

Fire strikes Sicking home Tuesday

Three Muenster Volunteer firefighters battle fire at the residence of Carl and Diane Sicking at 530 County Road 327 near Myra. Firefighters and equipment from Myra Volunteer Fire Department, Muenster VFD, Lindsay VFD, Moss Lake VFD, and Gainesville worked about 30 minutes to extinguish the blaze and another couple of hours mopping up afterwards. According to Myra Fire Chief Billy Felderhoff, about 60% of the home received fire damage and the other 40% heavy smoke damage. They were able to save many personal belongings, he noted. Cooke County Fire Marshal Ray Fletcher investigated and Chief Felderhoff said he found that it was caused by an electrical problem. The Sicking's children were at home when the fire started and were able to report it and get safely out of the house. See page 15 for more pictures.

All Things Beautiful aims for customer comfort

By Janet Felderhoff

Kelly Green and Amie Hess opened All Things Beautiful on Aug. 12 in the Old Theatre Mall, 213 N. Main, Suite 207. The business is an all-service hair salon for color, highlights, cuts, and perms. They also offer sugaring, manicures, and pedicures.

"When we came over here, we wanted to create an environment that was comfortable and relaxing," remarked Kelly. "Everything from the furniture we picked to the paint colors, we put a lot of thought and effort into it. And it is still evolving. We're still changing stuff and making stuff. We just wanted a place that people could come and know that they were going to get a good service."

They are planning to make a coffee bar in the next couple of weeks and to add some small retail products in the coming weeks. They hope to offer items such as jewelry, candles, and bath products.

Future plans include bringing in a facialist and possibly tanning beds. Also coming will be a web site that allows customers to book appointments via e-mail and Amie will be doing minx nails soon.

Kelly has 21 years of experience as a hair stylist. She worked around the Metroplex before moving to Muenster. She worked in Muenster and then decided to open All Things Beautiful. She was trained at Cambridge School of Cosmetology in Lewisville. Besides the required continuing education every two years, Kelly has taken different color and hair specialty courses.

Amie has had her license for nine years, but took time off when she had her babies. She received her training at North Central Texas College. Amie offers service as a hair stylist, as well as manicures, pedicures, and sugaring.

Amie is married to Aaron Hess. They have three children, Cole, Trinity, and Alexis. The family lives in Muenster where Cole and Trinity attend Sacred Heart Catholic School.

Kelly and her husband Wayne Green have two daughters Savannah and Madelein Green who attend Sacred Heart Catholic school. They live in Muenster.

Business hours are Tuesday through Saturday from 9 a.m. to 6 p.m. They will also take early morning and evening customers by appointment. The phone number is 759-2433.

A Grand Opening is scheduled for Saturday, Oct. 10. It was previously planned for Sept. 26, but rescheduled for the 10th.

Linda Johnson sets hopes on MS treatment in Costa Rica

By Janet Felderhoff

Former Muenster resident Linda Wilson Johnson knows the pain and increasing limitations that the disease multiple sclerosis (MS) can inflict. She was diagnosed with MS in June 2005.

MS, a central nervous system disease, affects the brain, the spinal cord, and the optic nerve. MS symptoms occur because the connections between the brain and the body's nerves are damaged. The effects of MS are often compared to the way faulty electrical wiring can lead lights to flicker. In a similar way, multiple sclerosis causes problems in signaling throughout the nervous system, which lead to symptoms such as tingling, numbness, blurred vision, and walking problems.

It is an autoimmune disease. In autoimmune diseases, the immune system loses the ability to distinguish between host and invader. Certain cells in the immune system start attacking healthy tissue as if it were an infection. This is what scientists believe happens in multiple sclerosis. Cells that normally fight infection start attacking the myelin around nerve fibers as if it were an invader.

Linda shared some of the ways MS has impacted her quality of life, "I can't walk good anymore. I have balancing issues. I can't garden I can't fish. (two hobbies she enjoyed). You can't go out into the heat. The heat is your worst enemy. It makes it flare up, as I call it. They call it exasperation. Bend-

ing also causes these (flare ups). I can't bend over anymore. I've got what's called an MD hug. It's a band that goes around my back and up to my ribs and its just like you've been scalded.

"My feet are the worst. It's like I've been walking on rocks barefooted all the time. I can't grip anymore. I love to do counted cross stitch and I can't feel my needles anymore. I'm dropping them constantly because I can't feel them when they come through the material."

The first sign that Linda might have MS came two years before her diagnosis. "I lost sight in my right eye," she recalled. "It was just gone overnight." She was sent by her ophthalmologist to a specialist in Dallas. Numerous tests revealed nothing. It took six months to get her vision back and she still has a bit of a halo around her eye.

She was then symptom free for a period of time and then it struck again. She was in the middle of moving to a different home and feels that the stress may have been

what brought back the MS.

"Two years later is when I felt this band around me and I went numb from my chest down and it's still that. They sent me to a doctor in Oklahoma City and he diagnosed it in June 2005.

"It just jumped on me again and it hasn't jumped off this time."

Wal-Mart employs Linda. She's worked there for many years and should be familiar to those who use the photo lab there. She worries that she may not be able to continue working much longer.

Citizen input sought for Muenster Lake recreation areas

The Muenster Water District will hold an informal public meeting for citizen input on the future wants and needs for the Muenster Lake recreation areas.

The gathering will be held on Tuesday, Sept. 29 at 7 p.m. in the Council meeting room at City Hall.

Everyone is invited to attend and voice their opinions and ideas.

Community enjoys Family Day

It was a day to relax and enjoy good food, fun, and fellowship as the Sacred Heart Unity and Fellowship Committee sponsored its 4th Annual Family Day in the Park Sunday. Pictured are little Lilly Wimmer sharing a bag of kettle corn with her grandpa Willie Wimmer, and in the background Maurus Hacker, Jr. with his daughter Ava. See page 4 for more on the Day. Obituaries

Lawrence Zimmerer 1910 - 2009

Mass of Christian Burial for Lawrence Zimmerer of Gainesville was held at 2 p.m. on Saturday, Sept. 19 with Reverend Raymond McDaniel as celebrant assisted by Monsignor Hubert Neu, nephew. Burial followed in St. Peter's Cemetery under the direction of Geo. J. Carroll & Son Funeral Home. Lawrence died at the age of 99 on Sept. 17, 2009 at his residence.

Lawrence Zimmerer

The Mass was held in Centennial Hall because of restoration work at St. Peter's Catholic Church in Lindsay. Assisting at the funeral Mass were altar servers Zachary Hundt and Laura Wyrick. Readers were Shelly Hundt and Frank Novacek. Walter and Kathleen Lutkenhaus presented the Offertory Gifts. Eucharistic ministers were Dennis Lutkenhaus, David Flusche, Imogene Zimmerer, and Albert Zimmerer, Jr.

Lawrence was born July 5, 1910 in Lindsay to Francis and Catherine Zimmerer. He is survived by his wife of 71 years, Marie Zimmerer; nephews Albert and wife Imogene Zimmerer and Donald Ray Zimmerer; nieces Cecilia and husband Frank Novacek, Beatrice and husband Earnest Wolf,

Dorothy and husband Robert Billner, Peggy Battles, Elaine Jenks, and Virginia Zimmerer; and numerous nephews and nieces.

He was preceded in death by his parents; and brothers Johnny Zimmerer and Leo Zimmerer.

Pallbearers were Albert Zimmerer, Jr., Gary Zimmerer, Kent Wolf, Dale Wolf, Garry Fetsch, Dennis Lutkenhaus, Leon Flusche, and Ray Zimmerer.

A Rosary was recited Friday, Sept. 18 at 4 p.m. and 7 p.m. at the funeral home.

Terri Plumlee

Funeral Services for Terri Williams Plumlee of Saint Jo were held Friday, Sept. 18 at the First Baptist Church in Saint Jo. Burial was in Mountain Park Cemetery in Saint Jo. Services were directed by McCoy Funeral Home of Saint Jo. Terri died at the age of 52 at her residence at 8:15 a.m. on Wednesday, Sept. 16, 2009. A visitation was held Thursday Sept. 17 at the funeral home.

Terri Plumlee

Born in Nocona, one of the four children of Kurz Westall and Carla Joan Wynne Williams, Terri was a lifelong native of the Saint Jo area. She graduated high school in Saint Jo and received her Registered Nursing Degree at North Central Texas College. She worked as an ICU trauma nurse in Harris Hospital, Fort Worth for some 17 years. On Oct. 22, 1993, Terri married James Timothy Plumlee in Invimere, B.C.

Terri, to her family, was known as the "peace keeper." She was known for giving of herself for the needs of others. She enjoyed reading and sitting on the porch watching animals and just enjoying the outdoors. She often collected, took to her home, and cared for stray animals. She really loved her husband and the entire family. She was a lover of people and, in turn was loved by all who knew her. Above all, Terri had a strong faith in Christ.

Survivors include her hus-

band James Timothy Plumlee of Saint Jo; step-daughters Jenni Lou Hutcheson of San Angelo and Twilight Allison of Prairie Point; stepsons James Cody Hutcheson and Danny Macdougall, both of Gainesville; sisters Stephanie Williams of Gainesville and Carla Hennigan of Callisburg; and brother John Williams of Callisburg.

She was preceded in death by her parents; paternal grandparents Kurz and Edna Williams; and maternal grandparents Robert W. and Clara Wynne.

Pallbearers were Paul Sampson, David Gaston, Derik Sikes, Neil Plumlee, Bryan Kammerdiener, and Joe Hoedebeck.

The family requests memorials be made to the Noah's Ark Foundation.

Harold Moore 1927 - 2009

Funeral services for Harold R. Moore, age 81 of Wichita Falls (formerly of Saint Jo) were held Monday, Sept. 21, at Landmark Missionary Baptist Church in Saint Jo. Burial was in Illinois Bend Cemetery. Services were directed by McCoy Funeral Home of Saint Jo. Harold died Thursday, Sept. 17, 2009 at a nursing home in Wichita Falls.

Born Oct. 24, 1927 in Saint Jo, to Thomas O. and Cora Moore, Harold grew up and attended school there. He served in the U.S. Army during WWII. His duties took him to Japan where he worked with the hospital. Later, he worked for Lone Star Gas Company for 17 years, and was employed by the Saint Jo Public School as custodian and maintenance person for several years before retiring.

Harold, before moving to Wichita Falls, attended Landmark Missionary Baptist Church. He and Zelma rarely missed services there and they usually sang a duet at the service. Harold had many friends around Saint Jo. He will be remembered by the Dairy Queen bunch for opening and brewing coffee almost every morning.

He was a hard worker and lived by his philosophy of "If it's worth doing, it's worth doing right." His most enjoyable times were when he was singing and/or listening to gospel singing.

Harold was a family man who really cared for his wife and family. He married Zelma Sewell on Aug. 7, 1948 in Saint Jo. They were a loving couple for some 60 years, only separating at Zelma's death in 2008.

Survivors include his daughter and spouse Peggy and Austin Clayton of Jacksboro; sons and spouses Billy and Marie Moore of Wichita Falls, Jim and Brenda Moore of Lexington, Texas, and Hollis and Shona Moore of Brady, Texas; 11 grandchildren, 18 great-grandchildren; sister and spouse Margaret and Clevis Wall of Valley Mills, Texas; brother and spouse: Tommy and Gladys Moore of Plano.

He was preceded in death by his wife; parents; grandson Benjamin Moore; sisters Thelma Maguire, Serelda Moore, Metta Miller, and Lillie Moore; brothers Arthur Moore and James Moore.

eran who served his country with honor.

Wes was a friend to everyone he met. He loved meeting new people and was always lending a helping hand by mowing lawns in Saint Jo and helping with home repairs and odd jobs around the community. From being an elementary school crossing guard to a sentinel at FFA events, he could always be depended on.

Wes, a native of Saint Jo, married Helena Stuner in

1943. They remained devoted to each other for 66 years until his passing.

He is survived by his wife; daughter Cassandra Wiggins and family of Sherman; son Najel McMahan and family of Houston; six grandchildren; 12 great-grandchildren; and numerous friends.

He was born in Saint Jo on Jan. 27, 1921, to William and Nettie, who preceded him in death along with his brothers James and Curtis, and his son Phillip Lee McMahan.

Save the date!

Long time Muenster residents Dr. Alfredo Antonetti and his wife Angela are moving from Muenster to Dallas where they will be nearer to family. Dr. Antonetti served the community of Muenster for many years as a family physician and Angela assisted in his office and volunteered in Muenster and Gainesville for various charitable causes.

A reception is planned in the couple's honor for Sunday, Oct. 11 from 2-5 p.m. in Sacred Heart Community Center. All are welcome to attend.

Sacred Heart Parish T-shirts that are being sold by Sacred Heart youths are modeled by, from left Miranda Pagel, Tori Dyess, Lauren Rohmer, and Adrien Rohmer.

Youths sell T-shirts to fund trip to Italy

Fourteen Muenster youths hope to take advantage of the opportunity presented to them through a youth ministry out of Arlington to spend time in Rome and Assisi, Italy. This eight-day educational pilgrimage will take place in June 2010. They will tour the many sights of Rome including the Vatican where they will have a general audience with the Pope, tour the Sistine Chapel, St. Peter's Basilica, St. Paul Outside the Walls, the Colosseum, Roman Forum, Trevi Fountain, and much more. They also plan to spend a day in the beautiful city of Assisi where they will visit the Basilicas of St. Francis and St. Clare.

This trip is expensive and the youths have been busy with fundraisers trying to pay their own way. Summer baseball concession stands, car washes, and baby sitting have helped.

They are now selling Sacred Heart Parish T-shirts to help reach their goal. Many have already bought or-

dered shirts. Those who still wish to order may do so before Thursday, Oct. 15.

For information and order forms, call Lisa Rohmer at 759-4980, Zonya Klement at 736-5962, or Laurie Valliere at 759-4769. Your donation to help these youths take a trip of a lifetime and experience their Catholic faith will show them their support.

VFW Auxiliary plans bake sale for cancer fund

A support visit is welcomed and any donations will be accepted.

The proceeds from the bake sale are put into the Auxiliary's special cancer fund and used for aid to members of the organization and the community. Also, a portion of the proceeds are used toward a required program participation of the Auxiliaries Grants for members and for a special research program.

Lucille Hesse is the local Auxiliary cancer chairman and the treasurer of the

Auxiliary. The Auxiliary will also be accepting memberships and membership dues at this time.

Cherokee celebrates 1st birthday

Little Miss Cherokee Corcoran celebrated her first birthday at her home in Muenster Saturday Sept. 19 at 4 p.m. in the afternoon. Cherokee's parents Mike and Donna Corcoran and big brothers Tanner and Justin hosted a special party for their special little cupcake. Cherokee's actual birthday date was on Wednesday, Sept. 16.

Pink Cupcakes and Love was the theme for the day. Cherokee wore a very special Pink Martha's Miniature dress bought for her by her "Shiny" Grandma from Oklahoma Trudi Williams. She looked like a beautiful, little ruffle and lace frosted cupcake to match her party theme.

Guests enjoyed a complete meal of good home cooking including brisket ribs, bratwurst, hamburgers, with all the trimmings made by her parents. They also enjoyed dozens of cupcakes, # 1 Birthday cake, and homemade Big Red

Mr. and Mrs. David Clifton of Valley View announce the approaching marriage of their daughter Captain Dabney Ann Clifton to Captain Scott Anthony Swaidner. Dabney is the grand-niece of Marguerite King of Muenster. Dabney graduated from Valley View High School in 2000. Upon graduation, she received an appointment to the U.S. Military Academy at West Point. While at West Point she was company commander of Company G-2 and on the regimental staff her senior year. She graduated in 2004 with a degree in Economics with a minor in Civil Engineering. She was commissioned and attended flight school at Ft. Rucker, Alabama, and was assigned to fly the Apache 64D Longbow attack helicopter. She was deployed to the U.S. Army's European Command in Illesheim, Germany. She served two assignments in Kosovo under the unified NATO group and was promoted to captain, then spent 13 months in Iraq in the 159th ARB. She has just returned to Illesheim and will return to Texas in early October. Scott is the son of Dianne Swaidner of Cleveland, Ohio and Paul Swaidner of Mentor, Ohio. Swaidner graduated from Olmsted Falls High School and Polaris Vocational School where he majored in Law Enforcement. He was chosen the "Outstanding Law Enforcement Student" in both his junior and senior years. He attended Old Dominion University, Norfolk, Virginia and Cleveland State University where he graduated cum laude in 2003 with a Bachelor of Arts in Sociology. In 2003, he was commissioned in the U.S. Army at John Carroll University. Swaidner attended aviation school at Fort Rucker, Alabama, and was assigned to fly the UH-60 Blackhawk helicopter. He served a tour in Afghanistan, helped with Relief Aid in Pakistan, was promoted to captain, served in the European Command in Stuttgart where he and Dabney met, and is completing a year-long tour in Iraq this month. He will return home to Cleveland in early October. The couple plans to wed Oct. 25, 2009 at the Arboretum in Dallas, and will be stationed at Ft. Bishop Vann visits community at Family Day in the Park

Sacred Heart Unity and Fellowship's 4th Annual Family Day in the Park, held Sunday, Sept. 20, was deemed a success by its sponsors. The event's purpose is to draw members of the Muenster community together for a day of fun and fellowship.

After a week of bountiful rain, sunshine greeted everyone on Sunday. About 450 gathered in the Muenster Park including Most Rev. Bishop Kevin Vann of the Fort Worth Diocese.

Father Ken Robinson, pastor of Sacred Heart Parish, led the meal prayer before everyone feasted on the covered dish meal.

The Muenster High School Honor Society served the drinks, and St. Anne's Society dished up the desserts.

A variety of activities filled the afternoon. Clowns, Star, performed by Sara Walterscheid, and Rita the Rodeo Clown by Lora Walterscheid, visited with children handing out small gifts to

them. Balloonytick Betty amazed young and old with her balloon art. She has an impressive list of animals and other things that she sculpted into shape with balloons. The children could have their faces painted by Sacred Heart Cheerleaders. Bingo was enjoyed by young and old. The First Baptist

Church had a Basketball Throwdown for all to enjoy.

The kids bounced, slid, climbed, and bounced some more on four different bounce houses. Many rode around and around the Park on a train driven by Herbie Schmidtkofer.

Snacks and cool treats were offered throughout the

day. Boy Scouts spun cotton candy. Snow cones were served by Muenster High School Cheerleaders. Fred and Elaine Koesler popped and served Kettle Corn.

This litter free Keep Muenster Beautiful event was kept tidy by the Boy Scouts who kept trash removed.

Dashiell slated as speaker for Oct. 1 CCRW meeting

The Cooke County Republican Women will meet on Thursday, Oct. 1 at 7 p.m. in First Christian Church, 401 N. Dixon, Gainesville. "How Republicans Can Win In 2010" will be presented by Toni Anne Dashiell, president, Texas Federation of Republican Women (TFRW). Toni Anne has been an exceptional leader in the Republican Party since her involvement as a Teen Age Republican in 1969. During her tenure as TFRW president, she has motivated TFRW's 10,000 members to action on a wide range of issues. She has implemented tools such as Facebook and Twitter, and has overseen numerous communications

workshops around the state. She has been an active Federation member for 15 years, having served in numerous leadership roles. Likewise, she has taken on leadership roles with the local, state, and national Republican Party, and has worked on dozens of campaigns, even traveling to other counties and states for candidates. She recently received the coveted Ronald Reagan Leadership National Award at the National Federation of Republican Women Convention in Orlando, Florida. Men and women are invited to attend the meeting, and refreshments will be served following the meeting.

Families invited back to nature in Oct. 3-4 workshop

Families are invited to come experience the great outdoors and explore the tranquil waters of Ray Roberts Lake, just north of the

Dallas-Fort Worth metroplex. Ray Roberts Lake State Park will host a two-day Texas Outdoor Family overnight workshop Oct. 3-4.

During the workshop, families will spend much of the weekend learning not only how to pitch a tent, cook outdoors, and learn about nature, but also how to use a global positioning system (GPS) to navigate trails and locate hidden caches as well as opportunities to fish and kayak. The program also teaches participants about conservation ethics and introduces them to park rangers and what they do.

The workshop costs \$55 per family (up to six people), and includes spacious and shady car camping sites, restrooms with hot showers, hands on park ranger-led programs and instruction, overnight state park police officer public safety and security, and a 'Leave No Trace' philosophy that's environmentally friendly for the use and enjoyment in a state park.

Ray Roberts Lake State Park is great for camping, biking, fishing, kayaking, swimming, and wildlife watching, and offers miles of family friendly trails for hiking and biking. The workshop will take place at the state park's Johnson Branch unit.

Families can register by calling (512) 389-8903 and speaking to a Texas Outdoor Family representative Monday-Friday 9 a.m. to 6 p.m., or send e-mail to tofsp@tpwd.state.tx.us anytime. After registration, a confirmation packet with directions and details will be sent.

Meeting Notice

Gainesville Christian Women Connection
Gainesville Christian Women Connection will hold its October Luncheon on Thursday, Oct. 22, at the First Baptist Activity Building, 400 E. Broadway, Gainesville. The special event time is from 11 a.m. to 2 p.m., and the cost of the catered lunch is \$10. Call Nancy by Monday, Oct. 19 for reservations at (940) 612-2811. They look forward to presenting their "Fall Extrava-

ganza Luncheon" with Dynamic Women Networking local businesses and services. You will have the opportunity to shop before and after the luncheon with the many vendors who will be represented. This is an exciting new venture for all. Arlene Anderson will be the special musical guest. Kerrie Oles will be the keynote speaker and her theme is entitled, "Freedom in Fashion: Transforming your wardrobe with a new identity."

Be intent upon the perfection of the present day. William Law

Muenster ISD to celebrate Homecoming on Friday, Oct. 2

The Muenster Hornets' 2009 Homecoming celebration is scheduled for Oct. 2. Hornet alumni, friends, and fans are invited to join the festivities as this year's Hornet team battles Santo at 7:30 p.m. in Hornet Stadium. Come and cheer the Hornets on to victory and visit with former classmates.

The following former queens will receive special recognition during pre-game festivities: Theresa Fisher Walterscheid '59, Elaine Otto Bruns '69, Lou Dyer Heers '79, Lisa Robison Pangel '89, and Jackie Henscheid Fisher '99.

The pre-game program will begin at 7 p.m. with the presentation of the Homecoming Queen Candidates and Princesses along with their parents. Graduates from the class of 2009 will escort the Homecoming Royalty during the halftime coronation. The former students include Matt Flusche, Jared Flusche, Alex York, Jeff Schmiederjan, Paul Crabtree, Brandon Bindel, and Corey Reynolds. Samantha Endres, the 2008 Homecoming Queen, will crown the new queen and present her with a dozen red roses from the MHS Student

Council.

Queen candidates include Shaina Felderhoff, daughter of David and Barbie Felderhoff; Jackie Klement, daughter of Doyle and Carla Klement; Delana Sicking, daughter of Carl and Diane Sicking; and Leaha Smith, daughter of Tim and Denise Smith.

Class princesses include junior Briana Bindel, daughter of Ben and Tina Bindel; sophomore Emily Hellman, daughter of Damian and Deanna Hellman; and freshman Sadie Stoffels, daughter of Craig and Connie Stoffels.

Students have chosen as their Homecoming theme "TV Land." They will decorate the halls Sunday, Sept. 27 based on classic TV shows

each class has chosen.

Friday, Oct. 2 at 3 p.m., the Hornet varsity and junior high cheerleaders will lead a school-wide pep rally in the gym. Student Council members will present Homecoming mums to each Queen candidate and Princess. Hornet fans are encouraged to attend this Homecoming pep rally. There will also be Mass at Sacred Heart Church for students and families at 7 p.m. on Sept. 30 with prayers for the athletes.

Advance in the school's cafeteria for MISD students in grades 9-12 will take place Saturday evening from 8 to 11:30 p.m. The school and Student Council are providing the music and food. Admission is free to MISD students.

Muenster Elementary achieves TBEC Honor Roll status for 2009

Lou Heers, elementary principal for Muenster ISD, was recently notified of Muenster Elementary making the TBEC (Texas Business & Education Coalition) Honor Roll for 2009. Of the more than 8,000 Texas public schools, less than 4% will be so honored. Principal Heers stated, "We are excited and honored to be included in this very select group. I just want to congratulate Muenster Elementary's teachers, aides, students, and parents on attaining this award! This accomplishment is truly

a reflection of 'team effort' among all stakeholders!"

The TBEC Honor Roll is the most prestigious award for sustained, academic excellence in Texas. It recognizes schools that have demonstrated three years of consistent, high performance in all subjects compared to other schools serving similar student populations. TBEC Honor Roll schools have the highest percentage of students performing at the state's most rigorous standard "commended" in

every subject. The staff and students at Muenster Elementary have truly earned a place on the Honor Roll through hard work and student achievement over an extended period of time.

TBEC will recognize all the Honor Roll Schools on Monday, Nov. 9, at an Awards Reception and Dinner in San Antonio sponsored by HEB and IBM. Lou Heers and elementary teachers Dianne Endres and Deb Klement will attend the Tenth Annual TBEC Honor Roll reception.

Muenster Elementary selects new Student Council

On Friday, Sept. 11, members of the 4th, 5th, and 6th grades elected officers and representatives to the 2009-10 Muenster Elementary Student Council.

The following students were elected for officer positions: President - Sammy Saucer; Vice President - Claire Schneider; Secretary - Kimber Walterscheid; Treasurer - Zane Kemp; Reporter - Katie Pagel; Historian - Natalie Fangman; and Parliamentarian - Allie Walterscheid.

The class representatives elected were: 4th Grade - Bailey Anderle, Natalie Dangelmayr, Paige Saucer, and Owen Tolar; 5th Grade - Morgan Eldridge, Bryce Herr, Macie Pagel, and Sawyer Sanders; 6th Grade - Mahayla Bohl, Cassie Horsman, Alison Morris, and Kelsie Sicking.

The 2009-10 Muenster Elementary Student Council has many ambitious goals for this year including a "hats off" day to raise mon-

ey for the American Cancer Foundation, fundraisers to help raise money to purchase playground equipment, a Veteran's Day Luncheon, a "personal items" drive for St. Richards Villa, and clean-up activities after home football games.

Faculty sponsors Amy Anderle and Cicily Waneck are very pleased with the energy and attitude this Student Council has, and expect great contributions to the school, community, and those in need.

JOHNSON

ger if she doesn't find relief from the MS. She said she becomes very tired, but she needs the insurance her job provides. The medicine she takes is very costly, but insurance helps pay for it. The injection she now takes costs \$3,000 a month.

"I've been on four medicines now, injections shall we say, and they're not working," Linda noted. "It just keeps getting worse. I have nine lesions in the brain and they're starting down my spine now."

Linda has decided to follow the path chosen by two other Gainesville residents Judy Hunter and Julie Row. They flew to Costa Rica to undergo a stem cell treatment not yet approved for use in the U.S.A. Her doctor does not approve of this choice, but Linda feels it is her best option.

The stem cells come from cord blood and from cells taken by mini liposuction from the patient themselves and returned to them. Linda explained, "They tell me that the stem cells go to work in your nerves where your body has caused the damage and they repair those gaps in the nerves where the myelin of the nerves has been

eaten away. It's kind of like an electrical wire has the plastic covering over it. My body is eating holes in that covering and leaving holes in that covering and leaving my nerves exposed. This goes and bridges the gaps so the impulses from the brain don't get lost in the gap and can go on to my legs and tell them where to go, how to step."

The stem cells from the cord blood treatments will be done twice a week for three weeks and will be injected into her spine similar to a spinal tap. The fat cell stem cells will be given by IV two or three times depending on how many cells are harvested. Physical therapy will be done three times a week to teach exercises that help.

Linda spoke optimistically. "It's going to work. I realize it's just a patch. The cure will come later." The term "multiple sclerosis" means "many scars." This is because multiple sclerosis is a chronic condition characterized by scars or lesions in the spinal cord and the brain.

The cost of the trip to Costa Rica and the month of treatments is about \$35,000. Linda will leave for Costa

Rica on Oct. 31 and should return on Nov. 28.

If you wish to aid Linda in her quest to find healing for her many scars and to begin living a fuller life, plan to attend the benefit for her on Saturday, Oct. 3. The Celebration of Hope benefit for Linda will be in the Gainesville VFW from 6 p.m. to midnight. A brisket dinner will be served from 6-8 p.m. and a live band and dancing from 8 p.m. to midnight.

Also part of the benefit will be live and silent auctions. Auction items are numerous and include framed artwork, football signed by Terry Bradshaw, rifle, various quilts, a catered Super Bowl Party for 20, ladies 14kt white gold diamond cross, and much more.

Donations may also be made at Gainesville National Bank under the Linda Johnson MS Benefit, and at First State Bank in Gainesville.

Linda was born in the Myrick Clinic in Muenster and was raised near Muen-

Lindsay graduates listed as AP Scholars

Three students at Lindsay High School have earned AP Scholar Awards in recognition of their exceptional achievement on the college-level Advanced Placement Program (AP) Exams.

The College Board's Advanced Placement Program (AP) provides motivated and academically prepared students the opportunity to take rigorous college-level courses while still in high school, and to earn college credit, advanced placement, or both for successful performance

on the AP Exams. About 18% of the nearly 1.7 million students worldwide who took AP Exams, performed at a sufficiently high level to also earn an AP Scholar Award.

The College Board recognizes several levels of achievement based on students' performance on AP Exams.

At Lindsay High School, three 2009 graduates qualified for some type of AP Scholar recognition. One student received the AP Scholar with Distinction Award by earning an average grade of at least 3.5 on all AP Exams taken, and grades of 3 or higher on five or more of these exams. This student is Nick Bezner, son of Andy and Susie Bezner, who is currently attending Texas A&M University.

Another 2009 graduate qualified for the AP Scholar with Honor Award by earning an average grade of at least 3.25 on all AP Exams taken, and grades of 3 or higher on four or more of these exams. This student is Amber Nortman, daughter of Danny and Linda Nortman, who is currently attending Texas A&M University.

ently attending Texas A&M University.

A third 2009 graduate qualified for the AP Scholar Award by completing three or more AP Exams, with grades of 3 or higher. This student is Pooja Patel, daughter of Raj and Arti Patel, who is currently attending Southern Methodist University.

Through more than 30 different college-level courses and exams, AP provides motivated and academically prepared students with the opportunity to earn college credit or advanced placement and stand out in the college admissions process. Each exam is developed by a committee of college and university faculty and AP teachers, ensuring that AP exams are aligned with the same high standards expected by college faculty at some of the nation's leading liberal arts and research institutions. More than 3,600 colleges and universities receive AP grades. Over 90% of four-year colleges in the United States provide credit and/or placement for qualifying exam grades. Research consistently shows that AP students who score a 3 or higher on AP Exams (based on a scale from 1 to 5, with 5 being the highest) typically experience greater academic success in college and higher graduation rates than students who do not participate in AP.

Muenster loses after four overtimes

The Muenster and Petrolia fans held their breath in the bottom of the fourth overtime period as the Pirates lined up for a field goal. The ball cleared the uprights and Petrolia celebrated a 16-13 quadruple overtime victory over the Hornets last Friday night.

The loss dropped Muenster to 2-2 and gave Petrolia their first win of the season.

A bright spot in the contest for Muenster was the play of its defense, holding the Pirate offense. "Looking back, the defense played well enough to win the game," said Coach Allen Cross. "Offensively, we made too many mistakes to win a football game."

The offense killed themselves with turnovers (eight lost) and penalties that stopped possible scoring.

Muenster took the opening kick, starting offense on their 39 yard line. Levi Trubenbach completed pass to Jason Luke, Eric Hellman, and Garrett Walterscheid, with Chris Valliere and Trubenbach getting in runs to move the Hornets to the Pirate 20. A quarterback sack loss was hard to get back and the ball went over on downs on the 15 yard line.

Petrolia's first possession gained no yards and they punted. Luke returned the kick 11 yards to the Pirate 46. Short passes to Garrett Walterscheid, Chris Valliere, and Luke, and short runs by Valliere and Trubenbach took the Hornets to the 11 yard line. A Trubenbach to Hellman pass was good for the touchdown. Aaron Flusche added the extra point for a 7-0 score with 3:32 remaining in the 1st quarter.

Petrolia's next drive ended when Walterscheid intercepted a Pirate pass at mid-field.

The Hornets again moved the ball against the Pirates, getting to the 20 yard line. But a fumbled ball gave Petrolia possession at the 7 yard line. After six plays, the Pirates punted, but the ball was returned to Petrolia three plays later by an interception.

The Hornet defense again held the Pirates, forcing a punt, but the next play, Muenster fumbled, giving Petrolia the ball.

Unable to take advantage of the turnover, the Pirates punted again, but an exchange of turnovers gave the Pirates the ball with 3:13 remaining in the 1st half. Eight plays moved the ball to the 13. With 34 seconds on the clock, the Pirates tied the game 7-7 at halftime.

The 3rd quarter began with Petrolia punting, followed by a Muenster interception, then the Pirates running out of downs on the Hornet 12 yard line.

Muenster's offense controlled the remaining 3rd quarter, moving the ball 88 yards to the Pirate 5 before running out of downs. Petrolia gained 1 yard and punted. Two plays later, another interception.

Muenster got the ball back

after a few plays when Eric Hellman recovered a fumble.

The Hornets ran and passed 11 plays, getting 20 yards from the goal line, but ran out of downs. Petrolia's offense made no gain and ended their possession with an interception by Scott Porter, placing Muenster on the 24. Penalties, incomplete passes, and a sack placed the Hornets back on the 45 yard line, forcing a punt. The Pirates again punted after being held by the Hornet defense.

With 42 seconds on the clock, two passes to Luke gained 51 yards to put Muenster back in scoring range on the Pirate 24. A penalty added 10 yards, and with 1 second on the clock, the Hornets' attempted field goal failed, keeping the game tied at 7-7.

The NCAA tie breaking rule was used: with no time clock, each team starts their offense on the 25 yard line, playing until they run out of downs, turn over the ball, or score, with both teams' offense taking equal turns.

From the 25, Trubenbach ran for 11 yards. A Trubenbach to Porter pass put 6 points on the Hornet score. The extra run failed for a 13-7 score.

Petrolia's turn. A 1st down pass quickly tied the score 13-13. The Pirates' extra kick failed and round two began.

The Pirates went first, throwing four incomplete

passes. Muenster got in one short run and threw an interception.

Round three. Petrolia stayed on the ground for five plays, moving to the 10 yard line. A 4th down pass was intercepted by Andy Flusche in the end zone. His return run was stopped by an official's inadvertent whistle.

Muenster's turn. Another interception on the 1st play. Petrolia returned the ball 70 yards before being stopped by Muenster's defense.

Round four. The Hornet offense took the field and left after the first hike after losing the ball to a fumble.

The Pirates got to the 3 yard line, then lost 2 to the Muenster defense. On 4th and goal from the 5, Petrolia kicked a 22 yard field goal to win the game 16-13.

Era Hornets buzz by Tigers

A good beginning for the Tigers of Sacred Heart turned into a bee net last Friday, as the Hornets of Era stung the Tigers 41-6.

"My biggest concern is we've been coming out flat, but this week we came out strong," noted Tiger Coach Dale Schilling on the Tigers' opening touchdown drive. "But that 70 yard Era touchdown before the half gave the Tigers an emotional let

down that was hard to overcome as a young team."

The Tigers took the opening kick on their 35 yard line. Runs by Clay Hogan, Mark Bartush, Josh Biffle, and Matt Hesse moved the ball to the 3 yard line. With 7:30 on the clock, a Hesse keeper put the Tigers on the board 6-0.

Era fought back, using eight plays to travel 59 yards, scoring on an 18 yard run by Justin Lance. Nathan Metzler added the extra point for a 7-6 Era lead with 4:45 on the clock.

The teams exchanged possessions a few times, entering the 2nd quarter. The Hornets buzzed down field 71 yards, scoring on a 20 yard Trey Dunn run. The PAT failed for a 13-6 score with 9:37 on the game clock.

Sacred Heart's next drive started on the 30. Hogan and Hesse mixed runs with a Hesse to Kyle Knabe pass, to get to the Era 6 before running out of downs.

Tackles by Alex Turner and Hesse forced an end zone punt. The Tigers couldn't make a gain, booting the ball to the Era 20. Five plays later, Era scored on a 71 yard Dunn to Metzler pass play. Dunn and Metzler connected for the extra points and a 21-6 halftime lead.

Josh Biffle covered a fumble early in the 2nd half, but the next play, the Tigers fumbled the ball back to Era. Tackles by Chad Henschel, M. Bartush, and Josh Biffle held the Hornets for two plays before Jace Sutton broke free for a 34 yard touchdown. Metzler's kick gave Era a 28-6 lead 3 minutes into the period.

The Tiger offense struggled. Era threatened to score, but defensive plays by Josiah Yosten and Michael Davis, a flag, and a 4th down stop by Hesse and Knabe returned the ball to the Tigers.

From their 22, two Hesse to Bob Bartush passes quickly took the Tigers to the Era 22. The Hornet defense held

Sacred Heart, taking the ball into the final period. Seven plays later, Era was on top 35-6 after a 21 yard Justin Lance run and Metzler PAT.

With 9 minutes on the clock, Era covered an inside kick, and got in seven plays before Clay Hogan covered a loose ball. The Tigers got in five plays and punted. Era then scored on a 51 yard run by Gates Anderson for the 41-6 final score.

Sacred Heart took the ball to the Era 9 yard line before the final second ticked off the clock.

 The Tigers will host the Savoy Cardinals this Friday for the Sacred Heart Homecoming. "If we stay focused and don't let Homecoming distract us, we should be OK," Coach Schilling said.

The Cardinals are playing an "outlaw schedule" in their second "restart" year with young players. They have a 1-1 record so far this year, losing to Bells and defeating the Aubrey freshmen.

Game time is 7:30 p.m. Homecoming pregame activities begin at 6:15 p.m.

Reflecting on the game, Hornets Chase Hammer, Tyler Anderle, Levi Trubenbach, and Luke Crabtree listen to Coach Allen Cross's comments about Muenster's four overtime loss with Petrolia.

Muenster Hornet Junior High takes win from Petrolia

The Muenster Hornet Junior High football team beat the Petrolia Pirates 32-14 last Thursday evening. Mason Binder led the charge with two rushing touchdowns from 38 and 7 yards. Clint Sidwell also punched in two scores from 10 yards and 7 yards. Other scores were Cole Walterscheid, Jace Fredrick, and Daniel Serna, who each had a 2 point conversion reception.

Coach Courtney Christenson stated, "The Muenster defense played a very stingy 1st half, and did not let the Pirates score until late in the game."

JV Tigers beat Era 28-14

The Junior Varsity Tigers of Sacred Heart brought home a 28-14 victory last week, winning over the Era Hornets.

The Tigers scored on the sixth play of the game with a 47 yard touchdown run by Phillip Vogel. The extra run failed for a 6-0 score with 7:03 on the clock.

The teams exchanged possessions, with Era scoring early in the 2nd to take an 8-6 lead.

The next play, Chad Walterscheid returned the kickoff 75 yards for a touchdown. Vogel ran in the extra points for a 14-8 Tiger lead.

An interception by Austin Aldridge set up Sacred

Heart's next touchdown. A Walterscheid to John Paul Hesse pass turned into a 41 yard scoring play and a 20-8 Tiger lead with 5:15 remaining in the 1st half. The teams exchanged punts before the halftime break.

After a scoreless 3rd quarter, the Tigers took nine plays to travel 60 yards, including runs by Justin Brown, Hesse, and Vogel, and a Walterscheid to Hesse pass. The scoring run was from the 5 yard line by Walterscheid. Vogel ran in the extra points for a 28-8 score.

Era fought back, taking four plays to find paydirt, cutting the score to 28-14 at the 2:45 mark.

Cubs stung by Bees

The Era Junior High Hornets took an 18-12 win from Sacred Heart last week. The Cubs scored first on their second possession of the game. Beginning on the Era 22, a run by Tavi Saldana moved the ball to the 5. Isac Walterscheid carried the ball in for 6 points. The PAT failed for a 6-0 score with 3:35 on the clock.

Both teams fumbled, Era punted, and Sacred Heart couldn't get a 1st down going through the 2nd quarter. With 27 seconds on the clock, Era tied the game 6-6 at halftime.

Era took the 3rd quarter kick, moving the ball 53 yards to take a 12-6 lead with 3:26 remaining in the 3rd quarter.

The Cubs' next two offensive attempts ended in turnovers, the second an interception that gave the Bees an 18-6 lead with 6:37 on the game clock.

From their 45, Sacred Heart used runs by Kason Reeves, and Reeves to Walterscheid passes to find the end zone. The PAT failed for an 18-12 score with 2:22 remaining in the game.

An inside kick was covered by the Cubs at midfield, but a fumbled pitch ended Sacred Heart's chance for a win.

Defensively, Hayden Schilling covered two fumbles. Leading tacklers were Isac Walterscheid, Schilling, Chris Bartush, Tavi Saldana, Kason Reeves, Kevin Flusche, and Darien Peters.

Hornet JV takes win over Petrolia

The Muenster Hornet JV football team traveled to Petrolia last Thursday night to play the Pirates. Muenster improved their record to 2-2 with a 26-14 victory. Blake Voth had two touchdown receptions, one thrown by quarterback Hunter Klement and one by quarterback Garrett Hanes. Klement also had a touchdown pass to Trevor Hess.

"The Muenster Hornet defense looked really good and were dominant all night," said Coach Trey Gray. He noted that Darrin Springs had two fumble recoveries and returned one back for a touchdown.

The Hornets hosted the Wolfe City Wolves on Thursday, Sept. 24.

Muenster 7th opens season

The Muenster 7th grade opened their 2009-10 football campaign on Thursday, Sept. 10 by hosting the Millsap Bulldogs. The Hornet offense came out strong as quarterback Brandon Hennigan completed passes to Trey Anderle and Dalton Blassingame. The much larger Bulldog defense came alive and stymied the young Hornet offense.

The defense played tough, led by Chance Herr. But again the Bulldogs were up to the challenge. By the end of the game, the Hornets suffered a 38-0 loss.

"Although the team got off to a rocky start, they feel like their best football is still to come," stated Coach Stephen Blassingame.

Dove Hunters

Six Cub Scout Pack 664 members and their fathers attended the Webelos I Dove Hunt and Campout in Talpa last weekend. The boys learned gun safety, hunting ethics, dove biology, and hunting regulations, plus competed in skeet shooting, a schutzenfest, and hunted dove. They also cooked the meals for the dads and will receive their Outdoorsman badge. Pictured above, from left - Darrell and Max Herr, Bill and Ethan Hellman, Tony and Owen Tolar, Stick and Stone Lamar, Craig and Andrew Stoffels, and Dan and Stetson McGrew. The Hornets travel to Wolfe City this Friday. "They are very athletic with a power running game," noted Coach Cross. The Wolves are 1-2 on the season.

"We need to get back on track. We're focusing on cutting down our turnovers and scoring more points," Cross concluded.

Stephen Valliere and Garrett Walterscheid may be side-lined with injuries this

Friday. Kickoff is at 7:30 p.m.

Knights knock out Rams

Twenty-eight points in the 2nd quarter gave the Lindsay Knights the domination they needed to control their game against S&S last Friday and bring home a 56-14 victory.

"I was extremely pleased with the offensive and defensive lines," noted Knight Coach Cody Bounds. "These boys don't usually get a lot of credit, but they played extremely well." Lindsay linemen are Greg Luttmer, Will Taylor, Greg Knauf, Connor Fuhrmann, Tyler Hundt, Sean Willard, Colton Hermes, Austin Reiter, Madison Parkhill, and Frankie Cornett.

Losing ground the first drive of the game, the Rams punted. From the Ram 46, three runs by Ryan Haverkamp and Lindsay was on the board. Ross Jones added the point after for a 7-0 score with 8:56 on the clock.

The Knight defense again put S&S at a loss, forcing a punt. Two plays later, the Rams covered a Lindsay fumble, setting up an S&S touchdown to tie the score 7-7 with 3:31 remaining in the 1st quarter.

The Knights mixed runs by Haverkamp, Josh Mueller, and Jordan Lane, and Dax Fleitman passes to Ross Jones to get into the 2nd quarter and the Ram 28 yard line. With just 27 seconds off the clock, Haverkamp found the end zone. Jones booted the point after for a 14-7 Lindsay lead.

After a tackle by Greg Knauf and a sack by Frankie Cornett, S&S punted on 4th and 15. Four plays later, John Block scored on a 6 yard run. Jones' PAT put the Knights ahead 21-7.

The Knight defense allowed S&S 4 yards. A short punt kept the action near midfield. Five plays later, Jones intercepted a pass 17 yards from the end zone. A Fleitman to Madison Parkhill pass was good for 6. Jones added the PAT for a 28-7 score with 1:23 remaining in the 1st half.

Lindsay still controlled the game. Cornett covered a fumbled S&S ball on the 26. With 3 seconds on the clock, Fleitman connected with Block for another 6 points. Jones' PAT boosted Lindsay's lead to 35-7.

The 2nd half saw Lindsay's first punt of the game placing the Rams deep on their 7 yard line. A 4th and 11 fake punt pass gave the Knights possession on the 6. A Mueller run from the 4 and a Jones PAT gave Lindsay a 42-7 lead with 6:25 remaining on the 3rd quarter clock.

It was three plays and punt again for the Rams, placing Lindsay on their 43. The Knights slowly pounced

out seven plays, the final an 8 yard run by Cornett for a touchdown. Sure-footed Jones added the PAT for a 49-7 score still in the 3rd period.

The opening final period play saw a Ram find an opening in Lindsay's defense for a 45 yard TD run. Eleven seconds off the clock, the scoreboard read 49-14.

Ryan Haverkamp got a 47 yard kick return, but Lindsay couldn't capitalize on the return and punted. After 10 Ram plays, the Knights stopped S&S near midfield. Block then gained 24, with Mueller taking the next 24 and scoring with 3:20 on the clock. Jones added the point after for a 56-14 score.

Two tackles by Matt Dieter were followed by Will Taylor recovering a fumble. The Knights got to the 9 yard line, then allowed the clock to run out for the final 56-14.

Fumble Recovery - Frankie Cornett.

Next Action

The Knights will host the Archer City Wildcats for this Friday's Homecoming celebration.

"Archer City's a good team ranked high on all the polls," noted Coach Bounds. "They beat us twice last year. They have good returning players from that team, including a quarterback that can run and throw."

The Wildcats are undefeated going into the game with wins over Haskell 27-7, Chico 47-0, and Tolar 19-14.

Kickoff will be at 7:30 p.m. after pregame Homecoming activities that begin at 7 p.m.

Foot rot in grazing cattle on wet pastures

Many pastures in the area are now soggy from repeated rains and thunderstorms. Standing water and muddy conditions can increase the likelihood of "foot rot" in grazing cattle. Mechanical injury or softening and thinning of the interdigital (between the toes) skin by puncture wounds or continuous exposure to wet conditions are necessary to provide entrance points for infectious agents. *Fusobacterium necrophorum* is the bacterium most often isolated from infected feet, but is also frequently isolated from non-diseased interdigital skin. The majority

of *F. necrophorum* isolated belong to biotypes A and AB which produce toxins that cause necrosis (decay) of the infected tissues.

Feet infected with *F. necrophorum*, serve as the source of infection for other cattle by contaminating the environment. Disagreement exists on the length of time *F. necrophorum* can survive off of the animal, but estimates range from 1 to 10 months. Once loss of skin integrity occurs, bacteria gain entrance into subcutaneous tissues, begin rapid multiplication and production of toxins that stimulate further continued bacterial multiplication and

penetration of infection into the deeper structures of the foot.

Diagnosis of foot rot can be made by a thorough examination of the foot and characteristic signs of sudden onset of lameness, usually in one limb; elevated body temperature; interdigital swelling; and separation of the interdigital skin. There are numerous other conditions causing lameness and affecting the foot that may be confused with foot rot. Cattle grazing endophyte-infected fescue pastures and develop fescue toxicity with loss of blood circulation to the feet and subsequent lameness are sometimes mistaken as having foot rot.

Treatment of foot rot is usually successful, especially when instituted early in the disease course. Most cases require the use of systemic antimicrobial therapy. Learn more about treatments and prevention of foot rot by reading OSU Fact Sheet ANS1-3355 "Foot Rot in Grazing Cattle" by John Kirpatrick, DVM and Dr. David Lalman; <http://pods.dasn.orstate.edu/docshare/dsweb/Get/Document-2023/ANSI-3355-web.pdf>

Visit with your veterinarian and determine the best antibiotic treatment for your cattle that have become in-

fectured with foot rot.

Because mature cows often are infected with foot rot and therefore treated with an antibiotic, it is extremely important for cattle owners to follow the label instructions completely. Do NOT market any treated cattle before the specified withdrawal time listed on the label of the product administered. Also keep treatment records with animal identification, date given, product name, lot or serial number, dosage, route of administration, and person giving the treatment.

Beef Cattle Field Day

The Red River Angus Association in cooperation with Texas and Southwestern Cattle Raisers Association, Texas CattleWomen, and Texas Beef Council will be hosting a Beef Cattle Field Day, Oct. 3 at Pullen Angus, located one mile south of Bellevue on Hwy. 287. The Field Day is open to all interested beef cattle producers. For more information, contact Rayford Pullen at 940-841-1510 or www.pullenangus.com

Japanese may nix more U.S. beef

The newly elected Democratic Party in Japan may be less agreeable to expanding imports of U.S. beef than the previous government. Japan was once the top export market for U.S. beef, but sales dropped sharply after December 2003 when the United States reported its first case of bovine spongi-

form encephalopathy. "There is certainly a concern that there are hard-line elements in the new ruling party that will be resistant to expanded beef access. How that translates into policy remains to be seen," Joe Schuele, spokesman for the U.S. Meat Export Federation, told Reuters.

Options for managing and using leaves

Following is an excerpt from Aggie-Horticulture. It helps us to understand how to manage our leaf trash this fall.

Leaves are truly a valuable natural resource! They contain 50 to 80% of the nutrients a plant extracts from the soil and air during the season. Therefore, leaves should be managed and used rather than bagged and placed at curbside to be picked up and hauled to landfills. There are four basic ways in which leaves can be managed and used in the landscape.

Mowing

A light covering of leaves can be mowed, simply leaving the shredded leaves in place on the lawn. This technique is most effective when a mulching mower is used. In fact, during times of light leaf drop or if there are only a few small trees in your landscape, this technique is probably the most efficient and easiest way to manage leaf accumulation.

Mulching

Mulching is a simple and effective way to recycle leaves and improve your landscape. Mulches reduce evaporation from the soil surface, inhibit weed growth, moderate soil temperatures, keep soils from eroding and crusting, and prevent soil compaction. As organic mulches decompose, they release valuable nutrients for use by your landscape plants. Leaves can be used as a mulch in vegetable gardens, flower beds, and around shrubs and trees. As an option to raking, a lawn mower with a bagging attachment provides a fast and easy way to shred and collect the leaves. Leaves that have been mowed or run through some other type of shredder will decompose faster and are much more likely to remain in place than unshredded leaves.

Apply a three to six inch layer of shredded leaves around the base of trees and shrubs. In annual and perennial flower beds, a two to three inch mulch of shredded leaves is ideal. For vegetable gardens, a thick layer of leaves placed between the rows function as a mulch and an all-weather walkway that will allow you to work in your garden during wet periods. Mulches are especially beneficial when used around newly established landscape plants, greatly increasing the likelihood of their survival.

Soil Improvement

Leaves may be collected and worked directly into garden and flower bed soils. A six to eight inch layer of leaves tilled into a heavy, clay soil will improve aeration and drainage. The same amount tilled into a light, sandy soil, will improve water and nutrient holding capacity.

A recommended strategy for using leaves to improve soil in vegetable gardens and annual planting beds is to collect and work them into the soil during the fall. This allows sufficient time for the leaves to decompose prior to spring planting. Adding a little fertilizer to the soil after working in the leaves will hasten their decomposition.

Composting

Knowledge of composting dates back to the early Greeks and Romans. The Arabs kept the science of composting alive during the Dark Ages, and it continued throughout the Renaissance. From Shakespeare's Ham-
