Muenster Blitz deemed as successful for United Way

On Thursday, Oct. 11, United Way volunteers "blitzed" the Muenster businesses. Forty-six area businesses were visited by teams of volunteers in efforts to round up pledges and contributions for this year's Cooke County United Way campaign! The volunteers successfully turned in almost \$3,500 in the two-hour event.

Those collected on Blitz Day included: Farm Bureau, Vickie's Cut Up, The Bird Nest, Bob's Auto Service, Gehrig Hardware, FMW Insurance, Sisters, Fischer's, the Chamber, D1 One Stop, Schilling Tire, Muenster Enterprise, Flusche Enterprise, Triple G Well, Jeanne's Magic Touch, Bernice Sicking, Duane Knabe CPA, Rohm-

er's, Schilling Oil, Hennigan Auto, Community Lumber, Muenster Auto Parts, Luminous Looks, Doyle and Debbie Hess, Muenster Farm Mutual, and a few dollars collected during the hot dog lunch!

"Several businesses had already turned in their money and the Blitz helped us move forward, but we're not finished. There are a few businesses who asked that we return at a later time as well as there are businesses who are conducting an internal employee campaign which will be turning in their pledges/contributions in the next few weeks. I need to wrap up all contributions no later than the end of October," noted Muenster Campaign Division Leader Debbie Hess. "Muenster businesses and residents are

County agrees to unusual tax abatement request

Gainesville City Manager Barry Sullivant addressed Cooke County Commissioners Court during the regular meeting on Monday, Oct. 22. He sought the County's participation in a tax abatement for Schlumberger Technology Corporation noting that the City of Gainesville had already agreed to one.

According to Sullivant, the City currently has a sales tax rebate going on with Schlumberger Jay that has been very successful this year. "If you are wondering why our sales tax are up almost 78%, The number one person responsible for that would be Slumber Jay."

Sullivant added that the company now feels that their business is going to slow down over the next two or three years and are looking for a place in the United States to store their equipment. He said they only want

their equipment in a few places in the United States and would like Gainesville to be one of those places.

The abatement being asked was for 50% and they must have a minimum of \$100 million worth of property here in Cooke County. Any less would nullify a tax abatement. Sullivant said that they expect to store here for two years at least \$350 million. "To the City, even after the abatement, that would be \$1.1 million of property tax revenue coming in for us and for the County about \$809,000," Sullivant explained.

Normally tax abatements include bringing new jobs into the County. This would be a new way of granting an abatement. Sullivant remarked, "We looked at it as taxpayer relief for current taxpayers."

The Court was unanimous

in agreeing to the tax abatement as proposed.

County employees who participate in the County's flu vaccination program will have \$10 of the \$20 fee paid by the County. Human Resources Director Elizabeth Huchton said that Grayson County would administer the flu shots for \$20 each. She suggested that if the County would pay a portion of the fee, it could be taken from the Employee Recognition Fund. If everyone got the shot and the County paid half, the total cost would be \$2,050.

Precinct #4 Commissioner Leon Klement noted that if it were more convenient to get the shot, there would probably be better participation.

"I think the potential in non lost employee time off makes it worthwhile," stated County Judge John Roane.

Muenster High among 9% honored in Texas

Muenster High School has received the 2012 College Readiness Award from the Texas ACT Council for increasing the number of students taking the ACT Assessment over the past five years and significantly increasing their level of achievement and college readiness. The Texas ACT Council is comprised of secondary and postsecondary educators who advise ACT, Inc. on the utilization of ACT programs and services in Texas schools and colleges. ACT, Inc. is the not-for-profit organization that provides assessment, research, information, and program management services in the broad areas of education and workforce development and the publisher of the ACT Assessment.

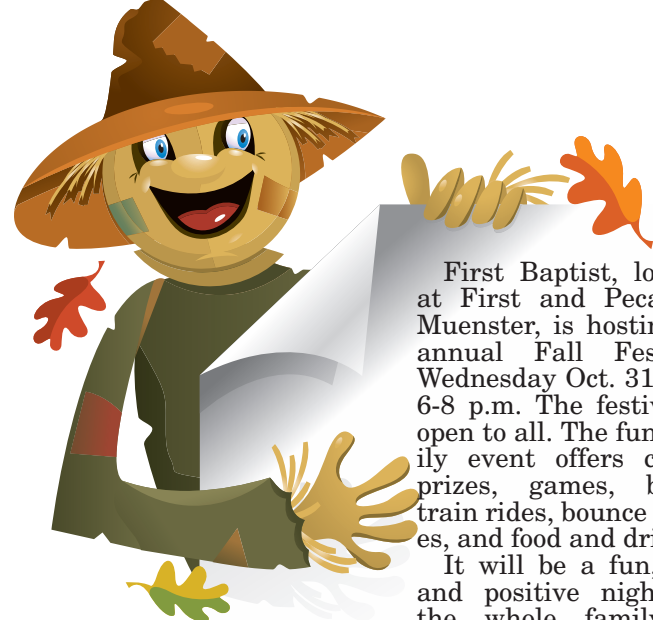

The ACT Assessment is the college admissions test that is used and accepted by all colleges nationwide and throughout Texas. In 2012, over 39% of Texas graduating high school seniors took the ACT in Texas while the total number of Texas students taking the ACT has increased over 40% since 2008.

According to Karen L. Pennell, assistant vice president and ACT Southwest Regional manager, "The Texas ACT Council wanted to recognize those Texas high schools

that have made significant strides in increasing the college and career readiness of their graduates as demonstrated by their ACT score increases over the past five years. This can only happen as a result of the high school's faculty and staff efforts and the dedication of Muenster High School students and parents to focus on college

and career readiness and raise the level of academic readiness for all students. Only 170 high schools in Texas were honored for this superior level of accomplishment which represents only 9% of all Texas high schools. These outstanding Texas high schools should be proud of their faculty, staff, and students! Congratulations!"

come and enjoy. If you would like more information you can contact the church at 759-2772.

Haubold earns Eagle Scout

Blake Haubold, son of Karl and Charla Haubold of Muenster, attained the rank of Eagle Scout. He is a sophomore at Muenster High School where he participates in a variety of activities. He serves as treasurer of the FFA Chapter and is a member and brass captain of the Hornet Marching Band. He

is also active in the local 4-H Club. Blake began scouting as a Tiger Cub in Troop 664 in Muenster. His family moved to New Braunfels and returned to Muenster when he was in fourth grade. He joined Boy Scouts of America Troop 664 at the required age of 12. He remained ac-

Knock Out roses, Texas sage, Mexican buckeye, and around the base of the Museum sign Asian jasmine. Crushed granite was used as the mulch.

Stick Lamar served as consultant on the project and gave many volunteer hours. Besides his expert advice, Lamar donated the use of his equipment. A storm had damaged several large trees at the Museum. Lamar's stump grinder was utilized to completely remove the tree stumps.

Blake's project included adding on to an area for displaying antique equipment. A 19th century farm rake was on display, but sat on the lawn until Blake's project extended an existing display area to a size large enough to include the rake. All porch rails and handicap rails were sanded, primed, and painted.

Trees were trimmed, weeds removed, leaves raked, and a thorough going over completed the project.

The railroad stone dated 1929 previously on the north lawn was strategically placed in the front to serve as a bench or resting place.

A total of 289 hours were spent on this project. The generosity of people and businesses whose assistance helped Blake complete his Eagle project included Stick's Tree Care, Diamond M Ranch, Bedrock Ranch, Community Lumber, Fleitman Backhoe, Cooke County Crushed Stone, S.W. Wholesale Nursery, Ace Hardware, and a multitude of volunteers.

Following the completion of his project this summer, Blake joined his troop and Troop 7777 from Valley View on a 80 mile adventure excursion to Philmont Scout Ranch in the Rocky Mountains. He has completed 70 nights of camping and earned 28 merit badges.

The past two summers, Blake has attended the Marine Military Academy where he acquired more than 20 hours of flight training in preparation of attaining his pilot's license. He would like to fly for the Air Force Reserves and be employed by a major airliner.

Although Blake has reached the rank of Eagle, he aspires to remain active in the troop serving as a mentor to the many younger Scouts. He will continue to work on the Eagle Palms and

tive serving in many leadership roles.

Positions held by Blake include senior patrol leader, assistant senior patrol leader, chaplain aide, patrol leader, and assistant patrol leader. He was elected to the Order of the Arrows by his fellow Scouts in February 2010.

For his Eagle Scout project, Blake decided on a landscaping project for the Muenster Museum which is the property of the City of Muenster.

For the project, Blake continued the rock and mortar flowerbeds from the front of the Museum around to the south side of the building. Soil was tilled and re-worked in preparation for the new plantings. A weed block fabric was laid down and a variety of plants chosen for their drought hardiness and low maintenance characteristics. Plants selected included Red Yucca, crepe myrtle,

INSTRUCTION NOTE:
 1. Vote for the candidate of your choice in each race by darkening in the oval (●) provided to the left of the name of the candidate.
 2. You may cast a straight-party vote (that is, cast a vote for all the nominees of one party) by darkening in the oval provided to the left of the name of the party. If you cast a straight-party vote for all the nominees of one party and also cast a vote for an opponent of one of that party's nominees, your vote for the opponent will be counted as well as your vote for all the other nominees of the party for which the straight-party vote was cast.
 3. You may vote for a write-in candidate by writing in the name of the candidate on the line provided and darkening in the oval provided to the left of the line.

NOTA DE INSTRUCCIÓN:
 1. (Vote por el candidato de su preferencia en cada carrera llenando completamente el espacio ovalado (●) a la izquierda del nombre del candidato.
 2. Usted podrá votar por todos los candidatos de un solo partido político (es decir, votar por todos los candidatos nombrados del mismo partido político) llenando completamente el espacio ovalado a la izquierda del nombre de dicho partido político. Si usted vota por un solo partido político ("straight-ticket") y también vota por el contrincante de uno de los candidatos de dicho partido político, se computará su voto por el contrincante tanto como su voto por todos los demás candidatos del partido político de su preferencia.
 3. Usted podrá votar por inscripción escrita escribiendo el nombre del candidato en la línea provista y llenando completamente el espacio ovalado a la izquierda de la línea.

very giving. Every year, they are most generous in their commitment to United Way.”

Cooke County United Way acknowledged this year’s Blitz sponsors – American Bank of Texas, First State Bank, Hometown Radio KGAF 1580, Muenster State Bank, Nascoga Federal Credit Union, Prosperity Bank, Turtle Hill Golf & Conference Center, and Zodiac Seats US LLC.

United Way is partnering with NTMC, Mom’s Donuts, Dry Clean Super Center and Applebee’s to raise funds for United Way. The campaign concludes the first of November. “We are grateful for the efforts of area businesses who have gone above and beyond either with fund raising events and/or fund raising activities among their employees. It will take every donation and fund raising event to make it to our goal. We’re not there yet - but almost. Each year, it’s the last dollars that is a struggle to get us up over the goal! We encourage everyone who wishes to give to make that wish a reality for your community – please give! It’s a countywide effort to meet our goal!” notes Angie Hare, executive director Cooke County United Way.

Pauline "Polly" Fisher 1930 - 2012

Memorial Mass for Pauline Rose Grill Fisher, age 82 of Denton and formerly of Muenster, was held at 10 a.m., Thursday, Oct. 18 at Sacred Heart Catholic Church in Muenster. Rosary/vigil service was also held at Sacred Heart Catholic Church at 5 p.m., Wednesday, Oct. 17. The remains will be interred in Sacred Heart Cemetery immediately following Mass. Services were officiated by Rev. Ken Robinson, Rev. Baby George of St. Mark, and Rev. Kyle Walterscheid of Blessed John Paul II of Denton.

Mrs. Fisher died at 5:45 p.m., Saturday Oct. 13, 2012 in a Denton hospital.

Pauline "Polly" was born in Midlothian, Illinois on Jan. 14, 1930. She was the second of five children of Rudolph and Angeline Krejchik Grill. She grew up in Midlothian, attended St. Christopher Catholic Church, and graduated from Laretto High School in 1948. She joined the U. S. Marine Corps in 1950, serving a total of three-plus years, during which time she and Clyde met. Clyde was also a Marine. After serving their time in the Marines, Polly and Clyde were married on June 27, 1953 in Midlothian at St. Christopher Church. They moved to Muenster on a farm just east of town. Four of their children were born during their six-plus years on the farm. They then built a home in 1960 in Muenster where the last six children were born. The family lived there until moving to Denton in 1999.

Polly was a long-time member of Catholic Daughters and the Lady Knights of Columbus and was a lifetime member of the Catholic Church.

A devout family lady, Polly delighted in being with and caring for her family. She and Clyde literally traveled world-wide. Polly enjoyed being a wife and mother. She liked sewing, gardening, and quilting.

Survivors include her daughters and sons-in-law

Nancie and Mark Lippe of Muenster, Kathie and Timothy Herr of Denton, Virginia and Karl Kelson of Corinth, Julie and Brett Walford of Corinth, and Laurie and David Lawrence of Denton; her sons and daughters-in-law Charles Fisher of Muenster, Richard J. and Mary Kay Fisher of Denton, Daniel T. and Jana Fisher of Lindsay, Ronnie and Beverly Fisher of Wichita Falls; 27 grandchildren and 11 great-grandchildren; her sister Mary Phyllis Yates of Watervleit, Michigan; her brothers and sisters-in-law Kenneth and Dorothy Grill of Midlothian and Keith and Sharon Grill of Orland Park, Illinois.

She was preceded in death by husband Clyde; daughter Angelina Maggie; granddaughter Maggie Fisher; infant brother; and daughter-in-law Vicki Fisher.

Assisting during the funeral Mass were altar servers Butch Fisher, Curtis Pagel, Reid Fisher, and Kevin Kelson. The First Reading was given by Lisa Lippe. Sally Hacker gave the Second Reading. Jody Carroll read the Prayers of the Faithful. Offertory Gifts were presented by Laurie Lawrence, Jessica Fisher, Drew Fisher, and Michelle Fisher. Brooke Walford, Shellie Herr, Beverly Fisher, Theresa Walterscheid, JoAnn Pagel, Carolyn Bayer, and Willie Fisher served as Eucharistic ministers.

Music ministers were Christy Hesse and pianist Pat Hennigan. Songs included "Be Not Afraid," "Only I God," "On Eagles Wings," "Ave Maria," and "How Great Thou Art."

Ginnie Kelson gave the remarks of remembrance for her mother. She likened Polly to a painter with a painting style that was a bit unconventional. She said in part, "Mom didn't paint with brushes, rollers, canvases, drop cloths, or paints. Her art supplies were greater. They were God's gifts to her. They included humility, patience, trust, her Catholic faith, and most of all, love..."

Polly Fisher

Her paintings, our family memories, all hand neatly for our eyes only...utilized her paintbrushes to highlight shades of joy, laughter, and the countless coats of love we shared...Family was Mom's priority, her life. Cleaning cooking, laundering, gardening, sewing, organizing, supporting, and comforting were her never-ending chores and with care, and her eye for good looks and balance, she illustrated these events in her paintings...they represent our family's bond, a portrait of God's greatness."

The family requests memorials be made to Sisters of St. Mary's Namur in Fort Worth, or The Loretto House in Denton, or Blessed John Paul II of Denton, or the charity of your choice.

Marshall Hughes 1920 - 2012

Funeral for Marshall H. Hughes, 92, of Gainesville, formerly of Wichita Falls, was held Saturday, Oct. 20, at Geo. J. Carroll & Son Funeral Home. Interment was at Crestview Memorial Park in Wichita Falls on Monday, Oct. 22.

Marshall was born April 4, 1920 in Wichita Falls to Leslie E. and Lydia Hughes. He went peacefully to his home in heaven on Oct. 17, 2012 at Gainesville Health & Rehabilitation Center.

A devoted husband to his wife, Opal, who preceded him in death in 2010, Mar-

The Court voted unanimously to pay half the cost of each flu shot given at the scheduled clinic.

Cooke County resident Gary Krahmer spoke in the public comments section of the agenda. He stated that he is opposed to the Indian Creek situation because he feels it hadn't been researched. The situation he referred to was the County accepting Indian Creek Volunteer Fire Department replacing the Lake Kiowa VFD at the request of Lake Kiowa residents.

He then veered to the topic of knowing our neighbor, said he could move in trucks and take over all of the County's volunteer fire departments. He showed a banner, with the assistance of Jimmy Mosman, depicting Mary Moorman. She is the woman who took a photo of John F. Kennedy seconds after he was shot in 1963. (She married Krahmer in 1980 according to Wikipedia).

The 76 year-old Krahmer threatened to call a news conference if the Commissioners did not work with him, made derogatory remarks about the County's reputation, and said what he had to say was not a joking matter. He claimed to be known by the federal government as 007 since September 1975. Krahmer failed to make clear to the Court exactly what he wanted before his allotted time to speak expired.

Judge Roane remarked, "I'm not going to try to analyze that." The Court could make no comments because it was not an agenda item.

An executive session addressed property located in Precinct #4. No action was taken following that session.

In other business, Commissioners Court:

- Approved a contract with EOG Resources, Inc. for the installation of a temporary water line on CR 347.

- Approved contract with Teprity for remodeling of the Courthouse Annex.

- Approved Cooke County Appraisal District applying \$24,342 in FY2011 reserve funds to the underfunded Texas County and District Retirement System.

- Approved the indigent cremation of Wesley Neal Payne, Elizabeth Saucedo, and Danny Potter.

- Approved updated MOA between TDH, NTCRAC and Cooke County EMS concerning Emergency Medical Task Force Responder.

- Approved contract with Era Volunteer Fire Department.

- Accepted donation in the amount of \$50 to the Cooke County Library for research from Donald Tayloe.

- Approved the FY2012 Sub-Recipient Grant Award from the Texas Department of Public Safety Homeland Security Grant Program.

- Approved rider to Wil-

liam Case Wyatt's bond changing the title from "Deputy" to "Jailer" for the Cooke County Sheriff's Office.

- Approved an interlocal agreement with Texoma Council of Governments for GIS services.

- Approved the renewal agreement between Cooke County and Perdue Brandon Fielder Collins and Mott, LLP for court fees and fine collections for a one year term beginning Dec. 1, 2012 through Nov. 30, 2013.

- Accepted a check in the amount of \$34,724 from the TAC Health and Employee Benefits Pool for a 2011 surplus in pool earnings.

- Approved the service agreement between Cooke County EMS and Physio Control for a one year term beginning Nov. 1, 2012 through Oct. 31, 2013.

- Approved the service agreements between Cooke County EMS and Geo Med Waste and between Cooke County Justice Center and Geo Med Waste for a one year term beginning Oct. 17, 2012 through Oct. 17, 2013.

- Approved a letter of support for the Texoma Council of Governments application for funding through the EPA's Brownfield Program.

- Approved the 2013 Indigent Defense Grant Program Resolution.

- Approve a joint election agreement with Whitesboro ISD for the Nov. 6 election.

The family of Alma Moster would like to thank all who were there for our Mom and us, both physically and spiritually during her illness and death. Your caring thoughts, words and actions will be remembered in our hearts forever. A special thanks for the loving care from the entire staff of River Valley Nursing Home and to Dr. Sears. Thanks also to George J. Carroll & Son Funeral Home for their help. Thank you to the ladies of St. Peter's Parish who provided the lunch after the service. Lastly, thanks to Father Jim Moster and the Choir of St. Peter's Church for the beautiful service. Thanks also to Father Raymond McDaniel and Father Victor Cruz for their visits.

Flusche graduates Magna Cum Laude from UNT

Jacqueline Mary Flusche graduated Magna Cum Laude from the University of North Texas with a Bachelor's degree in Broadcasting and Journalism. She is the daughter of Phillip and Brenda Flusche of Muenster, and is married to Mat Burkepile of Denton. She is the granddaughter of Nancy Krahl of Valley View, the late Martin Krahl, and the late James and Sally Flusche. A reception on campus was held for all graduates after the ceremony. A party was later held in her honor in the home of her parents.

Her goal is to use her degree for the faith, especially the Catholic Church.

Jacqueline Flusche

During her internship, Jacqueline worked for 910 Catholic Radio the summer of 2011. She now is a contributing writer for the *North Texas Catholic* and the *National Catholic Register*.

Members of the Muenster 4-H group, from left, front - Owen Tolar, Kathrine Klement, Nolan Vogel, Kyle Dangelmayr, Connor Vogel, Lilly Miller, Chloe Tolar, Mary Fisher, Kevin Dangelmayr; back - Tori Dyess, Jared Dangelmayr, McKenzie Mason, Sawyer Sanders, Cody Dangelmayr, and Ashleigh Fisher. Not pictured are Kaley Berkley, Emily Brogdon, Eve Brogdon, Eli Dangelmayr, James Dangelmayr, Kyla Haverkamp, Darian Peters, Colton Dangelmayr, Preston Drebes, and Brandon Sicking.

Muenster 4-H plans activities

Muenster 4-H meet on Oct. 8, at 3:30 p.m. in the Muenster ISD Ag Room. They discussed upcoming events and talked about disasters and how to plan for them. As of their last meeting, there are 26 members.

They will meet on Nov. 12 and a veterinarian will be the guest speaker doing a talk on animals. Families made and delivered cookies to businesses for 4-H week.

On Friday, Oct. 12, the 4-H members helped the Muenster Kiwanis Club with its pancake supper fundraiser. Some of the proceeds will go to the 4-H group.

Free history lectures offered in November

Satiate your curiosity of all things Gainesville with an upcoming lecture series hosted by the Morton Museum of Cooke County and North Central Texas College's Division of Lifelong Learning.

Jayleane Smith, the Museum's educational director, will talk about three different aspects of Gainesville history at the Santa Fe Depot in downtown Gainesville on Tuesday evenings, beginning Nov. 6, from 6 to 8 p.m.

On Nov. 6, learn about the Tayovayans and Wichitas in "The Indigenous Tribes of Cooke County."

On Nov. 13, hear some interesting history/gossip in "Gainesville Then and Now: Stores, Saloons, Barbed Wire, and Churches."

The last lecture, on Nov. 20, explains "Camp Howze: the Role it played in World War II and Cooke County."

Seating is limited, so please reserve your seat by calling Lifelong Learning at 940-668-4272. The lectures are free, but donations to the Museum are encouraged.

Worrying does not take away tomorrow's troubles, it takes away today's peace.

Fall Festival offers fun

Muenster Health & Rehab invites everyone to join them for an afternoon full of spooky fun!

Come prepared for games, food, prizes, and more! The fun begins at 2:30 p.m. and ends around 4 p.m. on Sun-

day, Oct. 28. There will be a costume contest, so be sure to dress up!! Residents and staff will judge. If you have any questions, would like to volunteer, or provide goodies, contact the hosts at (940)759-2219.

North Central Texas College Project REV Coordinator Amy Mitchell, seated, was on the NCTC Gainesville campus last Wednesday to hand out ribbons and provide information as part of Domestic Violence Awareness Month. Also pictured is NCTC employee Jeanette Farr who picked up a ribbon. Project REV is a federal grant-funded program that provides services for those who have been affected by domestic/dating violence, sexual assault, and stalking. Project REV services are available on any of the five NCTC campuses. Anyone who needs help in any way dealing with domestic violence is asked to call 940-498-6429 or contact a counselor by email at rev@nctc.edu.

VFW Ladies Auxiliary hears bake sale report

The Ladies Auxiliary VFW Post #6205 held their regular meeting at the new Post Home on Monday, Oct. 15. President Frances Bayer, who presided over the meeting, gave a report on the bake sale held by the Auxiliary. The sale was a success, and Frances gave credit to all those who baked, worked, purchased items, and gave donations.

Members voted to contribute to the Health and Happiness fund. They also plan to do "in lieu of Christmas cards" again this year.

The group discussed plans for Veterans Day. The community is invited to join the VFW and Auxiliary at Sacred Heart Cemetery after 8 a.m. Mass to remember in prayer service men and women.

Members signed get well cards and sympathy cards for members.

Armella Cler served refreshments after the meeting. The next meeting will be held Nov. 19 in the new Post Home at 7:30 p.m.

Muenster Elementary elects new Student Council

Muenster Elementary Student Council for the 2012-13 school year from left, front - Josh Brinkley, Annie Anderle, Shae Budish, Sarah Davis; 2nd row - Lauren Trubenbach, Abby Walterscheid, Chloe Hacker, Hunter Lovett, Colby Endres; 3rd Row - Blair Waneck, Ixel Meza, Nolan Bayer, Ryan Huchton, Dane Huchton; back - Tom Davis, Major Eldridge, Kody Walterscheid, Morgan Hennigan, and Garrett Bindel. MISD photo

Earlier in September, members of the 4th, 5th, and 6th grades elected officers and representatives to the 2012-13 Muenster Elementary Student Council.

The following students were elected for officer positions: President Morgan Hennigan; Vice President Kody Walterscheid; Secretary Blair Waneck; Treasurer Tom Davis; Reporter Ryan Huchton; Historian Lauren Trubenbach, and Parliamentarian Garrett Bindel.

The class representatives elected were: 4th grade, Mrs. Klement's homeroom - Shae Budish and Chloe Hacker; 4th grade, Mrs. Presnall's homeroom - Annie Anderle and Sarah Davis; 5th grade, Mrs. Hellman's homeroom - Major Eldridge and Colby Endres; 5th grade, Mrs. Sicking's homeroom - Hunter Lovett and Abby Walterscheid; 6th grade, Mrs. Walterscheid's homeroom - Dane Huchton and Ixel Meza; 6th grade, Mrs. Waneck's home-

room - Nolan Bayer and Josh Brinkley.

The 2012-13 Muenster Elementary Student Council has many ambitious goals for this year including a "personal items" drive for Muenster Health and Rehabilitation, a toiletry/food drive for the Sacred Heart Parish food pantry, monthly campus trash pick-up days, and assisting with a Veteran's Day Luncheon.

Faculty sponsors, Andy Anderle and Cicily Waneck, are very pleased with the energy and attitude this student council has and expects great contributions to the school, the community, and to those in need.

SHCS group attends Jonesboro Vocation Awareness weekend

Eighth grade girls from Sacred Heart Catholic School attended the annual Vocation Awareness Weekend at Holy Angels Convent in Jonesboro, Arkansas, Oct. 12-15. Lanie Bartush, Cindy Koesler, Christy Bezner and SHCS teacher Annette Bayer accompanied eighth graders. Upon arrival, Vocation Directress Sr. Mary Clare Bezner, OSB and fellow Sisters in the community met the group. The weekend was spent in

daily prayers with the Sisters, as well as daily Exposition of the Blessed Sacrament, Mass, and performing chores around the convent, much like the Sisters do in community living. The Sisters also shared stories about how they were called to become Sisters. The girls also had an opportunity to tour the convent and grounds, and visiting the cemetery. Evenings were spent with the Sisters in the recreation room playing cards, board

games, and puzzles. Meals were spent visiting with all the Sisters in the convent dining room. The group visited the convent gift shop under the direction of Sr. Romana Rohmer, OSB. Following morning prayer, Mass, and breakfast on Monday, the group bid a fond farewell to Holy Angels Convent, Sr. Mary Clare, Novice Jeannine and Postulant Jessica and to all the Sisters who made the weekend so memorable.

Robotics team set to compete this Saturday

The Sacred Heart Machinators started their second to last week of BEST Robotics. During the week, the build team completed building the parts for the robot. After completing the parts needed for the robot, the build team worked to complete their engineering notebook. Within the engineering notebook, they record all of the steps followed in the building and design process. They record the things they did that worked and the things that did not work as they went through the building process. They also record the part or parts that each build team member worked to create. Once the build team finished work on the engineering notebook, they began to test drive the robot, practicing getting the balls, solar panels, and fuel bottles needed to score points during the competition. The Sacred Heart Machinators went to the U.N.T Discovery Park in Denton on Saturday, Oct. 20 for a Practice Day. There, they practiced driving their robot on an actual playing field with

other teams from the Denton County (DC) BEST Robotics area hub. With other opposing teams practicing on the same field, the team experiences a more game-like feeling as they practice. The Machinators will be

going to the U.N.T Pit this Saturday morning, Oct. 27 to participate in the DC BEST Robotics Game Competition with their robot. Come out to support and cheer on your Sacred Heart Machinators!

Virtual academic meet held at Muenster High

Muenster ISD students met on Saturday, Oct. 13 at the High School for the first of several virtual academic meets this year. The Virtual Challenge Meet was developed by Chuck Thompson, academic coordinator at City View High School in Wichita Falls, and a long time TMSCA meet coordinator. The Virtual Challenge Meet allows competition with schools Muenster's size all across Texas with no out-of-town travel time or expense. Dana Hess conducted the contest with the assistance of Stephanie Krebs, Carolyn Lutkenhaus, and Nancy Perryman. Muenster placed 4th in overall team points in competition with 27 schools in IA.

Patel, and Mason Davis placed second. The Number Sense Team of Hunter Klement, Clayton Hess, and Mason Binder also placed second. The Math Team placed third with members Lauren Rohmer, Hunter Klement, and Brooke Walterscheid. Individual placings are: Accounting - Austin Creswell 5th; Calculator - Lauren Rohmer 3rd; Computer Science - Mason Binder 3rd and Jay Patel 9th; Math - Lauren Rohmer 6th, Hunter Klement 7th, and Brooke Walterscheid 10th; Number Sense - Hunter Klement 3rd and Clayton Hess 10th; Biology - Hunter Klement 10th; Physics - Hunter Klement 2nd and Jay Patel 10th. Also participating were Jared Endres and Hannah Bayer.

Weather Whys - frost

Q: What causes frost to form?
A: Frost forms when the temperature at the ground reaches freezing, said Brent McRoberts of Texas A&M University. "Very often on calm, clear nights, the temperature near the ground can be several degrees cooler than temperatures above the ground," he explains. "The thermometer might read 34 degrees on top of a roof, but at the ground, it might read 32 degrees. This is be-

cause the ground loses heat quickly. So water vapor in the air, because it is so cool, condenses as supercooled dew and then turns to frost and maybe ice. Frost tends to form on glass, such as car windshields or windows, metal or rock surfaces first because these tend to lose more heat quicker. So usually, a car windshield will frost over before vegetation does." *Weather Whys is a service of the Department of Atmospheric Sciences at Texas A&M.*

We have been called to heal wounds, to unite what has fallen apart, and to bring home those who have lost their way.

Tigers lasso Mustangs

It was round-up time last Friday night in the Metroplex when the Tigers of Sacred Heart went on the prowl and devoured the Mustangs of Fellowship Academy 62-20. The Tigers took control of the game early with a 41-0 lead in the first quarter.

"We played real good. I was happy how we played on all phases of the game - offense, defense, and special teams," commented Coach Dale Schilling.

The Mustang offense was first on the field, lost 7 yards and punted. From the Mustang 40 yard line, the Tigers took only two plays to light up the scoreboard. A Kason

at the 2 minute mark.

A 15 yard penalty gave the Mustangs their largest gain in the 1st quarter, but an interception by Endres ended the drive. The period ended with Fellowship picking off a Tiger pass.

A quarterback sack by Hayden Schilling forced another Mustang punt. John Paul Hesse returned the kick 49 yards for 6 points. Reeves' extra kick was good for a 48-0 score just inside the 2nd period.

The Tiger defense, led by a quarterback sack by Luke Cochran and a tipped pass by Schilling, forced another Mustang punt. This attempt

With 1:34 on the clock, the Tigers led 55-6.

Hesse then returned Fellowship's kick 76 yards for another Sacred Heart touchdown. The PAT increased the Tiger lead to 62-6 with 1:21 still remaining before the half-time break.

The period ended with Colmenero intercepting the ball and Tyler Spruill getting in two good runs.

It was a quick, scoreless 3rd quarter with Spruill getting in eight runs and Daniel Hesse one to the Mustangs' four plays. The final period opened with a Fellowship 29 yard touchdown pass play and a 62-12 score.

The Mustangs scored one more time in the game. With 3:02 on the clock, a Sacred Heart fumble was covered in the end zone. The PAT run gave the final score of 62-20.

Next Action

This Friday, the Tigers take the long trip west to Amarillo to take on the San Jacinto Lions.

"They are a good passing team. The key to a victory is to stop their quarterback, to stop their passing game," Coach Schilling noted.

The game was played Thursday. Kick off has an early 6 p.m. start.

Trevor Hess dives over the goal line for a Muenster touchdown in the Hornets District win over Perrin-Whitt. Also pictured are Andy Flusche (44) and Steven Flusche (33). Janie Hartman photo

Hornets win Pirate treasure

The Muenster Hornets buzzed a total offense of 416 yards in their 36-12 District victory over the Perrin-Whitt Pirates last Friday in Perrin. The Hornets had no turnovers, but lost 110 yards to the yellow flag.

"Too many penalties," noted Coach Brady Carney. "That put us in a bind. We had a total of 12, some on every team - offense, defense, and special teams." Carney added that the Hornets did not play very smart football. "We played only one good quarter of football - the 2nd."

"Getting a win in District is always a positive, but it was not a very clean game. The kids were not very well-focused. Hopefully, it was a catch game between Electra and Munday. I hope they were looking forward to this week (Munday), overlooking Perrin."

The Pirates took the opening kick and controlled the first 4 minutes of play, pounding out 72 yards against the Hornet defense in a dozen plays to find the end zone. The PAT kick was blocked by Andy Flusche and returned by Mason Binder to make the score 6-2 with 8:18 on the clock.

It took the Hornets only 2 plays to take the lead when Steven Flusche scored on a 66 yard run. Hunter Klement added the extra point for a 9-6 score with 7:19 re-

maining in the 1st period.

Perrin couldn't get a 1st down, even with the help of a flag, and punted. From their own 45, runs by Clint Sidwell, Tavi Saldana, Binder, and S. Flusche, and a Binder to Cole Walterscheid pass completion carried the Hornets to the Pirate 22. A 4th and 13 pass was intercepted by Perrin to start the 2nd period.

Unable to keep their drive going, the Pirates were forced to punt. The attempt was blocked by Hunter Klement and recovered by the Hornets on their 22 yard line. Runs by S. Flusche, Trevor Hess, Sidwell, and Binder moved the ball to the Pirate one yard line. With 4:53 on the clock, Hess crossed the goal line. The PAT failed for a 15-6 score.

The return kick was fumbled by the Pirates. Clayton Hess covered the ball on the Perrin 35. The next play, Binder completed a pass to A. Flusche for a touchdown. Klement added the PAT for a 22-6 score with 4:40 remaining on the clock.

A penalty gave the Pirates a 1st down, then the Hornet defense shut them down, forcing a punt.

The Hornets started their next drive at their 28 yard line. Saldana ran for 12, Binder for 20, followed by a Binder to Saldana pass play

for 13 more. Sidwell gained 18 yards to the 9 with short additions by Binder and Saldana. Hess finished the drive scoring from the one yard line with 6 seconds on the clock. Klement's extra kick gave Muenster a 29-6 half-time lead.

The Hornet offense started the 2nd half. Unable to get the needed 10 yards, Muenster was forced to punt. A high snap followed by an intentional grounding gave the Pirates the ball 8 yards from pay dirt, but the Hornet defense kept Perrin out of the end zone and Muenster regained control on their 13 yard line.

The Hornets got in 9 plays and punted. The Pirates fought down the field, running 8 plays and scoring on a 22 yard run with 1:40 on the clock. The PAT failed for a 29-12 score.

Muenster carried the ball into the final quarter starting on their own 12 yard line, taking 8 plays to find the end zone, a 48 yard Klement to A. Flusche pass play. Klement added the extra kick for a 36-12 score with 9:52 remaining in the game.

An interception by Colton Lang stopped Perrin's drive. It was 3 plays and punt for Muenster with the Pirates getting in 10 plays before running out of downs. Muen-

Kason Reeves (10) boots another point for the Tigers. Brady Endres (17) is the ball holder. Pat Springer photo

Reeves pass to Keith Metzler gained 26 yards. The next play, Reeves and Metzler again connected for a touchdown. The PAT by Reeves gave Sacred Heart an early 7-0 lead with 10:16 on the clock.

Again, the Mustangs lost yards, punting short to give the Tigers possession on the Fellowship 46. Reeves' passes to Brady Endres and John Paul Hesse moved the ball to the 19 yard line, Metzler ran in for 6 points with Reeves adding the extra kick for a 14-0 score with 8:01 remaining in the 1st period.

The Mustangs gained a yard and punted. A Reeves to Isac Walterscheid Pass gained 17, followed by a 38 yard pass play to Metzler for another touchdown. Reeves booted the PAT for a 21-0 score at the 6 minute mark.

Fellowship's offense improved to gaining 2 yards before punting. Metzler returned the punt 45 yards to the Mustang 10 yard line. A 2 yard gain by Juan Salinas was followed by an 8 yard pass play from Reeves to Endres for another 6 points. The PAT gave the Tigers a 28-0 lead with 4 minutes remaining in the first period.

The Mustangs didn't have to punt on their next attempted drive. An interrupted pass by Hesse was returned 35 yards for a Tiger TD. Reeves' extra kick put Sacred Heart on top 35-0 with 3:36 on the clock.

The Fellowship offense earned its first 1st down, but ended the drive with another interception. Metzler returned the steal 42 yards to give the Tigers a 41-0 lead

lost 5 yards giving the Tigers the ball on the Fellowship 30 yard line. Two runs by Omar Colmenero moved the ball to the 9, but a loose ball was covered by the Mustangs. Two plays later, Walterscheid covered a loose Mustang ball on the 4 yard line. Four plays later, Colmenero crossed the goal line for 6 points. Reeves added the PAT for a 55-0 score with 4:14 remaining in the first half of the game.

It took the Mustangs 6 plays to travel 77 yard and get on the scoreboard.

A Tiger defender is knocked out of reach to make the tackle. Pat Springer photo

2012 TAPPS State cross-country championships

The Sacred Heart Cross County teams participated in the TAPPS State Cross Country Meet in Waco last weekend. The course was run on and around the Waco Dam under mostly sunny, 86 degree conditions. It was hosted by Baylor University.

Mikayla Fleitman was named to the All-State Cross Country team, after finishing in 4th place with a time of 13:51. Abilene Christian won the meet with the Tigerettes finishing in 5th place.

Other Tigerettes competing, their places, and times were as follows: 28. Mikenzie Fleitman 15:18; 33. Devan Henry 15:37; 45. Sara Davidson 16:14; 51. Kaitlin Hesse 16:33; and 58. Bailey Walterscheid 17:18.

"The teams had a rough State Meet. I am a little disappointed of the State results, but overall I am pleased with the complete season," noted Coach Jon LeBrassuer. "Most runners set personal records and competed very well during the season."

The Tigers also ran at State which included the following: 17. Jamie Proctor 19:54; 29. Michael Fleitman 20:36; 57. John Paul Hesse 21:53; 60. Ethan Henry 22:12; 71. Daniel Hesse 23:10; and 79. Nick Zimmerer 23:52

UIL Legislative Council meeting results

The University Interscholastic League Legislative Council met Sunday and Monday to make decisions on proposed rule changes in UIL academics, athletics, music, and policy.

The Legislative Council approved a proposal to rename all conferences, creating a Conference 6A. The current Conference 1A Division II, comprised of six-man schools, to Conference 1A. Current

Conference 1A Division I, comprised of 11-man schools, will become Conference 2A, current conference 2A schools into Conference 3A, etc. These changes will go into effect on Aug. 1, 2013 for the 2014-16

alignment, if approved by the Commissioner of Education. There will be six conferences in cross country, football, basketball, academics, one-act play, golf, tennis, and track and field.

In other action, the council voted to place the creation of a split conference format for Conference 3A football on a referendum ballot. If Conference 3A superintendents vote to create a split conference format, the change will go into effect for the 2014-16 alignment. The split conference format was previously implemented in Conference 1A and 2A by referendum ballot vote.

In academics, an amendment to add a Chess Puzzle solving competition to A+ Academics for grades 2-8 was unanimously approved by the council. Chess Puzzle has been conducted as a pilot event for A+ Academics since the spring of 2011.

If approved by the Commissioner of Education, the following rule changes will go into effect Aug. 1, 2013:

- Creating a third conference for team tennis and soccer, to be implemented for the 2014-16 alignment.
- Creating pilot contests in student congress and short film production.

Muenster runs in Cross Country District meet

Lindsay hosted the 2012 District 13-A Cross Country meet Monday.

Of the five teams competing in the varsity girls division, the Lady Knights took the championship honor with 38 points. Era followed with 49, Valley View 72, Muenster 83, and Itasca 102. Only 34 ran the race. Italy and Harmony High Schools also had runners, but no teams. Finishers, their places and times for Muenster and Lindsay were as follows:

M. 14:30; 23. Reagan Weger, M. 15:15; 27. Jessica Martin, L. 15:36; 31. Lauren Rohmer, M. 16:23; and 34. Brianne Sandmann, L. 17:11.

The Valley View Eagles won the varsity boys division with 20 points, followed by Era, Lindsay, Harmony, and Triple A.

The lone Muenster Hornet runner was Trevor Cheaney, who finished 21 out of 36 runner with a time of 20:56.

Running for Lindsay were: 6. Travis Block, 17:40; 8. Dakota Ellender, 18:45; 13. Blair Martinson, 19:32; 19. Jeff Hellman, 30:30; 20. Collin Clark, 20:43; and 23. Kevin Conway, 21:43

Editor note: Junior Varsity and Junior High results will be in next week's Muenster Enterprise.

Next Action
 This Friday, the Hornets will host the top-ranked State finalist Munday Moguls. Munday had 16 starters return from last year's squad,

including the All-State quarterback. In comparison, the Moguls defeated Perrin-Whitt 62-6 on Oct. 12. They were victorious over Petrolia last Friday night 67-0.

With both Muenster and Munday undefeated in District, Friday's contest will name the District leader.

"We're gonna have to play our best game and mistake free. They are a very talented football team and it will take a great effort to pull out an upset," said the Muenster coach. "They're the fastest, most athletic team I've ever coached against including the Mart play-off teams the past two years and the best team Muenster has played against (under Carney)"

"We're gonna have to tackle. We'll be in position to make the play, we just have to finish up," Coach Carey noted.

Kick off is 7:30 p.m.

LEGAL NOTICES

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF HORACE BURKHART

Notice is hereby given that original Letters Testamentary for the Estate of Horace Burkhardt were issued on August 22, 2012, in Cause no. PR-16898, pending in the County Court at Law of Cooke County, Texas, to: Billy Howard Burkhardt and Joan Jones, Co-Independent Executors. Claims may be presented in care of the attorney for the Estate addressed as follows:

Estate of Horace Burkhardt
c/c: THOMAS L. CLAXTON Attorney at Law
P.O. Box 329 Gainesville, Texas 76241

All persons having claims against this Estate, which is currently being administered, are required to present them to the undersigned within the time and in the manner prescribed by law.

October 19, 2012.

Billy Howard Burkhardt and Joan Jones, Executors
BY: /s/ Thomas L. Claxton
THOMAS L. CLAXTON Attorney for Applicant

10.26-1L

The City of Muenster's Joint Planning and Zoning Commission (The City Council) will hold a Public Hearing on November 5, 2012 at 6:30 pm during the regular City Council meeting. The hearing will be in response to a request for a Specific Use Permit. The purpose of the Specific Use Permit is for a business that would be selling monuments. The business would be located in the vacant lot in Block 35 at the intersection of Second and Walnut Streets. All interested parties are invited to attend the meeting.

10.26-1L

NOTICE TO CREDITORS

Notice is hereby given that original Letters Testamentary for the Estate of Henry W. Yosten, Deceased, were issued on October 16th, 2012, in Cause No. PR16932, pending in the County Court at Law of Cooke County, Texas, to: Douglas Joseph Yosten and Carol Yosten Vogel. All persons having claims against this Estate which is currently being administered are required to present them to the undersigned within the time and in the manner prescribed by law.

c/o: **Chuck Bartush, Jr., Attorney at Law**
408 North Main Street, P. O. Box 68 Muenster, Texas 76252

DATED the 16th day of October, 2012.

/s/ Chuck Bartush, Jr.
Chuck Bartush, Jr.

Attorney for Douglas Joseph Yosten and Carol Yosten Vogel
State Bar No.: 01865000
408 North Main Street, P.O. Box 68 Muenster, Texas 76252
Telephone: (940)759-2913 Facsimile: (940)759-2980

10.26-1L

The Muenster City Council will hold a Public Hearing in conjunction with their regularly scheduled City Council meeting on Monday night November 5, 2012 at 6:30 p.m. The Public Hearing will be held in the Meeting Room of City Hall at 400 N. Main in Muenster.

The purpose of the Public Hearing is to consider V & T Enterprises, L.P., (Universal Machining Industries, Inc., Steve Trubenbach's) request to build an employee parking lot. The property is located in Block 55 on Pine Street behind the A-OK Motel.

All interested parties are welcome to attend the Public Hearing.

REQUEST FOR PROPOSALS

The Muenster Independent School District, Muenster, Texas will receive sealed proposals for the Facility Improvements for 2011 Bond Program. Proposers are invited to submit individual proposals and shall identify their proposal on the outside of the sealed envelope in the following manner:

Facility Improvements for 2011 Bond Program
Muenster Independent School District
Muenster, Texas 76252

The following proposal packages will be received:

CBI-07A Canopy

**CBI-07B Chain Link
Fence/Gates**

Proposals will be received at the office of the Superintendent, Muenster I.S.D., 135 E. 7th Street, Muenster, Texas 76252 on:

Wednesday, November 7, 2012, 2:00 p.m. CDT

Proposed forms of contract documents, including plans and specifications are on file and available for inspection at the following locations:

Construction Manager:	Owner:	Architect:	Plan Rooms:
Compass Builders, Inc. 536 South Coppell Road Coppell, TX 75019 Phone: 972-471-0222 Fax: 972-462-9016	Muenster I.S.D. 135 E. 7 th Street Muenster, TX 76252 Phone: 940-759-2281 Fax: 940-759-2500	W.C. Ferrell, Jr. Architect P.O. Box 738 Commerce, TX 75429 Phone: 903-886-4945 Fax: 903-886-8641	McGraw-Hill Plan Room: Dallas AGC/TEXO & iSqFt Plan Room

One copy of the documents may be obtained by depositing \$ 200.00 with the Construction Manager, Compass Builders, Inc. Such deposits shall be made payable to Muenster I.S.D. and will be refunded to Proposer who submit a bona fide proposal or return the plans and contract documents in good condition within ten (10) days of the proposal opening, otherwise no refund will be made. Partial sets will not be issued. Proposers and suppliers at cost may purchase additional single complete sets from Compass Builders, Inc.

The successful proposer (if over \$ 25,000.00) will be required to furnish and pay for satisfactory payment and performance bonds within five (5) days of presentation of the contract.

Per Section 9, Subsection (b), Section 44.031, Texas Education Code.

(b) Except as provided by this subchapter, in determining to whom to award a contract, the district will consider the following:

- 1. The purchase price – 40%**
- 2. The reputation of the vendor and of the vendor's goods and services – 25%**
- 3. The quality of the vendor's goods or services – 10%**
- 4. The extent to which the goods or services meets the district's needs – 5%**
- 5. The vendor's past relationship with the district – 10%**
- 6. The total long term cost to the district to acquire the vendor's goods or services – 10%**

The Owner/Compass Builders, Inc. reserves the right to reject any or all proposals and waive any formalities in the proposal. No proposal shall not be withdrawn for a period of sixty (60) days subsequent to the opening of the proposals without written consent of the Muenster I.S.D.

FARM & RANCH

Feed demand for wheat to soar

The U.S. wheat supply will dwindle as poultry and livestock producers continue to turn to wheat as an economical feed source.

According to USDA's World Agricultural Supply and Demand Estimates for October, the 2012-13 carryout for all U.S. wheat is 654 million bushels, down just over 6% from September's estimate of 698 million bushels and substantially lower, off 12%, than last year's 743 million bushels.

USDA estimates that this year's production of all wheat in the United States will reach 2.269 billion bushels, basically flat from last month's projection but significantly larger than last year's 1.999 billion bushels.

"USDA focused the October report on the demand side," says Randy Martinson, executive vice president with Progressive Ag Marketing, in Fargo, North Dakota. "We are not going to export the wheat; we are going to feed it due to the high price of corn." USDA narrowed its projected price range for the 2012-13 wheat crop from its estimated range released in September but left the seasonal average farm price unchanged at \$8.10 per bushel.

Increased demand for U.S. wheat in the current crop year is expected to more than offset the growing wheat supply. Wheat export, wheat for domestic food use, and wheat used for seed are expected to

remain relatively flat from last year, but feed use will soar, according to USDA.

The Department estimates that 315 million bushels of wheat will make its way into the feed sector in 2012-13. That is nearly twice the amount of wheat fed last year when feed use was 164 million bushels. USDA's feed use estimate is also significantly higher—a 43% increase—than September's projected 220 million bushels.

World wheat supply falling

In the same report, USDA projected a reduction in the global wheat supply. Total world wheat production is now estimated at 653.05 million metric tons, down slightly from last month's estimate of 658.73 million metric tons and more than 7% smaller than 2011-12 world production of 695.69

million metric tons.

USDA lowered wheat production in Australia by three million metric tons due to continued dryness there during the critical grain filling and flowering stages. The Department also cut Russian wheat production by one million metric tons as yield estimates for spring wheat in Russia decline. Production in the European Union was dropped 0.8 million tons on excessive rain in the United

Kingdom. Smaller reductions were made in wheat production in Canada, Algeria, Uruguay, and Kyrgyzstan.

"In the last half of the year, the world will have to come to the United States for wheat," says Jerry Gidel, chief feed grain analyst for Rice Dairy, Chicago. "The Black Sea supply is exhausted, and Europe is now filling world demand."

Drought affecting popcorn crop

Dry conditions and searing heat have devastated much of the Midwest popcorn crop, driving the retail price for a bag of popcorn from \$20 for a 50-pound bag a few months ago to over \$30.

Wholesale prices are expected to rise as well. Farmers in Louisiana and other southern states, where the growing season starts and ends earlier, may be able to make up some of the Midwest crop shortfall. Buyers are also looking to South America, where farmers are just starting to plant crops.

TDA MARKET RECAP

For the week ending Oct. 20, 2012, feeder cattle prices reported by Texas auctions were mostly steady to \$5 higher per hundredweight (cwt) compared to a week ago, with a few as much as \$10 higher and some to \$5 lower. Several locations noted good demand, especially for long-weaned feeders and steer calves. Texas direct feeder cattle sales and the Oklahoma City National Stockyards were steady to \$2 higher. The feeder cattle situation remains unchanged with tight supplies offset by high grain prices and poor cattle feeding margins. Fed cattle cash prices were more than \$2 higher per cwt in response to higher beef prices and smaller supplies of available cattle.

Wheat prices were higher amid concerns about slow emergence, improved weekly U.S. exports and reports that Ukraine might halt exports in mid-November. Corn prices followed wheat and soybeans higher, but gains were limited by sluggish exports and reports of additional corn imports from South America.

Corn was 95% harvested compared to the 88% average, while grain sorghum harvest was 67% complete, well behind the normal 77%. Winter wheat planting advanced to 74% complete, slightly ahead of the normal 73%, and 51% of the acreage has emerged. Pasture conditions improved somewhat with 27% of the acreage rated in good to excellent condition compared to 24% last week. The area rated poor to very poor declined from 42 to 41% and 32% was rated in fair condition compared to 34% a week ago.

Japan could lift beef restrictions

Japanese officials could alter restrictions on U.S. beef by the end of the month, but not expected to be implemented until next year. According to *Brownfield Ag News*, reports indicate that Japan's Health Ministry could receive approval relaxing the age limit on U.S. beef from 20 months to 30 months.

In 2003, Japan banned imports on U.S. beef after the first discovery of BSE, or bovine spongiform encephalopathy, which is more commonly referred to as "mad cow disease."

In 2005, the country began again accepting imports of U.S. beef, but only from cattle 20 months old or younger.

County Agent's Report

Brush control is a good activity for fall or winter

Brushy plants like mesquite, locusts, red cedars, greenbriar, etc. are difficult weeds to control. They invade fence rows and take over pastures if given the chance. In general, brush plant species lower the productivity of our land. A few wildlife species do thrive in the brush, but agricultural use is usually diminished as brush increases. Also, the native condition of the majority of Cooke County was open grassland; trees and shrubs were limited to certain areas. If brush is a problem on your land, if you use the proper control method for the type of brush and the time of the year you can achieve control all year long, including the fall and winter.

Because the invasion of brush is so rampant across Texas, many years ago an educational series was created for the purpose of providing brush control education to the people of Texas. The series is titled "Brush Busters." It is a cooperative program of the Texas AgriLife Research and Extension Service to expedite the adoption of Tactical Brush Management Systems technology it is updated regularly to provide the most current methods of control.

Brush Busters methods are easily understood, even by those with little or no previous experience in brush control. While other brush control methods are available, Brush Busters recommends only "select" treatments capable of killing at least seven out of 10 of the plants treated. Brush Busters methods make every attempt to keep equipment costs and complexity to a minimum, and whenever possible, to use non-restricted herbicides so that an applicator may not need to obtain a pesticide applicator license. You can find Brush Busters information at: <http://texnat.tamu.edu/about/brush-busters/> or by calling our office to request control information for your particular brush problem (940-668-5412).

In general, fall and winter chemical applications for the control of brush plant species will be low-volume basal applications of select herbicides or cut-stump treatments. Brush Busters may suggest some foliar applications also; the reader should be aware that these are generally reserved for spring or summer. Treatment in fall and winter will take a few months longer to visually see the results because there usually are no leaves to watch die. However, cooler weather and a lighter workload make the off-season a good time to do the work and it can be very effective.

Dates to remember

Nov. 6 - Cooke County Marketing Club, Cooke County Farm Bureau Building, Gainesville - 7 pm.

Grain sorghum damaged by early frost, freeze

Although an early freeze damaged grain sorghum in the Lubbock area earlier this month, experts say warmer temperatures will help its recovery. The Oct. 8 freeze is second earliest on record for the area, according to Dr. Calvin Trostle, a Texas A&M AgriLife Extension Service agronomist in Lubbock. The average first freeze date is Oct. 31.

"The bottom line is, if grain was largely at least in the soft dough stage, I am hopeful it will progress meaningfully toward a marketable test weight. If fields were still green and kernels were in the milk stage, there is little expectation of any sufficient grain development that would achieve a marketable test weight."

Fields that were in the milk stage may be assessed for hay or grazing value, but should not be considered for grain harvest.

"At this point, I have not seen any fields that I believe received a killing freeze, though reports indicate this might have occurred in a few fields," he said. "A killing freeze stops all growth immediately, whereas a light freeze mostly affects the leaves."

If enough of the plant's leaves are undamaged, the stalk is not frozen, and temperatures warm up, the sorghum may be able to recover.

Majority of U.S. remains in drought

Recent rains in the southern and eastern portions of the United States have helped to decrease the amount of the nation that is still experiencing drought conditions.

According to a recent Drought Monitor released by the U.S. Department of Agriculture, nearly two-thirds of the contiguous U.S. remain in drought. That is down nearly two percentage points from last month.

The report indicates that the drought is gradually intensifying across the Northern Plains where winter wheat, rangeland, and pastures continue to struggle against a lack of moisture.
