MUENSTER, TEXAS, COOKE COUNTY, FRIDAY, MAY 1, 1942

Number 23

The first encouraging word in weeks. Latest X-Ray picture shows that the tell-tale spot, the lung infection, has decreased considerably in size. This is progress, however slow. Some of these days Con will get to return to something more useful.

However the prospect was far less cheerful a week ago. A phoned report from the X-Ray department said "no apparent improvement." (Someone had failed to make a close comparison of pictures) and the doctor proceeded to explain that this is serious. "This can be compared with a sore on your knuckle. If you constantly wiggle your finger it will heal much more slowly. Likewise, if you exert yourself, forcing a more intensive lung activity, this infection will heal more slowly. The purpose is to breathe as little as possible." And that means rest—or loaf, if that seems to be the more appropriate word.

Then he applied a bit of psychology. "I believe that by taking it easy we can heal that and get by without an operation." It's an old army game. Always trying to scare the wits out of somebody. The entire training period is literally full of it. However, in this case, as in all the others, it has its effect. Con began to favor those lungs. And he has acquired a profound admiration for that immortal passage from Macbeth, "Out damned spot."

One thing to be said in favor of this experience is that it inspired a new outlook on military life. Coming into the army a person retains the old tendency to plan what he's going to do, and when and where. If any of those plans fail to materialize he is inclined to be impatient. After several weeks of disappointment he begins getting more philosophical. Today this rookie is much more willing to take things as they come. He's ready to quit crowding his luck for special plans, promotions or anything else.

That attitude makes loafing more pleasant too. Nothing to bother about at all, just lie around all day trying to keep up with the papers and magazines. Here a person can at least be aware that a few things are happening in the outside world. In regular training he doesn't have that opportunity.

While I myself must admit an intensive curiosity over that memorable attack on Japan, I am, nevertheless, amused and gratified that it remains a mystery—at least as far as Japan is concerned. The report that a plane and crew were interned in Siberia did not clear the problem. Meanwhile Tokio continues fishing for information while most of us continue enjoying the futility of its inquiries.

All of which suggests another slogan to add to the many already coined since Pearl Harbor: "Keep 'em guessing." It must make those little devils feel helpless to be deprived, at last, of an opportunity to watch over every action. That's what gripes them. They're so accustomed to knowing our moves in advance that they now think we're cheating.

Probably the best answer to the bombing mystery was supplied by F.D.R. He says the planes came from a secret base in Shangri-la. A fictitious allusion totally devoid of information, but full of subtle significance—if you want to take it that way. Shangri-la, the Utopian province immortalized by James Hilton and Ronald Colman, has become synonymous with the ideals for which the great masses of humanity have been yearning and dreaming. We like to think that ideals such as those are sending our American planes against the forces of savagery, brutality, oppression and murder.

Churchmen in this country should voice a formal protest to Secretary Morgenthau for stealing their thunder. Americans are now asked to title for the war effort.

## Sugar Registration May 4, 5, and 6th, Cooperation Urged

Muenster, Linn, Bailey, Freemound Residents To Register At Muenster

War rationing of sugar for the public will begin Monday, May 4, and continue through Wednesday, May 6, for the Muenster district, it has been announced by Principal Virgil Lee Welch, who is in charge of registrations for the Muenster district. This district includes Muenster, Linn, Freemound, and Bailey. Registration will take place at the Muenster Public school. The five teachers and twenty helpers will be on hand so that persons may be registered quickly. It is estimated that four minutes are required to fill out one form.

Since Muenster's district is a large one, it has been decided to register persons alphabetically. According to Mr. Welch and his assistants, all those persons whose surnames begin with "A" through "H" will register the first day. On the second day those whose names begin with "I" through "Q" will register, and on the third day those whose names begin with "R" through "Z" will register.

By using this method, it was pointed out, approximately one-third of the total number will report each day, making it possible to handle all citizens comfortably in the three days, without waiting to the individual, or unnecessary hardship, to the registrars, by not having several hundred persons to register one day, and perhaps only a dozen showing up the following days.

It was mentioned, however, that this system is not obligatory. If a person finds it is impossible to register on his designated day he may register on either of the other two days. The time for registrations has been set from 9 a.m. to 6 p.m. This should allow ample time for all persons to register. Should it take longer than anticipated, however, the closing hour will be extended, and persons will be notified.

Detailed information that persons registering come prepared to answer the questions on the forms. Only one person for each family unit need register for the whole family. It has been suggested that the mothers register for the family due to the detailed information asked for in the application forms, as specific information must be given as to the height of individuals, weight, color of eyes, color of hair, age and sex. Also the exact amount of sugar to the pound, possessed by the family must be given. This includes all sugars, granulated, brown and powdered. The one registering for the family unit must be more than 18 years of age. Individuals who are not members of a family unit must register in person.

The person who registers for the family unit must state his or her relation to each member of it. One application must be filled out for each member of the family and each will be issued a war ration book. No classes will be conducted at the Public school on Monday, Tuesday and Wednesday. Principal Welch hopes that every one will be registered on these days so that school may be resumed on Thursday, the 7th.

Heavy Penalties The law provides a \$10,000 fine or two years in prison for giving false answers to the questions. The ration book will be used for other foods in the future, according to reports. Every person should register, or it may be found later that they will not be able to get other foods, in addition to not being able to buy sugar.

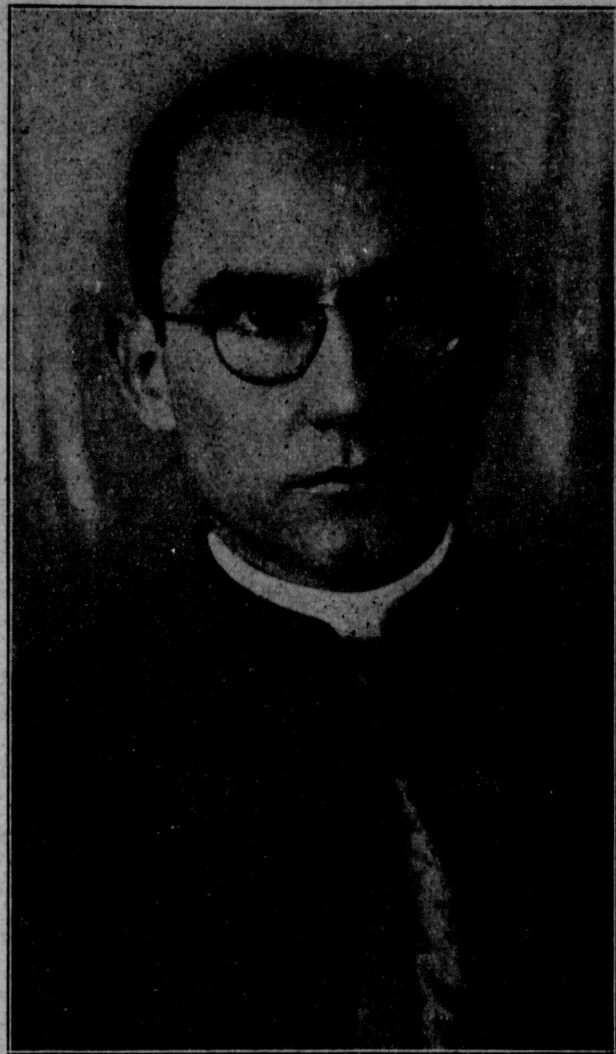

Merchants and commercial users of sugar were registered this week, Tuesday and Wednesday.

Local school teachers and other citizens who will help in the registration attended a school of instructions on Tuesday afternoon at Gainesville. They are prepared to answer other questions too numerous to print in this newspaper.

## SURPRISE BIRTHDAY DINNER HONORS MRS. I. A. SCHOECH

Mrs. I. A. Schoech was honored with a surprise dinner party Sunday evening in observance of her birthday. Her son and daughter-in-law, Mr. and Mrs. Andrew Schoech, were hosts for the occasion in their home. The dining table was centered with a large decorated cake bearing the inscription, "Happy Birthday to You," and places were laid for the honor guest, Mr. Schoech, Miss Harriette Schoech, Messrs. and Mesdames Adolph Walterscheid, Alois Weisman, Lou Wolf and their families, and Mr. and Mrs. Alvin Cler of Valley View.

C. L. Williams, Jr., visited friends in Ryan, Okla., over the weekend.

Bishop Augustine Danglmayr of Dallas was advised Sunday of his appointment as titular bishop of Olba and auxiliary bishop of Dallas. He is a native of Muenster and a son of Mr. and Mrs. Joseph Danglmayr, who reside west of the city.

## Public School Graduation Set For May 6th

Judge Ben W. Boyd of Denton Will Deliver Commencement Address

The Muenster Public School will have its graduation exercises on Wednesday, May 6, at 8:30 p.m. in the Parish Hall. The evening program will be climaxed with an address by District Judge Ben W. Boyd, Denton, Texas.

The diplomas, both high school and grammar school will be presented by Mr. Herbert Meurer, president of the school board, assisted by Mr. Virgil Lee Welch, principal of the school. The program will open with the professional by Miss Elfreda Luke, pianist. The welcome address, the salutatory, will be delivered by Miss Billie Geneva Roberson, after which Jack Hoehn will read the class prophecy. After the presentation of the diplomas, Miss Anselma Pagel, valedictorian of the class will deliver a parting message.

The closing number of the evening will be the address by Judge Boyd. A point new in the exercises will be the awarding of the trophies and medals. Boys and girls of both high school and grades, whose annual points, including report card grades, book reports, and so forth, are the highest in their respective division, will receive the awards. The winners as yet have not been announced.

The high school graduates of the year are Jack Hoehn, Anselma Pagel, and Billie Geneva Roberson. The grammar grade graduates are J. L. Cole, Betty Hamilton, Billie B. Hoehn, and Katherine Reeves.

## 7 INCHES OF RAIN

One week's precipitation in Muenster, from Wednesday to Wednesday, totaled 7.02 inches, according to the government gauge, Frank Hoedebeck disclosed Wednesday morning. Unusually heavy rains on Friday morning sent Elm creek waters almost over the bridge south of town. Monday afternoon's heavy downpour was accompanied by a brisk wind that is reported to have done some damage in the Wolf Ridge area. At Charlie Schmitt's a new chicken house was demolished, but nothing else on his place was damaged.

## HUTTON WINS IN CONTEST

A. G. Hutton, Gainesville, former Muenster resident, was one of four persons in the United States who submitted perfect sets of answers to the questions in the "Catholicana" contest sponsored by Our Sunday Visitor. Since three others tied for first place the winners decided to split the award rather than engage in another contest to determine first place. Mr. Hutton received \$1,375.

Messrs. and Mesdames Albert Steinberger and Olan Calvert have gone to Muskogee, Okla., where the men expect to be employed for some time.

## Jim Reese asks Reelection as County Clerk

TO THE VOTERS OF COOKE COUNTY

On July 25th you will go to your voting place to indicate your preference for the candidate you want to serve as your County Clerk for the coming term, and I cannot help but express the hope here that you will find it in your hearts to reelect me to this office for another term.

When all is said and done—a good and clean record is a logical and reasonable way to ask for your vote, and it has been my intention throughout this campaign to place myself before each of you purely on the basis of how well I have, or have not discharged my duties, as you see it. It would be ungrateful of me if I failed to say also that I deeply appreciate the friendliness and good will shown me by each of you during my campaign visits. I have MUCH to be grateful for and I want every one of you to know that your thoughtfulness and friendliness did not pass by me unnoticed.

With all good wishes, I am  
Your friend,  
J. C. REESE  
Candidate for Reelection to Office of County Clerk.  
(Political Adv.)

## TELL YOUR NEIGHBOR

Tell your neighbor to come prepared with "all the answers" when he registers for a sugar rationing book next week. It is vitally important that the person registering has memorized, or written on a slip of paper, the height, color of eyes, color of hair, age and sex of each member in the family unit. Also the amount of all kinds of sugar possessed by the family at the time of registration.

Muenster, Linn, Freemound and Bailey residents will register at the Muenster Public School on Monday, Tuesday and Wednesday.

Please read complete information given in this paper in another article.

## 129 MUENSTER MEN IN 45 TO 65 AGE GROUP REGISTERED

One hundred and twenty-nine men in the 45 to 64-year-old group registered at Muenster Monday in the fourth inventory of the county's manpower.

The new older group will not be required for military services, there will be no national lottery for them and they will receive no order numbers.

B. H. Hellman and Charles Hellman were in charge of registrations here and were assisted by a group of local helpers.

Mrs. A. C. Stelzer spent Friday in Sherman.

## John A. Fisher Candidate For Commissioner

J. A. (John) Fisher, well known Cooke county cattle raiser, has authorized The Enterprise to announce his candidacy for commissioner of precinct No. 4, subject to the Democratic primary next July 25.

Mr. Fisher's statement is as follows: "In making my announcement for commissioner of precinct No. 4 I do so with the full understanding of the responsibilities which are attached thereto. I was born and reared in Cooke county and I have never lived in any place other than Cooke county.

"I am 40 years of age and a man with a family. I have transacted business throughout Cooke county for the past 17 years as a partner of Albert Address of Myra, Texas, in livestock raising and trading in cattle, hogs and sheep. Most of the people in precinct 4 know me and know the principles for which I stand, but to those who do not know me I want to say that I have lived in a clean and upright manner and I have tried to be a good citizen in my community, county and state.

"I am sure that a great many people in the precinct who do not know me are acquainted with Albert Address and I trust that those who do not know me will investigate me not only through him, but any other person with whom I have done business in the past, to learn of my qualifications.

"I have been conservative in my own business and I shall carry such practices into office with me should you see fit to elect me to the responsible office of commissioner. I am in good physical condition, young enough to be vigorous in the prosecution of my duties as commissioner and at the same time I have had sufficient business experience to use mature judgment in the county's business.

"I believe in the construction of good highways, commensurate with the amount of funds available for that purpose. I do not believe in plunging the county in debt for road purposes or for other purposes unless it should become necessary in the defense of our country.

"With the United States army camp being built in precinct 4, the duties and responsibilities of the commissioner of our precinct will become more strenuous and it is my intention to devote my entire time and energies to the problems confronting precinct 4 and Cooke county.

"I have never aspired to any county office prior to this time and should I be elected I shall invite the suggestions and counsel from any and all of the citizens of Cooke county. I owe no allegiance to any group or combination, therefore I will be free to treat every man alike and to do my duty as commissioner without fear or favoritism.

"I have worked hard all of my life and I know the troubles and problems of the average citizen.

"My announcement is subject to the Democratic primary and I expect to see all of the voters of my precinct before that time. I will sincerely appreciate your vote and influence.  
(Signed: J. A. (John) FISHER."  
(Political Adv.)

## BAILEY NAME IS NOT ACCEPTABLE FOR ARMY CAMP

Cooke County's army cantonment will not be named after Senator Joseph Weldon Bailey, it was learned Monday; this name was not acceptable due to the fact that it is the policy of the War Department to honor deceased officers and enlisted men of the army. Cecil Tinsley, chairman of the army camp naming committee of the Chamber of Commerce, was advised by Congressman Ed Gossett.

Congressman Gossett had previously received a letter from John W. Martyn, administrative assistant of the War Department, giving that information, and saying that "it is regrettable that this suggestion cannot be given favorable consideration."

It is understood that a new naming committee will be formed and new names suggested.

John Schilling, Mr. and Mrs. Frank Schilling and daughter, Virgilla, Andrew Schilling and Miss Catherine Herr drove to Mineral Wells Sunday to visit Arnold Schilling who is at the reception center at Camp Wolters.

## First Texan To Serve In Native Diocese

Long Service Wins High Rank For Muenster's Native Son; To Be Assistant To Bishop Lynch

The Rt. Rev. Msgr. Augustine Danglmayr, chancellor of the Dallas diocese for the past 20 years, was appointed Monday as auxiliary bishop of Dallas and titular bishop of Olba (Turkey). The appointment was announced in Washington Sunday by Archbishop Amelita Giovanni Ciccognani, papal delegate, upon receipt of word from the Vatican.

Bishop Danglmayr is the first Texan ever to be appointed as bishop to serve in his native diocese and his elevation to this post is the highest rank ever accorded a Cooke county native in any denomination. The 43-year-old bishop-elect is a native of Muenster, a son of Mr. and Mrs. Joseph Danglmayr, Sr.

Bishop Danglmayr was born December 11, 1898, the oldest of seven children. He received his elementary education at Sacred Heart school under the instruction of the Benedictine Sisters, later attended Subiaco college, Subiaco, Ark., St. Mary's seminary, La-Porte, and Kenwick seminary, Saint Louis. He was ordained a priest June 10, 1922, and celebrated his first mass here in Sacred Heart church. Since that time he has been associated with Sacred Heart cathedral at Dallas.

On October 11, 1934, he was created a papal chamberlain of the pontifical household of Pope Pius XI, who conferred upon him the title of monsignor. In January of this year he was named Vicar General of the diocese.

"Elevation of Father Danglmayr to the office of bishop will be a blessing for Dallas," Bishop Joseph P. Lynch of the Dallas diocese said, "I predict for him a brilliant career."

"He is an efficient administrator and businessman, has been active in the civic and cultural affairs of the city for many years. I am deeply grateful that the supreme pontiff has seen fit to give me as a helper such a distinguished ecclesiastic, one who has been with me since I ordained him. All of his career in the church has been either at Sacred Heart cathedral or in the chancellery of the diocese."

The diocese of Olba to which Bishop Danglmayr was appointed titular bishop is in Turkey. It was established in the Fourth Century when there were a great many Christians in the area where Saint Paul was the first bishop.

The Church existed there until the Thirteenth Century when the Christians gave way to Moslems. On the official roster of the Catholic Church, however, the ancient diocese still exists. Because no bishop may be appointed without a diocese, when the Pope desires to give an assistant to the bishop of an extra large diocese or to one that is advancing in years, the assistant is named titular bishop to one of the Turkish dioceses and assigned to that in which he will serve.

## NAVY RELIEF FUND QUOTA TOPPED IN COUNTY AND HERE

The quota of \$900 for the Navy Relief society, assigned to Cooke county by Gerald C. Mann, state chairman, had gone "over the top" almost a hundred dollars according to tabulations made Monday.

Muenster's quota, set at \$60, also "went over the top." It was disclosed by J. M. Weinzapfel, local chairman Monday. This city's contributions totaled \$78.25.

"Everyone gave cheerfully, which made it a pleasure for the personnel of the bank to have taken care of the matter," Mr. Weinzapfel said. He mailed the check to Joe Leonard, Gainesville, county chairman, Saturday.

A list of individual local contributions are as follows: Dr. T. S. Myrick, \$2.00; Joe Hoehn, 50c; L. A. Bernauer, \$2.00; Hugh Jackson, \$1.00; J. M. Weinzapfel, \$3.00; Muenster State Bank, \$2.00; M. E. Collins, 50c; Dorothy Hartman, 50c; Martin Klement, 50c; Paul Tempel, 50c; H. G. Stelzer, 50c; Ben Sicking, 50c; Buddy Fette, 50c; J. C. ### THE AMERICAN WAY

When called upon within the next few days to subscribe for the regular purchase of war savings bonds and stamps, kindly have planned, not how to keep from buying, but instead how to buy a bond of some denomination.

Let's think first of the men at the front who are fighting and dying and then dig down and buy until it hurts. This is the least that we, who are still at home, and going safely about our duties, can do. It is everyone's duty to sign a pledge card. Indicate on the pledge record how much can be bought each week, month or year in bonds.

War savings bonds and stamps give us all an opportunity to take a direct part in building the defense of our country—an American way to secure the billions needed for national defense.

Remember that the solicitors are giving valuable time to a great war effort. Be prepared to sign a pledge card immediately. Do not ask them to come back later.

No individual quota has been fixed but it is taken for granted that Muenster, in this drive, like in other patriotic drives, will go over the top. We'll show the boys in the service that we are with them one hundred per cent. Every bond means more money for equipment, and more equipment means an early victory.

welcome to be with us on Friday night at nine o'clock for our graduation exercises. We are happy to say that Father Francis will be here on this occasion, to celebrate with us our entry from school-life into the school of life. Again we extend our sincerest thanks to our dear parents, our Pastor, our instructors, and all who have helped us to reach our goal.

What a deep thought-provoking meaning the word holds for the seniors! It means that they shall never again occupy the places in their dear Alma Mater which have hitherto been graced by their presence. They shall never again share the hours of study in each other's company, but each shall go his individual way in the pursuance of happiness. Each shall carry with him a memory of those happy days he spent at Sacred Heart High, and the knowledge he has gained there. These things they shall not leave behind, but they shall cherish them all through their lives. So with sad hearts but with high hopes for the future, they bid their beloved Alma Mater farewell.

Knowing Your Groceries

That "Big Buying Power" Myth

Remember the myth of "big buying power" and all it was supposed to accomplish? Well, fair trades legislation ruined it—but nothing can harm the buying advantages of the independent grocer.

While all dollars are the same size, the independent grocer can take quicker advantage of timely opportunities. He doesn't worry about storage costs. His business is not too unwieldy for immediate action on perishable items. He can give his customers exactly what they want and what they need rather than items determined by a "national average."

Besides, he can give good prices and a personal service you'll appreciate.

Senior Banquet

On Thursday evening, April 23, the high school students honored the seniors with a delightful banquet in the Community Hall. Father Conrad and the mothers of the graduates were guests of honor. The banquet hall with its rich festooning of red, white and blue, huge clusters of patriotic balloons, American flags, radiant red, white and blue shields, banners and pennants, and windows majestically draped in red, white and blue bunting presented a very beautiful spectacle. The dining tables in the form of a "V" with their snow-white table-cloths embossed with patriotic designs, lovely red, white and blue favors, placards, and napkins, a very large American Flag cake centerpiece set off by stately red, white and blue candles in crystal candlesticks created a gorgeous effect. Toastmaster for the occasion was Gerald Metzler. After an exceptionally entertaining program presented by the seniors, the students enjoyed a dance. The banquet came to a grand finale with the singing of the national anthem.

The Junior Choir sang the Mass of the Angels for the occasion. The procession of the senior boys in their blue caps and gowns, the girls in white, and the eighth grade graduates in red, all wearing a flag bow pin was expressive of their chosen motto, "For God and Country." The graduates took their places at piousness draped in red, white and blue which were reserved for them in the middle aisle.

The time is fast approaching when the American public will taste some of the bitterness of war. We soldiers, enjoying the abundant fruit of their sacrifice, can sympathize with them. Until the time comes to get into the struggle, we are the favored one in this war.
