

Mary Dyer recalls 100 year life span

By Janet Felderhoff
 Patience is what Mary Dyer attributes to bringing her a status achieved by few - that of centenarian. "That's something you really have to work at and it will take you a long ways if you just let yourself relax and let God take care of all your problems," Mary discerned. "I used to lay flat on the floor. I would be so worn out and fatigued that I'd just lie on the floor and throw my arms and hands out and just wait until I was really relaxed. Then I could get up and go to bed and get a good night's rest, ready for the next day."
 Born in the small community of Bean Lake, Missouri, Mary Susan Daniel was big sister to a brother and a sister. The family resided in the country near Bean Lake until Mary was nine. At that time, the family moved to the small town of Rushville where her dad worked as a letter carrier.
 "I just sit here and think my, my, all these things that happened," Mary reflected as she reviewed all that she's seen change over the years of her long life.
 Mary remembers the telephone as the first new invention to cause great excitement in her life. "It was exciting," said Mary. "We had one long ring that meant they wanted everybody to listen. It was going to be news come over it. Everybody would run to the telephone. Sometimes there would be three or four

people all talking back and forth. When the telephone would ring, that was quite a thing when I was a child. I remember my ring was a long and a short ring. There was maybe six or seven of us all on one line." She noted that she could have never imagined people all carrying their phone with them like we do cell phones. Mary referred to them as amazing.
 Their family traveled by horse drawn wagons in Mary's early years and she has some fond memories of those trips. "How wonderful it was if we went in the evening to church," she said. "Coming back home it was dark and coming down the road we could see all the animals and their big eyes."
 Transportation from the horse and buggy day evolved into train rides for the Daniel family. In 1917, they got their first car. "It was the greatest treat ever," said Mary. "It was a two-seated Ford. My mother would drive it just like my dad did."
 It was about that time that Mary saw her first hot air balloon. She said that a long ring of the telephone notified everyone to head outside to see the unusual sight of a big balloon.
 "What an exciting time it was when World War I was over," Mary proclaimed. "It was so exciting!"
 Being only a small child, Mary was confused by the War. She said she will never forget it because the uncles

who worked for them decided to go into the service. "I couldn't quite understand just where the war was," remembered Mary. "We had a big wheat field where I could look out over the porch and see it and I was scared to death. I always looked for them to come through that wheat field at any time. Mother said afterwards, 'I didn't know you were that frightened or didn't understand about that.' I never mentioned it."
 To celebrate the end of the War, the family went to Achison, Kansas where they had a big parade. Corn was used as confetti and thrown everywhere, she said.
 Growing up in an area that had long, cold winters, Mary and her friends or siblings went sleigh riding and ice skating for fun. "About five or six of us would meet on a

Saturday and walk way out into the country where we had friends. We would sleigh ride and then we would go in and have popcorn and apples. Then all of us would walk back home. We weren't afraid. There was nothing to fear," Mary remarked.
 To attain a high school education, youths from Rushville had to travel by Trailways bus from St. Joseph, Missouri to Topkea, Kansas to get to the high school in Achison. They made the 50 mile journey twice a day.
 Mary was appointed post mistress of the Rushville Post Office. She held that position until her husband transferred to become a rural carrier out of that office. At that time, both could not hold a position at the same post office, and so Mary retired.
 Working as the postmaster is one of the accomplishments Mary is most proud of because they had everything in that small post office that the bigger post offices had. "You had to be able to do it yourself," she said.
 The end of World War II found Mary in New York City. Toilet paper was a scarcity during the war, but people seemed to find it to celebrate the end of the war. "Streets were just lined with it. It was floating everywhere. It was something!"
 Of course, the happiest time for Mary was when she got her little daughter Vir-

ginia whom they called Ginger. It was in 1948 that Mary and her husband Leonard adopted Ginger.
 The tale of Ginger's adoption is compelling. When only a few weeks old, she was left in a vehicle outside a doctor's office. A couple returning to their car after seeing the doctor discovered the baby.
 Upon reading Ginger's story in the newspaper, Mary told her husband that she was going to get the little girl. Mary had recently retired from the position of post mistress and the couple had no children. A determined Mary called a friend who knew the head of the adoption agency to engage her assistance in getting the baby.
 Although there were many others who wanted her, Mary got a call asking if she'd like to see the child. "She just smiled at me when I saw her, and my husband held out his hands and she went right to him," remarked Mary. The year was 1948. Mary said the child gave them a lot of pleasure.
 Ginger contracted polio. She survived it and underwent five surgeries.
 Mary's journey held other sad phases. She lost much of her family in close sequence. First her father died, then her mother who was only 67, then her daughter, her husband, and then her sister. Her brother is now 90. They

Early voting offered Oct. 18-29 for Nov. 2 General Election

By Janet Felderhoff
 Voters who wish to cast their ballots early by personal appearance for the Nov. 2 General Election, may do so until 5 p.m. on Friday, Oct. 29. Early voting began on Monday, Oct. 18. In Cooke County, early voting is being held from 8 a.m. to 5 p.m. in the Gainesville Civic Center, 311 S. Weaver Street.
 Requests for applications for ballots by mail must be received by the County Clerk's office no later than the close of business on Tuesday, Oct. 26. Mail applications in Cooke County to County Clerk Rebecca Lawson, 216 W. Pecan, Gainesville, TX 76240.
 County offices up for election are County Court At Law Judge, County Judge, Commissioner Precinct #2, Commissioner Precinct #4, County Clerk, District Clerk, County Treasurer, Justice of the Peace Pct. 1, Justice of the Peace Pct. 4, and County Surveyor.
 On the County level, voters

will find no contest among the candidates for various positions as all were decided in the party run-off elections earlier this year. Voters can vote straight party or decide on each individual race.
 Although this is not a year for a presidential election, the race for Texas governor is causing a lot of stir. Gov. Rick Perry seeks election to a third term as the candidate for the Republican Party after defeating U.S. Senator Kay Bailey Hutchison in the Primary Election. He is

challenged by Bill White (D), Kathie Glass (L), and Deb Shafto (G).
 White, a former Houston mayor, won the Democratic nomination. Houston lawyer Glass won the Libertarian nomination, and the Green Party's nominee is Shafto.
 Also on the statewide ballot are races for Lt. Governor, Attorney General, State Comptroller, Land Commissioner, Agriculture Commissioner, Railroad Commissioner, and several Supreme Court Justices.

Queen Bee of MHS

Muenster High School senior Michelle Henscheid was crowned 2010 Homecoming Queen last Friday night during the halftime ceremony of the Hornets' victory game over Chico. Michelle is the daughter of Rose Henscheid and John Henscheid. She was crowned by 2009 Queen Delana Sicking. Janie Hartman photo

MISD looks forward

Leon Johnson of Southwest Securities addressed Muenster ISD's Board of Trustees during the regular Board meeting held Wednesday, Oct. 13. His advice was to review existing facilities and prioritize how to spend bond money.
 Superintendent Clay Richerson reported that the September water bill is higher due to two water leaks. There was insufficient water pressure to water the football field from the School's water well so City water was used.
 Volunteers for the Facility Committee will be evaluating the campus facilities.
 Superintendent Richerson said that the security fence is up on the bleachers to prevent falls.
 Elementary Principal Lou Heers gave Texas Primary Reading Inventory (TPRI) results. This test is done at the end of the first six weeks of school. Reading 60 words per minute is the goal for spring or the end of the first grade and 90 words per minute by the end of second grade.
 High School Principal Sharon Browning's report included that only 15 students

Taylor vies for Homecoming Queen

Taylor Torcellini, daughter of Tom and Sandi Torcellini of Muenster, attends Southern Methodist University. She was chosen as a Homecoming Queen candidate representing Delta Gamma. She is one of 13 candidates for Queen. SMU's Homecoming game is this Saturday when they play the University of Houston at 2:30 p.m. in Ford Stadium. A number of local residents plan to attend the game hoping to see Taylor reign as Homecoming Queen. Taylor is a 2007 graduate of Muenster's Sacred Heart Catholic School.

Cowboys compete for local youth at Muenster JC's Annual Ranch Rodeo

By Janet Felderhoff
 Plan to spend Saturday, Oct. 23 at the Saint Jo Rodeo Arena watching the harmony between cowboys and horses as they work as a team during the Muenster Jaycee's Annual Ranch Rodeo. The event is a fundraiser benefiting the local youth of the area through Friends of Muenster FFA and 4-H, Muenster FCCLA, and Sacred Heart Homemaking. It begins at 6 p.m.
 Events include team sorting, team doctoring, double mugging, and wild cow milking/de-tagging. These events reflect some of what the real working cowboys deal with in day to day life on the

ranch. Teams come from all around the area.
 Prizes will be awarded to the top teams. Cowboys on the first place team receive belt buckles and cash. Spurs and cash go to the second place cowboys, and for third and fourth place, it is cash.
 The Muenster Jaycees hope to see everyone at the

Rodeo Saturday. Admission is \$5 for adults and children age 10 and under are not charged. Remember, the proceeds will be donated to Friends of Muenster FFA and 4-H to help purchase premiums on animals, shop projects, food projects clothing projects, etc. entered in the County Youth Fair.

Obituaries

Florence Bezner 1919 - 2010

Florence Bezner

her parents, brother James Jirasek, and sister Helen Shiftlet.

Funeral Mass for Florence Bezner of Lindsay was held Saturday, Oct. 16 at St. Mary's Catholic Church with the Rev. Jim Pemberton officiating. Burial followed in Fairview Cemetery under the direction of Geo. J. Carroll & Son Funeral Home. A Rosary was held at the funeral home on Friday evening, Oct. 15 with visitation following the Rosary.

Florence was born on Feb. 23, 1919 in Spring Creek to James C. and Madeline Rivoire Jirasek. She died at the age of 91 on Wednesday, Oct. 13, 2010 in Gainesville. She is survived by her brother Joe Jirasek of Midwest City, Oklahoma and numerous nieces, nephews, and cousins.

Florence was preceded in death by her husband Hugo,

100thcont. from pg. 1

are the first in the family to live past 80. The Depression Days are recalled with sadness as a time that will never be forgotten by Mary. She remarked, "That was a terrible thing. People losing their homes, their farms. Then we had the drought follow it and the grasshoppers and the chinch bugs. Oh my, it was terrible. I hope that never happens ...I thought about that so much. They'd bring in those big commodity trucks for food and people would just stand and cry. They didn't want to go out there because they were so humiliated. That was the saddest times. It was terrible."

Mary's father had a job at the time. Her husband Leonard's family had seven boys and one girl. He told Mary that it was so bad one year that they didn't even get to go to school. Mary noted that she worries about all that people try to possess now.

"Money is not my God, but it bothers me because I don't think people prepare their own self for the future and that's wrong," she said.

After spending her whole life in Missouri, Mary now spends her winters in Texas with granddaughter Hayle Fenton Dangelmayr and her husband Tom and their sons Eli, Cody, Kevin, and Kyle. "Texas is a change, but I've enjoyed every bit of it," she admitted. "I've enjoyed going out with them when they took care of the cattle and had lunch with them when they're working with the cattle." She watched cattle branding for the first time in her life.

"Hayle and Tom, they are special. And the boys are just a part of my life. I've had the pleasure of loving them and caring for them."

Since Mary is not able to get around like she once did, she's found other things to keep her busy. Crochet-

Mary and the Boys - Eli, Cody, Kevin, and Kyle

ing afghans is one of those things. She's made one for each of her great-grandsons, some for friends, and is now working on one for her very future first great-great-grandchild. "I can't get up and do the things that I see need to be done. This occupies my time," she said of her crocheting.

Mary enjoyed traveling when she could and she enjoyed keeping house. She still enjoys reading.

Spotlighting and going on weiner roasts are two things Mary especially enjoys doing with Hayle's family. She recalled with a chuckle, "One time the water was running and looked so cool and comfortable, they took my chair and sat it down in the middle of the water." Another time a few years back, they helped her get on a horse during one of their outings.

Mary commented that she feels very accepted by the

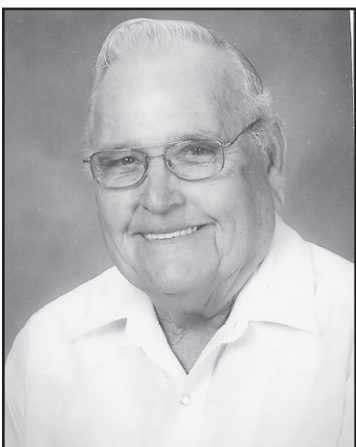

Dangelmayr family and appreciates all the care they give to her. Her wish for her 100th birthday was to share birthday cake with her great-grandsons. She hopes to go back to Missouri soon to celebrate with the family she left there.

She celebrated her 100th birthday on Friday, Oct. 15. A special friend Claudia Black arrived from Rushville to join Mary and family for her birthday meal.

Also joining her were Bill and Charlotte Dangelmayr, Pat and Janet Bowman and family, Tom, Hayle, and boys, Joe and Kathie Fenton, Ellen Cate, Eric and Jennifer Bayer.

Special guests on Saturday were nephew Charles Curtis and wife Jan Dyer of Houston, Missouri, and numerous friends. Mary really enjoyed her celebrations and stated, "This was my best birthday ever!"

Babe Skinner 1944 - 2010

Babe Skinner

He was preceded in death by his parents; brothers Charlie, Tommy, and William Ray Skinner; sister Glenda Hudson; and parents-in-law Frank and Christine Hellinger.

Pallbearers were Casey Martin, Travis Skinner, Dustin Martin, Tim Martin, Todd Hemmestad, Steve Westbrook, Jimmy Lehnertz, Marty Bartlett, and best friend Kenneth Bo.

On Monday, Oct. 18, 2010, Babe Skinner died at the age of 66 surrounded by his family and friends. Funeral Mass was offered on Thursday, Oct. 21 at 10 a.m. in St. Mary's Catholic Church with Rev. Jim Pemberton officiating. Rosary was held on Wednesday, Oct. 20, 2010 at Geo. J. Carroll and Son Chapel at 6:30 p.m. with visitation following.

Babe was born June 18, 1944 in Whitesboro to Chafe and Mary McCall Skinner. He married Patsy Hellinger on July 23, 1963. Babe was a lifetime truck driver, retiring on July 15, 2010 from Larson Storm Door.

Survivors are his wife Patsy of Gainesville; son and daughter-in-law Kenneth and Traci Skinner, of Gainesville; daughter and son-in-law Kim and Tim Martin of Gainesville; five grandchildren; brother Jimmy Skinner of Pottsboro; and sister Lavern Archey of Oklahoma.

Mary's early life in Missouri.

Gladys Bezner dies

Gladys Wilde Bezner of Lindsay died Friday, Oct. 15, 2010 at the age of 84. Mass of Christian Burial was held Wednesday, Oct. 20 at Centennial Hall in Lindsay. The complete obituary will be in next week's Muenster Enterprise.

Agnes Klement celebrates her 102nd birthday. Courtesy photo

Agnes Klement observes 102nd birthday Oct. 8

Agnes Klement celebrated her 102nd birthday surrounded by her children, grand-children, great-grandchildren, and great-great-grandchildren. Her special day was observed on the Sunday following her Oct. 8 birthday.

Joining them for lunch and cake were special guests Fr. Ken, Betty Kralicke, Pat Yosten, Liz Sutton, and Charles Balazan. Agnes enjoyed hearing from her friends and relatives through their calls, visits, gifts, and cards.

A particular highlight was reading the cards sent by the children of Muenster Public

and Sacred Heart schools. With the help of the good people of Muenster, an extraordinary day was even more joyful.

Taking one day at a time, Agnes continues to trust in the Lord and is grateful for continued good health in body and mind.

Skyler Reed turns 2!

Skyler Rae Reed, daughter of Jon and Tiffany Reed, celebrated her second birthday on Sept. 12. Her birthday party was held Sept. 4 at her home. A steak supper was prepared and served to the guests along with twice bake baked potatoes, green bean casserole, and a salad. Skyler opened her gifts and followed with her birthday cake, which was a Minnie Mouse theme.

Those in attendance at the party were: Skyler's parents; big sister Taylor; grandparents Roy and Connie Purcell and Jerry and Joie Reed; and Godparents Ron and Judy Trubenbach. Other family and friends attending were: Steven, Penny, Ashleigh, Mary, and Madeleine Fisher; Jay and Kennedy Reed; Bekah Stevens; Kristy Hartner and Jackson Ochs; Zack and Carson Trubenbach; and Whitley and Kyle Klement.

Estate Sale benefits Muenster Museum

Shoppers seeking great bargains will want to check out the estate sale being sponsored by the Muenster Historical Commission this Friday and Saturday, Oct. 22 and 23. Household items from the estate of Paul and Marie Endres are being offered in a sale with the proceeds benefitting the Muenster Museum. They will open at 8 a.m. both days.

Chairman Janie Hartman remarked that this is the third such sale that the Historical Commission has sponsored. After the family or business owner claims items that they wish to keep, members of the Historical Commission sort items, taking some to be exhibited in the Muenster Museum and pricing the others to sell with proceeds going to the Museum. After the sale,

all remaining items will be donated to ABBA's Second Chance Store, and the home cleaned by the members.

Items available at the Endres sale include dishes, small appliances, linens, Christmas decorations, books, vases, decorative materials, and numerous knick knacks.

Recently, a new addition has been completed on the Muenster Museum. Exhibits are being arranged at this time. An open house will be held on Nov. 14 to encourage the public to come and see what's happening at the Museum. A major change is enlargement of the military exhibit.

The Museum is open on Thursday, Friday, and Sunday afternoons from 1-4 p.m. There is no charge to visit, but donations are accepted.

Health Department offers flu shots in Muenster

The Department of State Health Services will be offering seasonal flu/pneumonia vaccinations on Tuesday, Nov. 2 at Cooke County Electric Cooperative located

at 11799 West Hwy. 82 in Muenster. The vaccinations will be offered from 8:30 a.m. to noon.

The Centers for Disease Control and Prevention recommends everyone over the age of six months be vaccinated for the seasonal flu as soon as possible. The shot takes about two weeks to become effective and will provide protection throughout the flu season, which typically runs from October to May in Texas.

This year, the "all-in-one" seasonal flu vaccine will also include protection against H1N1.

For more information, call 665-6397.

Friendship... is not something you learn in school. But if you haven't learned the meaning of friendship, you really haven't learned anything.

Muhammad Ali

Cooke County United Way working toward goal

The Cooke County United Way goal has hit 60%. The goal has been holding at 45% for weeks, but was finally pushed over the 50% mark with last week's Blitz events.

The Muenster Blitz brought in \$3,891, Gainesville Blitz \$9,953, and Valley View Blitz \$18,500 which also includes the employee campaign of Alan Ritchey, Inc. The three Blitz events were a great success due to the community spirit and generosity of the small businesses and the energy of 35 volunteers who brought in

the contributions over a two hour period.

Outdoor thermometer goals are located in Muenster at Main Street and Hwy. 82, Gainesville at E. California at I-35, and Valley View on the West I-35 service road. You can watch these thermometers change each week as the goals rise.

Cooke County United Way is counting down to the end of the campaign. United Way and its volunteers have only three more weeks to reach the \$360,000 goal.

For more information on Cooke County United Way and its 18 partner agencies, call 940-665-1793.

Flu shots offered at SNAP

Flu shots will be given on Tuesday, Oct. 26 at 11 a.m. in conjunction with S.N.A.P. Those interested in getting their annual flu shot are asked to come to the Rectory garage where S.N.A.P. is meeting during the time that the Community Center roof is being repaired.

SPCA tip

The cold weather months are just around the corner. Protect your pets by keeping them inside and having a disaster plan in place for them in case you lose power for an extended period of time.

Calling All Saints!

In honor of All Saints Day, Sacred Heart Catholic Church children are invited to attend the 10:30 a.m. Mass on Sunday, Oct. 31 dressed as their favorite saint and walk into church in procession or be seated with their parents. In order to participate in the procession, children are asked to meet at the west entrance of church 15 minutes before Mass begins.

An old farmer's advice

Life is simpler when you plow around the stump.

PIP participants practice basketball and green conservation

The third season of Muenster Players in Progress (PIP) has begun. On Sept. 19, 44 PIP participants and six coaches joined in with the National PIP coaching staff for a 4 1/2 hour camp to kick off the 2010-11 season. Twenty new members joined the 24 returning members under the direction of Vicki Eldridge, Dianne Endres, Amber Hammer, Laura Pagel, Darla Styles, and Shelley Trubenbach.

The camp was a big success and the PIP group was able to impress and entertain their parents for an end-of-camp performance.

Since then, the Muenster PIP group has been meeting on Wednesdays after school for practice. All have been practicing diligently and are excited about their performances set to start in November.

Currently, they are planning on at least five local performances at a variety of MISD Junior High and Varsity Basketball games, participating in the Muenster Christmas Parade, and having a performance at the University of North Texas.

This has been a great opportunity for these kids to work on their basketball skills while also giving them the confidence and discipline to perform in front of a large group - and have fun doing it!!

On Oct. 10, 10 of Muenster's PIP group attended an Advanced Training Camp held in Krum. Krum PIP was the host for this camp that had advanced PIPsters from surrounding towns Krum, Perrin, Argyle, Valley View, Jacksboro, and Muenster.

To be able to attend, the members had to achieve at least 30 points out of the possible 40 Basic Training points. The points are earned by being able to perform four levels of difficulty of 10 different ball handling skills, each in a certain amount of time.

On May 12, three of the members earned their 40 points: Morgan Eldridge, Bailey Klement, and Macie Pagel. They will now be performance leaders and can begin working on their Master Level points. Others attending the Krum camp were 6th graders Amy Luttmer, Carrie Nasura, Haiden Shook, and Emma Wood, and third graders Major Eldridge and Colby Endres.

They had a great time while being challenged to learn additional advanced ball handling skills. They also ended camp with a performance for the gym full of parents. After camp, Coach Angie (the National PIP Coach) gave PIPsters the opportunity to join her Spinning Club. The requirement to become a member is to be able to spin for 20 seconds. This year, Major Eldridge and Haiden Shook joined the Spinning Club.

PIP goes green
This year, the National PIP organization has taken on a special People in Progress Program that is called the PIPs Green Program (PGP). Not only does the National office want to be green, but they are also encouraging all of their PIP organizations that span various states across our country to "go green."

The Muenster PIP group decided to make that same commitment. In conjunction with Keep Muenster Beautiful, they hosted a PIPs recycle week. They asked all PIP members to make an effort to recycle paper and cardboard products and to bring in a week's worth of recycled goods to their weekly practice. The result was tremendous.

They collected many bags and boxes full of paper and cardboard to be recycled. To continue the effort, they have a system in place for members to bring in their bags of recyclable paper to school on weekly practice days.

They are also moving parent information to email format rather than paper format. They hope that little changes in the way they do things will enlighten others to do their part, as well to be more aware of the need to recycle.

Check out the PIP website to see their picture and to get more information on the PIP program. www.pips-yeah.com. Click on the Online NewsPIPer and see your Muenster PIP group.

Yosten flies to visit his sister in Chicago

By Janet Felderhoff

Henry Yosten attained the age of 83 years without ever having flown on an airplane. With some coaxing from his daughter Janette Hess and granddaughter Sarah Hess, he agreed to make his first flight recently.

Sarah planned to attend a friend's wedding in Wisconsin and knowing that Henry's sister lived in Chicago, she put a plan in motion.

Henry hadn't seen his sister Josephine Mayer in perhaps 10 years. She turned 90 in July, and until recently lived alone having lost her husband in 1989. She now resides with her daughter and son-in-law MaryRose and Tom Donovan in Oak Forest, Illinois. Visiting Josephine was an opportunity that Henry just couldn't resist, so he agreed to fly to Chicago.

On Friday, Oct. 8, the trio headed to DFW Airport where their experience began. Janette noted that Henry set the metal detector off a few times before they remembered that he had some metal parts in his body. The day was clear and the flight smooth. Henry found it a good experience and wasn't in the air very long when he decided that he was ready to fly to his granddaughter Gina's wedding in November.

Henry had a lot of questions and when getting off the plane, he engaged the pilot in conversation to find out the answers.

Friday evening, the travelers enjoyed supper with Josephine and some other family members, taking time for visiting before checking into a hotel for the night.

Saturday morning, Sarah and Janette rented a car for the four hour trip to the Wisconsin wedding. Along the way, they viewed beautiful fall foliage, lots of corn fields being harvested, and pristine dairies with big red barns and silos. This was a treat for Janette who grew up on a dairy farm.

Henry spent the day visiting with his Illinois relatives.

On Sunday, they met Josephine at church for services. The rest of the day was spent visiting with even more family and watching sports on television.

Time for visiting ended and the Texas residents headed back home on Monday.

In her younger days, while still living in Muenster, Josephine worked at the *Muenster Enterprise*. She married Nick Mayer and they had nine children. Josephine is still a loyal subscriber of the *Enterprise*!

The camp was a big success and the PIP group was able to impress and entertain their parents for an end-of-camp performance.

Since then, the Muenster PIP group has been meeting on Wednesdays after school for practice. All have been practicing diligently and are excited about their performances set to start in November.

Currently, they are planning on at least five local performances at a variety of MISD Junior High and

District I president visits VFW Auxiliary

Vernell Flood, District II president, made her official visit to Muenster Ladies Auxiliary VFW #6205 at the Oct. 18, Monday evening regular meeting. She was accompanied by Historian Linda Hardyman. She commended the local group and asked them to keep up the good work. The ladies were encouraged to support the VFW Foundation, which helps young soldiers who come home after serving their country. The next District I meeting will be Nov. 14 in Lewisville.

President Frances Bayer presided over the meeting. Conductress Sandra Hennigan pro tem, Chaplain Mary Lee Hennigan, and Patriotic Instructor Agnes Hesse gave the opening ritual. Secretary

Ida Mae Bindel read roll call and minutes of the previous meeting. Lucille Hesse's treasurer's report was given by Agnes Hesse and showed that the annual bake sale was a great success.

Members were reminded to save Campbell soup labels to be sent to the VFW Na-

tional Home for Children. In lieu of Christmas Cards will be sponsored by the Auxiliary again this year.

Mary Lee Hennigan served refreshments to the members and two guests.

The next meeting is planned for Nov. 15 at 7:30 p.m. in the Post Home.

1st Grade - Clay Fuhrmann, Elizabeth Hacker, Payton Harris, Emily Hunter, Jesse Medina, Kameron Metzler, Reece Mills, Ivan Reyes, Landon Williams.

MISD continued from pg. 1

failed one or more subjects in the first six weeks period. Spanish II will attend the Kimbell Museum of Art in Fort Worth. She reported on various Homecoming activities, workshops, and contests that the students are involved in.

Principal Heers said that an AIM for Success Abstinence Education Program was presented for Grades Six through 12 and their parents. A Speak No Evil Day focused on respecting others.

Technology Director Jeff Presnall stated that teachers are completing their STaR charts for the technology assessment. MISD has updated its internet bandwidth by completing negotiations with ESC Region XI

and SKYBEAM. Projector mountings will be installed in 11 classrooms. Web Fire Communications installation is expected soon.

Fifty-four of 63 technical assistance requests have been completed since Sept. 1. MISD has 755 registered users, and Parent Portal has 211 active student accounts. Athletic Director Brady Carney reported on progress of football, cross country and fall league softball teams.

No action was taken on annual review of Board Operating Procedures.

It was reported that excessive moisture caused cracks in the track surface. This will be monitored.

Delinquent taxes collected for September totaled \$2,282.21.

Good teachers cost a lot; but, poor teachers cost a lot more. - Evan Esar

SPORTS

Cougars out-claw Tigers, 38-9

The Cougars of Colleyville Covenant Christian took the District lead last Friday night after defeating the Sacred Heart Tigers 38-9.

The Tiger and Cougar running games were fairly equal, but it was Covenant's air attack of 210 yards compared to 8 yards by Sacred Heart that assisted in the Cougars' victory. Four Tiger turnovers to one didn't help to keep Sacred Heart in the game.

"Covenant is so athletic," noted Tiger Coach Dale Schilling. "When you play a team of that caliber, you can't make mistakes. We made mistakes and they took advantage of it."

were followed by an interception.

Working inside the Tiger 20, Sacred Heart's defense knocked the Cougars for an 8 yard loss, forcing a punt. The Tiger offense continued to struggle. A punt put Covenant on their 1 yard line. Hesse caught the Cougars in the end zone for a safety, putting the Tigers on the scoreboard 14-2 with 4:24 remaining in the 2nd period.

The free kick was returned by John Paul Hesse to the Cougar 46. A flag assisted in moving Sacred Heart to the 28. Biffle and Hesse added yards, and on 4th and one-half, Biffle scored on an 18 yard run with 2:07 on the

plays later, the Cougars kicked a 34 yard field goal for a 24-9 halftime lead.

The Tigers got in six runs, punted, then allowed Colleyville to score on a 75 yard run. The PAT upped the score to 31-9.

The teams exchanged punts, with flags backing up the Cougars and assisting the Tigers. An interception gave Covenant the ball at midfield, but tackles by Davis, Mark Bartush, Justin Brown, Evans, Hesse, and Alex Turner gave up only 3 yards, as the teams exchanged possessions. An interception by B. Bartush stopped a Cougar scoring threat inside the 20. Two good runs by Biffle moved the Tigers to the Colleyville 6 yard line. Four plays gained only a yard and the Cougars took over, moving downfield and scoring on a 46 yard run. With 1:40 remaining in the game, Covenant had a 38-9 lead.

The Tigers fumbled the kick return and the Cougars ran out the clock.

 The Tigers travel to Fort Worth Lake Country this Friday night. The Eagles are 0-1 in District after a 38-3 loss to Lubbock Christian.

Lake Country is based out of the I-formation, mainly running the ball. "We'll have to play mistake free football to beat them," noted Coach Schilling.

The Eagles were an 8-3 Bi-District Finalist team last season.

Kickoff is at 7:30 p.m.

Hornets remain undefeated after 63-0 Homecoming victory

It was Homecoming night at Hornet Stadium last Friday when the Dragons of Chico came to town. The Muenster Hornets quickly extinguished any fire the visitors may have had as the Muenster offense and special teams put 63 points on the board and the defense not only shut out the Chico team, but dropped the Dragons to a minus 5 total offense.

"We came out and played better early, which is what I wanted to do," noted Hornet Coach Brady Carney. Muenster scored on their first two snaps of the game. "The defense played really well from the first to the last of the

Trevor Hess and Chase Hammer moved the ball to the 38. An Anderle to Andy Flusche pass gave Muenster a 19-0 lead near the 2 minute mark.

The 2nd quarter opened with Jason Luke returning a Chico punt 55 yards for the Hornets' fourth touchdown. Flaming's PAT gave Muenster a 26 point lead seconds into the period.

A 4th and 25 punt put Muenster near midfield, but this drive ended with a Dalton Koelzer punt. A few plays later, Hess picked up a fumbled ball and returned it 5 yards for a Muenster TD. The PAT by Flaming made the score 33-0.

was covered by Flusche. Two plays later, River Stewart scored on 54 yard run. The PAT failed, leaving a 56-0 score with 42 seconds remaining in the 3rd quarter.

Chico started the 4th period on their 2 yard line after a 58 yard kick by Flaming. A 4th and 11 punt put the Hornets at midfield. Four plays later, Muenster punted. Hess covered a loose ball on the return. A few plays later, Dillon Bayer scored from the 3. Flaming added the kick for the final 63-0 score.

Next Action
 The Hornets will travel to Valley View this Friday to continue District play against the Eagles. Valley View is 1-1 in District, falling 42-21 to Collinsville, then defeating Petrolia 41-14 last week. The Hornets are undefeated thus far, with District wins over Petrolia (54-10) and Chico (63-0).

"The seniors at Valley View have been playing in a tough 2A district and they have a couple of good leaders with (A.J.) Kassen and (Scott) Willis," Coach Carney commented. "They are very strong defensively. Offensively, we'll have to stay as balanced as we can, but will handle whatever they give us. Defensively, we have to contain their quarterback."

Carney added that the Hornets know from here on out it's about accomplishing goals - goals set early in the season - to make it to the playoffs.

Muenster linemen hold back the Dragons, allowing the Hornets to add extra points to their victory over Chico.

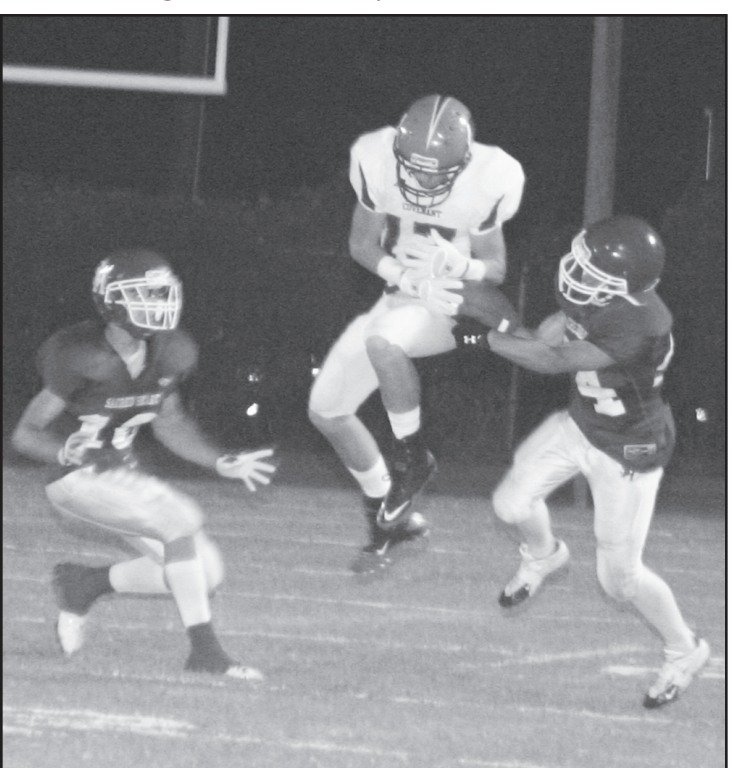

game," said the Coach, adding that the special teams returned a punt for a touchdown and how Josiah Flaming continues to improve, kicking extra points and a field goal.

"You have to give Chico credit. They kept playing hard," Carney concluded.

Muenster put their first points on the board with a 53 yard run by Chase Hammer with just a minute 37 into the game. The PAT kick failed for a 6-0 score.

The Hornet defense again held Chico to losses. A 7 yard punt put the Hornets on the Dragon 24. A Tyler Anderle to Jason Luke pass put 6 more points on the board. Josiah Flaming added the extra kick for a 13-0 score with 7:48 on the clock.

The Dragons gained a yard and punted. Runs by

John Paul Hesse (14) pulls the ball away from a Covenant receiver in Sacred Heart's District match last Friday. Also defending is Tiger Bob Bartush (16). Janie Hartman photo

Colleyville took the opening kick, marched 75 yards in eight plays, and scored on a 34 yard run with 7:32 on the clock.

The Tigers moved 21 yards before punting the ball back to the Cougars. A few plays later, a 79 yard run gave Covenant a 14-0 lead.

After exchanging punts, the Tigers moved the ball to the Cougar 7 yard line with plays by Matt Hesse, Josh Biffle, and Michael Davis. Two sacks for a loss of 10

clock. Austin Aldriedge added the PAT to close the score to 14-9.

Covenant came right back, returning the Tiger kick 74 yards to the 6 yard line. Tackles by Quinn Sicking, Hesse, and Greyson Evans temporarily held the Cougars, who then scored on a 9 yard pass play. With 36.7 seconds on the clock, Covenant extended their lead to 21-9.

The Tigers' next offensive play was fumbled and three

Tigerettes finish 2nd in TAPPS State Cross Country meet

The 2010 Texas Association of Private and Parochial Schools Cross Country Championships were held Saturday, Oct. 16. Hosted by Baylor University, the event took place at the Bear Run Cross Country Course in Waco. Sacred Heart ran in the AA Division (enrollment of 59-108).

Freshman Tigerette Mikenzie Fleitman, who came in 7th, and junior Tiger Bob Bartush, who finished 10th, were both named All-State for being in the Top Ten runners in their divisions.

Shiner Saint Paul took the Girls State Championship with 40 points. The Tigerettes placed 2nd with 57 points, followed by Bulverde Bracken Christian 80, Marble Falls Faith Academy 110, Universal City First Baptist 151, and Austin Hill Country 157.

Tigerette results included: 7, Mikayla Fleitman, 14:08; 11, Mikenzie Fleitman, 14:17; 27, Kaitlin Hesse, 15:27; 28, Peyton Reiter, 15:32; 33, Sara Davidson, 15:44; 35, Devan Henry, 15:46; 49, Rebekah Hesse, 16:22.

"We had a very good season," said Coach Jon LeBrasseur. "I am so proud of the effort and the progress that each girl made each week. We were able to run both a varsity and junior varsity squad this season, and with those numbers we look to continue to improve next season."

The coach continued, "Our results were just a little short today, but we competed and that is a tribute to these fine young ladies."

In the Boys Division, Sacred Heart finished in 6th place with 170 points. Conroe Covenant took 1st with 60 points, followed by Dallas Cambridge 88, Bulverde Bracken 137, Kerrville Our Lady 149, and Longview Christian 166.

Tiger results were: 10, Bob Bartush, 19:09; 12, John Paul Hesse, 19:29; 41, Joe Bartush, 21:59; 64, Austin Aldriedge, 24:23; 68, Riley Metzler, 24:38; 73, Kevin Flusche, 25:04; 84, Nick Zimmerer, 26:14.

Coach LeBrasseur commented, "Most of the schools do not play 11 man football, so this effort by the young Tigers is very impressive. Conroe was just too strong for us this season, but they will graduate four, so the title is up for grabs next year and I expect the Tigers to vie for that title. We had eight boys out this season, and that is a good building block for next year."

Attending the Advanced PIP Camp in Krum were, from left, sitting - Katie Bell, Macie Pajgel, Emma Wood. Standing - Colby Endres, Major Eldridge, Bailey Klement, Morgan Eldridge, Haiden Shook, Amy Luttmr, Carrie Nasura. Courtesy photo

JUNIOR HIGH FOOTBALL

Sacred Heart vs. Covenant

The Sacred Heart Cubs came up short last week against the Colleyville Covenant Crusaders 36-28.

The Crusaders scored on the opening kick return for a quick 8-0 lead. After the Cubs ended their first drive with a fumble, Brady Endres intercepted a pass at midfield, and eight plays later, Hayden Schilling scored on a 1 yard run. The PAT run by Schilling tied the game 8-8.

Covenant wasted little time, scoring three plays later to take a 16-8 lead into the 2nd quarter. Kason Reeves had an interception and later he had a fumble recovery that set up Sacred Heart's next touchdown. Two Reeves to Isac Walterscheid plays picked up 34 yards, with Schilling taking the ball into the end zone from the 15. The extra points run failed for a 16-14 score with 14 seconds remaining in the 1st half. The Crusaders' next offensive play found paydirt for a 24-14 halftime score.

The Cubs came out the 3rd quarter with Schilling returning the kick 70 yards to close the score to 24-20.

Darian Peters covered a fumbled ball, but five plays later, the Cubs lost a loose ball.

Tackles by Walterscheid, Schilling, Grant Springer, and James Dangelmayr, stopped a Crusader drive, but their next possession, a 53 yard run, gave Covenant a 30-20 lead.

A 4th quarter fumble recovery by Walterscheid set up a 10 yard scoring run by Schilling. The PAT Schilling run again closed the point spread to 2, 30-28 with 3:35 remaining in the game. The next snap and Covenant scored on a 57 yard run for the 36-28 final.

Muenster and Lindsay in CC warm-up meet

The Muenster and Lindsay cross country teams competed in Lewisville last Saturday in their last warm-up meet before District. The varsity girls competed in the 4-A and Under division, with the Lady Knights winning 3rd place behind Frisco and Highland Park. The Lady Hornets settled for 12th place.

Individual results are as follows: 3, Kelsey Hermes, L, 12:15; 10, Lauren Gibbs, L, 12:32; 15, Emily Hellman, M, 12:40; 20, Paige Herr, M, 12:46; 23, Megan Caillier, L, 12:48; 35, Megan Holt, L, 13:05; 39, Bethani Eberhart, L, 13:08; 80, Jordan Fleitman, L, 13:57; 81, Michelle Sicking, M, 13:57; 90, Rebecca Metzler, L, 14:12; 113, Shelbi Sicking, M, 14:46; 123, Amber Walterscheid, M, 15:01; 148, Kalyn Dangelmayr, M, 17:23.

In the JV Girls division, Lady Knights Alie Fogle came in at 100 with a time of 15:54 and Brianne Sandmann was 129th at 17:09.

In the Boys division, the Lindsay boys place 16th. They were the first 1A school in this division. Several boys ran their personal best (PB) times.

Lindsay individual results are: Travis Block, 54, 18:28, PB; Chance O'Shel, 68, 18:38, PB; John Price, 71, 18:39, PB; Dakota Ellender, 80, 18:54, PB; Josh Timmins, 108, 19:35; Max Beebe, 138, 24:41.

Muenster Hornet Tanner Silmon finished with a time of 21:15. Hornets Garrett Dangelmayr and Austin Creswell ran in the JV division.

The next meet will be the District 17A Meet, which will be held in Lindsay on Monday, Oct. 25. Competing with Muenster and Lindsay will be Era, Valley View, Collinsville, Blue Ridge, Campbell, Celeste, Honey Grove, Ivanhoe, Sam Rayburn, Merit Bland, and Trenton. The first race, Varsity Girls, is to begin at 1:30 p.m. followed by Varsity Boys, Junior Varsity, and Junior High.

JUNIOR VARSITY FOOTBALL

Muenster vs Chico

The Muenster Hornet Junior Varsity football team traveled to Chico last week Thursday for their second game of District play and came out with an exciting 24-20 victory to improve their record to 6-1.

"The Hornets were missing four of their starters Thursday evening, but the replacements stepped up and played very well," noted Coach Trey Gray.

The Hornet offense had to get creative to score four touchdowns, with the last touchdown coming with 30 seconds left in the game to take the lead. Scoring for the Hornets were Clint Sidwell on a 20 yard run, Steven Flusche on a 35 yard hitch and pitch play, Austin Hennigan on a reverse pass play, and Hunter Klement on a one yard quarterback sneak.

The Hornet defense played well in the second half and made some key stops when they needed to.

The Knight offensive line gives Travis Skinner (7) some running room against Collinsville. Lindsay came up short against the Pirates to fall to 1-1 in District.
Kathy Floyd photo

Knights sunk by Pirates, 38-26

The damage was done in the first quarter and a half of the Lindsay Knights' game against the Collinsville Pirates.

With the score 18-0 in the second quarter, Knight lineman Sean Willard was fired up after the Pirates' third touchdown. In a huddle after the Pirates scored their third touchdown of the night, Willard tried to fire his team up as well. He yelled, "Come on, who's ready to play? I'm tired of getting beat."

Seven plays later Garrett Yancey ran 19 yards for the Knights' first touchdown. On their next possession, Travis Skinner took a 59-yard Dawson Holt pass in for the score, but a two-point conversion try did not work. At halftime, the Pirates lead had been cut to five, 18-13.

"We weren't playing to our ability," Willard said. "We needed someone to step up and make a play. We needed to get something going as a team, and we did. We fought back."

Collinsville's David Byrom took the second half opening kickoff 98 yards and with a successful two-point conversion, the Pirates led 26-13.

The Knights answered on their next possession with a drive ending on a 1-yard run by Skinner for the touchdown to bring the score to 26-20.

In the fourth quarter, Collinsville scored another touchdown, but could not complete the two-point conversion, a pattern for the Pirates. With 6:46 left in the game, the Knights drove the ball 60 yards to score on a 2-yard Skinner run, bringing the score as

close as six, 32-26.

But the Pirates' duo of quarterback Cory Ragsdale and running back Chris Carney was a force that was hard to stop. Carney scored the final touchdown with 5:06 left in the game for the 38-26 win.

Highlights for the Knights include two blocked PATs.

Although Lindsay coach Cody Bounds gave the Pirates credit for the size and speed, he said that his team did a few things to help the Pirates in their win.

"They're good, but we just made a lot of mistakes," Bounds said. "We were just a little shell-shocked. We didn't tackle well and we did some things that were uncharacteristic for us. We got the score to 18-13, but then they ran the kickoff back. It was frustrating because we didn't do our job."

Bounds said he would like for the special teams to hold the opponent to the 20 or 25-yard line, and make them work for 70-80 yards.

The Knights will regroup to take on more Pirates this week. The Petrolia Pirates will visit Henry B. Schroeder Knight Field at 7:30 p.m. Friday. Even though the Pirates' are 1-6 overall, and 0-2 in district, Bounds did not count them out.

"Petrolia is good," Bounds said. "They have some athletes. They may have the biggest line in the district." To stay on top of Petrolia, and looking to Muenster and the Kraut Bowl Oct. 29, Bounds said his Knights have to bounce back.

"We've got to get our line back," Bounds said. "We've got a good resilient team and they'll come back."

In District 11 1A, both Petrolia and Chico are 0-2. Lindsay and Valley View are 1-1, and Muenster and Collinsville are 2-0.

Taylor Atkins and Katie Arendt in action against Chico Tuesday night.
Jay Anderle photo

Lady Knights continue to lead District

The Lindsay Lady Knights defeated the Saint Jo Lady Panthers by scores of 23-25, 25-18, 25-12, 25-20.

Lucinda Krahl had 2 aces (AC), 25 assists (A); Taylor Atkins, 5 AC, 12 kills (K), 16 digs (D); Jordan Fleitman, 12 K; Jalyn Anderle, 4 AC, 8 K, 6 blocks (B), 3 D; Kendall McLeod, 2 D, 14 A; Allison Metzler, 14 K, 2 B; Katie Arendt, 4 AC, 9 D; Erin Copeland, 8 D; Elizabeth Wallace, 2 B, 2 D; Taylor Pelzel, 2 B.

The Lady Knights remained undefeated, 8-0, in District play, beating the Chico Lady Dragons by scores of 25-22, 25-27, 25-20, 25-19.

McLeod had 4 D, 21 A; Krahl, 6 D, 18 A; Anderle, 5 AC, 13 K, 8 B, 12 D; Fleitman, 13 K, 5 B, 6 D; Atkins, 13 K, 11 D; Copeland, 11 D; Metzler, 6 K, 3 D; Arendt, 3 AC, 9 D; Pelzel, 3 K, 2 B; Wallace, 3 B.

Young hunters get first shot during special weekend

Instead of sacking up sweets this Halloween, many young Texans will be bagging wild game during the special youth-only hunting weekend, Oct. 30-31. The

Texas Parks and Wildlife Department (TPWD) established youth-only seasons to pass the hunting heritage on to the next generation of hunters, make lasting memories, and to give kids the first shots.

"The youth-only weekend offers a chance to mentor young hunters and can be a valuable management tool on ranches needing to reduce antlerless deer numbers," said Clayton Wolf, TPWD's Wildlife Division director.

TPWD has set aside Oct. 30-31 as special youth-only seasons for white-tailed deer and Rio Grande turkey. A youth-only late season is also available Jan. 3-16, 2011. During the statewide special youth-only hunting weekend, licensed youth 16 years of age or younger will be allowed to harvest white-tailed deer and Rio Grande turkey.

A Special Youth Hunting License (\$7) is required and may be purchased wherever hunting licenses are sold, as well as online and by phone at 1-800-TX-LIC-4U for an additional convenience fee. This year, more than 139,000 special youth hunting licenses have been sold, evidence that hunting continues to be an important pursuit among young Texans.

HELP WANTED

Looking for person to sit with elderly man. Muenster area. 665-1877. 665-1649. Leave message. 10.22-2F

The City of Muenster's Joint Planning and Zoning Commission (The City Council) will hold a Public Hearing on November 2, 2010 at 7:30 pm during the regular City Council meeting. The hearing will be in response to a request to change the zoning from R-1 Single -Family District to B-1 local Business District. The property is located in Block 23 at the intersection of West Third Street and Elm Street, just south of the Muenster City Library. The General Public is welcomed to attend this Public Hearing. The purpose of zoning change is for the possible location of a Child Daycare Center. 10.22-1L

Non-Discrimination Statement
 "The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or a part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). The person responsible for coordination of the organization's nondiscrimination compliance efforts is Alvin M. Fuhrman, CEO. To file a complaint of discrimination write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer." 10.22-1L

LEGAL NOTICES

REQUEST FOR PROPOSALS
 The Muenster Independent School District, Muenster, Texas will receive sealed proposals for the Building Addition to Existing Field House. Proposers are invited to submit individual proposals and shall identify their proposal on the outside of the sealed envelope in the following manner:
Building Addition to Existing Field House Muenster Independent School District Muenster, Texas 76252

The following proposal packages will be received: CBI-01 Site Utilities, CBI-14 Ceramic Tile, CBI-02 Site Excavation, CBI-15 Floor Covering, CBI-03 Termitte Protection, CBI-16 Wood Flooring, CBI-04 Pavement Markings, CBI-17 Painting, CBI-05 Concrete, Paving & Walks, CBI-18 Toilet Partitions/Access, CBI-06 Masonry, CBI-19 Signage (Room, Plaque B.), CBI-07 Miscellaneous Metals, CBI-20 Metal Lockers, CBI-08 Millwork, CBI-21 Fire Extinguisher/Cabinets, CBI-09 Caulking/Sealants, CBI-22 Sports Athletic Equipment, CBI-10 Doors/Frames/Hardware, CBI-23 Pre-Engineered Metal Bldg., CBI-11 Rolling Counter Door/S.G., CBI-24 Plumbing, CBI-12 Glass/Glazing, CBI-25 HVAC, CBI-13 Drywall/Acoustical, CBI-26 Electrical

Proposals will be received at the office of the Superintendent, Muenster I.S.D., 135 E. 7th Street, Muenster, Texas 76252 on:

Thursday, November 11, 2010, 2:00 p.m. CDT
 Proposed forms of contract documents, including plans and specifications are on file and available for inspection at the following locations:
 Construction Manager: Compass Builders, Inc., 536 South Coppell Road, Coppell, TX 75019; Phone: 972-471-0222; Fax: 972-462-9016
 Owner: Muenster I.S.D., 135 E. 7th Street, Muenster, TX 76252; Phone: 940-759-2281; Fax: 940-759-2500
 Architect: W.C. Ferrell, Jr. Architect, P.O. Box 738, Commerce, TX 75429; Phone: 903-886-4945; Fax: 903-886-8641
 McGraw-Hill Plan Room: Dallas; AGC/TEXO & iSqFt Plan Room Partnership

One copy of the documents may be obtained by depositing \$ 200.00 with the Construction Manager, Compass Builders, Inc. Such deposits shall be made payable to Muenster I.S.D. and will be refunded to Proposer who submit a bona fide proposal or return the plans and contract documents in good condition within ten (10) days of the proposal opening, otherwise no refund will be made. Partial sets will not be issued. Proposers and suppliers at cost may purchase additional single complete sets from Compass Builders, Inc. The successful proposer (if over \$ 25,000.00) will be required to furnish and pay for satisfactory payment and performance bonds within five (5) days of presentation of the contract.

Per Section 9. Subsection (b), Section 44.031, Texas Education Code.
(b) Except as provided by this subchapter, in determining to whom to award a contract, the district will consider the following:

1. The purchase price - 40%
2. The reputation of the vendor and of the vendor's goods and services - 25%
3. The quality of the vendor's goods or services - 10%
4. The extent to which the goods or services meets the district's needs - 5%
5. The vendor's past relationship with the district - 10%
6. The total long term cost to the district to acquire the vendor's goods or services -10%

The Owner/Compass Builders, Inc. reserves the right to reject any or all proposals and waive any formalities in the proposal. No proposal shall not be withdrawn for a period of sixty (60) days subsequent to the opening of the proposals without written consent of the Muenster I.S.D.

Note: There will be a Pre-Bid Meeting held at 2:00 p.m. C.D.T. Tuesday, October 26, 2010, at the Muenster I.S.D. Administration Building, 135 East 7th Street, Muenster, Texas 76252. Attendance is Very Highly Encouraged.

Proposals will be received at the office of the Superintendent, Muenster I.S.D., 135 E. 7th Street, Muenster, Texas 76252 on:

Thursday, November 11, 2010, 2:00 p.m. CDT
 Proposed forms of contract documents, including plans and specifications are on file and available for inspection at the following locations:
 Construction Manager: Compass Builders, Inc., 536 South Coppell Road, Coppell, TX 75019; Phone: 972-471-0222; Fax: 972-462-9016
 Owner: Muenster I.S.D., 135 E. 7th Street, Muenster, TX 76252; Phone: 940-759-2281; Fax: 940-759-2500
 Architect: W.C. Ferrell, Jr. Architect, P.O. Box 738, Commerce, TX 75429; Phone: 903-886-4945; Fax: 903-886-8641
 McGraw-Hill Plan Room: Dallas; AGC/TEXO & iSqFt Plan Room Partnership

One copy of the documents may be obtained by depositing \$ 200.00 with the Construction Manager, Compass Builders, Inc. Such deposits shall be made payable to Muenster I.S.D. and will be refunded to Proposer who submit a bona fide proposal or return the plans and contract documents in good condition within ten (10) days of the proposal opening, otherwise no refund will be made. Partial sets will not be issued. Proposers and suppliers at cost may purchase additional single complete sets from Compass Builders, Inc. The successful proposer (if over \$ 25,000.00) will be required to furnish and pay for satisfactory payment and performance bonds within five (5) days of presentation of the contract.

Per Section 9. Subsection (b), Section 44.031, Texas Education Code.
(b) Except as provided by this subchapter, in determining to whom to award a contract, the district will consider the following:

FARM & RANCH

Tx Dept. of Ag market recap

Farm Bureau supports EPA's increase in ethanol blend

The Texas Farm Bureau has endorsed the Environmental Protection Agency's (EPA) approval of E15 (gasoline blended with up to 15% ethanol) for model year 2007 and newer cars and light-duty trucks.

"This is a step toward strengthening America's commitment to home-grown and renewable sources of energy," said Kenneth Dierschke, TFB president. "There is no question this will stretch the available supply of gasoline and improve air quality."

Dierschke said the move is a step toward energy independence. "We know that farmers can produce the raw stocks for energy," he said. "Combined with wind power—which we are already generating, and the potential for solar-liquid biofuels like ethanol can play a significant role in reducing the nation's dependence on foreign oil."

The EPA decision applies to some 43 million vehicles, or about 20% of the current U.S. fleet. A second decision by EPA on the use of E15 in earlier model vehicles will be made after additional testing by the Department of Energy.

In March of last year, Growth Energy and 54 ethanol manufacturers filed a petition with EPA requesting that the ethanol blend cap be increased from 10% to 15%. Farm Bureau and other supporters of renewable energy endorsed that request.

The EPA announcement clears the way for states to begin adjusting state fuel regulations to allow the sale and distribution of E15. Currently, most ethanol is made from corn, but other raw stocks may be used. These include other grains or biomass sources like sorghum, corn cobs, cornstalks, and switchgrass.

EPA's ethanol waiver harmful to Texas ranchers

The Texas and Southwestern Cattle Raisers Association (TSCRA) expressed strong disappointment recently after the Environmental Protection Agency (EPA) announced their intent to grant partial waivers to increase the allowable amount of ethanol in gasoline from 10% to 15%, also known as E15. This increase represents a 50% increase from the current level of 10% ethanol, a jump that will have a negative impact on ranchers and would dramatically increase the cost of livestock production.

"The high level of corn-based ethanol is one of the key factors driving price increases in corn products, including feed for cattle," said Dave Scott, rancher and TSCRA president. "Over the past few years, it has become very clear that putting our food and fuel in competition with one another is bad for cattle producers and consumers."

According to the United States Department of Agriculture (USDA) Economic Research Service (ERS), in 2008, feed costs for livestock, poultry, and dairy reached a record high of \$45.2 billion—an increase of more than \$7 billion over 2007 costs. In 2008, the Congressional Research Service (CRS) released a report that stated that the dramatic increase in livestock production costs were attributed to feed.

"Texas cattle producers support renewable energy and a lessened dependence on foreign oil; however, such an investment should not sacrifice our nation's food supply," Scott continued.

For the week ending Oct. 16, feeder cattle prices at Texas auctions were mostly \$2 to \$5 lower per hundredweight compared to the previous week, with some down as much as \$8. A few locations noted prices \$1 to \$4 higher on a limited number of sales. Prices have declined seasonally, but remain higher than this time last year. The fed cattle market followed wholesale beef prices higher.

Corn and grain sorghum prices continued to rise in response to USDA forecasts for a smaller U.S. crop. Wheat declined as ample global supplies pressured the market. Most of the state recorded little or no rainfall during the week, though parts of East Texas reported as much as two inches of rain with higher amounts in isolated areas. Topsoil moisture was rated mostly short to adequate statewide with very short moisture reported in much of the Plains and East Texas.

Corn was 89% harvested and 99% mature. Grain sorghum was 74% harvested, equal to the average pace, and 94% mature, well ahead of normal. Winter wheat seedings advanced to 73% complete, slightly ahead of normal, and 41% of the acreage has emerged.

County Agent's Report

Projected profit from beef cattle

The Department of Animal Science at Texas A&M publishes "Beef Cattle Browsing" most months during the year. The September issue had several relevant articles concerning profitability of the cow/calf industry. This is a topic that is very pertinent to many people in Cooke County, since USDA estimates that there were 81,588 cattle and calves in the county in 2007.

"Beef Cattle Browsing" reported that CattleFax has released projections for profit from beef cow operations. Looking back, by their estimation, beef cows lost money from 1981 through 1986, made money from 1987 through 1993, lost money from 1994 through 1996, and made money ever since. Highest loss was in 1996 (about \$85) and highest profit it was in 2005 (about \$175). Projections for 2010, 2011, and 2012 are profits of about \$80, \$120, and \$150. Why? Lower cattle numbers and higher exports. Of course, as always, the corn crop will be a significant factor (CattleFax UPDATE, 9/10/10).

Other articles in the same edition show the biggest factor affecting profit in beef cow operations is production cost; those producers who can control their costs, tend to make the most money. Production costs were defined as: feed, pasture, interest, vet medicine/drugs, marketing/breeding, depreciation, machinery, labor, and miscellaneous. "Beef Cattle Browsing" may be accessed at: <http://animal-science.tamu.edu/academics/beef/browsing/index.htm>.

Also, comparisons based on profit per cow may be misleading when comparing herds where cow size, and hence stocking rate, is not the same. The most valid measure of profit, and production, is done on a whole enterprise basis.

Poison ivy

Poison ivy is a plant that is a nuisance for outdoorsmen and homeowners alike. All parts of the plant are toxic and capable of causing skin irritation, yet, not everyone experiences problems. Sensitive individuals, however, must exercise extreme caution if they live in an environment where poison ivy may be present. Encounters

such as running over leaves with the lawnmower, or being touched by pets who may have run through the plants, are enough to cause a reaction and make it necessary to be able to correctly identify and eradicate this pest.

An article in last year's Aggie Horticulture told how washing in strong soap and water, or scrubbing off affected areas with rubbing alcohol may remove much of the sap from the hands, but care must be exercised to avoid spreading the affected areas. There is now a proprietary ointment on the market which may break down the active ingredient in poison ivy (known as 'uroshiolin') if applied within the first hour before blistering and irritation begin.

Poison ivy may differ in appearance from place to place. I have noticed that many people confuse Virginia creeper and poison ivy. Both of these plants grow in forested areas, or in flower beds. When trying to remember which is OK to handle and which is not, use the old bit of folk wisdom, "Leaflets three, let it be." Poison ivy has a grouping of tree leaves, while Virginia creeper has a grouping of five. Of course, when in doubt, handle with extreme care!

A useful tip from Cynthia W. Mueller, a Master Gardener in Galveston County, is that homeowners wishing to pull up suspicious plants should use pliers. While holding the pliers, put a strong plastic bag such as a breadbag over the arm and hand, and uproot the plant. Then, peel off the bag off over your hand. The offending plant will be securely inside the sack, ready to throw away, and there will be no offending sap on the pliers.

Large vines on trees should be cut off both at ground level and again a few inches upwards, to ensure that a complete cut has been made. The base of the cut may be painted with Roundup, brush killer labelled for poison ivy, or another of the glyphosates. Watch for regrowth, and spray again with brush controller as new leaves appear. Take care that contact is not made with poison ivy roots while digging nearby. They are just as potent as the leaves and stems. It may take up to a year or more before the roots stop resprouting, sometime as much as 15 feet from the base of the vine.

Dates to remember

- Oct. 26 - Marketing Club Meeting - Gainesville Farm Bureau Building, 7 p.m.
- Nov. 4 - North Texas Cattlemen's Conference, Myers Park in McKinney; 8-3:30, 3 CEUs.
- Nov. 16 - Fall CEU Update, Landmark Bank Meeting Room in Gainesville; 6 to 9 p.m.

THE NEW GAINESVILLE LIVESTOCK AUCTION, LLC.

Light Weight Steers & Heifers - &1 to \$3 LOWER. Feeder Steers - \$1 to \$3 HIGHER. Feeder Heifers - \$1 to \$3 LOWER. Packer Cows & Bulls - STEADY. Pairs - \$20 to \$40 LOWER. Bred Cows - \$20 to \$50 HIGHER. Sold at Friday's sale OCTOBER 15 were 2,489, compared to 2,592 the previous week. Sold at Tuesday's sale OCTOBER 19 were 287 Goats, 132 Sheep, and 127 Hogs. The numbers from last week were 245 Goats, 43 Sheep, and 169 Hogs. Results follow:
