ENGINEERS BID ON INSIDE SEWER SYSTEM

Submitting bids by engineers for making plans, specifications, estimates of cost and supervision of work for the proposed new sewer disposal plant for the Southeastern Sewer, occupied the attention of City Council at its regular meeting Tuesday night. Mayor O. W. McDonald presided and with the exception of Alderman C. E. Boyett, all members of Council were present.

FOUR-IN-ONE CELEBRATION ON THANKSGIVING DAY BY PIONEER BROWNWOOD PAIR

W. T. Hoskinson

Mr. and Mrs. W. T. Hoskinson of 1107 Melwood Avenue will celebrate on Thursday, November 28, their forty-eighth wedding anniversary, both of their birthdays and Thanksgiving. Both were born on the 28th of November. They were married also on the 28th of November, 48 years ago. In the rotation of the days in the months as the years go by it so happens that every seven years Thanksgiving comes on the 28th and the couple celebrate four events on the same day every seven years.

MAIN AVENUE HOTEL PROJECT PROGRESSING

That the Main Avenue hotel project is to be carried through to completion, is assured by Ed B. Gilliam, Sr., and others interested in this work. Satisfactory progress in negotiations with a leading hotel operating company is being made. It is announced but until a contract with this company is actually consummated, further work will be held up. Although those interested in the Main Avenue hotel did not disclose the name of any operating company with which negotiations are being carried on, they have assured Brownwood that a contract will be made with one of the major operating companies, one that will lend prestige to Brownwood as a home for the traveling public.

THE STATE BANKS CLOSE DOORS IN OKLAHOMA

OKLAHOMA CITY, Nov. 27.—(AP)—C. Graves Shull, State Bank Commissioner, announced today that 12 state banks failed to open their doors today. The closings were an immediate result of the sudden death last night of H. A. McCauley, 55, of Sapulpa, who was interested in all twelve. Representatives of the State Bank Department were placed in charge at each institution. The banks announced to be closed were: Sapulpa State Bank; the Bank of Mounds; Henryetta State Bank; Bank of Commerce, Weleetka; First State Bank, Vian; Citizens State Bank, Webers Falls; Davenport State Bank; Oilton State Bank; First State Bank, Terling; Avant State Bank; Keystone State Bank, and the Bank of Kellyville.

POSTMASTER STEWART URGES EARLY CHRISTMAS MAILINGS

"The post office will make every effort to handle the Christmas mails without congestion and delay, but owing to the enormous volume this can be done only with the co-operation of the public. Compliance with the following suggestions will greatly aid the post office and insure the prompt handling of your mail," states J. D. Stewart, postmaster. He offers the following information and suggestions: "Parcels should be mailed as early as possible as the volume of mail is increased two or three hundred per cent during Christmas. This in connection with the fact that terminals are congested and trains run late and the vast amount of inexperienced help makes early Christmas mailing imperative. Christmas parcels are usually two or three days longer on the way than at any other time, even to towns near by. "Pack all parcels well. Wrap in strong paper. Tie with strong cord. Address with pen and ink or typewriter on one side only. Be sure to put your name and address in the upper left hand corner. The sender and addressee's name and address should also be placed inside the package. "Greeting cards should also be addressed in ink or with typewriter and mailed at the earliest possible moment, December 15th is not too early. Patrons sending a quantity of cards should prepare and mail them two or three weeks in advance, as mailmen are mailed and they cannot possibly be handled and delivered if mailed only a few days before Christmas. To avoid this, patrons may mail their cards two or three weeks early, if delivered to the post office or tied in a bundle and labeled as Christmas cards. They will then be segregated, stamped with the date on which to be delivered, and delivery effected one or two days before Christmas. Parcels and envelopes may be indorsed, "Please do not open until Christmas. Christmas cards for local delivery should be mailed as soon as possible. If this is done they can be separated for the carriers and the box sections while the mails are comparatively light. "Use special delivery service for quick delivery, which is obtained by affixing a special delivery stamp of the proper denomination, or its equivalent in ordinary stamps, in addition to the postage. When ordinary stamps are used the words "Special Delivery" should be written below, but not on the stamps. "All parcels should be completely wrapped, packed and addressed before being brought to the post office as there is no material at the office for packing goods. "To Aid Patrons "Beginning about December 15th, there will be placed in the lobby of the post office a table, scales and a clerk to weigh and rate parcels. Please have this done before going to the parcel window for mailing as this will save time on the part of the mailer and also the clerk. "Help us get all of the outgoing mail, both parcels and cards, out of the office by December 21st, so we can devote our time to getting the mail you must receive delivered to you. Remember we have a Sunday just two days before Christmas. The windows will not be open nor will any deliveries be made. This means that there will be more than a double mail to be delivered on Monday and we must have as much time as possible to get it out. There will be no deliveries made on Christmas day of anything except special delivery matter. If we have to spend a lot of time on our outgoing mail a lot of people will be disappointed by not having their Christmas packages on "This is your post office and in a large measure the service you get is in direct proportion to the co-operation you give at a time like this. Help us to serve you!"

PLANS MADE TO CONTINUE BOY SCOUT WORK

Plans for the funding of a deficit of the Pecan Valley Council of the Boy Scouts of America, and of obtaining funds for next year's work were discussed by a group of about thirty interested persons who met with Jack Brunberg, scout executive, in the court house Tuesday night. The opinion of those present was to the effect that Brownwood could ill afford to be without the Boy Scout movement, that it would probably cost the citizens more if scouting was eliminated here. A deficit of over \$2,000 was found, and it was estimated that Brownwood would have to raise about \$5,500 in all to take care of this deficit and to carry on another year. This was just Brownwood's share for the 250 to 300 boys who are in scout troops in this city, any other money needed in the area to be used for the 400 or more boys outside of this city, to be made up in the area. John Starkie presided, and among those who had pertinent things to say on the subject were: Dr. R. A. Ellis, Dr. Mollie W. Armstrong, James C. White, Sterling Holloway, Judge E. J. Hays, Joseph S. Cook and Mr. Brunberg. Suggests Community Chest It was agreed among those present that the idea of the Scout movement need not be sold to them, but that it must be sold to the public. Mr. Cook said that the Community Chest idea was the solution to the problem of finances. He asked the question, if Brownwood could afford at this time to stop the movement in the city? Judge Miller said that without accepting the school system and the churches, there was nothing which would draw the attention of Brownwood as much as the Boy Scout movement, and that he would include a girls' organization along with it. "Brownwood will pay for the Boy Scouts anyway," said the judge. "If we lose the Boy Scouts as an organization, we will pay far more in the cost of crime here." The judge said that he did not know of a Boy Scout who had ever been before his or any other court on a criminal charge. He was for an organization which would have enough funds to take in all the boys of the city. Mr. Holloway was made chairman of a committee which would put on a publicity campaign for the next few days, after which it would go about raising, first the money to cover the deficit and then enough to put the council on its feet for another year. This money campaign would start December 9, it was decided. The area presided over by Mr. Brunberg, during the past two years, and in which there are at present about 700 Boy Scouts, includes the counties of: Brown, Comanche, Erath, Lampasas, Mills and San Saba. LOCAL FIRM GIVEN WIDE RECOGNITION IN TRADE JOURNAL A prominent Brownwood business firm, the Witcher Produce Company, was featured with a two page article in the November issue of the Dealers' Purinagraph, a national merchandising publication issued by the Purina Mills of Fort Worth and St. Louis. "The Witcher Produce Company is one of the oldest Purina dealers in Texas," states the editor of the article. "They bought their first carload of Purina—50,000 pounds—from St. Louis back in 1916, before there was a Fort Worth Mill. The feeders around Brownwood, Texas hardly knew what a checkerboard bag was. They know today. The Witcher Produce Company has seen to that." According to the article, the Witcher Produce Company usually runs near the top of the list of Texas dealers in the annual contest conducted by the Purina Mills. "We like that contest," stated T. E. Witcher, "we believe that we take more interest in building business because of contests than we would otherwise. Besides, we like to keep running ahead of the Mayhew Produce Company at Brady. "Of course," continues the article, "feed is just the heart of the Witcher Produce Company's business. They ship live poultry and other things. "We cull flocks for our customers when necessary," states J. Witcher. "We try to point out the common sense of this culling. If there is a small space between the pelvic bones, we just say to the customer, 'How can eggs come through there?' If the body capacity is small we say, 'This chicken has a small egg bag. How can she hold lots of eggs or lay eggs?' "The last several years the Witcher people ran a hatchery. The article is illustrated with pictures of T. E. and J. W. Witcher, a photograph of the firm's checkerboarded store and truck and a third picture showing how the Witchers use the raters under their sidewalk canopy to advertise Chow. F Harvey Morse, editor of the Purinagraph made a special trip to Brownwood several months ago to get material for this picture.

HUNTERS HOME WITH 14 BUCK AND TURKEYS

Hunting was fine and game was plentiful, stated a Brownwood hunter who returned home from a week's party on their return home Tuesday night from a week's hunt in Loyal Valley, southeast of Macon. And as proof of their statements, the party displayed 14 bucks and 8 turkeys, enough game to assure all parties concerned with tonight's feast on Thanksgiving. "Those in this party were," Hans Schroeder, Bluford Adams, W. J. Schroeder, Dr. J. M. Horn, Rev. C. A. Johnson, Earl Foster, Claude Aubrey, J. C. Aubrey and Henry Perry. Several of the party killed their limit for the season, while others brought home only one and went to get the other one before season closes. These men hold the distinction of being brought home the biggest animal of the year, to date, but Brownwood hunters are still in action.

JIM HODGES GIVES BOND

STINETT, Texas, Nov. 27.—(AP)—Jim Hodges, who with former Constable Sam Jones of Brownwood is indicted in connection with the murder of District Attorney John A. Holmes, was free on bond today while his erstwhile companion still sought a surety for \$9,000. Hodges' bonds, \$7,500 on the murder indictment and \$1,500 on a liquor charge, were approved yesterday when his bondsmen scheduled sureties totalling \$94,000. Jones is seeking bail of similar amount.

BODENHAMER DUE IN TEXAS LATE THURSDAY

FORT WORTH, Nov. 27.—(AP)—O. B. Bodenhamer, National Comptroller of the American Legion, will arrive in Brownwood late Thursday night and on Friday night will address Legionnaires of north, east and west Texas. Dr. W. J. Danforth, chairman of the entertainment committee, and J. H. Kane Post, stated in charge of members of the Legion to attend.

ART SHIRES FIGHTS DEC. 9

CHICAGO, Nov. 27.—(AP)—Charles Arthur (the great) Shires will make his debut as a professional fighter December 9 under the promotion of Jim Mullen. "I'll knock a lot of those bums stiff," said Mr. Shires, who is first baseman, off and on, for the Chicago White Sox. "I'll make myself \$20,000 in the off season. Then next spring I'll go out and knock a lot of pitchers loose from the box." Promoter Mullen said Shires is "a big, powerful fellow, who should make a good fighter." Shires' opponent was not announced.

CONTRACT LET FOR PORTION OF HIGHWAY 129

The firm of Huddleston & Work of Crosbyton, now at Hamlin, was the lowest of ten bidders for work on Highway 129, and the State Highway Commissioners gave this firm the contract Tuesday according to Judge E. M. Davis and Engineer Leo Ehlinger, who returned from Austin Wednesday morning. A working order will be issued within a few days, and work on this highway will begin within fifteen days from that order, Judge Davis said. The Huddleston & Work bid was for \$59,024.91 for that section of Highway 129 which starts with its juncture with Highway 10 about a mile and a half east of Brownwood and runs for ten and three-quarter miles to about two miles past Owens. This contract calls for the grading and the drainage structures along this route, contracts for the right of way of which were completed Monday. It is expected that the work will have to be completed within 150 days from the time the contractors begin work. "This is about \$3,000 cheaper than the engineer's estimate for this work," Judge Davis said. He also said that the bids were very close to the winning firm's figures, the two next lowest being within a hundred dollars of the Huddleston and Work bid. The highest of the ten bids was slightly over \$71,000.

PRODUCTION IN ONE DEAD AND SEVERAL HURT 1908 BARRELS IN COLLISION

The No. 4 Belvin of the Darby Petroleum Company in the George pool in the Grosvenor area, which was brought in a few days ago, had an initial production of 157 barrels. The E. L. Smith Oil Company No. 21 George, the last well in that field topped the sand at 1,329 feet and has been drilled to the depth of 1,350 feet and had an initial production of 100 barrels. The Texas Company has made two new locations, one located 150 feet south of the No. 4 Belvin and one 150 feet north of the No. 4 Belvin. The Texas Company is cleaning and swabbing the No. 6 Kesler. Production in this field for the last twenty-four hours is: The Texas Company's Nos. 1 to 12 Kesler, 504 barrels. The E. L. Smith Oil Company's Nos. 1 to 12 George, 770 barrels. The Darby Petroleum Company's Nos. 1, 2, 3, and 4 Belvin, 273 barrels. G. A. Buder's Nos. 1 to 6 Kesler, 203 barrels. Green Production Company's Nos. 4, 5 and 6 Davis, 158 barrels.

CASA GRANDE, ARIZ. NOV. 27.—(AP)—An Oklahoma girl was dead and a California man was believed dying today as the result of a head-on collision of two automobiles on the Casa Grande-Tucson Highway No. 21, George, the last well in that field topped the sand at 1,329 feet and has been drilled to the depth of 1,350 feet and had an initial production of 100 barrels.

The accident occurred as dusk overhung the highway at sundown yesterday. The cars—nine persons in one and five in the other—collided and were demolished. The dead: Miss Virgie Williams, Maude, Okla. Probably fatally injured: N. J. Cavalieri, Pasadena, Calif., broken hip, crushed chest. Other injured: Miss Mabel Bradshaw, Maude, Okla., possibly fractured skull; Miss John Williams, mother of Miss Williams, lacerations; Arthur Williams, cuts on head and left shoulder; Mrs. Arthur Williams, broken jaw; Mabel Williams, lacerations; William Williams, lacerations; A. C. Thomas, Phoenix, broken hand, injured leg, face lacerations; Mrs. A. C. Thomas, cuts and lacerations; two Thomas children, cuts and bruises. Cavalieri was driving the car containing Dr. and Mrs. Thomas and their two children, and Miss Bradshaw was driving the automobile in which the other injured and Virgie Williams were riding.

NEW FIRES IN OREGON

GRANTS PASS, Ore., Nov. 26.—(AP)—Seven serious new fires raged in forests on the west coast of Oregon today. The Gold Beach fire, reported to have been controlled, was said to have broken out anew. Communication with most fire fronts was maintained by runners, flames having destroyed telegraph and telephone lines. Reports from most fronts were meager but indicated conditions were serious. James Billingsley, district forest ranger, was on a survey trip. Billingsley declared reports of losses indicated fire conditions may have tracked a critical stage. All available men were rushed to fire fronts.

Pupils in Voice And Piano Render Recital Tuesday

The School of Music of Howard Payne College presented students in recital, Tuesday night in the college auditorium. Owing to term examinations and football activities, the crowd was small but very appreciative. The pupils participating were from the vocal and piano departments under the direction of Cameron Marshall and Lyman Stanley. The program as a whole was an interesting and varied one, pupils in both departments showing most careful and constructive work. Those taking part were: Voice—Inez Preteck, Indian Creek; Greta Little, Goldthwaite; Kenneth Wise, Marion, Ill.; Mrs. Keith, Brownwood; Marian Lucille Donaho, Comanche; Eiland Scarborough, Tyler; Margaret Wilson, Corsicana; Piano—Katherine Ashcraft, Bangs; Doris Scott, Brownwood; Mildred Usary, Brownwood; Nilda Archer, Abilene; Jane Woodward, Brownwood; Mary Talbot, Brownwood.

NURSES OF DISTRICT ELECT OFFICERS AT MEETING HELD HERE

The graduate registered nurses of District 16, Brown and surrounding counties, met at the Central Texas Hospital in the nurses' living room for their annual meeting a 2 p. m., Tuesday. The meeting opened with prayer by Rev. A. E. Price, Dr. Jewel Daugherty then made short talk. A duet sung by Miss Roy, and a Medley of Brady, first vice-president; Miss F. Baca of San Angelo, second vice-president; Mr. D. G. Gayner of San Angelo, corresponding secretary and Miss Kowerski of Brownwood, secretary-treasurer. There were nine new members taken into the association, and a business discussion on different subjects of the association was held. Those present were: Miss Ward, Miss Baca and Mrs. Gayer of San Angelo, Miss Medlin, Mrs. Marquial, Miss Bernquist and Miss Mullins of Brady, Miss Melvin and Miss Stii, of Santa Anna, Miss Alexander and Miss Kemp of Balingier and the local nurses; Mrs. Franklin, Miss Thompson, Miss Schneider, Miss Kothman, Miss Schoelmer, Mrs. Jones, Miss Youngquist, Miss Livingston, Miss Lappe, Miss Wilford, Miss Knox, Miss Cannon and Miss Krowchke. The next meeting of the association will be held in San Angelo sometime in January and the State secretary is expected to be present.

Hundreds Subscribe For Banner Bulletin Past Few Days

We have been swamped with orders for the Banner-Bulletin since announcing a premium given with each new subscription or renewal of this newspaper. We have been kept busy recording the requests for a pair of durable scissors with one year's subscription or for a set of three scissors with a two years' subscription, or one of the other premiums. The majority of our order for these premiums have not yet arrived, therefore we are unable to fill each order as it arrives, but will mail the premiums just as soon as more are received. We expect to catch up at least early next week, and we have plenty coming all the time in order that there will be no delay hereafter. If you have not renewed, better send in your check now and get one of these valuable premiums. They make excellent Christmas gifts and the very article every housewife needs. The holiday rates, now being offered, are exceptionally low, and you get the best weekly newspaper to be found anywhere. One year \$1.00, two years \$1.50.

80 HEARD BY EASTLAND JURY

EASTLAND, Tex., Nov. 26.—(AP)—Having questioned more than 80 people as to their knowledge of the lynching of Marshall Rattiff, bank robber, a week ago, the grand jury questioned a new list of witnesses today in its efforts to fix responsibility for the mob outbreak. No indications were given as to when the inquiry would end, or as to the possibility of indictments. County authorities yesterday were assured by the attorney general the state would give any aid it could in punishing the mob leaders. The telegram said, however, county authorities appeared to be handling the situation well.

CROSS COUNTRY MEET OF TIAA

Daniel Baker College will be hostess to the 1929 T. I. A. A. Cross Country meet here Thanksgiving (tomorrow), this annual affair being scheduled to be staged between halves of the Daniel Baker-Abilene Christian College football game. Six teams representing as many schools of the T. I. A. A. will be here for this annual endurance test for the association's hurriers. Abilene Christian College, Daniel Baker, Sam Houston, Southwest Texas, North Texas Teachers and S. F. Austin will compete in this annual affair.

SERIOUS COLEMAN BLAZE PREVENTED

COLEMAN, Texas, Nov. 26.—(Sp.)—Fire of unknown origin at eleven o'clock Sunday night completely destroyed a rent residence belonging to J. R. Moore and located on Third Street, causing a loss of \$2,500 with \$1,500 insurance. The house had been vacant for about one week. It was the old Moore homestead. While the firemen were at the blaze on Third street an alarm from the business section of the city was turned in and quick work on the part of the fire department prevented a serious blaze in the downtown section, when they put out a blaze in the balcony of the Man's Store on Commercial avenue. The damage to building and contents at the last fire will not amount to over \$600, according to estimates made today. The origin of the fire is unknown.

Will Be Returned to State Prison

FORT WORTH, Nov. 26.—(AP)—H. G. Davis, 33, escaped convict captured near here, will be returned to the penitentiary soon. Davis and three companions, two of them women, were captured yesterday after a call had been received from Grand Prairie that a filling station operator had been "short changed" \$10. He at first gave the name of Thomson, but later admitted his name was Davis. He escaped from the Imperial State Farm on October 5, 1928. He had served fourteen months of a two year term for passing forged instruments in Liberty county, Davis also served a two year sentence in Kansas for violation of the state banking laws. His term was completed in 1922.

Big Panther Killed By Coleman Man

A seven foot panther was reportedly killed in Presidio county this week by a seventy-one year old man of Coleman county. A group of three men, including Frank Mills, sheriff of Coleman county; P. F. Dyches of Coleman; and John Cox of Gould, made up the party which hunted down the Mexican border. Two large bucks were killed and Mr. Cox shot the panther.

Half of County Teachers to Attend Dallas Meeting

Possibly one half of the 130 teachers of rural schools in Brown county will attend the Dallas convention the last half of this week, according to J. Oscar Swindle, county superintendent. He said he hopes the various district trustees will see fit to accord the teachers who attend this convention with a two day holiday with pay, as the benefits for the school will be manifold.

Coleman-Rising Star Play Thanksgiving

COLEMAN, Texas, Nov. 27.—The Coleman Bluecoats will meet the Rising Star high eleven in a game at Coleman Thanksgiving Day, according to a statement made by Coach Dickson. The team disbanded after the Eden game last Friday, but were called back today for mysterious reasons and began practicing and have matched the game with Rising Star so that they will be in tip top shape for any post season game that they may be called upon to play. Coleman enthusiasts are glad of the opportunity to see the boys in action again.

NEGRO WOUNDED

CHILDRESS, Texas, Nov. 25.—A negro, alleged to have been involved in bootlegging activities, was injured in a gun fight here yesterday with Frank West and Don Dean, city officers. Eighteen gallons of whiskey were found in the trunk of the automobile. The fight took place when the officers approached the car to question the negro. Qui Anne, who reigned over England from 1702 to 1714, gave birth to children, not one of whom inherited her.

News of Brown County Communities

May

There will be two days holiday for Thanksgiving, the twenty-eighth and twenty-ninth, Thursday and Friday of next week.

The graduating class composed of Misses Annie Mae Lappe, Willie Mae Dewbre, Clara Cook, Edith White, Lois Ford, Vera Atherton, Messrs. Wyke Turpin, Aubrey Stephens, Sam Thomas, Orville Wells, Buret King, Norris Hickman and Gilbert Medcalf enjoyed an opossum hunt Monday night. The girls carried sandwiches and the boys marshmallows and wienies.

Quite a number of people from May attended the school carnival given by the Williams Consolidated School last Saturday night, and enjoyed it very much.

Club Notes

The Ladies Home Demonstration Club will meet next Wednesday, the twenty-seventh, Miss Mayeste Malone of Brownwood, will be present and give special instruction on Christmas candy making. Everyone bring their note book.

The Rebekah Lodge met last Tuesday evening with a good attendance. There were six new members added to their number. These new members will be taken to Brownwood or some nearby lodge Monday night and given special degree work. Mrs. Fannie Vanderveer and Cecile Petty gathered the Thanksgiving offering for the old folks home in Ennis, and saw to sending it a way. Each member donated at least one quart of fruit. Officers were nominated for the coming year.

THANKS—THEN AND NOW

On this memorable occasion three hundred years ago, the first Thanksgiving was observed. The Pilgrim Fathers felt that they had much to be grateful for, in comparison how much more ought we be filled with gratitude.

We are thankful for the wonderful co-operation from the people of this community and this county and the splendid patronage we have enjoyed during the past year.

Phone 179 Brownwood We Deliver Anywhere

Bangs

Last week the writer stated that the two year old daughter of Mr. and Mrs. W. B. Kellor had died in the Santa Anna hospital, when it should have read the two year old daughter of Mr. and Mrs. Hiram Wingfield, died near Santa Anna. We regret very much to have made the mistake but glad to correct the error.

Mr. May Triplett is reported on the sick list this week.

Mr. and Mrs. Aaron May are visiting relatives in Ft. Worth.

Mr. and Mrs. J. M. Preston, and children of Winters, visited relatives here Sunday.

Miss Melba Bettis of Brownwood spent the week-end with Mrs. Lee Arthur Rochester.

Colesta, the daughter of Mr. and Mrs. Bunyan Norris, still remains very ill at the home of her parents west of town.

Miss Estelle Sikes of Brownwood, spent the week-end in the home of her father, E. B. Sikes and family.

Howard Moran, and wife, who have been living on the Edd Leach farm, left this week for Winters.

MANY BROWN COUNTY TEACHERS WILL ATTEND STATE MEETING

Reports from both E. J. Woodward, city school superintendent and Oscar Swindle, county superintendent, say that Brownwood and Brown county will be well represented at the State Teachers Association on Thursday, November 28.

Attending the association is optional with the teachers of the schools but most of them want to attend because of the valuable instruction and information gained at such meetings. Mr. Woodward plans to attend and says that 75 percent of the city school teachers will be at the meeting. Mr. Swindle is making arrangements to be there and states that a larger percent of the teachers from the county schools are planning to attend than ever before.

The most prominent educators of the day are at the meetings and give lectures. The problems of the schools are discussed and worked out. The progress of the individual school and of all the schools in the state are recognized and brought to the attention of delegates at the association.

7 INDICTMENTS BY GRAND JURY

Seven indictments have been returned by the grand jury this week, this body having begun work Monday morning. They recessed Friday evening to begin work again Monday morning.

The indictments include: R. H. McNurlen, charged with burglary; Audrey Fomby, burglary; W. P. Rich, driving while drunk; C. R. Tubbs, liquor; Bill Truly, driving while drunk; Pete Smith and Mrs. Myrtle Smith, possession and sale of liquor; and Elmo Reasoner, burglary.

John Buford, who has been under indictment for some time, charged with robbery with firearms, was released Friday to Guadalupe county officials who took him to Seguin to answer a charge of burglary.

The grand jury this session includes the following members: E. W. Gill, foreman; James L. White, R. L. Fry, J. F. Patsick, C. M. Kilgore, A. P. Brown, T. C. Brown, W. H. G. Chambers, W. P. Eads, J. R. Grand, C. N. Bruton and Joe Dabney.

Monday morning will open the criminal docket of District Court, with over fifty old cases to dispose of first. Some of these are three and four years old and officers want to see the docket clear for the new ones which are probably due this session.

Bags First Buck He Ever Saw Wild

Dr. C. C. Bullard of Brownwood was initiated into the hunting game last week by bringing down the first buck he had ever seen in the open, and he did it with his first shot.

Dr. and Mrs. Bullard, with Mr. and Mrs. C. T. Corwin and Mr. and Mrs. John Alvarez, hunted in that part of Texas which lies about forty-five miles southwest of Falfurrias. Here the party got two bucks.

This was the doctor's first deer hunting trip and he bagged the first one he ever saw. It was a seven point bright tailed buck and weighed 108 pounds when dressed, he said.

Skin Game Pays But The Wrong Way

Martin Miller of Holder was seen in town Monday by Carl Adams, State Game Warden, with a number of possum pelts in his possession. As it is against the law to skin these animals before December 1, this skin game was ruled out of order, and Mr. Martin paid a fine and costs totalling \$23.50 in Judge E. T. Perkins' court for his work. Incidentally the pelts were confiscated.

ONE OF COUNTRY'S LARGEST AIRPLANES BE HERE THURSDAY

An eighteen passenger monoplane, made last year at the Ford works in Michigan, is scheduled to visit Brownwood Thursday and take up passengers. This is a three motored cabin plane owned by J. M. Kenyon and Jiggs Ramsbach, and was in Brownwood last Christmas, though due to no adequate field being available for passenger carrying, did not stay.

The pilot, R. S. Griggs, will put the big ship down inside the race track at the fair grounds and from there will take up passengers. The ship is one of the largest in the United States, and is similar to ones being used on big air transport lines over the country.

With its three Wright Whirlwind Motors of 220 horsepower each, and a fuel capacity of 245 gallons of gas an 15 gallons of oil, it can fly from 500 to 600 miles at a rate of between 90 and 110 miles an hour.

The big ship weighs 6,400 pounds when loaded, has a 78 foot wing spread, is 12 feet high and forty-nine feet and eight inches from the center propeller cap to the trailing edge of the rudder. Inside it is equipped with comfortable wicker chairs and lounges and has a toilet.

Since being here last year this ship has traveled thousands of miles over the country and has taken aloft many thousands of passengers.

Twenty Men Want To Build Fences On Highway Ten

About twenty men and firms bid on the fence work on that section of Highway 10 between Brownwood and the Comanche county line, submitting their bids to the Commissioners Court Monday. Checking all of them was interrupted by Judge E. M. Davis and Engineer Leo Ehlinger having to leave early for Austin where they were with the State Highway Commission. Contracts will be let shortly.

As test pilot at the naval air station here, Cuddahy was regarded as one of the most experienced of naval pilots. The plane was purchased by the Navy for study and experimental purposes after the Schneider cup races last September when British airplanes established new records for speed. The craft was known as a Bristol Bulldog. It was a single seated biplane, constructed to obtain a speed of 180 miles an hour with full military load.

Well Known Navy Flier Is Killed

WASHINGTON, Nov. 25.—(AP)—Lieutenant George T. Cuddahy, one of the Navy's best known fliers, was killed today in testing the new British all metal airplane recently purchased by the Navy.

As test pilot at the naval air station here, Cuddahy was regarded as one of the most experienced of naval pilots. The plane was purchased by the Navy for study and experimental purposes after the Schneider cup races last September when British airplanes established new records for speed.

The craft was known as a Bristol Bulldog. It was a single seated biplane, constructed to obtain a speed of 180 miles an hour with full military load.

Attempt Made on Archbishop's Life

VATICAN CITY, Nov. 25.—(AP)—A Swedish woman named Marguerite Gudum attempted to shoot Mgr. Smith, titular Archbishop of Paralo and former Apostolic Vicar of Norway, in St. Peter's Cathedral yesterday.

The woman, who seemed to be mentally deranged, was disarmed by visitors to the Cathedral and handed over to the Pontifical gendarmes.

This was the first attempt at a serious crime in the newly formed Vatican City.

She approached Mgr. Smith on Saturday and asked him for employment at the Vatican. Mgr. Smith is a native of Holland.

REAL PRODUCERS
A six-pound hen laying 144 eggs in a year produces about three times her own body weight, according to the United States Department of Agriculture. One laying 240 eggs produces about five times her own body weight.

SOVIET - CHINA WAR SERIOUS

WASHINGTON, Nov. 25.—(AP)—Secretary Stimson said today he regarded renewed warlike activities between the Chinese and Soviet as serious, and in the event any suggestion on the part of the United States might be thought of value in clearing up the situation it would be made by the American government.

He added activities in the far east were being watched closely. It was made clear at the state department, however, that many of the reports of the situation there were believed to be exaggerated.

Mexican Cabinet Forecast Made

NOGALES, ARIZ., Nov. 25.—(AP)—The Herald published today an announcement from what it termed reliable Mexican sources disclosing the tentative cabinet of Mexico's newly elected president, Pascual Ortiz Rubio.

The cabinet includes two former chief executives, Plutarco Elias Calles and the retiring president, Emilio Portes Gil.

The personnel of the cabinet, the announcement said, will be:

Pascual Ortiz Rubio, president-elect; Plutarco Elias Calles, secretary of the Treasury; Emilio Portes Gil, secretary of state; Perez Tremino, secretary of Agriculture; Luis L. Leon, secretary of Industry, Commerce and Labor; Fernando Zaragoza, secretary of Communications; Puig Casauran, secretary of Education; Aaron Saena, secretary of Mines; Joaquin Amaro, secretary of War; Alberto Pani, minister of Foreign Relations.

Arguments Start in Ellison Trial

LIANO, Texas, Nov. 25.—(AP)—Arguments were started today in the B. F. Ellison murder trial here after Judge J. H. McClean had delivered his charge to the jury. Ellison was charged with slaying L. C. Callaway. His father is to be tried in the same killing.

Clubs having a total membership of more than 2,000 were added to the Indiana state federation in the last two years.

Mexico Wants Bull And Cock Fighting

MEXICO CITY, Nov. 26.—(AP)—A storm of shouts and boos, sprinkled with laughter, greeted presentation in the chamber last night of Deputy Luis P. Sotelo Regil's bill to purge Mexico of bull fighting, cock fighting and boxing.

The cries were the Spanish equivalent of the American "throw him out" and "throw the bill in the waste basket." The reception was so noisy the secretary was forced to cease reading the bill, which was turned over to a committee.

The newspaper El Universal interviewed various members of the senate to obtain their reaction. Senator Isaac Diaz De Leon said Deputy Sotelo should be buried "standing up" for his foolishness. Senator Esther Estrada said bull fighting had made the Latin race courageous.

Another Liquor Arrest Made Here

Mrs. Gordon Black was arrested by the sheriff's department Saturday night and taken to the county jail on liquor charges. Sheriff M. H. Denman said that he and his men found whiskey and paraphernalia for bottling much of it in her place on West Baker Street.

DOAK ROBERTS TEXAS LEAGUE HEAD IS DEAD

DALLAS, Nov. 25.—(AP)—J. Doak Roberts, president of the Texas Baseball League since 1920 and one of the game's most popular figures, died at his home here today after an illness of more than a year. He was 58.

Mr. Roberts was thought to have recovered from his lengthy illness and attended a recent meeting of Texas League officials. He suffered a relapse several days ago, however, and sank rapidly. He is survived by his widow and one son, M. Doak Roberts, who lives here.

Mr. Roberts devoted the greater part of his life to active participation as a club owner and as an executive of the Texas League. For the greater part of the past season he was on a leave of absence. If his health permitted, he was to have returned to active leadership Jan. 1st.

PERMIT FOR CONSTRUCTION HOTEL ISSUED

A building permit was issued today by the City of Brownwood, for the erection of a twelve story, 216 room hotel to be built on the corner of Baker and Plisk at a cost of \$350,000.

The permit was asked for in the name of Hotel Brownwood, Inc. Construction will start, according to Wyatt C. Hedrick of Fort Worth, as soon as the firm now occupying that corner, Austin Morris Company, has moved out, which will be by January 1.

This hotel idea was placed before the directors of the Chamber of Commerce on October 14, that body approving the plans and giving its endorsement to the idea. A committee immediately went to work to secure the first \$100,000 which was to be raised locally. This was put over in a few weeks time, and a charter was granted the company under the name of Hotel Brownwood, Inc.

Callahan Road Bonds Defeated

BAIRD, TEX., Nov. 25.—(AP)—Unofficial incomplete returns from Saturday's special election indicated the Callahan county \$1,000,000 highway bond issue was defeated. With two boxes unheard from, the returns showed 847 against and 813 for. Proponents plan to seek another election.

TEXAS PLANS TO ENTERTAIN BODENHAMER ON STATE VISIT

AUSTIN, Tex., Nov. 26.—(AP)—Plans for the entertainment of O. L. Bodenhamer, national commander of the American Legion, on his official visit to this state Nov. 29—Dec. 1 have been practically completed, according to R. O. Whiteker, state adjutant.

The national leader, accompanied by Ernest Cox, state commander will arrive in San Antonio Nov. 30 in time for breakfast. He will go to Kerrville to inspect the legion hospital and return to San Antonio that night to address the south Texas Legionnaires.

A conference of the commanders and adjutants of Texas at which Bodenhamer will be the guest of honor will be held in Austin the morning of Dec. 1.

Defense Counsel Considers Question New Ellison Trial

ELIANO, Texas, Nov. 27.—(AP)—Defense counsel today were considering whether a new trial would be asked for B. F. Ellison, convicted of the slaying of L. C. Callaway and assessed a five year sentence by a jury yesterday. The verdict was returned after 23 hours deliberation. D. K. Ellison, father of the convicted man, is yet to be tried on the same charge.

Auto Accident Near Waco Fatal

WACO, Texas, Nov. 25.—(AP)—John H. Sherrard of Menlow was injured fatally when struck by an automobile on the Waco-West Highway as he stepped from behind a parked car. Two hours later Bill Barnett of Waco was injured fatally near the same place when struck by an automobile driven by G. C. Schoonmaker of Vernon.

In the last two years the number of straw hats exported from the Philippines has doubled.

Thomas S. Palmer, a locomotive engineer, is Mayor-elect of Jeterborough, England.

"TIGER" TO REST IN TOMB HE CHOSE FOUR YEARS AGO

Georges Clemenceau, the "Tiger of France," was buried in a tomb erected under the guidance of his own hand. This exclusive picture shows the gravestone erected secretly by Clemenceau four years ago on his estate in southern France. It is deep in the woods and so completely surrounded by trees that few people have ever seen it and only a small number knew of its existence. The grave of his father, shown at the left, is directly beside the spot the "Tiger" picked for himself. A cameraman for NEA Service and The Bulletin was allowed to take the picture only after he had promised Clemenceau it would not be used until after his death.

May Call Special Session of Grand Jury at Stinnett

STINNETT, Tex., Nov. 27.—(AP)—Return of Judge E. J. Pickens from Canadian Friday was awaited today to determine whether a special grand jury session would be called to consider the arrest of Torrence Popejoy in connection with the robbery of the Stinnett State Bank.

The other three men, Reuben Franks, assistant cashier, W. R. Smith, and J. W. Adams, who were arrested prior to Popejoy's arrest, have already been indicted.

Bananas grown in England were shown for the first time in 25 years at the recent horticulture show at London.

Blanket

(CONTINUED FROM PAGE TWO) the oldest daughter of Mr. and Mrs. Len Whitmire of the Antioch Community, and was a member of the 1929 graduating class at Blanket. The groom is from Sidney. This young couple has a host of friends who wish for them the greatest of success and happiness as they go through life together.

Mr. and Mrs. Joe W. Dabney were visiting in Brownwood Monday. Melvin Edlings returned home Saturday evening from Littlefield, where he has been working.

Lacon Mathews and Neil Shaw of Brownwood, were visiting here on Sunday.

Rev. and Mrs. J. B. Henderson were visiting in Brownwood Sunday afternoon. Roger Beiler was a Brownwood visitor.

Mr. and Mrs. M. W. Vernon received a message the first of the week, stating that their son, J. D. Vernon of Brady, had been hurt in a car wreck, but no serious injuries. Miss Pearl Hawkins and Mrs. James Hawkins were shopping in Brownwood Saturday.

Ben Robertson and family returned home Monday from Knox City, where they have been working. S. B. Hedden was a Brownwood visitor on Friday.

Cross Cut

Tuesday, November 26, the Cross Cut Tigers and the Santa Anna Mountaineers met on the gridiron at Cross Cut, to play the best game that has been played this season. The game was called at four o'clock.

When the whistle blew the two teams clashed together like wild beasts. The Santa Anna team was somewhat surprised at the way the Tigers played.

The first and third quarter the Tigers played the second team and the second and fourth quarter they played the first team.

During the last quarter Lawrence Byrd, right tackle broke his collar bone.

The score was 24-0 in favor of the Mountaineers. The Tigers are planning to close the season with a victory over the Bangs Dragons.

The Coleman "Blue Cats" invaded the fair of Cross Cut "Tigers" Friday, Nov. 22 and won a hard victory. Score 7-0 in favor of "Blue Cats". The lone touchdown of the game was made in the last five minutes.

Both teams played a brilliant game. The "Blue Cats" drew about fifty yards in penalties while the "Tigers" were not penalized a single time. The teams were about on par as to the number of first downs,

which were made. Nobody was seriously injured in the game although the "Blue Cats" right half was missing a very bloody nose at the close of the game.

The "Blue Cats" certainly showed themselves to be good sports and clear fighters. We hope to tangle with them in basketball later this season.

The Sophomore Class put on a program in chapel Monday morning, showing good and bad habits.

Quite a few new books have been added to the library both in grammar school and high school, and more are expected to arrive any day.

Mr. and Mrs. Paul McCasland entertained the faculty and trustees Friday night with a forty-two party. All reported a good time.

The Junior B. Y. P. U. had a winners' roast Saturday night. Many games were played around the bonfire then the cats were prepared and rapidly made-a-way with.

The infant son of County Clerk and Mrs. L. B. Porter, died at their home on North Parkes Street last Sunday evening. The grief-stricken parents and other relatives have the sincere sympathy of all who know of their great sorrow.

Mrs. E. M. McLean happened to a very painful accident one day last week. She cranked her car while it was in gear and it ran over her. Two wheels passed over her body. Fortunately no bones were broken and her many friends are glad to learn she is recovering.

County Clerk L. B. Porter issued marriage license last week to J. D. Hodges and Miss Lora Berry, both of the Pleasant Grove community.

Miss Bess Hutchings of the Center Point community attended church here last Sunday and spent the remainder of the day with her uncle and aunt, Mr. and Mrs. C. H. Ford.

Mr. and Mrs. Harry Palmer made a business trip to Post, returning the first of last week.

The Baptist Sunday school reports an average of 221 in attendance so far this month.

Dr. Lowrie of Post is here visiting his daughter, Mrs. Harry Allen and family. Dr. Lowrie formerly lived here and has a host of friends who are always glad to see him.

The Mill County Singing Convention will meet in Big Valley the first Sunday in December.

The continued bad weather has caused the work on the Gusher building recently damaged by fire to be very slow. When the new front is put in and other repairing done it will be a much nicer building than before.

Mrs. P. G. Palmer is on the sick list this week. We are hoping for her speedy recovery.

The little son of Mr. and Mrs. Elmer Knowles died in a Brownwood

sanitarium last Friday. The little fellow developed diphtheria Thursday and was carried to the sanitarium and everything done that was possible for skilled physicians and loved one to do, but in spite of all he passed away. To the sorrowing ones we offer sympathy.

CLEAR CREEK CLUB NOTES

The Clear Creek Home Demonstration Club met in the home of Mrs. Lewis Guyer, November 28th, with only a few members present on account of the bad weather.

Then on November 23, several met other representatives from the various other community clubs of Brown county, in the home of Mrs. H. G. Lucas.

We were given permission to give her lovely new home throughout, after which a delightful refreshment was served. For this pleasure we thank Mrs. Lucas, who is a charming hostess, and Mrs. Malone.

REIGN OF TERROR FOLLOWS LAW'S ATTEMPT PUNISH NIGHT RIDERS

MOUNTAIN VIEW, Ark., Nov. 26.—(P)—Sheriff Sam Johnson of Jones county declared today a "reign of terror" had been created in the St. James community in order to seal the lips of citizens regarding a series of crimes by a band of night riders that culminated in the murdering and burning alive of a young farm laborer.

"Every one who knew anything about the slaying of Connie Franklin and an attack on his sweetheart was terrorized by a band of men who threatened any one who gave information to us," he said.

Get Clue in Note
"But for a note thrown outside the jail by Ross Younger, a brother of Bill C. Younger, one of the men under indictment, we might never have uncovered information about the slaying," the sheriff added.

"In his note Younger said he knew all about the slaying and unless his brother and others he implicated in it obtained his release on bail on the night riding charge against him, he would tell all he knew."

Bill Younger, father of five children, and four others are in jail charged with first degree murder and four others are being sought. Two of the men held also face statutory charges.

Four other men are sought also. The girl's account of the torturing, mutilation and burning alive of her sweetheart was substantiated by a written statement of a deaf boy.

Accosted on Road
Both were quoted by Sheriff Johnson as saying a band of men accosted the girl and Franklin on a lonely mountain road the night of last March 19. Franklin was beaten and then tortured, she said, and after he fainted from the pain the men, thinking him dead, built a fire of logs and placed his body on it.

The father of the girl was severely whipped by night riders the night before the slaying, Sheriff Johnson said. He said, however, he had been unable to connect this whipping with the men who he charges slew Franklin.

SURRENDER OF GEORGE SUNDAY TO OAKLAND POLICE IS EXPECTED

SAN FRANCISCO, Nov. 25.—(P)—George M. Sunday, son of the evangelist, Billy Sunday, was supposed today to be enroute from Santa Cruz to Oakland to surrender to police there on a grand theft charge, while Los Angeles police sought him and Mrs. Mauryne La Salle, Hollywood cloak model, on warrants charging adultery.

The theft charge against Sunday said to have resulted from failure to return a rented automobile during the specified time, he was arrested in Santa Cruz on request of Oakland authorities and released on \$500 bond after promising he would surrender today to Oakland police.

A woman with him at Santa Cruz was supposed to be Mrs. La Salle. The Los Angeles charges against the two were sworn to by Mrs. Sunday, who said she intends to sue for divorce. Mrs. Sunday reported she and several other persons surprised her husband and Mrs. La Salle in her home last month.

Two railways of great importance to southern Anatolia are under construction in Turkey.

BROWN COUNTY ROAD CONTRACT BE LET TODAY

AUSTIN, Nov. 26.—(P)—After letting contracts yesterday aggregating \$628,349, the state highway commission planned to make awards on nearly as much construction work today.

In addition it was considered possible the commissions of Oklahoma and Texas would let contracts for construction of three bridges across the Red River, costing approximately \$690,000. Bids on the structures were opened yesterday.

Projects on which contracts were expected to be let today were in Anderson, Houston, Caldwell, Childers, Brown, Brazoria, Refugio and Mitchell counties. Yesterday work was contracted for in Waller, Grayson, Harris, DeWitt, Hudspeth and Medina counties.

The commission agreed to contract highway 109 from near Los Fresnos to Point Isabel in Cameron county, provided Point Isabel should be developed as a port. The state body also agreed to bear all but approximately \$400,000 of the cost of hard surfacing Highway 71 through Colorado county and building a bridge across the Colorado river at Columbus. State aid of \$25,000 was offered on Highway 90 from the Grimes county line to Madisonville.

Closes Gap
When the state highway commission yesterday let a contract for 31 1/2 miles of graveling in Hudspeth county it provided for the closing of the last gap on Highway 130 east of El Paso connecting with an improved road leading to Carlsbad, N. M.

The contract was let to Vidor and Davis of El Paso at \$101,790.41. The 20 miles directly east of El Paso is completed, the next 30 miles is 90 percent finished and the remaining 25 miles beyond the gap is well started.

Highway 130 connects with Highway 54 south of Priojele and Highway 54 meets Highway 18 of New Mexico at the state line.

Pure Seed Meet Held at Lubbock

LUBBOCK, Tex., Nov. 25.—(P)—Twenty-two county agronomists, pure seed growers and members of the State Pure Seed Board conferred here today in an effort to promote the certification of grain sorghum seed available for sale from the 1929 crop and to make arrangements for registered products in 1930. Dr. E. P. Humbert, of the Texas A. & M. College and chairman of the State Pure Seed Board, presided at the conference, attended by representatives from nine counties of the South Plains and the North Panhandle.

DALLAS, Tex., Nov. 25.—(P)—Two men were held in jail here today for questioning after they were alleged to have forcibly taken two women from their escorts last night and forced them to accompany them to a hotel. The women, uninjured, were rescued by officers who hurried to the hotel after the escorts had reported the kidnaping.

ANNUAL AGGIE TEXAS BATTLE DAY'S FEATURE

BY GAYLE TALBOT, Jr. Associated Press Sports Writer DALLAS, Nov. 27.—(P)—Three Southwest Conference football squads will put in their final kicks today in preparation for the annual Thanksgiving festivities tomorrow. None of the trio can give thanks for an overly successful season.

The Texas University Longhorns and Texas Aggies, gridiron rivals since 1894 and getting more serious about it each year, will hold the spotlight in their thirty-sixth meeting in the cadets' new stadium at College Station. Special trains and automobiles will carry upward of 30,000 enthusiasts to the battle site. The Longhorns are favored to win.

Arkansas University's razorbacks are preparing for their season final against the Oklahoma Aggies, members of the Missouri Valley conference, whom they tackle tomorrow at Stillwater. The bout will have no bearing on the title race, but will give the Forkers an opportunity to boost their standings, as the Aggies are accounted members of the Southwest circuit for the one day. An Arkansas victory is forecast.

Tomorrow's tilt will serve as an appetizer for the main show Saturday at Fort Worth. There is no such tradition attached to the championship struggle between Texas and Southern Methodist, but it promises to be more violent. The Mustangs are busy figuring out a defense against the Razorbacks at Cy Leiland. Frog backfield terror. The Christians are laying plans to muzzle the dazzling aerial game of the Ponies. Neither will be entirely successful.

Coach Morley Jennings will take his disappointing Baylor eleven to Houston for a final bout with the Rice Owls Saturday. The contest will occasion little interest under the circumstances. The Owls, as usual, will be favored to come up on the short end.

Coach Jennings, incidentally, has been fortified with the knowledge he will be at the head of Baylor athletics for at least three more years. The Wolves were on his trail after the Bears lost to the Mustangs and Frogs on successive Saturdays, but President S. P. Brooks of the university came to Jennings' defense with the announcement he would offer him a contract to run through 1932.

Critics who picked Baylor to win the conference crown now admit the school's material was not as strong as it appeared on paper. The Bears had only one Jake Wilson.

As comparative scores never mean anything when the Longhorns and Aggies get together, a close, hard fought game is looked for at College Station. Taken on their season's record, the Steers appear at least a touchdown stronger, but the Aggies are expected to offset this advantage with the inspired game they always play on their home grounds. They will be out to dedicate their new stadium in a fitting manner.

Seventeen Aggie and Longhorn stars will be playing their last game. Captain Mills, Dorsey, Richter, Ellsbrook, Conover, Brown, Ewell, Varnell and Bible are Aggie regulars who graduate. The Longhorns will lose Captain Brown, Beular, Ross, Bealy, Rose, Burnet, Hargrove and Cheatham.

DANIEL BAKER HOME COMING ON THURSDAY

A program for the formal homecoming program of Daniel Baker College ex-students and alumni has been developed by student leaders, and was announced today. The program will be given in the college auditorium, beginning at 10 o'clock. In the afternoon the annual Thanksgiving football game between Daniel Baker and Abilene Christian College will be played in Hill Billy park.

Due to the disturbance over the proposed relocation of the college, it is expected that there will be a large attendance of out-of-town ex-students and alumni for the homecoming exercises. During the past few days letters have been sent to hundreds of former students, inviting them to be present, and many have signified their intention to do so.

The homecoming program will include a few short addresses, music by the college orchestra and student songs and yells. The orchestra will play the prelude and postlude, and one special number during the hour's program. The welcome from the student body will be given by H. Moore, student president. Dr. S. E. Chandler, president of the institution, will extend a welcome from the college faculty. James C. White will speak as a representative of the Board of Trustees. Rev. Ben H. Moore, of Emory, will represent the alumni, and Jack Broad will speak as a college student. Mrs. J. W. Trapp, head of the college education department, will give a "pep" talk which will conclude the speech-making. Songs and yells will be given between the numbers of the program.

HYMN WRITER DIES
CHICAGO, Nov. 25.—(P)—The Rev. Dr. Elisha A. Hoffman, 90, well known writer of hymns and a minister in three Christian denominations through 69 years, died today after a weeks illness. Some of his best known hymns were "What a Wonderful Savior," "I Must Tell Jesus," and "Are You Washed in the Blood."

Christmas Boxes Free With Every Purchase

TERRIFIC EXPLOSION IN GERMAN MARKET PLACE

ESSEN, Germany, Nov. 25.—(P)—Eight persons were injured seriously by a four others hurt slightly in a terrific explosion today in the public market Hallon Weberplatz. The blast was attributed to gas leakage. It was feared there might be other victims in the debris. The market hall collapsed in the explosion, burying shoppers. There was considerable material damage.

Carlsbad Cavern Highway Meeting

LUBBOCK, Tex., Nov. 25.—(P)—The first annual convention of the Carlsbad Cavern Highway Association opened here today with 81 delegates registered from 15 towns in Oklahoma, New Mexico and Texas.

President Carl S. Guin of Quanah, Texas, presided. The welcoming address by State Senator Pink L. Parrish of Lubbock was responded to by G. K. Richardson of Carlsbad for New Mexico, Carl Gallagher of Quanah for Texas and James M. Moreau of Olustree for Oklahoma.

Visitors were guests of the Lubbock Chamber of Commerce at a luncheon.

Record Receipts Hogs at Chicago

CHICAGO, Nov. 25.—(P)—Packing house receipts of hogs today by direct shipments were the largest in the history of the Chicago union stock yards. Forty thousand hogs of all descriptions were unloaded in the packers' pens without going through the general market.

Total receipts of hogs were the largest for the year, with 70,000 crowding the pens and alleys. The market declined from 10 to 20 cents with little buying.

Holiday Opening, Friday, November 29th, Saturday, November 30th. DUKE & AYRES, INC., 5c to \$1.00 STORES

SIMMONS-TECH MEET, ABILENE

ABILENE, Nov. 27.—An annual Thanksgiving feud will be initiated here next Thursday at Simmons University's eleventh annual homecoming when the Simmons Cowboys will meet the Matadors from Texas Tech on the gridiron. Arrangements have been made by officials of the two schools for the game to be played on Turkey Day each year.

Four thousand alumni and ex-students of Simmons, and 1000 Texas Tech fans riding a special train from Lubbock, are expected to be on hand to root for their respective teams.

Spurred on by the importance of the occasion, the Cowboys and Matadors will make desperate efforts to retrieve earlier losses, and are expected to put up the best scrap of the season.

Although neither team's record for this year is impressive, both have been pointing for the Simmons game from the first, they are expected to give the Cowboys a tough battle.

The Ranchers will be playing before the largest group of exes ever to assemble on the Simmons campus, and more than a little embittered by recent defeats, will no doubt be going strong.

Both teams have lacked the scoring punch this season, but both are expected to open up everything in the coming contest.

Words of Wisdom
Know the true value of time; snatch, seize, and enjoy every moment of it. No idleness, no laziness, no procrastination; never put off till tomorrow what you can do today.—Chestfield.

Shop early, and start by attending our Holiday Opening, Friday, November 29th and Saturday, November 30th. Lots of good values. Big assortment. DUKE & AYRES 5c to \$1.00 STORE

Another Brownwood Cow Has Completed Production Test

Sybil's Lady Blanche 699143, a pure-bred Jersey cow owned and tested by Shelton Brothers of Brownwood, Texas, has completed her first official production test in which she yielded 423.79 pounds of butterfat and 9,066 pounds of milk in 365 days, according to report received from the American Jersey Cattle Club. Lady Blanche was started on this test when she was 2 years and 3 months of age and with this record qualified for the Register of Merit of the American Jersey Cattle Club. Her sire is Sybil's Prince of St. Cloud, and her dam is Blanche's Golden Lady.

The Nile has a greater variety of fish than any other river in the world.

California Motor Tax Laws Valid

WASHINGTON, Nov. 25.—(P)—The California motor vehicle fuel tax laws of 1923 and 1927 were held valid by the supreme court today in a case brought by George B. Williams of Los Angeles and other owners of motor vehicles.

The tax was assailed by automobile owners as a "poll" prohibited under federal road aid statutes. It was also attacked on the ground it permitted distributors to retain a part of the tax to cover evaporation.

Coleman Post Has Banquet and Elects Officers

COLEMAN, TEXAS, Nov. 26.—(SP)—The annual banquet and election of officers for the Post American Legion was held at the New Moore Hotel Monday night and one of the most interesting meetings of the year was held. Chas. Paddelford, new Post Commander, appointed captains for two teams to make a drive for members for 1930. He appointed Earl Wallace and Bryan Payne as captains and from the members of the post for 1929 names were drawn by the two captains that will compose the two teams. The team that secures the most members between now and December 23 will be given a banquet about the first of the year by the losing team.

Past Commander Gus Rosenberg of the Brownwood Post was a visitor and the members enjoyed his talk very much and many good ideas were given the local post by Commander Rosenberg.

The following officers were elected for 1930:
Post Commander—Charles Paddelford.
First Vice Commander—Bryan W. Payne.
Second Vice Commander—L. H. Eden, Gouldbusk.
Adjutant—Thee Delaney.
Finance Officer—Charles Wilcox.
Service Officer and Historian—Rushings Wells.
Chaplin—Rev. E. H. Lightfoot.
Executive Committee—J. C. Dibrell, Jr., Lucien White, Karl Wallace, Roy Howell and Charles Wilson.

Lions Return Home

Coach Woodward and his lads returned home late Saturday night and will resume preparations for the San Angelo game immediately. It is expected that the entire Brownwood team will be in readiness for the annual Turkey Day battle with the Bobcats.

DUB MAKES DODO FIRST TIME OUT

VANCOUVER, B. C., Nov. 26.—Playing a game of golf for the first time in his life and that with rented clubs, W. B. Swan yesterday made a hole in one, on the 117-yard eighth at Glen Eagles golf course...

less tie, but it beat Abilene, 17 to 0. Harold Broome, Neyland Allen, "Chief" Moore, Louis Hall, Theron Wright, Lloyd King and "Booge" Clayton made a speedy portion of this sturdy machine.

The Brownwood club is heavier than usual and is more experienced. Most of the athletes who were sent into defeat here last year are with the team again and come back this week in quest of revenge.

With the hospital still threatening, the Frogs nevertheless hope to have their full strength on the field against the Mustangs. Grubbs, T. C. U.'s star quarter, far from well in the game against Baylor has been ordered by physicians to rest Monday and Tuesday.

HORNED FROGS COACH BUILDS PASS DEFENSE

With nine games behind them in the victory column, the Texas Christian University Horned Frogs Monday began a week of hard work in preparation for their championship game with the S. M. U. Mustangs here next Saturday.

Stars of Game

The outstanding star of the Lion's aggression, and his running was decidedly effective. For Comanche, Dodson and Marshall stood out on the offense. Dutton, an end, noted formerly for his defensive work, shone with an unwonted brilliance as a pass receiver.

Center Point High School to Put on Program Thursday

Patrons and friends of Center Point School are invited to attend the Thanksgiving program to be given at Center Point School Thursday night, November 28th.

Pure-Wholesome-Quality Groceries at Economical Prices.

Opening recitation: "Give Thanks," by J. P. Parrott. Play, "The Gifts of the Months," by the first, second and third grades. Recitation, "The Bill of Fare," by Mary Katherine Kelly.

COMANCHE WINNER FROM ALBANY, 25-7

Continuing on a full charge for the championship for the district title, the Indians from the Comanche reservation walloped the Lions of Albany, 25 to 7. If they can't handle one kind of Lion, they will hunt till they find one that they can handle.

The Indians scored only on passes. This football pitcher, Dodson, was functioning, and receivers were thick. In fact, all the touchdowns were made either by passes or as a direct result of passes.

Stars of Game

The outstanding star of the Lion's aggression, and his running was decidedly effective. For Comanche, Dodson and Marshall stood out on the offense.

UNAPPRECIATIVE

"How did you get that black eye, Mrs. Higgins?" "Well, sir, me 'usband come out of prison on 'is birthday."

LLOYD CORP. GETS 7,000,000 FEET GAS AND GOOD OIL SHOW

Red River Bridge Suit Is Delayed

WASHINGTON, Nov. 25.—(AP)—Illness of Justice Wendell Stafford of the District of Columbia supreme court today caused another postponement in argument of an injunction suit brought against the Secretary of War by the Red River Bridge Company of Texas.

Additional List of Witnesses for Jury at Eastland

EASTLAND, Texas, Nov. 25.—(AP)—County Attorney Joe H. Jones announced today his department would submit an additional list of witnesses to a special Eastland county grand jury investigating the lynching here last week of Marshall Ratliff, bank robber. The inquisitorial body resumed its investigation after a two-day week-end recess.

The county attorney also said he had been assured in a telegram from Attorney General Robert Lee Bobbitt of any assistance he might need in his investigation. He added the state official believed county officers had the situation well in hand.

Farmers Hear Farm Loan Explanation

BATON ROUGE, La., Nov. 25.—(AP)—Farmers of 22 adjoining parishes in Louisiana gathered at their respective county seats today to hear detailed explanations of what the recently authorized federal farm board's million dollar loan to the state's cotton cooperative will mean to them.

Officials of the Louisiana Farm Bureau Cotton Growers' Cooperative Association, the Farm Bureau Experimental Station and the agricultural extension division of Louisiana State University were called on to address the meetings.

The Lloyd Oil Corporation, which has production near Brooksmith and in the Thrifty field in this county, has brought in a well with a flow of over 7,500,000 cubic feet of gas and a good showing for a good oil producer on the Bartholomew tract about eleven miles south of Santa Anna.

The initial flow of gas was estimated at about 12,000,000 cubic feet when the well was brought in in the earlier part of the week. Tests made Thursday afternoon showed a gauge of between 7,500,000 and 8,000,000 that time. It is stated. The well is spraying oil and is believed as it stands to be good for around 25 barrels daily. It will be deepened in the hope of making a good oil producer of it.

The well topped the sand at 1,450 feet and has drilled in 7 or 8 feet. Oil men are not agreed as to the producing formation, some calling it the Fry sand and some the Brenecke sand, and some seeking to identify it with still other formations.

The location is in the southwest corner of the 310 acre Bartholomew tract. It is 1,200 feet northeast of the Engle No. 1 Stewartson, which is flowing about 25 barrels natural. Owners of the lease south of the Bartholomew are rigging up for an offset.

The new well was drilled by L. G. Harris of Brownwood, who has been for some time working with the Lloyd Oil Corporation.

WANTS LARGER U. S. ROAD FUND

WASHINGTON, Nov. 25.—(AP)—Chairman Dowell of the House roads committee announced today he would seek an increase from \$75,000,000 to \$125,000,000 in the annual organization for federal highway aid for the fiscal year 1931 and 1932 in response to a general movement over the country for expansion of road building programs.

Conferences with officials of the bureau of roads, members of state highway commission and association sponsoring highways, had shown him, Dowell said, the country as a whole desired to extend and improve the highway systems.

Since the war, he said, \$75,000,000 has been sufficient to meet the annual demands of states which match the federal money dollar for dollar in the construction of arterial highways.

Dowell said in many parts of the country, particularly in the western states, there was an urgent demand to build roads to connect links which would afford continuity of highways which were not only improved in sections.

Two Plead Guilty in District Court and Are Sentenced

Pleas of guilty were entered in two cases in District Court at the opening of court Monday morning. Judge E. J. Miller sentencing one man to five years in the penitentiary and giving another one a \$50 fine.

R. H. McNrulen pleaded guilty to robbing the Harry Knox produce house recently of a quantity of tobacco. The jury returned with five years for him. Judge Miller passing sentence immediately.

The judge, desiring to find out why men commit crimes, asked McNrulen when he was passing the sentence why it was that he was brought into court so often, the prisoner having been sentenced a number of times for various crimes.

"If I knew the cause of my weakness which causes me to do those things I could tell you, Judge, but I just do not know," he answered.

Judge Miller said that he was not wanting to embarrass the prisoner, but would like to find out why it is that men will commit crimes after having served time for others.

Plans Are Made for a Religious Census of City

The ministers of the city met this afternoon to finish blocking out the territories to be covered by the different churches in taking a religious census of Brownwood starting at 2:30 next Sunday afternoon. Each church will be assigned a certain territory to cover.

The purpose of the census is to furnish all the churches of the city with information regarding the percentage of church members compared with the population so that they can map out more accurately their coming years work.

Waco Man Given \$10,000 Damages

WACO, Texas, Nov. 25.—(AP)—Damages amounting to \$10,000 today were awarded Willard Wigley in his suit against Pio Crespi for \$1,000,000, alleging alienation of the affections of the former Mrs. Florence Wigley, now Mrs. Crespi.

The jury answered all special issues in the case in Wigley's favor and set the damages to be paid him at \$5,000 actual and \$5,000 exemplary.

Baptists Return from Convention

More than fifteen members of the Baptist churches of the city attended the eighty-first annual session of the Baptist General Convention of Texas held in Beaumont from November 20 to 22.

Those returning report that there was something doing every minute of the day while they were there. There were reports from all the different boards and committees and discussions were in order throughout the convention. Especially were they pleased with the report that this year the Baptist of Texas ran their program without making any debts and paying off former indebtedness at the rate of \$20,000 a month. This is the first time in the 81 years that the conventions have been held that this has happened. It is said. All were also favorably impressed with Dr. Thomas H. Taylor's report from Howard Payne College.

Among those who attended the convention from Brownwood are: Dr. Thomas H. Taylor, Dr. M. E. Davis, Dr. A. The Prince, Mrs. C. G. Siveels, Mrs. Ed Pickett, Miss Lola Mae McDaniels, Miss Allene Spense, Rev. and Mrs. L. V. Hanna, Rev. E. E. Nicholson, Mrs. G. W. Bourland, Dr. W. R. Hornburg, Rev. J. L. Isbell, Rev. Robert Pugh, and Rev. W. L. Daniels.

Three Motored Ford Airplane Here Thursday

Word was received from Shreveport, Louisiana, Monday that a tri-motored Ford airplane, carrying a dozen passengers would fly from the temporary Brownwood airport at the fair grounds all day Thanksgiving Day. The plane is the same one which set its wheels down once in a field in the south of town last Christmas.

ATTENDS STORE OPENING

Mrs. J. W. Jennings, chairman of the Membership Committee of the Business and Professional Women's Club left Sunday for Dallas to attend the formal opening of the Titcher Goettinger new store, being an invited guest of the vice president.

A "Giant Clam" sometimes is enclosed in a shell weighing as much as 500 pounds.

Thanksgiving--

We ARE Grateful

Among the many things we have to be thankful for—

During the past year we have enjoyed the largest volume of business since the organization of our firm, and for which we are truly thankful to our patrons who have given us such a liberal patronage.

Our Desire is to Try to Serve You Even Better During the Future.

We Appreciate

The many courtesies shown us by the people of this community.

"ECONOMY AND SERVICE"

Brownwood Texas

The Symbol of THANKSGIVING

The youngsters know Thanksgiving as the day of feasting on Turkey. There is always plenty to go round, and enough for the second helping, too, with all the other delicacies that load down the table. And that in short, is the essence of Thanksgiving.

In Brownwood there is an abundance of prosperity for all, plenty to eat and live on happily. Surely that is something to be thankful for.

BROWN COUNTY AGAIN BEFORE HIGHWAY BODY

AUSTIN, Nov. 25.—(P)—The state highway commission met today for its monthly two-day session during which contracts for about 145 miles of road construction work in fourteen counties will be let. The commission also planned to

open bids on three bridges to be built by Oklahoma and Texas, across the Red River. They will be located between Denison and Durant, Okla., Gainesville and Marietta, Okla., and Ringgold and Terrell, Okla.

Delegations for Cameron, Cass, Kaufman, Van Zandt, Madison, Wheeler, Roberts, Ochiltree, Navarro, Childress, Grayson, Medina, Waller, DeWitt, Anderson, Houston, Hudspeth, Brown, Harris and Mitchell counties.

London to Name Naval Delegates

LONDON, Nov. 25.—(P)—Prime Minister Ramsay MacDonald told the House of Commons today that the chief British delegates to the five-power naval conference in January would probably be named next week.

President Hoover's proposal for the immunity of food ships in wartime was brought up when Commander Southby, conservative, asked the Prime Minister whether the food ship proposal would not be excluded from the discussion at the conference as a result of the decision to exclude discussion of the freedom of the seas principle.

Mr. MacDonald answered President Hoover had stated in his Armistice Day speech that the food ship question was not intended for consideration at the five-power conference. He added the British government was in full agreement with this view.

Hoover Invited to Visit Dallas

WASHINGTON, Nov. 25.—(P)—A gold plaque bearing a perpetual invitation to visit Dallas and Texas was presented to President Hoover today by a delegation from the Lone Star State.

Others in the delegation included Senator Connally, Representatives Jones and McCloskey, Homer D. Wade, Vice President and General Manager of the Dallas Chamber of Commerce; Major Roland A. Laird, head of the aviation committee of the Chamber, and City Commissioner R. A. Wylie and a number of Texas business men.

LONELY SPOTS RESTING PLACE CLEMENCEAU

MOUCHAMPS, VENDEE, France, Nov. 25.—(P)—Former Premier Georges Clemenceau was buried shortly after noon today as he had wished without pomp or ceremony.

The body of the "Father of Victory" was placed beside that of his father in a little plot in Colmbier just outside the village to rest forever in his beloved Vendee home. Only members of the family and about twenty of his most intimate friends were present at the interment. Gendarmes keeping at a distance villagers and other spectators.

Rain which had been persistent all morning ceased as the little cortege entered the burial place, but the sky remained gray and misty.

Salute Notifies Populace PARIS, Nov. 25.—(P)—The Cannon of the Armistice at noon today began the 101 gun salute which was directed to the populace that the body of Georges Clemenceau, father of victory, had been lowered to its last resting place in the hills of its native vendee, near Mouchamps.

The roar of the guns, located on the parade ground of Des Invalides, reverberated through the city, and good Frenchmen kept shouting to the statesman yesterday morning.

Paris could not hear, but every French battery throughout the republic and its possessions and every French warship on the high seas joined in the same roaring salute of 101 guns.

The body of Clemenceau left the capital at 2 a. m., enroute to its last resting place.

Mexico No Longer Hearing Heated Election Comment

MEXICO CITY, Mex., Nov. 26.—(P)—Although public feeling ran high on election day, especially on the part of the Anti-re-electionists, who charged they were not permitted to vote for their candidate, Jose Vasconcelos, comment on the outcome of the elections already has died down and little general interest is displayed in the matter.

Even Vasconcelos' statement in Guaymas that he considers himself the president-elect, evinced slight reaction and there appears to be only mild interest in future activities of the defeated candidate.

Neither, however, is there much said about Ortiz Rubio, the public inclination being to cast about for new sources of interest. Ortiz Rubio has been viewed all along as more the representative of the party than as an individual and in that sense he is accepted as the next president.

Experienced observers see in this trend of opinion a distinct advance in the country's political aspect, inasmuch as the Mexican heretofore has looked to individual leaders rather than to parties and has been prone to follow the dictates of some outstanding personality usually of the "Caudillo" type.

In organizing the National Revolutionary Party, which carried Ortiz Rubio to victory, General Calles just after leaving the president declared that his principal aim was to do away with "Caudillaje" (one man leadership) and substitute it with "institutions."

Calles viewed this as the best means of removing the country from military rule and the opinion in competent circles is that although Ortiz Rubio may represent the dictatorship individual dictatorship with such a government.

Obtaining Land for Intercoastal Canal

GALVESTON, Tex., Nov. 26.—(P)—All information needed by the county attorney for condemnation proceedings against tracts on Bolivar Peninsula will be available within the next two weeks. The tracts are needed for the intercoastal canal.

An indefinite number of heirs are claimants of the land, and the titles are generally confused. Lack of records of wills and other papers have made it difficult for county officials to proceed.

Canada's tobacco consumption is estimated at 30,000,000 pounds a year, a large percentage of which is of domestic growth.

AIRWAYS WELL LIT More than 10,000 miles of the airways in operation in the United States are lighted, and more than 2,100 lighted miles are now under construction.

BUCK'S DYEING, CLEANING, PRESSING 200 E. Anderson Phone 60

After the hearse, four automobiles drove up, and 30 guests, those invited by the dead man himself in his last hour, emerged from the house and, saluting the little group of spectators, found their places inside the cars. An automobile containing the special police commissary, Dupon De La Fourcade, took the lead, and the cortege started on its 250-mile journey while an adjacent clock struck, tolling a knell.

Died Sunday Morning M. Clemenceau died at 1:45 a. m. Sunday after an illness of several days in the latter part of which he was reduced to coma. He was 88 years old, his great age making him particularly susceptible to cardiac and uremic attack.

He specifically named in his will those whom he wished to attend his funeral to the exclusion of others. They included his son, two daughters, two grandsons, two executors—Nicolas Pietri and M. Paurin—and his former associate in government, Georges Mandel. General Mordano, his private secretary, Marten, Pierre Godin, who was president of the City Council, and Senator Jeanneney who was undersecretary of state under the "Tiger."

M. Clemenceau's instructions for the funeral were clear and laconic, written on a single sheet of paper

He Tells Hoover Business is Good

Sound business conditions and nation-wide banking were reported to President Hoover by members of the Federal Reserve Board, headed by Governor Roy A. Young, above, at a conference in Washington. Money soon will be available at lower rates, predicted Young in a formal statement.

Uncle of Eunice Pringle Suicides

SHREVEPORT, La., Nov. 25.—(P)—E. L. Pringle, 55, agent for the Missouri State Life Insurance Company and uncle of Eunice Pringle complaining witness against Alexander Pantages in the west coast assault case, was found dead in his hotel room here today. Dr. Willis P. Butler, coroner, said the man committed suicide.

SHREVEPORT, La., Nov. 25.—(P)—E. L. Texarkana Man Is Boosted for Head of State Teachers

TEXARKANA, Texas, Nov. 26.—(P)—Henry W. Stillwell, superintendent of the Texarkana public schools and president of the Texarkana Junior College, is being recommended by members of educational leaders of Texas for the presidency of the Texas State Teachers Association. The association will hold its annual meeting at Dallas the latter part of this week.

Stillwell has been superintendent of schools here for 10 years, and organized the college, now in its third year. He served as principal of the high schools at Amarillo and Tyler. Two years ago he was made a member of the 96 Club, affiliated with the National Educational Association and composed of two leading educators from each of the 48 states. He has been president of teachers' organizations in both East and West Texas.

Outside of educational work, Stillwell has been prominent in Rotary International, having appeared on the program at two international conventions. He is past president of the Texarkana Rotary Club and past governor of the 4th district, which includes Dallas and Beaumont and that part of Texas lying north and east of those cities.

"I HAVE FOUND THE RIGHT MEDICINE AT LAST" MRS. THOMAS

"Orgatone has Relieved Me of Five Years of Indigestion and Stomach Trouble," Says Brownwood Woman.

"I have found the right medicine at last for my stomach trouble and digestive troubles," said Mrs. Sam Thomas of 700 Avenue G, Brownwood, Texas, while at her home the other day while talking with the Orgatone representative.

"I have had stomach trouble for five years, and have suffered terribly and got to where every time I ate anything I would be in misery for hours afterward. I had dizzy and beating heads until at times I could hardly stand up and had to hold to something to keep from falling."

"I was very nervous and got hardly any sleep at night and was going down the hill more and more every day. I had severe headaches and was down and out and was so tired at times and had no energy to do anything."

"Orgatone was advertised so highly, recommended by everyone and so many people were taking it, I bought a bottle. I have just taken the bottle and am surely improving and started right after the first few doses. Orgatone has been a big help to me and I am more than glad to recommend it."

Genuine Orgatone may be bought in Brownwood at the Camp-Bell and Peerless Drug Stores. (Adv.)

ROCHELLE BOY IS KILLED IN AUTO ACCIDENT

Carl Whitehead, 16, son of Mr. and Mrs. E. G. Whitehead, of near Rochelle, was killed almost instantly Friday afternoon about 2 o'clock, four miles north of Brady on the Brady-Brownwood highway, when the car driven by his father overturned twice. The boy's neck and back were broken and his skull crushed in the crash that followed when the father, E. G. Whitehead, lost control of the car.

Mr. Whitehead, his wife, his two sons, (Carl and a younger brother,) and a neighbor's son, were in the car on their way to Brady. According to all available information, Mr. Whitehead, who was driving an old model light car, was passing a large car when a front wheel struck a rock, causing him to lose control of the car, throwing it into the larger machine. And before the driver could regain control of the Whitehead car overturned twice.

Carl died almost immediately but other members of the family escaped with only slight bruises or injuries. Mrs. Whitehead was more or less badly bruised and is in a Brady hospital today.

DELEGATES RETURN FROM CONVENTION OF P. T. A. IN WACO

Mrs. A. E. Wilson and Mrs. J. K. Wilkes returned Thursday night from Waco where they attended the State Parent-Teachers Association. Mrs. R. B. Farris also attended the meeting from Brownwood, and will visit relatives in Valley Mills during the week-end, returning home Sunday.

Mrs. Wilson, president of the Council of P. T. A. of Brownwood, stated that the meeting was attended by about 800 delegates from over the state. The opening meeting was on Tuesday with a banquet on Monday night to honor Mrs. S. M. N. Marrs of Austin, National P. T. A. president.

"The meeting was a busy one but was most interesting in every way and Waco entertained the delegates royally," stated Mrs. Wilson. "Practically the whole official board was present, with the exception of perhaps one or two." Mrs. Wilson said this morning Mrs. Morris Darling Smith of Austin was re-elected president and practically the entire official board of last year was re-elected.

Mrs. Wilson represented the Council of P. T. A. Mrs. Farris represented the south ward P. T. A. and Mrs. Wilkes was the delegate from the Wagon P. T. A.

Chicago Burglar Routed by Baby

CHICAGO, Nov. 25.—(P)—A baby and burglar had a fight yesterday. The baby, after taking one on the head, came back strong to win the decision.

Lorraine Glaumer is only eight months old. She was coming in her carriage, parked in front of the Glaumer home. At a sudden she yelled. Mother looked out the window. She saw the baby and a great big man disputing possession of Mrs. Glaumer's purse with which the baby had been playing. The big man wanted to take it, but Lorraine objected.

When baby yelled, the great big man gave her a push in the face. Baby let go the purse and turned on the lungs.

Mrs. Glaumer called police. They arrived and began scouting around the neighborhood. Baby Lorraine was not particularly impressed and went to sleep in her carriage.

The policemen returned. Baby had awakened. She was having the time of her life with her mama's purse.

The burglar had been back. He realized Lorraine had won the scrap and was willing to concede her purse. The original \$15 was there, all except 75 cents which the burglar may have kept for training expenses.

Brooksmith Has Four Schools in Session This Year

Brooksmith is running one high school and three grade schools and is building a new school house in addition, according to J. Oscar Swindle, who visited the schools Friday and reported excellent work being done there.

The situation in Brooksmith is unique for a town of its size.

As a matter of fact, as Mr. Swindle explained this odd occurrence, the present school building is being used by the high school students and is overcrowded due to the recent consolidation of Brooksmith with the districts of Dullin, Barber, Rice and Salt Branch.

As a result, the grade children are scattered through the town, classes being held in three of Brooksmith's church buildings, one in the Methodist, one in the Baptist and one in the Nazarene church.

A modern brick school house with four rooms and an auditorium is under construction and when completed will house all the pupils of this consolidated district from the first grade through high school.

But at the present time Brooksmith has more public schools for its size than any other town in the state.

Chile is more than 2,600 miles long, while its breadth nowhere exceeds 290 miles.

Higginbotham Store at Comanche Burned With Loss of About \$175,000

COMANCHE, Texas, Nov. 25.—(Sp.)—The Higginbotham Bros. & Company general store here was destroyed by fire of undetermined origin at 6 o'clock this morning, the loss being about \$175,000. The building, belonging to Eugene Neely of Dallas, was valued at \$50,000 and the stock of merchandise at \$150,000. Both were destroyed, only the walls of the building being left standing. The loss is covered by insurance.

The flames were discovered this morning in the furniture department of the store by employees of the Higginbotham lumber yard, adjoining the store. The lumber yard was not burned.

Firemen were unable to stop the blaze, though they prevented further spread of the flame. The fire departments from Brownwood and Dublin assisted in fighting the flames.

Other Losses Slight

The Higginbotham Store was situated on the southwest corner of the square. The roofs of some of the adjoining buildings were slightly damaged and two or three stores suffered small loss from water damage to their stocks. These losses, however, were very light. They include Massingill Barber Shop, the Edwards Taylor Shop, the Reese Drug Store and W. H. Rowland's general store.

The heaviest loss apart from Higginbotham was Dr. I. M. Cochran, dentist, whose office is over the Reese Drug Company. He suffered a loss of \$700 or \$800 damage to his equipment when it was removed from the office.

To Rebuild at Once

Higginbotham Bros. & Company have engaged temporary quarters and have sent their buyers to market today for new goods. They expect to resume business in the next two or three days. They also began today plans for immediate rebuilding on the lot where the fire occurred.

Included in the loss here was the general offices of the Higginbotham Bros. & Company chain of nine stores. The general offices were located here with T. J. Williams of Comanche as general manager.

A frantic plea for help that "the entire west end of Comanche is burning up" came over the wire to the fire department in Brownwood at 6:45 a. m. Fire Chief Rance Pettitt with about ten men took cars and fire truck No. 2, John Taylor driving, to the fire arriving in time to aid in extinguishing the blaze, getting back to this city about 10 a. m.

Among other men who responded to this alarm were Tom Taylor, Ivan Hayes and Assistant Chief Crafton Wells.

Court Holds That Trustees Can Move Panther Creek School

In the case of the former trustees of the Panther Creek school district in Grovesnor consolidated school district, represented by Homer Chastain and R. H. Mauldin, respectively, asking for an injunction against the moving of the one room Panther Creek school house to Grovesnor, Judge Miller Thursday dissolved the temporary injunction and refused a permanent injunction.

The property is said to be now owned by the consolidated district and under the law the school house can be moved now to Grovesnor, where it is desired to be used as a manual training class room. The plaintiffs have given notice of appeal in the case.

Bohlin Orchestra Plays Concert at Santa Anna Friday

Prof. J. P. Bohlin's Brownwood Orchestra was presented in an entertaining concert at the Santa Anna High School Friday night, the concert having been postponed from November 8th on account of bad weather on that date. Miss Lois Coston, pianist for the orchestra, played piano numbers as a part of the program.

The orchestra rendered a number of classical as well as popular numbers, and was enthusiastically applauded by the audience. The organization included fourteen musicians.

Young Man Robs Cafe in Houston

HOUSTON, Nov. 25.—(P)—A well dressed youth wearing glasses held one hand in a gray overcoat pocket early today and took \$34 in cash and checks from W. H. McInnis, night manager of the Brooks andwich Shop on Main Street here.

The youth walked into the cafe while only McInnis and a negro porter were there and told McInnis to open the cash register.

The night manager handed over \$25.

"Where's the rest of it?" The handi demanded.

"What do you mean?" McInnis replied.

"You know what I mean. Where's the rest of the money? I seem to know more about this place than you do."

Whereupon McInnis gave up \$319 more that was a cigar box.

The youth took the money and ran out of the cafe.

CONFEDERATE VETERANS GUESTS OF DAUGHTERS AT BIG DINNER

Confederate Veterans were honored guests Thursday at noon when the Winnie Davis Chapter, United Daughters of the Confederacy, entertained them with a sumptuous turkey dinner, with real pumpkin pie that reminded the veterans of their boyhood days, and black coffee. The function was in the dining room of the Central Methodist church, where the tables were decorated with bronze chrysanthemums and autumn leaves, with a high basket of red apples, yellow pears and purple grapes for a centerpiece. Thirty guests were entertained with the dinner and with a program that was notable in many respects.

The invocation was by the Rev. A. F. Bowden, and this was followed by a song, "How Firm a Foundation," with Mrs. Carrie Looney as the piano accompanist. Mrs. G. E. Keith then greeted the guests in behalf of the Chapter. Piano selections that reminded the veterans of the days of their boyhood were played by Mrs. Looney.

Repeats Old Speech

An interesting and novel feature of the program was a speech by "Uncle Jimmy" (J. E.) Smith, a member of the U. C. V. This was

CLAIMS HOOVER TO BLAME FOR TARIFF FAILURE

WASHINGTON, Nov. 25.—(P)—Blame for the failure of congress to pass the tariff bill at the special session is laid directly upon President Hoover in a statement issued by Joutett Shouse, chairman of the democratic national executive committee. Mr. Shouse even indicated he believed the "Senatorial Old Guard" was not at fault.

Mr. Hoover he declared, had maintained his silence until the democrats and independent republ-

Approve Loan to Wheat Growers

WASHINGTON, Nov. 25.—(P)—A commodity loan of \$500,000 to the Enid wheat and grain growers association of Enid, Okla., was approved today by the Federal Farm Board and at the same time announcement of a \$40,000 loan to the Colorado bean growers association of Denver was made.

What is claimed to be the deepest electric furnace in the world has been put into operation in a South African mine. This furnace, which is being worked at a depth of 6300 feet, has been installed for the heating of carbon drill steel.

BROWNWOOD MAY GET STATE B. Y. P. U. MEET IN THE FALL OF 1930

Five thousand members of the state Baptist Young Peoples Union will be invited to Brownwood for the fall convention in 1930, directors of the Chamber of Commerce in a meeting and luncheon at the Southern Hotel Monday noon, going on record for inviting them.

Rev. A. E. Prince, pastor of the First Baptist Church was a guest of the directors and said he would carry this city's invitation to the meeting this week being held at Longview. The directors voted to give the invitation, their moral support and will ask the next board of directors to place a sum of money in the budget for next year for the entertainment of these church people.

A. K. Brannan appeared before the directors and told the progress being made by a group of men here in starting a plant to manufacture a pressed concrete tile. He came for the endorsement of the directors, and the matter was referred to the industrial committee.

J. T. Stovall, vocational agricultural instructor, will go to Dallas this week end to the state meeting of teachers, he reported.

An Announcement Of Special Interest to Every Small Car Owner

Bring in your car and let us give you the details of the most attractive proposition ever offered to owners of small cars.

The end of 1929 commemorates Dodge Brothers' fifteenth anniversary.

In recognition of the past fifteen years of continuous value giving and owner satisfaction, we are conducting a special campaign that will quickly place a still greater number of new Dodge Brothers sixes in the hands of new owners. During this period we have a special offer of the utmost importance to make to you.

It will pay you to investigate our plan and learn how easily you may become the owner of a new Dodge Brothers six.

LARGE HOLIDAY CROWD TO SEE CURTAIN GAME

WHEN Daniel Baker's blue and white clad football warriors take the field at Hill Billie park tomorrow afternoon against the Abilene Christian College Wildcats in the annual Thanksgiving classic featuring these two strong T. I. A. A. teams the Billies will have more than just another football game to give them on to deeds of valor and outstanding achievements. The 1929 Daniel Baker machine will be battling as never before to bring to a successful close an otherwise rather hazy season and this can be accomplished only with a victory over their ancient rivals from Wildcat headquarters.

But another incentive that will stir the Blaimen on tomorrow will be supplied by a large representation of former Daniel Baker students and athletes. These exes will gather on all corners of the state to see what may prove to be the last football game that a Hill Billie team will ever compete in. And these alumni will be here in all their glory, because the 1929 Hill Billies for an ever victory over their old rivals in an A. C. C.

Four End Careers

Four members of the Daniel Baker team will have still another incentive to play the game of their young years, this incentive being that only minutes of football remains for these four huskies to bring honor to the school for which they have sacrificed their college athletic careers. In other words after tomorrow's battle, these four lads will have no more to do as members of a Daniel Baker eleven.

These four lads are: Haskell Miller, captain; Billie White, the peer of guards in the T. I. A. A. All-Abilene, veteran center, and Martin Hume, range end. Only Mac Miller and Cobb have had four years of competition as regulars of the Hill Billie eleven, but the other two will graduate next June.

Captain Haskell Miller has seen his team through a disastrous season and fans can rest assured that a hard hitting speed demon will not hit his stuff tomorrow afternoon. He will do his part toward bringing glory to the home team and then Mac Cobb, after a long and successful career in the Hill Billie forward wall, will make his last tackle all time when he ranges back of the line, plugging up holes that A. C. C. forwards may open up. Martin Granberry White will snap his last against the Wildkittens and never again will he have the pleasure of getting ambitious ball carriers as they try to get by his end of the line.

As for Mac Miller, too much could be said. Those teams of the T. I. A. A. that have faced the Billies on the gridiron, basketball court and baseball diamond, know plenty about the Miller. They have learned to fear him and respect this ubiquitous player. He has met any and all corners of his favored sports and Mac has always held the upper hand. When Mac pulls 'em off after tomorrow's game, Daniel Baker will have lost one of her most outstanding athletes all time.

Billies Are Ready

Coaches Blair and Broad will have their full strength to hurl at the Wildcats tomorrow. No changes will be made in the forward wall from the seven men that have started so many games this season. Cobb will be at center, his regular post. Mac Miller and Linkenhoger will be at the two guard posts. Prescott and McKeever will be found at tackles, and Harry Johnson and Martin White will man the wings.

Coach Blair has made no change in the backfield, Weaver replacing Arden Taylor at quarter. Weaver is the best blocker on the Daniel Baker team, is a heady field general, good passer and fair ball carrier. How-

Thanksgiving

ever, Taylor and Bodie Hunter will see plenty of action against the Wildcats. Haskell Miller will be at full with Harry Graham and Kenneth Harlow at the two half back posts. Fannin and Hamberlin will also see action in the backfield.

Bugs Morris, head mentor at A. C. C., will bring a veteran team to Brownwood for this annual classic. However, only three Wildcats will close their football careers in this holiday game. These three are: Hendricks, captain, Roland and Wortham. Coach Morris with his entire squad of 30 athletes will arrive in Brownwood early Thursday morning on the special train that will bring the entire student body of A. C. C. to Brownwood for this big game.

The stage is all set for a real game and the thousands who pay to see this annual argument tomorrow afternoon will certainly get their money's worth.

Coleman Teachers to Hold Meeting December 14th

COLEMAN, Texas, Nov. 27.—(Sp.)—The Coleman County Teachers' Association will hold its annual meeting in Coleman, Saturday, December 14, according to an announcement given out today by Miss Maud Laws, county superintendent. The meeting will be presided over by W. R. Chambers, president of the association and principal of the Burkett school. The association does not take in the teachers of the Santa Anna and Coleman independent districts but takes in all the 158 teachers in the rural schools of the county that are under county supervision.

Among the tentative speakers on the program is R. E. White, county superintendent of Rannels county. Practically the entire membership of the association have announced that they expect to attend the meeting.

FROGS-MUSTANGS EVEN IN ELEVEN FORMER ARGUMENTS

FORT WORTH, Nov. 27.—Saturday's meeting between Texas Christian University and the Mustangs of Southern Methodist University will be the twelfth in the history of the schools. The tilt will renew a bitter rivalry between the two youngest teams in the conference—a rivalry that dates back only to 1915, but one that has become keen and bitter. In 11 years of play T. C. U. has 5 victories, S. M. U. 5 and one game resulted in a 0-0 tie.

The Mustangs came into existence in 1915. That fall they came to Fort Worth, and the Frogs sent them off on their initial athletic journey by defeating them 42 to 0. The following year the Pones fared little better. The Frogs went to Dallas and passed and plunged their way to their second straight victory by a score of 43 to 3. The S. M. U. team that year was reputed to average around 200 pounds, but they were no match for the lighter and faster Frogs.

In 1917 the teams met in Fort Worth with the Christians taking their third straight, 21 to 0. S. M. U. won in 1918 on a forfeit, 6 to 0. Relations were severed from then until 1921. The Frogs were to play in Dallas in 1918 but on the way over the truck in which the team was traveling got stuck in the mud and failed to reach S. M. U. in time for the game.

The 1921 fray was played in Dallas, the Christians pulling through for a 21-to-0 triumph. "Boob" Fowler was the hero of the Frogs' attack. In 1922 the teams played their only tie game, the game being played in Fort Worth and the score ending 0 to 0. In 1923, the first year that T. C. U. was a Southwest Conference member, the Mustangs routed the Christian entry by a score of 40 to 0. The Methodists won the title that fall.

Games Recent Years

The 1924 game was played in Fort Worth. It ended in a 6-to-0 victory for the Methodists when Bedford, Pony end, picked up a fumbled punt and raced for the only score. There was no game in 1925. In 1926 the teams played probably the most spectacular game in their history. The Pones won 14 to 13 in the last minutes of the game, Gerald Mann tossing a long pass to "Dog" Dawson to bring victory. "Bear" Wolf, now line coach of the Frogs, was carried off the field with a badly wrenched knee. Incidentally, Mann is now a member of the Mustang coaching staff.

The Mustangs routed the Frogs in Fort Worth in the 1927 fray by a score of 28 to 6. Two Frog fumbles gave the Red and Blue a 16-to-0 lead in the first quarter. They were never threatened after that. Red-Hume and Mann featured the Pony triumph, while "Rags" Matthews, Fain Reynolds, and Blackie Williams were the Frog stars.

Last year the Christians hit their stride again over in Omby Stadium and sent the Mustangs down 15 to 6. Grubbs' pass to Toler, who ran

MANY HOLIDAY GAMES CARDED FOR SOUTHLAND

ATLANTA, Nov. 27.—(AP)—Two score Thanksgiving day football games are slated for Dixie.

A duel of star halfbacks is forecast for Lexington, Ky., when Tennessee, seeking another victory to add to its perfect record, puts Gene McEver, Dixie scoring leader, against "Shipwreck" Kelly, Kentucky's sophomore flash.

By winning, Tennessee will not only strengthen its bid for the conference title, but will retain possession of the coveted beer keg trophy, which for several years has passed back and forth between the winners of the annual feud.

Tulane goes to Baton Rouge to play Louisiana State, last obstacle to a clean slate and a claim for the championship.

Bolstered by the return of their quarterback ace, Downes, Georgia, goes to Birmingham to clash with the University of Alabama in the twenty-second game of their series. Alabama is favored.

Vanderbilt and Sewanee come to grips in Nashville in the south's oldest gridiron rivalry and Auburn deploys against Georgia Tech in Atlanta in the thirtieth meeting of the two teams.

North Carolina lines up against Virginia at Chapel Hill in another traditional battle, and the University of Mississippi charges against the Mississippi Aggies.

Coleman County Has Ginned Over 25,000 Bales

COLEMAN, Texas, Nov. 27.—(Sp.)—Up to November 15th Coleman county had ginned 25,310 bales of cotton, and with still some cotton in the fields to be picked out, the total for the year might yet reach 26,000. This will be 15,640 bales short of the crop for 1929, which was 41,640, according to W. J. Tatum, government cotton statistician for the county. Several gins in the county have shut down for the season while others are ginning only two days a week.

The universal appeal of music is given credit for the popularity of radio.

JACKETS PLAY PIRATES, LIONS MEET BOBCATS

HOWARD PAYNE'S Yellow Jacket football outfit, Texas Conference champions of 1928 with a golden chance to repeat this year, and Brownwood's fighting High School Lions, battling to finish the current Oil Belt season with better than 500 per cent standing, pulled anchors this afternoon, one heading east and the other going west.

Coaches Cheaney and Keaton, pilots of the Yellow Jacket delegation, named Georgetown as their destination when they loaded into buses this afternoon. In Georgetown the Jackets will board the ship of the Southwestern University Pirates for the annual Thanksgiving battle with the football protégés of Lefty Edens, Pirate mentor.

Despite that this year's game is being played in the Pirates own backyard, the Jackets will take the field tomorrow afternoon heavy favorites to hand the luckless Methodist their fifth conference defeat of the current campaign. The Jackets, undefeated and untied in conference competition since the close of the 1927 season, have marched through three Big Six eleven this autumn in a more or less easy fashion. In turn the teams defeated by the Jackets have posted the Pirates right and left.

Real Battle Looms

But regardless of what good or bad fortune the season has brought to either the Jackets or Pirates, a real battle is always in order when the two meet on the gridiron. And this year's meeting is due to be no different from those of years gone by. Reports from Southwestern indicate that the Pirates are determined to win tomorrow's battle. Coach Cheaney took his regular travelling squad of 24 men with him this afternoon. He stated Tuesday afternoon that few, if any changes will be made in the regular starting lineup for the Pirate game. Baker, Fields, McCarver and Gibbs will be in the backfield with Glasscock, Bettis, Gilber, Brown and the S. C. Trojans or the W. S. C. Cougars will be eliminated in that Saturday's game between the teams in Los Angeles.

WILL NAME PACIFIC COAST GRID CHAMPS AT DECEMBER MEET

STAMFORD UNIVERSITY, Calif., Nov. 27.—(AP)—Professor William E. Owen of the Stanford Law School, president of the Pacific Coast Conference, announced today that the conference football champion will be named at a meeting in San Francisco December 16.

The conference does not recognize percentages and when the season ends four teams will be tied for first place in number of games lost. Stanford, California, Southern California, Washington State and Oregon are tied at present. The S. C. Trojans or the W. S. C. Cougars will be eliminated in that Saturday's game between the teams in Los Angeles.

Thanksgiving Games Holding Interest

NEW YORK, Nov. 27.—(AP)—With assorted rivals, ancient and modern, ready to square off against each other in holiday games tomorrow, football interest in the east has been diverted momentarily from the interesting engagements with which the season in this sector will be brought to a close on Saturday.

The annual battle between Notre Dame and the Army will furnish the big climax of the campaign at the Yankee stadium on Saturday, but the burning question at this moment is whether a fine Cornell eleven really can halt Pennsylvania's tricky offense tomorrow.

Syracuse and Columbia have their ninth annual tilt in New York tomorrow. Syracuse is heavily favored.

Another invader of the metropolitan area, Carnegie Tech, is favored to wage a successful battle. It is seeking revenge against New York University for three successive beatings.

Undeclared by an eastern eleven, Colgate plays Brown at Providence. Pittsburgh is in a position to turn on all its power against Penn State in the annual game at Pittsburgh tomorrow when both teams will finish the campaign. Victory would seal Pittsburgh's claim to the eastern championship and to a share in the national award.

From 40 to 50 feet a day is rated as a fair distance in digging a tunnel through a mountain.

Japan is now third on the list of cotton manufacturing countries. Great Britain leads, America is second and China fourth.

Those who depend upon radio for a livelihood say it is a "luxury" no more. They class it as a "necessity."

Air Attacks Planned

As in other games of the season, Coach Woodward plans to fill the air with passes against the Bobcats and unless the Bobkittens have more luck than most foes of the year, many of these aerial tosses will land in the waiting arms of Captain McQueen, Gilliam, Taylor, Harris and others. Mixed in this aerial attack will be the Lions' running attack, featuring the ball carrying

MARKETS

NEW YORK STOCKS

NEW YORK, Nov. 27.—Further selling pressure made its appearance at the opening of the stock market today, several issues sagging 1 to 3 points. U. S. Steel, selling ex-dividend, opened a point higher, but Consolidated Gas, Western Union, and Westinghouse Electric each lost about 2 points. American Machine and Foundry and U. S. Freight dropped 3 points each. C. P. De Pasco opened at a point, while American Smelting moved up 1/2. American Telephone lost 1 1/2 points.

After the first wave of selling had spent itself, sharp recoveries took place in some of the recent weak spots as "bear" traders covered in anticipation of the four-day holiday beginning tomorrow.

Further selling came into the railroad shares as a result of the disappointing character of some of the October earnings statements. Lehigh Valley, Chesapeake and Ohio, New Haven and St. Louis and Francisco all declined a point or so in early trading.

Columbia Carbon and Westinghouse Electric recovered initial losses, General Electric ran up nearly 4 points before the end of the first half hour and American Can, International Telephone, Amoco, Johns Manville and Union Pacific sold 1 to 2 points higher.

Foreign exchanges opened steady with sterling quoted unchanged at 4 1/2-15 1/2.

Consolidated realising gains into the market in the last hour and closing prices were substantially below the day's maximum levels. The close was irregular. Total sales approximated 2,500,000 shares.

COTTON

LIVERPOOL, Nov. 27.—Cotton spot moderate business; lower; American strict good middling 10.45; good middling 10.30; strict low middling 9.45; low middling 9.20; strict good ordinary 8.50; good ordinary 8.40; 4.000 bales, 2,500 American, receipts 11,000, American 2,200. Futures closed quiet.

December 9.20; Jan. 9.24; Oct. 9.22; May 9.49; July 9.44; Oct. 9.42.

NEW YORK, Nov. 27.—Cotton opened steady at a decline of 10 to 14 points, a partial response to weakness of late cables. Liverpool broke 8 or 10 points before the local opening, and weakness there was reflected by liquidation and selling locally.

December 14.75 for December and 14.48 for March brought in trade buying and covering, but selling continued with the market still unsettled and within a point or two of the lowest at the end of the first half hour. Active months sold about 15 to 17 points below yesterday's close.

The market was quiet later with the tone steady. The early break apparently brought in considerable trade buying and after initial offerings had been absorbed, selling tapered off. There was also covering for over the Thanksgiving day adjournment. At 11:15, December was selling around 11.15 and May 17.55, or about 19 points up from the lowest and within 4 to 7 points of yesterday's close.

GRAIN AND PROVISIONS

CHICAGO, Nov. 27.—Unexpected upturn in Liverpool quotations, together with larger export demand for North American wheat, led to higher prices early today on wheat futures here.

Opening 1-1/2 off to 3-1/2 off, Chicago wheat, afterward continued to average higher. Corn, oats and provisions were also firmer, with corn starting

LABOR DEPARTMENT

CONSIDERING ALIEN RESIDENCE QUESTION

WASHINGTON, Nov. 27.—(P)—A regulation to compel aliens working in the United States to reside in this country instead of living in Canada or Mexico is under consideration by the labor department.

The proposed regulation would impose a \$10 visa on each alien employed on each alien for every trip made into the United States from either Canada or Mexico.

It would affect several thousand aliens along the Canadian and Mexican borders who are employed in the United States but who live with their families in Canada or Mexico where living conditions are said to be cheaper.

The proposed regulation was said to be substantially the same as one recently put into effect by the Mexican government which provided the American citizens working in Mexico must make their residence in that country.

JAIL BREAKER SHOWS

GRAND JURY METHOD USED IN ESCAPING

SAN ANTONIO, Nov. 27.—(P)—Armed with a camera, a grand jury today gathered information regarding the escape Monday of S. C. Shipp from the Bexar county jail.

Shipp, indicted for arson, robbery and forgery, was captured at Florence Monday afternoon.

The grand jurors visited the jail in a body and had Shipp re-enact his escape. Meanwhile Porter Loring, grand juror, made movies of the scene. Shipp slipped through a seven by eighteen inch slit in the bars, where one had been sawed and climbed down the jail side while grand jurors looked on.

Two men, J. A. Ford and R. "Bob" Barrett, are at liberty on bond, having been charged by complaint with aiding and abetting Shipp to escape.

NEW TRIAL FOR

Williamson Man

AUSTIN, Nov. 27.—(P)—Mauro Guajardo, given death in Williamson county for the murder of Arthur Bunnell, will know a farmer of that community was awarded a new trial by the court of Criminal Appeals today.

The appellate court had previously affirmed the judgment of the court, but today's decision to reverse and remand the case was taken on appellant's motion for a rehearing.

The homicide occurred on May 28, 1928. Guajardo, 21 at the time of the killing, had worked for Bunnell for five years. They had difficulties immediately preceding the alleged murder. Guajardo was working on a cultivator when Bunnell approached him just before the killing.

Work of Convicts

Confined to Farms and Penitentiary

AUSTIN, Nov. 27.—(P)—The Attorney General's department today held the prison commission has no authority to work convicts except within the penitentiary walls and on the farms. The opinion was written by L. C. Sutton, assistant attorney general, in reply to a letter from Joseph Wearden of Goliad, member of the prison commission, asking if convicts held in the state park there.

Russian Aviators

Are Going Home

NEW YORK, Nov. 27.—(P)—The four Russian aviators who flew from Moscow to New York in their plane "Land of the Soviets" will sail for home tonight on the liner Mauretania.

SPRING WHEAT GROWERS FORM CO-OPERATIVE

FARGO, N. D., Nov. 27.—(P)—The Northwest Grain Co-operative, an organization of all the Farmers Elevator Association Pools and Co-operatives in the spring wheat area with the exception of the Farmers Union Terminal Association and the North Dakota and Montana Wheat Pool, was set up today under plans of the Federal Farm Board.

It is the Amalgamated Co-operative which will deal directly with the Farmers' National Grain Corporation and the Farm Board in behalf of the farmers in this section.

The unit of membership will be the local elevators and warehouses in the farming districts, each being entitled to one share of stock for every 1,000 bushels of wheat handled.

If the articles and by-laws are approved by the government agencies and the Farmers' National Grain Corporation, the Northwest Grain Co-operative becomes the unit of membership in the National.

If it becomes a going concern, as representatives predicted, it would mean the elimination of State Elevator Associations. Terminal Associations and Pools, the membership being concentrated entirely in farmers' local elevators.

Those who agreed to the merger declared the new co-operative would handle at least 200,000,000 bushels of hard spring wheat in the Northwest. This would mean the greater part of the spring wheat area production, the crop ranging around 280,000,000 bushels yearly.

KANSAS CITY SEEKS ADJUSTMENT FREIGHT RATES, GULF AND EAST

KANSAS CITY, Nov. 27.—(P)—Seeking to bring grain freight rates back into the relation which prevailed before last August, the Kansas City Board of Trade has filed a brief presenting its plea to the Interstate Commerce Commission.

The appeal of the board is based on a rate battle last August which started when the Kansas City Southern Railroad was given authority by the commission to reduce its rates from Kansas City to Gulf ports 7 cents a hundred pounds. Other railroads retaliated by obtaining similar reduction, and in addition reducing the rate the same amount between all Kansas points and the Gulf.

Eastern rates were undisturbed, and the result was that grain shipments were diverted south, instead of being handled by Kansas City facilities.

The board of trade suggested in its brief that "a proper relationship" might be re-established either by increasing rates to the Gulf or reducing rates to the east, or by a combination of both.

Three Bandits Rob New Orleans Bank

NEW ORLEANS, Nov. 27.—(P)—Three bandits today held up the Algiers branch of the Canal Bank and Trust Company and escaped with \$15,000.

Wife of Pro Commissioner Doran Introduce Cocktail Declared to Satisfy but Not to Inebriate

WASHINGTON, Nov. 27.—(AP)—A cocktail, described as one "that satisfies and does not inebriate," has been introduced to Washington dry circles at a W. C. T. U. meeting by Mrs. James M. Doran, wife of the commissioner of prohibition. Mrs. Doran in introducing the new non-alcoholic, of course, said the recipe was obtained from a railway chef and she planned to include it in a volume she intended to publish under the title "A Book of Jubes."

RELEASED ON BOND

TECUMSEH, OKLA., Nov. 27.—(AP)—Arthur L. Paubie, Shawnee wholesale merchant, was bound over for trial in district court on six charges of attempted extortion following a preliminary hearing before Judge J. J. Dutton here today. He was released on bond of \$1,000 in each charge. Trial date was not set.

ACCIDENTALLY SHOT

LUFKIN, Texas, Nov. 27.—(AP)—Hudson Smiley, 19, was in the Anger-Hus county hospital today in a serious condition as the result of the accidental discharge of his shotgun while hunting yesterday. The charge struck him in the right side, penetrating the right lung.

ROAD VALUATION

WASHINGTON, Nov. 27.—(AP)—A final valuation on the New York Central railroad of \$1,978,206,614 was placed today by the Interstate Commerce Commission as of June 30, 1915, to 1919.

Nearly 400 of England's 1928 brides were 70 years of age or over.

KILLS WIFE THEN SELF

JONESBORO, Ark., Nov. 27.—(AP)—Shooting his pretty young wife twice through the heart as she lay by his side in bed, Marion Boden, 29, then turned a pistol on himself and committed suicide in his rooming house here today. The wife yesterday had sought to begin suit for divorce.

Boden recently returned from Merkle, Texas, where his mother and five-year-old daughter, Marion Margaret, reside. His wife, according to her relatives here, did not know where he was and had threatened to divorce him.

HUGE MERGER OF DAIRIES

NEW YORK, Nov. 27.—(AP)—A \$15,000,000 merger of dairy plants through the purchase of the Southwest Dairy Products Company for the foremost dairy products, Inc., controlled by the J. C. Penny interests, has been announced by Burdette G. Lewis, president of the foremost organization.

The new organization plans to establish dairy farms adjacent to the larger plants. Leading cities, where there are now plants operated by the two organizations included in the merger, are Terkama, Monroe, Sherevopt, Fort Worth, Dallas, San Antonio, Houston, Beaumont, Fort Arthur, Big Spring, Mineral Wells, with other plans forming a general network of milk plants, ice cream plants and other operations throughout the states included.

ANTI TRUST SUIT BEGINS

NEW YORK, Nov. 27.—(AP)—Attorney General William Mitchell today began two anti-trust proceedings against the Fox and Warner Brothers and other film interests charging violation of the Clayton Act.

FAMILY OF 4 FOUND DEAD

OKLAHOMA CITY, Nov. 27.—(AP)—A family of four, consisting of a man, wife and two children was found dead in its home one mile north of Newalla in the southeastern part of Oklahoma county. Sheriff's office here was notified today. Details were lacking, but belief was expressed the four had been murdered. Deputy sheriffs were rushed to the scene.

Selective Service Law Recommended

WASHINGTON, Nov. 27.—(AP)—A selective service law to operate in war time was described today in the annual report of General C. P. Summerall, chief of staff, as the one method of procuring new units "for the far from complete" infantry division of the army. The state of training of the regular army was described as "generally satisfactory" with the system of decentralization "justified." Increased ration allowances, it was added, "greatly improved the morale of troops."

E. E. Denison Posts Bail, Liquor Case

WASHINGTON, Nov. 27.—(AP)—Representative Edward Everett Denison of Illinois, recently indicted on a charge of illegal possession of liquor, appeared today before a clerk in District of Columbia Supreme Court and posted bail of \$500.

Denison was indicted after discovery of a trunk, which prohibition agents said contained liquor at a railroad station here. It was addressed to John Layne, Denison's former secretary, in care of Denison at the House office building.

Houston Youth Is Held For Murder

HOUSTON, Nov. 27.—(AP)—Chas. M. Bailey, 19, faced a charge of murder here today after the fatal shooting last night of Clyde McDavid, 26, near Bailey's home.

Bailey surrendered. He said he returned home about 8:00 p. m. found a screen door open and some of his clothing missing. He saw two men running, he said, and fired. McDavid fell.

The other man was McDavid's brother, L. C. McDavid, who told officers he and his brother were rolling kegs of whiskey away from Bailey's place when Bailey drove up. Officers reported finding whiskey in a house next to Bailey's garage and a keg where McDavid told them he had dropped it.

JEWELRY SALESMAN HELD

CHERBOURG, France, Nov. 27.—(AP)—Samuel Friedmann and his daughter, Rosa, were detained by customs officers today as they stepped from aboard the Leviathan. The officers acted upon advices from New York that the two were wanted there in connection with disappearance of \$29,000 worth of jewelry. In their possession was a large quantity of jewels. Friedmann is a jewelry salesman.

REVIEW PARLEY RESULTS MADE BY PRESIDENT

WASHINGTON, Nov. 26.—(AP)—President Hoover today reviewed accomplishments of his campaign for stable business conditions and expanded industrial activities and found much that was encouraging. From all sections of the country and from virtually all phases of commercial enterprise have come almost unanimous assurances of hearty support and cooperation in the chief executive's endeavor to prevent the recent decline in security prices from adversely affecting the general structure of the nation's business.

The administration itself has announced plans for a \$160,000,000 reduction in taxes, an increase of \$175,000,000 in appropriations for federal building and a budget of ocean mail carrying contracts expected to fill the country's shipyards with new construction in less than half a year.

From industrial leaders, the heads of great railroads and telephone and telegraph companies and the governors of many states, Mr. Hoover has received estimates of construction expenditures for 1930, of both a private and governmental nature, well in excess of similar disbursements in the present year.

In addition, the president has effected an agreement between the leaders of industrial corporations employing millions of workers and the spokesmen of organized labor, under which no program of wage reductions will be instituted and no new campaign for increased wages be begun until the present situation is passed.

The chief executive brought his series of conferences with representative groups to a close late yesterday with a meeting of officials of the leading farm organizations, and simultaneously announcement was made of replies from the governors of nearly half of the states in the Union in response to Mr. Hoover's request that they give his program their full support. At the same time, plans for awarding ocean mail contracts totaling approximately \$10,000,000 were announced.

Out of the farm conference came a statement, sponsored by Secretary Hyde of the agriculture department, that the farm leaders had pledged Mr. Hoover their support and in addition had asked that the federal credit agencies act together immediately in making loans to farmers available at low interest rates.

Present conditions were felt to be propitious for such action, the statement continued, and the opinion was expressed that "the savings which might thus be made to agriculture by the lower interest rates would immediately be reflected back into the markets through the purchase of necessary equipment and supplies for the farm."

The farm leaders also approved Mr. Hoover's plan for increased road construction, but asked that this deal primarily with the establishment or improvement of "farm to market" highways, thus cutting down the farmers transportation costs.

Messages from Governors of twenty-two states, who with one exception assured the President of their hearty support and cooperation. Ten of the twenty-two forwarded estimates of prospective state building, totaling approximately \$375,000,000, a figure considered surprisingly large for less than one-fourth of the country, especially since the state of New York was not included.

The one dissenting voice was that of Governor Bulow of South Dakota, who said the President's proposal of expanded road construction would furnish only temporary relief and "postpone the agony."

Iowa University to Seek Reinstatement

CHICAGO, Nov. 26.—(AP)—With its second petition for reinstatement into good graces of the Western Conference ready for presentation to the faculty committee on athletics December 7, the University of Iowa may find the committee unprepared for action.

Prof. James Paige of Minnesota, appointed last June to head a special committee to investigate, not only the Iowa case, but athletic conditions in other big ten schools, last night said his group, which included Prof. Thomas E. French of Ohio State University, and the late Prof. George Goodenough of the University of Illinois, had not met and would not have a report ready when the faculty committee meets in Chicago.

Iowa athletic officials showed no surprise when they learned of professor Paige's statement and said they would go ahead with plans to present the petition, asking reinstatement to competition with other schools. They planned to send a brief of their case to each member school before the December 7 meeting.

Leave for Austin on Road Business

County Judge E. M. Davis and Leo Ehlinger, road engineer, left this afternoon for Austin to attend the meeting of the Texas Highway Commission. They will appear before the Commission relative to the contracts on Highway No. 129, in this county.

KILLED IN GUN FIGHT

BUTLER, Okla., Nov. 27.—(AP)—Two men were killed and another was wounded, probably fatally, in a gun fight in an alley here last night as a result of what officers said they believed was an attempt to rob a poker game. Dolls Langston, 35, cotton picker, and Ollie Reed, 45, farmer of near Butler, were the dead men. Murrell Polson was in a hospital here not expected to recover.

Bodies of 75 War Dead Are Brought Home from Lonely Siberian Graves

NEW YORK, Nov. 27.—(AP)—After lying for ten years in lonely Siberian graves, bodies of American war dead were approaching their homeland today to receive the honors of their country.

The steamship President Roosevelt of the United States Lines, bringing the bodies from France on the last lap of their journey, was scheduled to arrive at its Hoboken pier tomorrow night or early Friday.

The Americans had been sent to the Archangel front as part of an Allied force to prevent the Germans from seizing the north Russian ports for submarine bases after the Russian revolution. They were members of the 339th Infantry, 319th Engineers, 337th Ambulance Company, and 337th Field Hospital.

Full military honors have been arranged by the Army and the Navy for the reception of the dead. Fifty-six of the bodies—twenty-nine unidentified—will be sent to Detroit, which furnished most of the men for the 339th Infantry. Other bodies will be sent to Washington, Chicago, New Richmond, Wis., and other points in the Midwest.

Columbus' Brave Deed

Writing of Columbus' first voyage, one authority says: "It was perhaps the bravest exploit ever undertaken, for he was sailing not along the coast, but straight east into the 'Sea of Darkness,' as a Atlantic was then called, every day farther and farther away from the only land he really knew."

One bee-hive usually contains a queen, 300 to 400 drones, and 40,000 workers.

Girls who work in Japanese mills receive, on an average, the equivalent of \$15 a month in wages.

THREE DROWN IN CANAL NEAR ORANGE TODAY

ORANGE, Tex., Nov. 26.—(AP)—J. C. Dolise, 50, his wife, 39, and daughter, Majorie, 12, were drowned in a canal five miles east of here today when the automobile in which they were riding plunged into the stream. The family lived in Mercedes, Tex.

The bodies were identified from letters found in the car. They were removed to an Orange morgue. Cause of the accident was not immediately ascertained. A road maintenance crew at work near the scene gave assistance in recovering the bodies and dragging the automobile from the canal.

The woman, believed still alive when taken from the canal, was rushed to a hospital, but was pronounced dead after an examination. The car was traveling east when it plunged into the stream. Persons who saw it on the highway believed a second child was in it, but a search of the canal failed to reveal a fourth body.

The family was said to have been visiting Harry Dolise, 114 Tenth Street, Port Arthur.

Forty-nine years ago there were only two people engaged in the telephone business. Today there are 300,000 in United States.

Rainfall records were not kept in England prior to 1577.

England exports more than \$10,000,000 worth of sweets every year. sand has the peculiar property of giving off a metallic tone when stepped upon. The small travels at the average speed of one mile in 14 days.
