

Signs of construction showing at Muenster Hospital

By Janet Felderhoff
Bids for the renovation and expansion of the physical therapy department were considered at the regular MMH Board meeting held Tuesday, Jan. 19. There were three companies that submitted bids on the project. Mages Group, L.L.C. of Gainesville had the low bid at \$1,268,970 for the base

bid and \$75,000 for alternative 4 systems roof, for a total of \$1,343,970. The other two were from Waco and Dallas. It was noted that Mages also had the most local sub contractors listed. The Board viewed that as a plus also. With five Board members present at the vote, Mages was awarded the contract with a vote of 4-0-1.

Aaron Hess abstained since he didn't feel that he knew enough about the company to make a decision. Construction will cause the main entrance of the Hospital to be changed to the north entrance by the dietary department. Signs and announcements will be made. This change takes place Monday, Feb. 1. Al-

ready preparation is being made in the north parking lot area to accommodate visitor and patient parking. Gravel was put down west of the parking lot to give more parking for employees. According to Administrator Heller, some asbestos in the ceiling will be removed in about two weeks. He anticipates the general contractor work to begin shortly. It is estimated that the project should be completed in 180 days.

Financing the project was then addressed. Proposals came from Muenster State

Bank and Legend Bank. The proposals were for \$1.3 million. Heller said that the Executive Committee felt that the District could cover the remainder. The loan will be secured with revenue bonds. Heller explained that the only thing that is pledged is the revenues of the hospital and they can pledge the real estate. The only way to obligate the taxpayers is a general obligation bond, he said, and that requires a vote by the taxpayers.

The rates offered by Muenster State Bank were the lowest at 4.75% with

a five year reset. In part, a letter from Robert Weinzapfel of Muenster State Bank said, "Muenster State Bank understands and appreciates that Muenster Hospital District's future success is important to our local area, and as in the past, we want to be a partner in your future growth/success."

Board members Danny Walterscheid and Kenny Klement noted that the Muenster Bank had been of assistance in the past and that it was best to keep business at home when possible. With

Tolar children reach out to help victims of Haitian earthquake

Owen Tolar, age 10 and in the fourth grade, and his sister Chloe, age seven and in the first grade, felt the need to somehow help the people of Haiti who were injured, left homeless, or otherwise in need after huge earthquakes left a trail of destruction in their wake. The children attend Muenster ISD. They and their parents Tony and Edie Tolar are members of the First Baptist Church in Muenster. They hope to raise money through the Church's AWANA group. Their fundraising effort will end on Feb. 12. The children said they learned of the Haitian people's need by listening to their parents talk. Asked what inspired them to try to help, Owen said, "God told me to" and Chloe commented, "To help them rebuild their buildings." The siblings said that the money they raise will be donated to World Vision to be sent to Haiti. Anyone wishing to help with the fundraising effort can donate at First Baptist Church, 121 N. Pecan Street, or mail it to First Baptist Church, P.O. Box 581, Muenster, TX 76252. Be sure to designate on the donation that it is for Haiti. Janie Hartman photo

County plans county-wide warrant round-up event

By Janet Felderhoff
Do you have unpaid traffic tickets or hot checks? If so, you may want to take care of them soon or risk having your name published in area newspapers and then a warrant issued for your arrest.

Cooke County Justices of the Peace Dorothy Lewis, Pct. 1, and Jason Brinkley, Pct. 4, requested a budget amendment for over-time pay for clerks in the Justice of the Peace offices and to administer a county-wide warrant round-up.

The round-up will include traffic offenses and hot checks. Law enforcement in the County agreed to assist. They asked for \$1810 for the labor and \$1750 for ads to be run in the newspaper. Three ads will be run to explain what is being done and ads will run two days with names listed of those who have outstanding traffic violations or hot checks. The JP offices are usually closed over lunch, but will remain open during the days prior to the round-up to allow people more opportunity to pay their fines. The clerks

will also work the actual day of the round-up. People who are arrested have the option of paying their citation or warrants or to go to jail. "We'd much rather they pay the money than have them go sit in jail. The purpose is not to put somebody in jail. The purpose is to get them to pay the fines. We have a lot of money out there and people ignore it hoping that they don't ever get caught," said Judge Lewis.

Judge Brinkley remarked, "The hope is to entice people to come in before the actual round-up day."

According to Judge Lewis, there are between 900 and 1,000 warrants. These are warrants, not individuals. There are multiple offenses on one citation, she said.

Cities in the County are also on board with the warrant round-up. Cities planning to participate include law enforcement from Gainesville, Muenster, Valley View, Lindsay, Sheriff's Office, and DPS, and the County constables.

Judge Lewis remarked, "It's not just the money. It's

also accountability for their actions. It's not fair for you to come in and pay your fine and John not come in and pay his because he didn't want to. You both got a ticket, so take care of your business."

County Judge John Roane spoke in favor of the round-up. "I think the potential for gain far outweighs what we may spend on it," he commented.

Commissioners approved the requested amendments totaling \$3,560.

The round-up process will take place over a two-week period.

After 20 years of service to Cooke County, EMS Director Bob Harbin is retiring. In a proclamation adopted by Commissioners Court in his honor, Judge Roane read in part, "Bob has loyally served the citizens of Cooke County and exhibited all the characteristics of a professional in the performance of his duties for the past 20 years... Bob has always been an asset to the Cooke County EMS Department and to the

MMH Board seeks candidate

By Janet Felderhoff
There are three positions on the Muenster Memorial Hospital Board of Directors with terms that expire this May. Two are held by Kenny Klement and John Aytes. The third was held by Angelo Nasche who died before the end of his three-year term. The Board has the option of appointing someone to complete Nasche's term or leave that place open until the next election. Even if a replacement is appointed, that person would have to seek election to the Board this spring.

At the Jan. 19 meeting of the MMH Board, Administrator Lynn Heller recommended that the Board not make an appointment. "If

there is somebody out in the public that kind of wants to run for the Board and you appoint somebody, then we are going to have to spend five or six thousand dollars to have an election." If there are only three candidates for the three positions, an election is not necessary. If four or more seek election to the Board, an election must be conducted.

The first date to file as a candidate for the Board is on Feb. 8. The last date to file is by 5 p.m. on Monday, March 8. If four or more persons seek election to the Board, an election will be held on Tuesday, May 4. Forms necessary to file are available in the MMH Administration office.

Trustee election set for MISD

The Board of Trustees of Muenster Independent School District announces that a Trustee election will be held on May 8, 2010. Positions to be filled are Place 1 - currently held by Neal Flusche, and Place 2 - currently held by Mel Walterscheid.

The first day to file for a place on the ballot will be Feb. 8, 2010 and will continue through March 8, 2010. If you are interested in filing for a place on the ballot for either of these positions, go by the Muenster ISD Administration Office to pick up an application packet. They are located at 135 East Seventh Street and will be open between the hours of 8 a.m. and 4 p.m., Monday through Friday.

If you have any questions, call the administration office at 759-2282, ext. 600.

Germanfest land purchased

"It's ours!" said Alvin Fuhrman, president of Germanfest Inc. "Thanks to a community-wide effort, the purchase was finalized at the office of W.W. Howeth Title Company in Gainesville recently. Now the work begins to develop Muenster's Germanfest Park which will be a new home to the annual Germanfest and other events throughout the year that will draw thousands of people to town.

"Planning began three years ago to find a home large enough for growth. J.H. Bayer and Sons offered to sell us just over 92 acres west of town. Through meetings and negotiations with Muenster's Industrial Foundation Board, they agreed to purchase 28 acres of the proposed property for an industrial park for future building, and donate a large sum to Germanfest Inc. toward the purchase of the remaining 66 acres for the park."

On Dec. 29, 2009, Charles Bayer, on behalf of J.H.

Bayer and Sons, met with the Industrial Foundation Board along with Germanfest Inc. executives to finalize the purchase of the 28 acres and then on Jan. 14, Bayer brothers Charles and Leonard once again met with Germanfest Inc. President Alvin Fuhrman and Board members to purchase the remaining property which will house the annual Germanfest event.

Fuhrman stated that many other events are planned for the park once it is ready. "There will be a lot of work to do before we can have any events there," said Fuhrman. For more than two years the group has been meeting with architecture firm CHA from Sanger to develop a plan for the theme park. Fuhrman said that the group now has a plan for the park. He said, "We still need to make some minor changes to the layout to get it to the way we are all happy with the design."

On two different occasions, Muenster Chamber

members have voted to move forward with plans for the theme park. Letters were mailed months ago asking for pledges to purchase the remaining land. Twenty-five individuals made pledges to complete the purchase. The monies finally all came together toward the end of 2009.

Fuhrman said the next steps would be to appear before the Muenster City Council to request annexation into the city. CHA will continue to tweak the plans and gather bids for the individual structures including buildings, bridges, sidewalks, and various other facilities.

Monies for the food pavilion have been donated. The food pavilion will contain not only food and a dining area, it will have an entertainment stage, dance floor, and can hold approximately up to 5,000 people. This 72,000 square foot facility is enclosed and will be suitable

Skywarn program scheduled for Feb. 10

Storm observing, reporting procedures, and safety are to be emphasized at the Skywarn severe weather program in February.

The 2009 storm season in North Texas was a typically busy season. Twenty tornadoes were reported across the area, and destructive windstorms, large hail, and deadly flooding all made appearances in our area. The toll on life and property was significant, with many casualties and damage in the tens of millions of dollars.

For 2010, the severe weather season is fast approaching. Five tornadoes were confirmed in Northeast Texas on Jan. 20, so in many ways, storm season is already here.

Are you ready for whatever this year has in store? Do you have a severe weather plan at your home and your workplace? Can you recognize the clues that suggest large hail, flash flooding, or a tornado is possible? Do you want to become part of the severe weather warning system in your county?

As part of its area-wide weather preparedness campaign, the National Weather Service in Fort Worth will answer these and many other questions at the Skywarn severe weather program on Wednesday, Feb. 10, from 7 to 9 p.m. The program will be held at the Gainesville Civic Center, and is being held in partnership with Cooke County Emergency Management.

The 2010 program will discuss thunderstorm formation, severe weather production, and features associated with severe storms. The presentation will also review tornado formation and behavior, non-threatening clues which may be mistaken for significant features, and safety when thunderstorms threaten. It will discuss spotter operations and recommended reporting procedures.

The two-hour presentation will be in multimedia format, featuring numerous pictures of storms and nearly 25 minutes of storm video clips.

"We have some new material in the 2010 spotter training program," said Mark Fox, warning coordination meteorologist at the Fort Worth NWS Office. "We will present the information in the form of a checklist for the attendees to utilize. Most of the storm photos and video clips are different this year. We have reworked many of our graphics. We'll have more identification cases, and we'll discuss the operational aspects of storm spotters in detail."

The fundamental purpose of the spotter training - and of the storm spotter network as a whole - remains unchanged. Fox remarked, "We could not do our job as well as we do without storm spotters. Radar is a great tool, but it only tells us part of a storm's story. Spotter observations complement the data we use to analyze storms. The combination of spotter reports and radar data gives us the best possible picture of the storms and what's going on inside them."

The program is free and open to the public. "By coming to this program, you will learn a lot about thunderstorms," Fox said. "Even if you don't become an active storm spotter, you will learn about how storms work and the visual clues you can identify when storms are in your area. We will discuss severe weather safety tips. This will better prepare yourself and your family for the threats that storms pose."

The Cooke County severe weather program is one of over 55 that the Fort Worth NWS Office will conduct between January and early April. The National Weather Service in Fort Worth provides forecasts, warnings, and weather services for 46 counties in North and North-central Texas.

seven members present, the Board voted 6-0-1 to go with Muenster State Bank for the loan. Ronnie Weinzapfel abstained from voting due to his family connection with the bank.

Bids for the purchase of St. Richard's Villa will be opened on Friday, Jan. 29 during a special Executive meeting at 12:30 p.m.

Heller remarked that for the first payroll that week,

there was enough accumulated cash to meet the first payroll and the District hadn't yet had to pay much out of pocket. They had anticipated having to subsidize it. They did purchase and install new computers for St. Richard's.

After an executive session, the Board voted unanimously to cancel its contract with ONR, its therapy company. On that decision Admin-

istrator Heller remarked, "Having our own staff gives us more flexibility and potential costs savings. Our volume is such that having our own staff should in the long term provide stability to the services we offer. We also plan to offer a public wellness program and greatly enhance our sports medicine services."

Discussion was held on fencing off the grassy area of property purchased by the Hospital District near Weinzapfel Lake. Four-wheelers and pickups have been driven in that area, tearing it up during muddy times. A fence

would eliminate access by vehicle. Bids will be sought on fencing it.

In other business, the Board:

- Approved Bad Debt Write-offs totaling \$1,905.98.
- Approved Hospital policy regarding professional courtesy discounts.
- Approved credentialing recommendations from the Medical Staff for courtesy privileges for radiologists. It was noted that the local physicians are happy with the speed that written reports can be received using the teleradiology system. It can be as soon as 10 minutes.

Letter to the Editor

Letter to the Editor:

I want to encourage the city to continue its recycling program, and to reverse its previous decision to end recycling in the City. In 2010, the City is eligible to win \$90,000 with the Governor's Community Achievement Award (GCAA). The City's recycling program is a HUGE factor in helping Keep Muenster Beautiful to win this award for city improvements.

Even if it is costing the City at this time to run the program, I believe that the reward (\$90,000) outweighs the cost and that we have an excellent chance of winning. Discontinuing the recycling program at this time would really hurt our application, since recycling accounts for about 16% of the application score. I suggested to the city manager that the rates remain the same and that trash only be collected once a week. Most families have a garage to store trash if they need to, or they can cheaply purchase an additional trash can if they need to. I know now that we are recycling, we have very little trash and once a week pickup would be sufficient. Once a week collection may also encourage more people to recycle. Any recycling option would be great.

Keep Muenster Beautiful has won the GCAA five times in the past, which gave our City decorative street lamps and trash cans, new sidewalks, retaining walls, planter boxes and grates, trees and shrubs, and new fencing at the City Park. Other projects were also done to enhance the City and to win these improvements, such as the Main Street mural, painting the City Park pavilion, spring and fall planting days, two community trash pickups each year, tree plantings, and many more projects and educational programs. Our citizens have worked hard to Keep Muenster Beautiful, and I believe that they would like to see us win again. Please contact City Hall in support of recycling. We need your support and the support of the City Council!

Thanks for your continued efforts to Keep Muenster Beautiful!

citizens of Cooke County." They declared Jan. 25, 2010 as Bobby L. Harbin Day in Cooke County.

Jerry Loper of Loper Pipe Organs spoke to Commissioners Court of his proposal to repair the County Courthouse's tower clock. He recommended installing an electric movement to replace the mechanical movement now in place. The clock could receive GPS and an atomic clock time that makes it accurate all the time.

Loper explained options and answered questions. The Texas Historic Commission (THC) has yet to give its guidelines which will be adhered to since the clock repair is part of the interior Courthouse restoration project now being done with

THC grant money. No action was taken.

Friday, Feb. 5 was declared National Wear Red Day in Cooke County. Everyone is urged to wear red that day to draw attention to women's heart health. Heart disease is the number one killer of women. One in four American women dies of heart disease. Most women do not know that heart disease is a woman's problem and do not take it seriously. Risk factors include smoking, high blood pressure, high cholesterol, overweight, obesity, diabetes, family history of early heart disease, physical inactivity, and age.

In other business, Commissioners Court:

- Accepted an insurance settlement for a Cooke County Sheriff's Office vehicle that was damaged due to an accident on Dec. 23, 2009.
- Approved donations to the Cooke County Library of \$25 memorial in honor of Rose Marie Bezner, \$25 memorial in honor of Elora Smith, and from Mr. and Mrs. J.W. Roberts a \$20 research donation.
- Approved the indigent burial of Dale Madden, Jr.
- Approved lease agreement with the State of Texas RTS for the Tax Assessor Collector's Office to obtain a new workstation.

Henry L. Popp
1934 - 2010

Funeral Mass for Henry Linus Popp of Lindsay was held Wednesday, Jan. 20 at 2 p.m. at St. Peter's Catholic Church Centennial Hall in Lindsay with Fr. Raymond McDaniel officiating.

Henry died at the age of 75 on Jan. 18, 2010.

Born in Gainesville on March 26, 1934 to Frank and Anna Neises Popp, Henry married Jeanette Zimmerer on Dec. 28, 1954. In the Army, he served as a medic stationed in Germany in 1955. He lived northwest of Lindsay all his life. In the early 1960s, Henry started a welding business at his house which later became Metal Sales located on Hwy. 82 in 1968. All of this was done while still maintaining the family farm.

An avid outdoorsman, he purchased a ranch in West Texas where he enjoyed hunting with his family. He also enjoyed his weekly card game with his friends. He knew everyone from his regular attendance at farm auctions throughout Texas and Oklahoma.

Henry served on the Lindsay ISD School Board for 20 years, was a life-long member of the Knights of Columbus, was on the Soil Conservation Service, and was a founding member of the Cooke County Fair Association.

Survivors include his wife of 55 years Jeanette; daughters and sons-in-law Debbie and Tom Hartman of Muenster, Peggy and John Kasperek of Lindsay, Paula and Kenneth Hermes of Lindsay, and Patty and Chuck Bone of Marietta; sons and daughters-in-law Frank and Amy Popp and Andy and Jennifer Popp, all of Lindsay. He is also survived by nine grandsons, four granddaughters, three great-grandsons, and a sister Elsie Hess of Lindsay.

He was preceded in death by his parents; sisters Rita

Bode and Thecla Gossett; grandson Chad Hermes; and an infant brother.

During the funeral Mass, the First Reading was given by granddaughter Nicole Popp, Lori Murfin, granddaughter, gave the Second Reading. Prayers of the Faithful were read by Mattie Hartman, granddaughter-in-law. Offertory Gifts were carried up by granddaughters Jenna Hermes and Kaitlyn Popp. Serving as Eucharistic ministers were Mark and Linda Fuhrmann, Becky Taylor, Robert Fuhrmann, and Marilyn Sandmann.

Music ministers were Roger Dieter, Christy Hesse, and Isaac Davis. Sacred songs included "Amazing Grace," "Sanctuary," "Do Not Let Your Hearts Be Troubled," "Ave Maria," "Be Not Afraid," and "How Great Thou Art."

Remarks of remembrance were given by Misty Hartman, granddaughter-in-law, who said, in part, "Henry graduated from St. Mary's in 1952 and began working for the railroad... With the drive and determination of having a bright future for his family, Henry learned to weld and resale pipe, steel, and machinery..."

"Hunting and fishing was a big part of Henry's life and he shared that passion with his children, grandchildren, and friends... He made sure all of his children knew how to shoot a rifle and that all of the girls had shot at least one deer in their lifetime. Growing up, we always knew we had a tight-knit, loving family..."

"Henry was the ever-devoted husband... He was a loving father..."

Pallbearers were grandsons Tony Hartman, Bradford Hermes, Craig Hartman, Ryan Kasperek, Jeremy Bone, and Adam Kasperek. Honorary pallbearers were grandsons Kyle Popp, Jack Popp, and Colton Popp.

Ronnie Scott
1947 - 2010

Funeral services for Ronnie Glenn Scott, age 62 of Gainesville, were held Wednesday, Jan. 27 at the Hillcrest Church of Christ. Burial was in Fairview Cemetery. A visitation was held Tuesday, at Geo. J. Carroll & Son Funeral Home.

Ronnie was born in Gainesville on May 2, 1947 to Claude Scott and Orlene "Sue" Scott-Dennington. He married Nell McElreath on June 26, 1971.

Mr. Scott attended Gainesville schools and graduated in 1965. He entered the U.S. Air Force in 1966. He served in Japan, Viet Nam, and Tinker Air Force Base, being discharged in 1970. He entered the aviation field, earning his commercial multi-engine instrument rating, airframe and power plant licenses.

In 1972, Ronnie entered oil field work as a rig mechanic in Peru. He drilled and pushed tools in Alaska, Oklahoma, Louisiana, and

Joyce Streng
1936 - 2010

Joyce Marie Streng, 73, went to her eternal rest on Jan. 12, 2010 in Alvin, Texas. She was a devoted mother, grandmother, and great-grandmother. Family and friends knew Joyce as a kind, caring, and giving person to all around her. She will be remembered for her cheery smile and positive attitude. She was so appreciative of any and everything done for her. Her family was her life.

Joyce was born March 31, 1936 to Wallace and Mable Barbier in Houston. She was the oldest of five children. Joyce married Walter G. Streng on Nov. 10, 1954 in Houston.

Walter, having come from the Muenster/Lindsay area, brought Joyce to visit family and showed his city girl the

Joyce Streng

life on the farm. Joyce became accustomed to country life, for she and Walter lived and worked the farm with Sylvester Streng "Pop" during the early years of their marriage in Temple. Joyce, Walter, and the children lived mostly in the Houston area through the years, close to the Barbier family.

Joyce loved to crochet, making many afghans and shawls which she shared with family and friends. She was always working on various arts/crafts projects with her mother and daughters. She canned produce from the garden and she enjoyed cooking. When Walter was home from his jobs overseas, he would go to Galveston for fresh seafood and that's when she would make her delicious shrimp gumbo.

Joyce followed the children and grandchildren to all their activities: little league sports, school baseball, football, drill team, and ROTC. Joyce loved those Aggies. She would share her joy about going to Texas A&M for bonfires and football games. Wherever the children were, you would find Joyce.

Survivors are her children Sheryl and Philip Roberts, Katherine and Anthony DeLaCerde, Walter and Belinda Streng, and

Lawrence and Tere Streng; grandchildren Stephanie and Jeff Todd, Philip Roberts, Jr. and Matthew Roberts, David and Elisa DeLaCerde, Zachary Streng, Christian Garza, Alan Garza, and Eric Streng; great-grandchildren Collin Todd and Ian Todd, Audriana DeLaCerde, and Alexis Cantu; brothers Kenny Barbier, Pat Barbier and wife Kandy, Wally Barbier and wife Sandy; brother-in-law Larry Hovelman; and numerous nieces and nephews.

Joyce was preceded in death by her parents, her husband, sister Betty Hovelman, and sisters-in-law Billy Barbier, Margaret Knight, Pauline Stone and husband Harold; and brother-in-law Lawrence F. Streng and wife Olivia.

Funeral services were held Friday, Jan. 15 at 1:30 p.m. at the South Park Funeral Home and Cemetery in Pearland, Texas.

A message of welcome and gratitude was given by daughter Sheryl Roberts and memorial tributes were made by son Larry Streng, Mondell Urbano, and Kathleen Lutkenhaus.

The following thoughts were presented by Donna Neu in memory: Blessed is the mother who follows the Lord so her children can learn and grow... the unselfish mother who holds on with love... yet knows when it's time to let go. Blessed is the mother whose faith keeps her going through trials and traumas and cares, who handles the easy with wisdom and love and not quite-so-easy with prayers. Blessed is the mother who meets all your needs from the very first day of your birth. Blessed is the mother who shares so much love, for she is God's angel on earth.

The final readings and blessing were given by Deacon Darvin Bordelon of St. Mary's Catholic Church of Pearland.

Family members attending from the north Texas area were Walter and Kathleen Streng Lutkenhaus and daughter Donna Neu.

Thank You !!

Words cannot express how thankful and blessed I am to live in such a community where everyone cares about their neighbors.

During my illness, so many of you have called, sent cards, and said many prayers for me. To all of you I say THANKS!

To Nancy, Tina, and Marty for all their hard work organizing the Santa Sweet Shop and the raffle... to everyone who donated items for both, THANK YOU!!

To everyone who bought tickets, sold tickets, or just sent money, you are great. You will never know how much I appreciate it!!

A "Special Thanks" to my family. Without them I could not have had the strength to keep going. I love you guys!!

Again I say THANK YOU!! for everything. It is greatly appreciated... Thanks again.

Love, Sheri Reeves

for large gatherings, concerts, meetings, and many other events all year long.

"How fast the Germanfest Park is completed depends on the continued support we receive," said Fuhrman. "We will build only what we have money to build."

Besides the Germanfest complex there will be room for over 1,800 cars for off street parking.

The theme park will also have an amphitheater just south of the food pavilion. The amphitheater, an outdoor stage, will be suitable for concerts during the spring, summer, and fall months.

Germanfest Park will also have children's activities including the Kiwanis

children's carnival during Germanfest. Other activities include the annual BBQ cook-off, RV parking, vendors, and other activities throughout the year.

Fuhrman said, "We are just beginning an adventure. This is a major event for the town of Muenster. The Germanfest alone brings in several million dollars which turns over seven times in the community. The park will also preserve our German culture and be enjoyed by families for many years to come."

Fuhrmann and Bayer exchange vows in Sacred Heart Church

Crystal Mae Fuhrmann and Philip Andrew Bayer of Lindsay were married at 10 a.m. on Jan. 9, 2010, at Sacred Heart Church in Muenster. Officiating at the double-ring nuptial Mass was Father Ken Robinson.

The bride is the daughter of Arnold and Cecilia Fuhrmann of Lindsay. She is a graduate of Muenster High School and is currently attending Tarleton State University and working at the University dairy.

The groom is the son of Melvin and Mary Jean Bayer of Lindsay. He is a graduate of Lindsay High School and received his Bachelor's degree of Applied Arts and Sciences from Sam Houston State University in 2008. He currently works for Schad Construction.

Grandparents of the bride are Erwin and Clara Fuhrmann of Lindsay and Damon and Georgia Doye of Lawton, Oklahoma. The groom is the grandson of Alfred and Annamaria Bayer of Muenster and Louise Schad of Lindsay and the late Ed Schad.

Vocalist was Christy Hesse of Muenster. She was accompanied by pianist Isaac Davis, cousin of the bride.

Music before Mass included "Edelweiss," "Hail Mary, Gentle Woman," and "On Eagle's Wings." During Mass included "How Beautiful" for the mothers' seating, "Canon in D" for the attendants' processional, and "Trumpet Voluntary" during the bridal processional.

Lectors were Edward Schad, uncle of the groom, Damona Doye, aunt of the bride, and Laura Neusch, Godmother and aunt of the bride. Presenting the bread and wine were Alice and Mike Kendall, Godparents of the groom.

The bride's mother was escorted by her son Cletus Fuhrmann.

The bride was escorted by her father, Arnold Fuhrmann, and given in marriage by her parents. She wore an Alfred Angelo mermaid style dress made up with tulle lace accented throughout with champagne rose and green appliques with a scallop-edged hem featuring the appliques once again. The jacket was ivory crocheted and the veil was finger-tipped length etched with pearl beading.

ATTENDANTS

Maid of honor was Heidi Hess, friend of the bride.

Mr. and Mrs. Philip Andrew Bayer ...nee Crystal Fuhrmann ...

Bridesmaids were Teresa Greathouse, friend of the bride, Amber Fuhrmann, sister of the bride, and Mary Kate Bayer, sister of the groom. They were attired in various styles of sage green, floor-length dresses with matching shawls. They carried single stem ivory roses.

Best man was John Bayer, brother of the groom. Groomsmen were Nathan Hermes, friend of the groom, Pat Bayer, brother of the groom, and Cletus Fuhrmann, brother of the bride. The groomsmen wore black tuxes with sage green vests and ties.

Ushers were Abe Fuhrmann, brother of the

bride, Thad Doye, uncle and Godfather of the bride, Chasen Doye, cousin of the bride, and Jeff Kendall, cousin of the groom.

RECEPTION

The reception included snacks, drinks, dinner, and a dance at Centennial Hall in Lindsay. Guest book attendant was Anna Bayer, sister of the groom.

The bride and groom cakes were created by Alice Kendall, Godmother and aunt of the groom. Cake servers were nieces, nephews, and friends of the wedding party.

After a wedding trip to South Texas, the couple is residing in Lindsay.

In the Service

Air Force Airman Mitchell L. Sellers graduated from basic military training at Lackland Air Force Base, San Antonio.

The airman completed an intensive, eight-week program that included training in military discipline and studies, Air Force core values, physical fitness, and basic warfare principles and skills.

Airmen who complete basic training earn four credits toward an Associate in Applied Science degree through the Community College of the Air Force.

Sellers is the son of Tracy Sellers of Lake Kiowa. He is a 2007 graduate of Sacred Heart Catholic School in Muenster.

Baptism

Walterscheid

On Sunday, Jan. 10, the feast of the Baptism of Our Lord, Katie Marie Walterscheid received the Sacrament of Baptism by Father Ken Robinson in Sacred Heart Catholic Church. Katie is the daughter of Kenneth and Tina Walterscheid, and sister of Abby, Luke, and Emma Walterscheid. Katie's God-

parents are Tony Grewing and Margie Klement. Others in attendance at the ceremony were grandparents Alice Walterscheid and Dale and Charlotte Klement, great-grandparents Marie Sandmann, Irene Klement, and Tony and Sis Klement, and many aunts, uncles, cousins, and friends.

Klements in Southern Living

An article *Uniquely Texas: Ruby Red Grapefruit* by Les Thomas was published in the February 2010 issue of *Southern Living*. Under a section called Picking Your Own, it mentioned that people could harvest their own grapefruits for \$11 a bushel at Klement's Citrus Grove and Country Store located at the intersection of Farm Road 1924 and Taylor Road in McAllen.

The article said that grapefruits are in season through the end of April. More can be learned by checking out klementsgrrove.com or calling 1-800-580-1002.

SCHOOL

Bartush is champ of Sacred Heart Geography Bee

Joe Bartush, an eighth grader at Sacred Heart Catholic School, won the school-level competition of the *National Geographic Bee* on Jan. 11. The school-level Bee consisted of students from fourth to eighth grade.

Those reaching the top 10 were: Joe Bartush, winner, 8th; Nick Turner, runner-up, 5th; Robert Hanson, 4th; Sophia Jones, 4th; Tyler Walterscheid, 5th; Daniel Hesse, 6th; Isaac Walterscheid, 7th; Jason Knabe, 7th; James Dangelmayr, 7th; Bailey Walterscheid, 8th.

This was the first round in the 22nd Annual *National Geographic Bee* in which students answered oral questions. This year's Bee is sponsored by Google (visit www.google.com/educators/geo).

Joe will advance to the next level of competition by a written exam. One hundred top scorers in each state will be eligible to compete in

their state Bee on April 9.

The National Geographic Society will provide an all-expense-paid trip to Washington, D.C. for state champions and teacher-escorts to participate in the Bee national championship rounds on May 25 and 26. The first place national winner will receive a \$25,000 college scholarship, a lifetime membership in the Society, and a trip to the Galapagos Islands, courtesy of Lindblad Expeditions and *National Geographic*.

Jeopardy! host Alex Trebek will moderate the national finals on May 26. The program will air on television.

Everyone can test their geography knowledge with the new and exciting GeoBee Challenge, an online geography quiz, at www.national-geographic.com/geo. The game posts 10 new questions a day.

For information, visit nationalgeographic.com.

Muenster FCCLA brings nutrition program

Seventh and eighth grade students of MISD were the chosen target group for an FCCLA Peer Education program by Muenster students. The high school students were trained as part of a program to help students make better nutrition choices. After receiving the training, the students were challenged to initiate a project in their community and use the resources and skills they acquired during the training in Austin. After noticing the food choices of the junior high students, or lack of, they knew what their project should be.

The first part of the program was a game to help mingle the students with a "favorite foods" activity. The

winners were given a lunch bag with a variety of nutritious snacks. Next, Logan Cheaney introduced Amy Culp of sCULPture Nutrition and Fitness as the guest speaker. Culp, a graduate of Muenster High School and San Diego State University, is a registered and licensed dietitian who specializes in eating disorders, sports nutrition, weight management, and "family" nutrition. She also works as a sports dietitian for the University of Texas athletes, and as a nutrition consultant and speaker for large and small companies nationwide. She brought insight to the students on the rapid rise in obesity in the United States, and how that affects the

health of U.S. citizens.

Culp also gave the students tips on how to perform better as a student and athlete with wise snack and meal choices. Her theme, "You're An American Idol Nutrition Star!" was a fun presentation about the challenges for teens to eat healthy with an active lifestyle.

After an overview of nutrition tips for meal planning and snacks, the students were divided into groups for a meal planning activity. The meals were evaluated by the FCCLA peer educators, and prizes of nutritious

snacks were awarded.

Parents were invited as guests to the program because of the importance of their role in the development of their child's nutrition habits. Culp provided handouts with "packable" lunch and snack ideas as well as quick and easy recipes for family meals.

The program was held in the MISD Cafeteria with 90 students, parents, and teachers in attendance. Copies of the handouts can be acquired on the MISD website under Muenster FCCLA Adviser Joni Sturm's page.

Sacred Heart teams add more victories to season records

The Sacred Heart Tigers and Tigerettes added more notches under the win column the past week with victories over Happy Hill, Marietta, and Notre Dame.

Last Friday, the Tigers hosted the Pioneers of Happy Hill. After a 44-10 halftime lead, Sacred Heart coasted to a 67-20 final.

All nine members suited out to play put points on the board. Patrick Mojica and John Krawietz led the scoring with 12 points each. Ryan Felderhoff added 9, Kevin Kulle and David Miller 8 each, Greyson Evans 7, Jae Im 6, Ian Barnhill 3, and Matt Hesse 2. Miller also had five steals. Felderhoff, Krawietz, Evans, and Hesse led the rebounding.

SH 20 24 15 8 67
HH 6 4 6 4 20

On Saturday, the Sacred Heart varsity teams traveled across the river to Marietta.

The Tigerettes brought home a 45-38 win. "Anytime

you travel to Marietta and beat a solid program at their house, it could be a springboard for the rest of the season," noted Coach Jon LeBrasseur. "Our 1-2 punch was outstanding." Kristin LeBrasseur hit 16 of her 18 in the 1st half, and Karli Anderle hit 14 of her 18 in the 4th, including four 3s.

Anderle and LeBrasseur were high point makers with 18 each. Anderle also pulled down 11 rebounds, while LeBrasseur took four steals. Kaitlin Hesse added 3 points, with Rebekah Hesse, Sydney Hoedebeck, and Taylor Reiter all scoring 2.

SH 12 12 4 17 45
M 12 9 9 8 38

The Tigers improved their season record to 18-2 with a 59-47 win over Marietta. "We struggled some, as we were a little slow on the defensive end," noted Coach Jon. "Kevin picked us up and had an outstanding game."

Kulle scored 28 points,

pulled down 11 rebounds, and got four blocked shots. Krawietz added 16 points, with Mojica scoring 5, with 12 assists and four steals. Berend and Barnhill each scored 3, with Evans and Im getting 2 each.

SH 9 21 14 15 59
M 11 7 16 13 47

On Tuesday, the Tigerettes hosted the Lady Knights of Notre Dame and pulled out a 54-47 non-district win to improve their record to 17-5. "Our defense really took control in the third period," said Coach Jon. "We got back some of our defensive slides tonight."

Anderle led the scoring with 24 points. K. Hesse added 10, LeBrasseur 9, Hoedebeck 8, R. Hesse 2, and Raynee Hogan 1.

K. Hesse also had seven rebounds and five steals, with R. Hesse dishing out seven assists.

Muenster District play continues into second round

The Lady Hornets brought home a 59-45 victory last Friday over the Archer City Lady Cats. A strong 3rd quarter boosted Muenster to victory and kept the Lady Hornets in the District lead.

Seven Lady Hornets put points on the board. Shaina Felderhoff led with 15. Lana Heers and Demi Koelzer each scored 10. Lia Heers added 9, Taylor Klement 8,

Allison Pagel 5, and Emily Hellman 2.

Game Warden Fields Notes

Educational rattlesnake
A Grayson County game warden received a call from a man whose 9-year-old son had caught a baby snake that he believed might be a rattlesnake. Warden Moses went to the location and confirmed that the boy had indeed caught a baby Timber Rattler, which is a threatened species. The snake did not have its rattle yet. The snake was confiscated and will be used for educational purposes.

Right into the hands of the law

During the early morning hours of a September Sunday, a Coryell County game warden was patrolling an area near the Leon River known for poaching activity when he saw a vehicle on a nearby county road stopped on the bridge crossing the river. Several people got out and began moving around. Soon several shots rang out, and the vehicle sped away from the area unknowingly heading straight for the warden. He waited on the highway and when the vehicle exited the county road, a traffic stop was conducted. The driver, a young woman dressed in camouflage, admitted that she and her boyfriend had just shot from the road into the Leon River. The woman stated that she had just gotten a new pistol and needed a place to shoot it. Citations were issued for shooting from a public roadway.

You're the Boss - Make yourself do what must be done.

The Tigerette defense was charged with a foul guarding the basket against the Lady Knights of Notre Dame Tuesday night. The hard-fought, close-scoring, non-district battle ended with a victory for Sacred Heart. Janie Hartman photo

Muenster Knights of Columbus to sponsor Youth Free Throw Championship this Sunday, Jan. 31

All boys and girls ages 10 to 14 are invited to participate in the local level of competition for the 2010 Knights of Columbus Free Throw Championship. Muenster Council #1459 will hold its competition on **Sunday, Jan. 31** at 1 p.m. at the MISD New Gym.

All contestants on the local level will be allowed 15 free-throw attempts. Ties will be settled by successive rounds of five free throws per contestant until a winner emerges. Participants

are required to furnish proof of age and written parental consent. For entry forms or additional information contact Coach Jeff Presnall at 759-2371.

The Knights of Columbus Free Throw Championship is sponsored annually, with winners progressing through the local, district, and state competition. Last year more than 179,000 sharpshooters participated in over 3,000 local competitions.

The Knights of Columbus is an international Catholic

family fraternal service organization with more than 1.7 million members in more than 12,500 local councils. Last year, Knights donated 60 million volunteer hours and \$130 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families, and youth.

In overtime, Muenster found themselves down by 2 with 12 seconds on the clock. Porter again came up, hitting a go-ahead 3-pointer with 5 seconds left. The Trojans' last shot came up empty, for a 45-44 victory for the Hornets.

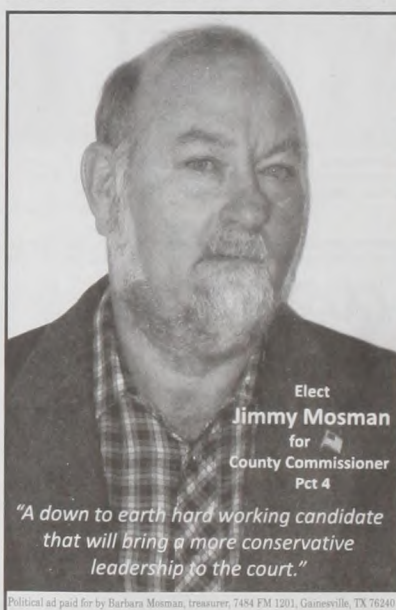

"Scott Porter came up huge late in the game! Tyler Anderle was also a very big part of the game, assuming the point guard role for Jason Luke who did not make the trip due to illness. It was also good to welcome Shane Presnall back, who played an emergency role at the end of the game. Shane hit two clutch free throws to keep the score close. This was a great win for the program in a very tough environment. The celebration was a great feeling," said Coach Courtney Christensen.

Hellman and Porter led the scoring with 14 and 13 points. Flaming added 8, Anderle 6, and 2 each by Walterscheid and Presnall.

M 6 12 9 13 5 45
W 11 6 10 13 4 44

The Hornets beat the Trojans in a battle that went into overtime Tuesday to improve their District record to 2-2. The Hornets managed to keep the game close, though short-handed due to sickness and injury.

With 8.2 seconds left on the clock, Muenster trailed by 3. A missed Trojan free throw allowed the Hornets to bring the ball the full length of the court. Scott Porter hit a game-tying, buzzer-beating 3-pointer to extend the

The Lindsay Lady Knights got a District win, but the Knights walked the plank in District play last Friday.

Every varsity team member of the Lady Knights scored points in Lindsay's 71-38 victory over Petrolia. "It was a very important game for us to stay alive for a playoff spot," noted Coach Don Neu, who was proud of the team. "It was good to get a good win."

Jessica Block dropped in 15 points, with Katie Dieter and Allison Metzler each adding 13. Megan Caillier also hit the double digits with 10 points. Cammi Neu scored 8, Katie Nortman 6, Bethani Eberhart 4, and Kristin Martin 2.

The Knights had difficulty finding the basket, as Petrolia handed Lindsay a 46-24 loss.

Thomas Rohmer scored 7 points and Justin Anderle 6 to lead Lindsay's scoring. Colton Hermes added 5, with Garrett Yancey, Dax Fleitman, and Madison Parkhill each getting 2.

Tuesday, Lindsay faced Era, but game results were not made available by press time.

FARM & RANCH

Cold stressed crops and livestock

The cold and dry weather in many parts of the state led to stressed crops and the need to continue to provide supplemental feed to livestock.

Prolonged cold damaged waterlines, and freezing rain and snow in many areas made it difficult to work fields. At the same time, for some areas of the state, the drier weather provided some relief by allowing farmers to continue or complete harvesting.

Farmers in West Texas and the Rolling Plains have either completed or nearly

completed their cotton harvest. Some crops in extreme West Texas have gone dormant due to prolonged cold weather. In the Panhandle, wheat crops were stressed, with irrigated wheat reported to be in better condition than dryland wheat. Wheat pastures in both this region and in the Rolling Plains are in need of warmer weather and a greater amount of moisture.

In South Texas, growers were concerned over the possible effects of recent freezes on young/tender fields of cabbage and spinach crops.

Farmers in Southwest Texas saw an interruption, their spinach, cabbage, broccoli, lettuce, and carrot harvests during this reporting period.

Generally, the colder weather continues to plague pasture and rangeland areas, providing limited food for livestock, but in some locations recent rainfalls helped such areas rebound a little.

Throughout northern and western counties of Texas, cattle were stressed by the colder weather. In the South Plains, producers were particularly worried about the possible stress effect recent extreme cold temperatures and wind chill will have on area livestock.

Throughout the state, producers continued to increase the amount of supplemental feeding to cattle, and some were concerned they may not have enough hay to last the winter.

Farm Bureau files appeal in Clean Water Act case

The American Farm Bureau is appealing a January 2009 ruling by the U.S. Sixth Circuit Court of Appeals that overturns a Clean Water Act (CWA) exemption for pesticide applications into, over, or near "waters of the United States," so long as the pesticide use complied with EPA-approved label restrictions.

For the past 30 years, pesticides have been tightly controlled under the Federal Insecticide, Fungicide and

Rodenticide Act (FIFRA) and applications of pesticides have been exempted from National Pollutant Discharge Elimination System (NPDES) permits under the CWA.

Not only does this ruling reverse 30 years of EPA procedure, it will also increase costs on pesticide users, consumers, and taxpayers by bringing as many as 5.6 million annual pesticide applications into a new permit program. Source: AFBF

New scuffle erupts over crop insurance subsidies

A new fight over government subsidies to crop insurance companies is under way, but any changes won't take effect until 2011.

Government payments to crop insurance companies are tied to insurance premiums and premiums are tied to commodity prices. Uncle Sam's share of the cost has more than doubled, from \$1.8 billion in 2006 to \$3.8 billion in 2009.

An independent analysis of the crop insurance industry showed net returns of 16.6%, nearly 30% higher than the average 12.8% rate of return for the rest of the insurance industry. So government wants to cut back payments. The insurance industry counters, however, that such cuts would be devastating to smaller insurers. Source: Doanes Agriculture Report

Unpacking the HSUS contribution gravy train

The Humane Society of the United States (HSUS) reported spending almost \$20 million on "campaigns, legislation, and litigation" — enough to worry any livestock farmer or hunter looking to keep his chosen lifestyle alive and well. The group collected over \$86 million in contributions, and spent more than \$24 million on fundraising, including \$4 million on professional fundraisers.

Think about it: 28 cents of every dollar contributed to HSUS goes back out the door to raise more money. HSUS even paid a single "lockbox" company more than \$4.2 million to count and process its cash hauls. Source: AFBF

Foaling seminar

Feb. 9, at 6:30 p.m., in the First State Bank Community Building, equine enthusiasts from around the area will have an opportunity to learn more about issues relevant to their industry. This program will feature informative speaker presentations, product demonstrations, and networking opportunities for professional and recreational horse owners. The First State Bank Community Building is located at 837 California Street, in Gainesville.

The speaker schedule for the night includes:

1. Dr. Khris Crowe, DVM — She will be discussing care of the pregnant mare prior to foaling, normal and abnormal foaling events, and post birth care of foal and mare.

2. Dr. Joe Manning — He will provide information about the current parasite resistance dilemma as it pertains to horse management.

3. Wayne Becker, County Extension agent — He will discuss pasture management for parasite control.

The program is free to the public and all are invited to attend. It is being brought to you by Dr. Crowe and Texas AgriLife Extension Service in Grayson and Cooke Counties. Please RSVP at (940) 668-5412.

Controlling insects in the winter!

Now is a good time to control scale insects on evergreen shrubs and trees through use of a horticultural oil spray. Also, fruit trees may be sprayed at this time of year in order to control insect eggs that may have been laid in bark and twig crevices.

Usually, the oil treatment will need to be applied only once a year, and is an excellent way to smother a pest that is difficult to eradicate. Horticultural oils also have the benefit of being less environmentally harsh than pesticides.

There are several thousand species of "Scale insects." Armored scale insects are capable of navigating to fresh feeding grounds when very small, but then live and feed under a protective hard, waxy shield as adults. Tea

scales, oyster scales, eunonym scales, and wax scales are examples of these.

Trees and shrubs are often unable to withstand the continual drain of sap from these sucking insects, and may ultimately be killed. Treatment consists of thoroughly spraying with horticultural oil according to directions, from every direction over the leaves and twigs.

For successful spraying, look for a period in the late winter or early spring that will be relatively warm, but without a forecast of rain for at least two days (45 - 70 degrees F). Carefully follow the label directions in order to apply the correct dilution formula, especially if you plan to spray fruit trees beginning to break dormancy. If there are any doubts, spray a small area and wait a few days to check the results.

After a few weeks, check to see if spraying has killed most of the scale present. Pry off a domed scale with a thumbnail and press. If the shell is dried, the treatment has worked. If there is still

yellow, orange, or white viscid material, the scales are still living.

Another pest eradication project that is good to accomplish at this time of year is bagworm control. Check junipers and other narrow-leaf evergreens for bagworm pouches. The insect eggs overwinter in the pouch, and start the cycle again by emerging in the spring to begin feeding on the foliage. Hand removal and burning of the pouches are ways of reducing the potential damage next spring.

B SECTION - KNIGHTS OF COLUMBUS CENTENNIAL

JANUARY 29, 2010

Knights of Columbus Muenster Council #1459 Centennial 1910 - 2010

100 years celebrated by Muenster Knights of Columbus

By Janet Felderhoff

One hundred years of service to church and community were celebrated by Muenster Knights of Columbus Council #1459 on Saturday, Jan. 16. Most Rev. Bishop Kevin Vann of the Fort Worth Diocese celebrated Mass at 5 p.m. in Sacred Heart Catholic Church to begin the evening's Centennial Celebration.

Following Mass, a banquet and reception took place at the Winstar Global Event Center in Thackerville. Danny Zwings, Council #1459 chancellor, served as master of ceremonies.

District Deputy 16 Kenneth Braziel led the Pledge of Allegiance and Bishop Vann offered the invocation. Council #1459 Grand Knight Ben Bindel welcomed guests. Fort Worth Diocesan Deputy Dennis Helgeson and Supreme Director/Texas State Deputy Javier Martinez were guest speakers. Martinez read a letter of commendation and congratulations on the 100th anniversary from Supreme Knight Carl Anderson and presented that to Bindel for the Muenster Council.

Martinez and Braziel presented an award to the Muenster Council for their fast start turning charity money early. It was accepted by Grand Knight Bindel.

John and Grace Bezner received the ACE WING Award for their Pro Life efforts.

Fr. Ken Robinson, pastor of Sacred Heart Parish and chaplain of Council #1459, gave the benediction con-

cluding the banquet.

Guests enjoyed music and dancing for the remainder of the evening. Denton Community Band and the Johnny Reed Band provided the music.

Reflecting on the event, Grand Knight Bindel commented, "January 16, 2010 is the exact date 100 years later when 45 men from Muenster became the charter members of Council 1459. Saturday afternoon at 2 p.m. started the celebration with Bishop Kevin Vann, Deacon Don, and our Chaplain Father Ken, along with numerous 4th Degree members and State KC Officers from around the State coming to a reception at Sacred Heart High School.

"The Mass at Sacred Heart Church was wonderful. Approximately 85 Muenster KC members were involved in the Mass. We were blessed to have our oldest members bring up the offering along with our youngest 19 year-old members celebrating the Mass on this date. The banquet was attended by approximately 350 people, including two members from the Marshall Council 1422 from Marshall, Texas."

A century ago the Marshall Council, the newest council at the time, presented the Muenster Council a loving cup for being the new baby Council of the state. Grand Knight Bindel presented the Marshall Council a loving cup 100 years later. He said that the Marshall Council traveled to Muenster both times for the exchange of the loving cups.

Bindel credited the Centennial Committee for all the hard work and energy they put in this celebration. He remarked, "These gentlemen worked for over a year planning every little detail to ensure everyone had a great time. Job well done. Winstar Corporate Account Shelley Carson was very important in helping with the great time the guests enjoyed at the banquet. Happy Birthday Council 1459!"

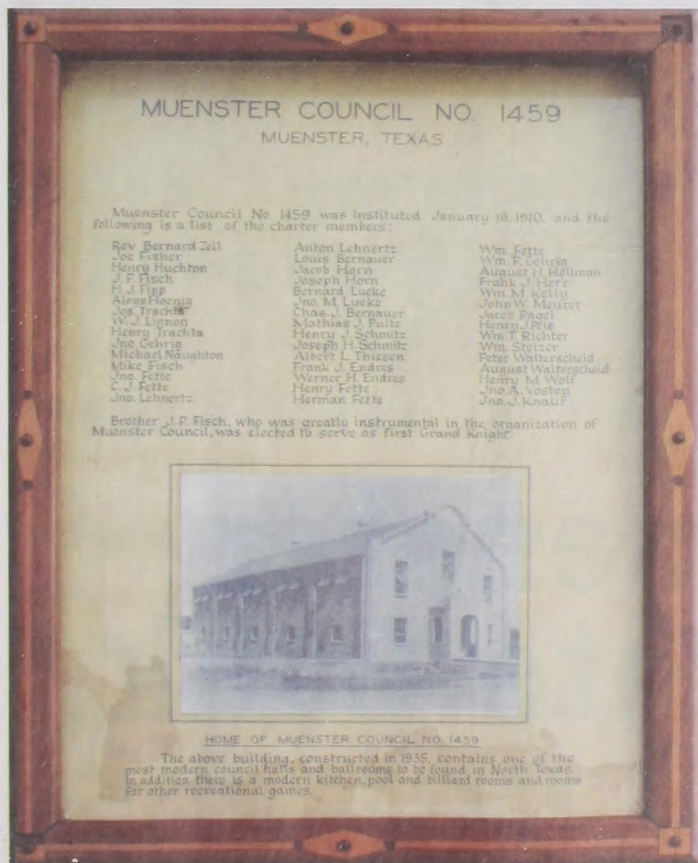

A few of the many projects supported by the Muenster KCs are seminarian donations, Good Neighbor Award, Right to Life - Lone Rose on the Altar, Youth Council of Muenster (t-ball, girls softball, Girl and Boy Scouts), Youth Ministry, awards two

scholarships, Kids Swim Party, Kids Christmas Party, Free Throw Contest, and ABBA Women's Center. They also offer the use of the KC Hall at no charge for funeral

meals and for groups such as the Catholic Daughters and Pro Life to meet. Funds are raised in a variety of ways including the Germanfest Fun Run, Lenten Fish Fries,

and Four Wheeler Raffle.

The above building, constructed in 1935, contains one of the most modern council halls and ballrooms to be found in North Texas. In addition there is a modern kitchen, pool and billiard rooms and rooms for other recreational games.

K C Centennial News

By Dan Hamric, Publicity Chairman

As you probably read in last week's Enterprise, the Centennial Mass and Banquet was a very successful event for the local KC Council.

The Mass, celebrated by Bishop Vann, was most impressive and the music made you want to applaud after each selection. The Bishop's homily kept everyone spellbound, hanging on every word. But we're all used to that, as we hear Father Ken each week.

The banquet was also just as impressive. The Global Event Center at Winstar was decorated beautifully and the well-dressed guests added to the elegance of the evening. The speakers delivered pertinent addresses that kept everyone's attention. The food was delicious and featured three stations ranging from Tex-Mex to Italian. The "all you can eat" caught the caterers a little by surprise as they got a little panicked towards the end, but no one went away hungry.

The program went quite smoothly and featured 19 door prizes. Dorothy Hesse of Muenster was the winner of the grand prize big screen television,

which was donated by the gracious hosts from Winstar.

The souvenir 30-page program, sponsored by area businesses and friends, was also very popular. It featured all kinds of lists from deceased members to charter members, congratulatory letters from all over the State, as well as from the Supreme Knight in Connecticut, and numerous pictures from the past. It was pointed out that a few names were inadvertently left off and we are truly sorry. We think the other 375 are correct.

Jan. 16 marked just the beginning of our Centennial Celebration. Knights of Columbus Council 1459 will be conducting somewhere around 20 events in 2010 for our centennial year. Some will be new and some we do every year, but all will benefit the parish and community. So starting next week with the local free-throw contest, we will continue the celebration.

For those who attended the Mass and/or the banquet, we want to thank you for joining us and making our Centennial kick-off a great success.

Knights of Columbus

Muenster Council #1459

The Muenster Knights of Columbus Council Centennial Committee would like to extend its sincere thanks to everyone involved with the Centennial Mass and Banquet Celebration. Special thanks goes to our Most Reverend Bishop Vann, Rev. Father Ken Robinson, and Deacon Don Warner for concelebrating the Mass on January 16th, exactly 100 years to the day of our Council's inception. Thanks to our Worthy Supreme Director and State Deputy Javier Martinez and his wife Marietta for coming all the way from Houston and our Diocesan Deputy Dennis Helgeson and wife Joyce for attending. Thanks to all of our Sir Knights from the Texas Third District and our Local Lee Wolf Assembly for helping with the Honor Guard at Mass, and all of the other non-local Knights and wives who came to celebrate with us. Thanks and recognition to the Marshall Texas Council 1422 for sending representation 100 years after their first visit to Muenster. Thanks to all of the Muenster Council 1459 members and wives who made the event possible by volunteering and participating in the Mass and banquet. Thanks to the people at Winstar who helped make our banquet a success, especially Shelley Carson and Candace Wiechman. Thanks to the Boy Scouts of Troop 664 and Nortex Communications for the setup and take down of the Community Center. Thanks to Thomas Otto professional photography. Thanks to the City Council of Muenster, the Cooke County Commissioners Court, Senator Hutchison, and the State of Texas for recognizing and congratulating the Council on our milestone achievement. Thanks to the members of Sacred Heart Parish and the citizens of Muenster and Cooke County for supporting the Council in this and all of our endeavors throughout the years - without the community support through the years, it would have been impossible to celebrate this grand milestone in our Council's rich history.
