**Jean Wieler Wins Homemaker Award**

The Betty Crocker Homemaker of Tomorrow in Muenster Public School is Jean Wieler.

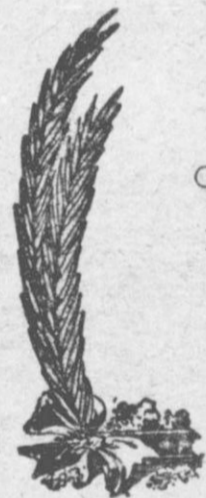

She received the highest score in a written examination on homemaking knowledge and attitudes, administered Dec. 3, to girls in the graduating class. Her examination paper will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, she will receive an award pin designed by Trifari of New York. The achievement will also be very helpful toward attaining a state FHA degree, on which Miss Wieler is working.

The national winner in the fourth annual Betty Crocker Search conducted among 327,000 young women in 11,800 of the nation's public, private and parochial high schools will be named April 17 at a banquet in the Waldorf-Astoria Hotel in New York City.

General Mills is sponsor of the program designed to assist schools in education for home and family living. This year's huge entry brings the four-year participation over the million mark. A total of 1,071,000 girls has enrolled in this national homemaking project since it was launched in 1955. A total of \$106,000 in scholarships will be awarded this year.

Each State Betty Crocker Homemaker of Tomorrow will receive a \$1,500 scholarship and an educational trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and New York City. A \$500 scholarship will be awarded the second ranking girl in each state. The school of the state winner will receive a set of the Encyclopaedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to \$5,000. Girls who rank second, third and fourth in the nation will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

**50-Year Members of St. Anne's Society Honored Sunday**

Rainfall Sunday didn't dampen the spirits or enthusiasm of more than one hundred members of St. Anne's Society who attended the 8 o'clock mass in Sacred Heart church and a communion breakfast afterwards.

The social event, held in the parish hall, honored 50-year members. Nine of the 14 still active half-century members were present.

The honorees and society officers and the Rev. Fathers Louis and Bruno were seated at the main table where the centerpiece was white chrysanthemums encircling a statue of St. Anne, patron of the organization.

As each honoree was seated she received a gold carnation which Mrs. Alvin Hartman pinned on. Officers were also remembered with a gold carnation.

The centerpiece was arranged by Mrs. Nick Miller and the carnations were gifts from Mr. and Mrs. Miller.

Speakers were Father Louis and Father Bruno and Mrs. Victor Hartman, president of the society. Father Bruno gave the invocation.

The 50-year members present were Mmes. Joe Walterscheid, John Walter, C. J. Wimmer, Fred Hoedebeck, I. A. Schoech, Frances Binz, Joe Otto, John Fette and Joe Swirczynski. Mrs. Ben Hellman who had planned to attend entered Gainesville Sanitarium for medical care Saturday. Mrs. Barney Voth was confined to her home on account of illness and Mrs. J. S. Horn was out of town. Mrs. W. M. Trubenbach and Mrs. Henry Fette also were unable to attend.

The breakfast was prepared by Mmes. John Kathman, Bill Becker, John Grewing and Joe Bayer of the organization's social committee and was served by Sacred Heart High school girls.

**Local News BRIEFS**

Seniors of Sacred Heart High had their pictures taken Monday. These photographs will be used in the school annual Cordis and in student exchange for memory books.

Mr. and Mrs. Al Haverkamp and daughter Joyce were in Denton Sunday to visit their daughter and family, the David Forgeys, and made the acquaintance of infant Gretchen Forgey who was four days old.

Mr. and Mrs. W. E. Scott and daughter Marilyn and Mr. and Mrs. Tony Hoening were in Dallas Sunday attending a hardware show and bought gift items for the store here. Wednesday Mr. and Mrs. Scott returned to Dallas to attend the mid-winter Southwest Furniture Market at Fair Park.

Mrs. H. H. Homsley and members of the Future Homemakers of America of MHS will attend a style show in Denton Thursday night. A department store there is presenting the show featuring "Seventeen" Fashions by the Yard.

**BANQUET DATE SET**

**Don Schneider Has Party on Birthday**

Don Schneider's seventh birthday provided the occasion for a jolly party for 12 youngsters Sunday at the home of his parents, Mr. and Mrs. Ed Schneider.

Indoor games, gifts for the honoree, favors of Valentine candy hearts and balloons and refreshments of birthday cake, ice cream and punch were party highlights. Mrs. Donald Endres assisted Mrs. Schneider with hostess duties and the honor guest's grandmother, Mrs. Al Walterscheid, was a special guest.

Mr. and Mrs. Walterscheid were both present for Don's birthday dinner at noon.

**SH Lettermen Get Football Jackets**

First year lettermen of Sacred Heart High's Tiger squad were receiving admiring glances this week. The eight boys were displaying their new football jackets. They're the traditional red with white leather trim at shoulders and red and white monogram.

Proud owners are Herman Grewing, Leon Fuhrmann, Pat Hess, Roy Swirczynski, Bobby Walterscheid, Werner Becker, Charles Bayer and Leonard Haverkamp, and Coach George Petrus.

Six senior boys who previously received jackets have earned blankets this year for their letters. This group is Sonny Walterscheid, Bernard Hesse, Gerald Hess, Leonard Bayer, Howard Mollenkopf and Gene Hartman. Tim Wimmer, the only two-year letterman, received a sweater.

**Saint Jo Wallops Muenster Hi Cagers**

Hard times for the Muenster High basketballers continued through another twin bill last Friday night as the teams went down by decisive counts before their visitors from Saint Jo.

In the curtain raiser the conference leading Saint Jo girls were up to their usual standard in spreading their margin steadily for an eventual 56-31 win. Steadham of Saint Jo led the scoring with a sizzling 30 while Wieler of Muenster and Busby of Saint Jo shared the runner-up honor with 18 each.

The boys' game was more of the same... as well as a repetition of Muenster's playing style in previous games. The Hornets did a fair job at ball handling but fizzled on shooting accuracy for a loss of 58-34. Harris hit 16 but the next high were Hamric and Hammer with 6 each. Meanwhile Saint Jo's Kite made 18, J. Williams 13 and W. Williams 14.

**Valentine Festival Plans Made at MHS**

Muenster Public school students are busy with plans for their Valentine Festival... the event that replaces the usual Halloween Carnival which was not held last October on account of conflicting activity.

There'll be two Valentine Queens, one from the high school and one from the grades, and now queen candidates are soliciting votes to win the crown. There are 12 candidates, one from each of the grades.

The Valentine party will be held on the night of Feb. 14 and will feature carnival attractions and the announcement of the Valentine Queens. On the follow-

ing night the queens will be crowned in regal ceremonies and entertainment will be short plays, drama and comedy.

While Rev. and Mrs. Robert May of Dallas were in Marysville for the weekend they were hosts for a missionary meeting at the parsonage. Mrs. May gave a reading on "The Cross and Crisis in Japan." Rev. May made several recordings of sacred songs by Paula and Sandra Shaw and two by the group and played them back. He also played other recordings of conversations at meetings last summer. Twelve members were present and brought covered dishes for a supper in connection with the meeting.

## THE FAILURES OF COMMUNISM

What has communism accomplished? A terse and compelling answer to that question is provided by the distinguished historian and teacher Russell Kirk, in his new book, "The American Cause," which the Chicago firm of Regnery has published.

Mr. Kirk states: "Although the Communists have preached brotherhood, in practice they have murdered many millions of innocent people. Although the Communists have praised absolute equality they have established absolute despotism. Although the Communists have aped Christian charity in words, they have resorted to theft and confiscation in actuality. Although the Communists have promised Utopia, they have delivered whole nations to mortal torment. Although they have talked unendingly of peace, they have thrived by war."

Communism is a philosophy of pure materialism. Yet Communism in practice has miserably failed to better the material living standards of the people. An article in U. S. News & World Report tells this story. It takes

a Russian factory worker 306 hours and 35 minutes to earn enough money to buy himself a suit — the American factory worker can earn the suit in 22 hours and 9 minutes. It takes that Russian worker 19 minutes to earn the price of a cake of soap, as against 3 minutes for the American. It takes the Russian 3 hours and 23 minutes to make enough to buy a pound of butter; in our factories the figure is 21 minutes. So it goes, down the roster of practically everything in ordinary use.

In terms of human values and betterment, Communism has been not only a failure but a ruthless despoiler.

## OIL'S BIGGEST CUSTOMER

Question: Who's the oil industry's biggest customer? Answer: The U. S. farmer.

According to a magazine published by the Ohio Oil Company, he uses more petroleum power in one way and another than all the rest of our industries combined. And he buys 16.6 per cent of all oil products sold in this country.

Oil serves agriculture in a multitude of diverse fashions. It drives the millions of farm trucks and passenger cars. It has provided better protection for orchards, grazing and erosion control. It powers and lubricates the machines used in modern forestry. It makes possible the operation of that great symbol of the agricultural revolution, the tractor, along with all the other mechanized farm equipment. Wherever you look on today's farms, you find oil at work. And, oddly enough, agriculture has provided a lubricant for the oil business. A product made from Douglas fir bark is used in well drilling.

Here's an excellent example of the interdependence of American enterprise. Without oil, obviously, the farmer would revert to the conditions of past centuries. Tens of millions of people would work from dawn to dusk at back-breaking tasks just to provide us with food. And without the farm market, the oil industry would be deep in the doldrums. Our American economy is a two-way street.

Be not simply good . . . be good for something. —Thoreau

## Income Tax Forms Will Follow You

WASHINGTON — You'll be glad to know that your ol' Uncle Sam hasn't forgotten you — he's at work right now making sure you get your income tax forms after the start of the new year. And that's no easy task. It takes about 300 freight carloads of paper just to print up the necessary half billion or so forms of one kind and another. These have to be shipped to all corners of the country, and dropped into your mailbox starting Jan. 2.

If you are one of the 60 million who filed an individual income tax return last year you're down in Uncle Sam's little black address book for good. He has you listed by name, address, and whether you filed as an ordinary wage-earner, a farmer, a businessman or a self-employed person.

All this information is assembled at the regional distribution centers at Lawrence, Mass.; Kansas City, Mo.; and Ogden, Utah. Here the Internal Revenue Service makes up a little package especially for you, containing duplicates of the type of form you used last year and instructions. A name and address label is attached and the package is ready for mailing.

If you have moved since you last filed a return, don't fret about it. The Post Office Department will see to it that your package is forwarded.

If, for any reason, you didn't file a return last year, it's up to you to contact the nearest district director's office — in person or by mail — and get the

**HE QUIT** — John Gates, 44, holds one of the last copies of the Daily Worker, the New York Communist newspaper which has ceased publication due to financial difficulties and an ideological split with the party. Gates, Worker editor for 10 years and a party member for 27, quit the Communists "to rejoin the American people." He estimated active membership of the U.S. party at only 7,000 and called it "a futile and impotent political sect."

## Religion - An Important Part of Teen-Age Life

By Enid A. Haupt, editor and publisher of SEVENTEEN magazine

IN ALL the history of our country, there has never been less cause for alarm about our young people, more reason for buoyant hope. Our teen-agers constitute the best generation America has produced—in bodily health, in moral integrity, in spiritual strength.

Alarmists would have us believe that young people are racing along the primrose path to ruin. It is not so. A small percentage is making us aware of juvenile delinquency—which remains a big problem—but the great majority are splendid young citizens.

**AND RELIGION** Haupt is one of the guiding forces among those 98% of teen-agers who do not make shocking headlines. In traveling thousands of miles from coast to coast each year, talking to young people from all walks of life, reading their letters, I have been very privileged to witness remarkable demonstrations of the teen-agers' religious activities.

It is in the teen years, of course, when the overpowering impact of the wonders of creation become more apparent to youth. And it is in the teen years, too, when our youth begins to take its place and its responsibilities in society. That is why it is so gratifying to see as I do the thousands of girls and boys participating in church groups. They realize they must obey and

please the God who made them.

**NOT ONLY DO** our young people attend church regularly and participate actively in church activities, but they put their religious principles into practice.

Through Seventeen's annual Christmas Doll Contest, I have seen multi-thousands of young people, from the early age of 13 through 19, show their religious maturity by demonstrating their knowledge of the Golden Rule. Every year in this good-will competition, teen-age girls from all parts of the country put their hands and hearts to work making dolls that will bring the Christmas spirit to needy children in distressed areas of the world. They have really learned that the secret of happiness is to bring happiness to others.

**ON MANY OTHER** levels, one can see that today's teen-age generation wants to make itself better and wiser and help to make the world a happier place to live in, and to make it a better preparation for life after death with God in heaven. Our youth exhibit daily an essentially serious attitude toward life and a great strength and courage that is based in large measure on an abiding faith in God.

As a seventeen-year-old girl wrote in to me last year, "Anyone who is firm in his belief in a Supreme Being has the foundation for a living, practical faith which affects every act, every day of his life. And all of us growing up in our world need just that."

### Uncle Sam Is Top Property Owner

WASHINGTON. — The U. S. government has boosted its property at home and abroad to at least 250 billion dollars worth—15 billion dollars more than a year ago.

A congressional committee, reporting this, said the government owns 409 million acres of land in the continental United States and 363 million acres abroad. This, it said, is equivalent to all the states east of the Mississippi River plus California, Oregon and Arizona.

Mr. and Mrs. Ray Wilde and daughter Joan spent Monday in Dallas. While Ray attended a car dealers meeting his wife and daughter visited her sister Mrs. Grant Cox, her father John Schmitz and her brother Leonard Schmitz and family.

Mrs. Kenneth Cottle has written her parents, Mr. and Mrs. Joe Hoenig, that the Cottle family has moved from Glendale, Ariz., to Phoenix. Dr. Cottle continues on duty at Luke AFB. Their new residence address is 3105 N. 40th Avenue.

Gus Sicking had as visitors Sunday his daughter and family, the Otis Rainwaters of Fort Worth. They were also in Forestburg to see the Harry Perrymans.

Mrs. Arthur Bordeau returned to Galveston Wednesday after a four-day visit with her parents, Dr. and Mrs. T. S. Myrick.

Mrs. Eva Gottlob of Azle is spending this week with her relatives of the Miller families.

Louis Sicking and W. J. Miller from here and William Pulte of Gainesville were in Milwaukee, Wis. last week where they spent Tuesday and Wednesday with 20 other Texans representing dairy interests at the Dari-Kool Manufacturing Co. studying construction of bulk milk coolers. They made the trip by chartered plane.

Mr. and Mrs. Frank Schoech of Dallas were here Thursday to visit Mr. and Mrs. I. A. Schoech and other relatives and friends.

Father Patrick Hannon of Fort Worth visited here last Thursday with the pastors and old friends and had dinner at the rectory.

Caroline Hesse who has been employed in Fort Worth is back here with her family.

LaVerna Hess of Fort Worth weekended here with her parents, Mr. and Mrs. Gary Hess and family.

The James Mollenkops are planning a new home. It will be located west of the George Mollenkopf Jr. residence.

**CARD OF THANKS**  
My family and I are grateful for the kindnesses extended by friends and neighbors during my illness and stay in the hospital. The many thoughtful deeds meant much to us. Special thanks to Father Lane for his hospital visits.

I. A. Schoech

**CARD OF THANKS**  
I want everyone to know how much I appreciated the get-well cards, prayers and other kindnesses while I was in the hospital and my family joins me in saying many thanks for every thoughtful deed during my illness. Special thanks to Father Lane for his hospital visits.

#### TAX-MAN SAM SEZ:

Texas is a community property state. Wives who are native Texans clearly understand that they only own half of the homestead. It comes as a distinct shock to some of our naturalized female Texans that she only gets half of what her husband made and even worse, her husband owns half of the salary she made all by herself. The income tax law clearly recognizes community property law and in Texas both the husband and wife are entitled to half on the tax return. If your wife worked and she files a separate tax return, she must show one-half of the community income of both the husband and wife. She also takes credit for paying one-half of the withheld tax.

**SOIL CONSERVATION DISTRICT NEWS**

Do you know that an acre of Bermuda grass roots can be planted for only 13 cents? It's a fact. And soil conservation technicians of the Muenster work unit give the figures. The cost of planting Bermuda grass to prevent soil and water losses on the farm is way down this year. In spite of Sputniks, Missiles and the cost of living soaring into the wild blue yonder, the expense involved in sodding a waterway strip or a pasture to grass is actually less than ever this year. Here's why. Through the 1958 Agricultural Conservation Program the Federal Government will share with farmers and ranchers the cost of carrying out approved soil and water conservation practices in accord-

ance with certain provisions. In Cooke county the payment rates for the planting of Bermuda grass roots are as follows: Seedbed preparation, \$2.60 per acre; sodding operations 87 cents; 15 cubic feet of grass roots, \$2.10 per acre; fertilizer, \$3.40 per acre for a total payment of \$8.97 an acre.

According to the local Soil Conservation Service personnel the cost of sodding an acre to grass roots at current prices will be as follows: Sodding operations with sprigging machine rented from the District, \$1.50 per acre, 15 cubic feet of grass roots, \$2.25 and 100 pounds of 20-20-0 fertilizer, \$5.35 or a total outlay of \$9.10 per acre.

The total cost is shown as \$9.10 and the ACP cost-share is \$8.97 leaving the cost of planting each acre to Bermuda grass at only 13 cents per acre. It's a real missile age bargain.

The cost of planting the improved hybrid Bermuda grass is also very reasonable this year. Many landowners cooperating with the Upper Elm-Red Soil Conservation District to protect and improve their soils prefer the faster growing, higher producing Coastal and Midland Bermuda. Under the ACP cost-sharing program this year these grasses can be planted for as little as \$2 an acre cost to the landowner.

If waterways or improved pastures are needed on your land, make plans now to get these and other grasses planted as soon as possible. The ACP cost-share payments are available on grasses and legumes and the assistance of the Soil Conservation Service is available to all landowners cooperating with the Upper Elm-Red Soil Conservation District.

**Local Herds Good In DHIA Production But Miss Top Spots**

While the Muenster cows in the Cooke County Dairy Herd Improvement Association made good showings, according to the DHIA report released for December, none managed to climb to the top three positions in either milk or butterfat production. The Ben Davis herd was first in milk with an average of 1,081 pounds per cow and the Hi-Lo Farms placed first in butterfat averages with 43 pounds per cow.

Muenster DHIA members with high herds included Jerry Hoenig, Paul Fetsch, Ed Sicking, J. W. Fleitman, George Bayer, Paul Sicking, Alfred Bayer, Martin Bayer, Leo Hesse, C. A. Fisher and Tommy Knabe.

Of the 843 cows in the county association, 145 produced more than 50 pounds of butterfat during December.

Average for association cows was 34 pounds of butterfat.

Association milk average was 852 pounds.

During November, the county association placed third in both milk and butterfat production among the 24 member associations in Texas.

The county posted averages of 740 pounds of milk per cow and 30 pounds of butterfat.

The Wichita Valley Assn. was

first in milk production for November with an average of 850 pounds.

The Wichita Valley Assn. and the Randell Assn. tied for first place in butterfat production averages of 33 pounds.

The state association averaged 610 pounds of milk per cow and 26 pounds of butterfat per cow during November.

**Bulcher Club Has Discussion on Mums**

A round table discussion on "Chrysanthemums for Texas Gardens" furnished the program at the regular meeting of the Bulcher Home Demonstration Club on Jan. 16. Members answered roll call by naming a plant they have to share.

Mrs. Albert Fleitman was hostess in her home and after the program Mrs. Paul Tracy had charge of recreation.

The hostess served refreshments to members and three visitors. The guests were Mrs. Earl Cole, Mrs. Don C. Cooke and Mrs. Eddie Fleitman. Mrs. Fleitman enrolled and was welcomed as a new member.

The next meeting will be in the home of Mrs. August Hyman on Feb. 6.

By Mrs. B. G. Lyons

MARYSVILLE — Mr. and Mrs. B. G. Lyons had as guests Sunday her niece and husband, the Henry Booths of Bowie and Mrs. Booth's daughter and son-in-law, the J. C. Stephens of Fort Worth. Mrs. Booth, the former Clea Denton, and Mr. Booth were married Jan. 11.

Mr. and Mrs. Raymond Reed of Dallas were Friday visitors with their uncle and aunt, Mr. and Mrs. John Richey.

Bill Moon received word Monday from his son Don Ray advising that he arrived safely and is getting settled on Guam with his Air Force outfit. He spent the first two years of service at Abilene Air Force Base.

Rev. M. D. Bishop of Denton preached at both services at the Marysville Baptist church Sunday. At noon Rev. and Mrs. Bishop and their son Billy were dinner guests in the home of Mr. and Mrs. Earl Robison.

Mr. and Mrs. W. F. Davidson and his sister Mrs. J. N. Shaw accompanied Mr. and Mrs. Bo Snow of Gainesville to Fort Worth Sunday to visit their brother Allen Davidson who suffered a stroke several weeks ago. They were dinner guests in the home of his daughter Mrs. David Ingram.

**Hard Times Everywhere**

## Lindsay Mothers Name Officers and Plan MOD Benefit

Election of officers for a new year and plans for a March of Dimes benefit featured the business at the January meeting of the Christian Mothers' Society of St. Peter's parish at Lindsay.

Mrs. Norbert Zimmerer is the new president and Mrs. Tony Hermes is the new secretary-treasurer for 1958. Mrs. Henry Hess was re-elected vice president for another term by acclamation.

Since the March of Dimes campaign is in progress, members decided to sponsor a program to raise contributions from Lindsay and favored the showing of films by Dr. Gene Watts of Gainesville. Date for the program is this Friday night, the time is 7:30 and the place is the parish hall. Everybody is urged to attend the show. There will be no admission charge. Voluntary contributions will be accepted.

Business completed, members enjoyed a social hour and refreshments served by Mrs. H. S. Fuhrman, Mrs. William Fleitman and Mrs. Damond Fuhrman, hostesses.

## Farewell Party

by urging cooperation with the new pastor, Father Christopher Paladino.

Gifts from those attending and from parish societies included a spiritual bouquet, a Samonite suitcase and cash donations which according to his wish, will go into the new church fund.

Father Martin Fischer, who will come here as assistant pastor Feb. 1, was to be surprised at the social. It was to be a welcoming event for him but he wasn't present. He came here during the day to bring some of his personal belongings but returned to Fort Smith before nightfall.

Saint Anne's Society sponsored the farewell event. Members of the Third Order of St. Francis arranged the spiritual tribute and presented a purse. Those present contributed toward the cash gift and St. Joseph's Society gave the luggage.

## Junior Girls Lose In Tourney Final

The public school elementary girls got close but did not quite make the grade during the past weekend at a junior basketball tournament in Sanger.

In their opener they lost 19-10 to Sanger. Next they swamped Valley View 30-10 in the consolation semifinal then lost 10-8 to Callisburg for the consolation trophy.

The conference record at the school stands at 50-50 for both boys and girls. The boys beat Saint Jo 26-9 and lost to Rad Ware 42-16 while the girls beat Saint Jo 32-29 and lost 20-15 to Rad Ware.

Despite the membership of an out of county team the conference is named the Cooke County Junior Basketball Conference. It was organized last year with Muenster, Callisburg, Rad Ware, Walnut Bend and Gainesville as members, and Saint Jo was admitted this year. Gainesville has only a boys team.

Next on schedule for the local kids are Callisburg there Friday and Gainesville here Monday.

In other games of the season the boys lost to Callisburg and Sanger and beat Era and the girls lost to Era.

## Scholastic Census

This method assures that no student on either of the lists will be overlooked. The lists also provide family contacts for children who are reaching scholastic age.

However, there is one group with which the school had no previous contact. It is the comparatively small group that will reach 6 on or before September 1 and have no older brothers or sisters in school. Parents of those children are asked to notify Superintendent Homsley if they have not been contacted up to now.

Complete enumeration is especially important in this district because the school's operation is financed by a per capita allotment for each child on the scholastic rolls. If a child is overlooked the school budget suffers accordingly.

## Vital Issues Face

citizens and not any minority group.

"I urge every Texan who loves this State and believes in majority rule to pay his poll tax and take an active part this year in the fight for constitutional amendments to be voted on in the November general election.

"Then there is the ever necessary fight to preserve the rights of our State and local governments against the onslaughts of those who want to control everything through the Federal government.

"All of this adds up to a highly important political year in which no citizen should fail to qualify himself to vote."

Poll tax payments under Texas law must be made to the County Tax Assessor-Collector or an authorized deputy before midnight January 31.

## Parochial School Basketball Teams Win 1 and Lose 3

The old average for Sacred Heart basketball teams failed to hold up during the past week as they lost three out of four . . . and barely nosed ahead for their lone decision.

Friday night the Tigers lost 51-35 to St. Mark's of Dallas after the Tigerettes had nosed out the Alumni 44-41. Tuesday both bowed to Thackerville.

The opener Friday seemed to follow the old pattern as Sacred Heart girls led the Exes by scores of 13-10, 29-20 and 35-30 for the first three periods. An Alumni rally early in the fourth changed the lead promptly and it remained that way until the last 2 minutes when the schoolgirls took over again.

Playing St. Mark's the boys fell behind 33-20 in the first half and made it an almost even game through the second for a final score of 51-35. Tim Wimmer led Sacred Heart scoring with 11. Gene Hartman hit 9 and Sonny Walterscheid 7.

After a feeble start Tuesday night the Tigerettes ran out of time when they finally got going and lost to Thackerville 32-29. Scores for the first three periods were 9-7, 17-12 and 24-17. Patsy Bayer made 14 and Dorothy Zimmerer 11.

Sacred Heart boys made a good start but ran out of steam in the second half. They led 8-0 at the first quarter and 16-9 at intermission. By the third quarter they trailed 25-24 and finally 54-37. Gene Hartman and Sonny Walterscheid, with 14 and 10, led the Tiger scoring.

## Confetti

the government can be influenced to avoid excessive spending. Maybe Labor will refrain from wage demands that are not justified by greater production. Maybe management will not increase prices without increasing values.

It's time to start deciding issues on the basis of right and wrong rather than on force and expediency. It's time to remember the commandment "Thou shalt not steal."

## Really Home

As the troopship, laden with battle-scarred veterans of Korea, pulled into the West Coast harbor the happy sergeant said to Private Smith, "Well, farmer boy, are you glad you are going to hear the roosters crow and the old donkey bray again, eh?"

"It'll be mighty nice to hear the old donkey bray," replied the private. He added, "And not give orders."

## Contemporary Rome Will be Shown in Last of TV Series

The story of contemporary Rome as the center of the world-wide Catholic Church is the fourth and final film appearing in the current TV series, Rome Eternal.

The program, entitled "Our Moment in Time" and sponsored by the National Council of Catholic Men, will be shown on WBAP-TV, Channel 5, from 12:30 to 1 on Sunday, Jan. 26.

Outstanding scenes will be interior and exterior views of St. Peter's and the Vatican; life in Vatican City . . . its streets, buildings, shops, gardens and people and their way of life; the ecclesiastical universities and an audience with the Holy Father.
