

Courthouse square declared non smoking zone

By Janet Felderhoff
Cooke County's historic Courthouse and the entire block it sits are now non smoking areas. If you wish to smoke in that block of Gainesville, you will have to step into the street or chance being cited by the Sheriff's Office and fined \$50.

Cooke County Commissioners Court approved the non smoking policy at the Monday, Oct. 24 meeting. The resolution receiving approval stated that the Court recognizes the hazards to health and environment created by the use of tobacco products. Out of concern for

the health, safety, and well-being of County employees and the general public, the smoking policy was adopted. It applies to all employees, elected officials, and the general public. There is already a policy in place that bans smoking in all County buildings, but

this expands it to the outside of the Courthouse and the grounds that surround it. With the re-opening of the County Courthouse, Commissioners Court voted to change the location of public hearing/meeting postings, citations, notices of foreclosure sales, and notices of the Sheriff's sales back to the Courthouse. They will now be posted in the basement as of Oct. 27.

As of Dec. 1, they voted to move the location of public sales, foreclosure sales, and Sheriff's sales back to the Courthouse steps. There are already some sales advertised for November, so the change will not happen until December. Cooke County Historical Commission (CCHC) Board member Kit Chase requested Commissioners' approval to solicit funds for book publishing. The Commission is working on a project that is a book consisting of a collection of stories about Cooke County history written by Historical Commission Board members. "Our intent is to have the book published in honor of the rededication of the 100-year-old Courthouse," explained Chase. "This informal series of stories offers history through the expert eyes of CCHC Board members. We have stories of personal recollections on subjects with strong local relevance and photographs." The books will be

A resolution was approved for the TriCounty Senior Nutrition Center (Meals On Wheels). The organization provides home delivered meals to homebound elderly or disabled persons in the County. The organization received Commission-

The insightful person who took pencil in hand and wrote in the desk drawer of the District Judge's bench, "First Court held in this building Nov. 20, 1911" may have left the only surviving clue as to when the County began using its new Courthouse. County Commissioners offer reprieve from the burn ban

By Janet Felderhoff
Although it may be short-lived, during their Monday, Oct. 24 meeting, Cooke County Commissioners voted to lift the burn ban. There has been a ban on outdoor burning since June 27, and the County has been under a Disaster Declaration since July 11.

County Fire Marshal Coordinator Ray Fletcher updated Commissioners Court on the drought monitor index as of Oct. 18, and the Texas Keetch Byram Drought Index (KBDI). The KBDI high in Cooke County is 597, the low 402 for a mean of 524. It included the weekend's rainfall.

As far as the outlook on anticipated moisture, Fletcher said there is no reason to be optimistic. A possibility of rain was predicted for Wednesday and high winds

for Tuesday through Thursday. Precinct #4 Commissioner Leon Klement observed, "The world is turning green."

County Judge John Roane noted that the majority of the people he's spoken to in the County do not want to see the burn ban removed. "It's a matter of convenience versus safety," he said. "Most people are still willing to err on the side of safety rather than convenience."

B.C. Lemons, Precinct #2 commissioner, said he'd been hearing just the opposite and the people want it lifted. Klement agreed, adding, "This would probably be the time to let them burn for a few weeks or a month. One reason to possibly lift the burn ban if you really expect it to be dry all winter, we do have some moisture and we have some dampness right now."

The vote was called to lift the burn ban, which would also lift the Disaster Declaration. The vote was in favor 4-1 with Judge Roane opposing lifting the ban.

Lora's Flowers is drop off for Dry Cleaners

By Janet Felderhoff
David Hampton owns and operates Dry Clean Super Center located at 1001 East California Street in Gainesville. Lora Hennigan of Lora's Flowers & Gifts in Muenster approached him to become the service provider for her dry cleaning pick up service in Muenster.

Muenster has no dry cleaning or laundry service, therefore, residents were forced to go out of town to drop off and pick up. That was until Lora added a drop off point at her flower and gift shop for the convenience of residents. There have been prior dry cleaners who would pick up the clothing to be cleaned and drop them off in a few days when they were ready.

Always seeking to improve that service, Lora contracted with Hampton's service. There are now new days that the clothing will be picked up and delivered. Those days are Mondays and Thursday at around 2 p.m. Clothing may be dropped off at a collection bin at the back of the hallway of Old Theatre Mall on Main Street. Clothing must be picked up inside Lora's Flower & Gifts. Business hours for Lora's

Grand Jury indicts Knabe on 5 counts

By Janet Felderhoff
Cooke County's Grand Jury was impaneled on Wednesday, Oct. 19. The jurors considered charges against Greg Knabe who allegedly was the driver in a motor vehicle incident in the early hours of Saturday, July 23 of this year.

The Grand Jury handed down five indictments against Knabe. They were: a charge of manslaughter for "recklessly: by failing to control his motor vehicle and/or by failing to keep his motor vehicle on the roadway and/or by driving his motor vehicle onto the shoulder of the roadway, and/or by fail-

Election set for Water District

By Janet Felderhoff
On Tuesday, Nov. 8, various entities across the State will hold elections in conjunction with the State's 10 proposed Constitutional Amendments election. Besides the Constitutional Amendments Election, those concerning voters in Muenster are the NCTC bond election and the Muenster Water District Election.

The Muenster Water District asks voters to decide two issues. Those issues concern property located along west Hwy. 82 that is now owned by Muenster Chamber of Commerce, Muenster Industrial Foundation,

United Way moves toward goal

The Cooke County United Way 2012 Campaign is finally in the home stretch! Friday morning, Oct. 21, all the area United Way thermometers were moved to 88% of goal!

The \$390,000 goal included a \$30,000 increase from last year. By the end of August, the (eight) Pacesetter companies brought the thermometer up to 33%, challenging the community to finish the job! "It is a very slow process and last week, we were only at 38%. We experience this year after year. The volunteers are out there working hard, but it's getting the pledge cards and funds to a point that they can be turned in that takes

the time.

Executive Director Angie Hare noted, "Due to Blitz Days in Muenster, Valley View, and Gainesville, and the news of the preliminary numbers coming in from the Weber employee campaign, the goal finally shot up to 88%! We now have a little over a week to make it to the end. We need \$39,040 to reach the top! I just know we will make it, we are so very close! If everyone (individuals and businesses) who gave last year could give this year and help us by turning it in by Oct. 31, we will make it!"

Tickets are now available for the Celebration Luncheon which is scheduled

for Nov. 10 at 11:30 a.m. For ticket information, contact the United Way offices at 940-665-1793. Limited tickets are available at the door. All are invited to come and celebrate the heroes in us all!

The annual campaign runs from Aug. 1 to Nov. 1 and supports (18) nonprofit health and human service agencies serving Cooke County. If you have not had the opportunity to give to the community effort, contact the Cooke County United Way offices 940-665-1793 or use PayPal on their website www.cookeuw.org.

What NCTC means to me...

Kaye King, Gainesville
Class of 1954

FAMILY TRADITION – Our family places a great value on education. We all have advanced degrees, we all got our start at NCTC, and it gave us the enthusiasm for furthering our education. Both of my parents attended, my father Pete Briscoe in 1927 and my mother Katherine Richards in 1930. My late husband Ken attended in 1953, and my children Kim King Bradley and Bradley Hall King were NCTC students, with Bradley earning his Associate Degree in Agriculture. My granddaughter Michelle Bradley, who started at NCTC, has now finished her Master's and is working at UNT. NCTC is part of the life blood for our county and communities – the college has played an important role in our county's history and will definitely play a vital role in our future. For many families, like mine, NCTC has provided access to higher education and with the increasing cost of universities will continue to provide that access for generations to come.

The first question on the Water District ballot asks voters to decide for or against these annexed properties assuming any tax supported bonds. The second asks them to decide for or against the annexed lands paying ad valorem tax upon all taxable property within the Water District beginning in 2012 and thereafter.

Early voting began on Oct. 24 and continues through Nov. 4. For the Muenster Water District, Early Voting is being held at Muenster City Hall with City Secretary Brenda Simpson serving as early voting judge. Votes may be cast on business days between the hours of 8 a.m. to noon and 1-5 p.m.

On Nov. 8, Muenster voters will cast their votes at the Muenster First Baptist Church, 121 North Pecan Street. Celine Dittfurth serves as the election judge that day. She remarked, "I encourage people to get out and vote!"

Hampton's business offers a full line of dry cleaning and laundry service on premise at the Gainesville location. He has employees who have been with him for many years, he noted. Services offered include dry cleaning or laundering of most garments including wedding gowns, formal, and silk, alterations, and he said the best starch in the business, especially jeans. He will not offer dry cleaning of leather goods from the Muenster drop off.

Hampton has been at the California Street location for the past four and a half years and has been in the dry cleaning business for nearly 15 years. He promises customers at the Muenster drop off, "the same grade service that we offer here in the plant."

Executive Director of Meals On Wheels of Texoma Greg Pitman noted that, "On a good week for our clients who are over 60, we are able to provide what amounts to about 1/4 of what they need to be eating every day. If you consider the circumstance that predicates their eligibility for our program is that they are not able to prepare food for themselves either because of their income or their circumstance, it sort of begs the question who's providing the rest of those meals? I think the answer in many cases is nobody is, so my goal is to try to find new grant funding to, at minimum, provide one meal every day. We are only doing six days a week."

Sealed bids for bulk fuel to be used by Cooke County from Oct. 24, 2011 to Oct. 23, 2012 were considered. Three companies submitted bids. They were Douglass, Martin Eagle, and Red River Co-op. After discussion, and hearing comments that Red River has better quality diesel with less water, they voted unanimously to stay with the current provider and County business Red River.

Oppermann and Morrison exchange vows in Oklahoma City

Kelly Kathryn Oppermann of Oklahoma City, Oklahoma became the bride of Wesley Joel Morrison of Oklahoma City on Friday, July 1, 2011. The 7:30 p.m. ceremony and double ring vows took place at Coles Garden in Oklahoma City with Rev. Ronny White, long-time friend and childhood pastor of the groom, officiating.

The bride is the daughter of Arthur and Gynell Oppermann of Muenster. Her grandparents are Mr. and Mrs. Victor Matschek of Rowena, Texas, and Mrs. Ophelia Opperman of Austin.

Parents of the groom are Tina Morrison of Okarche, Oklahoma and the late James Morrison. His grandmother is Ernestine Gibson of Oklahoma City.

The bride was given in marriage by her father. She wore a strapless, A-line gown made by Casablanca. The bodice was accented with beaded flower appliques sewn onto a soft netting with a mint colored ribbon streaming down the back of the skirt. The skirt also featured beaded flower appliques over netting layered over sheer organza and satin.

Her bouquet was fashioned from peach colored

garden roses, white peonies, ranunculus, and green and gray succulents with white hydrangeas. The baby bonnet worn by the groom as a baby was wrapped around the bridal bouquet.

Betina Wills of Oklahoma City read Colossians 3, v. 12-14. The Stringents string quartet played during the ceremony and at the reception.

Garden decorations included an arbor with ribbons in the bride's chosen colors of mint, peach, and gray. Lanterns embellished with ribbon and flowers illuminated the walkway.

ATTENDANTS

Ann-Marie Oppermann of Muenster was her sister's maid of honor. Sister of the bride Amanda Neuschafer of McKinney was matron of honor. Bridesmaids were friends of the bride Christina Ordonez of Catoosa, Oklahoma and Chelsi Lecrone of McAlester, Oklahoma. Honorary bridesmaids were Charity Trout of Tennessee and Cindy Schutter of Germany, both friends of the bride. The bridesmaids wore J.Crew silk chiffon gowns in gray graphite hue. They carried smaller versions of the bridal bouquet.

Brother of the groom

Mr. and Mrs. Wesley Morrison ... 'nee Kelly Oppermann ...

Chris Morrison of Okarche served as best man. Groomsmen were Jonathan Suttle and Jared Richardson, both of Oklahoma City, and Rion Wahpekeche of Stillwater, Oklahoma, all friends of the groom.

Serving as ushers were Ryan Oppermann of Austin, brother of the bride, and Mark Neuschafer of McKinney, brother-in-law of the bride.

RECEPTION

Following the ceremony, the parents of the bride hosted a reception at Coles Gardens reception hall and patio. A banquet-style dinner was served to approximately 150 guests. Charity Trout, friend of the bride, attended the guest book.

The bride's table held rustic lanterns framed by flowers and mason jars with candles, accented with old book, vintage postcards. The wedding party ate from heirloom china place settings.

The reception area was adorned with vintage flower arrangements of peach garden roses, white peonies, ranunculus, and succulents. Vintage books tied with ribbon, lace runners, and mason jar lighting completed the decor.

The bride's almond wed-

ding cake was topped with whipped icing and peach-colored garden roses. The groom's cake was a strawberry confection with strawberry filling and topped with chocolate covered strawberries.

The rehearsal dinner hosted by the groom's mother was held at Stella Moderna Italian Cuisine in Oklahoma City. Peach garden roses wrapped in brown paper placed in galvanized tins gave a vintage flare to the setting. A highlight of the evening was a slide show presented by Amanda Oppermann Neuschafer, bride's sister.

Following a honeymoon trip to Jamaica, the couple is at home in Edmond, Oklahoma.

Kelly is a 2004 graduate of Ursuline Academy. She graduated from Oklahoma State University in 2008 with a degree in Art with emphasis in Graphic Design. She is employed by Insight Creative Group OKC as a graphic designer.

Wesley graduated from Okarche High School in 2004, and from Oklahoma State University in Stillwater, Oklahoma in 2008 with a Marketing degree. He works at Chesapeake Midstream.

Abigail's Arms fundraiser to feature actress Janine Turner

Janine Turner, actress, author, radio show host, and mother, will be the featured speaker and presenter for an Abigail's Arms Cooke County Family Crisis Center fundraising event on Nov. 6, at 3 p.m. at the Lake Kiowa Lodge. The money raised will go toward building an emergency shelter in Gainesville for victims of domestic violence in Cooke and Montague counties.

Janine, a native of Fort Worth, comes from a long line of Texans and is a highly acclaimed public speaker. Governor Sarah Palin said, "Actress Janine Turner was an eloquent supporter, particularly on the subject of women in politics and the strength and value of single moms who are committed to raising solid citizens."

Janine's most recent projects are her own radio show, "The Janine Turner Radio Show - Hear the Thunder!" currently via podcast on her website, <http://www.janineturner.com> and the foundation she created and co-chairs with Cathy Gillespie, "Constituting

America," <http://www.constitutingamerica.org> - a foundation devoted to educating American citizens and students about the United States Constitution.

Janine's heartfelt mission is to make a cultural impact on America's youth and citizens by building awareness of America's founding principles and values. Chris Wallace of *Fox News Sunday* said, "Like a modern Paul Revere, Turner will keep spreading the word about our founding fathers." Janine proudly served as a member of President Bush's Council on Service and Civic Participation and continues to encourage volunteerism across the country.

Baptism

Walterscheid

Brooks Michael Walterscheid, son of Casey and Megan Walterscheid of Wylie, was baptized on Sunday, Sept. 18, 2011 at Sacred Heart Catholic Church in Muenster. Fr. Ken Robinson conducted the baptism. Godparents are Michelle Hennigan and Tyler Walterscheid. Attending the baptism along with his parents and Godparents were his grandparents Terry and Dianne Walterscheid and Mike and Janie Hennigan; aunts Mindy Hennigan and Meredith Hennigan; uncles Lee Walterscheid and Jordan Walterscheid; and great-grandparents Betty Kralicke, Trudy Felderhoff, and Willie and Queenie Walterscheid. Brooks wore a special baptismal outfit to commemorate the day. His bonnet was made by his great-great-grandmother LaVerne Homsley. His slip is a family heirloom and has been worn by his great-

grandmother, his grandmother, and his mother, as well as numerous other relatives on his mother's side of the family. His gown was made by his grandmother Janie Hennigan. The gown's overlay and lace detail along the hem were taken from Janie's wedding gown. After the baptism, everyone enjoyed hamburgers, hotdogs, and cake at Mike and Janie Hennigan's house.

Gainesville hosts Downtown Art Walk and Loft Tour

The Downtown Art Walk was held Thursday, Oct. 27 from 5-8 p.m. at the shops in historic downtown Gainesville. Shops that hosted area artists were Kinne's Jewelers, Chapman's, The B Hive, Amelia's Attic, Wiese's, Anana's, Otts Home Furnishings, Dimples, and Cahoots/Paige Davidson Studio. Shop owners featured a variety of artists and exhibiting paintings, lamp work, drawings, works in glass, photography, and other media from a number of North Texas artists and local authors. Historic Downtown held their first Loft Tour coinciding with Art Walk. There were four lofts shown on the tour. Admission was free. 100% membership is goal of VFW Auxiliary

The Ladies Auxiliary VFW Post #6205 held their regular meeting on Monday, Oct. 17 in the Post Home. Conductress Sandra Hennigan, Chaplain Hilda Sickening pro tem, and Patriotic Instructor Ethel Mae Hesse pro tem gave the opening ritual. President Frances Bayer presided. Secretary Ida Mae Bindel read the roll call and minutes of the previous meeting. The treasurer's report was given by Agnes Hesse for Lucille Hesse. General Orders were read by President Bayer. Members heard that a memorial will be held at the Nov. 13 District I meeting in Sherman. Eighty Campbells labels were sent to the National

Home. A report on their bake sale at Fischer's Market was given. Members voted to send a donation to the Health and Happiness program. The membership of the local Auxiliary is at 85%, and the group is trying to achieve 100% by Nov. 30. Plans are being made for the annual memorial service at Sacred Heart Cemetery honoring all Veterans. The service will take place on Veterans Day, Friday, Nov. 11, after the 8 a.m. Mass at Sacred Heart Church. Following the meeting, Armella Cler served refreshments to those attending. The next meeting will be held Nov. 21 in the Post Home at 7:30 p.m.

Tips and tricks for a healthier Halloween

Who's more likely to eat too much candy this Halloween - Spiderman (aka eight-year-old Benjamin) or Spiderman's mom (aka 36-year-old Brenda)? The answer is: Both! It doesn't matter how old you are, that overflowing bag full of tasty treats is hard to pass up. Fortunately, there are many tricks available to help you avoid the treat trap, not to mention excess calories.

extra treats you are eating. Start a food diary and count calories during these tempting times to help keep snacking in check. Better yet, drink plenty of water and make sure you have healthy meals and treats on hand so you have something close by when you're hungry. Follow these tips, and your Halloween will be happy and healthy!

Trick-or-treat strategies
If your child will be ringing doorbells throughout your neighborhood in traditional Halloween style, make sure that you feed him or her a healthy snack before heading out. Having a full stomach helps prevent snacking between stops and the stomach aches that can follow.

Healthier Halloween goodies
Halloween doesn't have to be all about calorie-laden treats. Kids may love getting a neat toy instead, and there are many healthy snacks that taste great, too.

Prior to the holiday, let your trick-or-treaters know how much candy they will be allowed to keep and how many pieces they can eat each day, so they know their limits. When they return home with the loot, inspect all the goodies to make sure they haven't been tampered with and toss anything that isn't safely sealed. If there is more candy left over than the previously agreed-upon limit, throw it out or give it away.

Candy alternatives - stickers, bubbles, kazoos, hair bows, yo-yos, jewelry, coins, trading cards, rubber balls. Healthy snacks - cheese sticks, pretzels, granola bars, sugar-free gum, juice boxes, fruit cups, raisins/dried fruit, sunflower seeds, cheese and cracker packages.

MISD High School Student Council plans activities

Muenster High School recently selected its members and elected officers for the 2011-12 school year. Officers are President Emily Hellman; Vice-President Andi Hess; Secretary Lana Heers; Treasurer Paige Hennigan; Parliamentarian Andi Felderhoff; Reporter Erin Hess; Historian Lauren Rohmer; Junior Representatives Paige Herr and Brooke Walterscheid; and Sophomore Representatives Sydney Huchton and Adrien Rohmer. Members-at-large include Chance Herr, Austin Creswell, Jori Magee, Tori Dyess, Brittany Pagel,

Payton Sanders, Kalyndangelmayr, Allison Pagel, and Chloe Schneider.

The Student Council started the year by repainting the visitors' stands at the football stadium in early

August. As soon as school began, the Council decided on the themes for each day of Muenster's Homecoming week and planned a dance for grades 9-12 at the cafeteria following the game.

Some of Student Council's upcoming events include Red Ribbon Week (Oct. 24-28), the Veteran's Day Ceremony to be held Nov. 11 in the cafeteria, and a fall service project.

Presnall named Commended Scholar

Muenster High School Principal Sharon Browning announced that Landon Presnall, son of Jeff and Cheryl Presnall, has been named a Commended Student in the 2012 National Merit Scholarship Program. A letter of Commendation from the school and National Merit Scholarship Corporation (NMSC), which conducts the program, has been presented by the principal to this scholastically talented senior.

About 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the 2012 com-

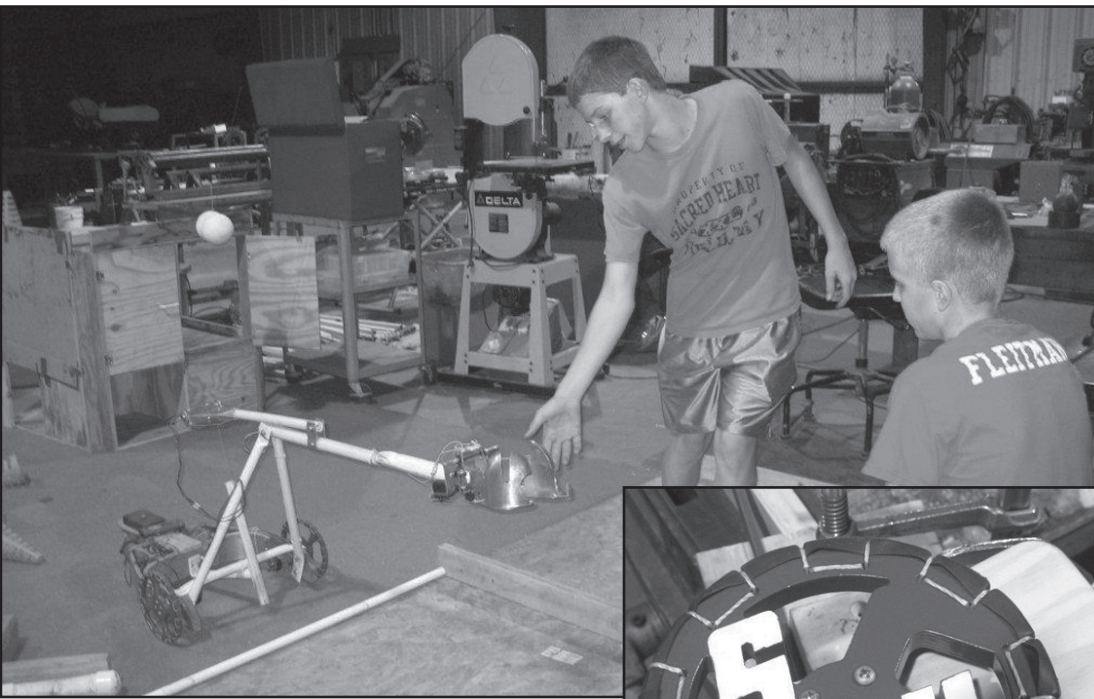

petition for National Merit Scholarships, Commended Students placed among the top 5% of more than 1.5 million students who entered the 2012 competition by taking the 2010 Preliminary SAT/National Merit Scholarship Qualifying Test.

"The young men and women being named Commended Students have demonstrated outstanding potential for academic success," commented a spokesperson for NMSC. "These students represent a valuable national resource; recognizing their accomplishments, as well as the key role their schools play in their academic development, is vital to the advancement

of educational excellence in our nation. We hope that this recognition will help broaden their educational opportunities and encourage them as they continue their pursuit of academic success."

Landon plans to attend one of the following universities: Duke University, Boston College, or Chicago University in the fall of 2012 with a major in Biology and then enter medical school.

"We are very proud of Landon. His performance in the areas of the goals and objectives at Muenster ISD has been excellent and at the level we want all students to strive to achieve," remarked Principal Browning.

Machinators prepare CREEPER for this Saturday's competition

The Sacred Heart Machinators are in the final stages of preparing their team and robot for competition on Game Day this Saturday at Howe High School. This year their robot CREEPER (Capture, Relocate, Escape, Engineered, Pest, Emergency Responder), is prepared to compete in this year's competition which is entitled BUGS!

Also competing will be the

Sacred Heart Machinators Oral Presentation and Booth Building teams as they work together to win the BEST Award, an award that does not judge the robot's performance but rather the performance of the team overall in terms of their spirit and their knowledge of the game and their robot. These two teams will compete in separate areas in order to combine for an overall score to

achieve the BEST Award.

The team is also judged by the number of people who show up to support them. The Sacred Heart Machinators cordially invite all their supporters in the community to come out and show their support and spirit for their robotics team. The NT BEST Robotics Competition will be held at Howe High School this Saturday, Oct. 29, at 9 a.m.

Beginning a new year for Muenster FCCLA

In the first few weeks of school, the Muenster chapter of Family, Career and Community Leaders of America (FCCLA) began a new year. Elections were held to decide the new officers who would take office at the Installation meeting on Sept. 30 along with the new members.

These officers include President Brooke Walterscheid (also FCCLA Region II president); VP of Programs Emily Hellman; VP of Achievement Paige Hennigan; VP of Records Lana Heers VP of Finance Lauren Rohmer; VP of Membership: Erin Hess; VP of Parliamentary Law Andi Felderhoff; VP of Peer Involvement Tori Dyess; VP of Projects Adrien Rohmer; VP of Public Relations Kendi Bayer; and Historian Sadie Stoffels.

The new members include Emily Brogdon, Abby Flaming, Morgan Flusche, Tressa Jones, Mikaela Lamar, Kris-

ten Reiter, Brianna Rohmer, Grant Simpson, Zayne Styles, Traci Vogel, Lora Walterscheid, Andy Flusche, Steven Flusche, Austin Hennigan, and Trevor Muller.

During the meeting, the officers read the eight purposes of FCCLA and with each reading, a red rose (the official flower of FCCLA) was

placed in a vase. Then the members recited the FCCLA creed with the membership to finalize their installation.

The event concluded with a brief meeting and refreshments which consisted of pizza, punch, cookies, and cupcakes made by Mrs. Sturm's Foods class.

NCTC comedy stresses safety lessons

Sacred Heart Catholic School Second and Third Grade classes attended a wonderfully funny, but educational safety program, "The Pirates and the Clowns" at the NCTC Performing Arts Center on Tuesday, Oct. 18. The show reinforced many fire and emergency safety

rules as the pirates and clowns found themselves on Safety Island looking for buried treasure.

After the safety show, the classes enjoyed a visit to the NCTC Planetarium. Sarah Flusche, director, took the students on a wonderful adventure into space. They

viewed the Milky Way Galaxy, several of the planets, and some of the constellations. This was followed by an under-sea adventure, "The Enchanted Reef." The students were taken deep into the depths of the ocean and learned about life that exists there.

Local students train at conference to be peer educators

Muenster FCCLA members participated with more than 500 other FCCLA members and advisors attending Family, Career and Community Leaders of America's (FCCLA) Peer Education Conference Sept. 25-26 in Dallas. The State Conference centered on learning what the role of peer educators is and examined issues facing youth: school violence, financial literacy, teen safe driving, childhood obesity, and environment issues. Emily Hellman, senior Muenster FCCLA member and VP of Programs, and junior member and VP of Peer Involvement Tori Dyess attended training for Texting and Teen Safe Driving. Brooke Walterscheid, junior FCCLA member, Region II president, and Muenster FCCLA president, along with junior member Lauren Rohmer, VP of Finance,

attended training for Our Earth Now and Then. Muenster FCCLA Advisor Joni Sturm, accompanied the students throughout the two-day event. This powerful program certified attendees as peer educators and provided them with resources and materials to be successful when conducting their training. The participants also have the opportunity to provide peer education training on these areas in their community to elementary, middle, or secondary students.

FCCLA: The Ultimate Leadership Experience is a dynamic and effective national student organization that helps young men and women become leaders and address important personal, family, work, and societal issues through Family and Consumer Sciences Education. FCCLA has nearly 200,000 members and over 6,500 chapters.

Students and teachers for the month of September were announced at Muenster ISD. Muenster Memorial Hospital Rehabilitation Program

Total Access Weight Equipment

The MMH FIT Center is equipped with top of the line strength training equipment. One way that ours is different from others is the total access option which allows it to be used by handicapped or able bodied patients. For example, the seats can be removed on many of the machines to allow individuals in a wheelchair to use them. MMH is the second hospital in the state of Texas to have this line in their facility.

Our Swing Bed Program patients are already benefiting from the new Functional Innovative Therapy (FIT) Center.

Flightless Eagle teams go home in defeat

Tigers shoot down Lake Country

The Sacred Heart Tigers totaled 472 yards, lost three fumbles, held their opponents to only 72 total yards, and out-scored the Eagles 46-7 in last Friday's District victory over Lake Country.

"We played a very solid game on both sides of the ball for all four quarters," noted Tiger Coach Dale Schilling. "It was nice to have Bob Bartush back as quarterback - not just for his physical presence, but his leadership."

The Eagles took the opening kick, but tackles by Benjamin Yosten and Austin Springer forced an early Lake Country punt.

The Tigers' first snap of the game was good for a 69 yard touchdown pass play from Bob Bartush to Josh Biffle. Austin Aldriedge added the extra point for a 7-0 score 2 1/2 minutes into the game.

It was three runs with three stops by Tigers Austin Miller, John Paul Hesse, and Quinn Sicking, and a punt for the Eagles.

Sacred Heart carried the ball from their 30 yard line to the Eagle 8 in 10 plays, but an interception temporarily stopped the drive. Three plays later, Biffle picked off an Eagle pass at the 20 yard line. A Bartush to Keith Metzler pass put the Tigers in the end zone. Aldriedge's PAT gave Sacred Heart a 14-0 lead with 1:06 remaining in the 1st period.

Lake Country moved the ball into the 2nd quarter, making no gains past Springer and Sicking. A fumbled snap was followed by a short punt and the Tigers had the ball 30 yards from paydirt. Two plays later, Mark Bartush, behind the blocking of Hesse, crossed the goal line. With 10:53 on the clock, the missed PAT gave Sacred Heart a 20-0 lead.

A loose ball on the kick was recovered by Omar Colmenero, but the next play, the Tigers fumbled it back. Both teams got in plays before Yosten covered a fumble to set up the Tigers' next score. B. Bartush to Hesse and Biffle passes, and runs by M. Bartush, Biffle, and B. Bartush moved the ball to the 1 yard line. Biffle had

the honor of making the score. The PAT kick by Aldriedge put the Tigers on top 27-0 with 1:49 remaining in the 1st half.

A quarterback sack forced a Tiger punt to start the 3rd quarter. The Eagles also punted, the Tigers fumbled, and the Eagles punted again. With 5:25 on the clock a 62 yard run by M. Bartush found the end zone. The PAT pass failed for a 33-0 score.

Tackles by Yosten, Sicking, Metzler, and Michael Davis forced another punt by Lake Country. From mid-field, B. Bartush and Biffle connected for another Tiger TD. The PAT was blocked and with 2:34 remaining in the 3rd quarter, Sacred Heart led 39-0.

Again the Tiger defense, led by Davis, Justin Brown, M. Bartush, and Hayden Schilling, made the Eagles punt to end the period. Two plays later, Sacred Heart was in the end zone, when B. Bartush scored on a 60 yard run. Aldriedge's PAT gave the Tigers a 46-0 lead 53 seconds into the final quarter.

A 4th and 1 attempt by Lake Country was stopped by Davis and Schilling, but a fumble the next play returned the ball to the Eagles. Three good passes and a flag later, Lake Country was on the board 46-7.

The final 7 minutes of the game saw several ball exchanges.

 The Tigers make the long trip to Lubbock this week as District competition continues against Lubbock Christian. This game will decide 2nd place in the District, which guarantees a home playoff game. The 3rd place team must travel in the first round of the playoffs.

"Lubbock is huge up front, with two players, twins, just under 300 pounds," Coach Schilling noted. "They also have very good skill kids."

Lubbock also lost to Colleyville Covenant, who has clinched the District Championship.

Valley View plucked by Muenster

The Eagles of Valley View were grounded last Friday night, laying an egg in the Hornets' nest, as Muenster plucked out 46 points to the scoreless visitors. The victory put another notch under the Hornets' win column, now 8-0 on the season.

"We had a good 1st quarter, but didn't play well offensively in the 2nd," commented Muenster Coach Brady Carney. "We came out the 2nd half and the offense played up to their capability. The defense played well all night."

Muenster's defense not only grounded the Eagles' air attack, allowing only 48 yards, but totally stopped their rushing game with a minus 1 yard. On the bright side for Valley View, they had only one penalty for 5 yards.

The 1st quarter saw Muenster score on both their possessions, but not before Blake Voth blocked a Valley View punt for a 2 point safety with 9:49 on the clock.

The Hornets' first drive began on the Eagle 45. After Tyler Anderle gained 6, Chase Hammer covered the remaining 39 yards to score 6 points. The extra point was unsuccessful and Muenster led 8-0.

The Eagles gained a yard and punted. From the Valley View 27, Trevor Hess, Dalton Koelzer, Anderle, and Hammer shared runs, along with an Anderle to Hammer pass. With 1:26 on the clock, Koelzer scored from the 9. Hunter Klement added the extra point for a 15-0 score.

The 2nd quarter was scoreless, with Muenster punting twice and losing the ball to a fumble.

The Hornets took the 3rd quarter kick, taking 10 plays to cover 69 yards, including Anderle passes to Voth and Hess, and short runs by Hammer, Koelzer, Hess, and Clint Sidwell to the 10 yard

line. An Anderle to Andy Flusche completion found the end zone. Klement's PAT gave Muenster a 22-0 lead with 6:36 on the clock.

It was three plays and 30 total yards for Valley View. The minus 1 yard punt put the Hornets 9 yards from the end zone. Two snaps and Sidwell scored from the 5.

total yards by Sidwell, Klement, Steven Flusche, Mark Jones, Mason Binder, and Luke Crabtree to get to the 7 yard line. With a minute on the clock, Klement's 24 yard field goal kick cleared the uprights and the Hornets had their 46 points.

Muenster travels to Lindsay this Friday night for the annual Kraut Bowl. The Hornets have not defeated the Knights on Lindsay's turf since 1991 (8-8 tie to Hornets on penetrations), '92 (20-14), and '93 (22-3). They

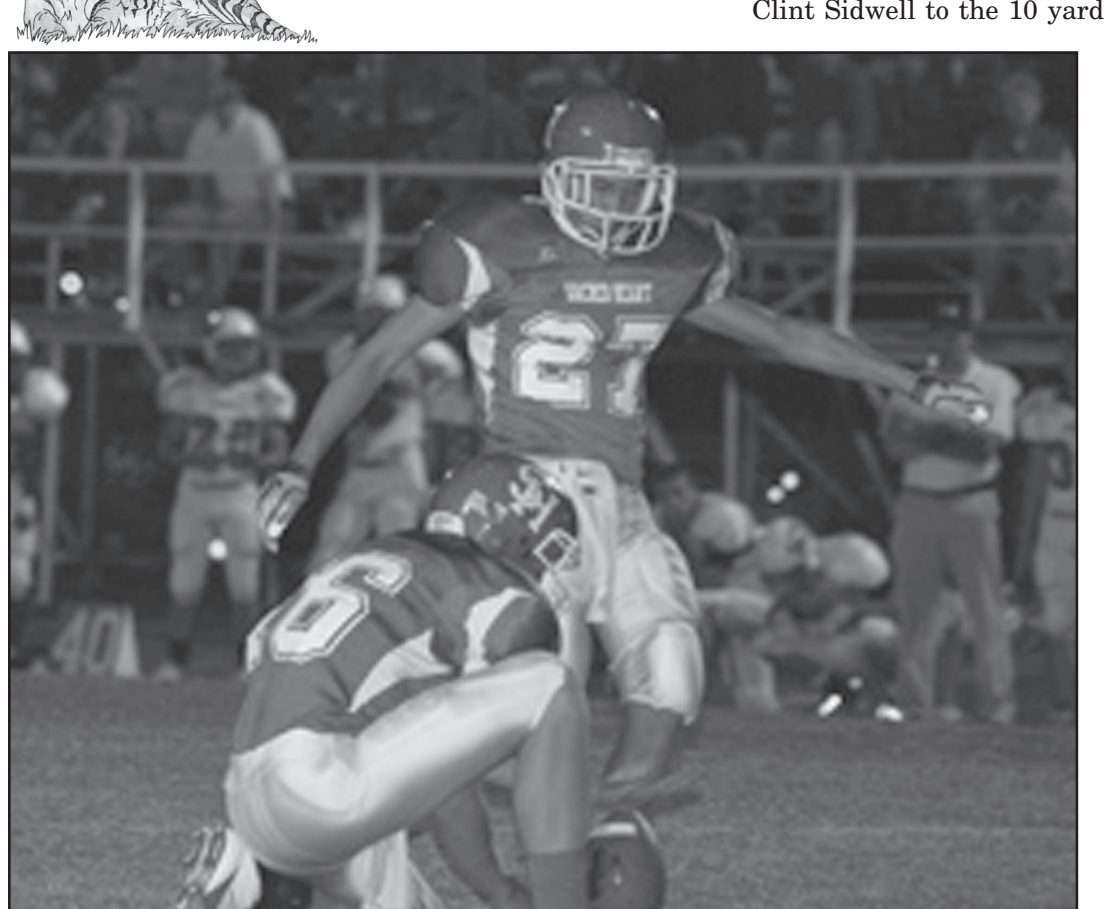

Steven Flusche (33) follows blockers Jared Endres (66), Paul Mouring (55), Garrett Hanes (62), and Cole Walterscheid (82).

lost to Lindsay in '94 and '95, didn't play '96 - '97, lost '98, '99, didn't play 2000, '01. In 2002, Lindsay won 15-13, with Muenster getting back-to-back wins in 2003 (23-13) and '04 (18-14). The Knights then were victorious five straight years before losing to the Hornets 23-7 last year.

"They're a younger team than last season," said Coach Carney. "They have to count on sophomores and juniors. They're getting better each week." Carney also noted that the Knights are bigger up front and have more speed, which could cause a lot of problems. "We have to play a mistake free game."

Kickoff is at 7:30 p.m. at Knight Field.

Lindsay and Muenster girls dominate District 17-A meet

The District 17A Cross Country Meet was held Monday, Oct. 24 on the athletic complex of Lindsay ISD and the surrounding pastures. The top 10 individuals and the top three teams of the varsity girls and the varsity boys divisions advance to Regional competition. That competition will be held Saturday, Nov. 5 at Harris County College in Humble.

The Lady Knights took the District Championship with 38 points, followed by Muenster's Lady Hornets with 43. Valley View, Era, Bland, Celeste, and Blue Ridge followed. Also competing were runners from Campbell, Sam Rayburn, and Honey Grove.

The top 20 finishers consisted of six Muenster and five Lindsay runners. Lindsay's Megan Holt and Lauren Gibbs out-paced Emily Hellman of Muenster for the top three finishes.

Varsity girls' places and times are as follows: 1, Megan Holt, L, 12:13.30; 2, Lauren Gibbs, L, 12:32.75;

3, Emily Hellman, M, 13:04.58; 6, Paige Herr, M, 13:21.31; 7, Megan Caillier, L, 13:38.59; 9, Michelle Sicking, M 13:46.49; 11, Jessica Martin, L, 14:07.22; 12, Lauren Rohmer, M, 14:07.91; 13, Lana Heers, M, 14:09.26; 17, Courtney Neu, L, 14:21.38; 20, Demi Koelzer, M, 14:33.46; 21, Rebecca Metzler, L, 14:34.90; 27, Amber Walterscheid, M, 15:03.11; 47, Brianne Sandmann, L, 17:00.05.

Valley View and Honey Grove tied at 52 each in the varsity boys division. Trenton, Lindsay, and Bland followed as the top teams. The 1st place time was 16:50.94, won by a runner from Honey Grove. Valley View followed with the next two runners.

Knight and Hornet finishers were: 4, Dakota Ellender, L, 17:26.59; 9, Travis Block, L, 17:57.58; 16, Chance O'Shel, L, 18:32.04; 32, Conner Polk, L, 20:47.48; 43, Trevor Cheaney, M, 21:57.84; 46, John Price, L, 25:36.47.

The Muenster JV Lady Hornets took home the District Championship with 21 points. Era followed with 42.

Muenster runners (no Lindsay JV girls), their places and times were: 1, Lora Walterscheid, 14:37.33; 3, Shelbi Sicking, 15:22.84; 4, Kalyn Dangelmayr, 15:29.97; 6, Kendi Bayer, 15:50.16; 7, Mikaela Lamar, 15:56.98; 20, Kristen Reiter, 19:21.85.

The JV Hornets had three runners at the District meet. Celeste took 1st place in that division. Muenster competitors were: 7, Chance Herr, 22:52.48; 10, Austin Creswell, 26:24.67; 15, Zach Trubenbach, 27:44.59.

Junior Varsity Lady Hornet Lora Walterscheid won the Division Championship.

High School Fall Golf

When you take out the athletes from football, basketball, cross country, and cheerleading from a Class A school, you don't have many left! But three girls and two boys did play golf at the Wichita Falls High School Coyote Invitational last Friday and Saturday at Turtle Hill Golf Course. Erin Hess, Payton Sanders, and Miranda Pagel competed against some of the area's best in the girls division, while Blake Grewing and Darrell Hermes played in the boys division.

In the most beautiful weekend of the year, all the golfers could only blame their shaky scores on the rust acquired since their last competition in April.

Since golf team play requires a minimum of four, both squads had to compete as individuals. Sophomore Erin Hess continued her winning ways by claiming her sixth win in nine starts of her high school career. After a horrendous start, she was eight shots down but came back to claim the day one lead by three strokes with a respectable round of 85. On day two, she was down four shots with five holes to play, but went on a birdie streak and won day two by three shots with a 78 to give her a six shot victory. Erin also won the longest drive of the tournament with a 265 yard shot on hole #3.

and Miranda Pagel had their ups and downs also, but the occasional bad holes kept them from scoring low. Payton carded a 121 and 111, while Miranda posted scores of 119 and 117.

Senior Blake Grewing played good golf for 18 of the 36 holes, but the "other" 18 took the wind out of his game. Coach Dan Hamric said, "Blake posted a 109-109 but realized he was just a chip or a putt away on each hole that kept him from shooting his normal mid-eighties round." Sophomore Darrell Hermes played a decent round on Friday, but had to withdraw on Saturday to compete in an all-day band camp.

Cubs take down Lake Country

The Sacred Heart Cubs traveled to Fort Worth on Thursday night to close out their season against the Lake Country Christian Eagles. The Cubs' night was one of big plays on offense and a stingy defense.

The game started with the Eagles taking over on their own 5 yard line. Strong defense led by Tyler Spruill, Zach Flusche, and Jared Dangelmayr forced a three out. The Cubs took over in Eagle territory only to fumble on the first play. On 2nd down, the Eagles returned the favor, with Kason Reeves scooping the ball up and re-

turning it 50 yards for a touchdown. The 2 point conversion was stopped short for a score 6-0 with 1:37 on the clock.

The Eagles again fumbled, with Spruill recovering on the 12. On 2nd down, Spruill took it in for the TD, giving the Cubs a 12-0 lead.

The Eagles drove into Cub territory but turned the ball over on downs at the Cub 33. Reeves connected with Dangelmayr for a 67 yard TD for an 18-0 Cub lead.

Lake Country started the 2nd half with an on-side kick which was covered by the Cubs. On 2nd and 15 from

their own 44, Spruill again went the distance for a TD. Thomas Hennigan made the 2 point conversion, giving the Cubs a 26-0 lead.

After an Eagle punt, the Cubs took over at their own 45 yard line. On 2nd and 8 Reeves went on a 53 yard touchdown run. Again Hennigan made the conversion for a 34-0 score.

Sam Hesse made the tackle on the following kickoff. The 4th quarter started with Grant Springer and Daniel Hesse making a nice defensive play on an inside trap, giving the Cubs the ball back on downs. The Cubs fumbled, giving Lake Country the ball back.

The Eagles scored two late touchdowns while the young Cubs were gaining some valuable playing experience. While in the game the following Cubs were in on tack-

Knights out duel Pirates

By Pat Springer
Lindsay's offensive attack, both on the ground and in the air, racked up a total of 588 yards on their way to a 40-6 victory over Petrolia. It wasn't all offense, the defense added an interception and held back Pirate rushers to insure the win.

Petrolia struck first to put numbers on the board and led 6-0 at the end of the 1st quarter.

It was late in the 2nd quarter before quarterback John Haverkamp connected with multiple receivers and a final hand-off to Hud Harrison for put 6 on the scoreboard for the Knights. Kicker Garrett Yancey added the PAT to put Lindsay ahead by 1.

Unable to make a 1st down, Petrolia punted with less than a minute left in the first half. Haverkamp threw a long pass to Jace Wann to put the Knights up 13-6. A two-point conversion failed and Lindsay went into the locker room at halftime with a 7-point lead.

The Knight defense came out in the 2nd half determined to hold the Pirates scoreless. Harrison picked off a tipped pass by Elijah Walker to take the Knights into Pirate territory. Blake Walker scored to put the

Knights ahead 20-6.

On their next possession, Lindsay started on their own 20-yard line. They moved the ball successfully for another score and a 27-6 lead.

Two more touchdowns in the 4th quarter gave Lindsay the big 40-6 win at the final.

Although happy with the win, Coach Cody Bounds continues to be disappointed in his team's slow starts. "We just can't get them to come out the way we want them to. We work on it in practice every day, but they still come out slow," Coach Bounds said. "We just don't have a guy willing to step up and say, let's go."

It was a big win for Lindsay as they head into this week's match with their toughest opponent. The Knights, again plagued by penalties at Petrolia, will have to play nearly flawless ball and come out strong from the first whistle to take a win from the 8-0 Muenster Hornets and stay in the running for the playoffs.

Traditionally known as the Kraut Bowl, the match-up between Lindsay and Muenster will be Friday at the Lindsay stadium. Pre-game festivities include Senior Night recognitions. Kick off

is at 7:30 p.m.

Game stats: Rushing - Hud Harrison, 18/178; John Haverkamp 10/75; Blake Walker, 7/99; Elijah Walker, 4/84. Passing - John Haverkamp 6/154. Receiving - Jace Wann 2/98 yards; Garrett Yancey, 2/30; Blake Walker, 1/11; Dylan Hughes 1/14 yards. Defense - Tyler Dennington, Hud Harrison, John Haverkamp, Dylan Hughes, Elijah Walker, Neely Rose, Trevor DeBord, Chisam Reiter, Connor Fuhrmann, Dawson Holt, Jace Wann, Cody Thurman, Blake Walker, Drew Cooney, Dakota Ellender, Tanner Kuhn, Nick Rose, Travis Krahl, Chris Bell.

les: Sam Hesse, John Hess, and Julian Hesse.

Spruill led the Cub rushing with 85 yards on 7 carries, followed by Reeves with 53 on 1 carry. Reeves completed 2 passes for 87 yards with one touch down. Leading tacklers were Spruill, Flusche, and Dangelmayr.

The Cubs ended their successful season with a 5-1-1 record.

Lady Knights are District Champions!

The Lindsay Lady Knights defeated the Chico Lady Dragons 3-2 last Friday to take the District lead, one game over Chico. Scores were 25-16, 21-25, 22-25, 25-16, 15-10.

Stats were: Tara Atkins, 2 aces (AC), 7 digs (D), 43 assists (A); Jalyn Anderle, 2 AC, 11 kills (K), 2 blocks (B), 5 D; Taylor Atkins, 4 AC, 8 K, 11 D; Nicole Fleitman,

4 AC, 8 K, 2 B, 12 D; Katie Arendt, 4 AC, 10 D; Jordan Fleitman, 25 K, 10 B, 6 D; Rebekah Manon, 3 K, 4 D; Lucinda Krahl, 6 D.

The Lady Knights finished regular season play and took the District Championship on Tuesday evening with a win over the saint Jo Lady Panthers. Scores were 25-10, 25-12, 25-12.

Stats included: Tara At-

kins, 29 A; Anderle, 4 AC, 4 K, 5 D; Taylor Atkins, 3 AC, 8 K; N. Fleitman, 5 AC, 8 K, 7 D; Arendt, 3 D; J. Fleitman, 9 K, 3 B; Manon, 4 K.

Lindsay has a bye in the first round of the playoffs. In the Area round of the playoffs, the Lady Knights will play the winner of the Ranger and DeLeon game. The time and place have not been determined.

 J. R. THOMPSON, INC.
 SOAH Docket No. 582-12-1462
 TCEQ Docket No. 2011-1524-AIR
 Proposed Permit No. 92504L001

APPLICATION.
 J. R. Thompson, Inc., 3500 N. Grand Ave., Gainesville, Texas
 76240-2369, has applied to the Texas Commission on Environ-
 mental Quality (TCEQ) for issuance of Proposed Air Quality
 Permit Number 92504L001, which would authorize construction
 of a Rock Crushing Plant located approximately 2 miles south
 of Farm-to-Market (FM) 1630 on the east side of County Road
 (CR) 343, Muenster, Cooke County, Texas 76252. The proposed
 facility will emit the following contaminants: particulate matter
 with diameters of 10 microns or less and 2.5 microns or less,
 organic compounds, nitrogen oxides, sulfur dioxide, and carbon
 monoxide.
 The TCEQ executive director has prepared a draft permit which,
 if approved, would establish the conditions under which the fa-
 cility must operate. The executive director has made a prelimi-
 nary decision to issue the permit because it meets all rules and
 regulations. The permit application, executive director's pre-
 liminary decision, and draft permit will be available for viewing

CONTESTED CASE HEARING.
 The State Office of Administrative Hearings (SOAH) will con-
 duct a formal contested
 case hearing at:

9:00AM - DECEMBER 5, 2011
WP CLEMENTS BLDG
300 W 15TH ST 4TH FL
AUSTIN TX 78701

The contested case hearing will be a legal proceeding similar to
 a civil trial in state district court. The hearing will address the
 disputed issues of fact identified in the TCEQ order concerning
 this application issued on October 10, 2011. In addition to these
 issues, the judge may consider additional issues if certain fac-
 tors are met.

The hearing will be conducted in accordance with the Chapter
 2001, Texas Government Code; Chapter 382, Texas Health and
 Safety Code; TCEQ rules including 30 Texas Administrative
 Code (TAC) Chapter 116 Subchapters A and B; and the procedu-
 ral rules of the TCEQ and SOAH, including 30 TAC Chapter
 80 and 1 TAC Chapter 155. The hearing will be held unless all
 timely hearing requests have been withdrawn or denied.
 To request to be a party, you must attend the hearing and show
 you would be affected by the application in a way not common
 to the general public. Any person may attend the hearing and
 request to be a party. Only persons named as parties may partici-
 pate at the hearing.

INFORMATION.
 If you need more information about the hearing process for this
 application, please call the Public Education Program, toll free,
 at 1-800-687-4040. General information regarding the TCEQ
 can be found at <http://www.tceq.texas.gov/>.

Persons with disabilities who need special accommodations at
 the hearing should call the SOAH Docketing Department at

USDA announces disaster assistance sign-up for 2010 crop losses

Cooke County USDA Farm Service Agency (FSA) Executive Director Chance Fenoglio has announced that the Supplemental Revenue Assistance Payments (SURE) program enrollment for 2010 crop year losses begins Nov. 14.

"Producers across the state experienced several natural disasters during the 2010 crop year that caused hardship and financial losses to many agricultural operations," said Fenoglio. "The SURE program provides assistance to producers when disaster strikes, so I strongly encourage producers with 2010 crop losses to contact the Cooke County FSA office to learn more about the program," he said.

To qualify for a SURE payment, the producer's operation must be located in a county that was declared a disaster for 2010 and have at least a 10% production loss that affects one crop of economic significance. Producers with agricultural operations located outside a disaster county are eligible for SURE benefits if they had a production loss greater or equal to 50% of the normal production on the farm.

Counties that received a disaster designation during 2010 include: Clay, Cooke, Denton, Fannin, Grayson, Jack, Montague, Tarrant, and Wise.

To meet program eligibil-

ity requirements, producers must have obtained a policy or plan of insurance for all insurable crops through the Federal Crop Insurance Corporation and obtained Noninsured Crop Disaster Assistance Program (NAP) coverage on non-insurable crops, if available, from FSA. Eligible farmers and ranchers who meet the definition of a socially disadvantaged,

limited resource or beginning farmer or rancher do not have to meet this requirement. Forage crops intended for grazing are not eligible for SURE benefits.

For more information on SURE program eligibility requirements, contact the Cooke County FSA office at 940-665-4397, ext. 2, or visit the website at <http://www.fsa.usda.gov/sure>.

County Agent's Report

Overseeding winter pasture

Many livestock producers have already planted small grains or winter annual forages in prepared fields. With the ongoing drought and lack of hay availability many are also beginning to overseed their pastures.

In general, planting recommendations are similar to planting in a prepared field. Small grains should be planted from one to 1.5 inches deep, and ryegrass should be planted approximately 1/8 to 1/4 inches deep. Seeding rates for cool-season small grains range from 90 to 120 pounds per acre. Ryegrass seeding rates range from 25 to 30 pounds per acre, and clovers and medics range from four to 16 pounds per acre.

Legumes can also be useful. Clovers and medics have

very small seed and should be either planted 1/8 to 1/4 inches deep or broadcast on the soil surface and packed or harrowed in. Vetch and winter peas should be planted 1/4 to 1/2 inch deep, with suggested seeding rates being 30-35 lbs per acre.

A very good web site to check for specific plant species recommendations is: http://stephenville.tamu.edu/ag_programs/forages/forage_species/index.php.

Fertilization for cool-season forages should be based on soil test recommendation. Nitrogen fertilization of over-seeded small grains or ryegrass is usually split into two applications of 50 to 60 pounds per acre for each.

Fall CEU Program

It is time for the annual Fall CEU program. This evening program allows Texas Department of Agriculture Pesticide Licensees the opportunity to obtain continuing education at a night-time program. Monday, Nov. 7, beginning at 6 p.m. we will offer a three hour program at the First State Bank's Conference Center. There will be one CEU in each of these categories: Laws and Regs, General, and Integrated Pest Management. There will be a \$15 charge, but a sandwich and drink will be provided. Please RSVP to (940) 668-5412 by Nov. 3.

Dates to remember

Nov. 8 - Marketing Club, 7p.m., Gainesville Farm Bureau Building.

The Bear den took a trip to Lee Fikes Ranch to work on their "Sharing Your World with Wildlife" achievement. The boys identified animal tracks at the main watering pond, viewed a bat-house, fed catfish and turtles. They learned about the delicate balance of wildlife and the impact the drought had on their main watering pond. The boys took a mile hike and searched for arrow heads, animal tracks, and "really cool" rocks. At left - Cub Scouts identify animal tracks at the main watering pond; Above left, from left - Nolan Vogel and Rafael Rondon take turns feeding the catfish and turtles; above - Alex Broyles searches for arrow heads. Also attending were Jackson Carr, J.D. Smith, and Preston Smith. Courtesy photos

Texas Department of Agriculture market recap

For the week ending Oct. 21, feeder cattle prices at Texas Panhandle auctions were steady to \$6 higher per hundredweight. San Angelo was \$2 to \$4 higher and Oklahoma City was steady to \$8 higher. Texas direct feeder cattle sales were steady to \$2 higher. Market influences remain unchanged as historically high fed cattle markets, prospects for tighter feeder supplies, the drought, and lack of grazing were again factors. Fed cattle prices were almost \$1.50 higher. Recent reports have indicated that feedlot margins remain negative as high input costs have more than offset higher fed cattle prices. Wholesale beef

cut-out values were lower on Choice and higher on Select-grade beef.

Wheat prices were higher amid concerns that the very dry conditions will hamper planting and growth of the winter wheat crop. Corn and grain sorghum were higher with support from a cheaper dollar versus other currencies, and favorable export shipments.

As for futures markets, fed cattle, wheat, and corn were higher, while feeder cattle, cotton, and lumber were lower.

Weather, crop progress, and crop condition information were not yet available when this week's report was prepared. The latest U.S.

Drought Monitor showed very little change, with all of the state still suffering from some degree of drought and 73% in the worst category of exceptional drought. The National Weather Service's long-range forecast calls for warmer and drier weather in Texas during December, January, and February.

Watch out for volunteers picking up trash on the road sides this Saturday. Stop and join them! K M B

Keeping Muenster Beautiful

Scouts turned out to help Keep Muenster Beautiful (KMB) with their Fall Planting Day project in town on Saturday, Oct. 8. This was a hard project this year with the drought being so severe. The ground was very hard and dry. The group focused mostly on pruning, weeding, and weed prevention. Some flowers were planted, but only in the flower boxes where the shop owners committed to watering the plants. KMB hopes for a wetter winter and spring, so Spring Planting Day will permit more plants to be planted. KMB is also interested in other ideas for adding beauty to our town's planter boxes that does not require water since the drought is forecast to be a long one. KMB Fall Community Clean-up Day is Oct. 29 at 9 a.m. at the KMB Haus in the City Park. Lunch will be provided by Muenster State Bank and door prizes will be awarded.

Parents play big role in improving teen driving

National Teen Driver Safety Week (NTDSW) was Oct. 16-22. Motor vehicle crashes are the leading cause of death for teens. Statistics show that teens are most likely to have a crash during the first six months after getting their license, which is primarily due to their inexperience. Research shows that parents play an important role in increasing their teen's driving skills as they have the greatest influence over their teen's behavior. In fact, leading experts believe parents play a key role in preventing teen car crashes and deaths. A study conducted by Children's Hospital of Philadelphia shows that teens whose parents set rules, monitor their driving, and are supportive are half as likely to crash and twice as likely to use seat belts as teens with less involved parents. Parents

can help by talking with their teens about safe driving practices. Spending as much time driving with your teen in many different driving situations can significantly impact your teen's future driving practices. The Texas Graduated Driver's License Law provides parents with the controls to help keep their teen drivers safe. Many parents are not aware of the provisions of this law. The law is divided into two phases. During phase one, the teen driver must always be accompanied by a person at least 21 years of age. During phase two, teens cannot operate a motor vehicle with more than one passenger who is younger than 21 unless the additional passengers are also family members. Driving is prohibited between midnight and 5 a.m. unless the teen is driving to attend work or a school-related activ-

ity, or responding to an emergency situation. Cell phone use is also prohibited during this second phase. Making sure your teen follows the Graduated Driver's License Law can help get a teen safely through the most critical time when driver inexperience can lead to crashes. Texas AgriLife Extension Service agent Angel Neu reminds parents to follow these tips to keep teens driving safely:

- Practice driving with your teen as often as possible.
- Discuss your rules of the road, and create a Parent-Teen Driving Agreement.
- Model good driving behavior for your teen by always using seat belts and never using a cell phone while driving.
- Share your rules with other parents and teens.

Members of Keep Muenster Beautiful (KMB) performed their annual litter index study on Saturday, Oct. 22. This is a requirement from Keep America Beautiful (KAB) to remain in good standing with them. The survey is performed by having the assessment team preview a training video to explain the scoring criteria. A #1 means that there is little or no litter in the area, perhaps one or two pieces of litter in a city block. The area is neat and tidy. A #2 means that it is slightly littered. The eye is not continually seeing litter and the area can be quickly cleaned. The #3 is littered and a formal clean up would be necessary to tidy the area. A #4 means extremely littered. Litter is the first thing that you notice. It might include an illegal dump, and could require equipment for removal. Muenster is divided into 10 sections. Each section is viewed by the assessment team and their scores are averaged for the area's total score. The sections are averaged together to get the City's total score. This year, six of the areas that are within the city limits were also scored for four other categories: illegal signs, graffiti, abandoned junk vehicles, and outside storage. Scoring criteria is as follows: illegal signs - #1 = no illegal signs; #2 = 1 - 5 illegal signs; #3 = 3 - 10 illegal signs; and #4 = 10 or more illegal signs. Abandoned or junk vehicles - #1 = no abandoned/junked vehicles, #2 = 1 abandoned/junked vehicle, #3 = 2 - 3 abandoned/junked vehicles, and #4 = 4 or more abandoned/junked vehicles. Outside storage: #1 = no openly stored items, #2 = 1 - 4 openly stored items that look untidy that could be cleaned up in an hour with one or two people working, #3 = Items openly stored that could easily fill a small shed approximately 8'x10', and #4 = Items that would fill a one-car garage approximately 10'x20'. The graffiti index scoring was left out of this article because Muenster has zero graffiti. Check the graph to see how your area scored. The group noted 24 lawns and empty lots which have grass and weeds taller than 10 inches. The majority of these lots are in southwest Muenster. Three businesses had broken windows. Approximately 15 abandoned/junked cars were spotted in town. A minimal number of illegal signs were found. Illegal signs are those posted on public property such as utility poles, between the side walk and the curbs, and businesses advertising off their property with posters. For sale signs and political signs that are temporary and well on private property were not counted as illegal. Outside storage is the biggest problem area. Eight businesses had storage items outside that were unsightly and disorganized. These areas could be improved by stacking and organizing the items, by the removal of the unused and unneeded items, or by privacy fencing so they are not seen from the road, or by additional storage buildings on the site. Most of the areas of the City are beautiful and well kept, but there were several private residences that pulled down the score of the whole neighborhood, because they had enough stuff stored in their yards or carports to fill a shed or a small garage. A lot of storm damage was noted: Many fences still

What NCTC means to me...
 Kayla Dangelmayr
 Muenster High School
 Athlete, Cheerleader, Academic All-Star

A GREAT HEAD START – Thanks to dual credit courses I'm taking that are offered by North Central Texas College, I will earn 15 college credit hours by the time I graduate from Muenster High School. That means I will have completed a whole semester of college credit before I enroll at NCTC after graduation to complete my core courses. And because of the individual attention I'll get and the smaller classes, I'll also be better prepared when I transfer to Texas Woman's University where I plan to major in Nursing and possibly continue my studies toward a doctorate in Physical Therapy. Either one would be a perfect field where I could help people and make a difference. Because of the head start I'm getting academically and the money my parents and I are saving on college expenses before I transfer to a university, NCTC is making a big difference for me!
