

Muenster grows by 92 acres

By Janet Felderhoff

With a stamp of approval from the City Council, Muenster increased its size by some 92 acres. Germanfest Inc. and Muenster Industrial Foundation Property petitioned the City to have their 28 and 64.625 acre tracts of land included in the City limits of Muenster.

Muenster Mayor John Pagel commented, "I'm not sure what's going to happen from here on, but I'm sure that we'll get a plan. According to the ordinances, we are obligated to furnish City services at some point."

Attending the meeting were Stephanie Davidson and C.J. Durbinhiggins with Texoma Council of Governments (TCOG). They worked with the Muenster City Council in developing a Multi-Jurisdictional Hazard Mitigation Plan. The plan is currently at FEMA awaiting approval.

"Once this plan is approved, it will open the door for Muenster and other jurisdictions in Cooke County to go after mitigation grants," Durbinhiggins explained. "Most of those are FEMA. There are a few that are from within the State of Texas." She said that they plan to do some workshops here to make the Council aware of what the mitigation grants are about and what is available.

The Multi-Jurisdictional Hazard Mitigation Plan is a 269 page document addressing all of the natural disasters that might befall this area and also a few of the potential man-made disasters. It covers flood, tornado, drought, severe ice storm, etc.

Alderman Pat Stelzer noted that when he reviewed the original plan it stated that the Muenster dam was completed in 1963 and was a high hazard dam. It was not completed until 2007. He said he'd made them aware of it and wondered if it had been corrected.

Davidson assured him that it had been corrected. "It is still listed as a high-hazard dam that is needing a plan," she said. "I talked to NRCS about it. There are some new rules of TCEQ that it should have some kind of plan by January of next year. We thought that there was a plan. We were looking. There's not one." She said FEMA might help with a mitigation plan for it.

The TCOG representatives added that mitigation projects could be any that help prevent the loss of life and or property. The Council approved the plan that has been approved by all other entities in Cooke County, except the City of Lindsay where it will be considered next week.

When the plan receives final approval, it will be handed over to Cooke County Emergency Management Coordinator Ray Fletcher. It will be his duty to update it yearly.

City Administrator Stan Endres advised the Council that they have known since March of the possibility that the City would be admonished for a violation in the

wastewater plant. He hoped that it would be resolved with no action taken by the Texas Commission on Environmental Quality (TCEQ).

Endres explained that shortly after Chris Yosten had retired, there was a problem with the total suspended solids. He said, "Unfortunately at that time our crew just wasn't trained enough in operating the plant, so we had some problems with our solids down there." They eventually solved the problem and the last time they were over the limit was in November.

The City has the choice of: taking TCEQ to court to try and prove they weren't in violation; do a supplemental environmental project that would improve the environment of cost at least \$3,740 (amount of the fine); or pay the \$3,740 fine. He recommended paying the fine. The Council agreed and voted to pay the fine.

A request by the Hesse family to install a street light at the entrance to the Cler addition was tabled. The light would be placed at the intersection of north

Greasy rags blamed for laundromat fire

By Janet Felderhoff

Muenster Volunteer Fire Department responded swiftly around noon Monday to a fire call in the 700 block of East Division Street. They arrived at A-OK Coin Laundry to find a dryer engulfed in flames and the business filled with smoke.

Muenster Fire Chief Herbie Knabe reported that the fire was caused by spontaneous combustion when greasy rags were being dried. He

REITER FARM HONORED BY TEXAS DEPARTMENT OF AGRICULTURE

By Janet Felderhoff

Texas has a rich heritage of farms and ranches that have been worked and preserved by generation after generation. To acknowledge families who carry out this tradition, the Texas Department of Agriculture recognizes families who have kept their farms and ranches in continuous agricultural production for 100 years or more.

The Reiter Farm, located about five miles northwest of Muenster on CR 427, and the Felix Grundy Ranch near Era were among those recognized this year. They were among 91 farms and ranches, extending over 66 Texas counties, to be honored during the 35th Annual Family Land Heritage Ceremony held in the Senate Chambers at the State Capitol of Texas. The Reiter Farm was a 100 year honoree and the Grundy Ranch a 150 year honoree.

Participants whose farm or ranch qualified received a certificate of honor in the name of the farm or ranch.

During the event, a barbecue dinner was served to the

800 plus who attended. Official Cowboy Poet of Texas Red Stegall entertained the crowd after the ceremony.

Wilfred Reiter and all 10 of his children were able to attend the event. Several grandchildren and great-grandchildren were able to attend as well.

The Reiter family celebrated after the event with dinner and cake at the home of Cheryl and Jim Drozd in Cedar Park.

The essay submitted by Wilfred's daughter Kim Wiese follows. She was limited to 200 words:

REITER FARM
 Founded In: 1908
 Founder: August and Mary Reiter
 Current Owner: Wilfred Reiter

August Reiter was born in Grossarl, Austria in 1869. His wife, Mary Walter was born in St. Louis, Missouri in 1874. The couple married in St. Vincent, Arkansas and moved to Muenster where they purchased 173 acres on Jan. 1, 1908. August built the family home where he and Mary raised 13 children of which Wilfred was the youngest.

In 1941, Wilfred married Pauline Spaeth from Lindsay, Texas. The couple moved into the family home and began farming the land for Wilfred's parents who had retired.

Upon the death of August and Mary, the entire family farm went into the Reiter Estate. From that Estate, Wilfred Reiter purchased the shares owned by each sibling. The land was acquired between 1955 and 1984 when Wilfred and Pauline became the sole owners.

During their 65 years of marriage, Wilfred and Polly raised 10 children: six girls: LuAnn Kubis, Margaret "Peggy" Distefano, Cheryl Drozd, Lynn Gibson, Kim

Wiese, Sandra Felderhoff. Four boys: Roger, Wayne, Paul, and Lloyd Reiter.

Agricultural products produced during this time included: beef cattle, grade B dairy, chickens/eggs, sheep/wool, hogs, wheat, oats, hay.

Wilfred and Roger continue to reside in the original home built by August in 1908.

Acres in original parcel: 173.

Crops or livestock raised: 1908--Livestock, chickens, wheat, hogs, horses, hay, garden.

2009--Livestock, wheat, hay, garden.

Additional Historical information:
 August and Mary Walter Reiter came to Muenster in 1901, moving here from St. Vincent, Arkansas. They and their four small children made the trip in a wagon. They lived on the Endres farm for several years before they bought the 173 acre farm northwest of Muenster.

The oldest building on the farm is the "Shanty". This building was and is still used to store tools. It also serves as a workshop. Below the shanty is a cellar that was used to store food and wine produced on the farm. Before the family home was built, the founder, August Reiter, worked the farm during the week using the shanty as his living quarters. He joined his family on the weekends. When the family two-story home of four rooms was completed in December 1908, the family joined August on the farm. In later years, an additional four rooms were added to the home.

The children of August and Mary Reiter include Charles Reiter, Clemens Reiter, Rose Knauf, Mildred Elmore, Anna Otto, August Reiter, Jr., Catherine Luttmir, Anton "Toney" Reiter, Alois Reiter, Albert "Buddy" Reiter, Alfons Reiter, Gertrude Klement, Joseph Reiter, and Wilfred Reiter.

Dog attacks walker

By Janet Felderhoff

On Tuesday, June 8, a pregnant female walking near the Sylvan Walterscheid Trailer Park in Muenster was bitten in her left calf by a brown dog.

Muenster Police Chief Bob Stovall received a report of the incident at 8:10 a.m. A search ensued for a brown dog. Chief Stovall was assisted by several City employees. They captured four brown dogs, one of which was identified by the bite victim.

That dog was taken to Refinery Road Veterinary Clinic in Gainesville where it will be observed for 10 days for signs of rabies. The owner did not have proof of the animal having a current rabies vaccination. If proof of vaccination isn't given at the end of the 10 day period, the animal will be vaccinated at the owner's expense.

The owner must also pay the boarding fee during the observation period.

At the end of the 10 day period, Muenster Police Department will be notified of the status of the dog's health, and they in turn will notify the bite victim.

Chief Stovall said that a citation was issued to the owner for violation of the City's dog leash law. All dogs must be on a leash or penned in the City limits. Dogs should not be allowed to roam freely within the City limits. The fine can be up to \$500. The other three brown dogs picked up by the City were placed in the City dog pound.

Dog owners should be sure to keep their canines in compliance with the law by getting shots, and keeping them penned, chained, or on a leash.

Motorcycles to Rumble

By Janet Felderhoff

On Saturday, June 12, the Muenster Chamber of Commerce is sponsoring Red River Rumble 2010. This motorcycle event takes place along a 66 mile route which includes landscapes of rolling hills and the Red River, roadsides marked with pools of colorful wildflowers, a wind generator facility, and three wineries.

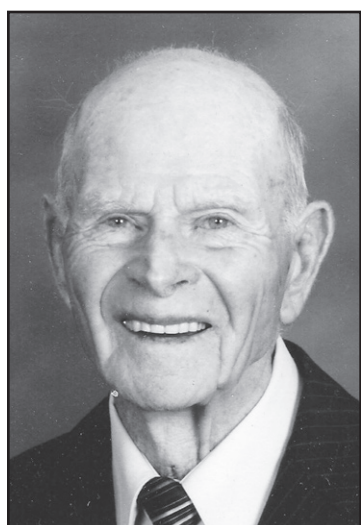

Motorcycle Games of Skill will be held. Competitions include Washer Toss, Red Neck Horseshoes, Slow Race, Balloon Toss, and Fuzzy Ball Race. Awards will be presented to first, second, and third place winners. An awards ceremony will be held at Doc's Bar & Grill located at 113 Main Street.

Registration takes place from 9-11 that morning at 510 East Division (Hwy. 82). The fee is \$20 and proof of insurance is a must.

Obituary

Raymond Sicking 1924 - 2010

Funeral services for Raymond Joseph Sicking of Gainesville were held Wednesday, June 9 at 2 p.m. at First Baptist Church in Gainesville with Rev. Hubert Wright officiating. Burial was in Fairview Cemetery under the direction of Geo. J. Carroll and Son Funeral Home. Raymond died at the age of 86 on Monday, June 7, 2010 at the Renaissance Nursing Home.

Ray Sicking

sons Gerald Burgamy and Kenny Burgamy.

Pallbearers were Isaac Zimmerer, Jeff Sicking, Justin Sicking, Corey Sicking, Keith Zimmerer, and Kenneth Sicking.

Visitation was Tuesday evening, June 8, at the funeral home.

The family requests memorial contributions be made to the Joy Singers Choir of the First Baptist Church.

Susan Yosten dies

Susan (Mrs. David) Yosten of Plano died at the age of 62 on Sunday, June 6, 2010. Mass of Christian Burial was held Wednesday, June 9 at Sacred Heart Church in Muenster. The complete obituary will be in next week's *Muenster Enterprise*.

GROWcont. from pg. 1

FM 373 and CR 493 on property recently annexed by the City.

Endres said that Oncor installs lights at no charge, but Cooke County Electric, the electric supplier for that area, charges \$600. There is also a \$12 per month cost for the light.

Not enough was known as to why the light was needed and if the property owner would be willing to pay the installation cost, thus it was tabled.

Tom Torcellini, property owner between Willow Street and Seventh Street, requested that the City consider selling him the portion of Willow Street between Sixth and Seventh Streets that is under water. Torcellini would have to pay the attorney fee, appraisal cost, and appraised value of the property. Council members voted 4-0-1 to approve the property sale. Alderman Greg Bohl abstained since his property adjoins the Torcellini property.

In the Administrator's report, Endres said that the paving of streets is completed. Excess gravel was put on roads to the City well sites. Some were hard to drive on when very muddy.

The City pool has been open about two weeks. Manager Brett Walterscheid had reported more than 70 swimmers one day last week.

Endres said that KMB now has use of the old Jaycee meeting room in the Park. When asked by a Council member if it could still be used by police during Germanfest, he said it could. It is used as a holding cell when necessary during Germanfest.

The boat ramp is poured at Muenster Lake and work is being done on the parking lot and a fence. Endres said the gates are closed and all that is needed now is rain.

No problems have been noted with the paper recycling bin. It is open on Saturday mornings and has been for several weeks. It is getting full.

In other business conducted at the June 7 regular meeting, the City Council:

- Approved request by Muenster Chamber of Commerce to close a portion of East First Street for several hours on Saturday, June 11.
- Rescheduled the July meeting from Monday, July 5 to Monday, July 12 due to the July 4th holiday being observed on July 5.

• Approved renewal of contract with Muenster Public Library for three years.

• Aldermen Pat Stelzer, Place 1; Jewel Otto, Place 4; and Greg Bohl, Place 2 took the oath of office to serve another term.

• Approved payment of bills totaling \$164,827.95.

TDRA launches online Rural Policy Initiative

The Texas Department of Rural Affairs (TDRA) is seeking policy recommendations and ideas that will improve the quality of life in rural communities. TDRA is asking that you contribute your ideas and suggestions online at <http://www.tdra.state.tx.us/index.php/Home/Policy+Recommendation>.

TDRA works to strengthen rural communities. The agency also serves as a central source for rural programs, services, and activities so that governmental resources are delivered efficiently and with best possible results for the state's rural residents.

Gas explosion injures five in Gainesville

Gainesville Fire Marshal Jody Henry reported Tuesday that an explosion occurred on Monday, June 7 at approximately 4:20 p.m. at Restaurante Taco Riendo located at 211 N. Weaver Street in Gainesville.

Five people sustained injuries in the explosion. Three adults, an 11 year-old female, and a 21 month-old male were flown to Parkland Hospital in Dallas by medical helicopters.

According to the Fire Marshal's report, all patients are, at last report, presently listed in critical but stable condition at Parkland Hospital.

It has been determined that a natural gas explosion occurred within the building. All of the injured were believed to have been inside the building at the time of the explosion. The explosion did occur in the kitchen.

It was reported that the explosion was a flash explosion, resulting in very minimal fire after the initial explosion, which was promptly extinguished by Gainesville Fire Rescue.

The restaurant received major damage as a result of the explosion. Windows were blown out and debris was scattered throughout the area of the building onto adjoining properties.

There were no damages to any other properties or buildings observed or reported.

Investigation into the incident is still underway. Texas Railroad Commission was on scene Tuesday morning performing safety tests and inspections with Atmos Energy officials.

There is no cause for alarm or fear at any other area properties at this time.

A special thanks to the Paul & Marie Endres family

TO ALL INTERESTED PERSONS AND PARTIES:

J. R. Thompson, Inc., has applied to the Texas Commission on Environmental Quality (TCEQ) for issuance of Air Quality Permit No. 92504L001, which would authorize construction of a Rock Crusher located approximately 2 miles south of FM 1630 on the east side of County Road 343, Muenster, Cooke County, Texas 76252. Additional information concerning this application is contained in the public notice section of this newspaper.

Premiere Dance students featured in spring recital

Premiere Dance School held its 2nd annual spring recital Sunday, May 16 with over 200 spectators enjoying the show.

Dancers in the pre-teen/teen division started the show with their hip hop/jazz pom routine to an edited version of "Lets Get it Started" by the Black Eyed Peas. Dancers in this group were Chloe Tackett, Nicole Popp, Caitlin Corcoran, Caroline Gressett, Katy Hutson, Katlyn Knabe, and Zina Haverkamp. They wore bright hot pink and zebra striped tops with knee length black shorts embellished with clear rhinestones. The girls also performed a dance to an edited version of "In the Ayer."

Following the hip hoppers were the four and five year old ballerinas wearing hot orange with silver sequin trimmed ballet tutus. They were Ruth Ann Eddleman, Lauren Miller, Kayla Deweber, Charlotte Rondon, Madeline Fisher, and Isabella Walterscheid dancing to a Medley of Snow White songs.

The next group of ballet students to perform to "A Dream is a Wish" were Lexi Rivers, Kennedy Jones, Lily Haley, Ashleigh Deweber, Ashleigh Fisher, Mary Fisher, Chloe Hacker, and Chloe Tolar. They wore ballet costumes of bright blue with flowing knee-length white tutus.

The four to six year old hip hop/jazz class spiced things up with their dances to "Hot Hot Hot," "Sugar Pie Honey Bunch," and "Sweet Escape." The dancers in this age group were Madeline Fisher, Cassidy Tackett, Alison Becker, Rebecca Klement, Landri, Annsleigh, and Ella Koberick, Isabella Walterscheid, Ruth Ann Eddleman, Joie Kintz, Lauren Miller, Kennedy Jones, Lexi Rivers, Lily Haley, Erin Hesse, Audrey Kubis, Marti McCoy, Ashleigh Fisher, Mary Fisher, Ashleigh Deweber, Kelsey

Hennigan, Chloe Hacker, Chloe Tolar, Shae Buddish, Katherine Klement, Alexa Waneck, and Brooke Hamer. They had fun with pom poms with "Sweet Escape" and they danced with maracas to "Hot Hot Hot."

The seven to 10 years old group danced to "Cinderella" and a pom pom routine to "My Boyfriends Back" in bright green and silver bike-tards and sheer sleeved jackets to match. These dancers were Zoe Klement, Allison Haubold, Lauren Truben-

bach, Sarah Corcoran, and Makenzie Mason.

A beautiful ballet dance to "Break Away" by Kelly Clarkson and "Held" by Natalie Grant was performed by Natalie Walterscheid, Caroline Gressett, Elaine Bartush, Zoe Klement, Lauren Bayer, Angelia Richardson, and instructor Leslie Eddleman. They brightened the stage in beautiful knee-length tutus of white and black with a black velvet bodice and silver embellishments.

The audience was entertained by the tap class who tapped their toes to "The Clapping Song" from the movie *Winn Dixie*. Tappers were Madeline Fisher, Cassidy Tackett, Alison Becker, Rebecca Klement, Landri, Annsleigh, and Ella Koberick, Isabella Walterscheid, Ruth Ann Eddleman, Joie Kintz, Lauren Miller, Ashleigh Fisher, Mary Fisher, Ashleigh Deweber, Kelsey Hennigan, Chloe Hacker, Chloe Tolar, Shae Buddish, Katherine Klement, Alexa Waneck, and Maggie Hess.

A special tap duet was performed by instructor Leslie and her daughter Ruth Ann to "Boogie Woogie Bugle Boy." They wore matching bugle boy outfits in army green, black, and gold.

Last, but not least, were the adult salsa dancers and hip hoppers Lauren Bayer and Angelia Richardson. They wore red hot salsa dresses and danced to Jennifer Lopez's "Lets Get Loud." They also got their turn at hip hopping to "Whoop There It Is."

A short slide show was presented with pictures of the students during class throughout the year.

Getting ready for the show were, from left - Audrey Kubis, Cassidy Tackett, Marti McCoy, and Ruth Ann Eddleman. Courtesy photo

David and Judy Krahl of Lindsay are proud to announce the engagement of their daughter Lauren Elizabeth to Daniel Armstrong Russell, son of Robert and Rita Russell of Muenster. Lauren is the granddaughter of Margie Krahl of Muenster and the late Eddie Krahl, and Joe and Viola Schmidtkofer of Lindsay. Daniel is the grandson of the late Joe and Thelma Russell, Marie Metzler of Lindsay, and the late Emmet Fette. Lauren is a 2008 graduate of Lindsay High School. She recently completed two years at North Central Texas College and has been accepted into Texas Tech's School of Pharmacy in Amarillo. She plans to graduate in 2014 with her Doctorate in Pharmacy. Daniel is a 2004 graduate of Muenster High School. He received his Master Plumber's License in 2009 and is currently employed by Robert Russell Plumbing. Lauren and Daniel will marry on July 3, 2010 at Sacred Heart Catholic Church in Muenster at 2 p.m. Officiating the ceremony will be Father Raymond McDaniel of St. Peter's Parish. The couple will reside in Amarillo.

New Arrival

Krebs

Brent and Stephanie Krebs of Muenster announce with joy the arrival of their son Ryan Joseph Krebs. Ryan was born Tuesday, May 25, 2010 at 8 a.m. in Texas Health Presbyterian - WNJ. He weighed 9 lb. 1 oz. and measured 20 inches in length. Ryan is a brother for big sister Emma, age 22 months. Grandparents are Kenneth and Marilyn Bier-schenk of Muenster and Milton and Patsy Krebs of Lindsay. Great-grandmothers are Clara Walterscheid of Muenster and Catherine Arend of Gainesville.

Ryan Krebs

Kayla Felderhoff earns Doctorate

Kayla Felderhoff, Muenster native, received her Doctorate of Physical Therapy at graduation ceremonies on Thursday, May 13 at the University of Miami, Miller School of Medicine in Coral Gables, Florida. Attending Kayla's graduation were her parents Kenny and Kim Felderhoff, sister Kara, brother Kirk, cousin Kaitlyn Felderhoff, and grandparents Linda and Bobby Walterscheid.

Kayla's research project was "Health Outcomes of a 12-week Extracurricular Family-based Intervention on Physical Activity and Fitness in Three Hispanic Male Children in Middle-school: A Case Series Report." Kayla presented her report at the 2009 Physical Therapy Combined Sections Meeting in Las Vegas.

She also participated in CHAMP (Comprehensive High-level Activity Mobility Predictor) in 2009 at Walter Reed Army Medical Center in Washington, D.C. where they tested the physical performance of soldiers who

Kayla Felderhoff

became amputees serving in OIF/OEF, an assessment tool to assist wounded soldiers in gauging improvement in rehabilitation. Later, they will compare their efforts to able-bodied soldiers.

The Relationship Between BMI, Pain, Balance, Physical Activity, Functional Mo-

bility, and Self-Efficacy in Minority Elementary and Middle School Children Living in Miami - Dade County will be presented at the 2010 American Physical Therapy Association National Conference in Boston by Kayla and two others.

Kayla is a 2000 graduate of Sacred Heart Catholic School and a 2004 graduate of Texas A&M University with a Bachelor of Science degree in Kinesiology.

Then followed that beautiful season... Summer....

Filled was the air with a dreamy and magical light; and the landscape Lay as if new created in all the freshness of childhood.

Noah's Ark Animal Shelter to hold annual "fun-raiser"

For those of you lucky enough to have attended the "fun-raising" tropical cruise party for Noah's Ark Animal Shelter last year, you can have a blast again this spring!

Noah's Ark Animal Shelter will be having its 2nd Annual Tropical Cruise Fundraiser on June 13. Kelly McGuire and his band will be repeating their performance, playing the rocking beach music of Jimmy Buffet as well as their own original hits. The talented Ben Smith will open for Kelly McGuire and really get the beach party started.

Bring your family to the Lake Kiowa Lodge, and dance on the beach from 2 p.m. until the band has run out of encores. The \$20 cover charge also includes live music, soda, hamburg-

ers, hot dogs, chips, and dessert. Beer, wine, and mixed drinks will be available at the Kiowa Lodge.

Tickets can be purchased at Noah's Ark Animal Shelter at 2501 North Weaver Street and Independence Animal Clinic at 3709 E. Hwy 82, RJ's Branding Iron on 902, and the Lake Kiowa Pharmacy.

The generous donations of local sponsors enabled Noah's Ark to obtain the food, drink, and pay band expenses. This generosity allowed the shelter to keep almost all of the money generated by last year's beach party. These funds were then used for health care, spaying and neutering, cleaning supplies, and medicines for injured or sick animals.

CUB SCOUT DAY CAMP

Muenster City Park was once again the location of the annual day camp offered to all area Cub Scouts. Pictured taking part in a few of the many activities include members of Muenster Pack 664. Clockwise, starting above left - Julian Hesse; Koby Hogan; Daniel Hesse assisting Roger Looye, Jr.; Shane Sicking and Michael McCoy; and Jaden Walterscheid.

and Armella Lutkenhaus; aunts Megan Grewing and Carrie Grewing; cousins Katie and Jake Becker; and great-aunt "CoCo" LuElla Fuhrmann.

Grewing

Zac Grewing, son of Chris and Pamela Grewing, was baptized Wednesday, May 5 by Father Raymond McDaniel in Lindsay. Zac wore a white satin tuxedo given to him by his grandparents Leo and Peggy Lutkenhaus. His Godparents are Joe and Kristie Becker. After the ceremony, Zac was honored with a party at his home in Lindsay. Everyone enjoyed a meal made by his parents and special cakes brought by Zac's grandparents Glenn and Connie Grewing and great-grandparents Damond and Evelyn Fuhrmann. Guests included Zac's Godparents; grandparents; great-grandparents Damond and Evelyn Fuhrmann, Judy Grewing,

Dr. York graduates UTMB with highest honors

On Saturday, June 5, Christopher Alan York graduated from the University of Texas Medical Branch (UTMB) at Galveston School of Medicine with Highest Honors at the Moody Gardens Convention Center in Galveston. Academic highest honors was awarded to the top 2% of the graduating class of 221.

The William N. and Ida Zinn Alpha Omega Alpha Scholarship Award was bestowed upon Christopher; the scholarship fund was established by Mr. William N. Zinn of Galveston in 1955. The purpose of the endowment is to provide an annual grant to the graduating student in the School of Medicine with the highest cumulative grade point average at the end of four years. Christopher will begin a five-year residency in Otolaryngology (ENT) later this month at The University of Texas Southwestern Medical Center at Dallas.

Christopher also received recognition for being a member, since his junior year, in the Alpha Omega Alpha Honor Medical Society. Membership is limited to approximately 16% of a class, with approximately 4% being selected as juniors. Alpha Omega Alpha is the only national honor medical society and has chapters in all but five U.S. medical schools. The Texas Alpha Chapter at UTMB is the oldest chapter in Texas, having been created in 1920.

The John P. McGovern Academy of Oslerian Medicine and the School of Medicine established the Gold Humanism Honor Society at UTMB in May 2005. The McGovern Chapter at UTMB is part of a nationwide program initiated by the Arnold P. Gold Foundation to promote humanism and professionalism in education and patient care. At UTMB, students entering their fourth year are chosen for this honor by fellow students based on their "demonstration of excellence in clinical care, leadership, compassion and dedication to service." Christopher was recognized as one of these role models of professionalism and humanism along with 31 other fourth year students as a means of encouraging mentorship among physicians and medical students. In July 2009, Christopher was selected as a student scholar of the John P. McGovern Academy of Oslerian Medicine and received a \$10,000 scholarship.

Dr. Christopher York

Other awards received during his four years at UTMB include:

2008 - Stjepcevic Scholar in Research for his project titled, "A Novel Small Animal Model for the Study of Age-related Macular Degeneration;"

2007 & 2008 -- Osler Student Scholar Finalist;

2007 - Thomas N. James, MD, Academic Scholarship. Awarded for academic achievement and community service;

2007 - Student Leader of the Month, February 2007. This award recognized his role in the completion of the FAC WAC Osler Project;

2006 - Dr. Walter Junius Hildebrand Academic Scholarship. Awarded by UTMB for academic excellence at the undergraduate level.

His medical school activities included: Participation in the American Medical Association all four years; in 2006 as Class Representative; 2007 as Recruitment co-chair; 2008 Texas Medical Association Alternate Delegate;

Participation in the Catholic Medical Student Association serving as president in 2007;

Participation and instigated development of the Bowtie Social Club in 2008 and served as president. This medical society was dedicated to bringing faculty and students together to learn about medical history.

2006-2008 he was a member of QueQuiere Decir and tutored a group of UTMB students in Spanish;

2007-2008 Student Osler Society, he was on a Cross-Society Event Planning Committee to encourage people to participate in their respective societies;

2006-2008 he participated in the Laennec Osler Society. He was a FAC WAC Coordinator. He created and coordi-

nated this unique fundraising concept and raised over \$1,800 for St. Vincent's Clinic. He also coordinated two health fairs with Galveston Salvation Army and he coordinated the training of five volunteer first and second year medical students allowing formal injection certification by the Galveston Health District;

2007 he served on the President's Tuition and Fees Advisory Committee as co-chair reviewing the proposed increases in tuition and fees of all UTMB schools.

Attending the graduation ceremony June 5, were his wife Lauren and daughter, Claire York; and Lauren's parents Lora and David Matlock of San Antonio; parents Dr. Margie and Ed York; brother Alex York of Gainesville, and his guest Jessica McDowell; brother Matthew York of Dallas and his guest Melanie Smith; grandparents Thomas and Barbara Felderhoff of Muenster, and Patricia Marton of Houston; extended family members included Cate Matlock of San Antonio and her guest Patrick Thompson; Susan, Andy, Nick, and Jessica Bezner of Lindsay and her guest John; John and Betty York of Houston; Dana, Michael, and Hannah Cutbirth of Richmond. After the ceremony, all were invited to a celebration barbeque in the home of Grammy Patricia Marton.

Sunday, June 6, Christopher and wife Lauren, along with parents and grandparents attended a Graduation Brunch Reception sponsored by the John P. McGovern Academy of Oslerian Medicine at the Artillery Club in Galveston. Chris was one of seven fourth year students recognized as student scholars during their medical school career. Established in

2004, these awards combine personal mentoring from the Osler Scholars and substantial monetary support for Medical students who exemplify the ideals of medical practice promulgated by Sir William Osler. These fundamental principles of Oslerian medicine include: compassion, personalized medical care that emphasizes the doctor/patient relationship, incorporation of a sound scientific basis for optimal patient care, and professional behavior at all times.

When gardeners garden, it is not just plants that grow, but the gardeners themselves.

- Ken Druse

Nurse Manager of the Year

North Texas Medical Center's Director of Emergency Department/ICU Audi Hayes, left, is honored during the Hospital's annual awards banquet for her selection as Team Health West's Nurse Manager of the Year. She is presented roses by Interim Chief Executive Officer Randy Bacus. Hayes was chosen from over 50 hospital emergency department nurse managers in a nine-state region.

Zimmerer sisters honored at Texas A&M

Texas A&M University recently recognized Rachel and Laura Zimmerer at Parents Weekend activities.

Rachel Zimmerer was awarded the Thomas S. Gathright Scholar Academic Excellence Award. This award is presented to the outstanding sophomores, juniors, and seniors at Texas A&M University. Named in honor of the first president of Texas A&M University, this award recognizes high scholastic achievement on a campus-wide scale given to a student with the highest GPA within her college classification.

Rachel was also awarded Outstanding Junior by the Gamma Sigma Delta National Honor Society of Agriculture. This honor is given to students in the top 5% of juniors nationwide.

Rachel is a nutrition major

carrying a 4.0 GPA. She has served as Terry Foundation Student Organization president for two years and is a member of the Pre-Dental Society.

This summer, she is studying Spanish in Barcelona, Spain.

Laura Zimmerer was also awarded Outstanding Senior student by the Gamma Sigma Delta National Honor Society of Agriculture. Laura is a senior food science ma-

major carrying a 3.9 GPA. She has served as social chair for two years for the Terry Foundation Student Organization and is president of the Food Science Club. This summer, Laura is interning in the product development department at Dr. Pepper/Snapple in Plano.

Rachel and Laura are 2007 graduates of Lindsay ISD and are the daughters of Claudia and Rudy Zimmerer.

SCHOOL

Muenster ISD Honor Roll

Andi Wisdom achieves Crowell Valedictorian

Crowell High School announced the top ranking graduate for the class of 2010. Andi Wisdom, with a grade point average of 98.17, was named Valedictorian. Andi is the daughter of Rocky and Gina Wisdom of Thalia, and the granddaughter of Denis and Norma Hofbauer of Muenster and Dorothy Wisdom of Thalia and the late Jake Wisdom.

During high school, Andi served as president of National Honor Society, Spanish Club, and 4-H. She also served as vice-president of her class, and held offices in Drama Club, Student Council, FFA, and Gifted and Talented.

A member of the Yearbook staff, she was voted Miss CHS, Most Athletic, and Best Smile. Andi was involved in basketball and track for four years, and tennis for one year. She was named First Team All-District in basketball, as well as Defensive Player of the Year. While serving as a cheerleader for four years, she was named Cheerleader of the Year for two years. She also participated in UIL events where she advanced to Regionals.

Andi was a nominee for Homecoming Queen, and has won top student awards in English I and II, Spanish II, World History, and Chemistry. She competed on the FFA Quiz Team and Ra-

Andi Wisdom

dio Team. She qualified for State in Horse Judging, also competing at the District and State levels in Working Cow Horse and Team Penning, and was a member of the 4-H Drill Team. Andi currently serves as District 3 Miss Texas Farm Bureau.

Future plans for Andi are to attend Midwestern State University in Wichita Falls where she has been accepted into the honors program.

Baccalaureate for the class was held Wednesday, May 26 at 7 p.m. at the First United Methodist Church. Graduation exercises were Friday, May 28 at 7:30 p.m. in the CHS auditorium.

Taylor Atkins named All-State

Lindsay Lady Knight Taylor Atkins was named to the Texas Girls Coaches Association All-State Softball Team. As a pitcher, she faced 893 batters, striking out 359. She allowed only 72 hits, with 55 runs scored against her this last season. At bat, Taylor scored 28 runs, had 42 hits, with 43 RBIs and 17 stolen bases. Atkins was a sophomore at Lindsay High School the past school year.

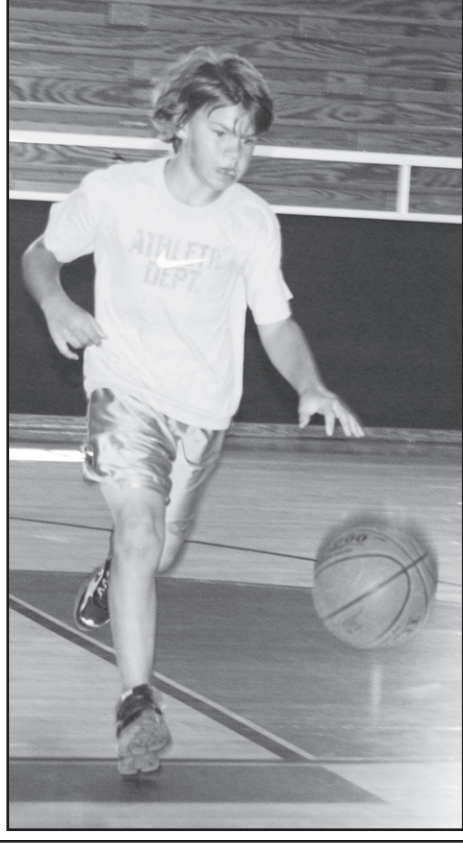

The recently organized Texas Cutters 10 under team from Muenster will be playing weekend tournaments, leading up to AAYBA Nationals in Flower Mound, July 17-24. Members of the team and their coaches include, from left, front - Darren Cheaney, head coach, Brennan Binder, Carson Cheaney, Seth Flusche, Brandon Sicking; middle - Travis Dangelmayr, Tanner Cason, Kagen Dangelmayr, Sawyer Sanders, Clay Baker, Stetson McGrew, Carson Trubenbach; back - coaches Shawn Flusche, Chris Dangelmayr, and Dan McGrew.

Texas Game Warden Reports

Motorcycle goes for a boat ride: Game Wardens Ronnie Langford, Brent Whitus, and Jim Lindeman were patrolling the upper end of Lake Travis in Burnet County when a flat-bottom boat containing an upright mo-

torcycle caught their attention. The wardens stopped the unregistered craft to talk to its two occupants. When they ran a check, the wardens discovered the motorcycle was reported stolen in Burnet County. The motorcycle and subjects were turned over to the Burnet County Sheriff's Office for further investigation. Remember, Don't Mess With Texas: Gillespie County Warden Scott Krueger received a call from a local rancher regarding a dumped blackbuck antelope carcass and large bag of trash in the ditch near the rancher's residence. Scott located the trash the next morning. At the bottom of the trash bag, Scott found a receipt from a store in Fredericksburg. Next, he met with the store's loss prevention director who began a records search. In a few minutes, video was found of the suspect checking out, as well as parking lot video of the subject getting into his vehicle. Since he paid with a credit card, Scott was able to get his name. A quick check in the phone book gave Scott an address. After a brief introduction, Scott told the suspect the reason for the visit. A citation was issued, and the trash was cleaned up.

One toke over the line: On Feb. 24, Travis County Warden Cody Jones was searching for a vehicle involved in poaching activity when two subjects approached his state truck while taking on a marijuana pipe. Not until they had walked to within only a few feet of the warden did they realize their mistake and try to hide the illegal substance. Both subjects were issued field release citations for the marijuana possession and released.

LEGAL NOTICES

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN AIR PERMIT

PROPOSED AIR QUALITY PERMIT NUMBER 92504L001

APPLICATION J. R. Thompson, Inc., has applied to the Texas Commission on Environmental Quality (TCEQ) for issuance of Air Quality Permit Number 92504L001, which would authorize construction of a Rock Crusher located approximately 2 miles south of FM 1630 on the east side of County Road 343, Muenster, Cooke County, Texas 76252. The facility will emit the following contaminants: particulate matter including particulate matter with diameters of 10 microns or less and 2.5 microns or less, organic compounds, nitrogen oxides, sulfur dioxide, and carbon monoxide.

This application was submitted to the TCEQ on May 7, 2010. The application will be available for viewing and copying at the TCEQ central office, the TCEQ Fort Worth regional office, and the Cooke County Clerk, 216 West Pecan Street, Gainesville, Cooke County, Texas, beginning the first day of publication of this notice. The facility's compliance file, if any exists, is available for public review in the Fort Worth regional office of the TCEQ.

The executive director has determined the application is administratively complete and will conduct a technical review of the application.

PUBLIC COMMENT/PUBLIC MEETING You may submit public comments, a request for a public meeting, or request a contested case hearing to the Office of the Chief Clerk at the address below. The TCEQ will consider all public comments in developing a final decision on the application. **The deadline to submit public comments is 30 days after newspaper notice is published.**

The purpose of a public meeting is to provide the opportunity to submit comments or ask questions about the application. A public meeting about the application will be held if the executive director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

If only comments are received on the application, the response to comments, along with notice of the executive director's action on the application, will be mailed to everyone who submitted comments or is on the mailing list for this application.

If a hearing request is timely filed, the executive director will complete the technical review, issue a preliminary decision on the application, and a Notice of Application and Preliminary Decision will be published and mailed to those who are on the mailing list for this application. That notice will contain the final deadline for submitting public comments.

After the final deadline for public comments following any required Notice of Application and Preliminary Decision, the executive director will consider the comments and prepare a response to all relevant and material, or significant public comments. If comments are received, the response to comments, along with the executive director's decision on the application, will then be mailed to everyone who submitted public comments or is on a mailing list for this application.

OPPORTUNITY FOR A CONTESTED CASE HEARING You may request a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in state district court. Unless a written request for a contested case hearing is filed within 30 days from this notice, the executive director may approve the application. A contested case hearing will only be granted based on disputed issues of fact that are relevant and material to the Commission's decisions on the application. Further, the Commission will only grant a hearing on issues raised by you or others during the public comment period and not withdrawn.

A person who may be affected by emissions of air contaminants from the facility is entitled to request a hearing. If requesting a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) applicant's name and permit number; (3) the statement "[I/we] request a contested case hearing"; (4) a specific description of how you would be adversely affected by the application and air emissions from the facility in a way not common to the general public; (5) the location and distance of your property relative to the facility; and (6) a description of how you use the property which may be impacted by the facility. If the request is made by a group or an association, the one or more members who have standing to request a hearing and the interests which the group or association seeks to protect, must also be identified. You may also submit your proposed adjustments to the application/permit which would satisfy your concerns.

If a hearing request is timely filed, additional notice may be provided. Following the close of all applicable comment and request periods, the executive director will forward the application and any requests for contested case hearing to the Commissioners for their consideration at a scheduled Commission meeting. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact relating to relevant and material air quality concerns raised during the comment period.** Issues such as property values, noise, traffic safety, and zoning are outside of the Commission's jurisdiction to address in this proceeding.

MAILING LIST In addition to submitting public comments, you may ask to be placed on a mailing list to receive future public notices for this specific application mailed by the Office of the Chief Clerk by sending a written request to the Office of the Chief Clerk at the address below.

INFORMATION Written public comments or requests for a public meeting or contested case hearing should be submitted to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087, or electronically at www.tceq.state.tx.us/about/comments.html. For more information about this permit application or the permitting process, please call the Office of Public Assistance, Toll Free, at 1-800-687-4040. Si desea información en Español, puede llamar al 1-800-687-4040. General information regarding the TCEQ can be found at www.tceq.state.tx.us.

Further information may also be obtained from J. R. Thompson, Inc., 3500 North Grand Avenue, Gainesville, Texas 76240-2369 or by calling Ms. Melissa Fitts, Westward Environmental, Inc. at (830) 249-8284.

Notice Issuance Date: May 24, 2010

FARM & RANCH

May cattle on feed down 6%

Cattle and calves on feed for slaughter market in Texas feedlots with capacity of 1,000 head or more totaled 2.51 million head on May 1, down 6% from a year ago. According to the monthly report released by the Texas Field Office, the estimate was down 5% from the April 1 level. Producers placed 400,000 head in commercial feedlots during April, up 1% from a year ago, but down 18% from the March 2010 total.

Texas commercial feeders marketed 510,000 head during April, unchanged from last year but up 5% from last month.

On May 1, there were 2.17 million head of cattle and calves on feed in the Northern High Plains, 87% of the state's total. The number on feed across the area was down 3% from last year and down 5% from the April total.

April placements in the Northern High Plains to-

taled 347,000 head, down 22% from the March total. Marketings were up 4% from last month to 435,000 head.

Cattle and calves on feed for slaughter market in the United States in feedlots with a capacity of 1,000 head or more totaled 10.5 million head on May 1, 2010. This inventory was 3% below May 1, 2009.

Placements in feedlots during April totaled 1.63 million head, 2% above April 2009. April placements of cattle and calves weighing less than 600 pounds totaled 365,000 head; 600-699 pounds totaled 300,000 head; 700-799 pounds totaled 469,000 head; 800 pounds and greater totaled 495,000 head. Marketings of fed cattle during April totaled 1.85 million head, 1% below 2009.

NRCS offers additional funding for Grassland Reserve Program

The USDA Natural Resources Conservation Service (NRCS) has announced an additional \$14.3 million in conservation financial assistance for working lands through the Grassland Reserve Program (GRP), which offers private landowners the opportunity to protect, restore, and enhance grassland.

"This additional funding will enable even more landowners to protect environmentally and economically important agricultural land and preserve the resources that are so critical to the health and prosperity of our rural communities," said Don Gohmert, NRCS state conservationist for Texas.

"The funding will assist landowners in protecting Texas grassland and conserve a resource base on which we all depend."

GRP helps landowners and operators protect working grasslands, including hay land, pasture land, native grasslands, and certain other lands through rental contracts or conservation easements. NRCS and USDA's Farm Service Agency jointly administer the program.

For information on eligibility, contact your local USDA Service Center or visit NRCS online at <http://www.tx.nrcs.usda.gov/programs/GRP>.

Bull selection workshop announced

To produce a good beef cattle product, you must have a good bull. Selecting that bull is critical to the herd's bottom line, genetics, and health. Buying a bull is an investment, and it should be thoroughly researched.

That is why the Grayson County Livestock Extension Committee is bringing you experts to discuss topics, such as proper veterinary care and testing for bulls, actual bull cost and herd improvement, EPDs, visual appraisal and structure, selecting the right bull to match the herd and range, and marketing.

The program will be held at the Grayson County Courthouse in the 2nd floor Assembly Room (100 West Houston Street in Sherman). The registration fee will be \$5 per attendee and will include beverages and handout materials. The event begins with registration at 12:30

p.m. and concludes at 5 p.m. Two CEUs (one hour laws and reg and one hour general) will be offered for those

having Pesticide Applicators License. Space is limited, so RSVP by June 15 by calling Cindy at 903-813-4205.

Sorghum named "Grain of the Month"

The Whole Grains Council is featuring sorghum as their June "Grain of the Month." The Council is featuring a different whole grain each month this year on their website, www.wholegraincouncil.org, to raise awareness about the advantages of eating whole grains. Included on the website is information about sorghum's origin, advantages of eating sorghum, recipes, areas where sorghum is grown, and other facts.

The "Grain of the Month" can be seen on their website under the What's New section.

TDA market recap

For the week ending June 5, feeder cattle prices at Texas auctions were mostly steady to \$3 higher per hundred-weight, with a few locations to \$6 higher and some to \$5 lower. Demand remains good for a tighter supply of high quality feeders, especially in areas that have received adequate rainfall and expect good summer grazing. The fed cattle market was higher in spite of lower beef prices. Grain prices were lower to sharply lower as good growing conditions, a stronger dollar, lower crude oil prices, and concerns about future demand pressured markets. The state's wheat crop continues to mature with almost all the acreage now headed and 17% harvested, behind the normal 24%. Corn planting neared completion and 37% of the acreage was silking. Planting of grain sorghum, peanuts, soybeans, and sunflowers was also active. Most crops and pastures were reported in good to fair condition.
