

Jewel Otto named 2011 Jaycees Outstanding Citizen

By Janet Felderhoff

The Muenster Jaycees organization held its Annual Installation and Awards Banquet on Saturday, March 5 in the Muenster Knights of Columbus Hall. It was an evening for celebrating the accomplishments of the past year and recognizing those who had made exceptional contributions.

Jewel Otto earned the distinction of being named Outstanding Citizen. JCI Senator Wayne Klement announced her as the award recipient.

Leading into the introduction, Klement related some of the award's history. He said it was in 1965 that the Jaycees decided to recognize special citizens of Muenster. They called it the Distinguished Community Service Award and presented it to a citizen they felt went above

and beyond the "call of duty" to make Muenster a better place to live. He noted, "It is presented to individuals who worked many long hours for little distinction and no pay doing volunteer work for the betterment of the community." Klement then named all past recipients.

He said those who have been named Outstanding Citizens are doers and this recipient is no different and fits right in with this illustrious group.

Klement said, "This individual has served the Muenster Museum over 10 years and serves as treasurer; Keep Muenster Beautiful Board seven years; Muenster Public Library, has served as City liaison for approximately 17 years; Muenster Hospital Auxiliary, currently serves as treasurer; City Council 15 years; Tex-

oma Council of Governments Grand Review Committee for Fannin, Grayson, and Cooke counties 15 or more years; Chamber of Commerce as the Germanfest representative. She was instrumental in getting fencing and new asphalt at City Park. Jewel attends KMB meetings and helps with trash pick up for KMB. She was honored as Muenster Chamber Volunteer for 2009 and recently received the O.P. Schnabel Award which recognizes senior citizens in Texas who demonstrate positive, dynamic, and selfless public spirited leadership in enhancing the Texas environment in their lifetime. And recently you saw her and her friend Joe putting Christmas lights around the Muenster Park by themselves."

Jaycee President Tommy Huchton served as master of ceremonies for the evening. He asked all past and present members of the Muenster City Council to stand and be recognized. The City Council has been instrumental through the years in assisting with Jaycee projects such as the ballparks. They received a round of appreciative applause.

Mayor John Pagel welcomed guests. He remarked, "Rather than the welcome, for me personally, I'm more inclined to say thank you. Thank you to all the Muen-

City appoints Marshall as Fire Marshal

By Janet Felderhoff

Muenster will once again have an official City fire marshal. After the need was pointed out last month by Muenster VFD Chief Herbie Knabe, a committee of City Administrator Stan Endres, Aldermen Pat Stelzer and Jack Flusche, and Chief

Knabe began a search for a good candidate. They decided to approach resident Mike Marshall who recently retired from the Dallas Police force.

Marshall agreed to accept the position and to take the required training. Endres said, "Even though Mike

is a retired police officer, he has had a lot of experience in building homes and things. I think he would be a good fire marshal."

Mayor John Pagel inquired as to whether the City had any guidelines for the fire marshal. Endres replied that the code book has some guidelines spelling out what the fire marshal can do as far as investigating fires, subpoenaing people to testify if arson is suspected, etc. There is nothing saying how often inspections must be done.

The position is currently that of an unpaid volunteer. The City would pay training expenses.

Knabe commented, "Being a certified (police) officer and being a fire marshal is a great advantage because he cannot arrest anybody if he's not a peace officer." Endres said that a police officer can give citations, that someone who is just a fire marshal could not.

Endres estimated that there are about 100 businesses to inspect in town.

Marshall received a unanimous 5-0 vote in favor of his appointment to the position.

Mayor Pagel said that the City has a ban against burn-

ing within the City limits. Requests can be made for a variance. "Under the present situation that makes a hardship on our fire chief to say yes or no, you can't" Pagel noted.

Endres said what they are proposing to do is have people wishing to burn within the City limits to contact the City administrator, fire chief, and City fire marshal, and if all are in agreement, they could burn in a controlled manner following State guidelines. If the answer is no, they could then appeal to the City Council.

After some discussion, it was agreed that Endres would write an ordinance for the Council to consider for approval at a future date.

Steve Orr of Orr Construction requested permission to put up a fence that would restrict the use of the alley in Block 53. Pagel explained that Orr is on the west side of the north-south alley. There are three rent houses on the east end of the block. The middle house will be demolished and Orr would like to fence in that area to expand his lot for equipment storage and use. He also wants to fence off the alley on First

ABBA fundraiser offers boot scootin' fun

By Janet Felderhoff

ABBA (All Babies Born Alive) Women's Center 2011 Annual Fundraising Dinner offers a casual evening of fun in support of their cause.

Five-time Grammy nominee Dave Alexander with his Big Texas Western Swing Band, and professional actor, playwright, and author Alex Cord top the evening's entertainment list.

All are invited to slip into boots and jeans for the evening of fun on Saturday, March 19 in the Lindsay Centennial Hall at 6 p.m. Besides the dance, there will be a meal served.

ABBA Director Sandee Feyerise remarked, "What an evening this will be! Where can you enjoy a Grammy nominee world class western swing band, kick your heels up on a dance floor, feast on a lovely catered meal, find the best homemade desserts in the County, go shop in our live or silent auctions, hear a wonderful speaker, and know that you supported one of the most worthwhile charities in the country who save precious babies and help young parents make life affirming decisions? Young mothers and families need our help. This is one evening worth spending with your friends and neighbors so that others may positive life choices.

Two auctions - one live, one silent - provide another donation opportunity.

Live Auction items include a dazzling pair of ladies white gold and diamond earrings appraised at \$3,600.

TCEQ listens to citizens' concerns

By Janet Felderhoff

Residents of an area south of Muenster near CR 341 came to a public hearing Thursday evening to express concerns and see what the Texas Commission on Environmental Quality (TCEQ) could do to alleviate those worries. The source of their concern is an application submitted by J.R. Thompson, Inc. for a proposed quality air permit.

The application is for a rock crushing facility consisting of two crushers and screen and production of 500 tons an hour with operation up to 18 hours a day maximum. Demand would dictate up to how much would actually be processed on a daily basis. The entrance to the site is on the Massengale property on CR 341.

Some were residents who had recently built homes in the area with plans to raise their families in a safe, healthy environment; others had lived many years on property handed down from

another generation.

TCEQ officials conducted the meeting which they said was two-fold: to provide an opportunity to gain information about the application through a question and answer session, and to give comments that will be considered by TCEQ staff when making a decision whether to grant the request.

Questions ranged from what roads would be used for truck traffic, what kind of air quality control would be done at the truck weigh station, how much noise it would cause, if they plan to blast, speed of response to complaints of non compliance, etc.

Worries centered around issues such as impact on health, added danger on the roads with hundreds more trucks added to the approximate 400-450 now traveling those roads, damage to crops and cattle production in the area, drops in property values, and lowered quality of

JAYCEES

.....continued from pg. 1

ster Jaycees past and present. I served as a councilman or mayor for 22 years and through all this time, there has always been a major Jaycee project or Jaycee program, something working together to make Muenster a better community. And for that I very respectfully say thank you and commend all the Muenster Jaycees."

Huchton spoke of the Key Man Award. It is voted on by all members of the group who call it Mr. Jaycee. "It is a privilege to get this award because there are quite a few involved and it's close every year," Huchton explained. Christ Dangelmayr received the Key Man honor.

Outstanding Chairman is also voted on by the entire Jaycee group. "The Club votes on who they thought was the Outstanding Chairman. It doesn't matter how big or how small the project," Huchton said. Darren Bindel was the recipient.

Huchton said it was tough this year selecting the Jaycee he felt deserved President's Partner. It is someone who is there when you need them, a phone call away, helps you do whatever you need to do when you need to do it," said Huchton. "I had

a hard time picking it this year. This year's Partner is Josh Walterscheid."

JCI Senator Willie Fisher installed the 2011 officers. Serving this year are President Josh Walterscheid, First Vice-President Toby Walterscheid, Second Vice-President Brian Hermes, Secretary Nolan Hartman, Treasurer Troy Huchton, Fifth Thursday Chairmen Justin Hartman and Lucas Hartman. Directors are Tanner Herr, Chris Klement, Woody Peele, Tony Hartman, Jared Flusche, and Adam Deweber. Jody Felderhoff serves as State director.

Outgoing President Huchton gave his remarks. He completed his third consecutive term as president and served as secretary and treasurer prior to that. He noted that during his presidency the north baseball field has been made usable for high school baseball, they have begun on practice soccer and baseball fields, and completed a batting cage.

"Our baseball complex is something to be really proud of; most of the work was done by volunteers," remarked Huchton. "It is nice facility due to the generous donations."

"I have been honored serv-

ing as president for a great group of guys. These Jaycee members all put forth 110% when we have projects in the works. You could call any one of them and they would be there to help. We live in such a great community; we have wonderful support from all the local merchants, which makes our dreams come true."

Newly installed President Walterscheid congratulated Chris, Darren, and Jewel for everything they have done over the last year to better the community. "It is people like you who make Muenster what it is," he commented. "I hope to carry on the tradition of what the Jaycees have been and hopefully will continue to be in Muenster."

The event opened with the Pledge of Allegiance led by Tony Hartman. Justin Hartman gave the invocation. It closed with the Jaycee Creed led by Jody Felderhoff.

In 2010, the Jaycees donated a total of \$94,100 to various projects and needs in the community. Various organizations/charities/schools received \$9,600; needy families/trust funds \$9,000; Little League/Coach Pitch \$3,500; and new baseball park \$72,000.

MARSHAL

.....continued from pg. 1

Street to expand the yard in that direction.

Endres said that both remaining houses would have access to come and go.

Fencing the alley is a temporary request and would open again after Orr no longer leases the lots.

Fire Chief Knabe expressed concern about access in case of fire into the building inside the lot. The City and police department have keys and would make them available to the fire department.

The City approved temporary use of the alley to Orr Construction with the agreement to get a key to the local fire department and give a written agreement.

Discussion was held concerning criteria for establishing Tax Abatement in the City. In the past, three businesses were granted tax abatements. Those were Muenster Mill, Rumber, and Universal Machining.

The current criteria includes having at least \$1 million in capitol expenditures and/or a minimum of \$500,000 capitol expenditures and the remaining \$500,000 being made up of employees credited at \$30,000 per employee. There are also guidelines that must be included in the application for an abatement. A public hearing must also take place prior to granting the tax abatement.

The Council adopted a resolution indicating that it elects to become eligible to participate in tax abatements and establishes guidelines of criteria governing the tax abatement agreements.

A letter from Giles Walterscheid requested that the City declare his property a reinvestment zone and consider it for tax abatement. The Council set a public hearing on the request for 7 p.m. on April 4 prior to the April Council meeting.

Administrator Endres, Mayor Pagel, and Alderman Greg Bohl accepted the task of devising a plan for tax abatements. Bohl plans to contact other cities to make sure that Muenster is in line with them in what is offered. Mayor Pagel hopes to have a proposal ready for the April meeting.

Mike Doty and Jason Cottongame with Countywide

Inspection Services sought a contract with the City to provide building inspections. Doty is a former employee of Bureau Veritas, the firm currently contracted to provide the inspections. He noted that Countywide offered a contract with fees about 20% lower than Veritas and would review the plans locally.

Mayor Pagel said that the cities of Saint Jo, Lindsay, Aubrey, and others have transferred to Countywide. The contract with Veritas can be canceled with a 90 day notice.

The Council voted to cancel its contract with Bureau Veritas and then voted to adopt the contract agreement with Countywide.

Auditor Steve Gilland presented the City's audit report for the last fiscal year. It was an unqualified or clean report. He found no compliance issues or material weaknesses. The Council unanimously adopted the report.

In the Administrator's report, Endres produced a breakdown of expenses anticipated for the installation of the bridge in the City Park. An anticipated \$15,000 would be spent for clearing

brush, a cement floor for the bridge, guide rails, welding on the bridge, dozer work, and bridging of Bermuda grass.

Endres reported three water leaks in February, one of which was major.

There are three positions on the City Council with terms expiring this May. That of Mayor, Place 3 held by Joey Anderson, and Place 5 held by Jack Flusche. Flusche filed for another term, Anderson filed for the Mayor position, and Bob Bauer and Tim Felderhoff filed for Place 3. Applications for the positions may be filed until the close of business on Monday, March 14.

In other business, the City Council:

- Held the second reading of the resolutions authorizing the Muenster Industrial Development Committee to borrow funds for water and sewer system improvements. The Council voted unanimously to accept the resolution.
- Approved payment of bills totaling \$115,970.16.
- Heard annual Racial Profiling Report presented by Police Chief Bob Stovall.

ABBA

.....continued from pg. 1

a beautiful gold man's ring with double horseshoes in diamonds valued at \$1,400, a stunning white gold, diamonds and large blue topaz ring appraised at \$960, an original painting by Sherri Alexander that is scheduled for a limited edition number of giclee prints that will be a church scene, and a party package deal for a large group at Fleitman's Party Barn in Lindsay with BBQ and all the trimmings.

Some large, beautifully themed gift baskets for Spring were assembled by Stacie Miller and Beverly Furhmann, registered nurses who are sonographers for ABBA Women's Center. These are very special, along many other surprises including children's gift items, household items, men's bas-

kets, and something anyone would enjoy.

Tickets are on sale now for \$25 per person at ABBA Women's Center or through Board members and some volunteers.

Sponsors are welcome and they are still receiving auc-

tion items for the silent auction. Drop your donations by the ABBA Women's Center offices at 214 N. Taylor and E. Broadway in Gainesville, weekdays except Thursdays from 10 a.m. to 4 p.m., or call (940) 668-6391 for more information.

Your Locally Owned Bank that has continuously served and supported the individuals, organizations, schools and businesses of Muenster and the surrounding area since 1923. ~ "Where others have their branches, we have our roots."

Mass of Christian Burial for Betty Virginia Pautler of Muenster was held Monday, March 7, at Sacred Heart Catholic Church in Muenster, with Fr. Ken Robinson celebrating the Mass. Burial was in Sacred Heart Cemetery. A Rosary, led by Imelda Rohmer, was held Sunday, March 6 at the funeral home.

Betty died at the age of 87 at 12:55 a.m. on Friday, March 4 in a Wichita Falls hospital. Born Oct. 19, 1923 in Olney, Illinois, she was one of six daughters and one son born to Theodore and Grace Gerber Miller. Betty married Alfons Pautler on Oct. 26, 1941 in Gainesville. They lived in Muenster since 1946 until his death. Betty then continued living in Muenster. Alfons died Nov. 7, 1982.

Betty was a lab technician for AMPI, worked at Kountry Korner, Hofbauer's, Rohmer's Restaurant, and was a homemaker. She was a sweet, lovely lady, who enjoyed her friends and loved working in her yard. She was a lifetime member of the Catholic faith and a member of Sacred Heart since 1946. People who knew her always looked forward to her kind expressions. She always had something good to say about anyone or anything.

Betty offered much of her time and money to the Muenster community. She assisted in the progress of the Muenster Library and the Sacred Heart School by giving time and material things.

Survivors include her sisters Barbara Miller and Doris L. Cavalieri, both of Spring Hill, Florida; two grandchildren and three great-grandchildren; sister-in-law Julia Cunningham of Muenster; and several nieces, nephews, cousins, and friends.

She was preceded in death by her husband; son Roger Pautler; sisters Kathlyn Aury, Pauline Conner, and Marie Faugle; brother Theodore Miller, Jr.; and her parents.

Pallbearers were Willie Romo, Harold Owen, Bill Laux, Gene Owen, Tony Cunningham, and Michael Cunningham. Honorary pallbearers were Jimmy Pautler,

Betty Pautler

Perry Owen, Steven Owen, and Tommy Joe Laux.

Assisting during the funeral Mass were altar servers Sylvan Walterscheid and Alvin Hartman. The First Reading was given by Dolores Hofbauer. Rev. Ralph Gourley gave the Second Reading. The Petitions were read by Gene Yosten. The Offertory Gifts were brought to the altar by Janet Cunningham and Girlie Romo. Eucharistic ministers were Frances Bayer, Joan Hartman, Theresa Mae Walterscheid, and Harold and Jeanine Flusche.

Music ministers were Christy Hesse, singer, and Linda Flusche, organist. Songs included "How Great Thou Art," "The Lord Is My Light and My Salvation," "Only In God," "Hail Mary, Gentle Woman," "Songs of the Angels," and "We Walk By Faith."

During his homily, Fr. Ken mentioned that while Betty was a quiet woman, she was always thinking of how she could serve and love others, and that she was the first person in Muenster to come to the rectory and welcome him after his arrival here. Rev. Ralph Gourley, in his remarks of remembrance, spoke of what a great example Betty was, as she exemplified following Jesus' call to serve and love others. He also said what a wonderful neighbor she was.

Memorials may be made to the American Diabetes Association.

Charles Stoffels
1928 - 2011

Mass of Christian Burial was held for Charles Anton Stoffels in St. Peter's Centennial Hall in Lindsay on Wednesday, March 2, with Father Raymond McDaniel, pastor, officiating. Burial followed in St. Peter's Cemetery.

Charles died peacefully at the age of 82 in Renaissance Care Center in Gainesville on Sunday, Feb. 27, 2011, surrounded by his family.

Born northwest of Lindsay, in the Van Slyke Community on June 15, 1928 to Henry and Sophie Angerer Stoffels, Charles grew up on several farms in the Lindsay/Muenster area as his father rented from local land owners. He attended school at Hayes School, Van Slyke School, and Sacred Heart Catholic School.

On Nov. 25, 1952, Charles married Elizabeth "Betty" Ann Bengfort in St. Peter's Catholic Church in Lindsay. He farmed and carpentered in Cooke County until joining the Carpenters' Union in Denton. He worked on numerous high rise buildings in the Metrolplex, retiring in 1990.

Charles enjoyed many hobbies including fishing, farming, and livestock, biking and hiking. He was a member of St. Peter's Society and a long-time member of the Knights of Columbus.

Survivors are his wife; daughters and sons-in-law Charlotte and Bill Winter and Katie and Bill Felderhoff; sons and daughters-in-law Randy and Janice Stoffels, Bob and Pauline Stoffels, Tim and Sabrina Stoffels, and Stan and Stephanie Stoffels; grandchildren Jeff and Jessica Sicking and great-grandson William, Justin Sicking, Kim and Jay Ruebel and great-granddaughters Gracie and Norah, Kassie and Billy Carnley and great-granddaughter Addyson, Stephanie Stoffels, Chad Stoffels, Cheryl and Luke Vaughan and great-granddaughter Camille, Kelli Stoffels, Emily Stoffels, Sarah Stoffels, Savannah Stoffels, Sabrina Stoffels, Sean Stoffels, Keri

Charles Stoffels

and Shay Crawford and great-grandchildren Preston, Carson, and Brailynn, Brad Felderhoff, Chelsea Felderhoff, Jenna Felderhoff and Billy Felderhoff, Jr.; sisters and brothers-in-law Lucy Westbrook, Emma and Richard White, Clara and Erwin Fuhrmann, and brother William "Bill" Stoffels; and numerous nieces and nephews.

He was preceded in death by his parents; brothers and sisters-in-law Peter and Catherine Stoffels, Henry and Mary Stoffels, and Joy Stoffels; and sisters and brothers-in-law Sarah and Frank DeFrance and Rose Marie and Hubert Schrodes. Siblings who died during infancy were Helen, Charles Albert, and Angelina Annie Stoffels.

Rosary and visitation were held Tuesday, March 1.

Assisting during the funeral Mass were altar servers Sean Stoffels and Billy Felderhoff, Jr., grandsons, Travis Whitcraft, great-nephew, and Matthew Block. Sabrina Stoffels gave the First Reading. The Responsorial Psalm was given by Sarah Stoffels. The Second Reading was read by Kelli Stoffels. Jenna Felderhoff did Prayers of the Faithful. Offertory Gifts were brought up by Stephanie Stoffels, Keri Crawford, Savannah Stoffels, and Emily Stoffels. Eucharistic ministers were Stan Stoffels, Randy Stoffels, Brenda

Fuhrmann, Debbie Sandmann, and Joe Bezner, Sr.

Music ministers were Christy Hesse (who sang on the CD that Charles recorded), and nieces Karen Davis, Barbara Rohmer, Martha Sicking, and Laura Neusch, and pianist Pat Hennigan. Sacred songs included "Amazing Grace," "Just A Closer Walk With Thee," "On Eagles Wings," "Ave Maria," "Song of Farewell," and "How Great Thou Art."

Grandson Jeff Sicking gave the eulogy. He said, in part, "Dad believed that idleness was the devil's workshop so he always made sure his kids had plenty of work to do... He also believed in relaxing and enjoying life. Just about every Sunday with warm weather he would take the kids fishing..."

"Dad was always able to bear a lot of pain without complaining; therefore, anytime we kids were hurt he

would say 'Offer it up to the Lord, remember what He endured for you.'

"Charles was a beautiful whistler. When we heard Dad whistling...we knew that things were right in the world... Dad recorded a CD titled 'The Whistler' that contained 10 hymns..."

Granddaughter Chelsea Felderhoff read a poem "Heaven Awaits Me," that was written by Katie Felderhoff, his daughter.

Pallbearers were grandsons and grandson-in-law Jeff Sicking, Justin Sicking, Chad Stoffels, Brad Felderhoff, Luke Vaughan, and Shay Crawford. Each wore a tie that belonged to Charles that was special to them.

Donations may be made to St. Peter's Catholic Church Restoration Fund, P.O. Box 148, Lindsay, TX 76250 or Home Hospice of Cooke County, P.O. Box 936, Gainesville, TX 76240.

TCEQcontinued from pg. 1

Michelle Sandmann noted, "We bought this land. We built a house to raise our kids there to have that nice environment in the fresh air, and this will change our quality of living. I'm concerned about how it will affect our health. I'm concerned about how it will affect our land, our property."

Thompson stated that he has worked with county commissioners in the past to help maintain the roads they travel and he would be willing to work with the commissioners in this situation.

Thompson said he could not say how many trucks would come and go in a day's time. One resident did math that said it could be as many as 450 if the operation was going at its maximum allowed operation.

Herbie Sicking spoke of his concern over the hundreds of trucks the rock crusher would have going up and down the roads in that area. He remarked, "You are going to keep eyes on the crusher, but what about all these people's pastures covered up with white, chalk dust?" TCEQ staff reminded him

that they only have regulations over the crusher site, but not over the roads or road traffic.

When Sandmann told Thompson that she felt his proposed business would be ruining their homes, he responded, "I want to be a good neighbor. I live here also. My family has been in Cooke County since '48. I'm not operating out of an office in Dallas. I want to be a good neighbor. We strive to be a good neighbor. We'll do everything we can not to be any more intrusive than we have to be."

Many did not speak, but had submitted written statements to be considered by the TCEQ commissioners who are charged with deciding the case.

Besides the residents in attendance, Cooke County Judge John Roane, Precinct #3 Commissioner Al Smith, and Precinct #4 Commissioner Leon Klement sat in on the hearing.

The written and verbal statements given will go before the TCEQ Commissioners. Responses will be mailed to all interested in the case who provided their mailing information.

KEEP MUENSTER BEAUTIFUL YARD OF THE MONTH FOR FEBRUARY was awarded to Greg and Melody Rohmer who live at 640 N. Ash Street. Their yard was nominated for always having a neat and orderly appearance. The lawn is planted with St. Augustine grass. Shrubs gracing the front of the home include dwarf nandina, dwarf yaupons, yaupon hollies, and English hawthorns. Containers set on each side of the front steps are planted with a manicured cedar bush and colorful pansies. Trees in the landscape design are redbud, live oak, Japanese persimmon, cedar elm, and lacebark elm. Caring for the yard is a chore the family shares. Pictured are, from left, back - Melody and Greg, and front - daughters Adrien and Megan.

Applicants sought for Bright Scholarship

The Muenster Memorial Hospital District David M. Bright Memorial Scholarship applications are now available. The scholarship to be awarded this year will be \$2,000.

It is open to any high school senior or adult who is pursuing a career in medicine or a medically related field or service, who resides in the Muenster Hospital

District. A high school senior must have completed all four years of high school in the Hospital District. An adult must have lived in the District for at least five years. Any person who is receiving the valedictorian or salutatorian position from the prospective school will not be eligible for this scholarship. Previous winners may apply again.

Applications are available at Muenster High School, Sacred Heart School, Muenster Memorial Hospital, or the *Muenster Enterprise*.

The deadline for the application is May 6, 2011. Applications may be turned in to the Hospital at any time prior to that date.

A child seldom needs a good talking to as a good listening to.

Toastmasters to meet March 14

The next meeting of the Toastmasters exploratory group for Cooke County will be held Monday, March 14, at 5 p.m. in the Classrooms at North Texas Medical Center in Gainesville.

If you have thought about becoming a better speaker, or if you are a new speaker; if you are afraid to stand up

in front of people and want to learn how to overcome that fear; or if you are looking for a skill that will help you improve your chances for advancement, Toastmasters may be for you.

Clubs have a pre-determined format and have dozens of speaking opportunities

at each meeting. From small one-minute moments to 5-10 minute prepared speeches, there are growth opportunities for everyone.

For more information on the local Toastmasters group or meeting, call Sue Newhouse, at 940-612-8827, Orland Woodard, 612-8132, or Julie Phillips, 612-8362

DAYS GONE BY.....

65 YEARS AGO

March 8, 1946
Ed Rohmer and his truck and trailer load of wheat have narrow escape when a bridge gave way on a side road in Oklahoma. Donald Walterscheid has his tonsils removed. John Rohmer gets surprise party on his 60th. New Arrivals: Jeannine to Andy and Rose Hofbauer; Richard to Andrew and Tillie Schoech; Jimmie Joe to the John Ezells.

50 YEARS AGO

March 10, 1961

The Fred Knabes road tested their new Ford on a

weekend trip to Archer City. Surprise housewarming is given for Marty and Gloria Becker. New Arrival: Michelle to Gene and Polly Pelzel. Making the honor roll at Subiaco are Robert Fetsch, Tommy Mosman, Dickie Schoech, Charles Sicking, and Tommy Zimmerer.

25 YEARS AGO

March 7, 1986
City Council hears complaints from residents about the dust on Ash Street; they asked for pavement or to close the road. Top spellers in the annual Spelling

Bee at Sacred Heart were winner Kimberley Cler and runner-up Helmuth Koelzer; and at Muenster Public were winner Chelby Schoppa and runner-up Amy Hoenig. Obituary: Nicole Ivers, age 7. Agnes Seyler honored on 85th. New Arrivals: Kristina to Monte and Natalie Wimmer; Noah to Doyle and Debbie Hess; Maris to Monty and Yonna Moore; Lindy to the Dennis and Ruby Stewart. R.N. Fette remains confined at home, convalescing after 27 days of hospitalization. College Graduate: Annette Gruber, NTSU.

Walterscheid selected president of Region II FCCLA

Brooke Walterscheid

Muenster FCCLA members recently participated in the Region II Leadership Meeting in Granbury, March 1-3. Five teams prepared for STAR event competitions resulting in three teams advancing to State competition April 14-15 in Houston.

STAR event teams and team members are: Chapter Showcase Display - Llogan Cheaney, Brianna Klement, Alley Trubenbach; Life Event Planning - Kalyn Dangelmayr, Lauren Rohmer; Chapter Showcase Manual - Jill Magee, Sadie Stoffels; Chapter Service Project Manual - Tori Dyess, Olivia Haverkamp; Focus On Children, Jr. - Sydney Huchton, Adrien Rohmer. Chapter Showcase Display, Chapter Showcase Manual, and Focus on Children teams will compete at State.

Briana Bindel, senior member and officer of Muenster FCCLA, was performing duties in STAR event competition as a timer in Focus on Children. Region II VP of Public Relations Hannah Weger performed duties as Regional officer by coordinating a team of FCCLA delegates including Paige Morgan and Shelby Simpson of Muenster FCCLA, as the Connection Team for the

meeting. The students shot over 600 digital photos of events throughout the two days and then reported back to Hannah where she then created an extensive slide show with music for the 2nd general session. Hannah also assisted with the House of Delegates session where officer candidate Brooke Walterscheid competed for a position as officer for 2011-12. There were 28 candidates from schools of all classifications for the 17 positions. The voting process included presenting a speech for voting delegates, answering fact questions about the organization, and an impromptu thought question.

After the votes were counted, the elected officers were interviewed by Mrs. Geneva Day, Region II and III advisor, a member of the Texas FCCLA Board and the National President, Ravi Karia of Region II to determine their office for next year.

The new slate of officers was announced Wednesday evening at the first general session, revealing that Muenster FCCLA member and officer Brooke Walterscheid had been chosen for president of Region II for 2011-12.

Hannah and Brooke each participated in the final closing installation ceremony in which outgoing female officers were dressed in formal white dresses. Each officer gave a farewell speech during the installation ceremony of new officers.

After receiving the gavel from the 2010-11 president and presenting an acceptance speech, Brooke concluded the meeting by reciting the creed with all FCCLA delegates.

Newly elected Region II FCCLA President Brooke Walterscheid receives the 2011-12 Officers Notebook. MISD photo

Walterscheid's art on display in State Capitol

Youth Art Month is an annual observance held each March in the state of Texas to emphasize the value of art education for all children and to encourage support for youth school art programs. Youth Art Month is the single most important observance to advocate the strength of Texas visual art programs. This year, 50 years of Youth Art Month in Texas is celebrated.

Muenster High School student Brooke Walterscheid's artwork entitled, "Still Life With a Different Perspective" was recently displayed in the State Capitol building in Austin as a part of the State's Youth Art Month Celebration. Brooke received an award and recognition on Sunday, March 6 in Austin along with students from all over Texas.

Brooke's parents Bret and Kimberly Walterscheid, and brother Dean of Muenster, as well as Gynell Oppermann, Art teacher at Muenster High School, and her family.

Brooke's work was among 100 works of art chosen from schools all over Texas. Other Muenster students whose artwork was entered in the competition were Kayla Acuna, 11th grade, and Noel Rodriguez, 8th grade.

Muenster ISD observed National Youth Art Month in conjunction with the annual Open House held on Tuesday, March 8. The annual Arts and Crafts Show was held in the new gym, with the display containing Visual Art entries along with entries of food, Industrial Arts projects, crafts, clothing, and other miscellaneous items of artistic merit.

A glass of milk before bed still good advice

Keeping stress levels in check is an important tool for overall health and wellness. Numerous studies have shown that people who

are constantly stressed are also more vulnerable to everything from colds to heart disease.

Bernadette Latson, a clinical

nutritionist at UT Southwestern Medical Center, says the best way to address stress, particularly for office workers, is to get away from

the computer monitor and take a brief walk or stretch break.

Incorporating stress-fighting foods into your daily diet can also help.

"A bowl of warm oatmeal will boost a calming brain chemical known as serotonin, while foods rich in omega-3 fatty acids will help keep the stress hormones cortisol and adrenaline in check," says Ms. Latson, a registered dietitian.

Other stress-fighting foods Ms. Latson suggests:

- A glass of skim or low-fat milk before bed can help reduce tension and anxiety.
- Oranges, rich in vitamin C, strengthen the immune system and reduce stress hormone levels.

March is National Nutrition Month.

Hannah Weger, 2010-11 vice president of Public Relations, shown at left, and two other FCCLA Region II outgoing officers after Installation Ceremony. MISD photo

SHCS strives to help Heifer International

Each Friday a collection is taken during the 8 a.m. Mass at Sacred Heart Catholic Church with the money designated to some good charitable cause. So far this year, the January collections went to ABBA (All Babies Born Alive). The total amount collected was \$325.95. In February, the collections went to SH Food Pantry/Outreach and that total was \$457.01.

The March 11 - April 2011 collections are designated to go to Heifer International (www.heifer.org).

Heifer International is a global nonprofit with a proven solution to ending hunger and poverty in a sustainable way. Heifer helps empower millions of families to lift them out of poverty and hunger to self-reliance through gifts of livestock, seeds, and trees, and extensive training, which provide

a multiplying source of food and income.

Heifer's mission is to end hunger. They provide cows, goats, water buffalo, and other livestock - 28 animals in total - in values-based community development projects involving hundreds of thousands of people in more than 50 countries, including the United States.

Each animal provides benefits such as milk, eggs, wool, and manure for fertilizer, providing families not only better and more secure sources of nutrition, but access to income to help secure education, health care, and better housing.

Heifer has received numerous awards and recognitions, including the prestigious Conrad Hilton Humanitarian Prize and citations from Presidents Ronald Reagan and George H.W. Bush.

Muenster Memorial Hospital Rehabilitation Program

The NuStep is a recumbent cross trainer that provides upper and lower body strengthening and endurance through a stepping action. The cross trainer is ergonomically designed to minimize joint stress on the lower body and back. This machine is a great tool to get you stepping down the road to recovery at MMH whether you are recovering from an orthopedic surgery, cardiac event, or other illness.

Our Swing Bed Program patients are already benefiting from the awesome new Functional Innovative Therapy (FIT) Center.

Therapists provide Occupational Therapy, Physical Therapy, and Speech Therapy

Educator Spotlight

Molly Sicking - Muenster ISD

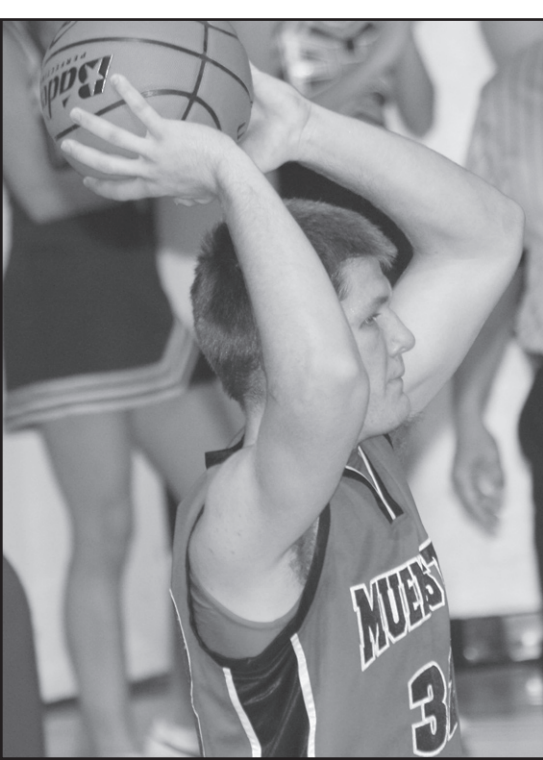

Molly Sicking is completing her 14th year as a teacher, with the last 8 here at MHS. She teaches Biology, AP Biology, Anatomy, and Physiology. Molly wants her students to be successful in the science classroom. She knows the importance of science in a person's life, and is thrilled when former students return to tell her how their studies in high school science helped them succeed in college or a career. Molly coaches UIL and TMSCA Science. She also serves on the Student Health Advisory Committee and the District Improvement Committee. Molly has been recognized by her peers for her outstanding work by twice being named Teacher of the Year and Teacher of the Month. Thanks for the outstanding job you do for the kids at MHS!

ON THE MONDAY NEXT FOLLOWING THE EXPIRATION OF TWENTY DAYS AFTER YOU WERE SERVED THIS CITATION AND PETITION, A DEFAULT JUDGMENT MAY BE TAKEN AGAINST YOU.
 You are hereby commanded to appear by filing a written answer to the Amended petition of plaintiff at or before 10 o'clock a.m. of the Monday next after the expiration of forty-two days after the date of service of this citation before the Honorable 235TH JUDICIAL DISTRICT, Cooke County, Texas, at the courthouse in the city of Gainesville, Texas.
 Said Amended petition was filed in said court, on the 9th day of March, 2011 in cause number CV11-00005 on the docket of said court and styled: V&H OIL, L.P. vs. SAM TULLOS PAYNE, JALIE ANN PAYNE, LUCINDA ELIZABETH CALHOUN, ROBERT G. PAYNE, RANDOLPH L. PAYNE, JOHN B. PAYNE, H. H. PAYNE, SAM TULLOS PAYNE, JR., SARAH EDNA PAYNE AND THEIR UNKNOWN HEIRS
 The nature of this cause is to appoint a receiver to execute an oil and gas lease.
 The officer executing this citation shall promptly served the same according to requirements of law, and mandates thereof, and make due return as the law directs.
 Issued and given under my hand and seal of said court at Gainesville, Cooke County, Texas this the 09th day of March, 2011.

Feral hog ownership often a surprise to landowners

Landowners who are frustrated with the damage feral hogs are doing to their property may be surprised to know who actually "owns" the problem, said Texas AgriLife Extension Service experts.

Each year, feral hogs cause millions of dollars in damage to crops and property throughout the state. But feral hogs are essentially the property of the landowner, according to state codes.

Jim Cathey, an AgriLife Extension wildlife ecology specialist in College Station, said feral hogs originated from domestic species and were first introduced into the U.S. by early explorers and settlers as a food source. Escapes and intentional releases of the formerly domestic animals over the centuries have resulted in a free-ranging feral hog population in Texas estimated at between one and four million.

"Feral hogs are not a game or non-game species in Texas," Cathey explained. "Instead, they are considered 'exotic livestock' as described in both Texas Parks and Wildlife and Texas Agriculture codes."

He said due to this distinction, feral hogs fall under the "ownership" of the landowner and not the citizens of the state, which means the landowner is primarily responsible for managing feral hogs on his or her property.

"It is not surprising that landowners are fed up with feral hogs," Cathey said. "Damage to the agricultural industry in Texas is estimated at \$52 million annually according to our agency."

Fecal material from feral hogs can also be a source of pollution and contribute to bacteria and nitrogen levels if the waste enters the creek either directly or from storm water. Their aggressive root-

ing can cause serious damage to croplands and grasslands pretty quickly, and this rooting also can contribute to soil erosion in the watershed.

"Landowners or their agents are allowed to kill feral hogs on their property without a hunting license if feral hogs are causing depredation to the land," said Jared Timmons, AgriLife Extension assistant addressing feral hog issues. "However, it is a good idea for them to have a hunting license if they also plan to trap or snare feral hogs, as these activities could affect other native wildlife species."

Timmons added that a Texas hunting license is required for people hunting feral hogs for trophies or food, and that the Texas Parks and Wildlife Department outlines these requirements in its annual hunting and fishing regulations publication, the Outdoor Annual.

"It's important to read and understand all the regulations," Timmons said, "but a hunting license permits use of firearms, snaring, and trapping in the fight against feral hogs."

He added that exotic species, including feral hogs, may be hunted throughout the year and that there is no closed season or bag limit.

"Feral hogs may be hunted at night with the use of a spotlight, but it is a good idea to provide a courtesy call to your local game warden to let them know where and when you will be hunting," Timmons said.

County Agent's Report TDA market recap

Timing herbicide application

Weeds are often a problem in North Texas pastures - just like they are everywhere! Controlling weeds is important if your goal is pasture productivity or simply improving the pasture's appearance. Their management is a huge concern. Of course, there are different ways to manage weeds. These include: biologic control, cultural control, and chemical control. Chemical control is probably the most common way to eliminate weeds. With this in mind, remember that timing of application is critical.

We know that the warm season plants begin to grow once spring arrives. The soil warms up and either seeds germinate or roots break dormancy.

Because this is a fact, we will often use only the calendar as a guide for implementation of weed control practices. Remember that a few variables are important to take into account in order to make certain that our labor and money is well spent.

Most importantly, we need to be certain that weeds are present. Either cold or dry weather could delay the development of the weed. Sometimes the calendar may indicate that the weeds should be there, but they haven't gotten started just yet, or maybe the weed pressure just won't justify the use of control this year.

Another concern is that environmental conditions are good for control.

Once again, dry conditions will often create problems for effective management. Weeds are most easily controlled with high humidity and high temperatures; basically the better the conditions

for the weed to grow, the more effective herbicide can be.

Also, knowing the identity of the weed you are trying to control is important. First, this helps you to choose a chemical that is effective on the particular weed in question. Also, it could make a difference in the timing of the herbicide application. Annual weeds are most easily controlled when they are very young, yet perennials are best controlled when they have spent the majority of their stored energy to develop a bloom or a flower.

Finally, as weeds mature they will pass the optimum growth stage for control. When this happens, herbicide effectiveness is greatly reduced.

Carefully read the label of different recommendations concerning the rate of herbicide to use, or the type of additives that may need to be mixed with the chemical to make it more effective. Waiting too long to apply herbicide allows weeds to produce seed, compete with desirable plants, and reduces kill.

Dates to remember
March 22 - Cooke County Marketing Club Meeting, Cooke County Farm Bureau Building, 7 pm.

March 25 - Quail Appreciation Day (Quail Education and Tour) Mt. Springs Area, 8:30 - 4:00, RSVP (940) 668-5412.

For the week ending March 5, feeder cattle prices at Texas auctions were mostly steady to \$10 higher per hundredweight. Tight supplies and higher fed cattle continue to support the market. Fed cattle prices followed wholesale beef values higher.

Increasingly tight supplies and higher crude oil markets pushed grain prices higher. Continued dry conditions on the U.S. Plains added to the increase for wheat.

As for futures markets, feeder cattle, fed cattle, cotton, wheat, corn, and lumber were higher for the week.

Little precipitation was recorded anywhere in the state during the week with amounts generally less than a quarter-inch. The wheat crop and pastures remain in mostly fair to very poor condition because of the dry weather.

Spring planting is underway in many areas, but moisture is needed for crops to germinate. Corn was 14% planted, well ahead of 6% at this time last year and equal to the five-year average. Grain sorghum was 16% planted, compared to only 3% a year ago and 8% on average.

Grass fires remained a problem, with continued high fire risk due to the extremely dry conditions and high winds.

Brazil expecting record soybean harvest

The production and exports of soybeans in Brazil is pointing toward record numbers for 2011 due to healthy amounts of rain strengthening the development of the plants, Bloomberg reports, citing information gleaned from *Oil World*.

The South American nation's soybean production could reach as high as 71 million metric tons, an increase from last year's record of 68.7 million tons. Exports of the commodity might increase 13% to 33 million tons, which also would mark an all-time high. "The Brazilian soybean crop is in excellent shape almost everywhere and initial harvesting resulted in very high yields," according to *Oil World*.

U.S. beef exports top \$4 billion

U.S. beef exports reached an all-time high at \$4.08 billion in 2010, more than 5% higher than the previous export record set in 2003—according to experts from the Cattlemen's Beef Board. American cattle producers generated 2.35 billion pounds of beef for export last year, up 19% from 2009.

"We knew the groundwork was in place for an excellent recovery in 2010," said Philip Seng, president and CEO of the U.S. Meat Export Federation (USMEF). "But even the most optimistic forecasts underestimated the degree to which our beef exports would bounce back. Increasing beef export value by almost one-third, and nearly \$1 billion, is a critical achievement for

the U.S. beef industry and a substantial boost for U.S. producers."

Increases in beef exports to Canada, Japan, South Korea, Russia and other Asian and European countries drove growth in both volume and export value.

Lady Hornets bring home the Bronze

In a return trip to the State Championship Final Four Conference 1A, Div. II girls playoffs, the #3 ranked Muenster Lady Hornets out of Region II were matched up against the #1, defending State Champions Smyer Lady Bobcats from Region I.

The Lady Hornets played a tough four quarters, but could not catch up once Smyer had the lead. Muenster's only lead in the game was after the Lady Hornets' first basket. Muenster returned home after a 56-40 loss. Smyer went on to win the State title.

Taylor Klement controlled the tip as the game began, but Smyer was the first to score. Muenster answered back with a 3-pointer by Andi Felderhoff to take the lead, the only lead the Lady Hornets would hold in the game.

Turnovers by Muenster allowed 5 more points for the Lady Cats before Demi Koelzer hit a basket for a 7-5 score. Smyer added another 2, then Klement a 3 point play to close the score to 9-8 with 3:25 on the clock. More turnovers allowed the Lady Cats an 8 point run to end the quarter 17-8.

Muenster returned to the court with Allison Pagel popping in a 3, Koelzer a free throw, and Klement a basket for a 17-14 score before another Cat 3-pointer spread the score to 20-14.

Klement hit a free throw, Smyer 2, then Klement 2 more for a 22-17 score with 2 1/2 minutes remaining in the 1st half. Lana Heers' 3-pointer put the Lady Hornets 2 points behind, but Smyer scored 5 more points for a 27-20 halftime score.

In the first two quarters, the key stat was turnovers, as Muenster gave away 11 possessions.

Smyer opened the 3rd quarter with an 8 point run to increase their lead to 35-20. Halfway through the period, Muenster was

down by 14 with only a free throw by Heers.

A basket by Pagel was followed by a Lady Cat score. Koelzer hit a free, then a basket to close the score to 37-26, but Smyer answered back to take a 41-26 lead going into the final round.

The Lady Hornets scored the first 2 points by Koelzer, with the Cats breaking Muenster's press, getting 2. With 6:13 on the clock, Emily Hellman got a point, with Smyer hitting three of four from the line to increase their lead to 46-29 with 5 1/2 minutes remaining in the game.

Pagel put in another 3, Smyer 2, Klement 2, and Heers two free throws for a 12 point game 48-36. Free throws by Smyer and baskets by Klement and Koelzer gave a score of 52-40 with 2 1/2 minutes on the clock.

The Lady Hornets couldn't find the basket as the Lady Cats worked on the clock, were fouled, and made their free throws to increase their lead to the 56-40 final.

Scoring for Muenster were Taylor Klement 12, Lana Heers, Allison Pagel, and Demi Koelzer 8 each, Andi Felderhoff 3, and Emily Hellman 1.

Muenster ended the season receiving 3rd Place UIL State medals for the second year in a row. The Lady Hornets were 36-6, not losing a game once District began until last Thursday morning.

M	8	12	6	14	40
S	17	10	14	15	56

Taylor Klement was named to the All-Tournament Team, along with Haley Fowler and Kennedy Farr of Smyer, and two girls from Martins Mill.
