## Trout joins Muenster Police Department

By Janet Felderhoff

Muenster's newest police officer is Eric Trout. He served with the Cooke County Sheriff's Office for eight years, the last four as bailiff for the District Court. His first day with the Muenster Police Department was on Oct. 12.

Trout received his training as a police officer at Grayson County College. He graduated from its Police Academy as valedictorian and was presented the Woody Blanton Award.

"Firm, but fair," is Officer Trout's philosophy as a police officer. "I'm here to serve the public."

There are other police officers in Trout's family. His grandpa was a police officer, as well as a couple of other family members. "It is something that I've always thought I was called to do," remarked Trout on his reason for becoming a police officer.

Trout decided to apply for the job of police officer in Muenster because of the community. "The size of the community and the people that I know from here - I always thought that I would enjoy working over here," he noted as to why he decided on the move from the Sheriff's Office to the local police department. He comes from a small town and appreciates the aspect of knowing your neighbors.

"I really think that I will do this community a good job and I think that I will enjoy my time here," Trout commented.

In his spare time, Trout enjoys golfing, fishing, the outdoors, and family time with his kids. He also enjoys playing cards.

Trout and his wife Amber have four children, Andrew, Chris, Luke, and Riley.

Muenster Police Chief Bob Stovall said that he hopes to hire a third officer soon to bring the Department back up to three officers.

## Two apprehended in burglary of Pharmacy

By Janet Felderhoff

Muenster Police Chief Bob Stovall reported that two men were arrested on Wednesday, Oct. 21 for the burglary of the Muenster Pharmacy. He was notified at 9:54 p.m. of a burglary in progress on Oct. 21.

According to Chief Stovall, a witness noticed two people breaking in the front door of the Pharmacy and notified the Cooke County Sheriff's Office. The witness watched and saw the burglars leave the Pharmacy driving east on Hwy. 82 towards Gainesville.

Chief Stovall proceeded east in pursuit and two Cooke County Sheriff's deputies set up outside of Lindsay. Stovall caught up with the vehicle just west of Lindsay. The Sheriff's deputies assisted him. Inside the vehicle they found two subjects. In the back seat they discovered a white plastic trash can taken from the Pharmacy filled with bottles of pills, mostly hydrocodone. Also found were a crowbar and channel lock pliers, tools used in the burglary.

## Nov. 3 polling places

By Janet Felderhoff

There are 11 proposed amendments to the Texas Constitution on the ballot to be considered during the Nov. 3 election. They concern issues such as property taxes, veterans, public beaches,

private property, and county land. Many advise careful study of them since they find some of them to be written in a manner that is confusing.

Polls will be open from 7 a.m. to 7 p.m. on Nov. 3. Early voting began on Oct. 19 and ends Oct. 30 at 5 p.m. It is being held at the Cooke County Library, 200 South Weaver, Gainesville between the hours of 8 a.m. and 5 p.m.

The County Clerk posted polling places for local voters as follows:

Precinct 18 - Sacred Heart Community Center, 730 N. Main, Muenster;

Precinct 17 - Muenster V.F.W. Hall, 113 S. Main Street;

Precinct 15 - Myra Fire Station, 1659 FM 1198, Myra;

Precincts 19 and 21 - Centennial Hall, 504 W. Fourth Street, Lindsay;

Precinct 14 - Rosston Fire Station, Rosston;

Precinct 12 - Era Community Center, Era.

## Dorothy Hartman reflects on the blessing of 90 years

By Janet Felderhoff

Dorothy Hartman, known by generations as Nurse Dorothy, celebrated her 90th birthday. She was honored with a party on Sunday, Oct. 25 when a multitude of family, friends, and former patients came to observe the occasion with her.

Born to John and Helena Hess Hartman on Oct. 27, 1919, Dorothy spent most of the first five decades of her life on the family farm. In her youth, she helped with the farm work, milking cows,

picking cotton and corn, and other chores. She lived on the farm until 1967 when she moved to a duplex in town which she and a cousin built.

At age 18, Dorothy began what would be a career spanning 45 years. She went to work as a night nurse for Dr. T. S. Myrick in the Muenster Clinic. There was no formal training for Dorothy. She had on the job training. Gertrude Roberg worked as Dr. Myrick's day nurse and Dorothy credits her for teaching

many of the skills required. "She taught me a lot," Dorothy recalls. "My training was rugged and very thorough. It has stood me to great stead during the years."

In 1940 when Gertrude married Jerome Pagel, Dorothy got the opportunity to take on the duties of day nurse.

The first baby she helped deliver was David Walter. He was at the birthday celebration Sunday and reminded Dorothy that she

## County Librarian hopes to bring POW camp bus to County

By Janet Felderhoff

Father Ken Robinson, pastor of Sacred Heart Parish in Muenster, offered the opening prayer for the Monday, Oct. 26 meeting of Cooke County Commissioners Court.

Cooke County Library Director Jennifer Johnson-Spence informed Commissioners Court that she learned of a grant through her regional library system that would be appropriate for this area. The exhibit deals with POW camps here in the U.S.A. "We had 60 (POW camps) alone in the State of Texas and Camp Howze happened to be one of them," she said. "It comes on a 40-foot school bus that has been remodeled and has displays in it with actual artifacts from some of the prisoners and from the camps around the country. It also has information." She added that it can come in three hour or seven hour windows. She hopes to do the seven hour window since she feels there will be a high interest.

The location is not yet definite. More parking area may

be required than is available at the Cooke County Library, she noted. There is a minimal cost. The tentative date is Dec. 15.

Commissioners approved the Cooke County Library to apply for the Humanities Texas mini grant to bring "Held on the Homefront: German POWs in the U.S., 1943-46" to Cooke County.

County Judge John Roane appointed Chief Deputy Clerk Pam Baldwin of the County Clerk's Office as ad hoc chairman in charge of forming and getting members for a Local Data Advisory Board through the Texas Department of Public Safety.

Pam explained that the Board is being put together for the purpose of figuring out what was done wrong in 2006 to get a desposition. They got 81% and DPS wants them to be over 90% complete in filing arrest reports to DPS. "We are already working on fixing it," she noted. "We have to have this Board to figure out what we can do in the future to get it working better and get our

percent up to 90%."

On the Board will be a representative from the County Attorney, the District Attorney, Sheriff's Office Gainesville Police Department, NET Data, Adult and Juvenile Probation Offices, County Clerk, and District Clerk. The Board must be assembled by Nov. 1 and report to the State by June 1, 2010.

Commissioners approved an interlocal agreement with Hill County for Cooke County to provide jail services for a 12 month period beginning Nov. 1. The cost is \$42 a day per inmate. There are currently no inmates being held in Cooke County Jail for other counties. It was noted that the higher the jail population, the lower the cost is per inmate.

The week of Oct. 23-31 was declared Red Ribbon Week in Cooke County with a goal of making people more aware of the dangers of drug abuse and of the difference one person can make in the effort to make a drug free community.

## Keeping the Muenster community beautiful

Lucas Sebade contributes to Butch Fisher's trash sack during last Saturday's Keep Muenster Beautiful Make a Difference Day trash pick-up. Seventy-five volunteers helped pick up litter along Muenster's streets and highways, with teams spending 2-3 hours "on the road." One hundred and one bags were filled. Volunteers noted that some areas were not as "trashed" as in the past, thus KMB's efforts are having a positive impact on the community. See page 10 for more KMB pictures. Janie Hartman photo

## Marie Hundt 1920 - 2009

Mass of Christian Burial for Marie Elizabeth Becker Hundt was held at 10 a.m. Saturday, Oct. 24 at Sacred Heart Church in Muenster with Fr. Ken Robinson officiating. A Rosary/Vigil service led by Fr. Ken was held at 6 p.m. Friday at McCoy Funeral Home in Muenster. Marie died Wednesday, Oct. 21, 2009 at Denton Regional Medical Center.

Born May 11, 1920 to William and Elizabeth Knabe Becker in Muenster, Marie was raised in Muenster and attended Sacred Heart Catholic School. She married Herbert A. Hundt at Sacred Heart Church on Oct. 24, 1939. They lived on a farm in Myra and later on a farm near Lindsay. Marie and Herbert moved to Dallas in 1955, where Herbert worked in commercial refrigeration. When Herbert retired in 1980, they moved back to Muenster.

Marie loved playing cards. She also enjoyed the company of her children and all her grandchildren (including great- and great-great-grandchildren) in her later years. She resided at St. Richard's Villa the last 18 months of her life.

Survivors include her daughter and son-in-law Joan and Leonard Haverkamp of Muenster; sons and daughters-in-law David and Mary Hundt of The Colony, James and Ella Hundt of Midlothian, Giles Hundt of Muenster, and Herbert Hundt, Jr. of Dallas; 17 grandchildren, 19 great-grandchildren, and one great-great-grandchild.

Preceding her in death were her husband Herbert on July 29, 1986; and brothers Werner Becker and Martin Becker.

Assisting during the funeral Mass were altar servers Hayden Schilling, Melvin Schilling, and Sylvan Walterscheid. Granddaughter Elaine Nolting gave the First Reading. The Second Reading was given by Dilena Hundt, granddaughter. Prayers of the Faithful were read by Kristy Hundt, granddaughter. Offertory Gifts were brought up by Jeff Reiter and Jessica Schilling, great-grandchildren. Eucharistic ministers were Craig and Rita Bayer, Lisa Schilling, Theresa Mae Walterscheid, and Mike Marshall.

Music ministers were Christy Hesse and Isaac Davis. Sacred songs included "On Eagles Wings," "To You O Lord," "Softly and Tenderly," "Only In God," "Songs of the Angels," and "How Great Thou Art."

Marie Hundt

Granddaughter Lisa Schilling gave the eulogy. She said, in part, "...Marie grew up on the family dairy farm north of town... While in Dallas, Marie worked for a babysitting agency where she cared for the children of many well known people including the Dallas Cowboys... I remember as a child packing up for that LONG trip to Dallas to see Grandma and the excitement and anticipation we all felt about getting there. We knew that she always had something special waiting for us..."

"Grandma not only loved children, she loved animals as well... Grandma had a large bird collection and enjoyed studying and watching birds... Basically, Granny was just all around cool! She zipped up and down LBJ Freeway in her red vinyl top 2-door Monte Carlo and would take us anywhere we wanted to go.

"She enjoyed spending time with her family and friends playing dominos and cards... For some reason, food always tasted better at Granny's house. She could make a ham sandwich taste like you got it at a 5 star restaurant. Maybe it was the company and not the food that made it taste so good..."

Burial was in Sacred Heart Cemetery. Pallbearers were Dwayne Haverkamp, Gene Haverkamp, Herbert Hundt, Jr., Jason Hundt, Michael Hundt, and Bart Hundt.

## Alphonse Bengfort 1924 - 2009

Funeral Mass for Alphonse Joseph Bengfort of Lindsay was held at 10 a.m., Saturday, Oct. 24, at St. Mary's Catholic Church with Fr. Raymond McDaniel officiating. Burial was in St. Peter's Cemetery. A rosary was recited at 7 p.m., Friday, Oct. 23, at Geo. J. Carroll & Son Funeral Home.

Mr. Bengfort died at the age of 84 on Wednesday, Oct. 21, 2009 at North Texas Medical Center.

Born Oct. 25, 1924 in Lindsay, he was one of seven children born to John and Christina Metzler Bengfort. He attended Lindsay High School. On Oct. 2, 1951, Al married Juanita Stevens at St. Mary's Catholic Church in Gainesville. They moved to Lindsay in 1953 and together they had eight children (five boys and three girls).

Al worked for many years in the oil field along with farming, corn picking, and custom combining. He went to work for Valenite in 1965 as an inspector and retired from there after 25 years of service. After his retirement, he spent his time fishing, peacan picking, and working on old cars. He was a lifelong member of the Knights of Columbus.

Survivors include his wife of 58 years Juanita of Lindsay; children Christine and Gary Mazingo, and David Bengfort and Gary Bengfort, all of Lindsay, Richard and Judy Bengfort of Gainesville, Robert and Shelli Bengfort of Lindsay, Beck and Kelly Bower of Vancouver, Washington, Jennifer Bengfort of Tulsa, Oklahoma; sister Francis Yosten of Muenster, sister and brother-in-law Ann and Bob Hale of Dallas; 10 grandchildren and five great-grandchildren, and numerous nieces, nephews, and cousins.

Al Bengfort

He was preceded in death by his parents; brother Joe and his wife Louise Bengfort, brother Florenze "Bimps" Bengfort, sister Margaret "Maggie" Bengfort, sister Genevieve and her husband Walter Huchton, and brother-in-law Werner Yosten.

## Grewing dies

Anthony F. "Dude" Grewing, age 64 of Muenster, died Monday, Oct. 26, 2009. Mass of Christian Burial is set for Friday, Oct. 30 at 10 a.m. in Sacred Heart Church. A Rosary/Vigil service was held at 6 p.m. on Thursday, Oct. 29 at McCoy Funeral Home in Muenster.

## David Forgey 1927 - 2009

David Anthony Forgey died on Oct. 6, 2009. Mr. Forgey was born in Dallas on Dec. 5, 1927. He graduated from Crozier Tech High School in 1945 and was in the U.S. Navy from 1946-48. He then returned to Dallas and attended Arlington State (now UTA) and North Texas State (now UNT), earning degrees in Education and Social Studies, and a Master's degree in Education. His teaching career began at Lewisville High School in 1954, where he taught until 1959. He then moved on to Adamson High School in Dallas, teaching there for 10 years. In 1969, he accepted an assistant principal position at Hill Middle School in Dallas. One year later, he was named assistant principal at Bryan Adams High School in Dallas, where he served for 17 years until his retirement in 1987. For many years after his retirement, he continued to work as a substitute teacher.

He was an avid historian and educator who loved teaching and helping young people. He also enjoyed working as a handyman for Mr. Miller and Home Plumbing in Dallas.

David met the love of his life, Olivia "Ollie" Haverkamp, at a local Catholic church gathering

for young singles in 1953. Ollie is the daughter of the late Lee and Mary Spaeth Haverkamp. David and Ollie were married in Dallas on Aug. 6, 1955. They remained devoted to each other for the next 54 years. David was a selfless family man who took great care of his wife and children. He was a happy, jovial person who treated everyone with respect and kindness. He was someone who could truly be counted on to do the right thing.

He is survived by many loving family members and friends, including his wife Ollie Forgey of Dallas; daughter Mary Lee Coffey and husband Bob; daughter Gretchen Forgey; daughter Suzanne Forgey-Hoever; son Chris Forgey and wife Deidra; two granddaughters and two grandsons; sister Winifred King and husband Al; sister Sister Mary John (Edna) Berchmans, O.S.U.; and several brothers-in-law, sisters-in-law.

Funeral Mass was Oct. 12 at St. Thomas Aquinas Catholic Church in Dallas. Burial followed at Calver Hill Cemetery in Dallas.

Pallbearers were his nephews Monte Haverkamp, Larry Schumacher, Tim Schumacher, Bryan Wiesman, Daryl Wiesman, and Donnie Boydston.

First in Texas. First in Service.

We want to say "THANK YOU" to the many friends that have touched our hearts during the loss of our loved one ... "Edgar, Dad, Handy, Mr. Dyer, and Dyer." Thank you for your many expressions of love by the food provided, donations for food at Fischer's and Rohmer's, phone calls, beautiful cards and letters, memorials to the Muenster FFA, and your attendance at the "celebration" of life service.

A SPECIAL thanks to the entire staff and nurses at Saint Richard's Villa for their loving care and many acts of kindness, Brother Ralph Gourley for his comforting words, Wayne Klement for the heart-warming eulogy, Andy Serna and Ed Otto for the beautiful music, Roger Fleitman and Chuck deAlbuquerque at the Able-Shiloh Cemetery, former students who served as pallbearers, long-time friends who served as "honorary" pallbearers, Muenster ISD, where he was Vo-Ag teacher for 29 years, for providing the facilities for Edgar's service, and members of The First Baptist Church for the meal of delicious "Handy Burgers"!

Your thoughtfulness and friendship have helped to make our days brighter. At this time, we truly know that friends and family are among God's greatest blessings.

## CCRW to feature Write Your Congressman

The November meeting of the Cooke County Republican Women will be Thursday, Nov. 5 at 7 p.m. in the First Christian Church, 401 N. Dixon St., Gainesville. The featured speaker will be Joe Huber, representative from National Write Your Congressman. The organization was begun in 1958, when the founder saw a need for an establishment that would provide citizens with non-partisan, unbiased information and make it easy to communicate with their lawmakers. National Write Your Congressman has received wide-spread respect and applause in Washington, D.C. and is the leading

source of constituent mail received by Congress. The group has proven that ordinary citizens can influence their lawmakers by communicating directly with their legislators, just as the Founding Fathers intended. "We the People of the United States..." was a phrase the original writers of the Constitution took very seriously. They believed that the will of the people should determine the policies and direction of the government. National Write Your Congressman helps to facilitate that goal. Men and Women are invited to attend, and refreshments will be served following the meeting.

## In the Service

**Chad Dieter**  
Chad J. Dieter has graduated from the Army ROTC (Reserve Officer Training Corps) Leader Development and Assessment Course, also known as "Operation Warrior Forge," at Fort Lewis, Tacoma, Washington. The 32 days of training provide the best possible professional training and evaluation for all cadets in the aspects of military life, administration, and logistical support. Although continued military training and leadership development is included in the curriculum, the primary focus of the course is to develop and evaluate each cadet's officer potential as a leader by exercising the cadet's intelligence, common

sense, ingenuity, and physical stamina. The cadet command assesses each cadet's performance and progress in officer traits, qualities, and professionalism while attending the course. Cadets in their junior and senior year of college must complete the leadership development course. Upon successful completion of the course, the ROTC program, and graduation from college, cadets are commissioned as second lieutenants in the U.S. Army, National Guard, or Reserve. Chad is the son of Jeff and Melinda K. Dieter of Lindsay. His wife, Allison, is the daughter of Kevin and Sherry Copeland of Lindsay.

## Chili supper to benefit Greg Taylor family

Serving Cooke and Montague Counties since 1995

On June 8, 1976, we began serving people in Muenster and the surrounding area. The beginning years were a struggle. But with each passing year and continued support from the area, business began to prosper. We have decided to leave the tire business to take another adventure in life. Words cannot express our appreciation, but here is us trying:

*"To all customers who have used Knabe Tire and Battery, you kept us in business over 33 years. Thank You!"*

**Edna & Herbert Knabe and Dawn Knabe**

Support your locally owned businesses, this keeps Small Town America alive.

**Beware of Small, Strange Creatures After Dark!**

You know what happens around here on October 31...  
Small, strange creatures dot our roads at night...  
Creeping up to homes with large bags...  
Dashing from one place to another...  
Often forgetting about passing cars and trucks...

Halloween is one of the most fun nights kids have all year. But in their excitement, they don't always think about safety, which means those of us driving cars and trucks need to do it for them. So, around the end of the month, your friends at your local electric co-op remind you to drive with even more care than usual.

**Let's keep Halloween a special treat.**

helped with his delivery. "He never lets me forget that," she laughed. Another former patient Don Rohmer was at the party. He reminded her that she put him to sleep for a tonsillectomy.

"I did office work, took care of the patients, bathed them, and did everything," Dorothy remembers. "I was the only nurse in Doctor's office. I delivered babies, I gave anesthetic with no training at all." She noted that they only did surgery on tonsils and adenoids in Muenster. Dr. Myrick did all his other surgeries in Gainesville.

One Sunday when Dr. Myrick was out of town, a woman from Forestburg came into the Clinic in labor. Dorothy tried to send her to Gainesville to have the baby or call a doctor from Gainesville to come deliver the baby. Dorothy said the woman insisted that Dorothy deliver the baby. She finally called the night nurse Marie Truebenbach and the two delivered the child.

Dr. Myrick died on Oct. 28, 1959. Dorothy then worked for Dr. S.E. Saiken who came from Gainesville a few days a week, then for Dr. Kenneth Dobbs who established a practice in Muenster for some time before moving to Dallas. For two years, there was not a physician or a hospital in Muenster. During that time, Dorothy worked at Hofbauer's Grocery Store as a check out clerk.

The community wanted medical care and began a drive to build a hospital. Dorothy was active in this effort, taking on the job of recording pledges. When Muenster Memorial Hospital was built, Dorothy was among the volunteers helping to move in supplies.

Dorothy was on staff at the Muenster Hospital for the first six months that it was open. Dr. B.F. Hejduk, physician and surgeon, arrived in Muenster to set up a practice. Dorothy became his office nurse and assisted him in all his surgeries. He died of asphyxiation. She then worked for Dr. Martin Kralicke for eight years and finally for Dr. Enrique Juaréz for nine years until her retirement in October 1984.

Dorothy recalls going out to Camp Howze. "We went to dances and at Christmas we went and wrapped their gifts for their friends and their families," she remembers. "Betty Luke and Mrs. Nick Miller took us. We got to dance and if you danced too many dances with one person, boy, they would come and get you!" She said that you might be allowed to share a coke, you were supposed to let everybody have a chance to dance with you.

Every birth certificate and every death certificate for births and deaths in Muenster were recorded by Dorothy. She filled out the certificates and sent one copy to the County Clerk's office in Gainesville and another to Austin. She served in that capacity from 1943 to 1980.

Over the years, Dorothy was a member of the VFW Auxiliary, Catholic Daughters of America, served as a Eucharistic minister in Sacred Heart Parish, and as a member of the Liturgical Commission. After she retired from nursing in 1984, she began attending S.N.A.P. where she enjoys playing cards and quilting. She still attends and often volunteers to help with the program. At one time, she helped to de-

liver meals.

Still filled with a zest for life and love of people, Dorothy attended S.N.A.P. where she visited, played cards, and quilted. "We made lots of money. We gave \$2,000 for the Museum and \$2,000 for the Library," Dorothy said of the quilting program she headed. They also make quilts for the Parish Picnic each year.

Hobbies enjoyed by Dorothy include making afghans. She has made over 120 afghans for her nieces, nephews, and their children. She likes to play Sheephead and 84. She used to enjoy picking pecans, but said she can't do that any longer.

Dorothy's many years of ministering to the community did not go unrecognized. In May 1975, the Muenster Jaycees presented her with a Distinguished Service Award.

"Enjoy life and do the best you can, visit with people as long as you can remember their names," advises Dorothy. "Stay active," Dorothy prescribes for those who want to enjoy a healthy lifestyle. "You've got to keep going. If you don't exercise, you don't keep your strength and you can't walk that far anymore. The less you do, the less you can do. Keep moving."

Dorothy said her birthday party Sunday was wonderful. "I was so impressed with how many people came," she remarked. "That was something. I love every one of them."

Dorothy Hartman assisted with surgeries during her time as Dr. Hejduk's nurse. Pictured above are, from left, Emily Hartman, Dr. Willis, Dorothy Hartman, Dr. Hejduk, unidentified, and Sr. Romania. At left, Nurse Dorothy Hartman at work in the Muenster Clinic.

## Muenster Math and Science Teams compete

On Saturday, Oct. 24, the Muenster High School TMSCA organization traveled to City View to compete in their first meet for the year. The competition was tough with the following State contenders attending the meet from City View, Poolville, Albany, Azle, Ponder, Bridgeport, Hirschi, and Wichita Falls High.

Muenster brought their young guns out and did very well. The following students placed in their grade level in the small school division of 1A-2A. As a team Muenster placed third in mathematics. The competition was broken down into small, large, and overall scores in number sense, calculator applications, mathematics, and science.

Muenster ninth grade students competed and placed in the following categories in their grade level: Payton Sanders, first in science and

sixth in math; Lauren Rohmer third in math; Tori Dyess did not place in the top six, but competed in math and calculator. The sophomore students were: Rishi Patel sixth in calculator, second in mathematics, and second in science; Landon Presnall third in number sense, fourth in mathematics, and sixth in science; Blake Voth sixth in mathematics. The only junior making the trip was Josiah Flaming. He did very well for his first competition ever in TMSCA and placed fourth in mathematics.

Once the students were ranked with the large school division, the following students placed in their grade level as well: Lauren Rohmer third mathematics, Payton Sanders first in science and sixth in mathematics, Rishi Patel fifth mathematics and second in science. The students will travel

one more time to City View on Nov. 7, and that will be the last opportunity before Christmas to compete.

Muenster sets the qualifying scores in each grade level for the students to compete at the State level based on the past scores at the State competition. MHS requires that each member qualify in at least two of the four events, clock hours of practice time, and attend at least three meets. The following students met their scores at their first meet: Lauren Rohmer in math and science, Landon Presnall in science, and Rishi Patel in math and science.

The TMSCA is under the direction of Danna Hess who also coaches the number sense and mathematics, Carolyn Lutkenhaus coaches the calculator, and Nancy Perryman the science.

## Hornet Band to get new uniform jackets

The Muenster ISD Board met in a called meeting on Tuesday, Oct. 20, prior to their Team of Eight Training led by Terry Horton.

The Board voted 7-0 to purchase 50 band uniform jackets for the Hornet Marching Band. The concern of too much black and not enough red was corrected by changing the back of the jacket to red. The M letter type design on the jacket was also changed to match Ms on other school uniforms.

The Board also agreed to give Superintendent Kaufman a one time stipend of \$1,140 from the \$10,140 he recently won for the school at a raffle. The raffle was held during a workshop for superintendents given by DK Haney Construction.

## Tigers out-scratch Lions 34-21

A young Lion team from Ponder arrived in Muenster Friday night to challenge the Tigers of Sacred Heart in a non-conference match. When the battle ended after four quarters of play, the Tigers came out on top with a 34-21 victory.

Sacred Heart totaled only 17 more yards than Ponder, had one more 1st down, and ran nine more plays in their win over the Lions.

"We started slow due to the fact we were not focused. The boys were looking towards the big game with Arbor," noted Coach Dale Schilling. "After the 1st quarter, we settled in." Schilling added that it was the Tigers' best running game, 273 yards rushing, this season with eight different players touching the ball.

The Tigers had the ball for three drives the 1st quarter, losing two to fumbles. The third was punted away, with a Ponder fumble on the return, recovered by Gene Yosten at midfield to end the period.

Five runs divided between Matt Hesse and Clay Hogan took the ball to the 5 yard line. With 9 minutes remaining in the 2nd quarter, Hesse connected with Bob Bartush for a touchdown. Joe Kook Im added the extra point for a 7-0 score.

Ponder moved the ball inside the Tiger 20, but tackles by Chad Walterscheid, Michael Davis, John Krawietz,

a big penalty to get to the 14. They scored with 8:45 on the clock for a 14-7 score.

A good return by John Paul Hesse started Sacred Heart's next drive on the Tiger 44. Runs by Mark Bartush and M. Hesse, and a pass to Greyson Evans were followed by a 22 yard pass play, M. Hesse to Im for 6 points. A bad snap on the PAT left the score at 20-7 with 5:57 on the clock.

The Lion offense again struggled, punting after losing yards. From their 25 yard line, the Tigers drove downfield in 10 plays, scoring on a 27 yard quarterback keeper by Matt Hesse. The PAT by Im gave the Tigers a 27-7 lead with 1:16 remaining in the 3rd quarter.

The Tiger defense, led by J. Yosten, M. Hesse, and B. Bartush, again stopped the Lion offense. The punt put the Tigers at midfield. Hogan ran three straight plays, scoring on a 30 yard run 47 seconds into the final quarter. Im's kick was good for a 34-7 Tiger lead.

Two flags and two incomplete passes forced a Ponder punt. Six plays later, the Tigers lost another fumble. The Lions took advantage of the turnover, scoring on a 30 yard run with 4:17 on the clock. The PAT run made the score 34-15.

An onside kick was covered by Evans. The Tiger offense sputtered and kicked, placing Ponder on their 17

Mark Bartush, 7/51; John Krawietz, 2/35; Josh Biffle, 5/33. RECEIVERS: Greyson Evans, 3/33; Jae Kook Im, 1/22; Bob Bartush, 2/20. TACKLES: Matt Hesse 12, Bob Bartush 7. TURNOVERS: Fumbles Recovered - Gene Yosten, Josiah Yosten.

### Next Action

The Tigers take a long five hour drive to Amarillo this Friday night to return to District play against the Arbor Christian Lions in a match for the District Championship.

"Arbor is traditionally a rushing team, running the ball 80% of the time," commented Coach Schilling, noting that Sacred Heart will have to stop the Lions' starting running back, a transfer starter from 5A Amarillo High School.

Arbor is undefeated (so far) this season in their second year of 11 man football.

## Muenster's playoff spot improves with District win over Collinsville

A District win over Collinsville last Friday improved the Muenster Hornets' District record to 2-1 and got them closer to a playoff bout in a tight 21-13 win over the Pirates.

"Collinsville was pre-district favorites to win it all and a team we lost to last year," commented Coach Allen Cross. "But the kids (Muenster) were prepared, determined to keep Collinsville's points down, and fought hard to improve our District standing." Cross added that they are tired of playing on sloppy fields.

The 1st quarter saw three drives end in punts and one Hornet drive stopped with an interception. A Pirate punt early in the 2nd period put Muenster on their 41. After losing ground, a Levi Trubench completion to Eric Hellman turned into a 61 yard touchdown. The PAT failed for a 6-0 score with 10:55 on the clock.

Collinsville gained a yard and again punted, setting the pace for two more punts. With 16 seconds on the clock, the Pirates picked off a Muenster pass and returned the ball 16 yards to tie the game. The Pirates' PAT kick was good, giving Collinsville a 7-6 halftime lead.

Collinsville took the 3rd quarter kick, but a fumble, caused by Jeremy Lutkenhaus and covered by Eric Hellman, after two runs

gave the Hornets possession on the Pirate 43. Trubench ran for 15, with Chris Valliere gaining 8 on two runs. A flag set the Hornets back 5 yards, followed by a 17 yard run by Trubench to the 8 yard line. Two plays later, Trubench got a pass to Garrett Walterscheid for a touchdown. A Trubench to Jason Luke pass added 2 more points for a 14-7 score with 8:22 remaining in the 3rd quarter.

Collinsville fought back with a 61 yard, 14 play drive ending at the 5 yard line. The Hornet goal line defense kept the Pirates out of the end zone. Muenster gained 9 and punted away their next possession. A quarterback sack that lost 15 yards forced a Pirate punt. Garrett Walterscheid blocked the attempted Pirate punt and Scott Porter returned it 16 yards to the Collinsville 34.

Muenster gained only 2 and punted the ball back to the Pirates. Two plays later, Porter picked off a Pirate pass, placing the Hornets 7 yards from paydirt. The next play, Trubench and Walterscheid connected for a touchdown. Flusche added the PAT for a 21-7 Muenster lead with 7:49 remaining in the game.

Collinsville came back with a 59 yard, eight play scoring drive to close the point spread to 21-13 with 5:14 on the clock.

Muenster lost yards and punted away their next drive, putting the Pirates 27 yards away from tying the ball game. The Hornet defense saved the game when Porter picked off a Pirate pass to give Muenster the ball on the Collinsville 17. The Hornets killed out the last 2 minutes of the game to claim the win.

and G. Yosten stopped the drive. The Tigers punted after three plays gained 4 yards. Two plays later, Josiah Yosten covered a loose Lion ball at midfield. A short Hesse run and a Hesse to Bartush pass moved the Tigers to the 30 yard line. A reverse play saw Krawietz find the end zone with 1:33 on the clock. Im booted the point after for a 14-0 score.

Ponder moved the ball into Tiger territory, but was stopped at the 36. The 1st half ended with a Tiger pass being intercepted.

The Tiger offense gained no ground to start the 3rd period. From midfield, the Lions took just two plays and

yard line. Four plays and the Lions were in the end zone to close the score to 34-21 with 55 seconds remaining in the game. The Tigers worked the clock to keep the ball out of the Lions' paws for the victory.

### Hornet 8th Grade loses close game

The Muenster Hornet 8th Grade football team lost last Thursday to Collinsville, 12-14. The Hornets tried to battle through costly penalties and turnovers, but could not overcome them. Scoring for the Hornets started with a 54 yard pass from Mason Binder to Cole Walterscheid in the 2nd quarter. In the 2nd half, Binder had a 48 yard run for a score. The Hornets failed to convert any extra points.

### Lady Knights win District

The Lindsay Lady Knights clinched the District 11A Championship last Friday night by defeating the Blue Ridge Lady Tigers. Scores were 25-11, 25-9, 25-23. This brings their District record to 13-0, and overall record to 29-10. The biggest win of the night was the fact that the Lindsay Lady Knights, in their Pink Out '09, raised over \$10,000 for Lily Dieter, a 1st grader at Lindsay Elementary who has leukemia. Stats for the game included:

Brenna Mlinar, 3 kills (K), 3 digs (D), 34 assists (A); Taylor Atkins, 3 aces (AC), 2K, 5D; Kristin Martin, 2AC, 13K, 2 blocks (B), 6D; Alyx Ethington, 2D; Allison Metzler, 8K, 2D; Kaylee Murphree, 19K 5B, 6D; Katie Arendt, 2D; Jessica Thurman, 3D. The volleyball matches scheduled against Savoy on Tuesday, Oct. 27 were permanently cancelled. Savoy forfeited due to a flu outbreak. The matches will not be made up.

### Knights travel to Blue Ridge

The Lindsay Knights get back into action this Friday, after an open date, traveling to Blue Ridge to take on the Tigers. It will be the Tigers' last game of the season, as they are out of the playoff picture, winless in District. "It's always scary after being off a week to get back up and focused," Lindsay Coach Cody Bounds commented. "I'll rely on the seniors' experience and we should be OK. We plan to come out and play hard early." Kickoff is at 7:30 p.m.

### HORNETS..... cont. from pg. 6

**Next Action**  
The Hornets get this Friday off, as it is their open date. "Collinsville was a huge win, a step in the right direction going into our game against Era," said Coach Cross. "This week we'll get the boys refreshed, healthy, and ready for next week."

Muenster will conclude their regular schedule on Friday, Nov. 6 in the Battle of the Hornets in Era.

### Game Warden report

**There's something in the water!**  
On July 27, two Red River County game wardens observed a spotlight in the distance. The wardens located several individuals a short time later bowfishing in private waters without landowner consent. The wardens summoned the boat to shore and noticed the driver throw something in the water before exiting the vessel. It was found to be methamphetamine, and the subject was placed in custody. Cases pending.

### Muenster Jaycees Punt, Pass, and Kick Contest

### Sub-Varsity & Junior High Volleyball

**Freshmen**  
The Freshmen defeated the Blue Ridge junior varsity team on Friday 25-20, 25-20.

**Junior Varsity**  
The JV Lindsay Lady Knights won another District game on Friday when they hosted the Blue Ridge Lady Tigers. The scores were 25-19, 25-16. "I was proud of

the way they communicated and passed the ball well," said Coach Robin Hess.

**Freshmen**  
The Freshmen ended their volleyball season Monday night with a victory over Trenton in two games 25-19, 25-15. They ended the season with 13 wins and 12 losses. They started the season at 2 wins and 10 losses, but went 11-2 their last 13 games. The only losses were to 4A Fort Worth Castleberry in that 13 game stretch. "This group improved dramatically throughout the season and I could not be any prouder of them," said Coach Neu.

**DISTRICT TOURNAMENT 8th Grade**  
The Lindsay Lady Knights 8th Grade placed second in the District tournament, losing to Blue Ridge in the championship game by scores of 24-26, 18-25. "Passing was the downfall of the Lady Knights," noted Coach Robin Hess. In the first game, they defeated the Collinsville Lady Pirates by scores of 25-13, 25-5.

**7th Grade**  
The Lindsay Lady Knights 7th Grade won the District Championship Saturday in the District Tournament. They defeated Collinsville in two games to start the day 25-17, 25-10. The girls played a very good second game.

In the Championship, they defeated blue Ridge in three games. They had split with them earlier in the season, with Blue Ridge winning the early season match-up and Lindsay defeating them later in the season.

In game one, the girls won

25-12. In game two, they missed a lot of serves and allowed Blue Ridge to win 21-25. In the third and deciding game, Lindsay won 25-13. "I am so proud of these young ladies. They came a long way this year. Even though the District Tournament is over, the girls do have one more match on Monday versus Trenton. I expect to close out the year with one last victory," noted Coach Don Neu.

**7th Grade**  
The 7th grade volleyball team ended their season Monday night with a victory over Trenton in two games 25-9, 25-9. Their season record was 11 wins and two losses. They began the season 0-2 and finished with 11 straight wins. "I was very proud of these young ladies and how hard they worked and how much they improved. The future looks very bright for these young ladies," noted Coach Don Neu.

**8th & 7th Grades**  
The Lindsay Lady Knights 8th Grade volleyball team ended their season with a win over Trenton. The "B" team got the ball rolling with a win over a combination team with scores of 25-19, 15-10. The 7th grade "B" played the second game, which they fell short by a score of 21-25. "These girls have improved so much since the first day of practice," said Coach Robin Hess. In the 8th "A" game, the girls won by scores of 25-10 and 25-17. Their ending season record is 13-2. "It was fun watching them improve from day to day. There are some good things coming from this group of young ladies," Hess added.

### HALLOWEEN.....cont. from pg. 4

every child's Halloween a safe and happy one.

Fatal collisions between motor vehicles and young pedestrians (under 15 years of age) happen most frequently between 4 and 8 p.m. - prime trick-or-treating time.

Eighty-four percent of deaths among young pedestrians occurred at non-intersection locations (indicating children are most likely to dart and dash from mid-block into the street).

Halloween is also one of the year's most dangerous holidays on the road due to alcohol-related crashes caused by those who drink and drive after parties and festivities. Two-thirds of all highway fatalities at Halloween are alcohol-related. Don't even think about getting behind the wheel if you're impaired.

**Halloween driving "tricks" to keep everyone safe!**  
 Don't use a cell phone while driving through neighborhoods. A single distraction could lead to a tragedy.  
 Stay well below the posted speed limit.  
 Pay attention to what's happening on sidewalks and roadways. Watch for children darting across streets, especially between parked cars.  
 Be extra alert when pulling in and out of driveways.

## COUNTY AGENT REPORT

### Watch out for nitrate poisoning in forages

This year's fall weather-rain and cloudy following a drought - and its effect on forages can be a recipe for nitrate poisoning of livestock, said a Texas AgriLife Extension Service expert. Under these conditions, cattle don't have to consume improved forages to be at risk, as many weeds also can build up high levels of nitrate, said Dr. Vanessa Corriher, AgriLife Extension forage specialist.

"In a recent incident, a Sabine County producer turned some cattle into a dry lot," she said. "Though he supplied hay, the cattle apparently died of nitrate poisoning from eating pigweed in the lot."

Corriher noted that livestock generally won't consume weeds when they have quality hay available, but in this instance they did and several cattle died as a result.

Forages and small grains that are susceptible to building up high levels of nitrate include sudangrass, sorghum-sudan hybrids, pearl millet, corn, wheat and oats. Weeds prone to build up high nitrate levels include Canada thistle, pigweed, smartweed, ragweed, lambsquarters, goldenrod, nightshades, bindweed, Russian thistle, and stinging nettle.

Another risk factor is hay cut during or just after a drought period.

This is especially risky if nitrogen was applied just prior to the hay harvest," Corriher said.

Though the high nitrate levels are associated with weather conditions, once the levels are built up in hay, the risk is not lessened over time.

Nitrates are present in all forages, Corriher said. Strictly speaking, the nitrate poisoning should be called "nitrite" poisoning. With normal levels of nitrates, the range animal's rumen converts the nitrate (NO3) into nitrite (NO2), which in turn is converted to ammonia, then into amino acids, and then into proteins.

But when nitrate levels are high in forages, the process becomes subverted, and high levels of nitrites are absorbed directly into the bloodstream through the rumen wall. The nitrite converts the hemoglobin in the blood into a form that cannot transport oxygen. The blood turns from a bright red to a chocolate color, and the animal essentially dies of asphyxiation.

Corriher recommended producers regularly take forage samples from pastures and have them analyzed for nitrates, including samples of forages and weeds at various growth stages.

"Be sure to specify that you want nitrate analysis," she said. "Standard nutritional analysis usually does not test for nitrates."

Hay samples should be collected with a probe. Samples from several bales can be combined.

Unlike prussic acid poison-

ing, the risk of nitrate poisoning is not decreased over time. Hay harvested months ago could still contain the same high levels of nitrates it did when baled.

Though the risk of nitrate poisoning is higher after a drought or an extended period of cool, wet weather, it's something producers should be aware of year round," Corriher explained.

AgriLife Extension's Soil, Water and Forage Testing Laboratory can be contacted at 979-845-4816. Instructions and sample submittal forms can be found on the Laboratory's Web site at <http://soiltesting.tamu.edu>.

The Soil, Plant, Water Analysis laboratory at Stephen F. Austin State University in Nacogdoches also does forage analysis. Contact the lab at 936-468-4500, or [lyoung@sfasu.edu](mailto:lyoung@sfasu.edu).

### Cattle handling program

Improving beef cattle handling can increase your farm's profitability and safety. Good beef cattle handling entails knowing how to move cattle on the farm safely and efficiently; how to load and unload cattle from trailers; having adequately designed cattle handling facilities; and much more. There are many options that enable you to improve your cattle handling. The changes you make can be tailored to meet your needs, concerns, and resources.

If these things interest you, then make plans to attend the program on Nov. 16. It will be led by Dr. Ron Gill, Extension livestock specialist, and held at A-1 Cattle Company near Muenster. The program is scheduled from 12:30 - 4 p.m. A-1 Cattle Co. is located on the south side of U.S. Highway 82, 6.2 miles West of the red light in Muenster or two miles East of Saint Jo.

Red Angus Association is sponsoring a meal, so please RSVP to 940.668.5412 to let us know if you plan to attend. Additionally, there will be two BQA credits offered to those who need them.

No matter how large or small your operation may be, you should be able to benefit from information provided on beef cattle psychology, handling methods, and facility design.

### Do we need to fertilize our lawns in the winter?

Warm season grasses such as St. Augustinegrass, Bermudagrass, Zoysiagrass, Buffalograss, etc. will be going dormant very soon. Once this occurs and they become somewhat straw colored, these grasses are no longer growing actively. Our recommendation is to fertilize your turfgrass only when these plants are actively growing and apply the appropriate type and rate of fertilizer based on a soil sample analysis.

Spring, summer, and fall applications would be very appropriate depending on the grass type, use, soil type, etc. for warm season grass-

es. A good rule of thumb is to put out your fall application at least 30 days before the average first frost date (which we are inside of now!) and begin with the spring application approximately 30 days after the average last frost date for your area. This approach is not only best for the turf, but also for our environment.

If you overseed your turf or have a cool season turfgrass such as Tall Fescue, Perennial, or Annual Ryegrass, then late fall and winter applications would be recommended. You need to apply approximately 75% of the total nitrogen required for this species during this period of time and much less in the late winter and early spring.

**Dates to remember**  
Nov. 10 - Marketing Club Meeting; 7 p.m. - Gainesville Farm Bureau Building.  
Nov. 13 - Cattle handling program; 12:30 p.m. - A-1 Ranch, Muenster.

### TDA market recap

For the week ending Oct. 24, feeder cattle prices at Texas auctions were \$1 to \$4 higher per hundredweight on offerings weighing fewer than 600 pounds, and steady to \$2 higher on heavier weights. Higher fed cattle prices and improved pasture conditions contributed to the increase. Fed cattle prices were \$2.50 to \$3 higher.

Slow crop progress in the Midwest, a weaker dollar, and higher crude oil supported grain markets.

Showers fell over much of Central and East Texas during the week, with two to six inches of rainfall recorded in some locations. Winter wheat planting continued in many areas with the emerged crop reported in mostly good to fair condition.

Armyworms damaged some fields in the Blacklands region. Corn harvest was 88% complete and 70% of the grain sorghum acreage was harvested. Pastures continue to improve.

### 94% of sorghum approaching harvest

Ninety-four percent of the sorghum crop was at or beyond the coloring stage, slightly behind last year and 4% behind the five-year average. Maturity advanced to 72%, 1% behind last year and 10% behind the average. Harvest inched forward dur-

ing the week as wet conditions kept producers out of their fields.

Overall, 47% of the sorghum crop was reported in good to excellent condition, down slightly from last week and 9% below ratings last year.
