## 3 Towns Cooperate At Austin Hearing On River Bridge

After many years of drought, then the record floods of last spring, few if any Texans need to be sold on the urgent need of doing something to control and conserve water.

Most likely all of us are also agreed that the only way of doing those two jobs is to provide a system of dams and reservoirs that will control an ever-increasing percentage of the state's total rainfall.

That, of course, is a gigantic undertaking, probably running into the billions long before the program has even a fair start. Obviously, it needs help.

Providing that help is the object of Proposal No. 3 at the special constitutional amendments election to be held next Tuesday. The state legislature has submitted for our approval an amendment which provides a fund to help cities, municipalities and water districts build their own flood control and water storage facilities.

An especially appealing feature in the amendment is that it does not propose to set up a new tax to get the desired money. The method will be to issue up to \$200 million in state bonds for funds to be loaned to the organizations building the reservoirs. Such loans would be like any other loans and, when paid back with interest, would provide funds to help another water project. Thus, the intention is to get the fund started and thereafter keep it working constantly to improve the water situation in Texas.

Another appealing feature of the amendment is that it will not be a give-away but rather a help to those who are willing to help themselves. It will not finance a whole project but only a third of it, or up to \$5 million, whichever is smaller.

All in all, the proposal seems to be the best solution offered yet to the state's most urgent water predicament. The help it offers will enable many local groups to put over a project which otherwise would seem impossible. Besides, it offers some areas an easier method for projects they had to take on anyway.

We of this area, more so than the big majority of other Texans, have good reasons to give all our support to this amendment. We are already enjoying many of the benefits which will become possible to other people of the state. Detention reservoirs on the local creeks have proved their flood control value and are beginning to show recreational value. According to the water engineers they will also be valuable as feeders for subsoil streams.

We have these benefits, for free. The least we can do now is vote approval of a method to bring similar benefits to more and more people... especially in view of the fact that it does not require a tax nor an additional burden on the state. This is only approving a provision which enables them to buy something that we received absolutely free.

It is pleasant to imagine what this amendment can do for Texas. Little by little as reservoirs are built floods will become less devastating and less frequent. At the same time city water supplies will become more adequate for population growth and industrial expansion and, in some

Muenster, Saint Jo and Nocona, after pulling apart for several years in efforts to get a bridge over Red River, have finally decided to pull together. Today delegations from the three towns are meeting with officials of the State Highway Department at Austin, urging a cooperative survey by Texas and Oklahoma highway engineers to determine the best location for a bridge.

For a long time it has been acknowledged that a crossing should be provided somewhere between the bridges north of Gainesville and Ringgold. However each of the towns concerned was working independently, trying to get the bridge in the location most advantageous to itself.

Finally it was agreed that any of the desired bridges would be of value to all three towns and that the committees ought to work together to get a project and let the two highway departments decide on the best place for it.

Representing Muenster at the hearing are John B. Klement, Urban Endres, Herbert Meurer and H. H. Homsey.

## Amendments Vote Set Next Tuesday

Voters of Muenster will have an opportunity next Tuesday, November 5, to join others of the state in approving or disapproving three amendments submitted by the state legislature for addition to the state constitution.

The election here will be held in the two customary locations under direction of the two customary election judges.

I. A. Schoech will be in charge at the public school and Paul Fisher will be in charge at the elevator office just south of the Katy tracks. Voting hours at both places are 8 a.m. to 7 p.m.

## Vote for All Three New Amendments, Gov. Daniel Urges

AUSTIN, Tex. — Gov. Price Daniel today urged all eligible Texans to go to the polls on Nov. 5 and vote for the water development amendment, which is Proposal Number 3 on the ballot.

"The urgent need of dams and reservoirs in the state is evident to everyone," Daniel stated. "Proposal Number 3 will make possible such projects. It is a self-financing plan and the water amendment does not call for and will not necessitate any tax."

Daniel pointed out that all of the state's public officials are backing the proposal. "Furthermore the amendment has been endorsed by a multitude of state associations and other organizations, newspapers, manufacturers and chambers of commerce."

Actively supporting the water amendment are the East Texas Chamber of Commerce, West

## Tigers Will Strain To Dump Favored Cowtown Rivals

At Sacred Heart this week Coach George Petrus and his Tigers hope they have the formula for dumping Laneri in Saturday's tussle at Cowtown. Their plan is to hit the Micks with all they have and hope for the breaks.

Tiger prospects for that game appear to be a little less than a toss up, according to scout dope which has reached here. The season record of the Micks boasts only one win and one tie so far, which is slightly poorer than the Tiger record of two wins. However, it is also conceded that Laneri has been playing in faster company. Most of its opponents, like Laneri itself, would be classified as A or AA according to the Interscholastic League, whereas Sacred Heart would be classed as B.

Hoping that Laneri will be weak for its rating, Petrus is priming his lads to be strong for their rating. That is a comparatively simple job, considering that the Tigers traditionally get fired up more than usual for the Micks.

Three men are affected by the change. Foreman J. B. Cason said he will move to Lewisville next week and continue the maintenance work for Katy. He has been a resident here for 17 years. James Eckart, who owns his home here, will stay in the community and look for other employment. Lester Bridges of Myra has not mentioned what he intends to do.

## Jesuit B Added To Tiger Schedule

The 9-game Tiger football schedule, trimmed down to 8 because of New Diana's cancellation, will go to nine games after all. Jesuit B is the new opponent and the game will be on the Tiger field on Thursday, Nov. 14.

A Thursday date was selected to suit the convenience of both schools. For Jesuit it allows the B players to see the school's big game on Friday. Here it avoids a conflict with Muenster-Era game Friday night the 15th at Era.

## Mollenkopf Leads Tigers to 45-25 Win Over Ryan, Okla.

Howard Mollenkopf was the big difference Friday night as the Sacred Heart Tigers outpointed the Ryan Cowboys 45-25 in an action packed scoring spree on the Sooner team's home field.

Statistically the game was much closer than the score. Net yardage figured to 296 for each team and the Cowboys led 15-14 in first downs.

Mollenkopf lost little time in getting his team into the scoring column. On the fourth play after kick off he rammed 20 yards then, on the next play, circled right end for 29 and the TD.

The Sooners snapped back with a drive of their own, completing a 71 yard push in 9 plays.

Next, following a Tiger fumble, Ryan took off again and made a 39 yard drive in seven plays. For the rest of the half it was Sacred Heart's game. After returning the kickoff to the

## Frost Arrives

This year's first cold snap hit early and hard, nipping tender vegetation with a 29 degree reading early Saturday and returning with a still colder 24 on Sunday.

Monday's temperature dipped just below the freezing mark and weather since then has returned to moderate.

## WITH THE MEN IN SERVICE

**Reports For Service**  
Mr. and Mrs. Wilfred Klement left here Tuesday for Fort Knox, Ky., where he reports Nov. 1 for six months in the service. An ROTC member at A&M, he was commissioned a second lieutenant upon graduation in June.

**Ends Navy Duty**  
David Reiter is back in Muenster with a discharge from the Navy after serving 19 months. He was a machinists mate aboard an APD, the U.S.S. Begor, that operated in the Far East. He trained at the San Diego, Calif., Naval Training Station and received his separation papers there. Since Saturday he's at home with his mother Mrs. Hilda Reiter and family.

**Back In States Soon**  
Richard Hellinger has written his mother, Mrs. Ben Fleitman and family, that he expects to end his tour of army duty in Korea shortly and be back in the states in about a month. He has served in Korea a year and will be reassigned in this country until his four-year enlistment expires next February.

**Overseas Assignment**  
Mr. and Mrs. Jacob Pagel left Tuesday for a visit in Dothan, Ala., with their daughter and family, the Jack Janickis, before they leave for Germany. Chief Warrant Officer Janicki has a new overseas assignment and will be stationed in Heidelberg. His wife and four daughters will go with him when he leaves about the middle of next month. They will make the trip by plane. This will be Jack's third overseas tour. He has already been in Korea and Japan. His family was with him in Japan.

**Instructor in Honolulu**  
M.Sgt. Alfred Walter, son of Mr. and Mrs. John Walter, is a member of the 25th Infantry Division in Hawaii. He is a Reserve Officer Training Corps instructor at Roosevelt High school in Honolulu. He and his wife, Isabel, live in that city. Sgt. Walter has made the army his career. He has been in the service since 1938.

## Ladies to Collect At Friday Services For Cemetery Fund

Members of Sacred Heart Church were reminded in last Sunday's parish bulletin that the semi-annual collection for cemetery maintenance will be held on All Saints Day, Friday, November 1.

The Garden Club, which has charge of cemetery work, will have representatives at the church doors to accept donations after all of the church services Friday.

In their last meeting officers of the Garden Club explained that funds it has been receiving lately from former residents will be used only for permanent improvements, such as fence and sidewalk.

Proceeds of this collection will be used for plants, water and labor to maintain the cemetery.

## Schoolboy District Gets New Member, Keeps Old Members

When the next school year opens, in September 1958, this area will have a different number in the official listing of Interscholastic League schools.

A notice received last week by Coach Boze Ansley disclosed that the present district membership will remain unchanged but the number hereafter assigned to it will be 12-B.

The local district's present number, 10-B, has been assigned to an area southwest of here. Throckmorton, which was recently reclassified from A to B rating, is one of the teams of the district and word of its assignment to 10-B was first interpreted as an addition to the local district.

Redistricting is a result of the increasing number of schools in Class B. Because of declining population in many rural areas some schools are dropping below the minimum requirement for Class A rating.

## Revived Hornets Wallop Callisburg 20-0 In Icy Game

Muenster's chances at the 10-B district title took on a somewhat better look Friday night as the Hornets rolled over Callisburg's Wildcats 20-0.

At the end of the week's contests Muenster is in second place with a loop record of 3-1 while Saint Jo is leading with a perfect mark of 3-0. Standings of the other teams are Valley View 2-1, Era 2-1, Alvord 2-2, Sanger 0-3 and Callisburg 0-4.

Coach Ansley's boys started taking charge of the game on the opening kickoff. In the bitter cold Callisburg fumbled and Muenster started a scoring drive from the 29. Seven plays produced the TD with Hamric making the last 4 and going over again for an extra point.

The Wildcats were not the only fumble, however. Shortly after the next kickoff Muenster fumbled twice and Callisburg once out of seven plays. During the game each team lost the ball five times on fumbles and each also recovered a few of its own fumbles.

Most of the first quarter was played in that manner and Muenster got going just before the period ended on a 77 yard march that fizzled on the 8. Over anxiety, resulting in two 5-yard penalties nullified that effort.

Nevertheless the Hornets confined the Wildcats to their end

## Pre-Game Dope Is Scarce as Hornets Prime for Sooners

Neither Boze Ansley nor his Muenster High Hornets have any idea what they will run into when they take on the Marietta, Okla., Indians Friday night at 7:30 on the Marietta field.

The only information they have is an early season remark by Coach Conwoop of Callisburg that the Indians had a clear advantage over his boys in a scrimmage session. He also mentioned that the Marietta fellows were heavier than his boys, who weigh about the same as the Hornets.

Another possible indication is the comparative size of the two schools. With a larger enrollment to draw from the team

## VFW and Auxiliary Plan Attendance at District Convention

The District One convention for the Veterans of Foreign Wars and the Ladies Auxiliary will be held Saturday and Sunday, Nov. 2 and 3 in Denton, and local members are planning to attend.

Denton's Phil Miller Post 2205 will host the convention. Registrations will begin at 2 p.m. Saturday at the post home on Highway 77 where a dance will be held that night.

Sunday activity begins with a breakfast for district officers in the Southern Hotel while registrations continue at the post home. Ladies will have a coffee hour at 9 in the Woman's Club Building, Oakland Street City Park and the banquet at 12:30 will present T. C. Selman, department commander and T. P. Witt, of Federal Civil Defense as guest speakers. Closed meeting for veterans and for the ladies will follow, at the post home for the men and at the Women's Club Building for the ladies.

Mrs. Irene Shannon of Denton, district Auxiliary president, recently presented her resignation and Mrs. Dorothy Drake advanced to that office. At the same time Mrs. L. J. Roberg, local Auxiliary president, advanced to senior vice president of the district organization.

## NEWS OF SICK AND INJURED

Ben Haverkamp is a patient at Gainesville Sanitarium since early Monday morning. He became seriously ill during the night Sunday. Wednesday, family members said he was showing improvement and was apparently recovering from pneumonia and complications.

Eddie Fleitman has a cast on his right leg since he dislocated his knee last Wednesday. The injury is the result of a mishap on his farm.

Joe Endres, a patient at the VA Hospital in McKinney since July 15, came home during the weekend and returned to the hospital Tuesday for further treatment.

Mrs. Walter Pulte, 1019 Hancock St. Gainesville, entered Gainesville Sanitarium Monday after she broke a hip in a fall at her home. She was to undergo surgery this week.

Dave Gillette, octogenarian and long time resident of Myra, is a surgical patient in Wichita General Hospital, Wichita Falls. He is in room 240 and would enjoy cards from his friends.

Kenny Schmitz, 6, son of Mr. and Mrs. Eugene Schmitz, returned to classes in the parochial school first grade Monday after a week's absence due to a cold and ruptured ear drum. Friday he had the cast removed from his right arm, broken at the wrist on Sept. 20.

Rose Ann Sicking was dismissed from Baylor Hospital in Dallas Wednesday and is recovering at the home of her parents, the Wilfred Sicking, from tear duct surgery. Her mother stayed at the hospital with her during the week she was a patient.

C. F. Gobble was at home for the weekend and returned to Veterans Hospital in McKinney Sunday afternoon for further medical care and observation. He's still in Ward 63.

Al Walterscheid was dismissed from Gainesville Sanitarium Sunday at noon and is continuing recovery at home from injuries received in a highway accident on Wednesday of last week. His fractured ribs are still causing considerable pain.

Father Louis Deuster was dismissed from Gainesville Sanitarium at noon Sunday following two weeks of hospitalization for influenza and virus pneumonia. He participated in the afternoon procession in observance of the feast of Christ the King and officiated at evening mass. Before his sermon he thanked all who remembered him with prayers, cards, visits and other kindnesses during his illness.

Billy Dean Owen was sufficiently recovered from a kidney ailment to return to classes at Subiaco Academy this week. He left by bus Sunday after two weeks of illness that confined him to bed at the home of his parents, Mr. and Mrs. Clarence Owen.

## Heart Attack in Church Is Fatal to Alfons Koesler Sr.

Alfons Koesler Sr., 72, died suddenly of a heart attack Sunday afternoon at about 2:15 while he was attending services in Sacred Heart church. He had participated in the outdoor procession in observance of the feast of Christ the King and had just returned to the vestibule when he was stricken and died instantly.

Funeral services were held Wednesday morning at 9 o'clock in Sacred Heart church and burial was in Sacred Heart cemetery.

Rev. Leo Koesler of Subiaco, Ark., was celebrant of the solemn requiem mass for his father. He was assisted by Very Rev. Joseph Fuhrmann of Fort Worth, a brother-in-law of the deceased as deacon, Rev. Fred Mosman of Dallas, a nephew as sub-deacon, and Rev. Bruno Fuhrmann, another nephew as master of ceremonies. Rev. Louis Deuster delivered the sermon and gave the final absolution at the grave. Other priests at the service were Rev. Patrick Hannon of Fort Worth and Very Rev. John Duesman of Sherman.

Bearers were Val Fuhrmann, John Mosman, Marcus Fuhrmann, Mark Hermes, Raymond Fuhrmann and William Flusche. Nick Miller was in charge of funeral arrangements.

Rosary was recited at the Miller Funeral Home Monday and Tuesday at 4 and at 8 p.m., the latter service by the parish St. Joseph's Society of which he was a member.

Mr. Koesler had lived in Muenster 18 years and in Lindsay 30 years. A native of Germany, he was born on August 8, 1885. He came to America when he was 19 years old settling in Minnesota, and five years later moved to Lindsay. He was married there on Nov. 15, 1910, to Miss Mary Fuhrmann. In 1939

## Small Group Will Receive Last Shot For Polio Monday

Next Monday, November 4, is the date for a limited number of persons to receive final shots in their Salk polio immunization series.

An announcement issued this week by the Muenster Clinic advises that final shots are due for all those who received their second shots seven months ago, on March 25. Any who might have received their second shots longer than seven months ago are also urged to report Monday. A third shot then is still effective.

The Clinic also revealed that another immunization day is scheduled for late November or early December for those who received their first shots on March 25. Records of that day reveal that 439 are due for their final shots a month from now.

Shots to be given on these two days are the final shots only and they will complete the series originally offered by the Clinic at \$1 per shot.

When these shots are completed Muenster will have about 900 immunized against polio.

**Mrs. C. Buss, Former Resident, Succumbs**

Funeral services were held Thursday in Wichita Falls for Mrs. Chris Buss, former resident of Muenster and Lindsay, who died early Sunday in Craig, Colo., where she was visiting a daughter. She was 78. Requiem mass was said in Sacred Heart church and burial was in the parish cemetery there.

Mrs. Buss, the former Caroline Galaska, was a native of Wisconsin. She moved to Lindsay with her parents at an early age and was married there. Later the family moved to Muenster. Mr. Buss was in the shoe repair business here before they went to Wichita Falls.

She is survived by two sons, eight daughters, 25 grandchildren and 27 great-grandchildren. She was the aunt of Mrs. Ben Fleitman of Muenster.

Among those at the funeral were Mr. and Mrs. Ben Fleitman from here, Messrs. and Mmes. Albert Duesman and Johnny Altenbaumer of Pilot Point and Messrs. and Mmes. Joe Hellinger and Lawrence Knabe of Gainesville.

**Local News BRIEFS**

Visiting the Henry Pels family Tuesday evening to Thursday were Mr. and Mrs. Bernard J. Ortmeier of Fremont, Neb., who stopped here to visit relatives on their honeymoon.

Mr. and Mrs. Wilfred Klement spent the weekend visiting their cousins the Herbert Ottos in Dallas and their sisters Marcy Klement and Ginger Wolf in Fort Worth.

Weekending here with Mr. and Mrs. Dick Cain were her parents Mr. and Mrs. J. S. Hogan of Burleson, her brother and family the Frank Hogans of Amarillo, and the Cains' daughter Mrs. Wendell Richey and her friend Jeanette Vitera of San Angelo. Joining them Sunday to spend the day were Mrs. Doc Collier and son Rickey of Wichita Falls, and more family members Mr. and Mrs. T. C. Rhone and children of Bellevue and Mrs. Jack Hogan and children of Hardy.

R. M. Zipper took his grandson David Stockman back to his home in Dallas Sunday after a week's visit here. Going with them were Mr. and Mrs. Ewald Berend and Ben Otto of Gainesville. After a visit with the Jim Stockmans they all visited the Joe Zippers.

Mrs. Joe Galloway and daughter Jon Ann of Fort Worth arrived Tuesday evening to spend the week with her parents, the John Fishers.

Mr. and Mrs. J. A. Sanders were in Fort Worth during the weekend to visit their children. They have a son and a daughter in that city.

Joe Luke has returned to work for Texas Company

**AMERICAN DAIRY PRINCESS**—Sandra Sue Stout, 18, left, of Piedmont, Okla., is crowned "1958 American Dairy Princess" by her predecessor, Shari Lewis, 21, of Daykin, Neb. Ceremony took place at the International Dairy Show in Chicago. Miss Stout was chosen from 23 state dairy princesses. She received a \$750 wardrobe and a \$1,000 scholarship.

after taking three weeks of a four-week vacation. Mr. and Mrs. Luke spent the three weekends visiting. They were guests of her relatives in Munday, visited their son Norman and family in Shreveport, La., and visited in Hereford with relatives of both their families.

Mr. and Mrs. Bill Kathman were Sunday dinner guests in the home of their daughter and family, the W. E. Insels at Gainesville.

Mr. and Mrs. Frank Trubebach have returned from a recent trip to Kansas, Nebraska and Missouri where they spent nine days visiting his relatives.

Mr. and Mrs. Ed Sturm and Christine Roewe of Pilot Point, joined by Mr. and Mrs. Joe Sturm from here, drove to Wichita Falls Sunday to visit the George Sturms. Miss Roewe also visited her sister Mrs. George Morgan in that city.

Alfons Felderhoff joined a group of hunters on a trip to New Mexico the past week and downed a six point deer which was the talk of the group because of its unusual stature. With its six points it was as large as a ten-pointer downed by another member of the party. New Mexico deer were plentiful and the hunters hit their mark when the weather allowed them to hunt. It snowed, rained and sleeted almost all the four days of the trip. Mrs. Felderhoff and children Rossie and Scottie and her parents, Mr. and Mrs. Joe Lutkenhaus and daughter Marie drove along as far as Amarillo where they visited in the home of Mrs. Oscar Detten while Alfons hunted. Mr. Lutkenhaus remained for an extended visit with his daughter and family.

**Blessed Events**

An eight pound eight ounce boy joined the James Eckart family Wednesday, Oct. 30. He arrived at the Muenster Clinic at 11:25 p.m. He has four brothers and five sisters and is the grandson of Mrs. John Eckart of Subiaco and Mrs. John Walterscheid.

Mr. and Mrs. Louis Sicking are parents of a daughter, weight eight pounds six ounces. She arrived at Gainesville Sanitarium Wednesday morning, Oct. 30, eight minutes after midnight. Others welcoming her are her sister and brother, her grandparents Mrs. George Lutkenhaus and Gus Sicking and a great-grandmother, Mrs. George Loeffelholz of Norman, Okla.

Mr. and Mrs. Norbert Rohmer have announced the arrival of a daughter, their third girl, weight six pounds six and a half ounces. The baby was born at Gainesville Sanitarium Saturday, Oct. 26, at 1:30 p.m. She is the granddaughter of Mr. and Mrs. Henry Voht of Lindsay and Mr. and Mrs. Leo Rohmer. Mr. and Mrs. Tony Trubebach Sr. are the great-grandparents.

Mr. and Mrs. Gerald Wachsmann of Wichita Falls are parents of a daughter, Janet Rose, born Tuesday, Oct. 29. She is the couple's seventh child and third girl. Weight upon arrival was nine pounds 12 ounces. Mr. and Mrs. Willie Fuhrmann of Lindsay and Hardy Wachsmann of Wichita Falls are the grandparents.

Public enemy number One is the stop-sign passer.

### Reports and Films Occupy Members at Home-School Meet

Routine business and reports were on the program at the October meeting of the Sacred Heart Home-School society Monday night when about 60 parents, including 17 new members, met in the grade school auditorium.

After adjournment Mrs. Lambert Bezner of Gainesville showed slides of her trip to Europe this summer.

Andrew Schoech, president, presided and Father Christopher gave a short talk on the influence of parents showing up in the attitude of the students.

A report on the Halloween Carnival, a school benefit, re-

vealed that the event cleared about \$650.

It was announced that the November meeting will feature a film on the Ground Observer Corps and explanations of sky watching. Officers from the Dallas Filter Station plan to be present.

### CYC Prayer Hour Nov. 6 at Lindsay

Sherman Deanery's Catholic Youth Council will hold its monthly hour of adoration next Wednesday, Nov. 6, in St. Peter's church at Lindsay beginning at 7:30.

A social will follow the prayer service and the host parish invites a full attendance of young people.

### Theresa Haverkamp And Joe Grewing Set Wedding Date

Mr. and Mrs. Charles Haverkamp have announced the engagement and approaching marriage of their daughter Theresa to Joseph Grewing, son of Mr. and Mrs. John Grewing.

The couple has selected Tuesday, Nov. 12, as the wedding date. They will exchange their vows in Sacred Heart church during nuptial mass at 9:30 a.m.

Attending the bride and groom as maid of honor and best man will be her sister Pauline and their cousin Bernard Haverkamp.

### Lu Ann Endres is Birthday Honoree

Lu Ann Endres, daughter of Mr. and Mrs. Gilbert Endres, was the honoree at a party Sunday observing her sixth birthday. The actual date is Oct. 29. Mrs. H. J. Fuhrman was hostess entertaining in her home for her granddaughter. Young guests were Lu Ann's cousins.

The Halloween theme was stressed in decorations and refreshments and party favors were Halloween hats, noise makers and balloons.

Games and picture taking, including pictures of Lu Ann and her birthday gifts, entertained the youngsters. Ice cream, birthday cake and soda pop were served to Mike and Chris Pulte of Gainesville, Carl, Carolyn and Dolores Bayer, Peggy Endres, Carl Endres and Freddie Fuhrmann.

And to Lu Ann's mother, her paternal grandmother Mrs. W. H. Endres, Mr. and Mrs. Alvin Fuhrman, Mrs. Robert Bayer and Mrs. Robert Pulte of Gainesville.

### BAKE SALE SATURDAY

Sophomores of Sacred Heart High are going to sponsor a bake sale Saturday with headquarters at Hofbauer's. It will be a class benefit and students invite everybody to stop in and stock up on home made breads and pastries.

It's 90% of the politicians who give the other 10% a bad name.

### Family Reunion is Birthday Surprise For Joe Fisher, 80

Joe Fisher Sr., a resident here 68 years, and one of Muenster's best known and best loved citizens, was honored on October 24, the eve of his 80th birthday, with a surprise gathering of his family at the home of Mr. and Mrs. Earl Fisher.

The children gave their dad a reclining chair as a gift and everyone enjoyed home movies and refreshments of birthday cake and punch . . . after the honoree cut the handsome cake which he said was "too pretty to eat." There were two other birthday cakes, also. One for Mr. Fisher's son Earl, the other for his grandson Clyde Fisher, who have birthdays on Oct. 24, and shared in the evening's celebration.

Mr. Fisher has seven sons and four daughters, 40 grandchildren and 4 great-grandchildren. He came to Muenster with his parents, Mr. and Mrs. Adam Fisher, when he was 12 years old and has lived here continuously since. The family arrived in the infant colony on Jan. 5, 1890, and experienced the hardships of the community's first winter. Joe recalls with justifiable pride that he was the first altar boy in the new parish. He has a retentive memory and delights in telling of early day happenings. He is probably the best verbal historian in this area.

Joe Fisher was born in Cassville, Wis., on Oct. 25, 1877, and was two years old when his parents moved to Westphalia, Iowa. Ten years later they settled in Muenster. He had one sister Apollonia, the late Mrs. John Bayer.

Mr. Fisher is still active on his farm south of town. He still raises and feeds cattle and does many farm chores himself. And he attends Mass daily in Sacred Heart church.

During the years he has been active in religious and civic enterprises. He is a member of the local council Knights of Columbus and of the Fourth Degree Assembly and was an original director of Muenster State Bank.

Mr. Fisher's wife, the former Emma Pulte, to whom he was married here, died in 1930. Their children are John A., Joe W., Charles, Harry, Pat, Paul and Earl Fisher, Mmes. Henry Pick, Clem Fladung, Leo Appel and Charles Taylor. All live in Muenster except Mrs. Fladung whose home is in Longmont, Colo., and Mrs. Appel who lives in Houston. Harry is attending St. Mary's Seminary in Kentucky.

In addition to family members at the party, special guests were Rev. Edward Devers of Dallas and Rev. Christopher Paladino and Rev. Bruno Fuhrmann.

### Classes Work for Queen Candidates

During the past week the junior class of Sacred Heart High sponsored a homemade candy sale as a benefit for the junior queen contestant, Ruth Endres. On Wednesday night the class held a cake walk and Halloween dance in the parish hall.

Other classes are also working on benefit events for their football queen candidates. Loretta Mages is the senior's contestant, Carolyn Swirczynski represents the sophomores and Margie Schoech is the freshman favorite.

The winner will reign over annual homecoming festivities at Sacred Heart on Nov. 8. The three other contestants will be princesses in the queen's court.

### Twin Girls, 3, and Grandmother Have Birthday Observance

Joyce and Janet Swirczynski, three years old Sunday, had a double celebration at the home of their parents, Mr. and Mrs. Richard Swirczynski. First they had a dinner party of their own, then in the afternoon celebrated again when they helped their grandmother, Mrs. Adam Bayer of Lindsay, observe her birthday which occurs next Saturday.

For Mrs. Bayer it was an early observance and was a complete surprise with the attendance of all her children and grandchildren and a shower of gifts. The twins also received birthday gifts.

Present for the noon dinner were Mrs. Bayer, Mr. and Mrs. Raymond Sandmann and Tony Bayer of Lindsay, and the little girls' other grandparents Mr. and Mrs. Joe Swirczynski. Centerpiece for the table was a decorated cake.

Coming in the afternoon with covered dishes for supper to join this group were Mr. and Mrs. Robert Bayer, Mr. and Mrs. Frank Bayer and Mr. and Mrs. Frank Sandmann and their families, all of Lindsay, Mr. and Mrs. Lambert Bayer and children of Gainesville, Mr. and Mrs. Carl Bayer and three daughters of Fort Worth and Mr. and Mrs. Ferd Luttmner and children.

Pictures were made of the honorees, of the group and of party scenes.

### Loretta Bayer Will Wed Charles Davis

Mr. and Mrs. Al Bayer of Gainesville, formerly of Muenster, have announced the engagement and approaching marriage of their daughter Loretta to Charles Delbert Davis, DVM, son of Mr. and Mrs. Charlie B. Davis of Gainesville.

The ceremony is planned for the evening of Tuesday, Nov. 12, in St. Mary's church with the pastor, Rev. E. J. Gerlich, officiating.

The young couple has asked Lanette Bayer, sister of the bride-elect, Yvonne Loerwald, Cynthia Davis, Louis Schneiderman and Kenneth Homer to be attendants.

Dr. Davis is at present stationed at Fort Knox, Ky., where he is attending officers training with the U. S. Army and after which he will be commissioned a second lieutenant. He is a graduate of Gainesville High School and Texas A&M College, 1957 class.

Miss Bayer is a graduate of Gainesville High School.

### PROSIT!

"The numbers of dairy farms, the numbers of dairy cows, and the numbers of dairy herds are all decreasing," C. Raymond Brock, president of the Milk Industry Foundation told the opening session of the Foundation's 50th annual convention in San Francisco. "Conversely," he continued, "the average herd size and production per cow are continuing to increase. All of these things are evidence of increasing efficiency in the production of milk on the dairy farm. Generally, they go hand-in-hand with

improvements in the dairy farmer's economic condition. Prices received by dairy farmers also are continuing their upward trend."

And just in case any mere consumer is alarmed at these words, Mr. Brock notes that while the "face-value" price of milk has increased over the years, the "real" price — which is the labor given in exchange — continues to drop. "In 1890," he said, "the average US factory worker had to work for 26 minutes to earn the retail price of a quart of milk. Today, he has to work only seven minutes. Within ten years, I believe this real price will drop below five minutes, as our industry continues to introduce more efficient machines and methods."

milk producers and milk dealers to continue their efforts for greater efficiency, Mr. Brock reported that in 1956, "for the first time in US history," the American public spent over \$10 billion for dairy foods. Of this healthy sum, 64 percent was spent for fluid milk, and per capita consumption has increased still further this year. In fact, he said, that "milk surplus" has been reduced 25 percent in the past two years — and would be wiped out if every American drank just an ounce-and-a-half more of the stuff every day.

All in all, we think Mr. Brock made out a good case — for the dairy farmer, for the milk processing and distribution industry, and for the virtues of efficiency. If his boys can pay the farmer more and more and furnish the rest of us with more and more milk in exchange for less and less of our time-on-the-job, there must be something to these "better methods." The least we can do is drink to their health — and ours — in you-know-what.

### A STRANGE INCONSISTENCY

Not in living memory has there been so much agitation over civil rights as there is now. Yet, as David Lawrence points out in one of his columns, "strange inconsistencies emerge." For instance, two Senators suggested that President Eisenhower should "personally take those colored children by the hand and lead them into school" at Little Rock. "But," says Mr. Lawrence, "did any of the so-called liberals ever suggest or would they venture to recommend that the president take workmen by the hand and lead them into plants and factories where their right to work — a basic constitutional right — is denied them?"

In major industry today no man can hold a job and earn a living unless he joins and pays dues to a union. It makes no

difference whether he wants to join or not. It makes no difference whether he agrees or disagrees with the policies and actions of the union. It makes no difference whether he regards the leaders and officers of the union as good men or as scoundrels. Whatever the case, the union has an absolute monopoly power to compel obedience, on pain of discharge and unemployment.

The right to work is as basic as any right — free speech, freedom of assembly, equality under the law, or the others. Without the right to work, the force of all the other rights are diminished. When will the right to "join or not join" be established once and for all and the union's power to enforce a variant of involuntary servitude on labor be ended?

### WORRY TABLE

Some careful observer of life has constructed a "Worry Table." He has classified various types of worries, and through considerable research has determined which are most popular among the large number of professional worriers:

1. Worry about disasters which, as later events proved, never happened — 40 percent.
2. Worry about decisions in the past that cannot be recalled or remedied — 30 percent.
3. Worry about possible sickness that never came — 12 percent.
4. Worries about children and friends — 10 percent.
5. Worries that have a real foundation — 8 percent.

## Rock 'N Roll ; Victim Or Villain

By John J. Kirvan, staff-writer, Paulist Feature Service

ROCK 'N ROLL continues to leave the nation "all shook up." So do juvenile delinquents. And many Americans would like to blame the music for the delinquency.

Are they right?

You've seen the headlines that read: "Rock 'n Rollers Riot." You know all about the teen-age gangs who tear up theater seats, smash windows and maul each other to the accompaniment of a Rock 'n Roll band.

FEW HAVE delusions about the music itself. It is primitive, even barbaric. In lyrics, melody and arrangement

Elvis

there is a total lack of imagination. Much of it lacks every vestige of good taste.

But all this proves is that Rock 'n Roll is providing the musical background, not a cause or even an excuse for today's delinquency.

NO ONE really believes that switch knives will disappear when the last Rock 'n Roll tune drops from the hit parade.

But a lot of people would like to believe it. They embrace the theory, that to solve a problem you look for a "bad guy." And as the delinquency statistics mount, the "bad guy" of a national tragedy has become Rock 'n Roll music.

A headline-frightened public is

beginning to think that if you smash enough records you can solve the delinquency problem. It would be nice if we could solve a vastly complicated social problem in this simple fashion. Life would be simpler. But social problems never come phrased as easy yes-or-no propositions.

IF YOU BLAME delinquency on Rock 'n Roll you are going to have to ignore millions of America's finest youngsters sitting at home listening to a Pat Boone record, or dancing to other moderate Rock 'n Roll artists. These good kids will listen to this music and never once be tempted to start a riot. If they are not already in the market for gang warfare, Rock 'n Roll isn't going to put them there.

To beat the delinquency sickness, America is going to have to examine its conscience, not its hit parade.

Delinquency is riding through America on the crest of a nation's flight from God. Broken families are spawning it. Homes empty of religion, and ignorant of the personality and teachings of Christ are spreading it. Children with no reason for being good are turning out bad.

IN A YEAR Rock 'n Roll will have gone to the Limbo of forgotten fads. But unless God is given His due, delinquency will still be thriving.

Elizabeth's ever-smiling face and gracious manner proved a boon to relations between the two English-speaking nations.

**County Farm Bureau  
Has Policy Meeting**

About 50 Cooke County Farm Bureau members and their families attended the annual Policy Development meeting in the community center building at Gainesville.

Highlights of the meeting were presentation and adoption of resolutions and the election of officers for another term. Melvin Dansby of Bowie, field director of District 4, was guest speaker and a social hour of table games and refreshments followed adjournment.

Mr. Dansby, speaking on subjects pertaining to agriculture said Brucellosis is a health problem and must be eliminated. If the farmers and ranchers don't set up a program for its elimination, someone will do it for them. Some counties have programs whereby free vaccine is obtained to vaccinate heifer calves. Dansby also said the General Sales Tax is going to be a hot issue at the State Convention.

Leroy Hay, chairman of the resolutions committee, presented resolutions which were adopted.

Joe B. Hundt presided for the meeting and Ben Davis, chairman of the nominating committee, presented candidates who were elected by acclamation.

Mr. Hundt was reelected president, L. G. Gentle, first vice president; Tony Reiter, second vice president. Hundt, Gentle, John Popp and R. B. Durham were elected delegates to the state convention in Dallas Nov. 17-20. Alternates are Paul Fisher, Frank Neu, Keith Kemplin and Walter Nortman.

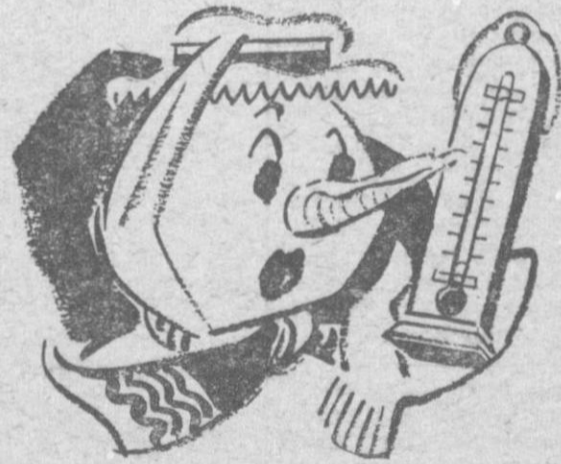

Mmes. Joe Hundt, J. C. Russell and Joe Wyatt served doughnuts and drinks.

Neil Tibbets, county agent, opened the session and gave the invocation.

**SOIL CONSERVATION  
DISTRICT NEWS**

**OUR SOIL ★ OUR STRENGTH**

Cold weather and heavy frost have dashed hopes of what looked like a bumper crop of grass seed in the Muenster area. King Ranch Bluestem and most of the native tall grasses in this area needed another week or two of growing weather to properly mature the seed.

Nearly all the grasses had made some seed but the amount of mature seed was too small to pay harvesting costs. The frost caught the Bluestem crop in all stages of development, but most of the seed heads had never made a good fill.

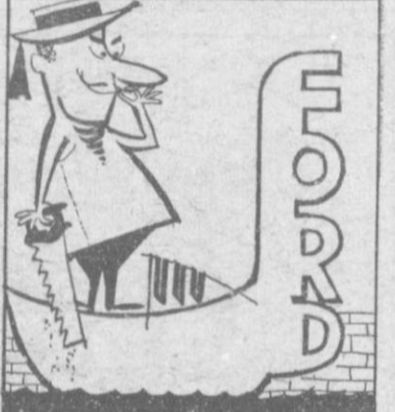

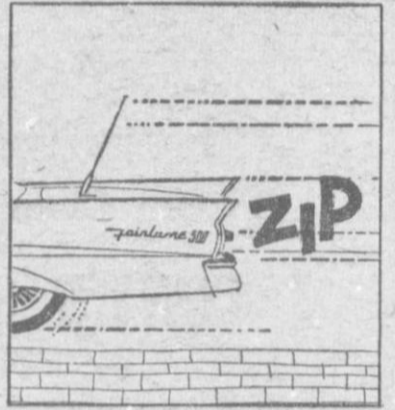

An inspection last Monday of several plantings of KR by Soil Conservation Service personnel at Muenster failed to find any plots worth harvesting. In the native grasses, Indian Grass, Switch grass and Sideoats Grama produced the most mature seed, but even this was not considered heavy enough to harvest.

The early freeze wiped out a grass crop that was badly needed in this area for re-vegetation

work on areas subject to soil erosion and for grasslands damaged by drought and over-grazing.

Waterways or grass strips to provide safe outlet areas for terraces and for stream bank control along drains are still being planned by cooperators of the Upper Elm-Red district. Boundaries of waterways have recently been laid off by C. O. Taylor on his farm south of Muenster and by Jim Christian near Rosston. In both cases the wide grass strips will border drainage ditches through the field and will serve both as pasture strips and as a safe drainage way for water. The waterways will be planted to Bermuda grass next spring.

Father Patrick Hannon was in Muenster the past Wednesday and drove back to Fort Worth in a new Ford Fairlane 500 town sedan he bought at Endres Motor Company for St. Mary's parish where he is pastor since leaving Sacred Heart parish.

Mr. and Mrs. Joe Linn had as weekend guests his sister and her husband, Mr. and Mrs. W. B. Parker of Dallas. The Linn's also have a letter from their son Robert of Los Angeles, Calif., telling that he has recovered from injuries received in a recent car wreck and is back at work. His daughter Sharon, 6, who was in the car at the time of the accident was not hurt. She received only a minor cut.

Mrs. Al Schad and daughter Margaret Mary spent the weekend in Dallas with their daughter and sister Clarice Schad.

Mr. and Mrs. Charlie Stelzer of Fort Worth were here Sunday

to visit relatives and were dinner guests in the L. A. Berneuer home.

Sunday dinner guests in the home of Mr. and Mrs. R. P. Cain were her sisters and their families: Mr. and Mrs. Bill Hardison and two children of Montague and Mr. and Mrs. Grady Richey and three children of Irving.

Joe Henry and Clyde Edward Streng, sons of Mr. and Mrs. Joe Streng who are here from Modesto, Calif., for an indefinite stay while his father Henry Streng is ill, have enrolled as sophomore students at Sacred Heart High school.

Mr. and Mrs. Henry Weinzapfel and son of Whitesboro visited here Sunday with their families.

Mr. and Mrs. Gene Owen and children Paula and Harold of Jacksboro spent the weekend visiting his parents the Clarence Owens here and her mother Mrs. Ruth Dodson in Gainesville. Mrs. Dodson had just returned from California where she spent the summer with a daughter. Monday the Owens learned by telephone that Gene was in Jacksboro hospital receiving treatment for influenza.

Mr. and Mrs. Ben Luke and Mr. and Mrs. R. N. Fette and sons David and Dan spent the weekend in San Antonio with Mr. and Mrs. Charles Denny and family. The Denny's' second daughter, Sharon, made her First Communion Sunday. It was also her birthday. Mr. and Mrs. Fette are her godparents. After Sunday mass Sharon was honored at a Communion breakfast in the Denny home. The evening before a dinner party observed her seventh birthday.

### Birthday Surprise Greets Mrs. Mayer

The home of Mr. and Mrs. Earle Otto was the scene Sunday of a dinner party honoring her sister Mrs. Billy Mayer of Pilot Point in observance of her birthday.

The celebration with its dinner, decorated cake and birthday gifts came as a complete surprise to Mrs. Mayer, who with her husband had come to Muenster to spend the day with relatives.

Other guests were Mr. and Mrs. Allen Hoffman of Windthorst and Mr. and Mrs. Frank Trubebach.

### Johnny Jones Has Party on Birthday

Mrs. D. C. Jones was hostess, her son Johnny was the honoree and 14 youngsters were guests at a gala party Monday afternoon at the family home. Johnny, five years old, was celebrating his birthday.

Halloween decorations adorned the party room and refreshments were ice cream and a pumpkin cake topped with five candles. Johnny displayed birthday gifts and everyone enjoyed party favors of Halloween noise makers and balloons.

Della Hartman assisted Mrs. Jones with party plans. Mothers present were Mmes. W. R. Lindsay, Leonard Owen, Charles Davidson and Jim Caddell.

Young guests were Verlaine and Colleen Lindsay, Linda and Jeannine Owen, Rickey Ramsey, Paul and Terry Hoedebeck, Steve Caddell, Don and John Schneider, Becky and Barbara Davidson, Patsy Hartman and Kathy Jones, sister of the honoree.

Archeologists have found ivory figurines from ancient Babylonia that have survived for 2,700 years. One thing this proves is that Babylonian children weren't allowed to play in the living room.

**FROM WHENCE THEY CAME**—Back to the sea, some 2,500 pounds of cultured pearls roll down a chute into Tokyo Bay as Pearl Queen Sara Saiga (wearing crown) and the "Misses Pearls" look on. The pearls, considered too low-grade to market, even though their value is about \$47,200, were dumped to maintain the high quality of the Japanese pearl industry. Buddhist priests prayed for the "eternal peaceful rest" of the pearls as they dropped into the deep.

### Halloween Carnival Is School Benefit

Ghosts, goblins and spoons were the order of the afternoon Sunday when the parochial school roommothers sponsored the annual Halloween Carnival. A benefit event, it cleared about \$650.

A kiddies costume contest and a talent show were added attractions to the usual bazaar features, games, eats and drinks.

Judges in the costume contest were Mrs. Vincent Zimmerer of Lindsay, Mrs. Ray Tempel of Gainesville and Mrs. Clem Reiter. They presented in review on the parish hall stage some 60 children and handed awards to two winners in three groups according to age.

In the first group Monica Yosten, a pre-schooler, was first representing an angel and Debbie Cler won the other prize. She was in an old witch's costume. In the next group Gloria Reiter was winner as a fairy and Debbie Fette as a hobo, and in the third group Kathy Voth won as a flower and Linda Fette as a colored girl.

About 50 students participated in the talent show in which three awards were made. A group of third graders came out first with their enactment of the nursery rhyme, "The Gingham Dog and the Calico Cat," Carol Henscheid was second for a

piano selection, and a trio John Henry Streng, Kenny Stormer and Dianne Shumaker won third. They danced a Texas Schottische. Judges in this contest were Mmes. Earle Otto, Dan Luke and Steve Mosler.

### ANNIVERSARY DINNER

Mr. and Mrs. Clyde Fisher entertained in their home Sunday with a one o'clock dinner observing the 29th wedding anniversary of his parents, Mr. and Mrs. John Fisher. The hosts presented the honorees a gift. Members of both families were present and Joe Fisher Sr. and Pat Fisher were also guests.

Dr. and Mrs. Monte Hellman of Dallas had a week's vacation and spent it on a trip to Milwaukee, Wis., where they attended the Marquette-TCU football game and visited Monte's sister, Gretchen Hellman, who is a student nurse there. They also visited their uncle Dr. Hugo Hellman and family and stopped for an overnight visit with their aunt, Mrs. Vincent Baker and family in Chicago. Before going, they visited their families here.

Mrs. Lucy Jensen has written her sister, Mrs. J. M. Weinzappel, that she is back at her home in Canon City, Colo., and for the first time since February 1956 is able to get around al-

most as well as before she broke a hip 20 months ago. She had been in Kansas City, Mo., where her children live and underwent hip surgery there. She plans to return to Kansas City in about six weeks.

Jimmy Hellman and Don Wilson have returned home after working in Farmington, N.M., the past five months on an oil rig. They are sons of the Clarence Hellmans and Nig Wilsons.

Mr. and Mrs. William Koerner and five children of Pilot Point spent Sunday with her parents and family, the Frank Bindels.

LaVerna and Georgia Ann Owen of Fort Worth came home for a weekend visit with their parents, Mr. and Mrs. Gary Hess and Mr. and Mrs. Ray Owen.

Mrs. Ray Evans and Mrs. Ervin Hamric were in Dallas Sunday and Monday attending the Easter fashion market.

Leo Hess of the Naval Training Station in Norman, Okla., spent a weekend pass here with his parents, Mr. and Mrs. Albert Hess and family.

Gilbert Bindel and Alvin Fleitman who work in Fort Worth were weekend visitors with their parents, the Frank Bindels and John Fleitmans.

Mrs. Carl Gimple of Valley View and her daughter Mrs. Kenneth Mitchell of Gainesville are visiting their daughter and sister, Mrs. Frank Swan and family in Lexington Park, Maryland. They made the trip by plane, leaving Friday from the Dallas airport.

Lambert Bezner is representing the First State Bank of Gainesville at an agricultural relations conference for business and industry at Texas A&M College this week.

Rev. H. A. Lamance, county missionary, and Rev. Robert Bur-

nett, both of Bells, Texas, conducted services at the Shiloh Baptist church Sunday and were guests of Jim Walker and his mother, Mrs. Ada Walker.

Mrs. C. D. McClaffin of Fort Worth spent Sunday with her mother Mrs. Charles Cler and her sister Gertrude. The visit permitted her to see her cousin Ike Cler before he returned to Terrehaute, Ind. He and Mr. and Mrs. Tony Kleiss of Villa Grove, Ill., who visited relatives here for two weeks, started their homeward drive Monday.

Mr. and Mrs. Ben Knabe and her father August Sprengel of Pilot Point spent Sunday with the Albert A. Knabe family and also visited Ben's parents, the Gus Knabes.

Rev. Joseph Weinzappel and his sister Mary Weinzappel of Dallas were here Saturday for a short visit with their parents, Mr. and Mrs. J. M. Weinzappel.

Mrs. H. J. Fuhrman had a birthday surprise when her sisters, Mrs. John Bezner of Lindsay and Mrs. Carl Gimple and Mr. Gimple of Valley View came over to spend the day with her. They brought the makings of a birthday dinner with them.

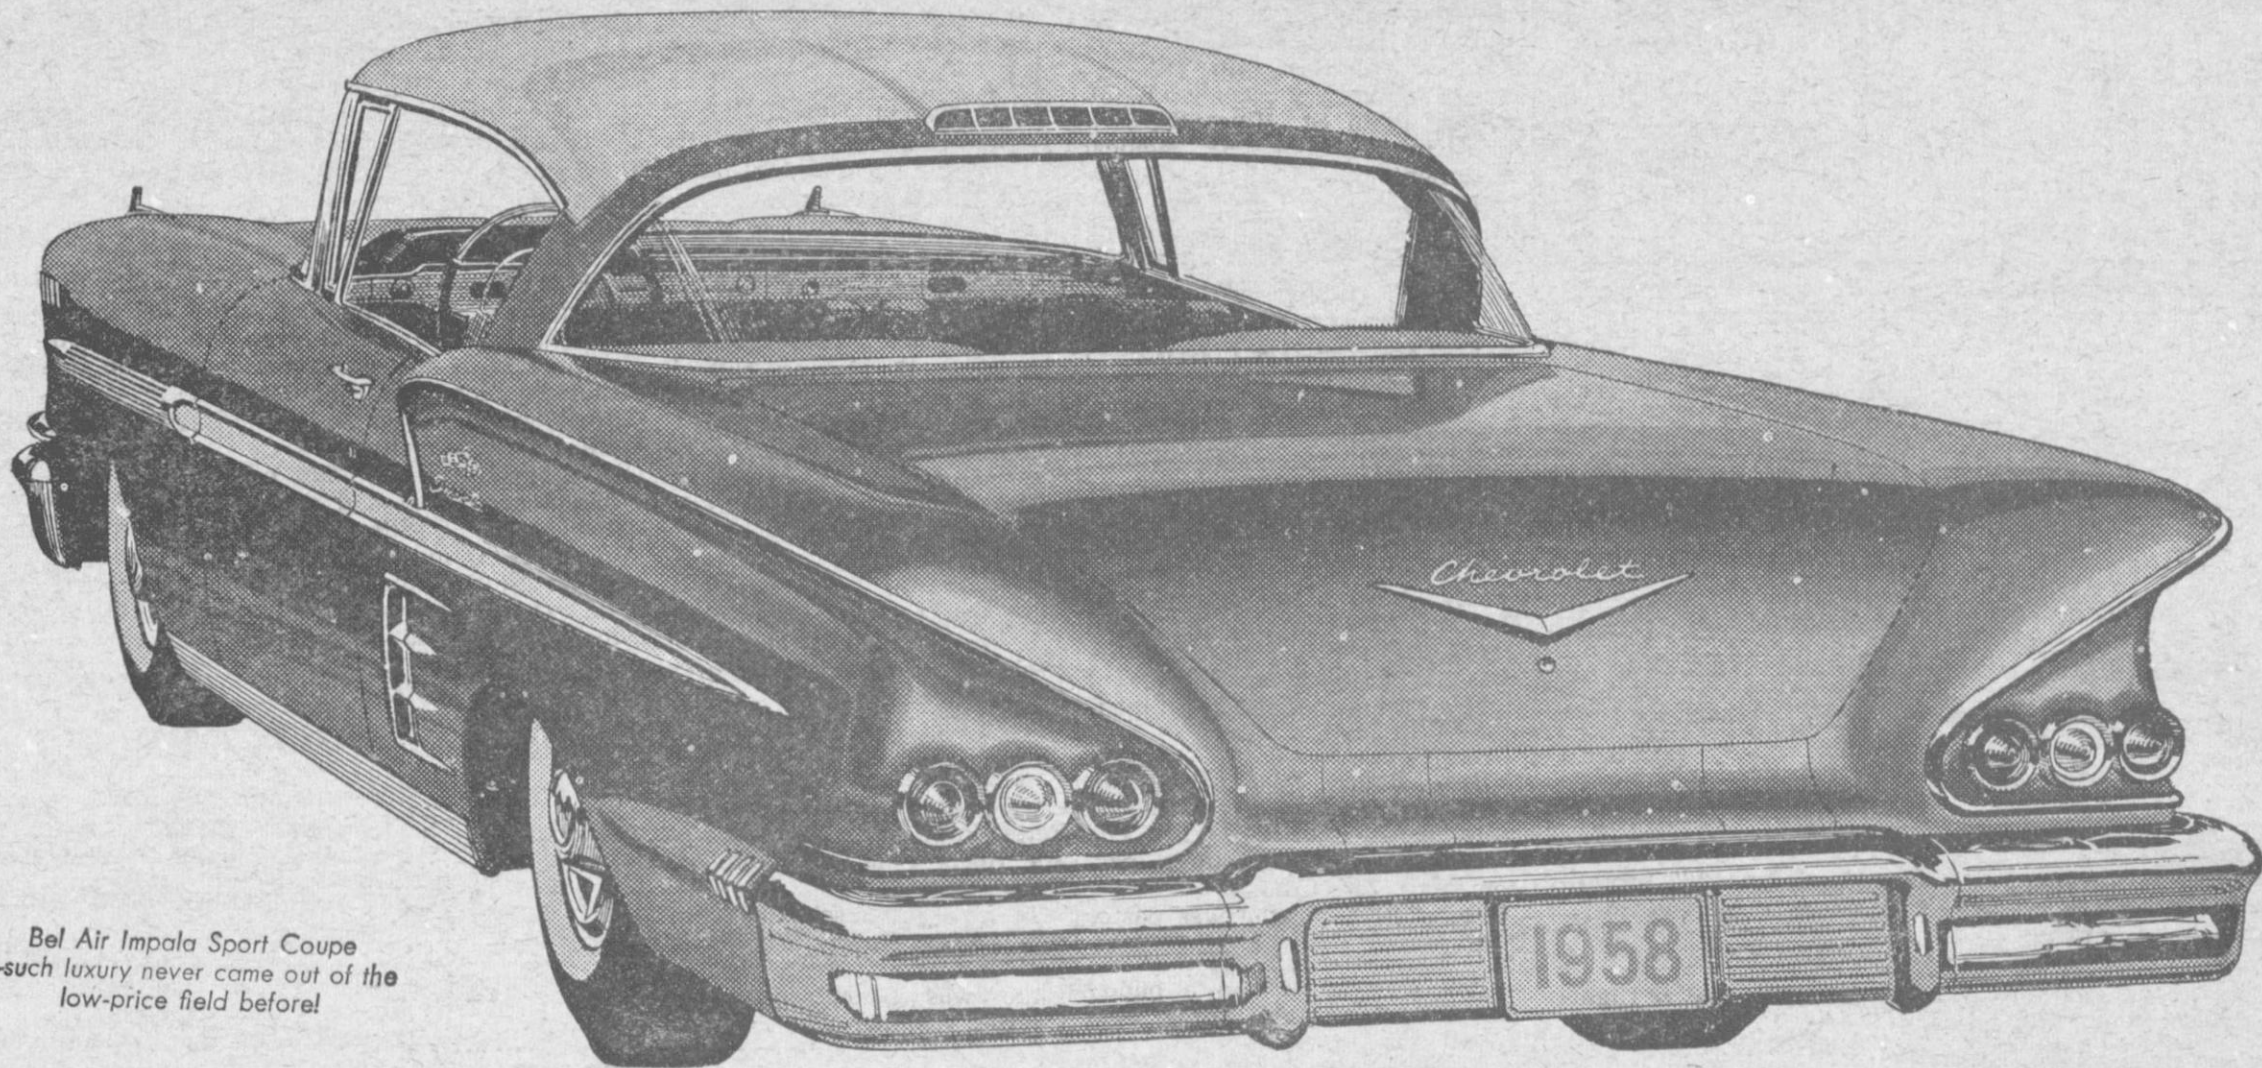

Mary McGannon returned to work in Dallas Monday after a two-week vacation with her parents, Mr. and Mrs. Edd McGannon and her sister Kathleen. Mr. McGannon was on vacation, too, and the family drove to Dallas to visit and to attend the Fair. Mr. McGannon also went to Clarks, La., to visit Eddie McGannon who is in school there.

Mrs. Ellen Cochran and daughter Mrs. J. E. Owens and son Billy had as weekend guests Mr. and Mrs. Clarence Adams of Telaquah, Okla., Mr. and Mrs. R. M. Adams of Seminole, Okla., and Mr. and Mrs. Thomas Adams of Davis, Okla. The men are Mrs. Cochran's sons.

Mrs. Anna Shelton of Denton was a dinner guest Sunday of her sister, Mrs. Joe Felderhoff, and visited other relatives of the Wieler families in the afternoon.

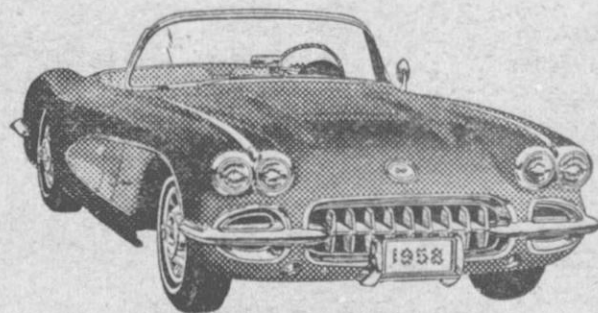

Mrs. Johnny Rohmer of Dallas spent the weekend here with her family.

**70 AT DANCING CLASS**  
About 70 members of Sacred Heart High school classes gathered at the parish hall last Thursday night for a dancing lesson. This will be a weekly event. Sister Carmelita who has made a name for herself teaching ballet and folk dancing to youngsters, is there again helping with routines. Assisting her are Sister Henrietta and Sister Barbara and Coach and Mrs. George Petrus. The young people got acquainted with the schottische, waltz, fox trot and square dance the first night. They swung their partners to recordings from a juke box.

**ARMY AVIATION**

Entirely distinct from the Air Force of the National Military Establishment is the United States Army's aircraft career field. This field chiefly involves light airplanes and helicopters, serving varied purposes. More prestige and status than ever go now to the enlisted specialists maintaining the Army's light fixed-wing aircraft and helicopters. This field offers an interesting career with ample opportunities for advancement. Although designed to meet specialized needs of the United States Army, the jobs in this field are easily convertible to comparable activities in civilian industry.

**New Amendments**

Texas Chamber of Commerce, South Texas Chamber of Commerce, Rio Grande Valley Chamber of Commerce, the AFL-CIO, and the Texas Manufacturers Association.

"Here is Texas' opportunity of a lifetime," the governor added. "Here at our finger tips is a potential \$600,000,000 for water projects to be paid out of revenues."

Texas' chief executive also cited the flood damages and the tremendous loss of lives and property that have resulted from uncontrolled waters.

"Why should Texans continue to suffer millions of dollars in property damage every year? Why should good water that can be used by cities, by industries and by agriculture be allowed to flow unrestricted off our rich lands and on into the Gulf of Mexico?"

"The recreational advantages that would follow the addition of more lakes and reservoirs naturally will be of interest to hunting and fishing enthusiasts as well as those who enjoy boating and other outdoor sports, but most important to the State are the financial aspects of the program. And they are vitally important," Daniel stated.

Then, as if to answer all questions, he summed up his remarks with the statement that "the water development amendment, which is third on the Nov. 5 ballot, is a once-in-a-lifetime opportunity for Texas and all

Texans to have what is greatly needed and without taxes. For this is a self-financing program that not only will pay itself out, but eventually may mean millions of dollars in revenue to the State."

While discussing the water amendment the Governor also tossed in his recommendations of the other two proposals appearing on the Nov. 5 ballot.

"It is my sincere hope," he concluded, "that Texas voters also will approve the two other proposals — the old age pension increase and the state employees retirement plan."

Daniel will make a statewide TV and radio broadcast on the night of Nov. 4 in support of all three amendments.

He will make a special broadcast to the aged citizens of Texas, in behalf of the old age pension measure on Friday afternoon, Nov. 1, and will urge all to go to the polls and cast their votes for all three amendments.

**NO FINGER-PRINTING** will be the rule for the bulk of our 500,000 overseas visitors, as decided by Messrs. Dulles and Brownell. This will include the Russians who have fussed about this identification, and Red Chinese newsmen (if it is decided to admit them.) But it probably makes little difference how many of them are saboteurs and spies now that the Supreme Court has made it virtually impossible to convict them anyway.

cases, also for irrigation. Meanwhile underground water will become more abundant, helping people who are far from the reservoirs. In a word, Texas will retain, control and use a larger percentage of its rain . . . instead of suffering with flood when it rains and with drought a few months later.

The chief objectives of the amendment, flood control and more plentiful water supply, are so important that the state must have them regardless of how voting goes next Tuesday. If this method does not get the voters' OK some other must be proposed. There's no question that the measure is that urgent. It isn't any longer a matter of whether Texas will control and have more water, but how it will do the job.

At this stage in the conference football race it becomes evident that the toughest foe in the entire loop is the influenza bug. Week after week, for the past month at least, the favorites of 10-B were reduced to weaklings and toppled by outfits that were not conceded to have a Chinaman's chance.

Another outstanding fact is that teams are puny not when they are overtaken by the bug but when they are recovering. They discover then that their energy and stamina is near zero.

Demonstration of that was clear in the Muenster, Valley and Alvord games. In the first Alvord was recovering and Muenster was getting sick. Score: Muenster 52, Alvord 0. Next Muenster was recovering and Valley View was going down. Valley View won 34-0. Finally, Valley View was recovering and Alvord was completely recovered. Alvord won 46-13.

Regardless of who gets the district trophy this year most every team is forced to admit that the real champs are the Influenza Bugs.

### Alfons Koesler Sr. -

the family moved to Muenster. He farmed north of town until about a year ago when he retired to the city.

Four of Mr. Koesler's brothers followed him to this country while his parents and one sister and one brother remained in Germany. The parents died shortly before world war II and his brother Franz died in Minnesota in June 1956.

Survivors are his wife; four sons, Rev. Leo Koesler, and Tony, Norbert and Alfons Jr. of Muenster; four daughters, Mrs. Tony Hermes of Lindsay; Mrs. J. D. Caplinger of Sherman, Sister Corrine of Moulton and Sister Mary Lin of San Antonio; 15 grandchildren; four brothers, Max of Vinita, Okla., Steve of Lubbock, F. X. of Haver, Mont., and Norbert in Germany and one sister Mrs. Mary Bayer in Germany.

Among out of town relatives at the funeral in addition to those from Lindsay and Gainesville were Mr. and Mrs. Max Koesler and Ann Lodes of Vinita, Mark Hermes of Subiaco, Mr. and Mrs. A. C. Flusche, Sister Theodore, Sister Veronica Marie, Sister Lydia, Mrs. Bernard Derichsweller, Mrs. Paul Devers and Mrs. Ewald Fuhrmann, all of Denison, Mary Curran of Dallas and Mrs. Alfred Hoedebeck of Irving.

of the field and were ready just before the period ended to cash in on the only pass interception of the night. Hamric grabbed it at about the 35 and got beautiful help in picking his way to the double stripe. Again he added an extra point bringing the half time count to 14-0.

Starting the second half the Hornets advanced from midfield to the 11 and fumbled, then claimed the ball on the 9 as Callisburg fumbled two plays later.

At that point the Wildcats braced and denied the Hornets their apparently cinch TD. The fourth attempt was stopped on the 1.

Again a short time later the Hornets recovered on the 15 and failed to gain in four tries. After the next series Callisburg booted and Hamric squirmed 20 yards back to the 25. Three plays reached the 11 and another drive ended with a fumble, this time on the 12.

The next slip-up, however, favored the Hornets. After an exchange of kicks Callisburg fumbled on the 9 and Muenster was set up for another score. For the next four plays Hamric took no chances with hand-offs. Instead he carried on four successive quarterback sneaks, the last for one yard. The attempt for extra point failed and the count stood at 20-0.

Following that TD Callisburg made its best drive of the game. After returning the kickoff 14 yards to their 41 the Wildcats advanced 34 yards to the Hornet 25, making their only two successive first downs of the game.

### Juniors Lose 13-0 To Callisburg Kids

Football hopes for the public school Juniors got a setback last Thursday night as the youngsters went down 13-0 before Callisburg's Kittens. The loss was the second in 10-B junior conference play and practically eliminates the Muenster kids from the race.

One sensational run in the first half and command of the field during the second half gave the visiting boys their win.

First Muenster seemed TD bound but the drive failed by only a foot as Callisburg made a goal line stand. Two plays later a Callisburg kid broke away for a 98 yard scoring run.

Later in the first half Muenster was moving but ran out of time.

In the next half the visitors were the strong boys and spent most of the last quarter on a steady drive to the goal.

A game scheduled with Saint Jo kids for Tuesday night was postponed because of flu at Saint Jo. The new date is next week Thursday.

Other games on the Pee Wee schedule are Valley View there on Thursday, the 31st, and Alvord here next Tuesday.

### Tigers Win - - -

Cowboy 43 the Tigers used 4 plays in reaching the line. Charles Bayer went over and Hartman sneaked for an extra point.

A Cowboy fumble on the 35 started things rolling again. That drive took 8 plays, the last being a 7 yard scoot by Mollenkopf.

Next Ryan advanced for two first downs but fumbled and allowed the Tigers to get back in business on their 48. Then came the two completed passes of the contest. Mollenkopf to Pat Hess was good for 27 and a screen pass, Hartman to Mollenkopf, finished the distance just before the half ended. The count then was 25-12.

A freak kickoff starting the second half got the Tigers on their way again. It was high against a strong wind and bounced just right for the Tigers to cover it on the Ryan 45. From there on it was the usual procedure. On the seventh play

Grewing made the last 2 and Mollenkopf scooted around end for another point.

Back on offense Ryan failed to gain in its first series and lost a fourth down gamble. That put Sacred Heart in possession with 35 yards to go. Five plays did it again, Wimmer going around end for the last 4. Hartman added a point with a quarterback sneak.

Then it was Ryan's turn and the Cowboys promptly scored two TDs of their own. The first completed a 70 yard drive and the second followed Sacred Heart's fumble on the 18.

Following the next kickoff the Tigers put on another quickie. Three plays gained 19 to the Ryan 42 where Mollenkopf took off on a magnificent weaving and squirming jaunt. He seemed to evade every Cowboy on the field, and some twice, before reaching the double stripe and setting the score at 45-25.

normally should have more power and talent.

As regards 10-B District standings the game rates only as a practice session. Meanwhile other members of the loop will be battling it out in three games which will make or break title hopes of the season.

Saint Jo, still with a perfect record faces Alvord which suddenly looms as a power of the district despite two early losses. Considering reports early this week of flu at Saint Jo that game could be a real toughie for the Panthers. Alvord is fully recovered after its epidemic.

Era, with only one loss, will be playing Callisburg and Valley View, also with one loss, will play Sanger. Each of those two will be straining to avoid another loss and possibly be in line for title honors if Saint Jo should be dumped.

Results of last week's games were Muenster 20, Callisburg 0; Alvord 46, Valley View 13; Saint Jo 38, Era 0. Sanger had an open date.

### SH Cubs Lose 13-6 To Gainesville Kids

With a season record of 3 wins and 3 losses the Sacred Heart Cubs closed their '57 football schedule Sunday afternoon. Playing the Saint Mary's Mustangs in Leeper Stadium they went down by a count of 13-6.

The Cubs started the tussle with a bang, moving to a TD minutes after the game started. But then the Gainesville kids started operating and scored a couple of quickies on runs of 45 and 40 yards. From then on the contest was a defensive battle, neither team allowing the other to make any headway.
