

# HOUSTON MAN KILLS WIFE AND SELF

## GRAIN CROP LOSS IN THIS COUNTY DUE TO THE PRESENT RAINS

Every day of this rain makes just that much more loss to the grain crop in this part of the country, according to O. P. Griffin, county agricultural agent for Brown county.

## M'Cartney Doesn't See How He Can Go on Oil Mission

It is possible that C. L. McCartney will not be able to accept the appointment of Governor Dan Moody to attend the conference of governors at Colorado Springs, June 10, to consider President Hoover's oil conservation plans, he stated Thursday.

## Serious Injuries Result Students

PROVIDENCE, R. I., May 30.—Two persons were shot, one a spectator, seriously, and 20 otherwise injured in a student demonstration at Brown University last night which started in the annual freshman "tie-burning" celebration and led to a pitched battle between students and police.

## Two Boys Arrested And Charged With Theft Of Purse

Ross Martin, 22, and W. J. Boyd 16, were arrested by C. M. Cawley Wednesday and charged in the justice court with the theft of a purse containing money and jewelry belonging to Mrs. W. E. Wall, 401 East Adams Street.

## "Alias Jimmy Valentine" Shows Star in Dramatic Role

"Alias Jimmy Valentine," William Haines' latest vehicle, Metro-Goldwyn-Mayer's first talking picture, opens a two day engagement at the Lyric Theatre tomorrow. The film is adapted from the famous crook play of Paul Armstrong, which set the standard for production in its type when it played on Broadway.

## NEW MENACE MANY STREAMS BY LAST RAINS

By The Associated Press  
Floods that have gripped a number of sections of Texas for the past three days continued their devastating flow today as further rainfall was added to the already unprecedented precipitation.

Some parts of north Texas, heretofore unaffected to any great extent, were added to the flood area today as a number of streams were swelled far beyond their banks by torrential rains of yesterday and last night.

## LONG BEARDED MAN OF PAST PAYS CITY VISIT RIDING BURRO

Citizens of Brownwood stood in wonder Thursday morning when a long-haired man rode into town on the back of a black burro with two other heavily bearded burros following.

## Rescue Workers Seeking Bodies of Entombed Men

JERSEY CITY, N. J., May 30.—Rescue workers sought today to recover the bodies of four men entombed in the bed of the Hackensack river when compressed air escaped from a caisson in which they were working, letting it fall with mud.

## Baylor Confers Laws Degree on Mrs. Willebrandt

WACO, Texas, May 30.—Mrs. Mable Walker Willebrandt, resigned assistant attorney general of the United States today bore an added honorary degree, that of Doctor of Laws, conferred on her yesterday by Baylor University.

## RAIN CONTINUES TO SLOW REGISTRATION OF BABIES THIS WEEK

The rain is still retarding the number of babies registered at the various stores in Brownwood this week. One store reports 111, another 179 and one about 150.

## WOMAN RUSHING FROM SEATTLE HERE BY AIR

Rushing 3,000 miles by airplane to the bedside of her sister here Miss Mary Nelson is flying from Seattle, Washington, and is due to arrive in Brownwood Friday evening.

## FAY SETS NEW SOLO RECORD

LOS ANGELES, May 30.—(AP)—A new mark for solo endurance flying was made here late yesterday when Herbert J. Fahy landed after keeping his plane in the air 36 hours, 56 minutes and 36 seconds.

## Stock Raisers Present Claims

AUSTIN, May 30.—(AP)—Stock raisers from Harris, Galveston and Brazoria counties today presented claims totaling \$145,000 to the house and accounts committee for losses purported to have been sustained during a hoof and mouth quarantine in the area during an eight months period in 1925.

## To Urge Better Range Utilization in Texas

SAN ANTONIO, Texas, (AP)—With preservation of pasture as the cardinal in the southwest, the International Exposition and Livestock show at San Antonio March 1 will display from cattle sufficiently to encourage systematic diversification in livestock production.

## 12 OTHERS ARE FORGED OUT BY TRACK MISHAPS

SPEEDWAY, Indianapolis, May 30.—(AP)—A report that Colonel Charles A. Lindbergh and his bride were attending the automobile race here today sent newspaper men and speedway officials on an unsuccessful search.

## Eastland's Court House is Dedicated

EASTLAND, Texas, May 30.—(AP)—Eastland county's new \$300,000 court house was dedicated this afternoon to the county's world war veterans at a Memorial Day program.

Registered range bull (upper left) is an animal of type the International Exposition and Livestock show at San Antonio, Texas, will encourage in the southwest. Production of goats and domestic rabbits has entered the new system of diversified livestock production.

## Wrote Husband Letter

She wrote a letter to her husband Tuesday informing him she did not intend to return to Houston.

## 500-Mile Race Driver Killed

Finished, Ralph Hepburn, veteran driver and Peter De Paolo, winner of 1925 race and a favorite to repeat today had been forced out of the race along with Cliff Woodbury of Chicago, another favorite.

## Burned to Death

YPSILANTI, Mich., May 30.—(AP)—Two men and two women were burned to death last night after their speeding motor crashed through the railing of a viaduct over the Ann Arbor railroad tracks. They were unidentified.

## TRAGEDY TAKES PLACE IN FORT WORTH HOME

PORT WORTH, Texas, May 30.—(AP)—Arthur Sayers, 59, prominent business man of Houston, Texas, shot and killed his 29-year-old wife here today and then ended his own life.

## Killed in Today's Auto Racing

Bill Spence  
son was fourth. Ray Keesh was fifth. Meyer was about a mile ahead of Moore.

## Death Preparation

Indications that Sayers had made arrangements for his death came today when Williams was called over long distance telephone by J. T. Jeane at Houston, cousin of Sayers. "Mr. Jeane said that before Sayers left Houston he gave him a handbag to keep for him," stated Williams. "He said that when he read in the Houston newspapers of the shooting, he opened the handbag, in which he found a note in which Sayers asked him to take charge of his body."

## Widely Known Gopher

DALLAS, Texas, May 30.—(AP)—Mrs. Elizabeth Williams Sayers, who lost her life in a shooting at Fort Worth last night, was the daughter of Mr. and Mrs. H. S. Williams of Dallas. Before her marriage to Sayers, she was the wife of H. E. Knoebel of Houston.

## Wrote Husband Letter

She wrote a letter to her husband Tuesday informing him she did not intend to return to Houston.

## DIPLOMAS ARE PRESENTED TO COUNTY PUPILS

Seventy-three pupils of county schools of Brown County received diplomas of graduation from grammar school Tuesday night in the Soldiers and Sailors Memorial Hall. Taking examinations for entrance to high school, these pupils passed the test and were honored with appropriate ceremonies of graduation. An address of welcome was given followed by an address by Rev. J. S. Cook, pastor of the First Methodist church of Brownwood, who was the speaker for the evening. Music was furnished by the High School Glee Club and the Gray Mare Band. J. J. Timmins presided.

Ben A. Pain, president of the Brownwood Chamber of Commerce, made the speech of welcome. Mr. Pain discussed the reason for this occasion, stating that diplomas were to be awarded in recognition of their work in school. He pointed out that school days are the happiest days of life for it is there that one comes in contact with so many things that are pleasant in after years. "I believe in public schools," he said. "It is in them that practically all boys and girls receive their first education." Mr. Pain further said that Brownwood is an educational center both in elementary and collegiate education.

The High School Glee Club sang a number of songs with Mrs. Harold Scott directing. They were attired in bright red coats and white skirts. The Glee band under the direction of Merie Baker, played several selections.

Dr. Cook took as his subject, "Harmony in Life." He opened his speech by comparing life to a race, stating that to win is the ambition of every human being. "Life," he said, "is the most interesting thing in the world. Up until now you have had very little responsibility. But now you have passed a milestone leading to the place where someday you will have to make your own way. Some people think about life carelessly; some people face life differently. If you face life carelessly or indifferently you are no better than the lower animals." Dr. Cook further pointed out that intelligence, power, and harmony are the three things that make life on earth possible.

In defining "harmony" Dr. Cook declared that it is that in the universe out of which grows peace, beauty, and harmony with the world in which we live. He closed his address by saying that the secret of success in life is to "behave yourself."

Rex Gatherer, business manager of the Old Gray Mare Band of Brownwood made an announcement relative to the U. S. Military band of Washington coming to Brownwood in October. The band was organized by General Pershing after the War. It is now on a tour of Spain. It will come to Brownwood as one of the four cities in Texas booked on their tour.

The presentation of diplomas was made by J. Oscar Swindle, county superintendent of Brown county schools. Mr. Swindle discussed the reason that this exercise was held, stating that it was to do honor to the pupils to the community, and to the teacher that graduation exercises be held. Diplomas were presented to Doyle Works, Hubert Fisher and Clyde Smith of Salt Mountain; Edith Williams, Lucille Carmichael and Maurice Chastain of Panther Creek; Odessa Rodgers, Leola Nystel and Edmee Nystel of Clear Creek; Lillie Holland, Bennie McMahan, L. Denman, Lewis Wells and Lucille Rice of Winchell; Cleo Williams, Louise Thomason, Dollie Bill Faulkner, Pat Teel, Jack Eary, Jasper Price and Inez Salyer of Jones Chapel; Harold Hallford, Eva Marie Brooks, Virgil Martin and Alton Ballard of Mukewater; Wilma Jackson, Finis Ewell Maxwell, Hattie Lee Copeland, Glynese Hasran, Juanita Brown and Bonna Jones of Chapel Hill; Mary Lou Fisher of Turkey Peak; Edith Hodges, Morris Williams and Beryl Koper of Barber; Marvin Wilson and Aene Souncey of Gap Creek; Lorene Wilworth Alley, Stella Mae Dunn and Leroy Hutchinson of Cedar Joint; Ruby Lambert of Jordan Springs; Weita Richmond, Dolphie Bush, Oneta Bush and Burley D. Richmond of Willow Springs; Donnie Fay Smith of Rocky; Jimmie Sawyer, Delyia Mae McCrea and Agnes Staley of Anderson; Olivia Lee Clearman and Ana Mullins, Bernice L. Harris, Stella Sawyer, Felicia Newton, Ethel Thompson, Roslynn Thompson of Thrifty, and Lillie Mae Haynes of McDaniel.

A large number of people were in attendance of the exercises despite threatening weather conditions.

### Gilliam To Attend Chicago Majestic Convention June 2

A train of fourteen cars will start from Dallas Saturday at 4 p. m. for Chicago with 150 Majestic radio dealers of Texas and others in Majestic organizations throughout the state.

Similar trains from all over the United States will converge on Chicago for a convention of Majestic dealers next week.

Calvin H. Gilliam, Brownwood dealer, will leave here Thursday for Dallas to join this north bound train, and expects to return here June 10.

**Indians' Last Stand**  
In 1695 the Indians made their last stand at Tidewater, near Fort Washington. In that year Col. John Washington, with a force of 1,500 Maryland and Virginia militia, met and defeated a horde of about 2,500 Indians. The defeat was so decisive that the Indians left this section of the country.

## BROWNWOOD BOY SCOUT WILL ATTEND LIVERPOOL JAMBOREE

The outstanding event in Scouting for the year 1929 is the Jamboree at Birkenhead, Liverpool, England. The occasion is the 21st anniversary of Scouting. The meeting will have a double purpose in that it not only brings together the scouts from 45 different nations, but it also gives the scouting world the opportunity to take part in the special celebration planned to honor the Chief Scout of the World, Sir Robert Baden Powell, on the occasion of his completing 21 years of service as the greatest leader of boys known to man.

Brownwood will be represented at this Jamboree by Bronze Palm Scout Oswald Daughety, Troop 5. Scout Daughety has proven himself a most worthy exponent of the scouting program and will reflect credit on the local organization, the scout work authorities, his state. He was awarded the rank of Eagle Scout a year ago and since that time has qualified for still greater rank. At present he holds the rank of Junior Assistant Scoutmaster of Troop 5, of which Judge E. M. Davis is Scoutmaster and Rev. Bristow Gray is the Assistant Scoutmaster.

Young Daughety will leave here about July 8th for an 8 week's trip which will give him an opportunity to see scouting in other lands. He will participate in the programs at the Jamboree camp. British Scouting are doing all within their power to make their fellow scouts from all sections of the earth meet with an ideal reception. This great meeting will go farther toward cementing a world-wide friendship among the nations of the earth than any other movement. It is declared. The scouts who attend will be the future statesmen and business men who will govern the nations and the friendships formed at Birkenhead will grow into a world brotherhood that will mean much for the future growth and glory of nations. It is confidently expected. Scouts in Troop 5 and the Scouts from all other troops in the Pecan Valley Council are greatly interested in the trip which Scout Daughety will make and will be interested in the stories of scouting that he will bring back with him to his fellow scouts here. An interesting feature of the trip is the fact that Scout Daughety has been working hard for two years to earn this trip.

### Hard to Credit

There are two things that are indisputably true and yet not imaginatively creditable—that young people should ever grow old, or that the old should ever have been young.—Isabel Patterson

## Salary of City Attorney Placed at \$150 a Month

An ordinance placing the City Attorney of Brownwood on a salary basis instead of a fee basis as in the past was passed Tuesday night by City Council by an unanimous vote. This ordinance was passed with an emergency clause, the rules being suspended to allow it to pass all three readings, thus becoming a law immediately upon its publication. This ordinance came as the result of a compromise effected by members of Council.

According to this ordinance City Attorney Lee will receive a salary of \$150 per month for his work in criminal court and all other duties of the office with the exception of the task of collecting delinquent taxes. The ordinance provides that the city attorney shall receive of delinquent taxes as shall be agreed upon by city council and city attorney.

This ordinance takes effect June 1, 1929.

## Board Acts on Fair Matters

Finances of the Brown County Fair Association were discussed at a meeting of the board at the Chamber of Commerce Tuesday afternoon, when all but one of the board was present. The matter of giving away four automobiles, one each day of the fair was also discussed, the men trying to find some legal way in which this could be done with the object of getting large crowds to attend the fair.

J. J. Timmins, Hilton Burks and J. T. Stovall were appointed on a committee to select heads of various departments.

## Trustees For Jones Chapel Consolidated School Are Chosen

Trustees for the newly created Jones Chapel consolidated high school district were appointed at a meeting held in the court house on Tuesday afternoon. The following men of that community were appointed: J. W. Nichols, L. W. Gorman, Ben Hunt, C. L. Price, T. C. Ragan, R. O. Greene, and John Staley.

Freighter Goes Down in Crash With Liner

She's going down! This unusual photo, taken soon after a collision between a liner and a freighter in lower New York bay, shows the Aiver Orontes, of the Cunard Line, her upper decks awash, settling to the bottom as the sea poured through a great rent in her hull. The Spanish Royal Mail liner Cristobal Colon, which was sailing from New York with 1,000 passengers aboard, is shown at the left as it backed away from the sinking freighter. At first the boats could not be pulled apart and it was feared that the freighter might pull the liner down with her. Note the damaged prow of the Cristobal Colon. The crash occurred in a sudden, heavy fog. No lives were lost.

DELEGATES TO ROTARY MEET GLIMPSE TEXAS

DALLAS, Tex., May 29.—(AP)—Foreign delegates to the convention of Rotary International in session here had a glimpse of the traditional, and now almost fictional, Texas cowboy today when the Cowboy Band, from Simmons University, Abilene, gave a concert at the convention grounds. The players were attired in chaps and sombreros with flaming bandannas and they punctuated their concert with shrill cowboy yells.

After attending 12 sectional meetings today delegates went into a general assembly at 11:30 a. m.

The only address of the morning was delivered by Vasser Somerville, of Paris, Tennessee. He discussed "Attendance."

At the sectional meetings, the care with which new members should be selected was stressed. Other subjects were fellowship, financial, attendance, club publication, public information, programs and classification.

Not for Slogan Change

Arthur Sapp of Huntington, Indiana, chairman of the resolutions committee, today said the committee was not in favor of changing the organization's slogan, "He Profits Most Who Serves Best," which had been requested by the British delegation. Englishmen have maintained the slogan was misinterpreted after translated into languages other than English.

The resolution committee reports tomorrow.

Some opposition developed for the five places on the international board of directors to which the United States is entitled. Eight nominations were made.

Sidney Pascall of London was unopposed as a candidate for director from England and Ireland, and David Wright of Stratford, Ont., was named as Canadian director.

The eight nominated from the United States are: Claybrook Cottingham, Alexandria, Louisiana; Paul F. Edquist, Concordia, Kansas; Roy Ronald of Mitchell, S. D.; David Clark of Charlotte, N. C.; Dan O'Leary of Oklahoma City; Clyde Hulsizer of Des Moines, Iowa; Charles W. Ackley of Vineland, New Jersey, and Arthur W. Lueck of Beaver Dam, Wisconsin.

Unique Features of Rotary J. Robert Stout of New York spoke briefly on "The Unique Feature of Rotary." All of the speeches at the general convention session led up to the club service assemblies which took up the afternoon. These assemblies, which divided the delegates into 12 groups on the basis of size, discussed all phases of club administration and fellowship.

Rotarians from foreign countries got acquainted with delegates from the United States at a series of informal luncheons during the noon hour, every delegate making it a point to have luncheon with someone from a foreign country.

The social program of the convention will come to its climax in the annual presidential ball tonight. The large automobile and manufacturers' building at the State Fair grounds will be used and a 30-piece orchestra will furnish music. Five thousand inflated balloons will be released as favors to float among the flags of 52 nations which will decorate the ceiling and walls. Booths for each nation have been arranged around the room.

Lost and Found

DALLAS, Tex., May 29.—(AP)—The lost and found bureau of the Rotary International convention here is proving popular.

Two delegates, Hardy Myers of Boston and Dr. Thomas R. Rees of Ironwood, Michigan, reported they had lost their return railroad tickets and hoped the bureau would serve its purpose.

Will Ainsworth, address not learned, lost his companion, W. K. Donald, and the Bureau found him.

Harry B. Hall of Milwaukee, left his golf clubs in a taxicab, and the Bureau attempted to trace the vehicle.

The coat of a pair of pajamas was returned to a delegate who refused to give his name.

Several children found their way back to their parents through the Bureau.

The seventy-two district governors, named by the districts, were approved by the convention without comment or debate.

DALLAS, Tex., May 29.—(AP)—Rotary International's twentieth annual convention today was down to hard work here.

Welcomes, registrations, introductions, acquaintance meetings and all preliminaries over, the delegates yesterday were aided in keeping their minds on business by rains which kept pleasure-seeking outside convention hall at a minimum. Intensive work on the convention program was interrupted for a Rotary tribute and greetings to Reginald Robbins and James Kelly, pilots of the airplane *Fox Worth* which broke all records for sustained flight.

One of the major problems presented was by President I. D. Sutton who said recognition of women of Rotary should be determined by Rotary legislation. He made no recommendations, but said many groups of women of Rotary were meeting in many cities and said it was up to the organization to determine whether they should be encouraged.

Group Work The early part of today's program was based on group work.

Breakfasts for incoming district governors, outgoing district governors, club publication editors, boys work committees and Canadian delegates, each separate, was on the program at downtown hotels preceding the group meetings at Fair Park. These meetings were routine in nature, including discus-

**Lindbergh and Bride Continue in Seclusion**  
NEW YORK, May 29.—(AP)—Colonel Charles A. Lindbergh and his bride, the former Anne Morrow, today continued in seclusion after their surprise marriage. The couple disappeared when they drove out of the estate of the bride's father, Ambassador Dwight W. Morrow at Englewood, N. J., after the ceremony Monday. The nearest thing to a clue to their whereabouts today was the Colonel's Blue Falcon plane which stood fueled for a thousand mile flight at Schenectady, N. Y., airport, where it was flown from Roosevelt Field, N. Y., yesterday. There were two parachutes aboard.

**Forty Examining Trials in Arrests on Liquor Charge**  
An examining trial held Wednesday afternoon for one of the men charged with selling intoxicating liquor, was the fortieth trial held by Judge E. T. Perkins in connection with the series of raids made recently by the sheriff's department. There are a score of others yet to have examining trials on similar charges. Of the forty already tried only one was let go, the witness in the case failing to recognize the defendant as the one selling him the liquor. The thirty-nine were all held for action of the grand jury in June, and their bonds set at \$1,000 for each case.

"When we feel that we are on an equality with the worms," says the old philosopher in the *American Magazine*, "there is trouble ahead for us."

**-PURINA CHOWS-**

A farmer had an old sick cow and wished to doctor it, but no matter what he offered, she would not take a bit. If he put the mixture in the feed the cow would turn away nor would she eat a mouthful throughout the livelong day.

In order not to be beaten in this one-sided race, the man went to a store where Purina Feeds were handled, and told them of his case. The clerk, a dapper fellow, said, "I'll tell you what to do. I know a plan that has been tried and it works perfect, too! Just take a sack of Purina Feed home—use it regularly and then note the difference.

The farmer took the feed home, but in a few days came running back wanting Purina for all of his stock and poultry. He says Purina Feeds are wonderful for better results.

BROWNWOOD TO RETAIN MEMBERSHIP IN WEST TEXAS C. OF COMMERCE

Brownwood people are especially invited to attend the graduating exercises of sixty county high school students at Memorial Hall Tuesday night as which time the Old Gray Mare band will play.

J. J. Mumms, in charge of this event, made a report of plans for the exercises to the directors of the Chamber of Commerce at the Monday noon luncheon at the Southern Hotel.

The decision as to Brownwood being postponed, the committee in charge having a hard time to find a suitable site for Brownwood out of those submitted.

E. J. Weatherly reported on the membership campaign and his committee's plans for raising the balance of the money. The directors voted to allow this committee to go ahead with one plan the committee proposed.

The local Chamber of Commerce will keep its membership in the West Texas Chamber of Commerce, it was decided by a vote of the directors.

Hilton Burks, secretary, reported on the Heart of Texas Secretaries Association meeting at Brady this past week.

A committee composed of H. G. Lucas as chairman and Brock Ramey was appointed by Ben A. Fain, president, to work with the school board in the matter of the employment of J. T. Stovall as vocational agricultural instructor.

One of the greatest inventions in the revolving door. No two women, one going in and the other out, can stop to talk.

10 OKLAHOMANS DELEGATES TO OIL MEETING

OKLAHOMA CITY, May 29.—(AP)—Ten oil company officials, representing all phases of the petroleum industry in Oklahoma, were named today by Governor W. J. Holloway as official representatives of the state to the oil conservation conference called by President Hoover to convene in Colorado Springs, June 10.

The official delegates named by the governor were: E. W. Marland, Ponca City; Henry McGraw, Tulsa; Fred S. Cook, Tulsa; Prairie Oil Company; James A. Veasey, Tulsa, chief counsel for the Carter Oil Company; Burdette Blue, Bartlesville, official of the Indian Territory Illuminating Oil Company; Pat Malloy, Tulsa, independent operator; J. J. Cosgrove, Ponca City, chief counsel for the Continental Oil Company; W. R. Ramsey, Oklahoma City, independent operator; Roy Johnson, Ardmore, independent operator; Dr. R. E. Grisso, Seminole, vice-president of the state association of royalty owners and an independent operator, and Attorney General Edwin Dabney.

SIX DRILLING FACTORS

TULSA, Okla., May 29.—(AP)—Six factors, all within the reach of every contractor, are all that is required in "straight hole drilling," Fred M. Allison of Corsicana, Texas, told the American Petroleum Institute, division of production and drilling, meeting here today. Close attention to these factors, he said, would avoid "crooked holes" which have been so costly to the oil industry.

A crew with ability and "sold" on the drilling of straight holes is the first factor, he said. A straight start, a small amount of special equipment for preventing sideways, proper thickness of mud, proper weight on the bit at all times, and proper speed of rotation are the others.

PARIS AND ROME FLIGHTS POSTPONED

OLD ORCHARD, Maine, May 29.—(AP)—Trans-Atlantic flights of the monoplanes Green Flash and Yellow Bird were definitely postponed for today after take-off attempts ended in near disaster. After receiving weather advices which indicate continued fair weather for tomorrow, the fliers decided to abandon a second attempt today.

Pilot Roger Q. Williams of the Green Flash said an early start tomorrow would permit a full day of daylight.

Lewis A. Yancey, navigator of the American plane Green Flash was expected to take off today on a trans-Atlantic to Rome, since the Eternal City deeply and the newspapers gave great prominence to dispatches from Old Orchard, Maine.

Pope Plus, King Victor Emmanuel and Premier Mussolini expressed hope for the success of the long flight.

Pope Plus let it be known he would remember the airman in his prayers and asked to be kept in touch with developments.

Premier Mussolini, an ardent flight fan, also asked to be kept in touch with all developments while King Victor Emmanuel expressed the heartiest wishes for the aviators success and asked Harry P. Fletcher, the American ambassador, to convey to them his hopes for their success.

SENATE READY TO YIELD ON DEBENTURE

WASHINGTON, May 29.—(AP)—Senate conferees are understood to be ready to yield on the export debenture amendment to the farm relief bill after agreements have been reached on other controverted sections of the farm measure.

The House managers persistently have refused to consider the debenture plan and the conference has been in a deadlock for some days as a result.

Realizing they probably will be unable to retain this in the bill, the Senate managers are ready to yield rather than jeopardize the whole bill.

Should the debenture fail as a part of the farm measure efforts will be made in the Senate to attach it to the tariff bill.

NEW AMBULANCE IS BOUGHT BY MCINNIS FUNERAL HOME, INC.

James R. Mitcham, manager of McInnis Funeral Home, Inc., announces the purchase of a new Sayre & Scoville ambulance for his firm. Mr. Mitcham drove the new ambulance across country from Houston, arriving in Brownwood on Sunday. Mr. Mitcham, together with Jack London of the McInnis Funeral Home and G. P. Mitcham, attended the Texas Undertakers' Convention in Houston the past week-end.

The new ambulance is equipped with an eight cylinder motor and the ambulance part of the vehicle is of the most modern design. It is equipped for almost any emergency, special compartments having been provided for medical and surgical supplies, in fact an emergency operation could easily be performed in the ambulance. A special compartment is built in to carry the pulmotor.

The new ambulance is beautifully upholstered in leather and is a most attractive machine. In addition to the new ambulance, McInnis Funeral Home has recently rebuilt and refinished another ambulance and this machine is almost as well equipped and attractive as the new Sayre & Scoville ambulance. A new hearse is to be purchased by the McInnis Funeral Home at an early date, Mr. Mitcham announces.

L. E. Shaw's Car Burned Last Night. Damage estimated at about \$2,500, partially covered by insurance, was done to a Lincoln coupe owned by L. E. Shaw, when ignition trouble caused a fire while on the Bangor road west of town about midnight Tuesday. Thomas M. Akins had driven the car to Coleman and was returning when the fire started. The chemical truck of the fire department made a run and saved a part of the car.

Weather Further Delays Flights

OLD ORCHARD, Me., May 30.—(AP)—Flights of the Yellow Bird for Paris and the Green Flash for Rome were delayed today because of unsatisfactory weather. The mechanical staffs of both planes occupied themselves with placing them in readiness for flight.

A supply of benzol arrived for the French plane, forced to dump part of its fuel yesterday when a leaking fuel tank sent Armeno Lot-Owen, C. P. Patrick, H. H. Pace, Bob

lant and Rene Lefevre, back to the beach. It was not until well after midnight that Lewis A. Yancey, navigator of the Green Flash, journeyed more than a mile down the beach to where the plane rests to notify the pilot, Roger Q. Williams, and several mechanics that the flight was off for today.

Dubious. The haziest person to convince that there are as good fish in the sea as ever were caught is the girl who has just landed the one she wanted.

Star Parasite Remedy. Used as directed is the easy way to rid folk of lice, mites, fleas and blue bugs. CAMP-BELL DRUG CO.

Your Message Is Read By 18,000 People. Estimating that the columns of the Brownwood Bulletin, (daily) and the Banner Bulletin (weekly) published Thursdays are read by an average of three to the family or more than eighteen thousand people when placed in the two issues, of entirely different circulation.

Every part of Brownwood's trade territory is covered by these mediums and not many people if any who have lived in this section of the country for any length of time, but that read at least one of the Bulletins.

The publishers are ever striving to improve their reading value and constantly increasing the number of subscribers.

People demand authentic news at the earliest possible time, and for this service, "In Brownwood" and "The Banner Bulletin" every body reads one or the other of the BULLETINS.

Boiling Point of Kerosene
It has no constant boiling point. The initial boiling point ranges from 250 degrees Fahrenheit to 400 degrees Fahrenheit, depending upon the grade of kerosene. The initial boiling point of the average grade is 350 degrees Fahrenheit.

Cast Prejudice Aside
Beware of prejudice; light is good in whatsoever lamp it is burning. A rose is beautiful in whatsoever garden it may bloom. A star has the same radiance whether it shines from the east or from the west.—Abdul Baha.

Goldthwaite

Mrs. C. L. Featherstone is spending this week in the home of her son and family in the Pleasant Grove community.

Mrs. H. E. Morland and sons spent Sunday with her sister, Mrs. Elam Berry.

Mr. and Mrs. Partridge and daughter of Lometa, spent Saturday night here with relatives.

Mrs. Brown, the mother of Dr. W. E. Brown of Blanket, is here visiting her cousin, Mrs. Mollie Lowrie.

The continued rains for the past several days has done considerable damage to crops and fences. It is stated that one farmer left a tub in his field last Saturday afternoon and Sunday morning it was full of water. Some report all of their cotton gone.

R. C. Dabney, W. J. Richmond, S. E. Lacy, Vergil Cash, Roger Boler, Grover Dabney, J. W. Dameron, Irwin Boyd and Mr. Pettit all of Blanket attended court here last Friday.

Aaron Ward of Comanche was here attending court Friday of last week.

Warner Thomas of Brownwood was transacting business here one day last week.

Ellis Daughtry of Blanket had business in our city last week. Some representatives from the Rankin Audit Co. of Houston, are here this week auditing the county's books and records.

The school board has let the heating contract for the new school building to Hill Bros. of Waco. Both buildings are to be steam heated.

The corner stone of the old grammar school building was removed one day last week and the tin box in which a number of things were stored at the time the old corner stone was laid was opened. The school board allowed R. M. Thompson, the Eagle editor to inspect the contents of the box before it was placed in the new corner stone. Mr. Thompson has quite an interesting article in last week's Eagle regarding the things as he found them. Mr. Thompson said in part—a great many of the ones whose names are on the documents have passed to their reward. One of the first of the contents inspected was a copy of the Mountaineer, one of the first papers published in Goldthwaite. The paper was owned by W. H. Thompson and A. J. Sibley. The box also contained a copy of the Texas Christian Advocate in its 30th year. Then owned by Shaw and Blaylock. Another very interesting paper in the box was a copy of Rancho Racket, published at Williams Ranch. It was dated June 24, 1880. Owned by W. S. Marshall and edited by M. C. Smith. It was 3 columns wide by 12 inches deep and had 8 pages all home print. The town of Williams Ranch was then in Brown county, but now in this.

A list of the names of the county officers was also in the box. They were: J. B. Hoda, Judge, P. H. Clements, County Clerk; C. Rawls, District Clerk; Uvalde Burns, Attorney; G. W. Cunningham, Sheriff and Tax Collector; Jas. Ervin, Tax Assessor; E. S. Kirby, Inspector. Quite a number of interesting things were in the box but space will not permit us to tell of them all.

The new stone will be placed in the north east corner of the new grammar school building with appropriate ceremony.

There was not much interest manifested in district court last week 'till Wednesday. A jury was secured in the Bradley Weathers case on that day and the court room was packed day and night from that time on 'till the case was turned over to the jury Saturday morning. Sunday afternoon about five o'clock they returned a verdict of guilty and assessed his punishment for the murder of Bill Hodges, two years in the penitentiary. He gave bond for a new hearing early Monday morning.

We have had in our city for several days Col. Gardner who has attracted quite a bit of notice, especially among the boy scouts. He has credentials with him that show him to have been a companion of Wm. Cody and others who fought the Indians in early days. He has 3 burrows. One he rides while the other two carry his packs. He stated to people here that one of his donkeys had crossed the continent several times. He has long hair and whiskers. He attended church at the Methodist church the first Sunday he was in town. He says he is 81 years old, his father is 105 years old and his mother 102. His whiskers are streaked with gray, but there are but few if any gray hairs on his head.

The meeting at the Baptist tabernacle closed last Sunday night. Owing to the fact court was in session all the time of the meeting and the unusual cold weather and rain, there was not as much visible results of good was hoped for. There was good crowds at each service and Dr. Hudson did some fine preaching. He left Friday evening and the pastor Rev. G. C. Evans did the preaching the remainder of the time. His sermon Sunday morning was especially fine. His subject, "When Man Meets Man and the Result—When Man Meets God and the Result." His text, "No man liveth to himself." "He that cometh to Me I will in no wise cast out," was ably handled and showed divine leadership in the delivering from beginning to end.

Buffalo Nickel Model
Iron Tall, a Sioux chief on the Pine Ridge reservation, was the model for the Indian head on the buffalo nickel, designed by James Earle Fraser and put into circulation in February, 1913. Iron Tall later joined the Buffalo Bill 101 ranch show and toured the country, stipulating that part of his remuneration should be paid in the nickels bearing his profile.

Recommendation of a Budget System Is Made By Thomason

The A. N. THOMASON Company, Auditors of Brownwood, employed to audit the books of the City of Brownwood recently, presented a report of this audit to City Council Tuesday night. A. N. Thomason read the report and talked at length on the financial affairs of Brownwood. His comprehensive report, as outlined in a communication to Council, set forth that the city is now facing a financial crisis. This report disclosed that the city is heavily in debt, that there is no money on hand to operate the city government and that practically the entire income for the current year has more than been appropriated to care for indebtedness that has accumulated in the past. Mr. Thomason also went into detail as to best methods for placing the city government on a sounder financial basis.

The Need For The Kelly REGISTERED

"Now just a word about the tire itself. As I said before, there was a definite need for such a tire. This tire was evolved by Kelly-Springfield to meet that demand, that need for larger, more rugged tires which can successfully stand up under the faster driving and harder breaking of today's cars. The Kelly REGISTERED Balloon represents absolutely the last word in modern tire building.

Furthermore, this tire is oversteered throughout with 10% more air capacity than any standard size, plus a tread nearly twice as thick and extending so far down the sidewalls that the likelihood of punctures is negligible. "With the Kelly REGISTERED Balloon, you are carefree and safe from the ordinary tire troubles. You can go your way with perfect confidence, knowing that your car is well shod for as long as you are content to drive behind the same steering wheel. This tire was built for harder service than you will probably ever be able to give it."

Mr. Martin closed the interview by saying that the place for such a tire in motoring has been and was being clearly proved by the tremendous demand for Kelly REGISTERED among the more experienced drivers. "Motorists also appreciate," he added, "the fact that we are protecting them and their tire investment through the complete record we keep of every REGISTERED tire."

McDANIEL

Our community was visited by good rains last Friday and Saturday, farmers are wanting to see some dry weather so the grain can be harvested.

Mr. and Mrs. Clay Browder and children were guests of C. L. Tervooren and family Sunday afternoon.

Mrs. Harvey Matthews and children spent Saturday night in the home of her parents, Mr. and Mrs. Luther Fitzgerald, of the Clear Creek community.

Mrs. J. M. Haynes of Comanche, Mrs. Nellie Russworn, and daughter Myrtle of Mullin, Mrs. Gertrude Palmer and daughter, Bettye Louise, of Brownwood were guests of Mrs. H. E. Haynes, last Wednesday.

Mr. and Mrs. Jim Martin and children of Rockwood, were guests of her parents, Mr. and Mrs. T. P. Ray, Monday.

Frank Haynes and wife of Brownwood and H. E. Haynes and family were guests of C. J. Tervooren and family Sunday.

Miss Katie Browder spent last week in the home of her uncle and aunt, Mr. and Mrs. J. H. Browder of the Copcord community.

Lancaster sound, a channel connecting Buffalo Bay and Barrow Strait, between North Devon and Cockburn Island, is the only part of the Northwest passage that is navigable every year.

U. S. MILITARY BAND TO PLAY HERE IN FALL

The United States Army Band, which is to make a tour of the United States after its return from Europe, will appear in Brownwood in October. When the plans for the tour were made, the authorities decided that the band should play in four cities in Texas, and Brownwood was named as one of the four. The band will come to Brownwood under the auspices of the Lions Club.

The U. S. Army Band now is sailing the high seas in the Leviathan, bound on its greatest adventure. By official designation of the U. S. government, it is representing this county as musical ambassador to the Ibero-American Exposition now in progress at Seville, Spain.

Impressive Ceremonies
The departure ceremonies were impressive. Drawn up at the pier when the band arrived was the band from the Army post at Fort Hamilton, N. Y.—a pretty compliment to Capt. William J. Stannard, leader of the U. S. Army Band, who formerly trained with the former outfit.

After appropriate music was played, two representatives of Mayor Walker of New York City stepped up to wish the organization an official bon voyage from the chief executive of the metropolis. Close behind, followed a representative of the Spanish Consul General of New York and President Lopez of the New York Spanish Chamber of Commerce. In turn came many other dignitaries, including John Philip Sousa, famous band leader.

As a parting gesture, and in compliment of their friend and admirer, the U. S. Army Band played "Flower of Spain," Sousa's latest composition dedicated to the Army Band and the Ibero-American exposition.

The entire ceremony was filmed by the "talkie" and newsmen and duly recorded by a battery of still photographers and reporters for the newspapers.

The Band will return June 26 to prepare for its fall concert tour of the United States, under the management of C. C. Cappel, of Washington.

### BOBBY JONES GOLF CLUBS ARE STOLEN

NEW YORK, May 29.—(AP)—Bobby Jones' complete set of golf clubs was stolen from an automobile parked in front of an apartment house last night and no trace of them had been discovered by the police today.

Jones was perturbed by his loss, expressing particular regret for his putter, spoon and his famous putter, "Calamity Jane" which helped him win many championships.

"I don't know what I will do without them," said Bobby. "That driver is the only one I can use."

### MARRIED

MR. AND MRS. CHARLES A. LINDBERGH

### LIKE WEDDING, HONEYMOON IS THEIR SECRET

Colonel Charles A. Lindbergh and Miss Anne Morrow were married at Englewood, New Jersey, at about 4:00 o'clock yesterday afternoon. It was about two hours later before news of their wedding became known to the public. They immediately left on a honeymoon, the destination of which has still not been made public.

ROOSEVELT FIELD, N. Y., May 28.—(AP)—For the second time today Colonel Charles A. Lindbergh's Falcon plane was taken aloft late this afternoon and this flight succeeded in shaking off pursuit of newspaper planes. There was a rumor it was headed for Portland, Maine.

ROOSEVELT FIELD, New York, May 28.—(AP)—Colonel Charles A. Lindbergh's plane was taken out of its hangar for a brief mystery flight today and then returned without any explanation being given. The flight was over Farmingdale and Lake Ronkonkoma, Long Island, but no landing was made.

Two young men appeared here today after mechanics had warmed up the plane and flew it away after refusing to reveal the purpose of their flight.

The plane was dipped low over the airport at Farmingdale and then flown on to the lake resort and back here. When the plane landed the two men in it climbed out, untrapped their parachutes and drove away after declining to answer any questions.

Enveloped in Secrecy  
NEW YORK, May 28.—(AP)—The honeymoon destination of Colonel Charles A. Lindbergh and his bride, the former Anne Morrow, like so

many of the Lane Eagle's flight was enveloped in secrecy today.

After the couple left the Morrow home at Englewood, N. J., yesterday following their marriage they dropped completely from sight. Newspaper vigils at flying fields, steamship piers, railroad terminals, and even highways leading out of New York, yielded no trace of the newlyweds.

Scores of Rumors  
There were scores of rumors, but none of them was confirmed. One report was that an Amphibian plane had landed last night in Hempstead harbor outside the Long Island estate of Harry Guggenheim, intimate friends of the flier, and that the honeymooners had sailed on S. R. Guggenheim's yacht Trilora. The yacht was in the harbor last night but was gone this morning.

The preparation for flight of Colonel Lindbergh's speedy biplane at Roosevelt field was believed to have been a blind to throw newspapermen off the scent, in this connection it was also pointed out that an aerial honeymoon by the couple would be anything but private, what with perhaps every airport in the country besieged by reporters and photographers.

ENGLEWOOD, N. J., May 28.—(AP)—Taking a waiting word by surprise, Colonel Charles A. Lindbergh and his bride, the former Anne Morrow, were away on a secret honeymoon today.

The marriage took place without previous announcement at 4 p. m. yesterday at the home of the bride's father, Ambassador Dwight W. Morrow. Half an hour later the couple drove away unaccompanied, apparently bound for New York.

The Rev. Dr. William Adams Brown, professor of systematic theology at Union Theological Seminary, performed the ceremony in which a simplified form of the marriage service, with the word, "obey" omitted, was used. He is a Presbyterian as are members of the Morrow family.

Only members of the Morrow family and Mrs. Evangeline Lindbergh, the Colonel's mother, witnessed the ceremony. These included: The Ambassador and Mrs. Morrow, the bride's two sisters, Elisabeth and Constance, General and Mrs.

John Johnson Morrow, brother and sister-in-law of the ambassador, and Miss Alice Morrow, his sister.

Quickly and quietly  
So quickly and quietly was the wedding held that it was 6:30 p. m. before the public knew the marriage on which its attention has been centered since announcement of the engagement February 12 last had taken place.

The only explanation for the unexpectedness of the event was furnished by Mrs. Edwin L. McIlvaine, of Meadville, Pa., sister of Ambassador Morrow.

A telegram from her brother said: "Anne and Charles married very quietly this afternoon. Betty and I regret your absence, but there seemed no other way after the sudden decision last night."

Mrs. McIlvaine said she was informed by telephone the wedding was advanced at the request of Miss Morrow because she was annoyed by the publicity and the insistence of reporters and curiosity seekers for information.

The bride wore a simple white chiffon dress, made by Miss Mary Smith, an Englewood dress maker. She carried a bouquet of blue larkspur. Colonel Lindbergh wore a blue business suit.

Flying Honeymoon  
Possibility that the couple were planning a flying honeymoon was seen in orders received at Roosevelt Field from Colonel Lindbergh that his blue Falcon plane be ready for flight.

After the wedding it was learned the marriage license was obtained by Colonel Lindbergh five days ago. John A. Munson, registrar of the Englewood board of health, who issued the license was pledged to secrecy.

Official announcement of the wedding was made by A. H. Springer, Ambassador Morrow's secretary. It read:

"Mr. and Mrs. Dwight W. Morrow announces the marriage of their daughter, Anne, to Charles A. Lindbergh at Englewood, N. J., May 27, 1929."

Colonel Lindbergh is 27 years old, and his bride is 22. Their romance began when Lindbergh was received at the American Embassy in Mexico City on his goodwill tour December 14, 1927. At that time Miss Morrow was a senior at Smith College.

### A Big New Job, Thinks Morrow

WASHINGTON, May 28.—(AP)—The job of American Ambassador to Mexico City in the opinion of Dwight W. Morrow is an easy one compared with the duties of being a new father-in-law.

Sure was the smiling comment today from the Ambassador who made an overnight trip to the capital city in the British administration of his daughter, Anne, to Charles A. Lindbergh.

Upon reaching the city, Mr. Morrow called at the state department where he conferred with Secretary Stimson for half an hour over questions of interest between the United States and Mexico.

After the conference, the Ambassador smilingly evaded all questions of newspapermen regarding the wedding.

### PERMIT BUILD G. & W. T. R. R. IS EXPECTED

WASHINGTON, May 29.—(AP)—The Gulf and West Texas railroad has applied to the Interstate Commerce Commission for permission to construct a new line from Fredericksburg to San Angelo, both points in Texas.

The request asked that the company be allowed to build the line either through Brady and Eden or from Wetmore to Fredericksburg and then through Mason, Brady and Eden to San Angelo. The distance of the first route is 113 miles and the second 70 miles.

SAN ANGELO, Tex., May 29.—(AP)—"The junior financing of the Gulf and West Texas railroad has been completed to a point where we have little doubt that all the cities along the line who have not raised their quotas will do so very quickly now," Judge W. C. Blanks, secretary-treasurer of the proposed road said today. His announcement followed filing of application for a certificate of necessity and convenience with the Interstate Commerce Commission.

"San Angelo and San Antonio have their preferred stock subscriptions subscribed," he continued, "and I understand that Mason has raised his money. I think there is no doubt that the certificate will be granted immediately."

### FORMER HEAD S. M. U. DIES

DALLAS, Tex., May 28.—(AP)—Dr. Robert Stewart Hyer, 68, president emeritus of Southern Methodist University, died at his home here today.

Death was due to a heart attack. He was one of the foremost educators of the Southwest.

Dr. Hyer was born at Oxford, Ga., and was graduated from Emory College in 1881. Coming to Texas in 1882 he became professor of physics at Southwest University at Georgetown and in 1887 was elected of that institution. In 1911 he became the first president and head of the Department of Physics at Southern Methodist University, Dallas. He was made president emeritus in 1919 when he resigned the active presidency to devote his entire time to science.

### Skeleton Find Ends Nine Year Search

EDMONTON, Alta., May 29.—(AP)—Discovery of a skeleton identified as that of Thomas Mund ended a nine-year search for the man, wanted in connection with the slaying of two children.

Mund disappeared in 1920 at the time the bodies of Sylvia MacDon-

ald, 15, and her brother, Andrew, 10, were found with the skulls crushed.

### Extradition Bank Robbery Suspects Is Being Sought

OKLAHOMA CITY, May 29.—(AP)—A determined fight for extradition from Kansas City of Russell

Gibson's wife, wanted here in connection with last Friday's \$75,000 bank messenger robbery, will be made, Police Chief Charles Becker said today.

R. O. Hurt, detective, was in Kansas City today, Becker said, to present requisition papers for the pair.

Business Is Business  
Some people are not satisfied to take things as they come unless they can sell them at a profit.

Just another good thing added to the other good things of life

# CAMEL CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Camels contain such tobaccos and such blending as have never been offered in any other cigarette.

They are made of the choicest Turkish and American tobaccos grown.

Camels are always smooth and mild.

Camel quality is jealously maintained . . . by the world's largest organization of expert tobacco men . . . it never varies.

Smoke Camels as liberally as you choose . . . they will never tire your taste.

Nor do they ever leave an unpleasant after-taste.

### GREAT BRITAIN ELECTIOIN TO BE HELD THURSDAY

LONDON, May 29.—(AP)—Great Britain will go to the polls tomorrow in its first general election since October, 1924. Young women will vote for the first time.

Britons will vote on members of the House of Commons, residence of each constituency returning a conservative, liberal or Socialist candidate as suits them. When results are known, King George will ask the leaders of the party gaining the majority of Parliamentary places to form a cabinet, which to all purposes will be the British administrative body for five years, or until non-confidence is demonstrated.

Six hundred and fifteen parliamentary seats are involved, with some 27,000,000 residents of England, Scotland and Wales eligible for voting. This number includes an estimated more than 8,000,000 "flappers" between the ages of 21 and 25 recently enfranchised.

Three major parties are battling for control. The conservatives, given a popular mandate in October, 1924, and headed by the Prime Minister, Stanley Baldwin, seek a continuative body for five years, or until non-confidence is demonstrated.

Ramsay MacDonald, wants a Labor Commons majority so as to initiate the broad fundamental changes in British social and economic life which it has espoused. David Lloyd George, former coalition premier, heads the third party, the Liberals, which though only negligibly powerful in the existing House of Commons occupy a key position in tomorrow's elections and subsequent political developments.

### Received Injuries in Auto Accident

Mrs. Laura Huey and Mrs. Mamie Johnson of Mineral Wells, are in the Central Texas Hospital suffering from cuts and minor injuries received when a Ford coupe in which they were riding overturned near Rising Star while they were returning to Mineral Wells after a short visit to Brownwood, one day last week. Mrs. Huey was driving the car, she states, when she came to a bridge about one mile the other side of Rising Star which had been damaged by the recent rains. The car was completely overturned, catching the occupants beneath the car. The glass in the car was not broken and the car was damaged only slightly. Mrs. Huey sustained injuries to bones in the hand while Mrs. Johnson is suffering from bruises about the head.

# Baby Week!

at our store —And only two more days to register the wee ruler of the family, with us.

MAY

MAY YOUTH VAMPIRE IN ACCIDENT

Max Nolan Anderson, fifteen-year-old-son of Mr. and Mrs. Chas. Anderson of May, Texas, was accidentally killed at Rising Star May twenty-seventh. Max was helping unload steel cylinders for culverts from a flat car when the accident occurred.

The workmen had removed only one standard which held the cylinder on the car, and Max was on top of the steel cylinders trying to remove another standard when all the standards broke without a moments notice. The youth jumped for his life but failed to leap clear of the falling thing. A large piece of lifting containing two smaller pieces, struck him down. His head was crushed and one arm was broken. The terrible blow killed him instantly. None of the other workmen were hurt.

The accident occurred at eleven a. m. May 27th and the funeral was held the following day at the same hour. Rev. R. T. Wallace pastor of the Methodist church held the service with the assistance of Rev. E. A. Steel local Baptist minister of May. The services were held at the Methodist church. The pall bearers were chosen from his classmates, and the flower girls were also from the same class. Many and beautiful were the floral offerings. Max was loved by all who knew him. His frank and friendly disposition won for him an influence which few boys enjoy.

The Business Men's Club met on last Tuesday night. Mr. and Mrs. C. C. Smith and daughter, Violet of Fort Worth are visiting Mrs. Smith's parents, Mr. and Mrs. C. F. Brewer.

Mr. Russell Petty and sister Miss Tullia Petty spent the week-end in Dallas. Mr. and Mrs. Grover Williams and daughter Faye moved this week to Brownwood where Mr. Williams has gone into business. Miss Faye of our high school, a member of our Sunday school and the Red Pepper, W. O. W. Jr. circle, will be greatly missed.

Mr. and Mrs. M. C. McLennan and children of McAmees are visiting Mrs. McLennan's parents, Mr. and Mrs. Todd.

Quiet a number of Mayites attended the American Legion league last Saturday evening. Altho, the storm and rain and high water, they reported a wonderful time. Mr. Jim Miller has purchased the A. D. Petty grocery store. Taking charge last Saturday. Mr. Petty will devote his entire time with the Chevrolet sales.

Mr. J. F. Wiggins and Uncle Pump Arnold left last Saturday for Beaumont there to wait and visit until next Saturday when they start for Charlotte, N. C. to attend the Old Confederate reunion.

Uncle Johnson Miller will start Saturday for Charlotte, N. C. to attend the Confederate reunion and visit relatives en route.

Miss Willie L. Keeler spent last week visiting her uncle, L. B. Blair and family on their ranch.

There seems to be a good opening for a good safe and metal store, owing to Mr. Miller closing his safe and market. The building is for rent, already equipped.

Miss Leo Crooks spent last week in Miles visiting her brother, Robt. Crooks and family.

Mrs. Ed Limbroth of San Saba, who attended the Max Anderson funeral Tuesday, spent overnight with Mrs. Dato Keeler.

Mr. Herbert Glynn is suffering with a severe burnt hand and arm, caused from a fire originating from an oil cook stove. Mr. Glynn was successful in extinguishing the fire after it did a great deal of damage to the wall paper and kitchen.

CHURCH NOTES  
Rev. R. T. Wallace, pastor of First Methodist church preached to a very fine and appreciative congregation Sunday morning and night. The young people rendered a splendid program just before the night service. Sunday school day will be observed Sunday, June ninth. Preaching day is next Sunday at the Baptist church. Rev. Ramsour of Brownwood pastor. The young people will meet promptly at seven-thirty in the evening.

LYNCH NEGRO IN TENNESSEE

ALAMO, Tenn., May 29—(AP)—A mob of about 100 men today entered the Crockett county jail here, removed Joe Boxley, 19-year-old negro accused of attacking the wife of a justice of the peace and hanged him on a tree four miles from town.

Veterans To Meet In Nacogdoches

NACOGDOCHES, Tex., May 29—(AP)—The reunion this year of United Confederate veterans of Texas will be held at Nacogdoches Sept. 3 to 5, inclusive. This was announced today by Brigadier General J. H. Summers of the second brigade.

But When They Pines—  
When he and she are clinging vines, it is merely pathetic, but when both are sturdy oaks, it is very exciting.

Blanket

Rev. C. A. Johnson of Brownwood delivered the commencement address to the graduating class of the Blanket high school on Friday evening. The following are the names of those who completed high school here this term: Dallas Hansard and Wayne Woolsey and Misses Ila Mae Hester, Maud Buckmaster, Audie Lee Austin, Elizabeth Nix, Iva Mae Kennedy, Nettie Blackmon, Hazel Whitmire, Vada Hall and Frances McCulley.

Mr. and Mrs. Theron Bird came in the first of last week from Artesia, New Mexico, where Mr. Bird taught in the public school.

Misses Jewel and Helen Cade, Christine Knudson, Ora Strickland and Cleo Bird were shopping in Brownwood Wednesday.

Miss Loleta Woods returned home Sunday from Rochelle where she has been teaching.

Mrs. Ernest Allen's music class rendered a recital at the high school auditorium on last Tuesday evening, which was enjoyed by a large crowd.

Mr. and Mrs. Curry Wiley of Brownwood visited relatives here on Thursday evening.

J. C. Hicks was on the sick list the first of the week.

Winfield Nix and family of Brownwood visited D. C. Nix and family Sunday.

Mr. and Mrs. Oscar Swindle and daughter, Miss Marjorie, of Brownwood attended the commencement exercises here Friday evening.

The pupils of the grammar grades presented the operetta, entitled, "Goldilocks and the three bears" at the high school auditorium on Wednesday evening.

Miss Maurine Bird came home Friday from Brownwood where she attended Howard Payne College.

R. L. Chapman was a business visitor in Brownwood Monday.

Mrs. H. M. Bettis and children returned to their home in Haskell on Wednesday after a visit with her parents, Mr. and Mrs. J. W. Dabney.

Mr. and Mrs. Ben Nix and Mrs. D. C. Nix and daughter, Miss Elizabeth, were visiting in Brownwood Monday.

Miss Maur Dabney was on the sick list the first of the week.

Mrs. Bob Swart and children visited relatives in Brownwood Sunday and Monday.

The seventh grade graduating exercise was given at the high school auditorium on last Thursday evening. The following are the names of the graduates: Evelyn Levisay, Bess Robinson, Helen Cade, Ruby Lee Henderson, Christine Knudson, Cleo Bird, Ora Strickland, Josephine Milner, Flossie Mae Lappe, G. C. Levisay, Stanley Austin, Jake McCulley, Winston Lee Yantis, Alton Hall, J. T. Curry and Rex Lanford.

Miss Joe Dabney returned home Monday from a visit with her sister, Mrs. Bill McAlpine, of Spur.

Mrs. John Strickland and little daughter, Inez, Misses Hazel McLaughlin and Esther Strickland were shopping in Brownwood Thursday.

Mr. and Mrs. Floyd Eoff of Chapel Hill attended the operetta that was given at the school building Wednesday evening.

Mr. and Mrs. H. L. Moore of Brownwood attended the commencement exercises here on Friday evening.

The senior class, chaperoned by Mrs. R. L. Fortune, spent Tuesday afternoon of last week in Brownwood.

Ben Robertson and family visited relatives at Cross Plains Sunday.

Miss Melba Bettis of Bangs spent the week-end here with her parents, Mr. and Mrs. J. A. Bettis.

Mr. and Mrs. Ben Nix and Mrs. D. C. Nix and children visited relatives at Mullin Thursday.

Misses Elsie, Leva and Leticia Eoff visited in Coleman the first of last week.

Newt Nix visited relatives at Cross Plains Sunday.

Mr. and Mrs. Woolheaver of Fort Worth spent Friday and Friday night with Mr. and Mrs. L. B. Robinson.

Mrs. Susan Ashley, who has been here at the bedside of her sister, Mrs. Haddon, left Saturday for San Angelo.

L. B. Robinson spent the week-end with relatives of Fort Worth.

Bangs

The baccalaureate sermon of the Bangs High School was delivered on Sunday morning by Rev. F. O. Waddill of Dawson, Texas. The auditorium was filled with people to hear the message, despite the mud and rain. The stage was beautifully decorated with pot plants and the class color, gold and green. The following program was rendered: Professional—Schumann's Trauerer—Miss Lottie Mae McElroy. Invocation—Rev. Waddill.

Song, Holy, Holy, Holy—Congregation. Piano solo—Bibelius' Romanas—Miss Lottie Mae McElroy. Announcements—Supt. R. M. Wedgeworth. Sermon—Rev. F. O. Waddill. Song—Onward, Christian Soldiers—Congregation. Benediction—T. J. Hull.

The commencement exercises for the rest of the week were Tuesday night. Seventh grade rendered a program. Wednesday night the music and expression teachers, Misses McElroy and Price, presented their pupils in recital. Thursday night, Dr. Godbold of Howard Payne, addressed the graduating class. Miss Irene Phillips, valedictorian; Violet Hall, salutatorian.

Fred Strange returned Monday from San Antonio where he spent several days visiting relatives.

Mr. and Mrs. Dee Hise and daughter of Brownwood attended the graduating exercises of Bangs high school Sunday.

Ferry Reynolds Brooks of Lubbock, grandson of Mr. and Mrs. W. P. Eads, and Mr. and Mrs. R. L. Brooks, came in last week and will spend some time visiting relatives here.

Miss Jewell Norris who was stricken seriously ill the latter part of the week, is reported able to be up.

Rev. and Mrs. F. O. Waddill of Dawson, and Mr. and Mrs. Turner Waddill of Abilene were dinner guests in the home of Mr. and Mrs. J. B. Snow Sunday.

Uel Allison and Miss Etta Carter were united in marriage Sunday at high noon at the home of Elder Pat Salyer, who performed the ceremony that united them as husband and wife.

Otis White of Thrifty and Miss Vera Stephens of Mukewater community were united in marriage on Tuesday evening at eight o'clock at the Baptist parsonage. Rev. James L. Smart performing the ceremony.

Mr. and Mrs. J. T. Dunivan made a business visit to Coleman Monday.

Mr. and Mrs. Eugene Waddill of Abilene were here to attend the baccalaureate service Sunday, and were dinner guests of Mr. and Mrs. Lee Yarbrough and his sister, Miss Ruth Waddill of Dawson, was also a dinner guest in the Yarbrough home.

In the voting contest conducted by the managers of the medicine show Miss Medina Rhodes won the diamond ring.

W. P. Eads returned Friday from Fort Worth where he transacted business several days.

Mrs. Jim Vinson of Talpa visited his sister, Mrs. C. C. Wilson, last Thursday afternoon.

Mr. and Mrs. H. D. Peoples and daughter, who reside near Ballinger, spent Sunday in the home of Mrs. Peoples' mother, Mrs. E. A. Taylor.

Oneida and Vernon Gilbert of Brownwood are spending the week in the home of their grandfather, W. J. Gilbert.

Mr. and Mrs. J. D. Stewart, Mr. and Mrs. A. A. Seal were visitors to Goldthwaite one afternoon last week.

Mrs. Ellie Baker will leave Saturday for Santa Anna to make her home, after spending almost a year in Bangs.

Mr. and Mrs. Fred Vinson of Brownwood visited in the home of Mrs. Vinson's sister, Mr. and Mrs. Chester Wilson and family, on Sunday.

Dr. and Mrs. T. D. Holder, Mr. and Mrs. Maurice Bell went to Dallas on Monday where they attended the graduation exercises of the Dallas School of Pharmacy in which Alton Bowden, Mrs. Bell's son, was a graduate.

They all returned home on Tuesday and Mr. Bowden is an employee in the Bell Drug Store.

Misses Baker and Putman of Talpa were visitors in the home of Mrs. Emmet Owen on Thursday of last week.

Miss Katie Whitley of Los Angeles, California, came in Saturday to spend her vacation in the home of her father, J. F. Whitley.

Mrs. Thomas Williams of Leveland came in Friday for a visit to her parents, Mr. and Mrs. J. F. Swenson, and other relatives.

Ben Crowder of Albany and Miss Polina Eads drove to the home of Elder Pat Salyer Friday night and were united in marriage. They were accompanied by O. M. Leonard and Miss Inez Gibson. Miss Eads is the daughter of Mr. and Mrs. W. P. Eads, and had just returned Thursday from Sudan, where she taught school the past two terms. She has been reared here and received her education in Howard Payne College. Mr. Crowder formerly resided here and was engaged in the oil business. They left Friday night for Coleman and from there to Albany where Mr. Crowder is a member of the Crowder & Dixon Company. Best of wishes of a host of friends follow them.

At Coleman, May 23rd, at 8:30 p. m. Alma Hart Lester and D. W. Wheeler were married. The ceremony was read at the Baptist parsonage by Rev. C. E. Lancaster, a school mate of the bride's mother. Mrs. Wheeler has taught five years in Bangs high school where her popularity attests to her success in working with young people. As teacher of English and History and coach of basketball and sponsor of "The Gusher" (school paper), her duties were so conscientiously performed that it will be hard to find her equal. Mr. Wheeler is connected with the Mid-West Exploration Co. at Cross Cut, Texas. Their many friends in this section wish them much happiness.

Mrs. Guy Eads entertained at the home of her mother, Mrs. H. L. Alcorn, Friday afternoon, with a bridal shower for Miss Polina Eads, who was married to Mr. Ben F. Crowder, May 24th.

Mrs. F. R. Early entertained with a musical reading which was very appropriate to the occasion.

Mrs. Watts Pullman asked Miss Eads to leave the room with her for a few minutes and while Miss Eads was gone the dining table was loaded with gifts for her. Upon her return she was seated at the table and a merry time followed as the packages were opened.

Refreshments were served to Mesdames Prince, Jackson, Ashcraft, Guyer, Livingston, Boler, May, Pulliam, Early, Horn, M. E. Garms, Hise, Alton, McLaughney, L. A. Rochester, W. P. Eads, W. A. Foreman, McMurtrey, John Eads, R. Lee Baugh, H. L. Alcorn, Miss Inez Gibson and the honoree, Miss Eads.

Miss Alice Maud House of Leveland is here visiting her sister, Mrs. Olin Strange, and other relatives and friends.

Miss Maudine Pierce of Coleman is the guest of Misses Effie Jo and Druia Wilson this week.

Fred Strange returned Monday from San Antonio.

Mr. and Mrs. Dee Hise and daughter, Katherine, of Brownwood attended the graduating exercises here Sunday.

Ferry Reynolds Brooks, son of Mr. and Mrs. Marie Brooks of Lubbock, is spending some time with relatives here.

Mr. and Mrs. H. D. Peoples and daughter of near Ballinger visited Mrs. Peoples' mother, Mrs. E. A. Taylor, Sunday.

Miss Katie Whitley came in Saturday from Los Angeles, California, for a visit in the home of her father.

WISCONSIN PRO ENFORCEMENT LAW REPEALED

MADISON, Wis., May 29—(AP)—Governor Kohler today signed the bill repealing the state's prohibition enforcement act.

The Governor by signing the bill obeyed the mandate of the people who in an election this spring voted by a majority of nearly 150,000 for repeal. The bill was passed by the assembly a month ago and two weeks ago by the senate.

The governor announced he had signed the bill in fulfillment of the mandate of the people, overwhelmingly expressed in the recent referendum.

Gov. Kohler's signature of the bill, which leaves the entire enforcement of dry laws in Wisconsin to federal agents was followed by a statement that the 18th amendment provided that "the states shall have concurrent power to enforce this article by appropriate legislation."

The governor believes "this imposes no obligation on the states, but leaves it optional with them as to whether or not they will exercise their concurrent powers."

Governor Kohler warned that the legislature's passage and his signature of the repealer "should not mislead any of our citizens into the belief that traffic in intoxicating liquor heretofore prohibited by the state has become lawful or that the saloon will return."

He cited federal regulations against manufacture and sale of intoxicating liquors.

### TEXAS GIRL AND COMPANION ARE HELD IN MASSACHUSETTS

NEW BEDFORD, Mass., May 29.—(AP)—Jack Freith, alias Jack Griffith, and Miss Fannie Lee Minter, 16-year-old Austin, Tex., girl were taken into custody by New Bedford officers last night. The couple had been seen here for several days and were registered at a small hotel as man and wife. They had been engaged in selling hosiery.

The couple was held pending word from Texas authorities, who had been looking for the girl and Freith after Miss Minter disappeared on January 29.

### Summer School

Our summer term will open June 3rd, at 9 o'clock. This will be a splendid time for you to enroll and get your business education.

We are now making a specialty of **Cash Short-hand**, and 20th Century Bookkeeping and Accounting.

You will make a mistake if you fail to see our course and prepare yourself for a future business career.

We have added two teachers to our faculty who are especially prepared for their line of work.

We can give you a good course—and THEN A GOOD POSITION.

For information, write 100½ Center Avenue at telephone 1148.

### Brownwood Girl Takes Office as C. I. A. Student President

RUTH SPENCER LAURA ARNESON DOROTHY MILNER  
DENTON, Texas, May 27.—(Sp.)—Miss Vida Moore of Brownwood, Junior at the College of Industrial Arts, formally received the office of student president at the last assembly of the college year Thursday morning, when Marian Benson, retiring president, turned over to her the gavel of the Student Council.

Miss Moore was elected to the office a few weeks ago in one of the most exciting elections in the history of the college. She has served as house president of Sapers Hall, newest dormitory, during the 1928-1929 school year.

Eighteen hundred students of C. I. A. chose these girls as their leaders for the regular session of 1929 and 1930.

Miss Lou Payne of Sweetwater was elected secretary of the student council. Other student council officers include Miss Lyria Gondeau of Mansfield, Louisiana, treasurer; Miss Katherine Moss of Cisco, yell leader, and Miss Kathryn Davis of Claude, song leader.

Miss Ruth Spencer of Greenville is editor of The Lane-c, weekly student newspaper, and Miss Dorothy Milner of Henrietta is editor of The

### FORMER LEGION HEAD SPEAKER HERE SUNDAY

"I believe that the United States should be prepared for whatever task is thrust upon her. The people should be ready physically, morally and spiritually to carry out whatever service the world demands of this country. In doing this she is fulfilling her destiny."

This was a part of the speech of Colonel Alvin W. Owsley of Dallas, past national commander of the American Legion, and principal speaker at the union church service at Memorial Hall Sunday morning in connection with the Seventeenth District Legion Convention here.

Mr. Owsley, one of the outstanding orators of today, said that he hoped if the United States were ever forced into another war, that the boys would be so raised that not one would be turned down for physical defects.

He told the story of the origin of the American Legion at Paris in 1919 and outlined the reasons for its existence.

### Three Great Documents

"There are three documents in the world which stand out above all the rest," he said. "The first one is the Declaration of Independence; the second, the Constitution of the United States, and the third is the preamble to the Constitution of the American Legion, which starts, 'For God and country we associate ourselves together.'"

He paid a tribute to President Woodrow Wilson, naming him as the greatest man on earth at the time of the war. In his introductory remarks Colonel Owsley paid a tribute to Mrs. Mollie Armstrong of Brownwood, who has done so much for the Legion in Texas.

"The Legionnaires of today," he continued, "are a part of the four million picked men of this nation. They succeeded in the war and with a greatest task ahead of them when the armistice came, with responsibilities even greater than at the time of war, they are living up to their war victories. Now let their work be finished with honor and satisfaction."

With regard to the disabled veterans Mr. Owsley said he had cast his lot with them.

"If the government does not do more for the disabled and their families," he said, "we are liable to have to go back to the old discarded pension system. No man has the right to talk economy in governmental affairs when the matter has to do with the disabled veteran and his family."

Rev. Joseph S. Cook, chaplain of the Isham A. Smith Post, was chairman of the service; Rev. C. A. Johnson gave the invocation; Rev. W. R. Hornburg the address of welcome, and Rev. R. B. Twitty the Scripture reading.

One hymn, "America, the Beautiful," was sung by the congregation; and a quartette sang one number. The quartette was composed of Morgan Hall, Frankie Dula, Ollie Dula and C. M. Carpenter, with Mrs. H. H. Cherry accompanying. A collection was taken with Boy Scouts passing the plates, the money received to aid in sending the Old Gray Mare Band to the hospital at Kerrville next Sunday.

### IT WAS A GRAND SURPRISE TO HER

"I was in a Serious Condition and Tried All Kinds of Medicines, But Orgatone is Only Medicine That Gave Me Relief," Says Brownwood Housewife.

"I have gained in health and strength on one bottle of Orgatone, and feel years younger," said Mrs. Hester Lee of 915 Victoria St., Brownwood, Texas, while at her home recently, talking with the Orgatone representative.

"I was in a very much run down condition," she explained, "from stomach disturbances, and most everything I ate, gave me trouble. My food would sour on my stomach, and from gas I had heart trouble. My nerves were all on edge so I got very little sleep at night, and when morning came I was almost as tired as when I went to bed. I had terrible headaches, and felt so wretched and no account, I hardly had any life or energy left to do anything."

"I heard so many people telling about the good that Orgatone had done them that I decided to try it. The way it took hold of my trouble was one grand surprise to me and I hardly know how to begin to tell all the benefits I have derived from using it. I feel better than I have for several years. I eat anything I want now, and don't have the least trouble afterward. I sleep and rest fine every night, and those terrible pains are all gone, and my liver seems to be in perfect condition now. Orgatone has been a fine thing for me and I am glad to recommend it to others, from my own experience with it."

Genuine Orgatone is not a so-called patent or secret remedy but a new scientific preparation containing no alcohol or other false stimulating drugs and is sold in Brownwood exclusively by the Camp-Bell and Peerless Drug Stores, under the personal direction of a special Orgatone representative.
