2014 Don't Mess With Texas Trash-Off this weekend!

Janie Hartman photos

Volunteers plan to hit the road this weekend for the 28th Annual Don't Mess With Texas Trash-off - the single largest one-day clean-up event in the state. Please slow down and give them a wave for doing their part to help keep Texas beautiful. Keep Muenster Beautiful will have their Spring Trash Pick-up on Saturday, April 5. They will meet at 9 a.m. by the KMB Haus in the City Park. Trash is gathering on Muenster roadsides, including Ninth Street (top) and CR 424, the Germanfest Fun Run route.

More drug arrests made

In the continuing fight against illegal activity in Cooke County, the Sheriff's Office made the following enforcement activity.

On Thursday, March 27, investigators with the Cooke County Sheriff's Office Drug Enforcement Unit, assisted by Cooke County Sheriff's Office Patrol (CCSO), constructively dismantled a local methamphetamine distribution network. A series of three search warrants were executed in the 1400 block of Rice Avenue, the 500 block of South Dixon Street, and the 400 block of South Taylor Street, in the City of

Gainesville pursuant to an ongoing investigation.

Benjamin Ray Gonzales, a 33 year-old white male, Cameron Michael Gilliland, a 25 year-old white male, Melvin Dillion McGilvary, a 24 year-old white male, Jalena Christine Evans, 20 year-old white female, Ashley Winds Anderson, a 32 year-old white female, and Jacob Monroe Hammer, a 23 year-old white male, were all arrested on a charge of Engaging in Organized Criminal Activity-Manufacture/Delivery of a Controlled Substance PG 1 > 4 < 200 grams (more than 4 grams

but less than 200 grams). Gilliland was also charged with two counts of Unlawful Possession of a Firearm by Felon. Investigators seized approximately 14 grams of methamphetamine with an approximate street value of \$1,400, digital scales, packaging materials, a .38 caliber handgun, a 12 gauge shotgun and \$1,975.00 U.S. currency.

Several of the involved suspects are believed or suspected to have ties to local criminal street gangs.

Goodwill is still accepting donations

By Cathy Krahl
Staff writer

Goodwill Industries will rebuild their Gainesville store. A recent five-alarm fire destroyed the old structure. Until the new store is up and running, Goodwill Industries of Northeast Texas will provide a trailer to drop off donations. It is located at the site of the burned building on East Hwy. 82 in Gainesville.

"When the trailer gets full, an employee will pick up the trailer and leave an empty one there," Jeanette Nieuwenhuys of Valley View, said from the corporate office in Sherman. The donations will be transferred to the Goodwill Store in Sherman for now.

The trailer will be manned seven days a week. It will be open from 8 a.m. to 8 p.m. Monday through Friday, 9 a.m. to 6 p.m. Saturday, and for four hours Sunday.

According to Nieuwenhuys, all employees have been transferred to other stores, so the fire hasn't cost them their jobs.

For more information, call 903-893-3145.

Ahhhhh - the joys of Spring

Janie Hartman photo

Spring is a time for renewal of life. Birds sing joyfully, flowers pop colorful blossoms, trees bud, and baby calves romp and explore. But, it is also a time to relax and enjoy a nap in the warm sunshine.

MISD drops Band program

Janet Felderhoff
News Editor

At a called meeting on Wednesday, March 26, the Muenster ISD Board of Trustees voted to eliminate Band from its offerings of classes. The vote to do so was unanimous and done at the recommendation of Superintendent Clay Richerson.

Muenster ISD faces a large budget deficit and must find ways to cut expenses from its budget for 2014-15.

"Because of our finances, I recommend that Muenster ISD does a program change according to Policy DFFB Local," stated Richerson. "My plan will be presented

at the next Board meeting. How that's going to happen will be brought out at the next Board meeting. I need to add the program change in Band."

Board President Steve Trubenbach made a motion to implement a program change in the high school band program to eliminate the band program. Mel Walterscheid made the second and the Board voted to approve the motion 7-0.

Superintendent Richerson then recommended a reduction in force according to Policy DFFB. Neil Flusche made a motion to accept the Superintendent's recommendation to invoke the reduction in force in accor-

dance with Policy DFFB Local based on the Board's determination that a program change in the high school band program results in the elimination of one professional position, Band director, associated with the program." Doug Hermes made the second and the motion passed 7-0.

The Board also heard that the District is using, for all grade levels and all subject areas, the instructional allotment money provided by the State to purchase textbooks or any materials that teachers use in the classrooms.

An executive session was then entered into by the Board.

MMH calls a Board election

Janet Felderhoff
News Editors

There is competition for seats on the Muenster Hospital Board of Directors. There are four candidates for the three at-large seats. Hoping to keep their seats on the Board are incumbents Don Richardson and Jon Reed. Also seeking election to the Board are Steve Fisher and Paul Becker. Danny Walterscheid currently serves on the Board and his three-year term expires in May. He did not sign up to seek another term.

The three candidates receiving the most votes during the May election will be seated on the Board.

At the Tuesday, March 25 meeting of the Hospital District's Board of Directors, an election was called for Saturday, May 10. Election judges appointed unanimously by the Board were Patsy Bayer for voting precincts 15,17,18,19,21, and 33; Paula Lewis for 12 and 14. Bayer's precincts will vote at the Muenster Junior High School, 135 East Seventh Street, and 12 and 14 will vote at the Era Community Center, 102 Malone Street.

The Board appointed Jeni Studebaker as early voting judge. Early voting will be done in the MMH Board Room, 605 North Maple Street from 8:30 a.m. to 4:30 p.m. Monday through Friday. Early voting begins April 28 and ends on May 6.

During public comments, Darla Styles, director of MMH Home Care, said that she has turned in her resignation this past week. It was an extremely difficult decision to make, she noted. "I thoroughly love taking care of the people, especially the elderly which is 95% of the Home Health population." She said that she feels she has a special bond to the people and is very sad to leave that.

Styles said that she feels that many things were done behind her back. She feels belittled and has heard things that were said behind her back. Curse words were said about her to her employees. She said she has done everything that has been asked of her and told of some of the things she has done, some at home after hours with no compensation. She had no say in the hiring of the Home Care marketer and feels there is something wrong there.

Last September, Styles didn't get a raise despite receiving an excellent performance evaluation. She feels unappreciated. She heard there was a replacement selected for her even before she turned in her resignation and felt she would be fired.

In conclusion, Styles said that she wished nothing but the best for the Hospital District. She was an employee of the Muenster Hospital District for 18 1/2 years.

Board President Ronnie Weinzapfel thanked Styles for speaking up and said that they could not comment at this meeting since it was not on the night's agenda.

A new dress code policy for the Hospital District was discussed. It included the elimination of casual Fridays and mandates that all clinical staff wear colored scrubs with each department having a specific color. This would be helpful to patients to distinguish lab, radiology,

dietary, therapy, pharmacy, and nursing staff. Non-clinical departments would be required to wear business casual. Maintenance would wear black shop pants with either long-sleeve or short-sleeve industrial work shirts.

Tiffany Reed explained that the uniforms would be available from a company at a discount provided the employees went through the Hospital. Some would be as low as \$22 for a top and bottom this way. The employee will pay the Hospital for the uniform at the time it is ordered.

Board Vice President Don Richardson inquired what the benefit was of the various colors. Administrator Michael Kent replied, "It helps the patients identify who is who. It makes everybody uniform and looks a little more professional."

The Board asked if everyone was on board with the policy changes. CNO Diane Neu noted that they were not included in the decision.

See HOSPITAL, pg. 2

Are you registered to vote?

By Cathy Krahl
Staff writer

Citizens not yet registered to vote have until Thursday, April 10 to do so if they want to have a say in the city/school elections set for Saturday, May 10.

Voter registration takes place in the office of the Tax Assessor Collector in the Cooke County Annex (the old Schad and Pulte building).

If the May 27 run-off (from the primary election in March) is more important, one may register to vote anytime thru Monday, April 28.

If citizens voted in the Primary election in March, and plan to participate in the run-off election, they must vote in the same party.

"There will be no cross over votes," Billie Jean Knight, tax assessor collector, said.

Be safe. Drive smart.

As energy exploration and production continue to boost the state's economy, the Texas Department of Transportation reminds drivers in those regions to Be Safe. Drive Smart. when sharing the road with increased traffic, work crews, and heavy, commercial trucks.

"Safety is our top priority at TxDOT and we strongly encourage drivers to exercise additional caution when traveling through energy zones and other areas where they share the road with heavy trucks and equipment," said John Barton, TxDOT deputy executive director. "Being safe and driving smart could be the difference between crashing and reaching your destination."

In 2013, there were 15,590 traffic crashes in the Barnett Shale region that resulted in serious injuries or fatalities. The 575 fatalities resulting from those crashes in the 25-county region in North Texas represent an increase of 8% over the previous year. According to law enforcement, the leading causes of crashes in the region were failure to control speed and driver inattention. The most

dangerous times of day were around noon and 5 p.m.

To help encourage safe driving habits, TxDOT is partnering with the oil and gas industry, Texas Department of Public Safety, and communities across the Barnett Shale. The Be Safe. Drive Smart. campaign includes billboards, gas pump advertising, newspaper ads, and TV spots featuring residents from energy-producing communities.

TxDOT's Be Safe. Drive Smart. campaign offers the following advice for drivers to help reduce their risk of becoming a crash statistic:

- Always buckle up.
- Pay attention, which means no talking or texting on cell phones or engaging in any other distracting behaviors.
- Give trucks space.
- Drive a safe speed that takes traffic, road conditions, and weather into account.
- Stop for all stop signs and red lights.
- Pass carefully.

HOSPITAL

to eliminate casual Fridays. They were just told that they were gone. The nursing staff still wears scrubs on casual Fridays. Casual Fridays is when the employees wore jeans and usually the tee shirt of their favorite high school teams.

Neu commented, "That was more for morale. A lot of businesses do that. There is a dress code for casual Fridays."

Board member Mary Del Olmo remarked, "I think you can be professional and not be in scrubs."

CNO Neu added, "NTMC has casual Fridays and that's also their crazy scrubs day. The scrubs that

From the Desk of

Clay Richerson

Muenster ISD superintendent

Muenster ISD Program Change

For the 2013-14 school year, Muenster ISD adopted a deficit budget of approximately \$500,000. The main reason for the deficit is the fact that the amount of recapture increased 900% from the 2012-13 school year. Recapture is determined by property values. In 2012, MISD property values skyrocketed due to oil and gas. For MISD to operate in the 2014-15 school year, the District must have a reduction in force. This reduction in staff will be conducted through district policy; REDUCTION IN FORCE PROGRAM CHANGE, DFFB(LOCAL).

This policy shall apply when a reduction in force due to a program change requires the nonrenewal of a term contract. A program change may be due to, for example, a redirection of resources; efforts to improve efficiency; a change of enrollment; a lack of student response to a particular course offering legislative revisions to programs, departments; or a reorganization of two or more individual schools, departments, or school districts.

"Program change" shall mean any elimination, curtailment, or reorganization of a program, department, school operation, or curriculum offering, including, for example, a change in curriculum objectives; a modification of the master schedule; the restructuring of an instructional delivery method; or a modification or reorganization of staffing patterns in a department, on a particular campus, or District wide.

The previous two paragraphs are taken directly from DFFB(LOCAL) policy. In easier terms to understand, MISD must cut staff to operate in 2014-15.

By policy, the superintendent shall recommend, to the Board, the employment areas to be affected. Policy also states that the superintendent has criteria to follow for decision making.

Muenster ISD's situation has nothing to do with Board or administrative decision. MISD's situation is strictly due to school finance. Because of "recapture," MISD does not receive enough funds (state and local) to operate at its current level.

To view policy DFFB(LOCAL) in its entirety, you may go to the District website (HYPERLINK "http://www.muensterisd.net" www.muensterisd.net) under District Info, School Board Information, MISD Board Policy Manual. If you have any questions concerning the Program Change, please contact Clay Richerson, superintendent, at 759-2281.

.....continued from pg. 1

you have before they went that way (uniform), you could still wear them on Fridays. That way, it keeps the nursing involved. It goes more toward morale." Weinzapfel said he remembered that the HR consultant said it didn't look very professional. He said he had no problem with casual Friday.

A decision on the dress code was tabled for more feedback.

In his CEO report, Kent said that the core team feels better about the progress being made to meet "meaningful use" for the Meditech system. There will be financial consequences should the final deadline of

July 1 not be met.

Nextgen is scheduled to go live on April 9 and 10.

An out-of-state physician interested in coming to Muenster wants to visit Muenster one weekend during April. There is also another physician interested in coming back to Texas.

Following executive session, the Board approved leaving it to Administrator Kent to decide on the color scheme to be used in the Dress Code Policy. The subject of casual Fridays will be taken up at the April Board meeting.

In other business, the Board:

- Approved bad debt write offs totaling \$18,484.25.
- Approved the appointment of Alibhai Mustafa, M.D. to the Medical Staff with courtesy privileges.

We always find that those who walked closest to Christ were those who had to bear the greatest trials.

- St. Teresa of Avila

CCE Charitable Foundation grant applications now available

The Cooke County Electric Charitable Foundation (CCECF) was formed as a catalyst to distribute funds generated from the Cooke County Electric Cooperative Association (CCECA) Operation Round Up® program. The accumulated "rounded up" pennies from our member owners' monthly bills will be used to carry out the mission of CCECF, which is to accumulate and disburse funds for charitable purposes to benefit the members in the service area of CCECA.

CCECF is an independent, non-profit organization. An independent board of directors, made up of our community leaders, governs CCECF and oversees the distribution of funds. Each of these board members provides their time and resources free of charge.

Doug Lillard, secretary-treasurer of CCECF, resides east of Gainesville and is a retired professor from NCTC where he taught Computer Science for 18 years. Prior to his teaching career, he served as associate director of the Computing Center at UNT. His professional career includes the development of

computer software for the oil and gas industry in both the accounting and exploration areas. He has served as chair of the Cooke County Appraisal Review Board. Doug earned degrees from both Texas Tech and SMU but considers himself a Red Raider.

Jane Taylor, graduate of Sacred Heart Catholic School and lifelong resident of Muenster, is a retired co-owner of the Muenster Garden Center and Power Equipment and a former employee of Sanger Bank. Jane volunteered at ABBA of Gainesville for seven years and is currently performing community service through Sacred Heart Catholic Church Outreach and is a CASA advocate volunteer.

Mary Ann Foster, vice chairman of CCECF, is a recently retired itinerant teacher of children with visual impairments. She has a Bachelor's degree in Special Education from Miami University in Oxford, OH, has worked in Cooke, Denton, and Grayson counties, and is currently the children's minister at Vilott Baptist Church. She has lived in

Woodbine with her husband Jim for the past 30 years.

Clint Brown, chairman of CCECF and graduate of UT at Arlington with a Bachelor of Business Administration, is a retired FBI agent with 30 years of service to the Federal Bureau of Investigation. He ranches in Montague County and is the chairman of the Montague County Child Welfare Board and president of Nocona Nights, a Chamber Dinner/Concert Series. He has delivered Meals on Wheels in Fort Worth for 17 years and is a pilot for Angel Flight. He and his wife De have two daughters and three grandsons.

Ken Cash, born and raised in the Starkey Community, is a graduate of Nocona High School and earned an ME degree from Texas A&M at Commerce. He served in Vietnam while in the U.S. Army and was employed 40 years by the USDA Natural Resource Conservation Service working in various counties in Texas. He serves as an Elder with the Nocona Church of Christ, and serves on the Montague County Disaster Board and the Star-

key Cemetery Board. He and wife Danna live on the old home place in Starkey Community between Nocona and Saint Jo. Together, they have been involved in foster care for 35 years and have cared for nearly 80 infants prior to adoption.

The role of CCECF regarding the Cooke County Electric Cooperative Association Operation Round Up® Fund is to make the best use of the funds entrusted to the foundation. Their mission shall be accomplished by disbursement of funds to individuals and organizations for public safety, health needs, self-sufficiency, basic human needs, and the cultural environment.

Grant applications will be reviewed using the following guidelines: there is an apparent need for the funding; there is an evident benefit to an individual, the community, and/or nearby communities; for projects, there is a clear timeline for completion; the grant application fits the overall charitable purposes of Operation Round Up®.

Primary areas of consideration for individuals: an unforeseen event/condition has occurred (e.g. a special need caused by an event/condition that was neither expected nor intended); a special need for applicants who are suffering from a debilitating disease as verified in writing by a medical doctor, or disabled as verified in writing by a medical doctor; or elderly - 65 years of age or older as verified by identification.

Primary areas of consideration for organizations/agencies: public safety; health needs; self-sufficiency; basic human needs; cultural environment.

The Cooke County Electric Charitable Foundation Board of Directors is free to support, question, or deny any request. If an individual is not selected for funding they may re-apply no sooner than one year.

Grant requests for organizations must be received by June 1 of each year. Board action will be taken on organizational requests on the second Tuesday in July each year.

Individuals' grant requests will be considered as needed. If an emergency need exists that is considered critical to health, safety, or human welfare, CCECF may consider an application request outside of this schedule.

Grant applications are available at the CCECA business office and at www.cceca.com. If you have any questions, please contact Janet Voth or Malony Bartush at (940) 759-2211.

TCC begins substance abuse program

Texoma Community Center (TCC) announces the addition of outpatient substance abuse treatment program services available to residents of Cooke, Fannin, and Grayson counties. Residents of the service area

Save lives, donate blood

There will be a Blood Drive Thursday, April 10 from 1-7 p.m. at Muenster High School. It is hosted by the Muenster High Student Council.

may self-refer to the program. Services are offered based on need, regardless of income, insurance, and/or ability to pay.

Clients are currently offered individual and group sessions; and, in the near future, will have the ability to participate in sober social activities to promote support networks and holistic recovery efforts. Clients may choose to participate in traditional 12 step or SMART Recovery programs. Family sessions are available to promote recovery and education for the entire family system. Additional services available include skills training/counseling sessions in: sober living skills, promoting change, AOD Education, and Crimi-

nal Conduct and Substance Abuse Treatment.

The program is licensed by DSHS and an approved CTI site for student practicums and LCDC Intern supervision under the direction of Brent Phillips-Broadrick, LPC-S, QCC, TCC mental health director. The TCC SA Outpatient Treatment Program plans to host an open house during the month of May for interested community members and to promote awareness of National Prevention Week (May 18-24).

Contact Kristi Gourd, TCC SA Outpatient Treatment Program manager at 903-957-4743 with questions, to complete a program referral, or for further information.

The family of Barbara Koesler wishes to express our sincerest thanks to everyone for all that was done for her and our entire family.

To each and everyone who called, visited, sent a card, or brought a meal, please know how much we appreciate it.

Our family wishes to thank Dr. Simmons and the Muenster Memorial Hospital and the Muenster Health and Rehab Center nursing staffs, therapist, and personnel for caring for Barbara during her stay at both facilities.

Our sincere thanks to the Catholic Daughters of America and their hard work preparing the meal and thanks to all who donated food for the meal.

A special thanks to Father Ken for the spiritual support and comfort you gave us. We are truly grateful to have you as our pastor.

Thanks to the musicians for the beautiful songs, the altar servers, and Eucharistic ministers who assisted in the Mass.

Thanks for all the Masses, flowers, money, and donations to Sacred Heart Catholic School and the Muenster Memorial Hospital.

May God bless all of you.
The Family of Barbara Koesler

DaLee Smith of Gainesville announces the engagement and approaching marriage of her daughter Emma Chalene Smith of Coppell, formerly of Gainesville, to Aaron John Grewing of Coppell, formerly of Muenster. Aaron's parents are Jim and Diane Grewing of Muenster. The couple has chosen Saturday, May 17 for their wedding day. It will take place at 7 p.m. at Piazza In The Village, Colleyville. Minister Randy Prouse will officiate. Bride's attendants will be Emily Krahl, maid of honor, and bridesmaids Natasha Smith, Kristy Messerschmidt, Diane Britain Grewing, and Shannon Estopinal. Attending the groom will be best man Shane Presnall, and groomsmen Tyler Acuna, Craig Grewing, Randy Grewing, and Michael Grewing. The bride-elect is a 2011 graduate of Gainesville High School. The future-groom graduated from Muenster High School in 2011. He is currently attending DeVry University in Irving and will graduate in December of 2014. He is employed at NAPA Auto Parts Distribution Center in Coppell.

Save the date

The Muenster Jaycees are asking people to save the date for their upcoming fundraisers. On April 12, they will sponsor a Hold 'Em Tournament with meal and raffle in the KC Hall to benefit the girls in the recent car accident. May 17, a

benefit for Claude Klement, who is undergoing cancer treatments, will be held at Heritage Park. There will be more details on this benefit later. June 28 is the date for the Jaycees golf tournament at Turtle Hill Golf Course.

David M. Bright Scholarship available

The Muenster Memorial Hospital David M. Bright Memorial Scholarship applications are now available. The scholarship to be awarded this year will be \$2,500. The scholarship is open to any high school senior or adult who is pursuing a career in medicine or a medically related field or service, who resides in the Muenster Memorial Hospital District.

A high school senior must have completed all four years of high school in the Hospital District. An adult must have lived in the Dis-

trict for at least five years. Any person who is receiving the valedictorian or salutatorian position from the prospective school will not be eligible for this scholarship. Previous winners may apply again.

Applications are available at Muenster High School, Sacred Heart School, Muenster Memorial Hospital, and the *Muenster Enterprise*. The deadline for the application is May 10. Applications may be turned in to the Hospital at any time prior to that date.

Zayley monkeys around

Zayley Jo Schilling celebrated her 1st birthday by having her family and friends "monkey around" with her at her pink and purple Sock Monkey birthday party held at the Center Restaurant on Saturday, Nov. 16.

Little monkeys enjoyed applying monkey tattoos, playing a banana toss game, pinning the tail on the sock monkey, and breaking the monkey pinata.

Snacks included traditional monkey food, including bananas and banana pudding as well as various pink and purple candies and personalized lollipops housed in glass containers. Zayley's cake was made by her "Gonya" (Peggy Sparkman) to look like a sock monkey head. Additional decor included a table full of stuffed traditional sock monkeys as well as whimsical sock mon-

keys, including a giant pink and purple sock monkey that was a gift to Zayley from her parents.

Monkeys in attendance included her parents Michael and Jo Schilling and siblings Zadok and Zechariah of Muenster; grandparents Sam L. and Peggy Sparkman of Lindsay and Eileen Schilling of Muenster. Additional monkeys included Leslie, Landry, Avery, and Ally Schilling of Muenster; Jon, Marcus, Jillian, Mick, and JoCee Schilling of Muenster; John Sparkman and Angela Shoemaker of Gainesville; Sam B. Sparkman of Gainesville; Dianne LeClair of Saint Jo; Lisa, Hank, and Conrad Vestal of Pantego; Jeremy, Diana, Koralee, Kariann and Arlie Bayer of Lindsay; Donna Mosman of Gainesville; and Granny Mae Gwyn Adams of Valley View.

Zayley Schilling

Ranch cowboys head to town

Sacred Heart Alumni and Supporters are sponsoring their annual Buckaroo and Ranch rodeos on Sunday, April 6 in the renovated, indoor Muenster arena.

Activities begin at 9 a.m. Sunday morning when the young cowboys and cowgirls participate in several Buckaroo events. There is a \$20 entry fee for a team of two. Prizes will be awarded to the fastest teams and goodie bags presented to all participants.

Events for the Ranch Rodeo include Team Mugging (four loop limit), Team Sorting, Trailer Loading (new event), and Team Mugging (five loop limit). The rodeo kicks off at noon.

For more information, contact Vickie Fleitman at (940) 736-1041 or cutnup@ntin.net or Sam Hess at (940) 727-1259 or sacredheartsschoolmuenster.com, click information then alumni association.

All proceeds benefit Sacred Heart Catholic School.

New Arrivals

Crouch

Tiffany and Jared Crouch of Austin joyfully announce the birth of their first child, son Kellen Ryan Crouch. Kellen was born Tuesday, Feb. 18, 2014 weighing 7 lb. 8 oz. and measuring 20 1/2 inches long. Grandparents are Jimmy and Brenda Green of Muenster, Todd and Michelle Richey of Corinth, and Randy and DeWanna Crouch of Orange, Texas.

Kellen Crouch

Zyden Schilling

Schilling

Zyden Samuel Schilling entered into this world at Denton Presbyterian Hospital on Friday, Feb. 7, 2014 at 9:32 a.m. He was born weighing 9 lb. and 3 oz. and measured 21 inches in length. Excitedly waiting to welcome him home were older siblings Zadok (5), Zechariah (3), Zayley (14 months) and parents Michael and Jo Schilling of Muenster. Zyden's grandparents are Samuel L. and Peggy Sparkman of Lindsay and Frank "Jr." and Eileen Schilling of Muenster. Zyden's great-grandparents include the late Samuel A. and Pearl Inez Sparkman, the late Ed and Betty Sickling, the late Joe and Marie Knauf, and the late Frank and Caroline Schilling, all formerly of Muenster.

Auction items being accepted for Klement

The benefit for Claude Klement set for May 17 will include a live and a silent auction. If you would like to donate an item for the auctions, please contact Mark Klement at 940-727-3852.

Free mammograms offered

North Texas Medical Center in Gainesville and Moncrief Cancer Institute will be hosting a free mammography clinic April 11. The program provides for fully funded mammograms for women without insurance. Participants need to be at least 35 years-of-age with no current breast issues or prior breast cancer diagnosis. Call 1-800-405-7739 for an appointment.

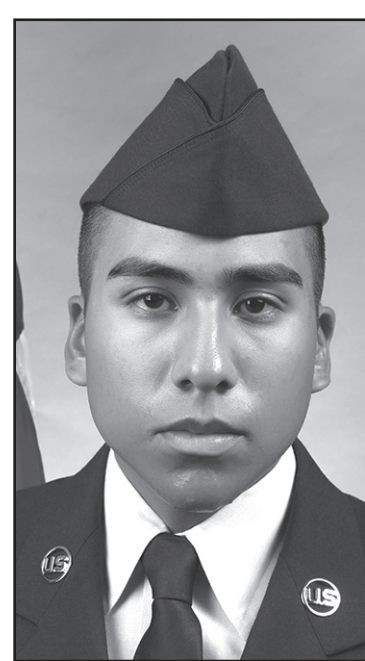

News of the Sick

Claude Klement is in the Chicago area in a cancer treatment center. He is undergoing chemo and radiation treatments. He is a fighter, and his spirits are great. His entire family has visited him this past weekend, and everyone's enthusiastic!

Cards can be addressed to: The Inn @ Market Square, c/o Claude Klement, 2723 Sheridan Road, Zion, Illinois 60099.

Donations are being accepted at the local banks.

In the Service

Airman Omar Colmenero

Air Force Airman Omar A. Colmenero graduated from basic military training at Joint Base San Antonio-Lackland, San Antonio.

The airman completed an intensive, eight-week program that included training in military discipline and studies, Air Force core values, physical fitness, and basic warfare principles and skills.

Airmen who complete basic training earn four credits toward an Associate in Applied Science degree through the Community College of the Air Force.

Colmenero is the son of Isidro and Maria Colmenero of Gainesville.

He is a 2013 graduate of Sacred Heart Catholic School.

MY BANK ROCKS

"For me, money means I can do the things I want to do. My bank understands that. So they offer great services that make money easier to manage. Like eStatements, online bill pay, mobile banking, right from my smart phone. For my money, **my bank** rocks."

SCHOOL

FCCLA duo headed to State

Muenster Public School students Mariah Rocha and Makayla Pumphrey have been working hard at their Family, Career, and Community Leaders of America STAR (Students Taking Action for Recognition) Events project. They placed first at the Region II meeting in February in Waco. They will be advancing to the State

FCCLA competition next week, April 10-12, in Corpus Christi. Mariah and Makayla hosted "Got Stress?" programs to inform the Muenster High School and Junior High students about how important it is to manage stress, and how it can really take a negative toll on a person's body. Joni Sturm's 12th grade Child

Guidance class partnered with Mariah and Makayla to create fun and engaging activities for elementary students. The elementary students enjoyed being with the seniors and learning about the importance of nutrition and exercise.

Mariah and Makayla encourage everyone in the community to look at the way they manage stress, and to try their best to reduce their personal, family, or workplace stress.

Fri. - Shrimp, black-eyed peas, cole slaw, fruit, bread.

SHCS photo

Sacred Heart 5th Grade Class at the annual 5th Grade Vocation Day.

SHCS 5th Grade attends Vocation Day

Wednesday, March 26, 5th graders from across the Diocese attended the annual 5th Grade Vocation Day. The day began with Mass at Holy Family Catholic Church in Fort Worth. Mass was celebrated by Rev. Jonathan Wallis, Diocesan Director of Vocations. Concelebrating were Fr. Jeff Poirot, pastor at Holy Family, and Fr. James Wilcox. Deacon Gary Picou assisted.

During his homily, Fr. Jonathan asked the students "How many of you have ever been asked what you would like to be when you grow up?" Well, what I ask you is "What does God want you to be when you grow up?" Jesus Christ loves you and knows who you are and calls you to Himself. He will make your vocation known to you, and the true way to happiness is sacrifice. Everyone is here today through someone's sacrifice. Prayer when you are young will help you prepare for your vocation.

Following Mass, the students were assigned into groups, boys and girls. The girls listened to talks by Sr. Catherine Tran, Sr. Francesca Bui, and Sr. Kathryn Joan (KaJo), while the boys listened to talks by Fr. James Flynn and Fr. James Wilcox. These sisters and priests talked to the students about how they heard the call, how they live out that call, and answered questions from the students.

Assisting in the liturgy with the Prayers of the

Faithful were Lexi Rivers and Nolan Vogel.

Sacred Heart 5th graders are: Destiny Blankenship, Emily Campbell, Jake Campbell, Jessica Dangelmayr, Kevin Dangelmayr, Kyle Dangelmayr, Carolyn Dickerson, Dakota Dicker-

son, Isaac Eddowes, Lily Haley, Rachel Hesse, Jianne Juntado, Lexi Rivers, Rafael Rondon, Prestin VanBriggle, and Nolan Vogel. Attending with the class were Janet Blanton, classroom teacher, Annette Bayer, Religion teacher, and Sherry Rivers.

SPORTS

Tiger golf team advances to Regionals

Sacred Heart hosted the TAPPS Division 1AA Golf Tournament Monday at Turtle Hill Golf Course. Morning showers delayed play for 1 1/2 hours, with the afternoon turning a sunny 78 degrees with a 10-20 mph south wind.

The Tigers of Sacred Heart finished in 3rd place and will advance to the Regional tournament April 14 in Allen.

Kennedale Fellowship took the District Championship with a score of 349. Abilene Christian was 2nd at 430, and Sacred Heart 3rd with a team score of 433.

Leading the Tigers was Hudson Eddleman with a 104. Grant Springer scored a 105, Cooper Eddleman 111, Ethan Henry 113, and Jason Knabe 114.

Also playing for Sacred Heart were Mark Davis and Nick Turner each scoring 113, Michael Fleitman 131, and Ben-nigan McCoy 135.

Home Hospice to host 13th Annual Golf Tournament Ap. 6

Home Hospice of Cooke County is hosting their Thirteenth Annual Golf Tournament at Turtle Hill Golf Course in Muenster on Sunday, April 6. The tournament will be a two-person scramble, and shot gun start begins at 2 p.m.

"We're really excited to have our golf tournament out at Turtle Hill Golf Course," said Jane Dudley, chairperson. "Everybody always has a great time, and the course is beautiful."

There are still sponsorships available and room for more golfers. Registration fee of \$75 covers green fees, carts, prizes, and a barbecue supper provided by Tic Bloc. Great raffle prizes are available to win, and Luttrull McNatt is awarding a Chevy Cruise as the Hole-in-One prize along with other great prizes, including a 4 day/3 night golf vacation at the

Fairmont Resort, four pairs of Maui Jim sunglasses, and a head-to-toe Matthews signature outfit and \$500 on-line shopping spree.

Sherry Little, executive director of Home Hospice, said, "We feel blessed to serve the people of this community at end-of-life, and we feel blessed to have a community that believes in our mission. The funds raised through this exciting, fun event are used to provide care to those in Cooke County who are dying without benefit of insurance or financial resources for care at this important time of life; and the number of our neighbors in need is growing everyday."

For more information or to register visit www.homehospice.org or cooke-golf-tournament.org or call Jane Dudley at 940-668-8295 or Cathy Kinsella at Home Hospice, 940-665-9891.

Muenster 1st baseman Sawyer Sanders attempts to keep Lindsay's Yancey Otto on base in the Hornets' 5-3 loss to the Knights Tuesday.

Muenster boys take 8th Division Championship

The Muenster 8th grade boys track team edged out a 1st team track team Monday's Hornet Relays. The home team earned 93 points to beat out Lindsay and Collinsville, both following with 90. Sacred Heart finished 4th with 68, followed by Immaculate Conception, Era, Valley View, St. Mary's, Prairie Valley, Denton Calvary, Slidell, Bells, and Saint Jo.

Lindsay's 8th grade girls earned 100 points for the championship, followed by Era 85, Muenster 63, and Collinsville 47, the top four teams.

Lindsay's 7th graders swept the meet. The girls scored 102 points followed by Era 90 and Valley View 73, while the boys finished with 98, over Valley View 87 and Muenster 84.

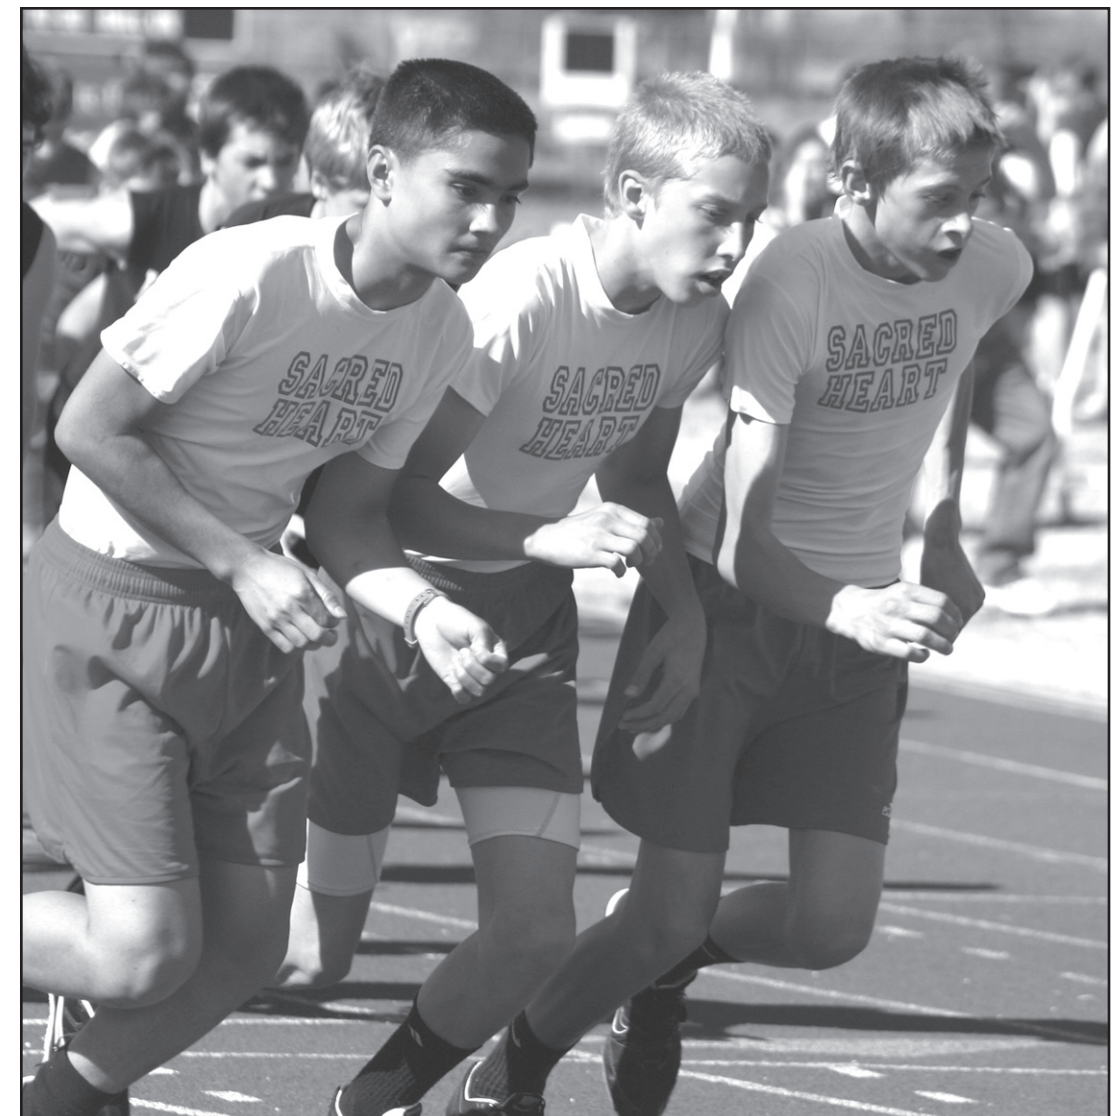

Muenster and Sacred Heart finishers included:

- 7TH GRADE GIRLS**
2400m: 2, Dani Hess, SH, 10:31.00.

FARM & RANCH

Texas food prices remain steady

First quarter food prices in Texas remain fairly steady for a basket of 16 staple grocery items totaling \$46.66, up less than 2% from last quarter at \$45.85 and up about one-half of 1% from \$46.40 last year, according to Texas Farm Bureau's (TFB) Grocery Price Watch.

"Prices for consumers' grocery baskets have stayed consistent through the first quarter of this year," said TFB President Kenneth Dierschke. "This is good news for Texas families as they closely monitor their budgets

throughout the year."

Although the overall cost remained steady, the meat aisle lacked consistency as red meat prices rose and poultry prices declined. Top sirloin steak and ground beef increased more than 5% and 11%, respectively, from the last quarter. The price of pork chops rose to \$4.25 per pound, a 7.32% increase. Chicken breasts decreased by nearly 3% from the last quarter and remained steady with prices of a year earlier.

"Beef and pork prices have gone up due in large part to

decreased production. Due to the drought, the U.S. cow herd is at its lowest numbers since the 1950s, and hog farmers are dealing with a virus that has reduced total pig numbers," Dierschke said. "Low grain prices and increased hatches have poultry farmers ramping up production, which eases the price burden for chicken at the grocery store."

Of the 16 items surveyed, eight increased in price from the last quarter: fresh tomatoes, white bread, corn flakes, vanilla cake mix, ice

cream, ground beef, sirloin steak, and pork chops. Seven items—lettuce, grapefruit, rice, milk, sliced turkey, cheddar cheese, and chicken breasts—decreased in price from the last quarterly survey.

The TFB Grocery Price Watch is conducted quarterly by shoppers strategically located across the state of Texas. The current survey data was collected by 43 shoppers from March 6-13. TFB has monitored Texas food prices through its Watch survey since March 2009.

Website tool available to answer consumers' food questions

Today's consumers are asking more questions about their food, so the Center for Food Integrity created a new widget for websites looking to help answer those questions. The tool, which is from www.BestFoodFacts.org, allows readers to submit questions from their sites directly to experts who provide credible and balanced information.

Using more than 150 university-based food system experts who have conducted research and provide unbiased answers in blogs, infographics, podcasts, and videos, BestFoodFacts.org covers all things food. Anyone can submit questions and receive expert responses within 24 hours, according to Feedstuffs.

Instructions to embed the Best Food Facts widget can be found at www.BestFoodFacts.org/ask-an-expert.

Better Bourbon?

We know plenty of cowboys who believe one of life's greatest pleasures is chasing down a prime T-bone with a glass of Kentucky bourbon. It's our job to highlight the efforts of those cowboys who work hard to produce a better steak, but we've stumbled on this eighth-generation Kentucky distiller whose mission is to produce a better bourbon, and he thinks the ocean is the key. Trey Zoeller ages his Jefferson's Bourbon in barrels floating on the sea. The exceptional color and flavor of this \$200 per bottle bourbon comes from "rocking on the water" in the barrels. Zoeller has nearly 200 barrels traversing the globe, with official tasters monitoring the aging process and flavor at various ports along the journey. We're investigating how one becomes an "official taster."

Cowboys and Indians and the Farm Bill

The latest farm bill has reopened some old wounds between Oklahoma's Native Americans and politicians. The controversy surrounds a nearly 15-square mile tract of land carved out of an Indian reservation in 1883, which was 14 years after President Grant gave the same property to the Cheyenne-Arapaho tribes. The Indians want the land back, but Section 7512 of the farm bill keeps the land under USDA control for another five years. The Grazinglands Research Laboratory operates on the full 6,700 acres now, and USDA is reluctant to abandon the site, especially if it's just to be developed into another Indian casino. Other ventures, however, might be more lucrative to the Indian tribes. Major oil and gas drilling activities are in progress nearby.

Taste Test for Pig Semen?

We're not sure if this fits into the category of natural, sustainable farming or disgusting factory farming techniques. But it is low tech. Vermont-born Sabrina Estabrook-Russett is a veterinary student in Scotland, where she was sent for an on-farm learning experience about capturing boar semen with a Slovenian farmer. After gathering the semen, she was instructed the semen must be tested for quality. Veterinary students, Estabrook-Russett says, are unfazed by the "wide array of horrendous bodily fluids we encounter on a near-daily basis." Yet, she was unprepared for what the Slovenian said next. "We test by ALL the senses: see, touch, smell, taste. You want taste?" No. We want change majors.

A Green Light for Fat?

"It's not saturated fat that we should worry about," says Dr. Rajiv Chowdhury, the lead author of a new study and a cardiovascular epidemiologist at Cambridge University. The new study on fat and heart health, published in the journal *Annals of Internal Medicine*, did not find an increase in heart disease in people who ate higher levels of saturated fat. Moreover, researchers didn't see a reduction in heart disease in those eating higher amounts of unsaturated fat. So, is this a green light to eat all the steak, butter, and other yummy foods with saturated fat? Not so fast, says Dr. Frank Hu, a professor of nutrition and epidemiology at the Harvard School of Public Health. Hu says looking at individual fats in isolation could be misleading, because when people cut down on fats, they tend to eat more refined carbohydrates that can also be bad for heart health. So, eat the steak, but skip the bread.
