Since Tuesday, Sept. 8, Sacred Heart Parish offices are in a new location. Previously, the Parish offices were located in the downstairs of the old sisters' convent. That building had structural problems and it became one of the Parish's long-range goals to construct a new office building. That goal came to fruition as groundwork began in February.

What was to have been a three month project ticked into 153 days due to the unusually rainy weather this spring. The area experienced more than 50 inches of rain in those early months.

Office Manager Stacie Forshee recalls. "It rained constantly. A 90 day project turned into 153 days because of all the rain."

Those who work in the Parish offices agree that it was well worth the wait. Forshee noted, "Having a building with central heat and air is really nice. In the other office, each room had its own little wall unit that didn't work very well. Sometimes,

the water cooler would be down and sometimes we'd smell gas and have to turn the gas off. When it would rain, you'd have to check everywhere (for leaks) and put buckets up. There'd be drips everywhere."

Included in the new building are a reception area, meeting room, work room, nine offices, file room, storage closets, and bathrooms. According to Sacred Heart Pastor Fr. Ken, they included more offices than they currently use as they made accommodations for possible future needs. Parish records are kept in fireproof cabinets.

Day-to-day operations of the Parish and business operations of the School take place in the offices. Parish groups such as the Building Maintenance Committee, Finance, and Pastoral Council will now take place in the new meeting room. Other groups may be able to use the room on request and with availability.

There will be an open house at a future date yet to be determined. According to Fr. Ken, the open house

and dedication will probably take place in early to mid October. Although the staff has moved and is operating out of the new facility, there are still a number of things that are not yet completed and work is being done both inside and out.

Fr. Ken has set Sunday, Sept. 20 at 2 p.m. to meet and discuss what will be next in plans for the Parish. Several years ago, parishioners participated in an All Things Possible campaign. Money raised during that campaign could be used to make improvement in the Parish. Parishioners shared their ideas for what was wanted and needed and from these ideas a list of priorities developed. The top three priorities have been completed with the Parish office building being number three. The fourth item on that list is a new chapel. Everyone is encouraged to attend the meeting on Sept. 20 to share their advice and give input.

Sacred Heart Parish moved into its new office building at 212 E. Sixth Street, officially opening for business on Tuesday, Sept. 8. The facility includes office space for all the Parish staff, a meeting room, a records storage room, and a work room. An open house is anticipated for early to mid October. Exterior work is still in progress.

Baptismal font restored

Linda Flusche photo

This baptismal font was once a part of the church used in Sacred Heart Parish that stood from 1898 until 1949 when construction began for the current church which was completed in 1954. Although nobody is certain of when the baptismal font was purchased or where it came from, there are photos of it in the 1898 church. It was moved to the old parish hall where Mass as held during the construction period of the present church. The baptismal font then experienced several moves as it was stored in the basement, the elementary school attic, and then a back room of the Sisters' convent. Eventually, a parishioner, who wishes to remain anonymous, discovered it and paid to have the beautiful piece of Parish history restored. The font is now in Sacred Heart Church. It is hoped that it may one day be placed in a new Parish chapel. According to SH Pastor Fr. Ken Robinson, if you were baptized in Sacred Heart Parish in 1953 or earlier, you were very likely baptized in this font.

Aspire to help through United Way

Janet Felderhoff
News Editor

Aspire according to the dictionary means to direct one's hopes or ambitions toward achieving something. Aspire is the theme chosen for the current Cooke County United Way (CCUW) campaign. It applies to United Way in many ways as the organization aspires, "to help people live the best life possible!" "to change tomorrow starting today!" and "to be the most effective and efficient way for you to support your community." They also aspire this year to meet or exceed a goal of \$435,000.

CCUW soared to a great start when all the Pacesetters reported their total at the Kick Off Luncheon on Thursday, Sept. 3. The total raised for the 2016 Campaign by the Pacesetters came to \$163,552, which is 41% of the CCUW goal. The efforts of Pacesetters were highlighted at the luncheon. These companies accepted the challenge to conduct their employee/firm campaign during the month of August and complete the project by the Kick Off Luncheon.

Pacesetters this year are North Texas Medical Center, Callisburg ISD, City of Gainesville, Cooke County Electric Co-op, First State Bank, Gainesville ISD, Molded Fiberglass Co., Muenster State Bank, Nortex Communications, North Central

Texas College, and Wal-Mart Supercenter.

Campaign Chair Billy Roessler called each Pacesetter group to the stage to reveal the total they had earned.

Cheryl Gomez, CCUW president, gave the opening address. Rev. Ken Robinson, pastor of Sacred Heart Church in Muenster, offered the invocation. VFW Post 1922 - Gainesville posted the colors.

County Judge Jason Brinkley read a proclamation approved by Cooke County Commissioners Court declaring the months of August, September, and October as United Way months in Cooke County.

CCUW Vice President

John Walterscheid recognized volunteers and Judy Conner of the Area Agency On Aging spoke of United Way and its agencies. CCUW Treasurer Ruthie Chalmers recognized the 2015 Chisholm Trail Club members. Chisholm Trail Club eligibility includes family or individual contributions of \$500 or more.

CCUW Executive Director Angie Hare told of upcoming events that benefit the organization. Those still coming include Power of the Purse Dinner Program on Sept. 17 at the Civic Center in Gainesville, Muenster Chamber of Commerce After Hours Mixer at Cooke County Co-op on Sept. 24 from 5-7p.m., Blitz Day in Muen-

ster on Oct. 8, Blitz Day in Valley View on Oct. 15, Blitz Day in Gainesville on Oct. 22. The Campaign officially ends on Nov. 11. A Celebration Luncheon is planned for Jan. 29.

Serving as the Honorary Chair this year is Johnny Leftwich.

Sixteen agencies receive funding from Cooke County United Way. They are American Red Cross, Boy Scouts of America Longhorn Council, Boys & Girls Club of Cooke County, Boys Baseball of Cooke County, CASA (Court Appointed Special Advocates) of North Texas, Cooke County Youth Fair, Girl Scouts Oklahoma Texas Plains, Home Hospice of

Blood urgently needed

Muenster Memorial Hospital will be hosting a COMMUNITY BLOOD DRIVE Monday, Sept. 14, from 9 a.m. to 4 p.m. The Texoma Regional Blood Center bus will be parked on the Hospital's south side. Donors of all types are urgently needed as the blood supply is at a critical level.

Donors are encouraged to eat a good meal prior to giving blood.

T-shirts will be provided to all successful donors.

Mouring injured in crash

On Wednesday, Sept. 2 at approximately 1 p.m., DPS troopers were called to investigate a crash in Cooke County between Lindsay and Muenster. Karli Mouring, 17 year old resident of Muenster, was driving east on U.S. 82 when she struck the rear of a gravel truck. Mouring's Kia spun out of control and overturned.

She was transported to Medical Center of Plano by Care Flight with serious injuries.

Texas Oil and Gas Production Reports from the Texas Railroad Commission

Texas monthly oil and gas statistics

July permits to drill

The Railroad Commission of Texas issued a total of 979 original drilling permits in July 2015 compared to 2,419 in July 2014. The July total included 798 permits to drill new oil and gas wells, 18 to re-enter existing well bores, and 163 for re-completions. Permits issued in July 2015 included 240 oil, 81 gas, 589 oil and gas, 61 injection, two service, and six other permits.

June crude oil production

Texas preliminary June 2015 crude oil production averaged 2,433,903 barrels daily, up from the 2,157,001 barrels daily average of June 2014.

The preliminary Texas crude oil production figure for June 2015 is 73,017,089 barrels, up from 64,710,024 barrels reported during June 2014.

July oil and gas completions

In July 2015, operators reported 1,510 oil, 235 gas, 37 injection, and nine other completions compared to 1,958 oil, 234 gas, 73 injection, and eight other completions in July 2014.

Total well completions for 2015 year to date are 13,333 down from 18,101 recorded during the same period in 2014.

Operators reported 430 holes plugged and four dry holes in July 2015 compared to 302 holes plugged and zero dry holes in July 2014.

June natural gas production

Texas oil and gas wells produced 615,762,474 Mcf (thousand cubic feet) of gas based upon preliminary production figures for June 2015 up from the June 2014 preliminary gas production total of 602,891,617 Mcf. Texas preliminary June total gas production averaged 20,525,416 Mcf a day.

Texas production in June 2015 came from 169,083 oil wells and 90,567 gas wells.

Major crash occurs east of Muenster

On Sept. 6 at approximately 9:35 a.m., DPS troopers were called to investigate a crash west of Muenster on U.S. Hwy. 82. Phillip Evans, 21 year old resident of Fort Worth, was driving east on U.S. Hwy. 82 when he lost control of his vehicle. Evans' Ford Explorer overturned off the roadway and he was

ejected. Evans was taken by Care Flight to Harris Hospital with serious injury. He was not wearing a seat belt at the time of the crash.

One of the best pieces of advice I ever got was from a horse master. He told me to go slow to go fast. I think that applies to everything in life. We live as though there aren't enough hours in the day but if we do each thing calmly and carefully we will get it done quicker and with much less stress.

Dangelmayr graduates from TWU, begins PT studies

Kalyn Dangelmayr graduated Magna Cum Laude with a Bachelor of Science degree in Child Development, Pre-Physical Therapy from Texas Woman's University. Commencement ceremonies were May 9. Kalyn, a Muenster ISD graduate of 2012, is the daughter of Chris and Leslie Dangelmayr.

Kalyn Dangelmar

Attending the commencement ceremonies were her parents, brother Travis, grandmothers Gloria Klement and Patsy Dangelmayr, and Payton Ing.

After the ceremony, Kalyn was honored with a party at her parents' home where family and friends were treated to a brisket taco meal along with a decorated cake which featured both TWU and UNT logos.

While completing her Bachelor degree, Kalyn had applied to Physical Therapy School. She spent much time observing physical therapists particularly in the pediatric field, which is her passion, and it is her dream to become a Physical Therapist that specializes in Pediatrics. Shortly before graduating with her Bachelor degree, she received notification of her acceptance into the Physical Therapy Program at the University of North Texas Health Science Center in Fort Worth. The

Physical Therapy Program at UNT Health Science Center is a three-year program where she will earn her Doctorate of Physical Therapy. Kalyn began her studies at UNT on July 20.

After approximately a month of classes, the UNT Health Science Center organized a White Coat Ceremony on Aug. 15, where new Physical Therapy students were ceremoniously given their white coat and formally accepted into the profession. Attending Kalyn's White Coat Ceremony were her parents Chris and Leslie and Payton Ing.

Kalyn is now an active member in the pediatrics club on campus. She will have the opportunity to work with other health professions such as DO, PA, and Pharmacy students as well as children in the community.

September is Destination Dignity Month

The Sherman Municipal Ballroom will be the setting for Texoma Community Center's (TCC) 21st annual Destination Dignity Celebration. All persons with mental disabilities are invited to attend the event to be held on Thursday, Sept. 24, 4:30-7 p.m., 405 Rusk Street, Sherman. Hot dogs, hamburgers, and all the trimmings will be served at this free event. Reservations to attend must be made by calling (903) 957-4865. Family members and friends are also invited. You do not have to receive services from TCC to attend the celebration.

Rocky and the Bullwinkles from Denison will be providing the music for the dance. This celebration is a great opportunity for the community to better understand the obstacles people with mental disabilities face and the contributions they make to our community. Area businesses and individuals are sponsoring the event.

Destination Dignity is an effort by the Texas Council of Community Center, Inc., a statewide association of the 39 community centers that offers public services in every county in Texas. The campaign will focus on: 1. educating the general public about individuals with mental disabilities, 2. helping gain independence and dignity for the individuals served by reducing the stigma associated with mental disabilities, and 3. acquainting the public with the services available through local community centers.

TCC was established in 1974 as Mental Health Mental Retardation Services of Texoma, but changed its name in late 2011. TCC serves Cooke, Fannin, and Grayson counties. The mission is to provide services that improve quality of life and support self-determination for persons with mental, intellectual, and developmental disabilities TCC services help people stay in the community where they can be productive individuals living with independence and dignity. Many of these individuals can hold employment and make worthwhile contributions to the community. Persons with mental illness can do well on medications and live quality lives. Individuals with mental and intellectual disabilities can enrich the lives of others. Community inclusion is best for the individual and his/her family and much less expensive than institutionalization.

The center provides a variety of services for people of all ages with mental health issues and intellectual and developmental delays. Those who would like more information about obtaining services can contact:

Weather Whys - moon

Q: You hear the term "harvest moon" and "hunter's moon." What exactly do they mean?

A: Naming full moons goes back to hundreds of years ago when the Native Americans — mainly the Algonquin tribes of New England — tried to describe the full moons of their day, said Brent McRoberts of Texas A&M University. "Many of these names were either weather related or tied in with seasonal conditions of the time," he explains. "For example, a 'harvest moon' is the full moon

that usually occurs in September, when the moon is so bright that farmers could work late into the night. A 'hunter's moon' was usually in October, when the deer were at their fattest, leaves were turning color, and the temperatures were getting quite chilly."

Hornets sting Nocona

Jones passes for 303 yards and four touchdowns

The Muenster Hornets picked up right where they left off against Valley View last week, with a dominating performance against the Nocona Indians. Muenster scored early and often to put the game away quickly and pick up their second win of the season. Muenster (2-0) cruised to a 42-6 victory over Nocona.

"Anytime you can get that first win on the road, it feels good," Muenster Head Coach Brady Carney said. The Hornets made a statement early as Blayne Jones found Carson Trubenbach for a 15-yard touchdown strike. After the two-point conversion, Muenster had a quick 8-0 lead.

"I was pleased with how we came out and played in the beginning," Carney said. "That is something we focused on all week."

Jones continued to have a great night, finishing the night with 303 yards through the air and four touchdowns.

The Hornets kept the offense in high gear, scoring two more times in the first quarter. Kyle Klement had a 16-yard touchdown scamper, and Jones added a two-yard scoring run of his own.

Jones ended the first half with two more touchdown passes, finding Chase Deeken for a 79-yard score and Trubenbach again for 15-yards to pay dirt.

"Blayne Jones had a great night," Carney said. "We've also got some young kids on that offensive line that got better tonight. They are going to have to continue to get better for us to accomplish our goals."

While the Hornet offense was having their way with Nocona, the defense was having

a stellar night too, only allowing one late score from the Indians.

"We put a lot of stock in our defense," Carney said. "We gave up a late touchdown in the fourth, but other than that we shut them down and had a really good game." Jones added one more touchdown pass midway through the third when he found Bryce Herr for a 65-yard touchdown.

 The Hornets host Callisburg for homecoming this week at Hornet Stadium. Like Muenster, the Wildcats come into the ballgame with a 2-0 record after wins against S&S and Ponder.

"They are a really good football team," Carney said. "I think they have 19 seniors. Watching them on field, the thing that stands out is how hard they play. We'll have our hands full this week, and it will be good to have a challenge like this."

Muenster's Blayne Jones looks for running room against Nocona Friday. The Hornets went on to pick up a 42-6 victory and move to 2-0 on the season. Jones had a career night with 303 passing yards and four touchdowns.

Bulldogs blank Sacred Heart

Howe racks up 299 rushing yards against Tigers

It was tough sledding for the Sacred Heart Tigers Friday, suffering their first loss of the season. Howe used a strong second quarter to pull way and eventually take the 27-0 victory.

With the game tied 0-0, midway through the second quarter, the Tigers (1-1) look poised to go into halftime in good shape but two scores from the Bulldogs in just over a minute of play, turned the game around. Howe's Andrew Griffin scored from three yards out, and then moments later Cooper Akin scampered in for a 40-yard touchdown run.

"They just wore us out eventually," Sacred Heart head coach Dale Schilling said. "They are not only a bigger school, they are bigger in stature too, and they just wore us down on both fronts."

The Tigers looked to rebound early in the third quarter after stopping Howe and forcing a three and out. Sacred Heart couldn't capitalize though, tossing an interception on their first offensive play of the third quarter.

"We had some missed opportunities, that we just didn't capitalize on," Schilling said.

Howe put the game away shortly after, when Stratton Carroll scored from eight yards out.

"I really thought we would be able to move the football on ground and we would get inside the 20 and Howe would find a

way to stop us," Schilling said. "Their safeties and corners come up so fast. They did a good job stopping us when they had to."

Howe added one more score in the fourth quarter, when Jaden Matthews scored on a six-yard touchdown run.

Senior Will Green suffered a broken foot during the game, and will be evaluated this week. He is expected to miss at least six weeks. Quarterback Kason Reeves is expected back to full-time duty against Era, after suffering a broke finger in the scrimmage against Petrolia.

The Tigers will have an off week this Friday before returning to action against Era on Sept. 18.

Warren is candidate for County DA

First Assistant District Attorney John Warren announced on Monday, Aug. 31, he will be seeking the Republican nomination for Cooke County District Attorney. Janice Warder, the current district attorney, announced that she would not be running for re-election. Warder said, "John has the experience and temperament necessary to do the job. He is a hard worker, a dedicated prosecutor, and will make an excellent district attorney for our County."

John Warren

John and Amanda have two children, daughter Claire and son Sam. The couple met in law school and have worked for many years to settle down in Cooke County to rear their children in a small-town atmosphere. John and his family attend church at First Presbyterian Church of Gainesville, where John is a church elder. He is involved in many local organizations such as serving on the Board of Directors of United Way, Abigail's Arms, and Habitat for Humanity. John is also the founder of Men in Action, a group of local men who work to combat family violence and child abuse.

Warren graduated from Texas A&M University where he made the Dean's list for academic achievement and from Texas Tech University Law School where he received his law degree and a Master's of Science Degree in Personal Financial Planning.

Warren has extensive experience as a prosecutor having served eight years in the Dallas County District Attorney's office where he served in the specialized felony narcotics and child abuse divisions as well as the family violence court. Warren has participated in over 150 criminal trials. He has received over 150 felony indictments since joining the District Attorney's Office in Cooke County, and has prosecuted over 3,000 criminals cases in his career including murderers, armed robbers, child molesters, drug dealers, and many other felony offenders.

Warren said he believes it is a privilege to serve as a lawyer for the people. "Most people in the legal profession must advocate for the clients' point of view, but as a district attorney you only seek the truth and advocate for justice. Nothing can better serve the public!"

John is married to the former Amanda Knight, who is the daughter of Joe and Gail Kindiger Knight of Era.

Deputy Crumley awarded Certificate of Merit for water rescue

The Cooke County Sheriff's Office is pleased to announce one of its Deputies has been awarded a Certificate of Merit.

Deputy Jerry Crumley, an eight year veteran of the Sheriff's Office, was recently awarded a Certificate of Merit for his persistence and determination to enhance the Patrol Division of CCSO. When Deputy Crumley responded to a swift water rescue at the onslaught of the recent floods that Cooke County endured this spring, he recognized the value of equipping all Patrol units with the rescue equipment needed to conduct a swift water rescue.

Through his interaction with EMS and Fire Agencies, he was able to recommend that the CCSO purchase "throw bags" for each Patrol vehicle. These throw bags, when deployed, enable a rescuer to throw the victim a rope lifeline from the water's edge. Deputy Crumley's will to ensure the Sheriff's Office was equipped to better safeguard our citizens' lives resulted in the purchase of these devices.

These rescue bags were also deployed on two subsequent occasions during the ensuing flood waters that struck Cooke County. Without these throw bags, lives may have been lost.

It is this type of caring that our Deputies show that they are here to protect and serve.

There is no satisfaction that can compare with looking back across the years and finding you've grown in self-control, judgment, generosity, and unselfishness.

- Ella Wheeler Wilcox
