VOLUME XXI

MUENSTER, COOKE COUNTY, TEXAS,

OCTOBER 4, 1957

NUMBER 46

## A. Walterscheid, 46, Dies Instantly in Tractor Accident

Of all those special weeks that are observed during the year, here is the one that should be cherished most by yours truly and others of his profession. This is National Newspaper Week (October 1-8) and its special theme for this year is "Your Newspaper Serves."

There are various ways in which this theme applies. A paper's first purpose is to inform, to bring its readers the most complete coverage possible of happenings within its special scope.

As regards a small weekly, such as this one, the foremost purpose is to concentrate on local news, principally the incidents and event that are not regarded as important enough for the attention of large papers. The weekly performs the very distinct service of taking news that is unimportant on a global or national scale and treating it according to its importance in its own special area. It tells about people and events that are important to us but does not report things that are important to the nation or world. It supplements the big metropolitan papers, reporting almost exclusively on the news that they do not bother with.

Another service of the local paper, one it shares to a great extent with the big publications, is to interpret. Through its editorial column the small weekly, like the big daily, tries to point out the special significance of certain events or developments. It invites the reader's attention to facts that concern him, either on the local or more extensive level.

To entertain is also a purpose of the newspaper. That may be accomplished through a variety of features, such as one finds in big papers, or through the news items about goings and doings of friends or neighbors.

Probably the most important function of a local paper is to provide community service. It tells what has happened and what is scheduled to happen. Its advertising space is a medium through which business firms can convey special messages to their customers.

Thinking of those several functions convinces us that this year's theme for National Newspaper Week is well chosen. A newspaper is in fact a community servant... informing, interpreting, entertaining and helping.

While feeling smugly satisfied that the theme for Newspaper Week is true, newspaper men of the country should nevertheless consider how well it applies in their particular cases. The sad fact is that some papers render a disservice. Perhaps they print news that is not fit to print. Maybe they by-pass news that deserves to be mentioned. Maybe they slant their interpretations so as to mislead.

One example of disservice is that story of the Confidential magazine trial. Sordid stuff like that does not belong in print... in a trial report nor in the magazine's original story.

Another example of disservice is the lambasting that papers used to give Senator McCarthy while belittling or overlooking his exposures. The same applied to a somewhat lesser extent to practically every public figure who endeavored to expose communism in this country. Smear stories on the men received wider and more prominent circulation than the men's achievements.

Still another example of disservice is the support so frequently given to socialistic ideas. Through ignorance or malice a certain element leans heavily through news selection or editorial expression toward the centralized welfare state.

In order to claim that a newspaper serves it must first apply solid Christian and American principles. There is no merit in filth or falsehood or theories that clash with the laws of God and nature.

### ATTEND CONVENTION

Mr. and Mrs. Herbert Meurer returned Monday after being away 12 days attending the national convention of the American Bankers Association in Atlantic City. They made the trip on a special train for Texas bankers and their wives. Going there was a side trip to New Orleans where the train stopped a full day. After four days at the convention the Meurers went to Scarsdale, N. Y., to visit her sister and family, the Tom Galleries.

## C. Graham, Myra Banker 22 Years, Dies at Henrietta

Funeral services were held at 3 p.m. Sunday in the First Methodist church at Henrietta for Charles Graham, 73, former Myra banker well known in North Texas banking circles. He died Saturday in a Henrietta hospital after a week's illness.

Graham began his banking career in Collinsville in 1904 and later organized the bank at Myra, operating it for 22 years. He moved to Henrietta in 1933, organized the First National Bank there and was active in its management until 1947. In 1951 he became president of the First National Bank at Bowie and lived there until January of this year when he retired and returned to Henrietta.

Survivors include his wife, a nephew and two nieces whom the couple reared, five brothers and two sisters.

Funeral services were held Saturday morning at 9:30 in Sacred Heart church with Rev. Louis Deuster officiating and Nick Miller directing arrangements. Bearers were Paul and Tony Walterscheid, Albert Stoffels, Leo J. Haverkamp, Bill Haverkamp and Frank Haverkamp Sr.

Three rosary services were held at the Miller Funeral Home Friday, at 4, 8 and 8:45 p.m., the last service conducted by the Knights of Columbus council of which he was a member. Alphonse Walterscheid was born (Continued on Page 10)

## Industry Promotion Will Be Aired at Meeting Thursday

A possible step toward industrial promotion in Muenster is on schedule for this Thursday night when more than 100 persons representing all occupations of the area will meet for a luncheon and program in the public school lunch room. The event starts at 7:15.

Topping the program is a talk entitled "Why an Industrial Team," by Robert McWhirter, president of the First National Bank of Paris. He is well posted on his subject and has talked on it at industrial meetings at Sherman and at A&M College. He will be introduced by Stan Shively of the TP&L community development department.

Also on the program is a question and answer session on industrial development problems conducted by C. W. Garrard, assistant vice president of the Fort Worth National Bank. With him will be Rex Jennings of the Fort Worth Chamber of Commerce.

## Hornets Win Third Straight, Wallop Newcastle 31-12

After a slow start Muenster's alert and aggressive Hornets came to life in a big way Friday night and romped past the Newcastle Bobcats 31-12.

They came from behind to turn the trick, overcoming their 6-0 first quarter deficit and slipping over three fast TDs in the second period. From that first period on Coach Ansley's boys enjoyed a definite advantage over their heavier but less versatile visitors.

Leaning heavily on their aerial attack the Bobcats got off to a nice start and advanced three first downs before being halted on the 23 stripe. The Hornets moved back to midfield and also bogged down, after which the visitors drove to the first score, the payoff play being a pass to big Don Herring, the bruising fullback who made most of the Bobcat yardage and both scores.

Following the next kickoff the Muenster boys put on a fast and beautiful drive for 63 yards and a TD. The push consisted of 8 plays, the last being Wolf's 7 yards to the double stripe. After that Otto kicked true for the only extra point of the game.

Two plays after the next kickoff Hamric's interception put the Hornets back in business on their 46. Then Wolf scooted to the goal but was called back and the team penalized for backfield in motion. Hamric made 8 and again Wolf got away, this time for a score that counted.

Another good scoring opportunity came moments later as Muenster recovered a Newcastle fumble on the 8. The Bobcats were equal to the task, however and set the Hornets back in the next four tries. But then came another break. Hamric snared another Newcastle pass and got (Continued on Page 10)

## County Dairymen Attend Meeting on Herd Improvement

About 150 dairymen and business men from all parts of the county were guests of the Muenster State Bank and the First State Bank of Gainesville last Thursday night at a luncheon and meeting in the public school.

The purpose of the meeting was to encourage development of higher producing herds through selective breeding. Dairymen were told that accurate records to determine their best animals along with a sound breeding plan would pay off in bigger milk checks and bigger prices for animals that are sold.

Gordon Yeagan, veterinarian, showed picture slides of the characteristics of good healthy animals and a Mr. Crow of American Breeding Service emphasized the value of complete production records.

Ben Davis, president of the Cooke County DHIA was chairman at the meeting which opened in the school lunch room and moved later to the auditorium. The program ended with drawings for three cash attendance prizes. Leo Hesse got \$15, Mrs. Joe Krahl of Lindsay won \$10 and Mrs. R. L. Master of Valley View won \$5.

## Building And Improvement Notes

Removal of the old VFW home last week almost sets the stage for a new building job here soon. The site is clear now and construction is due to start within weeks, after a committee decides on details and finishes plans. The old house, which dates back to the early days of Muenster, was moved to the Homer Ford place at Rosston.

Another new house, just getting started, is Roy Atteberry's at the corner of First and Oak in Muenster. It's 2-bedroom size, with carport.

The community's biggest job, the new livestock auction west of town, is finished far enough for its grand opening Saturday but paint and other finishing touches will be added as time allows for the next several weeks.

An addition is just getting started at the back of Pagel's store. Measuring 16x30, it will provide space for a refrigerator vault and additional storage.

Likewise new is a hay barn at Al Trubench's. It's made of sheet metal, measures 30x40, is almost finished.

Jack Fletcher has added interior improvements in two rooms of his house. Walls were sheet rocked, new floor cover was laid and a floor furnace was installed.

A fairly large overhaul job is almost finished at the Myra school, repairing damages done by a storm a few weeks ago. The building had been generally messed up in the area of the auditorium. Some of the roof was torn away, the brick wall was damaged, walls and floor were water soaked.

A new roof has just been put on the John Fette ranch house north of town. Francis Wiese has a new outside paint job on his house.

## WITH THE MEN IN SERVICE

### Gets Assigned

Jerry Fuhrman who was transferred to San Antonio by the Army recently has been assigned to the field hospital for duty. His complete address is: 47 Field Hospital, 67th Medical Group, B.A.M.C., Fort Sam Houston, Texas.

### On Leave Here

Airmen Wilmer Walterscheid and Delbert Walterscheid of Dyess AFB at Abilene arrived early last Friday after receiving word of the death of Wilmer's father. Wilmer has 15 days to spend with his mother, Mrs. Alphonse Walterscheid, and Delbert has 10 days at home with his family, the Harold Walterscheids.

## Livestock Sales Resume Here Saturday with Grand Opening Of New Sale Barn and Pens

The livestock auction business will return to Muenster in a big way next Saturday, October 5 at noon, when Dick Cain re-opens his Muenster Livestock Auction in its brand new home a mile west of town on Highway 82.

The new building and its facilities, rated among the best in North Texas, replaces the 11 year old sale barn which was partly destroyed by fire on August 28. Rather than rebuild the cramped and inconvenient facilities Cain decided to build completely new providing the space, features and convenience he wanted.

Though ready for use the place will be far from complete for its grand opening. None of the woodwork, which includes seats and ceiling in the main arena, the office furnishings and all exposed wood outside will be painted. Likewise steel posts and rods on the outside stock fences need their coat of aluminum paint. Furnishings for the lunch room are still coming, hence no lunches will be available there for a while. For the opening, however, the firms will arrange to serve free coffee and cookies in the lunchroom.

## FFA Chapter Wins Top Honors in T&O Fair at Iowa Park

Muenster High's Future Farmers of America walked away with some of the top honors in the Texas-Oklahoma Fair at Iowa Park last weekend.

In the sheep show, Billy Otto, Roger Fleitman and Doug Hellman gathered up a fist full of ribbons and fifty-six dollars in cash. Roger's ewe lamb was judged the grand champion of the Suffolk show; his ram was the reserve champ; and Billy's Southdown ram was the reserve champion in its division.

Billy Otto tied for first place as individual high scorer in the land judging contest. He ran up 208 points out of a possible 240. The team was in sixth place. Likewise in sixth place was the grass judging team.

More than 200 head of sheep were entered in the sheep show, and competition was keen in land and grass judging. The contests brought out teams from over a wide area.

Muenster's wins were: Southdown Show - Billy Otto's ram first and reserve champion; his ewe seventh. Doug Hellman's aged ram, second; ram lamb, fourth; ewe, sixth. Suffolk Show - Roger Fleitman's ram first and reserve champion; his aged ewes, third and fourth; ewe lambs, first and fourth; and his ewe lamb grand champion in the show.

## First Period Jinx Annihilates Tigers; Lions Win 49-27

If that nightmarish first quarter could be scratched off the record the Sacred Heart Tigers would have reason to be cheery about their game with St. Mark's on the local field last Saturday night.

At the close of the first period the visitors were leading 25-0 but after that the Tigers matched the crafty Big D boys touchdown for touchdown and made a few extra points to boot. The final tally was 49-27.

Everything seemed to go wrong in the first period. On their first series the Tigers failed to gain and a bad pass from center spoiled the attempted kick, setting up St. Mark's on the 29. Three plays later Newbury, the Lion speedster, scooted around right end for 10 yards and 6 points.

The next score came even faster. Sacred Heart fumbled on the first offensive play and St. Mark's was in charge on the 10. The next play, a pass to Pickens, paid off and Newbury kicked the extra point.

TD number 3 was almost a carbon copy of the first. Mollenkopf was set to kick on fourth down but the pass from center sailed over his head. By the time the play ended the Tigers had lost over 25 yards and St. Mark's was set up on the 15. A penalty moved the ball back 15 but that made no difference to the visitors. Newbury took a short pass and got to the 7 and finished the drive (Continued on Page 10)

## Wm. J. Loerwald, 70 Passes Wednesday; Funeral Thursday

William J. Loerwald, 70, died at about 12:15 a.m. Wednesday in Gainesville Sanitarium where he was a patient following major surgery on Sept. 20. A longtime resident of Lindsay, he moved east of Gainesville when Camp Howze took in his farm.

Funeral services with requiem mass were conducted Thursday at 9 a.m. in St. Mary's church at Gainesville and burial was in St. Peter's cemetery at Lindsay. Rev. E. J. Gerlich officiated and George J. Carroll and Son Funeral Home was in charge of arrangements.

Bearers were Billy Roberg, Gary Booth, William Schmitz, John Kupper, Frank Loerwald and Lambert Beyer.

Rosary was recited at the Carroll Chapel Wednesday at 8 p.m. Mr. Loerwald, a farmer and stockman, was a resident of Cooke county for 60 years. He was born in Germany. His parents, Mr. and Mrs. Frank Loerwald, came to the United States when he was an infant. They settled in Iowa and about nine years later moved to Lindsay.

Survivors are his wife, the former Clara Hofer; a son Julius of Gainesville, two daughters, Mrs. W. S. Booth of Dallas and Mrs. Frank Roberg of Gainesville; a brother Robert Loerwald of Gainesville; two sisters, Mrs. Joe Schmitz and Mrs. Adam Beyer of Lindsay, and seven grandchildren.

## Flu Bug Changes Game for Tigers; Going to Ladonia

The football schedule at Sacred Heart High, like many others over the state, has suffered a casualty because of the flu bug. Tuesday afternoon officials of Gainesville advised Father Christopher that many of the Gainesville B players are down with the ailment and the team cannot report for its scheduled Thursday night game here.

Fortunately the epidemic also helped the Tigers to schedule another game on short notice. The team will go to Ladonia. When told that other games were cancelled because of the flu Father Christopher started inquiring and found Ladonia as one of the teams left without an opponent for the weekend. He called the superintendent there and the two agreed on a couple of games. Sacred Heart will go there this year and Ladonia will come here next year.

Ladonia plays in a Class B conference and its record so far is three wins and one loss. Kick off time for the Thursday night game is 8 o'clock.

**Blessed Events**

It's a girl was good news for Mr. and Mrs. Harold Luke of Arlington when little Peggy was born at 12:30 p.m. Friday, Sept. 27. The five pound 12 ounce daughter is a sister for Tim and Chris. She is the granddaughter of Mr. and Mrs. Ben Luke and the great-granddaughter of Mrs. Fred Herr Sr. Her maternal grandparents, Mr. and Mrs. Stanley O'Neal, live in Whittier, Calif.

Leon Francis, son of Mr. and Mrs. Alfred Bayer joined the family Saturday Sept. 28, when he arrived at Gainesville Sanitarium at 8:40 p.m., weighing seven pounds three ounces. He is the couple's sixth child and fifth boy. The other children are Joe, Melvin, Paul, Larry and Mary. Mr. and Mrs. Frank Klement and Mrs. Joe Bayer are the grandparents and Mrs. Joe Walterscheid is the great-grandmother.

**Local News BRIEFS**

Mrs. Mary Bone of Albuquerque, N. M., arrived Tuesday for a visit with her sisters, Mrs. Joe Otto and Mrs. Lena Bernauer, and other relatives. On her return home this weekend she will stop in Wichita Falls to visit friends.

Mrs. Charlie Wimmer Jr. and children Charlene and Rickey and Mrs. Tony Wimmer spent Monday in Dallas. The children had regular dental appointments and after that the group visited Mrs. Tony Wimmer's daughter and family, the Herbert Ottos.

Sister Thomasina of Jonesboro, Ark., was here Friday through Sunday with her mother, Mrs. John Walterscheid, and attended the funeral of her brother Alphonse Walterscheid Saturday. Mr. and Mrs. Norbert Walterscheid met her train upon arrival in Dallas and Mr. and Mrs. Hank Walterscheid took her to Denison to board a train for the return trip. Sister Thomasina, a registered nurse, is on duty at Holy Angels Convent Hospital.

Mrs. John Schilling of Hous-

ton who came here for the funeral of her son-in-law, Alphonse Walterscheid, is remaining for an indefinite stay with her daughter and family, and will also visit her other children here before returning home.

M.Sgt. and Mrs. Earl McDaniels visited here with family members and at Gainesville Sanitarium with her father Henry Streng last Thursday. They came from Dallas where Mrs. McDaniels and three children will live with her sister Mrs. Marie Pannell while Sgt. McDaniels is on assignment in Newfoundland with the Air Force. The family had been living at Perrin Air Force Base. Sgt. McDaniel left Dallas Monday by plane for his new station.

Mr. and Mrs. M. F. Milner drove to Dallas Sunday for an afternoon visit with their daughter Margie at SMU.

Mr. and Mrs. C. B. Sears had as Mrs. Walter Vanderpool of Dalguests last Wednesday Rev. and las. He is pastor of St. John's Methodist church there and is former superintendent of the Denton district.

Here for the funeral of Alphonse Walterscheid Saturday, and dinner guests in the home of Mr. and Mrs. Harold Walterscheid were Airman Delbert Walterscheid, Margaret Chancey, her father Elbert Chancey, Airman and Mrs. Joe Lowry, Airman and Mrs. Gary Jones, Airman Caesar Casias and Airman Don Ray Moon, all of Abilene. Mr. and Mrs. Jim Harris and daughter Jimmy Lyn joined the group at her parents home.

Sunday dinner guests in the home of Mr. and Mrs. Gene Gieb were his sister Lonnie and family, Mr. and Mrs. Ben Tubb and three daughters of Oklahoma City. Joining them for an afternoon get-together were Mr. and Mrs. C. B. Fallon of Sherman, Mr. and Mrs. Walter Nortman of Lindsay, Mr. and Mrs. Joe Trubebach and family, and two cousins of the Giebs whom they hadn't seen in 28 years, Jake and Gotlieb Friesenhahn of New Braunfels.

Mr. and Mrs. Eugene Klement have as their guest her sister, Ceil Raleigh of St. Paul, Minn. She arrived Tuesday for a ten day visit.

Father Christopher officiated and Mrs. Robert Bayer and Leo Hesse were godparents at the christening of infant Leon Francis Bayer, son of Mr. and Mrs. Alfred Bayer, Wednesday.

Mr. and Mrs. Carl Ellison and two children returned to El Paso this Thursday after a ten day visit with her mother, Mrs. Joe Walterscheid.

Lillian and Mary Lou Vogel, Marcy Klement, Mary Pick and Emma Fisher, all of Fort Worth, came home Friday to attend the Hornet football game and spent the weekend with their families.

Mr. and Mrs. Henry Luebbert and daughters Carol Ann and Henriette and their friend Bennie-McCorley, all of Fort Worth, were Sunday visitors with Mrs. Luebbert's mother, Mrs. Henry Stelzer, and her uncle and aunt, the Bill Stelzers.

Arriving here Tuesday for a visit until Friday with relatives of the Walterscheid and Loerwald families were Mr. and Mrs. Leonard Walterscheid and daughter Donna Lynn of Amarillo. They are enroute home after a trip to Iowa.

Guests of Mr. and Mrs. Joe Knabe last weekend were her cousins Mrs. Joe Joerger of Altus, Ark., her son Eddie of Kansas City, and her daughter Mrs. Steve Deuster and daughter Dorothy of Fort Smith, Ark.

Jerry Fette, accompanied by a friend, drove in from Waco Sunday for dinner and a short visit with his parents, Mr. and Mrs. Henry Fette.

**Carol Miller And Ervin Henscheid Say Vows Tuesday**

—Boyd and Breeding Photo

Carol Miller, daughter of Mr. and Mrs. Theo Miller, and Ervin Henscheid, son of Mr. and Mrs. Albert Henscheid, were married at nuptial high mass in Sacred Heart church Tuesday morning at 9 o'clock. The Rev. Louis Deuster officiated.

Yellow chrysanthemums adorned the altar before which the couple exchanged their vows in a double ring ceremony. Anthony Luke, organist, played the traditional wedding marches and remained at the console for the Joan of Arc Mass sung by the Sacred Heart male choir. Joaline Mollenkopf, soloist, sang before and after the service and at the communion.

Mrs. Randy Bayer of Gainesville was matron of honor for her sister and Caroline Hesse, cousin of the groom, was bridesmaid. Kathy Miller, niece of the

bride, was flower girl. The groom's attendants were his brother Virgil Henscheid and Randy Bayer. Carl Schilling and Stan Yosten ushered.

Mr. Miller gave his daughter in marriage. She wore a bouffant skirted floor length white gown with Chantilly lace bodice and long sleeves, and tiered skirt of tulle ruffles edged with lace. A half crown of lace trimmed with sequins and teardrop pearls held the fingertip length veil and she carried a colonial bouquet of white carnations. The wedding dress was designed and made by the bride's sister, Mrs. Stan Yosten of Fort Worth.

The matron of honor, bridesmaid and flower girl were gowned identically in orchid nylon marquisette over darker orchid taffeta. Draped shoulders enhanced the fitted bodices. The wide flared skirts were ballerina length. They wore matching velvet half hats trimmed with crushed velvet leaves in two shades of orchid. Their flowers were colonial bouquets of yellow chrysanthemums.

Following the service, members of the bridal party and the immediate families had brunch in the bride's home. In the afternoon a reception was held in the parish hall where a buffet supper was served. Mrs. Joe Lehnertz was in charge of catering. About 250 guests registered in the bride's book at which Sharon Yosten and Diane Endres presided. At night a wedding dance was held in the VFW hall.

When the newlyweds left on a honeymoon, not revealing their destination, she was wearing a mauve-pink suit with black accessories. They will make their home here on Seventh Street. He is employed by W. J. Miller. Both are graduates of Sacred Heart High school.

## The American Way Plain Stupid!

We are indebted to the Cape Breton Post of Sydney, Nova Scotia, for the following sad tale:  
 It seems that the wasps in the barn had bothered a farm hand long enough. So, he decided to burn them out. His effort worked. Not a wasp remained. The flames that destroyed the wasp-nest also burned the barn, 5,000 bales of hay, 2,000 bushels of barley, 200 loads of fertilizer, a utility shed, a garage and three drums of gasoline. Good work on the part of the firemen saved the house.  
 The farm-owner no doubt feels

that it would be better to endure a few stings than be utterly ruined. The farm hand is looking for another farmer to employ him, where, probably, he will encounter more wasps to sting him.

Doesn't this story remind you of certain individuals in the United States and Canada — individuals who would "burn" out the entire free enterprise system because they find some "wasps" in the "barn" of business and industry?

Well, that's exactly what the left-wing, so-called "liberals" will accomplish if permitted to carry out their plans for our "salvation." Because of a flaw here and there in our economic systems, an occasional businessman who disregards the Golden Rule, they'd completely destroy the very thing that has made Canada and the United States, the two most free and prosperous nations in all world history. Let's not let 'em do it!

## No Magic in Government Power

Dr. S. C. Hollister, Dean of the College of Engineering, Cornell University, has asked and answered a few questions that are of direct financial interest to practically everyone in the United States.

Here's what he said: "How would you like to receive your electric bill with a notation that 35 per cent was being deducted because the utility furnishing your electricity could now do so without having to pay the usual taxes and the full cost of capital? This is what the biggest power producer in the business can do for its customers. Who is this producer? Your federal government. How does it do this? It taxes you to make up the deficit.

"How would you like to receive a note on your light bill saying that a sum has been added so that someone you never heard of could get his light bill reduced 35 per cent? This is what is happening to most of you, but it isn't being so marked on the bill. About 80 per cent of the people are paying a quarter to a third of the light bill for the other 20 per cent."

In those two concise paragraphs Dr. Hollister has shown why socialized power is super-

# National NEWSPAPER WEEK

ficially "cheap" — and has exploded the myth surrounding that alleged "cheapness." There is no magic in government power. The government can't build a dam or a generating station or a distribution system for less money than private enterprise—indeed, due to the nature of political undertakings, government costs for comparable projects are often much higher.

## Pot Calls Kettle Black

The president of the United Steelworkers, while accepting a 15½ cent hourly wage boost for his members, criticized the U. S. Steel Corporation for raising prices to meet the \$1.24 a day increase in pay.

Every storekeeper, garage owner, barber or beauty parlor operator knows they have to raise prices if they increase wages \$1.24 a day.

The steelworkers set the pattern for the last round of wage increases and now the circle has started again.

When the president of the Steelworkers said to the U. S. Steel Corporation, "I recommend that the corporation take a long hard look at its pricing policies which can only have a damaging effect on the entire economy," he should have applied it to his

own organization's policies — they both promote inflation.

It doesn't beautify the pot to call the kettle black.

"... the U. S. Treasury paid \$600 million as interest on the \$23 billion Social Security trust fund invested in federal bonds... In short, you've paid social security once when you pay your tax — and you pay more on it every time the government pays interest on those bonds!" —Summit, Miss., Sun.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. GET A DEMONSTRATION!

The beautiful Bel Air Sport Sedan with Body by Fisher.

# THE GOING'S EXTRA GOOD AND SO'S THE GETTING RIGHT NOW!

If you haven't had your hands on a Chevy steering wheel this year, it's high time you hustled over to your Chevrolet dealer's for a performance sample. A tour through town brings out the best in Chevy's easy handling. Then get out on an open stretch of high-

way and nudge it a little. Feel that heads-up response and the solid, well-balanced way Chevy holds the road. Try a rough piece of road on your return trip and feel how smoothly Chevrolet's suspension rolls with the punches. Back to the showroom for the

last revelation—to see how easy it is to own a Chevrolet with a late-season deal!

GET A WINNING DEAL ON A NEW CHEVY —THE GETTING'S EXTRA GOOD!

Only franchised Chevrolet dealers display this famous trademark

**Marysville News**

By Mrs. B. G. Lyons

MARYSVILLE — Mrs. John Richey and Mrs. James Cole were Sherman visitors Monday.

Rev. Howard Bigham of Fort Worth who has been pastor of

the Marysville Baptist church for the past two years will give his last sermon here next Sunday. He has resigned as pastor and as yet no minister has been named to succeed him. The congregation has planned a surprise shower for Rev. and Mrs. Bigham as a farewell courtesy.

Rev. and Mrs. Walter Vanderpool of St. John's Methodist

church in Dallas visited Wednesday with Mr. and Mrs. W. F. Davidson. Sunday guests in the Davidson home were Mrs. Edgar Jones of Walters, Okla., and her mother Mrs. J. I. Welch of Gainesville.

Marysville Progress club enjoyed an interesting program at the regular meeting Thursday night. Emmitt Yoder of the Muenster Soil Conservation Service office spoke on soil conservation and Roy Endres, Jr., also of the office, showed slides. Cookies and drinks were served by club hostesses after the meeting.

Recent rains have left the soil in good condition for seeding in this area and farmers are busy planting crops.

Raymond Davidson and family of Fort Worth spent the weekend at their ranch here.

Mrs. W. B. Whitt has returned from Decatur where she spent a week visiting her grandson Jeffrey Dale and his parents, Rev. and Mrs. Billy Whitt.

Mrs. W. W. Butts and son Raymond and little grandson Mike Welch of Gainesville visited last Tuesday with Mr. and Mrs. B. G. Lyons. Raymond is on a three-week leave from Navy duty. He has been stationed in Mississippi but his new assignment is in Hawaii.

Mrs. W. L. Young and daughter Evelyn of Tyler and Mrs. Herbert Young of Dallas spent Sunday with the former's sister Mrs. B. G. Lyons and Mr. Lyons. They visited relatives in Gainesville Saturday.

Mrs. Ora Goff of Walters, Okla., visited her mother Mrs. Nellie Kelley and her sister Mrs. Lloyd Barnhart last week.

Don Ray Moon and some buddies from Abilene Air Base attended funeral services for Alphon Walterscheid and spent the weekend with Don Ray's parents, the Bill Moons.

Marysville Home Demonstration club met Friday afternoon with Mrs. Marvin Doughty as hostess. Because the county agent was unable to attend and present the program the meeting was a social event and refreshments were served.

Mr. and Mrs. Bill Moon drove to Sherman Sunday for a visit with her daughter and family, the Max Harrells.

About age 16, most boy scouts become girl scouts.

# HOFBAUER'S

FOOD & LOCKER SERVICE

**IT HAPPENED  
20 YEARS AGO**

Oct. 1, 1937

Cheese factory improves whey disposal system. Paul Yosten shows improvement after critical illness. Richard Schmitz returns to Lindsay after being in the Navy four years. Twelve cent cotton is guaranteed by the government. Oscar Sovole is victim of gin accident in New Mexico. Myra school opens with 67 students enrolled. REA applica-

tions from Forestburg are not being accepted. Discussion is begun on sewage disposal plant for Muenster. Mr. and Mrs. Charles Fisher announce the arrival of Clara. Engagement of Tillie Spaeth and Andy Schoech is announced. Edgar Fette and Charlie Hellman are in Colorado getting a truck load of cabbage to be on sale here Monday.

**15 YEARS AGO**

Oct. 2, 1942

Rev. Augustine Danglmayr will be consecrated bishop next Wednesday, family members and friends will attend ceremonies. Election to make Muenster an independent school district is set

for Oct. 14. Gasoline rationing will begin next month. M. J. Endres store discontinues the sale of groceries. Rev. Francis Zimmerman joins army chaplains corps. Public school gets its second bus; will serve north and west of the city. The season's first frost arrived Sunday. Mr. and Mrs. Louis Steinberger of Windthorst move to Muenster. Marjorie Pagel and Henry Schniederjan marry. J. S. Horn is up and around again following a light stroke. Shortcourse for water and sewage men is conducted here by A&M instructor.

**10 YEARS AGO**

Oct. 3, 1947

Thirty-six thousand watts are ready to blaze at the flick of a switch on the Hornet football field. Sacred Heart Mosaics staff begins second year of school paper's publication. Eugenia Luke and C. J. Rucker marry in Fort Worth. Mr. and Mrs. Leonard Luttmir announce arrival of a daughter. Mr. and Mrs. Ray Wilde and Mr. and Mrs. Gussie Reiter announce the birth of sons. Den 2 Cub Scouts have meeting and birthday party honoring Jerry Henschel and James Mollenkopf in the home of Den

Mother Mrs. J. W. Fisher. Florence Arendt is elected president of Lindsay 4-H girls; Raymond Sandmann is president of boys' club. Mr. and Mrs. Pat Hennigan have announced the arrival of Pat Jr. The Emmet Fettes were hosts in their home Sunday for a dinner party honoring Lt. and Mrs. Tim Stormer and daughter of San Antonio. Father Joseph Bolds of Santa Ridge, Ark., stopped here for a visit with the local pastors enroute home after visiting his sister, Sister Martina at Rhineland.

**5 YEARS AGO**

Oct. 3, 1952

Rev. Paul Charcut talks at district meeting of Catholic League here. Twenty men enroll for adult shop course taught by L. B. Bruns. Parochial roommothers start work on birthday calendar. Twelve Boy Scouts pass advancement tests. Earl Robison is named to fill vacancy on county school trustee board created by the recent death of Ben Seyler. Norbert Mages, Urban Rohmer and Alois Sicking receive discharges from the armed forces. Mary Jean Ingram and Grady McElreath marry. Saddle club members have barbecue supper in the city park. New arrivals: a daughter for the Arnold Rohmers and a son for the Tommy Felderhoffs.

Guests here Wednesday in the homes of Messrs. and Mmes. Bill Kathman and Joe Lutkenhaus were Mr. and Mrs. Fred Holling of Benton, Kansas. The couple was on a honeymoon trip and went from here to Wichita Falls to visit her son at Sheppard Air Force Base. Mrs. Holling is the former Rose Steffins Fisher, a cousin of Mrs. Kathman and Mr. Lutkenhaus. She was born in Muenster and lived here until she was five years old. The Steffins family lived on the location where Mrs. Joe Fleitman Sr. resides now. They moved away 57 years ago and Mrs. Holling had not visited here since. The couple also went to Lindsay to visit her cousin Ben Lutkenhaus there before continuing their trip.

Mrs. Frank Kathman Sr. returned Saturday from Corsicana where she spent six weeks with her daughter and family, the Pete Hawthornes. Mrs. Hawthorne is regaining her strength now following a major operation.

Mr. and Mrs. Joe Hoenig and son Raymond visited in Dallas Sunday with the Rupert Hoenigs and brought little Bobby and Gary Hoenig home with them for a visit this week.

Mr. and Mrs. Pete Koelzer and children Dolores, Norman and Melvin of Madill, Okla., spent Sunday with their children here. They all got together in the home of Mr. and Mrs. Arnold Knabe. Others there were the Victor Koelzers, the Joe Heremes and Veronica Koelzer.

Jimmy Jack Biffle of Myra has returned to ETSTC at Commerce where he is a sophomore this year.

Mr. and Mrs. Joe Yosten stopped here Monday to visit members of his family. They are moving from Farmington, N. M., to Oklahoma City.

Mrs. M. J. Endres, Mrs. Henry Fette and Mrs. Emmet Fette drove to McKinney Sunday afternoon for a visit with Joe Endres at the VA Hospital. He continues to improve but did not know how much longer it would be before he is dismissed.

**Local News  
BRIEFS**

On October 1 Mrs. L. A. Bernauer quit work at the Muenster State Bank after being an employee for 23 years.

Mrs. Tony Gremminger has joined the personnel at the Muenster State Bank.

Mrs. M. H. King, accompanied by her aunts, Mrs. Lon Blanton and Mrs. John Trew, of Valley View, drove to Henrietta Sunday to attend funeral services for Charles Graham, former Myra banker. Mrs. Blanton, then of Myra, was employed in the bank for ten years.

Mr. and Mrs. Gene LaGesse have advised her parents, Mr. and Mrs. R. R. Endres, that they are back in Houston for the school term after spending the summer in Fort Worth. He is continuing study at the University of Houston and she is doing secretarial work.

## of Muenster Livestock Auction in its new home

*We Extend Sincere Congratulations  
And Best Wishes to Dick Cain*

We wish him the fullest measure of satisfaction and success he can derive from operating his spacious, good looking and modern facilities, and...

As fellow residents and business people of Muenster we share in his pride on this occasion. His fine new auction barn, a wonderful improvement over the one recently lost in a fire and rated as one of the best in North Texas, is a valuable asset to the community.

The firms listed below join in thanking Dick for his outstanding achievement in community improvement.

**4-H Clubs Organize And Elect Officers**

Four-H girls of Sacred Heart school organized for the year at their first meeting of the term Wednesday. The group met together with Miss Yvonne Allen, formed a junior and an intermediate club and elected officers.

Officers of the intermediate group are Bernadette Yosten, president; Carol Hess, vice-president; Patsy Endres, secretary; Jo Ann Fisher, reporter.

Junior club officers are Patsy Fette, president; Dolores Monday, vice-president; Linda Fette, secretary; Virginia Taylor, reporter.

Members filled out enrollment cards and permanent record sheets, then discussed Rural Youth Day at the State Fair which they will attend in a group Saturday.

**RETURN FROM TRIP**

Mr. and Mrs. John Schmitz returned Tuesday evening from a 15-day vacation that took them to the West Coast and Old Mexico for visiting and sight-seeing. They went with Mr. and Mrs. Matt Stelzer of Post where they visited before leaving on the tour. At Post they all joined in the town's golden jubilee celebrations. The two couples spent a week in Norwalk, Calif., with the Stelzers' son and family, the Gerald Stelzers, visited the Richard Hennigans and Bill Nelsons at Oxnard, and were guests of Matt's brother Arnold Stelzer and family in Sacramento. Among interesting places included in the sight-seeing was Capistrano Mission. On the way the travelers stopped to visit the Maurice Stelzers at Alpine.

Mr. and Mrs. Herbert McDaniels spent a ten day vacation at Rock Creek, Lake Texoma, returning home Friday.

### Lindsay News

Mr. and Mrs. Barney Sandmann of Fort Worth and Jere Friske of Dallas University spent the weekend with their parents, Mr. and Mrs. Martin Friske. The Sandmanns also visited his mother, Mrs. Ben Sandmann.

Mrs. Zita Fleitman entered Gainesville Sanitarium as a surgical patient Friday. She is recovering satisfactorily from a major operation that will keep her in the hospital about 10 days.

Mr. and Mrs. Jim Hermes and two daughters are new residents of Lindsay. They moved here this week from Muenster and are occupying the Henry Hess place north of town.

### A. Walterscheid

December 15, 1910, a son of Mr. and Mrs. John Walterscheid. He attended school here and farmed all his adult life. On November 20, 1934, he married Miss Augusta Noggler. She and their 12 children survive.

The children are six sons and six daughters: Mrs. Weldon Bezner of Lindsay, Airman Wilmer Walterscheid of Dyess AFB, Abilene; David, Johnny, Leon, Giles, Ernest, Margie, Jeanette, Francis, Florence and Juanita all at home; his mother; four brothers, Andrew, Norbert, Raymond and Henry; four sisters, Mmes. John Hacker, James Eckart and Leroy Yosten, all of Muenster and Sister Thomasina of Jonesboro, Ark., and one grandchild.

### Tigers Lose

On the next kickoff Mollenkopf returned past midfield and Hess added 4 to the visitors 43. Then another fumble and St. Mark's took possession again. Newbury dashed for 53 yards and Foxworth finished the job from the 4.

As the second quarter opened Sacred Heart got organized and broke its jinx. Eight plays, including a 19 yard pass to Wimmer, covered 57 yards to the goal. Hartman sneaked over for the last two.

Also in the second period the Tigers braced their spirit considerably by stopping a Lion drive six inches short of the goal.

Opening the third quarter the visitors completed a 72 yard drive in 6 plays. The pay off was another of Newburys sensational runs, this time for 45.

Next the Tigers went sensational. Tim Wimmer took a kickoff on the 15 and scooted down the left sideline to the Lion 17 before he was bumped out of bounds. Five plays later Mollenkopf went over from the 4 and Hartman sneaked over for an

extra point.

Next the Tigers held the Lions on their first series, then gained 24 before losing possession on a fumble. After that the Lions went to another score, ending their 58 yard drive with a screen pass to Newbury.

Again the Lions went for pay with a pass to Childers for 74 yards.

Sacred Heart retaliated with a snappy drive of 62 in five plays. Mollenkopf scored on a 28 yard run. Hartman sneaked over for point No. 20.

Another drive completed the Lion scoring spree. It was good for 65 yards and the scoring play was an 8 yard pass to Childers.

Just two plays completed the 58 yards for Sacred Heart's last tally. Mollenkopf slipped through the line for 21 then took a screen pass and drifted 37 yards to the goal behind beautiful interference.

Score at a glance	SH	SM
Firtd downs	12	15
Yards rushing	168	281
Yards passing	67	194
Passes completed	3-6	8-13
Intercepted by	0	1
Fumbles lost by	3	0
Penalties	13	50

### Hornets Win

loose for a 35 yard scoring gallop. Again in the third period the Hornets took inspiration from a break and went to another score.

A Muenster push fizzled after two first downs but Butch Fisher put the Hornets back on offense three plays later by stealing a Bobcat pass on the 19. From there Wolf heaved to Doug Hellman for 14 and Hamric passed to C. J. Hellman for the remainder.

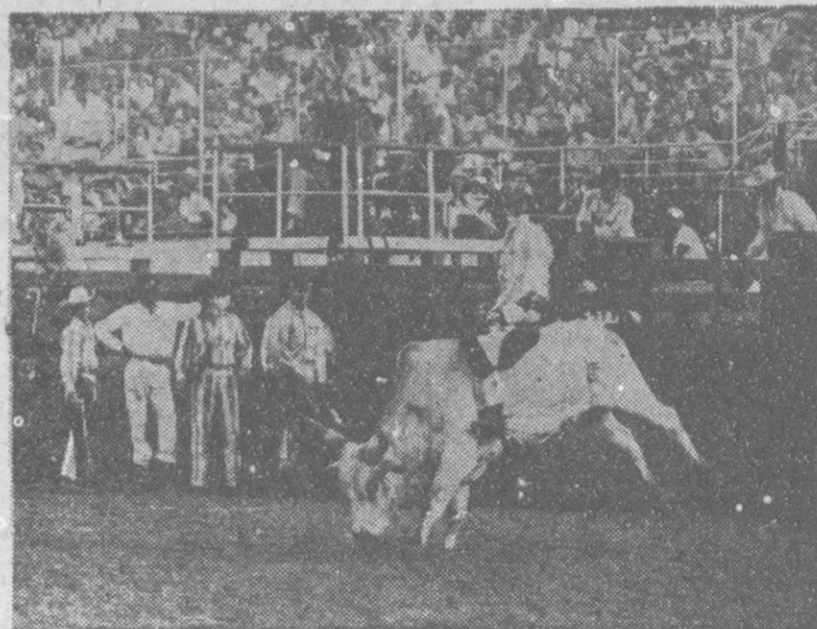

For the balance of the quarter ing 5, and into the fourth the teams were limited to short gains, then the visitors received a fumble in midfield and started clicking on a drive that paid off. Penalties donated 20 yards and 6 plays made the other 30, Herring making the last 4.

With hardly a minute to go Wolf got loose for what seemed like another TD but a Bobcat defender bumped him out of bounds on the 1 foot line. The next play went over but an offside penalty nullified the score and moved the ball 5 yards back. A pass to Doug Hellman scored the fifth Hornet TD.

Factors that accounted mostly for the Hornet win were the strong defensive work by the entire line, especially Fisher and Hudspeth, and the slick ball handling on offense. Runners got fine results on a combination of good deception and good blocking.

Game at a glance:	M	N
First downs	14	13
Yds. Rushing	272	117
Yds. Passing	35	89
Passes Completed	4-8	10-23

Do you want all of your office furniture insured against theft? "Yes, all except the clock. Everybody watches that."

A convict cowboy seems to be headed for trouble as his thrashing, thundering Brahman Bull takes off for the "Wild Blue Yonder." The above action shot was taken at the Texas Prison Rodeo at Huntsville. This is just one of the many thrilling events offered at the 26th annual Prison Rodeo each Sunday during October in the prison's million-dollar stadium.

### New Sale Barn - - - Parochial School's Halloween Carnival Slated October 27

beam on the auctioneer's and clerks' platform" is the scale. It is equipped with a special sensitive balancing device and will also be equipped soon with a gadget that automatically records the weight.

At either side of the main arena are rooms measuring 15x50. The west one will be a combined office and record room and the east one will be the lunch room.

Walls of the building are made of pink tinted concrete tile blocks and the two-level roof is built of wood and surfaced with tar and gravel. Ceiling height is 14 feet in the main area and 8 feet in the office and lunch room. Steel casement windows are used throughout.

Outside space is also much larger than before. For cattle there are fifteen pens measuring 12x44 and thirty pens measuring 12x20. For hogs there are thirty pens provided with concrete floors.

A special feature of the pens is their all metal construction. All posts and braces across the tops of posts are made of 2 inch pipe and sides are of 5/8 inch rod iron. All metal is welded together and posts are set in concrete. Around the group of pens and between them are lanes which lead to the sale arena or the loading dock.

The fancy questionnaire a household appliance company used to survey Iowa housewives brought equally fancy replies. To the question, "What make of garbage disposal unit do you use?" one woman wrote, "Four hogs."

IT COSTS LESS TO COOL MILK

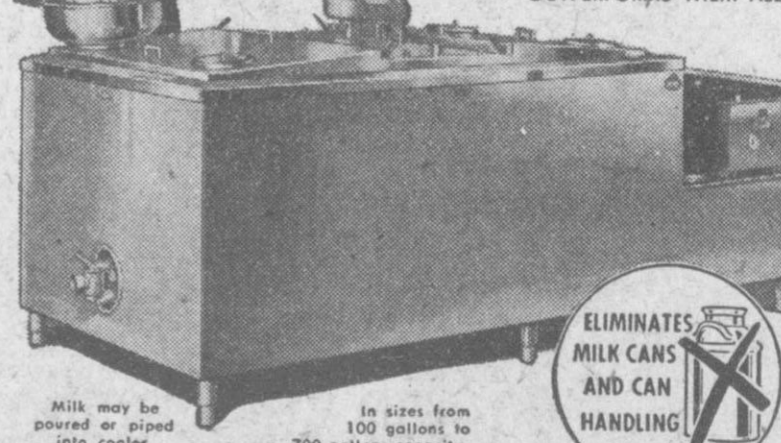

with a farm-proven

**DARI-KOOL**

BULK MILK COOLER

THE ICE BANK COOLER THAT OUTPERFORMS THEM ALL

Milk may be poured or piped into cooler.

In sizes from 100 gallons to 700 gallons capacity.

ELIMINATES MILK CANS AND CAN HANDLING

No other cooler can match Dari-Kools fast cooling and year-after-year low operating and maintenance costs.

• Milk is cooled to 38° in only one hour - assuring a lower bacteria count and better milk. The milk cannot freeze because it is cooled with ice water.

• Dari-Kool's inner milk tank - with its moist, refrigerated side walls - retards the formation of milk stone. This makes Dari-Kool tanks much easier to clean.

• All Dari-Kool tanks are stainless steel - inside and out (not painted black iron). A rugged 10-gauge steel frame and pre-expanded milk tank assure accurate calibration and correct payment. Dari-Kools are electronically calibrated at the factory.

• Compare them all and you'll choose a farm-proven, guaranteed Dari-Kool - America's largest-selling bulk milk cooler.

DARI-KOOL MEETS ALL 3A SANITARY STANDARDS

NOW, while increasing production to establish a higher base, is the time to go into bulk milk cooling. Let us show you how the Dari-Kool pays for itself.
