FPL Energy donated money for a new computer lab at Muenster ISD. Accepting the donation were, from left, John Kaufman, superintendent Muenster ISD, Sharon Browning, assistant principal Muenster High School, and Brandon Peavey, principal Muenster High School. Tommie Trowbridge, Wolf Ridge plant leader, presented the donation check. FPL photo

## FPL Energy donates more than \$36,000 to MISD for computer lab

FPL Energy, the nation's largest producer of wind and solar energy, announced on Dec. 15 that it has donated \$36,648.43 to the Muenster Independent School District for the construction and supplies for a new computer lab. Muenster's junior high and high schools will receive funds from FPL Energy to build an extension to the campus to be used for the new lab. FPL Energy will provide outlets and electrical supplies, 17 computers with printers, and a ceiling mounted projection screen and projector.

everything you need or want to know easy to obtain and very accessible. By using computers, I have been able to research and compare the colleges I am interested in attending. I can find admission requirements, cost of tuition and fees, and location for each college. Computers are one of the most beneficial tools in my life!

The school currently operates their computer classes with two computer labs, each containing 20 computers for use by more than 250 students. John Kaufman, superintendent of Muenster ISD, said, "An additional computer lab in the school district will allow us to expand our computer technology training to even more students. Computer skills are essential in today's work force. The more we expose our students to this technology, the better prepared they will be in meeting the needs of today's workforce." Shane Presnall, a sophomore said, "Computers make

Jacob Klement, a junior planning to pursue computer technology, said, "Computers are important to help students be in touch with the advanced technologies that help with daily tasks. We benefit by being able to get more work done and more information in a shorter period of time. Computers have personally helped me prepare for college by teaching me the skills needed for a career in not only a technological field, but also in a world of advancing technology."

Kaufman said, "The addition of this lab is also going to open the door for us to offer more advanced training to those students who are interested in pursuing a career in fields such as graphic and web design, and computer technology. I'm extremely excited about the possibilities of this lab."

Eric Mooney, executive director, business management, FPL Energy said, "We are honored to provide funding for such a vital part of the school and will continue to emphasize the importance of education in the Muenster community." The new facility will be called FPL Energy Computer Lab and is scheduled for completion in early February.

FPL Energy is a competitive energy supplier utilizing clean fuels such as natural gas, wind, solar, hydro, and nuclear to generate electricity. It is the nation's leader in wind energy, with more than 60 wind projects currently in operation in 16 states and Canada, including the Wolf Ridge Wind Farm in Muenster.

## Rabid skunk found in Muenster; caution urged

**By Janet Felderhoff**  
A sick skunk reported to the Muenster Police Department on Thursday, Dec. 11 tested positive for rabies. Muenster Police Chief Bob Stovall received the test results on Monday, Dec. 15. He urges all residents to use caution and report any animal seen acting strangely.

The rabid skunk was discovered with a report to City Hall of a sick skunk on East Eddy Street. Chief Stovall said that the wobbly skunk made it all the way from Eddy Street to 334 South Walnut Street before he found and shot it. The animal was taken to local veterinarian Dr. Larry Tisdale who sent it to the Texas Department of Health for testing. The only way to tell if an animal has rabies is to kill it and test its brains for the rabies virus.

Chief Stovall said that the animal crossed several yards. It jumped and possibly bit a dog in one yard. People with animals such as dogs and cats in that area should watch them for at least 45 days and report any strange behavior or symptoms of rabies.

Another case of a rabid skunk found five miles south of Muenster was confirmed about two weeks ago, according to Stovall.

The Muenster Police Department advises pet owners to have their dogs' and cats' rabies shots updated.

If you see an animal such as a skunk out in daylight, it is likely that it is rabid, said Chief Stovall. Nocturnal animals sick with rabies venture out during daylight hours. If seen in the city limits, report the animal to the Muenster Police Department

by calling City Hall at 759-2236, and after hours or on weekends, the Cooke County Sheriff's Department at 665-3471.

### Rabies

Information from the Center for Disease Control notes that animals infected with rabies may act differently than animals that are healthy. The animal may move slowly or act tame. A pet that would normally act friendly may snap and try to bite.

The CDC report states that there are two common types of rabies. "Furious"

rabies is one type. With it, animals are hostile, biting at objects or attacking. They have an increase in saliva, which causes them to appear to foam at the mouth. The second type is paralytic or "dumb" rabies. It is a more common form and animals afflicted with this type of rabies appear timid and shy. It often rejects food because the lower jaw and muscles are paralyzed.

The CDC listed the following as signs of rabies in animals:

- Changes in an animal's behavior

See rabies pg. 2

## National honor earned by KMB

During Keep America Beautiful's (KAB) 55th National Conference in Washington D.C. on Dec. 5, Keep Muenster Beautiful (KMB) was honored with a Second Place National Award in Beautification for 2008.

Eligibility for this category was open to cities of all sizes across the nation. KMB submitted their German mural project in this category. Matthew McKenna, president of KMB, stated in his congratulatory letter that "Your organization is worthy of being recognized, for encouraging your local government, business(es), and private citizens to work together to make your community a more beautiful, safer place to live."

Keep America Beautiful is America's leading community improvement organization

that seeks volunteers to provide a more beautiful, cleaner, and improved environment through new technologies, improved waste handling, and public space stewardship. KAB's mission is to engage individuals to take greater responsibility for their community environments.

Keep Muenster Beautiful activities in 2008 culminated in the large German-style mural at the main gateway to the City of Muenster. This is one of the largest publicly painted murals in Texas.

Volunteers prepared the surface and painted the mural; local businesses donated paint materials and meals for volunteers. It was a community effort, which resulted in national recognition for second place among all cities! KMB acknowledges all of those who participated in or donated to this effort!

## MISD Board approves improvements

**By Janie Hartman**  
The Muenster ISD Board of Trustees met on Wednesday, Dec. 10 for their regular meeting. The Board approved several items. On the budget amendments, Ag travel to pay for meals was increased by \$1,000, and a bid to Hoening Electric for \$1,675 was awarded to do the electrical update to the concession stand at the football field.

The Board also approved replacing the decorative landscape rock walls to pour cement for retaining walls on the east and west sides of the new cafeteria, and authorized the building committee to seek quotes and approve the work to be done. Also, in the new lunch room the Board approved the purchase of a roll door at a cost of \$2,350 for the pass through window in the dish washing area.

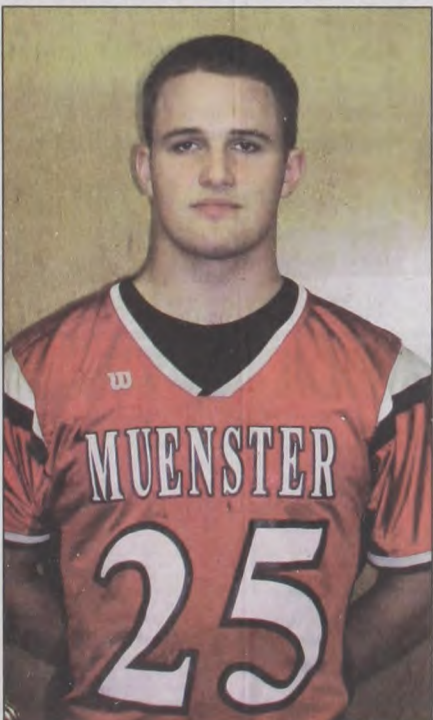

Completion date for the cafeteria is expected by the end of January. The ordering of tables, desks, and other furniture is needed along with new Ag building and cafeteria plaques for upcoming dedication ceremonies.

Muenster High School and Elementary Campuses both received a "recognized" rating from the Texas Education Agency's Academic Excellence Indicator System. The rating also went to the District. Superintendent John Kaufman noted that the Elementary missed exemplary by .6 point and High School by 1.6 points. Muenster scored better than last year. Exemplary is tougher to receive than a few years ago.

The Board also received the official ruling on recording "closed meetings." Since 1987, school boards have been required to keep records of closed meeting delibera-

See MISD pg. 4

## All-State honors

Muenster Hornet senior Paul Crabtree was named to the Associated Press All-State Class A Football Team in the Honorable Mention selection at linebacker. Crabtree had 103 tackles, recovered five fumbles, and picked-off four passes this past season. Janet Felderhoff photo

## Children bringing songs of Christmas joy

Sacred Heart Catholic School students presented "An Evening of Christmas Classics" on Tuesday, Dec. 16 in Sacred Heart Church. The program of young voices and narration from Scripture was under the direction of Clint Kelly, music teacher. More pictures will be in next week. Janet Felderhoff photo

## Pct. 4 moving day finally arrives

The new Precinct 4 maintenance barn is officially in use this week as workers moved some of the equipment, parts, and tools to its location on East Highway 82 from the old barn that has been located on Mesquite Street in Muenster. An open house is planned in the future. Janie Hartman photo

Muenster Police Chief Bob Stovall, left, and Police Officer James Elliott with the Police Department's new patrol vehicle, a 2008 Ford F-150. The truck will be used just as a patrol car would be, but will also be used to tow the Department's boat to the Muenster Lake, and for patrolling areas of the Lake not easily accessed by a car. Janie Hartman photo

## County Judge Freeman receives a TAC award

Cooke County Judge Bill Freeman was honored by the Texas Association of Counties (TAC) during a recent gathering in Austin for his service as a founding Board member of the TAC Risk Management Pool. Freeman currently serves as chair of the pool.

In 2007, the Boards of three insurance pools - Risk Management (liability), Workers Compensation, and Property Casualty - voted to merge into a single consolidated pool, which became effective Jan. 1, 2008. At the time, Freeman was chair of Workers Compensation. The consolidated pool is able to offer its county members better services and prices for the necessary insurance coverage and a streamlined operation with one governing board instead of three.

## Muenster Police work two local accidents

By Janet Felderhoff  
Two separate accidents occurred in Muenster last week, according to Muenster Police Chief Bob Stovall. Both were on or along Division Street. Both accidents were worked by Officer James Elliott.

On Friday, Dec. 12, a 2000 freightliner semi-truck was pulling out of the Fina Station onto Division Street. The left rear of the semi's trailer was struck by a 1998 Pontiac coupe driven by Connie Ing. Ing had to be extracted from her vehicle. She was then

taken by CareFlite to John Peter Smith Hospital. Chief Stovall said that the driver of the semi was cited for failure to yield the right of way.

Around 8:15 p.m. on Tuesday, Dec. 9, Chief Stovall said that a 15 year old driving a Ford Expedition drove into the side of Neil's Subway. The Expedition's front end hit the Subway's south wall. Damage was done to the exterior wall and to the restroom fixtures.

The minor was cited for no driver's license.

## Obituaries

### Winona B. Russell 1915 - 2008

Funeral services for Winona B. Russell, age 93 of Rosston, were held Tuesday, Dec. 16 at the Rosston Baptist Church at 10 a.m. under the direction of the Geo. J. Carroll & Son Funeral Home. Burial followed in the Rosston Cemetery. No visitation was held.

Winona was born Oct. 28, 1915 in Rosston, one of 13

children of Sherman and Minnie Leffer Bewley. She was a member of the Rosston Baptist Church and was a dispatcher for the railroad in Palestine for over 26 years.

Survivors include a sister Ruth Cotten of Fort Worth; a brother Johnny Bewley of Bonham; and several nieces and nephews including Johnny Leftwich of Gainesville.

## RABIES .....cont. from pg. 1

behavior;  
• General sickness;  
• Problems swallowing;  
• An increase in drool or saliva;  
• Wild animals that appear abnormally tame or sick;  
• Animals that may bite at everything if excited;  
• Difficulty moving or paralysis;  
• Death.

Animals in the early stages of rabies may not exhibit any signs, but they can still infect with their bite. The incubation period is the time from the animal bite to when signs appear. In rabies, it is usually one to three months, but it can last as long as several years. When the rabies virus reaches the brain or spinal cord, signs of the disease appear.

The CDC information notes that an animal can spread rabies up to 10 days before they become ill, and during their illness. Only mammals are infected with rabies. Some animals are more likely to be infected. These include skunks, raccoons, bats, foxes, coyotes,

and bobcats. All domestic animals such as dogs, cats, horses, and cattle can be infected. Rodents, rabbits, and hares almost never get rabies and have not been known to cause rabies.

There are two ways to be exposed to rabies - bite and non bite. A bite is described as any puncture of the skin by teeth. A non bite exposure occurs when saliva, brain tissue, or spinal fluid from an animal with rabies enters any scratch, abrasion, open wound, eyes, or the mouth. Just petting the animal is not considered rabies exposure.

Should you be exposed to rabies, wash the bite wounds and scratches thoroughly with soap and water. See a doctor as soon as possible. If it is proven or suspected that you were exposed to rabies, rabies shots should be given. They should include human rabies immune globulin with the Human Diploid Cell rabies vaccine.

When was your pet's last rabies vaccination? These need to be given yearly.

### Holiday trash schedule

Due to the holidays, trash pick up will be as follows: Monday, Dec. 22; Friday, Dec. 26; Monday, Dec. 29; Friday, Jan. 2.

## Cooke County United Way exceeds 2009 campaign goal!

On a very cold morning, several gathered at the United Way goal thermometer on the Cooke County Courthouse lawn to celebrate. The few braving the cold represented a vast variety of those involved with United Way including agencies, campaign volunteers, United Way Board members, and contributors.

**LIVE UNITED.** It's a credo. A mission. A goal. A constant reminder that when we reach out a hand to one, we influence the condition of all. The 2009 Cooke County United Way campaign brought the community together in the LIVE UNITED movement by giving, advocating, and volunteering to improve our communities. The result of this effort is a grand total of pledges and

contributions of \$387,035.

Kathy Boone, 2009 campaign chair noted, "The campaign goal was set back in May at \$345,000, and seeing the final total is a strong message from our community. They truly understand the meaning of LIVE UNITED. It's a wonderful gift to the County at a time that so many are in need."

At the November meeting of the United Way Board, Jack Thies, president, expressed to its members the importance of exceeding the goal. Thies commented, "Exceeding our goal is extremely important, for the majority of this money is pledged and based on the current economic picture, we know that some of those pledges may not come through. We believe that when a pledge is made

that it is an earnest commitment. However, when there is turnover in employment there's a great possibility that pledges will be dropped and that has a direct impact on United Way and its agencies. It's great when we can exceed our goal, for it helps offset the possible losses."

At the conclusion of every campaign year, any excess funds are used as grants and available to the 19 partnered agencies.

In addition to the funds raised during the campaign, United Way was honored to be the benefactor of Celebrity Celebration Variety Show sponsored by TEAM in November. The show raised \$3,610 for the agency.

## Norma Britain wins top raffle prize

The Knights of Columbus announced another successful 4-wheeler raffle this year. This event helps the Knights support local charities and the community.

The raffle night on Dec. 13 started with a group of Knights and friends escorting Santa Claus to St. Richard's and Muenster Memorial

Hospital to sing and visit the residents and patients.

The Knights of Columbus 4-wheeler raffle winners are:

- 4-wheeler from Red River Motor Sports in Gainesville - Norma Britain;
- \$250 at Gehrig Hardware - Kasey Sandmann;
- \$150 to Fischer's Meat

Market - Ryan Henscheid; \$100 from D I One Stop - Tudor Klement;

\$75 at Neil's Subway - Trevett Weber. Seven hundred twenty-seven tickets were sold. According to Knight John Walterscheid, with the help of local merchants with ticket sales, and Miller of Denton and Ben E. Keith, the drawing and party were a great success.

Prizes totaling \$5,138 were given with a profit of \$9,402. Jody Fleitman sold the most tickets; and the winning ticket was sold at Fischer's. The Fischer's ticket was not signed, so the \$100 was split with the two top sellers at Fischer's.

*My people will live in peaceful dwelling places, in secure homes, in undisturbed places of rest.*  
Isaiah 32:18

## All I want for Christmas...

Ethan McCoy had a nice discussion with Santa after waiting in line with other kids to tell Mr. Claus what he wants for Christmas. Janie Hartman photo

## DPS wishes for safe holiday travel

DPS troopers will increase patrols during the Christmas and New Year's holidays in an effort to make travel safer on Texas roads.

Of special concern, is drinking and driving during the holidays. Troopers also will focus on speeders and seat belt violators. All available troopers will be on patrol from Wednesday, Dec. 24 through Sunday, Dec. 28, and again on Wednesday, Dec. 31 and Thursday, Jan. 1.

During the Christmas and New Year's holidays last year, DPS troopers issued a total of 28,000 citations and 14,000 warnings, including 919 DWI arrests, 19,612 speeding tickets, and 3,379 safety restraint violations. DPS statistics suggest tickets and drunken driving arrests by troopers double during holiday enforcement periods.

"The best present you can give to yourself and your loved ones is to make sure you arrive safely at your holiday destination—most traffic deaths are preventable," said interim DPS Director Stanley E. Clark. "We feel our efforts, in conjunction with increased enforcement from other agencies, will make the holidays just a little bit safer. DPS prefers voluntary compliance, but we write citations and arrest drunk drivers to save lives."

DPS offers the following advice as gifts to the traveling public:

- Drive with courtesy; it's contagious. Remember, it's the holidays!!
- Slow down - especially in bad weather, construction areas, and heavy traffic.
- Don't drink and drive; get a designated driver.
- Buckle up everyone in the vehicle.
- Keep cell phone chatter to a minimum, and avoid texting.
- Avoid drowsy driving.
- Make sure your vehicle is properly maintained.

## College Honor

### SWOSU

Kelley M. Grewing of Muenster was one of the 136 Southwestern Oklahoma State University students on the Weatherford campus to have been named to the 2009 edition of *Who's Who Among Students in American Universities and Colleges*.

The Who's Who award is one of the biggest academic honors on campus, because the students are selected from among some 900 seniors at SWOSU.

Campus nominating committees and editors of the annual directory selected the students based on academic achievements, service to the community, leadership in extracurricular activities, and potential for continued success.

The SWOSU students will be honored at a reception on March 1.

TEAM members presented a benefit check to United Way. Pictured, from left, Rhonda Beam, Daloris Burkhardt, Angie Hare, and Barbara Hoover. Courtesy photo

## Texas Forest Service urges Texans to use caution with fireworks

Many areas across the state will be in danger of accidental wildfires this month as some Texans celebrate the holiday season with fireworks.

Fireworks are commonly linked to Christmas and New Year festivities, but Texas Forest Service (TFS) warns the outcome can be disastrous if proper safety precautions are not taken.

"Many Texans will be using fireworks to celebrate Christmas and the New Year," Texas Forest Service Fire Operations Chief Mark Stanford said. "TFS wants Texans to use fireworks safely in order to protect themselves and to avoid accidentally starting wildfires."

Under Texas law, county government officials have the authority to restrict certain types of aerial fireworks when drought conditions exist or when hazardous fuel conditions are present

ter classes after Christmas; all half credit classes will switch next semester. Past events: Junior High UIL Meet; Ag team advanced to State; class trip to the Dallas Museum of Arts.

Technology report - 26 technical assistance requests were completed last month; MISD's online grade system for parents and students has 231 users.

Jim Robertson collected \$288.39 in November in back property taxes.

during the winter months. County officials also consider drought conditions when determining outdoor burn bans for their counties. Texas Forest Service does not make decisions regarding restrictions on fireworks or outdoor burning bans. The state agency does, however, provide drought condition information to counties.

Currently, many parts of Texas are in danger of accidental wildfire because of continued drought. Most of Central and West Texas are experiencing drier than normal conditions.

Tips for the safe use of fireworks:

- Adhere to all county and city fireworks laws.
- Use fireworks outdoors away from dry grass and buildings.
- Read firework labels and use only as directed. DO NOT ALTER THE PRODUCTS.
- Use only with adult supervision.
- Keep water, wet towels, and a garden hose nearby.
- Allow fireworks to cool completely before handling.
- Discard used fireworks into a bucket of water.

Cooke County Commissioners Court placed a ban on outdoor burning in unincorporated areas of the County. They also banned the sale, donation, or use of fireworks such as skyrocketers with sticks and missiles with fins.

## Celebrity Celebration, a true celebration!

TEAM (Together Everyone Achieves More) sponsored their Second Annual Variety Show on Saturday, Nov. 22 at the State Theater. The proceeds of the variety show totaled \$3,610 which will benefit the Cooke County United Way 2009 Campaign. Attendance exceeded last year's performance with a total of 180 theater guests.

The evening's events included a "Before Show Party" sponsored by The Wheeler House and Always Better Care Home Health. Guests were also treated to an "After Show Party" sponsored by Daloris Burkhardt and the Green Meadows Active Living Center. Both parties were held at The Backstage Café. TEAM also conducted a silent auction of gift basket items in the lobby of the theater. Proceeds totaled \$1,043 benefiting The Stanford House.

The TEAM planning committee is headed up by Barbara Hoover, Pam Black, Daloris Burkhardt, and Rhonda Beam. Daloris Burkhardt noted, "Although there is a tremendous amount of hard work involved in producing the show, the end results make it all worthwhile."

Angie Hare, executive director of Cooke County United Way, said, "This is TEAM's second year coming to the aid of the Cooke County United Way's campaign! It is absolutely wonderful that this group has devoted so much time in planning, organizing, and rehearsing for this performance. This is a great gift to the whole community! It's a win win - the community wins from the funds that are raised that evening and it's a win for those attending as well as a win for the performers! It also drew great excitement in the community. The performers and those who contributed door prizes, trees, or silent auction items were able to be part of the excitement.

The Celebrity Celebration program played a key role in pushing this year's campaign goal over the top. Our campaign total reached 112%, which is remarkable in these difficult times. Going over goal is critical to any fund raising campaign. The majority of our goal is made by pledges, and going over goal ensures that we will maintain our original goal should there be a shrinkage in pledge collections."

The evening's master of ceremony was Clay Corbett of *The Lindsay Letter* and Hometown Radio KGAF 1580. Performers were: Daloris Burkhardt as Minnie Pearl, Naomi Judd, and back up for Bette Midler; Jarrett Pezel as a member of the Beatles; Misty Serna as Martina McBride; Angela Partain as Patsy Cline, Judy Garland, and Bette Midler; Donna Simmons as Dolly Parton; Ilene Kane as Joan Rivers and Sonny Bono; Brandy Engel as Natalie Cole, Wynonna Judd, and back up for Bette Midler; Jim Colbert as Richard Simmons; Pam Black as Peggy Lee; John Broyles, Ken Carden, Don Woods, Patrick McCage, and Aaron Terrel as The Village People; Andrea Offner as Cher Bono; Andrea Offner, Dr. Tuck and friends bongo drum ensemble; Kelly Corbett as Carrie Underwood; Dr. Dave Tuck as James Brown and Misty Rhea and Gloria Hernandez as his back up singers; and Mike Rickwa as Walter Brennan. Tamera Broyles and Mike Burkhardt managed lighting and Devin Engel coordinated the music.

The evening was truly an opportunity of giving back to the community. Not only did the program benefit United Way and the auction benefited Stanford House, the decorated Christmas trees on stage were donated and then presented to Abigail's

Arms Cooke County Family Crisis Center. Abigail's Arms will distribute the decorated trees as gifts to their clients.

Those who contributed the trees - Alliance Orthotics & Prosthetics; Angels Care Home Health; Inspection Energy Services, Inc.; First State Bank; Mike Graves Farm & Ranch; Angie and John Hare; Don Hoover Home Inspections; Kwik Kar Lube & Tune; *The Lindsay Letter*; Dr. Dave Tuck Texoma Wellness; and Wal-Mart Supercenter. Special recognition was given to Phyllis McNeil and Jessica DeMent for their hard work organizing and decorating the trees.

Throughout the evening performance, door prize winners tickets were called. The following donated the prizes: Cooke County United Way; Angie & John Hare; Kwik Kar Lube & Tune; Hedges Florist; Nascoga Federal Credit Union; SAS Shoes; *The Lindsay Letter*, and Xerox Metro Centre.

The following donated silent auction items: All About Flowers & More; Angels Care Home Health; Angie and John Hare, Aughtry-Horn Flowers; Daloris Burkhardt; Cracker Barrel; Gainesville Municipal Golf Course; Hampton Inn; Hometown Pharmacy; Kenny's Jewelry; Kiowa Golf Shop; Parkhill's Jewelry; Texas Star Embroidery; Dr. Dave Tuck; Wheeler House; Winstar; Woolf Den; and Women's Wellness & Aesthetics.

The entire performance was video taped and will be available for DVD purchase. Please contact Ben Willingham at Lost Dog Productions, 105A East California Street.

Barbara Hoover said, "TEAM was started about three years ago. It is a networking group of medical marketing professionals. We meet the first Wednesday of each month at Woolf Den for lunch. Over the past three years, we have worked together in the community with health fairs, appreciation meals at area hospitals, and Sundae's on the square. Anyone in the medical field is always welcome to join."

For more information for TEAM, please contact Sherrill Mitchell with the Wheeler House 940-668-8977.

## SHCS 8th Grade Class Walk for Life event donated \$2,550 to ABBA

During Respect for Life Month, the Sacred Heart School 8th Grade Class held the Second Annual Walk for Life Fund-raiser on Oct. 18 in Muenster Park to benefit ABBA Women's Center. The group, under the direction of Annette Bayer, collected proceeds totalling \$2,550 which were presented to ABBA Executive Director Sandee Feyereisen and Marie King, ABBA volunteer coordinator at the Sacred Heart School on Tuesday, Dec. 9. ABBA is an acronym for All Babies Born Alive.

"It's always heart warming to see young people work so hard for important community service projects. The students participated in the 40 Days for Life program to honor Respect for Life Month which is held every October," said Sandee Feyereisen, ABBA executive director.

Since the 1973 Supreme Court decision of Roe vs. Wade legalizing abortion, over 50 million American babies have been surgically aborted by choice. Every year, over 50 million babies are aborted world-wide.

ABBA is an affiliate of CareNet which is a networking agency among crisis pregnancy resource centers. ABBA Women's Center is a 501c3 faith based community service, and gifts are tax deductible. The organiza-

tion is supported by approximately 80% of the churches in Cooke County.

"During 2008, we have already served over 3,500 client visits for free services including pregnancy testing, sonograms, educational classes, and material assistance.

"Material assistance includes assisting families in crisis situations through a voucher program for our resale store. We also provide assistance with baby diapers and wipes, formula, infant and children's clothing, toiletries, baby furnishings, and maternity clothing.

"Classes include CPS approved parenting class, prenatal classes, basic nutrition in English or Spanish, computer classes teaching the Microsoft Office Suite for job skills, English as a second language for Hispanic speaking clients, and peer counseling, scripture studies, and abstinence education where applicable.

"We provide public speakers for schools and community groups and churches concerning pro-life issues," said Feyereisen.

"The Center is experiencing exploding growth after moving into a more spacious facility at the corner of 214 N. Taylor and E. Broadway. Because our original building at 414 E. Elm is cur-

rently for sale, and due to a surge of new clients, we are in need of additional community support, more volunteers, financial gifts, and material donations of diapers, infant furnishings, baby toiletries, layette items, baby toys, office supplies, and other items. Also, gently used items may be donated to our Second Chance Resale store for sale and our voucher program. We have a particular need for baby beds, large size diapers, infant clothing, winter baby blankets, and baby toiletries and linens.

Upcoming events include free educational literature distribution throughout Cooke County to churches who will insert the information into their church bulletins as we observe Sanctity of Life Sunday across the County on Sunday, Jan. 18.

Also, the Spring Fund-raising Banquet is scheduled for Saturday, Mar. 7 in Lindsay and ticket sales will begin in early January. Tickets are \$25 for the catered event. Donations for the silent auction that evening are currently being received, as well as those interested in sponsoring the event.

Call the ABBA offices (940) 668-6391 or come by 214 N. Taylor and E. Broadway on Monday, Wednesday or Friday from 10 a.m. to 4 p.m.

## Muenster students win back-to-back Elementary UIL Academic Meets

Students from Muenster Elementary School continued their firm hold on the UIL academic competition on Dec. 5 at Era ISD as they won the District UIL Championship for the second consecutive year. This is their 5th Championship out of the last six years.

Muenster garnered a whopping 757 points to take 1st place honors. Other schools that followed Muenster in the District included Lindsay in second place with 727 points, third place went to Era with 494 points, Collinsville brought home fourth with 171 points, Blue Ridge had 92 points for fifth place, and Trenton received sixth place with 66 points.

"We are extremely proud of our students who have worked hard and take pride in what they are doing," stated Muenster UIL coordinators Cheryl Presnall and Dianne Endres. "It's a sacrifice of time and energy."

The competition was stiff, and academic coaches from each school were very proud of their teams' great achievements and academic strides.

Seventy-six students from Muenster in grades two through six competed. Muenster individual results were as follows:

**2nd Grade Creative Writing** - Rudy Saucer 1st place, Chris Kresge 3rd place;

**2nd Grade Storytelling** - Nathan Hacker 2nd place, Ryan Huchton 2nd place (tie), Dane Huchton 5th place;

**3rd Grade Music Memory** - Savannah Hermes 1st place, Megan Rohmer 3rd place, Sterling Walterscheid 4th place, Team 1st;

**3rd Grade Ready Writing** - Dean Walterscheid 1st place, Sterling Walterscheid, 2nd place, Bailey Anderle 3rd place;

**3rd Grade Spelling** - Team 3rd;

**3rd Grade Storytelling** - Bailey Anderle 1st place;

**4th Grade Art** - Amy Luttmir 3rd place, Macie Pagel 3rd place (tie) Morgan Eldridge 6th place, Team 2nd;

**4th Grade Music Memory** - Allison Haubold 2nd place, Macie Pagel 5th place, Bailey Klement 6th place, Team 1st;

**4th Grade Number Sense** - Brennan Binder 1st place, Mathew Porter 4th place, Team 1st;

**4th Grade Oral Reading** - Katie Kresge 5th place;

**4th Grade Ready Writing** - Macie Pagel 1st place, Morgan Eldridge 3rd place;

**4th Grade Spelling** - Morgan Eldridge 3rd place, Macie Pagel 4th place, Bryce Herr 5th place, Team 1st;

**5th Grade Art** - Kimber Walterscheid 3rd place, Alison Morris 5th place, Team

1st;

**5th Grade Dictionary Skills** - Reagan Weger 1st place, Kelsie Sicking 3rd place, Allie Walterscheid 4th place, Team 1st;

**5th Grade Listening Skills** - Alison Morris 3rd place, Kimber Walterscheid 6th place, Team 2nd place;

**5th Grade Maps, Graphs, & Charts** - Sammy Saucer 2nd place, Team 3rd;

**5th Grade Music Memory** - Alaina Reiter 3rd place, Alison Morris 4th place, Claire Schneider 5th place, Team 2nd;

## Lady Hornets in Hwy. 287 Tournament

This past weekend, the Lady Hornets of Muenster participated in the Hwy. 287 Basketball Tournament in Bowie, winning three games, losing one. Muenster was victorious over Coff's Harbor, Nocona, and Socorro, but came up short against Sudan. In the 40 team tournament, the Lady Hornets were the winners of the Silver Championship bracket.

"It was a good tournament," noted Coach Jason Atcheson. "We got to see and compete against different and bigger schools."

The opening game for Muenster was against Coff's Harbor, a team from Australia that was on Spring Break and traveling around the U.S. playing American high school teams.

Samantha Endres, Shaina Felderhoff, and Lia Heers led the scoring with 18, 13, and 12 points. Taylor Klement added 6, Lana Heers 5, Allison Pagel 4, and Jenni Luke 2.

M	17	14	20	10	61
A	8	12	8	16	44

The Muenster Lady Hornets' next game Friday was against the Sudan Lady Hornets from the Texas Panhandle. The tough 1A team handed Muenster a 62-41 loss. Endres was high scorer in the game with 15 points. Pagel added 6, Jackie Klement and Felderhoff 5 apiece, Luke 4, and 2 each by Heers, and T. Klement.

Working on the Silver side of the Championship bracket on Saturday, Muenster edged out Nocona 40-37. Only four Lady Hornets put points on the board. Lia Heers and Felderhoff both scored 11, while Endres and T. Klement added 9 points each.

M	11	8	8	13	40
N	6	4	13	14	37

The final game for the Lady Hornets was against the 5A El Paso Socorro Lady Bulldogs. Muenster pulled out a 46-44 win after being behind 22-9 in the 1st quarter.

"They were kicking us the first part of the game, but the girls showed a lot of guts and pulled out the win," commented Coach Atcheson.

Endres and T. Klement led the scoring with 14 and 12 points. Felderhoff added 7, Leah Smith 5, Luke and Lia Heers 3 apiece, and Pagel 2.

## Hornets play tough teams

The varsity Muenster Hornets evened their record to 2-2 on Tuesday, Dec. 9 with a 53-41 victory over Celina.

Eric Hellman and Tanner Herr were high scorers with 18 and 13 points. Tyler Anderle added 8, Brandon Bindel 6, Garrett Walterscheid 4, and 2 apiece by Levi Trubenbach and Tanner Simlon.

M	16	11	9	17	53
C	5	4	8	24	41

The Muenster Hornets lost three games last weekend in the Peaster Tournament, falling to 3A Bridgeport and Lake Worth, and 2A Dallas Life Academy.

In game one, the Hornets were just 4 points short, 41-37 against the Bridgeport Bulls. Eric Hellman scored 10 points and Brandon Bindel 8. Hellman, Matt Flusche, and Walterscheid were leading rebounders, with Herr getting five assists.

Round two was a tough match against the Bull Frogs of Lake Worth. Muenster fell 66-48. Bindel scored 14 points, and Hellman and Walterscheid 8 apiece. Walterscheid pulled down 11 rebounds, Bindel 9, and Hellman 8.

The Hornets ended the tournament with a 67-48 loss to Dallas Life Academy. Hellman and Trubenbach led the scoring with 11 and 10 points. Bindel put in 9 and Walterscheid 8. Hellman, Bindel, Walterscheid, and Aaron Flusche were Muenster's leading rebounders.

Note: Not all scorers for Muenster were available.

From left, front - Keilah Blakey, Makaylie Ward, Alondra Perez, Megan Holt, Sheridan Shewbirt, Marisol Chavez, Morgan Forshee; back - Lexi Barton, Claire Williams, Devan Henry, Megan Caillier, Emily Hellman, Alex Perez, Kaitlin Hesse, Coach Will Henry. Courtesy photo

## County soccer team competes in tournament

The weekend of Dec. 6-7, the Cooke County United (CCU) U15 girls soccer team traveled to McKinney to participate in Wendy's 2008 Tournament of Champions in the U16 girls division. This event was for the first place finishers in their local associations from across the state in the North Texas Soccer League and was sponsored by Wendy's.

CCU was placed in Bracket D and faced teams from Corsicana, Birdville, and Lake Cities on day one of tournament play on Saturday, Dec. 6. Kickoff came early at 10:40 a.m. on a breezy and cool day. CCU faced the Birdville Stars, a team that had given United their first loss of the year two weeks ago at the HUSA Turkey Shoot XV soccer tournament. Both teams expected a tough game. The Stars had the first opportunity to score off a penalty kick that was blocked by CCU goalie Makaylie Ward.

At the 15 1/2 minute mark, forward Lexi Barton would find teammate Megan Caillier near the net. Caillier's initial kick was blocked, but the second effort by Caillier off the goalie found the net and CCU had a 1-0 led into the half. Both teams came out with strong defenses and that would be the only score of the game as CCU picked up the win.

The second game kicked off 2:40 p.m. at Craig Ranch field 11 against Corsicana. CCU had put a great deal of energy and effort into game one, and with Caillier back

to Lindsay for basketball, United did not find the net in game two. Success for the win and the 0-0 tie would go to United's defense as they kept the Lady Chivas out of any scoring opportunities for the game. United would take the tie and gain critical standing points that put them into second place in their bracket.

Game three was chilly, as kickoff occurred later than the scheduled 6:40 p.m. time. Needing a tie and to keep the Falcons out of the scorebook, United once again relied on their strong performing defense and they did not disappoint. After 80 minutes of play, neither team scored and CCU left the field with one score on the day for one win and two ties. The points added up in their favor and they found themselves moving forward to the second day of play in 1st place in their bracket with 16 points.

Sunday morning was bright, windy, and cold. CCU faced the Abilene Big Country Wave at 9:20 in the Quarter-finals. Two minutes into the start of the game, Devan Henry found the net and put United on the scoreboard first. Eight minutes later, Caillier drilled the ball for the second goal of the 40 minute half. Finding their feet and the goal once again was Caillier off an assist from Lexi Barton at the 22 minute mark. CCU was finding the form that put them at 10-0 on the season, and continued to score before the half came to an end as

a feed from Henry to Barton to Caillier found the back of the net. The half ended 4-0 with a tremendous team effort as another team remained scoreless against United. Coming out of the break, Barton found goal opportunities at the 11 minute and 13 minute marks, giving CCU a 6-0 lead that would end up the final score for the game.

CCU moved on to the semi-final game against the number one seeded Tyler Lady Longhorns who came in undefeated in the tournament. Again, a tough defensive game was played on both sides of the ball as the half ended with a 0-0 score. Coming out of the half, the Longhorns found the net as the ball sailed high over the head of goalie Ward. Despite a team effort, CCU had a difficult time finding the net and a score and were defeated 1-0 by the eventual U16 Tournament Champions, the Tyler Lady Longhorns who went on to defeat the Birdville Stars in the championship game, 3-0.

With the tournament of champions over, the end of the season came for CCU who walked away with a hard fought 3rd place finish despite having only one goal scored against them in the tournament. Game scores were 1-0, 0-0, 0-0, 6-0 and 0-1. CCU will take a well deserved break and pick up again in January.

## Tigers win Collinsville Tourney - Tigerettes take consolation

The Sacred Heart varsity basketball teams competed in the Collinsville Tournament last weekend. The Tigers remain undefeated and brought home the Championship trophy after defeating Collinsville JV, Frisco Legacy, and Turner, Oklahoma teams. The Tigerettes opened with a loss to Leonard (who went on to win the girls Championship), then won over Frisco Legacy and Forestburg.

It was the Tigerettes' first loss of the season, 39-36, in Sacred Heart's game one with the Lady Tigers of Leonard. Raynee Hogan scored 10 points, Sam Wimmer 8, Rebekah Hesse 7, Karli Anderle 6, Kalyssa Pollard 3, and Sydney Hoedebeck 2. Wimmer also had nine steals, Hoedebeck eight rebounds, and Lisa Miller two assists.

The Tigers took a big 73-30 win over the Collinsville JV Pirates in their first tournament game. David Miller led Sacred Heart with 16 points, Nick Popovich and Sam Sparkman each added 12. Ian Barnhill added 9, John Krawietz 7, Chad Henschel 6, Kyle Knabe and Pat Mojca 4 each, and Ben Walterscheid 3 points and 10 rebounds.

Day two action for the Tigerettes was a 63-45 win over Frisco Legacy Christian. "This was a bounce back win after a loss," said Coach Jon LeBrasseur. "We need to get back in the gym and get back to good fundamental basketball."

Wimmer led the team with 19 points, 12 steals, and nine assists. Kristin LeBrasseur added 13 points, with Hogan and Pollard each scoring 7. Anderle hit 6, Miller 5, and 2 apiece by Reiter, Hesse, and Hoedebeck. Hogan and Hoedebeck each pulled down seven rebounds.

SH	20	13	7	23	63
F	9	13	9	14	45

Kevin Kulle scored 27

points and pulled down 15 rebounds to help lead the Tigers to a 58-53 victory over Legacy. "This was a big win for this young squad, as Legacy came in undefeated and ranked number 10," noted Coach LeBrasseur. "We are taking small steps, but tonight we took a big leap in our effort to be a good basketball team."

Popovich added 15 points, Sparkman 10, Krawietz 4, and Mojica 2 points with six assists and seven steals. The Tigers hit 15 of 19 free throws.

SH	16	8	15	19	58
F	11	17	10	15	53

In the Consolation game, the Tigerettes jumped out on the Lady Horns of Forestburg and never let up. "We still have a sour taste after that loss to Leonard," said LeBrasseur. "The bench got plenty of action."

Anderle led the scoring in with 19 points. LeBrasseur added 18, Wimmer 10, Reeves 8, Miller 7, Pollard, Hesse, and Hoedebeck 6 each, and Reiter 4.

In the tournament Championship game, the Tigers took a 73-42 win over the team from Turner. "We fell into some of our old habits in the 1st half and played poor defense," said the Tiger Coach. "I think I got their attention, as the boys shut out Turner in the 3rd period."

Popovich, Kulle, and Knabe were high pointmakers for Sacred Heart, scoring 19, 15, and 12 points. Krawietz added 9 points, Mojica and Sparkman 5 each, Walterscheid and Chad Henschel 3 apiece, and 2 points by Dave Miller.

SH	28	13	15	17	73
T	12	18	0	12	42

**ALL-TOURNAMENT**  
Two Tigers and a Tigerette were named to the Collinsville All-Tournament Team. Earning a spot on the teams were Samantha Wimmer, Kevin Kulle, and Sam Sparkman.

## WINDTHORST TOURNAMENT Muenster

The Muenster JV girls competed in the Freshman Windthorst Tournament last weekend, coming up short in two games. The young Lady Hornets fell to Breckenridge 31-21 in first round action. Scoring for Muenster were Chloe Schneider 6, Kalya Dangelmayr 5, Mia Mehdiyor and Andi Hess 3 apiece, and 2 each by Olivia Haverkamp and Bianca Velasquez.

The second game was a close-scoring battle, with the Lady Hornets coming out on the short end of the stick 29-26. Hess scored 10 points, Velasquez 9, Haverkamp 5, and Mehdiyor 2.

The Freshman Hornets played four games in Windthorst, winning one and losing three. On Thursday, action began with a close-fought loss to Prosper 54-51. Tanner Simlon and Dalton Koelzer were high scorers with 16 and 10 points. Blake Grewing added 9, Landon Pressnall 7, Tyler Anderle 6, and Chase Hammer 3.

M	13	15	7	16	51
P	13	15	10	16	54

Later on Thursday, the Hornets took a big 47-15 win from Melissa Pressnall was high scorer with 10. Hammer added 9, with Simon, Anderle, and Grewing each scoring 8, and Koelzer 4.

Mu	12	14	12	9	47
Me	0	7	4	15	15

Game three was a tough loss to a bigger Sanger team, 42-34. Koelzer and Grewing each scored 8 points. Anderle added 5, Simon and Hammer 4 apiece, Pressnall 3, and Scott Porter 2.

## SUB-VARSITY BASKETBALL

### LINDSAY JV TOURNAMENT Lindsay JV

The Lindsay JV Lady Knights won the Lindsay JV Tournament last weekend. In game one, Lindsay defeated Chico 66-23. Megan Caillier, Lucinda Krahl, and Allison Metzler were high scorers with 15, 13, and 12 points. Taylor Atkins added 8, with Jordan Fleitman, Katie Nortman, and Emily Conaway scoring 6 points each.

The second game was a nail biter. Krahl hit a basket with 4.4 seconds remaining in the game to put the Lady Knights up by 1 for a 31-30 win over Krum. Caillier scored 12 points in the game. Atkins and Krahl 6 apiece, Nortman 4, Metzler 2, and Conaway 1.

### Lindsay Freshmen

The Lindsay Freshman Lady Knights lost two games in the Lindsay Tournament. The first round saw a 34-9 defeat to Whitesboro. Mandy Hess scored 5 and Taylor Pelzel 4 for Lindsay.

In the Consolation game, the Freshman team came up short 27-26 by Krum. Pelzel scored 11, M. Hess 7, Katie Arendt 4, Amber Hess and Amelia Haverkamp 2 each.

### WHITESBORO TOURNAMENT Lindsay

The Lindsay JV Knights defeated Lovejoy in first round action 44-38. Scorers for Lindsay included Dawson Holt 12 points, Garrett Yancy 10, Dean Fleitman 6, and Thomas Rohmer 4.

The Knights won 49-39 over Decatur in game two. Rohmer scored 15, Yancy 8, and 6 each by Fleitman and Holt.

In the third game Saturday morning, no game report was received.

The JV Lady Knights improved their record to 7-4 by defeating the Lady Eagles of Decatur by a score of 38-36. Lindsay was down by 10 points at one time and fought back to win the game. Megan Caillier was high point maker with 19. Taylor Atkins and Katie Nortman each

added 6, Allison Metzler 4, and Lucinda Krahl 3.

The Lady Knights Freshman team was defeated by Decatur 49-11. Scoring for Lindsay were Katie Arendt 5, Taylor Pelzel 4, and Kelsey Barba 2.

### Sacred Heart

The JV Tigers took a 46-22 victory from Valley View Tuesday night. Scoring was spread out among nine players. Chad Henschel put 8 points on the board, Greyson Evans 7, Ryan Felderhoff 6, Jordan Henschel 5, Garrett Berend, Chad Walterscheid, and Jae Im 4 each, and 2 apiece by Calvin Wimmer and Alex Turner.

## MYBL

### 5TH/6TH GRADE BOYS Lindsay 18 Saint Jo 19

The Lindsay Black team was defeated 19-18 with 17 seconds on the clock by the Maroon team from Saint Jo. Scoring for Lindsay were James Fuller with 6 points, Nick Dieter 4, and 2 apiece by Brad Bezner, Ben Haverkamp, Zach Hermes, and Neil Fleitman.

Chase Hall was high scorer for Saint Jo. Wyatt West made the winning free throw.

## Lindsay roundballers in Madill Tournament

The Lindsay Lady Knights and Knights competed in the Madill Winter Classic Basketball Tournament last weekend. Unable to bring home the Championship trophy, the Lindsay teams, both boys and girls, did receive the Sportsmanship Award, selected by the tournament officials on how teams behave on and off the court. "It is a tradition in the Madill Tournament and is considered a great honor to receive," noted Lindsay Coach Don Neu. "I am very proud of the kids for receiving this honor."

Rose Hermes was also named to the All-Tournament Team.

In round one, the Lady Knights defeated Boswell, Oklahoma 37-28 on Thursday.

Scoring for Lindsay were Cammi Neu 9, Rose Hermes 8, Bethani Eberhart 7, Katie Dieter 6, Kristin Martin 3, Elizabeth Martin and Kaylee Murphree 2 each.

The Knights were defeated by Boswell by a score of 66-52 in their first tournament game. Down by 9 at halftime, Lindsay wasn't able to recover the 2nd half. Boswell out-shot Lindsay at the 3 point range 9-3.

Colton Hermes and Ryan Haverkamp led the Knights on the scoreboard with 13 and 12 points. Ross Jones added 9, Travis Skinner and Austin Reiter each scored 5, Frankie Cornett 4, and 2

apiece by Robert Arend and Dax Fleitman. The Lady Knights fell to Madill 59-44 in game two. Lindsay had a 1 point lead at half-time, but was out-scored by 12 in the 3rd to turn the game around. "I was very pleased with what we were able to do the other three quarters," said Coach Neu.

Knabe and K. Martin were high scorers with 17 and 13 points. Hermes added 8, E. Martin 4, and Neu 2.

On Saturday, the Lady Knights played Pilot Point for the 3rd place trophy, but came up short 34-33 in a hard-fought defensive game.

K. Martin put in 9 points for Lindsay, Neu 8, Eberhart and Knabe 5 apiece, and 2 each by Murphree, E. Martin, and Hermes.

No other boys' game results were available.

The Lady Knights lost a hard fought contest Tuesday to Decatur 44-32. "The girls played very hard until the end," said Coach Don Neu. "We could never get closer than 10 in the 2nd half."

Cammi Neu and Beverly Knabe each scored 8, Rose Hermes added 5, Kristin Martin and Katie Dieter 4 each, and Bethani Eberhart 3.

Hermes and Martin each pulled down five rebounds, with Hermes having three assists and Martin four blocks.

## All-State Academic

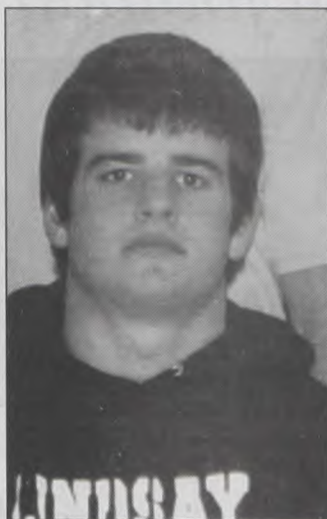

Lindsay Knight Nick Bezner earned a place on the Academic All-State Football Team. Coach Cody Bounds noted that Bezner received "elite" status on the team, which was given out to only three other athletes around the state.

## Tigers handed first loss

The Sacred Heart Tigers, after winning their first seven games, were defeated Tuesday night 50-47 by the Eagles of Valley View (14-0).

"I did not have my team fully prepared for this type of competition," noted Tiger Coach Jon LeBrasseur. "Valley View has a very good

## Knights named to Associated Press All-State First Team

Two Lindsay Knights, Casey Shauf (left) and Ross Jones were named to the Texas Associated Press Class A All-State Team. Both players earned a spot on the first team, Shauf on defensive lineman, and Jones as kicker. The senior lineman had 89 tackles including 8 sacks and 15 for loss. Junior kicker Jones was 22 of 24 kicking extra points and 9 of 9 in field goals.

team and was able to do many things defensively that we were unprepared for."

Kevin Kulle was high scorer for Sacred Heart with 20 points. Nick Popovich

added 12, Sam Sparkman 7, Patrick Mojica 4, and John Krawietz and Ian Barnhill 2 apiece.

Sparkman pulled down nine rebounds, with Mojica

and Krawietz each having four assists and six steals.

## JUNIOR HIGH BASKETBALL

### Sacred Heart

A 16-0 1st quarter set the pace for the "B" Cubs' 39-3 victory over Denton's Immaculate Conception School (ICS). Alec Hudson led the Cubs with 11 points. Hayden Schilling added 9, Kevin Flusche 7, Jason Knabe and Brady Endres 4 each, and 2 apiece by Tavi Saldani and Isaac Walterscheid.

SH 10 6 13 4 39

ICS 0 0 0 3 3

The "A" Cubs also were victorious over ICS with a 57-26 win. Clay Hogan was high scorer in the game with 25 points. Andy Flusche added 16, Austin Aldridge added 6, John Popovich 4, and 2 each by John Hesse, Isaac Barnhill, and Michael Weinzapfel.

SH 17 15 11 14 57

ICS 5 4 11 6 26

The "B" Lady Cubs dominated the Denton team with a 38-7 one-sided victory. Eleven Sacred Heart players made points, led by Bailey Walterscheid's 12 points. Kyle Hesse added 6, Kiznie Hesse 4, and 2 each by Morgan Hesse, Emily Brogdon, Kayla Fleitman, Mikenzie Fleitman, Sarah Miller, Lindsay Miller, Madison Hesse, and Brooke Henry.

SH 10 8 10 10 38

ICS 10 6 13 2 27

The "A" Lady Cubs also dominated the Denton team, taking a 43-6 win. Peyton Reiter led Sacred Heart with 10 points. Kaitlyn Hesse and Abbey Hudson each added 8. Korleigh Reeves, Devan Henry, and Mikaela Bartush each scored 4. Morgan Swank 3, and Danielle Berend 2. Sacred Heart hit 100% of their free throws.

SH 14 18 9 2 48

ICS 4 0 0 2 16

### Muenster/Lindsay

The Lindsay 7th grade defeated Muenster's "B" team girls Monday 27-9. Scoring for Muenster were Adrien Rohmer 4 points, Brittany Pangel and Erin Hess 2 apiece, and Ashley Hammer 1.

Jalyn Anderle led Lindsay with 10 points. Kendall McLeod added 5, Lauren Gibbs and Elizabeth Wallace 4 each, and 2 apiece by Elizabeth Zwings and Sara Clark.

Muenster's "A" team girls were victorious over Lindsay's 8th grade 36-15.

Michelle Sicking scored 9 points for Muenster. Paige Herr added 8, Hannah Bayer 6, Amber Walterscheid and Sydney Huchton 4 each, Lauren Rohmer 3, and Brooke Walterscheid 2.

Megan Schumacher scored 10 for the Lindsay team, with Brianna Sandmann adding 3 and Emily Ambsch 2.

The Lindsay junior high "mix" team beat Muenster's "B" team 9-7 Monday. Scoring for Lindsay were Caleb Rains, Dakota Ellender, Trevor DeFord, and Kevin Conaway.

Muenster's point maker was C.T. Beecham scoring 7. The 7th grade boys from Lindsay defeated Muenster 28-18. Lindsay was led by John Haverkamp's 12 points. Zach Miner added 4, Matt Heston and Max Beebe 3 each, and 2 apiece by Conner Polk, Garrett Cooper, and Travis Krahl.

Muenster's scoring was unavailable. Muenster's "A" team won over Lindsay's 8th grade 33-29 Monday. Leading the Stingers on the scoreboard was Mason Binder with 13 points. Blayne Styles and Hunter Klement scored 5 each, Austin Hennigan 4, Clint Sidwell 3, Cole Walterscheid 2, and Trevor Hess 1.

Scoring for Lindsay were Tanner Kuhn 7, Blake Walker 5, Cody Thurman 4, Hud Harrison and Cade Hess 3 points each, and 2 apiece from Chisam Reiter, Darryl Block, and Chris Bell.

# FARM AND RANCH

## The Top 10 changes to make to your cattle operation for 2009

The New Year will be upon us before we know it, and although there are a lot of uncertainties for 2009, producers can take steps to be prepared for what's to come in the livestock industry. Whether you manage a cow-calf operation or feedlot, now is the time to consider what changes you'd like to see in your organization to ensure 2009 brings higher profits and fewer challenges.

1. Identify improvements that will have the most impact on your organization. Although a lot can be accomplished in a year, it's important to keep your resolutions focused and identify where your organization needs the most improvement and which steps will have the greatest impact on your organization and its profit. If you're managing a feedlot, take a moment to evaluate it using IBC's Feedlot Cost Management Assessment Worksheet ([http://www.iowabeefcenter.org/content/Feedlot\\_Cost\\_Mgt\\_Assessment\\_Wkst.pdf](http://www.iowabeefcenter.org/content/Feedlot_Cost_Mgt_Assessment_Wkst.pdf)).

2. Build more flexibility into your organization. What are you doing differently to survive in this time of tight margins and high inputs? With the cost of feed and fuel ever in flux, and a host of other uncertainties plaguing livestock producers, it's important that you have the ability to change how your organization operates so rapid changes in the industry don't leave you behind. The Iowa Beef Center has an entire section devoted to handling this time of high feed costs: <http://www.iowabeefcenter.org/management/FeedCosts.html>

3. Better understand how to market your cattle timely and wisely. A rapid climb in livestock production costs, including a dramatic increase in feed, has changed the name of the game for those marketing cattle. Considering these changes, it

may no longer be profitable to market your livestock in the same manner as years before. To learn more about figuring out your cattle's optimal marketing weight, go to <http://www.iowabeefcenter.org/content/feedlot/optimalweight.pdf>.

4. Improve your record keeping skills and organize documentation. With the implementation of mandatory Country of Origin Labeling (COOL) in September 2008, documentation has become increasingly important for all livestock producers, regardless of organization. If you haven't done so already, learn more about COOL at <http://www.iowabeefcenter.org/content/COOL.htm>.

5. Become a better steward of the land. Make sure you understand your operation's impact on the land and near your operation, and educate yourself on possible measurements you can enact, from utilizing rotational grazing to proper nutrient management tools. Feedlot operators should be aware if recent changes regarding national pollutant discharge elimination system permits have an impact on them (<http://www.iowabeefcenter.org/content/NPDESfact-sheet.pdf>).

6. Better understand your cattle's health needs and likely ailments. Although it's not possible to keep your herd completely free of health problems, working with your veterinarian on a health plan that suits your particular needs will ensure your animals have the best possible protection from possible problems. Your veterinarian will also point out areas of your facility that may promote illness. For more information on developing a suitable health plan, check out IBC's November newsletter: [http://www.iowabeefcenter.org/content/IBC-Newsletters/newsletter%20\(NOV\).pdf](http://www.iowabeefcenter.org/content/IBC-Newsletters/newsletter%20(NOV).pdf).

7. Further reduce your feed costs by managing feed losses. With escalating feed costs impacting your operation's profitability, it's important to reduce the amount of feed lost through storing and feeding. Introducing new storage methods and feeding equipment can reduce the amount of feed lost, giving you a break on your rising feed costs. To learn more, go to <http://www.iowabeefcenter.org/content/feedlot/2008/curbcosts.pdf>.

8. Develop cheaper feed rations that will still serve nutrition needs. Another way to limit your spending on feed is to research feed alternatives that might be cheaper than what you're currently using. However, the feed ration you develop must still meet your animals' nutritional needs, or the decrease in quality of your final product won't be worth the savings. To learn more about IBC's beef ration and nutrition software, go to [http://www.iowabeefcenter.org/content/software\\_softwarehandout.pdf](http://www.iowabeefcenter.org/content/software_softwarehandout.pdf).

9. Better manage your manure to get the most value from it. Manure is a highly valuable resource if it's captured properly and used where it's needed the most. To assess your current manure management efforts, check out <http://www.iowabeefcenter.org/content/feedlot/Nutrient%20Management%20Assessment2.pdf>. To read about getting more value from your manure, see <http://www.iowabeefcenter.org/content/feedlot/2008/manurehandout.pdf>.

10. Improve your cattle's comfort for more productive animals. Cattle that are handled properly in a low-stress environment will yield a better end product. To get the most out of your cattle, learn how to reduce their stress and care for them better: <http://www.iowabeefcenter.org/pdfs/bch/04400.pdf>.

## COUNTY AGENT REPORT

### Winter gardening activities

From a gardening perspective, the end of the year is usually a time to relax and think about other things. November and December are good months for planting bulbs, soil preparation, and a few other garden chores. Two very useful gardening activities for the holiday season are planning the landscape and planting trees.

One activity complements the other. It is always wise to have done your homework when deciding to plant trees. These plants will become long term valuable assets or a permanent problem. Therefore, I would like to remind Cooke County residents about the wonderful resource they have with Texas SmartScape. You can access this resource on the web at: <http://www.txsmartscape.com/>.

This site contains a plant search that allows users to select well adapted plants given selected parameters. An example is if you want to find a good tree to plant in a location on the West side of your house, to block the sun, but cannot plant a tree that will spread too wide because of constraints caused by power lines or other obstacle; you can select the size tree you want, and the computer will make some good recommendations!

When you plant a contain-

er-grown tree, there is often transplant stress as the tree acclimates to a different environment. Some species react more negatively than others to this change, but almost all trees suffer aesthetically and stop growth.

Winter is a wonderful time to plant trees and shrubs because cooler temperatures, though not ideal for growth, provide a much-needed time for root development and acclimation for the new tree, thus reducing transplant stress. Winter is also often a time of ample rainfall, resulting in even less tree stress.

Local nurseries should have a good selection of trees during winter. When deciding which tree(s) to plant, you should take into account the characteristics of the proposed planting site, such as the amount of sun the site receives, the soil drainage, and the amount of room the tree will have to spread.

**TDA market recap**  
For the week ending Dec. 13, feeder cattle price trends at Texas auctions were again mixed, with most sales steady to \$7 lower per hundredweight. However, a few auctions later in the week reported prices steady to \$8 higher. Fed cattle prices were \$2 lower in response to declines in beef prices.

# RAINTREE-ADVANTAGE TEAM HUNTING TIPS

## The secondary rut

If you are fortunate enough to live where the deer season extends into December or January, you can take advantage of the secondary rut. All adult does and some yearlings that were not impregnated during the primary rutting period come into heat again some 28 days later. This revival of rutting activity may pull some wary, old "survivor" bucks out of hiding.

But they won't come out far. Remember, these are the survivors, the ones that took your best shot about a month ago and won.

Secondary rut sign is subtle. Suddenly, a few old scrapes are freshened up or a few new ones are made. Just as suddenly, a few fresh rubs show up where you haven't noticed them before. The bucks are on the prowl but are keeping a low profile.

The usual rut strategies, involving grunting, rattling and sex scents, are useful but should be used with equal subtlety. Keep your strategy low-key in the second half of the secondary rut.

## Getting around in the woods

The ability to judge both time and distance while hunting is very important. If you know how far something (say your stand site) is and/or how long it will take you to cover some distance denoted on a map, you can plan your travel time well.

Judging distance either by sight or how far you've traveled is not easy and takes some practice. It also takes a watch. Elapsed time of travel can be a rough guide to the actual mileage.

A healthy adult, moving at a normal pace, can walk about three miles per hour on level ground - that's 20 minutes to the mile. Strap on a day pack and a deer stand and allow 40 minutes for the mile. Rough terrain, either mountainous or thickly vegetated, can double travel time.

A GPS unit can give you the most direct route to a pre-programmed point. It also can help you detour around obstacles, even in the dark, so long as you have already programmed your route.

## Underwear for your feet

Wet feet are soon cold feet. Worse yet, wet socks, particularly cotton, promote blisters. Nothing can wreck a happy, long-awaited hunting trip faster than blistered feet. Worse yet, severely blistered feet can actually cost you the success you had hoped for on a hunting trip.

The basic step is to always wear well-fitted and well broken-in boots and change socks regularly. Wool socks wick moisture better than cotton ones and retain 75 percent of their insulating ability even when wet. Some of the new synthetic-blend boot socks handle moisture almost as well as wool.

If you wear rubber boots or pac boots (leather uppers, rubber bottoms), you should wear liner socks. An active foot can sweat a cup of perspiration a day! That water is trapped in a rubber boot. The quick-wicking liner sock pulls it away from your foot and keeps it relatively dry. Add wool outer socks (remember 75% insulation even when wet) to complete the recipe for warm feet.

## Log it first

After the season, as you put your gear in order, consider catching up on what I consider a very important piece of hunting equipment - your hunting journal. It is the key to future success.

Throughout the season, I keep notes on what I see while hunting. I jot down what deer are browsing on and when; what trails and terrain see the most use and when; and what the weather was like when I observed unusually high activity. I also note or map spots that I frequently jump or encounter deer. Almost all journal entries note the time of day, day of month, weather and wind conditions and moon phase.

At season's end I "clean up" these rather random notes (while they're fresh in my mind) and enter them into a more permanent log-book or master journal. After a few seasons, this has become a great database of information on deer movement - both in general and on specific areas where I hunt regularly.

## Simple survival

If you get lost, keeping your wits is better than any survival kit sold. Of course a good survival kit is both comforting and useful if you get lost or injured while hunting or fishing, but staying calm is your first challenge and best course.

Most people are found within 24 hours; so you don't have to survive for a long time. Resist the urge to blindly strike out, and never run. Don't even walk at night or in a fog. Doing these things usually makes a bad

situation worse and greatly increases your chance of injury.

Stay where you are unless you are in real and imminent danger (flood, lightning strike, etc.). Go no farther than you must to be safe. Use your energy to make a shelter and fire. A good survival kit should include items that assist with both.

Always telling someone where you are going and when you will be back will hasten help should you ever need it.

## Late winter scouting

Late winter deer scouting can be the most productive scouting of the year. First, vegetation is at a minimum, making any deer sign easily seen. Second, you can locate and really investigate potential hotspots without having to hold back for fear that you will spook a trophy buck out of the area just before season.

Major deer trails stand out like interstate highways and even well-hidden buck trails are easier to pick up. With most foliage gone, you can get a good look at buck core/

sanctuary areas, which are usually found in the most forbidding, brush-choked areas available. While there, try to get a handle on the buck's entrance and exit areas. If the sanctuary is too tough to hunt, stake out the "bedroom door" next season.

With luck, you can find shed antlers. These tell you that that particular buck survived the season and will likely still be around next year. This knowledge will make you more confident when the next deer season starts.

## More pictures from Muenster's parade

Photos by Janie Hartman

## The year is 1907

The American flag had 45 stars. Arizona, Oklahoma, New Mexico, Hawaii, and Alaska hadn't been admitted

to the Union yet. The population of Las Vegas, Nevada was only 30.

# FARM AND RANCH

## TFB president calls for united front of farmers and ranchers

Uncertain financial times for Texas farmers and ranchers make unity more important than ever before, the president of Texas Farm Bureau said during his annual address at the organization's 75th annual convention.

But the magnitude of the event, the diamond anniversary of the state's largest farm organization, should certainly not be overlooked, TFB President Kenneth Dierschke said.

"Seventy-five years is a long time," Dierschke said. "Whether you're talking about a marriage or an organization, the anniversary that is called diamond is something very, very special." Even those special times don't come without dif-

ficulty, Dierschke said.

"It was a time of turmoil in agriculture that the founding fathers of Texas Farm Bureau laid the foundation of this organization," he said. "In the seven and a half decades that have followed, we've seen good times and bad. We've been victimized by short-sighted policies. We've faced an urban America that understands less and less about the source of their food and fiber."

Add to those difficulties the economic realities that have occurred over the last 12 months, and the future could look downright grim for those scratching out a living on the land, Dierschke said.

"Our country has been through the wringer this year—and Texas agriculture right along with it," he said. "The stock market, the price of oil, home values in free fall, crashing financial and commodity markets.... There were high points that bordered on the ridiculous and lows low enough to devastate many families in urban and rural America alike."

Farmers and ranchers fought soaring prices—\$4 a gallon diesel and tripled fertilizer costs—all the while battling politicians and editorial writers as the future of the nation's farm policy fell under fire. Producers were even painted the villain when the price of food—much like everything else in 2008—began to increase.

As prices have begun to level back, some demanded apologies for such smears to the nation's farmers and ranchers.

Be it eminent domain reforms and transportation issues in Texas or bilateral trade agreements at the national level, Farm Bureau has much work ahead in educating our leadership on the issues before us, Dierschke said.

"I call on the new leader-

ship in Washington to carefully rethink our national priorities," he said. "The farm and ranch families of Texas and all America are a tremendous resource. We are the force that prevents America from depending on foreign food supplies as we do now with energy. And we can play a major—even bigger—role in food and energy production."

And much like in the days of his predecessors 75 years ago, Dierschke said farmers and ranchers must unite to remain a vital and viable voice in the debate.

"Our numbers have dwindled, but we remain the key to feeding America and much of the world. The work of America's farm and ranch families is the engine that drives America's prosperity," Dierschke said.

"That's why we're here today," he added, "to continue building this organization for battles present and future. This is our challenge—a trust placed in us by the leaders of another generation—to ensure that no member of Texas Farm Bureau faces the future alone."

## TDA market recap

For the week ending Dec. 6, feeder cattle price trends at Texas auctions were mixed, with sales early in the week steady to \$6 lower per hundredweight (cwt) and later sales steady to \$6 higher. Fed cattle prices declined by \$3 per cwt in response to lower beef prices and concerns that demand will decline in a weaker economy.

Cotton and grain markets closed the week at their lowest levels in more than two years as a strong U.S. dollar, slumping export demand, and concerns about the economy continue to push commodity markets lower.

As for futures markets, feeder cattle, finished cattle, cotton, wheat, corn, and lumber all finished the week lower.

Parts of the Plains and East Texas recorded up to one inch of rain during the week, while the rest of the state reported little or no precipitation. Topsoil moisture remains in adequate to short supply in most locations.

Winter wheat seeding is nearing completion with

### Brucellosis free

Texas has officially had brucellosis-free status since February of this year. But that doesn't mean we're free from monitoring. Sexually intact cattle 18 months of age and older must still be tested before sale. That means all cattle sold. Cattle sold at markets are tested on-site. For private treaty, blood samples can be drawn by an accredited, private veterinary practitioner. Slaughter testing will probably continue indefinitely. We could lose our status if two infected herds are detected over two years, as Montana recently experienced. Dr. Bob Hillman, executive director of the Texas Animal Health Commission, recommends that producers have heifers vaccinated between four and 12 months of age by accredited veterinarians, particularly herd replacements and especially in the eastern portions of the state.

### Animal ID outside the United States

Since Country of Origin Labeling (COOL) is upon us, it may be of interest to investigate the rest of the world. The United States is not nearly the only country that has implemented some type of animal ID system. Colorado State University researchers compared the current federal voluntary U.S. National Animal Identification System (NAIS) to systems outside the U.S. Represented

were 12 countries or groups of countries (the European Union has a unified program and will be considered a "country" in the following summary) in Africa, Asia, Australia (and New Zealand), Europe, North America (Canada and Mexico), and South America.

Premises ID is mandatory in seven of those countries. Individual ID of cattle is mandatory in nine countries and voluntary in three. Group or lot ID, in place of individual ID, is allowed in 10 countries but not in two. Electronic ID is mandatory

in four countries and voluntary in eight. Recording of movement of animals is mandatory in eight countries and voluntary in four. It is mandatory to retire individual animal ID numbers in eight countries and voluntary in four. Australia is the only country requiring mandatory compliance with all of these features, except for allowing group or lot ID. All of these features are voluntary in the current U.S. NAIS. It will be interesting to see which features, if any, evolve over time in NAIS.

## Economy is the wild card in beef cattle price forecasts

Most sectors of the nation's beef industry are losing money, which has caused production forecasts for next year to be reduced. Usually a decrease in production would provide a boost of cattle prices for producers and feedlot operators, but USDA livestock analyst Shayle Shagam says while that might happen, it might not due to offsetting factors including the economy.

"You do have expectations of declining production in 2009 which would tend to be price supportive," Shagam says. "But the economic situation, the macro economy in

the U.S., is a real wild card. If there is a retrenchment by consumers you would tend to see some pressuring on prices as consumers either slide toward lower value cuts of meat or slide toward other meat products which may be perceived as being cheaper or cut back on the amount of dining out that they would normally do."

Those moves would all have a negative impact on the cattle sector. Shagam does think that cattle prices may improve in 2009, but says it all still depends on how the macro economy shapes up in the coming year.

## Observe bulls closely during breeding season

The fall-breeding season is upon us, and that means herd managers need to keep an eye on bulls to make certain cows are being bred.

Occasionally, a bull that has passed a breeding soundness exam may have difficulty serving cows in heat, especially after heavy service, cautions Glenn Selk, Oklahoma State University Cooperative Extension cattle specialist.

"In terms of calf-crop percent, the inability of a bull to complete normal service and low fertility are more detrimental than failure to detect cows in heat," he said. "Such problems can best be detected by observing bulls while they work."

In other words, cattle producers should protect their investment by watching bulls actually mate with cows during the first part of each breeding season.

"If problems are apparent, there is time to replace the

bull and salvage the remainder of the breeding season and next year's calf crop," Selk said.

Also, some bulls can wear out from heavy service and lose interest in mating. These animals must be replaced as soon as possible.

"The greater the number of cows allotted to each bull in the breeding pasture, the more critical it is that every bull be ready to work every day of the breeding season," Selk said.

In addition, injuries to bulls during the breeding season are not uncommon.

"When a bull becomes lame or incapable of breeding because of injury to his reproductive tract, the animal needs to be removed from the breeding pasture and replaced with another herd sire," Selk said.

Additional information on bull management is available at <http://www.beefextension.com> on the Internet.

LTCSelect Premier is based on policy form series: LTC-5000 with a state identifier and edition date. Example: LTC-5000 (ID) (1001) and INH-5000 (ID) (1001) for Idaho and LTC-5000 (PA) (1001) and INH-5000 (PA) (1001) for Pennsylvania. The policies contain some benefit eligibility restrictions, other limitations and exclusions and terms under which the policy may be continued in force or discontinued.

## U.S. cattle on feed down 7%

Cattle and calves on feed for slaughter market in the United States for feedlots with capacity of 1,000 or more head totaled 11.0 million head on Nov. 1, 2008. The inventory was 7% below Nov. 1, 2007 and 8% below Nov. 1, 2006.

Placements in feedlots during October totaled 2.44 million, 11% below 2007 but slightly above 2006. Net

placements were 2.37 million head. During October, placements of cattle and calves weighing less than 600 pounds were 700,000, 600-699 pounds were 615,000, 700-799 pounds were 543,000, and 800 pounds and greater were 580,000.

Marketings of fed cattle during October totaled 1.81 million, 3% below 2007 but 3% above 2006.

# Tigers work towards playoffs under Schilling

2008 Sacred Heart Catholic Tigers

The Sacred Heart Catholic High School Tigers annually are in the thick of their district. But last year, despite a 5-4 season with huge victories over Lindsay (50-19), Saint Jo (42-0), and Era (40-14), the Tigers didn't make the playoffs for the first time since 2000. A big win over Amarillo San Jacinto (50-8) was the lone conference win, with losses to Covenant and Calvary.

Seven starters are gone from that team, but 24 lettermen and nine starters are back for the 2008 season. There are 11 seniors on the team.

Dale Schilling is entering his first season as the Tigers' head football coach. But he won't be as behind as other new coaches this year, because Schilling has been a part of the Sacred Heart coaching staff for 11 years. "Our goal is to make the playoffs," Schilling said. "We were so disappointed we didn't make it last year." Senior leadership, with 11 seniors

with experience, is the strength of the Tiger team. Also, the depth of 36 players, higher numbers for the school.

The team's weakness is the loss of a three-year starting quarterback, leaving lack of experience for the offense.

Offensive starters will be Mitch Hesse, Tommy Torcellini, Dylan Flusche, Gene Yosten, Josiah Yosten, John Krawietz, Nick Popovich, Kyle Knabe, Ryan Bartush, Nathan Berend, Sam Sparkman, and Matt Hesse.

Leading the defense will be Hesse, Hesse, Flusche, Popovich, Zach Zanchetta, Torcellini, Ben Walterscheid, Berend, Sparkman, Knabe, and Krawietz.

Coach Schilling is looking forward to the challenge he took on as head football coach. "I'm glad I took the job. We're having fun. It will be a huge disappointment if we don't get to the playoffs," Schilling concluded.

# Pilot Point picked to take District 10-2A title

## Bearcats are top dogs in the State...

Austin Lewter  
Staff writer

Yet another local school has been ranked among the top 25 in the state. Coach Blake Feldt's Pilot Point Bearcats, having dropped from 3A back down to 2A, is ranked number two in the the state for Class 2A by Dave Campbell's Texas Football.

Fittingly so, they have been ranked first in district 10-2A.

Last year, as a 3A school, Pilot Point finished the season with a 6-4 record and tied for third place in there district.

Feldt, currently beginning his fourth season as head coach, promises a more eventful post-season in 2008.

Junior Seth Tilley has been appointed the quarterback responsibilities for the Bearcats.

"Seth is a good athlete," Feldt began. "He has done a good job of running the team... he was a wide receiver last year and has stepped up to the QB spot... we are expecting good things from him."

Senior Cooper Guthrie will be stepping back into the running back position. According to Feldt, he is a fourth year starter and has received All-District recognition all three years prior to this. He rushed for 1,043 yards and ten touchdowns in 2008.

"He is well on his way to becoming the school's all-time leading rusher," Feldt said.

Guthrie along with junior slot Jarman Johnson are all the reason Feldt needs to keep the ball on the ground.

"We are a running team and we are full of guys like Jarman who know what to do with the ball once they get ahold of it," Feldt added.

A few guys to look out for on the offensive line include sophomore Kody Peacock and senior Brad Patterson, Feldt said.

Sophomore AJ Keesee and junior Tyler McNairy will be Tilley's main targets when they do decide to take to the air along with yet another sophomore wide receiver Austin Balderas.

Courtesy photo

Above, Pilot Point junior defensive back Justin Chambers goes in for the tackle in last week's scrimmage against Gunter. The Bearcats are picked first in district 10-2A and second overall in the state. Right, head coach Blake Feldt directs traffic a gives direction from the side line. Pilot Point opens there season this Friday at Whitesboro kick-off is slated at 7:30 pm.

Defensive coordinator Aaron Keesee will run a split defense that concentrates mainly on an eight-man front led by sophomore Mason Guthrie and senior Karl Anderson at the inside linebacker spots.

Anderson is a third year starter and received All-District awards in 2007. Regal and senior Colton Vest will contain the outside.

Pilot Point will be fielding a near impeccable defensive line with seniors Clint Comacho and Sam Duesman checking in at the end spots and junior Carter Street and senior Jacob Petrea both at tackle.

Keesee, Johnson and Pelzel will be containing the passing game by switching in at out of spots in the secondary.

Coach Feldt claims the game plan is to take the season one game at a time. "Essentially, we look at the season and divide into three. First, we have non-district play, then district and the playoffs. All of which we plan on being successful in... Each time you step onto the field, it becomes that much more important."

The Bearcats kickoff there season against Whitesboro at home this Friday.

# Pottsboro looks to improve upon last year's 8-2 Cards seeking playoff rights...

Austin Lewter  
Staff writer

Another turn around story in local football is North Grayson Counties' Pottsboro Cardinal. Coach Matt Poe, beginning his third year with the Cards, is rally rallied this team, who had long given up on the playoffs, to an 8-2 finish in 2007. This was a record good enough earn a first in five years playoff bid against Farmersville in the first round.

Farmersville won and eventually took home the state title, according to Poe.

"We plan on being contenders and look to do well," Poe explained. "We have a great team and a lot of older guys to lead the way."

Offensive coordinator Bart Williams will start senior Blake Towery behind center for the cards who's key hand off will be to senior running back Adrian Dabrio.

"He (Dabrio) is three year starter and a great kid," Poe said. "He is full of quickness and has great vision of where this team needs to be."

Senior Nate Janzen will be giving the snaps to Towery with junior Michael Garcia and senior Brian Dunkle at either side of him in the guard spots.

"We have four great receivers... Those guys are Drew Bates, Terry Land, Tyler Pruitt and Lowell Hennen... We are excited about all four, they all have speed and ability."

Poe asserts that his Cards will throw the ball just as much as the run it this year. "We really are a balanced team," Poe said. "As always, the defense we are up against will really dictate how we handle the ball."

Assistant coach Randy Matthews will serve as defensive coordinator and he is planning a 4-3 defense. "But we are fairly multiple as well," Poe said.

Dabrio and Hennen will be pulling double duty and checking as linebackers.

"We have a few kids who play both ways... That is no secret, we have some great backups but you always want your key players up front," Poe continued. "We're gonna put our best guys out there first."

Pruitt and Bates are a few more two way players as they both check in as safeties with Land and Griffith playing the corners.

"We are looking ahead to make the playoffs... We definitely want to make something happen. I think we can all

- Oct. 31 @ S&S \*
- Nov. 7 vs. Valley View \*

\* Denotes district game

agree that our taste of it last year showed us what we have to do to go even further," Poe concluded.

Pottsboro kicks off their 2008 season with two back-to-back road games. The travel to Henrietta this Friday and play at Princeton on Friday Sept. 5th.

Above, senior Pottsboro defensive back Johnny Howell goes in for the stop in last Friday's scrimmage against Durant at Paul Laird Field on the campus of Southeastern Okla. State University. Right, senior quarterback Blake Towery looks down field for somewhere to throw.

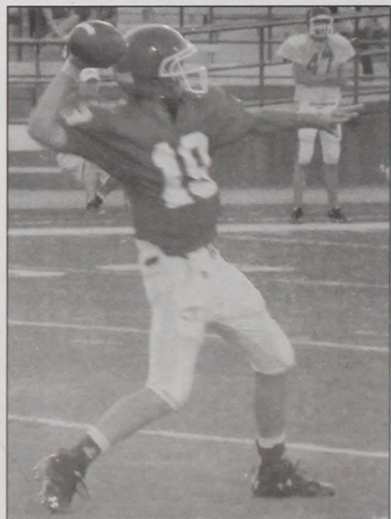

Photo courtesy of Randy Bruce

The Cards are coming off a 8-2 season last year and are looking to compete in a tough district. Third year coach Matt Poe plans on looking to his seniors for great plays.

# Porter's S&S Rams are 'All In' for 2008

## New AD cites core group of seniors...

Austin Lewter  
Staff writer

Coach Ashby Porter plans on a season of hard work from strong seniors to excel his S&S Rams from among the bottom rankings of District 10-2A.

This is position Porter's first year with the Rams. The TCU grad has served in coaching capacities at Anna and Celina prior to his acceptance of the Athletic Director position in Sadler.

"I worked with Mr. Steeber (S&S superintendent) at Celina... that is where the connection is," Porter said.

The Rams finished the 2007 season with a 4-6 record over all and three wins in district. Such a performance has ranked them last in the district for 2008.

"Being ranked last makes me realize where we are at... how big of a hill we have to climb," Porter said. "Every team in the district is a playoff caliber team... we have our work cut out for us... We have a real good core group of seniors, they all get along well and will be our backbone this year."

Offensive coordinator Jess Lanier will be fielding a Triple I offense at Ram stadium led by senior quarterback Tommy Carney, a third year starter.

"Tommy is real steady... he has a lot of experience and is great all around player," Porter commented.

Seniors Chris Matlock and Eric Bartells will be leading the backfield. The Triple I generally allows the ball to stay on the ground more often than not.

Two seniors head up an impressive offensive line, "TJ Quigley and Andy Reeves are our big guns on the line," Porter said. "We also have a young sophomore lineman who is showing a lot of promise, Chris Cambell... Along with tight end Brett Huntsman, another senior, we should have some force up front."

According to Porter, seniors Paul Millman and Dustin Ham will Carney's two main targets when he does take to the air seeking out wide receivers.

Defensive coordinator Douglas Holtzclaw will be running a split defense featuring senior Jacob Aquire and junior Michael Lee in at linebackers. Reeves and Huntsmen will fulfill lineman duties on defense along defensive end Travis Rogers. "We are expecting big things out of these three," Porter said.

Carney and Bartells will be due to watch in the secondary along with senior cornerback Billy Heuitt and safety Clint Kirk.

"We have a lot of chemistry here," Porter said. "Usually a new AD coming in has a hard time getting everyone on board and that has not been the case. Everyone shows up with an 'All In' attitude and I think it show on the field this fall."

S&S Kicks off their season at home against Muenster this Friday. Kickoff is at 7:30 pm.

Staff photo by Austin Lewter

Above, the S&S offensive units lines up to take a few warm-up snaps prior to a scrimmage in against Leonard last Thursday. Below, Ram linebackers go for a Tiger ball carrier. The Ram's are picked last in District 10-2A. New head coach Ashby Porter says a great work ethic and 'All In' attitude will take the Rams far in 2008.

# Panthers looking forward to victories in 6-man

Mostly due to numbers, the Saint Jo Panthers have struggled on the football field the past years, including last season's 0-10 record. They have moved down from 11-man to their first 6-man season into Division I, District 2 - 6M.

The Panthers will be challenged by Greenville Phoenix and Irving Universal Academy in district play. Two teams, Dallas I Am and Rowlett Advantage, originally assigned to the district, will not field teams this season.

Chad Tallon will coach the Panthers after four years with the Chillicothe Eagles. Tallon saw an opportunity to start a new program and be closer to family in Saint Jo. "I like the area, the people, the town, and the (football) players."

Tallon added that the numbers (of players - 22) is good for a 6-man team. Speed and quickness will be the Panthers' strength. "With a lot of guys playing multi-positions, it will be hard for our opponents to key on the play."

Experience will be Saint Jo's weakness. "It's a lot different game for these guys," added Coach Tallon. "They got their first taste of 6-man at the first scrimmage, played well, but are still learning." Tallon noted that the Panthers had their first success in years at the scrimmage.

2008 Saint Jo Panthers

Growth is what is expected from this team. "We're young and have to improve. To win some games and make the playoffs is our goal."

The Panthers have four seniors on the team, the only members who have a football victory in their high school careers. John Terilli will return as the starting quarterback, and Austin Neely in the backfield. Carlos Alvarado and Lance Ward will contribute as center and wide receiver. Junior

Josh Hale "will do big things" as center and end, with sophomore Brady Chadick "adding lots of quickness and speed." Not all starters are known at this time.

Saint Jo lost only one player to graduation, the only player with 6-man experience.

The Panthers will play eight or nine junior varsity games. The junior high will also see action.

"I'm excited with all the changes

and expect big things from this team," concluded Coach Tallon. All three Panther coaches are beginning their first year at Saint Jo.

Texas High School football trivia Kenneth Hall of SugarLand is Texas high schools' leading career rusher with 11,232 yards run from 1950-53. Closer to home, Ross Harrison from Petrolia is ranked #19 with 7,084 yards in 2000-02.

# Young Sanger team looks to climb up from the bottom

Staff photo by Austin Lewter

Above, Sanger quarterback Chase Knight warms his arm up last Tuesday when the tribe hosted practice in near flood conditions. Right, members of the of the linebacker unit run drills. The Sanger Indians are ranked sixth place in District 9-3A.

Austin Lewter  
Staff writer

Sanger head coach Chuck Galbreath is beginning his second year in charge of the Indian athletic program.

In that time, he has instituted a scheme that the Tribe seems extremely committed to as they certainly have no where to go but up in 2008.

The Indians finished 3-7 finish last year. "All the books have us ranked dead last," Galbreath said. "All that means is we can only go up... all those rankings are just ink and paper anyway."

According to Galbreath, his offense will be running a spread this year led by senior quarterback Chase Knight.

"He (Knight) was our back up last, he has worked very hard in the Spring," Galbreath said. "He has gained a lot of knowledge... he's going to be the guy to lead this team"

Knight will be handing off to returning running backs Bo Bob Howard and Tyler Hodges.

Key receivers to look out for on the Tribe roster are Michael Everette and Nathan Potter.

"I feel like we're about 50/50 run and pass," Galbreath said when asked how much the ball will be in the air this year.

His favorite slots are Josh Copeland and

Dale Elsie.

Sanger will be starting a sophomore left tackle on the front line, "Mark Robeson is a big sophomore kid," Galbreath added. "We are looking big things out of him."

Defensive coordinator Scott Hermis will be running a 4-3 defense this year (his seventh at Sanger).

Johnny Crittended and Kade Irwin will the two linebackers to monitor there.

Galbreath claims to be starting at least eight sophomores this year. "We are inexperienced, that is why we are on the bottom," he said. "But they (the sophomores) are unproven and shouldn't be counted out. We have a great group and they will make the plays."

The defensive line will be led by a big tackle Kyle Caro along with Jeff Lange and Jacob Gray in at the end spots.

Tyler Hodges and CJ Tipton are projected to be big play stoppers in the Sanger secondary.

"We are not a bad football team," Galbreath said. "We are young, but this is tough district... there is not a bad football team in our district and we are definitely coming out to play."

The Tribe opens their season this Friday with a 7:30 pm kickoff at Lovejoy.

They return for their home opener versus Bonham on Sept. 5.

# Valley View Eagles soar into 2A competition

2008 Valley View Eagles

The Valley View Eagles were in their usual position last year, as they advanced into the playoffs. But will the upscale change to 2A make a difference this season?

"Whatever happens - happens," said head football coach, Terry Felderhoff. "We can sit and whine about it or go out and do something about it."

In District 10AA, Valley View has compared to Pilot Point with 223. Others in the district are Aubrey, S&S, Callisburg, and Pottsboro. "We just need to take care of business," Felderhoff added, "learning and improving as we go."

Felderhoff, in his first year at Valley View, was hired in the spring, so he was able to do some work at the end of the last school year in preparation for this season.

The coach is a 1991 graduate of Muenster High School. He earned his degree at UNT, and has coached at Whitesboro, Jacksboro, Paradise, Blue Ridge, and Gruver, a small Class A Texas Panhandle town.

"It was hard hit by graduation," he noted. "There will be holes to fill, but the players are stepping up," Felderhoff noted. "Hopefully, we are moving in the right direction and

we'll be alright."

The Eagles have 55 players on the practice field, with their strength being their defense. "Our defense will have the least changes from last season, which will help, not having to learn everything new on both sides of the ball," Felderhoff noted. Offensively, Valley View will have some new and different strategy on

the field. Depth on offense and possibly the defensive line may cause problems for the Eagles, especially in the 2A Class.

Last year's Division I playoff Eagles defeated Tolar 28-3 in Bi-District before falling to Seymour 29-13 at Regional. Seymour advanced to the State championship, losing to Alto.

# Whitesboro Bearcats seek success in tough district

Austin Lewter  
Staff writer

Coach Eddie Gill has probably been more successful in his first two years at Whitesboro than any other coach in Bearcat history. Coming off a 7-3 season last year, Gill hopes to remain consistent and proceed to post-district play in November.

Whitesboro is ranked fourth in district 9-3A by Dave Campbell's Texas Football. Celina is in the top seed.

Area favorite Prosper comes in at number two below the Bobcats and the Argyle Eagles are ranked third in district play.

Campbell picks Gainesville fifth in the district and Sanger rounds it out at number six.

"We are in the hunt," Gill said. "Once you take Celina out of the mix, you can throw a blanket over all the rest of the teams in the district."

The Whitesboro ISD has two new coaches this year. According to Gill, Coach Jenna Musgrove has been hired as the program's athletic trainer.

"This is the first time Whitesboro has had a trainer, and we are one of the only programs around who does," Gill said.

Coach Josh Hammock has been hired as a middle school coach.

The Bearcats will base out of an 10-fence this year. "We will be able to spread it out as needed," Gill added.

Senior returning starter Travis Labhart will be taking snaps for the Cats this year. Labhart is 5' 10" and weighed in at 158 pounds, according to the Bearcat roster. He was named to the All-Texoma Land Team as a junior.

"He is a smart kid and a great player," Gill said. "He is able to control the entire field and still hold the pocket."

Seniors Voyles, Gillum and Brady Warren will be comprising the Bearcat backfield and taking hand-offs from Labhart.

Several players on the roster weigh in at over 200 pounds and the core four of them tip the scale at over 250 pounds. Seniors David Shadens and Hayden Baillio bring size and experience to the gridiron and promise to be two leaders on this, one of the biggest offensive lines in the area.

Schares, 6' 1" and 254 pounds, was an All-Texoma Land lineman in 2007.

Baillio, the big man at strong tackle, is 6' and weighs 283 pounds. He was a First Team All-District lineman as a junior.

"Hayden is a big kid and a great player. We are expecting big things out of him as a senior," Gill said.

Senior Kenny Powell is also one to watch on the front five as he checks in

Staff photo by Austin Lewter

Above, Whitesboro senior quarterback Travis Labhart brings his squad to the line in a scrimmage against Paris last Thursday. Labhart was named to the All-Texoma Land Team as a junior. Below, junior Eric Perkins comes around the outside seeking open field in the same scrimmage at Munson stadium in Denison. Extreme rains last week forced the change of venue to Denison to work-out on an astroturf field.

Staff photo by Austin Lewter

at right guard.

"He is our 'scheme guy,'" Gill said.

Senior Kevin Sparkman is the Bearcats leading receiver.

"We will going to him as much as possible," Gill said.

Coach Toby Sluder will be serving as Offensive coordinator whereas Coach Brian Hasting will be heading up the defensive side of the ball.

"We will be running multiple defenses as well," Gill said.

Three out of four Bearcat linebackers are juniors with varsity experience. "Ethan Shadden and Jerrid Caffey will be playing outside for us," Gill said.

Junior Cole Henry and senior Cody

Roberds will be containing the rush up the middle.

Labhart and Gillum will be on both sides of the ball and leading senior Brian Stayton and Junior Eric Perkins in the secondary.

"We have a sophomore cornerback," Gill started. "Cameron Clark is coming on strong and making the upper classmen compete for these spots."

According to Gill, last year's 7-3 finish was the best for Whitesboro since 1983.

The Bearcats tied for a play-off spot and lost it when it came down to a point system count.

"There is a trophy in the case from 1960 something," Gill said. "This has al-

ways been a tough district to compete in, but we are going to. I guess, ideally you would be able to go across the state and pick the five teams you want to compete against. But, you can't... we will just have to get better and we are definatly not satisfied with 7-3."

"Above all else, we are trying to develop fine young men, good citizens and good fathers," Gill concluded. "The chances of any of the boys playing in the NFL are extremely slim, chances are they are going to be just like me and you... they are going to have jobs, wives, families. We want to be sure they are the best citizens they can be."

Whitesboro kicks off there season this Friday against Pilot Point. Kick-off is at 7:30 pm.

12-3-08  
Dear Santas  
How are you doing? I am trying to be good in school. These are the things I would like for Christmas an X box 360, noons and Nerf Strike out. HOPE I see these under my tree.  
From,  
Cole Kubis

12-3-08  
Dear Santa,  
How are you and Mrs. Claus doing? I am trying to be good. These are things I would like if you can give me a Nintendo DS. What I really want is a Play Station 3. I hope you give me these things.  
Sincerely,  
Chris Hresge

12-4-08  
Dear Santa,  
How are you and Mrs. Claus making all those toys? I am trying to be good. These are things I would like, a little go cart my size, a little four-wheeler my size and a Wii with the game. I hope I have 100,000 presents under my tree.  
Sincerely,  
Perels  
L+Kerchons

Dear Santa,  
How are you doing? These are some things I would want for Christmas. I would want a Barbie house, and maybe a cat, but most of all a camera! I wish I get them!  
Love,  
Sadie Sanderson

Dear Santa,  
How are your elves doing? I am trying to be good. These are some things I want for Christmas. I want a dollhouse and a cat and a package of doll shoes. I want these because mom might not buy them for me.  
Love,  
Hannah

12-3-08  
Dear Santa,  
How is Mrs. Claus doing? Are you reinder doing good? These are things I would like for Christmas-a GoCart and a bb-gun and a 12-gauge. I hope I see the presents under the tree.  
Love,  
Kelby

Dear Santa,  
I hope you can get as much as you can get on my list. What I really want the most is the Weibenz dolphin. Also on my list is a bagp 2000 gravity, Night Vision goggles, Wii and game, Nerf dart mag, Bendamax and kid skoon. If you would like to bring anything else you can.  
Love, Colby Endrer

May Your Holidays Glow

To ensure your family has a safe holiday:

- Check your Christmas lights, plugs, outlets, and extension cords. Don't overload a circuit or start a fire with a frayed and damaged cord.
- Keep trees and flammable decorations a safe distance from open flame heaters, fireplaces, and wood stoves.
- Check children's new toys for potential safety hazards.
- Buckle up and be careful on the road. Out-of-town travelers, drinking drivers, and weather conditions all pose special risks this time of the year.

Wishing you a Happy New Year!!!

**Cooke County Electric Cooperative**

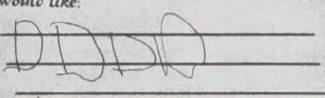

Mariala Rodriguez

Dear Santa,

I have been very good this year and I would like:  
 I would like a tea cup.  
 Here is a list of what I want, shoes, a doll that you can dress up, new clothes, also a new bike, I for my brother too so he won't feel bad. The best thing I want is a go-cart they look like fun.

sweater, and a red I-pod, and a Maverick all  
star jersey the player is  
Josh Howard.  
your friend,  
Nathan Graham

Merry Christmas  
Dear Santa,  
This year I would like to  
have a few presents. But if they  
cost too much I will pay you back  
with cookies. The first thing I  
would like to have is EA  
Sports College football, the second  
thing I would like to have is  
EA Sports NASCAR. The  
last thing I would like to  
have is a D-Rex.  
From,  
Dean Waltersched

P.S. How is Mrs. Santa  
Doing?

Dear Santa,  
I want a laptop and  
a phone, I also  
want a really  
puppy and a  
Wii for the Wii  
games I would  
love Paper  
Mario.  
Love,  
Dannanah Hervey

P.S. Do you love  
bygg at the  
North Pole?

Dear Santa,  
I want a laptop, some  
art stuff, a Wii, and some  
board games. I would also  
like some movies, a PSP,  
and games that go with it.  
Please bring me some  
Nintendo DS and Game Boy  
games, and a ticket to  
the North Pole.  
Love,  
Natalie Stangelmayr

P.S. How are your reindeer  
and Mrs. Claus?

Dear Santa,  
The first thing  
that I want  
is a laptop,  
and a go cart  
and a James Bond  
shooting game  
for play station  
From  
Curtis Haverkamp

Dear Santa,  
I would like a  
new wife,  
peelie gum, or soft  
gum, mintendo Ed  
games, baseball bag,  
laptop, ipod, phone,  
wellbans, hair water,  
gameboy, gameboy  
games, wii, wii games  
not stuff, baseball  
bat, elf, sweater,  
healthy family,  
pop, stuff for my  
room, toilet brushes,  
or soft brushes.  
Love  
Frania  
Stangelmayr

Dear Santa,  
I want a  
single shot shotgun,  
a 1/2 the wii  
racer, a dirt bike,  
Wii games, and  
a white Christmas  
Love  
Carson Trullenbach

Dear Santa  
I want a Wii  
set, Nintendo DS  
games, Mario  
pajamas, a video  
camera and some  
more arts & crafts,  
and a very happy  
Christmas.  
Love,  
Paige Saucer

Dear Santa,  
I want a  
single shot shotgun,  
a 1/2 the wii  
racer, a dirt bike,  
Wii games, and  
a white Christmas  
Love  
Carson Trullenbach

Dear Santa,  
I want a  
single shot shotgun,  
a 1/2 the wii  
racer, a dirt bike,  
Wii games, and  
a white Christmas  
Love

~~Dear Santa~~  
 Dear Santa,  
 How is the North Pole?  
 How is Rudolph? This is what  
 I want for Christmas. I  
 want a Wii and a game  
 called Whiff. I want a video  
 camera and a Nintendo DS  
 with games.  
 Love,  
 Jenna Sebring

Dear Santa,  
 How are you and  
 the Elves?  
 I really want a PS  
 and some games. Also  
 movies and high school  
 musical stuff. The  
 last thing I want  
 is a bike with  
 my name on it.  
 Love,  
 Taylor Knabe

P.S. How is the  
 reindeer?

Merry Christmas!

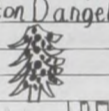

Merry Christmas  
 Dear Santa,  
 Are you having fun at  
 the North Pole? The year ends  
 for Christmas here is going to  
 be notes for you for Christmas  
 this year I would like a  
 Nintendo DS or games to  
 go with it clothes and shoes  
 I would also like Wii and  
 games to go with it. Merry  
 Christmas Santa Claus. And  
 a Jolly Christmas love,  
 Leela wait for I wish  
 you and your reindeer  
 a Merry Christmas!

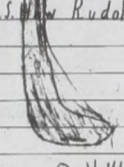

Dear Santa,  
 I want a  
 crockle  
 ma. R.R.  
 Love,  
 Vicki  
 G. A. tes

Dear Santa,  
 I want  
 a sewing  
 kit.  
 Love,  
 Jessica  
 Dangelmayr

Dear Santa  
 For Christmas  
 this year I  
 want a George Strait  
 guitar, Wii, P.S.P  
 Nintendo air soft gun,  
 A gold fish, I am  
 Legend a movie,  
 Dangerous Hunts 2008.  
 How are your reindeer?  
 Are any of the  
 elves sick? If  
 they are, I hope  
 they get better.  
 Sincerely  
 Colton Dangelmayr

Dear Santa,  
 How is Comet doing?  
 All I want for Christmas  
 is gloves, Nintendo DS  
 India Ana Jones for  
 PSP, bicycle seat, flash  
 light, and new boots.  
 From Carson Healey  
 P.S. How Rudolph

Ho!Ho!Ho!

Dear Santa,  
 I want  
 a woman  
 woman.  
 Love,  
 Matthew Paul

Dear Santa,  
 I want  
 a boat.

Dear Santa,  
 I want  
 a cup  
 cake  
 Love, Makenzie  
 Apple  
 Anderson

I Love Santa!  
 Dear Santa, the best  
 thing I want is a digital  
 camera, and digital cam-  
 corder, and mp3 player. And  
 some new baby clothes.  
 Love,  
 Mandy Hacker  
 P.S. How are the  
 reindeer?

Dear Santa,  
 Are you excited cause  
 Christmas is coming?  
 All I want for  
 Christmas is a lot  
 of presents, but most  
 of all I want my  
 family to be happy  
 and no one to get  
 coal. Because last  
 year Dad got coal.  
 It was funny!  
 Because the sister  
 gave it to him. I  
 hope the reindeer are  
 happy don't forget  
 to feed them.  
 Your friend,  
 Alaina Kulek  
 P.S. If I see you kiss Mom  
 when you're here. Dad I miss it!

Dear Santa,  
 I want  
 a real  
 horse.

# FARM AND RANCH

## TFB president calls for united front of farmers and ranchers

Uncertain financial times for Texas farmers and ranchers make unity more important than ever before, the president of Texas Farm Bureau said during his annual address at the organization's 75th annual convention.

But the magnitude of the event, the diamond anniversary of the state's largest farm organization, should certainly not be overlooked, TFB President Kenneth Dierschke said.

"Seventy-five years is a long time," Dierschke said. "Whether you're talking about a marriage or an organization, the anniversary that is called diamond is something very, very special." Even those special times don't come without dif-

ficulty, Dierschke said.

"It was a time of turmoil in agriculture that the founding fathers of Texas Farm Bureau laid the foundation of this organization," he said. "In the seven and a half decades that have followed, we've seen good times and bad. We've been victimized by short-sighted policies. We've faced an urban America that understands less and less about the source of their food and fiber."

Add to those difficulties the economic realities that have occurred over the last 12 months, and the future could look downright grim for those scratching out a living on the land, Dierschke said.

"Our country has been through the wringer this year—and Texas agriculture right along with it," he said. "The stock market, the price of oil, home values in free fall, crashing financial and commodity markets.... There were high points that bordered on the ridiculous and lows low enough to devastate many families in urban and rural America alike."

Farmers and ranchers fought soaring prices—\$4 a gallon diesel and tripled fertilizer costs—all the while battling politicians and editorial writers as the future of the nation's farm policy fell under fire. Producers were even painted the villain when the price of food—much like everything else in 2008—began to increase.

As prices have begun to level back, some demanded apologies for such smears to the nation's farmers and ranchers.

Be it eminent domain reforms and transportation issues in Texas or bilateral trade agreements at the national level, Farm Bureau has much work ahead in educating our leadership on the issues before us, Dierschke said.

"I call on the new leader-

ship in Washington to carefully rethink our national priorities," he said. "The farm and ranch families of Texas and all America are a tremendous resource. We are the force that prevents America from depending on foreign food supplies as we do now with energy. And we can play a major—even bigger—role in food and energy production."

And much like in the days of his predecessors 75 years ago, Dierschke said farmers and ranchers must unite to remain a vital and viable voice in the debate.

"Our numbers have dwindled, but we remain the key to feeding America and much of the world. The work of America's farm and ranch families is the engine that drives America's prosperity," Dierschke said.

"That's why we're here today," he added, "to continue building this organization for battles present and future. This is our challenge—a trust placed in us by the leaders of another generation—to ensure that no member of Texas Farm Bureau faces the future alone."

## County Agents Report

### Brucellosis free

Texas has officially had brucellosis-free status since February of this year. But that doesn't mean we're free from monitoring. Sexually intact cattle 18 months of age and older must still be tested before sale. That means all cattle sold. Cattle sold at markets are tested on-site. For private treaty, blood samples can be drawn by an accredited, private veterinary practitioner. Slaughter testing will probably continue indefinitely. We could lose our status if two infected herds are detected over two years, as Montana recently experienced. Dr. Bob Hillman, executive director of the Texas Animal Health Commission, recommends that producers have heifers vaccinated between four and 12 months of age by accredited veterinarians, particularly herd replacements and especially in the eastern portions of the state.

### Animal ID outside the United States

Since Country of Origin Labeling (COOL) is upon us, it may be of interest to investigate the rest of the world. The United States is not nearly the only country that has implemented some type of animal ID system. Colorado State University researchers compared the current federal voluntary U.S. National Animal Identification System (NAIS) to systems outside the U.S. Represented were 12 countries or groups of countries (the European Union has a unified program and will be considered a "country" in the following summary) in Africa, Asia, Australia (and New Zealand), Europe, North America (Canada and Mexico), and South America.

Premises ID is mandatory in seven of those countries. Individual ID of cattle is mandatory in nine countries and voluntary in three. Group or lot ID, in place of individual ID, is allowed in 10 countries but not in two. Electronic ID is mandatory

in four countries and voluntary in eight. Recording of movement of animals is mandatory in eight countries and voluntary in four. It is mandatory to retire individual animal ID numbers in eight countries and voluntary in four. Australia is the only country requiring mandatory compliance with all of these features, except for allowing group or lot ID. All of these features are voluntary in the current U.S. NAIS. It will be interesting to see which features, if any, evolve over time in NAIS.

## Economy is the wild card in beef cattle price forecasts

Most sectors of the nation's beef industry are losing money, which has caused production forecasts for next year to be reduced. Usually a decrease in production would provide a boost of cattle prices for producers and feedlot operators, but USDA livestock analyst Shayle Shagam says while that might happen, it might not due to offsetting factors including the economy.

"You do have expectations of declining production in 2009 which would tend to be price supportive," Shagam says. "But the economic situation, the macro economy in

the U.S., is a real wild card. If there is a retrenchment by consumers you would tend to see some pressuring on prices as consumers either slide toward lower value cuts of meat or slide toward other meat products which may be perceived as being cheaper or cut back on the amount of dining out that they would normally do."

Those moves would all have a negative impact on the cattle sector. Shagam does think that cattle prices may improve in 2009, but says it all still depends on how the macro economy shapes up in the coming year.

## TDA market recap

For the week ending Dec. 6, feeder cattle price trends at Texas auctions were mixed, with sales early in the week steady to \$6 lower per hundredweight (cwt) and later sales steady to \$6 higher. Fed cattle prices declined by \$3 per cwt in response to lower beef prices and concerns that demand will decline in a weaker economy.

Cotton and grain markets closed the week at their lowest levels in more than two years as a strong U.S. dollar, slumping export demand, and concerns about the economy continue to push commodity markets lower.

As for futures markets, feeder cattle, finished cattle, cotton, wheat, corn, and lumber all finished the week lower.

Parts of the Plains and East Texas recorded up to one inch of rain during the week, while the rest of the state reported little or no precipitation. Topsoil moisture remains in adequate to short supply in most locations.

Winter wheat seeding is nearing completion with

the emerged crop reported to be in mostly fair to good condition. Cotton harvest advanced to 81% complete, slightly behind the normal pace. Grain sorghum and peanut harvests are almost finished. Pastures were reported to be in mostly poor to fair condition and needing rain in most areas.

### AG BRIEFS

Give cows and calves access to a weaning area beforehand to allow calves to become accustomed to the area. Move the cows, not the calves to wean.

The regulations prohibiting the use of certain cattle-origin materials in food or feed take effect April 27, 2009. For more information, visit [www.fda.gov](http://www.fda.gov).

In a survey, 81% believe that the amount of taxes people pay do not match the services provided by the government.

## Observe bulls closely during breeding season

The fall-breeding season is upon us, and that means herd managers need to keep an eye on bulls to make certain cows are being bred.

Occasionally, a bull that has passed a breeding soundness exam may have difficulty serving cows in heat, especially after heavy service, cautions Glenn Selk, Oklahoma State University Cooperative Extension cattle specialist.

"In terms of calf-crop percent, the inability of a bull to complete normal service and low fertility are more detrimental than failure to detect cows in heat," he said. "Such problems can best be detected by observing bulls while they work."

In other words, cattle producers should protect their investment by watching bulls actually mate with cows during the first part of each breeding season.

"If problems are apparent, there is time to replace the

bull and salvage the remainder of the breeding season and next year's calf crop," Selk said.

Also, some bulls can wear out from heavy service and lose interest in mating. These animals must be replaced as soon as possible.

"The greater the number of cows allotted to each bull in the breeding pasture, the more critical it is that every bull be ready to work every day of the breeding season," Selk said.

In addition, injuries to bulls during the breeding season are not uncommon.

"When a bull becomes lame or incapable of breeding because of injury to his reproductive tract, the animal needs to be removed from the breeding pasture and replaced with another herd sire," Selk said.

Additional information on bull management is available at <http://www.beefextension.com> on the Internet.

**LTC Select PREMIER** Long-Term Care Insurance from New York Life Insurance Company  
51 Madison Ave. NY, NY 10017

**Make it part of your plan**  
New York Life Insurance Company's LTCSelect Premier may help protect your savings from the potentially high costs of long-term care.

For cost and details contact New York Life agent:  
**Denise R. Bayer**  
Agent  
**940-665-5863**  
1002 Pecan Street, Lindsay, Texas

**NEW YORK LIFE**  
The Company You Keep®

LTCSelect Premier is based on policy form series: LTC5000 with a state identifier and edition date. Example: LTC5000 (ID) (1001) and INH-5000 (ID) (1001) for Idaho and LTC5000 (PA) (1001) and INH-5000 (PA) (1001) for Pennsylvania. The policies contain some benefit eligibility restrictions, other limitations and exclusions and terms under which the policy may be continued in force or discontinued.

## U.S. cattle on feed down 7%

Cattle and calves on feed for slaughter market in the United States for feedlots with capacity of 1,000 or more head totaled 11.0 million head on Nov. 1, 2008. The inventory was 7% below Nov. 1, 2007 and 8% below Nov. 1, 2006.

Placements in feedlots during October totaled 2.44 million, 11% below 2007 but slightly above 2006. Net

placements were 2.37 million head. During October, placements of cattle and calves weighing less than 600 pounds were 700,000, 600-699 pounds were 615,000, 700-799 pounds were 543,000, and 800 pounds and greater were 580,000.

Marketings of fed cattle during October totaled 1.81 million, 3% below 2007 but 3% above 2006.

# Tigers work towards playoffs under Schilling

2008 Sacred Heart Catholic Tigers

The Sacred Heart Catholic High School Tigers annually are in the thick of their district. But last year, despite a 5-4 season with huge victories over Lindsay (50-19), Saint Jo (42-0), and Era (40-14), the Tigers didn't make the playoffs for the first time since 2000. A big win over Amarillo San Jacinto (50-8) was the lone conference win, with losses to Covenant and Calvary.

Seven starters are gone from that team, but 24 lettermen and nine starters are back for the 2008 season. There are 11 seniors on the team.

Dale Schilling is entering his first season as the Tigers' head football coach. But he won't be as behind as other new coaches this year, because Schilling has been a part of the Sacred Heart coaching staff for 11 years. "Our goal is to make the playoffs," Schilling said. "We were so disappointed we didn't make it last year." Senior leadership, with 11 seniors

with experience, is the strength of the Tiger team. Also, the depth of 36 players, higher numbers for the school.

The team's weakness is the loss of a three-year starting quarterback, leaving lack of experience for the offense.

Offensive starters will be Mitch Hesse, Tommy Torcellini, Dylan Flusche, Gene Yosten, Josiah Yosten, John Krawietz, Nick Popovich, Kyle Knabe, Ryan Bartush, Nathan Berend, Sam Sparkman, and Matt Hesse.

Leading the defense will be Hesse, Hesse, Flusche, Popovich, Zach Zanchetta, Torcellini, Ben Walterscheid, Berend, Sparkman, Knabe, and Krawietz.

Coach Schilling is looking forward to the challenge he took on as head football coach. "I'm glad I took the job. We're having fun. It will be a huge disappointment if we don't get to the playoffs," Schilling concluded.

# Pilot Point picked to take District 10-2A title

## Bearcats are top dogs in the State...

Austin Lewter  
Staff writer

Yet another local school has been ranked among the top 25 in the state. Coach Blake Feldt's Pilot Point Bearcats, having dropped from 3A back down to 2A, is ranked number two in the the state for Class 2A by Dave Campbell's Texas Football.

Fittingly so, they have been ranked first in district 10-2A.

Last year, as a 3A school, Pilot Point finished the season with a 6-4 record and tied for third place in there district.

Feldt, currently beginning his fourth season as head coach, promises a more eventful post-season in 2008.

Junior Seth Tilley has been appointed the quarterback responsibilities for the Bearcats.

"Seth is a good athlete," Feldt began. "He has done a good job of running the team... he was a wide receiver last year and has stepped up to the QB spot... we are expecting good things from him."

Senior Cooper Guthrie will be stepping back into the running back position. According to Feldt, he is a fourth year starter and has received All-District recognition all three years prior to this. He rushed for 1,043 yards and ten touchdowns in 2008.

"He is well on his way to becoming the school's all-time leading rusher," Feldt said.

Guthrie along with junior slot Jarman Johnson are all the reason Feldt needs to keep the ball on the ground.

"We are a running team and we are full of guys like Jarman who know what to do with the ball once they get ahold of it," Feldt added.

A few guys to look out for on the offensive line include sophomore Kody Peacock and senior Brad Patterson, Feldt said.

Sophomore AJ Keesee and junior Tyler McNairy will be Tilley's main targets when they do decide to take to the air along with yet another sophomore wide receiver Austin Balderas.

Courtesy photo

Above, Pilot Point junior defensive back Justin Chambers goes in for the tackle in last week's scrimmage against Gunter. The Bearcats are picked first in district 10-2A and second overall in the state. Right, head coach Blake Feldt directs traffic a gives direction from the side line. Pilot Point opens there season this Friday at Whitesboro kick-off is slated at 7:30 pm.

Defensive coordinator Aaron Keesee will run a split defense that concentrates mainly on an eight-man front led by sophomore Mason Guthrie and senior Karl Anderson at the inside linebacker spots.

Anderson is a third year starter and received All-District awards in 2007. Regal and senior Colton Vest will contain the outside.

Pilot Point will be fielding a near impeccable defensive line with seniors Clint Comacho and Sam Duesman checking in at the end spots and junior Carter Street and senior Jacob Petrea both at tackle.

Keesee, Johnson and Pelzel will be containing the passing game by switching in at out of spots in the secondary.

Coach Feldt claims the game plan is to take the season one game at a time. "Essentially, we look at the season and divide into three. First, we have non-district play, then district and the playoffs. All of which we plan on being successful in... Each time you step onto the field, it becomes that much more important."

The Bearcats kickoff there season against Whitesboro at home this Friday.

# Pottsboro looks to improve upon last year's 8-2 Cards seeking playoff rights...

Austin Lewter  
Staff writer

Another turn around story in local football is North Grayson Counties' Pottsboro Cardinal. Coach Matt Poe, beginning his third year with the Cards, is rally rallied this team, who had long given up on the playoffs, to an 8-2 finish in 2007. This was a record good enough earn a first in five years playoff bid against Farmersville in the first round.

Farmersville won and eventually took home the state title, according to Poe.

"We plan on being contenders and look to do well," Poe explained. "We have a great team and a lot of older guys to lead the way."

Offensive coordinator Bart Williams will start senior Blake Towery behind center for the cards who's key hand off will be to senior running back Adrian Dabrio.

"He (Dabrio) is three year starter and a great kid," Poe said. "He is full of quickness and has great vision of where this team needs to be."

Senior Nate Janzen will be giving the snaps to Towery with junior Michael Garcia and senior Brian Dunkle at either side of him in the guard spots.

"We have four great receivers... Those guys are Drew Bates, Terry Land, Tyler Pruitt and Lowell Hennen... We are excited about all four, they all have speed and ability."

Poe asserts that his Cards will throw the ball just as much as the run it this year. "We really are a balanced team," Poe said. "As always, the defense we are up against will really dictate how we handle the ball."

Assistant coach Randy Matthews will serve as defensive coordinator and he is planning a 4-3 defense. "But we are fairly multiple as well," Poe said.

Dabrio and Hennen will be pulling double duty and checking as linebackers.

"We have a few kids who play both ways... That is no secret, we have some great backups but you always want your key players up front," Poe continued. "We're gonna put our best guys out there first."

Pruitt and Bates are a few more two way players as they both check in as safeties with Land and Griffith playing the corners.

"We are looking ahead to make the playoffs... We definitely want to make something happen. I think we can all

# Porter's S&S Rams are 'All In' for 2008

## New AD cites core group of seniors...

Austin Lewter  
Staff writer

Coach Ashby Porter plans on a season of hard work from strong seniors to excel his S&S Rams from among the bottom rankings of District 10-2A.

This is position Porter's first year with the Rams. The TCU grad has served in coaching capacities at Anna and Celina prior to his acceptance of the Athletic Director position in Sadler.

"I worked with Mr. Steeber (S&S superintendent) at Celina... that is where the connection is," Porter said.

The Rams finished the 2007 season with a 4-6 record over all and three wins in district. Such a performance has ranked them last in the district for 2008.

"Being ranked last makes me realize where we are at... how big of a hill we have to climb," Porter said. "Every team in the district is a playoff caliber team... we have our work cut out for us... We have a real good core group of seniors, they all get along well and will be our backbone this year."

Offensive coordinator Jess Lanier will be fielding a Triple I offense at Ram stadium led by senior quarterback Tommy Carney, a third year starter.

"Tommy is real steady... he has a lot of experience and is great all around player," Porter commented.

Seniors Chris Matlock and Eric Bartells will be leading the backfield. The Triple I generally allows the ball to stay on the ground more often than not.

Two seniors head up an impressive offensive line, "TJ Quigley and Andy Reeves are our big guns on the line," Porter said. "We also have a young sophomore lineman who is showing a lot of promise, Chris Cambell... Along with tight end Brett Huntsman, another senior, we should have some force up front."

According to Porter, seniors Paul Millman and Dustin Ham will Carney's two main targets when he does take to the air seeking out wide receivers.

Defensive coordinator Douglas Holtzclaw will be running a split defense featuring senior Jacob Aquire and junior Michael Lee in at linebackers. Reeves and Huntsmen will fulfill lineman duties on defense along defensive end Travis Rogers. "We are expecting big things out of these three," Porter said.

Carney and Bartells will be due to watch in the secondary along with senior cornerback Billy Heuitt and safety Clint Kirk.

"We have a lot of chemistry here," Porter said. "Usually a new AD coming in has a hard time getting everyone on board and that has not been the case. Everyone shows up with an 'All In' attitude and I think it show on the field this fall."

S&S Kicks off their season at home against Muenster this Friday. Kickoff is at 7:30 pm.

Staff photo by Austin Lewter

Above, the S&S offensive units lines up to take a few warm-up snaps prior to a scrimmage in against Leonard last Thursday. Below, Ram linebackers go for a Tiger ball carrier. The Ram's are picked last in District 10-2A. New head coach Ashby Porter says a great work ethic and 'All In' attitude will take the Rams far in 2008.

# Panthers looking forward to victories in 6-man

Mostly due to numbers, the Saint Jo Panthers have struggled on the football field the past years, including last season's 0-10 record. They have moved down from 11-man to their first 6-man season into Division I, District 2 - 6M.

The Panthers will be challenged by Greenville Phoenix and Irving Universal Academy in district play. Two teams, Dallas I Am and Rowlett Advantage, originally assigned to the district, will not field teams this season.

Chad Tallon will coach the Panthers after four years with the Chillicothe Eagles. Tallon saw an opportunity to start a new program and be closer to family in Saint Jo. "I like the area, the people, the town, and the (football) players."

Tallon added that the numbers (of players - 22) is good for a 6-man team. Speed and quickness will be the Panthers' strength. "With a lot of guys playing multi-positions, it will be hard for our opponents to key on the play."

Experience will be Saint Jo's weakness. "It's a lot different game for these guys," added Coach Tallon. "They got their first taste of 6-man at the first scrimmage, played well, but are still learning." Tallon noted that the Panthers had their first success in years at the scrimmage.

2008 Saint Jo Panthers

Growth is what is expected from this team. "We're young and have to improve. To win some games and make the playoffs is our goal."

The Panthers have four seniors on the team, the only members who have a football victory in their high school careers. John Terilli will return as the starting quarterback, and Austin Neely in the backfield. Carlos Alvarado and Lance Ward will contribute as center and wide receiver. Junior

Josh Hale "will do big things" as center and end, with sophomore Brady Chadick "adding lots of quickness and speed." Not all starters are known at this time.

Saint Jo lost only one player to graduation, the only player with 6-man experience.

The Panthers will play eight or nine junior varsity games. The junior high will also see action.

"I'm excited with all the changes

and expect big things from this team," concluded Coach Tallon. All three Panther coaches are beginning their first year at Saint Jo.

Texas High School football trivia Kenneth Hall of SugarLand is Texas high schools' leading career rusher with 11,232 yards run from 1950-53. Closer to home, Ross Harrison from Petrolia is ranked #19 with 7,084 yards in 2000-02.

# Young Sanger team looks to climb up from the bottom

Staff photo by Austin Lewter

Above, Sanger quarterback Chase Knight warms his arm up last Tuesday when the tribe hosted practice in near flood conditions. Right, members of the of the linebacker unit run drills. The Sanger Indians are ranked sixth place in District 9-3A.

Austin Lewter  
Staff writer

Sanger head coach Chuck Galbreath is beginning his second year in charge of the Indian athletic program.

In that time, he has instituted a scheme that the Tribe seems extremely committed to as they certainly have no where to go but up in 2008.

The Indians finished 3-7 finish last year. "All the books have us ranked dead last," Galbreath said. "All that means is we can only go up... all those rankings are just ink and paper anyway."

According to Galbreath, his offense will be running a spread this year led by senior quarterback Chase Knight.

"He (Knight) was our back up last, he has worked very hard in the Spring," Galbreath said. "He has gained a lot of knowledge... he's going to be the guy to lead this team"

Knight will be handing off to returning running backs Bo Bob Howard and Tyler Hodges.

Key receivers to look out for on the Tribe roster are Michael Everette and Nathan Potter.

"I feel like we're about 50/50 run and pass," Galbreath said when asked how much the ball will be in the air this year.

His favorite slots are Josh Copeland and

Dale Elsie.

Sanger will be starting a sophomore left tackle on the front line, "Mark Robeson is a big sophomore kid," Galbreath added. "We are looking big things out of him."

Defensive coordinator Scott Hermis will be running a 4-3 defense this year (his seventh at Sanger).

Johnny Crittended and Kade Irwin will the two linebackers to monitor there.

Galbreath claims to be starting at least eight sophomores this year. "We are inexperienced, that is why we are on the bottom," he said. "But they (the sophomores) are unproven and shouldn't be counted out. We have a great group and they will make the plays."

The defensive line will be led by a big tackle Kyle Caro along with Jeff Lange and Jacob Gray in at the end spots.

Tyler Hodges and CJ Tipton are projected to be big play stoppers in the Sanger secondary.

"We are not a bad football team," Galbreath said. "We are young, but this is tough district... there is not a bad football team in our district and we are definitely coming out to play."

The Tribe opens their season this Friday with a 7:30 pm kickoff at Lovejoy.

They return for their home opener versus Bonham on Sept. 5.

# Valley View Eagles soar into 2A competition

2008 Valley View Eagles

The Valley View Eagles were in their usual position last year, as they advanced into the playoffs. But will the upscale change to 2A make a difference this season?

"Whatever happens - happens," said head football coach, Terry Felderhoff. "We can sit and whine about it or go out and do something about it."

In District 10AA, Valley View has compared to Pilot Point with 223. Others in the district are Aubrey, S&S, Callisburg, and Pottsboro. "We just need to take care of business," Felderhoff added, "learning and improving as we go."

Felderhoff, in his first year at Valley View, was hired in the spring, so he was able to do some work at the end of the last school year in preparation for this season.

The coach is a 1991 graduate of Muenster High School. He earned his degree at UNT, and has coached at Whitesboro, Jacksboro, Paradise, Blue Ridge, and Gruver, a small Class A Texas Panhandle town.

"It was hard hit by graduation. There will be holes to fill, but the players are stepping up," Felderhoff noted. "Hopefully, we are moving in the right direction and

we'll be alright."

The Eagles have 55 players on the practice field, with their strength being their defense. "Our defense will have the least changes from last season, which will help, not having to learn everything new on both sides of the ball," Felderhoff noted. Offensively, Valley View will have some new and different strategy on

the field. Depth on offense and possibly the defensive line may cause problems for the Eagles, especially in the 2A Class.

Last year's Division I playoff Eagles defeated Tolar 28-3 in Bi-District before falling to Seymour 29-13 at Regional. Seymour advanced to the State championship, losing to Alto.

# Whitesboro Bearcats seek success in tough district

Austin Lewter  
Staff writer

Coach Eddie Gill has probably been more successful in his first two years at Whitesboro than any other coach in Bearcat history. Coming off a 7-3 season last year, Gill hopes to remain consistent and proceed to post-district play in November.

Whitesboro is ranked fourth in district 9-3A by Dave Campbell's Texas Football. Celina is in the top seed.

Area favorite Prosper comes in at number two below the Bobcats and the Argyle Eagles are ranked third in district play.

Campbell picks Gainesville fifth in the district and Sanger rounds it out at number six.

"We are in the hunt," Gill said. "Once you take Celina out of the mix, you can throw a blanket over all the rest of the teams in the district."

The Whitesboro ISD has two new coaches this year. According to Gill, Coach Jenna Musgrove has been hired as the program's athletic trainer.

"This is the first time Whitesboro has had a trainer, and we are one of the only programs around who does," Gill said.

Coach Josh Hammock has been hired as a middle school coach.

The Bearcats will base out of an 10-fence this year. "We will be able to spread it out as needed," Gill added.

Senior returning starter Travis Labhart will be taking snaps for the Cats this year. Labhart is 5' 10" and weighed in at 158 pounds, according to the Bearcat roster. He was named to the All-Texoma Land Team as a junior.

"He is a smart kid and a great player," Gill said. "He is able to control the entire field and still hold the pocket."

Seniors Voyles, Gillum and Brady Warren will be comprising the Bearcat backfield and taking hand-offs from Labhart.

Several players on the roster weigh in at over 200 pounds and the core four of them tip the scale at over 250 pounds. Seniors David Shadens and Hayden Baillio bring size and experience to the gridiron and promise to be two leaders on this, one of the biggest offensive lines in the area.

Schares, 6' 1" and 254 pounds, was an All-Texoma Land lineman in 2007.

Baillio, the big man at strong tackle, is 6' and weighs 283 pounds. He was a First Team All-District lineman as a junior.

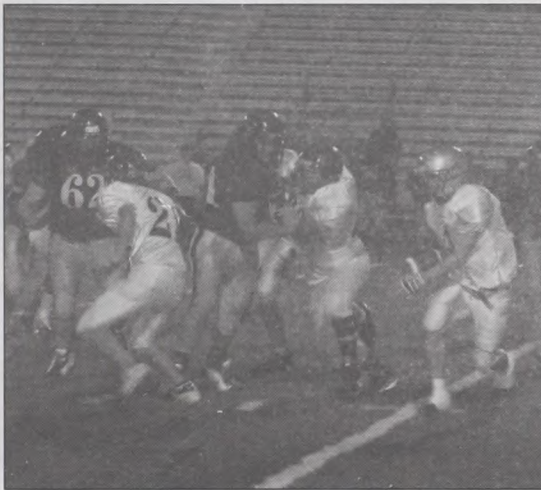

"Hayden is a big kid and a great player. We are expecting big things out of him as a senior," Gill said.

Senior Kenny Powell is also one to watch on the front five as he checks in

at right guard.

"He is our 'scheme guy,'" Gill said.

Senior Kevin Sparkman is the Bearcats leading receiver.

"We will going to him as much as possible," Gill said.

Coach Toby Sluder will be serving as Offensive coordinator whereas Coach Brian Hasting will be heading up the defensive side of the ball.

"We will be running multiple defenses as well," Gill said.

Three out of four Bearcat linebackers are juniors with varsity experience. "Ethan Shadden and Jerrid Caffey will be playing outside for us," Gill said.

Junior Cole Henry and senior Cody

Roberds will be containing the rush up the middle.

Labhart and Gillum will be on both sides of the ball and leading senior Brian Stayton and Junior Eric Perkins in the secondary.

"We have a sophomore cornerback," Gill started. "Cameron Clark is coming on strong and making the upper classmen compete for these spots."

According to Gill, last year's 7-3 finish was the best for Whitesboro since 1983.

The Bearcats tied for a play-off spot and lost it when it came down to a point system count.

"There is a trophy in the case from 1960 something," Gill said. "This has al-

ways been a tough district to compete in, but we are going to. I guess, ideally you would be able to go across the state and pick the five teams you want to compete against. But, you can't... we will just have to get better and we are definatly not satisfied with 7-3."

"Above all else, we are trying to develop fine young men, good citizens and good fathers," Gill concluded. "The chances of any of the boys playing in the NFL are extremely slim, chances are they are going to be just like me and you... they are going to have jobs, wives, families. We want to be sure they are the best citizens they can be."

Whitesboro kicks off there season this Friday against Pilot Point. Kick-off is at 7:30 pm.
