

MUENSTER ENTERPRISE

VOLUME XXI

MUENSTER, COOKE COUNTY, TEXAS,

NOVEMBER 23, 1956

NUMBER 1

Hornets Awarded Runner-up Trophy; Alford Is Champ

As usual when this date rolls around, the Enterprise can think of lots of reasons for being thankful. The very first, of course, is for another happy birthday. As the Volume and Number on this issue reveal, the paper hereby begins the twenty first year of its career. And it has reason as much as ever to give sincere thanks for all the favors and blessings it has received... not only through the past very delightful year but through all the others since its feeble beginning on Thanksgiving Day 1936.

Looking back over the past twelve months we can be thankful for one of the most progressive years in our community's history. We can point with pride to new business and residential building, street improvement, water supply and sewer expansions, new rural building and continuation of a long range conservation program.

All these are community blessings which deserve our sincere appreciation. The persons responsible for them have performed a distinctive service to all of us in that they have helped to make our lives more pleasant and more secure. As one of the beneficiaries the Enterprise is most grateful.

The same could be said for the other nineteen years in this paper's history. The town was rather small then, with less than half its present population. And it was also rather primitive. No sewer, no pavement... except that new second rate job on Main which broke down in a few years... very few business buildings which could be rated as a credit to the town, very little business activity, poor rural roads, and farming methods that were still depleting rather than restoring.

All these things are factors which have contributed to this paper's happy birthdays, factors for which it is grateful again on this Thanksgiving Day.

And, of course, there are other factors. Such as the generous support the Enterprise has received from its subscribers and advertisers. Their better than average cooperation has enabled us to publish a better than average paper for a town of this size. So, we are grateful also to the thousands of individuals whose dealings have had a part in our pleasure and success.

Shifting from our little local world to national and global affairs, it might seem at this time that reasons for thanksgiving are somewhat limited. The tension now existing in the Middle East makes us wonder if and when we'll be reviving the horrors of a full scale war. As so often before in recent years, the crisis seems to have passed but in doing so it has left the red menace in a slightly better position than before. Russia has accomplished much, depriving Western Europe of its principal source of oil as well as strengthening its own influence among the Arab nations. All this fits perfectly with its evil objective of world conquest. All this is a matter of grave concern to people who cherish freedom and independence, and to the unfortunate millions who yearn for their day of deliverance.

Gloomy as the outlook is, however, it still has a bright side. Coming events can possibly reveal that the bad news of these days were actually blessings in disguise. Hardships imposed on Europe by stopping the flow of oil will be offset by the economic stagnation in countries who cannot get rid of it. Arabs and Egyptians may soon become unhappy with their new alliance.

Even more significant is the revolt in Hungary. The indomitable spirit of those patriots and the gratifying behavior of many Russian soldiers reveals the greatest weakness of all in the mighty communist machine. Most of the world, including Russia, knows now that the instincts of freedom and human decency cannot be crushed out of existence. Communism is a proven failure and its bitterest enemies are the people who have to endure it. The Soviet bosses are quaking now, fully aware that their empire is on the verge of internal upheaval that will destroy it completely. Even now there are reports of major shake ups in the red high command, signs that the Kremlin is having serious trouble.

Still another bright sign is the (Continued on Page 8)

District honors in two categories were awarded to the Alford Bulldogs last Saturday in a meeting of coaches bringing an official close to the 10-B season. With a perfect season in loop competition they received the 10-B champ trophy. In addition they were favored for the district sportsmanship trophy.

For the third time in as many years Muenster was awarded the district runner-up trophy. Callisburg, with an identical season record of 4 wins and 2 losses, was edged out in the decision because of its loss to Muenster.

Final standings of the district teams are as follows: Alford 6-0, Muenster 4-2, Callisburg 4-2, Era 3-3, Saint Jo 2-4, Valley View 2-4, Sanger 0-6.

Last Friday, in the final district games of the season, Muenster breezed past Sanger 46-20, Alford walloped Era 33-0 and Callisburg edged Saint Jo 19-13. Valley View, in a non conference tussle was licked 52-13 at Henrietta.

Other activity at the district meeting was awarding the two trophies for junior loop leaders. Callisburg got the champ trophy and Valley View the runner-up trophy.

Coaches also decided that junior teams next year will be confined to elementary kids. Freshmen will be counted as members of high school squads.

Parents Invited to Hear Father Kammer

Father Michael Kammer of Jesuit High School, Dallas, will be a guest speaker at next Monday night's meeting of the Sacred Heart Home-School Society.

His talk promises to be informative and entertaining and a full attendance of parents is urged. Not only members of the society, but all mothers and fathers of parochial school students, are invited to attend.

The meeting will begin at 8 p.m. in the high school library and will conclude with refreshments.

NEWS OF SICK AND INJURED

Jean Wieler is recovering satisfactorily from an emergency operation for acute appendicitis performed Saturday at Gainesville Sanitarium. Her mother, Mrs. John Wieler, attended her bedside at the hospital and her sister, Juanita of ETSTC, Commerce, cheered her with a visit Sunday.

Mrs. Mike Kleiss, 81, who is a patient at Gainesville Sanitarium since she broke her right hip last July 11 in a fall at her home, is now permitted to put her full weight on her foot while confined to her walker. X-rays revealed that the fracture is almost healed but she will remain at the hospital indefinitely. She and her family look forward to her being home for Christmas.

Henry Luke is back at home after receiving medical care at Veterans Hospital in McKinney where he was a patient several weeks. His son Paul went to McKinney for him Friday evening.

Paul Nieball is a patient at Veterans Hospital in McKinney since Thursday for medical care.

Mrs. Frank Kathman Sr. was off duty at the Main Cafe several days following a mis-step in which she sprained her ankle.

Jack Hoehn of Nocona will be off duty with the Texas Company field crew here for a few weeks while his broken left arm heals. He sustained the fracture, just above the wrist, in an accident last Thursday in the Muenster field and received treatment at Gainesville Sanitarium.

Cindy Cain, 9, daughter of Mr. and Mrs. Cecil Cain, entered Gainesville Sanitarium Monday for medical care. She was dismissed Wednesday.

Gayle Doughty, infant daughter of Mr. and Mrs. Weldon Doughty, is a medical patient at M&S Hospital. Barney Reid, 4, was dismissed from the hospital Tuesday after being a medical patient.

MHS Band Receives Place 2 Rating in Regional Contest

Kids of the Muenster High Band got close but they did not reach the coveted first division rating Tuesday afternoon in Interscholastic League Region X marching contest at Grand Prairie. They received a second division classification.

Director Jimmy Harris said the youngsters looked sharp in executing their maneuvers but judges were not pleased with their alignment. They did not keep lines straight nor the distances between them equal. Another criticism was on alertness at an inspection, which was an unexpected part of the contest. A few kids goofed on inspection commands.

Christmas Parade Plans Shaping up

Plans are shaping up nicely for Muenster's second annual Christmas parade, according to reports of committee chairmen Tuesday at the Lions Club meeting.

The event is scheduled for Friday, December 7, beginning at 2 o'clock. Final details of the program will be worked out at a special committee meeting next Monday night.

Reports up to now indicate that that about six high school bands and at least a dozen display floats will participate. A town survey to be completed this week is expected to determine how many additional displays will be entered.

Business firms planning entries are asked to emphasize the Christmas theme rather than a strictly commercial display. Last year a few of the entries indicated only the name and nature of the business represented.

Tigers End Season With 18-7 Decision Over Sooner Team

The Sacred Heart Tigers put on their top performance of the season Friday night to disappoint the Ryan, Okla., Cowboys by a tally of 18-7. Sharp and aggressive all the way through, Vernon's lads ignored the Cowboys' definite weight advantage and roared back for three thrilling touchdowns after allowing their visitors to rack up an early lead of 7-0.

The triumph on the score board, moreover, was in line with other statistics of the game. The Tigers led 10-6 in first downs and 250-95 in total gains from scrimmage. Besides, their record was the better in the two sensational plays of the game. Mollenkopf did some fancy stepping and got several beautiful blocks on a kick return for 85 yards and a TD. A Ryan player did almost as well returning an intercepted pass 77 yards to the Tiger 7 before being hauled down by Sonny Walterscheid.

A Tiger fumble about midway in the first period, followed by the only Ryan pass completion of the night, set up the only Cowboy score. The pass, good for 21, left only 2 to go and a quarterback sneak on the next try went (Continued on Page 7)

L. E. Erwin Services Held at Marysville

Funeral services were held at Marysville Baptist church Wednesday afternoon at 2 o'clock for Leelon Earl (Tuck) Erwin, a former resident of the community, who died Saturday at the Veterans hospital in Marlin. He was 60 years old.

Brother Sanders, pastor of Rainbow Baptist church at Nemo, officiated at the services.

Burial in Marysville cemetery was directed by Scott Bros. Funeral Home.

Bearers were Bill Moon, J. M. Shiflet, Earl Robison, Emory Hunter, B. G. Lyons and Foster Davidson.

Erwin, a native of Marysville, was born Sept. 2, 1896, a son of William and Harriet Erwin. He served in the Navy during world war I and operated the grocery store at Marysville until ill health forced him to quit work.

He is survived by a daughter, Mrs. Betty McRee and a son, Bob Erwin, both of Dallas; a sister, Mrs. Della Doughty of Glen Rose; a brother, W. C. Erwin of Gainesville, and five grandchildren.

Muenster is Host Sunday for K of C District Initiation

Knights of Columbus of five North Texas councils will assemble in Muenster Sunday for a district initiation in the order's second and third degrees. Information available to Grand Knight J. A. Klement indicates a class of about 25 candidates.

The day's program begins with group attendance at the 10 o'clock mass and sermon in Sacred Heart Church with Father Louis Deuster, pastor and chaplain, officiating. Space will be reserved for the knights and candidates in the front pews.

After mass, about 11:30, candidates will be guests for lunch in the Main Cafe. The second degree initiation is scheduled for 12 o'clock in the KC hall and the third will follow soon thereafter.

During the ceremonies visiting ladies will be entertained by a committee of Catholic Daughters headed by Mrs. John Mosman.

After the initiation, about 4:30 p.m., knights and their ladies will have a buffet supper in the basement of the KC hall.

Candidates of the Muenster council are Jimmy Harris, Jerry Klement, Jimmy Hellman, Jerry Vernon and Earl McDaniel.

Coaches Unanimous For Richey on 10-B All-District Team

Hubert Richey was the only unanimous selection on this year's 10-B all-district team, but he was also the only Muenster player receiving a place on the mythical eleven.

The selections were made by district coaches last Saturday afternoon at a special meeting in the community room of the First State Bank in Gainesville.

The distinction of best representation on the district team goes to Era, which landed 4 players. Alford and Callisburg share in second place rating with 3 each and Valley View has 2 players. Muenster and Saint Jo have 1 each and Sanger has none.

Actually 14 players are listed on the team, because of ties in the voting on three positions. Coaches had decided at their first meeting of the season to submit their separate lists as they arrived at the meeting, then to count the votes received by each player. All except the Sanger coach submitted lists and the count of their votes elected the following team.

Ends: Holloway, Alford, and Young, Valley View. Tackles: Nikerk, Alford, and a tie between Brown of Era and Westbrook of Callisburg.

Guards: Williams, Saint Jo, and a tie between Sutton of Era and Brown of Callisburg. Center: Yarborough of Era and Wells of Valley View (tie). Quarterback: Neighbors, Alford. Halfbacks: Harrison, Callisburg, and South, Era.

Fullback: Richey, Muenster.

All others nominated by the coaches were included on an honorable mention list. They are: Ends: Kaderli of Muenster, Martin of Valley View, and Watts of Alford.

Tackles: Klement of Muenster. Guards: Whitt of Alford and Flusche of Muenster.

Centers: Dutton of Callisburg and Hutson of Saint Jo. Quarterback: Williams of Saint Jo.

Halfbacks: Wimmer of Muenster, Weed of Saint Jo, Parsons of Era and Steph of Alford. Fullback: Busby of Saint Jo.

Bowie Man Elected Zone 1 Supervisor

E. C. Chandler of Bowie is the new supervisor of Zone 1 of the Upper Elm-Red Soil Conservation District. He will serve the unexpired term of Fred Preuninger who resigned recently.

Chandler was elected Tuesday night at a special meeting of landowners at Montague. Zone 1 covers most of the south half of Montague county.

The board of directors, governing body of the Soil Conservation District, consists of five elected members who are named for five year periods. A supervisor must be a landowner actively engaged in farming or ranching within his zone.

20 Game Schedule Awaits Parochial Basketball Teams

A regular schedule of 20 dates for a total of 40 games faces the two Sacred Heart teams this week as they settle down to serious basketball practice. For the boys, who have just packed away their football gear, it is the first week in the gym. Girls have had several weeks of workouts.

In addition to their regular schedule the teams will be in at least one tournament. They are entered in the Holiday tourney at Muenster High on Dec. 27-29.

First action of the season is set for the Tiger gym next Tuesday night with the boys and girls of Thackerville as opponents. The following Friday the teams will go to Collinsville.

All dates on the schedule except one are set as double headers, and a second contest will likely be arranged for that night also. St. Mark's of Dallas, a boys' school will send only a boys' team. Laneri, also a boys' team, will be accompanied by OLV Academy when it comes here. Other schools have both boys (Continued on Page 2)

William McKaig, 82, Former Resident, Passes Saturday

William Newton McKaig, brother-in-law of Clarence Wilson of this city, died Saturday afternoon in a Gainesville hospital following a six day illness. He was 82 and a former Muenster resident.

Funeral services were held Monday afternoon at 3 o'clock in the First Baptist Church at Gainesville with the Rev. Tim Trammell, pastor, officiating. He was assisted by Rev. C. M. Thomas. Burial was in Rest Haven Memorial park with Vernie Keel Funeral Home directing. Masonic rites were conducted at the graveside.

McKaig, a farmer and rancher, resided on the McKaig ranch just east of Gainesville on the Brickyard road. He was born in Normandy, Tenn., on Sept. 30, 1874, and was married here to Miss Lula Wilson, a Muenster girl, on Nov. 22, 1898. They farmed north of Muenster for several years after their marriage, then moved to Sivells Bend living on a farm until their land was taken over by Camp Howze. Since then they resided at Gainesville. He was a member of the Fish Creek Masonic lodge and was a deacon in the First Baptist church.

Survivors are his wife, one daughter, Mrs. Tom C. Bobo of Midland; two sons, Otho McKaig of Mineola and H. L. McKaig of Gladewater; three grandchildren and two great-grandchildren.

Mr. and Mrs. Clarence Wilson were among relatives at the funeral service. Attending from Marysville were Jim Shiflet, Joe Wyatt, Emory Hunter, Lindsay Branch and Mr. and Mrs. B. G. Lyons.

Wichita Falls Kids Outclass Cubs 20-0

A 20-0 setback in their last game of the season here Sunday afternoon convinced Father Patrick's Sacred Heart Cubs that they got a lucky break early in the season when AMI of Wichita Falls passed up its opportunity to get into the North Texas Pee Wee League. Had the Wichita team accepted its invitation the Cubs most likely would not have won the champ title.

That fact became evident moments after the game started. The visitors had a clear advantage in power. Nevertheless, the Little Tigers put up a spunky battle holding their visitors to a 0-0 deadlock at half time.

After that AMI launched a passing attack that made all the difference. Lanky receivers completed one aerial after another and moved ahead steadily for three touchdowns.

The game closed the Cub season with a record of 4 wins, 3 losses and 2 ties.

New Mass Schedule

For the first time in Sacred Heart parish's 67 year history five masses are being held on Sundays in Sacred Heart church. The new schedule became effective last Sunday when a 7 o'clock mass was added to the morning services. The list of Sunday masses now reads: 6, 7, 8 and 10 a.m. and 7 p.m.

Muenster Responds With 3004 Pounds In Clothing Drive

Muenster citizens, heeding the Pope's eighth annual appeal for clothing to help the world's needy, went all out in this year's Thanksgiving clothing campaign and contributed 3004 pounds of clothes and shoes. The community's previous record was last year's ton shipment.

The 1956 drive was streamlined here, taking up only three days. Tuesday and Wednesday of last week were days designated to leave contributions at the city hall and the following day was assigned for sorting, packing and crating. By Thursday night cartons were tagged for War Relief Services, National Catholic Welfare Council, San Francisco, Calif. The shipment will be re-routed from there, direct to the Vatican's storerooms.

Father Christopher Paladino revealed Wednesday that the entire shipment will go to the west coast, freight free, through courtesy of motor freight lines. The office of Central Freight Lines at Gainesville has arranged to pick up the packages here this Friday. Central will transfer the shipment to Miller Freight Lines at Wichita Falls and that company will complete arrangements for delivery in San Francisco. NCWC takes over from there.

Mrs. Victor Hartman, president of St. Anne's Society, supervised work in connection with the drive. Fifteen women helped her during the morning hours on packing day and eight more joined the group in the afternoon. Men of the parish helped with the heavy work.

Hornets Outpoint Indians 46-20 in 1956 Grid Finale

Defensive football was practically non-existent at Sanger Friday night as both teams stepped off big yardage and the Hornets finally emerged at the long end of the 46-20 scoring spree.

There was, however, one big difference in the performance of the two teams. Sanger's gains were short and steady. Muenster's were long, and equally steady. Sanger gained a total of 356 while marking up 20 first downs. Muenster made 386 and 11 first downs. The scrimmage record, however, does not show the two big gains of the night... Richey's kick returns for 85 and 77 yards.

The underdog Indians, who had the miserable record of nine straight losses, started by giving Hornet fans a good scare. They seemed to have the traditional Indian hex on Muenster as they moved for four successive first downs before the Hornet defense finally tightened. The (Continued on Page 8)

Full Slate Assured For Holiday Tourney

Full brackets are already assured for this year's Invitation Holiday Tournament at Muenster High School even though no formal invitations have been sent out. Superintendent Homsley disclosed Wednesday that six schools have responded to a general invitation given at the end of last year's tourney, another school is likely to enter and some others have indicated their wish to come.

As the tournament ended last year Homsley announced that each participating school had a priority invitation for the next tourney. Sacred Heart, Petrolia, Midway, Bellevue and Goldburg have accepted, and Muenster High makes the sixth entry. Other former participants will be contacted soon and after that selections will be made from schools that have asked for invitations.

The tournament is dated for December 27, 28 and 29.

SCHEDULE OF COMING EVENTS

SUNDAY, Nov. 25, K of C initiation.

MONDAY, Nov. 26, SH Home-School Society meeting, 8 p.m.

TUESDAY, Nov. 27, Basketball, SHHS vs Thackerville here.

Local News BRIEFS

Mrs. Emmet Fette began work Monday at the Charm Shop where she is assisting with sales.

Mr. and Mrs. Frank Walterscheid of Hereford arrived Tuesday night to spend the Thanksgiving holidays with family members. They are enroute home from a visit in San Antonio.

Mrs. William Bergman spent Saturday and Sunday visiting her son and family, the Barney Bergmans, in Pryor, Okla. Joining her there Sunday evening and bringing her back to Muenster were another son and his wife, Mr. and Mrs. Joe Bergman of Kansas City. They remained here through Monday. Other Monday guests were Mr. and Mrs. Frank Bergman of Ardmore.

Band Elects Officers

Members of Muenster High school band elected new officers Tuesday. They are Mary Pick, president; Wylie Lewis, vice president; Pat Cain, secretary-treasurer; Helen Fisher, sergeant at arms; Pat Horn and Lorraine Sicking, reporters.

Gets Hawaii Assignment

David Endres, being transferred by the Navy, stopped here for a short visit with his parents, Mr. and Mrs. R. R. Endres Thursday. He and a buddy were enroute to San Francisco and will go from there to Hawaii for further duty. They had been stationed at Biloxi, Miss. The boys were driving through in a friends' car to be delivered in San Francisco. On the way they stopped in Albuquerque, N.M., to see David's sister, Mrs. Frank Hennigan and family, and in Phoenix, Ariz., to visit friends.

Intermediate Troop Girl Scouts Meets

Girl Scouts of the Intermediate Troop met in the home of their leader, Mrs. R. N. Fette, last Thursday afternoon for their seventh meeting of the season.

The pledge of allegiance to the flag was followed by roll call in which members stated what they had to be thankful for. Dues were collected and tenderfoot requirements were read from the handbook and discussed.

During the recreation period that followed Jane Henscheid and Joanie Kaiser served refreshments they brought for the afternoon. Mothers present were Mrs. Henry Henscheid and Mrs. Lou Wolf.

VFW Ladies Mail Christmas Parcels

Members of the VFW Auxiliary got together to wrap Christmas gift packages for local servicemen overseas and got the parcels in the mail Nov. 15.

Being remembered with gifts are Jerry and Raymond Hoenig, David Bright, Gilbert Bindel, Ernest Sicking, Antonio Chantre, Donald Reiter, Meinrad Yosten and Gerald Walterscheid.

Three boys previously overseas had returned home or were back in the states. David Reiter, with the Navy, is in California after being aboard ship in the Pacific. Walter Huchton arrived on leave here during the weekend from the Philippines and Pat Stelzer came home on leave two weeks ago from Hawaii.

PTA Members See Film at Meeting

A film on children's emotions and a presentation by first graders provided the program for the PTA meeting Tuesday night.

The film was an interesting and instructive study of children's behavior and included recommendations for dealing with problems in child care.

Mrs. M. D. Kaderli, conducted the business session during which Mrs. H. H. Homsley announced the seniors' coming Talent Show on Nov. 30. Persons wishing to enter must submit their names in the next few days.

A benefit arranged for the FFA chapter is a donkey basketball game with the teachers of MHS and the Lions Club making up the teams. It is scheduled for Monday, Dec. 3. It was also announced that the chapter has fryers for sale and these can be secured by calling Glenn Hellman. Mrs. Bessie Miller won the door prize.

Back From Philippines

Walter Huchton returned home Friday after serving with the Air Force in the Philippine Islands. He has a leave until Jan. 4 when he reports for a new assignment in Albuquerque, N.M.

Tiger BB Schedule

District competition in the Southwest Academic League will consist of six games, two each with Buckner, Laneri and Catholic High of Waco. The latter, a new applicant for league membership, was assigned to the North Texas division. Catholic High of Texarkana has dropped out of the loop.

The season schedule, revealed this week by Father Christopher Paladino, is as follows:
Nov. 27 Thackerville, here
Nov. 30 Collinsville, there
Dec. 7 S.H. Alumni, here
Dec. 11 Windthorst, here
Dec. 14 Thackerville, there
Dec. 21 Windthorst, there
Jan. 4 S.H. Alumni, here
Jan. 8 St. Mark's, there
Jan. 10 Whitesboro, here
Jan. 11 St. Mark's, here
Jan. 18 Buckner, here
Jan. 22 Laneri and OLV, there
Jan. 25 Waco Catholic HI, there
Jan. 29 Thackerville, here
Feb. 1 Buckner, there
Feb. 5 Laneri and OLV, here
Feb. 8 Waco Catholic HI, here
Feb. 12 Southmayd, here
Feb. 14 Whitesboro, there
Feb. 19 Southmayd, there

PO Helps USDA in Livestock Survey

Rural mail carriers are going to leave some cards along their routes Saturday that they'll want back in a few days.

"These cards are used in making the yearly survey of the number of livestock on Texas farms," Arthur Endres, postmaster, explained.

Every year at this time the post office cooperates with the U. S. Department of Agriculture in getting reports from farmers and ranchers about their livestock holdings.

In distributing these survey cards, rural carriers pick boxes at random along their routes.

"This means that not every box will get a card," Mr. Endres said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the nation's livestock holdings."

The facts and figures secured in this survey are the basis for the state and national pig crop report and inventories of livestock and poultry on farms as of the first of the year.

**Farm Bureau Queen
Home From Contest**

Norma Jean Walterscheid, Cooke county and District 4 Farm Bureau Queen, and Mrs. Roy Robinson, executive secretary of the county bureau, back at home, report a wonderful time in Houston.

In the contest for the Texas queen, Joan Vaughn of Tulia, representative of District 2, was chosen. Thirteen girls participated. Each of them received a beautiful wrist watch.

Norma Jean furnished part of the entertainment one evening when she sang two numbers, "My Blue Heaven," and "What Will Be, Will Be," with Vaughn Miller's band now playing at the Rice Hotel ballroom. A banquet preceded the dance.

Other high spots on the program were sight-seeing tours. Especially enjoyable was a tour of a Dutch freighter in port at Houston. The captain, from Amsterdam, Holland, personally conducted the tour and served refreshments. The group also saw the San Jacinto Battlefield, the Houston Monument and the Battleship Texas.

**Virginia Zimmerer
And Wilfred Hess
Marry at Lindsay**

—Boyd and Breeding Photo

Virginia Zimmerer and Wilfred Hess exchanged marriage vows Saturday morning in St. Peter's church at Lindsay. The Rev. Francis Zimmerer, uncle of the bride, of Lafayette, La., officiated at the nuptial high mass at 9 o'clock and performed the double ring ceremony in the presence of a large number of relatives and friends of the young couple.

The bride is the daughter of Mr. and Mrs. Henry Zimmerer and the groom is the son of Mr. and Mrs. John J. Hess, all of Lindsay.

Mrs. William Schmitz, organist, and the church choir furnished the wedding music and the bride's aunt, Mrs. Bruno Zimmerer, presented two vocal solos, "On This Day," and "Mother at Your Feet." White gladioli and greenery adorned the candle lit altar.

Given in marriage by her father, the bride wore a Marie France imported lace gown over satin. The figurine bodice was fashioned with a square neckline finished with iridescent paillettes, sequins and pearls. Long sleeves tapered to points and were embroidered with sprays of sequins over the wrists. The aisle-wide skirt, over hoops and crinolines, ended in a chapel train of lace and was accented with two insets of net ruffles. A queen's crown of pearls held the shoulder length veil of illusion and she carried a white orchid on top of a prayerbook which was a gift from the groom.

For something borrowed she carried a lace handkerchief belonging to her grandmother, Mrs. I. A. Zimmerer, and something blue was a rosary, a gift from her uncle, the officiating priest.

Attendants
Dorothy Geray, in coral rose, was maid of honor and Wanda Hess, sister of the groom, in ballet blue, was bridesmaid. Their dresses, identical in design, were floor length bouffants of net over taffeta. Fitted jackets topped the strapless bodices. They wore matching hats of velvet and elbow length mitts and carried colonial bouquets of rose and blue carnations.

Dolores Hess, sister of the groom, and Patsy Zimmerer, sister of the bride, were junior bridesmaid and flower girl. They also wore coral and ballet blue dresses in similar design and carried carnations.

Alfred Hess attended his brother as best man and Gilbert Kubis, cousin of the bride, was groomsman. John Louis Hess and Vincent Zimmerer ushered.

Mrs. Zimmerer attended her daughter's wedding in a rose

dress with rose and navy accessories, and Mrs. Hess, mother of the groom, wore brown with brown and white velvet accessories. Both had corsages of white carnations.

Serving as altar boys were the bride's brother Lenny Zimmerer and cousins Jimmy Zimmerer and Bernard Kubis.

After the mass, Patsy Zimmerer presented a bouquet of white gladioli to the couple and the bride placed them on the Blessed Virgin's altar.

Wedding breakfast was given by Mr. and Mrs. Vincent Zimmerer at their home for immediate members of both families and the bridal party. Assisting in serving were Mrs. Bruno Zimmerer and Mrs. Paul Zimmerer.

Reception

At 5 p.m. a reception and buffet supper honored the newlyweds in the Lindsay Hall. Mrs. Joe, Lehnertz catered the meal. More than 300 guests were registered by Marlene Bezner and Janie Kubis.

The bride's colors of white, coral rose and ballet blue were used in decorating the hall and the wedding cake was served by Mrs. John Louis Hess and Mrs. Julius Metzler.

When the couple left on a wedding trip to Florida she was wearing a brown boxy-jacket suit with French toast accessories. They will make their home in Lindsay. He is employed by V&R Drilling company and is also attending night classes at Gainesville College. He attended Sacred Heart school in Muenster and served in the army two years. Virginia was graduated from Lindsay High in May 1956.

Mr. and Mrs. C. A. Siekman of Tulsa were Saturday visitors with the Henry Fettes. They stopped here enroute to Dallas.

**Burt Hamric Named
To Men of Mines**

Burt Hamric, senior Geology major from Muenster, has been named to Men of Mines at Texas Western College in El Paso, a branch of the University of Texas. He is the son of Mr. and Mrs. R. E. Hamric, and is a member of Alpha Phi Omega and Sigma Gamma Epsilon.

Selection to Men of Mines is one of the top honors at Texas Western. Selection is based on grades, participation in student affairs, and character. Twenty-one men were selected from a student body of more than 3,800 students.

THE WONDERS OF TOMORROW

How would you like to live in a house that never needs painting? Or buy a set of tires for your car that will be good for 100,000 miles?

These, and many other startling innovations may be commonplace in the comparatively near future. The story is told in a U.S. News & World Report article based on information supplied by Charles N. Kimball, head of a non-profit organization known as the Midwest Research Institute.

Mr. Kimball does not concern himself with a science-fiction variety of the future in which everything is done with push buttons and power from the sun, and interplanetary travel is practically as common as a trip to the grocery store. He talks about life as it is expected to be in a mere 10 to 20 years, basing his prediction on established scientific knowledge.

In this coming time, your car will probably be powered by a gas turbine — a relatively simple type of engine which is far smoother and more efficient than the internal-combustion type. Such engines are in use now, experimentally, but cost and materials problems must be solved before production is possible. There will also be much greater emphasis on safety, Mr. Kimball

believes — not only in car design, but possibly in incorporating electronic control equipment into highways which will prevent a car from getting into the wrong lane. And the tires will not only run the 100,000 miles, but will be truly blowout and puncture proof.

The solution to the traffic problem will lie in parking at the edge of cities, then going on by other means — such as moving sidewalks.

The home will be revolutionized. Plastics will do away with the need for paint. Electronic ovens will do the cooking — as much as 10 times faster than conventional ranges. Electronic washing machines and other appliances will be in vogue. All television sets, of course, will provide full color and, very likely will be so thin and compact that they can be hung on walls like pictures. Highly efficient air-conditioning units, without moving parts, will be in general use.

Startling new fabrics, made of synthetic fibers, will be available. This, Mr. Kimball thinks, will lead to more rural industrialization — with "many plants out in the smaller towns, making all sorts of products."

So it goes. What it all adds up to is not only greater luxury and convenience in living, but an enormous potential increase in leisure time. That will work to the advantage of what may be broadly termed the recreation industry.

Finally, Mr. Kimball said, "The single deterrent to our technical progress is this shortage of competent, well-trained scientists." This means that opportunity is wide open for capable young people who choose scientific careers.

Remember that your wife still enjoys candy and flowers — so the least you can do is speak of them once in a while.

How To Make Thanksgiving Different

By J. L. Walsh, Editor, Paulist Feature Service

JUST ABOUT every American family that can afford it will have a big Thanksgiving Day dinner this year.

These families will celebrate the day in three different ways.

THE FIRST FAMILY, we'll call them the Joneses, will have a meal that's almost big enough to break the table. Thanksgiving is a big day for them; all the family's home, and they really do it up big. Everything is different: dishes, silver, food. Or almost everything that is. If you look closely at the Joneses' Thanksgiving you'll see the meal begins the way their meals always do. Everyone is courteous and well-mannered of course, but no one is praying. No one offers a prayer of thanks. The Joneses have made a big celebration of Thanksgiving Day but they've forgotten what makes Thanksgiving Day a different day.

At the Smith's, our second family, more than food makes the day different. At the beginning of the meal, Mr. Smith nervously clears his throat a few times and begins a prayer he hasn't said in a year, while everyone uncomfortably shifts his feet and flushes a little red. Praying at meals is something

different at the Smith's and anyone can see it. But at least the day doesn't go by without some effort to thank God for all His blessings.

WITH THE BROWNS, our third typical family, nothing seems different at all. The meal may be larger than usual and there may be more people around the table. But not even the guests seem uncomfortable as Mr. Brown begins the prayer and everyone bows his head. If they have been to the Brown's before they know that every meal begins and ends with a prayer of thanks.

If we were able to observe the Browns, and people like them, a little more closely, I think that we would find Thanksgiving really was different for them. I think we would find that they gave thanks not just at meal-time, but all day long. I think we would find that they had gone to church that morning and offered a sacrifice of thanksgiving to their Creator and Redeemer. We would find them sincerely grateful for all that God had given them. Not just for a big meal, but for sending His Son to redeem them, for the truth and the grace to save their souls and enjoy eternal happiness in heaven.

WHOM WILL you be like this Thanksgiving; the Joneses, the Smiths, or the Browns. It all depends on how you use your opportunity to make this Thanksgiving Day a different day.

† Paulist Feature Service, Washington 17, D. C.

A SIMPLE PROPOSITION

The bosses of communist Russia used to forecast that the economy of the United States — call it capitalism, call it free enterprise, or call it anything else — was due for a collapse. Then communism, having proven its superiority, would inherit the earth.

Now, according to Edwin A. Lahey of the Chicago Daily News Service, an abrupt reversal has taken place in the Kremlin. He reports that the present head man, Khrushchev, in a private talk with Harold Stassen, admitted that Soviet economists' analyses of the U.S. were wrong.

In making this admission, Mr. Khrushchev simply acknowledged facts. Economic progress in this country — especially as it has affected families of modest means — has been unprecedented in history. Between 1910

and 1953, according to the Industrial Conference Board, the proportion of families in the \$5,000-\$7,500 bracket increased from 4 per cent to 25 per cent — more than four times. After making adjustment for price changes and taxes, the factory worker with a wife and two children took home 2 1/4 times as much pay in 1955 as he did in 1916. The Board also points out that most American families have automobiles, while at the beginning of this year 97 per cent owned radios, 90 per cent electric refrigerators, 80 per cent electric washers, and 72 per cent TV sets. All of these appliances are regarded as luxuries, which only the few possess, in other countries — most notably the communist countries.

Free people produce more than oppressed and driven people. It's as simple as that.

Local News BRIEFS

Mrs. Lena Bernauer has moved back to Muenster to reside after living in Gainesville for the past eight years. She is at home in the Trachta house, 415 E. Fourth

street, just east of Dick Trachta's home. She moved here Monday. The Dan Haverkamps who had been living in the house moved Saturday to their new home on North Hickory Street. Mrs. Bernauer's daughter Mary and her husband, Mr. and Mrs. Harry Dennis moved from Gainesville to Henrietta recently. The Benzner place they vacated is now an antique shop operated by Mrs. W. C. Stark.

Mr. and Mrs. Joe Luke returned Monday evening from a two week vacation touring Florida. They visited places of interest going and returning, took lots of pictures, enjoyed staying at Daytona Beach, had the thrilling experience of deep sea fishing in the Gulf, watched sponge divers at Tarpon Springs and visited the Cypress Gardens at Winterhaven. En route they stopped overnight with their son and family, the Norman Lukes in Shreveport, La., and on their way back spent Friday to Monday there.

Karen Kay is the name of the infant daughter of Mr. and Mrs. John Hoberer. Her christening ceremony took place Monday afternoon in Sacred Heart church with Father Louis officiating and her sister and brother, Margie Sue and Edwin Hoberer as sponsors.

Weekend guests of the J. B. Goldens were Mr. and Mrs. W. A. Standifer and sons Weldon and Wayne of Grand Prairie. Mrs. Standifer is Mr. Golden's niece.

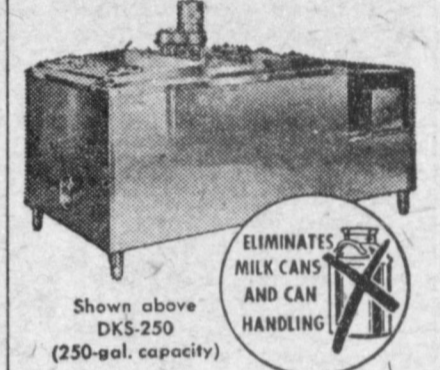

Gene Hoberer has gone to Iowa to visit relatives. He had been employed at Stockmen's Feed Store here.

Mr. and Mrs. Teddy Gremminger and children Dwayne and Mary of Fort Worth spent the weekend with their families, the Ted Gremmingers and Victor Hartmans.

More Dairymen Choose

Than Any Other Brand!

Milk is cooled to well below 40° in less than one hour — assuring a lower bacteria count and better milk. *The milk cannot freeze* — because the coolant is ice water.

Dari-Kool tanks are easy to clean and may be sanitized with hot water without damage. Units are ready to operate — no expensive, remote compressors to install or service.

Every Dari-Kool is built around a rugged 10-gauge steel frame — providing rigid support for the bulge-proof stainless steel milk tank. This assures accurate calibration and correct payment.

Get the cooler that leads in sales — leads in value — and leads in performance!

Meets All 3A Sanitary Standards

- ... Cools Faster
- ... Easier Cleaning
- ... Ready to Operate
- ... Milk Cannot Freeze
- ... Stainless Steel Tank
- ... Lower Bacteria Count
- ... Complete Service Available

DARI-KOOL will pay for itself in use.

HERE'S HOW . . .

The cost of hauling milk in cans is 40 cent per 100 pounds as compared with 25 cents per 100 pounds for hauling tank milk, thus a saving of 15 cents per hundred.

Elimination of wastage of milk spilled or left in the can at the plant is 7 cents per 100 pounds.

Improved butterfat test gained by selling all the cream instead of leaving some of it sticking to the can and lid account for another 6 cents per hundred.

THIS GIVES A TOTAL SAVING OF 28 CENTS FOR EACH 100 POUNDS OF MILK HANDLED. THIS 28-CENT A HUNDRED SAVING WILL PAY FOR YOUR DARI-KOOL.

A producer with an average of 10 cans of milk (86 pounds each) a day will sell 25,800 pounds per month. At 28 cents per hundred saving, he will be ahead by \$72.24 each month.

The approximate cost of a 250-gallon tank installed is \$2,400 with interest of \$216 for a total of \$2,616. This can be divided into 36 monthly installments of \$72.11 each. **THUS YOUR SAVINGS MAKE YOUR PAYMENTS FOR YOU.** This estimate is without down payment or trade-in, which would cut the principal and monthly payment substantially.

SPECIAL THROUGH DECEMBER 1

SCOTT FURNITURE

Muenster

Guests of the R. M. Zippers during the weekend were their daughters, Joan Zipper and Mrs. Jim Stockman and her husband and children, all of Dallas. Joan recently moved to Dallas from Fort Worth and is a hostess for Continental Trailways Bus company, traveling the Dallas to Houston route. She is living with the Stockmans. When they returned to Dallas they took little David Stockman back with them. He had visited his grandparents here two weeks.

Mr. and Mrs. Aubrey Jennings and family of Wichita Falls were Sunday visitors with her mother, Mrs. John Felderhoff.

Charlie Schmitt of Mabton, Wash., arrived Friday to spend about a month with his father, Ed Schmitt, and other family members. He decided to take his vacation now while farm work was almost at a standstill.

Mr. and Mrs. Bill Kathman entertained with a dinner party in their home when their daughter, Mrs. W. E. Insel of Gainesville observed her birthday. Her husband and daughters and the Stan Wylies and sons of Grand Prairie were also guests bringing the whole family together for the day.

Mr. and Mrs. Troy Cooper returned to their home in Crane Saturday after a five day visit with her parents, the J. J. Haverkamps and family. They were on a two-week vacation and spent the first part of it in Corsicana with his folks.

Weekend and Monday guests of Mr. and Mrs. Jerry Vernon were his brother and family, Mr. and Mrs. Richard Vernon and children Kenny, Mary and Michael of Fort Smith, Ark. Mrs. Richard Vernon is a Japanese war bride and the couple lived in Japan six years after their marriage. The two older children Kenny and Mary were born there. She spoke English as fluently as Japanese in her native country and the children were taught only English in the home. However they understand Japanese. The Vernons have been back in the states a little more than a year.

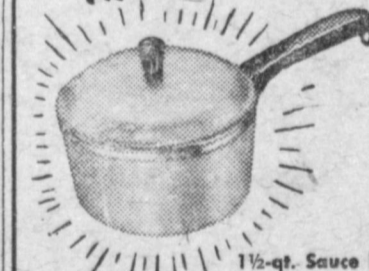

Joe Dickerson of Bridgeport spent the weekend visiting his sister and brother-in-law, Mr. and Mrs. Ray Evans.

Local News BRIEFS

Leo J. Haverkamp, Ray Evans, Eddie Hess, and Charles Hewlett of Gainesville, returned Sunday from a deer hunt at New Braunfels. Albert Hess and Mr. and Mrs. R. D. Morris returned the latter part of last week from White Oaks, N.M., where they were hunting for deer. Both

groups reported seeing deer but were unsuccessful in bagging them.

Mr. and Mrs. Julius Stelzer of Post were weekend visitors with her parents, Mr. and Mrs. Ed Eberhart. They visited her father at the home of Walter Eberhart in Gainesville where he is staying since being dismissed from M&S Hospital Friday.

Mr. and Mrs. Herman Wilde of Harlingen were Sunday guests of his uncle and aunt, the J. B. Wildes. They had attended the Zimmerer-Hess wedding at Lindsay on Saturday and planned to visit other relatives in several cities before returning home.

Weekend guests of Mr. and Mrs. Joe Linn were his brother, Lex Linn of Pasadena, Texas, and his brother-in-law and sister, Mr. and Mrs. W. P. Parker of Dallas. Mrs. Lex Linn stayed in Denton to visit with her mother who is ill.

Weekending with the J. W. Fletchers were their son Jack Fletcher and his family from Carrollton.

John B. Klement, commissioner of Precinct 4, was among those attending the state convention of judges and commissioners in San Antonio last week. He also visited his grandson Lloyd Klement and Kenny Fette, students at St. John's Seminary. Others from the county at the five-day convention were Judge and Mrs. Shelby Fletcher, Mr. and Mrs. Earl Taylor, Mr. and Mrs. G. M. Boudstun, Mr. and Mrs. Tom Blankenship and Mr. and Mrs. Tom Blount.

Mr. and Mrs. Curtis Holland of Fort Worth spent the weekend with her mother, Mrs. Bob Yosten, and other relatives.

Joe and Russ Linn have received word of the death of their sister, Mrs. Jettie Williamson, who passed away in Lafayette, Oregon, on Nov. 17. A former resident, Jettie Linn, is remembered by many of the older residents of Muenster.

Local Herds Among High Producers in DHIA for October

The monthly report shows several local herds among high producers in the DHIA for October. Listed with the high herds are those of Paul Fisher, Ben Sickling, Martin Bayer, Paul Fetsch, George Bayer, John Knabe, Alfred Bayer and J. W. Fleitman. None of the herds ran up top honors, however.

Topping the list in both butterfat and milk production was the herd of H. H. Moody with averages of 49 pounds and 1300 pounds, respectively. Second place in both categories went to Peter Prescher's cows, and third place to J. L. Masten's herd.

Supervisors Carl Kemplin and Jerry Vernon report that 175 cows in the association averaged 45 pounds or more of butterfat for the month. The average milk production was 762 pounds and butterfat production averaged 28 pounds per cow.

A total of 613 cows in 21 herds were tested during the month. There are 757 cows in the association.

Services Held for Walterscheid Baby

The infant daughter of Mr. and Mrs. Earl Walterscheid, born prematurely early Friday morning was dead at birth. Brief funeral services were held in Sacred Heart church and burial was in Sacred Heart cemetery. Father Louis Deuster officiated and Nick Miller directed arrangements.

Survivors in addition to the parents are four brothers, the grandparents, Mr. and Mrs. Paul Arendt Sr. of Lindsay and Mrs. C. M. Walterscheid of Muenster, and a great-grandmother, Mrs. Kleiss of Muenster.

4-H Clubs Observe Achievement Day

Muenster 4-H clubs observed their annual achievement day with a social event this year. They did not put up the usual exhibits and displays that ordinarily took on the atmosphere of a small fair.

Their party Sunday night in the Sacred Heart grade school auditorium was for members and their parents and featured a film on wildlife, a sing-song, awarding of certificates to girls for their cooking and clothing achievements, and refreshments brought by members.

Receiving certificates for com-

pletion of projects were Karen Endres, Loretta Schmitt, Betty Dangelmayr, Jane Trubenbach, Veronica Hess, Margie Knabe, Charlotte Wolf, Gloria Yosten, Janice Vogel, Rita Fisher, Rosemary Fisher, Joyce Haverkamp, Patsy Klement, Lillian Fisher and Betty Fisher.

Subiaco Honor Roll Lists Local Boys

Muenster boys studying at Subiaco are making a nice record for themselves, according to the honor roll listed in the recent issue of The Periscope, official school publication.

Clifford Pels, with an average of 92.6, made the "A" Honor Roll which requires that a student must have a scholastic average of 90 and no grade below 85. He must also have grades of "A" in behavior and application from every teacher; and his character must be considered satisfactory by the administration.

Five boys are listed on the "B" roll. They must have a scholastic average of 85 with no grade below 76. Their behavior and application must be satisfactory (no grade below B) by all the teachers, and superior (A) by at least half the teachers; and their character must be considered by the administration as needing improvement in no more than two

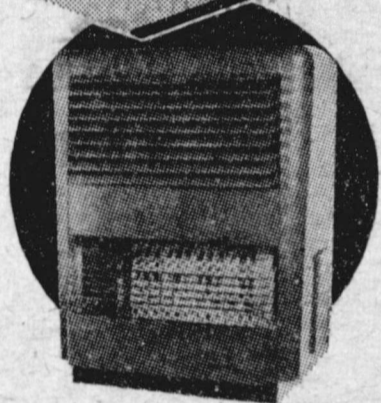

aspects and these not seriously.

Clifford Endres tops the roll with an average of 96.2, Charles Herr is second with an average of 96.1, Gerald Pels marked up an average of 94.5, Jimmy Gehrig made 91.8, and Ray Zimmerer had an average of 90.8.

TWO GIRLS, A CHEVY AND A RECORD!

A meaningful achievement in automobile performance

Most automobile performance records are pretty difficult to relate to the kind of day-in, day-out driving most of us do. Running at safe and legal speeds, a '57 Chevrolet recently chalked up an important new coast-to-coast record on the road. And the way it set this record is even more important than the record itself!

A new '57 Chevrolet recently proved it has the qualities most people look for in a car—and proved it on the roads you travel. It set a new record of less than 57 hours for the run from New York to Los Angeles (certified by NASCAR). It was a strictly stock, V8-powered Chevy. It was driven by two young ladies.

When you consider that all the driving was done by 98-pound Betty Skelton and her friend Caroline Russ, the true significance of this record run becomes apparent. It's a tribute to Chevrolet's great-hearted V8 engine and solid road-worthiness that it could travel day and night for 2,913 miles at safe and legal

speeds—and better the existing record for the trip by more than three hours. And when a pair of young ladies step into a car and drive it round the clock to a new transcontinental record, you know that car is easy to drive. Come try a Chevy.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE!

Tigers Win - - -

over. A good kick made the count 7-0.

Sacred Heart's comeback was slightly bogged down and ended in a kick, however Hesse's fumble recovery on the next play put the team back in business on the Tiger 41. Two short gains and a pass to Hesse reached the Cowboy 39 and Mollenkopf's skillful scamper got to the 15. Two successive fumbles, the Tigers losing on one and regaining on the other, put the ball on the 12 and three tries reached the goal. Mollenkopf went over from the 3.

Following the kickoff Ryan made a first down and kicked on the next series. Mollenkopf took it on the 15 and got perfect help from his teammates as he dashed 85 yards up the left sideline for another 6-pointer. The try for extra point failed again, setting the score at 12-6.

Shortly before the half ended the Tigers seemed to be going again, as Wimmer, Mollenkopf and Henscheld ripped off 41 yards on four runs. However the next four tries fizzled and the ball went over to the Cowboys as time ran out.

Opening the second half the Okies advanced on the first series and kicked on the next. Sacred Heart had to kick on its first series but was back on offense in a moment, after recovering Ryan's fumble on the Cowboy 42. Seven plays went the distance, Wimmer making the last 11.

The rest of the game, from about midway in the third period, rocked along as a defensive battle. Ryan fumbled after two first downs, then recovered a Tiger fumble but failed on the next series. Sacred Heart moved to the Ryan 15 on a spectacular pass completion by Hesse but lost ground on the next four tries.

the candy coated nuggets for baby pigs ...

GET MORE PORK RIGHT FROM THE START

YOU CAN WEAN PIGS EARLIER	With this perfect baby pig feed — Red Chain Pig Kandy — you can wean pigs earlier. Feed it to pigs at two or three days of age, as a creep feed, keeping out the sow.
SAVE BY FEEDING ANTIBIOTICS TO BABY PIGS	During the nursing period, feed for maximum gain, because early gains are the cheapest. Pig Kandy puts antibiotics and critical nutrients in the pigs earlier.
EARLY GAINS MEAN EARLY PROFITS	When you feed Pig Kandy, you feed antibiotics direct to the baby pigs. This is much cheaper than feeding antibiotics to the sow to be transmitted by her milk.
START FEEDING PIG KANDY AS CREEP FEED	Don't take chances on your pigs health. The first ten weeks are the most critical. Feed the most perfectly balanced feed for healthier pigs, faster growth.

Lindsay News

Mr. and Mrs. Henry Popp are the parents of a daughter, weight eight pounds 13 ounces, born at 3:08 a.m. Nov. 20 at M&S Hospital. She is the couple's first child and the granddaughter of Mr. and Mrs. Andrew Zimmerer of Gainesville and Mrs. Anna Popp. Mrs. Mary Voht of Muenster is the baby's great-grandmother.

Mrs. Earl Walterscheid of Muenster is here for a visit with her parents, the Paul Arendts Sr., for a rest and to regain her strength.

Mrs. Mary Bauer and son Edward of LaFeria returned to their home Monday after being here to visit relatives and attend the Zimmerer-Hess wedding. Also here for the wedding were Mr. and Mrs. Ed Walterscheid of Harlingen. They returned home Sunday after a visit in Muenster with his brother and family, the Tony Waltersheids, and were accompanied by his mother, Mrs.

John Wilde, who returned to her home in Harlingen after a visit here and in Muenster.

Rev. Francis Zimmerer left Monday to return to Lafayette, after a weekend visit with his parents, the I. A. Zimmerers, and other relatives. He had two friends here as his guests, Billy Simon and Kenneth Webber, also of Lafayette, La.

Ralph Bezner Made Safety Inspector

Ralph Bezner, son of Mrs. John Bezner of Lindsay, has been appointed Safety Inspector for the Fort Worth district, Interstate Commerce commission, Bureau of Motor Carriers. Bezner has been associated with the Texas Department of Public Safety as highway patrolman and inspector for the past eight years.

His wife is the former Nora Jane House of Era and the couple has three sons.

Richard F. Schmitz Promoted by Nestle

Richard F. Schmitz, former Lindsay young man and the son of Mr. and Mrs. Joe Schmitz of Lindsay, has received promotion to crew captain of the Nestle traveling crew, western division, it has been announced by the Nestle Co., makers of Nescafe and Nestle chocolates.

With Nestle for five years, Schmitz has been Houston division supervisor for the past 18 months with headquarters in San Antonio. Nestle operates eastern and western traveling crews in distributing its products in more thickly populated areas. Schmitz will continue to live in San Antonio. He is a brother of Mrs. Martin Trubenbach of this city.

Lindsay 4-H Clubs Show Achievements

One of the most successful project shows ever held by the Lindsay 4-H clubs climaxed the observance of 4-H Achievement Week.

Entries ranged from clothing to food to a wide selection of field crops and other agricultural products.

Combined senior and junior divisions included more than one hundred entries. Judges were Mrs. Jack Elkins, Mrs. Roy Holley and Mrs. Billie Witt, for the girls, and Ray Shannon and Jack McFerran for the boys.

The judges tagged 106 entries with ribbons. Forty-seven rated blue ribbons, 51 received red ribbons and eight received white ribbons.

Confetti - - -

official attitude of rulers who have previously been favorable to Russia. Criticism comes from India, Burma, Yugoslavia. Also from thousands of individuals who formerly parroted the Russian line. Moscow barbarism and brutality are having their proper revolting effect. The loss in loyalty and prestige can more than offset the gains made by butchery and trickery.

If these are the signs that count, the ones that will determine what is to come, we really have reason to be grateful on his Thanksgiving Day . . . as the beginning of a new era of peace and freedom.

For the time being, however, let's be mindful that gratifying prospects are still a long way from successful conclusions. While thanking Almighty God for the favorable signs we have, we should beg Him to inspire and guide the gallant patriots and any other leaders who are destined to tackle the big job.

Hornets Win - - -

ball went over on downs squarely in mid field.

Muenster picked up a first down and the next series bogged down as a 5 yard offside set-back and puny gains left 11 for the fourth down try. But a reckless gamble paid off. The line gave Richey a big opening and he evaded the secondary on a 40 yard sprint. Richey's kick was good for an extra point.

Sanger retaliated in a hurry. A nice kick return reached the Indian 44 and eight plays covered the remaining 56. Galbreath went over from the 12. A run for extra point fouled up and the Indians trailed, 7-6.

Back on offense, Muenster got a good start on Wimmer's nice gain of 38 and another first down reached the 12 but the push played out and Sanger took over on the 9.

Sanger too gained a first down and lost a fourth down gamble on the second series. Two plays later Muenster lost possession on a fumble and Sanger ended its series with a kick.

Muenster then moved to its second TD. Six plays were good for 37 yards, Wimmer making the last three. The count at intermission was 13-6.

The second half opened with a bang. On the third scrimmage play Richey broke away for 50 yards and a touchdown.

Sanger came back with a drive of 34 yards ending with a fumble on Muenster's 26.

On the next play Wolf got away on a beautiful run for the full 74 yards but an over anxious team mate spoiled his effort. The intended, but unnecessary, block was ruled as clipping and the ball was spotted on Sanger's 44. Two more plays advanced to the 32 and Wolf took off again, for a score that counted. The kick after was true, spreading Muenster's margin to 26-6.

Sanger's fumble after a first down put the Hornets back on offense. Six plays gobbled up 50 yards, Richey making the last 6 and also an extra point.

The Indians then put on a successful drive. Six plays, including passes for 21 and 19, went 60 yards, Galbreath making the last 4. Amyx went over for the extra point and the count was 33-13.

On the kick off that followed Richey took the ball on the 15, used several timely blocks in picking his way through the mix-up of players and broke into the open for another touchdown. His try for extra point was good.

Minutes later, after failing on their first effort, then forcing Muenster to kick, the Indians got going again. Amyx was the strong runner in the 66 yard push and Galbreath made the last 14.

Again Richey broke away for a touchdown sprint on the kick-off but officials ruled he had stepped out of bounds in evading his last challenger and called the ball back to the 12. Wimmer scored on the next play, setting the count at 46-20.

A final drive by Sanger moved 48 yards and was stopped by the clock on the Hornet 22.
