

# MUENSTER ENTERPRISE

VOLUME XL

MUENSTER, COOKE COUNTY, TEXAS 76252 JANUARY 14, 1977

NUMBER 8

One of the big issues of the presidential campaign was the proposal to repeal Section 14-B of the Taft Hartley act. Known generally as the Right to Work Law, this provision permits a state to determine that its working people have the choice to join or not to join a labor union, that a person does not have to be a union member to hold a job.

AFL-CIO has been pressuring for years to have the law repealed thus forcing working people to join and pay union dues in order to work, and it gave full endorsement to Candidate Carter when he agreed to sign the bill if it is passed by Congress. So when Carter and a lot of Labor-supported congressmen were elected the future for Right to Work appeared gloomy.

But the outlook improved considerably as more study was given to the subject. Although it is likely that the House would favor repeal of 14-B, the guess now is that the Senate would not agree. According to the analysis, 45 of the 100 senators are already on record in support of Right to Work and 41 are on record opposing it. However 4 of the 41 are from Right to Work states and hopefully will have second thoughts about going contrary to the known wishes of the people — especially since two opponents of 14-B were defeated in the last election.

Then there are also 14 uncommitted senators including a good representation in the South where Right to Work sentiment is strong. Regardless of the pressure applied by George Meany and Company, it seems likely that a sufficient number of those senators will vote as their people wish.

Those factors combined could eventually mean that the controversial bill to repeal 14-B will not reach the president's desk for his signature. But even if it does, there are considerations which might influence Carter to disregard the political promise made to Meany.

In the first place, Carter is caught in the middle of a conflict as far as this issue is concerned. On one side he is reminded that he could not have been elected without Labor's votes, but he also knows without the strong support of the South, where the Right to Work movement is especially strong.

Promptly after the election Carter emphasized that he regarded his victory as well deserved political recognition of the South. And that brings up a problem. Will he want to be regarded as a traitor to his people in order to get along with the big labor people? Has he considered the double crossing the South could turn out to be political suicide?

There are other factors too why the president could be inclined to veto the repeal bill, or simply let it die without signature. Right to Work is gaining influence. Louisiana recently became the 20th state to join it, and Arkansas had a re-show of sentiment by defeating 2 to 1 a proposal to repeal its law. By their votes the Arkansas people told Carter quite plainly that they don't want a national law which would wipe out the state law they have just endorsed. We suppose Carter knows Arkansas voters were speaking for all of the South.

Another sign of Right to Work progress has surfaced in the far north state of Wisconsin. An editorial in an Oshkosh paper points out that, despite political composition of the legislature, a right to work law is something toward which to aim. It refers to Labor Department statistics that 19 right to work states (before Louisiana joined) gained nearly 1.6 million manufacturing jobs between 1964 and 74 while the remaining 31 states gained 1.2 million manufacturing jobs.

The item also stated that a recent study of business climate places nine right to work states in the top ten. Likewise it said that right to work states are among states having the lowest unemployment; eight out of the top ten. However not one right to work state is listed in the ten having the highest unemployment rate.

Little by little, in spite of big labor pressure, word is getting around that compulsory unionism is not the best (Continued on page 10)

## Plans for 3 Events Aired at C of C Meet

Three events, the upcoming election of directors, the annual banquet, and the German festival occupied the attention of Chamber of Commerce members at their regular luncheon meeting Tuesday at The Center.

The banquet is booked for Wednesday, March 16, in the K of C Hall. The speaker to head the program is presently the number one consideration and the guess is that he or she can be named soon. And something new on the program will be the presentation of a plaque honoring the organization's outstanding member of the year.

Tickets to the event will be \$4.00, however the custom of presenting complimentary tickets to members will apply again. Each business will receive two tickets and each individual member one ticket.

With that in mind, the priority project now is getting

## Hornet Freshmen In Big G Tourney

Freshman boys of Muenster High made a fair showing in fast company at the Freshman tournament in Gainesville during the week-end.

In their opener they lost 50-40 to Sanger which took the tourney's runner up trophy. Next they downed Gainesville to get into the consolation final and then lost to Sherman.

To start on the young Hornets were outscored in each of the four periods for scores of 12-9, 28-22, 39-28 and 50-40, as Todd Richey led Muenster with 19, Phil Wolf made 6, Floyd Felderhoff 6, Don Grewing 4, Mark Felderhoff 4 and Curtis Page 2.

In the next one Gainesville led 8-6 at the first quarter. Then Muenster had a big period ending with a 24-18 lead, held the margin for 36-30 at the third and gained to 50-40 at the end. Todd Richey scored the net with 29 points. Phil Wolf added 11, Floyd Felderhoff 6 and Don Grewing 4.

Sherman youngsters were in charge throughout the consolation final with leads of 14-6, 28-16, 40-26 and 55-40 ending the four quarters. Again Todd Richey led the scoring with 15, Floyd Felderhoff made 6, Phil Wolf 5, Don Grewing 5, Mark Felderhoff 5 and Curtis Page 4.

## Former Residents Visit

Mr. and Mrs. Vincent Becker of Olney, Maryland, completed a ten day visit here on January 8 with his mother, Mrs. Felix Becker and other family members. They arrived on December 30 to attend the golden wedding of the Victor Hartmans and several family gatherings held in their honor during the week. A number of relatives were together in the home of Mrs. Felix Becker on the evenings of January 2 and 3 and on Friday evening, January 7 Mr. and Mrs. Joe Sicking hosted a reunion in their home. Dolores Sicking of Dallas and Ann Sicking of Hurst were among relatives attending.

## Bank Capitalization Upped to \$1 Million

Capital and Certified Surplus of the Muenster State Bank was increased to \$600,000 by stockholders of the institution in their annual meeting Tuesday, January 11, in the bank building. The increase was achieved by raising the certified surplus account by \$200,000, and along with reserves for contingencies and reserves for income taxes, etc., constitutes a total capital account of approximately \$1 million.

The action followed an itemized review of business activity during the past year, showing substantial growth in spite of the rising cost of operation and rapid rate of inflation. The discussion also referred to the bank's activities and policies since its organization in July 1923.

the membership drive under way, along with the annual election of directors. The two events will be conducted together.

A nominating committee including Bertha Hamric, Bill Bedrick, David Bright and Johnny Fisher will determine a list of candidates for the ballot which will be mailed soon to the membership. With the ballots will be letters urging prompt payment of dues to qualify for the free banquet tickets. Membership dues continue at \$25 for a business and \$12.50 for an individual. Persons are urged to vote promptly and return the marked ballots and dues payments. They are also asked to name their favorites for the honor of outstanding member.

A sort of straw vote as a possible help in making the selection.

Two directors are to be elected succeeding Leonard Endres and Bertha Hamric. A special detail about this election, however, derives from the by-laws which specify that a retiring director who is also president remain with the board for another year in an advisory capacity. It means that the board will have an extra director next year.

Another change on the board is appointment of two members to succeed Jane Monday and Roger Taylor. Those two will be named following the election and the entire board along with its selection of officers will be announced at the banquet.

The meeting also made a start on the community's big festival on April 29 and 30 and May 1. Directors at a previous meeting changed the name of that event to German Fest because German Week is misleading for an activity lasting only three days.

Initial planning for German Fest is scheduled for Monday night, January 31, in the K of C Hall. All organizations of the community that wish to participate are asked to have representatives there to talk over all aspects of the festivities and to determine as far as possible who will do what. This refers to special programs, dances, athletic events, etc., as well as the number and nature of concessions and the organizations which will sponsor them. Alvin Fuhrman will head the meeting as general chairman.

## Farm Income Tax Report and Pay is Due January 17

Farmers who have not filed their 1976 declaration of estimated Federal income tax must file and pay that tax by Monday, January 17. The sole exception to this rule if they file their income tax return and pay the total tax due by March 1, the Internal Revenue Service said today.

Farmers are defined as those persons who earned at least two-thirds of their 1976 gross income from farming.

IRS Publications 2.25 "Farmer's Tax Guide," and 505, "Tax Withholding and Declaration of Estimated Tax," provide additional information and are available free at local IRS offices.

## Final Income Tax Payment for Some Due Next Monday

Many people who do not have enough taxes withheld are required to pay their final installment of 1976 estimated Federal income tax no later than Monday, January 17. All so due the same day are amended estimates from those whose 1976 income changed substantially during the last quarter.

Many taxpayers first met the requirements for filing a tax declaration during the last three months of 1976, according to the Internal Revenue Service. Taxpayers are generally required to file an estimate if they owe the IRS more than \$100 not covered by withholding. The estimates in this case are due January 17.

There is one exception to this rule, the IRS said, and that's when taxpayers file their returns and pay all taxes due by January 31. In that case the final 1976 installment is not required, the amended declaration is not required nor is an original January 17 declaration required.

## Shop and Contents Destroyed in Fire At Lyton Coursey's

A fire on the last day of the year destroyed a work shop and all of its contents for Lyton Coursey.

It started about 10:30 a.m. in the rafters near the exit of flue through the roof, and is believed to have been caused by an overheated wood stove. Coursey discovered it early and had it under control in a short time.

But he failed to get it completely extinguished. Within an hour it was re-discovered going stronger than before. Muenster firemen were called, but the blaze was beyond control by the time they arrived.

Loss in addition to the building was estimated at about \$4000 in tools and equipment plus a priceless collection of hobby items he had built through the years.

Also on the last day of '76 the firemen were called at 3:30 a.m. to a fire at the Texaco lease building north of town. Damage was small to the building, more to its contents.

## MHS Teams Start 13-A Loop With 2 Double Losses

Both of the Muenster High basketball teams got off to a bad start in their District 13-A encounters to date. Both were two time losers in the double header contests with Petrolia and Callisburg on the MHS court.

Petrolia girls took an 18-4 first quarter lead and coasted the rest of the way by scores of 28-18, 41-26 and 58-35. MHS point makers were Robin Walterscheid 16, Tracey Klement 14, Linda Endres 3, Sandy Schneider 2. Starting guards were Karen Barnhill, Kathie Fisher and Debbie Zimmerman.

The next game was no contest as Callisburg gals poured 'em in until the final of 72-27. Tracey Klement scored 12, Robin Walterscheid 7, Linda Endres 4, Sandy Schneider and Marla Sicking each 2.

The Hornets' game with Petrolia was a good one for three periods, until the visitors cashed in on Muenster's fourth period foul trouble. MHS led 16-10 and 26-24 for the first two periods and dropped behind to 43-41 in the third. Soon after that two of the starters went out on fouls and three others were calmed down by four fouls each, and the Pirates took charge for the final lead of 68-57.

Tim Wolf was top scorer with 15 and Lenzy Dyer was close behind with 12. Neil Walterscheid made 10, Nick Walterscheid 6, Kim Walterscheid 6, Todd Richey 6 and Terry Lewis 2.

Callisburg Wildcats had an easy one, leading by scores of 18-3, 36-23, 56-31 and 70-53. Scorers for Muenster were Tim Wolf 14, Todd Richey 11, Lenzy Dyer 10, Nick Walterscheid 10, Kim Walterscheid 5, David Felderhoff 3.

## Final Income Tax Payment for Some Due Next Monday

Many people who do not have enough taxes withheld are required to pay their final installment of 1976 estimated Federal income tax no later than Monday, January 17. All so due the same day are amended estimates from those whose 1976 income changed substantially during the last quarter.

Many taxpayers first met the requirements for filing a tax declaration during the last three months of 1976, according to the Internal Revenue Service. Taxpayers are generally required to file an estimate if they owe the IRS more than \$100 not covered by withholding. The estimates in this case are due January 17.

There is one exception to this rule, the IRS said, and that's when taxpayers file their returns and pay all taxes due by January 31. In that case the final 1976 installment is not required, the amended declaration is not required nor is an original January 17 declaration required.

IRS Publication 505, "Tax Withholding and Declaration of Estimated Tax," provides additional information and may be obtained free from local IRS offices.

## Two Homes Are Big Fire Losses Of the Past Year

1976 definitely was not one of the better years for the Muenster Fire Department. Besides an increase of more than 100 per cent in the number of fire calls answered, the record shows complete losses of two homes and two other structures.

Fire Chief Herbert Knabe said that the homes were those of Lewis Shugart at Forestburg and Walter Berry at Hood. In both cases distance was a big factor, allowing the fires ample time to get out of control before the firemen got there. The same applies to the grain elevator at Myra and Lyton Coursey's work shop. Flames in both were far advanced before firemen arrived. However fire was less advanced in a building on the Texaco lease and in a tank house at Matt Muller's.

Knabe said that the department answered 49 calls during the year, as compared with 21 the year before, also that 23 of the calls came in January and February while the drought increased the hazard of grass fires. Thirty six of the calls during the year were for grass fires.

The worst of those was in the Valley Creek area which had the firemen on duty for 16 1/2 hours. Also there were the Gainesville Fire Department, Steve Grewing with a water tank, and farmers of the area.

Knabe urges special caution at this time of the year when grass is dormant. Except on wet days it can be ignited very easily by a trash fire. Another caution applies to electric fences, which are known to have caused some fires when coming in contact with dry grass.

Other calls on the record were two car fires resulting in minor damage and four that were out when the firemen arrived.

## Extension Service Offers Program on Food Fun and Fact

A Food Fun and Facts Program will be held at the Gainesville Community Center with registration beginning at 1:15 and 7 p.m. on January 19.

Topics to be given include: "Add Spice to Your Sodium Restricted Diet," by Miss Marilyn Haggard, State Foods and Nutrition Specialist with the Extension Service; "Market to Market" (Food Buying) by Mrs. Mary C. Casteel, Consumer Information Specialist, Lone Star Gas Company; "Food Safety" by Miss Mary Hinton, Assistant County Extension Agent; "Food Tips for the Diabetic," by Mrs. Yvonne Cain, Dietician; "High Appeal for Low-Fat Diets," by Miss Haggard; and "Food Additives," by Evelyn Yeatts, County Extension Agent.

The program will each be 25 minutes in length with several given at one time on a small group basis. Participants will rotate to other groups they are interested in. The afternoon program will run until 4 p.m. and the same programs will be given at night until 9:15. Participants can choose whichever subjects they are most interested in.

Door prizes will be given by Fischer's Market and Grocery of Muenster; Sloan's Superette of Valley View; Safeway; Piggly Wiggly; Tom Thumb; Crier's Meat Market; and Bentley Food Mart in Gainesville.

A 50 cent admission charge will be made to pay for the building use and other expense. The Food Fun and Facts Program is being planned by the County Extension Service's Family Living Committee. For more information, call Evelyn Yeatts at 665-4931.

## Cadets of A&M Will Sing Friday

The famed Singing Cadets of Texas A&M will appear in concert at Gainesville High School auditorium Friday night beginning at 7:30 p.m.

The all male glee club, which dates its origin back to 1894, comes to Cooke County under sponsorship of the county's A&M Club. Admission charges are \$2.00 for adults and \$1.00 for students.

## Blast of Rugged Weather Hits Area

This winter's most rugged weather to date has been a thing of beauty and inconvenience but has caused little distress. The blanket of white, which arrived Saturday night, was still mostly intact Wednesday after almost constant sub-freezing temperature. Mercury got up to 42 Monday and Tuesday, but not long enough to clear away the snow and ice.

The cover consisted of about a half inch layer of sleet followed by the snow. As measured by Steve Mosler the combined thickness was 3 inches and its moisture content was .71 inches.

Accompanying temperature dropped to a low of 6 degrees and went up to a high of only 16 on Sunday, according to Mosler's thermometer which registered the high and low figures, Monday's readings were 6 and 42, Tuesday's were 16 and 42, and Wednesday's low was 30.

Prior to the weekend every one has had a sub-freeze reading and all except two had a high above freezing. Low was 38 on Jan. 8. High was 26 on Jan. 3 and 16 on Jan. 9.

Even though driving has been hazardous and difficult. The community has been fortunate in escaping injury and damage. According to the hospital and the police department there have been no admissions for injury due to falling or car crashes, nor serious damage from a collision. The worst reported are two bent fenders.

Likewise the area is fortunate in escaping damages to trees and power lines. The only build-up of ice resulted from a light mist that covered car windows but was hardly noticeable on limbs or wires.

Gas curtailment throughout North Texas because of the severe weather is partly responsible for closing both schools Monday. The other reason was hazardous driving. At Sacred Heart buses were idle three days, however school re-opened Tuesday when gas was available again. A new policy endorsed by both the Diocese and TEA permits continuation of classes even when buses are not running. A result attendance at Sacred Heart High was down to 35 on Tuesday and 55 on Wednesday.

## 2 Power Failures Put Parts of City In Dark Wednesday

A large area of Muenster was in the dark Wednesday night as a result of power line troubles in two areas, both at about 9 o'clock. The power outage for many customers lasted two hours and fifteen minutes, for the others it lasted slightly less than an hour.

As explained by TP&L Manager Bill Bedrick, the more serious of the two resulted from a burned out crossarm near Fifth and Cedar. The fire started when current jumped from the power line to the crossarm. As the crossarm burned through it shorted out a line causing related line breakage near Shamburg's.

The other failure resulted from a burned out transformer on South Elm. Trouble there is believed to have been caused by moisture inside the transformer shorting out the system.

Bedrick said that misty nights like Wednesday frequently bring on crossarm fires. Three of them started here on the night of January 3. Accumulated dust and dirt with moisture can become a conductor allowing current to arc over from the power line to the wood.

## Revenue Sharing, Anti Recession Checks Received

The City of Muenster has just received two checks from the U.S. Treasury. According to Celine Dittfurth, city secretary one is a revenue sharing check in the amount of \$4591, and the other is an Anti-Recession Check for \$229.00.

The revenue sharing check was the last to be allowed under the original revenue sharing act, but a recent extension of the provisions by Congress will keep the checks coming until September 1980.

The anti recession payment is the first received by the city. As explained in an accompanying statement, the city is eligible for the money because it is in an area of more than 4.5 per cent unemployment. Three months ago the city was notified that the checks were mailed out but Muenster did not qualify because the area had less than 4.5 per cent unemployment.

Mrs. Andy Klement is the new employee at the Muenster Post Office since Monday. She succeeds Mrs. Mary Lou Fenoglio of Ringold, Oklahoma, who is now employed at the Ringold Post Office.

ings were 6 and 42, Tuesday's were 16 and 42, and Wednesday's low was 30.

Prior to the weekend every one has had a sub-freeze reading and all except two had a high above freezing. Low was 38 on Jan. 8. High was 26 on Jan. 3 and 16 on Jan. 9.

Even though driving has been hazardous and difficult. The community has been fortunate in escaping injury and damage. According to the hospital and the police department there have been no admissions for injury due to falling or car crashes, nor serious damage from a collision. The worst reported are two bent fenders.

Likewise the area is fortunate in escaping damages to trees and power lines. The only build-up of ice resulted from a light mist that covered car windows but was hardly noticeable on limbs or wires.

Gas curtailment throughout North Texas because of the severe weather is partly responsible for closing both schools Monday. The other reason was hazardous driving. At Sacred Heart buses were idle three days, however school re-opened Tuesday when gas was available again. A new policy endorsed by both the Diocese and TEA permits continuation of classes even when buses are not running. A result attendance at Sacred Heart High was down to 35 on Tuesday and 55 on Wednesday.

The public school was closed Monday and Tuesday and got back on full schedule Wednesday with buses in operation. Attendance there was about normal, according to Principal C. O. Cash.

The AMPI milk factory which is also on the Lone Star Gas Co. curtailment list, has been out of the production business for a week and was hardly aware of the shutdown. Activity there has been confined to shipping milk to Class A distributors, and limited heat that was needed came from diesel and propane fired boilers.

In addition to .71 inch of moisture in the ice and snow the area has had .26 inch since January 1. Total for the year to now is .97 inch.

## Father Kevin 44 Dies at Subiaco

Friends in Muenster were saddened last Friday to hear of the death of Father Kevin Watkins, 44, of Subiaco Abbey, Ark., apparently of a heart attack. His body was discovered at the desk in his room Friday morning by Father Nicholas Fuhrmann.

Father Kevin was well known to local ex-students of Subiaco and to others of Sacred Heart Parish who met him while he visited here. He was organist of the Abbey as well as teacher and counselor in Subiaco Academy.

## Who's Who Named At Sacred Heart

The annual selection for "Who's Who at Sacred Heart" were held by the student body on December 15. As announced recently, the list includes:

Mister Drill Team — Tim Sicking; Miss Drill Team — Elizabeth Kralick; Mister Sacred Heart — George Luke; Miss Sacred Heart — Sally Endres; Most Likely to Succeed — Cathy Bartush and Craig Sangster; Most Studious — Chris Schilling and Susan Koester; Most Dependable — Mary Margaret Rohmer and Charles Koester; Most School Spirit — Mary Hoedbeck and Tim Sicking; Most Courteous — Janet Yosten and Glenn Walterscheid; Most Athletic — Sharon Grewing and Bob Grewing; Friendliest — Bob Hartman and Mary Grewing; Wittiest — Steve Henschel and Sandy Voth; Best Groomed — Ramona Walterscheid and Brent Hess; Senior Class Favorites — Janet Henschel and Charles Koester; Junior Class Favorites — Mary Grewing and Bob Hartman; Sophomore Class Favorites — Laurie Walterscheid and Jeff Hess; Freshman Class Favorites — Den Swirczynski and Ken Hartman.

There have been days lately when we feel like we are in a rat race — and the rats are winning.

## Farm Income Tax Report and Pay is Due January 17

Texas farms sold almost \$5.7 billion worth of agricultural products in 1974 compared with \$3.3 billion in 1969, according to a preliminary re-

port of the 1974 Census of Agriculture released today by the Bureau of the Census, U. S. Department of Commerce. Total production expenses were \$5.0 billion in 1974 and \$3.0 billion in 1969.

There were 185,572 farms in 1974, occupying about 81 percent of the State's total land area. Places of less than 10

acres were counted as farms if sales of agricultural products amounted to or normally would amount to at least \$250. Places of 10 acres or more were counted as farms if sales of agricultural products for the amount to or normally would amount to at least \$50. This definition was first used in the 1959 Census of Agriculture.

The value of sales from crops, including nursery products and hay, more than doubled between 1969 and 1974, increasing from \$1.0 to \$2.2 billion (while sales of livestock, poultry and their products accounted for \$3.5 billion of 1974 sales, rising almost \$1.2 billion from 1969).

The average size of a Texas farm increased from 668 acres in 1969 to 733 acres in 1974, while the number of farms with 500 acres or more fell from 49,204 to 44,664. Farms with 2,000 acres or more increased from 9,941 to 10,215. The average value per acre climbed from \$148 to \$252.

The amount of Texas land on which corn for grain was harvested increased between 1969 and 1974. During the five-year period, the number of acres rose from 568,000 to 779,000, output expanded from 25 to 63 million bushels, but the number of farms harvesting corn for grain declined from 19,000 to 14,100.

The number of farms harvesting sorghum decreased from 50,000 to 39,000, while acreage declined from 6.0 to 5.6 million, and production dropped from 281 to 262 million bushels. Fewer farms harvested wheat in 1974 — 20,000 versus 25,000 — but acreage increased from 2.8 to 3.5 million.

The amount of land on which oats were harvested was reduced from 619,000 to 280,000 acres and the total of farms harvesting oats dropped from 11,000 to 5,600. Fewer farms harvested cotton — 27,000 as opposed to 48,000 — and acreage declined from 5.0 to 4.5 million.

The number of cattle and calves increased from 12.5 to 13.5 million, with beef cow inventories growing from 5.3 to 6.0 million head and milk cows dropping from 332,000 to 319,000 head. The number of farms reporting cattle and calves fell from 164,000 to 144,000. Fewer farms raised hogs — 13,000 versus 23,000 — and inventories declined from 1.0 million to 824,000 animals. The number of farms having sheep decreased from 16,000 to 10,000 and sheep inventories dropped from 4.3 to 3.0 million.

The number of full owner-operated farms decreased from 122,000 to 112,000, while the number of part owner-operated farms fell from 56,000 to 48,000. Tenant operated farms

## THAT'S A FACT

**BIG WIND!** HOW FAST IS A TORNADO? THE HIGHEST RECORDED SPEED IS 280 MILES PER HOUR, RECORDED AT WICHITA FALLS, TEXAS IN 1958

**YOU'LL NEVER SEE IT... UNTIL YOU NEED IT!** WE'RE TALKING ABOUT THE MONEY SAVED AUTOMATICALLY FOR YOU WHEN YOU JOIN THE PAYROLL SAVINGS PLAN WHERE YOU WORK. THE MONEY IS USED TO BUY U.S. SAVINGS BONDS AND YOUR NEXT EGG GROWS WITH EVERY PAY CHECK. SO... WHEN YOU NEED IT... IT'S THERE! ★★★★★

**GOT ANYTHING CHEAPER?** INTERESTED IN A SIMPLE HOSTESS GOWN MADE OF SHATOOSH? IT'S YOURS IF YOU CAN AFFORD TO PAY \$5,000 FOR ONE. SHATOOSH IS A WOOL MADE FROM INDIAN GOATS

dropped from 35,000 to 26,000. The average age of farm operators increased from 52.7 to 54.0 years. Less than one half of the State's farm operators reported that farming was their principal occupation in 1974.

Data for farms with sales of \$2,500 or more are shown for both 1974 and 1969 in the report. There were 106,717 of these farms in Texas in 1974 and they represented 57 percent of all farms. Moreover, these farms accounted for 98 percent of the value of agricultural products sold and averaged \$52,000 in sales. This compares with 120,798 of these farms in 1969 with an average of \$26,500 in sales.

Farms with sales of \$2,500 or more averaged 1,176 acres in size and average value per farm was \$276,000. Farms with sales of \$40,000 and over increased from 13,500 in 1969 to 21,600 in 1974. There were 3,994 farms with sales of \$100,000 or more.

The preliminary report, "1974 Census of Agriculture: Texas," contains more than 600 facts about agriculture in the state. The same items of information have also been published for each county having 10 or more farms. Copies for all States and published

Be wary of half-truth, since it may be the wrong half.

A few pieces of charcoal tied in cheese cloth and placed on a shelf of your refrigerator will help keep the unit sweet smelling.

The world is filled with people who can't manage efficiently the affairs in their own household. Yet, they can sit on a public bench on the courthouse square and tell you in five minutes how to regulate the railroads.

**Public Notice**

Texas Power & Light Company, in accordance with provisions of the Public Utility Regulatory Act of Texas, hereby gives notice of the Company's intent to implement new schedules of electric service rates in areas served by the Company, effective January 26, 1977, or as soon thereafter as permitted by law.

The rate schedules will result in a 34 percent increase in the average rates charged. However, due to greater customer conservation, the rate changes are expected to increase the adjusted gross revenue of Texas Power & Light Company by 27 percent.

A complete copy of the new rate schedules is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the Company's public business offices.

**Couple Returns From Vacation in Washington State**

Mr. and Mrs. Al Hess returned Monday evening from a week's vacation trip to Yakima, Washington, where they were guests of his sister, and family, the Leo Schmitts and Jan.

They also visited with the Schmitts' son Mike, who lives on the family ranch near Prosser, Washington, and with another son Bobby Schmitt of Buffalo, N. Y., who was home for a visit at the same time. In Prosser they also visited Mr. and Mrs. Danny Schmitt and son.

In Seattle, Mr. and Mrs. Hess and their hosts visited the Schmitts' married daughters Patsy, Elaine and Peggy. Together they went sightseeing in Seattle, saw the Space Needle, drove along the coastline and enjoyed seafood specialties of the area.

Residents of Seattle were anxious for snow because there wasn't nearly enough for the skiers or snowmobiles. Weather reports told the Hesss there was far more snow "at home", than in Washington, because of the winter storm here. It seemed climate had confused its geographical area.

When Mr. and Mrs. Hess began their flight home Sunday, they were told it was uncertain if weather would force them to land in Denver or Amarillo, because of "near blizzard" conditions in North Texas. However, clearing oc-

**A Detailed Home Inventory Could Save Thousands Of Dollars**

Most people cannot remember all of their home's contents following a major fire. The result is a potential loss that could amount to thousands of dollars.

"The full amount of the 'contents' insurance you carry as part of your homeowners or tenants policy is not automatically paid. You, the homeowner or tenant, must provide a detailed list of all items stolen or destroyed," says James Carter, CNA Insurance's vice president of property and casualty marketing.

"To prove to yourself how important a list can be," says Carter, "just take 10 minutes for a simple exercise. Sit down and itemize from memory everything in one room. Then compare your list against what's actually there. Most people find they've forgotten several things."

He suggests systematically going through every room listing each piece of furniture and clothing. In addition to the name of each item, you should also indicate, as accurately as possible, the date of purchase and the price. Then don't forget to keep your home inventory current by adding all new purchases and gifts.

"An excellent method of describing the items listed in the inventory is to take color photos of everything," Carter advises, "including inside closets, drawers, etc."

He also points out that you should NOT keep the inventory list and photographs in your home. They will simply be destroyed along with everything else in the event of a fire, or possibly stolen if burglarized. Make a copy of the inventory for your use, but keep the originals in your safe deposit box.

After you have completed the inventory, discuss it with your insurance agent to make certain you have adequate coverage. Also, some items — such as jewelry and furs — might not be covered and will require a separate rider on your homeowners policy.

"The few hours it takes to complete your inventory could save thousands of dollars, and will definitely save you time and aggravation in the event of a major fire or theft," Carter states.

Former residents Leo and Mitzie Schmitt and their family sent greetings and good wishes to their relatives and friends here.

**NOTES FROM THE LIBRARY**

by Mary Mosler

Make 1977 your reading year! The library has many new books just waiting for beginning, early, junior, and adult readers. "Bear Scouts" and "Inside Outside Upside Down" are for beginning readers. New science books for juniors are "Why the Earth Quakes", "Fleas", "Pigeons", "Skunks" and "Tarantula". National Geographic books are interesting to children and adults. We have added "Alaska", "Animals That Build Their Homes", "The Playful Dolphins", "Wonders of the Desert World", "As We Live and Breathe", "Those Inventive Americans", "The Mighty Mississippi" and "America's Inland Waterways." Our adult fiction now includes "Sandition" by Jane Austen, "Green Darkness" by Anya Seton, "Agent in Place" by Helen MacInnes, "The Golden Unicorn" by Phyllis Whitney and several others as good. In adult non fiction you'll find Billy Graham's "Angels: God's Secret Agents", biographies of "Mary Martin" and "Hank Aaron," "the 1977 Consumer Buying Guide", "The Amazing World of Kreskin", "Australia: the Last Frontier", "Trees for Orchard, Yard and Woodlot" plus others.

Library hours remain the same. Tuesdays and Thursdays — 8:30 to 5:00, Wednesdays 3 to 6.

Make a resolution now to visit your library this month!

A recent survey reveals that a woman's favorite dessert for entertaining is cake. Pies rank second and third is ice cream.

**Local News BRIEFS**

Mr. and Mrs. Alvin Hartman were among 60 guests attending the formal opening Wednesday night of K-Robs Steak House at 522 N. Grand Ave., formerly Ron's Steak and Seafood, and enjoyed a delicious steak supper.

A number of relatives who attended the golden wedding celebration of the Victor Hartmans, remained to visit other relatives for several days. Leo Hartman of George West and Mr. and Mrs. Elmo Hartman of Victoria were here until Monday, January 3. Miss Loretta Bayer of Willey, Iowa and Mrs. Alvin Tigges of Carroll, Iowa, left Wednesday and Mr. and Mrs. Leonard Risch of Lincoln Park, Michigan, returned to their home Friday.

Monday — Cornie dogs, new potatoes, mixed greens, hot bread, peaches, and milk.  
 Tuesday — Italian Spaghetti, blackeye peas, cheese sticks, chocolate cake, bread, butter, and milk.  
 Wednesday — Beef tips, cream potatoes, green beans, pear halves, bread, butter, and milk.  
 Thursday — Chicken Sandwiches, soup, tomatoes, lettuce, apple crunch, bread, butter, and milk.  
 Friday — Sloppy Jos, Mexican beans, potato chips, brownies, and milk.

**Local News BRIEFS**

A. J. and Debbie Felderhoff of Lee's Summit, Missouri, visited his grandparents, Mr. and Mrs. Tony Felderhoff Sunday afternoon. They spent the weekend with their parents, the A. J. Felderhoff and Emmett Sickings coming especially for the wedding of her sister, Julie on Saturday.

Jerry Fleitman, Tom and Chris Felderhoff, joined by John Mason of Houston and Joe Geray of Lindsay returned Tuesday after a 10-day snow-skiing trip to Colorado. They spent their time at Breckenridge and Keystone slopes. Also stopped in Denver, Colo., to visit Blondie Fleitman and she joined them in Keystone for a day of skiing.

Among college students returning to classes this week was Charlotte Johnson, a sophomore at Texas A and M, who vacationed between semesters with her parents, Mr. and Mrs. C. L. Johnson.

Paul Luke of Dallas visited friends and relatives in Muenster Friday.

Gayle Miller returned to NTSU Wednesday after spending the holidays and vacation time with her parents, the Herb Millers. Her guest for the past weekend and until Tuesday was her roommate, Kathy Wortendyke of Dallas.

Mr. and Mrs. Paul Endres spent the weekend in Tyler as guests of their daughter and her husband, Mr. and Mrs. George Holland, and Sunday observed Mary Ellen's birthday.

Linda Klement, who is home during the semester break from Grayson County College, and visiting her parents, Mr. and Mrs. Gene Klement, also spent several days with her sister and family, the Ray Wimmers in Keller. Judy Klement of Fort Worth, accompanied her when both came to Muenster Thursday.

Jerry and Billy Hoenig are employed at Burlington, Vermont, in the TV Cable installation field. They phoned the Joe Hoenigs upon arrival, after spending the Christmas holidays here.

Kathy and Jim Luke returned to Texas Tech University Tuesday after spending the Christmas holidays with their parents, Mr. and Mrs. Bill Luke.

Because of extremely inclement weather and especially the ice-glazed streets and walk-ways, the Muenster Garden Club meeting was not held Monday evening.

Mr. and Mrs. J. Rufus Bezner of Lindsay announce the engagement and approaching marriage of their daughter, Mary Kay, to Richard Joseph Fisher of Muenster, son of Mr. and Mrs. Clyde D. Fisher. The couple will exchange vows on Saturday, February 5 in St. Peter's Church in Lindsay, with Father Damian Wewers officiating. The bride-elect is a 1975 graduate of Gainesville High School and will complete her sophomore year at Cooke County College in May. She is also employed by Browning's Jewelers in Gainesville. The future bridegroom is a 1973 graduate of Muenster High School and attended Cooke County College. He is now employed by Clyde D. Fisher Beer Distributor.

**2 Groups of Needy Helped by Giving To Salvation Army**

There's one New Year's resolution that most everyone can easily fulfill, and help needy individuals at the same time.

In your garage and closets there are probably numerous items that you no longer need, such as clothing, furniture, appliances, toys, books and other surplus or damaged goods.

Resolve to take a few minutes, collect them and call the Salvation Army.

Such items are utilized by the Salvation Army in a rehabilitation program for homeless and handicapped men who live and work at the Men's Social Service Center in Fort Worth.

These men, many of whom are alcoholics seeking to rebuild their lives, refurbish these contributions from North Texas area residents. Some learn trades and skills which enable them to find jobs on the outside and resume normal lives.

This program is supported through the sale of these items in Salvation Army Thrift Stores which provide an opportunity for underpriv-

ileged families to purchase needed clothing and other household goods at very economical prices.

All donations to the Salvation Army are tax deductible.

The January visit of the Salvation Army truck in Muenster is scheduled for Thursday, Jan. 20. Donors should call 759-4124 the day before.

Save the wood ash from your fireplace; applied to your garden soil, it's a valuable fertilizer.

A 12-year-old boy recently wrote to the Boston Museum of Science: "Please send me complete information on the universe. I need it by Friday."

Middle age is that difficult period between juvenile delinquency and senior citizenship when you have to take care of yourself.

With modern medicine doing so well at increasing our life expectancy, we'd better be careful about adding to the national debt . . . we might have to pay it off ourselves instead of passing it along.

**Public School Happenings**

The Speech and Drama class of Muenster Public School is preparing for a U.I.L. practice tournament to be held in Pottsville, January 17, 1977, to help them before the District tournament.

The Junior and Senior classes of Muenster Public

School met Friday, January 7, at 12:10 in the auditorium. They picked their class motto. They set the date for the Junior-Senior Prom and also picked a theme.

The Muenster Public School had an assembly Friday, January 7, at 2:10 in the auditorium. At the assembly, the coach introduced the basketball players and managers. Mr. Cash informed the students of new basketball rules. The cheerleaders taught the

students a new basketball cheer.

Members of the M.P.S. band are preparing themselves to go to Pilot Point to try out for the North Texas Honor Band on January 15. The Honor Band concert will be at North Texas State University on January 27.

The jackets that the Quarterback Club ordered are here. They came in on Tuesday, January 4. They are available

in the principal's office.

The Muenster F.H.A. chapter will meet Monday, January 10. The meeting will be held in the Muenster Public School homemaking department.

The debate teams of Muenster Public School are making the final preparations for the U.I.L. debate that will be held at Pottsville, January 17. The debate participants are instructed by Robert Mc-

Daniel.

The Spanish Club is hosting a Mexican meal, January 22. The meal is being served at the M.P.S. lunchroom from 5:00 to 7:00 p.m. Contact any Spanish Club member for a ticket. Adult tickets are \$2.50, students in grades 7 through 12 are \$2.00 and children kindergarten through 6 are \$1.50.

by the Speech and Drama Classes

**Kindergarten**

Darrel Dangelmayr's 6th birthday was Sunday, January 2 and on Monday his mother, Mrs. Paul Dangelmayr observed the special day by bringing refreshments of punch and cupcakes for all the kindergarteners. Extra treats were Tootsie Pops.

On Monday, January 3 the children also lit the candles on the class birthday cake and sang the birthday song for Kenneth Bean, whose 6th

birthday was on Sunday, January 2. Kenneth's parents are Mr. and Mrs. Everett Bean.

**Special Project**

In addition to the regular course of study, the kindergarten classes have been working with the Peabody Early Experiences Kit which is on loan from the Region XI Service Center. This kit contains song tapes, story cards, picture sets, puppets and many learning games.

**4-H Club News**

**Family Recreation Night**  
Cooke County 4-H members, their parents, brothers and sisters are invited to participate in a countywide Family Recreation Night on Saturday, January 15 at 7 p.m. in Gainesville Community Center.

Games, relays, folk and modern dances have been planned by the county council. Committee members include Pat Davidson, Sharon Voth, Dolores Sandmann, Billy Felderhoff, Ginger Fleitman, Cheryl Bayer, Kathy Davidson, Gary Rohmer, Tim Schumacher and Susan Felderhoff. The party will last for about three hours. Each 4-H club is asked to supply 3 dozen cookies. Punch will be provided.

**Rev. Gerry Lardner Visits**  
Rev. Gerry Lardner was a guest of Mr. and Mrs. John A. Fisher last Thursday, Friday and Saturday. He was returning from a meeting he attended in San Antonio and was enroute to Baltimore, Maryland, where he is a teacher in St. Mary's Seminary. On Friday, he celebrated Mass in the Fisher home. It was attended by family members and other relatives. Father Lardner is a brother of Mike Lardner, husband of the former Rosemary Fisher.

Said the patient mournfully: "I can't pay you, doc. I slowed down like you told me and lost my job."

Gas station attendant to woman motorist with dented fender: "I don't know whether I should sell you any gasoline or not. It looks to me like you've had enough already."

The government is concerned about the population explosion — but it's also true that the population is concerned about the government explosion.

**YOU CAN BANK ON IT!**

Substantial tax savings as well as just plain good planning for the future are the two considerations which often lead to the establishment of an Individual Retirement Account (IRA).

Tax benefits of the account occur because an individual can deduct from gross income whatever is deposited in the IRA each year (up to 15% of the gross or \$1,500, whichever is less).

Taxes will not be paid on this income until the money is withdrawn from the account. Normally, IRA contributions are made during the years when an individual is experiencing the highest earning levels. Therefore the deductions from the gross income occur at times concurrent with the highest tax brackets.

With the money deposited in an IRA account the taxes are deferred through the years until the person contributing to the account actually begins using the IRA funds set aside for retirement. By that time, most of us will be in a much lower tax bracket . . . because for nearly everyone, gross income is lower after retirement . . . and the income tax paid will be based on gross taxable retirement income. Tax savings and good planning . . . a winning combination.

Meurer is named member of county tire rationing board. John Fisher runs for office of commissioner in precinct 4. Sixteen young men from Lindsay take army physicals.

**30 YEARS AGO**

Jan. 10, 1947  
John Kreitz, resident here since 1904, dies at age 89. Thermometers plunge to 8 below zero on Jan. 4, believed to be the community's coldest since the winter of 1898-99. Telephone company reports 20 per cent boost in phone facilities during past year. Hugh Barnhart is new owner and manager of Muenster Hatchery. Holy Name Society elects Earl Walterscheid president. Mrs. Joe Voth and Mrs. John Furbach have major operations. City and business men plan to divide cost of hiring night watchman. Clara Raleigh and Eugene Klement marry in St. Paul, Minn. Sister Eymard breaks left ankle in fall during icy weather.

**25 YEARS AGO**

Jan. 11, 1952  
Pump installation in new city water well will begin this week, well No. 3 is near old No. 2 which has been abandoned. Hornets and Tigers get new football jackets. Free show with voluntary donations will be March of Dimes benefit. C. J. Kaiser buys Nona car agency. Evelyn Swinger and Albert Schilling marry. Work is underway for a new home for the Vince Felderhoffs. John Klement, John Atchison, Ben Boyd and Earl Taylor open political campaign by announcing for re-election to the offices they hold.

**20 YEARS AGO**

Jan. 11, 1957  
Drought loss to the community on account of last year's dryness estimates at near half million dollars. Muenster Mutual continues growth and reports low loss during last year. Lions Club will sponsor annual selection of "Man of the Year." VFW Auxiliary plans sponsorship of annual polo drive. Traffic light at Highway and Main intersection goes on 24 hour duty. Main Cafe closes as Mrs. Ted Gremminger retires from business, forces to quit by sale and moving of building.

**15 YEARS AGO**

Jan. 12, 1962  
Mercury drops to zero in worst cold wave of season here. Bank deposits at close of year pass \$3.5 million. Blessing of new convent for Benedictine Sisters set for Jan. 21. Joe Parker, 62, of Gainesville dies. Mr. and Mrs. John Rohmer celebrate golden wedding anniversary. VFW Auxiliary will again sponsor March of Dimes campaign. Celine Trubenbach and Walter Bartel marry here. John Wieler gets Mobil award in recognition of 25 years of

service with company. C. F. Gobble addresses Golden Club on dormant spraying. Engagement of Lois Owen and Charles Wray is announced. The Albert Knabes move into their new home just before the big snowfall.

**10 YEARS AGO**

Jan. 13, 1967  
School tax election is ordered for Jan. 21. Mrs. J. H. Otto, 80, dies after three-week illness. Long illness of Mrs. Roy Lusk, 54, ended by death. Bank deposits gain here during 1966. Bank re-elects directors and officers. Muenster Mutual Fire Insurance Association's 1966 losses break all-time 74 year record. Jim Schumacher is graduate at NTSU. J. D. Rumley, 14, and Pat Walterscheid, 6, are injured in motorcycle-pickup crash. Little Carla Ann King breaks leg in one-car accident. The Cecil Sawyers and two children move here from Munday. Pic. Quintin Hess receives Purple Heart for injuries in Vietnam. Don Wilson receives commission as second lieutenant. VFW Auxiliary sponsors March of Dimes campaign. Willie Wimmer graduates from barber college in Fort Worth. City buys new chlorinator for water treating. New set of plans started for city sewer addition.

**5 YEARS AGO**

Jan. 14, 1972  
Death claims Mrs. Mary Voth, 93, one of very few remaining pioneer residents. Darrell Mullins, son of Mr. and Mrs. Phil Mullins wins Stork Derby. Local Schools observe Arbor Day. Knights of Columbus consider building program. Bank Stockholders hold annual meeting and hear report of increased business activity. Preparations beginning for annual joint songfest and dance for Choir. Frohsinn. Sacred Heart students win two trophies in Speech tourney. Influenza closes school at Lindsay. Twenty Hornets get football jackets. Roy Huchtons of Gainesville dies suddenly. MHS girls win 2, boys lose 2 in Loop 12A basketball race. Car Wash installs automatic unit. Third Order joins Rosary Crusade. Mr. and Mrs. Gene Klement celebrate 25th wedding anniversary. Carol Pope and Roy Lee Fuhrmann are married. Karen McMichael and Danny Wilde are married. Donna Janicki and Captain Tackaberry take vows December 30 — bride of San Antonio is granddaughter of the

My commission expires June, 1977 Teresa Kaiser, Notary Public

**Why is Texas Power & Light asking for a rate increase?**

On December 22, 1976, Texas Power & Light Company applied to all incorporated cities and towns it serves and to the Public Utility Commission of Texas for authority to increase its rates for electric service. The rate schedules will result in a 34 percent increase in the average rates charged. However, due to greater customer conservation, the rate changes are expected to increase the adjusted gross revenue of Texas Power & Light Company by 27 percent. In coming weeks, our application will be under consideration by the cities and towns served by the Company and by the Public Utility Commission. Texas Power & Light wants you to know why we are asking for this rate increase.

- 1 TP&L MUST CHANGE THE FUELS NEEDED TO PRODUCE ELECTRICITY FROM NATURAL GAS . . .**
  1. The State of Texas requires a phase-out of the use of natural gas for generation of electricity.
  2. Gas supplies are limited.
  3. Rising cost of gas: Our average cost in 1974, \$.48 per million BTU's in 1975, \$.89 per million BTU's in 1976, \$1.21 per million BTU's. New supplies cost \$2.00 per million BTU's.

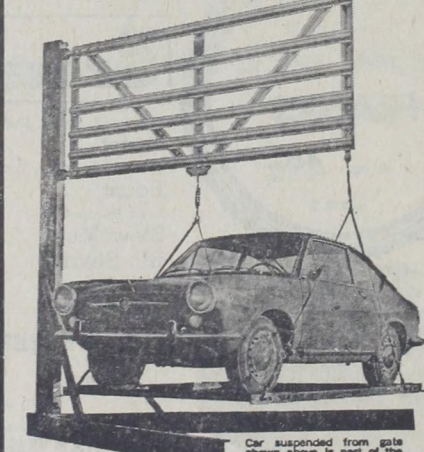

**... TO LIGNITE AND NUCLEAR POWER**

  1. A large supply of lignite is available in Texas.
  2. Lignite is cheaper. Average cost in 1976 was \$.27 per million BTU's.
  3. The use of lignite instead of gas saved our customers \$80 million in one year.
  4. The future also favors nuclear power as a cheaper means of producing electricity. First nuclear unit in 1981.
- 2 TP&L MUST BUILD MORE ELECTRICITY PRODUCING PLANTS**
  1. Our customers are increasing at the rate of over 20,000 per year, and . . .
  2. The demand for electricity will double in 10 years.
  3. Plants using high-priced natural gas must be phased out, held for peak-use periods, or rebuilt to use coal.
- 3 THE COSTS OF NEW PLANTS ARE INCREASING**
  1. Today, lignite plants cost 3 times as much as gas-fueled plants: in 1972, \$135 per kilowatt in 1975-80, \$275 per kilowatt\* in 1980-85, \$450 per kilowatt\*
  2. Nuclear plants cost 6 times as much as gas-fueled plants: in 1981-83, \$600 per kilowatt\*
- 4 TP&L MUST INSTALL COSTLY POLLUTION-CONTROL DEVICES**
  1. Government regulations now require pollution-control devices that cost millions of dollars.
  2. On a new plant in 1972, anti-pollution devices cost \$2.50 per kilowatt. Today, these costs have jumped to \$62.00 per kilowatt.
  3. On four units now under construction, cost of anti-pollution devices will be \$186,000,000.
  4. Anti-pollution devices increase generating costs 15 to 20%.
- 5 TP&L MUST STAY FINANCIALLY STRONG IF WE ARE TO PROVIDE FOR THE FUTURE, BUT . . .**
  1. Interest coverage (earnings available to pay interest) is down from 6 times in 1968 to 3 times in 1976.
  2. Average interest cost is up from 4.3% in 1968 to 7.6% in 1976.
  3. Rate of return on investment is not adequate.

**TP&L'S PRESENT RATES WILL NOT SUPPORT . . .**

- COSTS TO MEET INCREASING CUSTOMER DEMAND FOR ELECTRICITY
- CONSTRUCTION COSTS NECESSARY TO CHANGE FUELS USED TO PRODUCE ELECTRICITY
- AN ADEQUATE RETURN ON INVESTMENT, NOR A RETURN NECESSARY TO ATTRACT NEW INVESTMENT DOLLARS

**A TON OF WEIGHT WON'T SAG AN APACHE GATE!**

Car suspended from gate shown above is part of the Apache exhibit seen at the Southwestern Stock Show.

Put Apache long-service features to work for you — Exclusive full-hard spring steel for the ultimate in durability. Hot-dip galvanizing to prevent corrosion. Tubular slide latch for ease of operation. Squeezed-riveted joints for maximum holding power. Bearing-type, Pressed Steel Hinges for effortless movement and life-of-the-gate service.

GATES OF INFERIOR CONSTRUCTION COST ABOUT THE SAME AS APACHE GATES SO WHY SETTLE FOR LESS THAN THE BEST.

**Tigerettes Lose  
2 of 3 at Dallas**

Sacred Heart Tigerettes started with a win in the annual Knights of Columbus tournament in Dallas during the weekend but they failed to keep going. They were one of the two losers in semi-finals of the champ bracket, and lost again when playing the other loser for third place.

The opener was three periods of hot contest in which the Tigerettes were tied 6-6 at the first quarter and gained to 19-17 and 29-25 in the second and third, and then improved their margin to 41-31 at the end. Their scorers were Shelta Qualls 21, Sharlene Pagel 12, Marlene Pagel 8. Starting guards were Liz Kra-

licke, Janet Henscheid and Donna Swirczynski.

In the second game Mount Carmel took an early lead and continued gaining by scores of 14-2, 22-9, 36-14 and 49-25. Shelta Qualls led SH scoring with 18, Marlene Pagel had 5 and Sharlene Pagel 2.

The try for third place was a calamity, partly because St. John's of Ennis did a good job, but even more so because the Tigerettes were probably at their season's worst. They got into foul trouble early and allowed the opponents 47 free throws while five Tigerettes fouled out of the game. Scores by quarters were 26-3, 53-10, 62-19 and 77-39. Scorers for SH were Shelta Qualls 20, Marlene Pagel 11, Sharlene Pagel 8.

**Mrs. Val Fuhrmann  
Vacations in Hawaii**

Mrs. Val Fuhrmann returned January 5 from an eight day vacation in Hawaii spent with her daughter Margie and family Mr. and Mrs. Rob Buehrig and Nathan. Together they spent two days touring the island of Kauai, whose spectacular scenery holds a special appeal in its still unspoiled, natural state and is not commercialized. On Kauai they saw Waimea Canyon, the Grand Canyon of the Pacific, the Fern Grotto, and the Na Pali Cliffs. Mrs. Fuhrmann flew from D-FW on December 28 and upon her return was met by a son and family, the Tom Fuhrmanns of Euless.

**FW Rodeo Tickets  
Are Selling Fast**

Six of the 20 performances of the World's Original Indoor Rodeo Jan. 23 through Feb. 6 have been sold out, and livestock entries of cattle, sheep and swine for the accompanying 81st annual Southwestern Exposition and Fat Stock Show are about 6 per cent ahead of last year.

The dual announcement as made this week by W. R. Watt Jr., Stock Show and Rodeo general manager.

"Rodeos at 8 p.m. on the two Fridays, Saturdays and Sundays have been sold out," Watt said. "Good selections of seats can be purchased for the weekday matinee and evening rodeo performances. We encourage rodeo fans to purchase their tickets early for better selection."

The rodeo ticket office is located in the lobby of Will Rogers Memorial Coliseum. Sales counters are open from 9 a.m. until 6 p.m. daily, including Sunday. Mail order tickets can be obtained by writing P. O. Box 150, Fort Worth, TX 76101. Tickets for 2 p.m. weekday matinees are \$3 each, and all other rodeos are priced at \$4. All seats are reserved.

Watt said total entries in the cattle, sheep and swine divisions will show a record 8,805 head, compared to 8,269 posted at the 1976 Stock Show. Entries for all divisions last year totaled a record 14,292.

"Horse entries are still being processed," the general manager said, "and we anticipate high figures in this department. The deadline for rabbit, pigeon and poultry entries is Jan. 15. Indications are that our small stock division will be as great as the record of 4,118 head entered in 1976."

Opening performance of the rodeo is at 8 p.m. Friday, Jan. 23. Saturday, Jan. 29, will feature rodeos at 10 a.m., 2 p.m. and 8 p.m. Then through Sunday, Feb. 6, rodeos will be held at 2 p.m. and 8 p.m. daily.

of Dallas since entering Tuesday. Cards will reach him at Mortin Clinic, 9000 Harry Hines Blvd., Dallas 75235.

**Cowboy Here for Surgery**  
Danny White, punter and back-up quarterback of the Dallas Cowboys is a patient in Muenster Hospital since Tuesday. He had knee surgery Wednesday to correct an injury received during the past season. Another patient arriving with White was Ken Locker, one of the team's trainers.

**Hospital Notes**

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Wednesday, Jan. 5: Mrs. Marjorie Zachary and Roger Lyons, Saint Jo; Mrs. Myrtle English, Rosston; Jerry Jones and Miller Byars, Gainesville.

Thursday, Jan. 6: Mrs. Carroll Baker and Jennifer Wilkerson, Gainesville; Mrs. Randy Hewlett, Whitesboro; J. D. Stanley, Gordonville; W. C. Holt, Saint Jo.

Friday, Jan. 7: Mrs. Ernest Thomas and baby boy, Nona, Mabella Travelstead, Gainesville; Mrs. Henry Huddleston, Saint Jo.

Saturday, Jan. 8: Mrs. Walter Lutkenhaus and baby boy, Lindsay.

**Eugene Klements Honored at Party**

A surprise observance of the 30th wedding anniversary of Mr. and Mrs. Eugene Klement was planned by their children and held Saturday, January 8 after evening Mass.

Family members present were Judy Klement of Fort Worth, Mr. and Mrs. Ray Wimmer and family of Keller, Linda Klement of Grayson County College, and Mr. and Mrs. Andy Klement and daughters of Muenster. Only family member missing were the Charles Klements of Spokane, Washington.

Other guests included Mr. and Mrs. Herman Hartman, Mr. and Mrs. Victor Hartman, Mr. and Mrs. Harvey Schmitt, Dorothy Hartman, Mr. and Mrs. Alfred Bayer, Larry, Leon and Mike, and Doug Yosten. An assortment of pick-up foods was served and guests enjoyed cards and dominoes.

**SH Teams Go to Amarillo, Lubbock For Weekend Tilts**

With favorable weather forecasts to encourage them, Sacred Heart basketball teams are headed for West Texas to meet two of their TCIL foes this weekend.

The plan is to check in at a motel in Amarillo early Thursday night, have practice Friday morning and rest in the afternoon for Friday night's games with Alamo Hi.

Next morning they will go to Lubbock for games with Christ the King High starting at 2 p.m. After that they are scheduled to have supper and head for home.

**Arbor Day Program Kits Offered by Forest Service**

With the dead leaves falling and the cold, bleak winter ahead, it may seem inappropriate to be celebrating one of our most beautiful and versatile resources — trees.

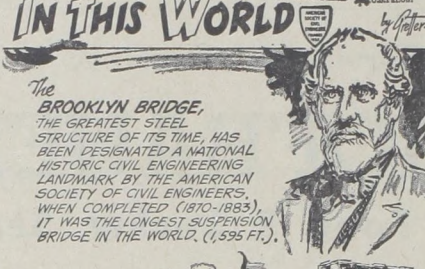

But what better time to bring beauty back to the world than during this season of the year. Arbor Day is a time to plant trees to greet the coming spring. It is time to thank trees for the bounty they have bestowed on our world.

The Texas Forest Service, in celebration of Arbor Day,

is offering free Arbor Day Program Kits. Each kit, available only to classroom teachers and program chairmen of conservation-minded organizations, offers a loblolly pine seed packet plus planting instructions and program aids for an Arbor Day observance. Quantity is limited to one kit per teacher or organization.

Program chairmen and teachers should address requests for Arbor Day Kits to the Texas Forest Service, College Station, Texas 77843.

"I know I serve well-balanced meals," said the housewife. "One day my husband complains, and the next day my kids complain."

**IN THIS WORLD**

*The BROOKLYN BRIDGE, THE GREATEST STEEL STRUCTURE OF ITS TIME, HAS BEEN DESIGNATED A NATIONAL HISTORIC CIVIL ENGINEERING LANDMARK BY THE AMERICAN SOCIETY OF CIVIL ENGINEERS, WHEN COMPLETED (1870-1883), IT WAS THE LONGEST SUSPENSION BRIDGE IN THE WORLD. (1,595 FT.).*

It was designed by the famous John A. Roebling and built under the supervision of his son, Washington, following the elder engineer's death in a construction accident.

The parallel wire cable, the cable spinning and the anchoring system he developed are standard on suspension bridges to this day.

Founded in 1852, ASCE is the oldest national professional engineering society in the United States.

way. Labor bosses insist, of course, that this kind of thinking is anti-labor, an insult to the working man. But they are wrong. The record as well as common sense tell us that the best unionism is voluntary, the kind which has to respect membership in order to keep it. The compulsory kind, on the other hand is run by dictators at the top and members have to follow the orders to hold their jobs.

A right to work slogan worth remembering: Good unions do not need compulsory membership and bad unions do not deserve it.

**Muenster JV Beats Prairie V 46-20**

Junior varsity boys of Muenster High had a good night last Wednesday in a 46-20 win over Prairie Valley. They started strong with a first quarter lead of 12-4 and gained in the second and third for leads of 23-10 and 37-17 before ending with the fat 28 point lead.

The point makers were Phil Wolf 10, David Felderhoff and Chuck Fette each 9, Floyd Felderhoff 8, Mark Felderhoff 5, Oogie Pagel 4, Donnie Grewing 1.

The pioneers who blazed the roads now have descendants who burn them up.

ABOUT THIS QUESTION

"Tourists with luggage strapped all over the car evidently don't believe the saying 'You can't take it with you'. Is insurance available to cover loss or damage to luggage, and also to pay medical costs of injuries sustained on a trip?"

**IV THE ACTION**

The electricity which Cooke County Electric Cooperative distributes to the many homes, businesses, and industries throughout the 2000 miles of distribution line is where the action is.

The action consists of cleaning, washing, cooking, sewing, grinding, mixing, milling, lighting, and hundreds of other jobs made easy by electricity.

The average consumer uses 754 KWH of electricity in a month. To produce this same amount of energy, it would require thirty-one men working eight hours a day, or to put it another way, at \$2.50 an hour, it would cost \$1,885.00 to hire the work done. That costs approximately \$29.86 for electric energy from your Cooperative.

Yes, no matter how you figure it, electricity is valuable. The need for energy conservation is real. Exercising conservation practices is essential to make energy and dollars go farther for you. . . You are where the action is!

A consumer owned Electric utility bringing you the most dependable source of energy . . . at the lowest possible price.
