sister of the groom.

Matron of honor was Tania Hofbauer of Muenster, friend of the bride.

Bridesmaids were Kimberly Hess of Muenster, groom's sister, and Pamela Hair of Gainesville, sister-in-law of the bride.

Their gowns were formal, Victorian lavender satin like material with sheer overlay, designed floor length, and with spaghetti straps on the bodice.

Flower girl was Bethany Walterscheid and ring bearer was Ethan Hair.

Best man was Shayne Evans of Myra, a friend of the bride and best friend of the groom.

Groomsmen were Jason Hofbauer of Muenster, Chris

Mr. and Mrs. Darrin Hess ...nee Jessica Lingner ...

Jones of Myra, and Josh Wennman of Flower Mound, all friends.

Ushers were Joe Becker of Muenster, groom's cousin, Paul Black of Denton, friend, Weldon Bayer of Muenster, friend, and Jeremy Walterscheid of New Jersey, future brother-in-law.

Traditional wedding music was presented by Pat Hennigan Jr., organist. Vocalist was Lana Wiese.

Church Readings in the Nuptial Mass were given by Kristie Lutkenhaus, Diane Becker, and Kimberly Hess. Offertory gifts were presented at the altar by Paul and Brenda Becker of Muenster, groom's uncle and aunt.

**RECEPTION**  
 A reception for approximately 150 guests was held at the Sacred Heart Community Center, hosted by the bride and groom and their families. Presiding at the guest book was Loren Bayer. The three layer white

bride's cake was made by Betty Rose Walterscheid, with flowers made by Sylvia, and the cake topper keepsake made by the bride. The chocolate groom's cake was decorated with a 4-wheeler, and a sign "Just Married".

Reception assistants were family and friends. Cake servers were Amy, Rachael, Amber, and Becca, grandchildren of Clyde Muller.

Decorations in the reception area were made by Aileen Knabe and family.

Guests from a long distance included the bride's brother Shane Hair and son Oliver from Virginia, and her grandmother Diane Lingner and cousin Suzy Weir from Connecticut.

The rehearsal dinner was prepared by the groom's father, and was given at his grandmother's house.

Since returning from a wedding trip to Broken Bow, Oklahoma, the couple is residing in Muenster.

## SH Bake Sale offers many holiday goodies

Winter weather whirled in this week to set the scene for the fast approaching holidays. Everyone is busy, busy, busy. Sacred Heart Alumni and Friends offers an opportunity to do some of the work for you. Their annual Sacred Heart School Bake Sale is scheduled for Friday, Dec. 2 from 7 a.m. to 3 p.m. in the foyer of the Community Center.

There is always a wide assortment of tasty homemade goodies. Included in the selection are breads, cookies, cakes, pies, strudels, cinnamon rolls, candies, and brownies.

Proceeds from the bake sale go towards books for the students at Sacred Heart School.

Mark your calendar for Dec. 2 and stock up for holiday guests and parties.

## Cub Scout Turkey Shoot held in Park

The annual Cub Scout Turkey Shoot was held Nov. 13 at 1 p.m. in the Muenster City Park. The participating Scouts brought two leaf bags full of aluminum cans. Various other events were also held. Prizes given were turkey, pie, stuffing, cranberry sauce, and cool whip.

The top shooters were Devin Sicking and Tyler

Walterscheid from the Tiger Cubs, Dalton Bartel and Mitchell Hendricks from the Wolf Cubs, Jared Dangelmayr and James Dangelmayr from the Bear Cubs, Darrell Hermes and Eland Green from the Webelos 1, and Clayton Fangman and Hunter Klement from the Webelos 2.

## Veterans Day observed locally

Muenster Veterans of Foreign Wars Post 6205 and its Ladies Auxiliary paid tribute to soldiers of all wars and conflicts when they observed Veterans Day on Friday, Nov. 11.

The remembrances began with a Mass offered for living and deceased veterans which was celebrated by Fr. John Ohner in Sacred Heart Church.

The tributes continued when the Post and Auxiliary gathered in Sacred Heart Cemetery where Post Commander Joe Bright led the congregation in the Pledge of Allegiance and welcomed all to the services.

Auxiliary President Frances Bayer then placed a memorial wreath at the Veterans' Monument in honor of those who made the supreme sacrifice for their country, as Auxiliary Conductress Linda Knabe explained the significance of the colors of the wreath. She then read petitions for all living, deceased, and missing veterans, their families, and for the leaders of all nations.

President Bayer then read a poem entitled *God Bless America* and a tribute entitled *A Veteran Is*.

Sarah Whitecotton and Karina Skotnik led the congregation in "Amazing Grace", before President

Bayer, in closing, urged all to say thank you to any soldier, sailor, or marine they encountered for placing their lives on the line for their country and others.

Veterans Day, originally commemorated as Armistice Day, commemorated the end of fighting in World War I in 1918. President Eisenhower proclaimed it Veterans Day in 1954 to honor those who saw service in other wars as well, and is today observed in all United States and its territories.

# Preston Luke achieves Eagle Scout rank in Valley View

**By Elfreda Fette**  
Preston Luke, son of Ray and Tawni Luke of Valley View, grandson of the late Dan and Dolores Henzler Luke, and Lynn and Glenda Wovell of Valley View, achieved the rank of Eagle Scout, highest rank in the Boy Scout troops, which was presented in an impressive court of honor ceremony, that of Eagle Court of Honor, on Saturday, Nov. 5 at Cross Timbers Church in Valley View at 3 p.m.

Preston Luke had passed through all of the ranks in the Boy Scout program in 23 months. At age 18, he is the first Eagle Scout of Troop 7777. Beginning with Tenderfoot rank, through Second Class, First Class, Star Scout,

Life Scout, he reached Eagle Scout.

He was a member of the Order of the Arrow, and had participated at Philmont Scout Ranch in Cimarron, New Mexico.

As one of the community service requirements of the Eagle Scout rank, it was his duty to organize a group of volunteers to assist him in completing a project that would benefit the community in a practical way.

Originally, Luke had in mind an erosion control project, and decided to seek help from experts. He and his fellow Scouts live near Lake Ray Roberts. Luke sought out Don Whited, a Johnson Branch State Park naturalist, and asked him if there was any work to be done and

who to contact. Whited remembered that there was a popular dirt surface walking trail near the boat docks of Lake Ray Roberts in either Cooke or Denton Counties, where there was a low-lying bridge that "sure could use replacing".

It then developed that Luke and his group of volunteers had "work to do". Luke consulted David Isbell, an engineer and family friend, to help him draw up plans for a footbridge across a small ravine. Water rarely was standing there, but it usually was muddy, and locally most people knew it had mosquitoes, chiggers, and copperhead snakes in the area, and sometimes standing water.

The popular dirt-walk-trail had used a foot bridge made of two-by-fours above the mud. But the impressive new platform now is well above that, and then some!!! Luke's Eagle Scout bridge sits about two feet above the "mud". There also is a hand rail, and concrete blocks to control erosion, and strong foundations on each side.

Luke said, "Building it was harder than it looks." Seven Scouts worked about 200 hours on its construction. Texas Parks and Wildlife says it could easily exist in good shape about 20 years, so good are its material and construction.

The impressive Eagle Court of Honor on Nov. 5 followed strict prescribed procedure. After the Welcome and Call To Order by Dave Isbell, troop committee chairman, the Invocation by Pastor Raymond Hall, chartering organization representative, and explanation of the Purpose of Scouting by Andy Anding, advancement chairman, there followed an address by Don Whited of Texas Parks and Wildlife. Assistant Scoutmaster from Muenster, Dwayne Rohmer, led the Pledge of Allegiance, the Scout Oath, and the Scout Law.

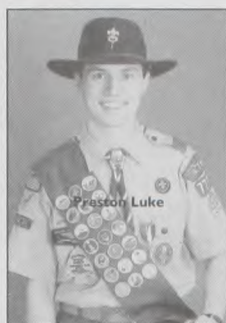

Guest speakers were Cynthia White, Denton County commissioner, Precinct 1, and Don Whited, naturalist and interpreter at the Isle du Bois and Johnson Branch Parks at Lake Ray Roberts.

Dave Isbell introduced the new Eagle Scout. He and Dwayne Rohmer made the Eagle Rank Presentation. Gary Davidson, troop committee member, read the Charge to the Eagle Scout. Luke gave the Eagle Scout's Response. All Eagle Scouts came forward to give the Eagles' Welcome.

Pastor Ray Hall led the Court of Honor closing.

The parents of the new Eagle Scout hosted a reception and served refreshments to all attending.

Family members in attendance at the Presentation of Eagle Rank included Uncle Dwayne and Aunt Cheryl Rohmer and his cousins John

Preston Luke

and Christina of Muenster, and Uncle Ben and Aunt Annette Luke and cousins Christian, Weston, and Brendan Luke of Denton, Parker Luke, his brother, and Peyton Luke, his sister of Valley View. Troop members and friends also attended from Valley View, Gainesville, Collinsville, Denton, Flower Mound, and Lewisville.

## McCoy

Ethan Joseph McCoy, son of Josh and Kelly McCoy of Corinth, was baptized Sunday, Oct. 16, 2005 at Sacred Heart Catholic Church with Rev. John Ohner, OSA officiating. His Godparents are his uncle and aunt Glen and Dara Dawn Dangelmayr of Muenster.

Following the ceremony, the family gathered at the home of Ethan's grandparents Joe and Pam Dangelmayr, for dinner. A cross bap-

Ethan McCoy

tismal cake made by his grandmother Pam was served for dessert. Gifts were opened and pictures taken.

Additional family members joining in Ethan's special day were his big sister Samantha Rae, whose fifth birthday was celebrated the same day; grandparents Monica and Karl Koessler and Kyle; great-grandfather Herman Stoffels; aunt Debra Dangelmayr; uncle Adam Dangelmayr; uncle and aunt Jake and Kristin McCoy and cousins Bailey and Martie McCoy.

Unable to attend were Ethan's grandmother Barbara Sander and uncle Tyler of Santa Clarita Valley, California; uncle and aunt Cory and Misti Neal and cousin Collin of San Antonio; great-grandmothers Betty Yosten of Muenster and Yvonne McCoy of Atlanta, Georgia.

## BAPTISM

# Muenster saints participate in Mass

Saints of varying centuries, continents, and walks of life streamed into Sacred Heart Church for the special All Saints' Day Vigil Mass on Oct. 31. About 40 little saints processed up the aisle with Father John and sat together in the front of church. The saints ranged from popes to lawyers, from kings and queens to paupers.

The 6th graders of the Children's Choir accompanied by Ruth Felderhoff provided heavenly music. St. Thomas More (Quinn Sick-

ing) proclaimed the First Reading; St. Cecilia (Emily White) did the Psalm with the choir; St. Francis (Bob Bartush) read the Second Reading; and Juan Diego (Daniel Hesse) offered the petitions.

Fr. John gave a moving homily, asking everyone to take time to consider the saints that surround us in our daily lives.

After Mass, all the saints received a goodie bag filled with treats, a rosary, and a holy card.

# Home Hospice Christmas campaign initiated Nov. 17

Home Hospice of Cooke County focuses on the unique needs of patients and their families. Special attention is given to the physical, social, emotional, and spiritual needs of persons here in Cooke County, when caring matters the most.

Home Hospice of Cooke County is the only non-

profit hospice organization in Cooke County. This means that when a family has no financial means to pay for hospice assistance Home Hospice will help them with their hospice services free of charge. A few of the ways this is accomplished is by enlisting the help of volunteers, receiving

and contributions, and asking for donations. Some funding from the United Way is also received.

Thursday, Nov. 17 at 5:30 p.m. will mark the beginning of "Light Up A Life Campaign 2005" in the lobby of the Performing Arts Center of NCTC at 1525 W. California.

## Machinators prepare for State/National competition

The Sacred Heart Machinators have just three more weeks to prepare for the Texas Boosting Engineering, Science, and Technology (BEST) competition, where they will face the winners from other Texas hubs as well as the winning teams from 11 other states. Despite their unprecedented success at the North Texas (NT) BEST competition in October, the team has much to prepare before the next level, state/national, at Southern Methodist University on Dec. 3.

ASTRO has been the team's most successful robot to date; however, members of the design and build team decided to rebuild the entire robot to improve upon its design. For the first time in the Machinators' history, they have used Computer-Aided Design (CAD) to design all 32 components for their new robot. This week they have started to assemble the new and improved robot.

The presentation team is holding tryouts to give interested members who were competing in the State Cross Country Meet on the date of

NT BEST a chance to participate in the team's marketing presentation at Texas BEST. The presentation team's responsibility is to provide company information to a panel of judges in a 15-minute time period, explaining the Machinators' design and manufacturing process, the use of available technology, their marketing strategies, and team demographics and operations.

Unforeseen expenses have prompted a follow-up on the initial fundraising efforts. A replacement for a stolen toolbox containing \$300 worth of new Craftsman tools, additional team T-shirts, new size requirements for tables for a competition display booth, mascot materials, and additional buttons, stickers, and brochures have all subtracted money from the team's funds.

The Machinators are very excited about their performance at Texas BEST, and all drivers and alternates will continue honing their skills on all the required tasks until December.

Another first for the team this year has been the pro-

duction of a TV commercial promoting their robot, ASTRO. The project was so impressive that some judges at NT BEST came back to the Machinators' booth four times just to view it again.

The success of and growing interest in the robotics team have increased participation in all aspects of the program. One scoring opportunity area in which the team has been deficient in previous years has been community support, due in great part to concurrent football playoff and state championship games. Unfortunately, Sacred Heart does not have that conflict this year, and as one parent has said, "If we can get 400 people down to Hallettsville at a football playoff game, we should be able to get 300 people to Moody Coliseum to root on the Machinators at a state/national competition."

The Machinators encourage anyone and everyone to attend the Texas BEST competition at SMU on Dec. 3. The day is spent cheering on, supporting, and learning about all the teams and each one's unique solutions to the engineering challenges. As parent Reneta Knabe said, "I never thought very much about robotics before. Then I went to NT BEST this year, and it was non-stop excitement and suspense from beginning to end. I almost lost my voice cheering. I loved it!"

Texas BEST is an opportunity for interested students, their parents, grandparents, friends, and community members to come and support the Sacred Heart Robotics Team. The BEST competition is a very prestigious one, and the Machinators have an excellent chance to excel once again this year. They look forward to seeing everyone there!

## Sacred Heart Middle School travels to Fort Worth for trip

Sacred Heart sixth, seventh, and eighth graders field trip to Fort Worth on Oct 26. The day began with a guided tour of Cabela's.

Students strolled through a 65,000 gallon aquarium filled with an array of fish, including gar, bass, and a 140 pound catfish.

The second stop on the tour was a diorama where students had a chance to see authentic specimens from the continent of Africa. Students were quizzed with a challenge question of the day: What animal in the exhibit might our school use as a symbol? Everyone ventured a guess. Was it the tiger or the lion cub? A negative response from the teachers had the students scrambling through the exhibit for an answer. A beautiful white bird, the Sacred Ibis, was spotted and many agreed that this would be a fitting symbol for Sacred Heart. Valerie Nystrom recognized the Ibis as the sacred bird worshiped by the Egyptians.

Interestingly, there were mixed emotions and some degree of controversy as some expressed sadness in seeing the animal specimens on display. Others commented that a safari hunt would be a chance of a lifetime.

Students were left to ponder the question as they continued to the mountain exhibit where Dall's Sheep, Mountain Lions, and Grizzly Bears could be seen gathered around a 20 foot waterfall. Eighth grader Samantha Barnett expressed the desire to take the cute little Arctic fox home with her.

The Cabela tour ended with a sample of homemade fudge and a quick lunch under the watchful eye of a huge outdoor cowboy sculpture.

Middle school students boarded the bus, entering downtown Fort Worth at noon. Exiting the bus, they were greeted by carved angels blowing their trumpets, a signal they had arrived at Bass Hall.

Inside the theater, students experienced a unique one-woman show, *The House On Mango Street*. The talented actress portrayed several characters as she told about her life on a minimal stage that included a table, two chairs, a set of steps, and two pairs of shoes. The unusual play received many comments from "weird" to "interesting". Bob Bartush reflected on the unusual play, saying that it was a chance to "let my imagination start working when I couldn't see everything."

The day was deemed successful. As 6th grader Michael Davis stated, "It was nice to have a chance to learn something new in a different environment than the classroom."

## Sacred Heart First graders treat St. Richard's Villa residents on Halloween

On Halloween/All Saints Eve, Sacred Heart First graders, dressed as saints and trick or treaters, went to Saint Richard's Villa to share "pumpkin carols" with the grandpas and

grandpas residing there. "Orange the Pumpkin", "Jinglebones", "Deck the Patch", and the "Halloweeny Spider" (written by their music teacher Ruth Felderhoff) were just a few of

the fun songs the children enjoyed singing for the residents and caregivers.

The Scottish prayer/song "Ghoulies and Ghosties" along with "We are Children of the Lord" and "When the Saints Go Marching In" seemed to be the most popular by all present. How often would you hear a

Scottish prayer/song sung in a German community?

After the program, the students visited with the residents and gave cards they had made that said, "BOO! I Love You!" With this experience, the children learned first hand, service to others by simply sharing and in the joy of giving of themselves.

## Hermes takes State in cross country

Lindsay sophomore Chelsea Hermes brought home the State Champion Cross Country Gold Medal last weekend. The UIL State Meet was held at Old Settler's Park in Round Rock on Saturday, Nov. 12. Teammate Rose Hermes finished 7th at State, with the Lady Knights settling for 4th place as a team. Sundown took home the team championship with 56 points, followed by North Hopkins with 87 and Alvord with 101 points. The Lady Knights scored a 106 for 4th. Chelsea's winning time was 11:43.10. Rose clocked in at 12:18.20. Other team

members, places, and times were: Katelyn Brewer, 34, 12:59; Alli Copeland, 40, 13:11; Laura Zimmerer, 74, 14:10; Kendall Neu, 89, 14:44; Rachel Zimmerer, 95th, 15:18.

Alvord's Jaqi Trice finished 15th with a time of 12:36. At Regional II competition the week before at Vandergriff Park in Arlington, the Lady Knights finished 3rd behind Alvord and Rosco, qualifying the team to State.

Chelsea Hermes won the race with a time of 12:34. Rose Hermes medaled at 3rd place, finishing at 12:49. Regional

maining team members, their places, and times were: Katelyn Brewer, 45, 14:13; Alli Copeland, 50, 14:20; Kendall Neu, 73, 14:54; Laura Zimmerer, 78, 15:04; Rachel Zimmerer, 105, 15:27.

## Green runs at Regional

Muenster Hornet Johnny Green, after finishing 3rd at the District 14 Cross Country Meet in Alvord, advanced to compete at Regional. The Region II Meet was held Nov. 5 at Vandergriff Park in Arlington.

Green ran an 18:28.76 race at Regional, settling for a 40th finish. His time at District was 17:05.72. Muenster girls finished 4th as a team at District, with no top 10 finisher, and no Regional qualifier.

Clayton Starnes of Lindsay finished 9th at District and 54th at Regional, clocking in at 19 minutes.

## Lindsay and Alvord to battle in playoffs

After getting a district bye, the Lindsay Knights face the Alvord Bulldogs in the Area playoff round of the IA Texas High School Football. Alvord, District 14 Runner-up, defeated the District 13 Champion Goldthwaite 20-16 in bi-district play last Friday. Lindsay is the District 16 Runner-up.

"Alvord's got a good team," said Lindsay Coach John Erwin. "They played Windthorst real close in district play and improved through the season. They are very capable after beating a top ranked Goldthwaite team."

Alvord was picked as 14 point underdogs against the Eagles, but took a very successful 4th quarter drive to keep the lead and win the bi-district game.

Alvord's coming off a big win, while Lindsay laid idle. "That may not favor us,"

## Bauer girls - a rare trio as

## Austin College opens season

Bauer to Bauer to Bauer will soon become a reality as the sister trio will be in action when the Austin College Kangaroos open their 2005-06 basketball season against Illinois College on Saturday at 2 p.m. in Sherman. The three sisters will be reunited from their glory days as Sacred Heart Tigrettes.

Under Coach Jon LeBrasseur, they were a part of State titles each year they attended the school. They are the daughters of Kathy and Bob Bauer, and their grandmother, Mrs. Kathleen Raney of Nom, Oklahoma, is an avid fan.

Andrea, a dynamic 5' 10" power forward, is finishing her senior year with a major in English. She works at JoEll Kemp's Absolute Tan and is planning on assisting Austin College girls coach Debra Hunter following graduation.

Folks should remember the quick as a cat, sly as a fox Raney, playing a spectacular guard for Sacred Heart. When not pursuing her business major and practicing, she fills out her time working in the campus library.

Completing the sister act is the tenacious Jacqueline, a 5' 10 1/2" ball of fire. Using what she learned from the three high school years with Coach Jon at Sacred Heart, continued with her senior

added Coach Erwin. Lindsay and Alvord will meet Friday, Nov. 18 at Lake Dallas. Game time is 7:30 p.m.

District Champion Valley View Eagles will play the Windthorst Trojans Friday at 7:30 p.m. in Bowie. Windthorst beat Baird 49-20 in bi-district.

**ADVANCE TICKETS**  
Advance tickets for the Lindsay-Alvord playoff game are available at the Lindsay High School office. Adult tickets are \$5, students \$3. Tickets will be sold until 3 p.m. Friday. All tickets at the gate are \$5.

**DIRECTIONS TO THE GAME**  
From I-35E take Exit 458 (Teasley/Swisher/FM121), go west on Teasley to Parkridge (2nd stoplight), turn north. Falcon Stadium is beside the water tower.

## Father and son team take it all

Glenn Hess and son Shawn have been racing together for many years. They recently competed in the Oklahoma Gold Rush Grand Prix which is an annual event held just south of Tulsa. The father-son team won the three hour event and won the overall best finish with lap times faster than any of the other 58 teams, including motorcycles and ATVs combined. Shawn is sponsored by FMF Racing, Factory 909, Hiper Racing, Moose Racing, Alpine Star and Houser. His next race will be Nov. 26 & 27 at Fort Smith, Arkansas.

## Lady Hornets win first games

The Muenster Lady Hornets hosted the Celeste Lady Blue Devils last Tuesday, Nov. 8, squeezing out a 44-40 season opener win. After a tied 1st quarter, Celeste led

at halftime. Muenster edged out a 1 point lead going into the final period, then outscored the Devils for the victory.

Megan Felderhoff was the high scoring Lady Hornet with 12 points. Laura Heers added 9, with Sandy Endres and Alison Teafatiller each getting 7. Sam Endres, Lindsey Watson, and Rebecca Grewing scored 3 points apiece. Muenster hit four 3 pointers, and got only eight of 21 free throws.

On Tuesday, the Lady Hornets were challenged by the God's Academy Ambassadors. A 63-56 win improved Muenster's record to 3-0.

Felderhoff again was the leading scorer, dropping in 16 points. Jacé Koelzer added 12, and Sandy Endres 10. Heers scored 6 points, with

Watson, Teafatiller, and Grewing all getting 5, and Sam Endres 4.

The Lady Hornets hit 73% of their free throws.

## Hornets start with a victory

The Muenster Hornet basketball season started on a high note as the varsity boys brought home from Celeste a 43-42 victory Tuesday night.

The Hornets ended the first three quarters a few points behind, but took the lead in the final period to claim the win.

Ryan Hennigan was Muenster's high scorer with 14 points. Zach Swirczynski added 12, with Jordan Walterscheid scoring 9. Eric Johnson dropped in 3. Derek Endres and Micah Flusche 2 apiece, and Dustin Wimmer 1.

The Hornets hit only seven of 14 free throws and scored no 3 pointers.

year at Southside, Fort Smith, Arkansas, under her aunt Coach Sherri White, she brings all the tools to be an integral part of the team as a freshman. She plans on entering medical school.

The girls cherish many memories of their days at Sacred Heart and take what Coach Jon taught them to college basketball. They would feel honored and proud to have some home team fans in the stands. Admission is always free (except this weekend's tournament) and it's only a 40 minute drive.

Watch the team as they attempt to win their conference after finishing a close 2nd last year. For a schedule of their games, go to AustinCollege.edu, then athletics, and click on women's basketball.

## Tiger football ends with Bi-District loss to TCCH

The Sacred Heart Tigers, District 1 runner-up, met the Tigers of Trinity Christian Cedar Hill, District 2 third place finisher, last Friday night at Aubrey for a Division IV Bi-District playoff game. After a hard fought close three quarters, Trinity Christian (TC) out-scored Sacred Heart to take a 36-21 win.

"The kids played their hearts out," commented Sacred Heart Coach Charles Boles. "We had our opportunities, but didn't take advantage when we had the chance." Boles added that as a group, the Tigers played extremely well together.

Sacred took the opening kick to their 40 yard line. Aaron Krahl picked up 10 on the first run, then was shut down and Adam Dangelmayr punted the ball away, putting Trinity on their 28 yard line. Sacred Heart's defense held and forced a Trinity punt. The SH Tigers' 2nd offensive drive began at their 30 yard line and ended with a touchdown, when Krahl, behind some good blocking, went up the middle 70 yards. Tim Otto added the extra kick for a 7-0 score with 7:33 remaining in the 1st quarter.

Tackles by Krahl, Neil Bayer, and Josh Yosten, and three flags were followed by a TC Tiger punt on 4th and 15. From the 40, Krahl ran

for 5 and Chris Marshall 6 into Trinity territory. Three more runs gained only 7 yards and Sacred Heart punted again. The kick put the TC Tigers on their 10 yard line.

After allowing two 1st downs, the SH Tiger defense tightened up and forced another punt. Krahl and Marshall each got two runs, but a fumbled ball was covered by Trinity near midfield. The next play, the game was tied 7-7 after a 52 yard run and PAT.

A fumbled kick return gave Trinity the ball on the Sacred Heart 39. Two incomplete passes and a holding flag forced another Trinity punt. Sacred Heart got the ball on their 20, but three runs by Krahl gained only 5 yards, and another punt followed. Three plays later, Trinity scored on a 63 yard run. The extra kick gave Trinity a 14-7 lead with 2:21 remaining in the 1st half.

The SH Tigers got in two runs and punted, with Trinity getting one loss, tackled by Dylan Flusche and Theo Otto, before the 1st half ended.

The TC Tigers opened the 3rd quarter with a six play drive that settled with a field goal. A 64 yard run was called back for holding, then Trinity got to the 7 yard line.

Three consecutive tackles by Jon Ambrose dropped Trinity for 6 lost yards. The field goal extended the Trinity lead to 17-7.

The SH Tigers began their next drive on their 23 yard line. A Nolan Hartman to Theo Otto pass picked up 25 yards. Krahl gained 5, with a Hartman to Colby Richey pass moving the ball to the Trinity 41. Krahl ran for 6 more, then Hartman hit Richey for a 34 yard touchdown pass play. Tim Otto added the extra kick for a 17-14 score with 5:51 on the clock.

Tim Otto's kick was taken by Trinity on their 4 yard line and returned 96 yards for a touchdown. The PAT gave Trinity a 24-14 lead with 5:32 on the clock.

The SH Tigers fought back. Krahl picked up 5, followed by a Hartman to Krahl pitch to the Trinity 33. A screen pass to Theo Otto got the ball to the 20. Krahl added 5 yards, then a Hartman to Theo Otto got the ball to the 20. Krahl added 5 yards, then a Hartman to Theo Otto got the ball to the 20. A fumbled ball ended the drive with Trinity taking over on the 1.

The final period began. Tackles by Flusche, Ambrose, and Krahl forced a punt. Theo Otto returned the kick 38 yards to the 7 yard line. Two

Krahl runs later, Sacred Heart was in the end zone. Tim Otto added the PAT for a 24-21 score with 9:48 remaining in the game.

An onside kick gave Trinity possession on their 42 yard line. A holding flag moved them to the Sacred Heart 48. Tim Otto covered a loose ball with 8 minutes on the clock. Krahl got in four runs to the Trinity 40, then a Hartman to Yosten pass gained another 20 yards. Another pitch to Yosten gained 5, with Theo Otto getting a 1st down at the 10 yard line. Hartman pounded out 3 more yards, but a flag, a sack, and an incomplete pass put Sacred Heart in a 4th down situation. A field goal attempt failed and Trinity took the ball on the 20. The next play was an 80 yard touchdown. The PAT kick was blocked by Ambrose. With 3:50 on the clock, Trinity extended their lead to 30-21.

Theo Otto returned the kick 29 yards to the Tiger 33. Three plays later, Trinity intercepted a pass, returned it, then fumbled it. The ball rolled into the end zone and the Tigers got the ball on their 20 on a touchback call.

Sacred Heart threw four incomplete passes, giving Trinity possession 20 yards from paydirt. TC found the end zone, but a holding call brought the ball out to the 24. The next play the touchdown run counted. Ambrose blocked the extra kick for a 36-21 score with 2:10 remaining in the game.

The SH Tigers got a motion flag, then fumbled the ball on their 14 yard line. Trinity took a knee three times to run out the clock.

The Sacred Heart Tigers end the season as TAPPS Bi-District qualifiers, with an 8-3 record. Coach Boles noted about the senior team members that they have been great leaders and led by example, by their actions all year long. "They (the seniors) helped us out as coaches, as they were our coaches on the field."

Lubbock Christian, 3rd place finisher in the District, lost 47-33 to Colleyville Christian Academy. Trinity will play Shiner St. Paul, while Fort Worth Calvary will meet Brazos after getting a District championship bye. Brazos, 3rd place in District 3, defeated Katy Faith (District 4 runner-up) 22-19.

Theodore Otto (26) gets a good gain.

## Japanese panel recommends end to 2 year U.S. beef ban

After five months of seesaw deliberations, a Japanese food safety panel adopted a draft report Oct. 31 recommending an end to the two-year ban on U.S. beef.

"We concluded that with regard to the risk of mad cow disease, the difference between Japanese beef and meat from American cattle aged 20 months or below is very small," said Yasuhiro Yoshikawa, chairman of the panel.

The Japanese Food Safety Commission (FSC) signed off on the recommendation on Nov. 2 and has begun a four-week period of public comment.

Following the comment period, the FSC will have up to one week to review the public feedback. FSC will then submit its final recommendation to the Japanese Ministry of Health, Labor and Welfare and the Ministry of Agriculture, Forestry and Fisheries.

The recommendation will then be subject to regulatory and, possibly, legislative review. Once these processes are complete, the framework agreed on in October 2004 will be revisited as a final check; U.S. beef exports to Japan should resume shortly thereafter.

### Japanese consumers opposed

Consumer opposition is expected to be strong. A recent poll by the *Asahi Shimbun* newspaper showed 67% of Japanese are against resuming U.S. beef imports; only 21% are in favor.

Japan's new farm minister, Shoichi Nakagawa, said he would take the necessary steps to resume imports of U.S. beef, but also said he would take into account consumer concerns about safety.

Release of the panel's recommendation came just days after a bill was introduced Oct. 26 in the U.S. Senate that calls on Japan to open its borders to U.S. beef by Dec. 15 or face stiff economic sanctions. The bipartisan legislation was introduced by Senators Kent Conrad (D-N.D.) and Pat Roberts (R-Kan.) and co-sponsored by 21 senators, including Sen. John Cornyn (R-Texas).

The bill would require the U.S. Department of Treasury to impose additional tariffs worth \$3.14 annually on goods grown, produced or manufactured in Japan unless the U.S. Trade Representative certified that Japan had reopened its market to American beef by Dec. 15.

Following the FSC announcement, Sen. Conrad indicated he will continue to pursue the retaliatory bill until the ban is actually lifted.

### TSCRA, TCFA request sanctions

Texas and Southwestern

Cattle Raisers Association and Texas Cattle Feeders Association have been pushing for such sanctions since last February when it became evident that a Japanese commitment to resume trade had stalled.

The United States and the Government of Japan concluded an understanding on the process on Oct. 23, 2004. Japan agreed to resume imports of beef from cattle less than 20 months of age, which are considered at low risk for BSE.

Both countries agreed that specified risk materials would be removed from all cattle before the meat was shipped to Japan. Despite the agreement, progress was repeatedly postponed until the Japanese Food Safety Commission completed its risk assessment.

### Why Japanese deliberations stalled

The *Daily Yomiuri*, Japan's largest English-language newspaper, reported that, "The panel's debates stalled soon after they started in May over a very basic point: Was it appropriate to compare domestic beef, on which blanket tests have continued in principle, and U.S. beef from cattle aged 20 months or younger?"

"The panel's members were embarrassed by the government's request for a report," the *Yomiuri* article continued. "Some said they believed the government already had decided to lift the ban. One of the members refused to attend meetings."

The Japanese newspaper said talks focused on "lax testing for BSE in the United States as the country was slow to submit inspection data."

Panel members were also concerned that they had not received a clear answer on whether feed containing meat and bone meal, which is approved for poultry and pigs, could be fed by mistake to U.S. cattle.

The process was further delayed when the panel demanded that the Japanese government provide written clarification on where the legal responsibility should lie for any wrong information that came from the U.S. The newspaper reported that the government was slow to react.

### Effects of top U.S. officials

Meanwhile top-level U.S. officials, including President Bush, Secretary of State Condoleezza Rice, U.S. Trade Representative Rob Portman, Secretary of Agriculture Mike Johanns, and numerous members of Congress have contacted Japanese leaders in an effort to resolve the thorny trade dispute.

Opening the Japanese bor-

der will not restore U.S. exports to levels enjoyed prior to the ban. In 2003, Japan was the top importer of U.S. beef, valued at \$1.4 billion. Only 10% to 20% of that was from cattle aged 20 months or younger, says the Japan Foodservice Association.

### Japanese meat inspectors

Acting on the probability that trade will be resumed, the Japanese Ministry of Health, Labor and Welfare has decided to post permanent meat inspectors in the United States and Canada.

One inspector stationed in each country will travel among approved meat facilities to ensure that only cattle less than 20 months of age are processed and that all specified risk materials are removed. There are about 40 approved plants in the United States.

Not all cattle qualify for export to Japan.

Cattle from which beef will be harvested for export to Japan must comply with the regulations of the Beef Export Verification Program (BEV) for Japan. The primary requirement affecting cattle producers is verification that their cattle are less than 21 months of age at the time of slaughter. Records documenting age of the cattle and signed affidavits by the producer are needed, but these alone are not enough.

To qualify under the BEV for Japan, producers and processors of any cattle that will provide beef for the Japanese market must participate in a Quality System Assessment (QSA) program that has been pre-approved by USDA's Agricultural Marketing System. Details on QSA programs are posted online at [www.ams.usda.gov/lsg/arc/qsap.htm](http://www.ams.usda.gov/lsg/arc/qsap.htm).

## No money for fat cattle

Twelve months ago feeder prices were at lower prices compared to what cattle producers are receiving for calves now. Some quotes on quality steers are: 532 lbs @ \$1.36/lb, 650 lbs @ \$1.325, 730 lbs @ \$1.26, 823 lbs @ 1.24. Heifers are followed by 20 cents lower than steers. Second and third cut cattle can see 30 cents a pound lower than your quality cattle. Fat cattle are about that at 85 cents per pound.

With prices at these levels, some cow calf producers who traditionally finished cattle before are bringing calves to town. Doing the math is simple at where fat cattle prices are now - there is no profit to be made to finish cattle.

## National Farm-City Week is November 18-24

National Farm-City Week, an annual observance sponsored by the National Farm-City Council, is Nov. 18-24 this year. It is a seven-day period ending on Thanksgiving Day with a mission of strengthening the understanding of farm-city connections.

A truck driver, a rancher, a grocery store clerk, a logger, a futures broker and a biotechnologist all play an important role in making sure that Americans have access to a healthy and abundant supply of food, fiber and natural resources.

Currently, there are Farm-City organizations in 49 states which sponsor events to promote understanding and increase cooperation between rural and urban residents.

## 06 EQIP sign up underway

The Environmental Quality Incentives Program (EQIP) is an outstanding conservation program designed to assist landowners with improvements with their farming or ranching operation. This year the program will address plant health concerns. Grass planting, livestock watering facilities, cross-fencing, waterways, and buffers are eligible for cost share at 50% of the established average costs.

Last year the EQIP program addressed plant health concerns with grass planting as the top priority. Cooke County received over \$191,145 in EQIP funds in 2005 with 70 contracts being funded. "This was the first time since I came to Gainesville in 1991 that all applications for our conservation programs have been funded," said Gary Conner, District Conservator with the Natural Resources Conservation Service (NRCS). "The funds are now being more evenly distributed and contracts being approved at a much earlier time of the year. This year we are hoping to have contracts approved in time for grass planting this spring," Conner added.

Those interested in receiving assistance through EQIP should contact the local NRCS office in Gainesville in person or call 940-668-7794 ext. 3. An application deadline has not yet been established for this sign up. Please make application as early as possible to allow NRCS personnel time to meet with you and develop a conservation plan for your land.

## Winter blows into Muenster area

A cold front blew into the Muenster area earlier this week with high winds Monday night and freezing temperatures late Tuesday, early Wednesday. After record high-lows Monday morning, temperatures dropped into the 20s Wednesday morning. Daytime temps felt like spring with clear blue skies, but with darkness, the cold returned.

### SOYBEAN RUST FUNGUS

The Asian soybean rust fungus, *Phakopsora pachyrhizi*, was confirmed on kudzu leaves that were collected Nov. 2 from a site near Dayton, Texas (Liberty County). The diagnosis was made by microscopic examination and ELISA testing. The ELISA test was done under the supervision of Dr. Larry Barnes at the Texas Plant Disease Diagnostic Laboratory in College Station. Samples of the leaves will be sent to the USDA laboratory in Maryland for final confirmation.

Kudzu and any remaining soybeans will continue to be monitored for this disease. To see how Texas fits in with the rest of the U.S., see: <http://www.sbrusa.net/>

### RESTRICTED HAY FEEDING TO COWS

In some areas, cows are wintered essentially with free-choice feeding of hay. Such feeding often wastes hay, can result in over consumption, and may increase manure output. Illinois researchers studied limit feeding of Simmental-cross cows in three trials. Hay used in the three trials was legume-grass mix averaging approximately 13% to 17% crude protein.

In trial I, lactating cows

were allowed access to round bales for 24, eight, or four hours a day. Longer access to hay increased manure production, increased hay consumed, increased hay waste, reduced loss of body condition score, and tended to reduce loss of cow weight, but did not affect milk production or calf weight.

In trial II, dry, bred cows were allowed access for seven, five, or three hours a day and a fourth group was fed ground hay at 90% of estimated nutritional requirement. Longer access reduced loss of cow weight, increased hay consumed, tended to increase manure production, but did not affect hay waste. Feeding at 90% was intermediate in hay consumed and hay waste.

In trial III, lactating cows were fed ground hay at 80%, 90%, or 100% of requirement. Level of feeding had no significant effect on any cow or calf factors. It appears that limit feeding of hay may reduce feed cost without reducing production. (Prof. Anim. Sci. 21:182)

## Extension council plans Dec. events

The Cooke Extension Education Council met on Nov. 8, at Stanford House. Chairman Mary Wambaugh gave information on the annual Christmas Party which will be held Dec. 8 at 6:30 p.m. at First Christian Church. The theme will be "A Winter Wonderland." Deadline for registration is Dec. 1.

Clara Ball, secretary, called the roll of clubs. Calisburg had their Thanksgiving Luncheon. Downward Fairplains had a program on "Estate Planning" presented by Brad Chrustawka. The "Identity Theft" program was presented to Liberty Belles. Ross Point had a "New to You" recipe program. Sivells Bend had a program on "Water Conservation." Town and Country made craft pumpkins. There was no report from Woodbine. Sixty-one members and 25 guests were in attendance at these meetings in October.

A letter was read from the University of Arkansas thanking the organization for its participation in scholarships for youth. Former 4-Her, Jeff West, was the recipient of an Extension Education Scholarship and is a freshman at the University of Arkansas.

Leadership Training will be held Dec. 12 at the Raines County Fairground in Emory.

Sell-O-Rama was discussed. Harriet Scoggins will be reservations chairman next year. Outgoing chairman, Sharon Simmons, will assist Harriet.

Annually Cooke Extension Education Association gives donations for community service. Organizations receiving donations this year will be ABBA, First Christian Church, Stanford House, and VISTO. Previously, a donation was given to American Red Cross for Katrina victims.

An audit committee consisting of Narca Hunt, Susan Richardson, and Ruth Pruett was appointed by the chair-

## NCTC Student Art Exhibit Set for Nov. 14-23

A special exhibition of student art work is available for viewing by the public beginning Nov. 14 in the lobby/gallery of the First State Bank Center at North Central Texas College. Presented by the NCTC's Department of Visual Arts, the exhibit will continue through Nov. 23 from 9 a.m. to 4 p.m. weekdays.

Works on display are from all studio class divisions, according to James Staples, studio coordinator for NCTC's Visual Arts Center. The studio classes include Drawing I and II, Design I, Ceramics I and II, Jewelry I and II, Painting I and II, and Sculpture I and II.

"We're very proud of our new Visual Arts Center studio facilities, and we're even prouder of the exceptionally high level of student work coming out of those studios," Staples said. "Most of the work on display in this exhibition is selected from what has been executed this current fall semester."

Staples said that these student works represent not only a high level of creativity but also the technical skills that are being learned and perfected in the studios, including the use of a wide range of artistic media from pencils and paints to potting wheels, kilns, and even forges and welding rigs.

"Something else these works represent is hundreds of hours of concentrated effort and hard work," Staples said. "Many of our student artists pour their very hearts and souls into the creation of their art, and I know they will appreciate having the results of that effort viewed by exhibit visitors." He added that the wide variety of works and media represented in the exhibit provide something to appeal to just about everybody's taste in art.

A number of the works on display also will be available for sale.

"Due to the overall excellence of the work being done, I hesitate to single out any of our student artists," Staples said, "but I do recommend that exhibit visitors look for work by scholarship recipients Sarah Taylor and Daniel Barker." Sarah is a sculptor/painter who plans to be both

man. The committee will meet Dec. 6 at 2 p.m. in Courthouse B-4. Mary Wambaugh and Harriet Scoggins will also be present.

By-laws were discussed. Club presidents were reminded to fill out forms and turn them in to the incoming chairman Susan Richardson. Wilma Richardson read the inspiration "Spiritual Maintenance".

After the meeting adjourned, refreshments were served by Wilma and Susan Richardson from Ross Point Club.

Accidents 2

Two accidents occurred during this time. On Nov. 9 at midnight, an accident was reported on 630 East Eddy Street. A 1993 GMC pickup was turning west on Eddy Street when it lost control and struck a parked 1996 Dodge pickup. There were no injuries.

The second accident was reported on Nov. 15 at 5:12

a.m. A 2004 Ford van ran off the roadway at the intersection of the 100 block of East Division and Oak Street. The van sustained minor damage but destroyed a US 82 highway sign. The driver was a diabetic and passed out. He was not injured.

On Nov. 3, police received a complaint of stolen personal checks. On Nov. 14, police received a report of disturbance at the A-OK Motel. One person was arrested for outstanding warrants and taken to Cooke County Jail.

## State of Texas issues call for transportation enhancement projects

TxDOT is accepting proposals for transportation enhancement projects that can now be funded through the recently passed federal transportation bill.

The federal program provides funding for transportation related activities that promote the quality of our environment through aesthetic enhancements associated with transportation.

The funding is provided in the new federal transportation bill, SAFETEA-LU. The project call ends April 28.

Projects will be selected on a competitive basis.

Approved projects will receive funding on a cost reimbursement basis. The funding does not constitute a grant. Enhancement projects are eligible for reimbursement for up to 80% of allowable costs. The entity nominating a project is responsible for the remaining cost share, including all cost overruns.

Eligible projects must demonstrate a relationship to the surface transportation system through either function or impact. They must go beyond standard transportation activities, incorporating one of the following 12 categories:

- pedestrians and bicycles facilities;
- safety and education activities for pedestrians and bicyclists;
- acquisition of scenic easements and scenic and historic properties;
- scenic or historic highway programs (including providing tourist and welcome center facilities);
- landscaping and other scenic beautification;
- historic preservation;
- rehabilitation and operation of historic transportation buildings, structures, or facilities (including historic railroad facilities and canals);
- preservation of abandoned railway corridors (including conversion and use for pedestrian and bicycle facilities);
- control and removal of outdoor advertising;
- archaeological planning and research;
- environmental mitigation to address water pollution due to highway runoff or reduce vehicle-caused wildlife mortality while maintaining habitat connectivity;
- establish transportation museums.

Applications have to be submitted to the local TxDOT district office by Friday, April 28, 2006 at 5 p.m. Past funding has helped rebuild the Sikes Lake Pedestrian Trail and several portions of the Wichita Falls City Hike and Bike Trail.

## Fines & jail time for littering and illegal dumping

Deputy Laren Hudson, Cooke County environmental officer, appeared before the Grand Jury and District Attorney to inform them of laws and fines pertaining to illegal dumping and littering. Littering and illegal dumping are both serious crimes in Texas and can result in large fines and/or time in jail or prison.

Each grand juror and the District Attorney were given laminated charts summarizing the laws. They were informed that the smallest amount of litter, less than five pounds, for example a cigarette butt, or less than five gallons of liquid could result in a fine to \$500. However, if the liquid is used motor oil dumped into the sewer or any water, onto the ground, in a landfill, or on roads or land for dust suppression, weed abatement, etc. the fine is \$1,000 to \$50,000 and/or prison to five years. Fines and jail time increases as the amount of litter or illegal dumping increases.

Not properly disposing of any waste contained in a closed barrel or drum carries a fine of \$10,000 and State jail to two years. Dumping in or adjacent to water, including discharge from a plant source can result in a fine up to \$100,000 and prison to five years. Unauthorized disposal of lead-acid batteries carries a fine to \$4,000 and jail to one year.

Burning in violation of Texas Outdoor Burning Regulations can result in a fine up to \$50,000 and six months in jail.

The information was provided to the Grand Jury and District Attorney as a courtesy of Keep Texas Beautiful and John Ockles, Ph.D., Regional Criminal Justice Coordinator, Texoma Council of Governments. The cards were provided courtesy of the Texas Department of Transportation. The laminated law charts are available for free to any police officer or law official desiring one and may be obtained in Cooke County by contacting Keep Muenster Beautiful Board member, MaryLee Alford at (940) 759-2368.

a housewife and a professional studio artist. Daniel is a sculpture major who plans to continue his art education through the bachelor's and master's degree levels in sculpture.

Other exhibiting student artists of special note are painters Don McLaughlin, Natalie McFarlane, and Larry Gore, Staples said, remarking that these painters are not only producing excellent work now, but are also continuing to improve at a rapid pace.

"As a department that has been revitalized with the opening of our new facilities," Staples commented, "we are continually striving to develop a program that, while rigorous, fosters creativity and independent thinking. It

is our goal to provide students with a solid foundation in art theory and practice, as well as the skills necessary to go on and be successful at the university level and/or as professional studio artists.
