

Survey reveals Muenster's residents favor recycling program within City

By Janet Felderhoff
Results are in on a recent survey sent out to about 500 Muenster residents. At the Oct. 6 City Council meeting, City Administrator Stan Endres reported the results of the 150 surveys returned. Of that number, 48 favored Option 1 (recycling cart at each residence), 87 favored Option 2 (roll off cart at central drop off site), and 14 were against any type of recycling. About nine surveys were received after the data was calculated.

Endres said that the reason most gave for wanting the central drop off site is that they didn't want to pay the additional \$6 a month that would be added to their water bill to cover the recycling cart.

Mayor John Pagel felt that 150 responses was good and was indicative of how the community felt. "Ninety percent of those responding are saying that they'd like to have some sort of recycling program," noted Pagel. "From that, I would assume that the people of Muenster are saying we should be in some sort of program. We just have to decide what we'd like to do." He said he personally favored the one site dumpster.

Alderman Greg Bohl said, "Thirty percent responding isn't bad for this type of a survey. I would say we have a reasonable amount of response from members of the City." Alderman Jack Flusche said that the people he talked to preferred the recycling cart.

Endres said that most people are only seeing the \$6 a month added to their water bill. At first it would be that way, but eventually as the recycling caught on, the goal would be to have trash pick up one day a week and recycling picked up the other. Currently trash is picked up twice weekly. "That \$6 would probably drop when they were able to eliminate one of the days that they have to send a truck out here." He said almost everything in household garbage is recyclable with the exception of table scraps.

Also, any time the recycling roll off bin is hauled off, there will be a \$375 charge plus any fuel surcharge. He estimated a total of \$400. Whatever IESI is paid by the recycler, the City is paid \$10 less than that. The weight determines the amount paid. They estimate it should weigh between three and a half to four tons. A good load might bring \$150 back to the

City. That fee will have to be passed on to the citizens in some manner, he noted.

Other things to consider are where the recycling center should be located, and what days and hours of operation should be kept. "It's got to be easy for them to do or the majority are not going to do it," Endres surmised as they discussed options.

Mayor Pagel said, "We're looking at having a dumpster behind a fenced area that is open to the public a certain number of days. We need to decide where we are going to put it and how often we are going to have it open."

The Council voted unanimously to adopt a recycling program with a recycling container placed on City facilities. Sanitation Commissioner Jack Flusche, Endres, and Chris Yosten were appointed to a committee to come up with options and recommendations to be presented to the November Council meeting.

The Council addressed what to do about the City water well situation. For about a year, the City has struggled with water well #1. It produces water that is of unsuitable quality. It has high iron content and is skunky and gray according to Administrator Endres. The methods pursued thus far have been costly and ineffective.

Mayor Pagel feels that when another hot summer comes, the City will find it is in need of another source of water. Also, the possibility of being placed in a ground water district that controls drilling of water wells looms in the future and has many unknowns.

Bohl, who serves on the Cooke County Groundwater Conservation Committee, highly recommended that the City get rolling with drilling a new well as soon as possible. The Council voted to charge Pagel, Endres, and Alderman Joey Anderson with the task of assembling an agenda of what would need to be accomplished and the order needed, getting an engineer, and location suggestions. These will be presented at the November meeting.

CareFlite offered the City of Muenster an opportunity to enroll employees and their family members in the Caring Heart Membership Program. This is for medical transport by helicopter. There is a \$10 per year fee that covers employees and their family members. In the event of medical transport

via helicopter, the program would cover any expense not covered by the employee's insurance. For those without insurance, it covers half of the total bill. City Council members and their families are also eligible to participate.

City Administrator Endres said that for the City's 10 or 11 employees, it would cost the City \$110 per year and includes the employees' families. The option is also to be offered to Nortex Communications, Cooke County Electric Co-op, and Muenster ISD. It is normally offered to companies with 100 or more employees.

Neal Flusche said that the Muenster VFD started using the program last year. His son sustained a broken leg and was transported from Muenster to Harris Hospital. The bill was \$12,000. His insurance covered \$5,000 and the remainder was covered by the membership program. "It's very worthwhile," Flusche stated.

The Council voted to take part in the program.

Flusche Enterprises, Inc. requested that the City consider closing Cross Street between Walnut and South Main Street. According to Mayor Pagel there is a dedicated street there that has never been opened. Flusches would like to purchase the property from the City to expand their steel yard.

The would-be street cross-

es the old railroad right of way. Utilities on the street include sewer and telephone.

It is not certain who owns what, and a title search is needed to determine who the owners are because of the railroad selling right of way to some adjacent land owners years ago.

Also of concern was a problem with drainage in that area.

The matter was tabled until more information is acquired. The unexpected death of City Secretary Micallee Matson last week was a shock to the City. Mayor Pagel commented, "We've got to go on. Stan has been inundated with problems he never knew existed and has a high appreciation for Micallee. Her work was done in a professional and timely manner. She was a good employee and it is going to be hard to replace her."

The Mayor instructed Endres to place ads in area newspapers. Several applications have been submitted already. A CPA from Nocona has been assisting Endres as needed and will continue to help when asked until a new secretary is hired.

Endres and Alderwoman Jewel Otto were asked to pre-screen and set up interviews for candidates for the position.

Police Chief Bob Stovall

Display your Christmas wish list with a Christmas Parade entry

Muenster Chamber of Commerce announced that it will again sponsor the annual Christmas Parade. This year it will be on Saturday, Nov. 29, at 1 p.m. The theme

is "A Christmas Wish List." Chamber Executive Secretary Margie Starke said, "We encourage all businesses and Muenster organizations to participate if at all possible. We also invite any individuals who would like to participate. Let's see if we can make this the biggest parade ever."

Leon Klement and Rick Waterscheid agreed to serve as chairmen of the Parade again this year.

Good Neighbor Award and Breakfast this Sunday

The Knights of Columbus will be announcing the recipient of their good Neighbor Award on Sunday, Oct. 12 at the 8 a.m. Mass in Sacred Heart Church. Awards and a breakfast will follow Mass at the Muenster Knights of Columbus Hall. Tickets, available at the door, are \$5 per person. There will be no charge for widows of Knights of Columbus members.

Ag barn open for business

The Martin Trubenbach Muenster ISD Ag Center will be the site for a Cooke County 4-H and FFA all day workshop to be held Saturday, Oct. 18. See the farm page for more information on the event.

Roth, Martin seek election to County Constable Precinct 4

By Janet Felderhoff
Precinct 4 is the jurisdiction that includes voting Precinct 17 in Muenster. John Roane currently serves as the Justice of the Peace for Precinct 4 and Tony Ward as its constable. Ward is retiring on Jan. 1. His chief constable Richard "Dick" Roth has filed on the Republican ticket. Royce Martin of Valley View is running for the position on the Democratic ticket.

Royce Martin is a resident of Valley View. He is retired from the U.S. Air Force and from Justice of the Peace of Precinct 4. He is a widower and has a daughter, son, and five grandchildren.

Roth works as the chief deputy constable for Precinct 4 and operates a forensic consulting business in Gainesville. He is a resident of Valley View. Roth married his high school sweetheart Cynthia. They have five children and nine grandchildren.

Each candidate was given three question and answered them as follows:

Explain the job of constable as you understand its duties:

Martin - A constable is a

peace officer. He conducts the same duties as any certified officer, and more. Serves legal papers, arrest warrants, investigates crime, patrols. He can cross county lines and serve warrants. He has full jurisdiction in the State of Texas.

Roth - Constable is the oldest and most powerful of the Texas Constitutional peace officers in Texas. The Texas Constitution mentions two peace officers - sheriff and constable. The constable is an officer of the Court and his immediate jurisdiction is his home county and all adjacent counties. He can cross county lines and arrest offenders and bring them directly before the judge in his home county without taking him to a judge in an adjacent county for an arraignment.

He can serve all the papers of the courts, civil citations, warrants, writs, subpoenas, and any other papers ordered by the courts to serve. In addition to all of that, he has all the normal powers and duties of a peace officer in the State of Texas.

One of the things desirable for a constable is to hold a civil process professional certification in the State of Texas. You have to be a con-

Royce Martin

Dick Roth

stable for three years before even being allowed to test for that certification.

Why do you want to serve Precinct 4 as its constable?

Martin - I was your J.P. for 18 1/2 years. I was forced to retire due to my wife's battle with cancer. I retired in 2000, and lost my wife in early 2003. The constable precinct is the same as J.P.s. I know the limits and I know there is very little crime prevention in south parts of County. My main duty will be patrol of rural areas, from one side to the other, and not

courthouse so much.

Roth - I have been a constable continuously since 1999, serving in Dallas County Precinct 4, Ellis County Precinct 2, and Cooke County Precinct 4. I held a dual county constable certification in Ellis and Cooke counties until January when I filed for Constable of Cooke County Precinct 4. I have been a professional peace officer for more than 25 years. The qualifications for constable are to be able to obtain a Texas Peace Officer license within a year. You must have no felony or misdemeanor over a Class

C, have a safe driving record, and have no family violence charges of any kind. If you have a family violence charge, you are barred for three years from carrying a firearm even if you are not convicted.

What qualifies you to do so?

Martin - I am military retired. I put 13 years in combat zones. I was a combat instructor for six years. I have an associate degree in law enforcement. I have been employed by the State as a correction officer four years with TDC-TYC. My experience as a JP will benefit me as a constable. With the appointment of a deputy constable to assist with patrol, we should be an asset in preventing crime. If elected, 90% of my time will be patrolling. I know that more patrolling in Precinct 4, and my knowledge of the precinct and your prevention needs and 24 hour on duty call will make a drop in crime. In 18 1/2 years I have never observed a patrol in precinct 4, unless when I was your J.P., I called for assistance with a cause of death. I am a victim myself.

Roth - The office of constable in Cooke County has

been improving tremendously under Tony Ward. He took the office and brought it to a level of professionalism that it previously did not have. That's one of the reasons that I am here, because I am a professional constable. Through years of experience and knowledge of the process system, I hope to continue that professional growth in the office of constable.

There are things that we were unable to do in the past. The constables serve warrants for arrests, as well as civil papers. All the constables, as well as a number of County offices, have a backlog of open warrants which have not yet been served. I want to serve them and bring in a reasonable amount of money to put in the County general funds by working the warrants we already have.

One of the things I want to do for the people is to be sure that the courts' papers are served in a timely manner with the courtesy and consideration the citizens are deserving of.

Early voting begins on Oct. 20 and ends Oct. 31. The General Election is on Tuesday, Nov. 4.

Obituaries

Betty Dangelmayr 1917 - 2008

Mass of Christian Burial for Elizabeth "Betty" Hartman Dangelmayr of Muenster was held at 10 a.m. on Monday, Oct. 6 at Sacred Heart Church in Muenster with Fr. Ken Robinson celebrating the Mass. Burial followed in Sacred Heart Cemetery. Services were directed by McCoy Funeral Home of Muenster.

Betty died at the age of 91 about 11 a.m. on Saturday, Oct. 4, 2008 at her residence. A combined Rosary and Vigil service led by Fr. Ken was held at 7 p.m. on Sunday, Oct. 5 at the funeral home.

Born May 25, 1917 on a farm near Muenster, Betty was the fifth of eight children born to John and Helena Hess Hartman. She was a lifelong resident of the Muenster community. Betty started school in the old Sacred Heart building through the 3rd grade. She then moved into the new building where she completed her education. A lifetime member of Sacred Heart Parish, she was also a member of Catholic Daughters, St. Anne's Society, and the VFW Auxiliary.

Betty married Albert Dangelmayr on Aug. 12, 1947 in Sacred Heart Church. Bishop Dangelmayr performed the wedding ceremony. She and Albert were the proud parents of a daughter and four sons. Betty often enjoyed cooking lunch for all the boys when they were working nearby. She really enjoyed her grandchildren, constantly providing them with her homemade rolls and donuts. She also enjoyed traveling with her husband.

Betty was truly an outstanding family lady. She was dearly loved by all members of the family and by many, many friends.

Survivors include her daughter and son-in-law Judy and Tom Flusche of Muenster; sons and daughters-in-law James and Cathy Dangelmayr, John and Mary Dangelmayr, Jack and Denise Dangelmayr, and Richard Dangelmayr, all of Muenster; 12 grandchildren and four

great-grandchildren; sister Dorothy Hartman of Muenster; and brother Leonard Hartman of Muenster.

Preceding her in death were her husband Albert on Feb. 15, 1996; sisters Marie Walter, Angeline Endres, and Loretta Mason; brothers Joseph John Hartman and Herman Hartman; and daughters-in-law: Missy Dangelmayr and Lynn Dangelmayr.

Assisting Fr. Ken during the funeral Mass as altar servers were grandsons James Dangelmayr and Jared Dangelmayr, and Aaron Davis, a friend. Granddaughters Lauren Dangelmayr and Jami Flusche gave the First and Second Readings, respectively. The Prayers of the Faithful were also offered by Jami Flusche. Carrying Offertory Gifts were granddaughters Brandy Dangelmayr, Jessica Dangelmayr, and Jena Dangelmayr, and great-granddaughter Haley Flusche. Eucharistic ministers were Jordanne Hellman, Alvin and Joanie Hartman, Judy Flusche, Brandy Dangelmayr, and Roger and Janie Taylor.

Music ministers were Isaac Davis, pianist, and Christy Hesse and Linda Flusche, vocalists. Sacred songs included "On Eagle's Wings," "Psalm of the Good Shepherd," "Amazing Grace," "Here I Am Lord," "Do Not Let Your Hearts Be Troubled," "Songs of the Angels," and "How Great Thou Art."

Daughter-in-law Mary Dangelmayr gave the Remarks of Remembrance. She said, in part, "Elizabeth 'Betty' Cecilia Hartman Dangelmayr was born on... the family farm just east of Muenster... After completing school, Betty went to work at Louie's cafe, in Muenster, as a waitress. It was at the cafe that she met Albert Dangelmayr. They married in 1947. Betty and Albert moved to the homeplace west of town with Albert's brother Joe..."

"She was fiercely dedicated to her family and her home... She cooked daily for the boys

Betty Dangelmayr

who were working in the fields. I'm not talking about sandwiches... It was a spread to behold... Grandma loved to fish, and even in to her seventies rode the 4-wheeler with her grandson Jeff to find the best fishing spot..."

"Betty loved to crochet afghans, and made sure everyone in the family had one in the colors of their choice. She enjoyed traveling, dancing with Albert, attending the Cattleman's conventions, and drives in the country..."

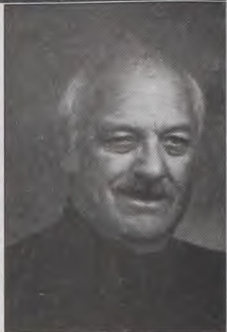

"Betty was a devoted Catholic... We all know that Grandma is in Heaven now... We shall miss her uncanny sense of humor and her graciousness in all that she did. She was truly a lovely and elegant lady in the grandest sense of the word and we shall treasure all of our memories of her forever..."

Pallbearers were Jeff Flusche, Lucas Hartman, Joseph Dangelmayr, Justin Hartman, Deann Dangelmayr, Kirk Hartman, Megan Dangelmayr, and Kristen Meeks.

Live in peace. And the God of love and peace will be with you. 2 Corinthians 13:11

Fredrick Albert Knabe 1936 - 2008

Fred Knabe

Funeral services for Muenster native Fredrick Albert Knabe of Argyle were set for Friday, Oct. 10 in Denton. Fred died at the age of 71 in an automobile accident on Friday, Oct. 3, 2008 in Denton.

Mass of Christian Burial was set for 10 a.m. on Friday, Oct. 10 at Immaculate Conception Church in Denton with Monsignor Charles King celebrating. Interment was to follow at Graham-Argyle Cemetery under the direction of DeBerry Funeral Home in Denton.

Rosary service was held at 6:30 p.m. Thursday, Oct. 9, followed by a visitation at 7 p.m. at DeBerry Funeral Directors.

Pallbearers are Knights of Columbus colleagues, Ed Bleess, Bill Dvoracek, Don Swatoski, Francis Kral, Jack Trotter, Jack Deines, and the Knights of Columbus Color Guard.

Fred Knabe was born on Oct. 18, 1936 in Muenster, the sixth of eight children of Joseph and Mary Klimpt Knabe. He attended schools in Muenster and graduated from Muenster High School in 1954. He married Delphine Derichsweiler on June 26, 1957 in Muenster. They became the parents of four sons and one daughter.

Fred was retired from the United States Postal Service, having served as a clerk and in customer service as a claims and inquiry specialist in Muenster and Denton. He was an active member of the Denton Knights of Columbus, and did numerous volunteer projects including Our Daily Bread Soup Kitchen and R.S.V.P. He loved traveling, reading, puzzles, fishing, Texas Ranger baseball, and his grandchildren.

Fred is survived by his wife of 51 years, Della of Argyle; daughter and son-in-law, Janell and Michael Birk of Denton; sons and daughters-in-law Jack and Sally Knabe of Denton, Chris and Natalie Knabe of Flower Mound, and Terry Knabe of Dallas; six grandchildren; sister and brother-in-law Rosemary and Wassie Reynolds of Forestburg; brothers and sister-in-law Harold and Bertha Knabe of Muenster, and Leon Knabe of Illinois.

He was preceded in death

by his parents; infant son Michael; daughter-in-law Liu Knabe; and brothers Gerald, James, Richard, and Gilbert Knabe.

In lieu of flowers, please send donations to Prostate Cancer Foundation, 1250 Fourth Street, Santa Monica, CA 90401. Regards may be sent to the family at 934 Stonecrest, Argyle, TX 76226.

DAYS GONE BY.....

65 YEARS AGO Oct. 8, 1943

Muenster exceeds bond quota; goal of \$90,000 surpassed by \$1,044. The Al Walterscheids get new paper and inside paint and the bathroom gets addition of built-in features. New Arrival: Leonard to Henry and Frances Zimmerer. J.W. Hess elected superintendent for Elm-Red District. Local 4-H Club elects Mary Seyler as president, Juanita Weinzapfel as secretary, and Johann Seyler as reporter. Baptists purchase building they will rebuild for church.

50 YEARS AGO Oct. 10, 1958

City Council considers buying fire siren and pumper truck. Swim pool loss for sea-

son is \$572. Herbert Miller elected president of the Sacred Heart Alumni. Nick Miller, scoutmaster, has "second generation" Boy Scout in Danny Wilde; his father Ray Wilde was also a Boy Scout under Nick Miller's leadership. New Arrivals: Sally to Ray and Elitha Endres. Wedding: Della Fette and Donald Bayer.

25 YEARS AGO Oct. 7, 1983

Lake Muenster dispute continues at City Council meeting. Muenster Library's growth slow, but steady since 1959. Wedding: Theresa Bauer and Brian Roder. Daryl Ferber is the "Tri-color" award winner at the Muenster Garden Club Flower Show.

Lightning safety

Cloud-to-ground lightning strikes within the United States an average of 25 million times every year. A single bolt, with a length that can exceed five miles and a width of one to two inches, can generate 100 million electrical volts and a temperature near 50,000 degrees Fahrenheit.

"Lightning is a potential hazard to people outdoors and indoors and results in millions of dollars in economic losses," said Brig. Gen. David L. Johnson, U.S. Air Force (Ret.), director of the National Weather Service. "Lightning kills an average of 67 people in the United States each year and can result in property loss, damage to aircraft and electronics, and can be the spark that ignites devastating wildfires."

NOAA

Ursula Kathe Harrington 1942-2008

Ursula Kathe Harrington, age 66 of Montague, went to be with our Lord on Tuesday, Sept. 30, 2008. She died in Nocona. A memorial service was held at 10:30 a.m. Saturday, Oct. 4 at Hawkins Funeral Home in Bridgeport.

Ursula was born on Sept. 19, 1942 in Giessen-Leihgestern, Germany to August and Margarete Simmermacher Schneider. She was a retired telemarketer for the OVC Home Shopping Channel.

Left behind to cherish her memory are daughters, Debby Walker and husband James of Montague and Diane Harrington of San Antonio; four grandchildren including Jon Forshee of Muenster; eight great-grandchildren; brother Karl Heinz and wife Hiltrude of Leihgestern, Germany; and the father of her children Raymond W. Harrington of Muenster.

She was preceded in death by her parents.

Lea Ann and Leon Bayer, who celebrated their 25th anniversary on Oct. 1, will be honored Saturday, Oct. 11 with a come and go anniversary celebration. It will be at the First Baptist Church of Muenster fellowship hall from 3-5 p.m. It will be hosted by their children, Eric, Jennifer, and Micah Bayer. Unable to attend will be their son Bryan Bayer who is currently serving with the United States Marines in Iraq. Leon is the son of Alfred and Anna Marie Bayer of Muenster. Lea Ann is the daughter of Leon and Barbra Whittington of Thackerville, Oklahoma.

Pam Roberts
The Red River Christian Homeschoolers (RRCHS) would like to honor our dear friend Pam Roberts who passed away September 25, 2008. The person we knew was a sweet, honorable, Christian wife and mother whose life was dedicated to the betterment of her family: Paul, Jon Paul, and Peyton. Always ready with a smile and to encourage another, these were constant hallmarks of who she was. These qualities are characteristic of each member of the Roberts family, and we know they will honor this wife and mother's memory with the same sweet spirit that Pam possessed. We, her friends, were the beneficiaries of the many evidences of Christ's love living in her. In remembering Pam, we note all the things about her that are mentioned in this passage from Philippians 4:8: "Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things." We take great comfort in the simple Christian life of humility and kindness that she exemplified that was rooted in her Savior's finished work on the cross. We know this because her fellow nurses shared with us that on Pam's last shift at work, the evening before her accident, these were her words: "All I know is that if I died tonight I'd go to heaven to be with the Lord." We, too, know you are there sweet friend. We look forward to seeing you once again.

Cox questions report emphasis and information on TTC-35

Submitted by Sheila Cox
 The September meeting in Austin about TTC-35 proved to be a challenging meeting as reported by Sheila Cox, committee member. The meeting focus was for the I-35 Corridor Advisory Committee to list topics of recommendations for TTC-35 that would be included in a report to be presented by Amadao Saenz, executive director of TxDOT. The committee will finalize the recommended topics to be included in the report during the October meeting. The written report will be prepared by TxDOT officials based on the committee's recommended topics and Saenz will present the report to the Texas Transportation Commission in November, with copies of the report going to Texas Representatives and Senators.

to speed up the building of the TTC, or if the report would be a balanced report that also mentions areas of needed correction in the existing TTC plans which is the attitude expressed by Cox. However, the exact emphasis of the report has not been answered in response to Cox's questions. The November timing of the planned presentation of the report will be less than two months before the reconvening of the Texas Legislature in January. Cox is concerned that if the report does not include TTC objections, that it could possibly stop the efforts of Texas Representatives and Senators who are considering legislative remedies to deal with the negative aspects of the current TTC plans in the upcoming legislative session.

On several occasions when Cox presented areas of correction that needed to be made in the TTC plans, various TxDOT officials in

charge of the meeting commented, "Those are details that need to be dealt with later." Cox countered their comments by stating that such details needed to be dealt with before taking any properties from property owners in order to build the TTC.

Cox stated criticism that current TTC plans do not provide overpasses for Farm-to-Market (FM) roads to cross the corridors. She noted not having FM overpasses to cross corridors would create a serious gridlock for local traffic. She stated that most counties could not afford to pay for FM overpasses and the revamping of existing roads to access the overpasses. Mark Tomlinson, with TxDOT in Austin stated, "TxDOT will participate with counties when additional overpasses are requested." Cox explained to the committee members that as per requirements set forth in the Texas Transportation Code, TxDOT's participation

would be to provide the blueprint specifications for the overpasses, but the total cost of the construction materials and the actual construction costs would have to be paid from county funds along with the additional cost for revamping existing roads to tie in to the overpass.

For an example of overpass construction cost, Cox mentioned the TxDOT quote released last March for the estimated cost of \$6 million dollars to build an overpass for FM 678 in Cooke County to cross U.S. 82. She noted that the width of a proposed corridor is about three times the width of U.S. 82, which could triple that estimate to \$18 million dollars for just one FM road overpass over just one corridor.

Tom Warne, the meeting facilitator, apparently misquoted 1996 legislation in his explanation for the reason that TTC corridor development could not take place within the I-35 easement as requested by Cooke County leaders and citizens. Cox has not been able to verify that Warne's comments were accurate. Warne's apparently inaccurate comments followed Cox's re-emphasizing the requests made in letters she had previously submitted to TxDOT officials in Austin and the committee members. Cox referred to statements made by Gainesville Mayor Glenn Loch, G.E.D.C. Director Kent Sharp, Chamber of Commerce Director John Broyles, and the Cooke County Commissioners Court Resolution of Opposition to the Trans-Texas Corridor, dated May 8, 2006, all of which requested transportation improvements in Cooke County to be done within existing road easements.

corridor just for running all the utilities within the corridor pointed to handing over to foreigners not only the control of Texas roadways, but also to hand over to foreigners the control of Texas utilities.

Cox mentioned a recent conversation with Richard Saladano, with the Texas Utility Commission, where Saladano had said that the entity who has the authority to set the toll rates in the corridors would also have the authority to set the utility rates for Texas utility consumers. For TTC-35, that authority would be exercised by Cintra-Zachary, the Spanish consortium. Cox added that Saladano had also said with Texas having de-regulated utilities, there would be no safeguards for consumers in the initial utility rates that could be charged by those in control of the corridors, and there would be no safeguards for utility rate increases that consumers would eventually have to pay.

Cox discussed what Warne had said about the 1996 legislation with Mike Hallum, assistant area engineer with the Gainesville TxDOT office. Hallum's explanation of the legislation differed from the information that Warne

had stated in the meeting. Hallum explained that not only telecommunication utilities, but all other types of utilities are contained inside the I-35 easement in Cooke County. Hallum explained that the original 1996 legislation stated a requirement for all utilities to be placed between the outside lanes of the frontage roads and the Interstate Right of Way easement boundary line. Hallum added that parts of the initial legislation have been rescinded to allow in certain situations the utilities to even be placed between the frontage roads.

The differences in opinions remained civil, but continued to the adjournment of the meeting when Donna Parker, one of the committee members, made a statement just prior to the close of the meeting about the emphasis of the report. Parker referred to Amadao Saenz, executive director of TxDOT, in her comment, "Remember the report is to cover the back of Amadao." Cox noted that the officials in attendance neither questioned nor corrected Parker's comment about the emphasis of the report.

Sheila Cox may be reached at billsheila@swmail.net or 940 727-2187.

2008 autumn shows need of rain

Rainfall in August was a welcome relief for parched vegetation and residents tired of a county-wide burn ban. September was much less generous and rain is again needed. An early cool off in temperatures led some to think winter was coming early, but higher than normal temperatures in the past weeks dispelled that belief. The official moisture measurement for Muenster is recorded and reported by Carol Vogel.

Tune, Bayer exchange vows in First United Methodist Church

First United Methodist Church of Gainesville was the setting for the July 12, 2008, 4 p.m. wedding of Jennifer Lee Tune of Münster and Eric Joseph Bayer of Münster. The double ring ceremony was performed by the Rev. David Whittington of Woodbine, uncle of the groom.

The bride is the daughter of Joseph and Kathie Fenton of Münster and David Tune of Komawa, Oklahoma. Her grandparents are Ellen Cate of Howe and the late R.L. Cate and the late Harvey and Irene Tune.

The groom is the son of Leon and Lea Ann Bayer of Münster. His grandparents are Leon and Barbara Whittington of Thackerville, Oklahoma, and Alfred and Anna Marie Bayer of Münster.

The sanctuary was decorated with the bride's colors of various pink and clover green pew bows and assorted flowers and greenery.

The bride was escorted by her father and given away by her father and stepfather. She wore a strapless dress, with the bodice embellished

with sequins. The A-line skirt was trimmed with intricate beading and crystals along the bottom of the dress and also on the train. The bride carried a bouquet of pink silk flowers and greenery that was created by her mother.

For her something old, she wore an Austrian crystal necklace and earring set given to her by her fiancé on her 19th birthday. Her something new was a right hand ring also given to her by the groom on their wedding day. Something borrowed was a crystal and pearl bracelet from a special friend, Mary Dyer. Her mother gave her a blue hankie for something blue.

ATTENDANTS

Matron of honor was Hayle Dangelmayr of Münster, sister of the bride. Maid of honor was Bridgette Klement of Münster, friend of the bride. Bridesmaids were Allie Echols of Wichita Falls and Diana Felderhoff of Stephenville, both friends of the bride. They wore matching clover green tea length dresses and shoes of their choice in matching colors. They carried

Mr. and Mrs. Eric Bayer
—nee Jennifer Tune—

bouquets of pink silk flowers and greenery that were similar to the bride's bouquet.

Flower girls were Haley Hensley and Madison Pullen of Thackerville, cousins of the groom. They wore identical long white dresses with lace on the bodice and carried flower baskets decorated in pink and green and pink rose petals.

Serving as best man for the groom was his father, Leon Bayer. Groomsmen were his brothers, Bryan Bayer who is stationed in Iraq with the U.S. Marines, and Micah Bayer of Münster, and friend of the groom, Paul Fleitman of Münster.

Ring bearers were Kyle and Kevin Dangelmayr of Münster, nephews of the bride. Candlelighters were Lindsey Perry of Addis, Louisiana, friend of the bride, and RandiBeth Nicholson of Gainesville, friend of the bride and groom.

Mothers and grandmothers of the couple entered the church to the music of "Jesu, Joy of Man's Desiring." Escorts were Eli Dangelmayr and Cody Dangelmayr, nephews of the bride, and Dylan Spradling and Garrett Spradling, cousins of the groom.

The attendants entered to "Canon in D Major," and the bride entered to the "Wedding March." Pianist was Akane Misawa, and her assistant was Sharon Mills, both of Wichita Falls and friends of the bride.

For the lighting of the Unity candle, Stephen and Paige Wilhite of Howe sang "The Prayer." Cassandra Spradling, cousin of the groom, presided at the registry table and handed out programs for the wedding. Ushers included Tom Dangelmayr, brother-in-law of the bride, Dustin Echols, friend of the bride and groom, and David Hensley and Bobby Spradling, uncles of the groom.

RECEPTION

The dinner reception and

dance were held in the fellowship hall immediately after the wedding. The bride's chosen colors of pink and green were used in vases on all the tables. Candles of green adorned the tables for the bride's and groom's cakes. A special table held pictures of the bride and groom as children, and pictures that were taken in their six years of dating. Also on this table, were pictures of the couple's parents and grandparents on their wedding day.

The meal was catered by Rohmer's and hosted by the bride's family. After the meal, a time of fun and fellowship was enjoyed by all. The DJ was from Lone Star Entertainment.

The bride's and groom's cakes were made by the groom's mother and grandmother, Lea Ann Bayer and Anna Marie Bayer. The bride's cake was a white cake decorated with white butter cream icing and white buttons and pink flowers. The groom's cake was a German chocolate cake with German chocolate icing.

Reception assistants were Ashley Pullen, Bobby Joe Spradling, and Sonya Hensley, all aunts of the groom, and Corinne French, friend of the bride and groom.

Reception flowers were created by Lora's Flowers, and photography was by Jim Byrd Photography.

A rehearsal dinner, hosted by the groom's family, was held on Friday night in the fellowship hall.

The bride is a 2004 graduate of Münster High School and a 2008 graduate of Midwestern State University in Wichita Falls. She is currently working at Christ's Jewelry in Münster.

The groom is a 2002 graduate of Münster High School and is employed at the Walmart Distribution Center in Sanger.

After a honeymoon in Playa del Carmen, the couple is at home in Gainesville.

An evening of American folk music in Saint Jo

The Saint Jo Community Chorus, under the direction of Suzanne Lawson, will present an evening of American folk music on Friday, Oct. 17. The concert celebrates the Montague County Sesquicentennial on Oct. 18 and will also include other music groups from Montague County.

The public is invited to attend this free evening of music to be held at the Saint Jo School auditorium at 7

p.m. The Community Chorus, sponsored by the Saint Jo Chamber of Commerce, has been performing at community events for six years. The Chorus is made up of 16 members from the Saint Jo area. The Chorus is excited to welcome "Snow Hill" from Forestburg and "Faith Like That" from Saint Jo, and Angela Terrelli and Chris Stewart from Saint Jo to be part of this evening.

The evening will be a great way to kick off the Montague County Sesquicentennial celebration weekend.

Reminder!

Sacred Heart Trust Fund Celebration marking 30th Anniversary with a free barbecue meal served at 6:30 p.m. on Saturday, Oct. 11 in the Sacred Heart Community Center. A program the Next Generation follows at 7:15 p.m. Doors open at 6 p.m.

The Kiwanis Club of Münster installed new officers for the year 2008-09 beginning Oct. 1 and running through Sept. 30, 2009. Dan Hamric was reinstated as secretary, Charles Barknecht was installed as the new president, Butch Fischer is president-elect, and Kevin Sebade was reinstated as treasurer. Courtesy photo.

New Arrival

Bayer

Jeremy and Diana Bayer of Lindsay are proud to announce the birth of their first child, a daughter, Koralee Louise Bayer. Koralee

was born Wednesday, Sept. 24, 2008 at North Texas Medical Center at 2:30 p.m. She weighed 6 lb. 13 oz. and measured 21 inches in length. Grandparents are Don and Donna Schad of Lindsay and Paul and Donna Bayer of Münster. Great-grandparents are Louise Schad of Lindsay and the late Edward Schad, Adeline Sicking of Münster and the late Bernard Sicking, Alfred and Anna Marie Bayer of Münster, and Juanita Knabe of Münster and the late Norbert Knabe.

Classes of 1983 to hold reunion

The 25 year class reunion of the Münster High School and Sacred Heart High School classes of 1983 is planned for Oct. 18. The reunion will be held at Doc's and will begin at 6:30 p.m. Members of the classes are asked to bring their memorabilia from their school years to share with classmates.

Area Event

Wolf Benefit

The Angel Fowler Wolf Benefit will be held Saturday, Oct. 18 at Gainesville Lennard Park. It will be a day of fun from 10 a.m. - 8 p.m. There will be music, games, door prizes, auctions, raffles, food, and lots of fun. The fundraiser will benefit Angel's medical needs.

City Continued from Pg. 1

submitted the quarterly police report for the months of July through September. The newly purchased computer for the Police Department is up and running, he reported. He thanked the Council for the computer, noting it is much better than the previous one.

Stovall said he discussed installing software for the City Court with Judge Dorothy Lewis. They decided to do it now rather than waiting a month. Judge Lewis brought her secretary from the Justice of the Peace Court to help with it. She works with a similar system and had no problems getting it going. She was working in her off duty hours and is willing to help on court dates until someone is trained for the job.

Both Officer James Elliott and Harold Pearson have been employed by the City for six months. Stovall reported that their probation period is over and he has had no problems and will be

submitting a letter in their file noting that they have successfully completed their probation period.

In other business, the City Council:

- Approved payment of bills totaling \$106,864.74.

- Changed date of December Council meeting from Dec. 1 to Dec. 8 due to the late Thanksgiving holiday and time required to prepare for the meeting.

- Heard City Administrator Endres report that new employee Leo Lutkenhaus had attended a class on basic waterworks and is working out well. Endres attended a class for city managers and shared with the Council some of what he learned on agenda items.

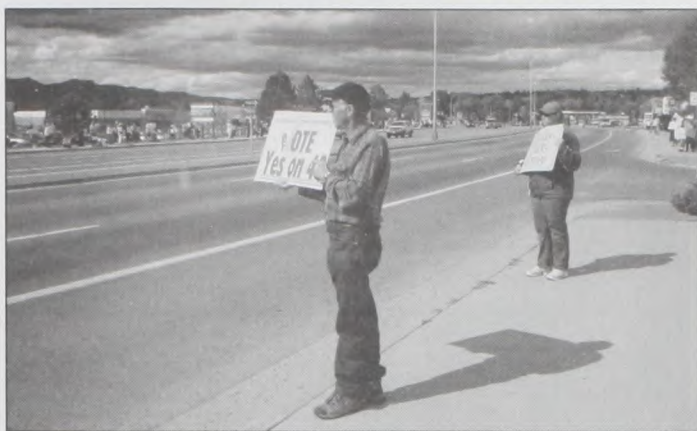

No one can make you feel inferior without your consent.

Losing extra weight gets to the heart of the matter

Recent medical research has linked belly fat with higher risk for cardiovascular disease. As it's difficult to specifically target belly fat, however, anyone trying to rid themselves of extra pounds around the middle should strive for overall weight loss, say physicians at UT Southwestern Medical Center.

"A key concept in weight loss is to ensure that you burn more than you eat, meaning your total calories have to end up negative for the day," said UT Southwestern cardiologist Dr. Amit Khara. "Reducing portion sizes, reading food labels, and making smart food choices can go a long way toward weight loss."

Bob and Janette Hess and their daughter Sarah took time while on vacation in Colorado Springs, Colorado to take part in the National Life Chain last Sunday. Pictured are Bob Hess holding a Vote Yes on (Proposition) 48 sign, and Sarah Hess holding an Abortion Hurts Women sign. Courtesy photo

American Cancer Society encourages women to take charge of their breast health

As the nation marks the annual National Breast Cancer Awareness Month this October, the American Cancer Society is encouraging women to fight breast cancer by taking charge of their personal breast health and supporting efforts against the disease. The Society is reminding women 40 and older about the importance of getting a mammogram annually to detect breast cancer in its earliest, most treatable stage. An estimated 182,460 new cases of invasive breast cancer are expected to occur among women in the U.S. in 2008, and about 40,480 deaths are expected.

Studies clearly show that early detection of breast cancer through mammography greatly improves treatment options, the chances for successful treatment and survival. Early-stage breast cancer typically produces no symptoms when the tumor is small and most treatable, so it is important that women follow recommended guidelines for finding breast cancer before the symptoms develop. On average, mammography will detect about 80% to 90% of breast cancers in women without symptoms.

"Survival rates for breast cancer are significantly higher when the cancer has not spread," said Kirsten Bruce, manager, health initiative field support, at the American Cancer Society. "Numerous studies have shown that early detection increases treatment options and can save lives. That is why it is so important for women 40 and older to get an annual mammogram."

The American Cancer Society recommends yearly mammograms and clinical breast exams for women 40 and older, and a clinical breast examination at least once every three years for women between the ages of 20 and 39. The Society also recommends magnetic resonance imaging (MRI) for certain women at high risk. Women at moderate risk should talk with their doctors about the benefits and limitations of adding MRI screening to their yearly mammogram.

While we do not yet know how to prevent breast cancer, we do know that women who maintain a healthy weight, eat a well-balanced diet, and are physically active 45 to 60 minutes on five or more days of the week can reduce their

risk of breast cancer. Also, limiting alcohol consumption can reduce breast cancer risk — two or more drinks a day may increase breast cancer risk by 21%.

The American Cancer Society and its partner advocacy organization, the American Cancer Society Cancer Action NetworkSM (ACS CAN), continue to engage in activities to increase funding for the National Breast and Cervical Cancer Early Detection Program (NBCCEDP). This important program provides low-income, uninsured, and underinsured women access to mammograms, Pap tests, follow-up care, and treatment when needed. Current funding only enables the program to serve one in five eligible women ages 50 to 64 nationwide, and for the first time since the program's inception, fewer women are being served due to flat funding rates and cuts in funding over the past five years.

ACS CAN encourages anyone touched by this disease to let Congress know that support for the NBCCEDP is important and that an increase in funding for this program, to \$250 million this year, is vital to its continuation.

Meeting Notice

GCWC Luncheon
Gainesville Christian Women Connection's October Luncheon will be Thursday, Oct. 23, at 401 W. Garnett, Gainesville. Event time is 11:15 a.m. - 1 p.m. Cost is \$10. The program—Hello Dollies—features Dorothy Baskett's doll collection. Keynote speaker will be Donna Skell of Plano. Donna, a successful entrepreneur, explains how she found fulfillment no matter what the obstacles. For reservations, call Judy at 940 612-3130 by Monday, Oct. 20.

Also, on Oct. 16 at 9:30 a.m., all are invited to attend the next Prayer Connection led by Shirley O'Dell. Location is Sydney Reynolds' house at 75 CR 2262.

Faith is deliberate confidence in the character of God whose ways you may not understand at the time.

Oswald Chambers

Saint Jo Opry set for Saturday, Oct. 11

A super night of family entertainment is on tap for Saturday, Oct. 11 in the Saint Jo School auditorium. The Saint Jo Opry is set to begin at 7:30 p.m. with plenty of good ole country classics and a little bit of rock and roll. Door prizes will be given during the show.

Special guests appearing on the stage include Gene

Brown of Bowie and Carol Mansel of Nocona.

Admission is \$2 for adults, with children 12 and under free. Donations from the Opry are given to local area Volunteer Fire/EMS and other nonprofit organizations. Concessions, including sandwiches, will be available.

For more information, contact David or Brenda at 995-2178.

Avoid unexpected Halloween fright - by heeding safety tips

Every year, Americans spend more and more money on Halloween costumes, candy, and decorations. In fact, the National Retail Federation estimated that the total Halloween spending for 2007 would reach \$5.07 billion. With the average person spending more than \$23 per costume and close to \$18 on decorations, Prevent Blindness America wants to remind everyone to make sure all Halloween purchases are safe and responsible.

"Halloween can be one of the most enjoyable times of the year, as long as we all remember that safety is the key to a wonderful holiday," said Hugh R. Parry, president and CEO of Prevent Blindness America. "Every-

thing from having an open flame in a jack-o-lantern to wearing a mask that distorts our vision can turn a festive evening into a terrible accident."

Additionally, in the past, cosmetic contacts were a popular costume accessory, allowing wearers to change their eye color or even give the illusion of cat's eyes. However, many people may not be aware that it is illegal to purchase any contact lens, whether it be corrective or not, without a prescription. Contact lenses are classified as medical devices and can only be obtained through a licensed eye care professional. Improper use of contacts can lead to eye infections, corneal injuries, and even vision loss.

With more adults, children, and even pets enjoying the spooky festivities, Prevent Blindness America offers these tips:

- Jack-o-lanterns should be placed in areas where trick-or-treaters or Halloween party guests won't be able to trip over them or have costumes brush up against them. All tripping hazards should be removed from sidewalks and porches.

- Make sure costumes are made of flame-retardant material.

- When trick-or-treating, always wear bright, reflective clothing or decorate costumes and bags with reflective tape/patches. Carry a bright flashlight to improve visibility.

- Always accompany children while trick-or-treating. Only go to houses you are familiar with, and only visit homes that have the porch light on.

- Carefully examine all trick-or-treat items for signs of tampering before allowing children to eat them. Inspect any toys or novelty items received by kids age three and younger, as they may pose a choking hazard.

To protect vision and avoid painful eye injuries:

- Never wear costumes that could block vision such as some masks, wigs, hats, or eye patches.

- Always wear hypoallergenic or non-toxic make-up. Only adults should apply the make-up to children and remove it with cold cream or eye make-up remover instead of soap.

- False eyelashes should only be applied and removed according to the manufacturer's instructions on the products package.

- Avoid props or accessories that have sharp edges or pointed ends such as pitchforks, spears, knives, swords, or wands.

For more information on Halloween safety or contact lens safety, please call Prevent Blindness America at 1-800-331-2020 or visit www.preventblindness.org.

Healthier pets

Feeding your pet a variety of foods can minimize the development of food allergies. By providing pets with different proteins and forms, like kibble, canned and raw frozen, the Rotation Diet from Nature's Variety offers the full spectrum of nutrients cats and dogs need.

Good nutrition is the key to good health. Instead of skimping on your pet food budget, select high quality foods with high levels of meat proteins and whole grains. Healthy pets with strong immune systems, healthy coats, and strong teeth are less susceptible to disease.

SCHOOL

MHS National Honor Society holds its installation banquet

The Muenster High School chapter of the National Honor Society held its annual installation banquet on Sept. 30. Current members and pledges, along with parents, faculty advisors, and administrators, gathered in the Muenster Cafeteria for the ceremony. The current members decorated the cafeteria with a fiesta styled theme with piñatas, colorful table cloths, and confetti, along with the traditional N.H.S. balloons and banners.

The banquet began with Treasurer Shaina Felderhoff and Vice President and Student Council Representative Noel Barnhill leading the Pledge of Allegiance and the invocation. Everyone then

enjoyed a Mexican dinner catered by Ginny Schneider. President Brandon Bindel gave the welcome and began the candle-lighting ceremony. Each candle represents the four main principles of the organization. The principles include Leadership, Character, Scholarship, and Service. Noel Barnhill, Secretary Lia Heers, Shaina Felderhoff, and Historian Chris Valliere lit the candles.

The presentation of members was given by Brandon Bindel and the member response was given by Jordanne Hellman, indicating that the new members would accept the challenge of membership to the organization. Brandon Bindel introduced

sponsors Vicki Eldridge and Kristi Schneider, who corded the new members and presented them with the N.H.S. membership cards and pins.

Newly installed members were: seniors - Brandy Dangelmayr, Matt Flusche, Jordanne Hellman; juniors - Amanda Dangelmayr, Eric Hellman, and Levi Trubebach; sophomores - Briana Bindel and Shane Presnall. The new members signed the chapter registry and then received congratulatory remarks from the sponsors.

The benediction followed, given by Chris Valliere. At the end of the night, the members were rewarded with two piñatas filled with candy to finish of their fiesta styled installation.

Muenster ISD to celebrate Homecoming

The Muenster Hornets' 2008 Homecoming celebration is Oct. 17. Hornet alumni, friends, and fans are invited to join the festivities as this year's Hornet team battles Blue Ridge at 7:30 p.m. in Hornet Stadium. Come and cheer the Hornets on to victory and visit with former classmates. Former queens from 1958, 1968, 1978, 1988, and 1998 will receive special recognition during pregame festivities.

The pregame program

will begin at 7 p.m. with the presentation of the Homecoming Queen candidates and Princesses along with their parents. Former students from the class of 2008 will escort the Homecoming Royalty during the halftime coronation.

Queen candidates include Brandy Dangelmayr, daughter of Richard Dangelmayr and the late Missy Dangelmayr; Samantha Endres, daughter of Danny and Jan Endres; Lauren Haverkamp

daughter of Kevin Haverkamp and Shana Haverkamp; and Laticia Schinigo, daughter of Joe and Stacie Schinigo.

Class princesses include junior Leaha Smith, daughter of Tim and Denise Smith; sophomore Michelle Henseid, daughter of John Henseid and Rose Henseid; and freshman Lana Heers, daughter of Ted Heers and Lou Heers.

Students plan to decorate the halls Oct. 12. This year's See Homecoming pg. 8

Can drive helps with Homecoming expenses

Muenster High School Student Council sponsored a one day recyclable can drive that raised \$300 for homecoming and assisted in Keeping Muenster Beautiful. MISD photo

HOMECOMING

theme is "Blast from the Past." On Monday, students will dress from the 70s, Tuesday from the 50s, Wednesday from the 60s, and Thursday from the 80s.

Friday wraps up the week as Spirit Day. Friday, Oct. 17 at 2:30 in the afternoon, the Hornet varsity and junior high cheerleaders will lead a school-wide pep rally in the gym.

Student Council members will present Homecoming mums to each queen candidate and princess. A dance in the school's new gymnasium for MISD students in grades 9-12 will

take place Saturday, Oct. 18 from 8 p.m. to midnight. The Student Council is providing music and refreshments. Admission is free to MISD students.

Duke University Talent Search selects 15 at MISD

The Duke University Talent Identification Program has been a national leader in identifying academically talented students and providing innovative programs to support the development of their optimal educational potential. For Texas seventh grade students, the invitation to participate in the program is mainly based on the scores from the Texas Assessment of Knowledge and Skills (TAKS). The students must have scored in the 95th percentile or higher to participate.

Those selected this year from MISD's seventh grade are Austin Schroeder, Kendi Bayer, Jared Endres, Jaisal Patel, Clayton Hess, Garrett Miller, Audrey Taylor-

Saavedra, Shelbi Sicking, David Hudson, Eland Green, Sydney Huchton, Cole Walterscheid, Mason Binder, Shelby Klement, and Darrell Hermes.

This year, 33% of Muenster ISD 7th graders are eligible and invited to participate in the 2008-09 Seventh Grade Talent Search. Benefits of participating in the program are gaining the knowledge and experience of taking an above-level test like the SAT or ACT, receiving resources that provide guidance in test-taking skills, strategies on working with schools, and information about the college process. Students also will be informed about summer and academic year programs across the United States.

Lunch Menus

WEEK OF OCT. 13 - 17 SACRED HEART
 Mon. - Tacos w/trimmings, ranch style beans, pineapple tidbits.
 Tues. - Salisbury steak, potatoes, brown gravy, carrots, pears, bread.

Lindsay receives Picturing America

The Lindsay High School Library is the proud recipient of The National Endowment for the Humanities' (NEH) new Picturing America initiative. Picturing America provides an innovative way for citizens of all ages to explore the history and character of America through some of our nation's great works of art.

As one of the over 26,000 schools and public libraries recently to receive the program, Lindsay High School now has access to this high quality, free resource that is used to engage their students with discussions of our nation's art, history, civics, literature, and more!

The images of people, places, and events illustrating American history give

the students a chance to better understand our country's past and its ideals. What better way to see the courage of a great leader than through Emanuel Leutze's Washington Crossing the Delaware? How better to appreciate the power of American democracy than through Norman Rockwell's Freedom of Speech? These masterpieces are opening the students'/community members' eyes to America's rich history and culture while also providing an introduction to the broader world of the humanities.

For more information on the program, you can visit the Picturing America Web site at: [HYPERLINK "http://www.PicturingAmerica.net"](http://www.PicturingAmerica.net) www.PicturingAmerica.net. Feel free to peruse

the site, and check out the images and the great links included. Sit down with your kids and start conversations about the beautiful masterpieces!

The NEH will offer Picturing America to more schools and libraries in 2009. Applications are currently being accepted. All eligible organizations in the U.S. and its territories that have not previously received Picturing America may apply for the program through Oct. 31, 2008 at [PicturingAmerica.net](http://www.PicturingAmerica.net).

Picturing America is distributed by the NEH in cooperation with the American Library Association (ALA). For information about the ALA, please visit [HYPERLINK "http://www.ala.org"](http://www.ala.org) www.ala.org.

Muenster scratches Santo 41-0

There was nothing "wild" going on last Friday night in Santo after the Muenster Hornets swarmed into Wildcat Stadium and quickly tamed the 'Cats after scoring 41 points in the 1st half.

"Santo's not a bad team," noted Muenster Coach Allen Cross. "We just exploded on them early and they couldn't adjust." Cross added that Muenster didn't drive two and a half hours to get beat. "It was a good game to work on little things," the Coach added, on how other kids played in other positions, improving the backup players, and adding more depth heading into District.

Muenster took the opening kick, scoring on the second snap of the game. A Levi Trubenbach pass to Garrett Walterscheid gained 34 yards, followed by a 30 yard touchdown run by Paul Crabtree. Tanner Herr added the extra kick for a 7-0 score early in the game.

It was three strikes and punt for the 'Cats, placing the Hornets on the Santo 45. Runs by Crabtree and Herr,

After the kick, Santo's drive ended at the first snap when Steven Valliere intercepted a pass. The Hornets didn't get the needed 10 yards and punted. Santo carried the ball into the 2nd quarter before running out of downs at the 'Cat 31. A Trubenbach to Crabtree pass play put 6 more points on the board. Herr's PAT gave Muenster a 34-0 score.

The Wildcats got in five plays before Taylor McGrew covered a fumbled ball at the 'Cat 36. A pass to Acuna and runs by Acuna gained yards, with a pass to Herr taking the ball to the 4 yard line. Acuna carried the ball across the goal line and Herr added the extra kick for a 41-0 score.

Santo got in six plays before the halftime break.

The clock ran nonstop the 2nd half. Santo got in 10 plays, Muenster 10, and 8 more by the Wildcats before time ran out.

"We threw the ball effectively and our defense held them to a shut out and under 100 yards total offense," said Coach Cross.

ner Herr.

Next Action
This week, the Hornets begin District competition, traveling to Lindsay for the Annual Kraut Bowl. "We are trying to focus aside the rivalry... on it being a District game and starting District with a win," said Coach Cross. "It will be tougher and more physical because of the rivalry, which provides excitement and buildup."

Cross noted respect for Lindsay's coaching staff and team, and how the outcome will be determined by the execution of the plays. "It's going to be a great game. I expect our kids to win - like I do every game - to play with more confidence, play tough, and play hard," added the coach. "I'm excited. This is why you play the game. I hope we have a huge crowd. It will be a great game to watch."

Last week, the Knights pulled out a 14-7 win over Petrolia. They also have wins over S&S (12-10) and Gainesville State School (41-0). Lindsay lost to Archer City

John Krawietz (17) completion attempt is broken up by two Bulldogs in Sacred Heart's 23-20 victory over Alvord last week. Scott Wood photo

Tigers slip by Bulldogs 23-20

A 22 yard field goal by John Krawietz with 13 seconds remaining in the game broke the 20-20 tie and gave the Sacred Heart Tigers a victory over the Alvord Bulldogs last Friday.

"It was a very physical game like we thought it would be," said Coach Dale Schilling. "The key to the game was execution." Schilling noted that the Tigers executed their game plan on both sides of the ball. Defensively, Sacred Heart was concerned about Alvord's running back, but shut him down. "I'm proud of the way the Tigers fought all the way through and never gave up. That last four-minute drive was played with lots of emotion," Schilling added.

The game opened with Ryan Bartush booting the kick. A fumble on the return was covered by Nick Popovich on the Alvord 46. Sam Sparkman picked up a quick 22. A few more plays and the Tigers scored on a 22 yard pass play from Matt Hesse to Nathan Berend. Krawietz added the extra point for a 7-0 Tiger lead with 10:54 still on the clock.

Alvord bounced right back, tying the game 7-7 in three plays with a 54 yard pass play.

Sacred Heart got in six plays and punted. The Bulldogs threatened to score, getting to the 7 yard line. A quarterback sack by Tommy Torcellini was followed by an intercepted pass by Sparkman to stop the drive.

The Tiger offense couldn't get 10 and punted. Alvord carried the ball into the 2nd quarter, scoring on a 41 yard run with just 21 seconds off the clock to take the lead 13-7.

Sacred Heart's next drive was shortened when Alvord picked off a pass. The teams then exchanged a few punts. From midfield, the Tigers, with several Sparkman runs, two Hesse to Sparkman passes, and a fumbled play saved by Kirk Felderhoff, got the ball to the 2 yard line. Sparkman crossed the goal line with a minute on the clock to tie the score 13-13. The PAT was blocked.

Neither team could cover much ground the 1st half of the 3rd quarter, with four punts before the Tigers got a scoring drive going. From their 35, a Hesse to Krawietz pass moved the ball to midfield. Three plays later, Sparkman scored on a 51 yard run. Krawietz added the extra point for a 20-13 score with 3:12 remaining in the 3rd period.

The Bulldogs took the ball into the final quarter, taking 10 plays to the 1 yard line. With 10:53 remaining in the game, Alvord tied the game 20-20.

The Tigers punted, Kyle Knabe intercepted, the Tigers punted again, and the 'Dogs punted, using up half the time on the clock. Starting on the Tiger 33, Sparkman ran for 11, 4, and 7 yards. Hesse picked up 17 more to the Alvord 28.

Sparkman gained 5 more yards and Hesse another 11 to the 12. Several plays later, Hesse got to the 5. On 4th and goal, with 13 seconds remaining in the game, Krawietz's 22 yard field goal kick cleared the uprights to give Sacred Heart a 23-20 victory.

The win did not come cheap for the Tigers, as they lost two starters for the season at Alvord. Senior Tommy Torcellini broke his leg and junior Gene Yosten broke his hand.

Next Action
The Tigers will host the Fort Worth Lake Country Eagles this Friday night to help celebrate Sacred Heart's Homecoming.

"They are a very young team with a new coach," said Coach Schilling. "Our big concerns are the distraction of Homecoming, our big win, and injuries. Key word this week is 'focus.'"

Homecoming activities begin at 6 p.m. Game time is 7:30 p.m.

and passes to Herr and Jason Luke took Muenster to the 2 yard line. Two flags lost 10 yards, with a Trubenbach to Herr pass getting back 6. On 3rd down, a quarterback keeper by Trubenbach added 6 to the Hornet score. 13-0.

A fumbled play and penalty put the 'Cats on their own 7 yard line. An intercepted pass by T.J. Acuna placed Muenster 28 yards from paydirt. A Trubenbach completed pass to Herr found gold. Herr's PAT followed, for a 20-0 score.

The Wildcat offense continued to struggle. A short punt gave the Hornets possession on the 'Cat 26. Muenster was on the verge of putting the game away, when a Trubenbach to Walterscheid 26 yard touchdown pass and Herr's PAT put the Hornets ahead 27-0, still in the 1st quarter.

JV Tigers win over Alvord

Sacred Heart hosted the junior varsity Bulldogs from Alvord last week, taking a 20-16 victory.

Alvord took the opening kick, punted, then the Tigers fumbled and lost the ball setting up the 'Dogs' first score, a 19 yard TD pass. The extra run gave Alvord an 8-0 lead.

The Tigers' second drive lasted only two plays. Bob Bartush ran for 16, followed by a 29 yard scoring run by Mark Bartush. Jae Im kicked the extra point for an 8-7 score.

The teams exchanged possessions, with Alvord's offense controlling most of the 2nd half, scoring on a 1 yard run, increasing their lead to 16-7.

Ryan Henscheid covered a fumble in the 3rd quarter on the Tiger 40. A run by B. Bartush and two by M. Bartush took the Tigers to the 10. M. Bartush crossed the goal line and Im kicked the extra point for a 16-14 score.

The teams exchanged several punts as the game went into the final period. An attempted Sacred Heart field goal hit the uprights. Tackles by Austin Springer, Garrett Berend, and Chad Henscheid stopped the Bulldogs, giving the Tigers possession at midfield. Three runs by M. Bartush gained 18 yards, with B. Bartush gaining 10 more to the 22. A B. Bartush to Josh Biffle pass found the end zone to give Sacred Heart a 20-16 lead with 2:23 remaining in the game.

Alvord's threat was stopped and the Tigers ran out the clock to claim the win.

7th Grade Hornets take a victory over the Santo Cats

Last Thursday night the 7th Grade Muenster Hornets played at home against the Santo Wildcats. Muenster started quickly as the first play from scrimmage was a long run by Clint Sidwell down to the 2 yard-line. Sidwell took the ball up the middle the next play for the touchdown. Mason Binder completed a pass to Cole Walterscheid for the 2-point conversion, putting the Hornets up 8-0.

The first half was all Muenster. Binder completed a long touchdown pass to Walterscheid for the second score of the game. Binder completed a pass to Jace Fredrick for the 2-point conversion putting Muenster up 16-0. After another stop on defense, Binder completed another pass to Walterscheid for a touchdown. Binder ran in the 2-point conversion, making the score 24-0 Muenster at halftime.

The Hornets added another score in the second half when Sidwell ran for a touchdown

and added the 2-point conversion, giving Muenster the 32-0 win over the Santo Wildcats.

"The defensive and offensive lines played well, allowing Muenster to control the line of scrimmage," noted coach Fred Staugh.

Schilling covered a loose ball. The Cubs carried the ball into the final period getting to the 2 yard line, but couldn't get into the end zone. The Pup offense got out to midfield before running out of downs, allowing Sacred Heart to kill the clock and claim the win.

Cubs squeeze out 8-6 victory

The Sacred Heart Cubs pulled out an 8-6 win over the Alvord Puppies last week.

Jason Knabe covered a loose ball early in the game, but the Cubs couldn't capitalize on the turnover. Alvord scored early in the 2nd period on an 86 yard run for a 6-0 score. The teams exchanged punts, with John Paul Hesse intercepting a pass before the halftime break.

The Cub offense took to the field the 3rd quarter. Clay Hogan ran a few good runs with the drive ending with a 30 yard touchdown run by Hesse. Hogan ran in the extra points for an 8-6 lead with 4:30 remaining in the 3rd period.

Alvord's next drive was shortened when Hayden

Kittens outplay Muenster

The 8th Grade Muenster Hornet football team hosted Santo Thursday, Oct. 2 for their fourth game of the season. The Hornets' record fell to 1-2-1 with a frustrating 6-42 loss. The Hornets jumped out to an early lead when Hornet quarterback Hunter Klement connected with wide receiver Blayne Styles on a 30 yard pass play for a touchdown.

Hornets defensive lineman Darrin Springs and linebacker Trevor Hess led the team in tackles on defense.

"Overall, the defense played hard but struggled at times," Coach J.B. Gray said. The 8th Grade Hornet football team plays the Lindsay Knights at home this Thursday and hopes to bounce back.

JV Hornets sting Santo Wildcats 32-0

The JV Muenster Hornets beat Santo 32-0. The visitors fell behind 16-0 early and never recovered. The defense was led by Luke Kaufman 9 tackles, and Chase Hammer, Dalton Koelzer, and Luke Crabtree 5 tackles each. Tyler Anderle, Blake Voth, and Mark Jones broke up several passes. Shane Sicking also had one interception.

Voth also scored a touchdown on a 50 yard reception in the 3rd quarter. Leading rushers were River Stewart

and Hammer. Hammer had 165 yards and two touchdowns. The line battled hard, led by Kaufman, Joseph Rule, Tanner Silmon, Caleb Winters, Jimmy Dale Abner, and Crabtree.

AMERICAN WILDLIFE

Along with the largemouth bass, smallmouths are among the most popular of North America's sport fish.

Carnivorous, the smallmouth bass diet is comprised of crayfish, insects, and smaller fish. The young also feed on zooplankton.

Smallmouth bass spawn mostly from the middle of May through the end of June.

The year is 1907

The five leading causes of death in the U.S. were: 1 - pneumonia and influenza; 2 - tuberculosis; 3 - diarrhea; 4 - heart disease; and 5 - stroke.

Crossword puzzles, canned beer, and ice tea hadn't been invented yet.

There was no Mother's Day or Father's Day.

Only 6% of all Americans had graduated from high school.

Marijuana, heroin, and morphine were all available over the counter at local drugstores. Back then pharmacists said, "heroin clears the complexion, gives buoyancy to the mind, regulates the stomach and bowels, and is, in fact a perfect guardian of health."

There were about 230 reported murders in the entire U.S.A.

Two out of every 10 U.S. adults couldn't read or write.

Sacred Heart competes in UNT and Forestburg meets

Sacred Heart Cross Country runners competed the last two weeks in meets held at UNT and Forestburg.

On Sept. 29, the Tigerettes placed 14 out of 20 teams in the 3A and under division at the Ken Garland/Northwest High School Meet held at UNT in Denton.

The girls times and places were as follows: Ginger Bartush, 30, 13:48; Alexandra Popovich, 70, 14:28; Rebekah

Hesse, 105, 15:18; Taylor Reiter, 106, 15:19; Kendall Reiter, 113, 15:36. There were 158 varsity girl runners.

On Thursday, Oct. 2, Sacred Heart ran in a meet hosted by Forestburg at the Bailey Farm west of Forestburg. Neither varsity boys or girls fielded a full team.

Places for the girls were as follows: Alexandra Popovich, 5, 15:09; Taylor Reiter, 12, 16:25; Kendall Reiter, 13, 16:30; Rebekah Hesse, 14, 16:40.

The boys results were as follows: Joe Hesse, 3, 19:16; Patrick Mojica, 8, 20:16; Zach Moritz, 32, 24:33.

SUB-VARSITY VOLLEYBALL

Freshman

The Freshman Lady Knights revenged an earlier loss to Notre Dame on Friday, Oct. 3, winning two games 25-14, 25-21. "The girls played very well," said Coach Don Neu. "They played much more aggressive and were a lot more focused than the last time we played them."

Junior Varsity

The JV Lady Knight volleyball team improved their record last Friday, defeating the Savoy Lady Cardinals in two games, 25-4, 25-14. Jessica Thurman led the team, serving 9 for 9 with 3 kills and an ace.

8th Grade

The 8th Grade Lady Knights dropped a match to Gold-Burg by scores of 18-

25, 25-19, 23-25. "We served the ball well, and at times played well," noted Coach Robin Hess.

7th Grade

The Lindsay 7th grade volleyball team defeated Saint Jo Monday in three games, 25-17, 23-25, 25-23.

Freshman

The Freshman "B" team defeated Trenton in two games 25-16, 25-12. The Freshman "A" team also defeated Trenton in two games 25-5, 25-15.

Junior Varsity

The Lindsay JV Lady Knights improved their record to 6-0 in District by defeating the Lady Pirates from Collinsville Tuesday night. Scores to matches were 25-20, 25-11. "The Lady Knights

did a great job serving the ball," noted Coach Hess. Haley Hughes was 14-14 with 1 ace, 4 assists, and 2 digs. Katie Dieter had 3 kills.

Lindsay Junior High takes 2nd at Saint Jo

The Lindsay Junior High Cross Country teams both settled for 2nd place at last Saturday's Saint Jo Meet. Bridgeport took the championships.

In the girls division, Lindsay scored 53 behind Bridgeport's 30. Bellevue was 3rd with 64.

Lauren Gibbs won the race, clocking in at 13:14. Other Lindsay runners, their places and times were: 6, Elizabeth Wallace, 14:34; 14, Brianne Sandmann, 16:17; 15, Rose Wyrick, 16:25; 17, Elizabeth Zwingsi, 17:51; 18, Shea Garner, 17:52.

The Lindsay boys scored 58 points behind Bridgeport's 25. Bellevue followed with 67. Travis Block led the team, finishing 6th place with a time of 12:56. Other Lindsay finishers were: 9, Nick Rose, 13:01; 12, Dylan Hughes, 13:45; 15, Blake Walker, 14:10; 16, Neeley Rose, 14:11; 20, Kevin Conaway, 15:38.

Lindsay Lady Knights dominate Saint Jo CC meet

The Lady Knights outdistanced all runners at the Saint Jo Cross Country Meet last Saturday, with all Lindsay Varsity girls finishing in the top 15 and receiving medals. The Lady Knights won the meet with 19 points. Coming in 2nd was Chico with 106, followed by Bellevue at 119, and Saint Jo with 120.

Kelsey Hermes won the varsity girls division with a time of 11:53. Megan Cailier followed at 12:20. Fourth place finisher was Jessica Block clocking in at 12:47, followed by Jordan Fleitman at 12:51. Bethani Eberhart finished 7th with a time of 12:57, Shirley Hess 8th at 13:01, Cammi Neu 9th at 13:06, and Alie Fogle 12th at 13:59.

In the varsity boys division, Thomas Rohmer placed 4th with a time of 20:36.

Trying times are times for trying.

Lady Knights continue District in round 2

The Lindsay Lady Knights finished the first round of District on Friday, Oct. 3 with a 3-1 win over the Lady Cardinals of Savoy, by scores of 25-23, 23-25, 25-17, 25-18. The win brought their District record to 7-0 and 24-10 overall.

Kaylee Murphree led the Lady Knights with 3 aces (AC), 21 kills (K), 3 blocks (B), 9 digs (D), and 3 assists (A). Brenna Mlinar added 3 K, 11 D, and 45 A; Kristin Martin, 28 K, 8 B, 17 D; Rose Hermes, 2 K, 5 D; Cammi Neu, 2 K, 8 D; Alyx Ethington, 12 D; and Taylor Loch, 8 D.

On Tuesday, Lindsay traveled to Collinsville and was handed their first District loss, falling to the Lady Pirates 3-0 with scores of 17-25, 24-26, 17-25.

Murphree had 8 K, 3 B, and 6 D. Martin is credited for 8 K, 9 B, and 10 D. Other individual stats were Mlinar, 5 D, 14 A; Ethington, 2 AC, 6 D; Loch, 4 A; and Neu, 3 D.

The Lady Knights are now 7-1 in District and 24-11 overall.

Lady Knight Bailey Kuhn (8) sets the ball to teammates.

Just a thought

Count one braver who overcomes his desires than him who conquers his enemies; for the hardest victory is the victory over self.

The difference between the right word and the almost right word is the difference between lightning and the lightning bug.

A smile happens quickly, but the memory of it lasts a long time.

Come to Doc's for your
Happy Hour Appointment.

Our community bank —

safe

and sound!

Are all banks alike? Absolutely not. As an independent community bank, we believe our sound banking practices give people a safe place to save, help businesses grow and ensure that we'll be here for years to come.

Here's what makes our bank solid and stable:

- Strong capital position
- Local ownership
- Supporting the community everyday

Muenster State Bank has the highest capital ratio, a key measure of strength and stability, out of the 21 banks with locations in Cooke, Grayson and Montague counties.*

Knights bring down the Pirates' sail

After a defensive, scoreless battle the 1st half, the Lindsay Knights seized Petrolia's sails and sunk the Pirates 14-7 in last Friday's contest at Lindsay. "It was a hard fought game against a good team," said Coach Cody Bounds. "Petrolia has played tight games all season that didn't go their way. Luckily, we came out on top."

Defensive plays by Matt Dieter, Sean Willard, and Robert Arend held the Pirates to only 4 yards the first drive of the game. Lindsay's offense struggled, punting after seven runs. The teams continued to exchange punts, with Dax Fleitman picking off a Pirate pass in the 2nd quarter. The Knights moved from the Pirate 2 yard line to their 21 before ending the drive with a fumble. Petrolia got in four plays before halftime.

Lindsay took the 2nd half kick, but couldn't get a 1st down and punted. Colton Hermes caused a fumble on the return, with Arend recovering the ball on the Pirate 34.

Three runs by Ryan Haverkamp and a flag took the ball to the 6. Haverkamp gained 5, then scored on a 1 yard run with 8:02 on the clock. Nick Bezner booted the extra point for a 7-0 Lindsay lead.

Petrolia got in two good pass plays, getting to the Knight 7 yard line. Pass defense by Bezner and Haverkamp stopped the drive and the scoring threat. Lindsay couldn't move the ball and punted, placing the Pirates at midfield. Petrolia carried the ball into the 4th quarter and into the end zone, scoring on a 1 yard run with 10:02 remaining in the game, tying the score at 7-7.

Starting on their 40, the Knights had runs by Haverkamp and Bezner, and a Bezner pass to John Block to get to the 5 yard line. Six snaps later, Haverkamp scored from the 1. Bezner added the PAT for a 14-7 Lindsay lead with 5:34 still on the clock.

Petrolia struggled, with Madison Parkhill and Mustafa Hweidi dropping their runners for losses and forcing a punt.

The Knights worked on the clock, running eight plays

before running out of downs. The Pirates' battle went to the air, but time ran out before they could threaten to score.

Next Action

The Muenster Hornets come to Knight Stadium this Friday night for the annual cross-county cousins' rivalry Kraut Bowl. "Muenster has a good team. They are playing their best football right now," said Coach Bounds. "We're excited about this game. I know we'll have a battle on our hands... We know it will be a good game."

Muenster started the season with three losses - S&S 21-13, Nocona 44-0, and Mill-sap 32-6, but have three straight victories under their belts going into District - Petrolia 19-14, Wolfe City 35-19, and Santo 41-0 (in the 1st half).

Game time is 7:30 p.m.

Ryan Haverkamp (5) sees an opening in the line. Lindsay blockers include Greg Luttmmer (75), Sean Willard (61), and Jeremy Perry (79). Jay Anderle photo

GAME WARDEN REPORTS

Talk about a cooperative subject: On Aug. 3, a Menard County game warden was flagged-down in Menard and was told there was a group of people smoking marijuana at the 8-mile river crossing on the San Saba River. The game warden approached the group and asked if they had been drinking. A couple of them stated they had a beer or two. The game warden pulled one of the subjects aside and asked if they had been smoking marijuana. The subject said: "The guy in the brown hat was smoking marijuana." The game warden asked "the guy in the brown hat" to come over to his patrol vehicle. The game warden asked him if he had been drinking and smoking marijuana. He stated he had drunk one beer and smoked a joint earlier. The game warden asked him if he had any more marijuana. He stated he had a bag on his front seat under his towel. The game warden asked for consent to search his vehicle. Consent was given and the marijuana was found on the front seat. The subject was transported to the Menard County Jail and booked in for possession of marijuana less than two ounces. Case pending.

Support your favorite team by attending the games and cheering till the last second ticks off the clock.

NORTH CENTRAL TEXAS COLLEGE

Great place to start. Great place to start over.

FARM & RANCH

Credit crisis: agricultural producers should tighten management skills

Farmers and ranchers are already feeling the effects of credit tightening across the country and need to take a hard look at their financial situation, said Texas AgriLife Extension Service economists.

Good planning is the key to finishing out the year heading into the next crop season as agricultural producers utilize sources of credit to purchase seed, livestock, and supplies.

The following are some suggestions for producers: "Make sure inputs generate sufficient income to justify the expense," said Dr. Danny Klinefelter, AgriLife Extension economist. "Remember that maximum profit and maximum yield are not the same thing."

Shoring up loans is another consideration, he said. This encompasses long-term loans such as land and real estate, intermediate loans that include equipment, and short-term loans used for operating expenses.

"Make sure you've got your debt structured correctly," Klinefelter said. "You might even want to consider restructuring some of your current debt. It may be good insurance to convert some short-term debt to a fixed-rate loan amortized over five

years, even if it's at a higher rate.

"The objective is to improve your working capital position and to become more flexible. You don't want to get caught with a lot of carryover operating debt for the next year."

Farm Service Agency offers a guaranteed loan program. Borrowers who expect to face restricted credit may want to get ahead of the curve and start looking into this program before crunch time this winter, Klinefelter said.

Fixed-rate, long-term loans have virtually dried up since the cost of these funds for lenders is much higher and their ability to match-fund long-term debt may not even be possible in today's financial markets.

Operating capital is also going to become more expensive, said Dr. Carl Anderson, professor emeritus and AgriLife Extension economist.

"I see farmers and ranchers now paying 7.5% to 8% for operating loans," Anderson said. "That's going to really hurt when you go up 9% to 10%."

It's even more difficult during times of record fuel, fertilizer, and other inputs to make a crop or raise livestock, he said. Now may not be the

time to be making significant capital purchases.

"De-leveraging is another option to keep in mind," Klinefelter said. "Right now, unless farmers really get a good deal, they don't want to be going out and over-committing themselves."

Cooke County Quality Counts Workshop October 18

On Saturday, Oct. 18, Cooke County 4-H and FFA members will invade the new Muenster Ag Center for an all day workshop to assist them in preparing for the coming show season and projects.

Registration will begin at

The inside of the Muenster ag barn will be full of activity on Oct. 18 as Cooke County FFA and 4-H members will be attending a workshop, the first event held in the new facility. Linda Flusche photo

Ag briefs

U.S. farmers planted 87.3 million acres of corn in 2008, down from last year's 93.6 million, but still the second largest area since 1946.

The Cattlemen's Beef Board has a new website for producers to learn more about how their checkoff dollars are being invested. It is www.MyBeefCheckoff.com

8:30 a.m. with the general program to begin at 9 a.m. This program provides youth livestock exhibitors with the understanding of the importance of character and quality assurance that will bring us closer to producing the highest quality livestock projects exhibited by the highest quality kids.

The youth will learn the

importance of displaying good character through the raising of livestock projects, and will learn and adopt proper livestock management practices to meet all food quality standards.

A full day of learning, speakers, lunch, hands on practice, guest veterinarian speakers, and more will be provided.

The afternoon section will include selection, animal health, facilities, show preparation, feeding program, and showmanship.

Preregistration was held for clinic tee shirts. Some slots are still available for registration at this time. Call Phyllis Griffin 940.668.5416 at the 4-H office to inquire about the clinic.

COUNTY AGENT REPORT

Calibrating sprayers

Calibrating your sprayer is a very important management practice. Improperly applying pesticides because of incorrect sprayer calibrations can cause you to apply too much or too little chemical, which of course can have negative effects.

Calibrating your sprayer means accurately determining how much pesticide you are applying. If you apply more pesticide than the label allows, you are violating the law and could be fined and/or have your crop destroyed. Calibrating at least once per season, preferably several times, is absolutely necessary to ensure accurate application rates and effective pest control.

There are different ways to calibrate a sprayer. The following steps are one of the methods you can use.

Before calibrating, check your sprayer manufacturer's instructions. Some sprayers require a special procedure for calibration. You'll need a watch, measuring tape, measuring container graduated in ounces, tip tester (which gives a flow rate for each spray nozzle in gallons per minute or liters per minute), and flags or stakes for marking. Also, a pocket calculator may help with the math. Always start with a clean sprayer.

1. Use clean water in the sprayer for calibration purposes.

2. Measure the distance in inches between nozzles.

3. In the field, mark a test course that's the length corresponding to the distance between your nozzles.

4. Taking a running start, drive the entire test course

from start to finish lines, driving at normal speed. Time the number of seconds required to complete the course.

5. Keeping the engine RPM running at the same speed used on the course, place the tractor in park.

6. Set your sprayer pump pressure correctly for your spray tip type and desired gallons per minute (GPM).

7. Using a plastic container marked in ounces, collect water from a single nozzle for the same amount of time it took you to drive the test course. Repeat for each nozzle. If any one nozzle's output is 5 percent more or less than the others, replace it.

8. Once all nozzles are outputting within 5% of each other, the average amount of water collected per nozzle equals your gallons per acre (GPA) output for your rig. For minor changes in output, adjust your sprayer pressure to achieve the GPA recommended by the pesticide label. For major changes, either change travel speed or nozzle tip size and recalibrate.

Doing the math to correctly apply fertilizer to your lawn is often a problem for homeowners. A very useful tool to help us make calculations for this purpose can be found at: PRIVATE HREF="http://aggieturf.tamu.edu/aggieturf2/calculators/fertsheet.html" MACROBUTTON HtmLResAnchor http://aggieturf.tamu.edu/aggieturf2/calculators/fertsheet.html. This site calculates the desired rate for fertilizer application. You will need to know the size of your lawn, the amount of fertilizer you wish to apply, and the

analysis of the fertilizer you are using, (i.e., 15-15-15).

Superior Service Takes Center Stage At Brown Motor Company

Steve Lackey of Brown Motor Company recently received the award of World Class Technician from General Motors. He was presented the award by Mr. Tim Hughes, General Motors zone service representative. World class status is very difficult to achieve and takes several years to attain. Out of approximately 6000 General Motors dealerships world wide, only 1500 technicians have earned the title of World Class Technician. "I am so proud of the service that Steve has given us over the past several years. His work here has been one of the reasons that we exceed customer expectations," stated Charles Brown. Steve has been a GM technician for over 20 years and has worked for Brown Motor Co. for 6 years. Mr. Lackey joins Nathan Kemp in this achievement, giving Brown Motor Company two world class technicians on their service staff.

(Pictured left to right Charles Brown, Owner, Steve Lackey, World Class Technician, and Tim Hughes General Motors Zone Representative)

CLERK OF THE COURT
 PAT PAYNE
 2ND FLOOR, COOKE CO. COURTHOUSE
 GAINESVILLE, TX 76240

PETITIONER'S ATTORNEY
 DERRELL L. COMER
 P.O. BOX 973
 GAINESVILLE, TX 76241

NOTICE TO DEFENDANT: "YOU HAVE BEEN SUE"
 YOU MAY EMPLOY AN ATTORNEY. IF YOU
 OR YOUR ATTORNEY DO NOT FILE A WRITTEN
 ANSWER WITH THE CLERK WHO ISSUED THIS
 CITATION BY 10:00 A.M. ON THE MONDAY NEXT
 FOLLOWING THE EXPIRATION OF FORTY-TWO
 DAYS AFTER THE DATE OF ISSUANCE OF THIS
 CITATION AND PETITION, A DEFAULT JUDGMENT
 MAY BE TAKEN AGAINST YOU."

TO: THE UNKNOWN HEIRS OF THE ESTATE OF
SLENA G. BURCH Defendant.

Greeting:
 You are hereby commanded to appear by filing a writ-
 ten answer to the Plaintiff's ORIGINAL PETITION at
 or before ten o'clock A.M. of the Monday next after
 the expiration of forty-two days after the date of issuance
 of this citation, the same being Monday the 10th day
 of November, A.D., 2008, before the Honorable 235th
 District Court of Cooke County, Texas. Said Plaintiff's
 Petition was filed in said Court on the 24th day of Sep-
 tember, A.D., 2008, in this case, numbered 08-00444 on
 the docket of said Court, and styled,
H & P WILDCATTERS, LLC Plaintiff VS THE
UNKNOWN HEIRS OF THE ESTATE OF SLENA G.
BURCH Defendant.
 A brief statement of the nature of this suit is as follows,
 to-wit: Upon final hearing, a receiver be appointed to
 execute an oil and gas lease under order of this court
 on behalf of the said Defendants and for such other and
 further relief that may be awarded at law or in equity,
 described as:

40.75 acres of land, more or less, located in the William
 Martin Survey, A-698, Cooke County, Texas, being more
 fully described as 106 2/3 acres of land in a Warranty
 Deed dated July 8, 1950, from O.M. Wade and wife
 to Marvin Cason and wife, Nell Cason, recorded in
 Volume 343, Page 470 of the Deed Records of Cooke
 County, Texas.

SAVE AND EXCEPT: 65.92 acres of land, more or less,
 being more fully described in a Warranty Deed dated
 September 6, 1991, from Marvin Cason and wife, Nell
 Cason, to Larry G. Clark and wife, Janie L. Clark, re-
 corded in Volume 829, Page 47 of the Deed Records of
 Cooke County, Texas; LEAVING 40.75 acres of land.

The officer executing this writ shall promptly serve
 the same according to requirements of law, and the
 mandates thereof, and make due return as the law
 directs.

Issued and given under my hand and the Seal of said
 Court, at office in Gainesville, Texas, this 25th day
 of September, A.D., 2008.

Attest:
 PAT PAYNE, DISTRICT CLERK
 COOKE COUNTY, TEXAS

PUBLIC NOTICES

THE STATE OF TEXAS
 TO: ANY SHERIFF OR CONSTABLE WITHIN THE STATE OF TEXAS

You are hereby commanded to cause to be published four (4) times, the first time to be at least twenty-eight (28) days before the return date hereof, in a newspaper printed in Cooke County, Texas, the accompanying citation, of which the following is a true copy.

CITATION BY PUBLICATION

TO: THOMAS J. KING (King, et al), and their unknown heirs, devisees, personal representatives, stockholders, heirs or devisees of stockholders, successors or assigns, and if any be deceased, then their unknown heirs and legal representatives, Defendant(s) in the hereinafter styled and numbered cause:

"CAUSE NO. 08-00437. IN THE 235th JUDICIAL DISTRICT COURT OF COOKE COUNTY, TEXAS, JACOBA WARNOCK, INC., vs THOMAS J. KING, (King, et al) AND THEIR UNKNOWN HEIRS", devisees, personal representatives, stockholders, heirs or devisees of stockholders, successors or assigns, and if any be deceased, then their unknown heirs and legal representatives, defendants,

You have been sued. You may employ an attorney. If you or your attorney do not file a written answer with the clerk who issued this citation by 10:00 A.M. on the Monday next following the expiration of 42 days from the date of issuance of this citation, that is to say on or before 10:00 A.M. of the 10th day of November, 2008, a default judgment may be taken against you.

The nature of this suit, is one in which Plaintiff requests the Court to appoint a resident of Cooke County, Texas, as Receiver of certain undivided mineral interests, as described below, and that no bond be required, as permitted by Section 64.09(d) (3) of the Civil Practice and Remedies code of the State of Texas, and that said Receiver be authorized to execute and deliver a lease upon the oil, gas and mineral interests, whether more or less than the undivided interest hereinafter stated, of said Defendants and/or their respective heirs, devisees, personal representatives, stockholder, heirs or devisees of stockholders, successors or assigns, and if any be deceased, then their unknown heirs and legal representatives, in and to the following described land situated in Cooke County, Texas, viz:

The following Defendant(s), their respective heirs, devisees, personal representatives, successors or assigns, and if any or all be deceased, then their unknown heirs and legal representatives, own, of record the following:

1. Residence and Record Ownership of Mineral Interest of Defendants.
 1.01. Thomas J. King; The residence of Thomas J. King, is unknown to Warnock. Thomas J. King owns record title to a 1/32 (or 3.125) interest (or 1.296875 net mineral acres) in and under 61-2/3 acres, more or less, described below.

The land which is the subject of this suit is 61-2/3 acres of land, more or less, out of a 135 acre tract of land, out of the Jacob Wilcox Survey, Abst. No. 1161, in Cooke County, Texas, and being that same property as was conveyed by Thos. J. King and wife, to W. A. Griffin, by Deed Recorded in Vol. 154, Page 234, of the Deed Records of Cooke County, Texas.

Appointment of a receiver is prayed for under the terms of Section 64.091 of the Texas Civil Practices and Remedies Code, and under the general equitable powers of the Court wherein said suit is filed, and that said receiver, under orders of this Court wherein this suit is filed shall have the power and authority and be directed by said Court to execute and deliver, an oil and gas lease, covering the interests of said Defendant(s) upon such terms and conditions as may be prescribed by the Court, for costs of suit, and for such other and further relief as Plaintiff may be entitled to at law or in equity.

If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve it and made due return thereof according to the requirements of law, and the mandates thereof.

ISSUED UNDER MY HAND AND SEAL OF SAID COURT, at Cooke County, Texas, on the 24th day of September, 2008.

SEAL
 ISSUED THIS 24TH DAY OF SEPTEMBER, 2008, BUT NOT PREPARED, By the Clerk of the 235th Judicial District Court of Cooke County, Texas.
 By: /s/ Susan Hughes, Deputy Clerk
