

Rev. Ralph Gourley named KC's Good Neighbor for 2009

By Janet Felderhoff
Muenster Knights of Columbus Council 1459 chose to honor Rev. Ralph Gourley as the 2009 Good Neighbor recipient. This award is given each year in observance of Columbus Day to someone of another faith in the spirit of encouraging greater harmony among creeds.

The award is presented to someone whose pursuit of excellence is exemplified by his or her love of God and love of his fellow men, whose generous contributions and extensive services to the community are performed in a gentle, quiet manner, shunning all publicity.

Past Grand Knight John Walterscheid announced the Good Neighbor recipient during the 8 a.m. Mass Sunday in Sacred Heart Catholic Church. He said, "Ralph served his country well in the United States Air Force from 1989-1994 to include a tour of duty in the Gulf War. While living in Tucson,

Arizona, he was a volunteer teen crisis counselor. He served military and retired military families, counseling and aiding them in crisis and transition. He was counselor and adoption and foster care coordinator at Arizona Baptist Children's Services. He served as the interim youth pastor at Emmanuel Baptist Church where he worked way more hours than he was paid for, investing in the lives of young people there. Also in Tucson, he donated bone marrow, which led to remission for a cancer patient in England."

Gourley became pastor of the First Baptist Church in Muenster in 2007. He has been active in the Muenster community since coming here. He is a member of the Muenster Kiwanis, leads prayer time with parents and football players before their games, organizes 5th Quarter celebrations after the games, and offers Jump Start Bible study to

the men of this community. He also participates in the annual Community Day in the Park hosted by Sacred Heart Church by offering Knock-Out Basketball Tournaments. He attends various functions at Muenster ISD where he offers support and encouragement to students, coaches, and faculty. He has offered counseling and grief support to students and faculty at Muenster ISD during times of tragedy and loss. He also helped students organize See You at The Pole prayer gatherings and is present at many community functions.

Following Mass, everyone was invited to the KC Hall for a breakfast and awards program. Grand Knight Ben Bindel welcomed guests. Father Ken Robinson gave the invocation. Craig Stoffels led the Pledge of Allegiance.

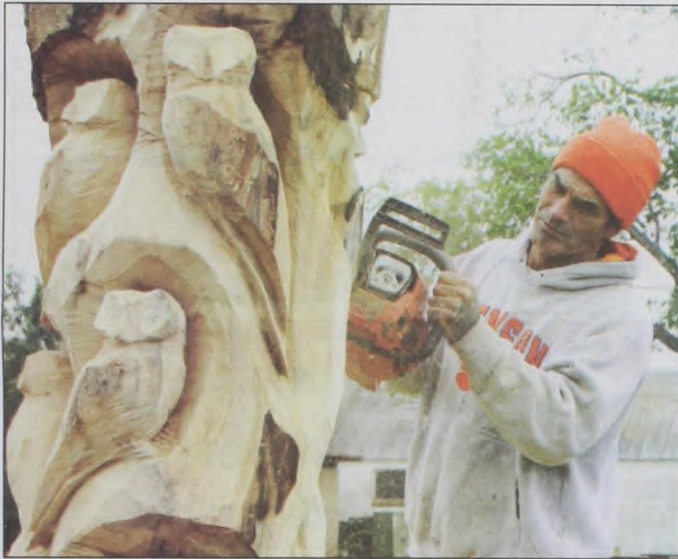

After breakfast, Bindel officially presented Rev. Gourley with the Good Neighbor

Hilton fashions creatures from tree wood

Ricky Hilton of Concrete, Washington works each Sunday in the vacant lot behind Fischer's Market creating things of beauty from the trees there. Hilton and his family landed in Muenster when their RV broke down. They were on a journey back home after Hilton spent time doing construction work following Hurricane Katrina's devastation. He found a local construction job and plans to stay in Muenster long enough to complete the project at Fischer's. The bear, below, and owls, above, are in the rough after being carved with a chain saw. Towering above the owls will be three eagles keeping watch over the town. Hilton will sand them smooth and work in details such as eyes while doing the sanding. After they are completed, he will coat them several times in diesel to preserve them. At one time, Hilton did carvings from wood for his livelihood. Janie Hartman photos

Muenster litter index holds steady

Keep Muenster Beautiful completed its annual litter index study on Saturday, Oct. 10, to fulfill one of its requirements to remain affiliated with Keep Texas Beautiful and Keep America Beautiful. This study is conducted to assess the amount of litter there is in town and surrounding areas. The results of this study are sent to Keep America Beautiful and to Keep Texas Beautiful. These organizations use the information to help them assess the impact of their anti-litter campaigns, and to help them develop future programs.

The litter index committee is trained via video on how to rate the amount of litter on Muenster streets, lawns, and business areas. A score of one means there is no litter in the area, a score of two means slightly littered, three means littered, and four means extremely littered. The town is divided into 11 different areas and each area is individually judged by each committee member. These scores are then averaged to give each section a score and then the section scores are averaged to give the total city score. Judges may also note notable exceptions on their score sheets. A notable exception might be something like the overall area has no litter, but a drainage ditch is full of trash and debris.

For the last three years, Muenster has maintained an average score of 1.48. KMB commented, "The good news is that this is a very high score; we are fortunate to have such a beautiful and clean town where the citizens care about their community. The bad news is that we haven't seen any improvement in the last three years; our problem areas are still our problem areas: namely the outgoing lanes of traffic on Highway 82, and FM

373 north and south of town. These are through streets where people (many who are passing through Muenster) seem to toss their fast food wrappers, beverage containers and cigarette butts out the window. Trash blown off the back of pickup trucks was also noted such as feed bags, plastic pails, and roofing supplies."

Check the chart below to see how your neighborhood rated. The group noted a few empty lots and lawns that needed mowed, a few junked yards and cars. Ninth Street behind the schools still collects a lot of litter. Several businesses have trash on their grounds and/or have items that could be more

neatly handled or removed, and two broken windows.

It takes a lot of work on behalf of everyone in the community to Keep Muenster Beautiful. The work done in 2010 will make Muenster eligible for the \$65,000 Governor's Community Achievement Award again. It would be great if KMB could report a city score of ONE on the Litter Index Study next year.

KMB invites everyone to come out on Oct. 24 for their "Make A Difference Day" trash off. Meet at the City Park at 9 a.m. for the group photo, safety briefing, and area work assignments. Lunch will be served and door prizes presented.

Four nominated to CCAD Board by County

By Janet Felderhoff
Cooke County Commissioners Court took care of the annual business of nominating candidates to the Cooke County Appraisal District (CCAD) Board of Directors at the Monday, Oct. 12 regular meeting. School districts, cities, and counties may nominate as many people as they wish. After all nominations are in from the various entities, the CCAD will arrange the ballots and send them out to the entities for the assigning of votes. There are five directors on the CCAD Board.

Commissioner Steve Key nominated Dr. David Ulrich. County Judge John Roane nominated David Clifton of Valley View, Bob Knauf of Muenster, and Dean Mendenhall of Callisburg, all of whom currently serve on the

Board. The other known nominee is Beverly Snuggs by the City of Gainesville.

The Court accepted a sub grant in the amount of \$109,827.84 from the Texas Division of Emergency Management. According to Cooke County Emergency Management Coordinator Ray Fletcher, this Homeland Security grant money has been provided since 2003. The amount received varies from year to year.

"The '09 grant is programmed to be used for radios, security cameras for the exterior of the court-house, interview room enhancements out of the Sheriff's Office, a mass casualty trailer for EMS, the CERT Program, as well as exercise planning and training monies that we had to identify,"

explained Fletcher. "It is to help us ensure preparedness for Homeland Security disasters. There are some pretty specific things that it can be used for and a whole lot of things that it can't be used for."

Commissioners Court declared October as National Breast Cancer Awareness Month and urged women to take advantage of regular mammographies as a means of early detection.

The Cooke County Annex will soon have a new water fountain with refrigerated water at a cost of \$1,900. The high cost was attributed to the cooler having to be located upstairs because it would stick out too far downstairs and be non ADA compliant. Currently, water coming from the drinking fountain is lukewarm.

Also approved was a monthly water service for the Cooke County Annex jury room. It will be paid for from jury funds.

In other business, Commissioners Court:

- Opened and awarded bids for Hot Mix/Hot Lay for three months. Bids were submitted by Jaego of Denton, J.R. Thompson, and R.K. Hall. All three bids were accepted.

- Approved out of state travel for Jennifer Johnson-Spence, Cooke County Library director, to attend the Public Libraries Association conference in Portland, Oregon being held March 23-27.

- Approved out of state travel for Phyllis Griffin, 4-H extension agent, to attend the National Association of 4-H Extension Agents' na-

Dry summer evolves into wet fall

Summer's drought came to an end as the rains began in September. Fall has been damp, cool, and rainy. With the 5.07 inches of moisture that fell in the first 12 days of October, the rain total for 2009 should be average or better. Farmers waiting for moisture to sprout their fall crops are now anxious for sunshine to get things growing. The official moisture measurement for Muenster is recorded and reported by Carol Vogel.

Klement, Carroll marry in Sacred Heart Church

Bridgette Rose Klement of Mesquite and R.J. Carroll of Arlington were married in Sacred Heart Catholic Church on Saturday, July 25. Celebrant Fr. Ken Robinson was assisted by Deacon Jerry Klement of Temple at the 2 p.m. Mass and double ring vows.

The bride's parents are Leon and Christi Klement of Muenster. Her grandparents are the late Norbert and Elizabeth Koesler and the late Edgar and Rose Klement.

Parents of the groom are Robert and Estela Carroll of North Richland Hills. He is the grandson of Paz and Tiburcio Planea of Santo Nino, Philippines, and the late Rob Wayne and Frances Carroll.

Given in marriage by her father, the bride was wearing a Sottero and Midgley gown designed with champagne and ivory lace. It was adorned with elaborate beading of pearls, bugle beads, sequins, and Swarovski crystals over very light gold satin. The one-piece, slim A-line silhouette featured a sweetheart neckline and wide straps. An asymmetrical gathered satin panel wrapped across the waistline accented with a wide satin bow placed at the side front hip. The laced-up back complimented the scalloped chapel length train. Her gold tiara headpiece was encrusted with pearls, beads, and Swarovski crystals. The ivory veil was cathedral length and edged in narrow champagne satin.

The bride carried an ivory cascading bouquet of roses,

cymbidium orchids, baby calla lilies, pulmosa, and freesia embellished with gold pearl sprays and stems wrapped in fabric matching her gown.

For something old, the bride wore the 1944 diamond engagement ring of her maternal grandmother Elizabeth Koesler. Something borrowed and blue was a rosary from her sister Andrea. For something new, she wore crystal and pearl earrings and bracelet.

Wedding music was provided by pianist Isaac Davis, flutist Alana Brecheen, vocalists and guitarists Denise Bayer, Diane Grewing, and Doug Yosten, and vocalists Linda Flusche and Jim Endres. Selections before Mass included "The Rose," "Father Make Us One," "Blest Are They," and "To My Mother." Processionals were Pachelbel's "Canon in D" and "Wedding March." During Mass, songs included "The Lord Fills the Earth," "Only A Shadow," "Wedding Song," and "Hail Mary." A special song "Wedding Day Prayer" was written by the mother of the bride. Recessional was "Hornpipe" by Handel.

Jessica Batters of Arlington, friend of the couple, and Raegan Koesler of Midland, cousin of the bride, gave the Readings. Bride's Godparents Robert and Gloria Klement presented Offertory gifts. Wedding programs were handed to guests by Chelsea Kostyniak and Caitlyn Barrett. Mass servers were Aaron Grewing and Jason Luke, friends of the bride, and Megan Rohmer,

Mr. and Mrs. R.J. Carroll

bride's cousin.

ATTENDANTS

Andrea Klement of Fort Worth, sister of the bride, was maid of honor. Bridesmaids were Diana Gorrell of Stephenville and Jennifer Bayer of Gainesville, both friends of the bride. Ashley Carroll and Kristina Leyva, both sisters of the groom and both of North Richland Hills, and Kristian Koesler of Dallas, cousin of the bride. They were attired in dark teal, iridescent chiffon gowns fash-

ioned with sweetheart necklines, wide gathered straps, ruffled bodice, and asymmetrical waistline with an A-line skirt. Their bouquets were mango mini calla lilies and oranges roses accented with orange crystal sprays and stems wrapped in brown satin. Their matching necklace, earrings, and bracelets of raven pearls, topaz, and swarovski crystals were a gift from the bride, designed and created by Christi Klement especially for them.

Flower girl and ring bearer were Lauren Trubenbach and Wade Trubenbach, bride's cousins and children of Steve and Melissa Trubenbach.

Michael Kostyniak of Arlington, cousin of the bride and friend of the groom, served as best man. Groomsman were Robby Bernard of Arlington and Austin Cosby of Connecticut, both friends of the groom, Elliot Klement of Muenster, bride's brother, Victor Leyva of North Richland Hills, brother-in-law of the groom, and Paul Pritchard of Ohio, groom's friend.

Ushers were cousins of the bride Kyle Koesler, Andrew Koesler, Evan Koesler, and Brian Kostyniak.

RECEPTION

A wedding reception was held in Sacred Heart Community Center. Attending the guest book were Kaylin Dangelmayr and Adrian Rohmer, cousins of the bride. Guests were treated to a lovely hors d'oeuvres table prepared and served by Debby Schoppa. A chicken fried chicken meal was catered by Rohmer's Restaurant. The prayer before the meal was given by Sister Roberta Hesse of Fort Worth. Special wedding guests were Sr. Francesca Walterscheid of Fort Worth, bride's great-aunt, and Sister Meritas Planea of New York, groom's great-aunt.

The bride's table held bronze and gold china, beaded place cards adorned with peacock feathers and gold lettering created by the bride. Brown flocked stemmed vases held bridesmaids' bouquets. A mother of pearl mirrored vase held the bridal bouquet. The table was finished with lace cloths, ivory tulle, and mini lights, accented with dozens of votive candles. Lighted wood columns were placed behind the wedding party table and the cake table, and were topped with green ferns.

The bride's cake, created by Betty Rose Walterscheid, was three-tiered ivory with a gold bow on the middle lay-

er. The cake was decorated with designs matching the lace and pearls of the bridal gown. An embellished gold monogram topped the cake. The chocolate groom's cake was a surprise to him from the bride. It was designed as a Nintendo box with a custom made Mario and Princess in wedding attire for the topper.

Cake servers were Kalyn Dangelmayr, and Adrian, Lauren, and Megan Rohmer. Mary Alice Bayer and Gretchen Kostyniak, aunts of the bride, cut the cakes and served the head table along with friends Tommy and Becky Felderhoff and aunt Martha Koesler.

The hall was decorated with alternating tablescapes of very tall and short vases holding fresh flowers of white and orange roses, calla lilies, and peacock feathers. Other accents on tables were floating candles and votives surrounded by gold and ivory ribbons and rose petals.

Music throughout the evening was provided by DJ's Connections. The couple's first dance was "Only You Could Love Me This Way" by Keith Urban.

Rehearsal dinner was hosted by the groom's parents at the Center Restaurant for approximately 35 guests. The groom's sisters decorated for the occasion and gifts were given by the couple to members of their wedding party.

The bride is a 2004 graduate of Muenster ISD. She graduated from UNT in 2008 with a B.F.A. in Art Education. She is an elementary art teacher for Mesquite ISD.

The groom graduated from North Richland Hills in 2002. He is a 2008 UT Arlington graduate with a B.S. degree in Aerospace Engineering and is currently completing his Masters of Math. He is employed by Lockheed Martin in Grand Prairie.

The couple is at home in Mesquite after returning from the wedding trip to Sandals Resort in Nassau, Bahamas.

Three showers honor Bridgette Klement

Bridgette Klement, bride-elect of R.J. Carroll, was honored with three showers during their engagement. Her bridesmaids hosted a bridal shower on June 13 in the home of Melissa Trubenbach for about 30 guests. Also assisting with hostess duties were aunts Gretchen Kostyniak and Mary Alice Bayer, cousins Denise Bayer and Melissa Trubenbach, and Caitlyn Barrett.

A beautiful array of food was served from silver and crystal appointments along with wine, punch, and peach tea. A two-tiered cake decorated in teal and brown was served as the bride-to-be opened her gifts. The main table and the guest book table held fresh flower arrangements of roses and hydrangeas, candles, and engagement pictures of the couple.

Special guests included great-aunts of the bride Eve-

lyn Koesler and Sister Francesca Walterscheid of Fort Worth. Also attending were the couples' mothers Christi Klement of Muenster and Estela Carroll of North Richland Hills.

Two additional showers were hosted by fellow elementary teachers in late May at Mesquite. Floral arrangements with peacock feathers, and tablecloths and decorations in the bride's chosen colors were used. Food, drinks, along with teal and brown decorated cakes were served as gifts were being opened and displayed. Range and Moss Elementary teachers hosted approximately 35 guests at each shower. A special gift was a handmade recipe album with each teacher's favorite recipe included. Attending from out of town were Bridgette's sister Andrea Klement of Fort Worth and their mother Christi Klement of Muenster.

Baptism

Hillis

Ava Laine Hillis was baptized on Sunday, Sept. 13 at Sacred Heart Church by Fr. Ken Robinson. Ava is the daughter of Lance and Holly Hillis of Lindsay. Godparents are Aunt Courtney Hartman and Uncle Trey Atterbury. She wore a special family baptismal gown that her mother Holly, Godmother Courtney, and Uncle Nolan Hartman also wore on their baptism. Following the Baptism, a special dinner was served at Ava's home.

Special guests included her parents; brother Parker; Godparents; grandparents Kenny and Rhonda Hartman, and Gary and Terri Atterbury; great-grandparents Alvin and Joanie Hartman and Clara Endres;

Uncle Nolan Hartman; Aunt Natalie Atterbury; David, Laurie Ann, Katie, and Dylan Flusche; Paulette Swirczynski; Monica LeBrasseur; Bobby, Sharlene, and Dainah Hartman; and Craig and Zack Claxton.

Ava Hillis

It was so good to hear from so many friends and relatives who remembered my 101st birthday with a card, phone call, or visit. Thank you to Father Ken for his kindness and prayers. Special thanks to the elementary students of Muenster Public School and Sacred Heart who created such delightful cards. Lastly, I must express my gratitude to Judy Hartman who was kind enough to alert Enterprise readers of my birthday. I easily exceeded her goal of 101 cards and will enjoy rereading them in the days to come.

God Bless You,
Agnes Klement

Community bids Antonettis farewell

Friends, colleagues, and former patients came to the Sacred Heart Community Center on Sunday to wish Dr. Alfredo and Angela Antonetti well as they move from their long-time home in Muenster to Irving. Many enjoyed cookies, punch, and coffee as they visited and reminisced over days gone by. There was much praise for Dr. Antonetti and his skills as a physician as well as the kindness and compassion he showed for his patients. Some credited him for saving their lives. At right, Angela speaks with Margaret Reiter Schmitt, left. Below - Dr. Antonetti speaks with two of his three sons, Dr. Robert Antonetti at left and Dr. Alfredo Antonetti at right. Also present was his son Dr. Emilio Antonetti and daughters-in-law, and many other relatives.

Many expressed regrets that they were unable to make the reception. They may contact the Antonettis at their new address 4813 North O'Connor, Apt. 127, Irving, TX 75062.

Muenster ISD announces Duke University Talent Search qualifiers

The Duke University Talent Identification Program has been a national leader in identifying academically talented students and providing innovative programs to support the development of their optimal educational potential.

For Texas seventh grade students, the invitation to participate in the program is mainly based on the scores from the Texas Assessment of Knowledge and Skills

(TAKS). The students must have scored in the 99th percentile or higher to participate.

This year, 33% of Muenster ISD 7th graders are eligible and invited to participate in the 2009-10 Seventh Grade Talent Search. Benefits of participating in the program are gaining the knowledge and experience of taking an above-level test like the SAT or ACT, receiving resources that provide guidance in

test-taking skills, strategies on working with schools, and information about the college process. Students also will be informed about summer and academic year programs across the United States.

Qualifiers are Chance Herr, Kyla Haverkamp, Caroline Gressett, Tara Gunnels, Noel Rodriguez, Trevor Cheaney, Kristen Reiter, Georgia Taylor Saavedra, Delaney Wright, and Zach Trubenbach.

FCCLA installs new officers

The Muenster Family, Career and Community Leaders of America (FCCLA) held its annual installation of the 2009-10 officers and new members on Friday, Sept.

25. The new leaders of this organization are: President Natalie Valliere; Vice President of Programs Shaina Felderhoff; Vice President of Membership Lia Heers; Vice President of Projects Briana Bindel; Secretary Llogan Cheaney; Treasurer Delana Sicking; Parliamentarian Toby Dyess; Reporter Michelle Henscheid; and Historian Cathy Aston. Mrs. Joni Sturm is the FCCLA sponsor.

Mrs. Sturm started the ceremony by welcoming everyone and then lighting the red candle. Next, each officer was asked to light one of the white candles from the red candle and state one of the eight purposes of FCCLA and their duty as officer. The ceremony was concluded by the new members standing and repeating the creed with all the membership. A total of 22 new members were installed. Pizza, fruit, cookies, and brownies were served before the ceremony. A meeting with 58 members in attendance followed the installation.

The ceremony took place in the Family and Consumer Sciences classroom. A table with eight white candles and one red candle was used during the installation.

Tigers open District with win

With four turnovers and less than 200 yards total offense, the Sacred Heart Tigers held on to a 20 points halftime lead to bring home an opening District victory by defeating the then undefeated Eagles of Lake Country by a score of 20-13. Lake Country was given one last shot at a third touchdown, but a Tiger interception with 1:7 on the clock gave Sacred Heart the win.

"We played the best half we played all season," said Coach Dale Schilling on the Tigers' 1st half of play. "Mental errors in the 3rd quarter let Lake Country back in the game. But in the 4th, the Tiger defense stepped it up and kept them (Lake Country) out of the end zone."

After holding Lake Country, the Tigers also were forced to punt. The kick was blocked, giving the Eagles possession at midfield. Tackles by Michael Davis, Garrett Berend, Chad Henschel, and Alex Turner set the Eagles back 8 yards. A penalty on the punt put the ball on the Tiger 47.

Three runs by Matt Hesse moved the ball to the 38. Three plays later, Bob Bartush scored on a 34 yard run. A bad snap on the point after attempt gave Sacred Heart a 6-0 lead.

Lake Country controlled most of the remaining quarter after intercepting a Tiger pass, but was finally stopped after reaching the Tiger 25.

Sacred Heart took six plays, assisted by two penalties, to travel 78 yards. Two runs by Clay Hogan, and two Hesse to John Krawietz passes took the ball to the 30. Hesse found Krawietz a third time for a 30 yard touchdown play. Another bad snap on the PAT kept the score at 12-0 with 6:35 remaining in the 1st half.

An Eagle 4th and 1 play was stopped by Mark Bartush and Berend to give the Tigers possession on the Lake Country 38 yard line. Hesse picked up a quick 18 yards, with Hesse and Hogan running seven more plays to the 1 yard line. With 27 seconds on the clock, Hogan scored. A Hesse to B. Bartush pass made the extra points for a 20-0 halftime score.

Sacred Heart came out the 2nd half and immediately had a turnover. Three plays later, Lake Country scored on a 71 yard run. The PAT failed for a 20-6 score with 1 minute off the clock.

The teams exchanged punts, with the Tigers getting in six runs to the Eagle 10, with the Tigers carrying the ball into the final period. A fumbled ball gave Lake Country excellent field position on the Tiger 15. After three attempts, the Eagles closed the score to 20-13 with 9:48 remaining in the game.

Sacred Heart got in eight runs and the Eagles a dozen

before Matt Hesse intercepted a pass to end any Eagle threat, for a Tiger 20-13 victory.

The Tigers will NOT host Amarillo San Jacinto this Friday night as scheduled. Due to an administration decision, the school cancelled their football season.

The Tigers will take on Fort Worth Calvary, a larger TAPPS, Division 3 school. "Our main threat will be their quarterback," noted Coach Schilling.

The non-district contest will be played at All Saints Episcopal Stadium in Fort Worth. Kick off is at 7:30 p.m.

Hornets fall short to Knights in 21-14 District opener contest

It was a typical Muenster versus Lindsay football game, an emotion-filled meeting of two rival teams before a packed stadium. Whenever the Hornets and Knights gather on the field, there will be a battle. And last Friday night was no different than the past 30-some years.

The Knights came to Muenster, as the teams began District play. When the final clock cleared the clock and the last ball was hiked, Lindsay out-scored the Hornets 21-14.

"We played a hard-fought game - competitive to the end," said Hornet Coach Allen Cross. "Lindsay had an opportunity and took it. It was a tough loss, but we're glad that one is behind us and we can focus on the remaining games."

"The field (condition) was the big story of the game," noted Lindsay Coach Cody Bounds. "It limited both teams on what they could do offensively."

Muenster was held to only 153 total yards, while Lindsay's offense fumbled the ball four times, but lost only one. The Hornets' lone turnover was an interception the last play of the game.

Action began with the teams' offenses not making any progress or 1st downs, with punting the first three series of plays. On Lindsay's second possession, short runs by Frankie Cornett and Ryan Haverkamp, and a 6 yard pass play from Dax Fleitman to Ross Jones moved the Knights to their 43 yard line. An opening in the line gave Cornett an open field for a 57 yard touchdown run. The PAT kick by Jones put the Knights on the scoreboard 7-0 with 5:52 on the clock.

The Hornet offense continued to struggle, but pressure by the defense dropped the Lindsay quarterback for losses, forcing a punt on 4th and 23.

Muenster gained no ground and punted for the 4th time. A fumble on the return was covered by Dalton Koelzer, 18 yards from the end zone. Four consecutive runs by Levi Trubenbach took the ball to the 4 yard line, where Chris Valliere went through the line to score 6 points. Aaron Flusche added the point after to tie the game 7-7 with 10:23 remaining in the 2nd period.

A short kick put the Knights near midfield, but a fumbled play stopped a 4th and 1 Lindsay attempt. The Hornets' next drive went nowhere, ending with a punt.

Starting on their own 39, the Knights had seven runs, shared by Fleitman, Cornett, Haverkamp, and Robert Arend, and two Fleitman to Jones passes to move to the 15 yard line. On 4th and 3, an attempted field goal kick went wide right, giving the ball to the Hornets on the 20 yard line as the 1st half of

play ended. The Knights took the 3rd quarter kick on their 33 yard line, taking eight plays to regain the lead. Haverkamp ran three times for 12 yards, Arend twice for 6, and Cornett two times for 15 yards to the 34. With 8:32 on the clock, Haverkamp scored. Jones' kick gave the Knights a 14-7 lead.

Muenster's offense, plagued by a flag and fumble, punted on 4th and 28. The Knights followed suit, punting on 4th and 24. From their 34, Muenster moved across midfield with two Trubenbach to Jason Luke passes. Valliere gained another 1st down to the 38. With 3:49 on the 3rd quarter clock, Luke pulled down a Trubenbach pass in the end zone. Flusche's extra kick tied the game, 14-14.

The teams continued to exchange punts into the final period. With just over 4 minutes on the clock, the Knights started their next drive on their 48 yard line.

Six plays took the ball to the 34. With a minute and 8 seconds remaining in the game, Haverkamp scored for the Knights. The PAT by Jones gave Lindsay a 21-14 lead.

The Hornets went to the air, throwing three incomplete passes, then dropped for a loss on 4th down. With 42 seconds ticking away, Lindsay ran four plays, gaining 7 to the Hornet 19 before running out of downs. Muenster took the ball with 18 seconds on the clock. An incomplete pass was followed by a 14 yard Trubenbach run and another incomplete pass to stop the clock at 4 seconds. A last chance Hornet pass was picked off by Ryan Haverkamp to end the game with Lindsay on top 21-14.

Lindsay in Decatur Meet

The Lindsay Lady Knights and Knights ran in the Decatur Meet this past weekend. The Lady Knights finished 2nd behind a very strong Seymour team. "Hopefully, we will get a chance of revenge when we meet up with them at the State meet," noted Coach Robin Hess.

Team standings of the top four were: 1, Seymour, 32; 2, Lindsay, 29; 3, Alvord, 103; 4, Era, 123.

Individual times were:

1, Kelsey Hermes, 11:45; 5, Megan Caillier, 12:16; 20, Megan Holt, 12:54; 28, Bethani Eberhart, 13:06; 31, Shirley Hess, 13:09; 37, Jessica Block, 13:20; 38, Jordan Fleitman, 13:20; 55, Cammi Neu, 13:42; 62, Alie Fogel, 14:07; 76, Brienne Sandmann, 15:18.

In the boys division, Travis Block finished 31st with a time of 17:39. Josh Timmins was 39th with a time of 18:10.

Junior High Volleyball

8th Grade "B"
The 8th Grade "B" team traveled to St. Mary's last Thursday and suffered a loss by scores of 25-12, 25-

13. "Service receive hurt us. St. Mary's had really good servers. We played better at the net, so that was good improvement from past games," noted Coach Robin Hess.

7th Grade "B"
The 7th Grade "B" team defeated St. Mary's last Thursday in three games 15-25, 26-24, 17-15. "It was a close match throughout, but the girls kept playing hard and came out with the win," said Coach Don Neu.

LINDSAY TOURNAMENT

7th Grade Division
The Lindsay 7th grade won their own tournament over the weekend, defeating Nocona "B" team in two games 25-8, 25-12, then defeating Denison in three games 25-21, 20-25, 25-18. In the Championship, Lindsay defeated Nocona "A" team in two games 25-16, 25-11. "The Championship game may have been the best overall match of the year. This team has really shown a lot of improvement and they are very competitive and want to win," noted Coach Neu.

8th Grade Division
The Lindsay 8th grade also won the Lindsay Tournament. They opened up the tournament with a win over Nocona "B" with scores of 25-8, 25-9. In the second game, the girls defeated Denison with scores of 25-17, 25-23. In the Championship game, the girls played Bridgeport. It took three games for the win. The scores were 25-12, 18-25, 25-21.

8th Grade
The 8th grade volleyball teams swept the Blue Ridge Lady Tigers on Monday. The "B" team started it off with winning by scores of 25-8,

JUNIOR HIGH FOOTBALL ACTION

Muenster 7th falls to Lindsay

The Muenster 7th Grade Hornets fell victim to the Lindsay Knights last Thursday by a score of 20-6, running the Hornets' record to 0-4. The Hornets' only score came when Tyler Boaz stripped the ball from a Knight running back and raced 65 yards for the touchdown. The defense played tough, but was out-matched by the speed and size of the Knights.

Caleb Anderle scored three touchdowns for the Knights. The defense was led by Mark Krahl, Matthew Block, Mason Morrow, Neal Fleitman, and James Fuller. "The boys are starting to play more aggressive, and signs of improvement are showing," said the Lindsay coach.

Hornet 8th wins over Knights

The Muenster Hornet 8th grade team beat Lindsay 22-14 last Thursday. Mason Binder was the first to score on an 11 yard touchdown run. Cole Walterscheid scored twice, on a 27 yard run and a 56 yard fumble return. The defense was once again solid. Tackling was led by Cole Walterscheid and Clayton Hess. The Hornets' record improved to 4-1.

The Lindsay coach noted that his boys played hard and fought to the end, but came up a little short. "The boys are playing harder, but we still are trying to pull the fire and aggression from them. We still have a ways to go, but the boys are getting there slowly but surely."

Cubs over Peepers

The Sacred Heart Junior High Tigers sent the Lake Country Christian Eagles home in defeat last Thursday. The Cubs "played the game for Sylvan" and won the contest 20-6.

The young birds took the opening kick and drove 62 yards in 10 plays to take a 6-0 lead with 2:33 remaining in the 1st period.

The Cubs gained 10, then were stopped on downs. The next play, Eli Dangelmayr covered a loose ball on the Eagle 42. Isac Walterscheid ran several plays to move the ball to the 17. Kason Reeves got to the 10, but a fumble on the 6 gave the ball back to Lake Country. The Peepers gained 2 and punted a short boot to the 27. A Reeves to Brady Endres pass took the ball to the 15. Three plays later, the game was tied 6-6 with 1:50 remaining in the 1st half on a 12 yard run by Reeves.

Two incomplete passes and a Jason Knabe tackle were followed by a short punt to the Eagle 35. Tavi Saldana gained 9 and Walterscheid 7. A Reeves to Joe Bartush pass play was good for 6 points. Reeves then connected with Saldana on the extra points for a 14-6 halftime score.

Sacred Heart started the 3rd quarter on their 39 yard line. Runs by Walterscheid and Reeves, and Reeves passes to Saldana and Endres moved the ball to the 6 yard line. The drive ended when Walterscheid ran in the ball for the touchdown. The PAT failed for a 20-6 score with 1:48 on the clock.

The 4th quarter began with Dangelmayr intercepting an Eagle pass. The Cubs moved the ball to the 13 yard line, but the drive ended with a fumble. Grant Springer got in a tackle for a 7 yard loss before the game ended.

25-15. "They served the ball extremely well," said Coach Hess.

In the "A" game, the girls played a much better game than they did the last time these two teams met, winning 25-16, 25-20. The 8th grade is now tied for 1st place in District play.

7th Grade "B"
The Lindsay 7th Grade "B" team defeated Blue Ridge in two games 25-22, 27-25. The game was close the entire match. Lindsay came from

behind in game two to secure the win.

7th Grade "A"
The 7th Grade "A" team defeated Blue Ridge in three games 18-25, 25-13, 25-19. It was a good win, considering they lost to Blue Ridge earlier in the season.

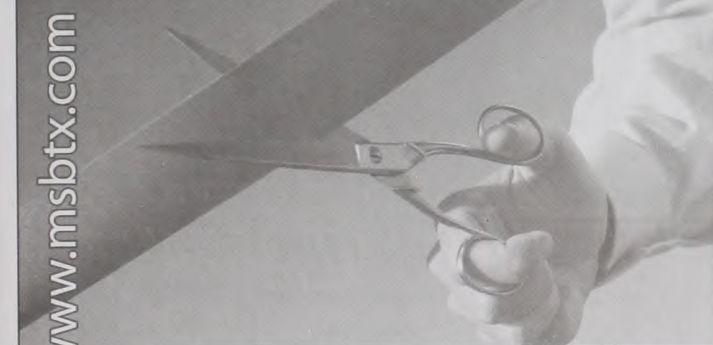

If you really want to do something, you will find the time.

FARM & RANCH

COUNTY AGENT REPORT

You can control thistles in the Fall

One of the worst weed problems we are facing in Cooke County is the thistle. This problem is usually noticed and reacted to during the late spring. However, Fall is one of the best times for thistle control.

If you take the time to scout pastures that had problems with the weed last year, you will probably notice plenty of seedlings now. They will be in a flat, rosette growth form. Right now, they are very sensitive to certain herbicides. So spray this fall and thistles should not be a big problem next year. Spraying now allows you to stop the problem prior to it shading out your grass and creating more seed that will blow across the county next year when it begins to get warm.

Several herbicides are effective and recommended for thistle control. The University of Florida has a useful publication that you can access at: <http://edis.ifas.ufl.edu/AG253>. This publication has good listing of herbicides that have been used to successfully control the plant. Of course there are other herbicides which are not on that list and they may be used with success. Our local dealers are very knowledgeable and should be able to assist you with a choice of product. Always read and follow label instructions when using herbicides.

Finally, if you do not want to use chemicals, the fall is still an excellent time to try to control these pests. If you opt for mechanical control, it is much easier to hoe out the weeds now when they are around level, than next spring, when they are as tall as you are and will poke you in the arm while you are hoeing them. Mowing thistles in the spring is also a means of setting them back, but thistles are prone to re-grow and will begin to set flowers near the ground, making it extremely difficult to eliminate seed production.

Fall CEU program

If you have been waiting for an opportunity to obtain continuing education units for your TDA pesticide license requirements at a night meeting, this is your chance! Monday, Oct. 26, beginning at 6 p.m. we will offer a three hour program at the Downard-Fairplains Community Center. There will be one CEU in each of these categories: Laws and Regs, General, Drift Minimization

A useful and interesting set

of topics will be offered. Ross Cantrell from Estes Chemical will speak on the use of adjuvants; Henry Krusekopf, TDA field inspector, will speak about pesticide laws; and Dr. James Rogers from the Noble Foundation will speak about Grass Nitrogen Use Efficiency.

Directions - from Anthony Street in Gainesville, go South on CR 2071 for 5.2 miles. The building will be on the west side of the road. From I 35: take the Spring Creek Road exit, 491. Go east, until it dead ends into FM 2071. Go south, look for the Community Center on the west side of the road.

Dates to remember
Oct. 26 - Fall CEU Program; (1 general, 1 laws and regs, 1 drift management) - 6 - 9 p.m., Downard Fairplains Community Building.
Oct. 27 - Marketing Club Meeting; 7 p.m. - Gainesville Farm Bureau Building.

Switchgrass research underway in Oklahoma

The Oklahoma Bioenergy Center is conducting a \$2.2 million experiment where switchgrass is planted on three fields near Guymon, Oklahoma, as a potential source of biofuel.

The 1,000-acre site is the largest switchgrass-to-ethanol research project in the world. The goal is to discover if using the tall, thin plant native to the Great Plains to make ethanol can be duplicated on a large scale.

The Environmental Protection Agency released a study in May forecasting that production of 900 million gallons of cellulosic ethanol from switchgrass will be economically feasible by 2022.

Fair Association sponsors annual tractor raffle

The Cooke County Fair Association is presently selling tractor raffle tickets for a benefit towards the continuing rebuilding of the Association's Multi-Purpose Center.

The 3rd annual benefit ticket winner will receive a Case Farmall 31 horsepower, 4 wheel drive tractor with loader or \$12,000 in cash. The \$100 donation includes a dinner and entertainment for two, to be held Oct. 24 at St. Peter's Centennial Hall beginning at 6 p.m.

The winner does not need to be present to win and is responsible for any taxes. All donations are tax deductible.

Proceeds will go towards the cost of dirt for the arena floor, electricity, stands, and drainage ponds, the present additions to the building.

For more information, call Jeff Hellman 736-4058, Wayne Becker 668-5412, or Cecilia Fuhrmann 665-6863.

Army Worms invade Cooke County

Following the rains, armyworms marched in and devoured improved pastures and wheat throughout the state. But the worst may be over -- or not -- according to Texas AgriLife Extension Service personnel.

They say producers could see another flush of armyworms depending on the weather.

"Conditions are improving, but the biggest problems we do have right now are the cooler weather -- as far as forage production goes

-- and then the onset of armyworms," said Dr. Ron Gill, AgriLife Extension livestock specialist, College Station.

Gill said he's had reports for armyworms from across the state, but they are spotted.

"For example, in North Central Texas, around Decatur they're very heavy and out west of there, but south of Decatur about 15 miles, there's not any activity," he said.

Gill noted that armyworms are relatively easy to control if they're detected early. When the worms are large, they are hard to control.

"One of the problems we are having this year is that there seems to be several hatches occurring in the same area, so all the worms are not the same age," he said. "That may present a problem when you go in to control them; you may have to spray multiple times."

Based on last year's prices, a single treatment can be as low as \$7-\$8 per acre, which includes materials and the cost of application, he said.

Dr. Allen Knutson, AgriLife Extension entomologist based in Dallas, said cooler weather has slowed the maturation of the current armyworm population and reduced the likelihood of them becoming adults and laying more eggs. Usually cooler weather in November puts a halt to armyworm problems, but that's weeks away.

ROUNDING UP THE BIG PICTURE—The winner of the traditional raffle at this year's Scholarship Round-Up sponsored by the Agriculture Department at North Central Texas College will take home this giant flat-screen television donated by Martindale Feed Mills of Valley View. At right is local area MFM sales representative Kirk Chilson, and at left is Steve Keith, chair of the NCTC Agriculture Department. The event is set for the evening of Oct. 17 at the Lions Field House on the Gainesville Campus. NCTC photo

It may be true that our get up and go has got up and went. But it doesn't matter. Just think of all the places you've been.
