

MUENSTER ENTERPRISE

VOLUME XXII

MUENSTER, COOKE COUNTY, TEXAS,

DECEMBER 20, 1957

NUMBER 4

Another record that stands as a credit to the community is that concerning the number of Salk polio immunizations completed here. 938 persons, mostly children, are safe from infantile paralysis. In rough figures this means about half of the people of the trade area . . . a mighty fine achievement in any preventive effort.

Considering age brackets, the record is even more favorable than it appears at first sight. There is a larger percentage of immunization coverage among the under-40 group, which is admitted to be more susceptible to polio. It all adds up to very good protection where it is needed most.

All of which makes Muenster something special in the field of preventive medicine. It has been many years since this area has had a case of smallpox, diphtheria or typhoid. That's because Dr. Myrick long ago started the "immunization day" . . . and also, of course, because local people have had the good judgment to go along with him on the idea.

It's mighty comforting to think that we need not fear a polio epidemic, just as we need not fear an epidemic of those other diseases.

This column fervently hopes that lots of Texans are listening attentively as the Governor and his newly organized Traffic Safety Council and the Department of Public Safety plead for more careful driving during this holiday season. Statistics say that 113 are due to die in traffic tragedies, but we are reminded that the grim figure can be cut substantially if enough of us will resolve to drive more carefully.

A couple of more statistics can be helpful in avoiding trouble. In 58 per cent of the state's fatal accidents during 1956 excessive speed was involved and in 39 percent driving and drinking was involved. In other words, a person can improve his own odds wonderfully if he will refrain from speed and drink.

The advice is good any time but it is especially important during the heavy traffic of the holiday season.

Deserving of special praise for meritorious effort to promote good sound Americanism in its advertising policy is Warner & Swasey of Cleveland, manufacturer of precision machinery. For years the company has used advertising space to sell the American Way rather than its own products.

A good example is the ad in the current issue of U. S. News and World Report headed "Price increases are like dope." Here it is:

"People don't become dope addicts by choice. But someone feels low, or is sick, or needs extra courage — and tries a little. He thinks he feels better and sees no bad effect. So he uses it next time he "needs" it, then finds he needs more — and is soon a helpless wreck.

"Labor leaders demand a wage increase to make themselves popular with workers; get it; and prices go up, to pay it.

"Government weakens to farm pressures and pays subsidies to keep farm prices high and higher.

"Do-gooders demand we give away billions of our money and resources abroad, vast amounts of it wasted — which must be paid for in high taxes which add to high and higher prices.

"And that is the broad and so easy-to-take road to inflation, and the ruin of savings and college endowments and old-age pensions and life insurance contracts.

"But our one little price rise or wage increase or subsidy won't ruin the country. That's what the dope addict thought, too."

The dope analogy applies also in that it leaves the subject in a poorer physical condition. The inflation resulting from price increases does the same thing to our economy. Buying power is weaker because savings lose some of their value.

At least two facts deserve our cheers as we take note of the successful firing of an Atlas missile Tuesday. First of all it worked. Secondly we were not bombarded with details about it before the firing.

Now we're getting somewhere. By that one incident our country has made a big advance in world prestige. And apparently it has also overcome the habit

FEELING NO PAIN — Smiling Cindy O'Hara, 18, "Miss International Auto Show," bears up very well under the strain as seven tons of truck rolls over her in San Francisco. The unusual vehicle, which moves on huge, sausage-shaped pneumatic pillows instead of conventional wheels and tires, is called the Rolligon. On display at the 32nd annual San Francisco International Auto Show, the truck is able to "absorb" rocks and other obstacles (like Cindy) by "flowing around them." It is able to carry heavy loads over very rough ground.

WITH THE MEN IN SERVICE

Wire Safe Arrival

Mr. and Mrs. Jake Pagel had a wire on Dec. 12 from their daughter and family, the Jack Janickis, reporting safe arrival in Germany where Warrant Officer Janicki has been assigned for army duty. The couple and their four little daughters flew from Idlewild Airport, N.Y.

On Duty in Germany

Mrs. Mary Nell Newman has received word from her husband, C. J. Newman, that he has reached his overseas destination and is on duty with the army at Schweinfurt, Germany.

Has Service Discharge

Mr. and Mrs. Gene Strassburg are here to spend the Christmas holidays with her parents, the Al Fleitmans. On Dec. 27 they will leave to spend the New Year holidays with his parents in Dayton, Ohio. Gene received his discharge from the Air Force on Dec. 13.

On Holiday Leaves

Arriving Monday for 10-day Christmas leaves were Paul and Thomas Hesse, son of Mr. and Mrs. Meinrad Hesse, from California. Both boys are in the Navy. Paul is an electronics mate third class, stationed at Los Alamitos and Thomas who was recently promoted to aerographer third class, is stationed at Point Mugu.

Enroute Overseas

Capt. Jane Hoehn left Saturday for Fort Dix, N.J. on the first lap of her journey to Germany where she'll be assigned as an army nurse. Going with her from here in Jane's car was her long-time friend and roommate Capt. Lucille Rigs. She flew in from Aberdeen Proving Grounds, Maryland, and spent several days here with Jane in the Ed Cler home. Jane was a guest of her sister and family, the Ed Cler, during her overseas leave. They all drove to Fort Worth to meet Lucille at the airport and visited with the Albert Hoehns before returning to Muenster. Jane and Lucille stopped in Jonesboro, Ark., enroute to New Jersey to visit Phyllis Cler at Holy Angels Convent and in Saint Louis, Mo., to see relatives and friends. Capt. Rigs will be joining Capt. Hoehn overseas at a later date.

Knights Will Give Party for Children

Children of the members will be special guests at the annual K of C Christmas party next Sunday night at 8 in the K of C hall.

Santa Claus will be there to entertain the kiddies and distribute the council's treat of a toy and bag of candy for each. Free and down game and finally came soda pop is another treat awaiting the kids.

Parochial Grades To Appear Friday In Yule Program

"Merry Christmas to the World" will be presented in song, dance, drama and tableau this Friday night by students of the Sacred Heart grade school. Curtain time is 7:30 at Muenster High auditorium.

The large cast includes children from grades four through eight who will interpret Christmas customs of many lands. These include the United States, England, Italy, Russia, Spain, France, Mexico, China, Sweden, and Holland.

The scene takes place at a pier in New York City where Santa Claus, Uncle Sam and Columbia gather as the story begins. It ends with a tableau of Mary and Joseph and a host of angels while "Silent Night" is sung.

The Benedictine Sister coached their own grades and the combined group practiced under the direction of Sister Carmelita. The play is a school benefit and admission will be fifty and twenty-five cents.

Donald Hess plays Santa, Earl Hess is Uncle Sam, Mary Lou Swirezynski is Columbia, Virginia Taylor represents the Blessed Virgin and Robert Klemm takes the role of Saint Joseph. Adding comedy are John Yosten and Denis Hess as Christmas clowns.

Parochial Cagers Slip Past Alumni; Lose to Sooners

By the slim margin of two points Sacred Heart's girls had their perfect record spoiled in Thackerville Tuesday night. Their loss was all the more disappointing because the home team snatched the 36-34 win in the last three seconds of the game.

With a lead of 2 points and three seconds to go and taking two free shots, it seemed as though the Tigerettes had a cinch, but things did not work out that way. Both free throws missed and the second was followed by a foul. Thackerville made both free throws after which, according to Oklahoma rules, the ball was put in play by Sacred Heart under the Thackerville goal for the last 3 seconds. As the ball was passed in a Sooner girl intercepted and hit true for the winning 2 points.

The game was an up and down affair with Sacred Heart leading 7-2 at the quarter and trailing 16-15 at the half, then jumping to a 29-22 third quarter lead and finally losing 36-34. Top scorers were Dorothy Zimmerman 15, Patsy Bayer 10 and Loretta Mages 8.

The Tigers likewise had an up and down game and finally came out at the short end of a 47-33

Schools to Have 6 Free Days During Christmas Season

Pupils at both Muenster schools will have six free days during the holiday season . . . all of Christmas week plus New Year's Day in the following week.

Though somewhat different in that it includes two class days between Christmas and New Year, the actual number of free days is about the same as last year. The difference this time is that the children have more free days before Christmas.

The holiday schedule was drawn up jointly by Father Christopher Paladino and Superintendent H. H. Homsley when they arranged the school calendar before the start of the school year. Their schedule now calls for 178 school days ending on May 23 . . . three more than the minimum required by the Texas Education Agency. This allows the school to lose as much as 3 days because of bad weather without having make-up dates.

NEWS OF SICK AND INJURED

Denis Hess entered Baylor Hospital in Dallas Monday for plastic surgery. Doctors said he would be permitted to return home by Thursday. His parents, Mr. and Mrs. Arnold Hess, took him to Dallas and came back that evening after seeing him comfortably settled. They returned Tuesday to be with him when he had the operation and left him "doing fine."

Joe Lehnertz continues as a patient at Gainesville Sanitarium and there has been no word from his doctor as to when he will be dismissed. Since the middle of this week he is permitted to sit up occasionally for short periods.

When Burt Hamric of Dallas came home to spend the weekend with his family, the Ervin Hamrics, he came with his right arm in a cast. He broke it at the wrist during a handball game earlier in the week.

R. M. Zipper has been dismissed from Gainesville Sanitarium and is continuing recovery at home from recent major surgery.

Mrs. J. W. Morrison suffered a heart attack early Friday morning and entered Gainesville Sanitarium at about 4 o'clock. Her doctor permitted her to return home Saturday evening, provided she'd take it easy. Spending the weekend with Mr. and Mrs. Morrison were their daughter and family, Mr. and Mrs. H. L. Hurst and three children of Dallas.

Mrs. Clem Reiter was dismissed from Gainesville Sanitarium Monday following medical care.

Muenster to Host Sixteen Teams at Holiday Tourney

Sixteen teams representing eight schools will compete for six trophies in Muenster High School's annual Holiday Basketball tournament, which will open at noon the day after Christmas in the MHS gym.

Trophies to be given are the tournament champ and runner-up and the consolation winner in each division. In addition there will be four individual trophies, to the outstanding defensive and offensive players of each division.

The tournament will be divided into five sessions of four games each. Games Thursday afternoon and night will be the preliminaries separating the teams into champ and consolation brackets.

Friday will present all the semifinals. Afternoon games will be the semi-finals in the consolation brackets of both divisions and night games will be the semifinals of the champ bracket.

Finals Saturday night will determine the champ and consolation winner of each division.

Schools entered in the tourney are Muenster, Sacred Heart, Saint Jo, Era, Goldburg, Forestburg, Bellevue and Midway.

Santa Will Greet Children Saturday At Baptist Church

Santa Claus will greet children of the Baptist congregation Saturday night at a party in the church and will distribute presents in a gift exchange around a decorated tree.

The entertainment program is arranged by Mrs. Herman Carlton and Mrs. Jack Tuggle and promises fun for all the youngsters who are urged to be present and bring their parents with them. Starting time is 7 o'clock.

Dinner, Program Thursday to Honor '57 Hornet Gridders

Members of the Hornet football team will be the honored guests Thursday night at a barbecue dinner and program in the school lunch room. Starting time has been set for 7:15.

The event is a get-together for members of the squad, the band, the pep squad and persons who helped the team financially during the past season.

Featured on the program will be a presentation of the district co-champ trophy and recognition of squad members, lettermen, all district players and the 1957 football sweetheart.

938 Persons Here Complete Series of Salk Polio Shots

A final count of the Salk polio immunization shots at the Muenster Clinic reveals that a total of 938 persons completed the series of three shots and 88 can still complete the series by reporting for their last shots.

When revealing the figures Dr. T. S. Myrick said that the last shot does not have to follow exactly seven months after the second shot but can be taken as much as a year later, so he urges all who missed the last shot to come in and complete the series.

Records of the immunizations show that 1030 reported for their first shots and 1026 returned for their second shots, but the number for the final shot dropped to 938. Some who failed to show up are known to have moved away and some are believed to have received the last shots elsewhere, however about half of the 88 who missed their last shots are here and are urged to complete the series.

Special polio immunization days at special rates are over now but individual Salk shots can be received at any time.

Christmas Program Features PTA Meet

A Christmas program took up practically all of the regular PTA meeting Tuesday night.

Pupils of the first through the fourth elementary grades appeared in recitations, songs and Christmas playlets.

During the business session, members voted to be the sponsoring organization for the Hornets' football scoreboard and started off the fund with a two hundred dollar contribution from the treasury. Another contribution from the treasury was a seventy-five dollar donation for special teaching materials.

Ervin Hamric presided for the business session and Weldon Holland introduced the program numbers. A large attendance of members was present for the meeting in the school auditorium.

Mrs. Weldon Holland and Mrs. Bessie Miller directed the program and presented their students on the stage. The youngsters charmed the audience with their acting and the interpretation of their roles. Becky Mosman was the piano accompanist.

Terry Cason appeared first in "White Christmas," and then 12 children enacted a play, "Santa Goes on a Strike." Taking part were Bob Russell, Karen Lindsay, Fredda Kaderli, Ralph Cunningham, Glenn Fleitman, Leon Knabe, Jimmy Robison, David Bridges, Chris Cain, Walter and Alma Mae Hoover and James Morris.

Carl Endres presented a reading entitled "Santa Claus," and Mary Ellen Hoover gave a reading "Trimming the Tree."

Next was another play, "What is Christmas?" Having roles were Linda Owens, Linda Sue Wilson, Mary Hoover, Debbie Russell, Chetia Tuggle, Debbie Cain, Sharon Williams, Becky McElreath, Danny Wilson, Billy

Santa Claus Will Be Here Saturday To Treat Kiddies

Saturday is the big day for kiddies on this year's Christmas program sponsored by the Muenster Lions Club.

At about 3:45 o'clock, promptly after the weekly trades-day drawing, Santa Claus is due to arrive with a terrific load of candy . . . enough to give a bag to each of the several hundred boys and girls who are expected. The candy, provided by donations of the town's business firms, is being packaged this week.

The party will be held in front of the Community Christmas tree and Nativity display on the lot opposite the Variety Store.

Santa is due to arrive at the city hall at about 3:30 o'clock and will be escorted from there to the tree by the Muenster High band. At the tree several helpers will join him to see that all the kiddies get attention. Special attention will be shown the pre-school children.

Final touches at the community display were completed Tuesday afternoon when L. B. Bruns and Earl Fisher erected the small stable and the nativity figures on which they had been working for several evenings before. Floodlights in front light up the display which includes the Infant Jesus, Mary, Joseph, a shepherd, the three wise men, four sheep, a donkey and a camel.

Paintings of the figures on waterproof material were first glued to plywood. Then the figures were sawed out, put on separate stands and painted.

Previously the tree lights had been installed through the cooperation of the garden club and the FHA and FFA chapters. The Lions provided the tree and some lights and the city provided the rest of the lights.

Vilbig Will Build Two Reservoirs on Brushy Elm Creek

Vilbig Brothers of Dallas, a firm which has built several of the reservoirs in the Elm Creek flood prevention program, is the successful bidder on the two reservoir jobs coming up next.

An announcement from state headquarters of the Soil Conservation Service reveals that Vilbig will build the two Brushy Elm dams on the Meador and Lutkenhaus dams.

The Meador reservoir, draining 1475 acres, will have a permanent pool area of 24 acres and an area of 83 acres at flood stage. The Lutkenhaus reservoir will drain 674 acres and will have a permanent surface area of 9 acres and a flood stage area of 35 acres. The sites are numbers 19 and 20 in the Elm Creek flood control program.

MHS Teams Lose at Callisburg Tourney

Basketball teams of Muenster High School are still winless after playing the third and fourth games of their young season last weekend at the Callisburg invitation tournament.

In the opening round both teams lost to Greenville, Okla., the girls by a score of 49-33 and the boys 42-22. Next day, playing in the consolation semi-finals, both teams were eliminated by Valley View. Muenster girls lost that one 56-33 and the boys went down 72-33.

Joe Fisher Sr. entered Gainesville Sanitarium Wednesday for medical treatment.

A SMALL ONE FOR THE ROAD—Looking like a "wooden toy," the first Finnish-made small auto, the "Wiima," is displayed in Helsinki. The tiny car weighs about 620 pounds and has a top speed of almost 50 miles an hour. Its German-made engine is located in the rear. It will sell for about \$940.

Activity Planned By CDA Members

At their December meeting members of the local court Catholic Daughters of America heard a report on the recent district meeting in Fort Worth, and planned coming activity.

Mrs. John Mosman, grand regent, told about the district meeting and introduced one new member, Mrs. Mary Krohn. She also announced two re-instated members, Mrs. Pat Hennigan and Mrs. Martin Trubenbach.

During the business session the group voted a five dollar donation to a needy Korean family. This is sent through the national council. They also voted to pay a \$5.43 freight bill on clothing shipped to an Indian Mission. This shipment was prepared and dispatched by Mrs. Joe Swirczynski, parish mission chairman.

In other action the court voted to sponsor the annual CDA poetry contest with three prizes for local winners. Students from parochial schools are eligible to enter in three different age groups.

Father Christopher Paladino attended the meeting and gave a short address. In his talk he praised the charity of the court.

After adjournment hostesses for the evening served coffee and home made cookies.

Theresia Luke is Birthday Honoree

Miss Theresia Luke's birthday provided the occasion for a family gathering and dinner party Saturday evening with Mr. and Mrs. Martin Friske as hosts in their home at Lindsay.

A decorated cake, birthday gifts, picture taking and 42 games were a part of the celebration.

The honoree's brothers and sisters were guests along with the hosts' children Jere Friske of Dallas and Mr. and Mrs. Bernard Sandmann of Fort Worth, for a total of 14 guests.

Miss Luke's birthday was Wednesday, Dec. 18, but the observance was held early for the convenience of those attending, and as a surprise for the honor guest.

Get-Together Club Has Holiday Party

The Get-Together Club's Christmas party this year was an event of Monday night at 7 o'clock in the Ace Cafe where 12 members were served a holiday dinner of roast turkey and all the trimmings.

After the meal, a progressive 42 series entertained the group. Mrs. Joe Kathman won the high score award and Mrs. John Hartman received the consolation favor. Mrs. Al Walter drew the door prize.

Santa Visits Tots' Yule Party Tuesday

Pre-school age youngsters of VFW Auxiliary members had a gay time Tuesday when the organization sponsored its annual Christmas party for the little ones.

Highlight of the affair was Santa's visit and his distribution of a toy and candy to each of the children. He also distributed members' presents in a gift exchange and chatted with the kiddies while listening to their long list of Christmas wants. Activity took place around a decorated, lighted tree, ceiling high, topped with a red and silver star.

Refreshments of cookies and soda pop were served to about 50 children and 25 members.

The party was held in the VFW club from 9:30 to 11 a.m.

Mrs. Matt Stelzer of Post is recovering from illness that sent her to the hospital for treatment. She's back at her home now.

Bulcher Club Has Christmas Party

The Bulcher Home Demonstration Club held its Christmas party in the home of Mrs. August Hyman with Mrs. Paul Tracy as co-hostess and in charge of the program.

Members exchanged gifts around a decorated tree and Mrs. Albert Fleitman presented a reading on the Christmas Story.

Games were enjoyed and in a contest Mrs. R. H. Shrap won the prize.

The hostesses served a colorful party plate to nine members and three guests. Attractive Christmas decorations were party favors.

Get-Together Fetes Air Force Chaplain

Rev. Cyril Schmidt, a Redemptionist Father from Grand Rapids, Mich., spent the weekend with his cousins of the Fisher families here and earlier in the week visited the Pulte families in Gainesville.

Father Schmidt has just been commissioned a second lieutenant and a chaplain in the Air Force and was on his way to Lackland AFB, in San Antonio.

Sunday, relatives gathered at the Joe Fisher Sr. home with covered dishes for a dinner reunion honoring Chaplain Schmidt.

Mr. and Mrs. J. M. Weinzappel were in Fort Worth Sunday to make the acquaintance of their newest grandson, Thomas Henry Jackson, to attend his christening and to visit in the home of their daughter and family, the Hugh Jacksons. Father Joseph Weinzappel of Dallas baptized his nephew. Mrs. Elwyn Hope and the baby's brother Joe Arthur Jackson were sponsors at the service.

At Deanery NCCW Meeting in Denison

Five NCCW members represented Sacred Heart parish at the quarterly meeting of the National Council of Catholic Women of the Sherman deanery in Denison.

Present were Mrs. Ted Gremminger, parish president, Mrs. Frank Herr, Mrs. Paul Fisher, Mrs. Frank Kathman Sr. and Mrs. Edd McGannon. Father Bruno Fuhrmann was among clergy present.

Mrs. Chares P. Shultz Jr. of Irving was the guest speaker.

Mrs. Frank Herr, deanery chairman of the Spiritual Development committee gave her quarterly report and Mrs. Gremminger presented the parish report.

New yearbooks were distributed.

Very Rev. John Duesman of Sherman, deanery moderator, led the opening prayer and gave the closing remarks. The meeting was held in the Knights of Columbus hall following Benediction of the Blessed Sacrament in St. Patrick's church.

In a social hour after adjournment hostesses from the Denison parish served coffee and cookies.

Mrs. McGannon enjoyed a short visit with Sister Christina Hesse who teaches school in Denison this year.

SIMPLE AND FUNDAMENTAL

The country is witnessing tremendous furor in connection with civil rights legislation — the right of certain persons to vote and go to public schools.

There is another civil right that seems equally important — namely, the right to work without joining any specified union and paying for that right. But such is not the case for tens of millions of American citizens. U. S. Senator William F. Knowland of California, speaking in his home state, says "union democracy" is a key issue. He stands for the right of individual unionists to a voice in union affairs and the right of workers to join or not to join a union.

Following the revelations of the McClellan Committee, the demand for right-to-work laws is increasing. It is a strange situation that in supposedly free country there should have to be specific legislation to enable citizens to vote or go to public schools. But strangest of all is the fact that it will take specific legislation to guarantee them the right to work at their trade without paying some organiza-

tion for that right, unless they so desire.

What does freedom mean if it doesn't guarantee one of the simplest and most fundamental of all rights, the right to work?

The American Way

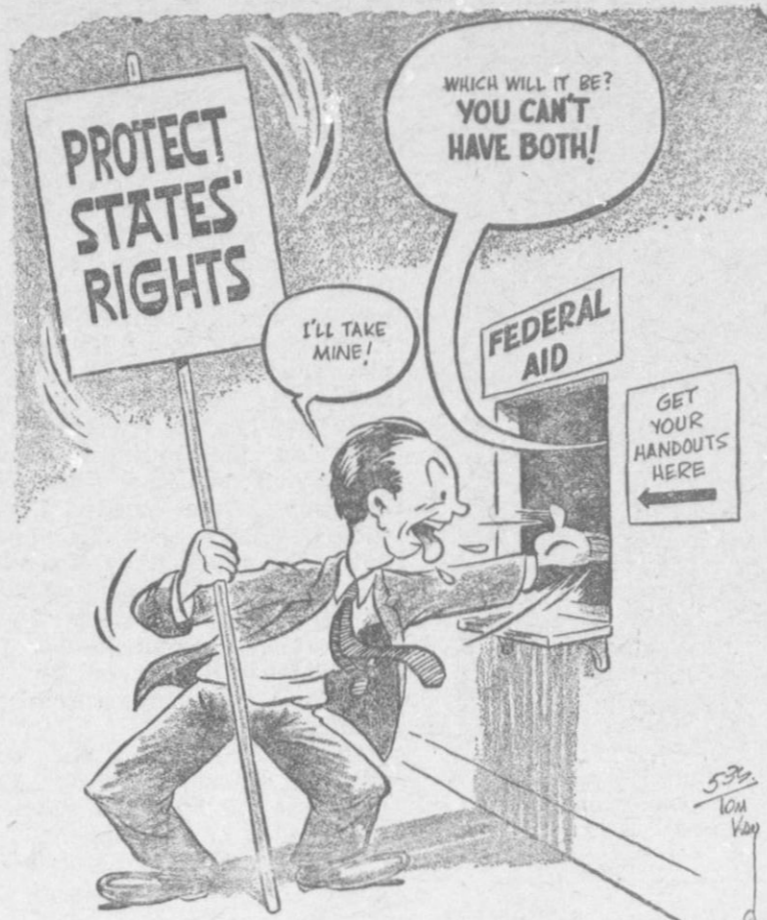

AMERICA SHOULD LEAD

In a letter from Frankfurt, Germany, Nov. 12, 1957, Merwin K. Hart, President of the National Economic Council, Inc., makes some most significant comments.

After talking for two weeks with Germans in all walks of life — large and small businessmen, government officials, diplomats, judges, labor leaders, cab drivers, refugees, professional men and others — Mr. Hart feels he has grasped something of a picture of the German mind today. Says he:

"... Two years ago a German, who lives close to the people and who holds his Ph.D. from an American university, remarked to me that the greatest enemies of the Communists are the Communists themselves; and that the greatest friends of the Communists have been the Americans. Many thoughtful Germans hold about the same view today..."

Questioning a group of intellectuals with whom he lunched as to their views on the "Voice of America" radio program, he

Greed Above Principle

got opinions varying all the way from "poor" to "useless" to "positively harmful." He got the same answer about "Radio Free Europe." Later another group gave the same verdict on these two programs. It looks as though our Federal Government and individual contributors between them not only are wasting a lot of money, but actually harming America.

Mr. Hart finds that Germans generally are still very loyal to the U.S.A. and want us to lead. They feel that America has not been leading, are puzzled as to why and wonder when we will wake up to assume that leadership.

Pause For Reflection

... with James C. Ingebreten President, Spiritual Mobilization Union leaders, seeking power, last week struck the New York subway system in flagrant disregard of laws making such action illegal. One's heart goes out to the subway engineers and other workers, who, with their families, find themselves helplessly caught between two fires. They know from bitter personal experience, or from what they have heard from others, what may happen to them if they fail to go along with the union leadership. On the other hand, they are confronted with an ultimatum, backed up by state law, that they will be fired for not returning to work. Meanwhile, literally millions of other New Yorkers walk by the side of tracks, helplessly caught up in all of the immeasurable economic and physical consequences of the disturbance.

From New York to Los Angeles, other community transportation systems are also in Christmas-time chaos brought on by union monopolists.

Right in the face of all this,

we are advised by Mr. Mitchell, the country's Secretary of Labor, that our present Republican Administration intends to go along with the Democrats in supporting compulsory unionism and continued union immunity from the antitrust laws. No doubt, the union movement is power-mad and money-rich enough to be seriously reckoned with these days by the politicians of both parties.

But isn't it about time for Americans who put love of country ahead of supposed political advantage to pause and reflect seriously on how to put a stop to this nonsense?

American Public's Total Debt Set at Over 515 Billions

WASHINGTON — Americans are shouldering a burden of about 515½ billion dollars in government and private debt, government figures show.

This is a staggering \$3,014 for every man, woman and child in the country and does not include some 300 billion dollars in corporate and noncorporate business. The Census Bureau reported that state and local government debt across the nation rose to 52½ billion dollars as of June 30, an increase of 4½ billion dollars over the previous year.

On the same date, the national debt stood at 270½ billion dollars, mortgage debt was more than 150 billion, and consumer debt was almost 42½ billion dollars.

Roughly 18½ billion dollars of

CHRIST IS MAKING A COMEBACK

By Antoinette Bosco, contributor to INFORMATION and other magazines

PRE-CHRISTMAS 1956 was an encouraging season for those who would like to see Christ remembered on His birthday.

For instance, last year's greeting cards showing Madonnas, Wise Men, Nativity scenes and church designs were good sellers. More heartening signs came from Dayton, Ohio, where the Chamber of Commerce sponsored "Christ in Christmas" projects, including radio and television programs, restaurant prayer cards, and posters.

IN MANY PLACES church groups successfully urged leading stores to feature religious tableaux, such as the Manger scene, in Christmas windows which formerly were given over to Santa Claus and red-nosed Rudolph. Many communities featured outdoor Christmas pageants.

Even in Communist countries the Red chiefs found it necessary to make concessions to the religious feelings of the people. In spite of the Communist claim that the "Christmas Crib is disappearing", cribs with figures of the Holy Family were made, sold, and even exported. Familiar Christmas carols were sung everywhere and the people flocked to churches for Christmas services.

THESE SIGNS of Christ's comeback contrast sharply with the action which goes on in many department store basements during the weeks before Christmas, in Santa-Claus-land. I took three of my children to see Santa Claus two years ago. After waiting forty-five

minutes in a line, we reached a booth where a voice cried out, "Twenty-five cents per child! Have your money ready!" Fifty minutes later we were let through the rope to the inner sanctum where a skinny Santa with a scraggly cotton beard was sitting. My three-year-old refused to go near him.

"That's not Santa Claus," he said. "I don't like him." At that point, Santa waved his arm to the exit rope and said to me, "Here are the presents. We've got to hurry along." The department store Santa didn't make a very good impression on either myself or my children.

THERE IS a place for Santa Claus at Christmas time, though. The smiling little man adds to the happiness and festivity which mark the birthday of Christ. But we must keep him in his proper place, as a symbol of the generosity and goodness of God, a go-between for the Infant and His little children. Santa Claus without Christ is merely a paid delivery boy, as a Christmas tree without the Manger degenerates into a "pagan symbol."

IN CHARLESTON, S. C. last November, a child's letter addressed to Santa Claus had the following anxious message written on the envelope: "Mailman, if this doesn't get there in thirty days, please walk faster."

Last year we made good progress in the direction of the Christ child. Let's walk faster this year, as the child in his simplicity suggests, so that we'll all be on time for a loud, loving "Happy Birthday, dear Infant," on Christmas Day, 1957.

† Paulist Feature Service, Washington 17, D. C.

this total debt has been added to the books in the past 11 years or so.

The Census report said the 48 state governments owe 13½ billion dollars in long-term debts, of which nearly six billion is scheduled for retirement before 1970. Local governments, including cities, towns, school districts, etc., owe about 37 billion dollars in bonded debt, of which half falls due in the next 10 years.

Just over two billion dollars is owed in short-term debt, most

of it by local governments.

The 11-year period, 1946-57, saw the national debt drop from 269½ billion dollars at the end of fiscal 1946 to just over 252 billion at the end of fiscal 1948. It climbed to almost 274½ billion at the end of fiscal 1955 and dropped again to 270½ billion last June 30, the end of fiscal 1957.

What Could Be Worse?
A man testifying in court told, while on the witness stand, such evident untruths that the judge intervened.

"See here," he admonished, "you must tell the truth in this courtroom. Do you know what will happen if you continue to lie like this?"

"I suppose I'll do to hell," answered the witness.

"Yes, yes, of course," said his honor impatiently. "But what else will happen to you?"

The man thought a moment. "Isn't that enough?" he asked grimly.

WHEN IN TEXAS . . .—Morocco's King Mohammed V, on a tour of the United States, appears in Kingsville, Tex., as an adopted son of the state. The Mideastern leader borrowed khaki pants, stuffed them in cowboy boots and donned a 10-gallon hat for his sight-seeing on the famed King Ranch. Mohammed poses with Michael Reynolds, nephew of the ranch's owner, Richard Kleberg.

Gift Party Given For Joan Klement

Joan Klement, bride-elect of Dick Schleicher, was honored with a pre-nuptial party and gift shower in Dallas Friday evening in the home of Mrs. Harvey F. Page with Mrs. W. T. Roberts as co-hostess.

Party rooms were decorated in the bride's chosen colors of turquoise and white and guests presented the honoree an array of lovely gifts.

The hostesses served refreshments of cake and coffee to the group which included Joan's

mother, Mrs. J. A. Klement. Among those unable to attend but sending gifts was Mrs. M. D. Kaderli.

Joan's wedding will take place here in Sacred Heart church, Saturday, Dec. 28, in a five p.m. service.

Bayer Herd First in Milk Production in DHIA for Month

A Cooke County Dairy Herd Improvement Assn. report just released for November shows the George Bayer herd in first place in milk production.

The Bayer herd averaged 1,031 pounds of milk per cow during the period.

In a tie for second place, with milk averages of 1,030, were the herds of Peter Prescher and H. H. Moody.

Third place in milk production was held by Ben Davis with an average of 945 pounds.

In butterfat production, Peter Prescher's herd topped the list with a 42-pound average. H. H. Moody was second with 40 pounds and George Bayer was third with 36.

In all, 89 cows in the county association produced over 50 pounds of butterfat in November.

Milk average for the organization was 736 pounds.

A state DHIA summary for October, released with the local report, shows the Cooke County association in third place in milk production among Texas' 24 associations.

The local group posted a milk average of 760 pounds per cow during October.

First place was held by the Randall association with 830 pounds and the Wichita Valley association was in second place with 820 pounds.

Cooke County tied for fourth in the state butterfat averages with DeWitt — each listing 29 pounds per cow.

The Denton-Grayson and Randall association tied for first in butterfat production with averages of 34 pounds. Wise County was second with 32 pounds and the Wichita Valley association was third with 31.

The state association averaged 630 pounds of milk and 26 pounds of butterfat per cow during October.

MARYSVILLE — Mrs. Janie Craddock of Gainesville is spending this week with her son-in-law and daughter, Mr. and Mrs. Lawton Moon. They

went for her Saturday.

Mr. and Mrs. Joe Snow of Cleburne visited the W. F. Davidsons Thursday. Sunday guests were Mr. and Mrs. Sam Baker and son Ray of Gainesville. Mr. Baker is Mrs. Davidson's brother.

Mrs. Bill Moon spent the weekend in Sherman as the guest of the Max Harrells.

Mr. and Mrs. John Richey drove to Ringgold Sunday to spend the day with Mr. and Mrs. Coy Fite.

Paula Shaw of Gainesville spent the weekend here with her father, Albert Shaw and her grandmother, Mrs. J. N. Shaw.

Mr. and Mrs. John Richey have a new great-niece, the infant daughter of Mr. and Mrs. John Marcus Barnes of Gainesville. The little girl arrived at the Sanitarium Monday night and has been named Vickie Ann. She has a four-year-old sister Donna and a two-year-old brother Mark. Mr. and Mrs. Barnes, former Marysville residents, operated the Marysville store while they lived in the community.

Mr. and Mrs. Bob Porath and daughter Sandra of Dallas visited her parents, the Jim Shiflets, Sunday.

Mrs. B. G. Lyons returned from Gainesville Friday after a visit with her daughter, Mrs. W. C. Stiles, who with her daughters Shirley and Velora spent Saturday night and Sunday here with her parents.

Health Department Urges Care in Use Of Cleaning Fluids

The curtains looked dingy, so she decided to clean them in a pan of gasoline in the bathtub. She forgot about the pilot light on the floor furnace just outside the bathroom door.

She was buried just a couple of weeks ago, this usually alert woman who was "accustomed" to doing her own dry cleaning. It happens to someone somewhere practically every day.

Many victims of home dry cleaning accidents, like the woman above, routinely used

flammable liquids to clean curtains or clothes. Others were beginners, motivated by economy or convenience.

Most of them were ordinarily sensible, with full awareness of the peril of gasoline or naphtha or other dry cleaning preparations. One moment of carelessness to which we are all prone turned them from happy homemakers into sad statistics.

Explosions are only one of several risks run by the thoughtless do-it-yourself operators. Some cleaning agents are flammable; others give off injurious vapors; still others are harmful to human skin. All could be lethal if taken internally.

So inflammable is gasoline that to keep it stored at home is to openly court disaster. Gasoline emits vapors to form explosive mixtures in the air. A transient spark from a light switch or cigarette and the mixture may be ignited.

Vapors may flow in an invisible stream for 200 feet from the point of use, flashing back and exploding the main container when touched off by flame or spark. Static electricity generated by synthetic or silk fabric being cleaned is fully capable of igniting the fumes of gasoline or naphtha.

Care must be taken to avoid inhaling concentrated vapors, since the common ones—excluding turpentine—are anesthetics. Some, after prolonged exposure, are injurious to internal organs.

If gasoline or naphtha can dissolve dirt and grime on fabrics, obviously these same fluids are able to cut through the natural oils of human skin.

You still insist on doing your own dry cleaning? Then do it right.

Use only non-flammable cleaning agents, keeping in mind that "non-explosive" markings on a label do not necessarily mean "non-flammable." Never, under any circumstances, use gasoline or naphtha.

Do your cleaning outside, where toxic vapors will be quickly and safely dissipated. Use a dip stick in the liquid instead of your bare hands.

Keep children and pets away from your cleaning operations. Children are often the innocent victims of home cleaning accidents.

Group at Lindsay Sees Travel Films

A group of about 30 persons gathered in the home of Mr. and Mrs. Johnny Zimmerer last Wednesday night to see films shown by Dr. Gene Watts of Gainesville. The pictures were made while he was with the armed forces in Germany for two years and included those taken on sight-seeing trips in several other countries. Accompanying Dr. Watts to Lindsay were his wife and his father, Ballard Watts.

After the films, Mrs. Zimmerer and her daughters served hot chocolate and coffee, homemade cinnamon rolls and homemade holiday cookies.

Present were the F. J. Gruber's, Robert Gruber, Henry Voth, Mr. and Mrs. Henry Voth Jr. and son, Mr. and Mrs. Vincent Zimmerer, Mrs. Bruno Zimmerer and Jimmy, Mr. and Mrs. Henry Zimmerer, Mr. and Mrs. John Arendt, Mr. and Mrs. Albert Herr and daughters and Sarah Fleitman of Muenster and the hosts and their family.

Anna Hoenig who has been working in New York City has gone to Miami Beach, Florida, for the winter.

Mrs. Bill Eberhart and children who have been dividing their time between visits with family members here, in Lindsay and in Gainesville, are presently living with the Bill Flusches at Lindsay and the older boys have enrolled as students at Lindsay school.

Mr. and Mrs. Johnny Jones and son Chris are new residents in Muenster, coming here from Othella, Wash. They are presently living with his sister and family, the B. I. Dorns, until they locate living quarters. Johnny is working at Ferd's Service Station. He served in the armed forces and lived in Washington state since his graduation from MHS.

Mr. and Mrs. Irven Derichsweiler and Debbie of Dallas spent the weekend here and in Saint Jo with their parents.

Mr. and Mrs. Vincent Trachta of Ardmore visited here Sunday afternoon with his mother,

Mrs. Frank Trachta and his sister and family, the Leo Henscheids.

Jerry Henscheid is among the first students from out of town to arrive for the holidays. He came in Thursday from Saint Edward's University, Austin, and will be through Jan. 1.

Mrs. Grant Cox returned to her home in Dallas Sunday after a six-day visit with her sisters, Mrs. Ray Wilde and Mrs. Alois Horn.

Mr. and Mrs. Joe Yosten of Oklahoma City spent the latter part of last week here with relatives and said they would be moving to Purcell, Okla., this week. Other guests of the Yosten families on Saturday were Mr. and Mrs. Richard Yosten and two sons of Snyder.

Mrs. Ray Evans returned Friday after spending most of last week in New Orleans, La., at the bedside of her brother, Joe Dickerson of Magnolia, Ark., who had a major operation. He was recovering satisfactorily when she left Friday. Mrs. Evans went and returned by plane.

Weekend visitors with Mr. and Mrs. Albert Fleitman were her sister and family, Mr. and Mrs. J. C. Elder and two sons of Odessa and Mr. Elder's mother, visiting them from Houston. Joining the group Sunday for an afternoon visit and supper were

Mrs. Fleitman's and Mrs. Elder's sister, Mrs. Ken Clark and her husband and two children of Gainesville.

Mrs. Johnny Rohmer has finished her nurses course at St. Paul's in Dallas and is back here with her family. Saturday her parents, the Joe Fettes, and other relatives will go to Dallas with her and her family to attend the private ceremony in which she will receive her diploma.

Neighbors Club Has Yule Dinner Party

Members of the Friendly Neighbors Club held their annual Christmas party Saturday night with their husbands as guests. The event was a fried chicken supper in the Ace Cafe.

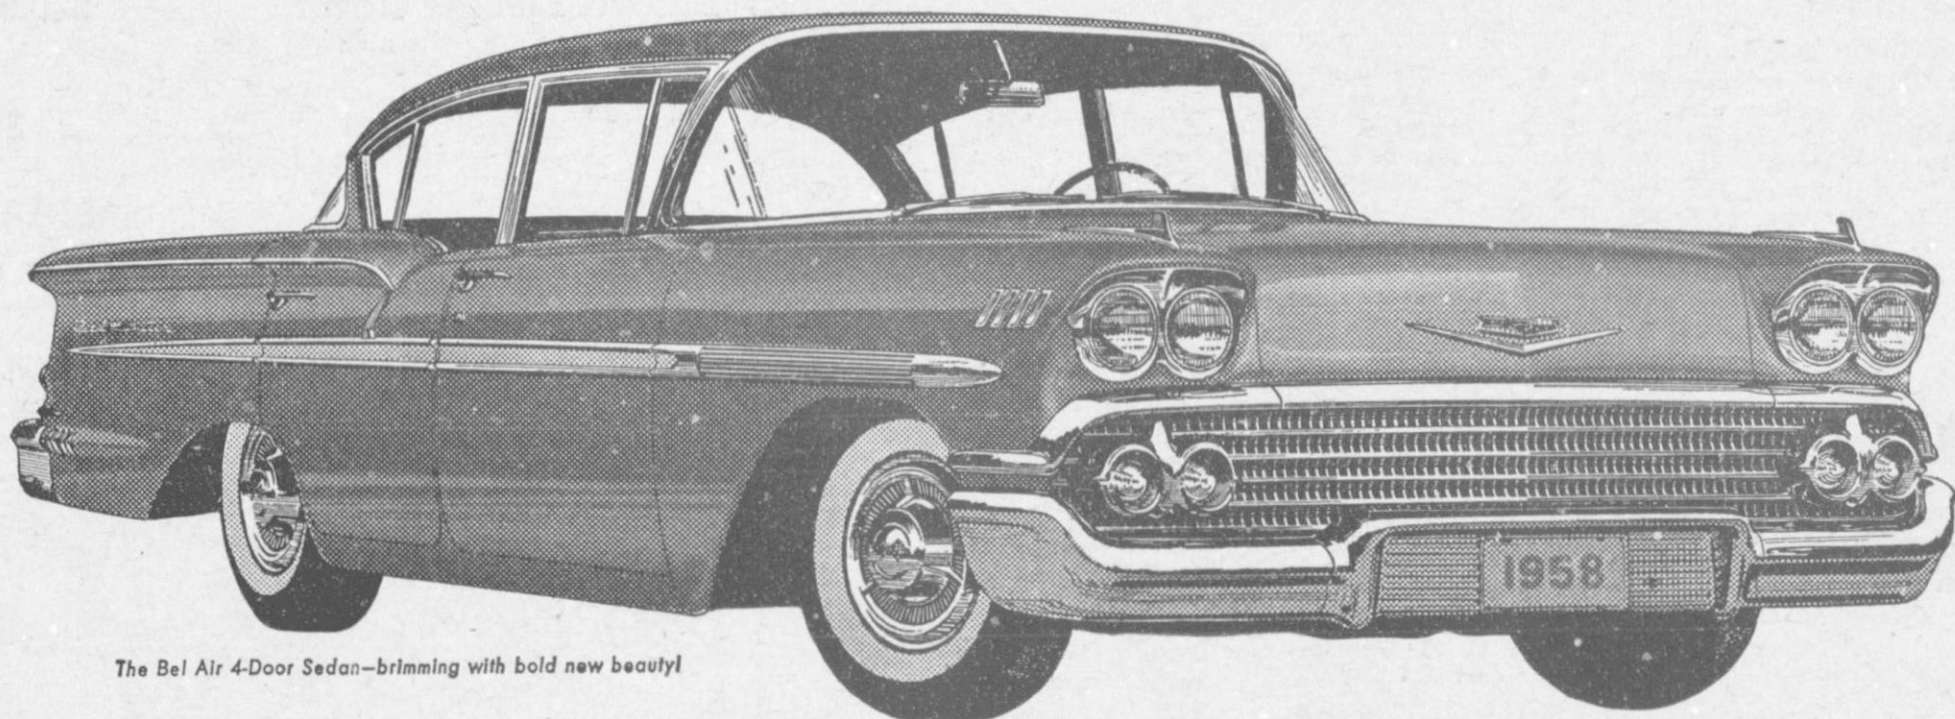

After the meal the group enjoyed a progressive 42 series. Mrs. Clarence Hellman won the high score and galloping awards, Mrs. Otto Walterscheid won the second high score prize and Richard Grewing was the consolation winner.

The party scene was enhanced by a large decorated and lighted Christmas tree.

Twenty-four members and guests were present. The guests were Mrs. Clarence Hellman, Mrs. Otto Walterscheid, Mrs. Al Walter, Dorothy Hartman and Mr. and Mrs. J. A. Klement.

Mrs. Richard Grewing will be hostess for the next meeting January 15.

BOUNTY LOCATED—Coral-encrusted remains of the famed mutiny ship, HMS Bounty, have been located off Pitcairn island in the Pacific, near where it was burned and sunk on Jan. 23, 1790, by mutineer Fletcher Christian and his followers. Here the salvaged, 12-foot anchor rests on a landing in Bounty Bay. Fletcher Christian, descendant of the original mutineer, views the relic which has the rounded flukes (arrow-like tips of the anchor's cross piece) used before 1810. **Drive Carefully
Avoid a 'Slay Ride'**

AUSTIN — "Don't spoil your Christmas with a 'slay ride!'" This plea was made today by J. O. Musick, General Manager of the Texas Safety Association, in an effort to bring the hazards of holiday traffic to the public's attention.

"Police and safety groups throughout the state need your cooperation to cut down on the potential holiday traffic toll," Musick said.

He pointed out that last December brought death to 252 Texans on our streets and highways.

"Every decent citizen is shocked by these needless and tragic auto accidents," Musick said. "If we begin now in fighting the holiday hazards, we'll be well on our way toward winning the war on the waste of human life. Speed too fast for conditions, alcohol, darkness and pedestrian errors are the biggest contributors to the December toll."

An unusually high degree of drinking-drivers and holiday excitement was also listed as being strong accident factors, as well as a volume of heavy traffic and inclement weather.

Social Security To Combine Checks To Elderly Couples

Some elderly couples will receive notice this month that their social security benefits will be combined into a single check, beginning in January, Marion Harkey, district manager of the Sherman social security office announced today.

Other couples who are receiving separate social security benefit checks as husband and wife will be notified in subsequent months, Harkey said, usually at least two months before they will be paid their first combined checks.

This new payment procedure is expected to save the Government about \$1 million a year. Payment of only one check, representing the combined monthly benefit amounts of a retired worker and his wife, was started on a trial basis in September 1956, but was limited mainly to families in which the wife first became entitled to benefits in September 1956 or later. In its 10 months of operation, the new payment method has proved successful and productive of substantial savings, Harkey said, and will therefore be extended, beginning in January 1958 to elderly couples who were on the social security rolls before September 1956.

With more than 10 million men, women and children receiving monthly social security benefits, and with the number increasing each month, the total cost of issuing checks has become a major concern of the Social Security Administration and of the Treasury Department. It costs more than 5 cents to prepare and mail each check, including postage, check stock, envelopes, manpower, and other supplies and equipment.

Examination Dates Set for Applicants To Highway Patrol

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, announced today the January dates for examinations to be given young Texans interested in becoming patrolmen in the state police organization.

The exams will be given in major cities throughout the state Jan. 13, 14 and 15. Applications for the jobs will close Jan. 10 and training for those selected will begin April 1.

In making the announcement, Garrison said the positions offer a good future for young men between 21 and 35 years of age who have a high school education and are in good physical condition.

Applicants must be between 68 and 76 inches in height, of good moral standards and weigh not less than two or more than three pounds per inch of height.

He said the patrolmen positions offer many personal benefits including good pay, retirement benefits, annual vacations, the best in training and equipment, holidays and sick leave. Students draw \$300 per month while training and receive automatic pay raises.

Exams will be given Jan. 13 in Tyler, Beaumont, San Antonio, Abilene, El Paso, Lubbock

and Austin. They will be given Jan. 14 in Dallas, Houston, Corpus Christi, San Angelo, Amarillo and Waco. On Jan. 15 the tests will be given in Fort Worth, Harlingen, Midland and Wichita Falls.

Persons interested in the good paying jobs may obtain complete information by writing to the Texas Department of Public Safety in Austin.

WHEN YOU'RE FEELING BIG

Here's a few words of wisdom for persons who might get too big for their britches. They were found in a John S. Swift Co. publication:

"Sometime when you're feeling important. Sometime when your ego's bloom. Sometime when you take it for granted you're the best qualified in the room. Sometime when you feel that your going would leave an unfillable hole, just follow this simple instruction and see how it humbles your soul. Take a bucket and fill it with water. Put your hand in it up to the wrist. Pull it out and the hole that's remaining is a measure of how you'll be missed. You may splash all you please when you enter. You can stir up the water galore. But stop and you'll find in a minute that it looks quite the same as before. The moral of this quaint example is, do just the best you can. Be proud of yourself but remember — there's no indispensable man."

OUT TO CHEAT STATISTICS

"Give the gift of life for Christmas."

That is the slogan for holiday driving agreed upon by the Texas Safety Council and Governor Daniel. Objective is to prove wrong the usually-right statisticians who say that 115 Texans will die in traffic accidents this holiday season.

To make drivers safety conscious, an all-out program is being launched by the Governor's office, Department of Public Safety, Highway Department, schools and military installations, and the Texas Safety Association.

Last December's traffic accidents took 252 lives, 108 of them during the holidays.

Frank Mages Sr. was dismissed from Gainesville Sanitarium Monday afternoon following treatment for pneumonia since Nov. 30. He is in Muenster for an indefinite visit with his daughter and family, the Felix Yostens.

Mrs. I. A. Zimmerer, 75, has been fitted with an artificial limb and looks forward to walking again though this will take time and practice. Mrs. Zimmerer lost her left leg just above the knee in surgery on Feb. 1, 1956, and has been getting around in a wheel chair since. She was in Dallas Friday for the final fitting. Going with her were Mr. and Mrs. Vincent Zimmerer and Mr. and Mrs. Henry Zimmerer.

Marlene Bezner, student nurse at St. Joseph's Hospital in Fort Worth, will arrive Saturday to spend a five-day Christmas vacation with her parents and family, the William J. Bezners.

Thursday night, Dec. 19, was Lindsay High school students' annual caroling party. Accompanied by roommothers, the

young people sang their way all over town and afterwards gathered at the school cafeteria for refreshments.

Mr. and Mrs. Henry Hess and their son Julius and his army buddy Howard McCollum of Bokoshe, Okla., have returned from a ten-day business and pleasure trip to New York City. The two young men spent most of their two years of army life in the state of New York and they enjoyed their return trip and visits with former buddies. It was the first trip to New York for Mr. and Mrs. Hess and they found it all fascinating in spite of almost constant rain or snow and the subway strike which made traffic on streets really bad. The four made the trip by car.

S.Sgt. Nick Arend was recently transferred from Bergstrom AFB at Austin to Barksdale AFB, Shreveport, La. Sgt. Arend and his wife and their children Nick and Debby live at nearby Bossier City.

Mrs. Paul Arendt Jr. and Mrs. Pete Stoffels represented St. Peter's parish at the quarterly meeting of the Sherman deanery NCCW in Denison.

Al Bezner of Dallas was a weekend visitor with his mother, Mrs. Joe Bezner and other family members.

Mrs. John Bezner has been dismissed from Gainesville Sanitarium following treatment and is spending some time in the home of her daughter, Mrs. Bomar Woods and family in Gainesville.

Joe Fuhrmann has been dismissed from Gainesville Sanitarium where he was a patient since Nov. 18 when he suffered injuries in a car-pickup crash. He received nine broken ribs and a lung injury. He is up and around his home. While he was hospitalized he was cheered with visits from his out of town children, Mrs. Frank Gully and two children of Vienna, S.D., Mrs. Paul Klein and five children of Topeka, Kansas, and Brother Michael Fuhrmann of Subiaco, Ark.

CARD OF THANKS

My family joins me in this expression of thanks for the kindness and help while I was in the hospital. The prayers, get-well cards, visits and other thoughtful deeds are all appreciated.

Travel Club Hears Christmas Reports

The freshman and sophomore classes Travel Club of Lindsay High enjoyed Christmas travel reports at their December meeting. Dorothy Bengfort traveled through Switzerland for Christmas and Jimmy Zimmerer told about Christmas in South America.

Everyone answered roll call by naming a favorite place of travel. President Jolene Zimmerer presided. Patty Schmitz read the ghost report. Lorine Voth, Paul Hess and Melvin Kuhn entertained with light comedy, reading a funny letter, telling jokes and asking riddles.

Carolyn Schmitz and Jimmy Moster were appointed to give travel reports at the next meeting.

Gay Twenty Group Makes Yule Plans

The Gay Twenty Club composed of juniors and seniors of Lindsay High discussed Christmas activity at its December meeting. President Cecilia Neu conducted the business and read a list of names to whom the high school will send Christmas greetings. The group also decided on gifts for the pastor and teachers.

Janie Kubis and Maxine Schmitz read the spiritual for the month and Leslie Kuhn and Leroy Neu volunteered to give the spiritual at the next meeting. Students in charge of the bulletin boards were changed.

Aima Haverkamp read the ghost report and members failed to identify the writer. They were informed that Linda Kuhn was the author.

At the next meeting the group will answer roll call by telling a favorite recreational spot.

THE VOTERS SAY . . .

In a nation-wide poll, Dr. George Gallup and his survey teams found that if it were left to the voters to decide in a referendum whether states should have "right-to-work" laws, the odds would heavily favor their widespread adoption. More than six out of every ten voters, or 63%, said they would vote for such a law.

SH Basketball . . .

Sacred Heart led 13-10 and 21-15 in the first two quarters and trailed 34-22 after a third quarter slump. The last half was fairly even and Thackerville held its lead. Scorers were Gene Hartman 12, Sonny Walterscheid 10 and Len Haverkamp 6.

In a pair of games last Friday night the school kids took both from the ex students. The girls won 40-31 and the boys won 37-21.

The Tigerettes took an early lead in the opener and kept ahead all the way. Theresa Mae Felderhoff for the Exes led the scoring with 16 and her teammate LaVerna Hess made 11. Tigerette scorers were Zimmerer 12, Bayer 10 and Mages 9.

The boys game started even with the first period ending 6-6 but after that the Tigers pulled ahead for scores of 14-7, 23-15 and 37-21 ending the other three quarters. Howard Mollenkopf and Sonny Walterscheid hit 10 and 11. Charles Felderhoff and Carl Walterscheid divided honors at 6 each for the exes.

Next action for the parochial teams will be a pair of games with Windthorst Thursday night and entry into the Holiday Tournament at Muenster High next week.

Big Crowd Attends Annual 4-H and FB Christmas Program

The annual county-wide 4-H club Christmas party sponsored by the county Farm Bureau drew several hundred youngsters, their parents, and Bureau members and their families to the community center building in Gainesville Monday for a night of fun and frolic. About 25 families from Muenster attended.

Four-H recreational leaders kept singing, dancing and games going for the young people while adults played card and domino games.

Lindsay's 4-H junior club presented the Story of Christmas featuring the Three Wise Men, shepherds and angels in costumes, and the Lindsay senior club sang Christmas carols for the entertainment program.

Each person attending received candy and fruit

Confetti . . .

of excessive blabbing.

It also seems that for once we have outdone the propaganda masters in breaking an important bit of news at just the right time. This stunt, along with the current Nato conference serves to soften the bluster of recent Soviet tough talk.

While it's gratifying to think that the Soviets have no advantage over us, we are still terrified by the thought of a clash between the two big powers. A much more desirable way of eliminating communism is through revolt of the poor unfortunates who have to live under it.

But then we wonder whether that is a futile hope. Since Hungary's patriots failed to get any

help from the free countries will any other risk an effort to break their shackles?

The only people to get even with are those who have helped you.
