KC Council Honors Grand Knights at Special Program

Among the more alarming reports in the news this week is that item revealing that our country is about to send a number of jet fighter planes to Marshal Tito and his Yugoslav communists.

The situation serves as a fair indication of the country's weak and wishy-washy diplomatic policy. Tito is a communist even though he makes much of his refusal to bow to Moscow. His attitude toward his subjects and their social and religious traditions betrays him as an enemy of all that free people hold sacred. When the chips are down he can be depended upon to stand at the side of Russia against the forces of Christianity and freedom.

But still the big moguls in our government choose to be suckers for Tito's confidence. After a few dramatic scowls toward Russia he favors America with a few equally dramatic smiles. We get the notion he is leaning our way and can become an ally to help keep that big bully in check. So we start entrusting him with our weapons, hoping he will come around to our way of thinking, wondering whether our weapons will eventually be used for or against us.

In these days when so much criticism is aimed at the foreign aid program it does seem that the administration would be especially partial toward countries that are known to be our friends, and especially cold toward the certain and probable enemies.

Somebody goofed in a big way on this deal. It certainly did not tend to make votes and influence constituents nor did it add to any person's feeling of security.

By the time the Senate committee gets through with Messrs. Beck and Hoffa the chances are that the Teamsters union will be looking for new leadership. As it appears now, those characters, if they are to continue at their jobs, will have to move their offices into the penitentiary.

The hearing has shown long ago that both men are definitely undesirable as leaders of a labor union. Their main concern was self advancement and they were willing to compromise any principle in pursuing their goal.

Complaints coming to the front reveal that dozens more of the labor bosses are no better. One of them, who first cheered at Beck's predicament, is Walter Reuther, the auto workers' czar. Reports are that he has a mighty shabby record in the old and rugged dispute at Koehler, Wisconsin, and that an investigation would make him look at least as bad as Beck.

All of these things emphasize the urgency of establishing right to work laws in every state of the country. Union bosses will not be so arrogant and unscrupulous when self respecting men can walk out without danger of losing their jobs. Such a system, in which progress is based on merit rather than the strong arm, will tend to bring deserving men to the front and to concentrate on policies which bring lasting benefits to members and other citizens.

We are inclined to doubt, for instance, whether some of our present wage and hour standards would be in effect if less selfish men had been charting the course. Men of fairness and foresight would have admitted that inflationary effects would wipe out all benefits of the concessions which were demanded and received.

It's up to our legislators to make the start in this reform movement. They can emancipate the workers by freeing them of union-shop tyranny. After that it's up to the workers to set their house in order and strive for their original ideals of excellence and integrity.

There's considerable talk these days about reviewing the court martial of General Billy Mitchell, sort of clearing the records in a case that has been reviewed and reversed many years ago by national and world opinion.

General Mitchell is the fellow who dared insist that air power was essential to the country's security even through the top brass did not agree. His remarks created doubts as to the judgment of superiors, so they decided to silence him. Seven men voted for censure, the eighth voted to clear him. The

A brief review of achievements by the Knights of Columbus during the 75 years since the order was founded, along with a tribute to past grand knights of the local council featured the address by Miss Joan Klement, daughter of Grand Knight J. A. Klement, last Sunday night at a special banquet in the public school lunch room.

The event, honoring past grand knights of the local council, was an observance of the order's diamond jubilee and also a benefit affair to raise money for the diocesan seminary fund. About 200 knights and ladies were present.

Miss Klement opened her address with tributes to the former grand knights whose work and leadership had accounted for the council's growth since it was founded on January 16, 1910. Then she traced the history of the national organization, the reasons behind its origin and the outstanding events in its long record of service to God and country.

Others who spoke briefly were Chaplain Father Louis Deuster, District Deputy Richard Hobbs and Past Grand Knight Arthur Endres. Grand Knight Klement was master of ceremonies.

In his tribute to the former council leaders Klement listed the 22 persons who held the office in the order that they

478 Immunization Shots Given Monday

People of Muenster, mostly children, received 478 immunization shots last Monday, and many will be coming back for more next Monday. Smallpox vaccine did not arrive in time so it will be administered a week after the intended date.

A break-down of the 478 shots given Monday shows that 24 were for diphtheria and whooping cough, 95 were typhoid beginners and 359 were typhoid boosters.

Immunizations next Monday are also expected to make a busy day. Along with smallpox vaccinations there will be second shots in the typhoid series and typhoid boosters for all who want them, also the second shots for those who started the Salk polio series a month ago.

Elementary Grades Of Public School To Give Operetta

In the Public School's end-of-term operetta, "Why the Garden Quarreled" slated for next Wednesday, May 22, in the auditorium, students of grades one through seven will bring to the stage a fascinating production done in song and dance, dialogue and drills.

Stage settings and costumes for the fantasy have been made by the students, their teachers and parents.

Stellar performances in leadership seem assured by the presence of Maurice Kaderli as Dawn, Mary Lou Martin as Queen, Angela Dern as Clover, Mark Hellman as Jack-in-the-Pulpit, Gayle Golden as Princess Butterfly, and Dickie Pagel as Sir Bumble.

Other members of the cast contribute to a well-paced performance as flowers, bees, raindrops, breezes, frogs and rabbits.

The operetta tells the story of inhabitants of the garden and their speculations as to which flower will be selected as the fairest of them all when the queen comes to crown the outstanding beauty. Dissension arises when wild flowers come to the garden but the curtain closes on a gratifying scene of contentment.

Mrs. John Hosea, Mr. and Mrs. Weldon Holland and Mrs. Bessie Miller are directing the play with Jim Harris assisting with the musical score. LuRena Wolf plays the piano accompaniment.

SH Alumni Sponsors Trap-Target Shoot

Sacred Heart Alumni is sponsoring a benefit Gun Shoot in the Parish Park Sunday unless the weather changes plans. Rain date for the event is June 2.

Alumni President Alvin Fuhrman promises a full afternoon of entertainment for the shooters. Clay pigeon and target shooting will be featured and refreshments will be available.

E. Wolf Injured in 30 Foot Fall from Red River Bridge

Ernest Wolf is still a patient at Gainesville Sanitarium but was showing marked improvement Wednesday from injuries received in a 30-foot fall from the new Red River bridge on Highway 77 last Friday.

He received a broken collar bone, chipped shoulder bone, fractured left elbow and internal injuries in the drop just before quitting work at about 6:30. Companions working with him believe the sand in the river bed cushioned the fall somewhat and prevented more serious injury. Water below the bridge had receded the day before.

Ernest, 23, is the son of Mr. and Mrs. Henry Wolf. He was working for the Texas Highway department as a checker. He slipped and fell as he was inspecting concrete work on the new bridge.

Closing Ceremony At MHS To Be Held On Football Field

Commencement exercises at Muenster High School will be outside this year, unless the weather causes a change of plans. Work is under way now to present the ceremony on the football field on Friday night, May 24, starting at 8.

The program will be similar to last year's in that it will be given entirely by graduates and every senior will have a part in it. Besides the valedictory and salutatory it will have the commencement presentation, "The Marooned Spirits of Our Lives," especially composed for the Class of '57 by Mrs. H. H. Homsley, class sponsor.

The senior class is composed of 28 members headed by Margaret Milner as valedictorian and Pat Horn as salutatorian.

Parochial Athletes Receive Awards at All Sports Banquet

Sacred Heart High school's annual All-Sports banquet drew a crowd of 145 last Wednesday night. The group heard Rev. James Fitzpatrick of Dallas give the principal address and saw all the athletes receive their awards.

Members of the Tiger and Tigerette teams, pep squad, cheer leaders, team managers and scorekeepers, Coach Jerry Vernon and Assistant Coach Julian Walterscheid were introduced by Father Christopher.

A special award presented posthumously to Frankie Fleitman was accepted by his mother, Mrs. John Fleitman. The award is a plaque for Frankie's placing on the All State Football team for the 1956-57 season, by the Southwest Academic League. It has been placed in the trophy case at school.

Father Fitzpatrick themed his talk on the valuable lessons which players learn by participating in sports. He was introduced by Father Patrick Hannon, who served as toastmaster. Father Louis Deuster gave the invocation.

The parish hall, scene of the banquet, represented a football field with table arrangements. Players were in the center; cheer leaders on the sidelines; parents and other guests at the edges. Decorations were in red and white with red roses as the floral complement.

Rev. Patrick Hannon To Give Sermon at MHS Baccalaureate

Father Patrick Hannon, assistant pastor of Sacred Heart Church, will deliver the sermon at the Muenster High School baccalaureate service to be held Sunday night at 8 in the school auditorium.

The evening's program will open with a special devotional conducted by students instead of the customary invocation. Dolores Reiter will read a message while several other students on stage present appropriate cards.

Rev. Billy Whitt of the Muenster Baptist Church will close the program with benediction.

Before and after the sermon the Sacred Heart Men's Choir will appear in vocal numbers.

Rev. F. Zimmerer Will Observe Silver Jubilee Next Week

Next Wednesday, May 22, the Rev. Francis A. Zimmerer, a native of Lindsay and a former assistant pastor of Sacred Heart church, will observe his silver jubilee with a mass of thanksgiving at 8:15 a.m. in Our Lady of Fatima church at Lafayette, La.

Friends in Muenster, and throughout Cooke county, have received invitations to attend the occasion marking the completion of 25 years in the priesthood. All those attending the anniversary observance will be guests at a breakfast at 10 o'clock.

Muenster still remembers and looks back with pride and appreciation on the splendid record of accomplishments both spiritual and material of the young assistant pastor who came here on Nov. 22, 1934, to help Father Frowin with the duties of an ever growing parish.

Ordained May 22, 1932, in Arkansas, he came to Muenster after spending a year teaching at Subiaco and one year on the faculty of Corpus Christi College.

From the beginning he was popular with young people here and organized the Holy Name Society which under his guidance became the largest and most active parish society. The Young Ladies' Sodality also prospered under his counsel. He organized a local dramatic group and directed plays. He was a leader in the Knights of Columbus council and served as its grand knight for two years.

In civic affairs he was active and influential, doing perhaps more than any other person toward promoting Muenster's welfare and good will with other

Report Assures SH Accreditation Will Be Restored

Accreditation problems at Sacred Heart High School apparently are ended, according to a letter received last weekend from the Texas Education Agency. The message states that TEA representatives, who inspected the school a short time ago have submitted a favorable report recommending that Sacred Heart be fully reinstated to its affiliated status.

The recommendation awaits the annual accreditation meeting of the state school board in the summer.

Father Christopher Paladino, superintendent of Sacred Heart High, says the recommendation is almost equivalent to actual approval because the state board usually follows the recommendations of the TEA. He also said that the approval is to be retroactive, validating credits that were earned this year.

Accreditation at Sacred Heart was lost last summer principally because of over crowded conditions in the elementary department. The school promptly set about correcting the faults and requested an inspection. On their visit a short time ago TEA representatives stated they would be able to submit a favorable report.

Bishop Gorman Will Be Speaker at SHHS Graduation

The Most Rev. Thomas K. Gorman, Bishop of the Dallas-Fort Worth diocese, will be the featured speaker at a joint baccalaureate and commencement service for Sacred Heart school's 1957 graduates Sunday night, May 26. Twenty high school and 37 elementary students will receive their diplomas in the combined program.

The bishop will officiate at the 7 o'clock mass and after the gospel will deliver his address. At the communion the graduates will receive the Eucharist in a body. After mass diplomas will be presented and Benediction will close the services.

School Transfer Application Must Be Made by May 31

Parents living outside the Muenster school district who send their children to school in Muenster, are reminded that they have only two more weeks to apply for legal transfers of their children.

Superintendent H. H. Homsley points out that May 31 is the deadline and that the application for transfer can be submitted to him or to the county superintendent's office.

He emphasized that the transfers are important to the operation of the local school. When a student is legally transferred to another district his portion of state funds is also transferred and helps to pay the school's operation for that year. Unless the transfer is made the school is not obliged to accept the student.

Student Production Will Be Presented At SH Class Night

Sacred Heart High school's annual class night, set for next Sunday, will feature a program arranged and produced entirely by the students and will be open to the public. It will be held in the parish hall beginning at 8 o'clock.

In addition to the usual bantering of seniors and juniors, there'll be thoughtful and non-jesting intervals — when the graduates bid their Alma Mater farewell in song and dialogue and again when they sing "You'll Never Walk Alone."

Jere Friske will give the salutatory address and Imogene Flusche the valedictory. Other program numbers are the class history, class prophecy, the last will and testament, and finally presentation of awards and an address by Father Louis Deuster.

Awards include those for honor students, school favorites, scholastic achievements, typing, history, perfect attendance, citizenship, and journalism.

Heart Attack Fatal To Ed Schmitt, 83, Resident 47 Years

Ed Schmitt, 83, a resident of the community since 1910, died Wednesday morning at an undetermined time at a small pond on his farm northeast of Muenster. His body was discovered shortly after noon in about two feet of water near the edge of the pool.

A heart attack is assumed to have been the cause of his death. The absence of water in his lungs at a medical examination afterward rules out the possibility of drowning. Besides, it is known that he had been suffering lately with a heart ailment.

Active, as usual, and apparently in fair health, Mr. Schmitt drove to his farm, which is being worked by his son Eddie, and went out to look over the place. He parked his car near the pond at about 9:30 and was seen walking toward the pond. Others at the place went on with their work and paid no attention until shortly after noon, when he was expected to eat with them. When they went to look for him they discovered the tragedy.

Rosary services for Mr. Schmitt are scheduled for 4 p.m. and 8 p.m. Thursday at the Miller Funeral Home. The funeral will be held Friday at 9:30 o'clock at Sacred Heart Church with Father Louis Deuster as celebrant of the requiem mass. Burial will be in Sacred Heart Cemetery with Father Louis officiating and Nick Miller directing. Bearers are six grandsons: Clyde, John and Neil Fisher, Wayne and Joey Schmitt and Lloyd Trubenbach.

Mr. Schmitt was born in Germany on Dec. 7, 1873 and came to the United State at the age of 19, settling at Windthorst and moving to Forney about two years later.

He was married at Forney to Miss Frances Ruwaldt on Jan. 12, 1904. The couple lived there until 1910 when they came to Muenster, occupying a farm about 1 1/2 miles east of town. They remained there until they retired in Muenster about 18 years ago. Mrs. Schmitt passed away in February of last year.

Survivors are four sons, Eddie and Al of Muenster and Charles and Leo of Mabton, Wash.; three daughters Mmes. J. A. Fisher, J. W. Fisher and Al Trubenbach of Muenster; 33 grandchildren and 6 great grandchildren.

John Reiter with an average of .94 will deliver the valedictory address and Norma June Jones whose scholastic average is .93 will give the salutatory.

Mrs. John Hosea will present the candidates for graduation and Superintendent H. H. Homsley will hand out diplomas.

Hornets Drop 4-1 Tilt to Callisburg

A rugged seventh inning with a combination of three hits and two errors was disastrous for the Muenster Hornets Tuesday afternoon and netted the Callisburg boys a most welcome 4-1 win.

That same score tells the season's record for the two teams. Muenster ended with 1 win and 4 losses while Callisburg had 4 wins and 1 loss.

Until that disappointing seventh inning Muenster held firm to a slim 1-0 lead taken in the second when Dickie Cain singled, stole second and came home on an error.

Trip Gives Seniors Four Days of Fun And Sight Seeing

Muenster High school seniors, accompanied by sponsors and roommothers, toured New Orleans, Baton Rouge and Houston in four days beginning last Wednesday. The 27 students, Mrs. H. H. Homsley, John Hosea, Mrs. Joe Horn, Mrs. M. D. Kaderli and Mrs. Henry Pick returned home Sunday night.

Among high spots on the senior trip were a visit to the Louisiana state capitol in Baton Rouge, swimming, dancing and steamboat cruises after reaching

New Orleans where they also visited the Lake Ponchartrain Amusement Center, Pirate's Alley, St. Louis Cathedral, Cabildo Museum, Jackson Square, a haunted house and cemeteries that have above-the-ground vaults.

Cruises on the Mississippi included a moonlight excursion with dancing. The day-time cruise pointed out interesting sights and described ships in the wharves.

In Houston Saturday night and Sunday the group visited friends and relatives, saw the San Jacinto Battlefield, the Battleship Texas and the San Jacinto Monument.

Luttmer-Krebs Vows Exchanged Saturday In St. Mary's Church

—Boyd and Breeding Photo

St. Mary's church in Gainesville was the scene of the wedding of Dorothy Faye Luttmer and Frank Krebs Jr. when they exchanged marriage vows in a double ring ceremony during a nuptial mass last Wednesday at 4 p.m. The Rev. E. J. Gerlich, pastor, officiated.

Parents of the couple are Mr. and Mrs. Henry Luttmer and Mr. and Mrs. Frank Krebs.

The bride wore a gown of gossamer rose point Chantilly lace and tulle over taffeta. The lace torso-line bodice was designed with a bateau-scalloped neckline and short sleeves complemented with matching gauntlets. The skirt of tiny tulle ruffles ended in an aisle-wide bouffant sweep. A crown of seed pearls and bugle beads held the bride's tiered veil of illusion. Her flowers were an arm bouquet of white roses.

Wedding attendants were Carolyn and Jerry Hoedebeck of Dallas, cousins of the groom. Paul Klement and Milton Krebs, cousins of the couple, ushered. Carolyn wore a pink bouffant dress, a duplicate of the bride's in design. She carried pink roses.

Ann Gallagher, organist, and St. Mary's choir furnished the wedding music.

After the service, a reception and dinner in the Lindsay hall honored the newlyweds. About 225 guests registered in the bride's book at which Patricia Neu and Mildred Krahl presided.

When Mr. and Mrs. Krebs left on their wedding trip she was wearing a brown and tangerine outfit. When they return they will live in Gainesville in their new home.

He was graduated from St. Mary's High in 1952 and from Gainesville Junior college in 1954 and is employed by National Supply. His bride, a 1955 graduate of Gainesville High is employed in the Agricultural Stabilization and Conservation office at the courthouse.

Among out-of-town relatives at the wedding were Messrs. and Mrs. Clem, Wilfred, Buddy and Alfons Reiter, Bill Otto, Al Fleitman, Fred Hoedebeck and Bob Reiter of Muenster, H. J. Strategier of Norman, Okla., Joe Zipper and Cletus Hoedebeck of Dallas.

Another report was on recent collections of religious articles for girls at the State School in Gainesville. These have been given to Father E. J. Gerlich, chaplain, for distribution.

A new project for the court is the collection of old nylon hose to be sent to places where they are fashioned into useful and attractive items. The High Cost of Relief

"At a time of prosperity such as this nation has never enjoyed, 5.5 million Americans are on relief rolls. The bill for this relief — 3.1 billion dollars last year — is at a record high."

Thus begins an article in U. S. News & World Report for April 19. The money, it adds, goes to more than 2,500,000 elderly people, to 600,000 mothers with 1,700,000 dependent children, and to the blind, the disabled and others.

Why should relief costs be so high in boom times, and why should the number of people sharing in the payments reach peak after peak? No single answer to such a question can be complete. But it seems that the dominant factor is what the magazine accurately calls "a revolutionary change" in the attitude of many Americans toward relief.

Not long ago, as time is measured, the indigent old were cared for by children, or, failing that, took refuge in the poorhouse. Relatives came to the rescue when misfortune struck families. Big-scale government aid, as a principle and a philosophy, was unknown.

It was not until 1935, with the

great depression in full swing, that the Federal government embarked on a program of direct assistance to the needy, by providing funds to the states on a matching basis. As U. S. News points out — and it is certainly a point that seems to have been forgotten today — the program was regarded as a temporary emergency measure. Once business started back uphill and jobs became available, it was reasoned, the need for this kind of assistance would gradually end. The old age security program, supported by a tax of its own, also was supposed to do much of the welfare job.

The realization has been enormously different from the expectation. Not only are more people getting relief checks, but the amounts are far higher — as much as \$200 a month to an aged couple, according to U. S. News. Old regulations, which denied relief to people owning valuable property such as autos, insurance, and homes, have generally been greatly liberalized or abandoned. As the magazine puts it, "Many Americans getting public aid today are people of substance and respectability." There are states where relief to the elderly is not called relief at all — it is given the much more attractive name of "pensions."

U. S. News goes into some of the reasons advanced by sociologists for the enormous growth of the welfare program in a time of record or near-record employment, wages, industrial activity, etc. People are living longer and so require more medical care. Inflation has bitten deep into fixed incomes from savings and other sources. Families are separated by great distances, and the old, close family relationships of another era are disappearing. No one seems to have any real solution to a social and economic problem that grows steadily more severe. But one thing can be said with certainty at this time: "Across the nation, people are turning over their family problems to the state. Big relief rolls, it now appears, are developing into a permanent part of the American way of life."

communities. A driving force behind local improvements and an ambassador in most of this community's relations with other cities and communities, he distinguished himself not only as a priest but as a companion and boosting citizen, an active worker for parish and community welfare.

In September, 1940, he was charged with the pastorate of St. Mary's in Windthorst and remained there until he joined the army chaplain's corps two years later. During his stay in Windthorst he became noted throughout Texas for his work with youth and was closely identified with the Catholic Youth Organization of the Catholic State League.

His career as an army chaplain took him to Guadalcanal during the early days of battle in the Pacific. He was there three and a half years, until March 1946. Following his separation from the service with the rank of major he served short assignments in Arkansas and returned to Windthorst as pastor in 1952. Recognizing the inadequacy of school facilities he started the movement that culminated in a new \$150,000 school built by the community with its own funds after being unable to finance a building program by the usual method of voting a bond issue. Since 1955 he is pastor at the Lafayette church.

He was born Nov. 1, 1908, a son of Mr. and Mrs. I. A. Zimmerer who still live at Lindsay.

Anna Mae Dieter, Wilbert J. Block, Mary at Lindsay

—Boyd and Breeding Photo

Anna Mae Dieter, daughter of Mr. and Mrs. Val Dieter, and Wilbert J. Block, son of Mr. and Mrs. Pete Block, all of Lindsay, exchanged wedding vows Saturday morning in St. Peter's church. Rev. Conrad Herda married the couple and was celebrant of the nuptial high mass.

The bride's gown of shadow Chantilly lace was designed with short sleeves set off with matching gauntlets and a four tiered floor length skirt. A crown of pearls and paillettes held her circular fingertip veil, and she carried a prayer book topped with an orchid.

Mrs. Edward Sandmann as her cousin's matron of honor wore blue lace over taffeta with a full carpet-length skirt. Her large lace picture hat matched her dress and she carried pink mums.

Eugene Block was his brother's best man and cousins of the couple, Wilfred Bezner and Lawrence Streng, ushered.

Mrs. William Schmitz, organist and aunt of the bride, played the processional and accompanied the church choir for the Mass of the Blessed Virgin. Billy Schmitz, Ewald Hoelker Jr. and Freddie Laux, cousins of the couple, were acolytes.

At a reception honoring the newlyweds Anna Hermes and Emma Grace Stoffels presided at the guest book.

When Mr. and Mrs. Block left on their wedding trip she was wearing a blue and white costume. When they return they will be at home in Lindsay. Both are graduates of Lindsay High school. He is employed by National Supply and she is an operator for Southwestern Bell Telephone Co.

Among out of town wedding guests were Mr. and Mrs. Francis Dieter, Emma Grace Stoffels and Leonard Wiese of Dallas, Pvt. and Mrs. Rudy Dieter of San Antonio, Mr. and Mrs. Maurice Hickey of Lyford, Mr. and Mrs. Joe Bierschenk of Grandview, Mr. and Mrs. Albert Krebs of Coalgate, Okla., Mrs. Edith Cravens of McKinney, Mr. and Mrs. V. J. Dieter and family of Pasadena, Mr. and Mrs. Al Bierschenk and family, Mr. and Mrs. Al Kuntz, Irene Block, and Mr. and Mrs. Albert Laux and family, all of Fort Worth.

eight man, incidentally, was General Douglas MacArthur, whose official treatment in recent years was about the same as that received by Mitchell.

The Mitchell case is strikingly similar to the McCarthy case. When the country recovers its sense of values and realizes what element served the nation and what element served the enemy through the McCarthy squabbles, people will understand that it was a tragic blunder. So posterity will review and reverse the senate's decision.

The real misfortune is that devoted patriots have died with broken hearts.
